(1) The person making the claim will be required to submit all evidence available concerning the member's actions and intentions with respect to Servicemembers' Group Life Insurance or Veterans' Group Life Insurance.

(2) Request will be made to the member's uniformed service and any other likely source of information considered necessary, for whatever evidence in the form of copies of payroll or personnel records, statements of persons having knowledge of the facts, etc., is essential to a decision in the matter.

Based on the evidence obtained, a formal determination will be made as to whether the member involved is deemed to have applied to be insured, or to be insured for an amount other than the amount shown in the record. The determination will include a finding as to the member's health status for insurance purposes based on the evidence available.

(Authority: 38 U.S.C. 1967)

(c) In making the determination required under paragraph (b) of this section, the following will be considered:

(1) The possibility that due to widespread geographic distribution, inadequate means of communication and the nature of the group insurance program, members may not be adequately and accurately informed, especially in time of war or military emergency, about the detailed requirements for obtaining insurance protection.

(2) Payroll deductions made without objection by a member, following waiver or termination of coverage, representing premiums for insurance or additional insurance, may, by virtue of continuity or the circumstances surrounding their initiation, be indicative that the member did apply. Such deductions without a formal application of record may be considered as evidence that the member's application was not in proper form or misplaced. They may also be considered as evidence that an application was not made solely because of erroneous or incomplete counseling or absence of counseling on the part of the responsible personnel of the uniformed service.

(d) Questions for determination under this section as well as those involving coverage of groups and classes of members and other questions are properly referable to the Assistant Director for Insurance. Authority to make any determinations required under this section is delegated to the Under Secretary for Benefits and Assistant Director for Insurance.

§ 9.8 Termination of coverage.
Termination of coverage will be in accordance with the provisions of 38 U.S.C. 1968 and § 9.3 of this part and the following provisions:
(a) In the case of a member whose coverage is forfeited under 38 U.S.C. 1973, coverage terminates at the end of the day preceding the day on which the act or omission forming the basis for such forfeiture occurred.
(b) In the event of discontinuance of the group policy, coverage terminates at the end of the day preceding the date of the discontinuance of the policy except for those members who are insured under Veterans' Group Life Insurance in which event coverage terminates at the expiration of the day preceding the anniversary of the effective date of such insurance which first occurs, 90 days or more after the discontinuance of the group policy.

§ 9.9 Conversion privilege.
(a) With respect to a member on active duty or active duty for training under a call or order to duty that specifies a period of less than 31 days, and a member insured during inactive duty training scheduled in advance by competent authority there shall be no right of conversion unless the insurance is continued in force under 38 U.S.C. 1967(b) or 1968(a) for 120 days following a period of such duty, as the result of a disability incurred or aggravated during such a period of duty.
(b) The individual policy of life insurance to which an insured may convert under 38 U.S.C. 1968(b) or 1977(e) shall not have disability or other supplementary benefits and shall not be term insurance or any policy which does not provide for cash values. Term riders providing level or decreasing insurance for which an additional premium is charged may be attached to an eligible basic conversion policy, but the rider will be excluded from the conversion pool agreement under the policy.
(c) The insurer will establish a conversion pool in cooperation with the reinsurers and converters in accordance with the terms of the policy. Its purpose will be to provide for the determination and maintenance of appropriate charges arising from excess mortality under individual conversion policies issued in accordance with this section and provide for the appropriate distribution of the risk of loss due to such excess mortality among the reinsurers and converters.
§ 9.10 Health standards.

(a) For the purpose of determining if a member who incurred a disability or aggravated a preexisting disability during a period of active duty or active duty for training under a call to duty specifying a period of less than 31 days or during a period of inactive duty was rendered uninsurable at standard premium rates, the underwriting criteria used by the insurer in determining good health for persons applying to it for life insurance in amounts not exceeding the maximum amount of coverage then available under 38 U.S.C. 1967 will be used.

(Authority: 38 U.S.C. 1967)

(b) For all other purposes of determining if a member meets the necessary health requirements except paragraph (a) of this section, the underwriting criteria used by the insurer in determining good health for group life insurance purposes will be used.

§ 9.11 Criteria for reinsurers and converters.

The following criteria will control eligibility for reinsuring and converting companies:

(a) The company must be a legal reserve life insurance company as classified by the insurance supervisory authorities of the State of domicile. Qualified fraternal organizations are included.

(b) The company must have been in the life insurance business for a continuous period of 5 years prior to October 1, 1965, or the December 31 preceding any redeterminations of the allocations. In the event of a merger, the 5-year requirement may be satisfied by either the surviving company or by one of the absorbed companies. Upon joint application by a subsidiary of a participating company, together with the parent company, the 5-year requirement may be waived provided such parent company owns more than 50 percent of the outstanding stock of the subsidiary and has been a legal reserve life insurance company for a period of 10 years or more.

(c) The company must be licensed to engage in life insurance in at least one State of the United States or the District of Columbia.

(d) The company will not be one: (1) Certified by the Department of Defense as being under suspension for cause for purpose of allotment or on-base solicitation privileges. (2) That solicits life insurance applications as conversion or other replacement of Servicemembers' Group Life Insurance or Veterans' Group Life Insurance coverage in jurisdictions in which it is not licensed.
(3) That fails to take effective action to correct an improper practice followed by it or its agents within 30 days after written receipt of notice issued by the insurer or the Assistant Director for Insurance. Improper practice includes:
(i) The use for solicitation purposes of lists of names and addresses of former members without obtaining reasonable assurance that such lists have not been obtained contrary to regulations of the Department of Defense or other uniformed service;
(ii) Failure to reveal sources and copies of mailing lists upon proper request or to otherwise cooperate in an authorized investigation of a reported improper practice;
(iii) The use of written or oral representations which may mislead the person addressed as to the true role of the company or its representatives as one of the participating companies;
(iv) The use of written or oral representations which may mislead the person addressed as to rights, privileges, coverage, premiums, or similar matters under Servicemembers' Group Life Insurance, Veterans' Group Life Insurance, or any policy issued or proposed to be issued as a conversion or other replacement coverage;
(v) Violation of regulations of a uniformed service concerning solicitation of life insurance; and
(vi) The use of written or oral references to Servicemembers' Group Life Insurance, Veterans' Group Life Insurance or conversions of Servicemembers' Group Life Insurance or Veterans' Group Life Insurance in connection with the attempted sale of an insurance policy which would not be, in fact, a conversion policy or a policy issued in lieu of a conversion, if those references might lead a person addressed to believe there is a connection between the policy being sold and coverage under Servicemembers' Group Life Insurance, Veterans' Group Life Insurance or a conversion of it.
(e) Each reinsuring and converting company must agree to issue conversion policies to any qualified applicant regardless of race, color, religion, sex, or national origin, under terms and conditions established by the primary insurer.

[CROSS REFERENCE: This section was formerly § 9.28.]

§ 9.12 Reinsurance formula.
The allocation of insurance to the insurer and each reinsurer will be based upon the following:
(a) An amount of the total life insurance in force under the policy in proportion to the company's total life insurance in force in the United States, where:
The first $ 100 million in force is counted in full,
The second $ 100 million in force is counted at 75 percent,
The third $ 100 million in force is counted at 50 percent,
The fourth $ 100 million in force is counted at 25 percent,
And any amount above $ 400 million in force is counted at 5 percent.
(b) The allocation will be redetermined at the beginning of each policy year for the primary insurer and the companies then reinsuring, with the portion as set forth in paragraph (a) of this section based upon the corresponding in force (excluding the Servicemembers' Group Life Insurance in force) as of the preceding December 31.

c) Any life insurance company, which is not initially participating in reinsurance or conversions, but satisfies the criteria set forth in § 9.11, may subsequently apply to the primary insurer to reinsure and convert, or to convert only. The participation of such company will be effective as of the beginning of the policy year following the date on which application is approved by the insurer.

[CROSS REFERENCE: This section was formerly § 9.30.]

§ 9.13 Actions on the policy.
The Assistant Director for Insurance will furnish the name and address of the insuring company upon written request of a member of the uniformed services or his or her beneficiary. Actions at law or in equity to recover on the policy, in which there is not alleged any breach of any obligation undertaken by the United States, should be brought against the insurer.

(a) What is an Accelerated Benefit? An Accelerated Benefit is a payment of a portion of your Servicemembers' Group Life Insurance or Veterans' Group Life Insurance to you before you die.

(b) Who is eligible to receive an Accelerated Benefit? You are eligible to receive an Accelerated Benefit if you have a valid written medical prognosis from a physician of 9 months or less to live, and otherwise comply with the provisions of this section.

(c) Who can apply for an Accelerated Benefit? Only you, the insured member, can apply for an Accelerated Benefit. No one can apply on your behalf.

(d) How much can you request as an Accelerated Benefit? (1) You can request as an Accelerated Benefit an amount up to a maximum of 50% of the face value of your insurance coverage.

(2) Your request for an Accelerated Benefit must be $ 5,000 or a multiple of $ 5000 (for example, $ 10,000, $ 15,000).
(e) How much can you receive as an Accelerated Benefit? You can receive as an Accelerated Benefit the amount you request up to a maximum of 50% of the face value of your insurance coverage, minus the interest reduction. The interest reduction is the amount the Office of Servicemembers' Group Life Insurance actuarially determines to be the amount of interest that would be lost because of the early payment of part of your insurance coverage. This means that if you have $100,000 in coverage and you request the maximum amount that you are eligible to request as an Accelerated Benefit, you will be paid $50,000 minus the interest reduction.

(f) How do you apply for an Accelerated Benefit? (1) You can obtain an application form entitled "Claim for Accelerated Benefits" by writing the Office of Servicemembers' Group Life Insurance, 290 W. Mt. Pleasant Avenue, Livingston, New Jersey 07039; calling the Office of Servicemembers' Group Life Insurance toll-free at 1-800-219-1473; or downloading the form from the Internet at www.insurance.va.gov. You must submit the completed application form to the Office of Servicemembers' Group Life Insurance, 290 W. Mt. Pleasant Avenue, Livingston, New Jersey 07039.

(2) As stated on the application form, you will be required to complete part of the application form and your physician will be required to complete part of the application form. If you are an active duty servicemember, your branch of service will also be required to complete part of the form.

§ 9.20 Traumatic Injury Protection.
(a) What is traumatic injury protection? Traumatic injury protection provides for the payment of a specified benefit amount to a member insured by Servicemembers' Group Life Insurance who sustains a traumatic injury directly resulting in a scheduled loss.
(b) What is a traumatic event?
(1) A traumatic event is the application of external force, violence, chemical, biological, or radiological weapons, or accidental ingestion of a contaminated substance causing damage to a living being occurring --
(i) On or after December 1, 2005, or
(ii) On or after October 7, 2001, and through and including November 30, 2005, if the
scheduled loss is a direct result of a traumatic injury incurred in Operation Enduring
Freedom or Operation Iraqi Freedom.
(2)(i) The term incurred in Operation Enduring Freedom means a service member was
deployed outside of the United States on orders in support of Operation Enduring
Freedom or served in a geographic location that qualified the service member for the
Combat Zone Tax Exclusion under 26 U.S.C. 211.
(ii) The term incurred in Operation Iraqi Freedom means a service member was deployed
outside of the United States on orders in support of Operation Iraqi Freedom or served in
a geographic location that qualified the service member for the Combat Zone Tax
Exclusion under 26 U.S.C. 211.
(3) A traumatic event does not include a surgical procedure in and of itself.
(c) What is a traumatic injury?
(1) A traumatic injury is physical damage to a living body that is caused by a traumatic
event as defined in paragraph (b) of this section.
(2) For purposes of this section, the term "traumatic injury" does not include damage to a
living body caused by --
(i) A mental disorder; or
(ii) A mental or physical illness or disease, except if the physical illness or disease is
caused by a pyogenic infection, biological, chemical, or radiological weapons, or
accidental ingestion of a contaminated substance.
(3) For purposes of this section, all traumatic injuries will be considered to have occurred
at the same time as the traumatic event.
(d) What are the eligibility requirements for payment of traumatic injury protection
benefits? You must meet all of the following requirements in order to be eligible for
traumatic injury protection benefits.
(1) You must be a member of the uniformed services who is insured by Servicemembers' 
Group Life Insurance under section 1967(a)(1)(A)(i), (B) or (C)(i) of title 38, United
States Code, on the date you sustained a traumatic injury. (For this purpose, you will be
considered a member of the uniformed services until midnight on the date of your
separation from service.)
(2) You must suffer a scheduled loss that is a direct result of a traumatic injury and no
other cause.
(3) You must survive for a period not less than seven full days from the date of the
traumatic injury. The seven day period begins on the date and Zulu (Greenwich Meridean)
time of the traumatic injury and ends 168 full hours later.
(4) You must suffer a scheduled loss under paragraph (e)(7) of this section within 365
days of the traumatic injury.
(e) What is a scheduled loss and what amount will be paid because of that loss? (1) The
term "scheduled loss" means a condition listed in the schedule in paragraph (e)(7) of this
section if directly caused by a traumatic injury. A scheduled loss is payable at the amount
specified in the schedule.
(2) The maximum amount payable under the schedule for all losses resulting from
traumatic events occurring within a seven-day period is $100,000. We will calculate the
seven-day period beginning with the day on which the first traumatic event occurs.
(3) A benefit will not be paid if a scheduled loss is due to a traumatic injury --
   (i) Caused by --
      (A) The member's attempted suicide, while sane or insane;
      (B) An intentionally self-inflicted injury or an attempt to inflict such injury;
      (C) Medical or surgical treatment of an illness or disease;
      (D) Willful use of an illegal or controlled substance, unless administered or consumed on
          the advice of a medical doctor; or
   (ii) Sustained while a member was committing or attempting to commit a felony.
(4) A benefit will not be paid for a scheduled loss resulting from --
   (i) A physical or mental illness or disease, whether or not caused by a traumatic injury,
       other than a pyogenic infection or physical illness or disease caused by biological,
       chemical, or radiological weapons or accidental ingestion of a contaminated substance; or
   (ii) A mental disorder whether or not caused by a traumatic injury.
(5) Amount Payable under the Schedule of Losses.
   (i) The maximum amount payable for all scheduled losses resulting from a single
       traumatic event is limited to $100,000. For example, if a traumatic event on April 1,
       2006, results in the immediate total and permanent loss of sight in both eyes, and the loss
       of one foot on May 1, 2006, as a direct result of the same traumatic event, the member
       will be paid $100,000.
   (ii) If a member suffers more than one scheduled loss as a result of a single traumatic
       event, payment will be made for the scheduled loss with the highest benefit amount.
   (iii) If a member suffers more than one scheduled loss from separate traumatic events
       occurring more than seven full days apart, the scheduled losses will be considered
       separately and a benefit will be paid for each loss up to the maximum amount according
       to the schedule. For example, if a member suffers the loss of one foot at or above the
       ankle on May 1, 2006, from one event, the member will be paid $50,000. If the same
       member suffers loss of sight in both eyes from an event that occurred on November 1,
       2006, the member will be paid an additional $100,000.
(6) Definitions. For purposes of this paragraph (e)(6) --
   (i) Quadriplegia means the complete and irreversible paralysis of all four limbs;
   (ii) Paraplegia means the complete and irreversible paralysis of both lower limbs; and
   (iii) Hemiplegia means the complete and irreversible paralysis of the upper and lower
       limbs on one side of the body.
(7) Schedule of Losses.

If the loss is -- paid  is --
   (i) Total and permanent loss of $100,000.  sight in both eyes
   (ii) Total and permanent loss of $100,000.  hearing in both ears
   (iii) Loss of both hands at or above $100,000.  wrist
   (iv) Loss of both feet at or above $100,000.  ankle
   (v) Quadriplegia  $100,000.
   (vi) Hemiplegia  $100,000.
(vii) Paraplegia $ 100,000.

(viii) 3rd degree or worse burns, covering 30% of the body or 30% of the face $ 100,000.

(ix) Loss of one hand at or above wrist and one foot at or above ankle $ 100,000.

(x) Loss of one hand at or above wrist and total and permanent loss of sight in one eye $ 100,000.

Note: Duration of the inability to carry out activities of daily living includes the day of onset of the inability to carry out activities of daily living and the day when the member can once again carry out activities of daily living. At 60th consecutive day of the inability to carry out activities of daily living -- Additional $25,000.
At 90th consecutive day of the inability to carry out activities of daily living -- Additional $25,000.

At 120th consecutive day of the inability to carry out activities of daily living -- Additional $25,000.

(f) Who will determine eligibility for traumatic injury protection benefits? Each uniformed service will certify the eligibility of its own members for traumatic injury protection benefits based upon section 1032 of Public Law 109-13 and this section.

(g) How does a member make a claim for traumatic injury protection benefits?

(1)(i) A member who believes he or she qualifies for traumatic injury protection benefits must complete Part A of the Certification of Traumatic Injury Protection Form and sign the form.

(ii) If a member is unable to do so, anyone acting on the member's behalf may request a Certification of Traumatic Injury Protection Form from the uniformed service. However, the Certification of Traumatic Injury Protection Form must be signed by the member, the member's guardian, or the member's attorney-in-fact.

(iii) If a member suffered a scheduled loss as a direct result of the traumatic injury, survived seven full days from the date of the traumatic event, and then died before the maximum benefit for which the service member qualifies is paid the beneficiary or beneficiaries of the member's Servicemembers' Group Life Insurance policy should complete a Certification of Traumatic Injury Protection Form.

(2) If a member seeks traumatic injury protection benefits for a scheduled loss occurring after submission of a completed Certification of Traumatic Injury Protection Form for a different scheduled loss, the member must submit a completed Certification of Traumatic Injury Protection Form for the new scheduled loss and for each scheduled loss that occurs thereafter. For example, if a member seeks traumatic injury protection benefits for a scheduled loss due to coma from traumatic injury and/or the inability to carry out activities of daily living due to traumatic brain injury (§ 9.20(e)(7)(xxxviii)), or the inability to carry out activities of daily living due to loss directly resulting from a traumatic injury other than an injury to the brain (§ 9.20(e)(7)(xliv)), a completed Certification of Traumatic Injury Protection Form must be submitted for each increment of time for which TSGLI is payable. Also, for example, if a service member suffers a scheduled loss due to a coma, a completed Certification of Traumatic Injury Protection Form should be filed after the 15th consecutive day that the member is in the coma, for which $25,000 is payable. If the member remains in a coma for another 15 days, another completed Certification of Traumatic Injury Protection Form should be submitted and another $25,000 will be paid.

(h) How does a member or beneficiary appeal an adverse eligibility determination?

(1) Notice of a decision regarding a member's eligibility for traumatic injury protection benefits will include an explanation of the procedure for obtaining review of the decision. An appeal of an eligibility determination, such as whether the loss occurred within 365 days of the traumatic injury, whether the injury was self-inflicted or whether a loss of hearing was total and permanent, must be in writing. An appeal must be submitted by a member or a member's legal representative or by the beneficiary or the beneficiary's legal representative, within one year of the date of a denial of eligibility, to the office of the
uniformed service identified in the decision regarding the member's eligibility for the benefit.

(2) An appeal regarding whether a member was insured under Servicemembers' Group Life Insurance when the traumatic injury was sustained must be in writing. An appeal must be submitted by a member or a member's legal representative or by the beneficiary or the beneficiary's legal representative within one year of the date of a denial of eligibility to the Office of Servicemembers' Group Life Insurance.

(i) Who will be paid the traumatic injury protection benefit? The injured member who suffered a scheduled loss will be paid the traumatic injury protection benefit in accordance with title 38 U.S.C. 1980A except under the following circumstances:

(1) If a member is legally incapacitated, the member's guardian or attorney-in-fact will be paid the benefit on behalf of the member.

(2) If a member dies before payment is made, the beneficiary or beneficiaries who will be paid the benefit will be determined in accordance with 38 U.S.C. 1970(a).

§ 10.1 Issuance of duplicate adjusted service certificate without bond.
If the veteran named in an adjusted service certificate issued pursuant to the provisions of section 501 of the World War Adjusted Compensation Act, without bad faith, has not received such certificate, or if prior to receipt by the veteran such certificate was destroyed wholly or in part or was so defaced as to impair its value, or, if after delivery it was partially destroyed or defaced so as to impair its value but can be identified to the satisfaction of the Secretary, a duplicate adjusted service certificate will be issued upon application and a bond of indemnity will not be required: Provided, That if the adjusted service certificate was destroyed in part or so defaced as to impair its value, the veteran or person entitled to payment thereon will be required to surrender to the Department of Veterans Affairs the original certificate or so much thereof as may remain.

§ 10.2 Evidence required of loss, destruction or mutilation of adjusted service certificate.
The veteran named in an adjusted service certificate issued pursuant to the provisions of section 501 of the World War Adjusted Compensation Act, or the person entitled to payment thereon will be required to furnish evidence of the nonreceipt of the adjusted service certificate, or of its receipt in a mutilated or defaced condition, or of the loss or destruction in whole or in part of defacement of the certificate after its receipt, as the case may be. The evidence must be sufficient to establish to the satisfaction of the Secretary that neither the veteran nor the person entitled to payment thereon, or any person for or on their behalf, received the adjusted service certificate, or that at the time of its receipt it was mutilated or defaced to such an extent as to impair its value, or that after receipt of the certificate it was lost or destroyed in whole or in part or defaced, but without bad faith on the part of the veteran, and that every effort has been made to recover the lost certificate. Unless determination is otherwise made by the Secretary the evidence must be in the form of a written statement sworn to by the veteran or person entitled to payment thereon and witnessed by at least two persons who shall state, under oath that they personally know the affiant, that they have read his or her statement and that it is true to the best of their knowledge and belief. These statements should be supplemented by affidavits of any persons having personal knowledge of additional facts and circumstances concerning the matter, and the Secretary may require any additional evidence deemed necessary.

§ 10.3 Issuance of duplicate adjusted service certificate with bond.
An indemnity bond will be required as a prerequisite to the issuance of a duplicate adjusted service certificate in all cases where the certificate was lost after receipt by the veteran, or after receipt by the veteran was defaced or mutilated and cannot be identified to the satisfaction of the Secretary, provided the loss, defacement, or mutilation was without bad faith on the part of the veteran or the person entitled to payment thereon. The bond must be in the manner and form prescribed by the Department of Veterans Affairs and for an amount equal to the face value of the certificate, with surety or sureties residents of the United States and satisfactory to the Secretary, with condition to indemnify and save harmless the United States from any claim on account of such certificate. If the certificate was defaced or mutilated the veteran or person entitled to payment thereon will be required to surrender to the Department of Veterans Affairs the certificate or so much thereof as may remain.
13 FR 7122, Nov. 27, 1948.

§ 10.4 Loss, destruction, or mutilation of adjusted service certificate while in possession of Department of Veterans Affairs.
A new adjusted service certificate will be issued without bond in lieu of the certificate which has been lost or destroyed, or has been mutilated, defaced or damaged so as to impair its value, while in possession of the Department of Veterans Affairs.
13 FR 7122, Nov. 27, 1948.

§ 10.15 Designation of more than one beneficiary under an adjusted service certificate.
A veteran to whom an adjusted service certificate has been issued pursuant to the provisions of section 501 of the World War Adjusted Compensation Act may name more than one beneficiary to receive the proceeds of his adjusted service certificate, and may from time to time with the approval of the Secretary change such beneficiaries. The designated beneficiaries shall share equally unless otherwise specified by the veteran. Wherever the word beneficiary appears in the law and Department of Veterans Affairs regulations it shall be interpreted to include beneficiaries.
13 FR 7122, Nov. 27, 1948.

§ 10.16 Conditions requisite for change in designation of beneficiary.
A change of beneficiary of an adjusted service certificate to be valid must be made: (a) By notice signed by the veteran or his duly authorized agent, and delivered or properly mailed to the Department of Veterans Affairs during the lifetime of the veteran. Such change shall not take effect until approved by the Secretary and after such approval the change shall be deemed to have been made as of the date the veteran signed said
written notice and change, whether the veteran be living at the time of said approval or not.

(b) Or by last will and testament of the veteran, duly probated. Such change shall not be effective until received by the Department of Veterans Affairs and approved by the Secretary and after such approval the change shall be deemed to have been made as of the date of death of the veteran: Provided, That a change of beneficiary signed subsequent to the date upon which the will was executed and delivered in accordance with paragraph (a) of this section shall if approved in accordance with regulations take precedence over the designation by will.

Provided, however, That any payment made to a beneficiary of record, before notice of change of beneficiary has been received in the Department of Veterans Affairs and approved by the Secretary, shall not be made again to the changed beneficiary.

13 FR 7122, Nov. 27, 1948.

§ 10.17 Designation of beneficiary subsequent to cancellation of previous designation.
The designation of a beneficiary made subsequent to the cancellation of a previous designation of beneficiary, shall be considered as a change in beneficiary, and shall be subject to the approval of the Secretary and subject to the conditions and requirements respecting change in beneficiary as outlined in § 10.16.

13 FR 7122, Nov. 27, 1948.

§ 10.18 Approval of application for change of beneficiary heretofore made.
Any application for a change of beneficiary heretofore made may be approved if it meets the requirements set out in §§ 10.16 and 10.17.

13 FR 7122, Nov. 27, 1948.

§ 10.20 'Demand for payment' certification.
Certification to the execution of demand for payment forms appearing on the reverse side of adjusted service certificates issued pursuant to the World War Adjusted Compensation Act, as amended, is required in accordance with instructions printed on said forms. Such certification if made in the United States or possessions will be accepted if made by and bearing the official seal of a United States postmaster, an executive officer of an incorporated bank or trust company, notary public, or any person who is legally authorized to administer oaths in a State, Territory, District of Columbia or in a Federal judicial district of the United States. If the demand for payment be executed in a foreign country, the same shall be certified by an American consul, a recognized representative of an American embassy or legation or by a person authorized to administer oaths under the laws of the place where execution of demand is made, provided there be attached to
the certificate of such latter officer a proper certification by an accredited official of the State Department of the United States that the officer certifying to the execution of the demand for payment was authorized to administer oaths in the place where certification was made.
13 FR 7122, Nov. 27, 1948.

§ 10.22 Payment to estate of decedent.
Wherever the face value of an adjusted service certificate, issued pursuant to the World War Adjusted Compensation Act, as amended, becomes payable to the estate of any decedent and the amount thereof is not over $500 and an administrator has not been or is not to be appointed, such amount will be paid to such person or persons as would, under the laws of the State of residence of the decedent, be entitled to his personal property in case of intestacy.
13 FR 7122, Nov. 27, 1948.

§ 10.24 Payment of death claim on lost, destroyed or mutilated adjusted service certificate with bond.
If the veteran named in an adjusted service certificate, issued pursuant to the provisions of section 501 of the World War Adjusted Compensation Act, is deceased, and if, after receipt by the veteran, the adjusted service certificate was lost, destroyed, or so defaced as to impair its value and cannot be identified to the satisfaction of the Secretary of Veterans Affairs, the person entitled to payment thereon will be required to furnish an indemnity bond in the manner and form prescribed by the Department of Veterans Affairs and for an amount equal to the face value of the certificate, with surety or sureties residents of the United States and satisfactory to the Secretary of Veterans Affairs with condition to indemnify and save harmless the United States from any claim on account of such certificate, before payment will be made of the proceeds of the certificate and a duplicate adjusted service certificate will not be issued.
13 FR 7122, Nov. 27, 1948.

§ 10.25 Payment of death claim on adjusted service certificate without bond.
If the veteran named in the adjusted service certificate, issued pursuant to the provisions of section 501 of the World War Adjusted Compensation Act, is deceased, and if the certificate was lost or destroyed wholly or in part or was so defaced as to impair its value prior to receipt by the veteran, or was partially destroyed or defaced after receipt by the veteran, but can be identified to the satisfaction of the Secretary of Veterans Affairs, payment will be made of the proceeds of the certificate, a bond of indemnity will not be required, and a duplicate adjusted service certificate will not be issued: Provided, The
person entitled to payment thereon surrenders the defaced or mutilated certificate or so much thereof as may remain.
13 FR 7122, Nov. 27, 1948.

§ 10.27 Definitions.
For the purpose of §§ 10.28 to 10.47, the word Act as used herein refers to the World War Adjusted Compensation Act, as amended; the word Veteran refers to that term as defined in section 2 of title I of said Act; the word Director refers to the Secretary of Veterans Affairs.
13 FR 7122, Nov. 27, 1948.

§ 10.28 Proof of death evidence.
Evidence required in establishing proof of death under the act, as amended, shall conform with the requirements set forth in the regulations of the Department of Veterans Affairs.
13 FR 7122, Nov. 27, 1948.

§ 10.29 Claims for benefits because of elimination of preferred dependent.
A dependent, in subsequent position in the order of preference as defined in section 601 of title VI of the Act, as amended, who makes claim for the benefits of the Act in consequence of the death of a dependent who made application and who stood in preferential position as defined in section 601 of the act, as amended, shall be required to furnish, in support of such claim, proof of death of said dependent. Proof of death of said dependent shall be in accordance with the requirements for proof of death as outlined in the regulations of Department of Veterans Affairs. A dependent who makes claim for the benefits of the act because of remarriage of a widow who did not make and file application before remarriage shall be required to furnish in support of such claim proof of remarriage of said widow. Proof of remarriage of said widow shall be in accordance with the requirements for proof of marriage as outlined in regulations of the Department of Veterans Affairs.
13 FR 7122, Nov. 27, 1948.

§ 10.30 Proof of remarriage.
A dependent who is receiving payments under section 601 of title VI of the Act, as amended, and who remarries after making and filing application, shall be required to furnish proof of remarriage in accordance with the requirements for proof of remarriage as outlined in regulations of the Department of Veterans Affairs.
§ 10.31 Dependency of mother or father.
Claims of a mother or father for the benefits to which either may be entitled under the World War Adjusted Compensation Act, as amended, shall be supported by a statement of fact of dependency made under oath by the claimant and witnessed by two persons. 13 FR 7122, Nov. 27, 1948.

§ 10.32 Evidence of dependency.
Evidence of a whole or entire dependency shall not be required. The mother or father shall be considered dependent for the purposes of the act when it is established as a fact that the mother or father of a deceased veteran did not have sufficient means from all sources for a reasonable livelihood at the time of the death of the veteran or at any time thereafter and on or before January 2, 1935. In those cases where because of continued and unexplained absence for seven years the veteran is declared deceased under section 312(a) of the Act as amended May 29, 1928, the mother or father shall be considered dependent when it is established that the mother or father did not have sufficient means from all sources for a reasonable livelihood at the beginning of such 7-year period or at any time thereafter and before the expiration of such period. 13 FR 7122, Nov. 27, 1948.

§ 10.33 Determination of dependency.
A determination of the existence of the alleged dependency will be made upon consideration of all facts relating to dependency, and upon such investigation of such facts as may be warranted. The following facts as existing at the time of the death of the veteran, or at any time thereafter and on or before January 2, 1935, or where it is established that the veteran is deceased as provided in section 312(a) of the Act as amended May 29, 1928, at the beginning of such 7-year period or at any time thereafter and before the expiration of such period, shall be taken into consideration in determining dependency in a given case:
(a) Claimant's age.
(b) Amount contributed to claimant by deceased veteran.
(c) Value of all real and personal property owned by claimant.
(d) Total monthly expenses of the claimant and total monthly income.
(e) The fact that claimant did or did not receive an allotment of pay or allowance during the veteran's military or naval service.
(f) Incapability of self-support by reason of mental or physical defect.
(g) Any other fact or facts pertinent to the determination of dependency. 13 FR 7122, Nov. 27, 1948.
§ 10.34 Proof of age of dependent mother or father.
The mother or father of a veteran to be entitled to the presumption of dependency within the meaning of section 602(c) or section 312(c) of the Act, as amended, shall be required to submit proof of age in accordance with the requirements as set forth in regulations of the Department of Veterans Affairs.
13 FR 7122, Nov. 27, 1948.

§ 10.35 Claim of mother entitled by reason of unmarried status.
Claim of a mother for the benefits to which she may be entitled by reason of her unmarried status as outlined in section 202(c) or section 312(c) of the Act, as amended, shall be supported by a statement of fact, under oath, of such status, together with one of the following:
(a) Certified copy of public record of death of the husband.
(b) Certified copy of court record of divorce decree.
13 FR 7122, Nov. 27, 1948.

§ 10.36 Proof of marital cohabitation under section 602 or section 312 of the Act.
In order to prove marital cohabitation within the meaning of that term as used in section 602(a) or section 312(c) of the Act, as amended, claimant shall be required to establish:
(a) A valid marriage, such marriage to be shown by the best evidence obtainable in accordance with the provisions of regulations of the Department of Veterans Affairs.
(b) The fact of living together as man and wife, with such fact to be established by:
(1) Statement of the widow or widower showing that he or she and the veteran lived together as man and wife and also showing the place or places of residence during such marital cohabitation and the approximate time of such residence; or
(2) Statement of two competent persons showing that they personally knew the claimant and veteran and that they had personal knowledge that said claimant and veteran lived together as man and wife and were recognized as such.
(c) The fact that the marital status existed at the time of the death of the veteran or where it is established that the veteran is deceased, as provided in section 312(a) of the Act, as amended, at the beginning of such 7-year period, such fact to be established by:
(1) Statement by claimant that he or she and the veteran had not been divorced and that there had been no annulment of the marriage.
(2) Statement of claimant that he or she was not remarried at the time of making application.
(3) Statement of two competent persons showing that they personally knew the claimant and the veteran; that they personally knew of the marriage relationship between claimant and veteran; that to the best of their knowledge and belief there had been no divorce and
§ 10.37 Claim of widow not living with veteran at time of veteran's death.
If a veteran and widow were not living together at the time of the death of the veteran the widow will be required to establish:
(a) That the living apart was not due to her willful act, and
(b) Actual dependency upon the veteran at the time of his death or at any time thereafter and before January 2, 1935.
(1) A determination of what shall constitute a willful act, as used in section 602(a) of the Act, as amended, will be made upon consideration of all facts relating to such act and upon such investigation of such facts as may be deemed warranted. For the purpose of this section, the fact that a veteran lived apart from the widow because of any act by the widow involving desertion or moral turpitude will be construed as the willful act of the widow. Cause of separation and time and duration of separation at the time of the death of the veteran shall be taken into consideration in determining a willful act.
(2) A determination of the existence of actual dependency will be made under the criteria set forth in §§ 10.32 and 10.33 with respect to dependency of a mother or father.
13 FR 7122, Nov. 27, 1948.

§ 10.38 Proof of age of veteran's child.
A child of a veteran shall be required to submit proof of age in accordance with the requirements set forth in the regulations of the Department of Veterans Affairs.
13 FR 7122, Nov. 27, 1948.

