IN THE MATTER OF AWARDING
BIDS FOR THE PURCHASE OF
SUPPLIES AND SERVICES FOR
ALL DEPARTMENTS OF
FRANKLIN COUNTY

WHEREAS, Section 50.760 RSMo requires that all non-charter, first class counties which do not employ a purchasing agent, must annually prepare estimates of all supplies and services which are to be needed by the County during the ensuing year and in March of each year cause requests for bids for supplies and services as such terms are defined by Missouri law, to be published; and

WHEREAS, after bids have been received as a result of such request it shall be the responsibility of the County Commission to award such bids as are the lowest and most responsive to the needs of Franklin County; and

WHEREAS, in accordance with Missouri law Franklin County caused estimates of all needed supplies and services to be compiled and advertisements for bids to be published; and

WHEREAS, in response to the request for bid Franklin County received numerous bids from vendors which have now been analyzed by the Franklin County Commission and the affected departments; and

WHEREAS, although numerous bids were received from various qualified vendors, Franklin County reserves the right to purchase supplies and services from State authorized contracts, approved cooperative purchasing agreements, and single source providers in accordance with Section 50.783 RSMo; and

WHEREAS, Franklin County further acknowledges that the obligation to submit the purchase of goods and services to competitive bidding does not apply to confirmed emergency purchases or to contracting for professional services; and

WHEREAS, it is further acknowledged that because of the size of Franklin County, the fact that it is necessary to have available multiple vendors to prevent the business of Franklin County from being halted in the event a single vendor is out of given commodities, it is the decision of the Franklin County Commission to award in many cases the bid to supply goods and/or services to multiple vendors.

IT IS THEREFORE ORDERED by the Franklin County Commission that the bids per category of supplies or services are awarded to the various bidders as reflected on the Approved Vendor List which is attached hereto and is incorporated by reference herein.

IT IS FURTHER ORDERED that the approved of the Vendor's List shall be effective from and after April 2, 2016 through and including April 2017.

IT IS FURTHER ORDERED that each elected official and department head shall make reasonable efforts to compare the cost and service of supplies when deciding whether to purchase supplies from either the Approved Vendors List or utilize a State contract or a cooperative purchasing agreement.
IT IS FURTHER ORDERED that Larry Sikes, IT Director, shall cause a copy of this Order along with a copy of the Approved Vendor List be posted on the Franklin County website.

IT IS FURTHER ORDERED that each approved vendor be provided with a copy of this Order along with an excerpt of the Approved Vendors List which illustrates for which category of supply or service the vendor has been approved.

IT IS FURTHER ORDERED that a copy of this Order along with the Approved Vendors List be provided to each elected official and department head.
