- Chronic Health Needs
- Injuries

New Nurse
July 13-14, 2015

General Session
July 14-16, 2015

Post Sessions
July 16-17, 2015

Hyatt Regency Wichita
Major Sponsors
Kansas Department of Health and Environment
Kansas Optometric Association
Kansas School Nurse Organization
Sanofi Pasteur
Wichita State University

Conference Planning Committee*
Mary Ann Bauman, USD 461, Neodesha
Katrina Benyshek, USD 214, Ulysses
Jennifer Church, Kansas Department of Health and Environment
Sue Holmes, Salina
Jill Ladd, Kansas State Department of Education
Debra Pile, WSU School of Nursing, Wichita
Cindy Poteete, USD 259, Wichita
Valerie Rainman, USD 457, Garden City
Shelby Rebeck, USD 512, Shawnee Mission
Beth Rohling, Clearwater
Wanda Vaughn, Johnson & Johnson Fellow
Annie Wallace, The Kansas School for the Deaf

*Conference Planning Committee members receive one-half off the general conference registration fee.

Keynote Presentations/Featured Speakers

Tuesday, July 14 1:30 - 3:00 p.m.
“8 to Great: The Powerful Process for Positive Change”

Amy Hagen, LMSW; Children’s Alliance of Kansas, Topeka

Kathy Stapp, LBSW, Children’s Alliance of Kansas, Topeka

8 to Great is a simple process with powerful results. This presentation will guide participants to explore the easy-to-implement, 8-step process to increase engagement, morale and job satisfaction.

Certified Power Coaches, Kathy Stapp and Amy Hagen, provide an entertaining, informative and inspirational keynote that will help participants discover:

- A powerful process for getting in touch with goals and dreams.
- A guaranteed positive attitude formula that is simple to live and teach.
- A decision-making formula to help make the right decisions every time.
- A one-minute process for using imagination to achieve goals more quickly.
- A forgiveness formula for releasing past hurts and mistakes.
- A communication skill that breaks through negative patterns such as defensiveness.
- A process for dealing with strong emotions such as depression and rage.
- A one-minute gratitude exercise that helps every day start out right.

Wednesday, July 15 8:30 - 10:30 a.m.
“Safety and Security in a School Setting”

Ron Brown, Director of School Safety and Chief of School Police, USD 501, Topeka

This keynote presentation will provide information on how police and emergency services respond to major incidents at the school. This presentation will address school preparation, school staff response and what information will be needed by police once they arrive on the scene.

Wednesday, July 15 1:30 - 3:00 p.m.
“Here, There, and Everywhere: Infectious Diseases in an Interconnected World”

D. Charles Hunt, MPH, State Epidemiologist and Director, Bureau of Epidemiology and Public Health Informatics, Kansas Department of Health and Environment

This presentation will focus on infectious disease threats around the world and potential implications at home. The roles and responsibilities of the state, local public health department, the school nurse regarding surveillance, prevention, and control will be discussed.
Thursday, July 16     8:30 - 10:00 a.m.

“Oops.....Your Attitude is Showing”

William L. “Pete” Rearden,
Pete Rearden Speaks

“Oops.....Your Attitude is Showing” is a delightful journey through several topics explaining how Attitudes affect every part of our lives: Home, Family, Career, Relationships, and Life. A humorous yet thought provoking plan that allows Attitudes to work in our lives with positive changes and direction for improvement. By weaving anecdotes, humor and real life examples, Pete presents a fast-paced, uplifting, and challenging program designed specifically for school nurses. Topics covered include: Right Thinking, Goal Setting, Praise & Appreciation, Team Work, Leadership, and Enthusiasm.

Thursday, July 16     10:30 a.m. - 12:00 p.m.

“The TODAY Pledge”

Riney Jordan, MEd, President,
The Riney Jordan Company

“The TODAY Pledge,” is guaranteed to encourage anyone who works to make a difference in their students. In your role as a school nurse, you have opportunities every day to impact the life of another individual. You’ll laugh, cry, and re-discover the joy that can come from working to improve the health and well-being of the students you serve. You will be given a three-part “job description” that defines your role in the challenging work that you have chosen. Filled with humorous and touching stories, the speaker promises that “you may not remember everything I say, but you’ll never forget how I made you feel.”

Special Events / Activities

Tuesday, July 14,  5:45 - 9:20 p.m.

