BRADINI MAGIC PRODUCTIONS
Magician Brad “Bradini” Evans can transform ordinary gatherings into extraordinary ones by using a mixture of magic, comedy and special effects. From birthday parties to company functions, Bradini, voted Best Birthday Party Entertainer and Best Local Entertainer, can create a show that will keep kids and/or adults mystified. For birthdays, Bradini features the birthday child and uses lots of comedy and audience participation. “Kid shows involve magic, music and sometimes juggling or puppetry as well as balloon animals and party bags, depending on the ages of the children.” He can float the birthday child in the air and saw him/her in half (magically of course). For adults, Bradini entertains the audience with a 100% clean comedy magic show or illusion show. For schools, Bradini provides educational magic shows. He presents the following shows: 1) “The Magic of Reading” 2) “Be A Winner, Say NO to Drugs” 3) Kids With Character and 4) “Yes I Can Self-Esteem Magic Show.” To schedule Magician Brad “Bradini” Evans or for more information, please call (918) 272-1651. Or you can check out one or more of his website at http://www.Bradini.com or http://www.MotivationalAssemblies.com.

Magicians

BRADINIC MAGIC PRODUCTIONS
Magician Brad “Bradini” Evans can transform ordinary gatherings into extraordinary ones by using a mixture of magic, comedy and special effects. From birthday parties to company functions, Bradini, voted Best Birthday Party Entertainer and Best Local Entertainer, can create a show that will keep kids and/or adults mystified. For birthdays, Bradini features the birthday child and uses lots of comedy and audience participation. “Kid shows involve magic, music and sometimes juggling or puppetry as well as balloon animals and party bags, depending on the ages of the children.” He can float the birthday child in the air and saw him/her in half (magically of course). For adults, Bradini entertains the audience with a 100% clean comedy magic show or illusion show. For schools, Bradini provides educational magic shows. He presents the following shows: 1) “The Magic of Reading” 2) “Be A Winner, Say NO to Drugs” 3) Kids With Character and 4) “Yes I Can Self-Esteem Magic Show.” To schedule Magician Brad “Bradini” Evans or for more information, please call (918) 272-1651. Or you can check out one or more of his website at http://www.Bradini.com or http://www.MotivationalAssemblies.com.

BRADINI MAGIC PRODUCTIONS  
Magician Brad “Bradini” Evans can transform ordinary gatherings into 
extraordinary ones by using a mixture of magic, comedy and special effects.  
From birthday parties to company functions, Bradini, voted Best Birthday 
Party Entertainer and Best Local 
Entertainer, can create a show that will 
keep kids and/or adults mystified. For 
birthdays, Bradini features the birthday 
child and uses lots of comedy and 
audience participation. “Kid shows 
involve magic, music and sometimes 
juggling or puppetry as well as balloon 
animals and party bags, depending on 
the ages of the children.” He can float 
the birthday child in the air and saw 
him/her in half (magically of course). 
For adults, Bradini entertains the 
audience with a 100% clean comedy 
magic show or illusion show. For 
schools, Bradini provides educational 
magic shows. He presents the 
following shows: 1) “The Magic of 
Reading” 2) “Be A Winner, Say NO to 
Drugs” 3) Kids With Character and 4) 
“Yes I Can Self-Esteem Magic Show.”
