2. Boisterous or rowdy behavior; or
3. Misconduct remote in time, unless the misconduct was felonious in nature or recently repeated in similar situations.

(c) A final decision having the legal effect of acquitting an Applicant of criminal charges shall not affect the right of the CF Committee or Board to give consideration to the Applicant’s conduct.

**RULE 212. Conditional Admission.**

(a) **Conditional Admission.** An Applicant who currently satisfies the essential eligibility requirements for admission to practice law, including fitness requirements, and who possesses the requisite character required for admission, may be conditionally admitted to practice law if the Applicant demonstrates recent rehabilitation from chemical dependency or successful treatment for mental or other illness, or from any other condition the Supreme Court deems appropriate, that has resulted in conduct or behavior that would otherwise have rendered the Applicant currently unfit to practice law, and the conduct or behavior, if it
should recur, would impair the Applicant’s current ability to practice law or would pose a threat to the public.

(b) **Procedure.** The CF Committee shall make conditional admission recommendations to the Board. The Board shall make recommendations to the Supreme Court. Those recommendations shall include recommended relevant conditions that an Applicant must comply with during the period of conditional admission. The Supreme Court has the authority to grant conditional admission based upon conditions the Supreme Court determines appropriate under the circumstances.

(c) **Conditions.** The CF Committee and the Board may recommend, and the Supreme Court may order, that an Applicant’s admission be conditioned on the Applicant’s complying with requirements that are designed to detect behavior that could render the Applicant unfit to practice law and to protect clients and the public. Conditions may include the following: alcohol, drug or mental health treatment; medical, psychological or psychiatric care; participation in group therapy or support; random chemical screening; office practice or debt management counseling; monitoring, supervision or mentoring; or other conditions deemed appropriate by the CF Committee, Board or Supreme Court. The conditions shall be tailored to detect recurrence of the conduct or behavior which could render an Applicant unfit to practice law or pose a risk to clients or the public and to encourage continued abstinence, treatment or other support. The conditions should be established on the basis of clinical or other appropriate evaluations, take into consideration the recommendations of qualified professionals, when appropriate, and protect the privacy interests of the conditionally admitted attorney in professional treatment records to the extent possible. The conditions shall be set forth by the Supreme Court in a Conditional Admission Order. The Conditional Admission Order shall be made a part of the conditionally admitted attorney’s Application file and shall remain confidential, except as provided in this and any other applicable rules.

(d) **Length of Conditional Admission.** The initial conditional admission period as established in the Conditional Admission Order shall not exceed sixty months.

(e) **Compliance with Conditional Admission Order.** During the conditional admission period, the CF Committee shall take such action as is necessary to monitor compliance with the terms of the Conditional Admission Order, including requiring an appearance before the CF Committee or Board, and requiring responses to requests for information by the CF Committee or Board.

(f) **Failure to Fulfill the Terms of Conditional Admission.** Failure of a conditionally admitted attorney to fulfill the terms of a Conditional Admission Order may result in modification of the order, including extension of the period of conditional admission, suspension or termination of the conditional admission or such other action as may be appropriate under the Admission Rules.

(g) **Violation of Conditional Admission Order.** If the Board determines that the conditions of the Conditional Admission Order have been violated, the Board shall cause Bar Counsel to initiate proceedings to determine whether the conditional admission should be terminated, extended or modified.

(h) **Termination.** The Bar may petition the Supreme Court for an order to show cause why the conditional license should not be immediately terminated. If a petition is filed:

1. The Supreme Court shall examine the petition and determine whether a *prima facie* showing of a violation of the Conditional Admission Order has been demonstrated. If the Supreme Court determines that such a showing has been made, it shall immediately suspend the conditional license and Conditional Admission Order and issue an order to show cause why the conditional license should not be permanently terminated.

2. The conditionally admitted attorney may indicate an intent to contest the termination of the conditional license by filing a verified response to the order to show cause, in which case the Supreme Court shall assign the matter to a special master or hearing officer for hearing and recommendation.

3. Following the hearing, the special master or hearing officer may recommend, and the Supreme Court may order, the conditional admission be permanently terminated, extended or modified.

4. The hearing shall be conducted as provided in L.B.C.R. 511, except that the order to show cause and verified response shall serve as the complaint and answer.

(i) **Expiration of Conditional Admission Order.**

1. Unless the conditional admission is terminated or extended or a petition to terminate for a violation of a Conditional Admission Order is pending, the conditions imposed by the Conditional Admission Order shall expire upon completion of the period of conditional admission.

2. At least sixty days prior to the expiration of the conditional license, a conditional licensee may apply for a renewal of the conditional license or for a regular license to practice law by filing a written request with the Bar.

(j) **Confidentiality.** Except as otherwise provided herein, and unless the Supreme Court orders otherwise, the fact that an individual is conditionally admitted and the terms of the Conditional Admission Order shall be confidential, provided that the Applicant shall disclose the entry of any Conditional Admission Order to the admissions authority in any jurisdiction where the Applicant applies for admission to practice law. These provisions for confidentiality shall not prohibit or restrict the ability of the Applicant to disclose to third parties that the Applicant has been conditionally admitted under this rule, nor prohibit requiring third-party verification of compliance with terms of conditional admission by admission authorities in jurisdictions to which the conditionally admitted attorney may subsequently apply.

**RULE 213. Reasonable Accommodations Committee.**

(a) **Establishment and Membership of Committee.** The Board shall appoint a three-member committee to be known as the RA Committee which shall consist of two members in good standing of the Bar and one non-lawyer member. (d) Compensation and Expenses. Members of Hearing Committees shall receive no compensation for their services but shall be reimbursed for their travel and other reasonable expenses incidental to the performance of their duties.

RULE 504. Bar Counsel

(a) Appointment and Qualifications. Bar Counsel shall be appointed by the Board of Commissioners and shall be a member in good standing of the Bar.

(b) Powers and Duties. With respect to the review of a Lawyer's Professional Conduct, Bar Counsel shall have the following powers and duties:

   (2) To prosecute all Professional Conduct review proceedings before the Professional Conduct Board and the Supreme Court;

   (5) To perform all other duties and functions as may be required by these Rules, the Idaho Bar Commission Rules, the Board of Commissioners or the Supreme Court.

RULE 505. Grounds for Sanctions. The following shall constitute misconduct and shall be grounds for imposition of Sanctions:

(a) General. Acts or omissions by a Lawyer, individually or in concert with any other person or persons, which violate the Idaho Rules of Professional Conduct, as amended, or any other ethical canon or requirement adopted by the Supreme Court, whether the acts or omissions occurred in the course of an attorney-client relationship.

