State of West Virginia Retirement Plus Deferred Compensation 457(b) Plan Features and Highlights

Read these highlights to learn more about your Plan. If there are any discrepancies between this document and the Plan Document, the Plan Document will govern.

About the 457(b) Deferred Compensation Plan
A governmental 457(b) deferred compensation plan (457 plan) is a retirement savings plan that allows eligible employees to supplement any existing retirement and pension benefits by saving and investing before-tax dollars through a voluntary salary contribution. Contributions and any earnings on contributions are tax-deferred until money is withdrawn. Distributions are subject to ordinary income tax.

Eligibility Requirements
You are eligible to enroll immediately following your date of hire.

Eligible employees may enroll the first day of each month.

Enrollment
You may enroll by completing an enrollment form and returning it to your Plan administrator.

State employees will be automatically enrolled at $10 per pay period.

2016 Contribution Limits
- Combined maximum limit of 100% of your compensation or $18,000, whichever is less for all retirement contributions.
- “Standard” Catch-Up allows participants in the three calendar years prior to normal retirement age to contribute more (up to double the annual contribution limit—$36,000). The amount that you may be able to contribute under the Standard Catch-Up option will depend upon the amounts that you were able to contribute in previous years but did not.

Participants turning age 50 or older in 2016 may contribute an additional $6,000. Please note that you may not use the Standard Catch-Up provision and the Age 50+ Catch-Up provision in the same year.

Roth Contributions
The Roth option will give you the flexibility to designate all or part of your 457(b) elective deferrals as Roth contributions. All Roth contributions are made with after-tax dollars.

2016 Roth Contribution Limits
Combined maximum limit of 100% (1% minimum) of your compensation or $18,000, whichever is less for all retirement contributions.

Generally, the maximum contribution amount then may be indexed for inflation in subsequent years.

Vesting Schedule
Vesting refers to the percentage of your account you are entitled to receive upon the occurrence of distributable events. Your contributions and any earnings are always 100% vested (including rollovers from previous employers).

Investment Options
A wide array of core investment options is available through your Plan. Each option is explained in further detail in your Plan’s fund sheets. Once you have enrolled, investment option information is also available through the website at www.wv457.com or by calling the voice response system toll free at (800) 551-4218. The website and the voice response system are available to you 24 hours a day, seven days a week.

In addition to the core investment options, a Self-Directed Brokerage (SDB) account is available. The SDB account allows you to select from numerous investment options for additional fees. The SDB account is intended for knowledgeable investors who acknowledge and understand the risks associated with the investments contained in the SDB account.

Transfers and Allocation Changes
Use your Personal Identification Number (PIN) and Username to access the website, or you can use your Social Security number and PIN to access the voice response system. You can move all or a portion of your existing balances among investment options (subject to Plan rules) and change how your payroll contributions are invested.

Rollovers
Only Plan administrator approved balances from an eligible governmental 457(b), 401(k), 403(b) or 401(a) plan or an Individual Retirement Account (IRA) may be rolled over to the Plan.

You are encouraged to discuss rolling money from one account to another with your financial advisor/planner, considering any potential fees and/or limitation of investment options.

Withdrawals
Qualifying distribution events are as follows:
• Retirement
• Severance of employment (as defined by the Internal Revenue Code provisions)
• Death (your beneficiary receives your benefits)
• Unforeseeable emergency (as defined by the Internal Revenue Code and if allowed by your Plan’s provisions)

Each distribution is subject to ordinary income tax. Distributions you receive prior to age 59½ from money sources other than governmental 457(b) money sources may be subject to the 10% early withdrawal federal tax penalty.

Plan Fees
Recordkeeping or Administrative Fees: There are fees associated with each fund to help pay for administrative and maintenance costs within the Plan. This results in a structure in which all participants share in some of the Plan costs and expenses. In addition to those fund expenses, some funds will have an explicit administrative fee. For additional information, please contact your Empower Retirement representative for more information about any potential investment option fees.

Distribution Fees: There are no Plan distribution fees.

Investment Option Fees: Each investment option has its own operating expenses. These fees are deducted by each investment option’s management company before the daily price or performance is calculated. Fees pay for trading of securities within the investment options and other management expenses.

Funds may impose redemption fees and/or transfer restrictions if assets are held for less than the published holding period. Asset allocation funds are generally subject to a fund operating expense at the fund level, as well as prorated fund operating expenses of each underlying fund in which they invest. For more information, please refer to the fund prospectus and/or disclosure document. Funds are subject to the risks of the underlying funds.

There may be a recordkeeping or administrative fee for investing in certain investment options. Please contact your Empower Retirement™ representative for more information about any potential investment option fees.

There are additional quarterly fees and/or transaction fees to participate in the SDB option. Please see your Plan’s website for more information.