Evening at Old Cowtown Museum and the Keeper of the Plains

Step back in time as we spend the evening immersed in the history of the Old West. We will start our adventure at Old Cowtown Museum. Cowtown was established in 1952 and is one of the oldest open air history museums in the Midwest. There are 54 different historical buildings located on the grounds and the artifact collection has more than 10,000 authentic objects from 1865 - 1880. A buffet dinner is included and will be served in the air-conditioned Visitor Center. After dinner we will have the opportunity to explore Cowtown with a historical interpreter. Be sure and wear comfortable walking shoes!

The evening will conclude with a visit to the Keeper of the Plains, which stands at the confluence of the Big and Little Arkansas rivers. The Keeper is a tribute to the Native American tribes who continue to gather at this sacred site. The 44-foot sculpture stands elevated on a 30-foot rock promontory, surrounded by a plaza which describes the Plains Indian way of life. Fire drums on boulders at the foot of the Keeper dramatically light the night. Plantings of sage, bottlebrush, medicinal herbs, prairie grasses, yuccas and cactus add to the sense of place and time.

The fee for the entire evening is $30.00 per person and includes transportation, admission and guided tour of Old Cowtown Museum, buffet dinner and a visit to the Keeper of the Plains.

(Optional Event - Pre-registration Required)

Conference Agenda

Monday, July 13

Day 1 of New School Nurse Orientation

7:30 a.m.  Registration and Continental Breakfast
8:00 a.m.  Welcome and Overview of New School Nurse Orientation
  Presenter: Chris Tuck, MS, RN, BSN, NCSN, Director of Health Services, USD 345, Seaman Public Schools, Topeka

8:15 a.m.  School Nursing Practice and School Health
  Presenter: Katrina Benyshek, BSN, RN, NCSN - School Nurse, USD 214, Ulysses Public Schools, Kansas School Nurse Organization President

9:15 a.m.  Kansas Statutes, Regulations, Policies and Procedures: Setting Parameters for School Nursing Practice
  Presenter: Cindy Galemore, MSEd, RN, BSN, NCSN - Director of Health Services, USD 233, Olathe Public Schools

9:45 a.m.  Break

10:15 a.m. Kansas Statutes & Regulations, continued

10:45 a.m. Disease Surveillance and Reporting: The Role of the School Nurse
  Presenter: Sheri Tubach, MPH, Senior Epidemiologist, Bureau of Epidemiology and Public Health Informatics, Kansas Department of Health and Environment

11:35 a.m. Immunizations - The Role of the School Nurse
  Presenter: Patti Kracht, RN, Education / AFIX Manager, Immunization Program, Kansas Department of Health and Environment

12:30 p.m. Lunch Provided
1:30 p.m.  Delegation - The Role of the School Nurse
  Presenter: Kathy J. Hubka, BSN, RN, NCSN, Coordinator of Health Services, USD 259, Wichita Public Schools

2:30 p.m.  School Nursing Planning & Management - “A Walk Through the School Year”
  Presenter: Tammy Jo Schmidt, RN, USD 239, Minneapolis Public Schools

3:15 p.m.  Break

3:30 p.m.  School Nursing Planning & Management, continued

4:30 p.m.  Questions and Answers

5:00 p.m. Adjourn

Wednesday, July 15  6:30 - 8:30 pm

“The Importance of Immunizing Adolescents.”
(sponsored by Sanofi Pasteur)

Location: Scotch and Sirloin, 5325 E. Kellogg Drive, Wichita, KS 67218

Sanofi Pasteur will be sponsoring a complimentary dinner and presentation entitled “The Importance of Immunizing Adolescents.” Presenter: Steve Elliott, MD, Blank Children’s Pediatric Clinic / UnityPoint Health - Des Moines, Iowa

Dr. Elliott will review vaccine options, examine vaccine prevention strategies and discuss recent trends of infectious disease and epidemiology in the US. New recommendations for the immunization of adolescents will also be discussed. There is no cost to attend the dinner and presentation, however pre-registration is required. Please pre-register by selecting this event on the conference registration form.

Transportation is not provided. Please pre-register by selecting this event on the registration form.
Monday, July 13

Optional Pre-Session

CPR Recertification - Session I

Renee Button, LPN, Wichita;  
Linda Stevens, RN, USD 259, Wichita

3:00 p.m. Session Begins
5:00 p.m. Session Ends

Tuesday, July 14

Day 2 of New School Nurse Orientation

7:30 a.m. Continental Breakfast
8:00 a.m. Welcome and Overview of Day 2 of the School Nurse Orientation
Presenter: Chris Tuck
8:05 a.m. Laws that Define and Guide School Nurse Practice
Presenter: Annie Wallace, BSN, RN, Nurse Manager, Kansas School for the Deaf
9:45 a.m. Break
10:15 a.m. All-Hazards / Emergency Preparedness: Healthy and Safe Schools
Presenter: Chris Tuck
11:15 a.m. Questions and Answers
New Nurse Orientation Day 2 Presenters
11:30 a.m. Evaluations and Adjourn

