Office Policy Manual Guide

Purpose of the Office Policy Manual Guide

The Office Policy Manual Guide is designed as a tool to assist brokers who are drafting or revising office manuals. The Mississippi Association of REALTORS® provides this material solely as a guide and highly recommends the review of your legal counsel and tax professional before implementing your finished Office Policy Manual.

Goals of an Office Policy Manual

1. A clear associate relationship to the broker is established pertaining to the rights and responsibilities owed between both parties.
2. By providing standard operating procedures, disputes can be avoided and proactively addressed through the implementations of standard practice and procedures.
3. Productivity can be enhanced when the processes are clearly identified and laid out in a manner that makes them second nature.

Implementation of an Office Policy Manual

1. Upon the new affiliation between the associate and broker, each associate's orientation should include a copy of the Office Policy Manual including a signed acknowledgement that the associate has read and understands the material set forth. You should also reserve the right to amend and make changes to policies.
2. The contents should be reviewed in a formal atmosphere setting in which the material has been fully presented and the associate understands the policies. Regular staff meetings provide ideal times to review your Office Policy Manual. If you have a formal orientation for new associates, this is considered an ideal time for presenting the Office Policy Manual.

All new associates should be trained on the policies set forth in the manual.

Resolution of Disputes
Misunderstandings about brokerage prospects or sales are to be handled through the following processes to negotiate an equitable resolution.

What Constitutes a Dispute?
Disputes are disagreements between associates in regards to:

  • The equitable right to work with a certain prospect
  • The right to a split of commission or fee when more than one associate knowingly or unknowingly works with the same customer/client
  • The percentage split of commission or fee earned when two associates have worked with the same customer/client

Intra-office Disputes Between Associates
First and foremost, the associates in conflict must try to come to an agreeable mutual settlement.

In the event the associates cannot meet a satisfactory agreement, the broker shall hear both sides of the argument in a meeting with the involved parties. If a legitimate dispute exists, the broker will make a
determination of action to follow. In the event the broker’s action is not satisfactory, a committee of three neutral associates of the firm shall be appointed by the broker to act as jury and render a final decision (based on the majority vote of the committee). All intraoffice disputes must be reported promptly to the broker. Personal disagreements not involving business related matters are not the responsibility of the broker. However, in an effort to promote goodwill, the broker can counsel the aggrieved parties.

Disagreement between Broker and Associate
Disagreements or disputes between associate and broker pertain to:

- A conflict arising out of, or in connection with, their business relationship and dealings
- The company policy
- Transactions or real estate laws
- Any real estate business related practice unresolved between the associate and broker will be submitted to arbitration by an agreed upon chosen arbitrator. The arbitrator’s decision shall be final and the broker and associate must abide by the decision of the arbitrator.

Independent Contractor
Definition
The relationship of the associate to the broker is that of an independent contractor. This relationship affords the associate maximum freedom and flexibility. It is established and described in a contract and includes how listings and compensation will be handled in the event that the associate leaves the company. It must be signed by the associate and is included upon affiliation with the broker.

To meet state and federal requirements, an associate is an independent contractor if:

- The associate holds a valid real estate license.
- Substantially all of the sales associate’s income performed as a real estate agent (90% or more) is directly related to sales or other output rather than to the number of hours worked.
- The associate holds a written agreement which specifically states that the associate will not be treated as an employee for federal and state tax purposes with respect to services performed as a real estate agent.

Independent Contractor's Agreement
Upon affiliation with this broker, the associate shall enter into a written Independent Contractor's agreement with the broker setting forth the duties and responsibilities of both parties. This agreement shall include, but shall not be limited to, the following:
• The terms of compensation for work performed during the time of affiliation with the broker.
• The terms of compensation for work in progress but not completed prior to termination of affiliation with the broker.
• The disposition after termination of affiliation of all active listings, buyer agency contracts, and pending sales the associate obtained during affiliation with the broker.
• A written accounting to the broker, at the time of termination of affiliation, of the names of all prospective purchasers, sellers, lessees and lessors which the associate encountered during affiliation with the broker.
• A provision for the return to the broker, at the time of termination of affiliation, all property of the broker in associate possession or control, including but not limited to: all property files, computerized files, keys, for sale signs, notebooks, lock boxes and records of any kind used in connection with the listing and sale or leasing of property.

Tax Filing Requirements
Each associate is responsible for maintaining the necessary personal financial records for purposes of reporting income for state and federal tax requirements. The broker's obligation is limited to providing a W-2 form which summarizes any annual non-production income and must have Social Security payments withheld from any non-production income, to which the broker also contributes. Otherwise, the broker is not liable for deduction of Social Security, or income or unemployment taxes for any production based income.

Workers' Compensation Requirement
According to Mississippi state law, as long as the broker has a valid independent contractor agreement with an associate and adheres to the requirements of the Tax Equity and Fiscal Responsibility Act of 1982, the broker is not responsible for paying Workers' Compensation Insurance. The broker/employer must maintain Workers' Compensation Insurance for all workers/staff classified as employees under worker's compensation program guidelines.

Broker Authorization to Contract
The obligation, commitment, or binding of a promise or representation by the broker is not valid unless the associate receives authorization from the broker in writing and provided the associate is authorized to execute listing contracts, buyer/seller agency contracts, and other approved forms on behalf of the broker and that the commission involved in the transaction is not less than that specified by the broker.

Authority to terminate a listing contract, buyer/seller agency contract, or other agency agreement, or make amendments to the contract that alter the term and/or change the amount of compensation established in the contract is prohibited unless such request is first presented to the broker or manager of the company who is authorized to execute such terminations and amendments and grants authorization in writing.
Discrimination Issues

Federal Fair Housing Laws

It is illegal to discriminate against any person because of age, race, creed, color, religion, sex, handicap, familial status or national origin:

- In the sale or rental of housing or residential lots
- In advertising the sale or rental of housing
- In the financing of housing
- In the provision of real estate brokerage services
- In the appraisal of housing
- Blockbusting is also illegal

REALTORS® are not asked to sign a document with HUD to demonstrate a commitment to fair housing. That commitment is part of the REALTOR® Code of Ethics, real estate license requirements and the laws of the land. Because there is no document to sign, there is no list or form outlining what every REALTOR® should do. Instead, NAR and HUD developed a declaration of general fair housing principles. This Fair Housing Declaration is available to any REALTOR® to use to promote fair housing to the public and within the firm. The declaration contains the following principles:

- Provide equal professional service without regard to the race, color, religion, sex, handicap, familial status, or national origin of any prospective client, customer, or of the residents of any community.
- Keep informed about fair housing law and practices, improving your clients’ and customers’ opportunities and your business.
- Develop advertising that indicates that everyone is welcome and no one is excluded; expanding your client’s and customer’s opportunities to see, buy, or lease property.
- Inform your clients and customers about their rights and responsibilities under the fair housing laws by providing brochures and other information.
- Document efforts to provide professional service, which will assist you in becoming a more responsive and successful REALTOR®.
- Refuse to tolerate noncompliance.
- Learn about those who are different from you, and celebrate those differences.
- Take a positive approach to fair housing practices and aspire to follow the spirit as well as the letter of the law.
- Develop and implement fair housing practices for your firm to carry out the spirit of this declaration.

A commitment to principles cannot be complete unless there are procedures in place and in use to address how those principles are to be implemented.
Nothing substitutes for clear procedures outlining how to do business. These procedures can and should be tailored for you and your firm and should be flexible to meet your needs as well. Sample procedures are available in the NAR *Fair Housing Handbook.*

**Discrimination Accusations**
An investigation by the broker will follow for any accusation of discrimination. If the investigation confirms a violation of discrimination, the associate’s actions will be reported to the MREC for further investigation and necessary disciplinary action. Affiliation with the broker may be terminated.

**Harassment**
Professional behavior is a requirement around your fellow associates, brokers, managers, company employees, staff and customers. In the event an employee, associate, or any other staff person feels that he or she has been harassed, the incident must be reported immediately to the office manager or broker. The anonymity of the accuser, as well as the accused, shall be held in confidentiality by the manager and/or broker. An investigation will commence and a written report will be filed. If the allegation involves the manager or broker as the accused of such action, an outside investigator may be retained. Retaliation against complainants is strictly prohibited. Any employee, associate or staff found guilty of engaging in harassment may be subject to disciplinary action up to and including reprimand, counseling, suspension, and termination.

The last person leaving the office must make sure that all accesses into the building are firmly secured, all lighting and business equipment and appliances are turned off, and that the security alarm is activated before leaving the building.

Office Appearance
A cleaning service is contracted by the broker to do general cleaning of the building on weekly basis. However, it is your responsibility to keep your work area clean, tidy, and professional in appearance. Any conference or meeting areas used must be reorganized and cleaned after usage including turning off lights and appliances.

In addition to MLS-like marketing opportunities, the Internet provides an unlimited resource tool for access to and delivery of information and interpersonal contacts. When properly utilized, it can increase our capabilities and efficiency. However, access to the Internet also carries with it significant risks and potential problems including non-secure transfer of data and non-reliability and accuracy of information found on the Internet. Associates must have written approval from their immediate supervisor to access the Internet via brokerage facilities. All of the previous provisions of this policy apply to access to and use of the Internet.

Most Internet communications are not secure. The Internet should not be used for communications that require confidentiality or involve financial transactions without both ensuring the security of the communication via an accepted mechanism and receiving written approval from the associate's or employee's immediate supervisor for such communications.

Use of the Internet also requires conformance to certain etiquette as recognized by other users of the Internet. When using the Internet, associates are to conduct themselves as "ambassadors" of the broker and must show consideration and respect to others. Do not swear, use vulgarities or any other inappropriate language in your messages. Transmission or importing of any material or data in violation of any federal or state law or regulation is prohibited, including, but not limited to, copyrighted material, threatening, pornographic, or obscene material, or information constituting trade secrets. It is the responsibility of each associate to ensure that use of the Internet is done responsibly and economically, and that access to the Internet services does not adversely affect his/her productivity.

Summary
The information systems provided to you as associates of broker are powerful business tools, intended to enhance and not detract from your productivity, and to be used solely for business purposes. We live in the "Age of Technology" in which the dynamics of information systems will change drastically and quickly. The information systems policy is an attempt to identify some major issues that we see today. However, the evolution of this policy will be constant due to technology changes that occur every day. Any suggestions for the enhancement of the information system are gladly received.

Maintaining Contact with the Office
In the course of business, it is necessary for associates to be away from the office. However, the associate must provide a means of communication for the receptionist to contact the associate. A register to sign IN and OUT of the office is in place for all associates to use when leaving the business premises during work hours. When associates are absent from the office, they should:
• Contact the office receptionist or leave a message with their personal assistant
• Sign the IN/OUT register

Drug and Alcohol Use
Substance Use
Drug and alcohol use are strictly prohibited while engaged in real estate brokerage transactions and shall not be present or used during work hours unless medically prescribed and under the supervision of the associate's health care provider. Any situations in which duties cannot be properly performed without the assistance of prescribed medication must be reported to the broker. Drug and alcohol use in the workplace may be grounds for termination.