(b) Conviction of a Serious Crime. Conviction of a Serious Crime, and/or the failure to report a Conviction as provided in Rule 512(a).

(c) Sanctions Imposed in Another Jurisdiction. Any act or omission that results in a Sanction, as defined in Rule 501(o), which is authorized or approved by any duly authorized Professional Conduct enforcement authority in another jurisdiction.

(d) Violation of Rules and Orders. Violation of any rule or order imposed as a result of review of a Lawyer's Professional Conduct, including a Lawyer's failure to pay restitution, costs or expenses imposed under Rule 506.

(e) Failure to Cooperate with or Respond to Disciplinary Authorities. Failure, without justifiable grounds, to cooperate with or respond to a request from the Supreme Court, the Professional Conduct Board, a Hearing Committee or Bar Counsel.

RULE 506. Sanctions. Disciplinary Sanctions may consist of any one or more of the following:

(a) Disbarment. Disbarment is the revocation of a lawyer's license or authority to practice law in this State or in any other jurisdiction. Only the Supreme Court may order disbarment in this State. A lawyer disbarred in this State who desires to again be admitted shall comply with all Bar admission requirements found in Section II of the Idaho Bar Commission Rules. A disbarred lawyer making such application shall have the burden of overcoming the rebuttable presumption of "unfitness to practice law." In no event shall a disbarred lawyer make application for admission to the Bar sooner than five years from the effective date of disbarment.

(b) Resignation in Lieu of Disciplinary Proceedings. Any resignation in lieu of disciplinary proceedings in this or any other jurisdiction shall have the same effect as disbarment. A resignation in lieu of disciplinary proceedings cannot be issued by a Hearing Committee; rather, it is a negotiated Sanction between the Respondent and Bar Counsel. The Supreme Court must approve any resignation in lieu of disciplinary proceedings in this State. A lawyer who resigns in lieu of disciplinary proceedings and desires to again be admitted shall comply with all Bar admission requirements found in Section II of the Idaho Bar Commission Rules. A lawyer making such application shall have the burden of overcoming the rebuttable presumption of
"unfitness to practice law." In no event shall a lawyer who resigns in lieu of disciplinary proceedings make application for admission to the Bar sooner than five years from the effective date of his or her resignation.

(c) **Suspension.** Suspension is the denial of the right to practice law for a specific period of time not to exceed five years. Only the Supreme Court may order a suspension in this State. A Lawyer who has been suspended and desires to again be admitted shall comply with the reinstatement procedures provided in Rule 518. Rule 510 shall govern interim suspensions.

(d) **Public Censure.** Public censure is an official, written reprimand regarding a Lawyer’s Professional Conduct, which shall be published in the Idaho Reports. A public censure declares the Lawyer’s conduct to have been improper but does not limit his or her right to practice law. In this State, only the Supreme Court can issue a public censure. In addition to the Idaho Reports, all public censures shall be published in the official Bar publication, on the official website of the Bar, and in a newspaper of general circulation in the judicial district where the Lawyer maintains his or her principal place of business.

(e) **Public Reprimand.** Public reprimand is a public, written reprimand regarding a Lawyer’s Professional Conduct. A public reprimand declares the Lawyer’s conduct to have been improper but does not limit his or her right to practice law. In this State, only the Professional Conduct Board may issue a public reprimand. All public reprimands shall be published in the official Bar publication and on the official website of the Bar.

(f) **Probation.** Probation is the continued right to practice law subject to such conditions as may be imposed by a court or by a duly authorized Professional Conduct enforcement authority. In this State, only the Supreme Court may impose conditions of probation that limit the Lawyer’s license to practice law. Conditions of probation that do not otherwise limit the Lawyer’s license to practice law can also be imposed by the Supreme Court, the Professional Conduct Board or Bar Counsel. Probation must be imposed for a specific period; provided, however, probation may be renewed for an additional period by consent or after a hearing to determine if there is a continued need. Probation may be imposed independently or in conjunction with any other Sanction.

(g) **Private Reprimand.** Private reprimand is a private, written reprimand that declares a Lawyer’s conduct to have been improper but does not limit his or her right to practice law. In this State, only Bar Counsel may impose a private reprimand. A private reprimand becomes a part of the permanent files of the Bar, but is not published.

(h) **Informal Admonition.** Informal admonition is private, written discipline that declares a Lawyer’s conduct to have been improper but does not limit his or her right to practice law. In this State, only Bar Counsel may informally admonish a Lawyer. An informal admonition becomes a part of the permanent files of the Bar, but is not published. An informal admonition is lesser in scope than a private reprimand and is the least severe form of discipline available.

(i) **Restitution.** Restitution is the payment to persons financially injured and/or reimbursement to the Client Assistance Fund for claims paid from the fund for losses or claims resulting from a Lawyer's misconduct. Restitution may be imposed as a condition of any probation or in conjunction with any Sanction. Failure to pay imposed restitution establishes independent grounds for further discipline or Sanctions and/or may prevent reinstatement.

(j) **Imposition of Costs.** Assessment of the expenses and costs of Professional Conduct investigations and proceedings may be imposed in conjunction with any other Sanction. Failure to pay imposed costs establishes independent grounds for further discipline or Sanctions and/or may prevent reinstatement.

RULE 507. Withheld Sanctions

(a) **Sanctions that may be Withheld.** The Sanctions imposed under Rule 506(c)-(f) may be withheld in whole or in part, contingent upon the Respondent’s observance of conditions imposed by the disciplinary authority invoking such Sanction. Such conditions may include the publication of the withheld Sanction.

(b) **Motion for Order to Show Cause.** Upon violation of the conditions of a withheld Sanction, Bar Counsel may file with the Professional Conduct Board a Motion for Order to Show Cause why the withheld Sanction should be imposed:

1. The motion shall allege that the Respondent has not abided by the conditions set forth in the order disciplining the Respondent.
2. The motion shall be served upon:
   a. the Respondent at his or her last known address, and
   b. the Respondent's counsel of record, if any.
3. The Chair of the Professional Conduct Board shall appoint a Hearing Committee, which shall schedule a hearing to ascertain the truth of the allegations set forth in the motion.
4. The Bar shall have the burden of proof that the Respondent has failed to adhere to the conditions set forth in the disciplinary order.
5. Following the hearing, the Hearing Committee shall make findings and, if the Bar has carried its burden of proof, recommend or order that the withheld Sanction be imposed.

