Catholic Biblical Studies Program
343 Union Road, West Seneca 14224

The Catholic Biblical Studies Program offers several opportunities for adults to study the Bible. Classes are offered that are theologically well grounded and spiritually enriching. The goal of participation in this program is to bring the Word of God to life, enabling participants to explore the world that lies behind the words so to arrive at meaning. Engaging in such a dynamic process of discovering the depth of God’s love in the words of Scripture is the reward of a serious study of the Bible. In addition to classes, study days are offered twice during the course of the year that are open to the public. These daylong events provide the opportunity to study with the nation’s foremost Scripture scholars. Study trips to Israel, Turkey, Jordan and Greece are also made available through the CBSP.