Client or Customer Substance Use
An associate should also discourage the use of drugs or alcohol by any party during a transaction. Upon discovering that a party is under the influence of either drugs or alcohol, the associate should take appropriate action to terminate that day's activity and suggest that they discuss or complete the transaction another time.

Smoking
Designated smoking areas are to be used for smoking. All other areas are considered non-smoking areas. In the presence of parties to transactions, while taking property tours, and while meeting in the broker's facility, smoking is not permitted.

Legal and Tax Advice Prohibited
Legal Advice
No associate shall give legal advice to a party, offer opinion, or give advice regarding legal rights or obligations of a party. Parties may be referred to the default section in the Offer to Purchase form and advised to consult with their own attorneys. The associate also may explain the preprinted provisions of the standard listing and Offer to Purchase and any other approved forms the parties may be asked to complete and/or sign.

Tax Advice
No associate shall give tax advice to a party, including advice pertaining to deductions, exemptions, and/or tax liabilities resulting from the purchase or sale of real estate. If a tax question arises beyond the scope of real estate practice, and an explanation is asked for, the associate should suggest that the party consult an attorney, tax accountant or other appropriate expert having expertise in the area addressed by the client's or customer's question.
Problem Reporting Procedures
Immediately report problems to the broker that pertain to:

• A party having complaints involving real estate transactions
• Automobile accidents occurring while the associate is participating in real estate brokerage transactions
• Criminal charges against the associate, with the exception of traffic offenses
• Civil lawsuits or administrative actions involving real estate brokerage transactions
• MREC contacts concerning disciplinary actions or other purposes
• Party default under an accepted contract
• Threatened legal or administrative actions involving the parties and/or a real estate transaction
• Acts of discrimination committed by associates or parties to transactions
• Unresolved disputes between associates, within or outside the office
• Physical injuries within the office or while in performance of services or duties in the name of the broker
• Local Board/Association contacts concerning disciplinary action or other purposes

Contacting the Broker
Emergency Contacts
The broker generally will be available during work hours to discuss real estate matters. In the case of an emergency, the broker may be contacted at his home after business hours.

If the broker cannot be reached, the associate should not act until he or is able to contact the broker; however, if the emergency pertains to the wording of a contract, a protective clause to the effect that "this contract is subject to the review and approval of legal counsel within (an agreed upon time frame) acceptance of this offer" should be inserted in the contract.

Confidentiality
All records of this office, as well as conversations between associates, broker and associates, and associates and parties to the transaction, are considered confidential. No files shall be removed from this office without the permission of the broker and no other information obtained while working for this company shall be used to the detriment of the broker.

All associates shall also be obligated to honor the confidential information of any client or non-client party to any transaction, as designated in writing on an Agency Disclosure Forms or other documents. All documents containing a party’s confidential information shall be kept by the office manager in a special locked file to guard against any unauthorized sharing of this information. Access to this information shall be limited to the associate working with the party.

Office Duty Time
Purpose
The primary purpose of office duty time is to provide back-up for the receptionist in answering questions regarding real estate practices, to be available to discuss current listings, and to handle real estate related inquiries and walk-ins. It is the policy of the broker that real estate inquiries from prospective purchasers and sellers be answered by an associate, whenever possible.

Rotation
The basis for selection of associates for office duty time is by a list of volunteers, from which a roster is prepared and published monthly. These associates perform office duty time according to their turn on the roster. Those who have volunteered and are scheduled are expected to take their turn or provide a replacement.

Sales Meetings
Purpose
Sales meetings are conducted weekly. Any company policy, company happenings, changes in the market, new financing procedures, law changes, etc. will be discussed during these meetings. The purpose of the sales meetings is to keep the associates abreast of all facets of real estate happenings. They are training periods, round table discussion periods, and Q&A sessions concerning policies, new listings and requests for specific properties made by prospective purchasers.

Attendance Requirements
Sales meeting attendance is expected of all associates. Mandatory attendance of sales meetings covering real estate law and license law matters is required unless excused by the broker. These meetings will be announced in advance to permit associates to make necessary adjustments in their appointment scheduling. Sales meetings will be held each (insert day of the week) at (insert time) a.m. in the (insert location) room.

3.22
Observance of Safety Practices
All associates are encouraged to be aware of unsafe situations and prepare themselves to avoid unsafe practices. Some suggestions are:

- Get a prospect’s full name, address and telephone number at the first meeting. Ask to see their driver’s license and jot down the driver’s license number and the date of birth.
- If you are meeting for the first time, or are otherwise concerned about a buyer or seller, ask the broker, another associate or a personal assistant to accompany you.
- Always have your buyers and sellers meet you at the real estate office, never at a vacant property, and use your car or take separate cars.
- While showing a property, unlock the door and allow the prospects to enter first, keeping them in front of you at all times.
- Don't carry a lot of cash or wear expensive jewelry during showings and open houses.
- When leaving the office, always let someone know where you will be and how you can be reached.
- Use caution and sound judgment. DO NOT put yourself in an unsafe or compromising position.

Vacation/Leave Time for Associates
The broker does not control associate’s time off except that associates must make themselves available for mandatory meetings, tours, etc., discussed in previous policy statements. However, if an associate plans to be absent from the office (i.e., out of town) for any period of time, he or she must inform the broker. Additionally, another associate must be scheduled to cover for the associate during this absence. Failure to arrange coverage by another associate will require broker to make necessary assignments and determine the appropriate commission split, if applicable.

Sign Policy
Sign Riders
The broker requires that all associates use uniform name signs or sign riders. To insure uniformity, these sign riders will be ordered by the office secretary at the associate’s expense. Sign riders will be stored (insert location). Sign riders will be placed on the (insert location) portion of the yard sign.

Direction Signs
Directional signs will be purchased by the broker and will be used to direct prospective buyers to the property. Directional signs will be stored (insert location) and may be charged back to the associate.

Sold and Offer Pending Signs
Only after all contingencies of the offer have been waived or satisfied and after obtaining the permission of the seller may "Sold" signs be posted.
"Offer pending" or similar signs may be posted, with the seller's permission, after acceptance of an offer but prior to waiver or satisfaction of contingencies. Sold and Offer Pending signs will be stored (insert location). Sold signs may remain on the property for up to (insert) days after closing provided that the consent of the new owner (buyer) has been obtained.

**Expired Listings**
Without a current listing contract, signs are not to be left on the property. Signs from expired listings must be removed within two days after expiration or closing.

**Employee Office Hours**
Office hours are:

- Mondays-Fridays: (insert time)
- Administrative Staff: (insert time)

- Saturdays & Sundays: (insert time)
- Administrative Staff: (insert time)

**Observed Holidays**
The following holidays will be observed: (list all holidays)

All associates are provided with office keys and may use the office at their own discretion.

**Legal Assistance for Associates**

**Legal Counsel Involvement**
If a question arises in which the associate feels that legal advice must be obtained, the associate will inform the broker at which time the broker shall make the decision as to whether legal consultation is necessary. If legal consultation is required, the broker will consult with the attorney. Failure to follow these procedures, will exempt the broker from responsibility of any legal expenses incurred.

**Lawsuits and Threats of Action**
If the associate is sued or threatened with a lawsuit or administrative action in conjunction with a real estate transaction, immediate attention of the broker is required. The broker will then report the suit to the errors and omissions insurance carrier. The responsibility as to payment of legal fees will be determined on a case-by-case basis between the broker and associate.
Arbitration
In matters of arbitration, an attorney may be employed at the discretion of the broker. The responsibility as to payment of fees for said attorney will be determined on a case-by-case basis between broker and associate. As required by Article 17 of the Code of Ethics, contractual disputes among REALTORS will be handled through the REALTORS® arbitration or mediation systems.

Code of Ethics & License Law Violations
In matters of alleged violation of the Code of Ethics and/or License Law, an attorney may be employed at the discretion of the broker. The responsibility for payment of such attorney fees will be determined on a case-by-case basis between the broker and associate.

Inspection Services, Surveys, Etc.
Broker shall not be liable to the associate for any expense incurred by the associate unless approved in writing in advance. All inspections and related services, such as well and septic inspections, surveys, etc., are to be ordered in the name of, billed to, and paid by the seller or buyer; billings shall never be made to broker.

Document Control
Document File
The following documents must be placed and maintained in the broker's file:

1. Listing contract or buyer's agency contract
2. Deed
3. Loan information obtained from any lender currently holding a loan on the property
4. Sales contract or lease
5. Appraisal request
6. Loan pay-off letter
7. Closing statement
8. Any other documents, including correspondence, that pertain to the transaction

The associate is responsible for placing documents in the broker's file until the file is closed due to a closing, the expiration of the listing, or the expiration of the agency contract. Closed and expired files are maintained by the office secretary for at a minimum of three years according to MREC regulations.

For the protection of all parties, all agreements shall be in writing and shall be in clear and understandable language expressing the specific terms, conditions, obligations, and commitments of the parties. A copy of each agreement shall be furnished to each party upon their signing or initialing.
**Personal Assistants**

The Mississippi Real Estate Broker License Act of 1954 prohibits the associate from personally employing licensed persons to engage in real estate practice. All personal assistants, whether licensed or unlicensed, shall be employed and supervised according to the terms and conditions set forth in the agreement between the broker and the personal assistant.

**Unlicensed Assistants**

Employment of a personal assistant who will be providing services which do not require a license (unlicensed assistant) is at the broker's discretion.

**Unlicensed assistants MAY:**

- Answer the phone, forward calls and give information contained only on the listing agreement as limited by the broker
- Fill out and submit listings and changes to any multiple listing service

Licensed Assistants
Licensed assistants may engage in activities which constitute negotiation provided that they are properly supervised and monitored by the broker and only by the broker. The Mississippi Real Estate Commission does not formerly recognize licensed assistants. MREC specifically holds any licensed agent to the rules and regulations that govern such an agent regardless of the specific duties placed upon the licensed assistant by the managing broker. Agency

ATTENTION MANAGING BROKER: PLEASE CHOOSE ONE OF THE FOLLOWING OPTIONAL AGENCY POLICIES TO BE PLACED IN YOUR OFFICE MANUAL. DISCARD ANY OF THE REMAINING OPTIONAL AGENCY POLICIES.

The samples of Office Agency Policies included herein are examples only and are not to be construed as exhaustive. Numbering of the suggested office policy options included on the following pages is for the sake of convenience and reference only and does not indicate preference.

Samples are specific to real estate activities conducted within the State of Mississippi. Companies with licensees who hold a license in another state should also adopt agency policy governing conduct within each state for which a license is held.

Sample policies are intended to address both Common Law Agency and MREC Rule IV. Conducting Business/E. Agency Relationship Disclosure.

As noticed in MREC Rule IV.E.1: Compliance with the aforementioned rule is necessary to protect licensees from impositions of sanctions against their license by the MREC. However, compliance will not always guarantee that a broker has fulfilled all of his responsibilities under the common law of agency. Special situations may exist where unusual facts would require a broker's departure from his stipulated office policy. Brokers may elect to add language to their office policy acknowledging the possibility of such special cases and affirming that on a case by case basis, such election shall not constitute a violation of their own policy.