Wednesday, July 15

Day 2 of General Session

7:30 a.m. Breakfast Buffet
8:00 a.m. Exhibits Open
8:30 a.m. Keynote Presentation
10:00 a.m. Break
10:30 a.m. Concurrent Breakout Sessions
12:00 p.m. Exhibits End - Lunch and KSNO General Membership Meeting
1:30 p.m. Keynote Presentation
3:00 p.m. Break

5:00 p.m. Adjourn

Wednesday, July 15

6:30 p.m. Optional Dinner and Presentation at Scotch and Sirloin (Sponsored by Sanofi Pasteur)

Optional Session

CPR Recertification - Session II

7:00 p.m. Session Begins
9:00 p.m. Session Ends

Thursday, July 16

Day 3 and Final Day of General Session

7:30 a.m. Breakfast Buffet
8:30 a.m. Keynote Presentation
10:00 a.m. Break
10:30 a.m. Keynote Presentation
12:00 p.m. Evaluation and Adjourn
12:00 p.m. Conference Planning Committee Meeting
Thursday, July 16

Optional Post-Conference Sessions

CPR Recertification - Session III
12:45 p.m. Sign-in Begins (lunch is not provided)
1:00 p.m. Session Begins
3:00 p.m. Session Adjourns

Vision Screening and Assessment
12:00 p.m. Sign-in and Lunch (provided)
12:30 p.m. Session Begins, Mae Claxton, RN, Kansas State School for the Blind
4:30 p.m. Session Adjourns

Cracking the Code: Understanding Different Motives of those Who Batter, and the Connection to Risk and Lethality
12:00 p.m. Sign-in and Lunch (provided)
12:30 p.m. Session Begins, Dorthy Stucky Halley, LMSW; Michelle McCormick, LMSW, Victim Services Division, Office of Kansas Attorney General Derek Schmidt
4:30 p.m. Session Adjourns

Youth Mental Health First Aid
12:00 p.m. Sign-in and Lunch (provided)
12:30 p.m. Session Begins, Ken Loos, MS, LMLP, LCP, Manager; Community Prevention, Education and Outreach, MHFA Coordinator, High Plains MHC
4:30 p.m. Session Adjourns

Friday, July 17

Youth Mental Health First Aid (continued)
7:30 a.m. Sign-in and Continental Breakfast (provided)
8:00 a.m. Session Begins
12:00 p.m. Session Adjourns

Session Descriptions

New School Nurse Orientation.

“Concepts in Planning and Management”

The New School Nurse Orientation provides a comprehensive overview of policies and procedures in school health. The sessions bring together a faculty of seasoned school nurses and other state experts who share their knowledge and expertise in areas such as communicable disease, immunizations, special health care needs, procedures and interventions, medication administration and emergency planning and response, all founded on evidence-based practice. In addition, speakers discuss the importance of school health as an essential component of the academic curriculum and its importance in student achievement. As a participant you will acquire information about your role and legal responsibilities as they pertain to the Kansas Nurse Practice Act as well as the Scope and Standards of School Nurse Practice. All nurses (RN and LPN) who provide services in any school setting are invited to attend this session, scheduled for Monday, July 13 (8:00 a.m. - 5:00 p.m.) and Tuesday morning, July 14 (8:00 a.m. - 11:30 a.m.)

General Conference.

“A Day in the Life of a School Nurse”

School nurses provide health services seamlessly within educational settings. This conference will provide information to enhance the school nurses ability to affect change in their school community and within themselves. Additionally, knowledge about mental and physical health issues will be presented.

CPR Recertification.
Instructors: Renee Button, LPN, Wichita; Linda Stevens, RN, USD 259, Wichita
American Heart Association (AHA) CPR recertification will be offered. Those attending the recertification will receive adult, child, and infant CPR training for health care providers with obstructed airway and AED use. Each session will be limited to 20 participants, so register early.

* Session I is scheduled on Monday, July 13 from 3:00 - 5:00 p.m. If you are attending the New School Nurse Session do not register for this session.
* Session II is scheduled on Wednesday, July 15 from 7:00 - 9:00 p.m.
* Session III is scheduled on Thursday, July 16 from 1:00 - 3:00 p.m.