(c) **Imposition of a Previously Withheld Sanction.** If the Bar carries its burden of proof on the Motion for Order to Show Cause, the previously withheld Sanction may be imposed:

1. by order of the Hearing Committee, if the withheld Sanction was imposed originally by a Hearing Committee or by Bar Counsel; or
2. by order of the Supreme Court, if the withheld Sanction was imposed originally by the Supreme Court.

RULE 508. Petitions Against Members of the Board of Commissioners, Professional Conduct Board or Bar Counsel

(a) **Board of Commissioners - Professional Conduct Board.** Grievances against a member of the Board of Commissioners or a Lawyer member of the Professional Conduct Board alleging grounds for the imposition of Sanctions, or against any non-lawyer member of the Professional Conduct Board alleging misconduct in the performance of his or her duties, shall be submitted directly to the Supreme Court. Upon receipt of a grievance under this Rule, the Supreme Court may:

1. Consider the matter on the basis of the grievance;
2. Appoint an investigator or independent counsel to investigate the matter and make a report to the Supreme Court;

1. Consider the matter on the basis of the grievance;
2. Require Bar Counsel to make a response;

Bar Counsel may refer the information or grievance to another entity if its subject matter falls outside the jurisdiction of these Rules or the Rules of Professional Conduct. If the information or grievance alleges facts that, if true, would constitute a violation of these Rules or the Rules of Professional Conduct, Bar Counsel shall conduct an investigation.

(b) Investigation. All investigations shall be conducted by or under the authority and direction of Bar Counsel. Upon the conclusion of an investigation, Bar Counsel may:

(C) reject Bar Counsel's disposition and dismiss the matter;
(D) recommend a modification and remand the matter to Bar Counsel for disposition; or
(E) recommend the filing of Formal Charges.

(6) Time for Rendering Decision. The Hearing Committee shall render its decision within 21 days following the date upon which the record is submitted to the Hearing Committee or the date of the telephonic hearing (if any), whichever is later.

(7) Service of Decision. The Hearing Committee chair shall enter an appropriate order reflecting the decision of the Hearing Committee and file the same with the Clerk, who shall then serve the order upon Grievant, Respondent and Bar Counsel.

(8) Effect of Hearing Committee Decision. If the Hearing Committee’s decision results in no Sanction being imposed on the Respondent, its review of Bar Counsel's disposition shall be final. If the filing of Formal Charges is recommended by the Hearing Committee, subsequent proceedings shall be processed as provided in Rule 511.

(9) Supreme Court Review. If the Hearing Committee’s decision results in a Sanction being imposed on the Respondent, either the Grievant or Respondent may seek Supreme Court review of the Hearing Committee’s decision. A written petition for such review, stating the reasons for the request, shall be filed with the Supreme Court, within 21 days of service of the Hearing Committee’s decision. The petition shall contain a simple statement of the reasons the Grievant or Respondent believes that the Hearing Committee decision is clearly erroneous or arbitrary and capricious. Upon receipt of a petition under this subsection, the Supreme Court may, in its sole discretion, order briefing, allow oral argument or decide the matter upon the petition before it.

(a) Grounds. The Supreme Court may enter an order of interim suspension if:
(1) a Lawyer is convicted of a Serious Crime;

Within 21 days after the Hearing Committee has received the answer, the chair of the Hearing Committee shall hold a scheduling conference with the parties, for the purpose of establishing timetables for the completion of the case. Thereafter, the chair shall issue a scheduling order, declaring discovery deadlines, trial dates and any other significant dates for the conduct of the matter. If the Respondent has failed to answer the complaint within the time prescribed, or the time as extended, the scheduling order shall also specify that all factual allegations of the complaint have been deemed admitted and/or may provide for the procedure to determine whether Respondent’s failure to respond is due to mistake, inadvertence, surprise or excusable neglect. The Hearing Committee chair should seek to conduct the matter so the hearing is held within 120 days from the scheduling conference. The Clerk shall serve copies of the scheduling order upon all parties.

(g) Place and Manner of Hearing. **RULE 512. Lawyers Convicted of Serious Crime**

(a) **Lawyer's Duty to Report.** Any Lawyer convicted of a Serious Crime in any jurisdiction shall report that fact to the Bar within 14 days of the occurrence of that Conviction. Failure to make such a report shall, in itself, constitute grounds for imposition of Sanctions under Rule 505.

If the crime is a Serious Crime, Bar Counsel shall begin Formal Charge proceedings against the Respondent, as provided in Rule 511. Any reinstatement or readmission resulting from a dissolution or amendment of a Sanction may provide for such conditions as the Supreme Court deems appropriate in the interest of justice, the public, the Respondent, the Bar and/or the former or prospective clients of the Respondent. The dissolution or amendment of a Sanction will not automatically terminate any formal proceeding then pending against the Lawyer, the disposition of which shall be determined by the Hearing Committee on the basis of the available evidence other than Conviction.

**RULE 513. Reciprocal Sanctions**

(a) **Duty of Lawyers.** All Lawyers upon whom a Sanction has been imposed in another jurisdiction shall so inform Bar Counsel within 14 days of the imposition of the Sanction. Failure to make such a report shall, in itself, constitute grounds for imposition of Sanctions under Rule 505.

(c) **Public Discipline in Another Jurisdiction.** Upon being informed that a Sanction has been imposed upon a Lawyer, Bar Counsel may seek an ex parte order from the Chair of the Professional Conduct Board directing the Lawyer to show cause, if any, why the identical Sanction should not be imposed in this State.

(d) **Hearing Committee Procedures.** The Chair of the Professional Conduct Board, following the issuance of the order to show cause, shall assign the matter to a Hearing Committee to conduct the show cause hearing.

(3) Scope of Hearing. After hearing, the Hearing Committee shall recommend the imposition of an identical Sanction in this State unless the Hearing Committee finds that Respondent has shown by clear and convincing evidence that it appears clearly, from the face of the record from which the Sanction is predicated, that:
(A) the procedure was so lacking in notice or opportunity to be heard as to constitute a deprivation of due process;
or
(B) imposing an identical Sanction in this State would result in grave injustice.

(4) Procedure Following Hearing. After the show cause hearing (regardless whether the Respondent appears before the Hearing Committee), the Hearing Committee shall issue its findings of fact, conclusions of law and recommendations and proceed as provided in Rule 511(h).

(A) Recommendation of Public Reprimand. If the Hearing Committee recommends the imposition of a public reprimand, the case shall proceed as provided in Rule 511(i).

