See it. Buy it. Get it.
GSA provides support to military and civilian agencies acquiring shipping and moving supplies, while offering flexible options designed to accommodate specific requirements. Together, these benefits present comprehensive and flexible choices suitable for meeting any office product requirement.

Highlights of GSA’s Flexible Requisition/Acquisition Methods:

Requisitioning from GSA
GSA Global Supply™ procures shipping and moving supplies meeting the recurring needs of your federal agency or branch of the military. Since GSA Global Supply has already probated and then win-in-demand shipping and moving supplies on the government’s behalf, obtaining these products through GSA Global Supply is a simple requisition between agencies – no comparison shopping is necessary. The selection is comparable to that of the commercial marketplace but without the burden of performing an open-market procurement. For detailed descriptions of the products below and vendor listings, please access the GSA eLibrary through www.gsa.gov.

- **MAS 36** for Office Imaging and Document Solutions covers equipment and services used to create, duplicate, and manage documents. These include copiers, duplicators, and associated supplies, mail management equipment, document conversion services, and document identification systems, and more.
- **MAS 41** for Transportation, Delivery and Relocation Services offers relocation software, technology tools and services, ground transportation services, the Rental Supplement Vehicle Program (RSVP), transportation consulting services, express small package and express heavy-duty delivery services, ground small package delivery services, local courier delivery services, a relocation service package, agency customization services, move management services, office relocation, corporate housing lodging services, and much more.
- **MAS 51 V Hardware SuperStore** – This MAS is one of the world’s largest suppliers of quality products to government customers on a global scale. These products include tools, appliances, lawn and garden equipment, paints, sealants and adhesives. Hardware SuperStore also provides federal agencies with streamlined procurement of all the services necessary to maintain and manage a facility. This MAS also provides for ancillary services related to or supporting products and services offered under MAS 51V as well as accessories in support of, and ancillary to, the Executive Office’s products, supplies, and services.
- **MAS 71** for Food Service, Hospitality, Cleaning Equipment and Supplies, Chemicals and Services.
- **MAS 75** for Office Products/Supplies and Services and New Products/Technical Services customers access to office products, and restroom products to assist in daily business operations. Items include shipping, moving supplies, copier paper, writing instruments, toner, labels, desktop supplies, automated data products, paper towels, and more.
- **MAS 81B** for Shipping, Packing and Packaging Supplies provides pallets, bags, hazardous material packaging, shipping, packaging, radio frequency materials, and packaging supplies.
- **MAS 71 III, Miscellaneous Furniture** – Includes Security Housing Units, Safes, Vault Doors, Map and Plan Filing Cabinets, COMSEC Containers and Special Access Control Containers.

In addition to the shipping and moving supplies available through GSA Global Supply, GSA has contracts in place with hundreds of vendors that offer imaging, shipping, and moving services. The selection is comparable to that of the commercial marketplace but without the burden of performing an open-market procurement. For detailed descriptions of the products below and vendor listings, please access the GSA eLibrary through www.gsa.gov.

Purchasing from a GSA Vendor
By offering shipping and moving supplies that cover the breadth of the commercial marketplace, the GSA Multiple Award Schedule (MAS) program enables your agency to choose from thousands of office products, available from hundreds of pre-qualified vendors. Typically, this method of procurement is quicker and easier than open-market procurements. Although an acquisition is a more involved option than a requisition through GSA Global Supply, issuing a purchase order through the MAS program may be appropriate for obtaining office products not widely requested enough to be included in the GSA Global Supply inventory. For more information, visit www.gsa.gov/products and click the “Office Supplies and Equipment” link.

Special Order Program
GSA Global Supply has a robust Special Order Program (SOP). Customer agencies can place requisitions for NSN or part number items with GSA Global Supply and be assured that GSA will take all the necessary steps to ensure compliance with all Federal Acquisition Regulations (FAR) and Executive Orders. GSA Global Supply’s SOP Program includes a wide variety of products and related services such as tools and hardware, office products, cleaning supplies and fire equipment. SOP items can be ordered from GSA Global Supply by calling the GSA Global Supply call center at (800) 525-8027 or via FEDSTRIP/MILSTRIP GSA Global Supply Stores or Base Stores supported by GSA Global Supply can also assist with placement of SOP orders. (visit www.gsa.gov/globalsupply for more information on Global Supply stores and Global Supply base partners). Enhancing Reuse with GSA
GSA supplies and Global Supply stores and Base Stores supported by GSA Global Supply can also assist with placement of SOP orders. (visit www.gsa.gov/globalsupply for more information on Global Supply stores and Global Supply base partners).