The cost is $40.00 and is for recertification only. Lunch is available for pre-purchase on Thursday.
Vision Certification - (4.8 contact hours)
Vision certification will be held on Thursday, July 16. Pre-registration is required as class size is limited to 30 participants. Check-in/Lunch will be at 12:00 p.m. The session will start at 12:30 and end at 4:30 p.m. Prior to June 15, the cost of the session is $70.00, including lunch. After June 15, the cost increases to $80.00.

Cracking the Code: Understanding Different Motives of those Who Batter, and the Connection to Risk and Lethality - (4.8 contact hours)
This post session will be held on Thursday, July 16. Pre-registration is required. Participants will learn the different motives that drive the violence in those who batter. Understanding both differences and similarities among those who perpetrate domestic violence improves our ability to both prevent and intervene effectively with their partner, their children and with those who batter. Participants will be able to connect the different motives with different risks for recidivism and lethality. Check-in/Lunch will be at 12:00 p.m. The session will start at 12:30 and end at 4:30 p.m. Prior to June 15, the cost of the session is $70.00, including lunch. After June 15, the cost increases to $80.00.

Youth Mental Health First Aid - (9.6 contact hours)
This is an eight-hour post session which will be held on Thursday, July 16 (12:30 - 4:30 p.m.) and continue on Friday, July 17 (8:00 a.m. - Noon). Pre-registration is required. Youth Mental Health First Aid (YMHFA) is an evidence-based, public education program. This program introduces participants to the unique risk factors and warning signs of mental health problems in adolescents. It builds an understanding of the importance of early intervention, and teaches individuals how to help adolescents in crisis or those experiencing a variety of mental health challenges. The mental health issues discussed include anxiety, depression, psychosis, eating disorders, AD/HD, disruptive behavior disorders, and substance use disorder. YMHFA uses role-playing and simulations to demonstrate how to assess a mental health crisis; select interventions and provide initial help; and connect young people to professional, peer, social, and self-help care. This course is designed for adults who regularly interact with adolescents and transition-age youth (ages 12 - 18). Numerous participants have reported finding the information helpful when working with families and younger children. Thursday check-in/Lunch will be at 12:00 p.m. The session will start at 12:30 and end at 4:30 p.m. Friday check-in/Continental Breakfast will be at 7:30 a.m. The session will start at 8:00 and end at 12:00 p.m. Prior to June 15, the cost of the session is $100.00, including lunch on Thursday and a continental breakfast on Friday. After June 15, the cost increases to $110.00.

Objectives

I. New School Nurse Orientation
At the completion of this session, participants should be able to:

1. Integrate evidence-based practice into school nursing practice.
2. Define your role as a school nurse in an interdisciplinary educational setting.
3. Explain laws and standards impacting school health programs and the school nurse.
4. Discuss the development and implementation of policies and procedures.
5. Describe the role of the school nurse in identifying, reporting, and preventing communicable diseases in the school setting.
6. Examine the current immunization schedule with application to school health.
7. Define delegation and implications to nursing practice in the school setting.
8. Identify day to day school nursing planning and management strategies.
9. Examine Kansas education structure as it pertains to the support of school health and school nursing.
10. Discuss the differences between various individual students and special education plans in the school setting.
11. Discuss the role of the school nurse in emergency planning and response in the school setting.
12. Understand the importance of effective communication and collaboration to enhance student and family capacity for adaptation, self-management, self-advocacy and learning.

II. General Session
At the completion of this session, participants should be able to:

1. Recognize the school nurses role in affecting change in the school community.
2. Prepare, identify and respond to threats to physical and emotional wellbeing in the school setting.
3. Understand how attitude, morale and job satisfaction impact the workplace and how school nurses can effect positive change in their lives.
4. Identify the role of the school nurse in surveillance, prevention and control of infectious diseases.
5. Identify the signs, symptoms and treatment of health conditions common in pediatric and adolescent populations.
6. Incorporate best nursing practices in the school environment.
III. Post-Sessions

Vision Certification
At the completion of this post-session, participants should be able to:

1. Develop/enhance vision screening skills.

Cracking the Code: Understanding Different Motives of those Who Batter, and the Connection to Risk and Lethality
At the completion of this post-session, participants should be able to:

1. Understand the 3 different motives of those who batter.
2. Understand both the differences and similarities among those who perpetrate domestic violence.
3. Connect the different motives with different risks for recidivism and lethality.

Youth Mental Health First Aid
At the completion of this post-session, participants should:

1. Understand the prevalence of various mental health disorders impacting youth and the need for reduced stigma in communities.
2. Recognize the warning signs of mental health problems that may impact youth, primarily those aged 12 - 18.
3. Understand the risk and protective factors that can impact a youth’s mental health and resiliency.
4. Apply a five-step action plan encompassing the skills, resources and knowledge to assess the situation; to select and implement appropriate interventions; and to help the youth in crisis connect with appropriate, evidence-based treatment and supports.
5. Identify and access the community resources available to support youth and their families.

