A Message from the Governor

Tom Wolf

Dear Fellow Pennsylvanians,

One of my top priorities as Governor is to protect our seniors, provide them with health choices, and ensure they are able to stay in their homes and with their families as they age. Given my Administration’s commitment to these values, I am pleased to present the updated *Benefits and Rights for Older Pennsylvanians* guidebook. It serves as a valuable resource for older adults, their families, and caregivers in locating the many services available to them.

Older Pennsylvanians make significant contributions to their communities and many want to remain independent as long as possible. The Department of Aging supports older adults by providing key assistance including community-based services and pharmaceuticals that keep people healthy and living in their own homes.

Currently, there are nearly 2.7 million individuals age 60 and older living in the commonwealth. At 21.3 percent, Pennsylvania has the fourth highest percentage of residents age 60 and over. And by 2020, more than one in four Pennsylvanians (26.2 percent) will be age 60 and older. These realities only heighten our responsibility to make sure government works for older Pennsylvanians.

Far too often, Pennsylvania’s aging population struggles to afford necessary things like medicine, groceries, and rising property taxes. This should not happen in our state. Seniors have spent their lives working hard to provide for families and communities.

My administration is dedicated to ensuring our most vulnerable residents remain active and engaged, and most importantly, protected from all forms of abuse and neglect. This book provides information on the many programs and services in place throughout the commonwealth that are designed to do this.

I encourage you to share it with the older adults in your life as well as their families, friends, and caregivers.

Sincerely,

Tom Wolf
Governor
A Message from the Acting Secretary of Aging

Dear Fellow Pennsylvanians,

Governor Tom Wolf is dedicated to ensuring that Pennsylvania government is working for all Pennsylvanians. One of his top priorities is to protect our seniors and to provide them with opportunities to continue to remain engaged and independent by participating in work, volunteer and recreational activities, and having access to health, nutrition and pharmaceutical assistance programs; and if life’s circumstances warrant, to receive long-term care supports and services in their homes and communities.

We are pleased to provide for you the 2015 edition of The Benefits and Rights for Older Pennsylvanians guidebook. From nutrition services to health and wellness programs, home- and community-based services to employment programs, protective services to property tax and rent rebate programs, veterans services to volunteer programs, transportation services to pharmaceutical assistance programs, and much more, this book was designed to serve as a single, comprehensive source of information intended to help you find these services and programs quickly and easily.

The Pennsylvania Department of Aging, partnering with its network of 52 local Area Agencies on Aging, is committed to providing leadership, advocacy and access to information and services to older Pennsylvanians, their families and caregivers. We also partner with an ever-growing and dynamic array of federal, state and local government departments and agencies, along with universities and colleges, foundations, advocacy groups, health care systems and more to fulfill our mission. This commitment to collaboration, information sharing and planning jointly for new programs is critical to our success.

While I trust that you will use this book in order to learn about the many services and programs available to assist older Pennsylvanians, I hope that you will also share it with others who may not know where to turn for help. Together we can lead the way to services and programs that promote health, dignity and independence. To learn more about the Department of Aging, I encourage you to visit our website at aging.pa.gov or call us at (717) 783-1550.

Sincerely,

Teresa Osborne
Acting Secretary of Aging
Dear Fellow Pennsylvanians,

Since its 1971 inception, the Pennsylvania Lottery has remained focused on generating funds for programs that benefit older residents through the sale of entertaining Lottery games. The Pennsylvania Lottery remains the only U.S. Lottery that dedicates all of its proceeds for that purpose, and over the years the Lottery has contributed more than $24.7 billion to senior programs.

This year, the Lottery will generate more than a billion dollars for programs providing hundreds of thousands of property tax and rent rebates, millions of free and reduced-fare transit rides, and care services to tens of thousands of our most vulnerable residents. It will also provide millions of low-cost prescriptions through the PACE and PACENET programs and a myriad of social, educational and recreational programs through 52 Area Agencies on Aging and hundreds of Senior Community Centers throughout the state.

Another benefit to living in Pennsylvania is an income tax system favorable to retired citizens, since Social Security benefits, formal pension plans and IRAs are not subject to the state income tax. Many older residents also qualify for Tax Forgiveness, eliminating the need to make estimated tax payments on interest or dividends earned from investments.

The Department of Revenue and the Lottery are proud to benefit older Pennsylvanians, every day, by protecting their independence, preserving their health and improving the quality of their lives.

If you need assistance with personal income tax matters or in completing a Property Tax/Rent Rebate application, I encourage you to review the resources available on the Revenue Department’s website, www.revenue.pa.gov, or call or visit the Revenue district office, listed in the government pages of the telephone directory, nearest you.

Sincerely,

Eileen McNulty
Acting Secretary of Revenue

THE DEPARTMENT OF AGING

The Pennsylvania Department of Aging was created in 1979 to advocate for the needs of Pennsylvania’s older population. Through a statewide network of 52 Area Agencies on Aging (AAAs), the Department offers many benefits, programs and services available to Pennsylvania’s 2.9 million people over the age of 60. This population continues to grow each year, with the 85-and-older population now comprising one of the fastest growing segments.

The Department of Aging has an annual budget of over $600 million. The Department utilizes federal and state funds, but most of the budget comes from the Pennsylvania State Lottery Fund. Hundreds of millions of dollars are spent each year to provide a wide array of services to older Pennsylvanians, from abuse protection to personal care to transportation services. These services are delivered through the AAAs covering all 67 counties in Pennsylvania.

While older people continue to be the Department’s primary concern, their families and communities also remain a focus. The Department’s Pennsylvania Caregiver Support Program was created to reduce caregiver stress and reinforce the care being provided to older people at home. The program is targeted at caregivers who are caring for an older, functionally dependent person.

Among the largest programs the Department administers are PACE and PACENET, which assist qualified, older state residents in paying for their prescription medications. Thousands of older Pennsylvanians take advantage of these programs each year.

As the Department moves forward, it will continue its mission of enhancing the quality of life of all older Pennsylvanians by empowering diverse communities, the family and the individual.

Overview: Area Agencies on Aging Services
Pennsylvania’s 52 Area Agencies on Aging (AAAs) cover all 67 counties and serve as the front door for Department of Aging services at the local
level. They implement the various programs and services offered to older Pennsylvanians.

The AAAs are also available to offer needed assistance, supportive service and advice. They are staffed with workers skilled in various fields such as geriatrics, social work and community resources.

Your AAA can assist you in many areas including providing care for an older relative; investigating reports of elder abuse and neglect; and connecting you with recreational, social and educational opportunities.

The AAAs, like the Pennsylvania Department of Aging, act as advocates to keep Pennsylvania's older residents active and independent in their own communities.

For a list of phone numbers and addresses of the 52 Area Agencies on Aging, please see page 108. Here is a summary of some of the most commonly used programs and services.

**APPRISE Program**
The APPRISE Program provides free face-to-face or telephone assistance with understanding Medicare and Medicaid eligibility and benefits, Medicare supplement insurance, HMOs, and long term care insurance. Trained volunteers and staff assist in filing appeals and grievances for denied services and provide information about quality of care in Medicare HMOs.

Contact your local Area Agency on Aging (page 108) or the APPRISE toll-free number at (800) 783-7067 on weekdays from 9 a.m. to 4 p.m.

**Pennsylvania Caregiver Support Program**
Through AAAs, eligible caregivers may receive financial support in caring for an older person, and older Pennsylvanians caring for a younger relative may also benefit. This program can provide you with a wide range of ongoing support through the counsel of an appointed, local Care Manager. This Care Manager is trained to help you with everything from emotional support and much-needed respite from your caregiving duties to helping you seek funding for any home modifications necessary to supply that care. For more on this program, turn to page 48.

**Community Adult Respite Services Program**
Starting in 2015, a Community Adult Respite Services Program begins serving individuals who need more than the normal scope of services from Senior Community Centers, but who don't quite need the full level of attention provided by licensed Adult Day Services Centers. For more information, visit aging.pa.gov.
Congregate Meals
Nutritious meals meeting 1/3 of the Recommended Dietary Allowances (RDAs) and the Dietary Guidelines for Americans are served at least once a day, five or more days a week primarily in a Senior Community Center that partners with the local AAA. Meals are available free of charge for individuals 60 years of age or older and their spouses, although a donation is requested.

Employment Assistance
Many Area Agencies on Aging administer the Senior Community Service Employment Program under Title V of the Older Americans Act, which provides low-income older adults with part-time employment in public and nonprofit agencies. In addition, most Area Agencies on Aging provide job brokerage services for older workers, matching job seekers with available jobs in businesses, private industries and public agencies.

Help at Home
There are a variety of programs offering various forms of support to give older Pennsylvanians the option of remaining in their homes longer. One of the most common is the Options Program, which covers a wide range of needs including Home Support Services for daily household activities, personal care help for those who cannot manage alone, and home-delivered meals prepared at a central location and carried to a person’s home.

Home-Delivered Meals
These nutritious meals meet 1/3 of the Recommended Dietary Allowances (RDAs) and the Dietary Guidelines for Americans. They are available for home delivery for individuals determined in need by their local AAA. Meals may be provided daily or five as determined necessary. As with congregate meals, the service is available free of charge for eligible individuals 60 years of age or older and their spouses, although a donation is requested.

Information/Referral
Each AAA has knowledgable staff trained across many different aspects of the Aging Network and available to answer questions and make referrals to other agencies in the community.

Legal Assistance
Counseling on legal matters, including health care, long term care, nutrition, housing, utilities, protective services, wills, guardianship, and other matters may be provided by an attorney or non-lawyer to older adults with economic or social needs.
Management of Services
Area Agencies on Aging assess and determine the needs of older people — especially the frail receiving care at home. They also develop a care management plan to provide for those needs, coordinate and ensure that the services are delivered properly, and keep an ongoing record of care rendered.

Older Adults Daily Living Centers (Adult Day Services Centers)
Older Adults Daily Living Centers provide a structured program of social, recreational and health services for older adults who are not capable of full-time independent living. Some centers are able to offer access to specialized services such as physical and/or occupational therapy. This service is especially valuable to families and other caregivers who work.

Older Adults Protective Services
Establishes programs for training, information and public education concerning elder abuse. Provides services and legal protection to victims and confidentiality for those who report cases of abuse.

Ombudsman
An ombudsman is available at Area Agencies on Aging to investigate and help resolve complaints made by, or on behalf of, older Pennsylvanians in long term care facilities, such as nursing homes, assisted living facilities and personal care homes.

Residential Facilities
Area Agencies on Aging can locate, assess and assist in finding a residence that provides domiciliary care, foster care or, in some instances, nursing care.

PrimeTime Health Program
PrimeTime Health is the Pennsylvania Department of Aging's program for health education and wellness. To encourage older adults to stay healthy, the department and its partners offer community programs focusing on key areas including nutrition, chronic disease self-management, screening for health risks, screening for risk of falling, falls prevention strengthening, behavioral health and medication management.

Senior Community Centers (Senior Centers)
Every year, more than 100,000 older Pennsylvanians visit the Commonwealth's wide-reaching network of more than 550 Senior Community Centers. Once there, adults over the age of 60 and their
spouses can get everything from a hot, nutritious meal to interactive classes on health and wellness, art, technology and more. As a provider of many free resource, these centers promote a community-driven culture of lifelong learning and encourage social interaction that is vital to long term health.

Transportation
Area Agencies on Aging help coordinate transportation services and assist older adults in getting to and from Senior Community Centers, medical facilities, human service agencies and essential shopping destinations.

Volunteer Services
Area Agencies on Aging recruit people of all ages, skills and educational levels to provide services as volunteers. Available volunteer opportunities typically include such activities as helping in Senior Community Centers, escorting frail individuals to medical appointments, delivering meals to home-bound individuals, serving as friendly visitors and companions, and helping in older adult daily living centers and more.

The Pennsylvania Council on Aging
The Pennsylvania Council on Aging acts as an adviser to the Governor and the Department of Aging on the planning, coordination and delivery of services to older people. The council also serves as an advocate for older Pennsylvanians. The council is composed of 21 members, the majority of whom are 60 years of age or older. Members are nominated by the Governor and are subject to Senate confirmation.

There are also five Regional Councils on Aging serving as a resource for the organization. Members of the Regional Councils represent organizations and groups involved in aging programs and services. They are appointed by the Pennsylvania Council on Aging. For more information about the Pennsylvania Council on Aging or its Regional Councils, call (717) 783-1550 or email aging@pa.gov.