Ensuring Reuse with GSA
Personal Property Management
Screening other agencies’ excess personal property inventories is the federal government’s priority source of supply. And with today’s increased environmental consciousness, reusing excess property is a source of pride. To help you acquire the excess property your agency needs, GSA offers www.gsa.gov/gsaaccess, the personal property reporting tool for the federal government. At GSAAccess®, reporting and selecting excess property is convenient and user-friendly.

Shipping and moving products from GSA Global Supply
GSA Global Supply offers a large selection of products to support your shipping, moving and storage needs. From pallets and strapping to boxes and labels, GSA Global Supply provides quality products backed by our service guarantees.

- **Easy Requisitions – See It. Buy It. Get It.**
- **Flexible – Featuring Multiple Ordering Options**
- **Reliable – Delivering the Products You Need, Where You Need Them**
- **Anywhere – Assuring Global Delivery**
- **Anytime – Supporting 24/7 Purchasing**
- **More – Offering Extensive Product Selection**
- **Safe – Providing Easy Compliance**

The items in this publication represent our best-selling shipping and moving supplies. To view our complete line, visit www.GSAglobalsupply.gsa.gov.

Ordering
Online (24 Hours):
www.GSAglobalsupply.gsa.gov
The GSA Global Supply Web site gives you access to tens of thousands of tools, office supplies, computer products and other items. You can use your government purchase card or arrange direct billing with your Activity Address Code (AAC/DoDAAC). Select the items you want and place your order.

All GSA Global Supply items are also available via GSA Advantage® and the DOD EMALL web site.

Fax Orders (24 Hours):
(800) 867-7057
You will receive a confirmation via fax.

Part Number Ordering
Many GSA Global Supply catalogs feature items with National Stock Numbers (NSNs) and others with GSA part numbers. FEDSTRIP/MILSTRIP customers can order GSA part-numbered items by using one of the following identifiers:

- **AOB**: For domestic shipping
- **AO2**: For overseas shipment

Both NSNs and GSA part-numbered items carry the same customer benefits. All are FAR-compliant and AbilityOne Guaranteed. All can be shipped anywhere on the globe. All are backed by GSA Global Supply customer service.

DOD EMALL
All GSA Global Supply items appear on the DOD EMALL site. Customers must use their AAC/DoDAAC to purchase GSA items.

Make GSA Your Source for Shipping and Moving Supplies.

GSA makes shipping and moving supplies easy! For additional information about ordering from GSA Global Supply, see page 1 of this publication.

For more information on Global Supply products, visit www.GSAglobalsupply.gsa.gov.

Shipping and moving supplies are convenient and user-friendly.
Large Shipment Solutions

Uni-Pak Pallet Sleeve

Complete state-of-the-art storage/shipping system is constructed of heavy-duty AAA-fluted configuration fibercardboard sleeve, a plastic top, and a plastic bottom pallet (with four-way entrance capability). The sleeve can be locked with bottom pallet and top to create a rigid and secure system, eliminating strapping and stretch wrapping. The rugged and impact-resistant bottom pallet and top are formed from two sheets of high-density polyethylene. Palletized loads (up to 10,000 lbs.) can be stacked up to four high. The 40” x 48” bottom pallet and top have notching capabilities to save space and stack securely. Reusable system is designed for years of service. Designed for use with Uni-Pak sleeves NSNs 8115-01-444-0190, 8115-01-444-0191 or 8115-01-444-0212. Top should be ordered using NSN 8115-01-444-0211.

Packaging System

Compact inflatable Bubble Wrap System automatically inflates and dispenses 3/4” height bubble barrier material. The cost-efficient solution for on-site, on-demand cushioning. Provides storage savings. Comes in two sizes. Must be used with inflatable bubble wrap NSF 935-01-518-6737 (perforated) or 3540-01-529-9950 (non-perforated).

---

Inflatable Bubble Wrap

Plastic film inflates into a bubble wrap packaging. To be used only with the packaging system specified under 3540-01-518-6168. Roll is perforated.

---

Packaging Material

Packaging material is made of closed cell polyethylene foam. It is used for general purpose cushioning and packaging applications in temperatures ranging from -65 deg. F to +158 deg. F. Density is 2 pounds per cubic foot. Item is not static dissipative, fire retardant, or fungus resistant.

---

Barrier Material

This plastic barrier material protects supplies during transportation and storage under all weather conditions. Also useful for all applications that require water vapor-proof, flexible, heat-sellable, low water vapor transmission packaging material.

With non-woven backing.

8135-00-262-0285 Width: 36” RO (contains 200 YD) $157.26

With woven backing.

8135-00-271-0810 Width: 36” RO (contains 200 YD) $645.96

8135-00-224-5865 Width: 36” RO (contains 200 YD) $134.76

---

Packaging Tape

This medium-strength tape is waterproof and weather-resistant. Features a plastic film backing. Tape is for general use in sealing fiberglass boxes and covering exterior labels. Has a 3” core.

