Our vision

We inspire individuals and organisations to work more effectively and efficiently, and create greater choice in the domain of work, for the benefit of all concerned. Our business has a positive impact on millions of people every day. Helping people to “better work, better life” is our common purpose and the way in which we contribute to society. This is what we do, this is what we know about, this is what we care about, this is what we are all about.

Our global reach
We help around 700,000 people find work every day through our network of more than 33,000 full-time employees and around 5,100 branches in 60 countries and territories around the world.

The Adecco Group is the world’s leading provider of HR solutions. Our services and solutions fall into the broad categories of temporary staffing, permanent placement, career transition and talent development as well as outsourcing and consulting.
Our strategy
The strategy of the Adecco Group is to be alongside each phase in the life cycle of our clients and candidates/associates.
Our services & solutions
How HR services companies benefit labour markets

We maintain a constant dialogue with clients and workers as well as with societal, governmental and business stakeholders to create more and better work opportunities for individuals worldwide.

**Economies** As an HR services company, we turn available work into jobs and thereby support economic growth.

**Individuals** For individuals, we offer legally recognised and regulated work opportunities, facilitate on-the-job training and enhance occupational and geographic mobility.

**Enterprises** We provide companies with flexible HR solutions to help them weather peaks and troughs in demand, thereby maintaining and increasing their competitiveness.

Business Process Outsourcing Solutions

Our activities

Managed Service Programmes (MSP) / Vendor Management System (VMS)

Clients increasingly ask Adecco to manage all parts of their contingent workforce through our Managed Service Programmes.

• We can offer programme management, reporting and tracking, supplier selection and management, order distribution and even consolidated billing.

• Clients can also keep the management of their contingent and freelance workforce in-house by using our Beeline market-leading Vendor Management System. The VMS solution automates the process of acquiring and managing contingent and freelance labour time, expense and consolidated invoicing.

Recruitment Process Outsourcing (RPO)

For companies looking to outsource their recruitment process for permanent employees, we work with them to provide the flexible Recruitment Process Outsourcing solution best suited to their needs.

• Our solutions include: Candidate sourcing, screening and assessment, Recruitment administration, Market expansions, cyclical and part-time hiring, On-boarding and offer management.