PA Link to Aging and Disability Resources
The PA Link to Aging and Disability Resources is an organized alliance of private and public agencies led by the Department of Aging. PA Link partners serve as a “no-wrong-door” entry point for consumers to access long term care services, supports and information regardless of their age, income or disability. PA Link partners work together to connect consumers with all available resources related to care, medication, nutrition, insurance, housing, transportation, employment, mental health services and other supports that make it possible for them to continue to live as independently as possible. Any Link partner can serve as the
single point of entry into a very complex long term service support system. The information gathered by the initial PA Link partner would follow the person to the appropriate agencies rather than the consumer having to start over at the referred agency. To contact PA Link, call (800) 753-8827 on weekdays from 9 a.m. until 5 p.m.
Benefits Older Pennsylvanians. Every Day.
THE PENNSYLVANIA LOTTERY

The Pennsylvania Lottery was established by the Legislature in 1971. Its primary purpose was, and remains, to generate funds for programs that benefit older Pennsylvanians. Since 1972, when its first game went on sale, the Pennsylvania Lottery has contributed nearly $24.7 billion to programs that include: the Property Tax/Rent Rebate program administered by the Department of Revenue (page 84), a free and reduced-fare transit program administered by the Department of Transportation (page 88), the PACE/PACENET low-cost prescription drug programs administered by the Department of Aging, a long term living services program administered by the Department of Human Services (formerly Department of Public Welfare), and the 52 Area Agencies on Aging, including hundreds of full- and part-time Senior Community Centers throughout Pennsylvania.

The Pennsylvania Lottery remains the only state lottery to designate all its proceeds to programs that benefit older residents. In fiscal year 2013-14, the Lottery achieved sales of more than $3.8 billion; contributions to programs for older Pennsylvanians totaled more than $1.08 billion.

The Pennsylvania Lottery is a successful enterprise of which all Pennsylvanians can be proud. Learn more at www.palottery.com.

PROTECTIONS & RIGHTS
Older Adults Protective Services Act

This law protects Pennsylvanians 60 years of age and older against physical, emotional, or financial abuse as well as exploitation, neglect, or abandonment. Reporting of abuse is mandatory for employees and administrators of nursing homes, personal care homes, assisted living homes, domiciliary care homes, adult day services centers, home health care providers, and other facilities specified by their licensing body/entity. For the general public, reporting of abuse is voluntary and can be anonymous. The law protects all reporters from retaliation and civil or criminal liability. Under this law the Area Agencies on Aging (page 108) receive reports 24 hours a day 7 days a week and are responsible to investigate within 72 hours. If someone is at imminent risk, please contact your local law enforcement immediately. Any person who believes that an older adult is being abused, neglected, exploited or abandoned may file a confidential report at any time with any Area Agency on Aging or by calling the statewide elder abuse hotline at (800) 490-8505.

Ombudsman Program

Ombudsmen are available in each of the local Area Agencies on Aging to investigate complaints made by, or on behalf of, older adults living or receiving long term care services such as nursing, personal care, assisted living and domiciliary care (Dom Care) homes; this also includes people participating in adult day services centers.

BENEFITS: Ombudsmen advocate for and protect the rights of older adults receiving long term care services. They receive confidential complaints from individuals living in long term care settings and work to investigate and resolve these complaints. Ombudsmen strive to improve the quality of care and life for older adults.

THOSE ELIGIBLE: Older Pennsylvanians receiving long term care.

CONTACT: Any Area Agency on Aging (page 108).

NOTE: There are other local and statewide organizations concerned with improving the quality of life for older adults living in long term care settings. Your Area Agency on Aging can tell you more.

The Pennsylvania Empowered Expert Residents Program (PEERs)

In addition to the professional and volunteer ombudsmen for your area, you may also wish to contact members of your local PEERs program.
PEERs are residents of long term care facilities who have been trained on basic advocacy processes.

**BENEFITS:** PEERs help residents of long term care facilities to resolve conflicts and concerns that may arise over the course of their stay in a long term care facility.

**CONTACT:** Any Area Agency on Aging (page 108) to locate the nearest PEERs in your area.

**NOTE:** PEERs provide support to each other as residents who live in long term care settings. For more on becoming a PEER, see page 103.

**Bureau of Consumer Protection**

**BENEFITS:** This office, a bureau of the Office of Attorney General, will investigate any consumer complaint, contact the company or agency — by subpoena if necessary — and attempt to mediate and correct your problems. For example, if you are unhappy with a purchase and the company refuses to consider your complaint, you should contact the Bureau of Consumer Protection, [www.attorneygeneral.gov](http://www.attorneygeneral.gov).

**THOSE ELIGIBLE:** Everyone.

Bureau of Professional and Occupational Affairs

**BENEFITS:** The Department of State's Bureau of Professional and Occupational Affairs works with professional licensing boards such as physicians, dentists, chiropractors, pharmacists, nurses, optometrists, funeral directors, and more. In all, the bureau monitors standards of practice and conduct of license holders for 29 different professional areas. The vast majority of these adhere to the highest professional and ethical standards, but if you feel you've been harmed by the conduct of a licensee, you can file a complaint.

**CONTACT:** Call (800) 822-2113 or, to file a complaint, visit [www.dos.state.pa.us](http://www.dos.state.pa.us), then click on “Licensing,” then “Complaints.”

Office of Consumer Advocate (OCA)

**BENEFITS:** The Office of Consumer Advocate was created in 1976 to inform and educate the public about energy and utility issues. It represents the public before the Public Utility Commission when changes in gas, electric, telecommunications, water, and sewage charges are requested. OCA assists consumers who have experienced problems with utilities, whether they pertain to service, billing, or other such matters.

Centers for Independent Living

**BENEFITS:** Centers for Independent Living (CILs) are typically non-residential, private, non-profit, consumer-controlled, community-based organizations providing services and advocacy by and for people of all ages with all types of disabilities. They work to help those with disabilities achieve their maximum potential within their families and communities.

There are 18 Centers for Independent Living, which also serve as a strong advocacy voice on a wide range of national, state, and local issues. They work to assure physical and programmatic access to housing, employment, transportation, communities, recreational facilities, and health and social services, among others.

**CONTACT:** For a list of CILs visit [www.pasilc.org/Home/CentersforIL.aspx](http://www.pasilc.org/Home/CentersforIL.aspx)
Public Utility Commission (PUC)

**BENEFITS:** The Pennsylvania Public Utility Commission balances the needs of consumers and utilities; ensures safe and reliable utility service at reasonable rates; protects the public interest; educates consumers to make independent and informed utility choices; furthers economic development; and fosters new technologies and competitive markets in an environmentally sound manner.

The PA PUC is responsible for answering questions and handling complaints about electric, electric restructuring, utility competition, natural gas, telephone, steam heat, water and wastewater companies. Investigators arbitrate billing, credit and termination of service issues.

**CONTACT:** For information on choosing an electric generation supplier, visit either the website [www.puc.pa.gov](http://www.puc.pa.gov) or [www.PaPowerSwitch.com](http://www.PaPowerSwitch.com). You may also call the PUC at (800) 692-7380. For people with speech or hearing loss, dial 7-1-1 (Telecommunications Relay Service). Write: PA Public Utility Commission Bureau of Consumer Services, P.O. Box 3265 Harrisburg, PA 17105-3265.

Bureau of Charitable Organizations

**BENEFITS:** Older adults who are solicited by charitable organizations can call the Department of State’s Bureau of Charitable Organizations’ toll-free number to obtain valuable financial information about the organizations. This information can help older adults make better, more informed charitable giving decisions. With one call, you can quickly find out if the organizations are registered to solicit contributions; how much income the organizations received; and how much of their income the organizations spent on program services, administration, and fundraising. In addition, you can obtain copies of the organizations’ IRS 990 returns, registration documents and financial statements, which also contain a great deal of helpful information. Finally, you can also call with any complaints have about organizations that have solicited funds from them.

### Wills

It is very important to have a last will and testament. Without one, property will be distributed according to state law, which may not be in accordance with the wishes of the deceased. Many people — young and old alike — put off making a will much too long.

Every will must be in writing and must be signed and dated at the end by the maker, called the testator, who must be over 18 and “of sound mind.” It is best to consult an attorney rather than write your own will to make sure that the document is valid.

**BENEFITS:** By preparing a will, you can select the people who will inherit your property (your estate) after your death. Should your circumstances change, you can prepare a new will or an addition, called a codicil.

**THOSE ELIGIBLE:** Any person 18 years of age and over who is of sound mind.
CONTACT: For assistance in obtaining an attorney or for further information, contact your local Area Agency on Aging, the Pennsylvania Bar Association Lawyer Referral Service or the SeniorLAW Helpline (page 17).

Power of Attorney
A Power of Attorney is a written document in which a principal, the individual making the Power of Attorney, designates an agent to act on the principal's behalf, if the principal becomes unable to act for himself/herself or under specified circumstances. The agent should be someone that the principal trusts to handle his/her finances and make important decisions. The principal must be over 18 and competent. In most cases, a Power of Attorney is not valid unless it is signed and dated by the principal or another adult on behalf of the principal. If the document is signed by another adult on behalf of the principal, there are complex rules about who must witness the signing, take the acknowledgement and notarize it.

BENEFITS: The agent must act in the best interest of the principal. The agent must keep the assets of the principal separate from those of the agent and keep a full, complete, and accurate record of all transactions, receipts and disbursements on behalf of the principal. If the document is signed by another adult on behalf of the principal, there are complex rules over who must witness the signing, take the acknowledgement and notarize it. It is recommended that individuals consult an attorney when drafting or modifying a Power of Attorney.

THOSE ELIGIBLE: Any competent person 18 years of age and over.

CONTACT: For assistance in obtaining an attorney or for further information, contact your local Area Agency on Aging, the Pennsylvania Bar Association Lawyer Referral Service or the SeniorLAW Helpline (page 17).

Advance Directive for Health Care (Living Will)
A living will is a document that specifies the health care you would like to receive or not receive at the end of your life. Living wills must be prepared by competent adults, and they must be signed and dated and witnessed by two adults. Living wills can be revoked at any time.

BENEFITS: Living wills are only effective when you are permanently unconscious or in an end-stage medical condition and unable to communicate your wishes. There is no set format for living wills.

You may also wish to name someone your healthcare Power of Attorney to make decisions for you, should you be unable to do so for yourself. A healthcare Power of Attorney may be effective before you are in an end-
stage medical condition or permanently unconscious. Pennsylvania has published an example of a form that combines a “living will” and Health Care Power of Attorney – see “Contact” below.

THOSE ELIGIBLE: Any person of sound mind age 18 and over (limited exceptions apply for those under age 18).

CONTACT: For assistance in obtaining an attorney if you do not have a family attorney or for further information, contact your local Area Agency on Aging, the Pennsylvania Bar Association Lawyer Referral Service or The SeniorLAW Helpline (page 17). A copy of the booklet, “Understanding Advance Directives; Living Wills and Powers of Attorney in Pennsylvania,” which includes the combined form, can be downloaded from the Department of Aging’s Website at aging.pa.gov. Eldercare Locator
The Eldercare Locator, a public service of the U.S. Administration on Aging, is a nationwide service to help families and friends find information about community services for older people, through an extensive network of organizations at the state and local levels. These state and local agencies (Area Agencies on Aging, page 108) serve as advocates for older adults and help them lead healthy and independent lives.

BENEFITS: The Eldercare Locator can connect you to information sources for a variety of services, including home-delivered meals, transportation, legal assistance, housing options, recreation and social activities, adult day services centers, senior center programs, home health services, elder abuse prevention, and long term care advocates. When an older parent, relative or friend needs help because of declining health or lack of financial resources, it’s often difficult to decide what to do. The Eldercare Locator is a resource to help you find these community services for older adults through a national toll-free number. Whether the person you care for lives nearby or in another state, the Eldercare Locator will help you identify the most appropriate organization and assistance in the older person’s community. When you contact the Eldercare Locator, please have the following information ready when you call: 1. The county, city or zip code of the older person you are assisting. This will help them identify the nearest information and assistance sources; 2. A brief and general description of the problem or type of assistance you are seeking.
The Eldercare Locator will provide you with contact information for one or more appropriate state or local agencies.

**THOSE ELIGIBLE:** Any person regardless of age.

**CONTACT:** The Eldercare Locator during the week at (800) 677-1116 from 9 a.m. to 8 p.m. or visit [www.eldercare.gov](http://www.eldercare.gov).

### Office of Victims’ Services

**BENEFITS:** Victim service programs are able to help crime victims deal with the physical, emotional and financial consequences that crime imposes upon them. Each provider is unique in its provision of services. As a result, it is suggested that if you are a victim of crime and in need of assistance, you call the provider(s) in your area to determine which agencies are best equipped to provide you with the help you need. Services provided may include advocacy, court accompaniment, crisis intervention, supportive counseling and assistance filing a claim with the Victims Compensation Assistance Program.

**THOSE ELIGIBLE:** All Pennsylvanians.

### Birth and Death Certificates

**BENEFITS:** The Department of Health’s Division of Vital Records maintains births and deaths in Pennsylvania from 1906 to the present. You may need certified copies of birth or death certificates for passport, school entrance, Social Security, employment, personal identification, estate purposes, inheritance and genealogy. Certified copies of birth certificates (with a raised seal) are issued for a fee of $10 and acceptable for various uses, such as personal identification, employment, passport application and Social Security. Certified copies of death certificates (with a raised seal) are issued for a fee of $9 and acceptable for various uses, such as settling an estate, insurance, pension/retirement, property transfer, Social Security and stock/bonds. Certified copies of birth and death certificates are available from central office for the Division of Vital
Records in New Castle, Pa., or the five other public offices throughout the Commonwealth. Please note that processing times vary by site.

