**ABOUT THE CONSERVANCY**

The ultimate vision of the Detroit RiverFront Conservancy is to transform and revitalize 5.5 miles of riverfront from the Ambassador Bridge to Gabriel Richard Park, just east of the MacArthur Bridge to Belle Isle. As the permanent stewards of the riverfront public space, which includes the RiverWalk and the Dequindre Cut, the Conservancy is responsible for construction, operation, maintenance, security and programming, along with raising the funds to support all components of the project.

**HOW TO SUPPORT THE CONSERVANCY**

The nonprofit Detroit RiverFront Conservancy is proud to be leading the initiative to transform our city’s riverfront into a world-class gathering place for all. Our efforts are made possible through the support of people like you who use and love our parks and greenways and want to help us continue our work. By making a tax-deductible gift to the Detroit RiverFront Conservancy, you are not only playing a role in Detroit’s revitalization, but also protecting our riverfront for future generations to enjoy.

Interested in volunteering your time? The Detroit RiverFront Conservancy has numerous opportunities available. Visit detroitriverfront.org and show your support today!
