Electrical Supply Solutions for Industry

Serving the Electrical Construction Industry Since 1931

www.gaffney-kroese.com
Gaffney-Kroese Supply Corp. serves the material, supply and procurement requirements of the electrical industry and related users. We specialize in hazardous location, petrochemical, oil & gas, industrial, commercial and OEM markets.

Founded in 1931, now with over 100,000 sq. ft. of warehousing and inventory in multiple US and overseas locations, we are a diversified wholesale electrical and industrial distributor providing products and services on a global basis. Gaffney-Kroese is an authorized stocking distributor for many of the leading and most recognized electrical products manufacturers in our industry.

Whether the need is for plant operational spare parts in the United States or bulk electrical equipment and switchgear for an international hydrocarbon project, Gaffney-Kroese Supply Corp. has the experience necessary to meet all customer requirements.

Beyond typical procurement and supply, Gaffney-Kroese provides enhanced support including:

- In house engineering staff
- Distribution specialists
- Motor specialists
- Lighting specialists
- Marine and hazardous location specialists
- Supply Chain management services
- Complete export services
- Logistics support
- Crating and packing
- Multi-lingual support

All Gaffney-Kroese locations utilize a common centralized enterprise software system allowing every department in the company to store, access, communicate and use information in real time. Additionally, we maintain rigorous continuous quality improvement policies, with our corporate location first achieving ISO 9001 quality certification in May, 2003.