Nursing Home Complaint Hotline
BENEFITS: The Department of Health is available to assist you if you’re concerned about quality of care in a nursing home. But first, you should talk to your Nursing Home Administrator and/or Director of Nursing. He or she is licensed and responsible for the operation of the facility.

The facility is required to have a system in place to address your concerns and develop a plan to lead to a reasonable and acceptable solution. Second, you should call your local Area Agency on Aging (page 108) to get connected with a Department of Aging Ombudsman. Ombudsmen are trained professionals who resolve complaints made by, or on behalf of, older residents of long term care facilities such as nursing homes, assisted living facilities and personal care homes. If you are still dissatisfied, the Department of Health will assist you in assuring quality of care and safety for nursing home residents. They have a toll-free hotline staffed by trained individuals on weekdays from 8 a.m. until 4:30 p.m..

THOSE ELIGIBLE: Anyone who is in a Pennsylvania facility as well as their family, friends and other advocates.

CONTACT: The hotline at (800) 254-5164. This Complaint Hotline is located in Harrisburg. Complaints and reports of abuse are taken and forwarded to the appropriate field office for investigation. You may also contact the field offices listed on page 115. They also receive complaints directly by phone, mail, fax and email. They also receive referrals of complaints from other agencies associated with nursing homes.

After a complaint or report of abuse is reported, division staff will conduct an investigation. When completed, the results of this investigation will be shared with the person who filed the complaint.

For information about licensed nursing facilities, see page 54.

Equality Pennsylvania (EQPA)
BENEFITS: EQPA is an organization committed to advancing equality for lesbian, gay, bisexual and transgender (LGBT) Pennsylvanians. EQPA works to make Pennsylvania a more equal and inclusive state for LGBT people to live, work, and build a family. EQPA advocates for policy change
at the municipal, state, and federal level and organizes grass-roots supporters to engage in the political process. The organization educates the public about the experiences, values, and needs of LGBT people. EQPA often serves as an advocate for older LGBT Pennsylvanians who might find navigating the myriad of state services confusing.

**CONTACT:** Equality Pennsylvania (EQPA) assists with any issues related to equality for LGBT citizens. For more information, call (215) 731-1447 or (717) 319-5210, or go online: [www.equalitypa.org](http://www.equalitypa.org)

**Disability Rights Network of Pennsylvania (DRN)**

**BENEFITS:** DRN is a statewide, nonprofit corporation designated as the federally mandated organization to advance and protect the civil rights of adults and children with disabilities. DRN works in various ways to ensure the rights of people with disabilities and their families to live in their communities: to receive a full and inclusive education; to live free from discrimination, abuse and neglect; and to have control and self-determination over the services they need.

EMPLOYMENT
EMPLOYMENT

Senior Community Service Employment Program (SCSEP)

BENEFITS: Unemployed low income individuals age 55 and older are assigned to part-time community service positions with public and private nonprofit agencies such as social service agencies, public housing facilities, senior centers, public schools, etc. One of the goals of SCSEP is for the participant to obtain an unsubsidized job through the experience obtained from the community service assignment. Participants usually work an average of 20 hours a week for which they are paid the federal or state minimum wage, whichever is higher. If you live in Lancaster, Westmoreland, Luzerne, Wyoming, Washington, Fayette, Greene, Northampton, Erie, Allegheny, Lycoming, Clinton, Philadelphia or Lehigh counties, please contact your local AAA (page 108). There are currently nine national organizations in the Commonwealth (listed below) that also administer the aforementioned SCSEP Program.

THOSE ELIGIBLE: SCSEP participants must be unemployed, age 55 or older and meet income requirements.

CONTACT: If you live in a county that's not listed above, please contact Experience Works, 2 East Arch St., Room 209, Shamokin, PA 17872, phone (570) 486-4041 (not toll-free). You may also contact the following organizations for information on the SCSEP Program:

Supplemental Security Income

**BENEFITS:** Supplemental Security Income, or SSI, is run by the Social Security Administration. The money to pay benefits does not come from Social Security taxes or trust funds; it is financed by general revenue funds of the U.S. Treasury. SSI makes monthly payments to people who have low incomes and few assets. States have the option to add money to the SSI payment resulting in a higher monthly benefit.

**THOSE ELIGIBLE:** U.S. citizens age 65 or older, blind or disabled, living in the U.S., with low incomes and few assets. Income includes earnings from Social Security, pensions, and interest income. Assets include nonresidential property, bank accounts, stocks, and bonds.

between 7 a.m. and 7 p.m.

Ticket to Work Program

**BENEFITS:** Ticket to Work is a program for people who receive Social Security Disability Insurance (SSDI) benefits and Supplemental Security Income (SSI) benefits because of disability or blindness. The program offers the consumer choices in getting the services they need to go to work or earn more money. The program removes some of the barriers that force consumers to choose between health care and employment.

Once a consumer has a “ticket,” they take it to the Office of Vocational Rehabilitation (OVR) or an Employment Network, both of which will help them develop a plan to go to work and then provide needed services.

**THOSE ELIGIBLE:**

- Receiving SSDI or SSI
- Receiving SSI because of disability
- Ages 18-64
- Must not be medically expected to improve or must have undergone a Continuing Medical Review (CMR) in the last 12 months

**CONTACT:** The local OVR district office
on weekdays from 8 a.m. until 4:30 p.m.
or call OVR at (800) 257-4232.

Unemployment Compensation (UC)

**BENEFITS:** If you have recently been released from your job through no fault of your own, you may be eligible for unemployment compensation.
Under this program you can receive up to 26 weeks of full UC benefits during your benefit year.

THOSE ELIGIBLE: Pennsylvania residents who have recently lost their jobs through no fault of their own. A determination of eligibility must be made based on a review of certain financial criteria and the reason for separation from the employer.

CONTACT: To file a claim online, go to www.uc.pa.gov. You may also call the UC Service Center at (888) 313-7284 or for TTY service for the hearing impaired at (888) 334-4046.

Pennsylvania Human Relations Commission

BENEFITS: Age discrimination is illegal. If you feel you have been fired, laid off, harassed or denied a job, promotion, benefits or equal pay because of your age or other factor listed below, you have a right to file a complaint with the Pennsylvania Human Relations Commission. This office enforces the Pennsylvania Human Relations Act, which prohibits discrimination in employment, housing, education and public accommodations. The commission also investigates violations of federal law on behalf of the U.S. Equal Employment Opportunity Commission (EEOC) and Department of Housing and Urban Development (HUD).

THOSE ELIGIBLE: Anyone who feels he or she has been discriminated against because of age (40 or over), race, sex, color, religion, creed, ancestry, national origin disability or use of a support animal for a disability. You have 180 days from the date of the alleged act of harm to file a complaint.

Missing Endangered Person Advisory System (MEPAS)

**BENEFITS:** Pennsylvania’s Missing Endangered Person Advisory System (MEPAS) is a method of alerting citizens that a person is missing who is at special risk of harm or injury, such as citizens with Alzheimer’s disease or related disorders. An alert is sent to local media for distribution to the public and also to local law enforcement to assist in the recovery of the missing person.

**THOSE ELIGIBLE:** A person who is missing and at special risk of harm or injury.

**CONTACT:** For questions on MEPAS, go online to www.psp.pa.gov or contact your local law enforcement.
**PrimeTime Health**

**BENEFITS:** The Pennsylvania Department of Aging's *PrimeTime Health* program focuses on keeping older adults healthy and focused on disease prevention. Every year, more than 80 different types of wellness programs are offered through unique partnerships between the Department, the various Area Agencies on Aging, local Senior Community Centers, and various hospitals, physician offices and educational institutions across the Commonwealth. Programs include classes on chronic disease self-management, Tai Chi, medication-management, aquatic exercise, nutrition classes, health screenings and two falls prevention programs. Some of the most widely available programs include those for *Chronic Disease Self-Management (CDSM)* and the two falls prevention programs, *Healthy Steps for Older Adults (HSOA)* and *Healthy Steps in Motion (HSIM)*. HSOA is a falls prevention program for adults 50 years of age or older that is designed to raise awareness of falls, screen for falls risk, introduce methods to prevent falls, and provide referrals and resources. As a companion to falls prevention, HSIM is an exercise class open to participants of all fitness levels and designed to increase strength and balance. *Chronic Disease Self-Management* reviews healthy ways to manage living with a chronic disease through six workshops covering managing medications, improving nutrition, increasing fitness and exercise, communicating with your doctor, managing the daily emotions that often accompany a chronic disease and learning to work within the health care system. In 2014, the “10 Keys”™ to Healthy Aging disease prevention program was made available to program coordinators statewide. Topics include blood pressure, smoking cessation, cancer screening, immunization awareness, regulating blood glucose, lowering blood cholesterol, maintaining physical activity, staying socially active, combating depression and maintaining healthy joints, bones and muscle.

**THOSE ELIGIBLE:** Anyone age 50 and older.

**Affordable Prescription Coverage**

**PACE and PACENET**

**BENEFITS:** The PACE and PACENET Programs offer comprehensive prescription coverage to older Pennsylvanians. The programs cover most medications that require prescriptions, also insulin, insulin syringes and diabetes supplies. PACE and PACENET are administered by the Pennsylvania Department of Aging and are funded by the Pennsylvania Lottery. Individuals can enroll in PACE or PACENET while also receiving...
benefits from another insurer, for example a former employer/retiree plan, the VA or a Medicare Advantage plan.

PACE or PACENET wraps around Medicare Part D prescription coverage, supplementing this coverage to offer older Pennsylvanians the best benefits of both programs. Older adults continue to receive the same prescription benefits while, in many cases, they save more money.

THOSE ELIGIBLE:

- 65 years of age or older
- Pennsylvania resident for at least 90 days prior to applying
- Cannot be enrolled in the Department of Human Service’s Medicaid prescription benefit

CURRENT INCOME LIMITS (subject to revision):

- Eligibility is based upon all income in the prior calendar year excluding Social Security Medicare Part B premiums (new as of 2014). For example, eligibility in 2015 is based upon 2014 income
- Assets are not taken into account in determining eligibility
- In PACE, for a single person, total income of $14,500 or less
- In PACE, for a married couple, combined total income of $17,700 or less
- In PACENET, for a single person, total income between $14,500 and $23,500
- In PACENET, for a married couple, combined total income between $17,700 and $31,500

BENEFITS:

- If a person receives no other prescription benefits, PACE/PACENET provides a one-month supply of medication
- For PACE, $6 for each generic and $9 for each brand-name prescription drug
- For PACENET, $8 for each generic and $15 for each brand-name prescription drug
- For PACE, the Program pays Medicare Part D premiums if cardholder is enrolled in partner plan
- For PACENET, the cardholder pays a monthly premium at the pharmacy
- For PACENET, with Medicare Part D, the cardholder pays a monthly premium at the pharmacy or directly to the Medicare Part D plan
CONTACT:
Enrollment Applications:

- Find online at PACECares.magellanhealth.com
- At Area Agencies on Aging, Senior Community Centers, pharmacies and legislative offices
- Call Cardholder Services at (800) 225-7223
- Call the PACE Application Center at (866) 712-2060
- Applications can be taken over the phone

PACE Application Center
BENEFITS: The Center provides outreach services to locate eligible Pennsylvanians, to submit PACE and PACENET applications on their behalf and to enroll them, if eligible, in the Medicare Part D Low Income Subsidy (LIS).

CONTACT: For more information, call (866) 712-2060.

Pennsylvania Patient Assistance Program Clearinghouse (PA PAP)
BENEFITS: Anyone needing prescription help is encouraged to apply, regardless of income. If you are uninsured, under-insured, over the age of 18 and do not currently have Medicaid or PACE coverage, PA PAP will help you apply for prescription assistance through various Patient Assistance programs that you may not have known about.

CONTACT: For more information, call (800) 955-0989.

Pennsylvania Prescription Price Finder
BENEFITS: On the Price Finder website, consumers shop for the best medication prices for commonly used drugs. The website includes prices, pharmacy location, store hours, where to find low-cost generics and drug education materials.

CONTACT: For more information, call (800) 835-4080 or visit www.parxpricefinder.com.

Medicare Part D
BENEFITS: Since 2006, Medicare beneficiaries may choose to have Medicare Prescription Drug Coverage through Part D. This benefit is voluntary; however, delaying enrollment in a drug plan may result in added premium charges.
There are two types of drug plans for Medicare enrollees:

- Medicare Advantage Plan enrollees obtain drug coverage through the Medicare Advantage Prescription Drug Plan offered by an HMO or PPO
- Original Medicare and private fee for service plan enrollees may choose a stand-alone Prescription Drug Plan

THOSE ELIGIBLE: Medicare enrollees may select a drug plan during the enrollment period from Oct. 15 to Dec. 7.

CONTACT: For more information about Medicare prescription drug plans, call the Department of Aging’s free health insurance counseling program APPRISE at (800) 783-7067 or visit www.medicare.gov.

Part D "Extra Help" Low Income Subsidy
BENEFITS: Medicare Part D beneficiaries with the “Extra Help” Low Income Subsidy receive financial help with the cost of premiums, deductibles and copayments.

CONTACT: For more information, call APPRISE at (800) 783-7067 or visit www.ssa.gov, the Social Security website.