With 12-month minimum shelf life (extendable).

A. 7510-00-297-6656 AbilityOne Beige Width: 3” RO (contains 120 YD) $14.79

B. Weather- and water-resistant tape sports a flat, paper backing. Useful for closing and sealing fiberglass containers. Has a 3” core.

With 12-month maximum shelf life (extendible).

C. 7510-00-297-6655 AbilityOne Beige Width: 3” RO (contains 120 YD) $22.13

---

Packaging Tape Dispenser

D. This heavy-duty box sealing hand-held tape dispenser features pistol-grip design for center seam sealing of boxes. Dispenser is for use with tape from 1-1/2” up to 2” wide and 60 yards long with a 3” core. Adjustable tension controls tape unwind. Construction of dispenser is heavy-duty plastic and metal.

E. This hand roll-on dispenser has a pistol-grip and is easy to use for box sealing. Accommodates 2” wide sealing tape. Adjustable braking mechanism applies tension to the tape. Lightweight plastic construction.

---

Packaging Tape

F. Two-ply paper tape is reinforced with fiberglass and laminated with nonasphaltic material. Non-strippable tape features a 1/2”-diameter core opening (minimum). Not for use with food products.

8135-00-598-6097 Width: 3” RO (contains 450 FT) $7.69

---

Packaging Tape Dispenser

D. This heavy-duty box sealing hand held tape dispenser features pistol-grip design for center seam sealing of boxes. Dispenser is for use with tape from 1-1/2” up to 2” wide and 60 yards long with a 3” core. Adjustable tension controls tape unwind. Construction of dispenser is heavy-duty plastic and metal.

E. This hand roll-on dispenser has a pistol-grip and is easy to use for box sealing. Accommodates 2” wide sealing tape. Adjustable braking mechanism applies tension to the tape. Lightweight plastic construction.

---

Packaging Tape Dispenser

F. Two-ply paper tape is reinforced with fiberglass and laminated with nonasphaltic material. Non-strippable tape features a 1/2”-diameter core opening (minimum). Not for use with food products.

8135-00-598-6097 Width: 3” RO (contains 450 FT) $7.69

Pack and Wrap Materials

GSA Global Supply makes organizing easy! Stock up on file folders, labels, archive boxes and packaging tape.
Pressure-Sensitive Tape

Premium commercial-grade, clear polypropylene, best-scaling pressure-sensitive tape comes with its own disposable dispenser, a serrated metal blade and a paperboard flap suitable for hanging on a display rack. This item features impact resistant reinforcement. Has a 1-1/2" core.

7510-01-360-7967 Clear Width: 2" Length: 222 yd. RO (contains 8 EA) $13.10

18-month maximum shelf life (extendable)

Strapping Tape

Fiberglass filament-reinforced tape is for closing full overlap or full telescope boxes, as well as general bundling and packaging. Also used for carbon fiber reinforcement, straining and holding applications. Has a 3" core.

Medium-dutente-strength tape (380 lbs per in. width) is transparent.

7110-00-822-0111 AdhesOne Transparent Width: 3/4" RO (contains 60 YD) $2.58

12-month maximum shelf life (extendable)

For dispenser, see NSN 7520-00-579-9053. (NFES #0222)

12-month maximum shelf life (extendable)

Glue Stick

Type I - White on applications. Dries clear.

7520-01-611-3268 SKILCRAFT AbilityOne Black DZ $5.68

7520-01-611-3285 SKILCRAFT AbilityOne Black DZ $5.88

Permanent Marker

Permanent markers have high-intensity ink that is ideal for identifying and labeling. Waterproof ink dries quickly.

7520-01-715-1985 Black Fine Point DZ $7.30

7520-00-510-5184 Black Fine Point DZ $8.51

Permanent Marker (Chisel Tip)

This jumbo-size, permanent, tube-type marker features a durable chisel tip and can be used in various positions for fine, medium or wide strokes. The waterproof, quick-drying ink is perfect for use on porous and non-porous surfaces. This all-purpose marker is premium-quality and AMCI approved non-toxic.

7520-01-611-2089 SKILCRAFT AbilityOne Black DZ $5.68

Bent Trimmer’s Shears

Has bent handles for easy, maneuverable and accurate cutting. Heavy-duty shears for cutting fine to heavy fabrics, cording, plastics, rubber, leather, vinyl and tape. Shears are intended for heavier applications such as upholstery, or on production lines where longer cuts and greater strength are needed. The shears have straight handles and polished nickel-chrome plated drop forged steel blades. Painted or nickel-chrome plated handles. Both blades are drop-forged steel and pointed.

Shears have a 4-5/8" length of cut.