(e) Effect of Stay of Discipline in Other Jurisdiction. If the Sanction imposed in the other jurisdiction has been stayed there, any reciprocal Sanction imposed in this State shall be deferred until the stay expires.

(f) Appeals. All appeals of the imposition of reciprocal Sanctions shall proceed as provided in Rule 511(k).

RULE 514. Imposition of Sanctions by Stipulation

(a) Stipulation Contents. Following the filing of Formal Charges against a Respondent, the Respondent and Bar Counsel may resolve the matter by stipulation. Any stipulation shall set forth a summary of the Formal Charge allegations, admitted factual allegations, admitted violations of the Idaho Rules of Professional Conduct, charges being dismissed, if any, and the agreed upon Sanction. Bar Counsel and the Respondent shall sign the stipulation. Each stipulation shall also provide either:
(1) if the Hearing Committee or the Supreme Court rejects the stipulation, Sanction or recommendation, each party has the right to withdraw from the stipulation and proceed to a hearing on the merits; or
(2) if the Hearing Committee or the Supreme Court rejects the stipulation, Sanction or recommendation, the parties agree that the Supreme Court may impose the Sanction it deems appropriate on the record or may take whatever action the Supreme Court deems appropriate.

(b) Consideration by Hearing Committee and Supreme Court. After the stipulation has been executed, either party shall file it with the Clerk, who shall forward copies of it to the Hearing Committee. The Hearing Committee will consider the stipulation and enter its decision or order a hearing on its own motion.

(1) Public Reprimand. If the stipulated Sanction is a public reprimand, and the Hearing Committee agrees that a public reprimand is the appropriate Sanction, the Hearing Committee shall issue an order imposing the public reprimand.

(2) Public Censure, Suspension or Disbarment. If the stipulated Sanction is a public censure, suspension, withheld public censure, withheld suspension or disbarment, and the Hearing Committee agrees that the stipulated Sanction is appropriate, the Hearing Committee shall issue a recommendation to the Supreme Court. Bar Counsel or the Professional
Conduct Board may, in their discretion, permit such stay or abatement.

(h) **Delay.** The unwillingness or neglect of the Grievant to file a complaint or a settlement between the Grievant and the Lawyer, shall not, in themselves, justify abatement of the processing of any grievance. The time between the commission of the alleged misconduct and the filing of the grievance predicated thereon may be pertinent to whether and to what extent a Sanction should be imposed, but does not limit Bar Counsel’s power to investigate and prosecute.

(i) **Time Requirements.** Except as is otherwise provided in these Rules, the time in which any act or any thing is to be done or performed is not jurisdictional.

RULE 702. Arbitration Panels
(a) Jurisdiction. Each panel shall have jurisdiction over any disagreement concerning the fee paid, charged or claimed for legal services rendered by an attorney licensed to practice in this state, and where the matter has been submitted to the panel by the Idaho State Bar.
(1) The panel shall not have jurisdiction over:
(A) Disputes over which, in the first instance, a court has jurisdiction to fix the fee;
(B) Disputes over matters which, as a matter of law, are beyond the applicable statute of limitations;
(C) Disciplinary complaints.
(2) To arbitrate and finally determine fee disputes in the event the parties have not amicably resolved the dispute.
(b) Establishment and Membership of Panels. Where required, each panel shall consist of three (3) members, two (2) of whom shall be members of the Idaho State Bar in good standing, and one (1) of whom shall be an adult Idaho citizen of good moral character and reputation who is not a lawyer. (b) Upon receipt of the petition and arbitration agreement, signed by the petitioner, the Idaho State Bar shall send a copy of the petitioner's allegations to all other parties to the attorney-client fee agreement, together with a request for their consent to binding arbitration. If a client refuses or fails to consent to arbitration within twenty-one (21) days of his or her receipt of an arbitration request, the matter will be deemed closed due to lack of agreement and both parties shall be notified. In all cases in which a client has filed a fee arbitration petition, even those where an attorney refuses or fails to be bound by arbitration within twenty-one (21) days of his or her receipt of an arbitration request, a mediator shall be appointed by the Idaho State Bar who shall be a member of the Idaho State Bar in good standing to attempt to resolve the fee dispute through non-binding mediation.
(c) Conflict. It shall be the obligation of any member so designated to serve as arbitrator to disclose to the panel chairman any reasons why he or she cannot ethically or conscientiously serve. RULE 704. Arbitration
(a) The matter shall be assigned to a hearing panel composed of one (1) member if the amount in dispute is $2,500 or less and to a three-member panel for amounts in dispute over $2,500.
(b) The chairman of the panel, or the single arbitrator, assigned, as the case may be, shall fix a time and place for the hearing and shall cause written notice thereof to be served personally or by
registered or certified mail on the parties to the arbitration, on the other panel members and the Idaho State Bar not less than seven (7) days before the hearing. A party’s appearance at a scheduled hearing shall constitute a waiver on his or her part of any deficiency in respect to the giving of notice of the hearing.

c) The single arbitrator or panel assigned shall hold a hearing within thirty (30) days after the receipt of the assignment, and shall render their award within fifteen (15) days after the close of the hearing. The award of the panel shall be made by a majority of the panel where heard by three members, or by the one (1) member of the panel who was designated as sole arbitrator, as provided herein.

d) All parties shall have an absolute right to attend all hearings. The exclusion of other persons or witnesses waiting to be heard shall rest in the discretion of the arbitrators.

*e) The parties to the arbitration are entitled to be heard, to present evidence and to cross-examine witnesses appearing at the hearing. Any party to an arbitration has the right to be represented by an attorney at the hearing or at any stage of the arbitration. Any party may also have a hearing before a panel reported by a certified shorthand reporter, at his or her expense, by written request presented to the Idaho State Bar at least three (3) days prior to the date of the hearing. In the event of such request, any other party to the arbitration shall be entitled to acquire, at his or her own expense, a copy of the reporter’s transcript of the testimony by arrangements made directly with the reporter. When no party to the arbitration requests that the hearing be reported, and the panel or sole arbitrator deems it necessary to have a hearing reported, the panel or sole arbitrator may employ a certified shorthand reporter for such purpose if authorized to do so by the Idaho State Bar. The written notice of the hearing sent to the parties shall advise them of these rights.

*(Section (e) amended 2-13-92 - Effective 7-1-92 and amended 3-17-05 – Effective 7-1-05)

(f) Any or all portions of the fee arbitration hearing may be held by teleconference, in the discretion of the panel chairman.