Other Prescription Drug Assistance

- The Department of Aging’s PACE program (page 36)
- Medical Assistance (Medicaid) covers the cost of prescription drugs
- Pharmacies offer discounts
- Doctors prescribe and patients utilize generic drugs for cost effective therapy
- Groups offer direct prescription buying discounts through membership in AARP®, retiree associations, National Council of Senior Citizens and workers unions
- Prescription drug manufacturers support patient care programs, providing free medications to qualified individuals

Dental Care
BENEFITS: Many members of the Pennsylvania Dental Association provide dental care to older adults at reduced fees of at least 10 percent.

CONTACT: Simply contact dentists in your area to inquire about whether they offer discounts to older adults. Or log on to PA Dental Association’s website at www.padental.org to access its “Find a Member Dentist” section, which contains information on those dentists in your area who offer discounts to older adults.
Donated Dental Services (DDS)

**BENEFITS:** Donated Dental Services is a program that helps find comprehensive care for older adults, people with disabilities and those medically at risk. The program is part of Dental Lifeline Network. The program is funded by the state of Pennsylvania and is supported by the PA Dental Association. It is also an affiliate with the American Dental Association. The DDS Program has 700 dentists and 154 dental laboratories across the state who volunteer their services to help people who are eligible for the program. The dental treatment is provided in the dentist’s office. There may be waiting lists in some areas because of the volume of applications received. Wait list time varies per county.

**THOSE ELIGIBLE:** The DDS Program serves people who are over the age of 65, disabled and medically at risk. The disability must either prohibit or significantly limit gainful employment. Copies of disability statements or award letters may be requested with your application. Income guidelines are determined by the combined monthly household income versus the number of people residing in the home, using the most current poverty level percentages. If the applicant has any form of dental coverage, proof of coverage and/or a denial letter is needed with their application. The DDS Program is for people needing extensive dental care. The program is not designed for people just needing a checkup, cleaning or X-rays. Applications can be obtained through the DDS Referral Coordinators or at the website [www.dentallifeline.org](http://www.dentallifeline.org).

Transitional Care

**BENEFITS:** Transitional Care refers to a coordinated system of transitioning a person between health care settings and providers during the course of an acute or chronic illness in order to support a successful discharge and prevent avoidable hospital readmissions. Transitioning from one healthcare facility to another or back to one’s home can be overwhelming and confusing — especially for a person with complex medical needs and health conditions. Transitional Care programs facilitate communication between the care recipient and their caregivers and health providers, provide support and promote awareness of a person’s medical condition and ongoing health management needs. Transitional Care programs have been developed throughout the Commonwealth to provide a 30-day person-centered intervention following discharge from a hospital or other healthcare setting. These programs focus on the goals and the needs of the individual person, providing health management tools, follow-up support and connections to community resources, increasing the likelihood that a person will be successful in transitioning out of a health care facility.

**CONTACT:** Many hospitals, nursing facilities and managed care organizations throughout the state are partnering with social service agencies, home health agencies and Area Agencies on Aging (AAAs) to provide Transitional Care services. Contact the Social Services staff person at your health facility or your local AAA for information on the availability of Transitional Care services in your county.

Department of Health, Head Injury Program (HIP)

**BENEFITS:** Created in 1988 by the Emergency Medical Services Act of 1985, HIP pays for head injury rehabilitation services for individuals who are eligible. The goal of the program is to help individuals with a traumatic brain injury live independently in their homes and communities. Services provided by the HIP include: pre-enrollment assistance, pre-admission assessment, service plan development, rehabilitation services (cognitive therapy, physical therapy, therapeutic recreation, work skills training, etc.), and case management. Services may be provided in residential facilities, day facilities (outpatient), or home and community settings.

**THOSE ELIGIBLE:** To be eligible for the HIP, an individual must be a U.S. Citizen, have been a Pennsylvania resident at the time of injury and application, have had a traumatic brain injury after July 2, 1985; be 21 years of age or older, meet income guidelines, complete an application, and have needs that can be addressed by the HIP through rehabilitation.

**CONTACT:** To obtain more information or an application, please contact the HIP at (717) 772-2762 during regular business hours, 8 a.m. until
5 p.m. You may also call the Brain Injury Helpline at (866) 412-4755 to be connected to an Enrollment Specialist. Additional information is also available on the Department of Health’s website at www.health.state.pa.us/headinjuryprogram.

**Department of Health, Special Needs Unit**

**BENEFITS:** Services are available for cystic fibrosis, spina bifida and chronic renal disease. The Department will reimburse medical care providers for medical services provided to eligible Pennsylvania residents who do not have the financial resources or health insurance coverage to enable them to access these services. Reimbursed services are limited by condition, but may include inpatient, outpatient, specialized therapies, laboratory, radiology, medications, medical equipment, supplies and care coordination.

**THOSE ELIGIBLE:** U.S. citizenship, Pennsylvania residency, medical confirmation of a diagnosis of one of the above conditions, lack of monetary resources or health insurance. Income and health coverage are considered in determining costs on a sliding scale and with the Department as payer of last resort.

**CONTACT:** For information about the Department’s Special Needs Unit for medical payment services, call (717) 783-8143.

**Drug and Alcohol Services**

**BENEFITS:** People with drug or alcohol problems and those seeking information may receive assistance from more than 47 local agencies throughout Pennsylvania operating under funding and guidance of the Department of Drug and Alcohol Programs. Counselors are also available to provide information on the correct use of prescribed drugs.

**THOSE ELIGIBLE:** Everyone.

**CONTACT:** Check the county government listings in your phone book or contact the Department of Drug and Alcohol Programs, www.ddap.pa.gov, (717) 783-8200.

**Immunizations**

**BENEFITS:** Inoculation against common infectious disease continues to play an important role in prevention among adults 65 years and older. Medical research over the past 50 years consistently demonstrates that the extension of life expectancy is related to the expanding immunization program in the United States and throughout the world. The following immunizations are recommended for adults 65 years and older:

- Influenza (Flu) vaccine – recommended for all adults annually,
early in the fall. Flu vaccines can be obtained through many of your local business, your physician's office or your local pharmacy. There are several different vaccines available. Please discuss with your physician which is the correct vaccine for you.

- **Tetanus, Diphtheria and Pertussis (Td/Tdap)** – recommended from childhood through adulthood. Receive the Tdap once, then a booster every 10 years.
- **Herpes Zoster** – prevents shingles for those 60 years and older; one dose only is needed.
- **Pneumococcal vaccine** lessens your chance of getting pneumococcal pneumonia or lessens the severity of pneumococcal pneumonia if you do become ill. There are two vaccines; please discuss with your physician which is the correct vaccine for you.

**CONTACT:** For more information, please go to the CDC website: [www.cdc.gov/vaccines/vpd-vac/pneumo/vacc-in-short.htm](http://www.cdc.gov/vaccines/vpd-vac/pneumo/vacc-in-short.htm).

Other immunizations or boosters such as measles, mumps and Rubella, meningococcal, or hepatitis should be considered in special situations including travel. Please consult your primary care physician or visit: [www.vaccinesforlife.com](http://www.vaccinesforlife.com).

**State Health Centers**

**BENEFITS:** A variety of services are available at a State Health Center in your community. You'll find professional public health nurses at each center. Their goal is to achieve optimum health for you and your family by providing preventative health services and teaching preventative health care. State Health Center services are available either directly or by prompt referral if assistance cannot be provided directly. A variety of services are available including selected immunizations; HIV/STD counseling, testing and referral; and Tuberculosis treatment and follow-up.

**THOSE ELIGIBLE:** Immunizations are specifically for those who meet eligibility criteria. Other services are offered to everyone.

**CONTACT:** Check your local phone directory under “Pennsylvania, Commonwealth of, Department of Health”; OR call 877-PAHEALTH ((877) 724-3258); or contact your local Area Agency on Aging (page 108).

**Nursing Facilities**

For information about licensed nursing facilities, see page 56.

**Mental Health**

**BENEFITS:** Mental health services are accessed through the 45 county MH/ID program offices that cover Pennsylvania’s 67 counties.
These county programs are the contact points for a variety of services including: counseling, case management, crisis/emergency services, residential, and rehabilitative services for individuals and their families. The county programs also work with other community services agencies and organizations to educate and broaden the options available to people receiving these services. Specialized community services and supports for older adults are available in a growing number of communities. Also available is the Community Support Program (CSP), a coalition of individuals with mental health concerns, family members, and professionals working to help adults with serious mental illnesses live successfully in the community.

**THOSE ELIGIBLE:** All residents of Pennsylvania, regardless of age.

South Mountain Restoration Center

BENEFITS: The Department of Human Services (formerly DPW) operates South Mountain Restoration Center, a nursing home, to provide care for Pennsylvania residents who cannot be served in community nursing homes. Many residents have a history of psychiatric illness, have lived for many years in state centers or hospitals, or have been incarcerated.

South Mountain Restoration Center
10058 South Mountain Rd.
South Mountain, PA 17261-0999
(717) 749-4000

Residents participate in a full range of treatment, including physical and occupational therapies, psychotherapy, activities and spiritual support. All staff work toward restoring residents to a full and satisfying life. The ultimate goal of each resident’s treatment team is to return the resident to their home community whenever possible.

THOSE ELIGIBLE: All residents admitted to the Center must be certified by their county’s Area Agency of Aging as needing nursing home care.

CONTACT: Referrals for admission by calling (717) 794-3121.

Intellectual Disabilities

BENEFITS: Intellectual and developmental disability services are
administered through county Mental Health/Intellectual Disabilities (MH/ID) program offices. The county MH/ID offices serve as a referral source and most services are delivered by local agencies under contract with the county office. The county MH/ID office determines a person’s eligibility for service funding and if found eligible a person will receive a supports coordinator. The supports coordinator will:

• Talk with you about what kinds of supports and services would be helpful to you.
• Offer you an opportunity to complete an application for the Medicaid Home and Community Based Waiver Program.
• Enroll you in services that require completing applications.
• Help you develop your individual plan.
• Help you talk with individuals or agencies in the community that could support you.
• Coordinate and monitor supports and services.

Individuals age 3 and older may also be eligible to receive services offered through the Consolidated Waiver or Person/Family Directed Support Waiver. These waivers offer the following services:

• Assistive technology;
• Behavioral support;
• Companion services;
• Education support;
• Employment services including supported employment, job support, transitional work services and prevocational services;
• Home and community habilitation;
• Home accessibility adaptations;
• Homemaker/chore services;
• Licensed day habilitation services;
• Nursing services;
• Residential habilitation services (Consolidated Waiver only);
• Respite;
• Specialized supplies;
• Supports broker services;
• Supports coordination;
• Therapy services including behavior, occupational, physical, speech and language, and visual/mobility therapy;
• Transportation; and
• Vehicle accessibility adaptations.

Individuals may only be enrolled in one waiver program.

THOSE ELIGIBLE: All residents of Pennsylvania with an intellectual
disability and their families are eligible.

HELP AT HOME
HELP AT HOME

BENEFITS: The Area Agency on Aging (AAA) in your county offers a wide range of help at home and community-based services to eligible consumers. These services may include: skilled nursing; therapies; home health aide services; personal care to provide assistance with activities of daily living (bathing, dressing, eating, grooming and toileting); home support services that could include light housekeeping, shopping and laundry assistance; home delivered meals; respite care (caregiver relief); transportation; and other routine household chores necessary to maintain the consumer’s health, safety and ability to remain in their home.

CONTACT: Your local AAA (see page 108) to see what services may be offered in your county.

Pennsylvania Caregiver Support Program

BENEFITS: This program is designed for individuals who are caring for a loved one age 60 or older who is suffering from an illness, disability or Alzheimer’s disease or related disorder. The goal of the program is to reduce caregiver stress by offering both support and financial assistance. Primary caregivers may receive reimbursement to help them with out-of-pocket expenses ranging from respite care to paying for supplies related to caregiving. Caregivers are assigned a Care Manager from their local Area Agency on Aging who assesses their needs in their caregiving role.

Through this program, the Care Manager can also provide information about support groups in the area, emotional support, technical assistance and financial assistance as needed. Modifications to the home, such as installation of a chair lift or a wheelchair ramp, may be approved on a case-by-case basis if they are necessary to providing support. Assistance may also be available to older caregivers caring for qualified younger relatives.

CONTACT: Your local Area Agency on Aging (page 108).

Home Health Care

BENEFITS: Home health agencies provide and coordinate services for those consumers needing nursing and other health care services in the home as ordered/prescribed by a physician. These services — such as skilled nursing, skilled therapy and home health aide services — are provided by registered nurses, licensed therapists and home health aides. Based on the consumer’s needs, a home health aide may provide personal care, daily living services, health care monitoring such as vital signs or other tests, ambulation assistance, assistance using of medical equipment and other health services under the direct supervision of a registered nurse and/or licensed therapist.
THOSE ELIGIBLE: Consumers in need of such care during a period of illness or recuperation as determined by a physician.

NOTE: Medicare and Medicaid may cover home health services prescribed by a physician if eligibility criteria are met. In instances where these services are not covered by Medicare or Medicaid, Area Agencies on Aging (AAAs) may offer home health services under the OPTIONS Program (below) with a possible cost share to consumers.

