I. INVITATION TO SUBMIT PROPOSALS

The Erie Canal Harbor Development Corporation, a subsidiary of the New York State Urban Development Corporation d/b/a Empire State Development (ESD), is seeking qualifications from well qualified professional design firms and/or teams with extensive experience in environmental graphic design, industrial design, wayfinding and interpretive systems design, and mobile application development for complex urban environments with heavy pedestrian usage, multimodal access, and historic significance; and experience working with signage fabricators to develop a comprehensive wayfinding and interpretive signage program in the public spaces in and around Canalside, a twenty-one acre waterfront district in downtown Buffalo, New York.

II. PROJECT BACKGROUND

Buffalo, New York

Buffalo is the second most populous city in the state of New York, second only to New York City. Located in Western New York on the eastern shores of Lake Erie and at the head of the Niagara River, Buffalo is the principal city of the Buffalo-Niagara Falls metropolitan area and the seat of Erie County. The city itself has nearly 300,000 residents in 52.5 square miles, while the entire metropolitan statistical area has over 1,200,000 residents.

Canalside

For decades Buffalo, New York’s Inner Harbor and Waterfront sat desolate and underutilized until 2005, when the Erie Canal Harbor Development Corporation (ECHDC) was formed to spearhead Buffalo’s Waterfront revitalization and reclaim the area as one of America’s brightest historical treasures. Millions of dollars in both public and private investment have transformed the Inner Harbor into what is now known as Canalside- a mixed use urban entertainment destination. Open to the public since May 2008, Canalside features several fully restored facets of the original Erie Canal Harbor including the Commercial Slip, Boardwalk, and the Historic Public Canals. A year round attraction that hosts over one million visitors annually, Canalside boasts thousands of events, concerts, festivals, family activities, attractions, historical and cultural programming, art, food, and tours that capitalize on and showcase the diverse resources of the Western New York Region. In addition, the Historic Public Canals are frozen in the winter months to become New York State’s largest outdoor ice skating rink. For more information, visit www.CanalsideBuffalo.com.
ECHDC is currently leading Phase 3 of Canalside Development. The Canalside Project Area is bounded on the north by Upper Terrace and Exchange Streets and Perry Boulevard; on the east by Washington Street and Seymour H. Knox III Plaza; on the south by Perry Street and the Buffalo River; and on the west by Erie Street, Marine Drive, and Pearl and Commercial Streets. See Figure II-1.

The Canalside project includes both public and private investment for commercial (retail, lodging, and office) and cultural spaces on approximately 20 acres. Canalside provides various year-round offerings and experiences, including a seasonal outdoor ice skating rink, restaurants, entertainment venues, hotels/lodging, cultural attractions, and vast public spaces, including but not limited to the First Niagara Center, HARBORCENTER, One Canalside, the Historic Public Canals, and the Central Wharf/Commercial Slip. In addition, the site benefits from an efficient roadway network that supports regional and
international access to Canada via the Peace Bridge, to the NYS Thruway via Interstate-190, NYS Department of Transportation Route 5, and NTFA’s Metro Rail system; and proximity to a host of both local and regional historic, natural, and cultural attractions, include Niagara Falls. Parking in the Canalside area is located within parking garages, with a few small surface lots and a number of on-street parking options also available. It can also be accessed via watercraft with nearly 1,000 linear feet of docking space.

**a. Canalside’s Private Development Projects**

Canalside has two significant private investment projects: One Canalside and HARBORCENTER.

One Canalside is a $30 million mixed-use project that transformed the former Donovan State Office Building into a mixed-use development. The project begin in December 2007, when ECHDC assumed ownership of the vacant building, remediated hazardous waste materials, and completed interior demolition. After a public bidding process, the building was then purchased by Benderson Development who stripped the building down to its steel beams and gave it a modern exterior and interior. One Canalside is anchored by the law offices of Phillips Lytle and also includes a Courtyard Marriot and Pizza Plant restaurant.

HARBORCENTER is a $200 million mixed use sports and entertainment complex in front of the First Niagara Center, developed by Buffalo Sabres’ owners Terry and Kim Pegula. HARBORCENTER consists of a 200 room Marriott hotel, two NHL-sized ice rinks, a state of the art training facility, 716 Food and Sport restaurant, a flagship Tim Hortons Café and Bake Shop, retail shops on the first floor, and an 800 space parking ramp.

