EAS - Chubb’s Online Enrollment System

Introduction

What is the enrollment system?
Chubb’s enrollment system provides a fast and easy way for agency employees to obtain User IDs for Chubb’s secure Internet platform, referred to as @chubb.

Each agency will designate an Agency Administrator who will have the authority to request new User IDs, revoke existing IDs and perform other User ID maintenance functions.

This guide explains and illustrates each of the User ID enrollment functions to which the Agency Administrator has access.

How does the enrollment process work?
When the Agency Administrator requests a User ID via the Online Enrollment system, a message is sent to the local Chubb branch office, where the Marketing or Branch Assistant will obtain the necessary approval. Approvals are confirmed via a return email to the Agency Administrator with the new user’s ID. A separate email is sent to the new user that contains the password required for system access.

We expect that the approval process should take no longer than two business days. A confirmation letter with the new User ID and password is mailed via US Postal Service. You may also call your branch for special situations.

The Agency Administrator also has authority for revoking User IDs in situations, namely when individuals leave the employment of the agency. This takes effect immediately and is an important aspect of the Agency Administrator’s responsibility.

Introduction

A User ID and Password are necessary in order for any individual to access the @chubb platform. You request this through Chubb’s Online Enrollment System. It’s easy and it’s fast. The following procedure and step-by-step detail tells you how it is done.

How to Login
1. Open Internet Explorer and type: www.chubb.com
2. Click @chubb Log-In
   The @chubb login window displays.
3. Type your User ID and Password in the fields provided and click
4. From the main menu, navigate to the Administration drop-down and click on EAS - Enrollment System.
5. The Request New User, Update User or Revoke User(s) window displays. (See buttons at the bottom of the page)
   Click Request New User, Update User or Revoke User(s).

See specific procedures for each in the remainder of this booklet.
Requesting a New User

**STEP 1**
Click **Request New User**
The *Request for New Account* window displays.

**New User Information**
Steps 2 - 7

**STEP 2**
Click **First Name** field and type the user’s first name.
Maximum is 20 characters.

**STEP 3**
Click **Last Name** field and type the user’s last name.
Maximum is 20 characters.

**STEP 4**
Click **Email Address** field and type the user’s email address.
*TIP:* This is a required field and must be completed.

**STEP 5**
Click **Confirm Email** field and type the same Email address again.

**STEP 6**
**Business City**
Click **Business City** field and type the user’s business city. Maximum is 20 characters.

**STEP 7**
**Business State**
Click **Business State** field and type the user’s business state. Maximum is 20 characters.

**STEP 8**
**Role Description**
Click the **Assign** column and put a [ ] (check mark) in the box to the right of the **Role** the user desires.
Minimum is one role or access (or one check mark).
Requesting a New User (continued)

STEP 9  Select Producer Numbers

Click the Assign column and put a ☑ (check mark) in the box of the Producer Number the user desires. At least one Producer Number must be selected. You may select “All” to select all producer numbers or “None” to clear all checkboxes. To “unselect” a producer code, simply click in the checkbox already checked.

Tips:
Multiple Personal Lines roles cannot be selected for the same person. Clicking ROLE DESCRIPTION provides an online description of each role. This can help you decide which role(s) to assign a new user.

STEP 10  Click

Click to display a list of users including the one just added.

NEXT STEPS

Within two business days, you will receive an email from the branch containing the user ID for the requested user. The new user will receive a separate email with their new password.

Note: As the administrator, you can see a list of your individual users and the status of a recent request on the main menu page.
Updating a User

Introduction
You may only update two things for a user
- Role (Access)
- Producer Code Number

Role (Access)
You may need to change a user from one role to another or add an additional role. Initially, everyone receives the "Agent Universal" access that provides entry to:
- Chubb News
- Claims Applications

Adding an additional role is easily accomplished by simply clicking the appropriate box opposite the requested role(s). Changing a role may require clicking in the box to eliminate a check mark and clicking another box to request the new role.

Producer Code Number
It may also be necessary to change an individual from one producer code number to another as responsibilities in your agency change. To do this, simply click once in the box no longer required and click again in the required box. Step-by-step directions are provided.

Note: When adding a user for the first time, the user automatically receives all of the producer code numbers that you, as an admin, have access to within the system. If the user should not have all of these code numbers, once the request has been approved by the local branch office, you, as the admin, need to perform an update to the individual’s access by following the above steps.

Individual User’s Profile
It is also possible that a user may come to you wanting a name change or other personal information change. This needs to be done by the individual user. Refer them to the “Change Profile” selection on the EAS Enrollment page. They can make the appropriate change there.
Procedure for Updating a User

STEP 1  Click the **Update/Revoke** column and put a ✅ (check mark) in the box to the right of the user who requires updating.

STEP 2  Click **Update User**

The **Update User** window displays for the selected person.

- **User Information**
  - **Name**
  - **Role Description**
    See Step 4
  - **Producer Code Number**
    See Step 5

For a detailed description of the above roles, please click **ROLE DESCRIPTION**.

Requested updates to John Q. Smith have been accepted.
If requesting a new role, please allow 24 - 48 hours for your local branch office to review the request. Once this request has been processed you will receive a confirmation via email.
To return to the Chubb Online Enrollment System, please click the close button.

Click **Return to User List**.
A list of users including the one updated displays.
Revoking a User(s)

Introduction
Revoking a user(s) means that you no longer want this person to have access to the Chubb tools. There are many reasons for revoking someone. For example, the person has left the agency, or been given other responsibilities, etc. Regardless of the reason, the process for revoking a user is the same.

Revoking a User(s) Procedures

STEP 1 Click the Update/Revoke column and put a ✔ (check mark) in the box to the right of the user who requires updating.

Special Notes:
Defining Agency Preferences (Personal Lines Only)

Introduction
Completing this section of the enrollment system allows Chubb to send information that you want to see at the location you want to receive it. In addition, it may allow Chubb to co-brand our online services with your agency providing seamless customer service to your clients.

The following information is completed (if available) about your agency:

- Email address
- Web site address
- Logo
- Communication preferences (kinds of Chubb communications desired)
- Email address from communications
