Additional information

Accrued Retirement Benefits for Directors and Statutory auditors
Until the year ended March 31, 2007, the Company expensed retirement benefits for directors and statutory auditors to income when general shareholders’ meetings approved resolutions for the payments of those benefits. However, a resolution was approved at the general shareholders’ meeting held on June 20, 2007 that retirement benefits for directors and statutory auditors in response to the discontinuation of such system to be paid to the relevant directors and statutory auditors when they retire. Accordingly, the Company recognized the amount of expected payments for this purpose as a special loss and included the outstanding balance in “Other long-term liabilities” for the fiscal year ended March 31, 2008.