§ 10.39 Mental or physical defect of child.
If claim is made under section 602(b), (2), of title IV of the Act as amended, alleging that a child over 18 years of age was incapable of self-support at the death of the veteran or that he became incapable of self-support subsequent to the death of the veteran but on or before January 2, 1935, or that he was incapable of self-support at the disappearance of the veteran or became incapable of self-support after the disappearance of the veteran and before the expiration of the period of seven years mentioned in section 312(c), (2), of the Act, it will be necessary to furnish evidence as to the mental or physical condition of the child at the time it is alleged he became incapable of self-support.
(a) Where incapability of self-support by reason of the mental defect of the child is alleged, the following evidence will be required:
(1) Certified copy of court order or decree declaring the child to be mentally incompetent; or
(2) A report of a licensed physician setting forth all of the facts as to the child's mental condition; or
(3) The affidavit of the person having custody and control of the child, setting forth all of the available information as to the child's mental condition. The affidavit must be substantiated by two competent disinterested persons who shall state that they personally know the child, that they have read the affidavit made by the person having custody and control of the child, and that the information therein set forth is true to the best of their knowledge and belief.
(b) Where incapability of self-support by reason of physical defect of the child is alleged, the following evidence will be required:
(1) Report of a licensed physician setting forth all of the facts as to the child's physical condition; and
(2) Affidavit of the child regarding his physical condition and the affidavits of two competent disinterested persons, who shall state that they personally know the claimant, that they have read his affidavit and that the same is true to the best of their knowledge and belief.
13 FR 7122, Nov. 27, 1948.

§ 10.40 Payment on account of minor child.
Payments to a minor child shall be made to the legally constituted guardian, curator or conservator, or to the person found by the director to be otherwise legally vested with the care of the child.
13 FR 7122, Nov. 27, 1948.

§ 10.41 Definition of 'child'.
The term child as used in the regulations in this part includes:
(a) A legitimate child;
(b) A child legally adopted;
(c) A stepchild if a member of the veteran's household at the time of the death of the veteran, or
(d) An illegitimate child but as to the father only if acknowledged in writing signed by him, or if he has been judicially ordered or decreed to contribute to such child's support or has been judicially decreed to be the putative father of such child.
13 FR 7122, Nov. 27, 1948.

§ 10.42 Claim of child other than legitimate child.
A claim of a child legally adopted by the veteran upon whose service the claim is based shall be supported by a certified copy of the court record of such adoption. A claim of a stepchild of a veteran shall be supported by an affidavit of his or her legal guardian,
stating that at the time of the death of the veteran said stepchild was a member of the veteran's household. The fact, as stated in such affidavit, and the signature of the guardian thereto, shall be attested by the court having jurisdiction over the guardian, or by two competent persons to whom the child was personally known at the time of the death of the veteran. A claim of an illegitimate child of a veteran upon whose service claim is based, shall be supported by:
(a) A statement by the veteran in writing acknowledging his parentage of such child; or
(b) Certified copy of order or decree of a court ordering the veteran to contribute to such child's support; or
(c) Certified copy of a decree of a court holding the veteran to be the putative father of such child.
13 FR 7122, Nov. 27, 1948.

§ 10.43 Claim by guardian of child of veteran.
A claim made by a legal guardian on behalf of his or her ward, a child of a veteran, shall be supported by an affidavit of said guardian, in the capacity of guardian, setting forth the names, ages, and addresses of all living children of the deceased veteran, or, if there be no living child other than the claimant child, statement of that fact shall be made. The signature of the guardian to such required affidavit shall be attested by the court having jurisdiction of the guardian and ward, or by two competent persons to whom the child is personally known.
13 FR 7122, Nov. 27, 1948.

§ 10.44 Evidence required to support claim of mother or father.
The term mother and father as referred to in the order of preference as outlined in section 601 of the Act, as amended, includes stepmothers, stepfathers, mothers and fathers through adoption, and persons who, for a period of not less than one year, have stood in the place of a mother or father to the veteran at any time prior to the beginning of his service. In addition to the evidence of dependency required from a natural mother or father, a claim of a stepmother or stepfather shall be supported by evidence of marriage to the natural parent of the veteran. This evidence shall be in accordance with the requirements of proof of marriage as set forth in regulations of the Department of Veterans Affairs. A claim of a mother or father through adoption shall be supported by a certified copy of the court record of such adoption. A claim by a person who claims to have stood in the place of a mother or father shall be supported by evidence of such relationship satisfactory to the Department of Veterans Affairs. Such evidence shall comprise:
(a) An affidavit of the claimant containing a complete detailed statement of the alleged relationship and
§ 10.45 Definition of 'widow'.
The term widow as used in the regulations in this part includes widower.
13 FR 7122, Nov. 27, 1948.

§ 10.46 Authentication of statements supporting claims.
All statements, except those of licensed examining physicians under § 10.39 (a)(2) and (b)(1), required by §§ 10.28 to 10.44 shall be subscribed and sworn to before an officer vested with authority to administer oaths, in the place where such statements are made. Signatures executed in foreign countries or places shall be certified by an American consul, a recognized representative of an American consul, a recognized representative of an American embassy or legation or by a person authorized to administer oaths under the laws of the place where such statements are made, provided there be attached to the certificate of such latter officer a proper certification by an accredited official of the State Department of the United States that the officer certifying to the execution of the signature was authorized to administer oaths in the place where certification was made.
13 FR 7122, Nov. 27, 1948.

§ 10.47 Use of prescribed forms.
Statements required by the regulations in this part should be submitted on forms provided by the Department of Veterans Affairs, when conveniently available.
13 FR 7122, Nov. 27, 1948.

PAYMENTS

§ 10.50 Section 601 and section 603 payments made on first day of calendar quarter.
§ 10.51 Payments to minor child.
§ 10.52 Duplication of payments prohibited.
§ 10.53 Payment on duplicate certificate.

§ 10.50 Section 601 and section 603 payments made on first day of calendar quarter.
Cash payments and the first installment of installment payments authorized in sections 601 and 603, respectively of title VI of the World War Adjusted Compensation Act, as amended, will be made as of the first day of the calendar quarter following the finding by the director that the applicant is a dependent entitled to the benefits of the act, but in no case shall any such payments be made before March 1, 1925: Provided, however, That payments authorized by section 608 of title VI of the Act, as amended, shall be paid in a lump sum to the preferred dependent without reference to payments under section 603 of title VI of the Act, as amended.

§ 11.75 Certificates.
§ 11.76 To whom loan may be made.
§ 11.77 By whom loans may be made.
§ 11.80 Sale or discount of note by holding bank.
§ 11.81 Rediscounts with Federal Reserve Banks.
§ 11.83 Additional loans by reason of 50 percent loan value.
§ 11.84 Redemption because of veteran's death.
§ 11.85 Condition requisite for redemption.

§ 11.75 Certificates.
Adjusted service certificates are dated as of the 1st day of the month in which the applications were filed, but no certificates are dated prior to January 1, 1925. Loans on the security of such certificates may be made at any time after the date of the certificate. The fact that a certificate is stamped or marked "duplicate" does not destroy its value as security for a loan.

Sections 11.75 to 11.85 appear at 13 FR 7125, Nov. 27, 1948.

§ 11.76 To whom loan may be made.
Only the veteran named in the certificate can lawfully obtain a loan on his adjusted service certificate and neither the beneficiary nor any other person than the veteran has any rights in this respect. The person to whom the loan is made must be known to the lending bank to be the veteran named in the certificate securing such note. The consent of the beneficiary is not required, the act providing that a loan on the security of the certificate may be made "with or without the consent of the beneficiary thereof." Loans may be made to veterans adjudged incompetent only through the guardians of such veterans and pursuant to specific order of the court having jurisdiction. Certified copy of court order must be submitted if note be presented for redemption by the Department of Veterans Affairs.

Sections 11.75 to 11.85 appear at 13 FR 7125, Nov. 27, 1948.

§ 11.77 By whom loans may be made.
Any national bank or any bank or trust company incorporated under the laws of any State, Territory, possession, or the District of Columbia, hereinafter referred to as any bank, is authorized to loan to any veteran upon his promissory note secured by his Adjusted Service Certificate any amount not in excess of the loan value of the certificate at the date the loan is made. Each certificate contains on its face a table for determining the loan value of the certificate, but it is provided by amendment to the World War Adjusted
§ 11.80 Sale or discount of note by holding bank.
Any bank holding a note secured by an Adjusted Service Certificate may sell the note to any bank authorized to make a loan to a veteran and deliver the certificate to such bank. In case a note secured by an Adjusted Service Certificate is sold or transferred, the bank selling, discounting or rediscounting the note is required by law to notify the veteran promptly by mail at his last known post office address. No Adjusted Service Certificate is negotiable or assignable, or may serve as security for a loan, except as provided in section 502 of the World War Adjusted Compensation Act, as amended. Any negotiation, assignment or loan made in violation of section 502 of the World War Adjusted Compensation Act is void. In case of sale, discount or rediscount by the bank which made the loan, the note or notes should be accompanied by the affidavit required by § 11.85.
Sections 11.75 to 11.85 appear at 13 FR 7125, Nov. 27, 1948.

§ 11.81 Rediscounts with Federal Reserve Banks.
Upon the endorsement of any bank, which shall be deemed a waiver of demand, notice and protest by such bank as to its own endorsement exclusively, and subject to regulations to be prescribed by the Federal Reserve Board, any such note secured by an Adjusted Service Certificate and held by a bank is made eligible for discount or rediscount by the Federal reserve bank of the Federal reserve district in which such bank is located, whether or not the bank offering the note for discount or rediscount is a member of the Federal Reserve System and whether or not it acquired the note in the first instance from the veteran or acquired it by transfer upon the endorsement of any other bank: Provided, That at the time of discount or rediscount such note has a maturity not in excess of 9 months, exclusive of days of grace, and complies in all other respects with the provisions of the law, the regulations of the Federal Reserve Board and the regulations in this part.
Sections 11.75 to 11.85 appear at 13 FR 7125, Nov. 27, 1948.

§ 11.83 Additional loans by reason of 50 percent loan value.
(a) It will be the policy of the Department of Veterans Affairs to redeem all loans made in accordance with the law and regulations made pursuant thereto, when such loans are made in good faith to the veteran to whom the certificate was issued. If, while his certificate is held by a bank as security for a loan, the veteran applies for the increased loan value authorized by the amendment to the World War Adjusted Compensation Act dated February 27, 1931, whether or not the loan has matured, the veteran and the bank will be informed fully of the provisions of this section and that the bank may make the loan for the additional amount or, upon request of the veteran, may send the note and certificate to the Secretary of Veterans’ Affairs. The Secretary shall, if the loan was legally made, accept such certificate and note, and pay to the bank in full satisfaction of its claim the amount of the unpaid principal due it and the unpaid interest at the rate authorized by the World War Adjusted Compensation Act, as amended, up to the date of the check issued to the bank. If the veteran has not filed application for final settlement of his adjusted service certificate under the provisions of the Adjusted Compensation Payment Act, 1936, and demand is made upon the bank to present the note and certificate for redemption prior to the maturity date of the loan and during the lifetime of the veteran, interest will be payable up to the date the check is issued to the bank, or, if demanded by the bank, up to the maturity date of the loan.

(b) If, however, an application for final settlement is filed and the bank is notified to present the note and certificate to the Secretary and does so within 15 days after the mailing of such notice interest will be payable to the date the check is issued to the bank. If the bank fails to forward the note and certificate within 15 days after the mailing of the notice, interest shall be paid only up to the fifteenth day after the mailing of such notice.

§ 11.84 Redemption because of veteran's death.
If the veteran dies before the maturity of the loan, the amount of the unpaid principal and the unpaid interest shall be immediately due and payable. In such case, or if the veteran dies on the day the loan matures or within six months thereafter, the bank holding the note and certificate shall, upon notice of the death, present them to the Secretary, who shall pay to the bank, in full satisfaction of its claim the amount of the unpaid principal and unpaid interest, at the rate authorized by the World War Adjusted Compensation Act, as amended, accrued up to the date of the check issued to the bank; except that if, prior to the payment, the bank is notified of the death by the Secretary and fails to present the certificate and note to the Secretary within 15 days after the notice such interest shall be paid only up to the fifteenth day after such notice.

Sections 11.75 to 11.85 appear at 13 FR 7125, Nov. 27, 1948.

§ 11.85 Condition requisite for redemption.
In order to be eligible for redemption by the Department of Veterans Affairs, the note and certificate must be accompanied by an affidavit of a duly authorized officer (the capacity
in which the officer serves must be shown) of the lending bank showing that the said
bank has not charged or collected, or attempted to charge or collect, directly or indirectly,
any fee or other compensation in respect of the loan, or any other loan made by the bank
under the provisions of section 502 of the World War Adjusted Compensation Act,
except the rate of interest specified in the section of the Act cited; that the person who
obtained the loan is known to the lending bank to be the person named in the Adjusted
Service Certificate; and that notice required by § 11.77 was promptly given. In case the
note was sold or discounted by the lending bank, there should be incorporated in the
affidavit a statement that the veteran was notified promptly of the transfer by mail to his
last known address. In case the note was resold or rediscounted by any other bank,
affidavit shall be made by a duly authorized officer of such bank that proper notice of
such resale or rediscount was promptly mailed to the veteran at his last known address.
The proper execution of the appropriate affidavit on Form 6615 or 6615a will be
considered as a compliance with the requirements of this section. A single affidavit
setting forth the full particulars may be accepted to cover any number of veterans’ notes
submitted for redemption at one time. The affidavit must be executed before a judge of
the United States court, a United States commissioner, a United States district attorney, a
United States marshal, a collector of internal revenue, a collector of customs, a United
States postmaster, a clerk of court of record under the seal of the court, an executive
officer of an incorporated bank or trust company, under his official designation and the
seal of the bank or trust company, or a notary public under his seal, or a diplomatic or
consular officer of the United States, under his official seal.

§ 11.89 Notification of veteran.
§ 11.91 Repayment of loans.
§ 11.93 Failure to redeem.

§ 11.88 Cancellation of note.
When a veteran's note is redeemed by the Department of Veterans Affairs, the note will be canceled and both the note and certificate will be retained in the files of the Department of Veterans Affairs until such time as settlement is made.
Sections 11.88 to 11.93 appear at 13 FR 7126, Nov. 27, 1948.

§ 11.89 Notification of veteran.
When a note is redeemed notification will be sent to the veteran at his last known address, advising him that the Department of Veterans Affairs holds his note, and outlining the conditions governing repayment.
Sections 11.88 to 11.93 appear at 13 FR 7126, Nov. 27, 1948.

§ 11.91 Repayment of loans.
Should the veteran so desire, he may repay the amount due on his note in full or in installments.
Sections 11.88 to 11.93 appear at 13 FR 7126, Nov. 27, 1948.

§ 11.93 Failure to redeem.
(a) If the veteran fails to redeem his certificate before its maturity there will be deducted from the face value of the certificate the amount of the unpaid principal of the note of the veteran and the unpaid interest thereon through September 30, 1931.
(b) If the veteran failed to redeem his certificate and died prior to January 27, 1936, there will be deducted from the face value of the certificate the amount of the unpaid principal of the veteran's note and the unpaid interest thereon to the date of his death. If the veteran died on or after January 27, 1936, the amount to be deducted when making settlement will be the unpaid principal of the veteran's note and the unpaid interest thereon through September 30, 1931.
Sections 11.88 to 11.93 appear at 13 FR 7126, Nov. 27, 1948.

§ 11.100 Form of note.
§ 11.102 Term of note.
§ 11.104 Disposition of notes and certificates.

§ 11.96 By whom loans may be made.
Loans will be made by the Department of Veterans Affairs, Washington, DC, to any veteran, upon his promissory note secured by his adjusted service certificate, in any amount in even dollars not less than $10 and not in excess of the loan value of the certificate at the date the loan is made. Each certificate contains on its face a table for determining the loan value of the certificate but at no time is the loan value less than fifty per centum of the face value.
Sections 11.96 to 11.104 appear at 13 FR 7126, Nov. 27, 1948.

§ 11.99 Identification.
Before a loan is made on an adjusted service certificate, the person applying therefor will be identified as the person entitled to the certificate offered as security. Such identification will be made in accordance with § 11.114.
[19 FR 5086, Aug. 12, 1954]

§ 11.100 Form of note.
The form of note used in making loans secured by adjusted service certificates shall follow Form 1185.
Sections 11.96 to 11.104 appear at 13 FR 7126, Nov. 27, 1948.

§ 11.102 Term of note.
All loans will be for a period of one year and if not paid will be automatically extended from year to year for periods of one year in the amount of the principal plus interest accrued to the end of the immediately preceding expired loan year, which total amount shall automatically become a new principal each year provided a loan may be paid off at any time by the payment of principal and accrued interest, but in no event will interest accruing after September 30, 1931, be deducted in final settlement of a certificate except as provided in § 11.93(b).
Sections 11.96 to 11.104 appear at 13 FR 7126, Nov. 27, 1948.

§ 11.104 Disposition of notes and certificates.

APPLICATION FOR PAYMENT OF ADJUSTED SERVICE CERTIFICATE
UNDER THE ADJUSTED COMPENSATION PAYMENT ACT, 1936 (PUB. L. 425, 74TH CONG.)

§ 11.109 Settlement of unmatured adjusted service certificates.
§ 11.110 Who may make application for final settlement.
§ 11.111 Form of application.
§ 11.114 Identification.
§ 11.115 Where to file application.
§ 11.116 Death of veteran before final settlement.
§ 11.117 Missing applications.

§ 11.109 Settlement of unmatured adjusted service certificates.
Where an application for final settlement of an adjusted service certificate is received in the Department of Veterans Affairs prior to the maturity date of the certificate, payment will be made under the terms of the Adjusted Compensation Payment Act, 1936. This act provides for payment of the amount due on the certificate, after deducting any unpaid loans with interest through September 30, 1931, in adjusted service bonds. These bonds will be issued by the Treasury Department in denominations of $50, in the name of the veteran only, and will bear interest at the rate of 3 percent per annum from June 15, 1936, to June 15, 1945. Any excess amount not sufficient to purchase a $50 bond will be paid by check.
[19 FR 5087, Aug. 12, 1954]

§ 11.110 Who may make application for final settlement.
A mentally competent veteran to whom an adjusted service certificate has been issued.
(a) A legally appointed guardian of an incompetent veteran. An application submitted by a legally appointed guardian must be accompanied by letters of guardianship showing the fiduciary relationship, provided such papers are not already on file in the Department of Veterans Affairs.
(b) A representative of a physically incapacitated veteran. Where application is made by a representative of a physically incapacitated veteran, the representative must attach a statement describing the veteran's incapacity. The correctness of such statement must be certified by an officer as designated in §11.114.
(c) A superintendent or other bonded officer designated by the Secretary of the Interior to receive funds under the provision of Pub. L. No. 373, 72d Congress, may make application for an incompetent adult or minor Indian who is a recognized ward of the Government. The application must be accompanied by a certification from the superintendent or other bonded officer showing: (1) That the said beneficiary is a ward of the Government; (2) that no guardian or other fiduciary has been appointed; (3) that the officer making application has been designated by the Secretary of the Interior in accordance with Pub. L. No. 373, 72d Congress; (4) that he is properly bonded; and (5)
that he will receive, handle, and account for such benefits in accordance with existing law and regulations of the Department of Interior.

(d) A manager of a Department of Veterans Affairs hospital, or a manager or superintendent of a contract hospital or State institution where the veteran is a patient may make application as custodian for the veteran. Such application must be made with the approval of the regional chief attorney.

[19 FR 5087, Aug. 12, 1954]

§ 11.111 Form of application.
Application must be made on Department of Veterans Affairs Adjusted Compensation Form 1701.

[13 FR 7127, Nov. 27, 1948]

§ 11.114 Identification.
Before settlement is made on an adjusted service certificate, the person applying therefor will be identified as the person entitled to the settlement for which an application is made. If made in the United States or possessions, certification will be accepted if made by a United States postmaster or assistant postmaster over an impression of the post office cancellation stamp; a commissioned officer of the regular establishment of the Army, Navy, or Marine Corps; a member of the United States Senate or the House of Representatives; an officer, over his official title, of a post, chapter, or other comparable unit of an organization recognized under Veterans Regulation No. 10 (38 U.S.C. ch. 12A), or an officer over his official title, of the State or national body of such organization, or any person who is legally authorized to administer oaths in a State, Territory, possession, District of Columbia, or in a Federal judicial district, of the United States. If identification is made in a foreign country, it will be certified by an American consul, a recognized representative of an American Embassy or Legation, or by a person authorized to administer oaths under the laws of the place where identification is made; provided, there be attached to the certificate of such latter officer a proper certification by an accredited official of the State Department of the United States that such officer was authorized to administer oaths in the place where certification was made. A manager of a Department of Veterans Affairs hospital is authorized to identify patients, members, or employees of the hospital over which he has charge. An employee of the Department of Veterans Affairs who has been specifically designated in writing to do so may identify applicants during official hours and on the premises of the Department of Veterans Affairs using for this purpose, if necessary, the official records of the Department of Veterans Affairs. Field station finance employees may not be designated for this purpose.

(a) Fingerprint impressions shall be required on the application and shall be imprinted thereon in the presence of the persons identifying the veteran. In the case of veterans who are mentally incapacitated and application is being executed by a representative of the veteran, the veterans' fingerprints will be obtained if possible. If this cannot be done, as
also in the case of an individual whose fingers are all missing, a statement of explanation will be required.
[13 FR 7127, Nov. 27, 1948, as amended at 19 FR 5087, Aug. 12, 1954]

§ 11.115 Where to file application.
The application for final settlement, accompanied by the veteran's adjusted service certificate, unless the certificate is being held in the Department of Veterans Affairs as collateral for a loan, must be forwarded to the Manager, Veterans Benefits Office, Washington, DC 20421.
[19 FR 5087, Aug. 12, 1954]

§ 11.116 Death of veteran before final settlement.
If the veteran dies after making application under the Adjusted Compensation Payment Act, 1936, but before it is filed, it may be filed by any person and will be considered valid if found to bear the bona-fide signature of the applicant, discloses an intention to claim benefits under the Act, and is filed before the maturity of the certificate and before payment is made to the beneficiary. An application made by the veteran or his legal representative shall evidence his intention to claim the benefits of this Act; no other evidence shall be acceptable.
(a) If the veteran's death occurs after the application is filed but before payment is received under this Act, or if the application is filed after death occurs but before the maturity of the certificate and before payment is made to the beneficiary under section 501 of the World War Adjusted Compensation Act, as amended, payment under this act shall be made to the estate of the veteran irrespective of any beneficiary designation.
(b) If the veteran dies without filing a valid application under this Act, no payment under this Act shall be made. In such case, payment of the certificate will be made under the World War Adjusted Compensation Act, as amended, in accordance with § 11.128; however, in making any settlement there shall be deducted from the face value of the certificate the amount of any outstanding loans and so much of the unpaid interest as accrued prior to October 1, 1931.
[19 FR 5087, Aug. 12, 1954]

§ 11.117 Missing applications.
Where the records of the Department of Veterans Affairs show that an application, disclosing an intention to claim the benefits of this Act, has been filed and the application cannot be found, such application shall be presumed, in the absence of affirmative evidence to the contrary, to have been valid when originally filed. The determination of the correctness of this assumption shall be made by the Manager, Veterans Benefits Office, Washington, DC, or his designee.
APPLICATION FOR PAYMENT OF ADJUSTED SERVICE CERTIFICATE
UNDER THE WORLD WAR ADJUSTED COMPENSATION ACT, AS
AMENDED (PUB. L. 120, 68TH CONG.)

§ 11.125 Settlement of matured adjusted service certificates.
§ 11.126 Form of application.
§ 11.127 Identification.
§ 11.128 Veteran dies without having filed application for final settlement.
§ 11.129 Form of application for payment of deceased veteran's certificate.
§ 11.130 Where to file applications.

§ 11.125 Settlement of matured adjusted service certificates.
Where an application for final settlement of an adjusted service certificate is received in the Department of Veterans Affairs subsequent to the date of maturity of the certificate, payment will be made under the terms of the World War Adjusted Compensation Act, as amended. This Act provides for payment of the face value of the certificate less any outstanding indebtedness for loans obtained on the certificate; however, interest accrued on the loans subsequent to September 30, 1931, and unpaid will be canceled insofar as the veteran is concerned.

§ 11.126 Form of application.
Either demand for payment (Form 1748) or application (Form 1701) may be used by the veteran or his legal representative in applying for final settlement of a matured certificate. Sections 11.125 to 11.130 appear at 19 FR 5087, Aug. 12, 1954.

§ 11.127 Identification.
Before payment may be made on the adjusted service certificate, the person applying therefor will be identified as the person entitled to payment for which application is made. Such identification will be accepted if made by an authorized person as stated in § 11.114; also, fingerprint impressions shall be placed in the space provided on the application in accordance with § 11.114(a).

§ 11.128 Veteran dies without having filed application for final settlement.
If the veteran dies without having filed application for final settlement under the Adjusted Compensation Payment Act, 1936, and the certificate has not matured, payment will be made to the last designated beneficiary or, if no beneficiary, to his estate. If the certificate
has matured, payment will be made to the veteran's estate regardless of any beneficiary designation. Payment of the amount due on a deceased veteran's certificate will be made only on an approved award based upon receipt in the Department of Veterans Affairs of an application properly executed by the person or persons entitled.

§ 11.129 Form of application for payment of deceased veteran's certificate.
Demand for payment (VA Form 8-582) is the proper form for use in applying for payment of the amount due on a deceased veteran's certificate.

§ 11.130 Where to file applications.
Application for payment of a matured certificate or a deceased veteran's certificate, accompanied by the adjusted service certificate, unless it is held in the Department of Veterans Affairs as collateral for a loan, must be forwarded to the Manager, Veterans Benefits Office, Washington, D.C., 20421.

§ 12.9 Rights of designate; sales instruction; transportation charges.
§ 12.10 Proceeds of sale.
§ 12.12 Miscellaneous provisions.

§ 12.0 Definitions.
(a) As used in respect to the disposition of property of veterans dying at Department of Veterans Affairs medical centers or other field facilities, or who are discharged or who elope, or are absent without leave therefrom, and in respect to property found thereat, the term funds means all types of United States currency and coin, checks payable to the decedent except checks drawn on the Treasurer of the United States which have never been negotiated, and includes deposits to the credit of the veteran in the account "Personal Funds of Patients," and each competent veteran will be so advised. The term effects means and embraces all other property of every description, including insurance policies, certificates of stock, bonds and notes the obligation of the United States or of others, and all other papers of every character except checks drawn on the Treasurer of the United States, as well as clothing, jewelry and other forms of property, or evidences of interest therein. Checks drawn on the Treasurer of the United States which have never been negotiated will be returned to the issuing office for disposition.
(b) Field facilities as used in §§ 12.1 to 12.13 includes hospitals, centers, domiciliary activities, supply depots, and other offices over which the Department of Veterans Affairs has direct and exclusive administrative jurisdiction, and excludes State, county, city, private, and contract hospitals and hospitals or other institutions operated by the United States through agencies other than the Department of Veterans Affairs. At institutions other than field facilities as herein defined funds or effects as defined in paragraph (a) of this section, except for funds derived from gratuitous benefits under laws administered by the Department of Veterans Affairs and deposited by the Department of Veterans Affairs in the account Personal Funds of Patients for incompetent veterans, will be disposed of under the laws governing such institutions. In any case where the veteran died intestate without heirs or next of kin his or her personal property vests in the United States. Disposition of the property will be made in accordance with the provisions of §§ 12.19 to 12.23.
§ 12.1 Designee cases; competent veterans.

(a) Each competent veteran now being cared for or who is hereafter admitted to receive care as such at a Department of Veterans Affairs field facility, unless it be detrimental to his or her health, will be requested and encouraged to designate on the prescribed VA Form 10-P-10, Application for Hospital Treatment or Domiciliary Care, the person to whom he or she desires the Department of Veterans Affairs to deliver his or her funds and effects in event of death. He or she may also designate an alternate to whom delivery will be made if the first designee fails or refuses to accept delivery. It should be clearly understood that the delivery of such funds or effects will constitute only a delivery of possession thereof, and such delivery is not intended to affect in any manner the title to such funds or effects or determine the person ultimately entitled to receive same from the person to whom delivery is made (hereinafter in the regulations in this part termed the designee). The person designated may not be an employee of the Department of Veterans Affairs unless such employee be the wife (or husband), child, grandchild, mother, father, grandmother, grandfather, brother, or sister of the veteran. The veteran may in writing change or revoke such designation at any time. If a veteran becomes incompetent, any designation previously made will become inoperative with respect to those funds deposited by the Department of Veterans Affairs in Personal Funds of Patients which were derived from gratuitous benefits under laws administered by the Department of Veterans Affairs. The guardian may change or revoke the existing designation with respect to personal effects and funds derived from other sources.

(b) Veterans will be encouraged to place in the custody of their relatives articles of little or no utility value to them during their period of care at a Department of Veterans Affairs field facility, and to retain in their possession only such funds and effects as are actually required and necessary for their immediate convenience.

§ 12.2 Designee cases; incompetent veterans.

(a) An incompetent veteran will not be informed concerning the designation of a person to receive funds or effects; but if he or she has a guardian the guardian will be requested to make such designation of himself or herself or another person to receive possession of the funds and effects (other than funds deposited by the Department of Veterans Affairs in Personal Funds of Patients which were derived from gratuitous benefits under laws administered by the Department of Veterans Affairs) upon the incompetent's death. The guardian will sign the letter designating himself or herself or another person with the veteran's name "By --------, guardian of his or her estate".

(b) No effort will be made to obtain a designation by or on behalf of an incompetent veteran who has no guardian.

§ 12.3 Deceased veteran's cases.

(a) Immediately upon the death or the absence without leave of any beneficiary at a field facility, as defined in § 12.0(b), a survey and inventory of the funds and effects of such beneficiary will be taken in the following manner:

(1) If the death or absence without leave occurred during hospitalization, a complete inventory (VA Form 10-2687, Inventory of Funds and Effects) will be made of all personal effects (including those in the custody of the hospital, jewelry being worn by the deceased person, or jewelry and other effects in pockets of clothing he or she may have been wearing) and all funds found and moneys on deposit in Personal Funds of Patients.

In the case of death of incompetent veterans after November 30, 1959, the inventory will be completed to show separately those funds deposited by the Department of Veterans Affairs in Personal Funds of Patients which were derived from gratuitous benefits under laws administered by the Department of Veterans Affairs. For purpose of determining the source of funds, expenditures from the account will be considered as having been made from gratuitous benefits, not to exceed the extent of deposits of such benefits. In the event death occurred during other than official working hours, the officer of the day and/or a representative of Nursing Service will collect and inventory all funds and personal effects on the person of the deceased beneficiary and on the ward, will carefully safeguard such property and, upon completion of the tour of duty, will turn the funds and effects over to the properly designated employees.

(2) If the death or absence without leave occurred while the beneficiary was assigned to a domiciliary section, or while receiving hospitalization and at time of death or absence without leave any effects are in the section, a like inventory will be made by representatives of the Chief, Domiciliary Operations and/or Medical Administration Division.

(3) The inventory report will be executed in triplicate, original and two copies. All will be signed by the employee making the inventory, and disposed of as provided for in pertinent procedural instructions.

(4) Personally owned clothing or other effects (such as tooth brushes, false teeth not containing gold, etc.), which are unserviceable by reason of wear or tear or insanitary condition, and clothing that had been supplied by the Government, will not be included in this inventory; instead, the unserviceable personally owned articles will be listed on a separate list, with their condition briefly described, and their disposition recommended in a separate report to the facility head. The facility head, if approving this recommendation, will order destruction or utilization in occupational therapy, or as wipe rags, etc., of such unserviceable articles and, when they are so destroyed or utilized, will have entered on the papers the date and nature of the disposition. The completed papers will then be placed in the correspondence file of the beneficiary. Clothing that had been supplied by the Government will be reconditioned if possible and returned to stock for issue to other eligible beneficiaries. When Government-owned clothing cannot be reconditioned it will be disposed of.

(5) When the nearest relative requests that the deceased beneficiary be clad for burial in clothing he or she personally owned, instead of burial clothing to be supplied under the contract for mortuary services, such request will be honored. A receipt in such cases will be obtained from the undertaker, specifying the articles of clothing so used. Adjustment of the undertaker's bill in the case will correspondingly be made.
(6) In accomplishing such inventories, detailed description will be given of items of material value or importance, for example:
Watch--Yellow metal (make, movement, and case number, if available without damage to watch).
Ring--Yellow metal (probably gold-plated or stamped 14-K., setting if any).
Discharge certificate.
Adjusted service certificate (number).
Bonds or stocks (name of company, registered or nonregistered, identifying number, recited par value, if any).
Bank books or other asset evidence (name of bank or other obligor, apparent value, identifying numbers, etc.).
Clothing (brief description and statement of condition). Etc.
(b) Upon completion of the survey and inventory, the effects will be turned over to the designated employee for safekeeping. Any funds found in excess of $100 which apparently were the property of the deceased will be turned over to the details clerk and delivered immediately to the agent cashier, who shall deposit same in the account "Personal Funds of Patients". Unendorsed checks other than Treasury checks and funds not in excess of $100 will be considered personal effects and not funds and will be handled accordingly.

§ 12.4 Disposition of effects and funds to designee; exceptions.
(a) Upon authorization by the facility head or his or her designated representative, all funds, as defined in §12.0 (except funds on deposit in Personal Funds of Patients derived from gratuitous benefits under laws administered by the Department of Veterans Affairs and deposited by the Department of Veterans Affairs where the veteran was incompetent at time of death), and effects will be delivered or sent to the designee of the deceased veteran if request therefor be made after death and within 90 days following the mailing of notice to such designee (see §12.9(a)), unless:
(1) The executor or administrator of the estate of the deceased veteran shall have notified the facility head or his or her designated representative of his or her desire and readiness to receive such funds or effects, in which event the facility head or his or her designated representative will authorize delivery of all funds and effects to such executor or administrator upon receipt of appropriate documentary evidence of his or her qualifications and in exchange for appropriate receipts, or
(2) An heir capable of inheriting the personal property of the veteran makes claim for the funds and effects prior to delivery to the designee.
(3) Subsequent to the naming of a designee the veteran became incompetent and his or her guardian revoked such designation, in which event the facility head or his or her designated representative will deliver all funds and effects to his guardian in exchange for appropriate receipts subject to the limitation contained in paragraph (d) of this section, or
(4) Designee was the wife (or husband) of the veteran at the time of designation, and information at the disposal of the field facility indicates that she (or he) was thereafter divorced and the veteran was incompetent at or subsequent to the time of divorce, or
(5) Notwithstanding there is a designee, it is probable that title would pass to the United States under the provisions of §§ 12.19 to 12.23 issued pursuant to 38 U.S.C. 5502(e) and 38 U.S.C. 8520(a), or
(6) The facility head or his or her designated representative determines that there is reasonable ground to believe that the transfer of such possession to the designee probably would be contrary to the interests of the person legally entitled to the personal property, or there are any other special circumstances raising a serious doubt as to the propriety of such delivery to the designee.