**b. The Historic Public Canals**

The Historic Public Canals, a $20 million investment in public space on the former location of Buffalo’s Memorial Auditorium, is an interpretive landscape of water features and site amenities as dictated by the 1915 survey of the terminus of the Erie Canal. The alignment of the Canals, Towpaths, and Bridges help visitors understand the history and character of the former canal district, the terminus of the Erie Canal and its significance to the City of Buffalo, New York State and the Nation. Opened in 2014, The Canals are actively programmed year-round with a variety of fitness classes, events, activities, and amenities. In addition to the landside activities, the Canals are home to a number of waterside vendors and activities including paddle and pedal boats, remote-controlled sailboats, and SUP Yoga Classes. During the winter months the Canals are drained, frozen, and open for ice rink activities- including open skate, curling, ice bike rentals, skating classes, and pond hockey. Canalside hosts over 60,000 skaters, ice-bikers, and curlers during the winter season.
c. Children’s Museum Construction

In 2012, ECHDC’s Board of Directors selected Explore and More Children’s Museum of East Aurora, New York to develop, fit-out, operate, and maintain a world-class children’s museum at Canalside. ECHDC will design and construct the core and shell of the approximately 43,000 sq ft building which will be located on a parcel just south of the
Historic Public Canals. Groundbreaking on this building is expected to occur in spring of 2017 with the ribbon cutting expected in 2018.

d. East Canal
The East Canal is located to the south of the One Canalside building and follows the alignment of the Erie Canal as dictated by the 1915 survey. The East Canal is an outdoor public space that features a granite plaza, a shallow pool of water, fountains, seating, lighting and a shaded tree grove. The water feature is approximately two feet deep, with troughs to circulate the water, and lined with Towpaths to allow the public to walk along the entire Canal. The eastern end of the East Canal integrates tree plantings with the space to create a tranquil, quiet urban oasis within the busy district. The East Canal is not designed to be drained in the winter for ice skating.

e. Central Wharf
Opened in 2008, Canalside’s Central Wharf has emerged as downtown Buffalo’s most popular public space. Overlooking the Buffalo River, the Central Wharf is home to thousands of events each spring summer, and fall, including concerts, fitness classes, musical performances, children’s activities, history tours, and a local artisan market. The Central Wharf features several fully restored facets of the original Erie Canal, including the Commercial Slip and its historic ruins, a wooden plank boardwalk that runs along the river, the “Whipple Truss” Foot Bridge, and cobblestone streets. Canalside’s signature colorful Adirondack chairs have become iconic with waterfront visitors and, combined with benches, provides a variety of seating options for visitors to take in the sweeping views of the River, the sunsets, or the Grain Elevator Light Display (www.canalsidebuffalo.com/grainelevator). The Central Wharf is also home to Clinton’s Dish take out restaurant & ice cream stand, a beer garden, 1000’ linear feet of public transient docking, as well as various waterside
activity and charter boat operators. The Central Wharf and public docks are owned by the City of Buffalo but are fully managed by ECHDC. Based on a management agreement between ECHDC and the City of Buffalo, ECHDC has exclusive management rights at the City own property.

Central Wharf & Lawns

f. **Pierce, Dart, and Dunbar Lawns**

Immediately adjacent to the Central Wharf are the Pierce, Dart, and Dunbar Lawns. These development sites are owned by the City of Buffalo, and were sodded in 2012 for aesthetic and functional reasons. The lawns provide large areas for passive and active recreation, and are home to many Canalside activities, including the popular Canalside Free Thursday concert series.

g. **Historic Ruins & Commercial Slip**

Canalside’s Commercial Slip is a recreation of the historic Western Terminus of the Erie Canal and is located at the northern end of the Central Wharf. Today, the slip serves as docking space for ECHDC-approved charter boats that provide tours, sailing trips, and bike ferry service from Canalside to Buffalo’s Outer Harbor. Adjacent to the Commercial Slip is the Historic Ruins- three “outdoor rooms” formed by the actual foundations of the small mercantile buildings that lined the original Commercial Slip. The Ruins have been repurposed as an intimate public space that hosts historic and cultural programming as well as private events.
III. PROJECT SUMMARY

ECHDC wishes to develop a comprehensive signage program that welcomes and guides visitors from major entrance points into the Canalside District; and establishes design standards for district wide wayfinding signage that is reflective of Canalside’s identity. While guiding visitors through the Canalside District, the program shall educate and enlighten visitors on the historical significance of the district and the role the terminus of the Erie Canal played in not only Buffalo’s but the United States’ history. ECHDC established the Canalside History Committee with the goal of developing a cohesive historic narrative that identifies the appropriate stories and periods of significance to be told at Canalside. The successful respondent shall consult with the Canalside History Committee when developing content for the interpretive components, but will be responsible for the final content and copy. ECHDC has various public art installations including “Shark Girl” by Casey Riordan Millard, and “Silent Poets” by Jaume Plensa, as well as numerous art programs and events. Public art is an integral part of Canalside’s character and the signage program should include some element of public art in its design.

