**Derek Macleod**

**Keynoter**

Derek lives in Toronto, Ontario, Canada. Home of the Blue Jays, Drake, Toronto Raptors and Glenview Presbyterian Church, where he serves as senior minister. Derek is thrilled to be back at Montreat for a second time and looks forward to an amazing conference. He also plans to follow through on his plan to buy a seer sucker suit. He is married to Catherine Chappell and together they are raising three young girls, two cats and a dog.

**David Ealy**

**Music Leader**

David is the Pastor at Hawfields Presbyterian Church in Mebane, NC. His family is living it up with their standard poodle, tiger-striped cat and made-from-scratch sour dough bread. With almost 20 years in ministry with youth, David loves the way youth use music to speak to who they are. He also believes music colors all of life and can help the church heal not only others but itself. Dark chocolate is a standard inducement for him.

**Stuart Hill**

**Music Leader**

Stuart lives in Greensboro, NC, where he is the chorus teacher at Northern Guilford Middle School. Although Stuart has led music at Montreat Middle School and other conferences, he is excited to lead music in Anderson Auditorium for the first time this summer! When Stuart isn’t teaching, he loves writing music, traveling, alphabetizing, color-coding, and campaigning for good grammar worldwide.

**Alex Dorsam**

**Recreation Leader**

Alex is the Youth Director for Palmetto Presbyterian Church. Some of his greatest memories are of Montreat Youth Conferences. He learned so much and met so many great people. He’s ecstatic to be coming back after a few years of being away! He enjoys soccer, hiking, camping, and the mountains!

**Lynn Turnage**

**Recreation Leader**

Lynn is the Director of Children & Family Ministries at Westminster Presbyterian Church in Greensboro, NC. Lynn calls Montreat one of her “holy lands.” She’s been around Montreat most of her life and thinks playing in the creek with her children is a Sabbath experience. She loves chocolate, movies, adventure, Chinese food, pottery, and her two girls.