In any case in which the facility head does not deliver the funds and effects, because of the provisions of paragraphs (a)(3), (4), and (5) of this section, he or she will develop all facts and refer the matter to the Chief Attorney of the regional office having jurisdiction over the area where the hospital is located, for advice as to the disposition which legally should be made of such funds and effects.

(b) When authorized by the facility head or his or her designated representative, the effects will be delivered or shipped to the designee. If shipped at Government expense, the shipment shall be made in the most economical manner but in no case at a cost in excess of $25. If such expenses will exceed $25, the excess amount shall be paid by the consignee to the facility head in advance. There will be no obligation on the Government, initially or otherwise, to pay such expenses in excess of $25.

(c) When possession of funds or effects is transferred to a designee, the attention of the designee will again be directed to the fact that possession only has been transferred to him or her and that such transfer does not of itself affect title thereto and that such designee will be accountable to the owner of said funds and effects under applicable laws.

(d) Upon receipt from the proper Chief Attorney of an appropriate certification that the guardianship was in full force and effect at the time of the veteran's death and that the guardian's bond is adequate, funds (other than funds deposited by the Department of Veterans Affairs in Personal Funds of Patients derived from gratuitous benefits under laws administered by the Department of Veterans Affairs) and effects of an incompetent veteran may be immediately delivered or sent to such guardian, inasmuch as the guardian had a right to possession, and he or she will be accountable therefor to the party entitled to receive the decedent's estate. If, however, it appears probable that decedent died without a valid will and left no person surviving entitled to inherit, the funds will not be paid to the former guardian but will be disposed of as provided in §12.19(a). The effects will be sold, used, or destroyed, at the discretion of the facility head or his designated representative.

§ 12.5 Nondesignee cases.

(a) If there exists no designee at the time of death at a hospital, domiciliary, or regional office of a veteran admitted as competent, or the designee fails or refuses to claim the funds and effects as defined in §12.0(a) within 90 days following the mailing of notice to such designee, the facility head will take appropriate action to dispose of the effects to the person or persons legally entitled thereto, i.e., the executor or administrator of the decedent, or, if no notice of such an appointment has been received, to the decedent's
widow, child, grandchild, mother, father, grandmother, grandfather, brother, or sister, in
the order named. Subject to the applicable provisions of §§ 12.3 and 12.4, such delivery
may be made at any time before the sale contemplated by § 12.9 to the designee or other
person entitled under the facts of the case. Delivery will be made to the person entitled to
priority as prescribed in this paragraph, unless such person waives right to possession, in
which event delivery will be to the person, if any, in whose favor such prior entitled
person waives right to possession. If the waiver is not in favor of a particular person or
class, delivery will be to the person or persons next in order of priority under this
paragraph. If in any case there be more than one person in the class entitled to priority,
initially or by reason of waiver, delivery will be made only to their joint designated agent
(who may, but need not, be one of the class), or to one of such class in his or her own
behalf upon written waiver of all others of the class entitled thereto. The guardian of a
minor or incompetent may waive his or her ward's prior right to possession.
(b) Except where delivery is made to a designee, executor, or administrator, funds of
veterans who were competent at time of death will be released to the person or persons
who would ultimately be entitled to distribution under the laws of the State of the
decedent's domicile. The person or persons entitled may waive in writing his or her right
to the funds in favor of another heir or next of kin.
(c) Funds of veterans who were incompetent at time of death occurring after November
30, 1959, if derived from sources other than gratuitous benefits deposited by the
Department of Veterans Affairs in Personal Funds of Patients under laws administered by
the Department of Veterans Affairs, will be disposed of in the same manner as for
competent veterans.
(d) Funds deposited by the Department of Veterans Affairs in Personal Funds of Patients,
at any office, for veterans who were incompetent at time of death occurring after
November 30, 1959 and which were derived from gratuitous benefits under laws
administered by the Department of Veterans Affairs, will be paid upon receipt of proper
application to the following persons living at the time of settlement, and in the order
named: the surviving spouse, the children (without regard to age or marital status) in
equal parts, and the dependent parents of such veteran, in equal parts. Any funds derived
from gratuitous benefits not disposed of in accordance with this paragraph shall be
deposited to the credit of the applicable current appropriation; except that there may be
paid only so much of such funds as may be necessary to reimburse a person (other than a
political subdivision of the United States) who bore the expenses of last sickness or burial
of the veteran for such expenses.
(e) No payment shall be made under paragraph (d) of this section unless claim therefor is
filed with the Department of Veterans Affairs within 5 years after the death of the veteran,
except that, if any person so entitled under such regulation is under legal disability at the
time of death of the veteran, such 5-year period of limitation shall run from the
termination or removal of the legal disability.

§ 12.6 Cases of living veterans.
(a) Except as provided in § 12.8, effects of veterans absent without leave or who have been discharged or have eloped (and who are not to be returned to the field facility) will be disposed of as follows:
(1) To the owner if competent, or if deceased to his or her administrator or executor or as directed in writing by such owner, or his or her executor or administrator.
(2) To the guardian of the owner if the latter be incompetent, or if deceased to his or her administrator or executor, or as directed in writing by such guardian, executor or administrator.
(3) To the incompetent owner if he or she has no guardian; delivery, however, to the incompetent owner may be withheld and may be made to the person who is caring for such incompetent if, in the judgment of the facility head or his or her designated representative, such delivery is to the incompetent's best interest.
Note: The Government will not pay expense of transportation of effects of competent or incompetent veterans discharged, on trail visit, absent without leave, or who have eloped, except that personal effects of a beneficiary discharged or on trail visit, or of a beneficiary being transferred to another facility at Government expense, which are not available at time of discharge, beginning of trail visit, or transfer of the beneficiary, due to the articles being in custody of the Government, may be shipped at Government expense.
(b) Funds of veterans absent without leave or who have been discharged or have eloped (and who are not to be returned to the station) will be disposed of in accordance with the provisions of current Department of Veterans Affairs procedures.

§ 12.7 Cases not applicable to provisions of §§ 12.0 to 12.6.
The provisions of §§ 12.0 to 12.6 shall be inapplicable to property known to be that of any person dying in or discharged or absent without leave from a Department of Veterans Affairs field facility other than a veteran admitted as such to such field facility.
[13 FR 7129, Nov. 27, 1948]

§ 12.8 Unclaimed effects of veterans.
(a) In the case of any property of a veteran who was in receipt of hospital or domiciliary care, heretofore or hereafter left at a Department of Veterans Affairs field facility, the owner of which is discharged or absent without leave or who has eloped and is not to be returned to a Department of Veterans Affairs field facility, or has died after departure therefrom, or in case the whereabouts or identity of any owner of any property thereof is unknown, such property, unless it shall be disposed of under the provisions of §§ 12.4 and 12.6 shall be sold, used, destroyed or otherwise disposed of as the manager or his or her designated representative shall determine the circumstances in the case may warrant. Any sale of such property shall be conditioned upon the 90-day notice provided in section 6 of the Act of June 25, 1938 (38 U.S.C. 5-16e).
(b) If the circumstances are such that retention of any property as is mentioned in paragraph (a) of this section, or of any property of unknown ownership found on the premises would endanger the health or life of patients or others on the premises (by reason of contagion, infection, or otherwise) such property shall be forthwith destroyed on order of the manager or his or her designated representative, and proper record of the action taken will be made.

(c) If there be no known claimant of any such property and if it may be used at the field facility for the benefit of the members or patients for such purposes as the General Post Fund is intended to serve, and if the value is inconsequential, the manager or his or her designated representative may authorize the retention and use of such property at the field facility.

(d) Any such property which is not destroyed or used as provided in paragraphs (b) and (c) of this section shall be sold in the manner provided in §§ 12.9 and 12.10, after notice as therein provided unless, prior to sale, claim be made for any such property by someone legally entitled thereto.

[13 FR 7129, Nov. 27, 1948]

§ 12.9 Rights of designate; sales instruction; transportation charges.

(a) Upon death of a veteran admitted as such to a field facility, the Manager or his or her designated representative will cause notice (parts I and V of VA Form 10-1171) to be sent to the designate: Provided, however, That if the Manager or his or her designated representative has information of the death of the primary designate, notice shall be sent to the alternate designate and all of the provisions of the regulations in this part respecting the designate will be deemed to apply to the alternate. If the designate is a minor or a person known to be incompetent, delivery of the funds or effects will be made only to the designate's guardian or custodian upon qualification. The right of the designate to receive possession ceases when he or she refuses to accept delivery or if he or she fails to respond within 90 days after VA Form 10-1171 was mailed. When the right of a designate ceases, VA Form 10-1171 will be forwarded immediately to the alternate designate, whose rights then become identical with those forfeited by the first designate, and the rights of the alternate designate shall terminate at the expiration of 90 days after VA Form 10-1171 was mailed to him or her. Delivery will not be made to a designate until he or she submits a signed statement to the effect that he or she understands that the delivery of such funds and effects constitutes a delivery of possession only and that such delivery is not intended to affect in any manner the title thereto. Such notice shall fully identify the decedent and state the fact that he or she designated the addressee to receive possession of such property; that the right to receive possession thereof does not affect the ownership but that the designate will be responsible for the ultimate disposition thereof to those who, under applicable law, are entitled to the decedent's property; and will request prompt advice as to whether the designate will accept such property and that, if he or she will, he or she furnish shipping instructions, upon receipt of which the property will be shipped at the expense of the Government. However, prior to dispatching such notice, it will be definitely determined that the shipping expense will not exceed $ 25. If such expense will exceed $ 25, the excess cost will be ascertained, and the notice will include a statement of the amount of such excess
shipping cost with request that the amount thereof be remitted at the time shipping instructions are furnished. In estimating the shipping expense, it will be assumed that shipment to the designate will be to the same address as that to which the notice is sent. Each notice, however, shall contain a statement that in no event will the Government pay shipping expense in excess of $25. The notice will include a copy of the inventory of the property which it is proposed to deliver to the designate.

(b) Upon receipt of appropriate shipping instructions the property will be shipped, transportation charges prepaid, by mail, express, or freight as may be appropriate under the circumstances and most economical to the Government. The expense of such shipment, chargeable to the Government, in no case to exceed $25.00, is payable the same as other administrative expenses of the Department of Veterans Affairs.

(c) The living owner of any property left or found at a field facility will be promptly notified thereof. Except as provided in §12.6(a), transportation charges on property shipped to a living veteran will not be paid by the Government. In such cases, shipment shall be made as requested by the owner of the property (or his or her guardian) upon receipt of necessary transportation charges, which will be prepaid, unless the owner requests shipment with charges collect and the carrier will accept such shipment without liability for such charges, contingent or otherwise, upon the Government.

(d) If the designate refuses or, upon the lapse of 90 days, has failed to take possession or request shipment of decedent's property (paragraph (a) of this section), or if 90 days have elapsed after the finding of any property and the owner (known or unknown) has failed to request same, the manager or his or her designated representative will authorize destruction, use or sale.

(e) If sale of the property is authorized the manager will take necessary action to ascertain the names and addresses, of the owners; or, in the event of the owner's decease, of his or her executor or administrator, widow, child, grandchild, mother, father, grandmother, grandfather, brother, or sister.

(f) When in possession of the necessary information the manager will cause proper notice of sale (Form 4-1171) to be mailed. Such notice in all cases shall disclose the identity, if known, of the decedent whose property is to be sold and contain a copy of the inventory of such property. A copy of such notice (Form 4-1171), after parts I, IV, and V thereof are completed, shall be mailed to the owner, if known, or if deceased to the decedent's executor or administrator, if known, and also to the widow (or widower), child, grandchild, mother, father, grandmother, grandfather, brother and sister, if known. If more than one relative of the degree named is known, copy will be mailed to each. If the owner is living, parts IV and V only of Form 4-1171 will be completed.

(g) Copy of such notice (Form 4-1171, parts IV and V) will also be posted by a responsible employee more than 21 years of age at:

1. The field facility where the death occurred or property shall have been found,
2. The place where property is situated at the time such notice is posted, and
3. The place where probate notices are posted in the county wherein the sale is to be had.

(h) In addition to showing the name of the owner, if known (alive or deceased), and the inventory of the property to be sold, such notice shall state the hour and day when and the precise place where the sale will occur and that the same will be at public auction for cash upon delivery without warranty, express or implied, and that such sale is pursuant to the act of June 25, 1938 (38 U.S.C. 16-16j); and shall also state that any person legally
entitled to said property may claim the same at any time prior to sale thereof and in the event of such claim by a proper person the property will not be sold but will be delivered to the person lawfully entitled thereto. Said notice shall also contain a statement substantially to the effect that if sold the net proceeds of sale may be claimed by the person who is legally entitled at any time within 5 years after the date of notice; or in case of property the ownership of which was not originally known, within 5 years after its finding; otherwise such proceeds will be retained in the General Post Fund, subject to disbursement for the purposes of such fund.

(i) The person (or persons) posting said notice of sale (Form 4-1171) shall make appropriate affidavit on a copy thereof as to his or her action in that respect and the manager or his or her designated representative will also certify on the same copy as to the persons to whom copies of such notice were mailed and the mailing dates. The copy on which appear the affidavit and certificate as to service of the notice will be retained in the facility file pertaining to the disposition of such property.

§ 12.10 Proceeds of sale.
After proper notice as prescribed, sale of any such property which it is proper to sell, will be made by public auction by the manager (or any employee designated by him or her) at the time and place stated in the notice of sale. The property will be sold to the highest bidder (no employee except member employees of the Department of Veterans Affairs shall purchase any of this property) and forthwith delivered and the amount of the bid collected and deposited to the credit of "General Post Fund, Department of Veterans Affairs." Care will be taken to segregate the property of each owner and separate account will be maintained as to the proceeds of sale thereof. Property not disposed of by public auction will be included in the next sale or will be used or destroyed as the value thereof warrants at the discretion of the manager.

[13 FR 7130, Nov. 27, 1948]

§ 12.12 Miscellaneous provisions.
If it is shown that some person other than the veteran has title to property in a veteran's possession at the time of death, nothing contained in §§ 12.0 to 12.12 shall be construed as prohibiting delivery of such property to the owner. A life insurance policy may be delivered to the beneficiary therein named if the insured is deceased, notwithstanding the veteran has designated a person to whom possession of his or her property at the field facility is to be transferred. In no case will funds or effects be delivered to a minor, or to an incompetent person other than as provided in § 12.9 (a) and (c), but where any such person is entitled to title or possession delivery may be made to his or her guardian.

[13 FR 7130, Nov. 27, 1948]

In order that all persons who bring property on premises of the Department of Veterans Affairs may be advised of the existence of the act of June 25, 1938 (38 U.S.C. 16-16j), and that it affects such property, notice thereof (Form 4-1182), shall be permanently posted in at least one prominent place on the premises of each field facility where persons are likely to see such notice.

DISPOSITION OF PERSONAL FUNDS AND EFFECTS LEFT UPON PREMISES OF THE DEPARTMENT OF VETERANS AFFAIRS BY NON-VETERAN PATIENTS, EMPLOYEES AND OTHER PERSONS, KNOWN OR UNKNOWN

§ 12.15 Inventory of property.
§ 12.16 Action on inventory and funds.
§ 12.17 Unclaimed effects to be sold.
§ 12.18 Disposition of funds and effects left by officers and enlisted men on the active list of the Army, Navy or Marine Corps of the United States.

§ 12.15 Inventory of property.
Immediately upon the death at a Department of Veterans Affairs field facility of a person who was not admitted as a veteran, or immediately after it is ascertained that any such person has absented himself or herself from such field facility, a survey and inventory of the personal funds and effects of such deceased or absent person will be made in the manner prescribed in § 12.3(a).
[13 FR 7130, Nov. 27, 1948, as amended at 14 FR 4726, July 28, 1949]

§ 12.16 Action on inventory and funds.
(a) The manager will dispose of the personal funds and effects as promptly as possible. No expense will be incurred by the Government for shipment of the effects.
(b) In making disposition of funds and effects the manager will release the funds to the owner if living and will release the effects to him or her or as directed by him or her, provided that if he or she is incompetent and has a guardian the funds and effects will be released to such guardian. If the owner is deceased, and left a last will and testament probated under the laws of the place of his or her last legal domicile or under the laws of the State, territory, insular possession, or dependency, within which the field facility may be, the personal property of such decedent situated upon such premises will be released to the executor. If such person left on said premises funds or effects not disposed of by a will probated in accordance with the provisions of this paragraph, such property shall be released to the administrator, if one has been appointed.
(c) In those cases where there is neither an administrator nor an executor the funds and effects will be released to the person entitled to inherit the personal property of the decedent under the intestacy laws of the State where the decedent was last domiciled.
(d) Where disposition of the funds and effects cannot be accomplished under the provisions of paragraphs (b) and (c) of this section, the funds, at the expiration of 90 days will be deposited to the General Post Fund and the effects will be disposed of in accordance with the provisions of §§ 12.8, 12.9, and 12.10.
[13 FR 7131, Nov. 27, 1948, as amended at 14 FR 4726, July 28, 1949]

§ 12.17 Unclaimed effects to be sold.
(a) Personal effects of persons referred to in § 12.15 which remain unclaimed for 90 days after the death or departure of the owner shall be sold in the manner provided by § 12.8. The owner, his or her personal representative, or next of kin may reclaim any such property upon request therefor at any time prior to the sale.

(b) Any unclaimed funds and the proceeds of any effects sold as unclaimed will be deposited to the General Post Fund subject to be reclaimed within five years after notice of sale, by or on behalf of any person or persons who, if known, would have been entitled to the property prior to the sale.

[13 FR 7131, Nov. 27, 1948, as amended at 14 FR 4726, July 28, 1949]

§ 12.18 Disposition of funds and effects left by officers and enlisted men on the active list of the Army, Navy or Marine Corps of the United States.

(a) The manager will notify the commanding officer of the death or absence of such patient and will deliver to the commanding officer, without expense to the Department of Veterans Affairs, the funds and effects of the deceased or absent officer, or enlisted man procuring a receipt therefor.

(b) If the funds and effects are not delivered to the commanding officer within seven days after the death or absence without leave of an officer, or enlisted man, the funds will be deposited in the Personal Funds of Patients. If not disposed of at the expiration of 90 days after the date of death or absence, the funds will be transferred to the General Post Fund and the effects will be handled in accordance with regulations governing the disposition of unclaimed effects left by veterans. The funds and the proceeds derived from the sale of the personal effects will be paid to the person lawfully entitled thereto, providing claim is made within five years from the date of notice of sale, or in the case of legal disability within five years after termination of legal disability.

[13 FR 7131, Nov. 27, 1948, as amended at 14 FR 4726, July 28, 1949]

(a) Whenever any veteran (admitted as a veteran) shall die in any Department of Veterans Affairs hospital, center, or domiciliary activity or in any Federal, State, or private hospital or other institution, while being furnished care or treatment therein by the Department of Veterans Affairs, without leaving a will and without leaving any spouse, heirs, or next of kin entitled to his or her personal property, all such property, except funds on deposit in Personal Funds of Patients to the credit of an incompetent beneficiary, derived from payments of compensation, automatic or term insurance, emergency officers' retirement pay or pension, shall immediately vest in and become the property of the United States as trustee for the sole use and benefit of the General Post Fund, subject to claim as elsewhere provided. Funds to the credit of an incompetent beneficiary derived from payments of compensation, automatic or term insurance, emergency officers' retirement pay or pension will be deposited to the credit of the current appropriations provided for the payment of compensation, insurance or pension.

(b) Personal property as used in this section shall include cash, funds on deposit in Personal Funds of Patients, bank accounts, certificates of stock, bonds, and notes, the obligation of the United States or of others, money orders, checks, insurance policies the proceeds of which are payable to the veteran or his or her estate, postal savings certificates, money and choses in action, and all other papers of every character; also clothing, jewelry, and all other forms of personalty, or evidences of interest therein.

[19 FR 9330, Dec. 30, 1954]

(a) VA Form 10-P-10, Application for Hospital Treatment or Domiciliary Care, includes notice to the applicant that the acceptance of care or treatment by any veteran shall constitute acceptance of the provisions of the act. Similar notice shall be given to each veteran receiving care as of March 26, 1942, by posting notice in a prominent place in each building wherein patients or members are housed. Such notices shall be posted immediately and kept posted.

(b) Since the provisions of the law are applicable to all veterans receiving care at the expense of the Department of Veterans Affairs (whether in contract, Federal, State or private hospital) it shall be the responsibility of the Department of Veterans Affairs officer authorizing admission of a veteran to other than a Department of Veterans Affairs hospital, center or home, to cause the chief officer of such institution to post in a conspicuous place, in all buildings where veterans are housed, the provisions of §
12.19(a), or if he or she declines to post such provisions, notify the patients individually and supply a statement from each acknowledging notice. Such provisions supersede in part the provisions of Form 10-P-10, executed prior to March 26, 1942.
[13 FR 7131, Nov. 27, 1948, as amended at 14 FR 243, Jan. 18, 1949]

§ 12.21 Action upon death of veteran.
Upon the death of a veteran at a Department of Veterans Affairs hospital, center or domiciliary activity while receiving care or treatment therein, and who it is believed leaves no will or heirs or next of kin entitled to his or her personal property, regardless of whether VA Form 10-P-10, executed by the veteran, names a designee, an inventory of the funds and effects, VA Form 10-2687, will be promptly prepared and supplemented by all information or evidence available as to personal property owned by the veteran in addition to that left at the place of death; similar action will be taken when the death of such a veteran hospitalized by the Department of Veterans Affairs occurs at a contract hospital, Army, Navy, Marine or other hospital. Such inventories and information together with any bank books, stocks, bonds, or other valuable paper as enumerated in § 12.19(b), left in the effects of the veteran, will be delivered to the manager of the Department of Veterans Affairs hospital, center, or domiciliary activity having jurisdiction, for disposition in accordance with existing regulations.
[14 FR 243, Jan. 18, 1949]

§ 12.22 Disposition of personal property.
Any assets heretofore or hereafter accruing to the benefit of the General Post Fund, including stocks, bonds, checks, bank deposits, savings certificates, money orders, and similar assets, will be sold or otherwise converted into cash, except that articles of personal adornment which are obviously of sentimental value shall, if unclaimed, be retained for 5 years from the date of death of the veteran, unless for sanitary or other reasons their retention is deemed unsafe. Possession of effects other than those located on the premises of the Department of Veterans Affairs will be obtained, except that if transportation, storage, etc., is involved, determination will be made as to whether expenditure therefor is warranted. Proceeds from the conversion or sale will be deposited to the credit of the General Post Fund. Funds on deposit in Personal Funds of Patients will be transferred to the General Post Fund. Any claims against the estate of the deceased veteran will be adjudicated and paid, if valid.
[33 FR 1073, Jan. 27, 1968]

§ 12.23 Recognition of valid claim against the General Post Fund.
Effective December 26, 1941, the assets of the estate of a veteran theretofore or thereafter deposited to the General Post Fund are subject to the valid claims of creditors presented to the Department of Veterans Affairs within 1 year from the date of death or otherwise as provided by any applicable law. Any heir, next of kin, legatee, or other person found to be legally entitled to the personal property of the veteran may claim same within 5 years
from the date of the veteran's death. If claimant is under any legal disability (as a minor, incompetent, etc.) at the date of the veteran's death, the 5-year period begins upon the termination of removal of legal disability. Such claims are for settlement by the field facility which had originally made the deposit. In the event of doubt as to entitlement or the necessity of legal proceedings to obtain assets for the benefit of the General Post Fund, the case will be referred to the Chief Attorney of jurisdiction for advice and/or appropriate action. Any necessary court costs or expenses will be paid from the appropriation, General Operating Expenses, Department of Veterans Affairs.

[33 FR 1073, Jan. 27, 1968]

§ 12.24 Operation of lost and found service.

§ 12.24 Operation of lost and found service.
Unless maintained by the Public Buildings Service, the lost and found service will be maintained by an employee designated by the Manager to be known as the lost and found custodian. VA Form 3771, Record of Lost or Found Article, will be used for recording articles of any personal property lost or found. Every effort will be made to determine rightful ownership of found articles and to recover items which have been reported lost. Currency, including readily negotiable instruments, found and delivered to the lost and found custodian will not be retained beyond the official closing hour. The currency or negotiable instruments will be delivered to the agent cashier before the close of business. Individuals claiming found articles will furnish complete identification and satisfy the facility authority of rightful ownership. Where more than one individual claims ownership the matter will be referred to the Manager for decision. All articles of personal property remaining unclaimed for 90 days or more will be disposed of in accordance with § 12.8.

[PUBLISHER'S NOTE: Nomenclature changes affecting part 13 appear at 67 FR 46868, July 17, 2002.]

§ 13.1 Authority.
The regulations in this part are issued pursuant to 38 U.S.C. 501 to reflect action under 38 U.S.C. 512 and to implement 38 U.S.C. 5301, 5502, 5503, 5711 and 8520. The duties, the delegations of authority, and all actions required of the Veterans Service Center Manager
set forth in §§ 13.1 through 13.111 inclusive, are to be performed under the direction of, and authority vested in, the Director of the field facility.

[40 FR 54247, Nov. 21, 1975]

§ 13.2 Field examinations.

(a) Authority to conduct; generally. Field personnel in the Veterans Service Center and other employees who are qualified and designated by the field facility Director are authorized, when assigned, to conduct investigations (field examinations) and examine witnesses upon any matter within the jurisdiction of the Department of Veterans Affairs, to take affidavits, to administer oaths and affirmations, to certify copies of public or private documents and to aid claimants in the preparation of claims.

(b) Scope of field examinations; fiduciary activities. Field examinations include but are not limited to the following:

1. Matters involving the administration of estates and the welfare of beneficiaries of the Department of Veterans Affairs who are under legal disability or in need of supervision by the Veterans Service Center Manager.
2. Matters involving the welfare and needs of dependents of incompetent beneficiaries.
3. Recovery of amounts due the Government or General Post Fund under laws administered by the Department of Veterans Affairs.

[40 FR 54247, Nov. 21, 1975; 67 FR 46868, 46869, July 17, 2002]

§ 13.3 State legislation.

Field facility Directors are authorized to cooperate with the affiliated organizations, legislative committees, and through the General Counsel with local and State bar associations, to the end that deficiencies of the State laws relating to Department of Veterans Affairs operations may be removed. No action to commit the Department of Veterans Affairs regarding any proposed legislation relating to fiduciary matters will be taken without the approval of the Under Secretary for Benefits or designee.

[40 FR 54247, Nov. 21, 1975]

§ 13.55 Veterans Service Center Manager to select and appoint or recommend for appointment the person or legal entity to receive Department of Veterans Affairs benefits in a fiduciary capacity.

(a) Authority. The Veterans Service Center Manager is authorized to select and appoint (or in the case of a court-appointed fiduciary, to recommend for appointment) the person or legal entity best suited to receive Department of Veterans Affairs benefits in a fiduciary capacity for a beneficiary who is mentally ill (incompetent) or under legal disability by reason of minority or court action, and beneficiary's dependents.

(b) Payees. Authorized payees include:

1. The beneficiary (§ 13.56(c));
(2) The beneficiary under supervision (supervised direct payment) (§ 13.56 (a) and (b));
(3) The wife or husband of an incompetent veteran (§ 13.57);
(4) The legal custodian of a beneficiary's Department of Veterans Affairs benefits (§
13.58);
(5) A court-appointed fiduciary of a beneficiary (§ 13.59);
(6) The chief officer of the institution in which the veteran is receiving care and treatment
(§ 13.61);
(7) The bonded officer of an Indian reservation (§ 13.62);
(8) A custodian-in-fact of the beneficiary (§ 13.63);
(9) Dependents of the veteran by an apportioned award (§ 13.70).
(c) Certification. The Veterans Service Center Manager's certification is authority to
make payments to the designated payee.
[40 FR 54247, Nov. 21, 1975]

§ 13.56 Direct payment.
(a) Veterans. Department of Veterans Affairs benefits payable to a veteran rated
incompetent may be paid directly to the veteran in such amount as the Veterans Service
Center Manager determines the veteran is able to manage with continuing supervision
by the Veterans Service Center Manager, provided a fiduciary is not otherwise required. If it
is determined that an amount less than the full entitlement is to be paid, such payment
shall be for a limited period of time, generally 6 months, but in no event to exceed 1 year,
after which full payment will be made and any funds withheld as a result of this section
will be released to the veteran, if not otherwise payable to a fiduciary.
(b) Other adults. Department of Veterans Affairs benefits payable to an adult beneficiary
who has been rated or judicially declared incompetent may be paid directly to the
beneficiary in such amounts as the Veterans Service Center Manager determines the
beneficiary is able to manage with continuing supervision by the Veterans Service Center
Manager, provided a fiduciary is not otherwise required. If it is determined that an
amount less than the full entitlement is to be paid, such payment shall be for a limited
period of time, generally 6 months, but in no event to exceed 1 year, after which full
payment will be made and any funds withheld as a result of this section will be released
to the beneficiary, if not otherwise payable to a fiduciary.
(c) Minors. Department of Veterans Affairs benefits payable to a minor:
(1) May be paid direct when:
(i) Arising in connection with a program of education or training under 38 U.S.C. ch. 35.
(ii) The Veterans Service Center Manager determines it would be in the minor's best
interests.
(2) Will be paid direct when:
(i) The beneficiary's only legal disability is minority and he or she is in active military,
naval, or air service, or the widow or widower of a veteran.
(ii) The minor is deemed otherwise emancipated under State law.
[40 FR 54247, Nov. 21, 1975, as amended at 42 FR 34282, July 5, 1977; 67 FR 46868,
46869, July 17, 2002]

§ 13.57 Payment to the wife or husband of incompetent veteran.

Compensation, pension or emergency officers' retirement pay of a veteran rated or judicially declared incompetent, may be paid to the veteran's spouse, provided the spouse is qualified to administer the funds payable and agrees to use the amounts paid for the veteran and the veteran's dependents, if any.

[40 FR 54247, Nov. 21, 1975]

§ 13.58 Legal custodian.

(a) Authority. The Veterans Service Center Manager is authorized to make determinations as to the person or legal entity to be appointed legal custodian to receive Department of Veterans Affairs payments on behalf of a beneficiary who is incompetent or under legal disability by reason of minority or court action. In the absence of special circumstances, the person or legal entity to be appointed legal custodian will be the person or legal entity caring for and/or having custody of the beneficiary or the beneficiary's estate.

(b) Payment to. Department of Veterans Affairs benefits may be paid to a legal custodian subject to the following conditions:

(1) The Veterans Service Center Manager has determined that it would be in the best interests of the beneficiary to appoint a legal custodian.

(2) The proposed legal custodian is qualified to administer the benefits payable and will agree to:

(i) Apply the benefits paid for the best interests of the beneficiary,

(ii) Invest surplus funds as provided by Department of Veterans Affairs regulations,

(iii) Furnish, upon request, evidence of compliance with agreement as to usage and investment of Department of Veterans Affairs benefits, and

(iv) Inform the Veterans Service Center Manager of any change in the beneficiary's estate or any other circumstances that might affect entitlement or the manner in which payments are to be made.

[40 FR 54247, Nov. 21, 1975]

§ 13.59 Court-appointed fiduciary.

(a) Payment to. Any Department of Veterans Affairs benefit may be paid to the fiduciary appointed by a State court for a beneficiary who is a minor, or incompetent or under other legal disability adjudged by a court of competent jurisdiction. Formal or informal accountings may be required from such fiduciaries, with or without judicial proceedings.

(b) Veterans Service Center Manager's responsibility. The Veterans Service Center Manager shall: (1) Determine and recommend to the Regional Counsel the person or legal entity best fitted for appointment as State court fiduciary for the particular beneficiary. Necessary legal action will be taken by the Regional Counsel.
(2) Upon advice from the Regional Counsel that the fiduciary has been appointed, issue appropriate certification thereof so that payment of benefits can be made to such fiduciary.
[40 FR 54247, Nov. 21, 1975; 61 FR 7215, 7216, Feb. 27, 1996]

§ 13.61 Payment to the chief officer of institution.
The Veterans Service Center Manager may authorize the payment of all or part of the pension, compensation or emergency officers' retirement pay payable in behalf of a veteran rated incompetent by the Department of Veterans Affairs to the chief officer of the institution wherein the veteran is being furnished hospital treatment or institutional, nursing or domiciliary care, for the veteran's use and benefit, when the Veterans Service Center Manager has determined such payment (called an institutional award) will adequately provide for the needs of the veteran and obviate need for appointment of another type of fiduciary.
[40 FR 54248, Nov. 21, 1975]

§ 13.62 Payment to bonded officer of Indian reservation.
Any benefits due an incompetent adult or minor Indian, who is a recognized ward of the Government, may be awarded to the superintendent or other bonded officer designated by the Secretary of the Interior to receive funds under 25 U.S.C. 14.
[40 FR 54248, Nov. 21, 1975]

§ 13.63 Payment to custodian-in-fact.
All or any part of a benefit due a minor or incompetent adult, payment of which is suspended or withheld because payment may not be properly made to an existing fiduciary, may be paid temporarily to the person having custody and control of the beneficiary.
[36 FR 19023, Sept. 25, 1971]

§ 13.64 Fiduciary commissions.
Generally, a VA appointed fiduciary is to be encouraged to serve without fee.
(a) Authority. The Veterans Service Center Manager is authorized to determine when a commission is necessary in order to obtain the services of a fiduciary, except that the Veterans Service Center Manager may not authorize a commission to a fiduciary who receives any other form of remuneration or payment in connection with rendering fiduciary services on behalf of the beneficiary. Necessity is established only if the beneficiary's best interest would be served by the appointment of a qualified professional, or, if a qualified professional is not available, the proposed fiduciary is the only qualified person available and is not willing to serve without a fee.
(b) Amount; notice to beneficiary. The Veterans Service Center Manager shall authorize a fiduciary to whom a commission is payable under paragraph (a) of this section to deduct from the beneficiary's estate a reasonable commission for fiduciary services rendered. The commission for any year may not exceed 4 percent of the monetary benefits paid by VA on behalf of the beneficiary to the fiduciary during that year; a year being the normal 12 month period following the anniversary date of appointment. The Veterans Service Center Manager shall furnish appropriate notice to the beneficiary, either directly or through the fiduciary, that a commission is payable.

