“How can you say there are too many children? That is like saying there are too many flowers.”

Mother Teresa
CHRISTMAS SEASON: I hope that Advent, Christmas and the Christmas season were enjoyable and spiritually enriching for you and your families. If we have truly tried to live the spirit of Advent and Christmas and tried to resist the commercialization of Christmas, then we will have a better understanding and appreciation of the Incarnation and birth of Jesus at Bethlehem! There would be no hope for anyone who dies unless Jesus was who He claimed to be, the Son of God! We have heard that account of the birth of Jesus many times and perhaps we have not reflected enough on how important it should be to us. That Jesus, the Second Person of the Trinity, would take on our human nature, become one of us, born in the poverty of a stable, live among us, teaching, healing, forgiving sins, and suffering and dying on the cross to save us from our sins is incredible! We will never fully understand or appreciate how much God loves us, but we should meditate on that mystery daily, especially during the Christmas season!

According to the Catholic Church tradition, the Christmas season lasts through the solemnity of the Baptism of the Lord. During the week between Christmas and New Year’s Day, there are some important Masses.

The memorial Mass for St. Stephen, the deacon, who was the first martyr of the Church is celebrated on Dec 26th. Many Christians now, especially in the Middle East, are being killed for their religion!

The memorial for St. John the Apostle and Evangelist is Dec. 27th. His gospel is the last gospel to be written. It soars like an eagle, which is the symbol of St. John. He is believed to also be the author of the book of Revelation. We need to study and pray the bible each day. Be able to explain our Catholic interpretation of the bible.

In our time, when a million of innocent preborn babies are murdered by abortion each year, we should pray hard each day and especially at the Mass for the Holy Innocents on Dec. 28.

The feast of the Holy Family of Jesus, Mary and Joseph is celebrated on Dec. 30th. The family, as the basic unity of society is being attacked by secular, immoral forces. Same sex marriages, easy divorce, not taking marriage seriously, abortion, contraception, adultery, fornication, pornography, decline of the importance of religion in our lives. When the family unit collapses, so will society, with devastating results!

We begin the New Year by celebrating the solemnity of Mary, the Mother of God! For much of the world, New Year’s Eve is a time to drink too much, eat too much, and commit sins. We are called to honor Mary and ask her intercession to face the many problem of our world! In her apparitions, Mary has always encouraged praying the rosary for help! The following Sunday is the Solemnity of the Epiphany. This is an important celebration in the Catholic Church! In the Eastern Catholic and the Eastern Orthodox churches, this day ranks just after Easter and before Christmas in order of importance! The main focus of this Mass is that Jesus came to save all people, Jews and Gentiles. All the disciples of Jesus should be "zealous in wanting to share the Good News about Jesus!

May the Lord Jesus bless all the Knights and their families and their good work during the New Year!

On Saturday December 6th 2014, Roseville Knights of Columbus held its annual Christmas Party at Rose Vine Hall in the lower level of Grumpy’s restaurant in Roseville MN. A great dinner was served preceded by a Social hour with music and dancing by the Cruisers following dinner. Thanks to Co-Chairs Phil Ricker, Rich Hoag and Steve Schuster for organizing a wonderful event.
My fellow Knights, as we have just enjoyed the annual Christmas party, my hope is that all of you who were not able to attend, will have an event likened to it to enjoy and put the Blessing on the Christmas season.

As we close out the calendar year, we can look back on many positives, but also a very significant negative – the resignation of Father Kenneth Ludescher, which signals the end of an era. Pray that we have success in finding a new Chaplin.

I wish you a blessed Christmas and prosperous New Year.