For the purpose of the sample disclosures, the term seller and/or buyer will also include those other acts specified in §73-35-3(1). MS Code, “...list, sell, purchase, exchange, rent, lease, manage, or auction any real estate, or the improvements thereon including options.”

MAR wishes to thank Judy N. Glenn, CRB, GRI, for her preparation of the following sample Office Agency Policies.
OFFICE AGENCY POLICY #1

(Company Name) shall conduct real estate matters on an Exclusive Seller Agency basis. *

(Company Name) will enter into listing agreements with sellers that will authorize the firm and its agent(s) to represent the seller in finding a buyer for his property. Licensees with (Company Name) will be engaged by and act as the agent of the seller only and will be known as a seller’s agent. Buyers will be assisted as customers or may be referred to another real estate agent or attorney or both for representation, if they so desire. It is the intention of (Company Name) to conduct its business at all times in accordance with the laws, rules and regulations of it governing authorities.

1. (Company Name) shall disclose whom they represent in all transactions and will provide the opportunity for any party to the transaction to choose or refuse among the various agency relationships available by presenting an Agency Disclosure Form prescribed by the MREC.

2. (Company Name) shall owe to both the seller client and the buyer customer the duties of honesty and fair dealing, and the duty to disclose all facts known to the seller's agent materially affecting the value or the property which are not known to, or readily observable by, the parties in a transaction. When discussing the price and terms of an offer, licensees will ask the buyer customer how much to offer for any property and upon what terms and conditions. They may explain the buyer customer’s options, but the final decision is that of the buyer customer and not of the seller’s agent. Licensees shall not give legal or financial advice. They may attempt to show property in the price range and category buyer customers desire so the customer will have information on which to base decisions. Licensees, as the seller’s agent, will present to the seller any written offer that a buyer customer asks them to present. Buyer customer should keep private any information they do not want the seller to know (i.e. the price they are willing to pay, other terms they are willing to accept, and their motivation for buying). Buyer customers should not furnish the seller’s agent anything they do not want the seller to know.

3. (Company Name) owes duties to the seller client of loyalty, confidentiality, obedience, disclosure, full accounting and the duty to use skill, care and diligence. A licensee must place the interests of the client before all others in negotiation of a transaction and in other activities except where such loyalty duty would violate licensee’s duties to a customer or to another client. A licensee must keep confidential any information obtained within the scope of an agency agreement that the client
would reasonably expect to be kept in confidence, except for information that the client has authorized for disclosure. A licensee must obey all lawful instructions of the client when such instructions are within the scope of the agency agreement between licensee and licensee’s client. A licensee must disclose to his client information required to be disclosed. A licensee must timely account for trust fund deposits received from any party to the transaction. A licensee must exercise reasonable skill and care in providing services to a client.

4. (Company Name) shall, where determined to be in the best interests of the seller client, cooperate and split fees with a selling agent from another brokerage company that acts as a (select either or both) sub-agent through an offer of sub-agency or a buyer's agent.

5. (Company Name) will (or will not) accept offers of sub-agency from other companies.

Implementation of Exclusive Seller Agency Policy

1. Completed Agency Disclosure Forms shall be maintained in accordance with Rules and Regulations IV.B.6 (for a period of three years).

   • To a seller, a licensee is required to disclose that services are being provided to the seller as a client before confidential information is elicited such as the seller’s needs, motivation or financial circumstances and before any agreement that is governed by §73-35-3 of the MS Code of 1972 Annotated is signed, such as a listing agreement.

   • To a buyer, a licensee is required to disclose that services are being provided as a customer before confidential information is elicited, such as the buyer’s real estate needs, motivation, or financial qualifications, before a property is shown to a prospective buyer and before any agreement that is governed by §73-35-3 of the MS Code of 1972 Annotated is signed, such as a purchase agreement.

   • In the event a party is not available to sign a disclosure form, the disclosure is to be made orally. The applicable form is to be noted by the licensee and forwarded for signature as soon as possible. Written electronic submission will fulfill this requirement.

   • In the event a party receiving a disclosure form requests not to sign it, the licensee is to annotate the form as follows: “A COPY OF THIS FORM WAS DELIVERED TO __________ DATE _______. RECIPIENT DECLINED TO ACKNOWLEDGE RECEIPT OF THIS FORM.”

3.29
2. In the event the agency relationship changes between parties, new disclosure forms will be presented for signature. All completed Agency Disclosure Forms shall be maintained as herein described.

3. When acting as a seller agent for any corporation, non-profit corporation, professional corporation, professional association, limited liability company, partnership, real estate investment trust, business trust, charitable trust, family trust, or any governmental entity, MREC Rule IV.E.4. THIS OFFICE POLICY SHALL SUPERCEDE ALL PREVIOUS POLICIES PERTAINING TO AGENCY AND SHALL BE IN FORCE AND EFFECT AS OF THIS DATE: ________________
OFFICE AGENCY POLICY #4

(Company Name) shall conduct real estate matters on a Seller Agency, Buyer Agency or Disclosed Dual Agency basis *

(Company Name) shall act as agent for a seller or a buyer or both in the same transaction, with the informed written consent of the seller and buyer when both have agreed to become clients of (Company Name).

As disclosed dual agents, (Company Name) shall not represent the interests of one party to the exclusion or detriment of the interests of the other party. All the fiduciary duties owed to a seller or buyer when he is the only client in a transaction shall be owed to both as dual clients, except the duties of full disclosure and undivided loyalty.

When (Company Name) is engaged by a seller, the listing agreement will authorize the firm and its agent(s) to represent the seller exclusively when the firm is the listing agent but not the selling agent and represent both the seller and the buyer as a disclosed dual agent when the firm is both the listing and selling agent.

When (Company Name) is engaged by a buyer, the buyer representation agreement will authorize the firm and its agent(s) to represent the buyer exclusively in finding a property when the firm is the selling agent but not the listing agent and represent both the buyer and seller as a disclosed dual agent when the firm is both the listing and selling agent. Consumers who do not accept disclosed dual agency may, upon election of (Company Name), be assisted as customers or may be referred to another real estate agent or attorney or both for representation, if they so desire. **It is the intention of (Company Name) to conduct its business at all times in accordance with the laws, rules and regulations of its governing authorities.**

1. **(Company Name) shall disclose whom they represent in all transactions and will provide the opportunity for any party to the transaction to choose or refuse among the various agency relationships available by presenting an Agency Disclosure Form prescribed by the MREC.**

2. **(Company Name) will owe to clients and customers the duties of honesty and fair dealing, and the duty to disclose all facts known to the agent materially affecting the value of the property which are not known to, or readily observable by, the parties in a transaction. A disclosed dual agent may not disclose to the buyer that the seller will accept less than the asking or listed price or to the seller that the buyer will pay a price greater than the price submitted in a written offer to the seller, the motivations of the represented parties, or that the client(s) will accept terms other than those offered, unless otherwise instructed in writing by the party to whom the information is confidential. Licensees shall not give legal or financial advice. Customers should keep private any information they do not want the client to know (i.e. the price they are willing to take or to pay, other terms they are willing to accept, and their motivation for selling or buying). Customers should not furnish the client’s agent anything they do not want the client to know.**
3. (Company Name) owes duties to client(s) of loyalty, confidentiality, obedience, disclosure, full accounting and the duty to use skill, care and diligence. A licensee must place the interests of the client(s) before all others in negotiation of a transaction and in other activities except where such loyalty duty would violate licensee’s duties to a customer or to another client. A licensee must keep confidential any information obtained within the scope of an agency agreement that the client would reasonably expect to be kept in confidence, except for information that the client has authorized for disclosure. A licensee must obey all lawful instructions of the client(s) when such instructions are within the scope of the agency agreement between licensee and licensee’s client. A licensee must disclose to his client information required to be disclosed. A licensee must timely account for trust fund deposits received from any party to the transaction. A licensee must exercise reasonable skill and care in providing services to a client.

4. (Company Name) shall, where determined to be in the best interests of the seller client, cooperate and split fees with a selling agent from another brokerage company that acts as a (select either or both) sub-agent through an offer of sub-agency or buyer’s agent. (Company Name) will disclose to a buyer client how they expect to be compensated in the buyer representation agreement and obtain consent for the method of compensation from the responsible party. Where determined to be in the best interests of the buyer client, licensee will cooperate and split fees with a listing agent that acts as a seller’s agent. (Company Name) shall not act for more than one party in a transaction or receive compensation from more than one party in a transaction, or both, without the knowledge of all parties for whom he acts.

5. (Company Name) shall (or shall not) accept offers of sub-agency from other companies.

Implementation of Seller Agency, Buyer Agency, and Disclosed Dual Agency Office Policy

1. Licensees shall present for signature, in accordance with MREC guidelines, an MREC Agency Disclosure Form (Working With a Real Estate Broker) to any party with whom the licensee has a substantive meeting as defined by MREC Rule IV.E.2. Completed Agency Disclosure Forms shall be maintained in accordance with Rules and Regulations IV.B.6 (for a period of three years).

   • To a seller, a licensee is required to disclose that services are being provided to the seller as a client before confidential information is elicited such as the seller’s needs, motivation, or financial circumstances are discussed and before any agreement that is governed by §73-35-3 of the MS Code of 1972 Annotated is signed, such as a listing agreement.

   • To a buyer, a licensee is required to disclose that services are being provided as a client before confidential information is elicited, such as the buyer’s real estate needs, motivation, or financial qualifications, before a property is shown to a prospective buyer and before any agreement that is governed by §73-35-3 of the MS Code of 1972 Annotated is signed, such as a buyer representation or purchase agreement.
Licensees operating in the capacity of disclosed dual agents must obtain the informed written consent of all parties prior to or at the time of formalization of the dual agency. Both buyer and seller, at the time an agreement for representation is entered into with the broker, must give written consent to dual agency by signing the Consent to Dual Agency portion of MREC Form A.

Licensees operating in the capacity of disclosed dual agents must present for signature of seller and buyer a MREC Disclosed Dual Agency Confirmation Form that is specific as to property and parties, prior to execution of a contract between the seller and buyer.

2. The licensee shall obtain from the seller and the buyer, at or before the time of execution of a contractual agreement, confirmation of their consent to dual agency evidenced by their signatures on the MREC Consent to Disclosed Dual Agency Form. This consent form is buyer, seller and property specific.

3. In the event a party is not available to sign a disclosure form, the disclosure is to be made orally. The applicable form is to be noted by the licensee and forwarded for signature as soon as possible. Written electronic submission will fulfill this requirement.

4. In the event a party receiving a disclosure form requests not to sign it, the licensee is to annotate the form as follows: “A COPY OF THIS FORM WAS DELIVERED TO _____________ DATE __________. RECIPIENT DECLINED TO ACKNOWLEDGE RECEIPT OF THIS FORM.”

5. In the event the agency relationship changes between parties, new disclosure forms will be presented for signature. All completed Agency Disclosure Forms shall be maintained as herein described.

Allocation and Costs of Advertising
Allocation of advertising to listings will be the sole responsibility of the broker. Additional requests for more ads must be approved and is at the discretion of the broker since the broker pays for all approved advertisements. Promotional materials that are costly and expensive such as brochures should not be promised to the client unless pre-approved by the broker.