CONTACT: Contact your local AAA for a list of certified home health agencies in your area (page 108).

OPTIONS Program

BENEFITS: The Pennsylvania Department of Aging’s OPTIONS Program provides services to help Pennsylvanians who are 60 years of age and older to remain in their homes and communities. A comprehensive interview is conducted by the local Area Agency on Aging (AAA) to determine eligibility and identify consumers’ needs.

A Care Manager is assigned who will work with the consumer to develop a plan of care, and coordinate and arrange for the provision of services. Services available under the OPTIONS Program may include:

- Adult Day Services
- Care Management
- Counseling
- Emergency Services
- Home Delivered Meals
- Home Health Services
- Home Modifications
- Home Support Services
- Personal Care
- Personal Emergency Response Systems
- Respite Care
- Transportation
- Other Services

Consumers receiving OPTIONS services may be required to pay some of the costs towards the services they receive. OPTIONS Cost Sharing was instituted in order to serve more consumers, provide additional services, and reduce waiting lists for help at home and community-based services. Cost is based on income on a sliding scale and will not be more than the total cost of the services. Federal Poverty Level (FPL) Guidelines are used by the AAA to determine what the consumer cost-share amount for services will be. Financial verification is required to receive services.
THOSE ELIGIBLE: Pennsylvania residents who are 60 years of age or older. There are no financial eligibility requirements, however individuals must supply verified financial information such as income and assets in order to determine the amount they must pay toward the cost of services.

CONTACT: For more information or to apply for OPTIONS Services, contact your local Area Agency on Aging (page 108).

Aging Waiver

BENEFITS: The Aging Waiver Program provides in-home services to consumers, age 60 and over, who meet functional and financial eligibility requirements and are able to receive services at home.

- Assessment of need for provision of services and service coordination to people 60 years of age or older who are determined to be clinically eligible through a formal needs assessment.
- Determined financially eligible for Medicaid nursing facility payments but chooses community services.

CONTACT: Contact your local Area Agency on Aging to schedule an assessment. For general information on the Aging Waiver please call (717) 787-8091 or visit www.dhs.state.pa.us .

Living Independence for the Elderly Program (LIFE)

BENEFITS: LIFE provides a comprehensive all-inclusive coordinated package of care and services. The program provides adult day center services, on-site primary health care, therapies, personal care, pharmaceuticals, recreation, socialization, nursing, monitoring, meals, and transportation. Other services that may be provided include specialists, inpatient and outpatient hospital care, lab and X-ray services, eyeglasses, hearing aids, dentures, emergency care, and nursing facility care. Staff who specialize in geriatric care evaluate the needs of each participant and develop a program of care.

THOSE ELIGIBLE: Individuals age 55 and over who meet the level of care criteria for a skilled nursing facility. They must meet the financial requirements as determined by the County Assistance Office or be able to pay privately. They must reside in an area served by the LIFE center and be able to be safely served in the community.

NOTE: Medicare and Medicaid cover costs if eligible. Private pay option is also available.

CONTACT: LIFE is not currently available in all counties. Information on LIFE can be obtained from your local Area Agency on Aging or by contacting:
Older Adults Daily Living Centers – Commonly known as “Adult Day Services Centers”

**BENEFITS:** Adult day services centers offer a community-based alternative to institutionalization for older adults and adults with a dementia-related disease for part of a 24-hour day. These services are designed to:

- Maintain or improve a participant’s level of functioning
- Promote socialization
- Provide respite and support for caregivers, thereby contributing to a participant’s ability to remain in the community

All adult day services centers in Pennsylvania provide personal care, nursing services, social services, therapeutic activities, nutritional and therapeutic diets and emergency care. Some centers offer additional services including physical therapy, occupational therapy, speech therapy, medical services, podiatry, and more to meet the range of participant’s needs. Services are provided as appropriate for each participant, through an individualized plan of care.

Adult day services centers are inspected at least annually by the Pennsylvania Department of Aging. Inspection reports can be found online at [aging.pa.gov/ADC](http://aging.pa.gov/ADC).

**CONTACT:** To learn more about the adult day services centers, follow the directions above on the Department of Aging website or call (717) 214-6716. To find out if funding is available to help subsidize the cost of adult day services, please contact your local Area Agency on Aging.
Housing
There are a number of federal and state programs that can help Pennsylvanians obtain housing or remain in their current home. There are programs to help rehabilitate a home, find new housing, finance the construction of housing for low and moderate-income families and individuals, or lower rent through a rent subsidy. Pennsylvania provides a wide variety of housing options to meet the special needs and interests of older adults — some of these options are described below.

**Housing Choices For Independent Older People**

**Retirement Communities**
Retirement communities are evolving and offer a wide range of amenities and levels of services. Generally, they are intended for healthy, mobile older adults. Units may be rented or purchased. Check community and property descriptions carefully to ensure that the desired amenities or services are offered.

**Continuing Care Retirement Community (CCRC)**
**BENEFITS:** A Continuing Care Retirement Community is one retirement housing option. Pennsylvania is a leader in the continuing care (life care) industry, offering more than 220 CCRCs from which to choose. A continuing care retirement community offers independent living, usually in an apartment or cottage, and access to a higher level of care such as personal care or a nursing facility. Residents move between levels of care as their needs change. Services, such as meals, medical care, social and recreational activities, are provided through a contractual arrangement for the lifetime of the resident. Residents usually pay an entrance fee and a monthly charge.

**CONTACT:** To find a local CCRC, you can call (877) 881-6388 or log onto [www.insurance.pa.gov](http://www.insurance.pa.gov) and click on “Online Services.” You may also want to request a copy of the publication, “Choosing a Continuing Care Community,” which is also available online: [www.portal.state.pa.us/portal/server.pt/document/707179/ccrc_choose_pdf](http://www.portal.state.pa.us/portal/server.pt/document/707179/ccrc_choose_pdf)

**Assisted Rental Housing**
**BENEFITS:** The federal government provides rental assistance to low-income, old adults /families and to people with disabilities. Income eligibility is based on a percentage of the median income for the county of residence, and age eligibility is at least 62 years of age or at least 18
years of age for permanently disabled people. Tenants pay 30 percent of their income toward the rent.

**CONTACT:** For information about assisted rental housing for older adults, contact the local housing authority (go online to portal.hud.gov and click on “Find My Local Public Housing Agency PHA”) or your local Area Agency on Aging (page 108). An online resource you can use to search for assisted rental housing and accessible apartments in Pennsylvania for older adults and people with disabilities is available at [www.PAHousingSearch.com](http://www.PAHousingSearch.com). For people without Internet access, a bilingual customer care staff is available to do this search for you. Simply call (877) 428-8844 weekdays between 9 a.m. and 8 p.m. for assistance.

**Accessible and Affordable Apartments**

**BENEFITS:** A web-based service is available around-the-clock for people searching for accessible and affordable apartments. Features available include basic, advanced and accessible searches to help people find housing best suited to their specific needs. Another tool — a proximity search — helps people find properties within a selected distance from work, school or from other family members. The site includes a variety of helpful tools, such as a rental checklist, a rental calculator and a moving calculator. Best of all, searching for affordable housing is free. For anyone with special housing needs, such as older adults or people with disabilities, the service lets them perform an “accessible” search to look for housing that has the features they need to continue living independently.

**CONTACT:** Online at [www.PAHousingSearch.com](http://www.PAHousingSearch.com). People who need assistance using the site can contact a bilingual call center by calling (877) 428-8844; customer care staff are available weekdays from 9 a.m. until 8 p.m.

**Housing Choices for People Who May Require Assistance or Supervision**

**Domiciliary Care Services for Adults**

**BENEFITS:** The Domiciliary Care or “Dom Care” program provides a supervised home in the community for adults who are unable to live independently in the community and need assistance with activities of daily living. Dom Care homes are “certified” by the local Area Agency on Aging (AAA) for three or fewer residents. The AAA matches eligible residents to Dom Care providers with consideration of their mutual needs, preferences and interests. The AAA also provides ongoing care management services for residents and conducts annual Dom Care home inspections.
Residents of the Dom Care program receive much more than room and board. They receive supervision with self-help activities such as bathing, grooming, meals, housekeeping and laundry services. If the resident takes medications, the provider oversees the administration.

Dom Care providers are typically individuals who open their homes and are willing to provide residents with housing, support, care and encouragement in a family-like setting. They participate in a certification process to make sure their home meets health and safety requirements. The success of the Dom Care program is dependent upon these nurturing individuals who have the desire to give daily, personalized care and attention to residents and encourage a sense of belonging and independence in their own home.

**CONTACT:** To learn more about the Dom Care program, either as a prospective resident or provider, please go to [aging.pa.gov](http://aging.pa.gov).

**Nursing Facilities**

There are approximately 700 long term care nursing facilities in Pennsylvania. Nursing facilities are licensed by the Department of Health and monitored by the Department of Health and the Department of Human Services (formerly Department of Public Welfare) to assure quality of care.

**BENEFITS:** A stay at the nursing facility could be short-term or long term depending on the person’s needs and ability to return to community-based living. These facilities provide medical care and services for individuals who require 24-hour supervised, skilled care. Services are provided based on the individual’s needs due to illness, injury, convalescence, or physical or mental infirmity. Staff are available to assist individuals with all of their medical and personal needs while they are in the nursing facility.

**ELIGIBLE:** Services are reimbursed for individuals who are determined eligible for services through the Medical Assistance program (Medicaid). Eligible individuals receive a personal allowance on a monthly basis for their personal use. Medicare and other private insurances may also cover nursing facility services if the individual meets the criteria for coverage. Individuals who meet the criteria for care in a nursing facility may also be able to be served with home and community-based services, allowing them to continue living in the community.

**CONTACT:** You can become familiar with the nursing facilities in your area by contacting your local Area Agency on Aging (page 108) or the Department of Health website at [www.health.state.pa.us](http://www.health.state.pa.us). More information may also be found by contacting a local social service agency, your physician, hospital social services or regional offices of the Pennsylvania Department of Health, Division of Nursing Facilities:
### Personal Care Homes

Personal care homes offer room and board and assistance with the activities of daily living (such as bathing, grooming, and meal preparation). They are inspected and licensed by the Department of Human Services’ Bureau of Human Services Licensing. People who are thinking about moving to a personal care home should consider only those homes with a current license from the Department of Human Services (formerly Department of Public Welfare). It is important to have a contract with the personal care home, the list of services provided and the cost of each service.

**CONTACT:** For a copy of regulations or listing of licensed personal care homes, contact the Bureau of Human Services Licensing in your area.

- **Northeast Region** (800) 833-5095
- **Southeast Region** (866) 711-4115
Reverse Mortgages

**BENEFITS:** Reverse mortgages are special home loans that allow older homeowners to convert the equity in their home to cash. The proceeds of the loan may be received as a lump sum, monthly payment or line of credit. The amount you may borrow depends upon the value of your home, your age, the current interest rate and, for certain loans, the lending limits in your area. There are no restrictions on how you may use the reverse mortgage funds. Unlike a traditional mortgage, you do not make monthly payments on this type of loan. Repayment of the loan is due when you or the last borrower, such as your surviving spouse, no longer lives in the property due to death, selling the home or a permanent move. You continue to own your home and make necessary home repairs as well as to pay the taxes and insurance.

**THOSE ELIGIBLE:** In general, all borrowers must be 62 years of age or older. Health status is NOT a factor. There are no special income requirements. The home must be a single family residence or a two-to-four unit property that you own and occupy. Manufactured homes built after 1976, condominiums and townhouses may also qualify. Any existing loan or mortgage against the home must be paid off with the proceeds of the reverse mortgage. In addition, any required home repairs must also be completed with the proceeds. You can use any remaining funds for any purpose. The reverse mortgage must be in the first lien position. Counseling is required for all reverse mortgages before you begin the
application process. Counseling sessions can be conducted face-to-face or over the telephone.

CONTACT: For information about reverse mortgage programs or to obtain a current list of participating lenders, contact the U.S. Departments of Housing and Urban Development (HUD) office nearest you (page 62) or contact the Consumer Community Support Services Division at (800) FED-INFO (1-800-333-4636) or (202) 708-1112. Assistance for Homeowners, Renters, and Developers

Department of Health, Lead Poisoning Prevention and Healthy Homes Information

BENEFITS: The Pennsylvania Department of Health provides information and referral services regarding Lead Poisoning Prevention through operation of the Lead Information Line. The information available deals with lead poisoning with respect to the home environment, children’s health and safe work practices. Information is also available regarding healthy homes, which includes information on radon, pests and other household issues. If you are a homeowner or renter and occupy a home built prior to 1978, the Department of Health has information that will be helpful to you.

CONTACT: Call (800) 440-LEAD (5323).
Additional information is also available on the Department’s website at
www.health.state.pa.us/lead

Customer Assistance Programs, Utility Providers

BENEFITS: Most utility providers offer help to customers who are unable
to pay their utility bills. Company representatives review the customer’s problems and provide assistance or referral information about agencies that may be able to help with the problem. Many utility providers offer an optional payment plan; they will accept partial payment or make special arrangements if necessary. However, if a customer becomes delinquent and makes no payment arrangements, utility service may be terminated.