The signage program shall include, but not limited to, custom wayfinding signs; street and highway signs; historic interpretive signs and interactive outdoor exhibits. In addition to the static signage, ECHDC is looking to develop a mobile application to enhance the visitor’s experience with respect to general wayfinding, guided tours, and to push information about events, amenities, and news at Canalside. ECHDC is open to digital signage to be incorporated in to the overall signage program.
Prospective designers and/or team shall recognize the complexity of Canalside with its unique urban waterfront environment; heavy pedestrian usage; thousands of year-round events and programs; historic significance; and multimodal access, including but not limited to vehicular (both highway and local streets), pedestrian, bicycle, metro-rail, and boat.

The project budget is $750,000 for fabrication and installation of the program.

**D. Other Certifications & Requirements**

1. **Contractor Requirements and Procedures for Business Participation Opportunities for New York State Certified Minority- and Women-Owned Business Enterprises and Equal Employment Opportunities for Minority Group Members and Women**

**NEW YORK STATE LAW**

Pursuant to New York State Executive Law Article 15-A and 5 NYCRR §§140-145 ESD recognizes its obligation under the law to promote opportunities for maximum feasible participation of certified minority-and women-owned business enterprises and the employment of minority group members and women in the performance of ESD contracts.

In 2006, the State of New York commissioned a disparity study to evaluate whether minority and women-owned business enterprises had a full and fair opportunity to participate in state contracting. The findings of the study were published on April 29,
2010, under the title “The State of Minority and Women-Owned Business Enterprises: Evidence from New York” (“Disparity Study”). The report found evidence of statistically significant disparities between the level of participation of minority-and women-owned business enterprises in state procurement contracting versus the number of minority- and women-owned business enterprises that were ready, willing and able to participate in state procurements. As a result of these findings, the Disparity Study made recommendations concerning the implementation and operation of the statewide certified minority- and women-owned business enterprises program. The recommendations from the Disparity Study culminated in the enactment and the implementation of New York State Executive Law Article 15-A, which requires, among other things, that ESD establishes goals for maximum feasible participation of New York State Certified minority- and women – owned business enterprises (“MWBE”) and the employment of minority groups members and women in the performance of New York State contracts.

**Business Participation Opportunities for MWBEs**

For purposes of this solicitation, ESD hereby establishes an overall goal of 30% for MWBE participation, 15% for New York State certified Minority-owned Business Enterprises (“MBE”) participation and 15% for New York State certified Women-owned Business Enterprises (“WBE”) participation (based on the current availability of qualified MBEs and WBEs). A contractor (“Contractor”) on the subject contract (“Contract”) must document its good faith efforts to provide meaningful participation by MWBEs as subcontractors or suppliers in the performance of the Contract and the Contractor agrees that ESD may withhold payment pending receipt of the required MWBE documentation. The directory of MWBEs can be viewed at: [https://ny.newnycontracts.com](https://ny.newnycontracts.com). For guidance on how ESD will determine a Contractor’s “good faith efforts,” refer to 5 NYCRR §142.8.

In accordance with 5 NYCRR §142.13, the Contractor acknowledges that if it is found to have willfully and intentionally failed to comply with the MWBE participation goals set forth in the Contract, such finding constitutes a breach of Contract and ESD may withhold payment from the Contractor as liquidated damages.

Such liquidated damages shall be calculated as an amount equaling the difference between: (1) all sums identified for payment to MWBEs had the Contractor achieved the contractual MWBE goals; and (2) all sums actually paid to MWBEs for work performed or materials supplied under the Contract.
By submitting a bid or proposal, a bidder on the Contract (“Bidder”) agrees to demonstrate its good faith efforts to achieve its goals for the utilization of MWBEs by submitting evidence thereof through the New York State Contract System (“NYSCS”), which can be viewed at https://ny.newnycontracts.com, provided, however, that a Bidder may arrange to provide such evidence via a non-electronic method by contacting ESD’s Office of Contractor and Supplier Diversity (OCSD) at OCSD@ESD.NY.GOV. Please note that the NYSCS is a one stop solution for all of your MWBE and Article 15-A contract requirements. For additional information on the use of the NYSCS to meet Bidder’s MWBE requirements please see the attached MWBE guidance, “Your MWBE Utilization and Reporting Responsibilities Under Article 15-A.”