MREC Advertising Rules
General Principles:

- No associate shall advertise to sell, purchase, exchange, rent or lease a property in a manner indicating that the advertiser is not engaged in the real estate business.
- No advertisement by a licensee shall direct responses to only post office box number, telephone number, and/or street address.
- Every associate shall affirmatively and unmistakably indicate in any advertising that he is a licensed real estate agent.
- All associates shall advertise under the firm name offers to purchase, sell, rent, or lease any property. All advertising must be under the direct supervision of the broker.
- No associate shall post a sign on any property for which he does not have an active written authorization from the owner.
- Associates may not advertise in any medium by utilizing letters in their name larger than those of the firm.
Licensees are exempt from this list if the licensee's advertising shall include the designation "owner/agent" and the property is not listed.

**Advertising for Franchise or Cooperative Advertising Groups:**
Any licensee using a franchise trade name or advertising as a member of a cooperative group:

- Shall clearly and unmistakably indicate his name, broker or firm name, and business telephone number and/or office address adjacent to any specific properties advertised for sale or lease in any media.
- When advertising other than specific properties for sale or lease, shall cause the following legend to appear in a manner reasonably calculated to attract the attention of the public:
  
  "Each (Franchise Trade Name Or Cooperative Group) Office is Independently Owned and Operated."

**Fair Housing Advertising**

**Equal Opportunity Slogans and Logos**
Associates shall use the Equal Opportunity slogan or logo in all advertising. Associates shall use publications which reach large audiences and does not limit to a small select audience.

**Prohibited Advertising Language**
Advertising copy used by associates must describe the property, NOT THE DESIRED BUYER OR TENANT. Examples of prohibited advertising language are:

1. Race, color, national origin: Real estate advertisements may not state a discriminatory preference or limitation on account of race, color, national origin or any other protected class, and shall not describe the housing, the current or potential residents, or the neighbors or neighborhood in racial or ethnic terms. However, associates may use phrases such as "master bedroom", "rare find" or "desirable neighborhood."

2. Religion: Associates shall not use advertisements which contain an explicit preference, limitation or discrimination on account of religion. Advertisements which use the legal name of an entity which contains a religious reference (i.e., Sisters of God Catholic Home) or a religious symbol (such as a cross) must contain an appropriate disclaimer against any religious preference or limitation. Associates may use descriptions of the property (apartment complex with chapel) or the services (kosher meals available), and terms (Merry Christmas or Happy Easter) or symbols (Santa Claus or Easter Bunny) relating to certain religious holidays.
3. Sex: Associates shall not advertise single family dwellings or separate dwelling units in multifamily housing in a manner which explicitly indicates a preference, limitation or discrimination on the basis of sex. Associates may, however, use terms such as "master bedroom," "mother-in-law suite" and "bachelor apartment" which describe a property type.

4. Handicap: Associates' real estate advertisements shall not contain exclusions, limitations or other indications of discrimination based on handicap. Associates may describe the property (great view, fourth floor walk-up, walk-in closets), the services or facilities (jogging trails), the neighborhood (walk to the bus stop), the conduct required of residents (nonsmoking), and accessibility features, such as a wheelchair ramp.

5. Familial Status: Associates shall not place advertisements which contain limitations on the number or ages of children or state a preference for adults (unless the property meets the housing for older persons exemption), couples or singles. Associates may use descriptions of the property (two bedroom, cozy, family room), services and facilities (no bicycles allowed) or neighborhoods (quiet streets).

Compensation

Commission and Fee Rates
Rates of commission have been established by the broker in the commission schedule attached to the independent contractor agreement. The schedule sets forth the broker's commission policies for buyer agency and for the following property types:

1. Residential single family
2. Residential income
3. Vacant land
4. Business/Commercial/Industrial
5. New construction
6. Buyer brokerage
7. Referral fees
8. Bonuses

The schedule also details the broker's policies for allocating compensation between the broker and the associate.

Associate Commission and Fee Compensation
Definition
Compensation shall be defined to include commissions, buyer agency fees, referral fees, fees for negotiating construction contracts or referring customers to builders, appraisal fees, (A: incentives received while buying property for personal use or investment) or any other thing of value received in connection with the associate's real estate brokerage services. (B: incentives received when buying property for personal use or investment are not considered compensation and are paid directly to the Associate.) (STRIKE A OR B)

Schedule of Compensation
Associate compensation checks are issued by the broker within (insert number) days following the closing or the broker's receipt of payment, whichever is later. Special situations or special requirements for the compensation checks will be handled through the broker on a case-by-case basis.
Partial Receipt of Commissions
If a commission is paid by a party to the broker partially in cash, and a promissory note or other arrangement is given for the remainder, then the cash portion will be split proportionately between the broker and the associate, and the remainder, including interest, if any, will be split proportionately as it is received. Associates must obtain the advance written consent of the broker before acceptance of a promissory note in lieu of a cash commission, or any other agreement to defer receipt of commission.

Reduction of Commissions and Fees
Associates shall not have the authority to reduce the commission to be paid by the seller pursuant to a listing contract, the fee to be paid by a buyer pursuant to a buyer agency agreement, nor any other fee payable to the broker without the written consent of the broker or the associate’s manager. Any unauthorized reduction of commissions or fees by an associate, either directly or indirectly, through negotiations or the assumption of various charges, expenses, fees or otherwise, shall be reimbursed to the broker by the associate.

Referrals and Bonuses
When a referral is sent to an associate by a cooperating broker, the associate must immediately clarify the referral agreement in writing. All payments for referrals and/or bonuses shall be made payable to the broker and the associate shall be compensated on the basis of the commission schedule in the independent contractor agreement.

Commission Agreements and Disputes
Entitlement to Commission
Entitlement to compensation shall be documented in writing in all transactions where anything other than the compensation offered through the MLS will be paid. Associates shall obtain a written compensation agreement specifying the commission or fee to be paid to broker for all non-MLS transactions before beginning any cooperative efforts, and absolutely before the submission of any offer to purchase. If broker has a policy letter agreement with the listing broker setting commissions in non-MLS transactions, a specific compensation agreement will not be needed.

Compensation agreements shall identify the property, name the parties and the brokers, state the amount of the commission or fee (or the way the same shall be calculated, e.g., 2.4% of purchase price*), when the commission or fee shall be paid, and what must be done to earn it (e.g., write offer that closes, procure the buyer, etc.).

Compensation Modification Upon Associate’s Leaving the Company.
The Broker reserves the right to establish policies on a case by case basis that might modify the compensation to be paid an associate who leaves the firm with sales pending. Prior to leaving the firm, either voluntarily or involuntarily, the associate will discuss with the broker the status of each pending sale and the broker will determine what administrative costs, if any, will be
deducted from the commission owed to the associate for work performed by the broker, staff or other associates in the firm in connection with the pending sale.

**Inter-Office Disputes of Compensation**
Any associate becoming aware of any commission dispute with another company shall promptly inform the broker or office manager. Management shall make all decisions regarding negotiation of settlements, retaining legal counsel and filing arbitration.

In the event that the broker finds it necessary to sue for a commission or fee, all expenses, including court costs and attorney's fees, must be subtracted from the commission before the split between the broker and the associate. The decision to initiate legal action will rest solely with the broker.

**Intra-Office Disputes of Compensation**
Associates are expected to work out their own agreement on how the commission is to be split when a prospect is shared or turned over from one associate to another. To avoid misunderstandings any referral agreement is expected to be in writing, specifying all terms of the referral agreement and signed by both associates. A copy of the referral agreement should be provided to the Broker. In the event of any controversy between associates concerning a commission, the dispute shall be resolved as stated in Chapter 1 of this Office Policy Manual.

*The percentage (%) split on commission is for example only and is not a suggested entitled percentage compensation whatsoever, as this may vary from firm to firm.*
Chapter 5

RESPA Policy

Associates are required to comply with RESPA law requirements at all times. The area of referral fees is specifically addressed in this policy manual in order to explain the sometimes-confusing requirements of the federal law and to emphasize the importance of compliance. Additional information on RESPA law can be obtained from MAR's Legal Staff or on One Realtor Place at Realtor.com.

Prohibition Against Kickbacks and Unearned Fees

Regulation X details the elements of a RESPA Section 8 violation:

- Pursuant to Section 8, paying or receiving a fee or a "thing of value" for the referral of business related to a mortgage loan settlement without rendering a service is illegal under RESPA.
- Reg. X also prohibits the splitting of any settlement charge except for paying for actual services rendered. If no or nominal services are performed or if duplicative fees are charged, an unearned fee exists and payment of this fee violates Section 8.
- Reg. X makes clear that any agreement or understanding that a thing of value will be given in exchange for a settlement service referral need not be written or even verbalized. This agreement can be established by a practice, pattern or course of conduct.
- Reg. X gives a list of the real estate-related services which are defined to be “settlement services.”

These "settlement services" include, without limitation, any services related to:

1. The origination, processing or funding of a federally-related mortgage loan
2. Mortgage broker services such as counseling, taking applications, obtaining verifications and appraisals, lender-borrower communications, etc.
3. Title company services
4. An attorney's legal services
5. Closing document preparation
6. Credit reports and appraisals
7. Property inspections
8. Conducting the settlement
9. Mortgage insurance
10. Hazard, flood or casualty insurance, and home owner warranties
11. Mortgage life, disability or similar insurance
12. Real property taxes and assessments
13. Real estate brokers and agents
What is Permitted
Regulation X specifically permits:

- Payments for services actually rendered by attorneys, title companies, lenders, and real estate brokers and also for real estate agents "pursuant to cooperative brokerage and referral arrangements or agreements."

Key Referral Fee Reminders

- Don't pay referral fees to providers of settlement services other than pursuant to a referral agreement with another real estate broker. RESPA generally forbids paying someone for the mere referral of business.
- No "gifts" or fees may be given to individuals who refer business to settlement service providers.
- When someone performs a service, that party should be paid a fee that is reasonably related to the benefit received. He or she should not be given an excessive payment that blatantly announces itself as a reward for steering business in the direction of a certain company.
- Don't ask for or receive fees for referring business. There is a statutory exemption for broker-to-broker referrals and agreements between brokers and agents. Therefore a real estate licensee should never ask to receive or accept fees for referring business unless he has an established written broker-to-broker or broker-to-sales agent fee arrangement.

No licensee shall knowingly pay any part of a fee, commission, or other compensation received by such licensee in buying, selling, exchanging, leasing, auctioning, or renting any real estate except to another licensee through the licensee’s responsible broker.

For more information on RESPA referral fee regulations, refer to Section 8 of RESPA (12 U.S.C. 2607).
Chapter 6

Listing Policy

Agency Disclosure
Prior to the seller’s signing of the listing contract, the associate shall discuss the different types of agency relationships with the seller, explaining the responsibilities of seller's agents, buyer's agents, subagents, dual agency, and facilitators. Upon execution of the listing contract, associate will obtain a completed "Seller's Disclosure Form" from the seller. The associate shall tender every written offer to purchase or sell until a contract is signed by all parties.