**CONTACT:** The utility provider or your Area Agency on Aging (page 108).

### Low Income Home Energy Assistance Program (LIHEAP)

**BENEFITS:** The Pennsylvania Department of Human Services (DHS) (formerly Department of Public Welfare) administers the Low Income Home Energy Assistance Program through the county assistance offices. This program helps low-income families pay a portion of their winter heating bills. The program operates during the winter heating season, generally between November and March. LIHEAP is not a welfare program or a loan. No lien is placed on the home and the consumer does not have to pay back the money.

**THOSE ELIGIBLE:** Individuals and families whose income meets the guidelines established for the program.

**CONTACT:** The county assistance office (page 115) or the local Area Agency on Aging (page 108).

### Pennsylvania Housing Finance Agency (PHFA)

**BENEFITS:** The Pennsylvania Housing Finance Agency was created with the mission to provide “decent, safe and affordable homes and apartments for older adults, people of modest means and those with special housing needs.” With this in mind, PHFA has a variety of housing-related programs that are helpful for the state’s senior citizens. For instance, the Homeowners’ Emergency Mortgage Assistance Program (HEMAP) helps people who, through no fault of their own, have fallen behind on their mortgage payments and are in danger of foreclosure. Another program, the Renovate and Repair Loan, provides affordable financing for homeowners who want to repair their home, improve it or make it more accessible and/or energy efficient, so they can continue to live independently. Additionally, refinance programs are available to help homeowners take advantage of today’s lower interest rates to reduce their mortgage costs. Affordable home purchase loans are also available for those looking to downsize to a smaller home or to a single-level residence. For older Pennsylvanians who want help finding the right apartment for their housing needs, [www.PAHousingSearch.com](http://www.PAHousingSearch.com) is an apartment locator that is available on the web 24/7. This information can also be accessed
with the help of customer support staff over the phone.

CONTACT: People who have an interest in these or other housing programs should explore the agency’s website at www.PHFA.org or call the Homeownership Hotline at (800) 822-1174. Customer care representatives are available weekdays from 8 a.m. until 5 p.m. to help with home-purchase or refinance questions. For people in search of affordable or accessible rental housing, operators are available at (877) 428-8844 on weekdays from 9 a.m. until 8 p.m. PHFA has satellite offices in Norristown and Pittsburgh.

U.S. Department of Agriculture (USDA) – Rural Development

USDA Rural Development’s mission is to improve the quality of life in rural areas. Housing and Community Facilities Programs helps rural communities and individuals by providing loans and grants for housing and community facilities. It provides funding for single-family homes, apartments for older adults and low-income adults as well as housing for farm laborers, childcare centers, fire and police stations, hospitals, libraries, nursing homes, schools, and much more.

The 504 Home Repair Program

BENEFITS: The Very Low-Income Housing Repair program provides loans and grants to very low-income owner to repair, improve or modernize their dwellings or to remove health and safety hazards. Rural Housing Repair and Rehabilitation Grants are funded directly by the federal government. Grants may be arranged for eligible dwelling owner/occupants who are 62 years of age or older. Funds may only be used for repairs, improvements to remove health and safety hazards, or to complete repairs to make the dwelling accessible for household members with disabilities.

Rural Rental Assistance

BENEFITS: The Rural Rental Assistance program provides an additional source of support for households with incomes too low to pay the Housing and Community Facilities Program subsidized (basic) rent from their own resources. People with very low and low incomes, older adults and people with disabilities are eligible if they are unable to pay the basic monthly rent within 30 percent of adjusted monthly income. Very low income is defined as below 50 percent of the Area Median Income (AMI); low income is between 50 and 80 percent of AMI; moderate income is established by adding $5,500 to the low-income limit.

CONTACT: USDA Rural Development Office in Harrisburg, PA at (717)
U.S. Department of Housing and Urban Development (HUD)

**BENEFITS:** The U.S. Department of Housing and Urban Development offers a wide variety of housing programs. HUD also offers tips on home buying, obtaining a mortgage, and finding affordable rental properties. For communities and businesses, HUD has information about funding, technical assistance, best practices, contracting opportunities, HUD initiatives, and more.

Weatherization Program

**BENEFITS:** The Pennsylvania Department of Community and Economic Development (DCED) works with local County Assistance Offices and other non-profit agencies to administer a home Weatherization Program. The goal of the program is to make the cost of energy more affordable for low-income families throughout Pennsylvania by helping them make their homes more energy efficient. Weatherization services are provided at no charge to eligible individuals and families. Homeowners and renters alike can benefit from this program.

The first step is to conduct a home energy audit to determine the most appropriate energy conservation measures for the home. Such measures may include, but are not limited to, stopping air infiltration by caulking or weathering doors and windows and replacing broken glass, ensuring adequate insulation in attics and insulating electric hot water heaters. Crisis assistance is also available to repair or replace heating systems through the Low Income Home Energy Assistance Program (LIHEAP).

**THOSE ELIGIBLE:** Individuals and families with household income at or below 200 percent of the federal poverty level; eligibility for crisis assistance requires a referral from the County Assistance Office.
CONTACT: For more information on the program and to apply, contact your local weatherization agency listed online at: bit.ly/1rGmS1Y.
INSURANCE
INSURANCE

APPRISE – Health Insurance Counseling and Assistance Program

BENEFITS: Trained volunteer counselors provide free in-person or telephone assistance to help guide older Pennsylvanians through their many health insurance options including Medicare and Medicaid, Medicare supplement insurance plans, Medicare Advantage Plans, Medicare prescription (Part D), long term care insurance policies, and other health insurance and public benefit programs. Claims filing and other related paperwork assistance, advocacy, and referral to other appropriate federal and state agencies are also available.

THOSE ELIGIBLE: All Medicare beneficiaries, their families or their caregivers needing assistance.

CONTACT: The APPRISE Program at (800) 783-7067 from 9 a.m. to 4 p.m. or your local Area Agency on Aging (page 108).

Pennsylvania Insurance Department

BENEFITS: Pennsylvania law prohibits insurance companies from canceling or refusing to renew or write many types of insurance policies solely because of the age of an applicant or insured person. Those policies that may be refused solely because of age include disability income insurance and hospitalization insurance, among others. The Insurance Department receives, investigates and answers questions and complaints regarding insurance matters. The Department also publishes consumer guides designed to answer many day-to-day questions on insurance and consumer problems.

THOSE ELIGIBLE: Everyone.

CONTACT: The Pennsylvania Insurance Department
Consumer Service office at (877) 881-6388
1209 Strawberry Square
Harrisburg, PA 17120
www.insurance.pa.gov

DOCUMENTS NEEDED WHEN CONTACTING THE DEPARTMENT: A copy of your insurance card, policy and name of the insurance agent.

Medicare

BENEFITS: Medicare is a health insurance program for individuals 65 years of age or older, individuals under 65 years of age with certain disabilities, and individuals at any age with End State Renal Disease.
A. Medicare Part A – Hospital Insurance
Helps pay for five kinds of care: (1) inpatient hospital care, (2) psychiatric hospital care, (3) medically necessary skilled nursing facility care following a hospital stay, (4) home health care and (5) hospice care. In most cases there is no premium for Part A. However, if you are not eligible for free Part A and you didn’t buy it when you were first eligible, your monthly premium may go up 10 percent.

B. Medicare Part B – Medical Insurance
Helps pay for: (1) doctor’s services, (2) outpatient hospital services and (3) various medical services and supplies. This is a voluntary program and a monthly premium must be paid. In some cases this amount may be higher, such as if you do not enroll in Part B when you first become eligible for Medicare or if your income exceeds a certain threshold.

C. Medicare Part D – Prescription Drug Coverage
Medicare Prescription Drug Coverage is available to everyone with Medicare. Since January 2006, Medicare Prescription Drug Coverage is provided by private insurance companies throughout Pennsylvania. You choose the plan and pay a monthly premium. Some plans may also have a deductible and other cost-shares such as co-pays or coinsurance, however, some individuals may qualify for help with these costs through the Social Security Administration’s Low-Income Subsidy (also called “Extra Help;” see page 36).

Like other insurance, if you decide not to enroll in a drug plan when you are first eligible and wait to join a plan later, you may have to pay higher premiums. The exception is if you already had prescription drug coverage through other means. This other coverage however, must be determined “credible coverage” by Medicare.

THOSE ELIGIBLE: All Medicare beneficiaries.

NOTE: If you are now receiving Social Security or Railroad Retirement benefits or are eligible for these benefits, your Medicare card will automatically be sent to you. However, if you are nearing 65, still employed and do not receive monthly checks, you must apply for the program at your local Social Security Administration office. To ensure full coverage, be sure to file your application at least three months before your 65th birthday. If you are employed or covered under a large group employer health insurance contract, contact the local Social Security Office about coordinating your insurance.
CONTACT: The Social Security Administration office nearest you for specific information about the benefits and their funding (“SOCIAL SECURITY ADMINISTRATION Offices in Pennsylvania” on page 120).

TAKE WITH YOU: Your birth or baptismal certificate recorded before your 5th birthday. Other proof-of-age documents may be substituted only if these are not available.

To ensure full Medicare coverage, be sure to apply at least three months before your 65th birthday.

Medicare Advantage

Medicare beneficiaries now have options to receive their Medicare benefits through Medicare Advantage Plans. Medicare Advantage Plans are private insurance plans, such as HMOs and PPOs, which contract with Medicare to provide beneficiaries with coverage. Beneficiaries can stay with Original Medicare or elect an Advantage Plan available in their area. Individuals must sign up for both Part A and Part B of Medicare to be eligible to select an Advantage Plan. Beneficiaries will continue to pay the Part B premium after joining an Advantage Plan in addition to any premiums the Advantage Plan may charge.

BENEFITS: Medicare Advantage Plans offer a comprehensive set of benefits and must cover everything Original Medicare covers, including options for prescription drug coverage. Plans may also include additional benefits not covered by Medicare, such as eye and dental coverage. Advantage Plans do not need supplement insurance. To learn more about Medicare Advantage, contact APPRISE at (800) 783-7067.

Medicare Supplement Insurance

Original Medicare does not offer complete health insurance protection. Medigap, or supplement insurance, is regulated by federal and state law and must be clearly defined as Medicare supplement insurance. It is designed specifically to complement Original Medicare’s benefits by filling in some of the gaps in Medicare coverage.

BENEFITS: There are currently 10 standard Medigap policies from which beneficiaries may choose (Plans A, B, C, D, G, K, L, M, N and high-deductible plan F). Each of the plans includes a core benefit package along with varying benefit combinations.
THOSE ELIGIBLE: Individuals eligible for Medicare Parts A and B through attainment of age 65 or through Social Security Disability.

CONTACT: Private insurance companies or local insurance agents licensed to do business in Pennsylvania. Shop carefully before you buy, as policies differ as to coverage, limitations and cost.

The Medicare Fee Control Act (also known as Medicare Overcharge Measure or MOM) does not allow providers in Pennsylvania, even those who do not accept Medicare, to charge more than Medicare’s approved amount. Health care providers must accept the Medicare approved amount for the Medicare covered services they offer. (In other words, they cannot bill you for the difference between what they charge for the service and what the Medicare approved amount is for the service.) After the annual deductible is met, you or your insurer will be responsible for 20% of the Medicare approved amount, and Medicare will pay 80% of the Medicare approved amount.

Medical Assistance (Medicaid)

BENEFITS: Medicaid, which is known as Medical Assistance in Pennsylvania, pays, without cost or bills to you, many medical expenses including physician’s services, psychiatric care, nursing facility care, laboratory, clinic and X-ray services and hospitalization, among others. Coverage varies according to your particular situation and you should check with Medicaid to find out what services are available in your situation. If you need emergency ambulance transportation for medical care, Medicaid will pay the cost. Non-emergency medical transportation may also be covered under other programs. In most cases, your Medicare Part B premiums are also paid by Medicaid.

Medical Assistance for Workers with Disabilities

For people with disabilities, finding a job or returning to work can be a challenge. For a long time, one of the big obstacles to working was health care coverage. Earning too much money meant the risk of losing health care benefits. MAWD lets Pennsylvanians with disabilities take fulfilling jobs while earning money and still keeping their full medical benefits. With MAWD, a consumer can keep Medicaid while they work, even if their earnings increase above the limits for other programs.

Under MAWD, consumers pay a monthly premium for their coverage.
Their premium is 5 percent of their countable monthly income after all allowable deductions.

THOSE ELIGIBLE:

- Consumer must be between 16 and 65 years of age
- Consumer must be employed and receiving compensation
- Consumer must have a disability that meets the Social Security Administration’s standards
- Consumer must have a countable income below 250 percent of the Federal Poverty Guidelines
- Consumer must have $10,000 or less in countable resources (excluding resident property and one automobile)

CONTACT: The local county assistance office (page 115) to apply or apply online at: www.compass.state.pa.us

Healthy Horizons

BENEFITS: To ensure adequate health care for older adults and people with disabilities and low incomes as well as to allow more spendable income by paying their Medicare premiums, the state developed a special Medical Assistance program – Healthy Horizons.

