INSURANCE:
Please see FAQs attached to the end of this documentation.

RULES AND REGULATIONS

This year the event has had a change in the schedule as a result of your feedback. Some of these changes include:

1. Volunteers are crucial to run this event. This year every rider will pay a bond of $50.00 which will be refunded after the event if the volunteer has performed his/her duties. If a duty is found not to be fulfilled, another volunteer can step in and get paid $50.00. Head Stewards from each discipline will be monitoring their volunteers. Any volunteer who does not do their shifts will jeopardize any future entries at next year’s event.

2. **VOLUNTEERS’ ROSTER**: The volunteers’ roster will be available one week prior to the commencement of the event. Every rider/horse combination must have a helper and all jobs must be done or a substitute person nominated. The organising committee will take all reasonable steps to avoid clashes between the draw and helpers rosters, however no guarantees are provided. All schools and Independents will be rostered to help in all events. **PLEASE NOTE**: If a school/independent does not complete their shifts the Committee can refuse for that rider to participate and will be ineligible to receive points.

3. Indoor Polocrosse has been introduced. All riders must be registered with Polocrosse Australia. Teams will be selected by the Head Steward prior to the event and details sent out via email.

4. **Social Media**: Internet social networks such as MySpace, YouTube, Facebook and other forums have proven to be a great way for people to share information, ideas and opinions and keep in touch with family and friends. We ask that all interschool riders and families treat their fellow riders, officials, judges and coaches with respect by ensuring the language and comments they use are respectful, treating others, as they would like to be treated.

5. It has come to our attention that in the past some people may have posted disparaging and inappropriate comments and materials. It is important to remember that such conduct is absolutely unacceptable and is not in line with Interschool values and EA Codes of Conduct. Breaches of the Codes of Conduct may lead to disciplinary action.

6. Only students enrolled at school (K-12) or TAFE may compete at ISHE 2016. The age of competitors will be their age as at 31 December 2016. In the event of ISHE being oversubscribed the Committee reserve the right to limit the entries. The ISHE committee reserves the right to refuse any entry without reason.
7. This is an interschool children’s competition run by volunteers. When entering and competing please be mindful of the spirit of this competition. Be respectful to all officials and volunteers and be mindful of warm-up arena etiquette.

8. All horse disciplines will be conducted according to the Pony Club Association of NSW Regulations, Equestrian Australia (EA) or the Association for Horsemanship, Safety and Education (AHSE) rules.

9. To enter this event the student must have permission from their school UNLESS YOU RIDE AS AN INDEPENDENT.

10. **EACH HORSE MUST HAVE A SEPARATE BRIDLE NUMBER. THESE CAN BE PURCHASED FROM ANY EQUINE STORE.** The ISHE office will have some emergencies on hand including back numbers for the ODE. No horse can be ridden or lunged without the official bridle number clearly displayed on the near side of the bridle/halter. It is compulsory to use the bridle number. All scoring is dependent on the number being worn and no results will be recorded for horses not displaying a number. This applies to ALL classes. Bridle numbers are required in case a horse gets loose so Committee can contact owner immediately.

11. A Veterinarian will be on site for the duration of the Event. You will need to pay for any medications needed at the time.

12. The committee reserves the right to alter or delete items from the program at their discretion and to cap disciplines when needed.

13. The ISHE committee reserves the right to vet out any horse they deem unfit or unable to compete safely at any stage of an event. Any ill treatment of horses will incur instant elimination. No stallions will be permitted on the grounds.

14. Stewards will marshal riders to their events and reserve the right to stand down any rider found to have unsafe or inappropriate gear.

15. Lunging of horses and the warming up of horses is permitted only in designated warm up areas.

16. No pushbikes or scooters are permitted on the ground.

17. No riding of horses after dark unless competing in an event. No riding of horses without a bridle and saddle unless required in competition. No riding of horses that are wearing rugs. No riding of horse in stable areas.

18. In the spirit of interschool competition, no parent, team manager, or instructor will coach riders from inside the arenas at any time. This rule will be strictly enforced and may result in the elimination of the rider from the event.

19. All children 7 years and under participating must be competent independent riders. This rule applies to all ages.

20. Any Competitor not complying with the Rules as per Point 3 above will be stood down.

21. Competitors are required to walk at all times on the grounds except in warm up area and when competing. “Hooning” around on horses between events is not allowed.

22. Please ensure your competitors are on time and in the correct location for their events.

23. **Scratching** – To be notified to the Secretary’s Office as early as possible.

24. Refunds will be supplied to entrants under the following conditions:

   a) Prior to closing date of 16 September 2016 - full refund less 25% administration fee.
   b) After 16 September 2016 entry fees will be forfeited unless a medical or veterinary certificate is received. A 25% administration fee will be retained where refunds are approved under medical grounds.
   c) Any changes to entries after closing will incur a $10.00 administration fee per horse/class.
   d) All claims/refunds to be finalized by 31 December 2016.

25. **NO DOGS ALLOWED ON THE GROUNDS** – no exceptions. AELEC is run under Tamworth Regional Council therefore as part of the agreement there are to be NO DOGS.

26. No spectators are permitted to ride on a competitor’s horse.

27. To ride at this event the rider does not have to be a pony club member but you have to be a member of EA or ISHE for a small fee of $10.00 (event membership). An ambulance fee of $10.00 is also payable for the entire event.

28. Schools may enter any number of students.

29. School ties, beige jodhpurs/breeches and school jumpers/vests to be worn – NO COATS. School sports shirts may be worn in sporting events. EA approved gear may be worn.

30. **Point Score:** 1st = 5 points, 2nd = 4 points, 3rd = 3 points, 4th = 2 points, 5th = 1 points

31. To be eligible for championship points there must be more than three (3) entries in each age group.

32. Judge’s decision is FINAL.
33. Cancellations due to wet weather will be announced over Radios 2TM and 100.3 Armidale after the 6.00 am news on the day or ring 0427 462473 for a recorded message.

34. Any competitor who wishes to participate with ISHE must complete the electronic Disclaimer Statement and Medical Information Sheet with Nominate. Non competitors ie parents, spectators or persons assisting students at the event are not covered by our insurance. Voluntary workers, committee members, judges, officials and administrators are covered for both personal and accident and products and public liability. Please see FAQ regarding insurance attached to this documentation under EA's Interschools Policy. ISHE takes no responsibility for persons (other than the ISHE Organising Committee) on the grounds outside the period 7.00 am Friday, 14 October to 5.00 pm on Monday, 17 October 2016.

35. ISHE is conducted independently of the Department of Education and Training, Independent and Catholic Education systems. It is the responsibility of competing schools to ensure that their students are competing in accordance with the requirements of their particular educational system.

36. HENDRA VACCINATION. This vaccination is the single most effective way of reducing the risk of Hendra virus infection in both horses and humans. Human infection and deaths have occurred following high-level exposure to body fluids from infected horses. Vaccinating horses is an important measure to prevent this occurring and provides a public health and workplace health and safety benefit. The vaccine must be administered by a veterinarian. Some veterinarians may refuse to attend unvaccinated sick horses. All parents/guardians should also be aware of the correct biosecurity procedures if they do no nominate their horses against the Hendra virus. For further information please see the Department of Primary Industries - http://www.dpi.nsw.gov.au/biosecurity/animal and the Australian Veterinary Association - http://www.ava.com.au/suit-up.

It is NOT compulsory to have your horses vaccinated for this event but if they are up-to-date please complete the necessary details on the entry form via Nominate.

37. Schools and riders enter at their own risk. A Waiver Form must be ticked by parent or guardian when entering on Nominate.

38. Random drug testing of horses may be performed throughout the duration of the event.

TEAM MANAGERS’ RESPONSIBILITIES:

1. All Team Managers must be approved by their School Principal. All nominations must be approved by the Team Manager appointed by that school.

2. While the students are not competing they are the sole responsibility of the Team Manager. Team Managers owe a Duty of Care to their students and are responsible for the supervision and behavior of students at all times. Team Managers are totally responsible for the conduct of their riders. Should there be any queries or problems during the day, the Team Manager is the person designated to negotiate on behalf of the rider/school.

3. Team Managers must ensure that each rider’s equipment is SAFE and are responsible for their team. Smooth soled boots and either ASNZ3838, ASTM1163 and EN1384 helmets must be worn. Random checks will be performed throughout the day. Any queries to be directed to stewards.

4. Team Managers are required to carry out a gear check on all of their competitors and horses according to Pony Club Association and EA guidelines. Gear must be checked prior to the 8.00 am start and if a rider replaces or changes gear prior to commencing another discipline.

5. Disputes and Protests - the Team Manager must lodge appeals in writing as soon as is practical on a ISHE Competitor Query Form after results being posted, together with a fee of $50.00 (refunded if protest upheld) to the Secretary’s office. The dispute will be referred to the head steward. When the dispute has been answered the Team Manager will be called to the Secretary’s Office to receive a reply. The committee’s decision is final. The Team Manager is the only person to attend the Secretary’s Office for any information, results, complaints, queries etc of any nature during the ISHE Event. Information will not be given to the competitor, parent or guardian.

6. Team Manager must be in attendance for the duration of the day and Team Managers are responsible for gear checks of their team. Any queries should be directed to stewards.

7. It is the competitor's/team manager’s responsibility to know when the courses are open for walking and the start time of each event. Draw times are an indication of how the day will run. A “move up draw” will apply if scratching occurs.