(g) The arbitrators may request opening statements and may prescribe the order of proof. In any event, all parties shall be afforded full and equal opportunity for the presentation of any material evidence.

(h) The testimony of witnesses shall be given under oath or affirmation. Where so requested, the chairman of the panel shall administer oaths to witnesses testifying at the hearing.

*(i) If either party to an arbitration, who has been duly notified, fails to appear at the hearing, the panel may hear and determine the controversy upon the evidence produced, not withstanding such failure to appear, and enter a decision.

*(Section (i) amended 2-13-92 - Effective 7-1-92)

(j) If all the parties to a controversy so agree, they may waive oral hearings and may submit their dispute in writing by providing the panel or sole arbitrator verified statements of position, together with exhibits, upon which a determination of the controversy may be rendered. However, the arbitrators may nevertheless, if they deem it desirable, require oral testimony of any party or witness, after due notice to all parties.

(k) Adjourned dates for the continuation of any hearings which cannot be completed on the first day shall be fixed for such times and places as the arbitrators may select with due regard to the circumstances of all the parties and the desirability of a speedy determination. Upon request of a party to the arbitration for good cause, or upon its own determination, the panel may postpone the hearing from time to time.

*(l) If any member of a three (3) member panel dies or becomes unable to continue to act after the taking of testimony has begun, and before a decision has been made, the proceedings to that point shall be declared null and void and the matter assigned to a new panel for rehearing unless the parties, with the consent of the panel chairman, consent to proceed with the hearing with the remaining members of the panel.

*(m) Before closing the hearing, the arbitrators shall specifically inquire of all participating parties whether they have further evidence to submit in whatever form. If the answer is negative, the hearing shall be closed and a motion to that effect made by the arbitrators as well as the date for submission of memoranda or briefs, if requested by the arbitrators.

*(n) The hearing may be reopened by the arbitrators on their own motion or on application of a party at any time before the decision is signed and filed.

*(Sections (l), (m) and (n) amended 2-13-92 - effective 7-1-92)

(o) In the event of the death or incompetency of a party to the arbitration proceeding, prior to the close of the hearing, the proceeding shall be abated without prejudice to either party to proceed in a court of proper jurisdiction to seek such relief as may be warranted. In the event of death or incompetency of a party after the close of the hearing but prior to a decision, the decision rendered shall be binding upon the heirs, administrators or executors of the deceased and on the estate or guardian of the incompetent.

*(Rule 704 amended 3-15-91)

*RULE 705. The Decision.

(a) The decision of the arbitrators shall be expressed in a written opinion signed by all of them; if there is a dissent, it shall be signed separately. Unless the submission or contract provides otherwise, the arbitrators may grant any remedy or relief they deem proper, including a direction for specific performance. A decision may also be entered on consent of all the parties. Once the decision is signed and filed, the hearing may not be reopened except upon consent of all parties.

(b) While it is not required that the decision be in any particular form, it should, in general, consist of a preliminary statement reciting the jurisdictional facts (i.e. that the hearing was held upon notice pursuant to a written agreement to arbitrate, that the parties were given an opportunity to testify and to cross-examine, etc.), a brief statement of the dispute; the findings; and the terms of payment, if applicable. It shall include a determination of all the questions submitted to the arbitrators, the decision of which is necessary in order to determine the controversy.

(c) The arbitrators may include in the decision a direction for payment of other expenses related to the proceedings but not for fees to the arbitrators or counsel.

*(d) The original and two (2) copies of the decision shall be signed by the members of the panel concurring therein. The chairman of the district panel shall forward said decision, together with the entire file, to the Idaho State Bar, which shall thereupon, for and on behalf of said panel, serve a signed copy of the decision on each party to the arbitration, personally or by registered or certified mail, and notify the chairman of the Panel that the matter has been concluded.

*(Section (d) amended 3-15-91 and 3-31-00)

*RULE 706. Effect of the Decision.

(a) In any case in which all parties have agreed to be bound by the arbitration, any decision rendered shall be binding upon both parties to the extent provided by Idaho Code Sec. 7-901 et seq. and may be enforced by any court of competent jurisdiction.

(b) If the decision holds that the participating attorney or attorneys who consented to binding arbitration are not entitled to any portion of the disputed fee, service of a copy of such award on said attorney or attorneys shall:
(1) Terminate all claim and interest of the participating attorney or attorneys against the participating client or clients in respect to the subject matter of the arbitration;

(2) Terminate all right of such attorney or attorneys to retain possession of any documents, records or other properties of such client or clients pertaining to the subject matter of the arbitration then held under claim of attorney's lien or for other reasons.

*(Section (b) amended 3-15-91)*

(c) If the subject matter of an award in favor of an attorney or attorneys who have consented to binding arbitration involves pending litigation and a client or clients, for good reason, shall be unable to promptly pay in the full amount of any award rendered against him or her or them, application may be made to the court having jurisdiction for a determination of means deemed to adequately secure payment. If such a determination shall be made and the terms thereof be promptly fulfilled by the client or clients, such compliance shall entitle the client to the relief specified in subsection (b) of these Rules.

*(Rule 706 amended 2-13-92 - Effective 7-1-92 and amended 3-17-05 – Effective 7-1-05)*

**RULE 707. Confidentiality.** With the exception of the decision itself, all records, documents, files, proceedings and hearings pertaining to arbitrations of any fee dispute under these rules shall not be opened to the public or any person not involved in the dispute except Bar Counsel or the Professional Conduct Board.

*(Rule 707 deleted and 708 renumbered as 707 3-17-03. Rule 707 (then rule 708) amended 2-13-92 - Effective 7-1-92)*

(a) **Time Requirements.** Except as is otherwise provided in the Rules, the time in which any act or any thing is to be done or performed is not jurisdictional.

*(b) Disqualification.** Each party may challenge, without cause, and thereby disqualify, not more than one (1) member of the panel or challenge any member of the panel for cause within fourteen (14) days after notification of the assignment of the panel. Such challenges for cause shall be made upon the same grounds as provided in a civil action and must be made in writing.

*(Section (b) amended 3-15-91)*

(c) **Evidence.** The rules of evidence applicable in proceedings before the district courts of this state shall not be required in these proceedings.

RULE 800. Purpose - Jurisdiction - Effective Date

(a) Statement of Purpose. The public interest requires that in securing professional advice and assistance upon matter affecting one's legal rights one should have assurance of the competence and integrity of his or her representative and should enjoy freedom of full disclosure under a recognized privilege of confidentiality. To protect this public interest it is deemed necessary to establish guidelines for the investigation of complaints, and the procedures to be followed to eliminate the unauthorized practice of law as provided by Idaho Code Secs. 3-401 and 3-420.