The four levels of benefits are: (1) the Healthy Horizons Categorically Needy Program, which pays medical benefits including prescriptions, doctor or clinic visits, dental and eye care, Medicare premiums, Part A and B deductibles, and coinsurance; (2) the Healthy Horizons Medicare Cost-Sharing Program, which pays only Medicare premiums, Part A and B deductibles and coinsurance; (3) Healthy Horizons Specified Low Income Medicare Beneficiary Program (SLMB), which pays only the Medicare Part B monthly premium; and (4) the Qualified Individual program (QI), which also pays the Medicare Part B premium.

THOSE ELIGIBLE: To be eligible for the first two programs, your income may not be greater than 100 percent of the Federal Poverty Income Guidelines. For the SLMB Program, your income must be between 100 percent and 120 percent of the Federal Poverty Guidelines. To qualify for the QI Program, your income must be between 120 percent and 135 percent of the Federal Poverty Guidelines.

For the Healthy Horizons Categorically Needy Program, resources may not exceed the SSI resource standards. For the Healthy Horizons Medicare Cost-Sharing Program and the SLMB Program, resources may not exceed twice the Supplemental Security Income (SSI) resource standards. Adults with a dependent living in their home may be exempt from the resource limits with the exception of the SLMB and QI programs.
CONTACT: For more information, contact your local Department of Human Services (formerly Department of Public Welfare) County Assistance Office (page 115) or call (800) 842-2020 on weekdays from 9 a.m. until 4:30 p.m. Monday through Friday, or contact your local Area Agency on Aging (page 108).

Insurance Coverage for Mammograms
All group health, sickness, or accident policies, and all group subscribers to health maintenance organizations or fraternal benefit societies that provide hospital or medical/surgical coverage must also provide coverage for mammographic examinations. The minimum coverage required must include all costs associated with a mammogram every year for women 40 years of age and older. This service may be subject to co-pays or deductions as determined by your insurance carrier.

Other Health Insurance Options
BENEFITS: A variety of other options are available to help pay for medical expenses, services, and supplies that Medicare covers only partly or not at all.

- Group Health Insurance Continuation – conversion or continuation of an employer-provided policy.
- Long Term Care Insurance – pays cash amounts for care received in a nursing facility or in your home.
- Hospital Indemnity Policies – pay cash amounts for each day of inpatient hospital services.
- Specified Disease Insurance – provides benefits for the treatment of a specific disease such as cancer.
- Medicare Supplements/Medigap – private insurance plans that can be purchased to pay for certain out-of-pocket expenses not covered by Medicare (Parts A and B).

Livanta
BENEFITS: Livanta LLC is a Beneficiary and Family Centered Care Quality Improvement Organizations (BFCC-QIO) that protects the rights of Medicare beneficiaries receiving care in Pennsylvania. Call Livanta if you are denied admission to a hospital, are asked to leave a hospital before you feel well enough, or are dissatisfied with the quality of care you received from a medical provider. Livanta performs these services free of charge to Medicare beneficiaries, including those enrolled in HMOs and Medicare Advantage Plans.

THOSE ELIGIBLE: All Medicare beneficiaries who receive medical care in the Commonwealth of Pennsylvania.
CONTACT: It’s helpful to have as much background information on hand as possible when calling Livanta, including: name on Medicare card; Medicare number; address and phone number; date of birth; date of service; and full name and contact information of the healthcare professional.

MEALS
MEALS

Nutrition Services
The Department of Aging provides nutritious meals at Senior Community Centers and through home-delivered meal programs to Pennsylvanians age 60 and older and their spouses. Meals are available free of charge or through an anonymous donation. The meals follow the Dietary Guidelines for Americans and are reviewed and approved by a dietitian to provide 1/3 of the Recommended Daily Allowances (RDAs). Nutrition education and counseling is available upon request for older adults found to be nutritionally at risk. For more information regarding nutrition education and counseling, meal sites, or home delivered meals, contact the local Area Agency on Aging in your county (page 108) or go online to aging.pa.gov/AAA. Older Pennsylvanians are also encouraged to contact their local food bank or apply for various Federal nutrition programs, both of which can be done at www.feedingpa.org/getfood.aspx.

Department of Agriculture Nutrition Programs
The Pennsylvania Department of Agriculture is working to move food from farm to table so more Pennsylvanians can share in the harvest. Using state and federal resources, the department works with Pennsylvania’s more than 1,800 local food banks and pantries, lead agencies, soup kitchens, and other local non-profit organizations to secure food products and funding.

**BENEFITS:** The Emergency Food Assistance Program (TEFAP) purchases surplus food and provides it to local agencies that directly serve the public, whether by distributing the food to recipients for household consumption or preparing and serving meals in a group setting.

**THOSE ELIGIBLE:** Recipients of food for home use must meet certain income and household size criteria.

**CONTACT:** Pennsylvania Department of Agriculture – (800) 468-2433, email RA-fooddist@pa.gov or visit [www.agriculture.state.pa.us](http://www.agriculture.state.pa.us) and search “TEFAP.”

Senior Farmers Market Nutrition Program (SFMNP)

**BENEFITS:** The Senior Farmers Market Nutrition Program (SFMNP) increases the availability of fresh fruits and vegetables for low-income older adults. It provides eligible recipients with four $5 checks, which allow them to purchase fresh, nutritious, locally grown fruits, vegetables and herbs from participating Pennsylvania farmers’ markets. The list of participating farmers markets is available at check pick-up and at [www.agriculture.state.pa.us](http://www.agriculture.state.pa.us) by searching “farmers markets.”

**THOSE ELIGIBLE:** Low-income older adults.

**CONTACT:** Your local Area Agency on Aging (page 108) to find the area’s check distribution center.
RECREATION

Every community offers its own unique variety of leisure-time activities. The programs and services listed below are some of the many opportunities that might be available to you. To find out what is going on in your community, you should contact your local Area Agency on Aging (see page 108).

Senior Community Centers (Senior Centers)

**BENEFITS:** Most communities have an Area Agency on Aging-supported Senior Community Center where older individuals get together for social activities, recreation, education, creative arts, physical health programs and nutritious meals. Centers offer a variety of programs and activities including computer classes, pool/billiards leagues, Tai Chi and travel. Centers also schedule special events and educational programs. They also work with a variety of local organizations including their Area Agency on Aging to provide access to legal assistance, health screenings, senior employment programs and volunteering opportunities.

**THOSE ELIGIBLE:** Adults age 60 and older and their spouses.

**CONTACT:** Contact the local Senior Community Center or Area Agency on Aging (see page 108) or go online to aging.pa.gov/SCC.

Adult Education

**BENEFITS:** Most public schools and many colleges and universities offer opportunities for continuing education. There are courses at entry and advanced levels covering broad areas of interest ranging from woodworking to music to philosophy. Sometimes these courses may be applied toward a degree. There is usually a charge for this instruction, although it may be reduced for older adults.

**THOSE ELIGIBLE:** For high school courses, all adult residents of participating school districts; for colleges or universities, any interested older adult.

**CONTACT:** The admissions office at the college, university or local school district office.

Road Scholar

**BENEFITS:** Formerly Elderhostel, Road Scholar has been a not-for-profit leader in lifelong learning since 1975. Choose among 5,500 tours in all 50 states and 150 countries.

Taxes
TAXES

Property Tax/Rent Rebate Program

**BENEFITS:** Older residents, widows or widowers, and disabled individuals on limited incomes may be eligible to receive rebates on money paid for property taxes or rent during the prior year. People living in subsidized rental housing may only get a rebate based on the amount they paid in rent. People residing in facilities on which property tax is paid may be eligible for rent rebates. The amount of payment varies according to income, but qualifying homeowners may receive as much as $975.

**THOSE ELIGIBLE:** Pennsylvania residents who are 65 years of age or older; widows or widowers 50 years of age or over; and permanently disabled people age 18 and over who meet the Social Security disability requirements and whose income does not exceed $35,000 for homeowners and $15,000 for renters. As a result of Act 156 of 2014, income eligibility guidelines for the Property Tax/Rent Rebate Program have changed so that income increases due solely to Social Security cost-of-living adjustments (COLAs) will no longer disqualify claimants from receiving rebates. Any homeowner who collected Social Security, received a property tax rebate in 2013 for claim year 2012 and had annual income last year — discounting half of Social Security — up to $36,129, is encouraged to apply for a rebate for claim year 2014. Any renter who collected Social Security, received a rent rebate in 2013 for claim year 2012 and had annual income last year — discounting half of Social Security — up to $15,484, is also encouraged to apply. Spouses, personal representatives or estates may also claim rebates on behalf of a deceased claimant who lived at least one day during a claim year. Claimants may exclude 50 percent of Social Security income in determining eligibility.

**TO APPLY:** Applications for Property Tax/Rent Rebates are accepted beginning in February of every year. All claims must be made for tax or rent paid during the previous year.

**CONTACT:** Applications and information are available at Department of Revenue district offices, legislative offices, Area Agencies on Aging (page 108) and Senior Community Centers. Older adults may also visit [www.revenue.state.pa.us](http://www.revenue.state.pa.us) or (888) 222-9190.

Applicants may check the status of rebates online at www.revenue.state.pa.us or by calling (888) 728-2937. Each claimant will need to provide his/her Social Security number, birth date and claim year.

Federal Income Tax Preparation Assistance

**BENEFITS:** Some communities have programs that provide older people with free or low-cost income tax preparation assistance. Many of these programs are volunteer organizations, such as VITA (Volunteer Income Tax Assistance Program) and TCE (Tax Counseling for the Elderly). Any older adult needing assistance should bring W-2 forms, 1099 forms, a copy of the prior year’s tax returns and the current year’s state and federal tax packets received by mail.

**THOSE ELIGIBLE:** Retirement income, veterans pensions and Supplemental Security Income are income tax-free for all Pennsylvania residents. Lower-income taxpayers may qualify for the Tax Forgiveness Credit.

**CONTACT:** For free or low-cost assistance with income tax preparation, call the IRS at (800) 906-9887 for more information or AARP® — the largest TCE participant — at (888) 227-7669. (For information on volunteering with tax assistance, see page 106.)

Pennsylvania Personal Income Tax

**BENEFITS:** You do not pay state income tax on retirement income (Social Security, Railroad Retirement or any pension benefits), veterans pensions or Supplemental Security Income (SSI). Lower-income taxpayers may qualify for a refund or reduction of state income taxes through the Tax Forgiveness Program.

Local Tax Exemptions

**BENEFITS:** Under Pennsylvania law, local governments may include special provisions in local tax ordinances. Such provisions could include exemption for all or part of local per capita, occupation or occupational privilege taxes and exemption of assessed home improvement costs from your real property taxes.

**THOSE ELIGIBLE:** Any person whose annual income does not exceed a specified amount or a person who is a resident of a designated deteriorated neighborhood.
NOTE: The provision of such benefits is up to your local government. Therefore, even though you may be eligible for such a program, it may not be available in your community.

CONTACT: Your local tax collector or local government officials.
TRANSPORTATION
TRANSPORTATION

Pennsylvania’s Free Transit Program

**BENEFITS:** This program provides free transit service on local bus or trolley routes anytime these services are operating (a reduced fare may be charged on commuter rails).

**THOSE ELIGIBLE:** Adults 65 years of age or older. You will need a senior citizen transit identification card to ride free. The identification card is available free of charge from participating local transit operators. An acceptable proof of age document must be shown to the transit operator to obtain the identification card.

**CONTACT:** Your local transit operator or:

Shared-Ride Program

**BENEFITS:** This program provides reduced fare transportation services to eligible older adults utilizing shared-ride transportation services. The cost to the rider under this program is 15 percent of the existing shared-ride fare; the Lottery Fund pays the remaining 85 percent portion of the fare. In some cases the 15 percent charge or a portion of the 15 percent fare may be paid by a third party sponsor such as the local Area Agency on Aging.

**THOSE ELIGIBLE:** Adults age 65 and over. Proof of age is required when enrolling in the program.

**CONTACT:** Your local shared-ride transportation provider or your Area Agency on Aging.

Transportation for the Elderly

**NOTE:** Local Area Agencies on Aging (page 108) may also provide or fund transportation for older people who have special needs or where
regular mass transit services are not available. This service may provide rides to Senior Community Centers, medical appointments and to social service agencies.

Medical Assistance Transportation Program (MATP)
MATP provides transportation to medical services for MA consumers who do not have other transportation available to them. These transportation services are provided through county governments. The counties provide either transportation services directly or hire a transportation provider, depending on the transportation resources available in a county. The transportation available may be:

- Tickets or tokens to ride public transportation
- Mileage reimbursement for use of a private car
- Paratransit services

**THOSE ELIGIBLE:** Consumer must receive Medicaid.

**CONTACT:** The local MATP provider and complete an application. Local providers are available through the Department of Human Services (formerly Department of Public Welfare) website: [www.dhs.state.pa.us](http://www.dhs.state.pa.us).

Reduced Motor Vehicle Registration
**BENEFITS:** Under this program retired adults can register their automobiles for a $10 fee instead of the usual $36 registration fee.