Residential Property Condition Disclosure
The owner of the residential property shall furnish to a purchaser one of the following:

- A residential property disclosure statement
  — Provides the condition of property including any material defects known to the owner. The disclosure form must:
    1. Include all items listed on the disclosure form required in Real Estate License Law and Rules and Regulations §89-1-509, MREC Form #0100, “Seller’s Disclosure Statement.”
    2. Notice to prospective purchasers and owners that the prospective purchaser and the owner may wish to obtain professional advice or inspections of the property.
    3. Notice to purchasers that the information contained therein is strictly the representation of the owner.

Note: The owner is not required to undertake or provide any independent investigations or inspections of the property in order to make the disclosure.

- A residential property disclaimer
  — States the owner makes no representations or warranties as to the condition of the property and that the purchaser will be receiving the property "as is" unless provided in the real estate purchase contract. A disclaimer statement may only be permitted where the purchaser waives the required disclosure.

Disclosure of Adverse Facts
An "adverse fact" means a condition or occurrence that is generally recognized by a competent licensee as:

- Significantly and adversely affecting the value of the property
- Significantly reducing the structural integrity of improvements to real estate
- Presenting a significant health risk to occupants of the property
"Material" means any statement, representation or fact relative to a transaction that would affect a reasonable person's decision to enter into an agreement and which has been identified by such person as being of significance to a particular party. Written disclosures must be given as soon as is reasonably possible and always before the writing of any offers to purchase.

**Lead Based Paint (LBP) Disclosure Requirements**

It will be imperative for all associates to fully comply with the requirements of the federal lead paint disclosure laws in all transactions where the law requires compliance. Penalties available under the law include triple damages plus attorney fees. Not completing the form completely and accurately can result in significant fines imposed on the broker by representatives of the EPA.

**Disclosure Requirements**

The federal disclosure rules specifically require that sellers and landlords of most residential housing built before 1978 must:

1. Disclose the presence of known LBP and LBP hazards
2. Provide buyers and tenants with any available records or reports about any LBP present in the housing
3. Provide buyers and tenants with a federally-approved lead hazard information pamphlet

Offers to Purchase and leases must contain certain disclosures and acknowledgments. Sellers must also provide buyers with an opportunity to inspect for LBR. Finally, real estate agents must ensure compliance with these requirements.

The new rules do not require that any testing be conducted for LBP, nor do they require the removal of such paint or hazards.

**Properties and Transactions Subject to LBP Rules**

The new EPA/HUD requirements for the disclosure of LBP apply to all transactions to sell or rent target housing, subject to certain exceptions. The following discussion specifies what types of residential properties are covered under the new LBP rules and those which are not subject to the rules' requirements.

**Target Housing**

"Target housing" means any housing constructed prior to 1978, except for housing for the elderly or persons with disabilities (unless any child who is less than 6 years of age lives in or expects to live in such housing), and except for any "0-bedroom" dwellings.

**Excluded Properties**

1. Housing for the Elderly (No Resident Children Under 6). Housing for the elderly means retirement communities or similar types of housing designed specifically for households where at least one person is 62 years of age or older at the time of initial occupancy.
2. Housing for Persons with Disabilities (No Resident Children Under 6). With both housing for the elderly and housing for persons with disabilities, the exclusion from the LBP disclosure rules is lost if children under the age of 6 live there or are expected to live there. The parties to any sales or lease transaction involving housing for the elderly or persons with disabilities where children under 6 live or are expected to live would need to comply with the federal LBP disclosure rules.

3. "0-Bedroom" Dwellings. "0-bedroom" dwellings means residential dwelling units where the living area is not separated from the sleeping area. This includes efficiencies, studio apartments, lofts, dormitory housing, military barracks and rentals of individual rooms in residential dwellings.

**Transactions Subject to LBP Rules**

Both sales and leases (Includes Subleases & Oral Leases) are included. Subleases are included so that the subtenant or sublessee (i.e., the new tenant) receives the LBP disclosures and information. Informal rental agreements not involving a written lease, for example, oral leases, are included despite the difficulties in complying with the rules requirements during a process handled verbally without written documentation.

**Exempted Transactions**

1. Foreclosure (sheriff) sales.
2. Leases of Housing Found to be Lead Free. Leasing transactions involving target housing that has been found to be LBP free by a certified inspector are excluded from the LBP disclosure rules. "Lead-based paint free housing" means target housing that has been found to be free of paint or other surface coatings that contain lead equal to or in excess of 1.0 milligram per square centimeter or 0.5 percent by weight.
3. Short-Term Leases of 100 Days or Less (No Renewals or Extensions).
4. Lease Renewals if Disclosures Done and No New Information. LBP disclosures need not be repeated for the renewal or extension of existing leases where the landlord previously disclosed all information required by the rules and no new information concerning LBP on the premises has come to the attention of the landlord. In situations with no formal renewal process involved, i.e., a month-to-month holdover after the expiration of a one-year lease term, "renewal" shall be interpreted to occur at the point where the parties agree to a significant written change in the terms of the lease such as a rent rate adjustment. Then disclosure would be required as to any new LBP information not previously disclosed to the tenant.
5. Purchase, Sale or Servicing of Mortgages.

**Agents Covered**

"Agent" means agents of sellers, landlords, tenants and buyers except for buyer's agents who receive all of their compensation from the buyer.
**Buyer Opportunity to Inspect for LBP**
The LBP disclosure rules require that sellers provide buyers with a 10-day opportunity to conduct an LBP risk assessment or inspection of the target housing before becoming obligated under the Offer to Purchase. The length of time may be shortened or lengthened by mutual agreement of the parties. This requirement does not mean that the buyer must be permitted to conduct an LBP inspection before signing an Offer to Purchase.

This requirement may be met by having an LBP inspection contingency in the offer, similar to the home inspection contingencies typically used in residential offers. There is no mandatory language or provision for this purpose, so the contingency may be negotiated by the parties. Thus, the terms and conditions for the conduct and completion of the LBP inspection or evaluation will be reached by mutual agreement and not by federal mandate. A lead-based paint inspection contingency which is included in the LBP disclosure and acknowledgment addendum to the offer is discussed later. Buyers may choose to waive their opportunity to inspect for LBP. The rules do not contain any requirement for providing tenants with the opportunity to conduct an LBP inspection. Sellers may not reject an offer to purchase simply on the basis that it contains a lead inspection/contingency provision. They may, however, attempt to negotiate the terms and conditions of the provision.

**Timing of LBP Disclosures**
The rules only identify the latest point at which full disclosure must occur, that is, before the buyer or the tenant becomes obligated under the Offer to Purchase or the lease.

**Agent Responsibilities**
Each agent involved in a sale or lease transaction shall be responsible for ensuring compliance with all the requirements imposed by the rules.

**To ensure compliance, the agent must:**
- Inform the seller or landlord of his or her duties to disclose known LBP on the target housing
- Furnish LBP records and reports and the EPA-approved lead hazard information pamphlet to buyers and tenants
- Advise the seller that he or she must permit the buyer to have a 10-day opportunity or inspection contingency to conduct an inspection or evaluation of the premises with respect to LBP
- The seller and landlord must also be told about his or her duty to certify compliance with these obligations and retain a copy of a signed LBP disclosure and acknowledgment addendum
- Certain specifically-prescribed LBP "Warning Language" must be included in sales contracts and leases
- Ensure compliance with all of these requirements
Ensuring compliance can be done by making sure that the seller or the landlord has performed all of these required activities, or by personally performing these activities on behalf of that party. If the agent has informed the client about all of his obligations under the federal LBP disclosure rule, the agent shall not be liable for the failure to disclose LBP to a buyer or tenant if the LBP is known by the seller or landlord but not disclosed to the agent. The new LBP disclosure rules require that sellers and landlords disclose to agents the presence of any known LBP as well as any additional information about the basis for the determination that LBP exists on the property, the location of any LBP on the premises, and the condition of painted surfaces. Sellers and landlords must also disclose to agents the existence of any available records or reports pertaining to LBP on the premises. The federal LBP rules provide that each agent shall ensure compliance with all the requirements of the rules. "Agent" is defined as any party who enters into a contract with a seller or landlord for the purpose of selling or leasing target housing. For real estate agents in sales transactions, this means all listing, selling, cooperative, and buyer's agents (except those paid only by the buyer). In rental transactions, this means property managers, and leasing and rental listing agents.

**Listing the Residential Property**
The listing agent will complete the property condition disclosure, and complete a listing contract that contains a termination of contract date. The following guidelines detail the steps that must be taken by the listing agent to comply with the federal LBP rules.

1. Determine if the property is target housing.
2. Look for painted surfaces in bad condition while inspecting the property.
3. Advise the seller of his or her obligations under the LBP rules.
4. Ask the seller if he or she has any knowledge of LBP or LBP hazards on the property.
5. Obtain copies of any available LBP records pertaining to the property.

By the time the offer is accepted, the seller should have made any LBP disclosures, have them signed by the seller, buyer, listing agent and cooperating agent, and incorporated into the offer. In addition, the buyer should have received the LBP information pamphlet.
Listing Contracts
The associate shall complete the listing contract and shall require that all owners and spouses sign the listing. The associate, however, may sign a listing contract provided by the seller, (e.g., a relocation company) or may accept a listing with the signatures of less than all of the owners and spouses, with the prior approval of the broker. The associate shall review the contract in detail with the owners and leave a copy of the signed agreement with them.

If owners refuse submission of the listing to the MLS or to the Internet, the listing contract must so state. The listing must specify other brokers who the seller wishes to have excluded from cooperation in the "Other Brokers" provision in the approved listing contract forms. The listing shall always obtain specific written instructions from the seller as to any buyers or licensees who are to be excluded from access to showings, or from whom no offers to purchase are to be submitted. This will be written on the additional provisions blank in the listing contract form, on an addendum to the listing contract, or as a separate memorandum or letter from the seller.

Filing Listing Documentation
Listing contracts and the appropriate supporting forms (agency confirmation form, MLS profile sheets, seller property condition report, etc.) shall be turned in no later than (insert number) working days after execution to the office manager or the person in charge of processing listing information for dissemination.

New Listing Tours
Following the sales meetings, a tour of new listings is made by the associates. The purpose of this tour is to familiarize the associates with the new listings and to assist them in describing these listings to prospective purchasers. It is equally important for all associates to show a genuine interest and enthusiasm to the owner of the listed property.

Routing of the tour is accomplished by the broker or his designated representative. The tour is published the day before it takes place to permit notification to the homeowner and review by associates for any errors of address, price, or location. All associates, except the associate on office duty time and those who have previously cleared it with the broker, are expected to participate in the weekly tour of homes. Drivers for the tour of homes are scheduled through the use of a roster to assure equity.

 Associates shall not smoke in the homes being toured. Any comments made by associates while in the home should be of a complimentary nature.

3.53
Security of Listed Property
It is the associate's responsibility to exert as much effort and influence to assure that listed properties are secure.