Tuesday, July 14

3:30 - 5:00 p.m.

A. Anaphylaxis - Is Your School Prepared?
Stock Epinephrine in Kansas Schools
Research has revealed that over 25% of the severe allergic reactions that occur in the school setting, occur among individuals with unknown allergies. Schools can be prepared to handle this type of emergency and assist those with known potential for anaphylaxis, but without emergency medication on hand, by adopting policies and procedures for stock epinephrine. Kansas is one of many states with legislation allowing stock epinephrine in schools. This session will provide the necessary information to assist school nurses in the implementation of a stock epinephrine program. Presenter: Cindy Galemore, MSEd, BSN, RN, NCSN, Director of Health Services, Olathe Public Schools

B. Head Lice Treatment: Heading Off an Ancient Adversary - (Sponsored by Sanofi Pasteur)
On any given school day, school nurses are likely to confront the ever-present and ever-vexing dilemma of head lice infestation. School nurses play important roles in diagnosing head lice and advising families on treatment options; dispelling common myths about lice and infestations; dealing with the social stigma that children and families often suffer; and providing education to the family, the school, and the community at large. This presentation will summarize clinical guidelines for diagnosis and management, discuss the range of current therapeutic approaches, and share latest data on the safety and efficacy of over-the-counter and prescription treatment options to help school nurses cope with the clinical and practical challenges posed by these pesky critters. Presenter: Judith Coates, DNP, CRNP, FNP, FAANP, Director Immunization Initiatives, Sanofi Pasteur, Discovery Drive, Swiftwater, PA

C. Autism Spectrum Disorder: The Educational & Clinical Perspective
This session will provide an overview of autism spectrum disorder, including the DSM-V definition, characteristics and behaviors, and current research. In addition an overview of the clinical and educational services available to those with ASD in Kansas and nationwide will be provided. As professionals learn more about current resources and ongoing professional development opportunities. Presenter: Lee Stickle, MSEd, Director, TASN Autism & Tertiary Behavior Supports

D. Personal Safety and Awareness
This session will focus on personal safety by encouraging situational awareness, common sense, and trusting your instincts. Presenter: Narcisco Narvais, Deputy, Defensive Tactics Training Coordinator, Sedgwick County Sheriff’s Office
E. Creating a Healthier School Environment - Smart Snacks in Schools
The health of today’s school environment continues to improve. Students across the county are now offered healthier school meals with more fruits, vegetables, and whole grains through the National School Lunch Program and the School Breakfast Program. The Smart Snacks in School standards published by the USDA builds on those healthy advancements by ensuring that all other snack foods and beverages available for sale to students in school are tasty and nutritious. Come learn about the new Nutrition Standards for All Foods Sold in School that have been established for foods and beverages sold through a la carte, vending, school stores and on-campus school fundraisers. In addition learn about local school wellness policies and the changes to the Kansas School Wellness Policy Model Guidelines that help to create healthy school environments that support academic success and long term health through involvement in local school wellness planning and promotion. **Presenter:** Jill Ladd, RD, LD, Team Nutrition and ART II Project Director, Child Nutrition & Wellness, Kansas State Department of Education

F. Asthma Action Plan
This presentation will review asthma diagnosis, management and the importance of patient understanding of having an asthma action plan. Example action plans and materials tailored to asthmatic children of various ages will be presented and discussed. Brief assessments of asthma knowledge will be described and simple interventions for improving understanding and motivation to control asthma will be reviewed. Attendees will leave the session with an enhanced understanding of strategies for intervening with asthmatic students in school settings. **Presenter:** Dr. Allen Greiner, MD, University of Kansas Medical Center

G. Childhood Obesity: School Nursing’s Not So New Frontier
School nurses are performing duties today that go well beyond school nursing three decades ago. Today’s school nurses commonly care for students with chronic conditions related to childhood obesity such as type-2 diabetes, heart disease, and high blood pressure. As the health expert in the building, school nurses play an important role in addressing comprehensive school wellness and childhood obesity, but they don’t have to do it alone. This presentation will share how school nurses can leverage evidence-based resources and no-cost expertise to advance healthy eating and physical activity in their schools while also helping to implement their district’s wellness policy. **Presenter:** Gretchen Patch, MPH, Healthy Schools Program Manager, Alliance for a Healthier Generation