(c) Persons who may be excluded. Commissions may not be authorized to dependents of the beneficiary or other close relatives acting in a fiduciary capacity on behalf of the beneficiary, except under extraordinary circumstances.

[51 FR 26157, July 21, 1986]

(38 U.S.C. 5502; Pub. L. 98-223)

§ 13.69 Limitation of beneficiaries to individual fiduciary.

For purposes of payment of Department of Veterans Affairs benefits, the number of beneficiaries for whom an individual fiduciary may act will be limited to the number the fiduciary may be reasonably expected to properly serve. When, in the judgment of the Veterans Service Center Manager, a fiduciary has been appointed or is seeking appointment in a case in excess of that number, the Veterans Service Center Manager will initiate action to obtain a suitable substitute fiduciary.

§ 13.70 Apportionment of benefits to dependents.

(a) Incompetent veterans being furnished hospital treatment, institutional or domiciliary care by United States or political subdivision thereof. When compensation, pension or emergency officers' retirement pay is payable in behalf of a veteran who is incompetent or under other legal disability by court action, the Veterans Service Center Manager may recommend such apportionment to or in behalf of the veteran's spouse, child or dependent parent as may be necessary to provide for their needs.

(b) Dependent parents. When the compensation of a veteran paid to his or her fiduciary includes an additional amount for a dependent parent or parents and the fiduciary neglects or refuses to make an equivalent contribution for their support, the Veterans Service Center Manager may recommend the apportionment to the parent or parents of the additional amount.

(c) Payments withheld because of fiduciary's failure to properly administer veteran's estate. When payments of compensation, pension or emergency officers' retirement pay in behalf of a veteran have been stopped because of the fiduciary's failure or inability to properly account or otherwise administer the estate, the Veterans Service Center Manager may recommend the apportionment to the veteran's spouse, child or dependent parent of any benefit not paid under an institutional award or to a custodian-in-fact.

§ 13.71 Payment of cost of veteran's maintenance in institution.
(a) The payment of part of compensation, pension or emergency officers' retirement pay for the cost of a veteran's hospital treatment, institutional or domiciliary care in an institution operated by a political subdivision of the United States may be authorized as provided in paragraph (b) of this section when:
(1) The veteran is rated incompetent by the Department of Veterans Affairs.
(2) It has been determined the veteran is legally liable for the cost of his or her maintenance, and
(3) The institution's representative has asserted or probably will assert a claim for full maintenance costs.
(b) Subject to these conditions and the further condition that the responsible official of the institution or political subdivision will agree not to assert against Department of Veterans Affairs benefits any further claim for maintenance during the veteran's lifetime, the Veterans Service Center Manager may agree with such official to the payment of the veteran's benefits through an institutional award to be applied to:
(1) A monthly amount determined by the Veterans Service Center Manager to be needed for the veteran's personal use,
(2) An amount to be agreed upon to be accumulated to provide for the veteran's rehabilitation upon release from the institution, and
(3) So much of the amount of the benefit as remains not exceeding the amount the Veterans Service Center Manager determines to be the proper charge as fixed by statute or administrative regulation, to the cost of the veteran's maintenance.
(c) Upon execution of an agreement as provided in paragraph (b) of this section, the Veterans Service Center Manager will certify the total amount to be released to the chief officer of the institution.

§ 13.72 Release of funds from Personal Funds of Patients.
Veterans Service Center Managers may authorize release of funds from Personal Funds of Patients for the needs of veterans and their dependents, including amounts fixed by statute or administrative regulations as the cost of current maintenance of veterans in institutions of the United States or a political subdivision thereof other than Department of Veterans Affairs institutions.
[40 FR 54248, Nov. 21, 1975]

§ 13.73 Transfer of funds from funds due incompetent beneficiaries.
Veterans Service Center Managers may, when required for the benefit of the veteran and/or the veteran's dependents, authorize the transfer of amounts credited to veterans in Funds Due Incompetent Beneficiaries to Department of Veterans Affairs Personal Funds of Patients accounts or to chief officers of non-Department of Veterans Affairs institutions for the accounts of institutionalized veterans.

§ 13.74 [Reserved]

§ 13.75 [Reserved]

§ 13.76 [Reserved]

§ 13.77 [Reserved]

§ 13.100 Supervision of fiduciaries.
(a) Federal fiduciaries. In Federal fiduciary cases, the Veterans Service Center Manager may, when he or she deems it necessary for the protection of the beneficiary's interests:
(1) Require an accounting, formal or informal, of Department of Veterans Affairs benefits paid.
(2) Terminate the appointment of a Federal fiduciary and appoint a successor Federal fiduciary.
(Authority: 38 U.S.C. 5502)
(b) Court-appointed fiduciaries. In court-appointed fiduciary cases, the Veterans Service Center Manager will take such informal action as may be necessary to assure that the needs of the beneficiary are provided for and Department of Veterans Affairs benefits are prudently administered and adequately protected.
(Authority: 38 U.S.C. 501)
(c) Unsatisfactory conditions. In any case where a fiduciary fails to render a satisfactory account or has collected or paid, or is attempting to collect or pay, fees, commissions, or allowances that are illegal or inequitable or in excess of those allowed by law, or has failed to use Department of Veterans Affairs funds for the benefit of the beneficiary or the beneficiary's dependents, or has otherwise failed or neglected to properly execute the duties of his or her trust, and informal efforts by the Veterans Service Center Manager to correct the situation prove unsuccessful, the case will be referred to the Regional Counsel. In such cases the Veterans Service Center Manager may have all Department of Veterans Affairs benefits suspended.
(Authority: 38 U.S.C. 5502)
(d) Misappropriation, embezzlement or violation of Federal statutes. When the evidence indicates a prima facie case of misappropriation, embezzlement or violation of the Federal statutes, the matter will be submitted to the Regional Counsel for review and, if appropriate, the Regional Counsel's referral to the U.S. Attorney.

(38 U.S.C. 6101)
§ 13.101 Management and use of estates of minors.

Department of Veterans Affairs benefits payable in behalf of minors should be used for their benefit. Such funds should be expended only to the extent the person or persons responsible for their needs are unable to provide for them, except those derived from payments under 38 U.S.C. ch. 35.

[28 FR 10751, Oct. 5, 1963]

(38 U.S.C. 501)

§ 13.102 Accountability of legal custodians.

(a) Institutionalized veterans without spouse or child. The legal custodian of VA benefits of an incompetent veteran who has neither spouse nor child and who is being furnished hospital treatment or institutional or domiciliary care by the United States or a political subdivision thereof, will account upon request to VA for funds received from VA for the beneficiary and will submit a statement of all other income received and the total assets from any source held for the beneficiary.

(b) All other beneficiaries. Compliance with the agreement as to benefit use and any authorized modifications due to changed need, proof of existence of funds surplus to immediate needs and proper investment thereof, if appropriate, will be established by personal contact.

(38 U.S.C. 501)

§ 13.103 Investments by Federal fiduciaries.

(a) Type authorized. VA benefits paid to a Federally appointed fiduciary other than a spouse payee or an institutional award payee may be invested only in United States savings bonds, or in interest or dividend-paying accounts in State or Federally insured institutions, whichever is to the beneficiary's advantage. Department of Veterans Affairs benefits that are paid on behalf of an incompetent veteran to an institution via an institutional award payment arrangement may not be invested.

(b) Registration. (1) When funds are invested in bonds, the bonds will be registered in this form: (Beneficiary's Name), (Social Security No.), under custodianship by designation of the Department of Veterans Affairs.

(2) When funds are invested in interest or dividend-paying accounts in State or Federally insured institutions, the account will be registered in this form: (Beneficiary's name), by (Fiduciary's Name), Federal fiduciary.

(c) Pre-need burial arrangements. Federally appointed fiduciaries, other than institutional award payees, may use a beneficiary's funds derived from VA benefits to make deposits into, or purchase, a pre-need burial plan or burial insurance on behalf of the beneficiary, if to do so is in the beneficiary's interest.

(38 U.S.C. 501)

§ 13.104 Accounts of court-appointed fiduciaries.
(a) Requirement to account; notices of filings and hearings. Accounts may be required from court-appointed fiduciaries as provided by State law, but in no event less frequently than once every 3 years. Arrangements will be made with the courts whereby notices of filing of all petitions, accounts, etc., and of hearings on same, relative to court-appointed fiduciary cases wherein the Department of Veterans Affairs is an interested party, will be sent to the Veterans Service Center Manager for review, distribution and such action as may be appropriate. Matters which require legal action will be referred to the Regional Counsel, and will include any matter in which the Department of Veterans Affairs has any objections to offer.

(b) Fiduciary and beneficiary in jurisdiction other than a State of the United States. Accounts will not be required, in the discretion of the Veterans Service Center Manager, in cases where the fiduciary and beneficiary permanently reside in a jurisdiction other than a State of the United States, the District of Columbia, the Commonwealth of Puerto Rico or the Republic of the Philippines, and the fiduciary appointment was made in said jurisdiction.

§ 13.105 Surety bonds.

(a) Federal fiduciaries. (1) The Veterans Service Center Manager may require a legal custodian, custodian-in-fact or chief officer of a private institution recognized to administer Department of Veterans Affairs benefits on behalf of a beneficiary, to furnish a corporate surety bond in an amount determined to be sufficient to protect the interest of the beneficiary. Such bond shall run to the Secretary of Veterans Affairs for the use and benefit of the beneficiary.

(2) The Veterans Service Center Manager may require a legal custodian to furnish an agreement in lieu of a surety bond or additional surety bond when funds are deposited in an interest or dividend-paying account in a State or federally insured institution. The agreement will provide that the legal custodian and institution agree that all funds received from the Department of Veterans Affairs on behalf of the beneficiary, which have been or will be deposited by the legal custodian in the account, will be withdrawn only with the written consent of the Veterans Service Center Manager or designee.

(b) Substitution of surety; claims against defunct companies. If any surety company is placed in receivership or ceases to do business in the particular State, the Veterans Service Center Manager will take the necessary action to have proper bonds substituted in Federal fiduciary cases and refer the matter to the Regional Counsel for such other action as may be appropriate.

(38 U.S.C. 501)

§ 13.106 Investments by court-appointed fiduciaries.
The Veterans Service Center Manager will review and to the extent possible determine the legality and prudence of investments involving Department of Veterans Affairs income or estate. It is Department of Veterans Affairs policy to invest income or estate derived from Department of Veterans Affairs benefits only in legal investments which
have safety, assured income, stability of principal and ready convertibility for the requirements of the beneficiary and his or her dependents. When notice of a contemplated or actual illegal or imprudent investment comes to the attention of the Veterans Service Center Manager, he or she will take remedial action to protect the beneficiary's estate. Cases in which it becomes necessary to institute court action will be referred to the Regional Counsel.

§ 13.107 Accounts of chief officers of public or private institutions.
(a) Department of Veterans Affairs benefits. The chief officer of an institution, other than a Federal institution, shall, when requested, render an account to the Department of Veterans Affairs for funds received from the Department of Veterans Affairs on account of an incompetent veteran.
(b) All income and assets. The chief officer of the aforementioned institutions shall, when requested, furnish a statement of all income received in behalf of a Department of Veterans Affairs beneficiary under legal disability and the total assets held for the beneficiary.

§ 13.109 [Reserved]

§ 13.110 Escheat; post fund.
(a) Escheat; 38 U.S.C. 5502(e). Upon death of a beneficiary for whom payment of Department of Veterans Affairs benefits was made to a court-appointed fiduciary, legal custodian, custodian-in-fact, or by institutional award, the fiduciary (or the deceased beneficiary's personal representative) shall, upon request, account for and return to the Department of Veterans Affairs any remaining assets derived from Department of Veterans Affairs benefits which would under State law escheat to the State, less legal expenses of any administration necessary to determine that an escheat is in order.
(b) General Post Fund; 38 U.S.C. 5220(a). Upon the death of a veteran intestate while a member or patient in any facility while being furnished care or treatment therein by the Department of Veterans Affairs, who is not survived by a spouse, next of kin, or heirs entitled under the laws of the veteran's domicile, the veteran's fiduciary, if any, or the veteran's personal representative shall account for and turn over to the Department of Veterans Affairs all personal property, including money and choses in action owned by the veteran at the time of his or her death. (See also § 14.514(c) of this chapter.)
(c) Refusal of fiduciary or personal representative to cooperate. If the fiduciary or personal representative, if any, refuses to voluntarily comply with the provisions of paragraph (a) or (b) of this section, the Veterans Service Center Manager will submit a complete report to the Regional Counsel.
§ 13.111 Claims of creditors.
Under 38 U.S.C. 5301(a), payments made to or on account of a beneficiary under any of the laws relating to veterans are exempt, either before or after receipt by the beneficiary, from the claims of creditors and State and local taxation. The fiduciary should invoke this defense where applicable. If the fiduciary does not do so, the Veterans Service Center Manager should refer the matter to the Regional Counsel for appropriate action.

§ 14.500 Functions and responsibilities of General Counsel.
The General Counsel is responsible to the Secretary for the following:
(a) All litigation arising in, or out of, the activities of the Department of Veterans Affairs or involving any employee thereof in his or her official capacity.
(b) All interpretative legal advice involving construction or application of laws, including statutes, regulations, and decisional as well as common law.
(c) All legal services, advice and assistance required to implement any law administered by the Department of Veterans Affairs.
(d) All delegations of authority and professional guidance required to meet these responsibilities.
(e) Maintenance of a system of field offices capable of providing legal advice and assistance to all Department of Veterans Affairs field installations and acting for the General Counsel as provided by Department of Veterans Affairs Regulations and instructions, or as directed by the General Counsel in special cases. This includes cooperation with U.S. Attorneys in all civil and criminal cases pertaining to the Department of Veterans Affairs and reporting to the U.S. Attorneys, as authorized, or to the General Counsel, or both, criminal matters coming to the attention of the Regional Counsel.

(f) Other matters assigned.

[EFFECTIVE DATE NOTE: 61 FR 7215, 7216, Feb. 27, 1996, which substituted "Regional Counsel" for "District Counsel" in paragraph (e), became effective Oct. 1, 1995.]

§ 14.501 Functions and responsibilities of Regional Counsels.

(a) Functions and responsibilities of the Regional Counsels are those set forth in this part and all other matters assigned by the General Counsel.

(b) In any matter within the jurisdiction of the General Counsel, delegated or otherwise assigned, the Regional Counsel and designated staff attorneys are authorized to conduct investigations, examine witnesses, take affidavits, administer oaths and affirmations and certify copies of public or private documents.

(c) The Regional Counsel is authorized to, and shall, under the guidance of the General Counsel, provide legal services, advice and assistance to Department of Veterans Affairs installations within the district assigned. In any area of regulatory, assigned or delegated responsibility, the Regional Counsel may delegate to staff members or other Department of Veterans Affairs attorneys authority to perform, to the extent specified, any legal function under the professional direction of the Regional Counsel. Conversely, the Regional Counsel may modify, suspend, or rescind any authority delegated hereunder.

(d) The Regional Counsel is authorized to cooperate with affiliated organizations, legislative committees, and with local and State bar associations to the end that any State law deficiencies relating to Department of Veterans Affairs operations may be removed. No commitment as to proposed legislation will be made without the approval of the General Counsel.

(e) In any case wherein the Regional Counsel is authorized to take legal action and payment of costs and necessary expenses incident thereto are involved, the administration requesting such action will pay such cost and expenses. Where it is impractical for the Regional Counsel to perform the legal service because of cost, distance, etc., the customary fee for the service rendered by a local attorney employed by the Regional Counsel will be borne by the administration requesting such action.

(f) The jurisdictions and addresses of Regional Counsels are as follows:

(1) Region 1: (JURISDICTION) Connecticut, Maine, Massachusetts, New Hampshire, Rhode Island; (ADDRESS) VAMC, 200 Springs Road, Bldg. 61, Bedford, MA 01730.

§ 14.502 Requests for legal opinions from Central Office.
Requests for formal legal advice, including interpretation of law or regulations, shall be made only by the Secretary, the Deputy Secretary, the Assistant Secretaries, the Deputy Assistant Secretaries, and the administration head or top staff office official having jurisdiction over the particular subject matter, or by a subordinate acting for any such official.
[54 FR 34982, Aug. 23, 1989]

§ 14.503 Requests for legal advice and assistance in other than domestic relations matters.
(a) Requests from administrative officials in the field for legal advice or assistance will be addressed to the appropriate Regional Counsel and will be in writing if requested by the Regional Counsel. Questions regarding insurance activities at St. Paul and Philadelphia should be referred to the Regional Counsel at the respective station. Except as to matters referred to in § 14.504(b), the Regional Counsel's authority to render legal advice and assistance shall extend to the release (unless otherwise instructed by the General Counsel), without prior approval of the General Counsel, of opinions on all legal questions which are either:
(1) Wholly controlled by the interpretation or application of the laws of the State or States in the district office area, or
(2) Covered by Department of Veterans Affairs precedents and opinions of the General Counsel which the Regional Counsel knows to be currently authoritative on the issues involved.
In cases covered by § 14.504(b) and all others not included in paragraph (a)(1) or (2) or paragraph (b) of this section, the Regional Counsel will prepare a tentative opinion (including identification of the benefit sought) and forward it to the General Counsel for review. When it is returned, the Regional Counsel will conform the opinion (if necessary) to the views of the General Counsel, and release it to the requesting official. The Regional Counsel may release any modified opinion as the opinion of the General Counsel.
(b) The Regional Counsel may submit to the General Counsel any legal question, opinion, or question pertinent to legal functions, upon which the views or advice of the General Counsel are desired. This request should set forth the special circumstances, contain a statement of the legal implications involved (including any Department of Veterans Affairs benefits claimed), set forth the facts out of which they arise, and cite any statutes or court decisions readily available, regulations, related opinions of the General Counsel and other matters deemed pertinent, with appropriate discussion. If any administration will be affected, a copy of the reply will be forwarded to that administration head.
§ 14.504 Domestic relations questions, authority and exceptions.
(a) Regional Counsels have the same authority with respect to domestic relations questions as they do with respect to matters covered by § 14.503 except as specifically excluded by the provisions of paragraph (a) of that section.
(b) In the following instances the Regional Counsel, regardless of whether State law is wholly controlling or a Department of Veterans Affairs precedent is available, will prepare a tentative opinion, researched as completely as possible with reasonably available facilities, and forward two copies thereof directly to the General Counsel for review and disposition (as provided in § 14.503 respecting other than domestic relations matters):
(1) Where it is not clear under applicable State law: (i) Whether the marriage of a veteran's child or the remarriage of a veteran's widow was void without decree of annulment, or (ii) whether an annulment decree was rendered by a court with basic authority to render annulment decrees;
(2) When fraud or collusion by either party appears to have influenced the granting of an annulment decree;
(3) Cases in which there are contesting claims;
(4) Unusual situations, such as those involving proxy marriages, the law of two or more jurisdictions or of a foreign country;
(5) Cases involving difference of opinion between Regional Counsels or between a Regional Counsel and the official who submitted the question involved.

§ 14.505 Submissions.
All submissions will set forth the question of law on which the opinion is desired, together with a complete and accurate summary of relevant facts. Files, correspondence, and other original papers will not be submitted unless pertinent portions thereof cannot practicably be summarized or copies made and attached as exhibits.

§ 14.507 Opinions.
(a) A written legal opinion of the General Counsel involving veterans' benefits under laws administered by the Department of Veterans Affairs shall be conclusive as to all Department officials and employees with respect to the matter at issue, unless there has been a material change in controlling statute or regulation, a superseding written legal opinion by the General Counsel, or the designation on its face as "advisory only" by the General Counsel or the Deputy General Counsel acting as or for the General Counsel. Written legal opinions having conclusive effect under this section and not designated as
precedent opinions pursuant to paragraph (b) of this section shall be considered by the Department of Veterans Affairs to be subject to the provisions of 5 U.S.C. 552(a)(2). Advice, recommendations, or conclusions on matters of Government or Department policy, contained within a written legal opinion, shall not be binding on Department officials and employees merely because of their being contained within a written legal opinion. Written legal opinions will be maintained in the Office of the General Counsel. Written legal opinions involving veterans' benefits under laws administered by the Department of Veterans Affairs, which pertain to a particular benefit matter, in addition to being maintained in the Office of the General Counsel, will be filed in the individual claim folder.

(b) A written legal opinion of the General Counsel involving veterans' benefits under laws administered by the Department of Veterans Affairs which, in the judgment of the General Counsel or the Deputy General Counsel acting as or for the General Counsel, necessitates regulatory change, interprets a statute or regulation as a matter of first impression, clarifies or modifies a prior opinion, or is otherwise of significance beyond the matter at issue, may be designated a "precedent opinion" for purposes of such benefits. Written legal opinions designated as precedent opinions under this section shall be considered by Department of Veterans Affairs to be subject to the provisions of 5 U.S.C. 552(a)(1). An opinion designated as a precedent opinion is binding on Department officials and employees in subsequent matters involving a legal issue decided in the precedent opinion, unless there has been a material change in a controlling statute or regulation or the opinion has been overruled or modified by a subsequent precedent opinion or judicial decision.

(c) For purposes of this section, the term written legal opinion of the General Counsel means a typed or printed memorandum or letter signed by the General Counsel or by the Deputy General Counsel acting as or for the General Counsel, addressed to an official or officials of the Department of Veterans Affairs stating a conclusion on a legal issue pertaining to Department of Veterans Affairs activities.

§ 14.514 Suits by or against United States or Department of Veterans Affairs officials; indemnification of Department of Veterans Affairs employees.
§ 14.515 Suits involving loan guaranty matters.
§ 14.516 Escheat and post fund cases.
§ 14.517 Cases affecting the Department of Veterans Affairs generally.
§ 14.518 Litigation involving beneficiaries in custody of Department of Veterans Affairs employees acting in official capacity.

§ 14.514 Suits by or against United States or Department of Veterans Affairs officials; indemnification of Department of Veterans Affairs employees.
(a) Suits against United States or Department of Veterans Affairs officials. When a suit involving any activities of the Department of Veterans Affairs is filed against the United States or the Secretary or a suit is filed against any employee of the Department of Veterans Affairs in which is involved any official action of the employee, not covered by the provisions of §§ 14.600 through 14.617, a copy of the petition will be forwarded to the General Counsel who will take necessary action to obtain the pertinent facts, cooperate with or receive the cooperation of the Department of Justice and, where indicated, advise the Regional Counsel of any further action required.
(b) Counsel and representation of employees. The Department of Justice may afford counsel and representation to Government employees who are sued individually as a result of the performance of their official duties. A civil action commenced in a State court against an employee, as the result of an action under color of his or her office, may be removed to the applicable Federal District Court. If a suit is filed against an employee as the result of the performance of his or her official duties, where the provisions of either 28 U.S.C. 2679 or 38 U.S.C. 7316 are not applicable (see § 14.610), and the employee desires to be represented by the U.S. Attorney, the Regional Counsel will obtain a written request to this effect from the employee and will also obtain an affidavit of the facility Director describing the incident in sufficient detail to enable a determination to be made as to whether the employee was in the scope of his or her employment at the time. These statements, together with a copy of the petition and two copies of a summary of pertinent facts, will be sent to the General Counsel, who will transmit copies thereof to the Department of Justice for appropriate action.
(c) Indemnification. (1) The Department of Veterans Affairs may indemnify a Department of Veterans Affairs employee, who is personally named as a defendant in any civil suit in state or Federal court or an arbitration proceeding or other proceeding seeking damages against the employee personally, where either 28 U.S.C. 2679 or 38 U.S.C. 7316 is not applicable, for any verdict, judgment, or other monetary award which is rendered against such employee; provided that: the alleged conduct giving rise to the verdict, judgment, or award was taken within the scope of his or her employment and that such indemnification is in the interest of the Department of Veterans Affairs, as determined by the Secretary or his designee.
(2) The Department of Veterans Affairs may settle or compromise a personal damage claim against a Department of Veterans Affairs employee, in cases where the provisions
of either 28 U.S.C. 2679 or 38 U.S.C. 7316 are not applicable, by the payment of available funds, at any time; provided that: the alleged conduct giving rise to the personal damage claim was taken within the employee's scope of employment and that such settlement or compromise is in the interest of the Department of Veterans Affairs, as determined by the Secretary or his designee.

(3) Absent exceptional circumstances as determined by the Secretary or his designee, the Agency will not entertain a request either to agree to indemnify or to settle a personal damage claim before entry of an adverse verdict, judgment, or award.

(4) A Department of Veterans Affairs employee may request indemnification to satisfy a verdict, judgment, or award entered against that employee. The employee shall submit a written request, with appropriate documentation including copies of the verdict, judgment, award, or settlement proposal, in a timely manner to the Department of Veterans Affairs General Counsel, who shall make a recommended disposition of the request. Where the Department of Veterans Affairs determines it appropriate, the Agency shall seek the view of the Department of Justice. The General Counsel shall forward the employee request for indemnification, and the accompanying documentation, with the General Counsel's recommendation to the Secretary for decision.

(5) Any payment under this section either to indemnify a Department of Veterans Affairs employee or to settle or compromise a personal damage claim shall be contingent upon the availability of appropriated funds of the Department of Veterans Affairs.

(d) Attorney-client privilege. Attorneys employed by the Department of Veterans Affairs who participate in any process utilized for the purpose of determining whether the Agency should request the Department of Justice to provide representation to a Department employee sued, subpoenaed or charged in his individual capacity, or whether attorneys employed by the Department of Veterans Affairs should provide assistance in the representation of such a Department employee, undertake a full and traditional attorney-client relationship with the employee with respect to application of the attorney-client privilege. If representation is authorized, Department of Veterans Affairs attorneys who assist in the representation of an employee also undertake a full and traditional attorney-client relationship with the employee with respect to the attorney-client privilege. Any adverse information communicated by the client-employee to an attorney during the course of such attorney-client relationship shall not be disclosed to anyone, either inside or outside the Department of Veterans Affairs, other than attorneys responsible for representation of the employee, unless such disclosure is authorized by the employee.

(e) Suits by the United States. In any instance wherein direct submission to a U.S. Attorney for institution of civil action has been authorized by the Department of Justice, the Regional Counsel will furnish the U.S. Attorney a complete report of the facts and applicable law, documentary evidence, names and addresses of witnesses and, in cases wherein Department of Veterans Affairs action has been taken, a copy of any pertinent decision rendered. The Regional Counsel will forward two copies of such report and of any proposed pleading to the General Counsel, and will render any practicable assistance requested by the U.S. Attorney.

§ 14.515 Suits involving loan guaranty matters.

(a) In actions for debt, possession or actions similar in substance (including title actions) in which § 36.4282 or § 36.4319 of this chapter has been complied with, the Regional Counsel is authorized to enter the appearance of and represent the Secretary of Veterans Affairs as the attorney of record and to file claims for debt in probate proceedings without prior reference to the General Counsel. Any such action will normally be taken within the time prescribed by law as though there had been valid service of process. In all other types of cases, the Regional Counsel will not enter an appearance or file any pleading on behalf of the Secretary except in imperative emergency until authorization is received from the General Counsel after submission of all relevant facts. In doubtful cases, the Regional Counsel will request instructions from the General Counsel, submitting copy of so much of the pleadings or other papers, together with a sufficient recital of the facts as will make clear the background, the issues, and the relief sought. The submission also will include names and addresses of adverse parties and attorneys so that immediate action may be taken if injunctive relief seems proper. Where necessary in any case to preserve rights which might be lost by default if there had been proper service of process, appropriate action will be taken by a special appearance, or, in jurisdictions where a special appearance does not serve the purpose or under State statute or decisions will constitute a general appearance for a later date, by an appearance through amicus curiae, to obtain an extension of time, preferably 30 days or more, in which to appear and plead without prejudice. If not feasible to obtain an extension, the Regional Counsel will explain to adverse counsel by letter, and personally, if desirable, the necessity of deferring all action and will see that the proper judge receives a signed copy of the letter before default day. The letter will point out that there is no valid service of process on the Secretary of Veterans Affairs but will not base the delay on that alone.

(b) The General Counsel or each Regional Counsel representing the General Counsel is the attorney of the Secretary of Veterans Affairs for all purposes of 38 U.S.C. 3720 and, as such, is authorized to represent the Secretary in any court action or other legal matter arising under said statutory provisions. Said authorization is subject to any applicable statutes and Executive orders concerning claims of the United States. A Regional Counsel may enter appearance in such cases, subject to the provisions of §§ 36.4282 and 36.4319 of this chapter and paragraph (a) of this section. Each Regional Counsel is authorized to contract for the employment of attorneys on a fee basis for conducting any action arising under guaranty or insurance of loans or direct loans by the Department of Veterans Affairs; or for examination and other proper services with respect to title to and liens on real and personal property, material incident to such activities of the Department of Veterans Affairs, when, such employment is deemed by the Regional Counsel to be appropriate. the authority delegated to the Regional Counsel may be redelegated with the approval of the General Counsel.

(c) The General Counsel and each Regional Counsel, in carrying out their duties as authorized in paragraph (a) or (b) of this section, are authorized: (1) To contract for and execute, for and on behalf of the Secretary, any bond (and appropriate contract or application therefor) which is required in or preliminary to or in connection with any judicial proceeding in which the Regional Counsel is attorney for the Secretary, and to
incur obligations for premiums for such bonds and (2) to do all other acts and incur all costs and expenses which are necessary or appropriate to further or protect the interests of the Secretary in or in connection with prosecuting or defending any cause in any court or tribunal within the United States, which cause arises out of or incident to the guaranty or insurance of loans, or the making or direct loans by the Department of Veterans Affairs, pursuant to 38 U.S.C. ch. 37.

(d) Except in an emergency, no Regional Counsel will initiate action for appellate review without prior approval by the General Counsel. These limitations do not preclude the filing of a motion for a new trial, appeal to intermediate court with hearing de novo, the giving of notice of appeal, reserving of bills of exception, or any other preliminary action in the trial court which may be necessary or appropriate to protect or facilitate, the exercise of the right of appellate review, nor do they preclude the taking of appropriate steps on behalf of the Secretary as appellee (respondent) without prior reference to the General Counsel. Upon the conclusion of the trial of a case, the Regional Counsel will report the result thereof to the General Counsel with recommendation as to seeking appellate review if the result reported is adverse to the position of the Department of Veterans Affairs in the litigation. The reporting Regional Counsel who recommends appellate review will include as a part of the communication, or in exhibits attached: (1) A summary of the evidence; (2) a summary of the law points to be reviewed; (3) citations of statutes and cases; (4) statements of special reasons for recommending appellate review; (5) time limitations for the action recommended; (6) requirements, if any, respecting printing of the record and briefs; (7) the estimated total expenses to be incurred by reason of the appeal, reporting separately the estimated costs for printing the brief and record so that authority for printing may be granted in accordance with the prescribed procedure, MP-1, part II, chapter 9; and (8) the recommendation or a statement as to nonrecommendation by the Loan Guaranty Officer.

n1 Available in any Department of Veterans Affairs facility.

[EFFECTIVE DATE NOTE: 61 FR 7215, 7216, Feb. 27, 1996, which substituted "Regional Counsel" for "District Counsel" in this section, became effective Oct. 1, 1995.]

§ 14.516 Escheat and post fund cases.

In any case in which the Department of Veterans Affairs is entitled to possession of assets or property under the escheat provisions of 38 U.S.C. 5502(e), the gifts provisions of 38 U.S.C. ch. 83 or the General Post Fund provisions of 38 U.S.C. ch. 85, the Regional Counsel will endeavor to obtain possession of such assets or property in any manner appropriate under local procedure and practice, other than litigation. This procedure would include exploratory inquiry of the person having custody or possession of the assets or property for the purpose of determining whether the person would be willing to turn over the property to the Department of Veterans Affairs without litigation. If unsuccessful in this effort, a complete report will be submitted by the Regional Counsel to the General Counsel so that appropriate action may be taken to obtain the assistance of the Department of Justice in the matter.

§ 14.517 Cases affecting the Department of Veterans Affairs generally.
Regional Counsels will establish and maintain such close liaison with the State and Federal courts as to insure that notice will be afforded the Department of Veterans Affairs on all cases affecting the Department of Veterans Affairs. Such information will be forwarded to the General Counsel promptly in every case.

§ 14.518 Litigation involving beneficiaries in custody of Department of Veterans Affairs employees acting in official capacity.
(a) Service of process generally. An employee, at a field facility, served with a writ of habeas corpus involving a beneficiary of the Department of Veterans Affairs in the employee's custody will immediately notify the District Counsel of the region in addition to taking such steps as in his or her judgment are necessary for self protection.
(b) Habeas corpus writs. (1) If a Director of a Department of Veterans Affairs hospital concerned advises that, according, to current medical opinion, hospitalization is necessary for the veteran's safety or the safety of others, the District Counsel will vigorously oppose the writ at the trial court level. If the writ is granted, no further action will be taken unless so instructed by the General Counsel.
(2) If the medical opinion is that hospitalization is not required for the veteran's safety or the safety of others but continued treatment is clearly indicated in the veteran's interest, the District Counsel will assure that the court issuing the writ is so informed and will abide by the court's decision.
(3) If the medical opinion is that there is no danger of self injury to the veteran or others and the need for continued treatment is not clearly demonstrated, the District Counsel will advise the Director of the hospital concerned that the veteran should be released and will notify the veteran's attorney of the planned discharge. These cases will be handled informally to the extent practicable.
(4) Involuntary confinement of mentally ill patients in Department of Veterans Affairs installations is predicated upon the law of the State in which the installation is located. In the event the writ is filed in Federal Court, the District Counsel will cooperate with the U.S. Attorney to the end that the case is removed to the appropriate State court.

§ 14.561 Administrative action prior to submission.
§ 14.562 Collections or adjustments.

§ 14.560 Procedure where violation of penal statutes is involved including those offenses coming within the purview of the Assimilative Crime Act (18 U.S.C. 13). The Department of Justice, or the U.S. Attorneys, are charged with the duty and responsibility of interpreting and enforcing criminal statutes, and the final determination as to whether the evidence in any case is sufficient to warrant prosecution is a matter solely for their determination. If the Department of Justice or U.S. Attorney decides to initiate action, the Regional Counsel will cooperate as may be requested. The Regional Counsel will promptly bring to the attention of the General Counsel any case wherein he or she is of the opinion that criminal or civil action should be initiated notwithstanding a decision by the U.S. Attorney not to bring such action; any case where action has been inordinately delayed; and any case which would cause significant publicity or notoriety.