Cancellation of Listing Contract
Associates shall not have the authority to cancel a listing contract nor amend the listing contract to provide for an early termination without the written consent of the broker or the associate's manager. In the event a seller desires to cancel a listing contract, the associate must notify the broker. This shall apply regardless of whether the seller's request is verbal or in writing or whether the seller uses the words "cancel," "terminate," "revoke," etc. If the seller's intent is evident, the associate shall report the request to the office manager or broker. Such requests from sellers shall, in all cases, be honored.

If the broker determines that a seller's demand of release from the listing contract is a result of substandard performance on the part of the associate, the broker reserves the right to charge the associate for costs incurred during the period the listing was in effect. If the early termination is for other reasons, the broker shall make the determination of whether any expense reimbursements or other damages shall be requested from the seller.

Listing Protection
Whenever a listing contract expires per its terms, or is terminated early by the seller, the listing associate shall prepare and deliver to the seller a list of buyers who have attended individual showings or who have seriously discussed purchase terms with the associate or some other licensee involved with a prospective buyer. This list must be personally delivered or mailed to the seller no later than three days after the expiration date or date of early termination. If the associate later becomes aware that the property is listed with another broker, the associate shall deliver to the other broker a complete list of names of all buyers who attended individual showings, seriously discussed purchase terms with licensees or the seller, or who submitted offers during the term of associate's listing.

Cooperating Compensation
It is the policy of the broker to offer maximum exposure to its selling clients. Therefore, all listed properties shall be offered to all other selling and buyer's brokers on a cooperative basis, unless otherwise specifically directed by the owner. The broker shall establish compensation fees that are appropriate to the marketplace and will lead to a good working relationship with other brokers.
Chapter 7
Buyer Brokerage
Associate's Capacity as Buyer's Agent

Buyer Representation Agreement
An associate may, at the request of a buyer, act as a buyer's agent. If the associate is so employed, it is advisable that a "Buyer Representation Agreement" (exclusive or nonexclusive) shall be completed. The provisions of a Buyer Representation Agreement, including the terms of the contract and the broker's compensation, shall be clearly established. The amount and manner of compensation shall be as outlined in the broker's policy concerning commissions and fees.

Agency Disclosure
Prior to the buyer's signing of a buyer agency agreement, the associate shall discuss the different types of agency relationships with the buyer, explaining the responsibilities of seller's agents, buyer's agents, subagents, facilitator/transaction broker, and dual agency. If a Buyer Representation Agreement has been entered into, the associate must comply with the following when showing property or requesting information from listing agents:

1. Notify the listing agent upon first contact that the associate is a buyer's agent.
2. The Offer to Purchase must indicate that the associate represents the buyer as the buyer's agent.

Negotiations
The associate, when acting as the buyer's agent, can expect that the listing agent will often be present on showings of listed properties. All information and negotiations concerning the transaction must be communicated to seller through the listing agent.

Compensation
Associates working as buyer's agents shall be expected to pursue the compensation offered to buyer's agents through the MLS, any applicable office policy letter agreements or any specific compensation agreement. An associate may consider having the buyer write the offer conditioned upon the seller paying the buyer's broker's fee at closing on behalf of the buyer. The associate must also pursue this option if there is no compensation agreement in place, unless the buyer is willing to directly pay the buyer's broker's fee in addition to the purchase price.
Cooperation as Listing Agents with Buyer's Brokers
As listing agent, the associate will cooperate with and compensate buyer's brokers who procure a buyer or a contract of sale acceptable to the seller, in accordance with the broker's commission policy. The associate shall explain the broker's policy of sharing the commission with buyer's brokers in exchange for procuring a buyer and producing an offer to purchase acceptable to seller.

If the associate, as listing agent, is advised that a cooperating broker, employed under a buyer agency agreement, requests to show the listed property, the associate must advise the seller of the cooperating broker's representation.

Dual Agency
In the event a buyer/client of the broker wishes to purchase property listed by the broker, the broker may act as a disclosed dual agent. Such a multiple representation (dual agency) requires the informed consent of each party. The associates working with these parties must explain the limitations of a multiple representation to the parties.

Associates shall stress to the parties the importance of committing to writing any information they wish to be held as confidential. All listings of confidential information from the parties in a multiple representation situation shall be held by the office manager in his office. Every effort shall be made to keep confidential information about the seller away from the buyer's agent and to keep confidential information about the buyer away from the listing agent.
Chapter 8
Selling Policies and Procedures

Information Provisions
Secretaries, receptionists and other unlicensed employees may be permitted to provide factual information on listings which is normally found in newspaper ads and property data sheets. These staff members shall indicate that they are not licensed agents, can give out only limited factual data and that further requests for information must be relayed to an associate.

Lead Generation
Associates shall screen the prospect on the first call if possible. The prospect's name shall be obtained, and the associate shall try to determine their motive, needs, desires and ability to buy, as well as their down payment capability, and record this information on a buyer worksheet. As the associate continues to work with the prospect, prospect cards shall be used to log information on properties shown, the dates and their comments.

A prospect that calls in because of a personal reference, or through work an associate has previously done, will be the associate's prospect if the prospect asks for the associate in the call. Accordingly, associates may wish to impress upon their prospects the importance of asking for an associate by name. Prospective buyers are not aware of company rules and ethics and are usually concerned only with seeing the property in which they have an interest. It is up to the associate to establish and maintain a strong prospect/associate relationship with them.

Agency Disclosure
1. **Purpose:** Consumers shall be fully informed of the agency relationships in real estate transactions identified in Section 73-35-3. This rule places specific requirements on brokers to disclose their agency relationship. This does not abrogate the laws of agency as recognized under common law and compliance with the prescribed disclosures will not always guarantee that a broker has fulfilled all of his responsibilities under the common law of agency. Compliance will be necessary in order to protect licensees from impositions of sanctions against their license by the MREC.

Special situations, where unusual facts exist or where one or more parties involved are especially vulnerable, could require additional disclosures not contemplated by this rule. In such cases, brokers should seek legal advice prior to entering into an agency relationship.
2. **Definitions:**

(a) “Agency” shall mean the relationship created when one person, the Principal (client) delegates to another, the agent, the right to act on his behalf in a real estate transaction and to exercise some degree of discretion while so acting. Agency may be entered into by expressed agreement, implied through the actions of the agent and or ratified after the fact by the principal accepting the benefits of an agent’s previously unauthorized act. An agency gives rise to a fiduciary relationship and imposes on the agent, as the fiduciary of the principal, certain duties, obligations, and high standards of good faith and loyalty.

(b) “Agent” shall mean one who is authorized to act on behalf of and represent another. A real estate broker is the agent of the principal (client) to whom a fiduciary obligation is owed. Salespersons licensed under the broker are subagents of the broker, regardless of the location of the office in which the salesperson works.

(c) “Client” shall mean the person to whom the agent owes a fiduciary duty. It can be a seller, buyer, landlord, tenant, or both.

(d) “Compensation” is that fee paid to a broker for the rendering of services. Compensation, when considered alone, is not the determining factor in an agency relationship. The relationship can be created regardless of whether the seller pays the fee, the buyer pays the fee, both pay the fee or neither pays a fee.

(e) “Customer” shall mean that person not represented in a real estate transaction. It may be the buyer, seller, landlord or tenant.

(f) “Disclosed Dual Agent” shall mean that agent representing both parties to a real estate transaction with the informed consent of both parties, with written understanding of specific duties and representation to be afforded each party. There may be situations where disclosed dual agency presents conflicts of interest that cannot be resolved without breach of duty to one party or another. Brokers who practice disclosed dual agency should do so with the utmost caution to protect consumers and themselves from inadvertent violation of demanding common law standards of disclosed dual agency.

(g) “Fiduciary Responsibilities” are those duties due the principal (client) in a real estate transaction are:

1. ‘Loyalty’ – the agent must put the interests of the principal above the interests of the agent or any third party

2. ‘Obedience’ – the agent agrees to obey any lawful instruction from the principal in the execution of the transaction that is the subject of the agency.
(3) ‘Disclosure’ – the agent must disclose to the principal any information the agent becomes aware of in connection with the agency.

(4) ‘Confidentiality’ – the agent must keep private information provided by the principal and information which would give a customer an advantage over the principal strictly confidential, unless the agent has the principal’s permission to disclose the information. This duty lives on after the agency relationship is terminated.

(5) ‘Reasonable skill, care and diligence’ – the agent must perform all duties with the care and diligence which may be reasonably expected of someone undertaking such duties.

(6) ‘Full accounting’ – the agent must provide a full accounting of any money or goods coming into the agent’s possession which belong to the principal or other parties.

(h) “First Substantive Meeting” shall be:

(1) In a real estate transaction in which the broker is the agent for the seller, first substantive meeting shall be before or just immediately prior to the first of any of the following:
   a) Showing the property to a prospective buyer.
   b) Eliciting confidential information from a buyer concerning the buyers’ real estate needs, motivation, or financial qualifications.

(2) For the seller’s agent, the definition shall not include:
   a) a bona fide “open house” or model home showing which encompasses (1)a) above only; however, whenever an event described in (1)b) or (1)c) occurs, disclosure must be made.
   b) Preliminary conversations or “small talk” concerning price range, location and property styles.
   c) Responding to general factual questions from a prospective buyer concerning properties that have been advertised for sale or lease.

(3) In a real estate transaction in which the broker is the agent for the buyer, first substantive meeting shall be at the initial contact with a seller or a seller’s agent or before or just immediately prior to the first of any of the following:
   a) Showing the property of a seller to a represented buyer.
b) Eliciting any confidential information from a seller concerning their real estate needs, motivation, or financial qualifications.

c) The execution of any agreements governed by Section 73-35-3 of the MS Code.

(4) For the buyer’s agent, the definition shall not include:

a) A bona fide “open house” or model home showing which encompasses (3)a) above only; however, whenever an event described in (3)b) or (3)c) occurs, disclosure must be made.

b) Preliminary conversations or “small talk” concerning price range, location and property styles.

c) Responding to general factual questions from a prospective buyer concerning properties that have been advertised for sale or lease.

(i) “Single Agency” shall mean a broker who has chosen to represent only one party to a real estate transaction. It may be either the buyer, seller, lessor or lessee or any party in a transaction governed by Section 73-35-3.

3. Disclosure Requirements:

(a) In a single agency, a broker is required to disclose, in writing, to the party for whom the broker is an agent in a real estate transaction that the broker is an agent of the party. The written disclosure must be made before the time an agreement for representation is entered into between the broker and the party. This shall be on an MREC Agency Disclosure Form.

(b) In a single agency, a real estate broker is required to disclose, in writing, to the party for whom the broker is not an agent, that the broker is an agent of another party in the transaction. The written disclosure shall be made at the time of the first substantive meeting with the party for whom the broker is not an agent. This shall be on an MREC Agency Disclosure Form.

(c) Brokers operating in the capacity of disclosed dual agents must obtain the informed written consent of all parties prior to or at the time of formalization of the dual agency. Informed written consent to disclosed dual agency shall be deemed to have been timely obtained if all of the following occur:

(1) The seller, at the time an agreement for representation is entered into between the broker and seller, gives written consent to dual agency by signing the Consent To Dual Agency portion of MREC Form A.