H. Concussions, Return to Play Guidelines, Impact Testing
This session will focus on concussion occurrences. Participants will learn the characteristics of a concussion. The presenter will explain the key elements of a stepped return plan in learning and athletics and will help school nurses determine a plan of care and advocacy for the student. **Presenter:** Jill Kouts, BSN, RN, NE-BC, Concussion Coordinator, Center for Concussion Management, The University of Kansas Hospital

Procedures to be discussed will focus on respiratory assessment including tracheostomy care, with nebulizers, inhalers, and suctioning. Demonstration with hands-on practice of epinephrine, glucose, and insulin pens will be provided. **Presenter:** Debie Pile, DNP, APRN, P-CNS, Assistant Professor, WSU School of Nursing

J. Childhood Toxic Stress: Causes, Consequences, and Innovations in Identification and Intervention
Toxic stress has been shown to negatively impact child social-emotional development and child health and physical development throughout the life-course. Identification and intervention for toxic stress are therefore essential to promoting child wellbeing among children experiencing adverse environmental conditions in childhood. This presentation will include: discussion of the types of stress and key indicators of risk and protection from toxic stress; discussion of the potential consequences of toxic stress and how that translates to the school environment; an introduction to current gaps and advancements in screening for identifying children at risk of toxic stress; and a brief introduction to a biobehavioral approach to building safe, stable, and nurturing relationships to protect against the impact of toxic stress and promote healthy child development. **Presenter:** Kaela Byers, MSW, Research Project Coordinator at the Center for Children and Families at KU

Wednesday, July 15
10:30 a.m. - 12:00 p.m.
K. Pediatric Eye Injuries: Prevention and Care/See to Learn (Sponsored by the Kansas Optometric Association)

Common ocular injuries in the pediatric population along with how to prevent and care for these injuries will be covered. We will also discuss the See to Learn Foundation which is a wonderful resource that provides FREE eye examinations for three year olds with participating optometrists. The importance of early eye care will also be covered. Presenter: Deena Sandall, OD, Wichita Family Vision

L. Dermatology

In this session, the presenter will cover a variety of dermatological topics such as when should a school nurse refer a student for treatment. New treatment options for impetigo, cold sores, ring worm, and other common skin and pediatric scalp conditions will also be discussed as well as eczema, and other systemic and autoimmune skin disorders. Presenters: Laura Ericson, APRN, NP-C and Rebecca Flynn, APRN, CPNP, Children's Mercy Hospitals and Clinics

M. Human Trafficking in Kansas: Identifying and Responding

Participants will explore domestic minor sex and labor trafficking in Kansas, concentrating on both the key indicators of exploitation and the grooming tactics used by the traffickers to seduce victims. Participants will examine effective response, in light of key changes in Kansas Law related to human trafficking, and learn about state and national resources that can be helpful for them, or those they serve. Presenter: Dorthy Stuckey Halley, LMSW, Victim Services Division Director, Office of Kansas Attorney General Derek Schmidt

N. From Vaccine Hesitancy to Vaccine Confidence: Effective Approaches to Patient Communication (Sponsored by Sanofi Pasteur)

School nurses play a pivotal role in helping to ensure that children are fully immunized in a timely manner. Today’s parents have many questions and concerns about vaccines, with attitudes ranging from acceptance to hesitancy to resistance and outright refusal. This presentation will explore the reasons behind the growing trend of vaccine hesitancy and its implications for outbreaks of disease. We’ll outline practical strategies for building vaccine confidence among parents of pediatric patients and provide specific responses to specific vaccine concerns. Presenter: Judith Coates, DNP, CRNP, FNP, FAANP, Director Immunization Initiatives, Sanofi Pasteur, Swiftwater, PA

Wednesday, July 15

3:30 p.m. - 5:00 p.m.

O. REPEAT OF SESSION H. Concussions, Return to Play Guidelines, Impact Testing

This session will focus on concussion occurrences. Participants will learn the characteristics of a concussion. The presenter will explain the key elements of a stepped return plan in learning and athletics and will help school nurses determine a plan of care and advocacy for the student. Presenter: Jill Kouts, BSN, RN, NE-BC, Concussion Coordinator, Center for Concussion Management, The University of Kansas Hospital

This presentation will include discussion, demonstration, and hands-on practice with gastrostomy feedings, administering medication via a gastrostomy tube, urinary catheters, vagus nerve stimulators and intrathecal Baclofen pumps. Presenter: Debie Pile, DNP, APRN, P-CNS, Assistant Professor, WSU School of Nursing