§ 14.561 Administrative action prior to submission.
Before a submission is made to the U.S. Attorney in cases involving personnel or claims, the General Counsel, if the file is in Central Office, or the Regional Counsel at the regional office, hospital or center, if the file is in the regional office or other field facility, will first ascertain that necessary administrative or adjudicatory (forfeiture (see Pub. L. 86-222; 73 Stat. 452), etc.), action has been taken; except that in urgent cases such as breaches of the peace, disorderly conduct, trespass, robbery, or where the evidence may be lost by delay, or prosecution barred by the statute of limitations, submission to the U.S. Attorney will be made immediately.

[EFFECTIVE DATE NOTE: 61 FR 7215, 7216, Feb. 27, 1996, which substituted "Regional Counsel" for "District Counsel" in this section, became effective Oct. 1, 1995.]

§ 14.562 Collections or adjustments.
When it is determined that a submission is to be made to the U.S. Attorney, no demand for payment or adjustment will be made without the advice of the U.S. Attorney. However, if, before or after submission, the potential defendant or other person tenders payment of the liability to the United States, payment will be accepted if the U.S. Attorney has no objection. If the U.S. Attorney determines that prosecution is not
indicated, or when prosecution has ended, the file will be returned to the appropriate office with a report as to the action taken.

FEDERAL TORT CLAIMS

§ 14.600 Federal Tort Claims Act -- general.
§ 14.601 Investigation and development.

§ 14.600 Federal Tort Claims Act -- general.

(a) Federal Tort Claims Act-overview. The Federal Tort Claims Act (28 U.S.C. 1291, 1346, 1402, 2401, 2402, 2411, 2412, and 2671 through 2680) prescribes a uniform procedure for handling of claims against the United States, for money only, on account of damage to or loss of property, or on account of personal injury or death, caused by the negligent or wrongful act or omission of a Government employee while acting within the scope of his or her office or employment, under circumstances where the United States, if a private person, would be liable in accordance with the law of the place where the act or omission occurred.

(b) Applicable regulations. The regulations issued by the Department of Justice at 28 CFR part 14 are applicable to claims asserted under the Federal Tort Claims Act, including such claims that are filed with VA. The regulations in §§ 14.600 through 14.605 of this part supplement the regulations at 28 CFR part 14.

(c) Delegations of authority concerning claims. Subject to the limitations in 28 CFR 14.6(c), (d), and (e), authority to consider, ascertain, adjust, determine, compromise, and settle claims asserted under the Federal Tort Claims Act (including the authority to execute an appropriate voucher and other necessary instruments in connection therewith) is delegated as follows:

(1) To the Under Secretary for Health, the Deputy Under Secretary for Health, Veterans Integrated Service Network (VISN) Directors, and VA Medical Facility Directors; with respect to any claim for $ 2,500 or less that arises out of the operations of the Veterans Health Administration.

(2) To the General Counsel, Deputy General Counsel, and Assistant General Counsel (Professional Staff Group I) with respect to any claim; provided that any award, compromise, or settlement in excess of $ 200,000 shall be effected only with the prior written approval of the Attorney General or his or her designee.

(3) To the Regional Counsels and Deputy Assistant General Counsel (Professional Staff Group I) with respect to any claim; provided that:

(i) Any award, compromise, or settlement in excess of $ 100,000 but not more than $ 200,000 shall be effected only with the prior written approval of the General Counsel, Deputy General Counsel, or Assistant General Counsel (Professional Staff Group I); and

(ii) Any award, compromise, or settlement in excess of $ 200,000 shall be effected only with the prior written approval of the General Counsel, Deputy General Counsel, or Assistant General Counsel (Professional Staff Group I) and with the prior written approval of the Attorney General or his or her designee.

(d) Delegations of authority to reconsider final denial of a claim. Subject to the limitations in 28 CFR 14.6(c), (d), and (e), authority under 28 CFR 14.9 to reconsider final denials of claims under the Federal Tort Claims Act is delegated as follows:
(1) To the Regional Counsel with jurisdiction over the geographic area where the occurrence complained of arose, with respect to any claim for $2,500 or less that arises out of the operations of the Veterans Health Administration.

(2) To the General Counsel, Deputy General Counsel, and Assistant General Counsel (Professional Staff Group I) with respect to any claim; provided that any award, compromise, or settlement in excess of $200,000 shall be effected only with the prior written approval of the Attorney General or his or her designee.

Note (1) to paragraph (c)(2): For any award, compromise, or settlement in excess of $100,000 but not more than $200,000 a memorandum fully explaining the basis for the action taken shall be sent to the Department of Justice.

Note (2) to paragraph (c)(3)(i): For any award, compromise, or settlement under paragraph (c)(3)(i) of this section a memorandum fully explaining the basis for the action taken shall be sent to the Department of Justice.

Note (3) to paragraph (d)(2): For any award, compromise, or settlement in excess of $100,000 but not more than $200,000 a memorandum fully explaining the basis for the action taken shall be sent to the Department of Justice.

§ 14.601 Investigation and development.

(a) Development of untoward incidents. (1) A report of any collision involving a Government-owned vehicle which results in property damage or personal injury or death will be made by the operator of the Government vehicle immediately following the accident, on SF 91, Operator's Report of Motor Vehicle Accident, and shall be submitted to the Director of the facility involved. A copy of said report, accompanied by an executed copy of VA Form 2162, Report of Accident, will be promptly submitted by the Director to the appropriate Regional Counsel, who will authorize such additional investigation as the circumstances of the case may warrant. Forms required by other agencies will continue to be used in addition to VA Form 2162.

(ii) Any incident resulting in damage to, or loss of, property, other than personal effects of a patient in a Department of Veterans Affairs facility, or in personal injury or death, due apparently or allegedly to the negligent or wrongful act or omission of an employee of the Department of Veterans Affairs acting within the scope of his or her office or employment, or damage to or loss of Government-owned property caused by other than a Department of Veterans Affairs employee acting within the scope of his or her office or employment, will be immediately reported. The Director of the facility where such occurrence took place will promptly transmit a copy of the report to the appropriate Regional Counsel who will authorize such additional investigation as the circumstances of the case may warrant.

(ii) Where the incident involves the loss of personal effects of a patient in a Department of Veterans Affairs facility, the Director will assist the patient in completing an SF 95,
Claim for Damage, Injury, or Death, and will advise the patient that it will be forwarded immediately to the appropriate Regional Counsel for consideration. The Director will forward along with the claim a brief summary of the facts, as well as his or her recommendation, to the Regional Counsel. The Regional Counsel will expedite the processing of claims of this nature.

(3) An employee will be designated at each facility to investigate motor vehicle collisions and other incidents involving damage to, or loss of privately owned property or personal injury or death, apparently or allegedly resulting from the negligent or wrongful act or omission of an employee of the Department of Veterans Affairs acting within the scope of his or her employment, other than investigation of alleged malpractice, or damage to or loss of Government-owned property caused by other than Department of Veterans Affairs employees. In Central Office, the designation will be made by the Director of Support Service, Office of the Assistant Secretary for Human Resources and Administration, and at all other facilities, by the Director.

(4) The Regional Counsel for the area in which a field facility is located will be responsible for processing claims involving motor vehicle collisions and other occurrences resulting in property damage, personal injury, or death, within such area. The Baltimore Regional Counsel will also have jurisdiction, except as otherwise provided in paragraph (a)(3) of this section over incidents occurring in Department of Veterans Affairs Central Office.

(b) Development of medical malpractice claims. In medical malpractice cases, the Regional Counsel may refer a claim to the Under Secretary for Health via the Director, Medical-Legal Affairs for review and for professional opinion or guidance. In the consideration of claims involving a medical question, the responsible Regional Counsel involved and the General Counsel will be guided by the views of the Under Secretary for Health as to the standard of medical care and treatment, the nature and extent of the injuries, the degree of temporary or permanent disability, the prognosis, the necessity for future treatment or physical rehabilitation, and any other pertinent medical aspects of a claim.

§ 14.604 Filing a claim.
cxcediscussion and analysis in the veterans benefits manual
(a) Each person who inquires as to the procedure for filing a claim against the United States, predicated on a negligent or wrongful act or omission of an employee of the Department of Veterans Affairs acting within the scope of his or her employment, will be furnished a copy of SF 95, Claim for Damage, Injury, or Death. The claimant will be advised to submit the executed claim directly to the Regional Counsel having jurisdiction of the area wherein the occurrence complained of took place. He or she will also be advised to submit the information prescribed by 28 CFR 14.4 to the extent applicable. If a claim is presented to the Department of Veterans Affairs which involves the actions of employees or officers of other agencies, it will be forwarded to the Department of Veterans Affairs General Counsel, for appropriate action in accord with 28 CFR 14.2.

(b) A claim shall be deemed to have been presented when the Department of Veterans Affairs receives from a claimant, his or her duly authorized agent or legal representative, an executed SF 95, or other written notification of an incident, together with a claim for money damages, in a sum certain, for damage to or loss of property or personal injury or death: Provided, however, That before compromising or settling any claim, an executed SF 95 shall be obtained from the claimant.

(c) A claim presented in compliance with paragraphs (a) and (b) of this section may be amended by the claimant at any time prior to final Department of Veterans Affairs action or prior to the exercise of the claimant's option under 28 U.S.C. 2675(a). Amendments shall be submitted in writing and signed by the claimant or his or her duly authorized agent or legal representative. Upon the timely filing of an amendment to a pending claim, the Department of Veterans Affairs shall have 6 months in which to make a final disposition of the claim as amended and the claimant's option under 28 U.S.C. 2675(a) shall not accrue until 6 months after the filing of the amendment see § 14.600(b)(1).

[EFFECTIVE DATE NOTE: 64 FR 47111, 47112, Aug. 30, 1999, amended this section, effective Aug. 30, 1999.]

§ 14.605 Suits against Department of Veterans Affairs employees arising out of a wrongful act or omission or based upon medical care and treatment furnished in or for the Veterans Health Administration.

(a)(1) Section 2679 of title 28 U.S.C., provides that no suit will lie against a Federal employee, or the employee's estate, for damage to property, personal injury, or death resulting from his or her wrongful act or omission while acting within the scope of his or her office or employment with the Federal Government. An action against the United States under 28 U.S.C. 2671-2680 is the exclusive remedy under these circumstances.

(2) Section 4116 of title 38 U.S.C., provides that (i) where there is remedy against the United States under 28 U.S.C. 2671-2680, or (ii) where proceedings for compensation or other benefits from the United States are provided by law, and the availability of such benefits precludes a remedy under 28 U.S.C. 2671-2680 (as is the case, for example, in the Federal Employees' Compensation Act, 5 U.S.C. 8101, et seq.), such recourse is the exclusive remedy for property damage, personal injury, or death allegedly occurring as a result of malpractice or negligence committed by a physician, dentist, nurse, physician's
assistant, dentist's assistant, pharmacist or paramedical (for example, medical and dental technicians, nursing assistants, and therapists), or other supporting personnel, while furnishing medical care and treatment in the exercise of duties in or for the Veterans Health Administration. Accordingly, a malpractice or negligence suit for property damage, personal injury, or death will not lie against such personnel under the circumstances set forth in this subparagraph.

(b) The Department of Justice will defend any civil action or proceeding brought in any court against persons referred to in paragraph (a) (1) or (2) of this section under the circumstances set forth therein. Accordingly, when a suit is filed against any employee of the Department of Veterans Affairs as a result of a wrongful act or omission arising out of employment with the Government, or as a result of furnishing medical or dental care and treatment in or for the Veterans Health Administration, the employee shall immediately forward a copy of all papers served on him or her to the Regional Counsel having jurisdiction over the area in which the employee works. The employee will also promptly forward to the appropriate Regional Counsel a signed statement indicating whether he or she desires the Department of Justice to provide representation, and to otherwise protect his or her interests as provided for by law. Even though there may not have been service, if an employee learns that a suit arising from either of the above-described circumstances has been filed against him or her, the employee shall immediately so advise the appropriate Regional Counsel, provide the Regional Counsel with a brief description of the facts involved, and state whether he or she desires Federal intervention.

(c) Upon receipt of notice that suit has been filed against an employee of the Department of Veterans Affairs who is entitled to protection under 28 U.S.C. 2679 or 38 U.S.C. 7316, the Regional Counsel having jurisdiction over the place where the employee works will conduct a preliminary investigation, which will include an affidavit by the employee's supervisor as to whether the defendant-employee was acting in the scope of his or her employment at the time of the incident, and a request from the defendant-employee for representation. The affidavit will contain a factual description of the employee's duties and responsibilities at the time of the incident and should describe the incident in question. Upon receipt of such information, the Regional Counsel will make a preliminary determination as to whether such suit comes within the provisions of either 28 U.S.C. 2679 or 38 U.S.C. 7316. The Regional Counsel will refer the matter to the appropriate U.S. Attorney with a recommendation as to whether the employee is eligible for protection under 28 U.S.C. 2679 or 38 U.S.C. 7316. The U.S. Attorney will decide whether the Department of Veterans Affairs employee is eligible for the protection. The Regional Counsel will submit to the General Counsel a preliminary report in duplicate containing the information furnished the U.S. Attorney. In all such cases, the Regional Counsel will conduct a complete investigation of the facts and law. Two copies of the investigation report will be sent to the General Counsel and one copy will be sent to the appropriate U.S. Attorney. The General Counsel, through the Regional Counsel, will keep the employee advised of the action being taken concerning the suit. In the event that the U.S. Attorney or the Department of Justice determines that the employee is not eligible for immunization pursuant to one of the aforementioned provisions, the General Counsel's office, through the district Counsel, will advise the employee and will call to
his or her attention the discretionary conditional indemnification provisions of section 7316(e) of title 38 U.S.C.

(d) Where a civil action is commenced in a State court against a Department of Veterans Affairs employee, and the matter is within the purview of either 28 U.S.C. 2679, or 38 U.S.C. 7316, the Department of Justice will be asked to remove such suit to the appropriate Federal District Court before trial, where it will be deemed an action against the United States. The defendant employee will be dismissed from the suit. After such removal, the United States has available all defenses to which it would have been entitled if the action had originally been commenced against the United States in the proper Federal District Court. Should a Federal District Court determine that the Department of Veterans Affairs employee whose acts or omissions gave rise to the suit was not acting within the scope of his or her office or employment, and therefore not eligible for immunization as provided for in the aforementioned section, the case will be remanded to the State court from which it was removed, the employee will be reinstated as the defendant, and the United States will be dismissed from the suit. Where the employee has been reinstated as the defendant under such circumstances, in order to protect any rights which he or she may have under 38 U.S.C. 7316(e), he or she shall immediately notify the General Counsel, through the local Regional Counsel. Through the Regional Counsel, the General Counsel will call the employee's attention to the discretionary conditional indemnification provisions of section 7316(e).

(e) Under the authority of 38 U.S.C. 7316(e), the Secretary of Veterans Affairs may pay for monetary damages sustained by or assessed against an individual (or his or her estate) described in paragraph (a) (2) of this section, as the result of any suit instituted against such individual which is not cognizable under the provisions of 28 U.S.C. 2671-2680 because the individual was assigned to a foreign country, the said individual was detailed to a State or political division thereof, or the cause of action was specifically excluded under the provisions of 28 U.S.C. 2680(h); Provided, That the amount of damages sustained is reasonable when compared with similar cases, litigated or settled, and the United States was given a reasonable opportunity to defend such individual and to participate in settlement negotiations.

LITIGATED CLAIMS
§ 14.615 General.
§ 14.616 Form and place of filing claim.
§ 14.617 Disposition of claims.

§ 14.615 General.
(a) Authority. Section 515(b), title 38 U.S.C., provides that the Secretary of Veterans Affairs may pay tort claims, in the manner authorized in the first paragraph of section 2672 of title 28 U.S.C., when such claims arise in foreign countries in connection with Department of Veterans Affairs operations abroad.
(b) Action by claimant. Claims for property loss or damage may be filed by the owner of the property or his or her duly authorized agent or legal representative. If the property was insured and the insurer is subrogated, in whole or in part, and if both the owner and the insurer desire to file a claim for their respective losses they should join in one claim. Claims for personal injury may be filed by the injured person or his or her agent or legal representative. Claims for death may be filed by the personal representative of the decedent or any other legally qualified person. When filed by an agent or legal representative, the claim must show the title or capacity of the person representing the claimant and be accompanied by evidence of the appointment of such person as agent, legal representative, executor/executrix, administrator/administratrix, guardian, or other fiduciary.
(c) Time for filing. A claim may not be allowed under 38 U.S.C. 515(b) unless it is presented to the Secretary or his or her designee within 2 years after the claim accrues.

§ 14.616 Form and place of filing claim.
(a) Form of claim. Claims arising under 38 U.S.C. 515(b) will be prepared in the form of a sworn statement and submitted in duplicate. The original copy of the claim will be sworn to or affirmed before an official with authority to administer oaths or affirmations and will contain the following information, at least:
(1) The name and address of claimant;
(2) The amount claimed for injury or death, and for property loss or damage;
(3) If property was lost or damaged, the amount paid or payable by the insurer together with the name of the insurer;
(4) A detailed statement of the facts and circumstances giving rise to the claim, including the time, place, and date of the accident or incident;
(5) If property was involved, a description of the property and the nature and extent of the damage and the cost of repair or replacement based upon at least two impartial estimates;
(6) If personal injury was involved, the nature of the injury, the cost of medical and/or hospital services, and time and income lost due to the injury;
(7) If death is involved, the names and ages of claimants and their relationship to decedent;
(8) The name and official position of the employee of the United States allegedly responsible for the accident or injury, or loss or damage of property;
(9) The names and addresses of any witnesses to accident or incident; and
(10) If desired, the law applicable to the claim.

(b) Place of filing claim. Claims arising in the Philippines under 38 U.S.C. 515(b) will be filed with the Director, Department of Veterans Affairs Regional Office, Manila, Republic of the Philippines. Claims arising in other foreign countries will be filed with the American Embassy or Consulate nearest the place where the incident giving rise to the claim took place.

(c) Evidence to be submitted by claimant--(1) General. The amount claimed on account of damage to or loss of property or on account of personal injury or death shall, so far as possible, be substantiated by competent evidence. Supporting statements, estimates and the like will, if possible, be obtained from disinterested parties. All evidence will be submitted in duplicate. Original evidence or certified copies shall be attached to the original copy of the claim, and simple copies shall be attached to the other copy of the claim. All documents in other than the English language will be accompanied by English translations.

(2) Personal injury or death. In support of claims for personal injury or death, the claimant will submit, as may be appropriate, itemized bills for medical, hospital, or burial expenses actually incurred; a statement from the claimant's or decedent's employer as to time and income lost from work; and a written report by the attending physician with respect to the nature and extent of the injury, the nature and extent of treatment, the degree of disability, the period of hospitalization or incapacitation, and the prognosis as to future treatment, hospitalization and the like.

(3) Damage to personal property. In support of claims for damage to personal property which has been repaired, the claimant will submit an itemized receipt, or, if not repaired, itemized estimates of the cost of repairs by two reliable parties who specialize in such work. If the property is not economically repairable, the claimant will submit corroborative statements of two reliable, qualified persons with respect to the value of the improvements both before and after the accident or incident and the cost of replacements.

(4) Damage to real property. In support of claims for damage to land, trees, buildings, fences, or other improvements to real property, the claimant will submit an itemized receipt if repairs have been made, or, if repairs have not been made, itemized estimates of the cost of repairs by two reliable persons who specialize in such work. If the property is not economically repairable, the claimant will submit corroborative statements of two reliable, qualified persons with respect to the value of the improvements both before and after the accident or incident and the cost of replacements.

(5) Damage to crops. In support of claims for damage to crops, the claimant will submit an itemized signed statement showing the number of acres, or other unit measure of crop damaged, the probable yield per unit, the gross amount which would have been realized from such probable yield and an estimate of the costs of cultivating, harvesting and
marketing the crop. If the crop is one which need not be planted each year, the diminution in value of the land beyond the damage to the current year's crop will also be stated. (Approved by the Office of Management and Budget under control number 2900-0437) [38 FR 5474, Mar. 1, 1973, as amended at 42 FR 41418, Aug. 17, 1977; 49 FR 32848, Aug. 17, 1984]

§ 14.617 Disposition of claims.
(a) Disposition of claims arising in Philippines. All claims arising under 38 U.S.C. 515(b) in the Philippines, including a complete investigation report and a brief resume of applicable law, will be forwarded directly by the Director to the General Counsel, together with a recommendation as to disposition.
(b) Disposition of claims arising in foreign countries other than the Philippines. When a claim is received in an American Embassy or Consulate, the Embassy or Consulate receiving such claim shall make such investigation as may be necessary or appropriate for a determination of the validity of the claim and thereafter shall forward the claim, together with all pertinent material, including a resume of applicable law and a recommendation regarding allowance or disallowance of the claim, through regular channels of the Department of State to the General Counsel, Department of Veterans Affairs Central Office, Washington, DC.
(c) Payment of claims. Upon determining that there is liability on the part of the United States under 38 U.S.C. 515(b), the General Counsel, or such other personnel as may be designated by the Secretary, will take the necessary action to effect payment. [38 FR 5474, Mar. 1, 1973, as amended at 42 FR 41418, Aug. 17, 1977]
CLAIMS FOR DAMAGE TO OR LOSS OF GOVERNMENT PROPERTY

§ 14.618 Collection action.

§ 14.618 Collection action.
(a) In a case where the Regional Counsel determines that damage to or loss of Government property under the jurisdiction of the Department of Veterans Affairs resulted from the negligence or other legal wrong of a person other than an employee of the United States, while acting within the scope of his or her employment, the Regional Counsel will request payment in full of the amount of damage from the person liable therefor or such person's insurer.

(b) The Regional Counsel may collect, compromise, suspend, or terminate collection action on any such claim as is authorized under § 2.6(e)(4)(ii) of this chapter, in conformity with the standards in § 1.900 series of this chapter. Any such claim that has not been collected in full and which has not been compromised, suspended or terminated and does not exceed $ 100,000, will be referred by the Regional Counsel to the appropriate U.S. attorney along with the information required by §§ 1.951 through 1.953 of this chapter. Any claim in excess of $ 100,000 for which payment in full has not been made, will be transmitted along with the report required by § 14.601(a)(2)(i), a report on credit data (§ 1.952 of this chapter), and any other pertinent information, to the General Counsel for appropriate action.

(c) The General Counsel or those designated in § 2.6(e)(4) of this chapter will take action to collect in full on such claims and to compromise, suspend, or terminate any such claims not exceeding $ 100,000 in conformity with § 1.900 series of this chapter. Any such claims not compromised, or on which collection actions is not suspended or terminated and does not exceed $ 100,000, will be referred to the appropriate U.S. Attorney. Any such claims in excess of $ 100,000, which have not been collected in full, will be referred by the General Counsel to the Department of Justice for appropriate action.

(d) The provisions of paragraphs (a) through (c) of this section are not applicable to the collection of claims involving damage to General Services Administration Motor Pool System vehicles issued for Department of Veterans Affairs use. Whenever there is any indication that a party other than the operator of a motor pool system vehicle is at fault in an accident, all documents and data pertaining to the accident and its investigation will be submitted to the General Services Administration Regional Counsel of the region that issued the vehicle who has jurisdiction over such matters. Whenever a motor pool system vehicle is involved in an accident, resulting in damage to the property of, or injury to the person of a third party, and the third party asserts a claim against the Department of Veterans Affairs based upon the alleged negligence of the vehicle operator, the claim will be considered under § 14.600 et seq.

CLAIMS FOR COST OF MEDICAL CARE AND SERVICES

§ 14.619 Collection action.

§ 14.619 Collection action.

(a) In a case where the Regional Counsel determines that medical care and services were furnished as a result of the negligence of a third party, other than an employee of the United States while acting in the scope of his or her employment, the Regional Counsel will request payment in full of the amount of damage from the person liable therefor or such person's insurer.

(b) The Regional Counsel may collect, compromise, suspend, or terminate collection activity on any such claim as is authorized under § 2.6(e)(3) of this chapter. However, claims in excess of $ 100,000 may be compromised, settled, or waived only with the prior approval of the Department of Justice, which will be obtained through the General Counsel. Any such claim that has not been collected in full and which has not been compromised, suspended or terminated will be referred by the Regional Counsel to the appropriate U.S. Attorney along with appropriate information necessary to protect the interest of the Government. A copy of the referral to the U.S. Attorney will be sent to the General Counsel's office.

(c) In a case where the Regional Counsel determines that a claim is appropriate under the provisions of § 17.48(g) of this chapter or 38 U.S.C. 1729, for the cost of medical, hospital, or surgical care, the Regional Counsel may assert the claim and collect payment in full. The Regional Counsel may compromise, settle, waive, suspend or terminate collection activity on any claim not exceeding $ 100,000. Claims in excess of $ 100,000 may only be compromised, settled, or waived with the approval of the General Counsel. Any such claim not compromised, settled, or waived or where collection action is not suspended or terminated will be referred to the appropriate United States Attorney with sufficient data to enable that office to protect the interest of the Government. A copy of all materials referred to the United States Attorney will be furnished the General Counsel.

(38 U.S.C. 501(a), 5902, 5903, 5904)

§ 14.628 Recognition of organizations.

Authorized officers of an organization may request recognition by letter to the Secretary of Veterans Affairs.

(a) National organization. An organization may be recognized as a national organization if:

1. It was recognized by the Department of Veterans Affairs prior to October 10, 1978, and continues to satisfy the requirements of § 14.628(d) of this section, or
2. It satisfies the following requirements:
   i. Requirements set forth in paragraph (d) of this section, including information required to be submitted under that paragraph;
   ii. In the case of a membership organization, membership of 2,000 or more persons, as certified by the head of the organization;
   iii. Capability and resources to provide representation to a sizable number of claimants;
   iv. Capability to represent claimants before the Board of Veterans' Appeals in Washington, D.C.; and
   v. Geographic diversification, i.e., either one or more posts, chapters, or offices in at least ten states, or one or more members in at least twenty states.

(b) State organization. An organization created and primarily funded by a State government for the purpose of serving the needs of veterans of that State may be recognized. Only one such organization may be recognized in each State.

(c) Regional or local organization. An organization other than a State or national organization as set forth in paragraphs (a) and (b) of this section may be recognized when the Department of Veterans Affairs has determined that it is a veterans' service
organization primarily involved in delivering services connected with either title 38 U.S.C., benefits and programs or other Federal and State programs designed to assist veterans. The term veteran as used in this paragraph shall include veterans, former armed forces personnel, and the dependents or survivors of either. Further, the organization shall provide responsible, qualified representation in the preparation, presentation, and prosecution of claims for title 38 U.S.C., benefits.

(d) Requirements for recognition. (1) In order to be recognized under this section, an organization shall meet the following requirements:

(i) Have as a primary purpose serving veterans. In establishing that it meets this requirement, an organization requesting recognition shall submit a statement establishing the purpose of the organization and that veterans would benefit by recognition of the organization.

(ii) Demonstrate a substantial service commitment to veterans either by showing a sizable organizational membership or by showing performance of veterans' services to a sizable number of veterans. In establishing that it meets this requirement, an organization requesting recognition shall submit:

(A) The number of members and number of posts, chapters, or offices and their addresses;

(B) A copy of the articles of incorporation, constitution, charter, and bylaws of the organization, as appropriate;

(C) A description of the services performed or to be performed in connection with programs administered by the Department of Veterans Affairs, with an approximation of the number of veterans, survivors, and dependents served or to be served by the organization in each type of service designated; and

(D) A description of the type of services, if any, performed in connection with other Federal and State programs which are designed to assist former Armed Forces personnel and their dependents, with an approximation of the number of veterans, survivors, and dependents served by the organization under each program designated.

(iii) Commit a significant portion of its assets to veterans' services and have adequate funding to properly perform those services. In establishing that it meets this requirement, an organization requesting recognition shall submit:

(A) A copy of the last financial statement of the organization indicating the amount of funds allocated for conducting particular veterans' services (VA may, in cases where it deems necessary, require an audited financial statement); and

(B) A statement indicating that use of the organization's funding is not subject to limitations imposed under any Federal grant or law which would prevent it from representing claimants before the Department of Veterans Affairs.

(iv) Maintain a policy and capability of providing complete claims service to each claimant requesting representation or give written notice of any limitation in its claims service with advice concerning the availability of alternative sources of claims service. Except as provided in paragraphs (d)(1)(iv)(A) and (B) of this section, in establishing that it meets this requirement, an organization requesting recognition shall submit evidence of its capability to represent claimants before Department of Veterans Affairs regional offices and before the Board of Veterans' Appeals.

(A) If an organization does not intend to represent claimants before the Board of Veterans' Appeals, the organization shall submit evidence of an association or agreement
with a recognized service organization for the purpose of representation before the Board of Veterans' Appeals, or the proposed method of informing claimants of the limitations in service that can be provided, with advice concerning the availability of alternative sources of claims service.

(B) If an organization does not intend to represent each claimant requesting assistance, the organization shall submit a statement of its policy concerning the selection of claimants and the proposed method of informing claimants of this policy, with advice concerning the availability of alternative sources of claims service.

Note to Paragraph (d)(1)(iv): An organization may be considered to provide complete claims service notwithstanding the exercise of discretion to determine that provision of representation in a particular case is impracticable or inappropriate because, under the circumstances, the facts or law do not support the filing of a claim or appeal, an appropriate representative-claimant relationship cannot be maintained, or representation would give rise to a conflict of interest on the part of the organization.

(v) Take affirmative action, including training and monitoring of accredited representatives, to ensure proper handling of claims. In establishing that it meets this requirement, an organization requesting recognition shall submit:

(A) A statement of the skills, training, and other qualifications of current paid or volunteer staff personnel for handling veterans' claims; and

(B) A plan for recruiting and training qualified claim representatives, including the number of hours of formal classroom instruction, the subjects to be taught, the period of on-the-job training, a schedule or timetable for training, the projected number of trainees for the first year, and the name(s) and qualifications of the individual(s) primarily responsible for the training.

(2) In addition, the organization requesting recognition shall supply:

(i) A statement that neither the organization nor its accredited representatives will charge or accept a fee or gratuity for service to a claimant and that the organization will not represent to the public that Department of Veterans Affairs recognition of the organization is for any purpose other than claimant representation; and

(ii) The names, titles, and addresses of officers and the official(s) authorized to certify representatives.

(e) Recognition or denial. Only the Secretary is authorized to recognize organizations. Notice of the Secretary's determination on a request for recognition will be sent to an organization within 90 days of receipt of all information to be supplied.

(f) Requests for further information. The Secretary or the Secretary's designee may request further information from any recognized organization, including progress reports, updates, or verifications.

(The Office of Management and Budget has approved the information collection requirements in this section under control number 2900-0439.)

(38 U.S.C. 501(a), 5902)

§ 14.629 Requirements for accreditation of service organization representatives; agents; and attorneys.

The Regional Counsel of jurisdiction will resolve any question of current qualifications of a service organization representative, agent, or attorney. The claimant, the service organization representative, agent, or attorney, or an official of the organization for which such person acts, or a Department of Veterans Service Center Manager may appeal such determination to the General Counsel.

(a) Service Organization Representatives. A recognized organization shall file with the Office of the General Counsel VA Form 21 (Application for Accreditation as Service Organization Representative) for each person it desires accredited as a representative of that organization. In recommending a person, the organization shall certify that the designee:

1. Is of good character and reputation and has demonstrated an ability to represent claimants before the Department of Veterans Affairs;
2. Is either a member in good standing or a paid employee of such organization working for it not less than 1,000 hours annually; is accredited and functioning as a representative of another recognized organization; or, in the case of a county veteran's service officer recommended by a recognized State organization, meets the following criteria:
   i. Is a paid employee of the county working for it not less than 1,000 hours annually;
   ii. Has successfully completed a course of training and an examination which have been approved by a Regional Counsel with jurisdiction for the State; and
   iii. Will receive either regular supervision and monitoring or annual training to assure continued qualification as a representative in the claim process; and
3. Is not employed in any civil or military department or agency of the United States. (Authority: 38 U.S.C. 501(a), 5902)

(b) Agents. (1) An individual desiring accreditation as an agent must establish that he or she is of good character and reputation and is qualified to render assistance to claimants in the presentation of their claim(s). An individual desiring accreditation as an agent must file a completed application with the Office of the General Counsel on VA Form 21a on which the applicant submits the following:

i. His or her full name and business address;
ii. Information concerning the applicant's military and civilian employment history (including character of military discharge, if applicable);
iii. Information concerning representation provided by the applicant before any department, agency, or bureau of the Federal government;
iv. Information concerning any criminal background of the applicant;
v. Information concerning whether the applicant has ever been determined mentally incompetent or hospitalized as a result of a mental disease or disability, or is currently under treatment for a mental disease or disability;
vi. Information concerning whether the applicant was previously accredited as a representative of a veterans service organization and, if so, whether that accreditation was terminated or suspended by or at the request of that organization;
(vii) The names, addresses, and phone numbers of three character references; and
(viii) Information relevant to whether or not the applicant has any physical limitations which would interfere with the completion of a comprehensive written examination administered under the supervision of a VA Regional Counsel.

(2) Applicants must achieve a score of 75 percent or more on a written examination administered by VA as a prerequisite to accreditation. No applicant shall be allowed to sit for the examination more than twice in any 6-month period.

(Authority: 38 U.S.C. 501(a), 5904)

(c) Attorneys. (1) An attorney may represent a claimant upon submission of authorization as described in § 14.631(a) or (b).

(2) If the claimant consents in writing, an attorney associated or affiliated with the claimant's attorney of record or employed by the same legal services office as the attorney of record may assist in the representation of the claimant.

(3) A legal intern, law student, or paralegal may not be independently accredited to represent claimants under this paragraph. A legal intern, law student, or certified paralegal may assist in the preparation, presentation, or prosecution of a claim, under the direct supervision of an attorney of record designated under § 14.631(a) or (b), if the claimant's written consent is furnished to the Department of Veterans Affairs. Such consent must specifically state that participation in all aspects of the claim by a legal intern, law student, or paralegal furnishing written authorization from the attorney of record is authorized. In addition, suitable authorization for access to the claimant's records must be provided in order for such an individual to participate. The supervising attorney must be present at any hearing in which a legal intern, law student, or paralegal participates. (See § 20.606).

(4) Unless revoked by the claimant, consent provided under paragraph (c)(2) or paragraph (c)(3) of this section shall remain effective in the event the claimant's original attorney is replaced as attorney of record by another member of the same law firm or an attorney employed by the same legal services office.

Note to § 14.629: A legal intern, law student, paralegal, or veterans service organization support-staff person, working under the supervision of an individual designated under § 14.631(a) as the claimant's representative, attorney, or agent, may qualify for read-only access to pertinent Veterans Benefits Administration automated claims records.

