Hyland Hills Clears the Way for Trails

Most everyone knows the great American pastime is baseball. Did you know it is also one of the great passions of the Hyland Hills Athletics Department? Our staff has been very busy over the winter working on ways to get involved in what some are calling “a sport quickly facing declining national interest.” Youth baseball and softball could actually be falling in popularity due to the well-known youthful obsession with digital phones, games and other mobile devices, none of which require physical involvement.

But Hyland Hills is in the recreation business, and we don’t want stationary activities to take the place of kids ever feeling that competitive thrill of running out onto a baseball field as part of a team, or benefiting from friendships that can be culled during exciting dugout moments.

So, after many years, Hyland Hills is now managing boy’s baseball and girls’ softball at our own fields. Our program is affordable and all youth ages 6-14 are welcome to participate, so let’s PLAY BALL!

On another note, the Clear Creek Valley Park Community Garden is moving along quite well and we have already enlisted several families who will be growing vegetables this spring and summer. Plots are still available for $35 which includes water, contact Terry Barnhart for more details: 303.650.7609.

Also, I would like to say thank you to all the kids who applied to work at our facilities this summer. To those who made the cut, we welcome you and wish you much success. For many of you, this is your very first job, and we applaud you for wanting to work with Hyland Hills.

Finally, the Hyland Hills Board of Directors and I would like to take a moment to publicly thank outgoing Board Member Phil Roan for his exceptional service to Hyland Hills Park and Recreation District. Please take a moment to read more about what he has done for the District in the News Section of this Guide and join us in wishing him the very best.

Enjoy what is left of your spring and be sure to include our amazing facilities in your family’s summer planning. It is our pleasure to serve you, and we thank you for your ongoing support of the District. We hope to see you this season!

Cost: $5 each. Seniors 60 years and older: Free
Persons Required to Purchase ID Card: Age 4 (or at least 40 inches tall) through age 59
Expiration: Two years from date of purchase.
In order to qualify for resident rates, all residents are required to have a resident ID card. Because residents with a Hyland Hills ID card receive a substantial reduction in fees and charges, coupons or other discount promotions are not valid with resident ID cards.

QUALIFICATION/REQUIREMENTS FOR A HYLAND HILLS RESIDENT ID CARD
1) Any person who, or whose spouse, owns taxable real or personal property situated within the boundaries of the District must submit a secure and verifiable identification document setting forth the person’s legal name, such as: a state drivers license or ID card; US passport or valid military ID; together with a current Adams County Property Tax Notice (unless a Colorado Drivers License or ID card showing an in-District address is presented).

2) Any person who is a resident of the District but does not own real or taxable property within the boundaries of the District, must submit a Colorado Drivers License or Colorado ID card setting forth the person’s legal name with a current address. If the address shown on the License/ID is not correct, then one of the following acceptable documents showing correct name, current date and current address located with the District boundaries must be presented: utility bill; credit card statement; pay stub or earnings statement; rent receipt; phone bill; transcript or report card from an accredited school; bank statement; mortgage document; tax document; homeowners/renters insurance policy; vehicle registration/title; auto insurance or other valid and sufficient proof of residency.

3) Persons under the age of 16 must be accompanied by a parent or legal guardian who must show qualifying proof of residency.

HYLAND HILLS – CITY OF WESTMINSTER JOINT USE AGREEMENT
Hyland Hills Park and Recreation District and the City of Westminster entered into a reciprocal agreement on June 5, 1990 that allows residents of the two entities to enjoy expanded recreational opportunities. This includes over 120,000 residents of both entities. The agreement makes current resident identification cards issued by both entities virtually interchangeable. Residents can receive resident rates for use of facilities and programs in both Westminster and Hyland Hills. This is a valuable opportunity for residents to be able to enjoy the best and most unique recreation facilities in the country at the lowest possible cost.

Ese incluye mas que 120,000 residentes de las dos entidades. Este acuerdo hace las tarjetas actuales de identificación hechos por las dos entidades intercambiables. “BE-A-FISH” LEARN-TO-SWIM PROGRAM

Since 1999, the Hyland Hills Foundation has been funding FREE swim lessons for all elementary-aged kids who live within the Hyland Hills District. The “Be-A-Fish” Learn-To-Swim Program consists of a two-week course of daily, half-hour swim lessons given by trained lifeguards from Water World during the summer season at any one of the Hyland Hills three outdoor pools: Perl Mack Aquatics Center, Carroll Butts Aquatic Center, or Splashland Aquatics Center.

The Foundation fundraises throughout the year to fund the “Be-A-Fish” Learn-to-Swim Program and other recreation scholarships that are granted. We hope all children will learn water safety and develop a passion for swimming that will last a lifetime. In-person registration is required.
THANK YOU PHIL ROAN!

Everyone at Hyland Hills is joined together in saying thank you to Judge Philip F. Roan, whose term will expire in May 2016, for his exemplary service as a member of the Hyland Hills Board of Directors. This is the second term of service for Roan who had previously been elected to the Hyland Hills Board in 1978. However, while serving in that capacity, he was appointed to the Adams County District Court. After retiring from the Judiciary, he once again felt the pull toward community service and decided to run for the Hyland Board in 2012, and he won that election as well.

Among the hundreds of distinguished accolades Mr. Roan can claim, one standout is the debut of Water World, which was opened during his first term, and which is now considered one of the greatest water parks in the world. The Hyland Hills community is united in wishing Mr. Roan all the very best in his future endeavors and we gratefully acknowledge his monumental impact to the quality of life of our residents and guests.

ADAMS COUNTY FAIR

We encourage everyone to mark your calendars to attend the Adams County Fair. Hyland Hills Park and Recreation District is a sponsor of the fair, and we hope to see everyone there enjoying the music, food and the many special events that are planned.

NEW AT WATER WORLD AND ADVENTURE GOLF

During the winter months, Hyland Hills was busy on a number of fronts. Two large projects you might find especially fun and challenging include a new boogie boarding venue at Water World which sits next to a bay of turtles; and another where you will have to find your way through an adventure of ropes and mazes at Adventure Golf and Raceway. If you’d like to know more, come see us this summer!

Garden plots are now available at the Clear Creek Valley Park Community Garden located at 58th & Tennyson Streets. The garden should be ready for planting mid-April, weather permitting. Cost is $35 for a 10’x 20’ plot that includes individual water spigots. Additionally, two harvest tables that were constructed by Westminster High School’s Construction and Building Trades Department can be shared as well as composting bins. The area also includes a picnic shelter and a nearby pollinator garden that is being overseen by the Butterfly Pavilion. The hope is that the garden will attract butterflies, bees and other pollinating friends and will add color and beauty to the gardening experience. Interested gardeners should contact Terry Barnhart at 303.650.7609.

SPECIAL OLYMPICS
This international organization offers training programs and competitions year-round to people ages 8 through adult with mental and/or physical disabilities. For more information on participating, coaching, volunteering or contributing, call 303-592-1361.

THE GIFT OF GIVING
