Mother’s Day Offering

Give a gift as precious as
a Mother’s love.

I am pleased to announce Rev. Willie Beasley will join Magnolia Manor’s Senior Leadership team as Senior Vice President for Church Relations and Development. This position is currently held by Rev. Robert Beckum who will be leaving Magnolia Manor to fill the Senior Pastor role at St. Luke UMC in Columbus.

Currently, Rev. Beasley serves as Senior Pastor at Park Avenue Methodist Church in Valdosta, Georgia. Bishop King and I agree this is a good fit for Magnolia Manor and for Rev. Beasley. The Bishop will appoint Rev. Beasley to this position through the conference appointments currently taking place. Rev. Beasley will officially make the transition in June when all conference appointment moves take place.

Rev. Beasley is originally from Dublin, Georgia and holds a Master’s of Divinity from Asbury Theological Seminary. He has served as pastor of United Methodist Churches across South Georgia including congregations in Uvalda, Folkston, Springfield, Blakeley, Cordele, Tifton and, currently of course, Park Avenue in Valdosta. In addition, he served for four years as the Superintendent of the Waycross District. He and his wife, Jacki, have two sons, Brett and Ryan. In his spare time Rev. Beasley enjoys hunting, fishing, playing golf and softball.

I know you will join me in welcoming Rev. Beasley to Magnolia Manor. He assumes his responsibilities at Magnolia Manor on June 15.

I ask you to pray for Rev. Beasley and his family as they prepare to make this transition and continue to keep the ministry of Magnolia Manor in your prayers as we work to meet the needs of seniors in South Georgia.

This Mother’s Day, Magnolia Manor invites you to give a gift of love in Honor or in Memory of your mother or someone else special in your life. Through the years, loved ones have nourished our lives. Now is the opportunity for us to nourish their lives and the lives of others like them.

With a donation to the League of the Good Samaritan, you can give unconditional love to a senior adult at Magnolia Manor who is unable to fully pay for the cost of lodging and medical attention.

In forty-seven years of caring, no senior adult has ever had to leave the care of Magnolia Manor due to their inability to pay. The League of the Good Samaritan allows us to continue this legacy of love and compassion. But the costs of care are rising, and the list of those needing help is growing.

The security felt by many older adults is quickly waning. For some the security of a retirement income is only a memory. The League of the Good Samaritan is a blanket of security for many of our residents. Gifts to The League assure our most vulnerable residents of the attentive care they so desperately need and the love they so much deserve. These are honorable seniors upon whom others have depended through the years. Now they are depending on us—our concern, our compassion, our generosity.

Your donation, however great or small, will enrich the lives of some of God’s most precious saints. Your faithful support of the League of the Good Samaritan is the heart of Magnolia Manor. Please give generously this Mother’s Day.

If you wish, you can donate to Magnolia Manor through our secure website by following three easy steps:
1-Go to www.magnoliamanor.com • 2-Click on Giving. • 3-Click on Make a Gift.

Thank you for your gifts of love and support!
The Junior Service League of Americus hosted a Valentine’s Party for the residents of Magnolia Manor. The tables were decorated beautifully and delicious refreshments were served. Guests were serenaded with love songs by The Magnolia Manor Men’s Chorus under the leadership of Rev. Bill Dupree.

Residents Marie and Sonny Manry enjoyed the sing-a-long.

Chaplain Dennis Stalvey sang a comical solo that was received with laughter and applause!

Valentine’s Day Concert in St. Marys

The St. Marys’ handbell choir, affectionally know as “The Ding-a-ling’s,” gave a Valentine’s Day Concert of love songs that really added “heart” to one resident’s day and was enjoyed by everyone who attended. Residents played games and had tea sandwiches and sweets for refreshments.

There was “sweet” competition at Magnolia Manor in Buena Vista during the month of February. Ballots and boxes were placed at both nurses’ stations, and residents, family members, visitors and staff cast their votes for Valentine’s Day King and Queen. This year’s King was Tyron Thornton and the Queen was Jerrilene Durham.

They were crowned at the Valentine’s Day Party which was held on the afternoon of February 14th. That evening, all residents were invited to the special candlelight dinner and they were served “restaurant style” by the staff.

This year’s menu was Shrimp Cocktail, Breast of Chicken with Special Sauce, Squash Casserole, Green Beans, Twice Baked Potatoes and Rolls. They had Red Velvet Cake for dessert and Sparkling Grape Juice with a Strawberry in it to drink. At the close of this year’s dinner the King sang a song to his Queen that brought everyone to tears and ended the evening on a nice “note.”
NEW LOCATION for NURSING HOME CHAPEL

The chapel at the Americus Magnolia Manor Nursing Center has a new location. It is located between the Mattie Marshall Center and Unit 4 in a former conference room. Mr. Hill Fort, Senior Vice-President for Operations chose this new location with intentionality, incorporated with some other room changes.

This new location offers more privacy with fewer distractions. The new chapel is very inviting and provides an atmosphere of solitude for meditation, prayer, and reflection. It is open and available for those who desire a quiet place for spiritual matters.