(Authority: 38 U.S.C. 501(a), 5904)

(The Office of Management and Budget has approved the information collection requirements in this section under control numbers 2900-0018 and 2900-0605.)

§ 14.630 Authorization for a particular claim.

Any person may be authorized to prepare, present, and prosecute one claim. A proper power of attorney, and a statement signed by the person and the claimant that no compensation will be charged or paid for the services, shall be filed with the office where the claim is presented. A signed writing, which may be in letter form, identifying the claimant and the type of benefit or relief sought, specifically authorizing a named
individual to act as the claimant's representative, and further authorizing direct access to records pertinent to the claim, will be accepted as a power of attorney.

(b) Representation may be provided by an individual pursuant to this section one time only. An exception to this limitation may be granted by the General Counsel in unusual circumstances. Among the factors which may be considered in determining whether an exception will be granted are:

(1) The number of accredited representatives and claims agents operating in the claimant's geographic region;
(2) Whether the claimant has unsuccessfully sought representation from other sources;
(3) The nature and status of the claim; and
(4) Whether there exists unique circumstances which would render alternative representation inadequate.

(38 U.S.C. 501(a), 5903)

[EFFECTIVE DATE NOTE: 68 FR 8541, 8546, Feb. 24, 2003, revised this section, effective Feb. 24, 2003.]

§ 14.631 Powers of attorney.

(a) A power of attorney, executed on either Department of Veterans Affairs Form 21-22 (Appointment of Veterans Service Organization as Claimant's Representative) or Department of Veterans Affairs Form 22a (Appointment of Attorney or Agent as Claimant's Representative), is required to represent a claimant, except when representation is by an attorney who complies with paragraph (b) of this section or when representation by an individual is authorized under § 14.630. The power of attorney shall meet the following requirements:

(1) Contain signature by:
   (i) The claimant, or
   (ii) The claimant's guardian, or
   (iii) In the case of an incompetent, minor, or otherwise incapacitated person without a guardian, the following in the order named -- spouse, parent, other relative or friend (if interests are not adverse), or the director of the hospital in which the claimant is maintained; and

(2) Shall be presented to the appropriate Department of Veterans Affairs office for filing in the veteran's claims folder.

(b) An attorney engaged by a client may state in a signed writing on his or her letterhead that the attorney is authorized to represent the claimant. This evidence of authorization shall be equivalent to an executed power of attorney and shall be presented to the Department of Veterans Affairs regional office that has jurisdiction over the claim for filing the claimant's claims folder.

(c) The Secretary may, for any purpose, treat a power of attorney naming as a claimant's representative an organization recognized under § 14.628, a particular office of such an organization, or an individual representative of such an organization as an appointment of the entire organization as the claimant's representative, unless the claimant specifically indicates in the power of attorney a desire to appoint only the individual representative. Such specific indication must be made in the space on the power-of-attorney form for...
designation of the representative and must use the word "only" with reference to the individual representative.

(d) An organization, representative, agent, or attorney named in a power of attorney executed pursuant to paragraph (a) of this section may decline to accept appointment as a claimant's representative by so notifying the claimant and the agency of original jurisdiction in writing prior to taking any action on the claimant's behalf before the Department of Veterans Affairs after execution of the power of attorney by the claimant. Note to § 14.631(d): Written notification to VA may be submitted via hand delivery, mail, electronic mail, or facsimile.

(e) Questions concerning the validity or effect of powers of attorney shall be referred to the Regional Counsel of jurisdiction for initial determination. This determination may be appealed to the General Counsel.

(f)(1) Only one organization, representative, agent, or attorney will be recognized at one time in the prosecution of a particular claim. Except as provided in § 14.629(c) and paragraph (f)(2) of this section, all transactions concerning the claim will be conducted exclusively with the recognized organization, representative, agent, or attorney of record until notice of a change, if any, is received by the appropriate office of the Department of Veterans Affairs.

(2) An organization named in a power of attorney executed in accordance with paragraph (a) of this section may employ an attorney to represent a claimant in a particular claim. Unless the attorney is an accredited representative of the organization, the written consent of the claimant shall be required.

(g)(1) A power of attorney may be revoked at any time, and an attorney may be discharged at any time. Unless a claimant specifically indicates otherwise, the receipt of a new power of attorney shall constitute a revocation of an existing power of attorney.

(2) If an attorney submits a letter concerning representation under paragraph (b) of this section regarding a particular claim, or a claimant authorizes a person to provide representation in a particular claim under § 14.630, such specific authority shall constitute a revocation of an existing general power of attorney filed under paragraph (a) of this section only as it pertains to, and during the pendency of, that particular claim. Following the final determination of such claim, the general power of attorney shall remain in effect as to any new or reopened claim.

§ 14.632 Determination of qualifications.

If challenged, the qualifications of prospective representatives or agents shall be verified by the Regional Counsel of jurisdiction. The report of the Regional Counsel, if any, including any recommendation of the Department of Veterans Affairs facility director, and the application shall be transmitted to the General Counsel for final action. If the designee is disapproved by the General Counsel, the reasons will be stated and an opportunity will be given to submit additional information. If the designee is approved, notification of accreditation will be issued by the General Counsel or the General Counsel of jurisdiction.
§ 14.633 Termination of accreditation of agents, attorneys, and representatives.
cxcviiDiscussion and Analysis in the Veterans Benefits Manual
(a) Accreditation may be canceled at the request of an agent, attorney, representative, or organization.
(b) Accreditation shall be canceled at such time a determination is made that any requirement of § 14.629 is no longer met by an agent, attorney, or representative.
(c) Accreditation shall be canceled when the General Counsel finds, by clear and convincing evidence, one of the following:
(1) Violation of or refusal to comply with the laws administered by the Department of Veterans Affairs or with the regulations governing practice before the Department of Veterans Affairs;
(2) Knowingly presenting or prosecuting a fraudulent claim against the United States, or knowingly providing false information to the United States;
(3) Demanding or accepting unlawful compensation for preparing, presenting, prosecuting, or advising or consulting, concerning a claim;
(4) Any other unlawful, unprofessional, or unethical practice. (Unlawful, unprofessional, or unethical practice shall include but not be limited to the following--deceiving, misleading or threatening a claimant or prospective claimant; neglecting to prosecute a claim for 6 months or more; failing to furnish a reasonable response within 90 days of request for evidence by the Department of Veterans Affairs, or willfully withholding an application for benefits.)
(d) Accreditation shall be canceled when the General Counsel finds an agent's, attorney's, or representative's performance before the Department of Veterans Affairs demonstrates a lack of the degree of competence necessary to adequately prepare, present, and prosecute claims for veteran's benefits.
(e) As to cancellation of accreditation under paragraphs (b), (c) or (d) of this section, upon receipt of information from any source indicating failure to meet the requirements of § 14.629, improper conduct, or incompetence, the Regional Counsel of jurisdiction shall initiate an inquiry into the matter. If the matter involves an accredited representative of a recognized organization, this inquiry shall include contact with the representative's organization.
(1) If the result of the inquiry does not justify further action, the Regional Counsel will close the inquiry and maintain the record for 3 years.
(2) If the result of the inquiry justifies further action, the Regional Counsel shall take the following action:
(i) As to representatives, suspend accreditation immediately and notify the representative and the representative's organization of the suspension and of an intent to cancel accreditation. The notice to the representative will also state the reasons for the
suspension and impending cancellation, and inform the representative of a right to request a hearing on the matter or to submit additional evidence within 10 working days following receipt of such notice. Such time may be extended for a reasonable period upon a showing of sufficient cause.

(ii) As to agents or attorneys, inform the General Counsel of the result of the inquiry and notify the agent or attorney of an intent to cancel accreditation. The notice will also state the reason(s) for the impending cancellation and inform the party of a right to request a hearing on the matter or to submit additional evidence within 10 working days of receipt of such notice. Such time may be extended for a reasonable period upon a showing of sufficient cause.

(iii) In the event that a hearing is not requested, the Regional Counsel shall forward the record to the General Counsel for final determination.

(f) If a hearing is requested, a hearing officer will be appointed by the Director of the regional office involved. The hearing officer shall not be from the Office of the Regional Counsel. The hearing officer will have authority to administer oaths. A member of the Regional Counsel's office will present the evidence. The party requesting the hearing will have a right to counsel, to present evidence, and to cross-examine witnesses. Upon request of the party requesting the hearing, an appropriate Department of Veterans Affairs official designated in § 2.1 of this chapter may issue subpoenas to compel the attendance of witnesses and the production of documents necessary for a fair hearing. The hearing shall be conducted in an informal manner and court rules of evidence shall not apply. Testimony shall be recorded verbatim. The hearing officer shall submit the entire hearing transcript, any pertinent records or information, and a recommended finding to the Regional Counsel within 10 working days after the close of the hearing. The Regional Counsel will immediately forward the entire record to the General Counsel for decision.

(g) The decision of the General Counsel is final. The effective date for termination of accreditation shall be the date upon which a final decision is rendered. The records of the case will be maintained in the General Counsel's office for 3 years.

(38 U.S.C. 501, 5902, 5904)
[EFFECTIVE DATE NOTE: 61 FR 7215, 7216, Feb. 27, 1996, which substituted "Regional Counsel" for "District Counsel" in this section, became effective Oct. 1, 1995.]

§ 14.634 Banks or trust companies acting as guardians.

Banks or trust companies, corporate entities, acting as guardians for claimants, may be represented before adjudicating agencies as authorized representatives of claimants by an officer or employee, including a regularly employed attorney, if the employee or attorney represents the corporation in its fiduciary capacity.

(38 U.S.C. 5903, 5904)
§ 14.635 Office space and facilities.
The Secretary may furnish office space and facilities, if available, in buildings owned or occupied by the Department of Veterans Affairs, for the use of paid full-time representatives of recognized national organizations, and for employees of recognized State organizations who are accredited to national organizations, for purposes of assisting claimants in the preparation, presentation, and prosecution of claims for Department of Veterans Affairs benefits.

(a) Request for office space should be made by an appropriate official of the organization to the Director of the Department of Veterans Affairs facility in which space is desired and should set forth:

(1) The number of full-time paid representatives who will be permanently assigned to the office;

(2) The number of secretarial or other support staff who will be assigned to the office;

(3) The number of claimants for whom the organization holds powers of attorney whose claims are within the jurisdiction of the facility or who reside in the area served by the facility, the number of such claimants whose claims are pending, and the number of claims prosecuted during the previous three years; and

(4) Any other information the organization deems relevant to the allocation of office space.

(b) When in the judgment of the Director office space and facilities previously granted could be better used by the Department of Veterans Affairs, or would receive more effective use or serve more claimants if allocated to another recognized national organization, the Director may withdraw such space or reassign such space to another organization. In the case of a facility under the control of the Veterans Benefits Administration or the Veterans Health Administration, the final decision on such matters will be made by the Under Secretary for Benefits or the Under Secretary for Health, respectively.

EXPANDED REMOTE ACCESS TO COMPUTERIZED VETERANS CLAIMS RECORDS BY ACCREDITED REPRESENTATIVES

§ 14.640 Purpose.
§ 14.641 Qualifications for access.
§ 14.642 Utilization of access.
§ 14.643 Disqualification.

§ 14.640 Purpose.
(a) Sections 14.640 through 14.643 establish policy, assign responsibilities and prescribe procedures with respect to:
(1) When, and under what circumstances, VA will grant authorized claimants' representatives read-only access to the automated Veterans Benefits Administration (VBA) claims records of those claimants whom they represent;
(2) The exercise of authorized access by claimants' representatives; and
(3) The bases and procedures for disqualification of a representative for violating any of the requirements for access.
(b) VBA will grant access to its automated claimants' claims records from locations outside Regional Offices under the following conditions. Access will be provided:
(1) Only to individuals and organizations granted access to automated claimants' records under §§ 14.640 through 14.643;
(2) Only to the claims records of VA claimants whom the organization or individual represents as reflected in the claims file;
(3) Solely for the purpose of the representative assisting the individual claimant whose records are accessed in a claim for benefits administered by VA; and
(4) On a read-only basis. Individuals authorized access to VBA automated claims records under §§ 14.640 through 14.643 will not be permitted to modify the data.
(c)(1) Access will be authorized only to the inquiry commands of the Benefits Delivery Network which provide access to the following categories of data:
   (i) Beneficiary identification data such as name, social security number, sex, date of birth, service number and related service data; and
   (ii) Claims history and processing data such as folder location, claim status, claim establishment date, claim processing history, award data, rating data, including service-connected medical conditions, income data, dependency data, deduction data, payment data, educational facility and program data (except chapter 32 benefits), and education program contribution and delimiting data (except chapter 32 benefits).
   (2) Access to this information will currently be through the inquiry commands of BINQ (BIRLS ( Beneficiaries Identification and Records Location Subsystem) Inquiry), SINQ (Status Inquiry), MINQ (Master Record Inquiry), PINQ (Pending Issue Inquiry) and TINQ (Payment History Inquiry). The identifying information received from BIRLS to representative inquiries will be limited to file number, veteran's name, date of death, folder location and transfer date of folder, insurance number, insurance type, insurance lapse date and insurance folder jurisdiction.
(d) Sections 14.640 through 14.643 are not intended to, and do not:
   (1) Waive the sovereign immunity of the United States; or
(2) Create, and may not be relied upon to create, any right or benefit, substantive or procedural, enforceable at law against the United States or the Department of Veterans Affairs.
[59 FR 47084, Sept. 14, 1994.]

(38 U.S.C. 5903)

§ 14.641 Qualifications for access.
(a) An applicant for read-only access to VBA automated claims records from a location other than a VA Regional Office must be:
(1) An organization, representative, attorney or agent approved or accredited by VA under §§ 14.626 through 14.635; or
(2) An attorney of record for a claimant in proceedings before the Court of Veterans Appeals or subsequent proceedings who requests access to the claimant's automated claims records as part of the representation of the claimant.
(b) The hardware, modem and software utilized to obtain access, as well as their location, must be approved in advance by VBA.
(c) Each individual and organization approved for access must sign and return a notice provided by the Regional Office Director (or the Regional Office Director's designee) of the Regional Office of jurisdiction for the claim. The notice will specify the applicable operational and security requirements for access and an acknowledgment that the breach of any of these requirements is grounds for disqualification from access.
[59 FR 47084, Sept. 14, 1994.]

(38 U.S.C. 5903)

§ 14.642 Utilization of access.
(a) Once an individual or organization has been issued the necessary passwords to obtain read-only access to the automated claims records of individuals represented, access will be exercised in accordance with the following requirements:
(1) The individual or organization will obtain access only from equipment and software approved in advance by the Regional Office from the location where the individual or organization primarily conducts its representation activities which also has been approved in advance;
(2) The individual will use only his or her assigned password to obtain access;
(3) The individual will not reveal his or her password to anyone else, or allow anyone else to use his or her password;
(4) The individual will access only the VBA automated claims records of VA claimants who are represented by the person obtaining access or by the organization employing the person obtaining access;
(5) The individual will access a claimant's automated claims record solely for the purpose of representing that claimant in a claim for benefits administered by VA;
(6) Upon receipt of the password, the individual will destroy the hard copy; no written or printed record containing the password will be retained; and
(7) The individual and organization will comply with all security requirements VBA deems necessary to ensure the integrity and confidentiality of the data and VBA's automated computer systems.
(b) An organization granted access shall ensure that all employees provided access in accordance with these regulations will receive regular, adequate training on proper security, including the items listed in § 14.643(a). Where an individual such as an attorney or registered agent is granted access, he or she will regularly review the security requirements for the system as set forth in these regulations and in any additional materials provided by VBA.

(c) VBA may, at any time without notice:
   (1) Inspect the computer hardware and software utilized to obtain access and their location;
   (2) Review the security practices and training of any individual or organization granted access under these regulations; and
   (3) Monitor an individual's or organization's access activities. By applying for, and exercising, the access privileges under §§ 14.640 through 14.643, the applicant expressly consents to VBA monitoring the access activities of the applicant at any time.

[59 FR 47084, Sept. 14, 1994.]

§ 14.643 Disqualification.

(a) The Regional Office Director or the Regional Office Director's designee may revoke an individual's or an organization's access privileges to a particular claimant's records because the individual or organization no longer represents the claimant, and, therefore, the beneficiary's consent is no longer in effect. The individual or organization is no longer entitled to access as a matter of law under the Privacy Act, 5 U.S.C. 552a, and 38 U.S.C. 5701 and 7332. Under these circumstances, the individual or organization is not entitled to any hearing or to present any evidence in opposition to the revocation.

(b) The Regional Office Director or the Regional Office Director's designee may revoke an individual's or an organization's access privileges either to an individual claimant's records or to all claimants' records in the VBA automated claims benefits systems if the individual or organization:
   (1) Violates any of the provisions of §§ 14.640 through 14.643;
   (2) Accesses or attempts to access data for a purpose other than representation of an individual veteran;
   (3) Accesses or attempts to access data other than the data specified in these regulations;
   (4) Accesses or attempts to access data on a VA beneficiary who is not represented either by the individual who obtains access or by the organization employing the individual who obtains access;
   (5) Utilizes unapproved computer hardware or software to obtain or attempt to obtain access to VBA computer systems;
   (6) Modifies or attempts to modify data in the VBA computer systems.

(c) If VBA is considering revoking an individual's access under § 14.643(b), and that individual works for an organization, the Regional Office of jurisdiction will notify the individual or the individual's employing organization of the pendency of the action.

(d) After an individual's access privileges are revoked, if the conduct which resulted in revocation was such that it merits reporting to an appropriate governmental licensing organization such as a State bar, the VBA Regional Office of jurisdiction will
immediately inform the licensing organization in writing of the fact that the individual's access privileges were revoked and the reasons why.

(e) The VBA Regional Office of jurisdiction may temporarily suspend access privileges prior to any determination on the merits of the proposed revocation where the Regional Office Director or the Director's designee determines that such immediate suspension is necessary in order to protect the integrity of the system or confidentiality of the data in the system from a reasonably foreseeable compromise. However, in such case, the Regional Office shall offer the individual or organization an opportunity to respond to the charges immediately after the temporary suspension.

§ 14.665 Claims.
(a) The claim must be presented in writing on VA Form 2-4760, Employee's Claim for Reimbursement for Personal Property Damaged or Lost Incident to Employment. It will be submitted to the personnel office where the claim originates within 2 years after it accrues except that if the claim accrues in time of war or in time of armed conflict in which any Armed Force of the United States is engaged or if such war or armed conflict intervenes within 2 years after it accrues, and if good cause is shown, the claim may be presented not later than 2 years after that cause ceases to exist. The claim must be executed and certified by the officer or the employee suffering the loss or damage, or in the event of his or her death, by the surviving spouse, children, father or mother or both, or brothers or sisters or both. Claims of survivors shall be settled and paid in the order named. All claims must contain the following:
(1) The date, time, and place the loss or damage occurred and the circumstances surrounding such loss or damage, together with the supporting statements of any witnesses who can verify such facts.
(2) In the event of damage, the date of acquisition, original cost, condition before damage, and at least two estimates of the cost of repair or replacement. In the event of loss, the date of acquisition, the original cost, the condition, and an estimate of the reasonable market value of the article or articles.
(3) A statement as to any claims or potential claim he or she may have for indemnification of the loss or damage against other than the United States and whether he or she will assign such to the United States and cooperate in its prosecution. Where such claim or potential claim is against a carrier or insurer, evidence that a timely claim has been properly made. Where a recovery from the carrier or his or her insurer has been obtained or offered, such information shall be included.

(4) In cases involving damage or destruction of personal property by patients or domiciliary members, a statement as to whether a claim was filed pursuant to 38 U.S.C. 703(a)(5) and whether such claim has been finally denied.

(b) The Personnel Officer receiving the claim will forward same to the person designated to investigate accidents at the station pursuant to § 14.605 within 5 days after receipt.

(c) The employee designated pursuant to § 14.605 will ascertain if such claim is complete in all respects and conduct such investigation as is necessary to establish all facts required to properly evaluate the claim both as to merit and the reasonable amount payable for the loss or damage. Where it is indicated that the claimant may have a potential claim against other than the United States, the employee designated will secure a suitable assignment of all right and title to such claim, to the extent the United States makes reimbursement, and the agreement of the claimant to furnish such evidence as may be necessary to pursue such claim. If the potential claim is against a carrier or insurer, the employee designated will ascertain that the claimant has filed a timely proper claim and procure evidence thereof. The employee designated will also include information concerning any offer of settlement the carrier may have made. The completed investigation, original claim and supporting evidence will be forwarded to the appropriate Regional Counsel.

[EFFECTIVE DATE NOTE: 61 FR 7215, 7216, Feb. 27, 1996, which substituted "Regional Counsel" for "District Counsel" in paragraph (c), became effective Oct. 1, 1995.]

§ 14.666 Regional Counsel responsibility.

(a) The Regional Counsel having jurisdiction will conduct such additional investigation as is deemed necessary to establish all facts required. If the claimant has a potential claim for indemnification against other than the United States, the Regional Counsel will ascertain that a suitable assignment, legally enforceable, of all right and title to such claim, to the extent the United States makes reimbursement, and the agreement of the claimant to furnish such evidence as may be necessary to pursue such claim is of record. If such potential claim is against a carrier or insurer, the District Council will ascertain that claimant has filed a timely proper claim against the carrier or insurer and review same for legal sufficiency.

(b) The Regional Counsel having jurisdiction over a claim will not authorize payment thereon unless the requirement of §§ 14.664 through 14.667 are met. In determining the equitable value of a claim, the depreciation schedule issued by the General Counsel will be used as a guide.

§ 14.667 Claims payable.
(a) No claim shall be paid unless timely filed in proper form as provided in § 14.665 and the preponderance of the evidence establishes that the loss or damage:
(1) Actually occurred and the amount claimed is reasonable,
(2) Was incident to the employee's service and his or her possession of the property was reasonable, useful, or proper under the circumstances,
(3) Did not occur at quarters occupied within the 50 States or the District of Columbia that were not assigned to the claimant or otherwise provided in kind by the United States.
(4) Was not caused wholly or partly by the negligent act of claimant, the claimant's agent, or employee, and that the claimant has no right to indemnification for the loss or damage from other than the United States, except to the extent that the claimant assigns such right to the United States and agrees to furnish evidence required to enable the United States to enforce such right. In the event there is a right to recovery for the loss or damage from a carrier or insurer the claimant will be required to file a timely claim for such recovery before consideration of the claim against the United States.
(b) No claim for the cost of repair or replacement of personal property of employees damaged or destroyed by patients or domiciliary members while such employees are engaged in the performance of official duties shall be entertained under §§ 14.664 through 14.667, unless claim filed pursuant to 38 U.S.C. 703(a)(5) (§ 17.78 of this chapter) has been finally denied for the reason that such claim did not meet the criteria established by that law.

§ 14.668 Disposition of claims.
(a) Disallowed claims. Claimants will be promptly notified of the disallowance of a claim and the reasons therefor.
(b) Allowed claims--(1) Reimbursement in kind. Where a claim is allowed and it is determined to be to the advantage of the Government, reimbursement will be made in kind. The official authorizing settlement will request the Director, Supply Service, Veterans Health Services and Research Administration, to procure the necessary article or articles and deliver same to the claimant.
(2) Reimbursement by check. The official authorizing settlement will forward allowed claims, other than those requiring reimbursement in kind, to the Finance activity at the Department of Veterans Affairs installation where the claim arose. That activity will audit the claim, which if found proper for payment, will be scheduled on SF 1166, Voucher and Schedule of Payments, and forwarded to the appropriate Regional Disbursing Office for payment.

§ 14.669 Fees of agents or attorneys; penalty.
The Military Personnel and Civilian Employees' Claims Act of 1964 (Pub. L. 88-558; 78 Stat. 767) was amended by Pub. L. 89-185 (79 Stat. 789), on September 15, 1965, by adding a new section which provided that no more than 10 percent of the amount paid in
settlement of each individual claim submitted and settled under the authority of the Act shall be paid or delivered to or received by any agent or attorney on account of services rendered in connection with that claim. Any person violating the provisions of this Act is deemed to be guilty of a misdemeanor and upon conviction thereof shall be fined in any sum not exceeding $1,000.

COMMITMENTS -- FIDUCIARIES

§ 14.700 Court cost and expenses; commitment, restoration, fiduciary appointments.
§ 14.701 Commitment and restoration proceedings.
§ 14.702 Medical testimony in commitment or restoration proceedings.
§ 14.703 Costs in commitment or restoration proceedings.
§ 14.705 Authority to file petitions for appointment of fiduciaries in State courts.
§ 14.706 Legal services in behalf of beneficiaries.
§ 14.708 Costs and other expenses incident to appointment of fiduciary.
§ 14.709 Surety bonds; court-appointed fiduciary.

§ 14.700 Court cost and expenses; commitment, restoration, fiduciary appointments.
It is the responsibility of the Regional Counsel to assure the protection of the veteran, his or her beneficiaries, and their estates in State court proceedings involving commitment and restoration, and the appointment of fiduciaries. To this end certain expenses such as court costs, publication fees, recording fees, transportation expenses and fees for medical testimony may be authorized by the Regional Counsel. Payment of these costs will be borne by the administration concerned. However, every effort will be made by the Regional Counsel to avoid having these costs imposed on the Department of Veterans Affairs. The travel and per diem cost of the Regional Counsel personnel will be borne by the Regional Counsel.

[EFFECTIVE DATE NOTE: 61 FR 7215, 7216, Feb. 27, 1996, which substituted "Regional Counsel" for "District Counsel" in this section, became effective Oct. 1, 1995.]

§ 14.701 Commitment and restoration proceedings.
(a) State institutions. Regional Counsels are authorized to cooperate with State courts, including the production of required records in the commitment of veterans to State hospitals or in their restoration to full civil rights.
(b) Department of Veterans Affairs institutions -- (1) Assistance to courts in commitment proceedings. The Regional Counsel will render assistance to the courts in cases involving the commitment of mentally ill veterans to the Department of Veterans Affairs. To this end, the Regional Counsel may:
(i) Produce Department of Veterans Affairs records.
(ii) Appear in court and present material facts.
(iii) When authorized to institute commitment proceedings under paragraph (b)(2) of this section, prepare and present all necessary legal papers, and arrange and authorize transportation costs of veterans and attendants at Department of Veterans Affairs expense (§§ 14.703 and 14.704).
(2) Commitment proceedings. If a mentally ill veteran will accept hospitalization voluntarily, no action will be initiated by any Department of Veterans Affairs employee to commit such veteran. If the veteran will not accept hospitalization, or after being voluntarily hospitalized by the Department of Veterans Affairs demands his or her release, and hospitalization is necessary for the veteran's safety or the safety of others, the Regional Counsel (if a relative of the veteran or other interested person has not done so) may institute proceedings to commit the veteran to the Department of Veterans Affairs subject to the following conditions:

(i) That the written consent of the veteran's nearest relative has been obtained. If the nearest relative cannot be readily contacted or refuses to consent, coupled with inability or refusal to offer adequate alternative care, the Regional Counsel may initiate the action if the petition is signed by another relative, a civil official or representative of a cooperating agency or other person authorized by State law.

(ii) If timely action cannot be taken under paragraph (b)(2)(i) of this section, the Hospital or Clinic Director, or designee, may sign the petition if permissible under State law, and the Regional Counsel will then take any action necessary to bring the matter before the appropriate court.

(3) Illegal commitment. When a hospitalized veteran, previously committed to the Department of Veterans Affairs, demands release and continued hospitalization is necessary for the veteran's safety or the safety of others, and the Regional Counsel determines the commitment to be illegal, immediate action will be taken to obtain a legal commitment.

(4) Restoration proceedings. When a veteran has been a committed patient in a Department of Veterans Affairs hospital and is subsequently rated competent by the Department of Veterans Affairs, the Regional Counsel upon request, may institute proceedings necessary to restore the veteran to full civil rights.

[EFFECTIVE DATE NOTE: 61 FR 7215, 7216, Feb. 27, 1996, which substituted "Regional Counsel" for "District Counsel" in this section, became effective Oct. 1, 1995.]

§ 14.702 Medical testimony in commitment or restoration proceedings.

(a) Commitment. When permissible under State law, Department of Veterans Affairs physicians, upon request of the Regional Counsel, will sign interrogatories or certificates of mental illness or insanity and, unless unavailable, as provided in paragraph (c) of this section, will testify in proceedings which the Regional Counsel is authorized to institute under § 14.701 to commit eligible veterans to the Department of Veterans Affairs.

(b) Restoration. (1) When permissible under State law, Department of Veterans Affairs physicians, upon the request of the Regional Counsel, will testify in proceedings brought for the purpose of restoring a committed veteran to full civil rights when the veteran is a committed patient in a Department of Veterans Affairs hospital.

(2) The Director of a Department of Veterans Affairs hospital or the Regional Counsel upon discharge of the veteran, may furnish a certificate of sanity or such similar certificate to the proper civil authorities.

(c) Employment of private physicians. When testimony of Department of Veterans Affairs physicians is prohibited or is unavailable because of a duty assignment, comparative expense or other valid reason, the Director of the Department of Veterans Affairs
Affairs hospital, upon recommendation of the Regional Counsel, may employ any qualified physician for preliminary examination of the veteran and for testimony in any commitment or restoration proceeding which the Regional Counsel is authorized to institute under § 14.701, and authorize the payment of a fee not to exceed the prescribed fee, or in the absence thereof, the customary fee charged for the service rendered. § 14.703 Costs in commitment or restoration proceedings.
(a) When authorized to institute a proceeding under § 14.701, the Regional Counsel may authorize in advance or thereafter the payment or reimbursement of costs and other expenses for which the veteran is legally liable, including publication of notice necessary to accomplish the commitment.
(b) The Regional Counsel also may authorize the payment of necessary costs and expenses for which the veteran is legally liable incident to his or her restoration to full civil rights in any case in which the Regional Counsel is authorized to institute restoration proceedings under § 14.701(b)(4). [42 FR 41422, Aug. 17, 1977; 61 FR 7215, 7216, Feb. 27, 1996]

[EFFECTIVE DATE NOTE: 61 FR 7215, 7216, Feb. 27, 1996, which substituted "Regional Counsel" for "District Counsel" in this section, became effective Oct. 1, 1995.]

When a mentally ill veteran who should be committed is hospitalized by the Department of Veterans Affairs and under the law of the State wherein the hospital is located, a commitment may not be had locally, the veteran may be returned temporarily to the jurisdiction of the appropriate court in order that the commitment can be accomplished. If the veteran is in a Department of Veterans Affairs hospital, the Hospital Director may authorize travel of the veteran and an attendant or attendants, if necessary, upon request of the Regional Counsel. If the veteran is being maintained in a non-Department of Veterans Affairs hospital, the Director of the facility authorizing and paying for the care may authorize such travel upon request of the Regional Counsel. [42 FR 41422, Aug. 17, 1977; 61 FR 7215, 7216, Feb. 27, 1996]

[EFFECTIVE DATE NOTE: 61 FR 7215, 7216, Feb. 27, 1996, which substituted "Regional Counsel" for "District Counsel" in this section, became effective Oct. 1, 1995.]

§ 14.705 Authority to file petitions for appointment of fiduciaries in State courts.
(a) Adult beneficiary. The Regional Counsel is authorized to file or cause to be filed on behalf of a petitioner in a case coming within § 14.706(a) a petition for the appointment of a fiduciary and all necessary legal papers for an adult beneficiary only if it has been determined that alternative methods of payment would not be to the best interests of the beneficiary and when the Regional Counsel has obtained the written consent of:
   (1) The beneficiary's spouse.
(2) The beneficiary's adult child, parent, adult brother or sister if the beneficiary is unmarried, or consent of the spouse is immaterial because of estrangement or mental incapacity, or refusal to consent coupled with failure to offer adequate alternative means for providing for the beneficiary's needs.

(3) A civil official or representative of a cooperating agency when none of the relative listed in paragraph (a) (1) and (2) of this section can be located after reasonable inquiry or those located are not mentally competent to consent or refuse without offering adequate alternative means for providing for the needs of the beneficiary.

(b) Minor beneficiaries. The Regional Counsel is authorized to file or cause to be filed on behalf of a petitioner in a case coming within § 14.706(a) a petition for the appointment of a fiduciary for a minor. If permissible under the law of the jurisdiction concerned and if it has been determined that protection of the minor's rights under laws administered by the Department of Veterans Affairs requires the appointment, provided: the written consent of the minor's natural or adoptive parent or parents or the person or persons occupying the relationship of "in loco parentis" as defined, by the law of the jurisdiction, in which they reside has been obtained. The Regional Counsel will not institute a court proceeding for the appointment of a fiduciary over the objections of such parent or parents if they are sui juris unless the parent or parents have abandoned the minor or have otherwise refused to meet their parental obligations toward the minor or they have previously been appointed or recognized as the minor's fiduciary and failed to properly execute the duties of their trust. If the minor has no parent or the parent or parents are not sui juris, the Regional Counsel may file the petition without the consent of any relative.

(c) Court-appointed fiduciaries. In court-appointed fiduciary cases, the Regional Counsel may appear in the court of appointment or in any court having original, concurrent, or appellate jurisdiction, and make proper presentation relating to the foregoing matters. The Regional Counsel's authority includes but is not limited to:

(1) Petitioning the court to cite a fiduciary to account;
(2) Filing exceptions to accountings;
(3) Requiring fiduciaries to file bonds or make any necessary adjustments;
(4) Requiring investments;
(5) Filing petitions to vacate or modify court orders;
(6) Appearing or intervening in any State court as attorney for the Secretary of Veterans Affairs in litigation instituted by the Secretary or otherwise affecting money paid to such fiduciary by the Department of Veterans Affairs;
(7) Incurred necessary court costs and other expenses, including witness fees, appeal bonds, advertising in any newspaper or other publication, preparing briefs or transcripts, purchase of records of trial or other records;
(8) Instituting any other action necessary to secure proper administration of the estate of a Department of Veterans Affairs beneficiary, such as filing petitions for the removal of a fiduciary and appointment of a successor;
(9) Taking appropriate action to recover funds improperly disbursed.

(d) Appeal. Unless a trial is de novo, no appeal shall be taken to an appellate court and no costs incurred in connection therewith without the prior approval of the General Counsel and the Under Secretary for Benefits or their designees.

