The Northern Kentucky Solid Waste Management Area consists of Boone, Kenton, and Campbell Counties.

**LITTER ABATEMENT & SPECIAL EVENTS**

Litter is an unhealthy, harmful and intolerable blight. It affects our quality of life, and it creates a negative impression of our community. It also pollutes our land and water and is detrimental to wildlife. Litter is also expensive to remove—Kentucky spends millions of dollars every year cleaning up roadways.

_Littering is illegal!!_

Throughout the year, Northern Kentucky hosts litter clean ups and abatement programs to combat litter. If you would like to learn more about how to get involved and stop litter in your community, call your local Solid Waste Coordinator or the NKSWMA Coordinator. We would love to plan a community litter cleanup for your neighborhood or business. Join us for our Spring & Fall cleanups as well as Commonwealth Cleanup Week, River Sweep and the Great American Cleanup.

_Northern Kentucky is OUR home—help us keep it clean!_

**EDUCATION**

Your Solid Waste Coordinators have a wealth of information to share with you. They are available to give presentations to schools, civic groups, churches, camps ... anyone. We can discuss any subject related to solid waste management, such as recycling, waste reduction, household hazardous waste, litter and more. If you are interested in these programs, wish to schedule a presentation or need more information, just give us a call or an email.

The NKSWMA and this Resource Guide do not seek to endorse or promote any company. The listings are provided as a service to inform the public of proper disposal and recycling options. Anyone with suggestions, additions or corrections of options **offered to the public** is invited to **call NKSWMA at 334-3629**.

- **Verona Fire Dept**
- **Walton Fire Dept.**
Vehicles:
Call the following businesses to set up free removal and recycling of junk vehicles:

- Boone County Auto & Truck Salvage 384-1164
- Union Auto Parts 384-3381
- Walton Recycling 363-8300
- Webster’s General Contracting 393-4890

**USED Motor Oil & Oil Filters**

Used motor oil from home oil changes must be taken to a facility that can dispose of it properly. Both Boone (334-5600) and Kenton Counties’ (392-1920) Public Works Departments accept up to five gallons of used motor oil from private residents. Most instant oil change businesses accept used oil as well, but be sure to call ahead before bringing your oil as there may be restrictions.

**Boone Co. Public Works Now Accepts old filters. These are recyclable.**

These are the companies that offer disposal service. For information about construction/demolition debris container service, please consult the phone directory.

GETTING GARBAGE SERVICE

FIRST, if you live in a subdivision or planned neighborhood, find out if there is a Homeowners Association for your community. Often, the HOA contracts trash service for the neighborhood. Cities usually manage garbage service for incorporated areas.

SECOND, if you don’t have a Homeowners Association, contact your city. Third, if you live in an unincorporated region and not in a city, you are free to contract waste removal with any hauler that you prefer. Check the list at left for hauler information.

Report a Garbage Dump:
If you see a garbage pile on someone’s property, you can call the Kentucky Division of Waste Management’s Illegal Dumping Hotline at 1-888-NO DUMPS or your Solid Waste Coordinator.
You can also anonymously visit www.boonecountyky.org/bcswm to report. If you actually see someone in the act of dumping, CALL 911. Dumping is a Class D felony, so please speak up!

HOUSEHOLD HAZARDOUS WASTE

Household hazardous waste (HHW) is the group of chemicals and other substances that are commonly found in many homes but require special attention when being discarded. Please keep in mind that the best way to get rid of these materials is to use them up and use them for their intended purposes.

Antifreeze
Antifreeze can be taken to Kenton County Public Works in Independence (859-392-1920) which is open to any Northern Kentucky resident with a 5 gallon limit.

Batteries 1-877-2-Recycle
Auto batteries are accepted by most stores that sell them and Boone County Public Works Department will accept them as well.
Rechargeable batteries can be dropped-off at the following sites:
1. Boone County Public Works
2. Campbell County Fiscal Court
3. Kenton County Public Works
4. Covington City Building
5. City of Florence Public Services
6. Independence City Building
7. Walton City Building
8. Union City Building

Fire Extinguishers:
For Safe disposal, spray any remaining material out of the extinguisher and into a garbage bag. Once the container is empty, mark up with your household trash.

Environmental Disposal Companies

Safe and legal disposal of any hazardous materials for a small fee:
(EE1) Environmental Enterprises, Inc. (513) 541-1823 or 513-772-2818
Emergency Response 1-800-392-1503 4650 Spring Grove Ave. Cincinnati, OH

Cleanlites Recycling (513) 641-4155
They accept All Lights (fluorescents carry a small fee), Ballasts, all electronics, monitors, mercury devices, thermostats, smoke detectors, aerosol cans, and latex paint.

If you have any questions about disposal please feel free to call your local Solid Waste Coordinator, the NKSWMA Coordinator or the Northern Kentucky Household Hazardous Waste Action Coalition at 578-6744.
Check out the Coalition’s website at www.nkyhhw.org. All three NKY counties are members of the Coalition.
**HOUSEHOLD HAZARDOUS WASTE**