Q. REPEAT OF SESSION J. Childhood Toxic Stress: Causes, Consequences, and Innovations in Identification and Intervention

Toxic stress has been shown to negatively impact child social-emotional development and child health and physical development throughout the life-course. Identification and intervention for toxic stress are therefore essential to promoting child wellbeing among children experiencing adverse environmental conditions in childhood. This presentation will include: 1) discussion of the types of stress and key indicators of risk and protection from toxic stress; 2) discussion of the potential consequences of toxic stress and how that translates to the school environment; 3) an introduction to current gaps and advancements in screening for identifying children at risk of toxic stress; and 4) a brief introduction to a biobehavioral approach to building safe, stable, and nurturing relationships to protect against the impact of toxic stress and promote healthy child development. Presenter: Kaela Byers, MSW, Research Project Coordinator at the Center for Children and Families at KU
R. REPEAT OF SESSION K.
Pediatric Eye Injuries: Prevention and Care / See to Learn (Sponsored by the Kansas Optometric Association)
Common ocular injuries in the pediatric population along with how to prevent and care for these injuries will be covered. We will also discuss the See to Learn Foundation which is a wonderful resource that provides FREE eye examinations for three year olds with participating optometrists. The importance of early eye care will also be covered. Presenter: Deena Sandall, OD, Wichita Family Vision

S. REPEAT OF SESSION L.
Dermatology
In this session, the presenter will cover a variety of dermatological topics such as when should a school nurse refer a student for treatment. New treatment options for impetigo, cold sores, ring worm, and other common skin and pediatric scalp conditions will also be discussed as well as eczema, and other systemic and autoimmune skin disorders. Presenters: Laura Ericson, APRN, NP-C and Rebecca Flynn, APRN, CPNP, Children’s Mercy Hospitals and Clinics

T. REPEAT OF SESSION M.
Human Trafficking in Kansas: Identifying and Responding
Participants will explore domestic minor sex and labor trafficking in Kansas, concentrating on both the key indicators of exploitation and the grooming tactics used by the traffickers to seduce victims. Participants will examine effective response, in light of key changes in Kansas Law related to human trafficking, and learn about state and national resources that can be helpful for them, or those they serve. Presenter: Dorthy Stuckey Halley, LMSW, Victim Services Division Director, Office of Kansas Attorney General Derek Schmidt

U. Varicella Outbreak Surveillance in Schools
This session will focus on the Kansas Department of Health and Environment (KDHE) collaboration with the Douglas, Johnson, Sedgwick, Shawnee, and Wyandotte County Health Departments in a project funded by the Centers for Disease Control and Prevention cooperative agreement to enhance and strengthen varicella outbreak surveillance in schools. In later years, surveillance will be expanded to include schools in other counties, Head Start programs, and other large daycare centers. A dedicated epidemiologist from the Bureau of Epidemiology and Public Health Informatics at KDHE will coordinate outbreak reporting and investigation among the participating county health departments. This enhanced surveillance will help to determine the true burden of varicella in Kansas schools as well as evaluate the effectiveness of the two dose vaccine requirement/recommendation. Presenter: Sheri Tubach, MPH, MS, Senior Epidemiologist, Kansas Department of Health and Environment

C. Continuing Nursing Education

New Nurse, General, and Post-Sessions
Wichita State University College of Health Professions is an approved provider of continuing nursing education by the Kansas State Board of Nursing (#LT 0090-0327). These course offerings are approved for (11.9) contact hours for the New School Nurse Orientation, (14.4) contact hours for the General Session, (4.8) contact hours for the Vision Screening and Assessment session, (4.8) contact hours for the Cracking the Code: Understanding Different Motives of those Who Batter, and the Connection to Risk and Lethality session, (9.6) Youth Mental Health First Aid; session all for RN or LPN relicensure. Separate contact hours and certificates will be awarded for the new nurse, general, and post-sessions. Certificates will be available online following the conference.

Important Information Regarding Contact Hours for Professional Relicensure
Partial credit will not be offered. If you are registered to attend the New School Nurse Orientation, the General Session and/or any of the post-sessions, you must stay for that entire session in order to receive contact hours for professional relicensure. Individuals who leave early will not receive any contact hours for that session.

Registration, Fees and Refunds
The New School Nurse Orientation registration fee includes conference materials, breakfast on Monday and Tuesday, lunch on Monday and refreshment breaks. The General Session registration fee includes conference materials, breakfast on Wednesday and Thursday, lunch on Tuesday and Wednesday and refreshment breaks. Lunch on Thursday is not included.