§ 14.706 Legal services in behalf of beneficiaries.
(a) The Regional Counsel may furnish legal services in behalf of minor and incompetent beneficiaries of the Department of Veterans Affairs in fiduciary appointment and estate administration matters involving Department of Veterans Affairs benefits or property derived therefrom when the beneficiary's estate or income is not sufficient to justify the employment of an attorney.
(b) The Regional Counsel may also furnish legal services in hardship situations when restoration from legal disability is a condition of precedent to direct payment of Department of Veterans Affairs benefits.
(c) Where the fiduciary does not in due course institute the necessary action to terminate the trust relationship and the beneficiary requests representation by the Regional Counsel or in any such case where there is in question the proper administration of the estate, the Regional Counsel may file the necessary action and supply legal services. Costs, unless assessed against the fiduciary, should be charged to the estate of the beneficiary.

[EFFECTIVE DATE NOTE: 61 FR 7215, 7216, Feb. 27, 1996, which substituted "Regional Counsel" for "District Counsel" in this section, became effective Oct. 1, 1995.]

When the appointment of a fiduciary is required for an incompetent veteran hospitalized by the Department of Veterans Affairs and, under the law of the State wherein the hospital is located, the appointment cannot be had locally, the veteran may be returned temporarily to the jurisdiction of the appropriate court in order that the appointment can be accomplished. If the veteran is in a Department of Veterans Affairs hospital, the Hospital Director, upon request of the Regional Counsel, may authorize travel of the veteran and an attendant or attendants, if necessary. If the veteran is being maintained in a non-Department of Veterans Affairs hospital, the Director of the facility authorizing and paying for the care may authorize such travel upon request of the Regional Counsel.

§ 14.708 Costs and other expenses incident to appointment of a fiduciary.
(a) The Regional Counsel may authorize the payment of costs and other necessary expenses incident to the appointment of an initial or successor fiduciary for a Department of Veterans Affairs beneficiary when:
(1) Authorized to render legal services under § 14.706.
(2) Appointment was caused by the Department of Veterans Affairs and it develops that no benefits are payable and there is no estate from which costs may be paid.
(3) Costs must be advanced when there is no immediate estate from which same may be paid. These costs are to be recovered from benefits payable unless the case falls within paragraph (a)(1) of this section.
(b) Costs and necessary expenses include:
(1) All those chargeable by statute or rule of court and certified by the clerk of court.

§ 14.709 Surety bonds; court-appointed fiduciary.

(a) It is the policy of the Department of Veterans Affairs to require, where possible under State laws and rules of the court, corporate surety bonds in all court-appointed fiduciary cases where the fiduciary is an individual and the estate is sufficient to justify the expense of procuring a corporate surety bond. Corporate bonds may be required of corporate fiduciaries in accordance with State laws. In cases wherein fiduciaries neglect or refuse to furnish corporate bonds, as requested by the Regional Counsel, the Regional Counsel should take appropriate court action and notify the Veterans Service Center Manager.

(b) When it is not practical or feasible to require a fiduciary to furnish a corporate surety bond, the Regional Counsel is authorized to accept bonds with such number of personal sureties as is permissible under State law, but in no event less than one. To be acceptable for Department of Veterans Affairs purposes, each personal surety must be worth at least the penal sum named in the bond over and above all debts, liabilities and exemptions and qualify in accordance with the requirements of State law. The Regional Counsel will request suitable evidence of financial responsibility whenever there is any question as to the ability of a personal surety to meet any probable liability. When suitable evidence is not furnished as requested, or financial responsibility is found to be insufficient to meet the penal sum of the bond, the Regional Counsel should take appropriate court action and notify the Veterans Service Center Manager.

(c) It is the policy of the Department of Veterans Affairs to require surety bonds in an amount commensurate with value of the personal estate derived from Department of Veterans Affairs benefits plus the anticipated net income from Department of Veterans Affairs benefits received during the ensuing accounting period. In cases where the fiduciaries neglect or refuse to furnish surety bonds in the amount requested by the Regional Counsel, the Regional Counsel should take appropriate court action and notify the Veterans Service Center Manager. When permissible under State law, the Regional Counsel may accept, without objection, a lesser degree of protection approved by the court when it is determined that such action will adequately protect the beneficiary's estate.

§ 14.808 Expert or opinion testimony.
§ 14.809 Demands or requests in legal proceedings for records protected by confidentiality statutes.
§ 14.810 Fees.

§ 14.800 Purpose.
Sections 14.800 through 14.810 establish policy, assign responsibilities and prescribe procedures with respect to:
(a) The production or disclosure of official information or records of the Department of Veterans Affairs (VA); and
(b) The testimony of present or former VA personnel relating to any official information acquired by any individual as part of that individual's performance of official duties, or by virtue of that individual's official status, in federal, state or other legal proceedings covered by these regulations.
(Authority: 38 U.S.C. 501(a) and (b); 5 U.S.C. 301.)
[59 FR 6566, Feb. 11, 1994]

§ 14.801 Applicability.
(a) Sections 14.800 through 14.810 apply to:
(1) Contractors and subcontractors which undertake a VA activity or maintain VA records when the contract covering their actions provides that these regulations apply, as well as the personnel of contractors and subcontractors.
(2) All components of the Department, including Canteen Service, the Office of Inspector General, and all staff offices, services and administrations, and their personnel.
(b) Sections 14.800 through 14.810 do not apply to:
(1) Testimony or records provided in accordance with Office of Personnel Management regulations implementing 5 U.S.C. 6322.
(2)(i) Legal proceedings in which the Department of Veterans Affairs, the Secretary of Veterans Affairs or the United States is a party, is represented or has a direct and substantial interest; or
(ii) Legal proceedings in which an individual or entity is a party for whom the United States is providing representation.
(3) Legal proceedings in which VA personnel are to testify while in leave or off-duty status as to matters which are purely personal and that do not arise out of, or relate in any
way to, the personnel's official duties or to the functions and activities of the VA or the United States.
(4) Official comments on matters in legal proceedings, where appropriate.
(5) Disclosures, in the absence of a request or demand, of information or records by VA components, particularly the Office of Inspector General, to federal, state, local and foreign law enforcement or regulatory agencies.
(6) Congressional demands or requests for testimony or documents.
(8) Disclosures in child support and alimony proceedings under the authority of 42 U.S.C. 659 and regulations promulgated by the Office of Personnel Management implementing that section.
(9) Legal proceedings before or involving the VA concerning a claim or dispute as to the rights of a beneficiary or obligations or liabilities of the United States under any law or program administered by the Department of Veterans Affairs.
(10) Requests by a veteran or that veteran's representative for access to the veteran's records for use in an administrative or judicial claim for benefits administered by the Department of Veterans Affairs.
(11) Foreign legal proceedings covered by Department of State procedures governing the production of records or witnesses in response to requests or demands in connection with foreign legal proceedings.
(c) Sections 14.800 through 14.810 are not intended to, and do not:
(1) Waive the sovereign immunity of the United States;
(2) Infringe upon or displace the responsibilities committed to the Department of Justice in conducting litigation on behalf of the United States in appropriate cases;
(3) Remove the need for the Department to comply with any applicable legal confidentiality provisions, such as the Privacy Act, before having the legal authority to make any disclosure or providing any testimony under these regulations. (Sections 14.800 through 14.810 do not give VA disclosure authority under applicable confidentiality statutes; absent disclosure authority granted by those statutes, information and records subject to those laws may not be disclosed, or testimony given as to them under the procedures established in these regulations); or
(4) Preclude treating any written request for agency records that is not in the nature of a request or demand related to legal proceedings as a request under the Freedom of Information or Privacy Acts.
(Authority: 38 U.S.C. 501(a) and (b); 5 U.S.C. 301.)

§ 14.802 Definitions.
(a) Demand. Order, subpoena, or other demand of a court of competent jurisdiction, or other specific authority or under color of law, for the production, disclosure, or release of VA information or records or for the appearance and testimony of VA personnel as witnesses.
(b) Request. Any informal request, by whatever method, from a party, a party's attorney, or any person acting on behalf of a party, for the production of VA records or information
or for the testimony of VA personnel as witnesses, which has not been ordered by a court of competent jurisdiction or other specific authority or under color of law.

(c) VA personnel. All present and former officers and employees of the VA and any other individuals who are or have been appointed by, or subject to the supervision, jurisdiction, or control of the Secretary of Veterans Affairs or another official of the VA, including nonappropriated fund activity employees, and other individuals hired through contractual agreements by or on behalf of the VA, or performing services under such agreements for VA, such as consultants, contractors, subcontractors, their employees and personnel. This phrase also includes individuals who served or are serving on any advisory committee or in any advisory capacity, whether formal or informal.

d) Legal proceedings. All pretrial, trial, and post-trial stages of all existing or reasonably anticipated judicial or administrative actions, hearings, investigations, or similar proceedings before courts, commissions, boards, or other tribunals, foreign or domestic that are not specified in § 14.801(b). This phrase includes depositions and other pretrial proceedings, as well as responses to formal or informal requests by attorneys or others in situations involving legal proceedings not specified in § 14.801(b).

(e) Official VA information. All information of any kind, however stored, that is in the custody and control of VA or was acquired by VA personnel as part of their official duties or because of their official status.

(f) Testimony. Testimony in any form, including personal appearances in court, depositions, recorded interviews, telephonic, televised or videotaped testimony or any response during discovery or similar proceedings, which response would involve more than the production of records.

(g) VA records. All documents which are records of the Department of Veterans Affairs for purposes of the Freedom of Information Act, 5 U.S.C. 552, regardless of storage media, including the term "record" as defined in 44 U.S.C. 3301, and implementing regulations.

§ 14.804. Factors to consider.
In deciding whether to authorize the disclosure of VA records or information or the testimony of VA personnel, VA personnel responsible for making the decision should consider the following types of factors:
(a) The need to avoid spending the time and money of the United States for private purposes and to conserve the time of VA personnel for conducting their official duties concerning servicing the Nation's veteran population;
(b) How the testimony or production of records would assist VA in performing its statutory duties;
(c) Whether the disclosure of the records or presentation of testimony is necessary to prevent the perpetration of fraud or other injustice in the matter in question;
(d) Whether the demand or request is unduly burdensome or otherwise inappropriate under the applicable court or administrative rules;
(e) Whether the testimony or production of records, including release in camera, is appropriate or necessary under the rules of procedure governing the case or matter in which the demand or request arose, or under the relevant substantive law concerning privilege;
(f) Whether the testimony or production of records would violate a statute, executive order, regulation or directive. (Where the production of a record or testimony as to the content of a record or about information contained in a record would violate a confidentiality statute's prohibition against disclosure, disclosure will not be made. Examples of such statutes are the Privacy Act, 5 U.S.C. 552a, and sections 5701, 5705 and 7332 of title 38, United States Code.);
(g) Whether the testimony or production of records, except when in camera and necessary to assert a claim of privilege, would reveal information properly classified pursuant to applicable statutes or Executive Orders;
(h) Whether the testimony would interfere with ongoing law enforcement proceedings, compromise constitutional rights, compromise national security interests, hamper VA or private health care research activities, reveal sensitive patient or beneficiary information, interfere with patient care, disclose trade secrets or similarly confidential commercial or financial information or otherwise be inappropriate under the circumstances.
(i) Whether such release or testimony reasonably could be expected to result in the appearance of VA or the Federal government favoring one litigant over another;
(j) Whether such release or testimony reasonably could be expected to result in the appearance of VA or the Federal government endorsing or supporting a position advocated by a party to the proceeding;
(k) The need to prevent the public's possible misconstruction of variances between personal opinions of VA personnel and VA or Federal policy.
(l) The need to minimize VA's possible involvement in issues unrelated to its mission;
(m) Whether the demand or request is within the authority of the party making it;
(n) Whether the demand or request is sufficiently specific to be answered;
(o) Other matters or concerns presented for consideration in making the decision.
(Authority: 38 U.S.C. 501 (a) and (b); 5 U.S.C. 301.)

§ 14.805. Contents of a demand or request.
The request or demand for testimony or production of documents shall set forth in, or be accompanied by, an affidavit, or if that is not feasible, in, or accompanied by, a written statement by the party seeking the testimony or records or by the party's attorney, a summary of the nature and relevance of the testimony or records sought in the legal proceedings containing sufficient information for the responsible VA official to determine whether VA personnel should be allowed to testify or records should be produced. Where the materials are considered insufficient to make the determination as described in § 14.807, the responsible VA official may ask the requester to provide additional information.

(Authority: 38 U.S.C. 501 (a) and (b); 5 U.S.C. 301.)

[59 FR 6568, Feb. 11, 1994]

§ 14.806. Scope of testimony or production.
VA personnel shall not, in response to a request or demand for testimony or production of records in legal proceedings, comment or testify or produce records without the prior written approval of the responsible VA official designated in § 14.807(b). VA personnel may only testify concerning or comment upon official VA information, subjects or activities, or produce records, that were specified in writing, submitted to and properly approved by the responsible VA official.

(Authority: 38 U.S.C. 501 (a) and (b); 5 U.S.C. 301.)

[59 FR 6568, Feb. 11, 1994]

§ 14.807. Procedure when demand or request is made.
(a) VA personnel upon whom a demand or request for testimony or the production of records in connection with legal proceedings as defined in § 14.802(d) is made shall notify the head of his or her field station, or if in Central Office, the head of the component for which he or she works. The field station or Central Office component shall notify the responsible VA official designated in § 14.807(b).

(b) In response to a demand or request for the production of records or the testimony of VA personnel, other than personnel in the Office of the Inspector General (OIG), as witnesses in legal proceedings covered by these regulations, the General Counsel, the Regional Counsel, an attorney in the Office of General Counsel designated by the General Counsel, or an attorney in the Regional Counsel office designated by the Regional Counsel is the responsible VA official authorized to determine whether VA personnel may be interviewed, contacted or used as witnesses, including used as expert witnesses, and whether VA records may be produced; and what, if any, conditions will be imposed upon such interview, contact, testimony or production of records. For personnel in the OIG, the Counselor to the Inspector General or an attorney designated by the Counselor to the Inspector General, is the responsible VA official authorized to make the determinations provided in § 14.807, and that official will keep the General Counsel informed of such determinations for purposes of litigation or claims of privilege.

(c) In appropriate cases, the responsible VA official shall promptly notify the Department of Justice of the demand or request. After consultation and coordination with the Department of Justice, as required, and after any necessary consultation with the VA component which employs or employed the VA personnel whose testimony is sought or
which is responsible for the maintenance of the records sought, the VA official shall
determine in writing whether the individual is required to comply with the demand or
request and shall notify the requester or the court or other authority of the determination
reached where the determination is that VA will not comply fully with the request or
demand. The responsible VA official shall give notice of the decision to other persons as
circumstances may warrant. Oral approval may be granted, and a record of such approval
made and retained in accordance with the procedures in § 14.807(f) concerning oral
requests or demands.

(d) If, after VA personnel have received a request or demand in a legal proceeding and
have notified the responsible VA official in accordance with this section, a response to
the request or demand is required before instructions from the responsible official are
received, the responsible official designated in paragraph (b) of this section shall furnish
the requester or the court or other authority with a copy of §§ 14.800 through 14.810 and
any other relevant documentation, inform the requester or the court or other authority that
the request or demand is being reviewed, and seek a stay of the request or demand
pending a final determination by the VA official concerned.

(e) If a court of competent jurisdiction or other appropriate authority declines to stay the
effect of the demand or request in response to action taken pursuant to § 14.807(d), or if
such court or other authority orders that the demand or request be complied with
notwithstanding the final decision of the appropriate VA official, the VA personnel upon
whom the demand or request was made shall notify the responsible VA official of such
ruling or order. If the responsible VA official determines that no further legal review of
or challenge to the ruling or order will be sought, the affected VA personnel shall comply
with the demand, order or request. If directed by the appropriate VA official after
consultation with the appropriate United States Attorney's office, however, the affected
VA personnel shall respectfully decline to comply with the demand, request or order. See

(f) Normally, written demands or requests allowing reasonable lead time for evaluation
and processing are required. However, in emergency situations where response time is
limited and a written demand or request is impractical, the following procedures should
be followed:

(1) The responsible VA official has the authority to waive the requirement of a written
demand or request and may expedite a response in the event of an emergency under
conditions which could not be anticipated in the course of proper planning or which
demonstrate a good faith attempt to comply with these regulations. Determinations on
oral demands or requests should be reserved for instances where insistence on
compliance with the requirements of a proper written request would result in the effective
denial of the request and cause an injustice in the outcome of the legal proceeding for
which the testimony or records are sought. No requester has a right to make an oral
demand or request and receive a determination, however. Whether to permit such an
exceptional procedure is a decision within the sole discretion of the responsible VA
official.

(2) If the responsible VA official concludes that the demand or request, or any portion of
it, should be granted (after considering the factors listed in § 14.804), the responsible VA
official will then orally advise the requester of the determination in accordance with the
procedures provided in § 14.807(c), including any limitations on such testimony or
production of records, and seek a written confirmation of the oral demand or request. The responsible VA official will make a written record of the determination made concerning the oral demand or request, including the grant or denial, the circumstances requiring the procedure, and the conditions to which the requester agreed.

§ 14.808 Expert or opinion testimony.
(a) VA personnel shall not provide, with or without compensation, opinion or expert testimony in any legal proceedings concerning official VA information, subjects or activities, except on behalf of the United States or a party represented by the United States Department of Justice. Upon a showing by the requester or court or other appropriate authority that, in light of the factors listed in § 14.804, there are exceptional circumstances and that the anticipated testimony will not be adverse to the interests of the Department of Veterans Affairs or to the United States, the responsible VA official designated in § 14.807(b) may, in writing, grant special authorization for VA personnel to appear and testify. If, despite the final determination of the responsible VA official, a court of competent jurisdiction or other appropriate authority, orders the expert or opinion testimony of VA personnel, the personnel shall notify the responsible VA official of such order. If the responsible VA official determines that no further legal review of or challenge to the order will be sought, the affected VA personnel shall comply with the order. If directed by the appropriate VA official after consultation with the appropriate United States Attorney's office, however, the affected VA personnel shall respectfully decline to comply with the demand, request or order. See United States ex rel. Touhy v. Ragen, 340 U.S. 462 (1951).

(b)(1) If, while testifying in any legal proceeding, VA personnel are asked for expert or opinion testimony concerning official VA information, subjects or activities, which testimony has not been approved in advance in accordance with these regulations, the witness shall:
(i) Respectfully decline to answer on the grounds that such expert or opinion testimony is forbidden by these regulations;
(ii) Request an opportunity to consult with the responsible VA official mentioned in § 14.807(b) before giving such testimony;
(iii) Explain that, upon such consultation, approval for such testimony may be provided; and
(iv) Explain that providing such testimony absent such approval may expose the individual to criminal liability under 18 U.S.C. 201-209 and to disciplinary or other adverse personnel action.

(2) If the witness is then ordered by the body conducting the proceeding to provide expert or opinion testimony concerning official VA information, subjects or activities without the opportunity to consult with the appropriate VA official, the witness respectfully shall refuse to do so. See United States ex rel. Touhy v. Ragen, 340 U.S. 462 (1951).
(c) Upon notification by the witness of a request for opinion or expert testimony concerning official VA information, subjects or activities during § 14.802(d) legal proceedings, the responsible VA official shall follow the procedures contained in this section to determine whether such testimony shall be approved.

(d) If VA personnel who are unaware of these regulations provide expert or opinion testimony concerning official VA information, subjects or activities in any legal proceeding, including one mentioned in § 14.802(d) in which the United States is not already represented, without consulting with the responsible VA official, the witness, as soon after testifying as possible, shall inform the responsible VA official of the fact that such testimony was given and provide a summary of the expert or opinion testimony given.

[59 FR 6569, Feb. 11, 1994]

§ 14.809 Demands or requests in legal proceedings for records protected by confidentiality statutes.

In addition to complying with the requirements of §§ 14.800 through 14.810, requests or demands in legal proceedings for the production of records, or for testimony of VA employees concerning information, protected by the Privacy Act, 5 U.S.C. 552a, or other confidentiality statutes, such as 38 U.S.C. 5701, 5705 and 7332, must satisfy the requirements for disclosure imposed by those statutes, and implementing regulations, such as 38 CFR 1.511, before the records may be provided or testimony given. Accordingly, the responsible VA official may first determine whether there is legal authority to provide the testimony or records sought under applicable confidentiality statutes before applying §§ 14.800 through 14.810. Where an applicable confidentiality statute mandates disclosure, §§ 14.800 through 14.810 will not apply.

(Authority: 38 U.S.C. 501 (a) and (b); 5 U.S.C. 301.)

[59 FR 6569, Feb. 11, 1994]

§ 14.810 Fees.

(a) The testimony of VA personnel as witnesses, particularly as expert witnesses, and the production of VA records in legal proceedings subject to §§ 14.800 through 14.810 are services which convey special benefits to the individuals or entities seeking such testimony or production of records above and beyond those accruing to the general public. These services are not regularly received by or available without charge to the public at large. Consequently, these are the sort of services for which the VA may establish a charge for providing under 31 U.S.C. 9701. The responsible VA official will determine all fees associated with §§ 14.800 through 14.810, and shall timely notify the requester of the fees, particularly those which are to be paid in advance.

(b)(1) When a request is granted under § 14.808 to permit VA personnel to testify in whole or in part as to expert, opinion or policy matters, the requester shall pay to the government a fee calculated to reimburse the cost of providing the witness. The fee shall include:

(i) Costs of the time expended by VA personnel to process and respond to the demand or request;

© 2006 Matthew Bender & Company, Inc., a member of the LexisNexis Group. All rights reserved. Use of this product is subject to the restrictions and terms and conditions of the Matthew Bender Master Agreement.
(ii) Costs of attorney time expended in reviewing the demand or request and any
information located in connection with the demand or request;
(iii) Expenses generated by materials and equipment used to search for, produce, and
copy the responsive information;
(iv) The cost of the time expended by the witness to prepare to testify; and
(v) Costs of travel by the witness and attendance at trial.
(2) All costs for documents necessary for such expert testimony shall be calculated as
provided in VA regulations implementing the fee provisions of the Freedom of
Information Act, 5 U.S.C. 552.
(c) When an individual testifies in legal proceedings covered by these regulations in any
capacity other than as an expert witness, the requester shall pay to the witness the fee and
expenses prescribed for attendance by the applicable rule of court. If no such fee is
prescribed, the applicable Federal rule, such as a local Federal district court rule, will
apply. No additional fee will be prescribed for the time spent while testifying or in
attendance to do so.
(d) When a requester wishes to interview VA personnel as part of legal proceedings
covered by these regulations, and such interview has been approved in accordance with
these regulations, the requester shall pay a fee calculated upon the total hourly pay of the
individual interviewed.
(e) When VA produces records in legal proceedings pursuant to §§ 14.800 through
14.810, the fees to be charged and paid prior to production of the records shall be the fees
charged by VA under its regulations implementing the fee provisions of the Freedom of
Information Act, 5 U.S.C. 552.
(f) Fees shall be paid as follows:
(1) Fees for copies of documents, blueprints, electronic tapes, or other VA records will be
paid to the VA office or station providing the records, and covered to the General Fund of
the Department of the Treasury.
(2) Witness fees for testimony shall be paid to the witness, who shall endorse the check
"pay to the United States," and surrender it to his or her supervisor. It shall thereafter be
deposited in the General Fund.
(3) The private party requesting a VA witness shall forward in advance necessary round
trip tickets and all requisite travel and per diem funds.
(g) A waiver of any fees in connection with the testimony of an expert witness may be
granted by the appropriate VA official at the official's discretion provided that the waiver
is in the interest of the United States. Fee waivers shall not be routinely granted, nor shall
they be granted under circumstances which might create the appearance that the VA or
the United States favors one party or a position advocated by a party to the legal
proceeding.

PART 15 -- ENFORCEMENT OF NONDISCRIMINATION ON THE BASIS OF HANDICAP IN PROGRAMS OR ACTIVITIES CONDUCTED BY THE DEPARTMENT OF VETERAN AFFAIRS

§ 15.101 Purpose.

§ 15.102 Application.

§ 15.103 Definitions.

§§ 15.104 -- 15.109 [Reserved]

§ 15.110 Self-evaluation.

§ 15.111 Notice.

§§ 15.112 -- 15.129 [Reserved]

§ 15.130 General prohibitions against discrimination.

§§ 15.131 -- 15.139 [Reserved]

§ 15.140 Employment.

§ 15.141 -- 15.148 [Reserved]

§ 15.149 Program accessibility: Discrimination prohibited.

§ 15.150 Program accessibility: Existing facilities.

§ 15.151 Program accessibility: New construction and alterations.

§§ 15.152 -- 15.159 [Reserved]

§ 15.160 Communications.

§§ 15.161 -- 15.169 [Reserved]

§ 15.170 Compliance procedures.

§§ 15.171 -- 15.999 [Reserved]

§ 15.101 Purpose.

The purpose of this regulation is to effectuate section 119 of the Rehabilitation, Comprehensive Services, and Developmental Disabilities Amendments of 1978, which amended section 504 of the Rehabilitation Act of 1973 to prohibit discrimination on the basis of handicap in programs or activities conducted by Executive agencies or the United States Postal Service.

§ 15.102 Application.

This regulation (§§ 15.101-15.170) applies to all programs or activities conducted by the agency, except for programs or activities conducted outside the United States that do not involve individuals with handicaps in the United States.

§ 15.103 Definitions.

For purposes of this regulation, the term--Assistant Attorney General means the Assistant Attorney General, Civil Rights Division, United States Department of Justice.
Auxiliary aids means services or devices that enable persons with impaired sensory, manual, or speaking skills to have an equal opportunity to participate in, and enjoy the benefits of, programs or activities conducted by the agency. For example, auxiliary aids useful for persons with impaired vision include readers, Brailled materials, audio recordings, and other similar services and devices. Auxiliary aids useful for persons with impaired hearing include telephone handset amplifiers, telephones compatible with hearing aids, telecommunication devices for deaf persons (TDD's), interpreters, notetakers, written materials, and other similar services and devices.

Complete complaint means a written statement that contains the complainant's name and address and describes the agency's alleged discriminatory action in sufficient detail to inform the agency of the nature and date of the alleged violation of section 504. It shall be signed by the complainant or by someone authorized to do so on his or her behalf. Complaints filed on behalf of classes or third parties shall describe or identify (by name, if possible) the alleged victims of discrimination.

Facility means all or any portion of buildings, structures, equipment, roads, walks, parking lots, rolling stock or other conveyances, or other real or personal property.

Historic preservation programs means programs conducted by the agency that have preservation of historic properties as a primary purpose.

Historic properties means those properties that are listed or eligible for listing in the National Register of Historic Places or properties designated as historic under a statute of the appropriate State or local government body.

Individual with handicaps means any person who has a physical or mental impairment that substantially limits one or more major life activities, has a record of such an impairment, or is regarded as having such an impairment.

As used in this definition, the phrase:
(1) Physical or mental impairment includes--
(i) Any physiological disorder or condition, cosmetic disfigurement, or anatomical loss affecting one or more of the following body systems: Neurological; musculoskeletal; special sense organs; respiratory, including speech organs; cardiovascular; reproductive; digestive; genitourinary; hemic and lymphatic; skin; and endocrine; or
(ii) Any mental or psychological disorder, such as mental retardation, organic brain syndrome, emotional or mental illness, and specific learning disabilities. The term physical or mental impairment includes, but is not limited to, such diseases and conditions as orthopedic, visual, speech, and hearing impairments, cerebral palsy, epilepsy, muscular dystrophy, multiple sclerosis, cancer, heart disease, diabetes, mental retardation, emotional illness, and drug addiction and alcoholism.
(2) Major life activities includes functions such as caring for one's self, performing manual tasks, walking, seeing, hearing, speaking, breathing, learning, and working.
(3) Has a record of such an impairment means has a history of, or has been misclassified as having, a mental or physical impairment that substantially limits one or more major life activities.
(4) Is regarded as having an impairment means--
(i) Has a physical or mental impairment that does not substantially limit major life activities but is treated by the agency as constituting such a limitation;
(ii) Has a physical or mental impairment that substantially limits major life activities only as a result of the attitudes of others toward such impairment; or
(iii) Has none of the impairments defined in paragraph (1) of this definition but is treated by the agency as having such an impairment.

Qualified individual with handicaps means—

(1) With respect to preschool, elementary, or secondary education services provided by the agency, an individual with handicaps who is a member of a class of persons otherwise entitled by statute, regulation, or agency policy to receive education services from the agency;

(2) With respect to any other agency program or activity under which a person is required to perform services or to achieve a level of accomplishment, an individual with handicaps who meets the essential eligibility requirements and who can achieve the purpose of the program or activity without modifications in the program or activity that the agency can demonstrate would result in a fundamental alteration in its nature;

(3) With respect to any other program or activity, an individual with handicaps who meets the essential eligibility requirements for participation in, or receipt of benefits from, that program or activity; and

(4) Qualified handicapped person as that term is defined for purposes of employment in 29 CFR 1613.702(f), which is made applicable to this regulation by § 15.140.

Substantial impairment means a significant loss of the integrity of finished materials, design quality, or special character resulting from a permanent alteration.

§§ 15.104 -- 15.109 [Reserved]

§ 15.110 Self-evaluation.

(a) The agency shall, by September 6, 1989, evaluate its current policies and practices, and the effects thereof, that do not or may not meet the requirements of this regulation and, to the extent modification of any such policies and practices is required, the agency shall proceed to make the necessary modifications.

(b) The agency shall provide an opportunity to interested persons, including individuals with handicaps or organizations representing individuals with handicaps, to participate in the self-evaluation process by submitting comments (both oral and written).

(c) The agency shall, for at least three years following completion of the self-evaluation, maintain on file and make available for public inspection:

(1) A description of areas examined and any problems identified; and

(2) A description of any modifications made.

§ 15.111 Notice.
The agency shall make available to employees, applicants, participants, beneficiaries, and other interested persons such information regarding the provisions of this regulation and its applicability to the programs or activities conducted by the agency, and make such information available to them in such manner as the head of the agency finds necessary to apprise such persons of the protections against discrimination assured them by section 504 and this regulation.

§§ 15.112 -- 15.129 [Reserved]

§ 15.130 General prohibitions against discrimination.
(a) No qualified individual with handicaps shall, on the basis of handicap, be excluded from participation in, be denied the benefits of, or otherwise be subjected to discrimination under any program or activity conducted by the agency.
(b)(1) The agency, in providing any aid, benefit, or service, may not, directly or through contractual, licensing, or other arrangements, on the basis of handicap--
(i) Deny a qualified individual with handicaps the opportunity to participate in or benefit from the aid, benefit, or service;
(ii) Afford a qualified individual with handicaps an opportunity to participate in or benefit from the aid, benefit, or service that is not equal to that afforded others;
(iii) Provide a qualified individual with handicaps with an aid, benefit, or service that is not as effective in affording equal opportunity to obtain the same result, to gain the same benefit, or to reach the same level of achievement as that provided to others;
(iv) Provide different or separate aid, benefits, or services to individuals with handicaps or to any class of individuals with handicaps than is provided to others unless such action is necessary to provide qualified individuals with handicaps with aid, benefits, or services that are as effective as those provided to others;
(v) Deny a qualified individual with handicaps the opportunity to participate as a member of planning or advisory boards;
(vi) Otherwise limit a qualified individual with handicaps in the enjoyment of any right, privilege, advantage, or opportunity enjoyed by others receiving the aid, benefit, or service.
(2) The agency may not deny a qualified individual with handicaps the opportunity to participate in programs or activities that are not separate or different, despite the existence of permissibly separate or different programs or activities.
(3) The agency may not, directly or through contractual or other arrangements, utilize criteria or methods of administration the purpose or effect of which would--
(i) Subject qualified individuals with handicaps to discrimination on the basis of handicap;
or
(ii) Defeat or substantially impair accomplishment of the objectives of a program or activity with respect to individuals with handicaps.
(4) The agency may not, in determining the site or location of a facility, make selections the purpose or effect of which would--
(i) Exclude individuals with handicaps from, deny them the benefits of, or otherwise subject them to discrimination under any program or activity conducted by the agency; or (ii) Defeat or substantially impair the accomplishment of the objectives of a program or activity with respect to individuals with handicaps.

(5) The agency, in the selection of procurement contractors, may not use criteria that subject qualified individuals with handicaps to discrimination on the basis of handicap. (6) The agency may not administer a licensing or certification program in a manner that subjects qualified individuals with handicaps to discrimination on the basis of handicap, nor may the agency establish requirements for the programs or activities of licensees or certified entities that subject qualified individuals with handicaps to discrimination on the basis of handicap. However, the programs or activities of entities that are licensed or certified by the agency are not, themselves, covered by this regulation.

(c) The exclusion of nonhandicapped persons from the benefits of a program limited by Federal statute or Executive order to individuals with handicaps or the exclusion of a specific class of individuals with handicaps from a program limited by Federal statute or Executive order to a different class of individuals with handicaps is not prohibited by this regulation.

(d) The agency shall administer programs and activities in the most integrated setting appropriate to the needs of qualified individuals with handicaps.

§§ 15.131 -- 15.139 [Reserved]

§ 15.140 Employment.
No qualified individual with handicaps shall, on the basis of handicap, be subject to discrimination in employment under any program or activity conducted by the agency. The definitions, requirements, and procedures of section 501 of the Rehabilitation Act of 1973 (29 U.S.C. 791), as established by the Equal Employment Opportunity Commission in 29 CFR part 1613, shall apply to employment in federally conducted programs or activities.

§§ 15.141 -- 15.148 [Reserved]

§ 15.149 Program accessibility: Discrimination prohibited.
Except as otherwise provided in § 15.150, no qualified individual with handicaps shall, because the agency's facilities are inaccessible to or unusable by individuals with handicaps, be denied the benefits of, be excluded from participation in, or otherwise be subjected to discrimination under any program or activity conducted by the agency.

§ 15.150 Program accessibility: Existing facilities.
(a) General. The agency shall operate each program or activity so that the program or activity, when viewed in its entirety, is readily accessible to and usable by individuals with handicaps. This paragraph does not--

(1) Necessarily require the agency to make each of its existing facilities accessible to and usable by individuals with handicaps;

(2) In the case of historic preservation programs, require the agency to take any action that would result in a substantial impairment of significant historic features of an historic property; or

(3) Require the agency to take any action that it can demonstrate would result in a fundamental alteration in the nature of a program or activity or in undue financial and administrative burdens. In those circumstances where agency personnel believe that the proposed action would fundamentally alter the program or activity or would result in undue financial and administrative burdens, the agency has the burden of proving that compliance with § 15.150(a) would result in such alteration or burdens. The decision that compliance would result in such alteration or burdens must be made by the agency head or his or her designee after considering all agency resources available for use in the funding and operation of the conducted program or activity, and must be accompanied by a written statement of the reasons for reaching that conclusion. If an action would result in such an alteration or such burdens, the agency shall take any other action that would not result in such an alteration or such burdens but would nevertheless ensure that individuals with handicaps receive the benefits and services of the program or activity.

