From the Desk of Our Pastor

Christian Stewardship

Recently, Bishop David Zubik of Pittsburgh advanced some sensible suggestions when he wrote, “Jesus is weeping with us and for us. It is time for us as a nation to require at least as much from those purchasing guns as we expect from those making application for a driver’s license. Public safety must always come first. I urge our legislators to make it far more difficult for criminals, terrorists and those with dangerously impaired moral reasoning to make their point with a gun. It is important that our government require background checks for all gun purchases, limit civilian access to high capacity weapons and ammunition magazines, make gun trafficking a federal crime, and ensure that those on no-fly lists cannot buy guns.”

Msgr. Charles H. Hagan

**Gifts From the Holy Land**
Coming to Our Lady of Mount Carmel Sept. 24-25, 2016

There will be a display of beautiful handmade olive-wood carvings from the Holy Land. The Christians of the Holy Land have been suffering, and continue to live in difficult economic situations. Olivewood carvings are part of a tradition handed down from one generation to another. Christian families have worked over 2,000 years to protect the holy sites in Bethlehem, Jerusalem, Nazareth, and to spread the word of Jesus. For approximately 1,000 years, they have used carvings to keep the Bible alive in dimensions. Proceeds from the sale will benefit Christian families in Bethlehem/the Holy Land.

By your support, 200 families will be helped to remain in the Holy Land, which is important to keep peace in the Middle East. Please stop by the tables, and get your gifts directly from the Little Town of Bethlehem.

**FORMED: Opening the Word, Year C**

Evangelization is not a job assigned only to bishops, priests and religious brothers and sisters. Pope Paul VI insisted that the "task of evangelizing all people constitutes the essential mission of the Church." And by "the Church," he meant the Church as a whole—everyone, including the laity. Today’s Gospel reminds us of God’s calling for us to participate in His Work throughout the world, no matter what we do or where we are.

**FORMED: Newest Program on Formed**

This Summer Dive into **HAPPINESS**

Happiness features interviews with well-known psychiatrists, celebrities, New Testament scholars and priests that uncover the deeper answers to life’s most profound questions. Eric Johnson and Jennifer Milani present the central ideas from the interviews, explaining difficult concepts and proposing engaging questions. We move through 7 episodes using Fr. Robert J. Spitzer’s proven paradigm: “The Four Levels of Happiness”, as a cornerstone, dealing with unhappiness and depression and then to evidence for our transcendent and eternal life. We examine the resurrection of Jesus Christ and finally, we learn how to properly deal with and benefit from suffering. **HAPPINESS** is for anyone who wants to expand their understanding of **HAPPINESS**!!
