DISHWASHER
FDW101 – 24” WIDE DISHWASHER
FDW101WS – 24” WIDE DISHWASHER WITH WATER SOFTENER

Multi-Level Washing
• Multi-level washing with three spray arms ensures clean dishes
• Turbidity sensor monitors the soil level of the dishes
• Triple filtration system removes the smallest particles for clean water circulation
• Flow-through water heater is concealed to provide a safer alternative to exposed heaters

Condensate Quick Dry
• Moisture condensates on the cooler stainless steel tank and door and drains to the sump area
• Quick and efficient drying

Quiet Clean™ Performance Package – 50 dB
• Three layers of insulation – bitumen, cotton, and full side walls create one of the quietest dishwashers on the market

Loading
• Accommodates 12 international place settings
• Two position adjustable upper rack allows for taller glasses in upper rack or larger pans in bottom rack
  – Two stemware cradles/cup shelves
  – Adjustable tines
• Lower rack – four rows adjustable tines for easy loading of pans
• One-piece silverware/cutlery basket

Built-In Water Softener (FDW101WS model)
• Reduces water hardness to a manageable level to prevent glasses and dishes from etching

Cycles/Options
• Cycles