(b) Jurisdiction. Pursuant to the provisions of Article II, Section 1, of the Constitution of the State of Idaho, the Idaho Supreme Court has inherent jurisdiction to prohibit the unauthorized practice of law. Nothing contained herein is intended to limit the inherent authority of the Idaho Supreme Court or the authority of any other Idaho court to regulate the matters coming before it, including attempts to practice law by persons not licensed to practice law before said courts. All Idaho courts have inherent judicial powers to prohibit and to punish the unauthorized practice of law before them, and the Idaho State Bar encourages the use of such direct power to eliminate the unauthorized practice of law whenever necessary or appropriate.

**SECTION X**

**Specialization**  
(*Section X added 4-14-93 – effective 1-1-94.*)

**RULE 1001. Purpose, Administration and Effective Date**
(a) The purpose of this section is to regulate the certification of lawyers as specialists by certifying agencies, so that public access to appropriate legal services may be enhanced.
(b) These Rules shall be administered by the Board of Commissioners ("Commissioners") of the Idaho State Bar, with such delegation to its staff as shall be deemed necessary.
(c) These rules shall be effective January 1, 1994.

**RULE 1002. General Powers and Duties**
(a) The Commissioners shall approve agencies which certify lawyers practicing in this state as specialists. The Idaho State Bar itself will not certify lawyers as specialists, though it reserves the power to engage in certification of specialists at some future time.
(b) In furtherance of the purpose of this section, the Commissioners shall have the following powers and duties:
   (1) To list those fields of legal practice subject to specialty designation. The Commissioners may make these designations on its own motion or on petition of interested parties and on such criteria as it establishes.
   (2) To approve appropriate agencies as qualified to certify lawyers as specialists in fields of law designated under subsection (1) above and to adopt standards which certifying agencies must meet.
   (3) To adopt standards which must be met by certifying agencies in certifying lawyers as specialists.
   (4) To review and evaluate the programs of certifying agencies to assure compliance with this specialization program.
   (5) To deny, suspend, or revoke the approval of a certifying entity that has failed to comply with the standards established by this plan and the rules and standards established by the Commissioners.
   (6) To keep appropriate records of those lawyers certified as specialists by agencies approved under this plan and to report to the Office of Bar Counsel any lawyers who may violate the provisions of this plan.
   (7) To cooperate with other organizations, boards and agencies engaged in the field of lawyer specialization.
   (8) To enlist the assistance of advisory committees to assist the Commissioners.
   (9) To adopt rules, regulations, policies and standards reasonably needed to implement this plan and which are not inconsistent with any of the provisions of this plan.

**RULE 1003. Standards for Approval of Certifying Agencies**
(a) The persons in a certifying entity shall include lawyers who, in the judgment of the Commissioners, have extensive practice or involvement in the specialty field.
(b) A certifying entity's standards for certification of specialists must include, as a minimum, the standards required for certification set out in this plan and in the rules, regulations and standards adopted by the Commissioners from time to time. Such standards shall not discriminate against any lawyer properly qualified for certification as a specialist, but shall provide a reasonable basis for the determination that the lawyer possesses special competence in a particular field of law, as demonstrated by the following means:
   (1) The applicant must be licensed and currently in good standing to practice law in this state;
   (2) The applicant must demonstrate substantial involvement in the specialty field of practice during the three-year period immediately preceding application to the certifying entity. "Substantial involvement" shall be defined as to each specialty from a consideration of its nature, complexity and differences from other fields and from consideration of the kind and extent of effort and experience necessary to demonstrate competence in that area.
   (3) Peer recommendations from lawyers and/or judges in good standing and who are familiar with the competence of the lawyer, none of whom are related to, or engaged in legal practice with, the lawyer.
   (c) The certifying entity shall be responsible for making appropriate investigations of peer recommendations and for obtaining any other data that may be required to assure the lawyer is in compliance with the legal certification program.
   (d) The certifying entity shall register all lawyers whom it certifies as specialists pursuant to the plan and shall report to the Commissioners those lawyers who are certified.
   (e) Each certifying entity shall annually submit to the Commissioners a report of its activities during the previous year, including a demonstration of the measures employed to ensure compliance with the provisions of these rules.
   (f) The certifying entity shall cooperate at all times with the Commissioners and perform such other duties as may be required by the Commissioners so that the plan is properly administered.

**RULE 1004. Minimum Standards for Continued Recognition of Specialists**
(a) For a lawyer to claim to be a certified specialist, the lawyer must be duly licensed on active status and in good standing to practice law in this state throughout the period of which specialty designation is granted and comply with the other requirements of this rule.
(b) The lawyer must be certified by an entity approved by the Commissioners.
(c) The lawyer must comply with the CLE requirements set forth in IBCR 402 (a).
(d) The period of recognition as a specialist shall be for no longer than five years. During this period the Commissioners or appropriate certifying entity may require evidence from the specialist of his or her continued qualification for recognition as a specialist.
(e) Application for and approval of continued recognition as a specialist shall be required prior to the end of each certification period. To qualify for continued recognition as a specialist, a lawyer applicant must pay the required fee and meet the requirements for certification renewal established by these Rules or such other Rules as may be adopted by the Commissioners.

**RULE 1005. Privileges Conferred and Limitations Imposed**
(a) A lawyer certified as a specialist as provided by these Rules may communicate that fact, but must clearly identify the particular
certifying entity that recognizes the lawyer as a specialist. The lawyer shall not represent, either expressly or implied, that his or her specialty status is recognized by any entity other than the certifying entity. Specifically, certification shall not entitle the lawyer to suggest that he or she is certified by the Idaho State Bar.

(b) Nothing in this plan shall in any way limit the right of a certified specialist to practice in other law fields, even if the lawyer is not recognized as a specialist in those other fields.

(c) No lawyer shall be required to be recognized as a specialist in order to practice in the field of law covered by that specialty. Any lawyer shall have the right to practice in any field of law, even though he or she is not recognized as a specialist in that field. Participation in this plan shall be on a voluntary basis.

(d) A lawyer may be recognized as a specialist in more than one field of law.

RULE 1006. Fees. To defray expenses of the Idaho State Bar specialization process, the Commissioners may establish and collect reasonable fees from certifying agencies and from lawyers qualifying as specialists under these Rules.