(2) The buyer, at the time an agreement for representation is entered into between the broker and buyer, gives written consent to dual agency by signing the Consent To Dual Agency portion of MREC Form A.
The seller and the buyer, at or before the time of execution of a contractual agreement, confirm their consent to dual agency by signing the MREC Consent to Disclosed Dual Agency form. This consent form is buyer, seller and property specific.

(d) In the event the agency relationship changes between the parties to a real estate transaction, new disclosure forms will be acknowledged by all parties involved.

(e) In the event one or more parties are not available to sign one or more of the Disclosure Forms, the disclosure will be accomplished orally. The applicable form will be so noted by the broker and said forms will be forwarded for signature(s) as soon as possible. Written electronic transmission will fulfill this requirement.

(f) In the event any party receiving a disclosure form requests not to sign that form acknowledging receipt, the broker shall annotate the form with the following statement: “A copy of this form was delivered to ______ date _______. Recipient declined to acknowledge receipt of this form.”

(g) The terms of the agency relationship shall be ratified on all contracts pertaining to real estate transactions.

(h) The Commission mandated disclosure form may be duplicated in content and size but not altered.

(i) Completed Agency Disclosure Forms shall be maintained in accordance with Rules and Regulations IV.B (6).

4. Disclosure Exception: A licensee shall not be required to comply with the provisions of Section 3, when engaged in transactions with any corporation, non-profit corporation, professional corporation, professional association, limited liability company, partnership, real estate investment trust, business trust, charitable trust, family trust, or any governmental entity in transactions involving real estate. Operating under this exception in no way circumvents the common law of agency.

Servicing the Prospects
When associates have inspected a listed property, they shall review their prospect sheets and call any prospects that may have ANY interest. In this manner, associates can keep in contact with their prospects and provide them with more incentive to work with the associate. There is a psychological advantage when an associate calls a prospective buyer and says, "We just listed a beautiful property that I think will meet your needs and requirements. Would you be interested in seeing this property?"
Drafting Offers
All offers, counter offers and any other forms used shall be completed and handled as per this manual, using standard forms obtained from the Mississippi Association of REALTORS®. The associate shall familiarize himself with the standard forms as well as the rules of MREC for the use of approved forms. Only broker approved forms may be used in any transaction. All offers, counter offers and any other forms shall utilize office-approved provisions for contingencies, inspections, warranties, representations, disclosures, etc.

There is no designated amount of earnest money that is required with an offer. It is desirable, however, to obtain a minimum of approximately $ (insert dollar amount or % amount). This is good faith money; consequently, deposits should be larger on loan assumptions, owner financing and all cash offers.

Confidentiality of Offers
Intra-office
TO AVOID PROBLEMS:

• Do not discuss the possibility of getting an offer with any associate prior to obtaining a signed Offer to Purchase
• Do not discuss the details of an offer you have drafted or presented with anyone other than the listing agent or the broker
• Do not ask any associate about his offer unless you are the listing agent

To Cooperating Brokers
Pursuant to the REALTOR® Code of Ethics each associate who is a listing agent, with the seller’s permission, may disclose to cooperating agents whether other offers have been submitted. Further, listing agents must disclose the existence of accepted offers to cooperating brokers who ask including those with unresolved contingencies.

Timeliness in Offers
All offers and counter offers must be presented in a timely manner. Although an offer may allow a specific time period for acceptance, the associate must make every effort to present the offer or counter offer as soon as possible. If timing, distances or other circumstances make personal presentation impractical, presentation by fax, express mail, e-mail or verbal presentation over the telephone may need to be done. Any verbal presentation should be followed as soon as possible with a hard copy forwarded by fax, express mail or whatever means of communication is most expedient in the circumstances.
The time and date of presentation shall be noted on each offer or counter offer, and the receiving party shall, as soon as possible, sign and date the form to indicate an acceptance, or initial and date the form to indicate a rejection or counter offer. A copy of these notations on the offer or counter offer shall be furnished to the cooperating broker.

Make sure that the buyer or seller is aware that a counter offer is, in effect, a rejection of the previous offer or counter offer, and the presentation of a new offer back to the other party. With the counter offer, only the terms which vary from the original offer are written out and all terms remaining the same from the original offer are incorporated by reference. Any terms from previous counter offers which are intended to be carried forward must also be written out.

**Delivery of Accepted Offers**

When a party has accepted an offer or a counter offer, the associate shall discuss with that party the different methods of delivery available for returning the offer to the other party, thus creating a binding contract. Associates shall explain that delivery by mail is considered delivered upon deposit in the mail. Whenever an offer is being handled by an associate for the purpose of personally delivering it back to the cooperating office or to the other party, a copy of that accepted offer shall also be mailed as soon as possible following the associate’s receipt of the same.

**Referral Fees**

The licensee will have many opportunities to send and receive prospective buyers and sellers via the referral process. All referral fees must go through the broker. If a referral company requests that an associate pay or accept an amount other than the amount set forth in the broker’s commission and compensation schedules, the associate must first consult the broker or office manager. Associates shall always confirm a referral fee agreement in writing prior to sending or accepting a referral. When sending referrals to an out of state broker the associate shall complete the Cooperating Agreement with Out of State Brokers as required by the Mississippi Real Estate Commission, shall request written evidence that the out-of-state broker is licensed (copy of current license) and that the broker is actively practicing real estate in his or her state, before agreeing to pay that broker a fee.

No licensee shall pay any part of a fee, commission, or other compensation received by such licensee in buying, selling, exchanging, leasing, auctioning or renting any real estate except to another licensee through the licensee’s responsible broker.

3.63
No licensee shall knowingly pay a commission, or other compensation to a licensed person knowing that licensee will in turn pay a portion or all of that which is received to a person who does not hold a real estate license.
Chapter 9
Closing Procedures

Listing Associate Responsibilities
At the consummation of every real estate transaction, the associate shall furnish to each buyer and seller a complete, detailed closing statement showing all of the receipts and disbursements involved in such transaction. The furnishing of a closing statement by an attorney or title company will relieve the associate of this requirement.

An associate shall not handle the closing of any real estate transaction except under the direct supervision of the broker. The broker will assume full responsibility for the execution of all closing statements prepared by the associate acting under his direct supervision.

Failed Transactions
The associate shall notify the closing officer in writing immediately if an accepted offer has failed. Earnest money shall be disbursed in a proper manner without unreasonable delay.

Attorneys at Closing
It is the policy of the broker that associates always recommend, to both buyers and sellers, that they seek legal advice from an attorney with respect to their legal questions throughout the negotiation process and transaction, and that an attorney attend the closing to represent their legal interests. Problems often occur that are not necessarily related to title and attorneys are best equipped to solve these problems. Furthermore, many legal burdens are lifted from the associate when an attorney is in attendance at closing.

Deposits and Earnest Money Handling
Unless otherwise agreed to in the contract by the buyer and seller, all checks received by the associate shall be turned over to the office secretary within one day of receipt. Checks received after office hours or on weekends will be placed in the (insert location) designated by the broker until the next workday. MREC statute requires that the broker is required to deposit the money into a trust account prior to the close of business of the next banking day.

Disbursement
Disbursement of earnest money is the responsibility of the broker who will make a determination as to the recipients in accordance with provisions of the license law and any earnest money disbursement

3.65
agreement signed by both parties. In this regard, the associate should not commit the broker to any decision as to the disposition of the earnest money being held except that it will be applied to the amount owed by the purchaser when the sale closes. The secretary will place a copy of all papers relative to disbursement in the file of a cancelled contract and make a notation on the canceled contract as to how disbursement was made. If there is a dispute in disbursements of such funds, the broker will be responsible for and may file an interpleader action in a court of competent jurisdiction.
Chapter 10
Antitrust

Summary of Principal Federal Antitrust Laws
The basic statutes making up the body of law known as the antitrust laws are the Sherman Act, the Clayton Act, the Robinson-Patman Act, and the Federal Trade Commission Act.

THE SHERMAN ACT - This statute enacted in 1890 was the first modern United States antitrust law and remains the cornerstone of all the federal antitrust statutes. It establishes two broadly stated principles of antitrust policy:

1. Section 1 of the Sherman Act prohibits agreements, combinations or conspiracies between two or more persons, firms, corporations, or associations which unreasonably restrain trade.
2. Section 2 of the Act prohibits the monopolization or any attempted monopolization of any market for a particular product or service.

These very general precepts of the Sherman Act have achieved specific meaning through a process of court interpretation, which has continued for more than 90 years. The selected cases most applicable to real estate brokers and the real estate industry have been compiled by the National Association of REALTORS® as Volume 2 of its publication, Antitrust and Real Estate.

It is not necessary to show a written contract to prove a violation of the Act. "Understandings," formal or informal, written or oral, express or implied, are enough for a court or jury to infer that an agreement has been reached. As the Supreme Court said in a leading antitrust case, "A wink of the eye or a shrug of the shoulder is often more important than a formal handshake."

THE CLAYTON ACT - The Clayton Act was enacted by Congress in 1914, and was the next major antitrust statute. Its approach differs from the Sherman Act in two basic ways:

1. While the Sherman Act applies to restraints of trade which have a present anti-competitive effect, the Clayton Act represents an effort to stop anti-competitive practices in the beginning by outlawing future conduct resulting in an unreasonable restraint of trade.
2. While the Sherman Act deals in broad principles, the Clayton Act is concerned with a limited number of specific subjects such as exclusive bidding arrangements (Section 3); acquisitions or mergers (Section 7); interlocking boards of directors (Section 8).
THE ROBINSON-PATMAN ACT - The Robinson-Patman Act enacted in 1936, amended the Clayton Act and deals with discrimination in prices charged various customers. The basic purpose of the Robinson-Patman Act was to protect small businessmen by putting constraints on the ability of a large company to command price discounts by use of greater purchasing power. The Federal Trade Commission is the enforcing agency for this law.

THE FEDERAL TRADE COMMISSION ACT - The Federal Trade Commission Act authorizes the FTC to enforce these federal laws. Such authority is shared with the Department of Justice. The FTC also enforces Section 5 of the Federal Trade Commission Act, which prohibits "unfair methods of competition" and "deceptive practices." Under this general provision, the FTC has enjoined potentially anti-competitive conduct before it could ripen into a violation of any of the antitrust laws.

In addition to having the authority to seek injunctions, the FTC is authorized to sue in federal court to recover refunds for consumers who have been injured by violation of an FTC rule or cease and desist order.

Antitrust Compliance
In antitrust cases, whether criminal prosecutions or civil treble damage suits, proof against the defendant is most likely to come from the defendant's own files and records or from statements made by the defendant or his associates. Thus, an antitrust compliance program must not only avoid actual violations of antitrust laws, but must also avoid creating or permitting the creation of files, records, documents, statements or conversations which might create an appearance of violation.