Additionally, a Bidder will be required to submit the following documents and information as evidence of compliance with the foregoing:

A. An MWBE Utilization Plan (Form OCSD-4) with their bid or proposal. Any modifications or changes to the MWBE Utilization Plan after the Contract award and during the term of the Contract must be reported on a revised MWBE Utilization Plan and submitted to ESD.

ESD will review the submitted MWBE Utilization Plan and advise the Bidder of ESD’s acceptance or issue a notice of deficiency within 30 days of receipt.

B. If a notice of deficiency is issued, the Bidder will be required to respond to the notice of deficiency within seven (7) business days of receipt by submitting to ESD, a written remedy in response to the notice of deficiency. If the written remedy that is submitted is not timely or is found by ESD to be inadequate, ESD shall notify the Bidder and direct the Bidder to submit, within five (5) business days, a request for a partial or total waiver of MWBE participation goals. Failure to file the waiver form in a timely manner may be grounds for disqualification of the bid or proposal.

ESD may disqualify a Bidder as being non-responsive under the following circumstances:

a) If a Bidder fails to submit a MWBE Utilization Plan;

b) If a Bidder fails to submit a written remedy to a notice of deficiency;

c) If a Bidder fails to submit a request for waiver; or

d) If ESD determines that the Bidder has failed to document good faith efforts.
The Contractor will be required to attempt to utilize, in good faith, any MBE or WBE identified within its MWBE Utilization Plan, during the performance of the Contract. Requests for a partial or total waiver of established goal requirements made subsequent to Contract Award may be made at any time during the term of the Contract to ESD, but must be made no later than prior to the submission of a request for final payment on the Contract.

The Contractor will be required to submit a Contractor’s Quarterly M/WBE Contractor Compliance & Payment Report to the ESD, by the 10th day following each end of quarter over the term of the Contract documenting the progress made toward achievement of the MWBE goals of the Contract.

**Equal Employment Opportunity Requirements**

By submission of a bid or proposal in response to this solicitation, the Bidder/Contractor agrees with all of the terms and conditions of Appendix A – Standard Clauses for All New York State Contracts including Clause 12 - Equal Employment Opportunities for Minorities and Women. The Contractor is required to ensure that it and any subcontractors awarded a subcontract over $25,000 for the construction, demolition, replacement, major repair, renovation, planning or design of real property and improvements thereon (the "Work"), except where the Work is for the beneficial use of the Contractor, undertake or continue programs to ensure that minority group members and women are afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex, age, disability or marital status. For these purposes, equal opportunity shall apply in the areas of recruitment, employment, job assignment, promotion, upgrading, demotion, transfer, layoff, termination, and rates of pay or other forms of compensation. This requirement does not apply to: (i) work, goods, or services unrelated to the Contract; or (ii) employment outside New York State.

The Bidder will be required to submit a Minority and Women-Owned Business Enterprises and Equal Employment Opportunity Policy Statement, Form OCSD-1, to ESD with their bid or proposal.

To ensure compliance with this Section, the Bidder will be required to submit with the bid or proposal an Equal Employment Opportunity Staffing Plan (Form OCSD-2) identifying the anticipated work force to be utilized on the Contract. If awarded a Contract, Bidder shall submit a Workforce Utilization Report (Form OCSD-3) and shall
require each of its Subcontractors to submit a Workforce Utilization Report, in such format as shall be required by ESD on a quarterly basis during the term of the contract.

Further, pursuant to Article 15 of the Executive Law (the “Human Rights Law”), all other State and Federal statutory and constitutional non-discrimination provisions, the Contractor and sub-contractors will not discriminate against any employee or applicant for employment because of race, creed (religion), color, sex, national origin, sexual orientation, military status, age, disability, predisposing genetic characteristic, marital status or domestic violence victim status, and shall also follow the requirements of the Human Rights Law with regard to non-discrimination on the basis of prior criminal conviction and prior arrest.

Please Note: Failure to comply with the foregoing requirements may result in a finding of non-responsiveness, non-responsibility and/or a breach of the Contract, leading to the withholding of funds, suspension or termination of the Contract or such other actions or enforcement proceedings as allowed by the Contract.