RULE 1007. Review of Adverse Decision

(3) Reject the petition as being not in conformance with these Rules or as otherwise duplicative of an existing practice section.

(d) **Organizational Meeting; Officers; By-Laws.** Upon its approval, a practice section shall conduct an organizational meeting, after appropriate notice in *The Advocate.* At the organizational meeting, the practice section shall elect officers to serve until the time set for annual election of officers. The practice section shall also adopt by-laws, in the form generally prescribed for that purpose by the Commissioners. The by-laws shall become effective upon approval by the Commissioners. Specific Commissioner approval shall be necessary for material modifications to the uniform by-laws.

Bar annual audit. Any bar member shall be entitled to review the finances of a practice section, upon reasonable request made to the Executive Director.

(g) Administrative Fee. The Idaho State Bar shall annually assess an administrative fee to each practice section, in a formula to be approved by the Commissioners.

RULE 1106. Legislative/Political Activity

(a) Generally. The Idaho State Bar is an integrated bar, and as such is limited in its ability to engage in legislative and political activity. The appropriate avenue for engaging in that limited legislative/political activity is set forth in Rule 906(a). Any practice section seeking to engage in the promotion of legislation or any other political position must first comply with Rule 906(a).

(b) Administration of Justice. Section 3-418, Idaho Code, provides that the Idaho State Bar may from time-to-time provide expertise to the Governor, Legislature and/or Supreme Court on matters affecting the administration of justice. A practice section may properly engage in this type of technical assistance to the Legislature or other agencies of government, but must first advise the Commissioners of its intention to do so.

(c) Notice to Commissioners. A practice section shall first notify the Commissioners, through the Executive Director, of any intended legislative/political activity to be conducted.

Rule 1107. Practice Section Council

(a) Purpose. The Practice Section Council (“Council”) shall exist to address the continued development of practice sections within the Idaho State Bar, and to recommend policy considerations to the Commissioners.

(d) Meetings. The Council shall meet annually at the State Bar Annual Meeting, and at such other times as deemed appropriate, for the purpose of considering issues common to practice sections. The Council shall consider whether to propose resolutions for inclusion on the annual State Bar resolution process. The Council may designate representatives from time-to-time to attend Bar Commission meetings.

Rule 1108. Continuing Legal Education

(a) Continuing Legal Education. Practice sections are encouraged to engage in the planning and presentation of continuing legal education programs, subject to the considerations set forth in subsection (b) below.

(b) Practice sections shall abide by and be subject to agreements entered into between the Commissioners (on behalf of the Idaho State Bar) and other organizations, including but not limited to the Idaho Law Foundation, Inc., concerning the planning, implementation and financial considerations of continuing legal education programs.

Rule 1109. Abolition of Practice Section

(a) Annual Review; Abolition. The activity of each practice section shall be reviewed by the Commissioners annually within sixty (60) days of the Annual Meeting, and, in the event the Commissioners determine that a practice section is no longer active or for any other reason is no longer deemed necessary or useful to the Bar, then such practice section may be abolished by the Commissioners.

(b) Minimum Membership. Two years after the formation of a practice section, it is expected that minimum membership should be maintained of at least fifty (50). Membership of less than fifty (50) members will create a presumption that the practice section is inactive, although the presumption may be overcome upon a showing by the practice section's officers. A possible solution to a low practice section membership level may be merger into another existing practice section.

(c) Practice Section Funds. In the event that a practice section is abolished, any remaining funds of that practice section shall revert to the general fund of the Idaho State Bar.

Rule 1110. Miscellaneous

(b) Copyrights. The Idaho State Bar shall own the copyright to all materials produced by its practice sections.

(c) Removal of Officers. The Commissioners may, for good cause shown, remove and replace any or all officers of a practice section. Such action shall be taken only if, in the Commission's judgment, the continued participation of the officer(s) in question threaten to place the Idaho State Bar or the practice section in violation of these Rules, or of state or federal law, or if continued participation of the officer(s) poses a threat of irreparable harm to the Idaho State Bar or the practice section.

(d) Open Meetings. Meetings of practice sections shall be governed by Idaho's open public meetings law, section 67-2341, Idaho Code, et. seq.

2. does not have an office within Idaho.

(c) Trust accounts shall be clearly identified as “trust” or “escrow” accounts.

(d) Funds deposited in trust accounts must be insured by an agency of the federal government.

**RULE 1304. Establishment of IOLTA Accounts.**

(a) Except as otherwise provided in subsections (b) and (d), a lawyer required to maintain a trust account under Rule 1303 shall create and maintain an IOLTA account for deposit of all client and third person funds.

(b) When client or third person funds can earn net income for the client or third person in excess of the costs to secure such income, a lawyer may establish a non-IOLTA account subject to Rule 1303 and I.R.P.C. 1.15.

(c) In determining whether a client or third person’s funds can earn net income in excess of the costs of securing that income for the benefit of the client or third person, the lawyer shall consider the following factors:

1. the amount of funds to be deposited;
2. the expected duration of the deposit, including the likelihood of delay in the matter for which funds are held;
3. the rates of interest or yield at financial institutions where the funds are to be deposited;
4. the costs of establishing and administering non-IOLTA accounts for the benefit of the client or third person, including service charges and fees, the related costs of the lawyer’s services and the costs of preparing any tax reports required for income accruing to the client’s or third person’s benefit;

1. has been exempted by an order of general or special application of the Bar; or
2. obtains a written exemption from the Bar upon filing a petition, on a form provided by the Bar, stating that compliance with this Rule would create an undue hardship on the lawyer and would be extremely impractical, based on geographic distance between the lawyer’s principal office and the closest financial institution participating in the IOLTA program.

**RULE 1305. Maintenance of IOLTA Accounts.**

(a) A lawyer required to create and maintain an IOLTA account under Rule 1304 shall:

A. remit all interest or dividends, net of any allowable reasonable service charges or fees, on the average monthly balance in the account, or as otherwise computed in accordance with the financial institution's standard practice, at least quarterly, solely to the Foundation. When feasible, the financial institution shall remit the interest or dividends on all of its IOLTA...

(B) report in a form and through any manner of transmission approved by the Foundation showing the name of the lawyer and the amount of the remittance attributable to each, the account number for each account, the rate and type of interest or dividend applied, the amount and type of allowable reasonable service charges or fees deducted, the average account balance for the reporting period and such other information as is reasonably required by the Foundation;

(C) report to the lawyer in accordance with the financial institution's normal procedures for reporting to depositors; and

(3) ensure that earnings from an IOLTA account are not made available to the lawyer; and

(4) review the IOLTA account at reasonable intervals to determine whether changed circumstances require further action with respect to the funds of clients or third persons.