It is impossible, of course, to formulate a set of guidelines to cover all situations at all times, but insofar as the principles of antitrust compliance can be stated in specific rules, it would be well advised to remember the following:

1. **DO NOT Discuss Your Business With Competitors** - At any time, in any place, or under any circumstances, or have any personal or telephone conversations with competitors concerning commissions, fees, charges or any other business practices of your real estate business or those of the firm with which you are associated. This applies at social gatherings, on the golf course, while hunting, in the bar, cocktail parties, board functions and at all times and at all places. At Association or Board meetings, confine discussions to topics of Association or Board business directly involved in the purpose of the organization and the meeting.
2. **Written Communications Must Be Clear and Explicit** - When you discuss a real estate transaction or the superiority of your business practices over your business competitors, talk to your broker or associates in the firm with which you are associated. Regardless of how carefully you may phrase your letter or memorandum, things look much different in writing than they should sound when spoken between knowledgeable people. Of course, financial and economic data sometimes must be written but in many instances, any information relevant to business or legal relations can be communicated by talking, and talking only to those who have legitimate justification for receiving the information you are transmitting. More than one antitrust defendant has had his letter, correspondence, memoranda and written notes admitted in evidence against him for purposes for which the writer never intended. It is amazing how differently what you wrote sounds when it is read back to you in the grand jury room or during trial. All correspondence and memoranda must be clear and specific.

3. **DO NOT Talk Unless You Know Who You're Talking To And What You're Talking About** - In any business, complete candor among trusted business associates is necessary. It is not necessary, however, to tell everyone your business. Inform only those who need to know such matters as how and in what manner commission or fee contracts were negotiated, how much business you're doing, what business prospects are, how many and which properties you have sold, and anything else which might be of interest to someone investigating your business for a reason you know nothing about. If you receive a telephone call from anyone who refuses to identify himself or who begins what amounts to a probing cross examination about your business practices, terminate the conversation as quickly and courteously as possible. In this day of ever-improved recording devices for both telephonic use and miniature recording devices easily concealed in a room or on the person of an investigator, it is well to make it a rule in discussing business matters to speak as if you were being recorded. The chances are better than you think they are!

4. **DO NOT Deceive Yourself Or Let Anyone Else Deceive You Into Believing That Any Transgression Of The Antitrust Laws Has Little Risk Of Discovery** - The federal government possesses extensive investigatory powers, such as grand juries and civil investigative demands, as well as ingenious and dedicated investigators. Also, in private litigation, parties have litigation discovery tools to examine corporate or firm records and documents and to compel
testimony. Even though an antitrust violator may not keep records, it's competitors or the injured parties may.

In this age of photocopying, it is difficult to restrict distribution. Unexpected records such as telephone bills, expense accounts, a secretary's notes, engagement calendars or a forgotten written record may be uncovered. In a prosecution or suit for antitrust violations, a party may be faced with surprise witnesses such as former associates and employees and plea bargainers. Also, an alleged co-conspirator may take advantage of the antitrust division's leniency program and confess, thus perhaps avoiding indictment, a jail sentence and fines and keeping the tax-deductibility of civil damage payments.

5. **DO NOT Use Such Terms As "Please Destroy When Read", "For Your Eyes Only", "No Copies", Or Similar Terms and Phrases** - Experience has demonstrated that even if no copies are made, the original of such documents eventually end up in somebody's file. Even when marked "personal and confidential," the document is usually retained by the recipient and eventually filed. When an antitrust investigation is underway or documents are produced on a civil investigative demand or in private antitrust litigation, such terms and phrases are red flags for the investigator or opposing counsel. All written documents must comply with the antitrust laws whether inspected or discovered and should not indicate or infer an attempt to conceal any document.

6. **DO NOT At Any Time Use Any Of The Words And Phrases Which NAR's Program For Compliance Designated As "Dangerous"** - Since such statements are so improper, incorrect and dangerous, they need to be emphasized here along with some other words and phrases.

- "We would like to charge a lower commission, but the board has a rule..."
- "This is the rate that all REALTORS® charge."
- "The MLS will not accept less than a 120 day listing."
- "Before you list with XYZ Realty, you should know that nobody is going to work on their listing."
- "If John Doe is really professional (or ethical) he would have joined the Board."
- "The Board requires that all REALTORS® force their sales people to join."
- "The best way to deal with John Doe is to boycott him" or "we don't worry about John Doe; we just don't show his listings."
- "If you valued your services as a professional, you wouldn't cut your commission."
- "No board member will accept a listing for less than 90 days."
- "Let him stay in his own part of town, this is our territory."
- "If he was really a professional, he wouldn't use part timers."
- "X is the going rate in this area."
- "We have to charge that commission since our rates are set by the Mississippi Real Estate Commission."

3.70
• "The standard commission in this area is X."
• "When I see that guy's signs, I just drive the prospect down another street."
• "We've all agreed that any commission below X is unfair."
• "Something's got to be done about that company, nobody can charge such a low commission and make a living."
• "That price-cutter has no business being a member of the board."
• "You will not get a lower commission from a REALTOR®."

8. **If In Doubt, Consult** - No compliance program or manual can spell out all the answers to questions which may arise. Situations are bound to arise which create doubt. If you have doubts about the legality of any business practice, procedure or activity, consult your board executive officer, the broker under whose license you work or legal counsel knowledgeable about antitrust matters.

9. **Without Clearance: Don't Do It** - If neither the board executive officer, an executive officer of your firm nor legal counsel will give clearance to a proposed business deal or activity with antitrust implications—don't do it.

**DOCUMENT RETENTION POLICY**
Documents should not be kept any longer than reasonably necessary and should be destroyed when their useful life is over.

**CONSEQUENCES AND COSTS OF FAILURE TO COMPLY** if not persuaded by the positive approach to antitrust compliance alternative practical reasons must be considered. In other words, will an antitrust compliance program for MAR, its affiliated local boards of REALTORS® and its membership be "cost effective"? It is going to take a considerable expenditure of money, staff-time, and membership-time to institute and maintain a continuous, on-going antitrust compliance program. To make that judgment, consideration must be given to the awesome consequences and costs of the failure to carry on a continuous antitrust compliance program. Those who choose to ignore the antitrust laws or fail to educate themselves about such laws and develop a sensitivity to antitrust issues risk very serious consequences and costs for themselves, those with whom they are associated, and their fellow REALTORS®.

1. **Criminal Prosecution** - The criminal penalties for violating antitrust laws are severe, and the present enforcement trend is to prosecute not only the association, corporation, or firm involved, but also the officers, directors, staff, and employees personally. A violation of the Sherman Act, for example, is a felony for which any corporation may be fined up to one million dollars for each offense and an individual can be fined up to $100,000 and imprisoned for up to three years for each offense. The fines are not tax deductible. Also if a taxpayer is indicted and subsequently pleads guilty or *nolo contendere* or is

3.71
convicted, payments or damages in civil treble-damage actions are only one-third deductible. Jail sentences and probation, which by now are by no means uncommon, can be great personal tragedies. It is not pleasant trip through the typical arrest, fingerprinting, photographing and bail processes! Furthermore, convicted felons incur many civil disadvantages with respect to voting, holding of public office and the like. The emphasis today in the Justice Department is on stronger and more frequent criminal enforcement. Nolo contendere pleas are usually opposed by the government, and larger fines and sentences are being sought.

2. **Private Treble Damage Suits** - Antitrust laws also provide for civil penalties. Persons or businesses injured by violations of the antitrust laws may recover three times the amount of their damages, plus attorney's fees and all costs of litigation. The potentially enormous size of these judgments, particularly in a class action suit, can spell disaster for all real estate brokerage firms and boards of REALTORS®, which are involved.

3. **Injunctions** - The government and injured persons or businesses may also obtain injunctions against further antitrust violations. The severe requirements of these injunctions will handicap any brokerage business or board of REALTORS®.

4. **Consent Decrees** - To avoid the shocking expense of defending antitrust suits, some defendants elect to "settle out of court" by agreeing to consent decrees. However, these consent decrees can severely restrict an association's operations or a company's business, and, in some instances, the result is that the officers, directors and staff of a defendant from day-to-day carry on the operations under peril of contempt of court citations or threats of civil penalties of up to $10,000 per day. Conduct and practices which have not been adjudicated to be unlawful are often prohibited on consent decrees.

5. **Time** - Antitrust litigation usually requires years of preparation before trial and many months of appeals. From the filing of suit to settlement of judgment, on the average may take from 4 to 5 years. Not only may the defendant board or real estate firm in an antitrust case face years of uncertainty, but the valuable time of REALTORS® and other personnel almost certainly will be spent in long hours of preparing testimony, giving depositions, producing documents, tabulating statistics and performing other necessary preparations for trial. It is almost impossible for board executives and REALTORS® in antitrust cases to appreciate the time lost and the expense involved until they actually experience serious antitrust litigation.
6. **High Cost of Antitrust Litigation** - The cost of defending antitrust suits, civil or criminal, is astonishing. It is not at all unusual in criminal antitrust cases for the cost of litigation to exceed the fines imposed. Even defendants confident of acquittal are faced with the prospect of spending shocking amounts of money and countless days of employee time and effort in establishing their innocence. So called "simple" antitrust cases usually cost hundreds of thousands of dollars to defend. It is, therefore, imperative that REALTORS® involved in the real estate brokerage business not only **comply** with the antitrust laws, but also avoid even the suspicion of any violations.

7. **Adverse Publicity** - Whether the antitrust case is civil or criminal, once the suit is filed, damages to the reputation and public image of both the local board as well as the individual defendants and especially the image of REALTOR® as an ethical and responsible business person are incalculable. Even if the government's prosecution or private plaintiffs treble damage suit against a REALTOR® is without merit and the cases are eventually won by the defendants, the bad publicity lingers on.

8. **Internal Strife and Tension** - No matter how well organized and managed a local board or REALTOR® firm may be, once an antitrust investigation is launched or an antitrust suit is filed, internal strife and tension among the staff and employees is unavoidable. Personnel will be kept busy assisting in matters involving the investigation or in preparing for litigation, and some inevitably will seek to disassociate themselves from others whom they perceive to have contributed to the charge. The loss of work efficiency and production resulting from these conflicts is expensive and can be ruinous to any board or REALTOR® business.
Chapter 11
Termination of Affiliation

Should the broker and the associate terminate this relationship, the associate will immediately turn in all company property including all transactional files pertaining to listings, offers, or other contracts, any other office files, office policy books, office keys, lock box keys and lock boxes, signs, books, supplies and a copy of all prospect and referral lists generated while employed by the broker. The associate will contact the broker for final out-processing. The broker's supervisory responsibility shall terminate upon his signing of the release form.

Within ten (10) days after the date of release, the non-affiliated associate shall complete the required administrative measures for change of affiliation, temporary retirement, or placement in "inactive" status accompanied by the proper fee to the MREC.

Note: The licensee shall not engage in any real estate transactions nor shall he act under contract with another firm until completion and transmittal to the Commission of the change of affiliation form and fee is remitted.

Compensation after Termination
Listing contracts are the property of the broker. The broker reserves the right to reassign any listing or other contract upon termination by or of an associate. Compensation for Offers to Purchase or for listings obtained by the associate prior to termination of this relationship shall be payable on the basis of the commission schedule shown in the independent contractor agreement. The broker reserves the right to modify the compensation due to an associate on a pending sale on a case by case basis depending upon the status of that pending sale at the time the associate leaves the broker.