Respondents must submit the Offerer Disclosure of Prior Non-Responsibility Determinations, and the Offerer’s Affirmation of Understanding of and Agreement pursuant to State Finance Law as part of their submittal.

The Procurement Requirements also require ESD and ECHDC staff to obtain and report certain information when contacted by prospective bidders during the restricted period, make a determination of the responsibility of bidders and make all such information publicly available in accordance with applicable law. If a prospective bidder is found to have knowingly and willfully violated the State Finance Law provisions, that prospective
bidder and its subsidiaries, related or successor entities will be determined to be a non-responsible bidder and will not be awarded any contract issued pursuant to this solicitation. In addition, two such findings of non-responsibility within a four-year period can result in debarment from obtaining any New York State governmental procurement contract.

For the purpose of compliance with State Finance Law Sections 139-j, contact with Kaitlin McGee Chmura, Project Manager of ECHDC is considered permissible. Contact information for Ms. Chmura is provided in Section IX.

This is not a complete presentation of the provisions of the Procurement Requirements. A copy of State Finance Law Sections 139-j and 139-k can be found at:

6. Vendor Responsibility

ESD ask vendors to register in the State’s Vendor Responsibility System (VendRep System). The VendRep System allows business entities to enter and maintain their Vendor Responsibility Questionnaire information in a secure, centralized database. New York State Procurement Law requires that state agencies award contracts only to responsible vendors. Vendors are asked to file the required Vendor Responsibility Questionnaire online via the New York State VendRep System or may choose to complete and submit a paper questionnaire. To enroll in and use the New York State VendRep System, see the VendRep System Instructions available at www.osc.state.ny.us/vendrep or go directly to the VendRep system online at https://portal.osc.state.ny.us. For direct VendRep System user assistance, the OSC Help Desk may be reached at 866-370-4672 or 518-408-4672 or by email at helpdesk@osc.state.ny.us. Vendors opting to file a paper questionnaire can obtain the appropriate questionnaire from the VendRep website http://www.osc.state.ny.us/vendrep/forms_vendor.htm and execute accordingly pertaining to the company’s trade industry.

7. Project Sunlight

Under the Public Integrity Reform Act of 2011, “appearances” (broadly defined and including any substantive interaction that is meant to have an impact on the decision-making process of a state entity) before a public benefit corporation such as ESD by a person (also broadly defined) for the purposes of procuring a state contract for services as contemplated in this RFP, must be reported by ESD to a database maintained by the State Office of General Services that is available to members of the public. If in doubt as to the applicability of Project Sunlight, Proposers and their advisors should consult the Laws of 2011, Ch. 399 for guidance.

8. Iran Divestment Act

Canalside Wayfinding & Interpretive Signage Project
REQUEST FOR QUALIFICATIONS
As part of ECHDC/ESD procurement guidelines, upon submission of proposal, the prime Consultant shall comply with the Iran Divestment Act. The following language shall be submitted on company letterhead and signed by the Consultant;

"By submission of this bid, each bidder and each person signing on behalf of any bidder certifies, and in the case of a joint bid each party thereto certifies as to its own organization, under penalty of perjury, that to the best of its knowledge and belief that each bidder is not on the list created pursuant to paragraph (b) of subdivision 3 of section 165‐a of the state finance law."

9. Encouraging use of New York State Businesses in Contract Performance

New York State businesses have a substantial presence in State contracts and strongly contribute to the economies of the state and the nation. In recognition of their economic activity and leadership in doing business in New York State, bidders/proposers for this ESD contract for commodities, services or technology are strongly encouraged and expected to consider New York State businesses in the fulfillment of the requirements of the contract. Such partnering may be as sub-contractors, suppliers, protégés or other supporting roles (herein collectively called “Subcontractors”).

Bidders/proposers need to be aware that, if selected through this ESD solicitation, they will strongly encouraged, to the maximum extent practical and consistent with legal requirements, to use responsible and responsive New York State businesses in performing the contract, including without limitation: (i) purchasing commodities that are of equal quality and functionality; and (ii) in utilizing services and technology. Furthermore, bidders/proposers are reminded that they must continue to utilize small, minority and women-owned businesses, consistent with current State law.

Utilizing New York State businesses in State contracts will help create more private sector jobs, rebuild New York’s infrastructure, and maximize economic activity to the mutual benefit of the contractor and its New York State business partners. New York State businesses will promote the contractor’s optimal performance under the contract, thereby fully benefiting public sector programs that are supported by associated procurements.