If you are registered for the Vision Screening and Assessment; Cracking the Code: Understanding Different
Motives of those Who Batter, and the Connection to Risk and Lethality; or Youth Mental Health First Aid post-sessions on Thursday, the cost of your lunch and breaks is included in your registration fee. A continental breakfast is also included on Friday for those enrolled in Youth Mental Health First Aid.

A check or purchase-order must accompany your registration form. **However, school districts that are unable to pay until after July 1, may go ahead and register now by completing the registration form and sending it in along with a purchase order.** Please confirm with your district that they have mailed your registration. All cancellations must be made in writing. A 15% administrative fee will be assessed on all cancellations (this includes purchase orders). **There will be no refunds after July 6.** You will receive a confirmation email within 7 - 10 days of the receipt of your registration form. If you do not, please contact: Mary Strickland at (316) 978-6493.

The conference is being facilitated by the Office of University Conferences and Non-Credit Programs at Wichita State University. **Please mail your check or purchase order made payable to the Office of University Conferences and completed registration form to:**

Office of University Conferences and Non-Credit Programs
Wichita State University
1845 Fairmount, Campus Box 136
Wichita, Kansas 67260-0136
Fax (316) 978-3064
or register online at www.wichita.edu/conferences/ksn

**SNO General Membership Meeting**

KSNO’s general membership meeting will be part of the Wednesday lunch in the Eagle Ballroom.

**Accommodations**

**Room Rates**
Special rates for conference attendees have been arranged with the Hyatt Regency Hotel, 400 W. Waterman, Wichita, KS 67202. Room rates are $109.00 per night + tax. There is no charge for parking if you are staying at the hotel. Daily commuters will be charged $5.00 per day to park in the parking garage. Basic Wi-Fi is included in the cost of your sleeping room.

**Making a Reservation**
Reservations must be received by June 29. To make reservations click on the following link: https://resweb.passkey.com/go/KSNurses2015 or for further assistance call 1-888-421-1442.

**Check-in/Check-out**
Check-in time is 3:00 p.m. Room assignments prior to that time are based on availability. Check-out time is 12:00 noon. If you are attending a post session on Thursday afternoon, you may store your luggage in the Bellman’s closet. Please inquire at the front desk.

**Smoking/Non-Smoking Rooms**
98% of the Hyatt’s sleeping rooms are non-smoking. You may request a non-smoking room when making your reservation; however, rooms will be assigned on a first come basis when you check-in. There is no guarantee that you will be assigned a non-smoking room.

**Sales Tax Exemption**
All rooms are subject to sales tax of 7.15% and a “Transient Guest” tax of 6%. You may be exempt from paying sales tax on your sleeping room if you:
1. Present a copy of your school district’s tax exempt certificate at check-in and;
2. Pay for your room at checkout with a check or credit card issued by your school district.

**Payment of Rooms by Purchase Orders/ Direct Billing**
Hyatt Regency Wichita no longer accepts Purchase Orders (PO).

**Conference Etiquette**

Please put your cell phone on “silent” or turn off your cell phone during all presentations in respect for the presenter and conference participants.
In case of an emergency, you can be reached by calling (316) 293-1234. The person calling should tell the hotel that you are with the Kansas School Nurse Conference and that it is an emergency. Someone from the registration staff will locate you in the sessions that you have pre-registered for.

**Right of Termination for Cause**
This agreement and the University’s obligations hereunder regarding this conference and the presentation of any or all associated sessions and optional entertainment events are subject to acts of God, war, terrorism, government regulations, disaster, fire, strikes, civil disorder, curtailment of transportation facilities, or other similar cause beyond the control of the parties making it inadvisable, illegal, or impossible to hold the event or provide the facility. If the conference or any associated event is cancelled due to one of the aforementioned occurrences, the liability of the University shall be limited to refunding the conference registration fee or a portion thereof. The University shall not be responsible for consequential damages, including, but not limited to, any losses incurred by registrants including, but not limited to, airline cancellation charges, hotel deposits and other associated travel costs.

**Special Accommodations**
The Kansas School Nurse Conference Planning Committee is committed to making programs accessible to people with disabilities. If you wish to volunteer information regarding any special assistance you may need, please contact the Office of University Conferences at (316) 978-6493.

**Notice of Non-Discrimination**
Wichita State University does not discriminate in its programs and activities on the basis of race, religion, color, national origin, gender, age, sexual orientation, marital status, political affiliation, status as a veteran, genetic information or disability. The following person has been designated to handle inquiries regarding nondiscrimination policies: Executive Director, Office of Equal Employment Opportunity, Wichita State University, 1845 Fairmount, Wichita KS 67260-0138; telephone 316-978-3186