When visitors enter the chapel they will see a painting entitled Christ Praying in the Garden. Two things make this painting unique. The first is that most art portrays Jesus praying in the garden from a side profile. This painting’s viewpoint is from the front and depicts a prayerful Christ, hands clasped, with head bowed.

The second interesting note is this artwork was painted by the mother of one of our residents, retired United Methodist minister, Rev. Raymond Wilder. Ray’s mother, Mrs. Marie K. Wilder, was also a resident of our Americus Nursing Center until her death. After Marie painted the picture it was shared with several members of the family and displayed in various clergy parsonages. A plaque with Marie’s photo and a full explanation of the painting accompanies the art. It adorns our chapel wall and invites those who visit to be in an attitude of prayer. We hope residents, staff, and family members will visit and utilize the chapel facility.
Mrs. Lola Stubbs has been a resident of Magnolia Manor in Moultrie for 12 years. Mrs. Stubbs served as the editor of the Magnolia Messenger Newsletter for over 10 years and has been responsible for many projects on the Moultrie campus. She is also an active member of the Advisory Board. Campus Administrator, Teresa Newell says, “Mrs. Stubbs has helped me in every way possible. We will miss her dearly.”

Mrs. Stubbs is a retired business education teacher and is moving to Carrollton, Georgia to be closer to her family. She will be greatly missed by staff and residents alike.

It is with grateful appreciation for his many years of service that the Magnolia Manor family remembers Mr. Bob Reinhardt who served as a Trustee from April, 1997 until his death on February 20, 2011.

Bob was a graduate of UGA and in 1952 became a Founding Partner of the Tifton law firm of Reinhardt, Whitley, Summervin and Pittman. He practiced as Senior Partner of that firm for 59 years.

As an active member of the First United Methodist Church of Tifton, Bob served in many capacities through the years. He was Chairman of the Administrative Board, a member of the Finance Committee, and delegate to the South Georgia Conference.

He is survived by his childhood sweetheart and wife of 61 years, Mary John Rodgers Reinhardt; three sons, Rob (Susan), John (Kathy) and Bill (Lisa) Reinhardt; eight grandchildren, Maree, George, John Paul, Elizabeth, Sam, Will, Charlie and Georgia Reinhardt; one sister, Janette Reinhardt Phelps, and one brother, William D. Reinhardt (Betsy). He was preceded in death by his parents and one sister, Rosemary Reinhardt Bickley.
Magnolia Manor Residents in Columbus really look forward to the second and third Fridays of every month. That’s when a group of volunteers called The Gem Line Dancers come for a visit. Their performances are always well received and the residents enjoy watching them dance. But the best part is after the performances when they invite the resident to join in.

As you can see from these pictures, they are happy to participate and do so with ‘gusto’!

One staff member comments, “Music is so therapeutic and the residents come alive when the music begins.”

Music is so therapeutic and the residents come alive when the music begins!
Columbus Campus celebrates with beads, balloons and masks for everyone. Staff members joined in the fun with a “parade” of service carts that were decorated as “floats”.

Residents of Magnolia Manor in St. Marys have their hats on and their chairs set up! They are ready for the Mardi Gras parade in downtown St. Marys.

In March, St. Marys’ residents boarded the “USS Magnolia Manor” for a week-long Cruise. Everyday of the week included special ship-board activities.

Monday was Casino Day complete with a roulette table, black jack, games of Mexican train, and special snacks and drinks provided for all the players.

On Tuesday passengers enjoyed a fun day at sea. Throughout the day there were art classes and exercise classes each hour... something for everyone.

On Wednesday they cruised the buffet table from 9:30 a.m.– 4:00 p.m. with hors d’oeuvres available all day long. Food selections were changed on the hour and everyone loved the variety!

For Thursday’s activity, shipmates made towel animals and learned to fold napkins in fancy shapes, followed by an amazing dinner in the “USS Magnolia Manor” dining room. Diners were treated to an ice sculpture, great food and wonderful music. Ship’s photos were taken of all the guests that evening. Friday featured a cruise contest called the “Battle of the Sexes.” Passengers competed to see who knew the most about the opposite sex resulting in lots of laughter!

And Friday night ended the week with a 30-minute video of an Alaskan Cruise, compliments of the local travel agency. Everyone agreed it was a great week of events “aboard ship!”

Spring has come to Macon and the
Campus of Magnolia Manor is beautiful.
Resident Marion Jones has written a
poem about this special time of year and
would like to share it with our readers.

Can you imagine how it would be
if trees with only green leaves were all you could see?

But no, pink flowers are all over
and from the sky it looks like beds of clover.

Mailboxes are pink, pink flowers on the doors,
in some cafeterias, pink flowers on the floors.

Grandmas clogging and competing as twins,
even babies competing, all showing their grins.

Dog Shows and Goat Shows for which is the best
some of them just lying, getting daytime rest.

Vendors selling their products to make your hair twinkle,
while grandmas are selling creams to get out their wrinkles.

So just come to Macon and join in the fun,
people from everywhere come and enjoy the sun
that shines in the South for most of the day.
By bedtime you’ll feel so good, you’ll want to stay!
