33rd Annual
Infectious Diseases Symposium

Friday, April 26, 2013
Omaha Marriott Regency
10220 Regency Circle
Omaha, Neb.

DESIGNED FOR:
• Physicians
• Nurse Practitioners
• Physician Assistants
• Pharmacists
• Nurses
• Laboratory Personnel
• Public Health Professionals
• Fellows
• Residents
• Students
• Other Interested Health Care Providers

SPONSORED BY:
The Sections of Adult and Pediatric Infectious Diseases from the Departments of Internal Medicine and Pediatrics of Creighton University School of Medicine and University of Nebraska Medical Center and Creighton University Health Sciences Continuing Education
Purpose and Objectives

**Purpose** — To provide current information on infectious diseases based on requests from attendees of the 2012 Infectious Diseases Conference.

**Objectives** — At the end of this program, the participants should be able to:
- Cite the incidence of viridans group streptococcal endocarditis following the changes in the 2007 AHA Guidelines
- Describe the changing epidemiology of infective endocarditis
- Explain the medical and surgical management of cardiac device infections
- Discuss the current rate of infectious and non-infectious complications of PICC’s, the causes and possible risk factors associated with these complications
- Recognize the increased incidence of pertussis disease in adolescents and adults
- Discuss how adolescents and adults serve as the major source of disease transmission in the community
- Describe the importance of pertussis containing vaccines in adolescents and adults
- Explain where HIV resides and how a cure can be defined
- Describe the mechanisms of HIV persistence
- Describe factors contributing to the rise of antibiotic resistance and explain the effects on healthcare
- Discuss efforts to help control the development of antibiotic resistance
- State the estimated annual influenza mortality in the U.S.
- List four approaches to mitigating the impact of influenza
- Name the influenza control measure identified by the CDC as most effective

Registration

Program Registration Fees

$55 (does not include CME credit)
$80 (includes CME credit)

You will be able to indicate if you want CME credit through the online registration.

$12 pasta lunch buffet (includes a vegetarian option). Please indicate on the online registration form if you want to purchase the lunch buffet.

Handout Options: Please be advised that handout materials for this conference will not be included in the registration fee and will not be distributed as paper copies, but rather, made available online ahead of time (to the best extent possible). Participants can download and print the presentations prior to the conference or follow along on their own laptop during the conference.

- A link will be sent by email a week prior to the Conference to download and print the handouts needed before the event.
- For those needing a traditional handout, they will be available by pre-order at a cost of $8. Please pre-order your handout by April 12, 2013. No additional handouts will be available to purchase the day of the conference.

Please note if you require special accommodations (dietary, mobility, hearing, etc) for the meeting enter them through the online registration.

Please register by April 21, 2013

In the unlikely event this program is canceled, you will be notified by phone.

Walk-ins are welcome, however seating or conference materials cannot be guaranteed. If registration/handout fee is being paid by check in advance, please make check out to Creighton University and mail to:
