WCRC Leaders-Asia & KPMG have ranked NDIM amongst the Fastest Growing Business Schools of Asia-January 2014
He started his career as a City Magistrate in Patiala, where he took back the famous Kaali temple of North-India from long settled Pandas, and lodged criminal cases against the most feared political families of Punjab, when he was 24 years. At the age of 25, he was the youngest, and till today the only Magistrate in India, to administer death warrants at 5 hangings.

He was picked up as the first senior officer of Delhi Metro on all India basis as the Chief of Personnel & Vigilance in 1996, much prior to the appointment of the famous Sreedharan. Due to his daring and innovative management practices, he was the first civil servant ever picked up by the Ministry of Civil Aviation, Govt. of India, to head Lands & Commercial departments at all the four International Airports of Delhi, where he cleared massive land encroachments by the dreaded mafia gangs and the most well connected 5 star hoteliers, at the age of 38 years, in Bombay, Calcutta, Madras and Delhi. The credit for the present state of Indira Gandhi Airport largely goes to him as he planted 5 lac trees at IGIA in 1988. He has been widely recognized for his urban administration, public policy, & Governance practices and for innovative solutions to every problem. He has been the Director, Commissioner and Principal Commissioner of every department of DDA and General Manager of ISBT Kashmiri Gate, Sarai Kale Khan and Anand Vihar, which he constructed and commissioned in 1991.

He has guided several studies and projects of ICRA, IIIP (Delhi), ASCI (Hyd.), TCS, Ministry of Personnel, GOI, Ministry of Urban Development, GOI, GNCTD, AIMA, UNDP. He has been associated with Consultancy Activities for AIMA, UNDP, Ministry of Urban Development and IAAI.

Shri V. M. Bansal is now the Chairman of 23 yearold New Delhi Institute of Management which is presently rated as the 15th Best MBA school in India by the Business World and amongst the fastest growing MBA schools of Asia by the KPMG India in January 2014. Business India has put New Delhi Institute of Management in the highest category, above A++, for 3 years continuously.
Mr. Ankur Bansal - Vice Chairman

He is a Chartered Accountant and holds a Masters degree in Business Administration (MBA) from Carnegie Mellon University, USA. He started his professional career with Arthur Andersen India and was later associated with Ernst & Young. In these organizations, he worked in the capacity of a Consultant advising various multinationals on the regulatory and strategic aspects of their businesses in India. Post his MBA, he worked with Bank of America Securities, New York as an Investment Banker in the General Industrials Group, advising clients on various M&A as well as Capital Restructuring issues. In mid 2008, he took over as the Vice Chairman of 'New Delhi Institute of Management', a 23 year old premier management institute in Delhi.

Dr. Gauri Modwel - Dean Academics

Dr. Gauri Modwel has twenty four years of rich academic and research experience. She has worked in esteemed organizations, Research and Information System (RIS) for the Non-Aligned and other developing countries, Ministry of External Affairs and Indian Council for Social Science Research (ICSSR), Ministry of Human Resource Development. She has written several research papers in association with World Bank, SASAKAWA Peace Foundation, Japan, Max-Plank Institute of Economics, Germany and George Mason University, USA and Florida State University, USA. She has provided consultancy to the research institute, Strategic Foresight, Government of Maharashtra, Ministry of Consumer welfare and World Health Organization in the area of economic development & relations, Consumer welfare & Business and economic of health.
Placement Director’s Message

It gives me immense pleasure to introduce you to the vibrant PGDM batch of 2014 – 2016 of New Delhi Institute of Management. This group of students come from diverse backgrounds and collectively constitutes a potential resource which is very enthusiastic, keen on learning and has the desire to accomplish every goal in line with the tradition maintained by our distinguished alumni passed out in the previous years. One of our mission, amongst others, is to provide knowledge and technology based management education to satisfy the needs of the society and the industry and thus help in building national capabilities in different specializations of management education and research.

NDIM campus provides unique opportunities to students to think big and come out with novel ideas. Ethos, team spirit and community service are strongly imbibed in our students through student driven activities so that they develop great initiative and organizing abilities. Various functional and recreational clubs help our students inculcate necessary leadership qualities, zeal and enthusiasm. Due importance is given to the Personality Development Program which enable students to emerge as skillful and professional communicators to cater to the increasing requirements of Global Business Environment.

We encourage our recruiters to shortlist students and train them to their company-specific skills, even while students are at the campus, so that the students are fully equipped to take on responsibilities of their jobs immediately on joining, thus saving several months of training after their induction into the jobs. Organizations have been giving our students excellent opportunities in the form of short term/long term projects providing them with practical exposure. I am sure these young and vibrant minds are fully groomed to assist you and assume higher responsibilities in whatever way you entrust them.

I take this opportunity to thank the members of the industry for their constant guidance and whole hearted support at all times. I take pleasure in inviting all of you to our campus for greater interaction with our students, for sharing your life experience and learning. I heartily welcome the observations and suggestions from each one of you in our common endeavor of grooming better managers and entrepreneurs for our country.

International Live Projects

NDIM—A Global Village

International students visiting India through different forums gather under one roof at NDIM for sharing their knowledge and each other’s culture. Students from various countries come and learn from each other at NDIM under the Global Village Program. Students from IIT Delhi are our partners in this event. Recently students from Philippines, Indonesia, Russia, China, Egypt, Cambodia, Bahrain, Romania, Germany, Taiwan, Kenya, South Africa were at NDIM as part of the Global Village Program.
Hands on Learning Abroad

NDIM is perhaps the only B-school in the country to offer 85 international projects of 6-8 weeks for its first year PGDM students. Probably for the first time international opportunities of such vast magnitude have been offered to any B-school in India where students actually work on projects abroad as part of their study. This provides immense learning of different cultures and international skills.

International Projects have been offered to our students in Russia, China, Egypt, Cambodia, Bahrain, Romania, Germany, Philippines, Indonesia, Taiwan, Kenya and South Africa, out of which 15 have been with PricewaterhouseCoopers (PWC) in Egypt alone and with other renowned companies like European Aeronautical Defense and Space Company - Germany & Nokia Siemens - Indonesia.
World Class Facilities
In its pursuit for excellence, NDIM strives to inculcate Leadership, Steadiness, Assertiveness and Knowledge in its students. It provides overall managerial acumen by encouraging students in conducting and participating in many Socio-cultural events and extra-curricular activities through the following clubs.

Management Clubs:

- Markomania – Marketing Club

NDIM Alumni

NDIM has a strong bond with the Alumni since its inception. We are proud of our alumni who have not only created a niche for themselves in the corporate world but also served as our Brand Ambassadors in the industry in India and abroad. NDIM ALUMNI CLUB strengthens the fraternity bond between the Institute and creates a common platform for greater interaction. It facilitates professional and personal networking among alumni by organizing various events including alumni reunions, coffee meets, cricket series tournaments and other activities to let alumni relive their memories. NDIM shares a strong bond with its 4000+ alumni who have risen to senior positions in India and abroad and who provide full support to our team round the year.

NDIM Alumni - A Source for your Lateral Hiring

A huge pool of Professionals across the functions and locations can meet your lateral requirements.
- Free of cost service
- Professional approach
- Proven track record
- Filtered / screened candidatures

Our Alumni are holding Senior Positions in Multinational Corporations and Corporate Houses. A glimpse of such firms is given below.
Corporate Social Responsibility

Corporate Social Responsibility Programme at NDIM is designed to impart the basic values which our 'Vedas' and 'Scriptures' have enunciated to the students. The commitment of paying back to the society, a part of our earning/learning, which every Indian has inherited, is the value system that we are trying to re-emphasize and re-visit as part of this subject.

Students are encouraged to take up innovative programmes and workshops underlining social, economic and environmental issues and educate the public at large. The programme is designed to establish deep connect between students and their immediate environment. The course requires each student to spend fixed number of hours, apart from the subject training, with a corporate house or an NGO to learn and facilitate their CSR efforts.
Glimpse of the organizations where students have done training on CSR projects as part of the CSR Programme. This is the first major industry connect of every student much before their Summer Internship.

Industry Visits

The Corporate Resource Center of NDIM provides opportunity to students to understand the industry set-up via Manufacturing Plant Visits. Such visits help students to learn the technological advancements & recent trends in the industry. These visits expose and acquaint the students with various processes involved in manufacturing of a product. Students are sent to various industry/plant visits PAN India to give them hands-on experience about the functionalities of the corporate world.
Preferred Hub for Pool Campus Drives

NDIM has been the preferred institute for many organisations in the recent years for conducting their pool campus drives, due to its central location from the industrial hubs of Noida & Gurgaon. Infrastructure at NDIM has been ranked the best amongst all private B-Schools of North India, making it viable for companies to conduct selection processes for multiple institutes under one roof.