**THOSE ELIGIBLE:** Any Pennsylvania resident who is retired and receiving Social Security or other pension and annuities that do not exceed $19,200 annually.

**CONTACT:** To get the necessary form (MV-371), visit [www.dmv.state.pa.us/pDotForms/mvForms/mv-371.pdf](http://www.dmv.state.pa.us/pDotForms/mvForms/mv-371.pdf), contact a local PennDOT authorized agent, Area Agency on Aging or:

Restricted License
**BENEFITS:** People who do not meet the vision standards for a driver’s license may qualify for a restricted (low vision) license. A restricted license allows the driver to drive during daylight hours on roadways other than
freeways.

**THOSE ELIGIBLE:** A person with visual acuity of less than 20/70 combined vision, but at least 20/100 combined vision with best correction and 120 degrees field vision in the horizontal meridian may qualify (with a recommendation from an optometrist or physician).

**Identification Cards**

**BENEFITS:** Because most establishments require a driver’s license for identification, an identification card — similar in appearance to a driver’s license — can be obtained by nondrivers and is accepted as a bona fide ID.

**THOSE ELIGIBLE:** Any Pennsylvania driver who voluntarily surrendered his/her license for medical reasons can obtain the special ID free of charge. For all others, including those who never received a license, there is a fee.

**CONTACT:** Any PennDOT Driver License Center. Bring along proof of IDs — a birth certificate or your old driver’s license — and a Social Security card. Call (800) 932-4600 for more information about the fee.

VETERANS SERVICES
There are many veterans benefits available through state, federal and advocacy organizations. The Department of Aging has summarized some of these benefits and resources in the following pages.

State Veterans Services

**BENEFITS:** The Pennsylvania Department of Military and Veterans Affairs administers a variety of programs to assist veterans and their families. Special programs include the Blind Veterans Pension, Paralyzed Veterans Pension, Disabled Veterans Property Tax Exemptions for 100 percent disabled veterans, county burial allowances for veterans and their spouses, and a Veterans Temporary Assistance program to aid veterans and their families who require help due to an unexpected loss of income. Additionally, this department provides long term nursing care specifically for Pennsylvania veterans in its veterans homes located in Erie, Hollidaysburg, Philadelphia, Pittsburgh, Spring City and Scranton. Free hunting and fishing licenses are available for war-time veterans with the loss of one or more limbs, total blindness, or who are 100 percent service-connected disabled. Also available to eligible disabled veterans: reduced rates in state parks; veterans license plates through PennDOT.

**THOSE ELIGIBLE:** Honorably discharged Pennsylvania veterans and their families. Each program has eligibility requirements.

**CONTACT:** Your County Director of Veterans Affairs to discuss benefits and eligibility (see “County Director of Veterans Affairs” on page 98). Or contact the nearest office of the Department of Military and Veterans Affairs or the website at [www.dmva.state.pa.us](http://www.dmva.state.pa.us).

Federal Programs
There are also many veterans benefits available through the U.S. Department of Veterans Affairs.

BENEFITS: The U.S. Department of Veterans Affairs offers numerous programs for qualifying veterans. These include compensation and pension benefits, health care and social services, burial and memorial benefits, home loans, and education benefits. Healthcare and social services for eligible veterans include health screenings and checkups, outpatient and inpatient medical care, prosthetic devices, prescription drugs, residential and nursing facility care, and assistance to visually impaired veterans. Free and personal counseling is offered to war-time veterans by the department’s Vet Centers. The U.S. Department of Veterans Affairs,
through its VA Stars & Stripes Healthcare Network,* has eight medical centers in Pennsylvania. These are located in Altoona, Butler, Coatesville, Erie, Lebanon, Philadelphia, Wilkes-Barre and Pittsburgh. In addition, the Network has numerous community-based outpatient clinics located in smaller cities around the state. Both the medical centers and clinics sponsor health fairs that offer preventive health services. (The Network also has medical centers in Wilmington, Del., and Clarksburg, W. Va.)

* The VA Stars & Stripes Healthcare Network is part of the U.S. Department of Veterans Affairs and is not affiliated with this publication, “The Stars and Stripes.” Stars and Stripes is the registered trademark of the National Tribune Corporation and is used with their permission.

Volunteer
Volunteer opportunities exist in every community. Such opportunities benefit both the volunteers and the people they serve. Local agencies and organizations always welcome the talent and experience older volunteers offer. If you want to donate time and service, contact your house of worship, hospital, local chapter of the American Red Cross, United Way, Area Agency on Aging, other community service project, or any of the programs listed below.

Area Agencies on Aging

**BENEFITS:** The Volunteer Services Program provides a wide array of opportunities for older adults to serve their community. It also provides meaningful opportunities for people of all ages to participate in providing services to older adults. The Volunteer Services Program provides short- and long term projects that involve people of all ages who can assist the Area Agency on Aging (AAA) in the delivery of services to older adults. Where possible, these volunteer efforts are coordinated with other volunteer initiatives. Some examples of volunteer efforts are friendly visiting and telephone reassurance.

**CONTACT:** Your local Area Agency on Aging (page 108) or go online to [aging.pa.gov/AAA](http://aging.pa.gov/AAA).

APPRISE Volunteer Counselor

**BENEFITS:** APPRISE is the Pennsylvania Department of Aging’s State Health Insurance Assistance Program. This program helps people with Medicare understand their health insurance options in order to make sound decisions about both their physical and financial health care needs. APPRISE, a free and confidential service, is a volunteer-based initiative managed by coordinators at each Area Agency on Aging (page 108).

APPRISE counselors are specially trained volunteers who can answer questions about Medicare, Medigap, long term care insurance, filing appeals, and preventive care. They also serve as advocates for people with Medicare who need help in resolving a dispute with Medicare or a managed care organization.

**CONTACT:** Your local Area Agency on Aging to volunteer. The APPRISE coordinator will schedule an interview with you and ask you to complete a volunteer application.

Volunteer Ombudsmen

**BENEFITS:** Volunteer Ombudsmen are trained members of the
community who work through their local Area Agencies on Aging and its subcontractors. Once trained, volunteers are certified as ombudsmen. Because Volunteer Ombudsmen are resident-directed, all information is kept confidential. These community volunteers significantly expand the outreach and accessibility of the Volunteer Ombudsman program.

Volunteer Ombudsmen:

- Advocate on behalf of residents
- Increase visible presence in long term care facilities
- Build relationships and trust to allow individuals to express concerns with greater ease

**CONTACT:** To learn more about how you can support your local Ombudsman Program, contact your local Area Agency on Aging (page 108) OR

**The Pennsylvania Empowered Expert Residents Program (PEERs)**

**BENEFITS:** PEERs are residents of long term care facilities who have been trained on basic advocacy processes. After graduating from a five-part empowerment training, residents will be equipped to help their fellow residents improve their quality of care in long term care facilities. Not only do PEERs impact the community where they live, but they also have a voice in issues affecting all of Pennsylvania’s older adults.

**CONTACT:** To learn more about a PEER program in your facility or to start one, contact your local Area Agency on Aging (page 108).

**Conservation Volunteer Program**

**BENEFITS:** The Pennsylvania Department of Conservation and Natural Resources (DCNR) operates the Conservation Volunteer Program. You’ll have the opportunity to volunteer in a state park or state forest to help build a trail, plant a flower garden, teach a group of students about wildlife or welcome visitors to the campgrounds.

**CONTACT:** Your local state park or district forest office and ask for the...
Conservation Volunteer Coordinator or submit an application online at www.visitpaparks.com.

AmeriCorps & Volunteers in Service to America (VISTA)
BENEFITS: AmeriCorps & VISTA members serve in hundreds of nonprofit organizations and public agencies throughout the country — working to fight illiteracy, improve health services, create businesses, increase housing opportunities, or bridge the digital divide.

Senior Corps
Foster Grandparents Program
BENEFITS: Foster Grandparents serve as mentors, tutors, and caregivers for at-risk children and youth with special needs through a variety of community organizations, including schools, hospitals, drug treatment facilities, correctional institutions, Head Start and day care centers. Income-eligible Foster Grandparents receive a modest, tax-free reimbursement for transportation, meals during service, an annual physical examination, and accident and liability insurance while on duty. Foster Grandparents serve 15 to 40 hours a week.

THOSE ELIGIBLE: The Foster Grandparent Program is open to people age 55 and over with limited incomes. All applicants undergo a background check and a phone interview, as well as pre-service and in-service training.

CONTACT: Your local Area Agency on Aging (page 108), the Corporation for National and Community Service at: (800) 870-2616, or Retired Senior Volunteer Program (RSVP) online at www.seniorcorpsofpa.org.

Retired Senior Volunteer Program (RSVP)
BENEFITS: RSVP volunteers serve in a diverse range of nonprofit organizations, public agencies and faith-based groups. Among other activities, they mentor at-risk youth, organize neighborhood watch programs, test drinking water for contaminants, teach English to
immigrants and lend their business skills to community groups that provide critical social services. RSVP volunteers are not paid, but sponsoring organizations may reimburse them for some costs incurred during service. RSVP provides appropriate volunteer insurance coverage, and volunteers receive pre-service orientation and in-service training from the agency or organization where they are placed.

**THOSE ELIGIBLE:** RSVP is open to people age 55 and over. Community and faith-based organizations receive grants to sponsor and operate RSVP projects in their community. These projects recruit older adults to serve from a few hours a month to almost full-time, though the average commitment is four hours a week. Most volunteers are paired with local community and faith-based organizations that are already helping to meet community needs.

**CONTACT:** Your local Area Agency on Aging (page 108), the Corporation for National and Community Service at (800) 870-2616 or Senior Companion Program online at [www.seniorcorpsofpa.org](http://www.seniorcorpsofpa.org).

**Senior Companion Program**

**BENEFITS:** Senior Companions serve frail older adults, adults with disabilities, those with terminal illnesses and offer respite for caregivers. They assist their adult clients by offering companionship and friendship, assisting with simple chores, providing transportation, and adding richness to their clients' lives. Senior Companions receive the following benefits: pre-service and monthly training sessions, reimbursement for transportation, some meals during service, an annual physical, accident and liability insurance while on duty. Income-eligible Senior Companions also receive a modest, tax-free stipend to offset the cost of volunteering.

**ELIGIBILITY:** Volunteers must be 55 or over and be able to serve between 15 and 40 hours a week.

**CONTACT:** Corporation for National and Community Service at (800) 870-2616 or [www.seniorcorpsofpa.org](http://www.seniorcorpsofpa.org).

**Peace Corps**

**BENEFITS:** The Peace Corps has three goals: to help interested countries meet their need for trained men and women; to help promote a better understanding of Americans on the part of the people served; to help promote a better understanding of other people by Americans.

Older adults have the opportunity to share a lifetime of work and wisdom with people of developing nations who respect and appreciate age. Because there’s no upper age limit to serve, it’s never too late — volunteers who are well into their eighties have served and continue to serve. Older
Peace Corps volunteers put their experience to work in all corners of the world and in a variety of assignments. Assignments range from business advising to community development, to teaching English, math or science, to name a few.

**CONTACT:** The Peace Corps at [www.peacecorps.gov](http://www.peacecorps.gov) or call (855) 855-1961 for more information or to find the local recruitment office.

**Service Corps of Retired Executives (SCORE)**

**BENEFITS:** SCORE is a nonprofit association that provides existing and aspiring entrepreneurs with free, confidential business mentoring.

Our volunteers are experienced entrepreneurs or corporate managers/executives who offer free advice and workshops to all types businesses, in all stages of development. SCORE is a resource partner with the U.S. Small Business Administration.

**ELIGIBLE:** Working and retired individuals who are experienced entrepreneurs or business experts.

**CONTACT:** SCORE at (800) 634-0245 or [www.score.org](http://www.score.org).

**Tax Preparation Assistance**

**BENEFITS:** The Tax Counseling for the Elderly (TCE) Program provides free tax help to people age 60 and older. The VITA Program offers free tax help for low-to-moderate-income ($49,000 & below) people who cannot prepare their own tax returns. Many trained volunteers are from nonprofit organizations and provide free tax counseling and basic income tax return preparation.

**CONTACT:** To become a volunteer, you'll need to complete and email a contact form to [TaxVolunteer@irs.gov](mailto:TaxVolunteer@irs.gov). The form can be downloaded at [www.irs.gov/Individuals/IRS-Tax-Volunteers](http://www.irs.gov/Individuals/IRS-Tax-Volunteers). Or to locate the nearest location, contact the IRS at (800) 906-9887 or AARP® — the largest TCE participant — at (888) 227-7669.
DIRECTORY OF AGENCIES

pennsylvania DEPARTMENT OF AGING
The agencies listed in this section provide services to older adults in Pennsylvania. Look through these pages to find the organization closest to your home. In most cases the Area Agency on Aging will be able to help you with your needs. If the agency does not have the particular service you seek, it will direct you to the proper organization.

## AREA AGENCIES ON AGING

Area Agencies on Aging provide and coordinate services for older adults. Call your Area Agency on Aging for information regarding transportation, health care, help at home, employment, legal aid and other programs for older adults. The Area Agencies on Aging function under the guidance of, and partial funding from, the Pennsylvania Department of Aging.