Public procurements can drive and improve the State’s economic engine through promotion of the use of New York businesses by its contractors. The State therefore expects bidders/proposers to provide maximum assistance to New York businesses in their use of the contract. The potential participation by all kinds of New York businesses will deliver great value to the State and its taxpayers.
Bidders/proposers can demonstrate their commitment to the use of New York State businesses by responding to the questions below:

(A) Do you anticipate the need for Subcontractors fulfilling the requirements of this ESD contract? Yes ☐ No ☐

(B) Will New York State businesses be used in the performance of this ESD contract as Subcontractors? Yes ☐ No ☐

NOTE: If the answer to question (B) is Yes, please identify New York State businesses that will be used and attach identifying information (e.g., name, address, contact information, nature of business).

XI. ATTACHMENTS
   Exhibit A – General Terms and Conditions (including Schedule A)
   Exhibit B – Required Forms
SCHEDULE A

CONDITIONS APPLICABLE TO THE CORPORATION’S AGREEMENTS
FOR MATERIALS/SERVICES

ARTICLE 1
GENERAL TERMS

1.1 THE CORPORATION. As used herein, the “Corporation” shall mean the New York State Urban Development Corporation d/b/a Empire State Development (“ESD”) unless the Contract for Materials/Services of which this Schedule A forms a part has been entered into by a subsidiary entity of ESD, in which case the “Corporation” shall mean such subsidiary.

1.2 SUPERVISION BY THE CORPORATION. The services to be performed by Contractor under this Agreement shall be subject to the general supervision and direction of the Corporation provided that neither the Corporation's exercise nor failure to exercise such supervision and direction shall relieve the Contractor of any of its obligations or responsibilities for its acts or failure to act in regard to this Agreement.

1.3 CONTRACTOR’S REPRESENTATIVE. The Contractor shall designate in writing to the Corporation one individual, satisfactory to the Corporation, who shall be responsible for coordinating all of the services to be rendered by the Contractor and who shall be the Corporation’s normal point of contact with the Contractor on matters relating to such services. Such individual shall be replaced upon the Corporation’s written request.

1.4 CORPORATION’S REPRESENTATIVE. The Corporation shall designate in writing to the Contractor an individual who will serve as the Corporation's Representative and normal point of contact for the Contractor in regard to this Agreement and the Contractor's services and obligations hereunder. The Corporation may from time to time change this designation by written notification to the Contractor.

1.5 CONTRACTORS AS INDEPENDENT CONTRACTOR. Notwithstanding any other provisions of this Agreement, the Contractor's status (and that of any Subcontractor) shall be that of independent contractor and not that of an agent or employee of the Corporation. Accordingly, neither the Contractor nor any Subcontractor shall hold itself out as, or claim to be acting in the capacity of, an employee or agent of the Corporation.

1.6 APPROVAL OF SUBCONTRACTORS. The Contractor shall not employ, contract with or use the services of any consultant, special contractors, or other third parties (collectively "Subcontractor") in connection with the performance of its obligations under this Agreement without the prior written consent of the Corporation. The Contractor shall inform the Corporation in writing of the name, proposed service to be rendered, and compensation of the Subcontractor, and of any interest the Contractor may have in the proposed Subcontractor.
1.7 APPROVALS OR ACCEPTANCE BY THE CORPORATION. Whenever action is to be taken, or approval or acceptance given, by the Corporation, such action, approval or acceptance shall be deemed to have been taken or given only if so taken or given by the Corporation's Representative, by the official of the Corporation who signed this Agreement on behalf of the Corporation, or by another officer or employee of the Corporation duly designated by such signing officer to represent the Corporation in connection therewith. The Corporation shall notify the Contractor in writing of the giving or withholding of each such approval or acceptance within a reasonable period of time. The Corporation's acceptance or approval of any specifications, drawings, plans, reports or other materials prepared by the Contractor hereunder shall in no way relieve the Contractor of responsibility for such materials.

1.8 CONFLICT-OF-INTEREST. The Contractor represents and warrants that:

(a) The Contractor has not now, and will not acquire, any interest, direct or indirect, present or prospective, in the project to which the Contractor's work relates or the real estate which is the subject of the project, or in the immediate vicinity thereof and has not employed and will not knowingly employ in connection with work to be performed hereunder any person or entity having any such interest during the term of this Agreement.

(b) No officer, employee, agent or director of the Corporation, or any of its subsidiaries shall be permitted by the Contractor to share in any benefit to arise from the Contractor's work.