RULE 1306. Eligible IOLTA Financial Institutions.

(a) Lawyers may maintain IOLTA accounts only in eligible financial institutions approved by the Bar.

(b) Eligible financial institutions are those that voluntarily offer IOLTA accounts and meet the requirements of this Rule, including maintaining IOLTA accounts which pay the highest interest rate or dividend generally available from the institution to its non-IOLTA account customers when the IOLTA account meets or exceeds the same minimum balance or other account eligibility qualifications, if any. In determining the highest interest rate or dividend generally available from the institution to its non-IOLTA accounts, eligible financial institutions may consider factors, in addition to the IOLTA account balance, customarily considered by the institution when setting interest rates or dividends for its customers, provided those factors do not include that the account is an IOLTA account.

(c) An eligible financial institution may satisfy the comparability requirements of subsection (b) by electing one of the following options:

(1) establish the IOLTA account as the comparable rate product;

(2) pay the comparable rate on the IOLTA account in lieu of actually establishing the comparable rate or dividend product; or

(3) pay a rate equal to the greater of 70%, or such other rate as may be recommended by the Foundation, of the Federal Fund Target Rate as of the first business day of the IOLTA account earnings period, which rate is deemed to be net of allowable reasonable service charges or fees, on an IOLTA account.

(d) IOLTA accounts may be established as:

(1) a business checking account with an automated investment feature, such as an overnight investment in repurchase agreements or money market funds invested solely in or fully collateralized by United States government securities, including United States Treasury obligations and obligations issued or guaranteed as to principal and interest by the United States or any agency or instrument thereof;

(2) a checking account paying preferred interest rates, such as money market or indexed rates;

(3) a government interest-bearing checking account such as accounts used for municipal deposits;

(4) an interest-bearing checking account such as a negotiable order of withdrawal (NOW) account, or business checking account with interest; or

(5) any other suitable interest-bearing deposit account offered by the financial institution to its non-IOLTA account customers, provided:

(A) A daily financial institution repurchase agreement shall be fully collateralized by United States government securities and may be established only with an eligible institution that is “well capitalized” or “adequately capitalized” as those terms are defined by applicable federal statutes and regulations. An open-end money-market fund shall be invested solely in United States government securities or repurchase agreements fully collateralized by United States government securities, shall hold itself out as a "money-market fund" as that term is defined by federal statutes and regulations under the Investment Company Act of 1940 and, at the time of the investment, shall have total assets of at least two hundred fifty million dollars ($250,000,000).

(b) To obtain Bar approval as a depository for trust accounts, a financial institution shall file with the Bar a notification approved by the Bar pursuant to these Rules.

(c) Nothing in these Rules precludes a financial institution from paying a higher interest rate or dividend than described above or electing to waive any service charges or fees on IOLTA accounts.

(d) Interest and dividends shall be calculated in accordance with the financial institution's standard practice for non-IOLTA account customers.

(e) Allowable reasonable service charges or fees may be deducted from interest or dividends on an IOLTA account only at the rates and in accordance with the customary practices of the eligible institution for non-IOLTA account customers. No fees or service charges other than allowable reasonable service charges or fees may be assessed against the accrued interest or dividends on an IOLTA account. Any fees and service charges other than allowable reasonable service charges or fees shall be the sole responsibility of, and may be charged to, the lawyer maintaining the IOLTA account.

RULE 1307. Bar Approval of Financial Institutions - Notification.

(a) Financial institutions, to be eligible to act as depositories for trust accounts, must be approved by the Bar. Lawyers shall not maintain a trust account in a financial institution that is not approved by the Bar pursuant to these Rules.

(b) To obtain Bar approval as a depository for trust accounts, a financial institution shall file with the Bar a notification agreement in a form provided by the Bar that requires the financial institution to report to Bar Counsel if any properly payable instrument is presented against a trust account containing funds insufficient to honor the instrument in full, irrespective of whether the instrument is honored. For purposes of this subsection, “properly payable” refers to an instrument that would require payment under Idaho law if presented in the normal course of business.

(c) Notification to Bar Counsel by the financial institution shall be provided in the following form:

(1) For a dishonored instrument, the report shall be identical to the overdraft notice customarily forwarded to the depositor; or
(2) For instruments that are presented against insufficient funds but which are honored, the report shall identify the financial institution, the lawyer, the account number, the date of presentation for payment, the date of payment and the overdraft amount.

d) Reports by financial institutions to Bar Counsel shall be made simultaneously with, and within the time provided by law for notice of dishonor, if any. If an instrument presented against insufficient funds is honored, the report shall be made within five (5) banking days of the date of presentation for payment.

e) The notification agreement of a financial institution shall apply to all branches of the financial institution and shall not be canceled except upon thirty (30) days’ written notice to the Bar.

f) The Supreme Court may establish additional rules governing approval and termination of approved status for financial institutions.

g) The Bar shall publish a list of approved financial institutions on its website and provide a copy of that list upon request.

(h) Nothing in this Rule precludes a financial institution from charging a lawyer for the reasonable cost of producing reports or other records required by this Rule.

(i) Disclosures made pursuant to these Rules shall be confidential except as may otherwise be provided in formal charge proceedings under I.B.C.R. 521.

(a) Upon receipt of notification of insufficient funds from a financial institution under Rule 1307, Bar Counsel shall send the lawyer a written request for the following information:

1. A written explanation of the circumstances that resulted in the insufficient funds notification; and
2. Copies of bank statements on all trust accounts for the preceding six (6) months, including the month the overdraft occurred.

(b) Bar Counsel shall review the information provided by the lawyer under subsection (a) and:

1. Close the matter if the explanation satisfactorily explains the overdraft; or
2. Investigate the matter as a disciplinary complaint if the explanation is not satisfactory.

RULE 1309. Administration of IOLTA Funds.

(a) The Foundation is the only entity authorized to receive and administer IOLTA funds in Idaho.

(b) Interest transmitted to the Foundation shall, after deduction for the necessary and reasonable expenses of the Foundation for administration of the IOLTA program, be distributed by the Foundation in proportions it deems appropriate, for the following purposes:

1. Legal aid to the poor;
2. Law-related education programs for the public;
3. Scholarships and student loans;
4. Improvement of the administration of justice; and
5. Such other programs for the benefit of the public as are specifically approved by the Supreme Court.