5110-01-360-5577 Length: 3-1/4" EA $14.58

Ergonomic Scissors

Reduce hand fatigue. Soft touch multipurpose, spring-action scissors have oversized cushion-grip handle. Flat-bottom styling allows the scissors to slide smoothly across a cutting surface. Scissors reduce discomfort in the hand and wrist. Easy-grip handles allow for left- or right-handed use. Ideal for cutting longer straight cuts as well as multiple layers of fabric, paper and cardboard. Scissors gently open after each cut.

Scissors have a 3" length of cut.

5110-01-360-3817 Length: 3-1/4" EA $13.27

Utility Knife

Multi-purpose craftsman’s knife has a hardened and tempered blade made of carbon steel and a single cutting edge. Removable blade and holder. Retractable blade locks in three cutting positions. Comes with five interchangeable blades that store in the handle, which opens by unscrewing the one screw.

5110-02-002-5071 Length: 5-1/2" EA $2.75

Pack and Wrap Materials

Diagonal Cutting Pliers

General-purpose diagonal cutting pliers designed for cutting wires, nails, screws or light metal. Forged from alloy steel with polished heads. The tool is furnished with standard cutting edges and cushion-grip handles. ASME B107.11.

Bolt Cutter (Clipper Cut)

Designed for close cutting near flat surfaces. The clipper-cutter tool cuts screws, bolts and steel rods and has an adjustable, rigid, two-jaw head. Removable, sharp-edged jaws are made of hardened tool steel. Dual lever-arm steel handles have toggle or geared action. Adjustments compensate for jaw wear. A rubber bumper or lock-screw stops eliminate pinching the operator’s hands. CID A-A-3047

Capacity: 5/16”

Staple Gun (Compression-Type)

Heavy-duty, manually operated, compression-type gun drives preformed steel wire staples in strip form onto penetrable materials such as wood or composition board. Use for posters, labels, tags and building paper. Steel spring mechanism returns handle to starting position and feeds next staple to driving position, making it easier to operate with one hand. All surfaces are coated to prevent corrosion. Comfortable handgrip design.

Tacker accepts 1/2”-wide flat-crown staples with the following leg lengths: 5/32, 1/4, 5/16, 3/8, 1/2, and 9/16”. Tacker accommodates a minimum of 84 staples.

Mailroom Equipment and Supplies

Measuring Tape (Steel)

Self-supporting steel measuring tape features permanent graduation markings and numbers printed on the full length of the tape. Housed in a butt-end plated metal or impact-resistant plastic case.

Features automatic winding power return, blade lock and a belt clip.

Displays English markings. Graduations are in 1/16” increments (first 6” are in 1/32”). Reads left to right.

Mail Cart

Carbon steel mail cart features a non-nesting design and two removable baskets. The top basket has adjustable snap-on file guide bars. Cart also has rubber bumper or lock-screw stops and two fixed wheels.

Upper basket measures 24” long, 17” wide and 11” high. Lower basket measures 24” long, 17” wide and 7” high.

Hand Truck

This hand truck is portable and lightweight with either a collapsible, compact or fold-up design. The wheels are high-impact poly, steel or rubber, 4” to 8” in diameter. The maximum carrying capacity is 200 lb.

Circulating Fan

Beat the heat with this high-velocity, two-speed fan. Use on the floor, desk or wall as an air circulator. It may also be used in the window for exhaust or intake purposes. The plastic blades circulate a minimum of 2600 CFM of air at any direction at a 100° tilt. The tubular frame has a safety guard. This fan is free from radio interference. Operates on 110 to 120 volt AC 60-cycle power and has a three-conductor 10-foot power cord. Conforms to UL standards.

Mailroom Equipment and Supplies

GSA Global Supply offers tens of thousands of office products, tools and maintenance/repair/operations supplies. For the most complete listing visit www.GSAglobalsupply.gsa.gov.

Stay cool with this column-mounted, two-speed (minimum) pedestal fan that adjusts to heights up to 96”. Head of fan tilts 5° below and 15° above horizonat. A safety guard completely covers the motor or rigid plastic blade assembly. Fan operates on 115V AC, 60-Hz power and has a three-conductor 10-foot power cord. Conforms to UL standards. Oscillates a minimum of 80° and can be locked at any point on that oscillation range.

Fan provides 5800/7300 cfm air flow.

Duo-Fast CS5000

Heavy-duty, manually operated, compression-type gun drives preformed steel wire staples in strip form onto penetrable materials such as wood or composition board. Use for posters, labels, tags and building paper. Steel spring mechanism returns handle to starting position and feeds next staple to driving position, making it easier to operate with one hand. All surfaces are coated to prevent corrosion. Comfortable handgrip design.

Tacker accepts 1/2”-wide flat-crown staples with the following leg lengths: 5/32, 1/4, 5/16, 3/8, 1/2, and 9/16”. Tacker accommodates a minimum of 84 staples.