(c) The Contractor shall not permit any officer, employee, agent or director of the Corporation, or any of its subsidiaries to participate in any decision relating to this Agreement which affects the personal interest of the aforementioned individuals, or the interests of any corporation, partnership, or association in which those individuals are directly or indirectly interested; nor shall any officer, agent, director or employee of the Corporation, or any of its subsidiaries be permitted by the Contractor to have any interest, direct or indirect, in this Agreement or the proceedings thereof.

(d) The Contractor shall cause, for the benefit of the Corporation, every contract or agreement with any Subcontractor to include the representations contained in subsections (a), (b), (c) of this Section 1.8. The Contractor will take such action in enforcing such provisions as the Corporation may direct, or, at its option, assign such rights as it may have to the Corporation for enforcement by the Corporation.

1.9 NO BROKER. The Contractor represents that it has not employed any person, corporation or partnership, to solicit or procure this Agreement, and has not made, and will not make, any payment or agreement for the payment of any commission, percentage, brokerage or contingent fee, or other compensation in connection with the procurement of this Agreement.

1.10 NOTICE OF OVERRUNS AND DELAYS. The Contractor shall promptly give written notice to the Corporation's Representative of the occurrence of an event or action, the discovery of a condition or the failure of an event or action to occur or a condition to exist as anticipated, which may result in an
increase in: (a) the compensation due Contractor; (b) reimbursable expenses; (c) the number of hours necessary to perform the work; and/or (d) which may delay completion of the work or extend the Completion Date.

**ARTICLE 2**
**DOCUMENTS AND RECORDS**

2.1 **OWNERSHIP OF DOCUMENTS AND OTHER MATERIALS.** All originals and negatives of all plans, drawings, reports, photographs, charts, programs, models, specimens, specifications, and other documents or materials required to be furnished by the Contractor under this Agreement including drafts and reproduction copies thereof, shall be and remain the exclusive property of the Corporation, and the Corporation shall have the right to publish, transfer, sell, license and use all or any part of such reports, plans, drawings, specifications and other documents without payment of any additional royalty, charge or other compensation to Contractor. Upon request of the Corporation during any stage of the work, Contractor shall deliver all such materials to the Corporation. The Contractor further agrees that it shall not publish, transfer, license or, except in connection with carrying out its obligations under this Agreement, use or reuse all or any part of such reports and other documents, including working papers, without the prior written approval of the Corporation, except that Contractor may retain copies of such reports and other documents for general reference use.

Said time records shall specify the dates and numbers of hours or portions thereof of spent by Contractor (and Subcontractor) in performing its obligations hereunder (or under any subcontract). Contractor (and Subcontractor) shall make such books, records and indexes available to the Corporation, the State of New York, any other governmental entity having an interest in the performance of services under this Agreement (or any subconsulting agreement) and any of their authorized representatives for review and audit at all such reasonable times as the Corporation or any such other entity may from time to time request. Contractor shall submit duplicate copies of time records and substantiation of out-of-pocket expenses at the time of submission of Contractor invoices in accordance with this Agreement.

In the event of such termination, the Corporation, without waiving any such remedy or claims, (including consequential damages) shall not be required to pay the Contractor any portion of the fee specified in this Agreement remaining to be paid for which valid vouchers have not been submitted pursuant to this Agreement on or before the date of the Corporation's notice of termination.

3.2 OPTIONAL TERMINATION BY THE CORPORATION. The Corporation at any time, in its sole discretion and with or without cause, may terminate this Agreement or postpone or delay all or any part of the Agreement upon written notice to the Contractor. In the event of such termination, postponement or delay, the Corporation shall pay the Contractor for professional time and out-of-pocket expenses incurred by Contractor to the date that notice of such action is received by Contractor. The Contractor agrees to cause any agreement or contract entered into by Contractor with any Subcontractor to provide for an optional termination by Contractor consistent with the provisions of this Section 3.2.

4.1 Notwithstanding anything to the contrary contained herein, Contractor shall be responsible for all injuries to persons (natural and otherwise), including without limitation death, and all physical and other damage(s) sustained by persons while performing or resulting from the performed work under this Agreement, if and to the extent the same results from any act, omission, negligence, fault or default of Contractor or Subcontractors, or their employees, agents, servants, independent contractors or subcontractors retained by Contractor pursuant to this Agreement.

