<tbody>
<tr>
<td></td>
<td>Children</td>
<td>£1</td>
</tr>
</tbody>
</table>

Light refreshments will be available

These lists presented below show the layouts and traders etc invited and are expected to be present. Whilst every effort has been made to ensure that the contents of this document are correct, railway modelling is essentially an amateur hobby and we rely on the goodwill of a very large number of people to stage our annual exhibition. Consequently the Colchester & District Model Railway Club cannot be held responsible for any error or omission nor for the failure of any exhibitor to appear.
Exhibition - Sunday  30/10/2016
At Colchester County High School for Girls
Norman Way, Colchester, Essex, CO3 3US

Mankim Models
Kim Manning
213 Shrub End Road, Colchester
Essex CO3 4RN
 Tel 01206 574929
Mankim (established over 30 years) is Colchester’s main shop for Model Railways, Diecast and Scalextric; new and second hand. Always a good selection of track, buildings, scenery and various accessories; also hundreds of cars, buses and other vehicles. Now also stockists of the Warhammer Range. Open 6 days per week, Mon to Sat from 9am to 5.30pm.

Make Your Mark Models
Mark Sapsford
www.makeyourmarkmodels.com
marksaps@btinternet.com
Tel 01206 860 294
I produce a growing range of OO Gauge Resin Kits and Wagon Loads. I can also make the kits to order to customers requirements, and am happy to undertake commissioned work.

Railway Memories
John Margerum
17 Purvis Way
Highwoods
Colchester, Essex CO4 9FN
The Railway Memories stand provides a large selection of budget priced framed photographs, DVDs, picture CDs and greetings cards covering the British, European and North American rail scene. All material has been produced from John’s extensive photographic collection gathered during his many travels at home and abroad.

**MERG (Model Electronic Railway Group)** is an international, UK based group promoting interest in the application of electronics & computers to all aspects of railway modelling. Founded in 1967, the Group’s aim is to actively promote and advance the use of electronic and computer technology for model railway operation.

**RCTS**
Colin Prime,
24 Bittern Close,
Ipswich
IP2 9NL

The RCTS stand is selling its own well known locomotive publications together with books from smaller publishers. Also available is a large stock of colour rail slides. For further details about membership of the Society talk to the members here this weekend.