4.2 Contractor agrees to defend, indemnify and hold harmless the Corporation, the State of New York and, if the Corporation is an ESD subsidiary, ESD and each of their respective officers, directors, commissioners, employees and representatives (collectively, the “Indemnitees”) from any and all claims, judgments and liabilities, including but not limited to, claims, judgments and liabilities for

4.3 Contractor shall be solely responsible for the safety and protection of all its Subcontractors, or the employees, agents, servants, independent contractors, or subcontractors of Contractor or its Subcontractors, and shall assume all liability for injuries, including death, that may occur to said persons due to the negligence, fault or default of Contractor, its Subcontractors, or their respective agents, employees, servants, independent contractors or subcontractors.

OTHER STANDARD PROVISIONS

6.1 **NO WAIVER.** No failure by the Corporation to insist upon the strict performance of any term or condition of this Agreement or to exercise any right or remedy consequent upon a breach thereof, and no acceptance of full or partial performance during the continuance of any such breach, shall constitute a waiver of any such breach or such term or condition. No term or condition of this Agreement to be performed or complied with by Contractor, and no breach thereof, shall be waived, altered or modified except by a written instrument executed by the Corporation. No waiver of any breach shall affect or alter this Agreement, but each and every term and condition of this Agreement shall continue in full force and effect with respect to any other then existing or subsequent breach thereof.

Notwithstanding the foregoing, such prior written consent of an assignment of a contract let pursuant to Article XI of the State Finance Law may be waived at the discretion of the contracting agency and with the concurrence of the State Comptroller where the original contract was subject to the State Comptroller’s approval, where the assignment is due to a reorganization, merger or consolidation of the Contractor’s business entity or enterprise. The Corporation retains its right to approve an assignment and to require that any Contractor demonstrate its responsibility to do business with the State. 6.6 **CONFIDENTIALITY.** Contractor hereby agrees that all data, recommendations, reports and other materials developed in the course of performance under this Agreement are strictly confidential between Contractor and the Corporation and Contractor may not at any time reveal or disclose such data, recommendations or reports in whole or in part to any third party without first obtaining permission from the Corporation. Notwithstanding the preceding sentence, Contractor shall cooperate fully with such third parties as the Corporation may designate by written request. Such cooperation shall include making available to such parties, data, information and reports used or developed by Contractor in connection with performance under this Agreement.

6.7 **RELEASE AND DISCHARGE.** Simultaneously with request for final payment hereunder, Contractor shall execute and deliver to the Corporation an instrument releasing the Corporation from any and all claims, demands and liabilities whatsoever of every kind of nature both at law and in equity arising from, growing out of, or in any way connected with this Agreement. Any such notice shall be deemed to have been given either at the time of personal delivery or, in the case of expedited delivery service or certified or registered United States mail, as of the date of first attempted delivery at the address and in the manner provided herein, or in the case of facsimile transmission or email, upon receipt.

6.9 **NO ARBITRATION.** Disputes involving this contract, including the breach or alleged breach thereof, may not be submitted to binding arbitration (except where statutorily mandated), but must, instead, be heard in a court of competent jurisdiction of the State of New York.

Model Language to Obtain the Offerer Disclosure of Prior Non-Responsibility Determinations

Background:

Under New York State Finance Law § 139-k(2), covered governmental entities are obligated to obtain specific information regarding prior non-responsibility determinations. This information must be collected in addition to the information that is separately obtained pursuant to State Finance Law § 163(9). In accordance with State Finance Law § 139-k, an Offerer must be asked to disclose whether there has been a finding of non-responsibility made within the previous four (4) years by an Governmental Entity due to: (a) a violation of State Finance Law § 139-j or (b) the intentional provision of false or incomplete information to a Governmental Entity. The terms “Offerer” and “Governmental Entity” are defined in State Finance Law § 139-k(1). State Finance Law § 139-j sets forth detailed requirements about the restrictions on Contacts during the procurement process. A violation of State Finance Law § 139-j includes, but is not limited to, an impermissible Contact during the restricted period (for example, contacting a person or entity other than the designated contact person, when such Contact does not fall within one of the exemptions).

As part of its responsibility determination, a covered governmental entity must consider whether an Offerer fails to timely disclose accurate or complete information regarding the above non-responsibility determination. In accordance with law, no Procurement Contract shall be awarded to any Offerer that fails to timely disclose accurate or complete information under this section, unless a finding is made that the award of the Procurement Contract to the Offerer is necessary to protect public property or public health safety, and that the Offerer is the only source capable of supplying the required Article of Procurement within the necessary timeframe.

Instructions:

A Governmental Entity must include a disclosure request regarding prior non-responsibility determinations in its solicitation of proposals or bid documents or specifications or contract documents, as applicable, for procurement contracts.