(b) Methods--

(1) General. The agency may comply with the requirements of this section through such means as redesign of equipment, reassignment of services to accessible buildings, assignment of aides to beneficiaries, home visits, delivery of services at alternate accessible sites, alteration of existing facilities and construction of new facilities, use of accessible rolling stock, or any other methods that result in making its programs or activities readily accessible to and usable by individuals with handicaps. The agency is not required to make structural changes in existing facilities where other methods are effective in achieving compliance with this section. The agency, in making alterations to existing buildings, shall meet accessibility requirements to the extent compelled by the Architectural Barriers Act of 1968, as amended (42 U.S.C. 4151-4157), and any regulations implementing it. In choosing among available methods for meeting the requirements of this section, the agency shall give priority to those methods that offer programs and activities to qualified individuals with handicaps in the most integrated setting appropriate.

(2) Historic preservation programs. In meeting the requirements of § 15.150(a) in historic preservation programs, the agency shall give priority to methods that provide physical access to individuals with handicaps. In cases where a physical alteration to an historic property is not required because of § 15.150(a)(2) or (3), alternative methods of achieving program accessibility include--

(i) Using audio-visual materials and devices to depict those portions of an historic property that cannot otherwise be made accessible;

(ii) Assigning persons to guide individuals with handicaps into or through portions of historic properties that cannot otherwise be made accessible; or

(iii) Adopting other innovative methods.
(c) Time period for compliance. The agency shall comply with the obligations established under this section by November 7, 1988, except that where structural changes in facilities are undertaken, such changes shall be made by September 6, 1991, but in any event as expeditiously as possible.

(d) Transition plan. In the event that structural changes to facilities will be undertaken to achieve program accessibility, the agency shall develop, by March 6, 1989, a transition plan setting forth the steps necessary to complete such changes. The agency shall provide an opportunity to interested persons, including individuals with handicaps or organizations representing individuals with handicaps, to participate in the development of the transition plan by submitting comments (both oral and written). A copy of the transition plan shall be made available for public inspection. The plan shall, at a minimum--

1. Identify physical obstacles in the agency's facilities that limit the accessibility of its programs or activities to individuals with handicaps;
2. Describe in detail the methods that will be used to make the facilities accessible;
3. Specify the schedule for taking the steps necessary to achieve compliance with this section and, if the time period of the transition plan is longer than one year, identify steps that will be taken during each year of the transition period; and
4. Indicate the official responsible for implementation of the plan.

§ 15.151 Program accessibility: New construction and alterations.
Each building or part of a building that is constructed or altered by, on behalf of, or for the use of the agency shall be designed, constructed, or altered so as to be readily accessible to and usable by individuals with handicaps. The definitions, requirements, and standards of the Architectural Barriers Act (42 U.S.C. 4151-4157), as established in 41 CFR 101-19.600 to 101-19.607, apply to buildings covered by this section.

§§ 15.152 -- 15.159 [Reserved]

§ 15.160 Communications.
(a) The agency shall take appropriate steps to ensure effective communication with applicants, participants, personnel of other Federal entities, and members of the public.
(1) The agency shall furnish appropriate auxiliary aids where necessary to afford an individual with handicaps an equal opportunity to participate in, and enjoy the benefits of, a program or activity conducted by the agency.
(i) In determining what type of auxiliary aid is necessary, the agency shall give primary consideration to the requests of the individual with handicaps.
(ii) The agency need not provide individually prescribed devices, readers for personal use or study, or other devices of a personal nature.
(2) Where the agency communicates with applicants and beneficiaries by telephone, telecommunication devices for deaf persons (TDD's) or equally effective
telecommunication systems shall be used to communicate with persons with impaired hearing. 
(b) The agency shall ensure that interested persons, including persons with impaired vision or hearing, can obtain information as to the existence and location of accessible services, activities, and facilities. 
(c) The agency shall provide signage at a primary entrance to each of its inaccessible facilities, directing users to a location at which they can obtain information about accessible facilities. The international symbol for accessibility shall be used at each primary entrance of an accessible facility. 
(d) This section does not require the agency to take any action that it can demonstrate would result in a fundamental alteration in the nature of a program or activity or in undue financial and administrative burdens. In those circumstances where agency personnel believe that the proposed action would fundamentally alter the program or activity or would result in undue financial and administrative burdens, the agency has the burden of proving that compliance with § 15.160 would result in such alteration or burdens. The decision that compliance would result in such alteration or burdens must be made by the agency head or his or her designee after considering all agency resources available for use in the funding and operation of the conducted program or activity and must be accompanied by a written statement of the reasons for reaching that conclusion. If an action required to comply with this section would result in such an alteration or such burdens, the agency shall take any other action that would not result in such an alteration or such burdens but would nevertheless ensure that, to the maximum extent possible, individuals with handicaps receive the benefits and services of the program or activity. 

§§ 15.161 -- 15.169 [Reserved]

§ 15.170 Compliance procedures.
(a) Except as provided in paragraph (b) of this section, this section applies to all allegations of discrimination on the basis of handicap in programs and activities conducted by the agency. 
(b) The agency shall process complaints alleging violations of section 504 with respect to employment according to the procedures established by the Equal Employment Opportunity Commission in 29 CFR part 1613 pursuant to section 501 of the Rehabilitation Act of 1973 (29 U.S.C. 791). 
(c) The Deputy Assistant Secretary for Resolution Management shall be responsible for coordinating implementation of this section. Complaints may be sent to the Secretary of Veterans Affairs or the Deputy Assistant Secretary for Resolution Management at the following address: Department of Veterans Affairs, 810 Vermont Avenue NW., Washington, DC 20420. 
(d) The agency shall accept and investigate all complete complaints for which it has jurisdiction. All complete complaints must be filed within 180 days of the alleged act of discrimination. The agency may extend this time period for good cause.
(e) If the agency receives a complaint over which it does not have jurisdiction, it shall promptly notify the complainant and shall make reasonable efforts to refer the complaint to the appropriate Government entity.

(f) The agency shall notify the Architectural and Transportation Barriers Compliance Board upon receipt of any complaint alleging that a building or facility that is subject to the Architectural Barriers Act of 1968, as amended (42 U.S.C. 4151-4157), is not readily accessible to and usable by individuals with handicaps.

(g) Within 180 days of the receipt of a complete complaint for which it has jurisdiction, the agency shall notify the complainant of the results of the investigation in a letter containing --

1. Findings of fact and conclusions of law;
2. A description of a remedy for each violation found; and
3. A notice of the right to appeal.

(h) Appeals of the findings of fact and conclusions of law or remedies must be filed by the complainant within 90 days of receipt from the agency of the letter required by § 15.170(g). The agency may extend this time for good cause.

(i) Timely appeals shall be accepted and processed by the head of the agency.

(j) The head of the agency shall notify the complainant of the results of the appeal within 60 days of the receipt of the request. If the head of the agency determines that additional information is needed from the complainant, he or she shall have 60 days from the date of receipt of the additional information to make his or her determination on the appeal.

(k) The time limits cited in paragraphs (g) and (j) of this section may be extended with the permission of the Assistant Attorney General.

(l) The agency may delegate its authority for conducting complaint investigations to other Federal agencies, except that the authority for making the final determination may not be delegated to another agency.

§§ 15.171 -- 15.999 [Reserved]
PART 16 -- PROTECTION OF HUMAN SUBJECTS

§ 16.101 To what does this policy apply?
§ 16.102 Definitions.
§ 16.103 Assuring compliance with this policy -- research conducted or supported by any Federal Department or Agency.
§§ 16.104 -- 16.106 [Reserved]
§ 16.107 IRB membership.
§ 16.108 IRB functions and operations.
§ 16.110 Expedited review procedures for certain kinds of research involving no more than minimal risk, and for minor changes in approved research.
§ 16.111 Criteria for IRB approval of research.
§ 16.112 Review by institution.
§ 16.113 Suspension or termination of IRB approval of research.
§ 16.114 Cooperative research.
§ 16.115 IRB records.
§ 16.116 General requirements for informed consent.
§ 16.117 Documentation of informed consent.
§ 16.118 Applications and proposals lacking definite plans for involvement of human subjects.
§ 16.119 Research undertaken without the intention of involving human subjects.
§ 16.120 Evaluation and disposition of applications and proposals for research to be conducted or supported by a Federal Department or Agency.
§ 16.121 [Reserved]
§ 16.122 Use of Federal funds.
§ 16.123 Early termination of research support: Evaluation of applications and proposals.
§ 16.124 Conditions.

§ 16.101 To what does this policy apply?
(a) Except as provided in paragraph (b) of this section, this policy applies to all research involving human subjects conducted, supported or otherwise subject to regulation by any federal department or agency which takes appropriate administrative action to make the policy applicable to such research. This includes research conducted by federal civilian employees or military personnel, except that each department or agency head may adopt such procedural modifications as may be appropriate from an administrative standpoint. It also includes research conducted, supported, or otherwise subject to regulation by the federal government outside the United States.
(1) Research that is conducted or supported by a federal department or agency, whether or not it is regulated as defined in § 16.102(e), must comply with all sections of this policy.
(2) Research that is neither conducted nor supported by a federal department or agency but is subject to regulation as defined in § 16.102(e) must be reviewed and approved, in compliance with § 16.101, § 16.102, and § 16.107 through § 16.117 of this policy, by an
institutional review board (IRB) that operates in accordance with the pertinent requirements of this policy.

(b) Unless otherwise required by department or agency heads, research activities in which the only involvement of human subjects will be in one or more of the following categories are exempt from this policy:

1. Research conducted in established or commonly accepted educational settings, involving normal educational practices, such as:
   (i) research on regular and special education instructional strategies, or
   (ii) research on the effectiveness of or the comparison among instructional techniques, curricula, or classroom management methods.

2. Research involving the use of educational tests (cognitive, diagnostic, aptitude, achievement), survey procedures, interview procedures or observation of public behavior, unless:
   (i) Information obtained is recorded in such a manner that human subjects can be identified, directly or through identifiers linked to the subjects; and
   (ii) any disclosure of the human subjects' responses outside the research could reasonably place the subjects at risk of criminal or civil liability or be damaging to the subjects' financial standing, employability, or reputation.

3. Research involving the use of educational tests (cognitive, diagnostic, aptitude, achievement), survey procedures, interview procedures, or observation of public behavior that is not exempt under paragraph (b)(2) of this section, if:
   (i) The human subjects are elected or appointed public officials or candidates for public office; or
   (ii) federal statute(s) require(s) without exception that the confidentiality of the personally identifiable information will be maintained throughout the research and thereafter.

4. Research, involving the collection or study of existing data, documents, records, pathological specimens, or diagnostic specimens, if these sources are publicly available or if the information is recorded by the investigator in such a manner that subjects cannot be identified, directly or through identifiers linked to the subjects.

5. Research and demonstration projects which are conducted by or subject to the approval of department or agency heads, and which are designed to study, evaluate, or otherwise examine:
   (i) Public benefit or service programs; (ii) procedures for obtaining benefits or services under those programs; (iii) possible changes in or alternatives to those programs or procedures; or (iv) possible changes in methods or levels of payment for benefits or services under those programs.

6. Taste and food quality evaluation and consumer acceptance studies, (i) if wholesome foods without additives are consumed or (ii) if a food is consumed that contains a food ingredient at or below the level and for a use found to be safe, or agricultural chemical or environmental contaminant at or below the level found to be safe, by the Food and Drug Administration or approved by the Environmental Protection Agency or the Food Safety and Inspection Service of the U.S. Department of Agriculture.

(c) Department or agency heads retain final judgment as to whether a particular activity is covered by this policy.

(d) Department or agency heads may require that specific research activities or classes of research activities conducted, supported, or otherwise subject to regulation by the
department or agency but not otherwise covered by this policy, comply with some or all of the requirements of this policy.

(e) Compliance with this policy requires compliance with pertinent federal laws or regulations which provide additional protections for human subjects.

(f) This policy does not affect any state or local laws or regulations which may otherwise be applicable and which provide additional protections for human subjects.

(g) This policy does not affect any foreign laws or regulations which may otherwise be applicable and which provide additional protections to human subjects of research.

(h) When research covered by this policy takes place in foreign countries, procedures normally followed in the foreign countries to protect human subjects may differ from those set forth in this policy. [An example is a foreign institution which complies with guidelines consistent with the World Medical Assembly Declaration (Declaration of Helsinki amended 1989) issued either by sovereign states or by an organization whose function for the protection of human research subjects is internationally recognized.] In these circumstances, if a department or agency head determines that the procedures prescribed by the institution afford protections that are at least equivalent to those provided in this policy, the department or agency head may approve the substitution of the foreign procedures in lieu of the procedural requirements provided in this policy. Except when otherwise required by statute, Executive Order, or the department or agency head, notices of these actions as they occur will be published in the Federal Register or will be otherwise published as provided in department or agency procedures.

(i) Unless otherwise required by law, department or agency heads may waive the applicability of some or all of the provisions of this policy to specific research activities or classes of research activities otherwise covered by this policy. Except when otherwise required by statute or Executive Order, the department or agency head shall forward advance notices of these actions to the Office for Human Research Protections, Department of Health and Human Services (HHS), or any successor office, and shall also publish them in the Federal Register or in such other manner as provided in department or agency procedures.1

1 Institutions with HHS-approved assurances on file will abide by provisions of title 45 CFR part 46 subparts A-D. Some of the other Departments and Agencies have incorporated all provisions of title 45 CFR part 46 into their policies and procedures as well. However, the exemptions at 45 CFR 46.101(b) do not apply to research involving prisoners, subpart C. The exemption at 45 CFR 46.101(b)(2), for research involving survey or interview procedures or observation of public behavior, does not apply to research with children, subpart D, except for research involving observations of public behavior when the investigator(s) do not participate in the activities being observed.

§ 16.102 Definitions.

(a) Department or agency head means the head of any federal department or agency and any other officer or employee of any department or agency to whom authority has been delegated.
(b) **Institution** means any public or private entity or agency (including federal, state, and other agencies).

(c) **Legally authorized representative** means an individual or judicial or other body authorized under applicable law to consent on behalf of a prospective subject to the subject's participation in the procedure(s) involved in the research.

(d) **Research** means a systematic investigation, including research development, testing and evaluation, designed to develop or contribute to generalizable knowledge. Activities which meet this definition constitute research for purposes of this policy, whether or not they are conducted or supported under a program which is considered research for other purposes. For example, some demonstration and service programs may include research activities.

(e) **Research subject to regulation, and similar terms** are intended to encompass those research activities for which a federal department or agency has specific responsibility for regulating as a research activity, (for example, Investigational New Drug requirements administered by the Food and Drug Administration). It does not include research activities which are incidentally regulated by a federal department or agency solely as part of the department's or agency's broader responsibility to regulate certain types of activities whether research or non-research in nature (for example, Wage and Hour requirements administered by the Department of Labor).

(f) **Human subject** means a living individual about whom an investigator (whether professional or student) conducting research obtains

1. Data through intervention or interaction with the individual, or
2. Identifiable private information.

Intervention includes both physical procedures by which data are gathered (for example, venipuncture) and manipulations of the subject or the subject's environment that are performed for research purposes. Interaction includes communication or interpersonal contact between investigator and subject. "Private information" includes information about behavior that occurs in a context in which an individual can reasonably expect that no observation or recording is taking place, and information which has been provided for specific purposes by an individual and which the individual can reasonably expect will not be made public (for example, a medical record). Private information must be individually identifiable (i.e., the identity of the subject is or may readily be ascertained by the investigator or associated with the information) in order for obtaining the information to constitute research involving human subjects.

(g) **IRB** means an institutional review board established in accord with and for the purposes expressed in this policy.

(h) **IRB approval** means the determination of the IRB that the research has been reviewed and may be conducted at an institution within the constraints set forth by the IRB and by other institutional and federal requirements.

(i) **Minimal risk** means that the probability and magnitude of harm or discomfort anticipated in the research are not greater in and of themselves than those ordinarily encountered in daily life or during the performance of routine physical or psychological examinations or tests.

(j) **Certification** means the official notification by the institution to the supporting department or agency, in accordance with the requirements of this policy, that a research
§ 16.103 Assuring compliance with this policy -- research conducted or supported by any Federal Department or Agency.

(a) Each institution engaged in research which is covered by this policy and which is conducted or supported by a federal department or agency shall provide written assurance satisfactory to the department or agency head that it will comply with the requirements set forth in this policy. In lieu of requiring submission of an assurance, individual department or agency heads shall accept the existence of a current assurance, appropriate for the research in question, on file with the Office for Human Research Protections, HHS, or any successor office, and approved for federalwide use by that office. When the existence of an HHS-approved assurance is accepted in lieu of requiring submission of an assurance, reports (except certification) required by this policy to be made to department and agency heads shall also be made to the Office for Human Research Protections, HHS, or any successor office.

(b) Departments and agencies will conduct or support research covered by this policy only if the institution has an assurance approved as provided in this section, and only if the institution has certified to the department or agency head that the research has been reviewed and approved by an IRB provided for in the assurance, and will be subject to continuing review by the IRB. Assurances applicable to federally supported or conducted research shall at a minimum include:

1. A statement of principles governing the institution in the discharge of its responsibilities for protecting the rights and welfare of human subjects of research conducted at or sponsored by the institution, regardless of whether the research is subject to federal regulation. This may include an appropriate existing code, declaration, or statement of ethical principles, or a statement formulated by the institution itself. This requirement does not preempt provisions of this policy applicable to department- or agency-supported or regulated research and need not be applicable to any research exempted or waived under § 16.101 (b) or (i).

2. Designation of one or more IRBs established in accordance with the requirements of this policy, and for which provisions are made for meeting space and sufficient staff to support the IRB's review and recordkeeping duties.

3. A list of IRB members identified by name; earned degrees; representative capacity; indications of experience such as board certifications, licenses, etc., sufficient to describe each member's chief anticipated contributions to IRB deliberations; and any employment or other relationship between each member and the institution; for example: full-time employee, part-time employee, member of governing panel or board, stockholder, paid or unpaid consultant. Changes in IRB membership shall be reported to the department or agency head, unless in accord with § 16.103(a) of this policy, the existence of an HHS-approved assurance is accepted. In this case, change in IRB membership shall be reported to the Office for Human Research Protections, HHS, or any successor office.

4. Written procedures which the IRB will follow (i) for conducting its initial and continuing review of research and for reporting its findings and actions to the investigator...
(5) Written procedures for ensuring prompt reporting to the IRB, appropriate institutional officials, and the department or agency head of (i) any unanticipated problems involving risks to subjects or others or any serious or continuing noncompliance with this policy or the requirements or determinations of the IRB and (ii) any suspension or termination of IRB approval.

(c) The assurance shall be executed by an individual authorized to act for the institution and to assume on behalf of the institution the obligations imposed by this policy and shall be filed in such form and manner as the department or agency head prescribes.

(d) The department or agency head will evaluate all assurances submitted in accordance with this policy through such officers and employees of the department or agency and such experts or consultants engaged for this purpose as the department or agency head determines to be appropriate. The department or agency head's evaluation will take into consideration the adequacy of the proposed IRB in light of the anticipated scope of the institution's research activities and the types of subject populations likely to be involved, the appropriateness of the proposed initial and continuing review procedures in light of the probable risks, and the size and complexity of the institution.

(e) On the basis of this evaluation, the department or agency head may approve or disapprove the assurance, or enter into negotiations to develop an approvable one. The department or agency head may limit the period during which any particular approved assurance or class of approved assurances shall remain effective or otherwise condition or restrict approval.

(f) Certification is required when the research is supported by a federal department or agency and not otherwise exempted or waived under § 16.101 (b) or (i). An institution with an approved assurance shall certify that each application or proposal for research covered by the assurance and by § 16.103 of this Policy has been reviewed and approved by the IRB. Such certification must be submitted with the application or proposal or by such later date as may be prescribed by the department or agency to which the application or proposal is submitted. Under no condition shall research covered by § 16.103 of the Policy be supported prior to receipt of the certification that the research has been reviewed and approved by the IRB. Institutions without an approved assurance covering the research shall certify within 30 days after receipt of a request for such a certification from the department or agency, that the application or proposal has been approved by the IRB. If the certification is not submitted within these time limits, the application or proposal may be returned to the institution.

§ 16.107 IRB membership.

(a) Each IRB shall have at least five members, with varying backgrounds to promote complete and adequate review of research activities commonly conducted by the institution. The IRB shall be sufficiently qualified through the experience and expertise of its members, and the diversity of the members, including consideration of race, gender, and cultural backgrounds and sensitivity to such issues as community attitudes, to promote respect for its advice and counsel in safeguarding the rights and welfare of human subjects. In addition to possessing the professional competence necessary to review specific research activities, the IRB shall be able to ascertain the acceptability of proposed research in terms of institutional commitments and regulations, applicable law, and standards of professional conduct and practice. The IRB shall therefore include persons knowledgeable in these areas. If an IRB regularly reviews research that involves a vulnerable category of subjects, such as children, prisoners, pregnant women, or handicapped or mentally disabled persons, consideration shall be given to the inclusion of one or more individuals who are knowledgeable about and experienced in working with these subjects.

(b) Every nondiscriminatory effort will be made to ensure that no IRB consists entirely of men or entirely of women, including the institution's consideration of qualified persons of both sexes, so long as no selection is made to the IRB on the basis of gender. No IRB may consist entirely of members of one profession.

(c) Each IRB shall include at least one member whose primary concerns are in scientific areas and at least one member whose primary concerns are in nonscientific areas.

(d) Each IRB shall include at least one member who is not otherwise affiliated with the institution and who is not part of the immediate family of a person who is affiliated with the institution.

(e) No IRB may have a member participate in the IRB's initial or continuing review of any project in which the member has a conflicting interest, except to provide information requested by the IRB.

(f) An IRB may, in its discretion, invite individuals with competence in special areas to assist in the review of issues which require expertise beyond or in addition to that available on the IRB. These individuals may not vote with the IRB.

56 FR 28012, 28021, June 18, 1991.

§ 16.108 IRB functions and operations.

In order to fulfill the requirements of this policy each IRB shall:

(a) Follow written procedures in the same detail as described in § 16.103(b)(4) and, to the extent required by, § 16.103(b)(5).

(b) Except when an expedited review procedure is used (see § 16.110), review proposed research at convened meetings at which a majority of the members of the IRB are present, including at least one member whose primary concerns are in nonscientific areas. In order for the research to be approved, it shall receive the approval of a majority of those members present at the meeting.
(a) An IRB shall review and have authority to approve, require modifications in (to secure approval), or disapprove all research activities covered by this policy.
(b) An IRB shall require that information given to subjects as part of informed consent is in accordance with § 16.116. The IRB may require that information, in addition to that specifically mentioned in § 16.116, be given to the subjects when in the IRB's judgment the information would meaningfully add to the protection of the rights and welfare of subjects.
(c) An IRB shall require documentation of informed consent or may waive documentation in accordance with § 16.117.
(d) An IRB shall notify investigators and the institution in writing of its decision to approve or disapprove the proposed research activity, or of modifications required to secure IRB approval of the research activity. If the IRB decides to disapprove a research activity, it shall include in its written notification a statement of the reasons for its decision and give the investigator an opportunity to respond in person or in writing.
(e) An IRB shall conduct continuing review of research covered by this policy at intervals appropriate to the degree of risk, but not less than once per year, and shall have authority to observe or have a third party observe the consent process and the research.
(Approved by the Office of Management and Budget under Control Number 0990-0260.)
56 FR 28012, 28021, June 18, 1991; 70 FR 36325, June 23, 2005.

§ 16.110 Expedited review procedures for certain kinds of research involving no more than minimal risk, and for minor changes in approved research.
(a) The Secretary, HHS, has established, and published as a Notice in the FEDERAL REGISTER, a list of categories of research that may be reviewed by the IRB through an expedited review procedure. The list will be amended, as appropriate after consultation with other departments and agencies, through periodic republication by the Secretary, HHS, in the FEDERAL REGISTER. A copy of the list is available from the Office for Human Research Protections, HHS, or any successor office.
(b) An IRB may use the expedited review procedure to review either or both of the following:
(1) Some or all of the research appearing on the list and found by the reviewer(s) to involve no more than minimal risk,
(2) Minor changes in previously approved research during the period (of one year or less) for which approval is authorized.
Under an expedited review procedure, the review may be carried out by the IRB chairperson or by one or more experienced reviewers designated by the chairperson from among members of the IRB. In reviewing the research, the reviewers may exercise all of the authorities of the IRB except that the reviewers may not disapprove the research. A
research activity may be disapproved only after review in accordance with the
non-expedited procedure set forth in § 16.108(b).
(c) Each IRB which uses an expedited review procedure shall adopt a method for keeping
all members advised of research proposals which have been approved under the
procedure.
(d) The department or agency head may restrict, suspend, terminate, or choose not to
authorize an institution's or IRB's use of the expedited review procedure.
56 FR 28012, 28021, June 18, 1991; 70 FR 36325, June 23, 2005.

§ 16.111 Criteria for IRB approval of research.
(a) In order to approve research covered by this policy the IRB shall determine that all of
the following requirements are satisfied:
(1) Risks to subjects are minimized: (i) By using procedures which are consistent with
sound research design and which do not unnecessarily expose subjects to risk, and (ii)
whenever appropriate, by using procedures already being performed on the subjects for
diagnostic or treatment purposes.
(2) Risks to subjects are reasonable in relation to anticipated benefits, if any, to subjects,
and the importance of the knowledge that may reasonably be expected to result. In
evaluating risks and benefits, the IRB should consider only those risks and benefits that
may result from the research (as distinguished from risks and benefits of therapies
subjects would receive even if not participating in the research). The IRB should not
consider possible long-range effects of applying knowledge gained in the research (for
example, the possible effects of the research on public policy) as among those research
risks that fall within the purview of its responsibility.
(3) Selection of subjects is equitable. In making this assessment the IRB should take into
account the purposes of the research and the setting in which the research will be
conducted and should be particularly cognizant of the special problems of research
involving vulnerable populations, such as children, prisoners, pregnant women, mentally
disabled persons, or economically or educationally disadvantaged persons.
(4) Informed consent will be sought from each prospective subject or the subject's legally
authorized representative, in accordance with, and to the extent required by § 16.116.
(5) Informed consent will be appropriately documented, in accordance with, and to the
extent required by § 16.117.
(6) When appropriate, the research plan makes adequate provision for monitoring the
data collected to ensure the safety of subjects.
(7) When appropriate, there are adequate provisions to protect the privacy of subjects and
to maintain the confidentiality of data.
(b) When some or all of the subjects are likely to be vulnerable to coercion or undue
influence, such as children, prisoners, pregnant women, mentally disabled persons, or
economically or educationally disadvantaged persons, additional safeguards have been
included in the study to protect the rights and welfare of these subjects.
56 FR 28012, 28021, June 18, 1991.

§ 16.112 Review by institution.
Research covered by this policy that has been approved by an IRB may be subject to further appropriate review and approval or disapproval by officials of the institution. However, those officials may not approve the research if it has not been approved by an IRB.
56 FR 28012, 28021, June 18, 1991.

§ 16.113 Suspension or termination of IRB approval of research.
An IRB shall have authority to suspend or terminate approval of research that is not being conducted in accordance with the IRB's requirements or that has been associated with unexpected serious harm to subjects. Any suspension or termination of approval shall include a statement of the reasons for the IRB's action and shall be reported promptly to the investigator, appropriate institutional officials, and the department or agency head.
(Approved by the Office of Management and Budget under Control Number 0990-0260.)
56 FR 28012, 28021, June 18, 1991; 70 FR 36325, June 23, 2005.

§ 16.114 Cooperative research.
Cooperative research projects are those projects covered by this policy which involve more than one institution. In the conduct of cooperative research projects, each institution is responsible for safeguarding the rights and welfare of human subjects and for complying with this policy. With the approval of the department or agency head, an institution participating in a cooperative project may enter into a joint review arrangement, rely upon the review of another qualified IRB, or make similar arrangements for avoiding duplication of effort.
56 FR 28012, 28021, June 18, 1991.

§ 16.115 IRB records.
(a) An institution, or when appropriate an IRB, shall prepare and maintain adequate documentation of IRB activities, including the following:
(1) Copies of all research proposals reviewed, scientific evaluations, if any, that accompany the proposals, approved sample consent documents, progress reports submitted by investigators, and reports of injuries to subjects.
(2) Minutes of IRB meetings which shall be in sufficient detail to show attendance at the meetings; actions taken by the IRB; the vote on these actions including the number of members voting for, against, and abstaining; the basis for requiring changes in or disapproving research; and a written summary of the discussion of controverted issues and their resolution.
(3) Records of continuing review activities.
(4) Copies of all correspondence between the IRB and the investigators.
(5) A list of IRB members in the same detail as described is § 16.103(b)(3).
(6) Written procedures for the IRB in the same detail as described in § 16.103(b)(4) and § 16.103(b)(5).

(7) Statements of significant new findings provided to subjects, as required by § 16.116(b)(5).

(b) The records required by this policy shall be retained for at least 3 years, and records relating to research which is conducted shall be retained for at least 3 years after completion of the research. All records shall be accessible for inspection and copying by authorized representatives of the department or agency at reasonable times and in a reasonable manner.

(Approved by the Office of Management and Budget under Control Number 0990-0260.)

§ 16.116 General requirements for informed consent.

Except as provided elsewhere in this policy, no investigator may involve a human being as a subject in research covered by this policy unless the investigator has obtained the legally effective informed consent of the subject or the subject's legally authorized representative. An investigator shall seek such consent only under circumstances that provide the prospective subject or the representative sufficient opportunity to consider whether or not to participate and that minimize the possibility of coercion or undue influence. The information that is given to the subject or the representative shall be in language understandable to the subject or the representative. No informed consent, whether oral or written, may include any exculpatory language through which the subject or the representative is made to waive or appear to waive any of the subject's legal rights, or releases or appears to release the investigator, the sponsor, the institution or its agents from liability for negligence.

(a) Basic elements of informed consent. Except as provided in paragraph (c) or (d) of this section, in seeking informed consent the following information shall be provided to each subject:

(1) A statement that the study involves research, an explanation of the purposes of the research and the expected duration of the subject's participation, a description of the procedures to be followed, and identification of any procedures which are experimental;

(2) A description of any reasonably foreseeable risks or discomforts to the subject;

(3) A description of any benefits to the subject or to others which may reasonably be expected from the research;

(4) A disclosure of appropriate alternative procedures or courses of treatment, if any, that might be advantageous to the subject;

(5) A statement describing the extent, if any, to which confidentiality of records identifying the subject will be maintained;

(6) For research involving more than minimal risk, an explanation as to whether any compensation and an explanation as to whether any medical treatments are available if injury occurs and, if so, what they consist of, or where further information may be obtained;
(7) An explanation of whom to contact for answers to pertinent questions about the research and research subjects' rights, and whom to contact in the event of a research-related injury to the subject; and
(8) A statement that participation is voluntary, refusal to participate will involve no penalty or loss of benefits to which the subject is otherwise entitled, and the subject may discontinue participation at any time without penalty or loss of benefits to which the subject is otherwise entitled.

(b) Additional elements of informed consent. When appropriate, one or more of the following elements of information shall also be provided to each subject:

(1) A statement that the particular treatment or procedure may involve risks to the subject (or to the embryo or fetus, if the subject is or may become pregnant) which are currently unforeseeable;
(2) Anticipated circumstances under which the subject's participation may be terminated by the investigator without regard to the subject's consent;
(3) Any additional costs to the subject that may result from participation in the research;
(4) The consequences of a subject's decision to withdraw from the research and procedures for orderly termination of participation by the subject;
(5) A statement that significant new findings developed during the course of the research which may relate to the subject's willingness to continue participation will be provided to the subject; and
(6) The approximate number of subjects involved in the study.

c) An IRB may approve a consent procedure which does not include, or which alters, some or all of the elements of informed consent set forth above, or waive the requirement to obtain informed consent provided the IRB finds and documents that:

(1) The research or demonstration project is to be conducted by or subject to the approval of state or local government officials and is designed to study, evaluate, or otherwise examine: (i) Public benefit of service programs; (ii) procedures for obtaining benefits or services under those programs; (iii) possible changes in or alternatives to those programs or procedures; or (iv) possible changes in methods or levels of payment for benefits or services under those programs; and
(2) The research could not practicably be carried out without the waiver or alteration.

d) An IRB may approve a consent procedure which does not include, or which alters, some or all of the elements of informed consent set forth in this section, or waive the requirements to obtain informed consent provided the IRB finds and documents that:

(1) The research involves no more than minimal risk to the subjects;
(2) The waiver or alteration will not adversely affect the rights and welfare of the subjects;
(3) The research could not practicably be carried out without the waiver or alteration; and
(4) Whenever appropriate, the subjects will be provided with additional pertinent information after participation.

e) The informed consent requirements in this policy are not intended to preempt any applicable federal, state, or local laws which require additional information to be disclosed in order for informed consent to be legally effective.

(f) Nothing in this policy is intended to limit the authority of a physician to provide emergency medical care, to the extent the physician is permitted to do so under applicable federal, state, or local law.
§ 16.117 Documentation of informed consent.
(a) Except as provided in paragraph (c) of this section, informed consent shall be documented by the use of a written consent form approved by the IRB and signed by the subject or the subject's legally authorized representative. A copy shall be given to the person signing the form.
(b) Except as provided in paragraph (c) of this section, the consent form may be either of the following:
   (1) A written consent document that embodies the elements of informed consent required by § 16.116. This form may be read to the subject or the subject's legally authorized representative, but in any event, the investigator shall give either the subject or the representative adequate opportunity to read it before it is signed; or
   (2) A short form written consent document stating that the elements of informed consent required by § 16.116 have been presented orally to the subject or the subject's legally authorized representative. When this method is used, there shall be a witness to the oral presentation. Also, the IRB shall approve a written summary of what is to be said to the subject or the representative. Only the short form itself is to be signed by the subject or the representative. However, the witness shall sign both the short form and a copy of the summary, and the person actually obtaining consent shall sign a copy of the summary. A copy of the summary shall be given to the subject or the representative, in addition to a copy of the short form.
(c) An IRB may waive the requirement for the investigator to obtain a signed consent form for some or all subjects if it finds either:
   (1) That the only record linking the subject and the research would be the consent document and the principal risk would be potential harm resulting from a breach of confidentiality. Each subject will be asked whether the subject wants documentation linking the subject with the research, and the subject's wishes will govern; or
   (2) That the research presents no more than minimal risk of harm to subjects and involves no procedures for which written consent is normally required outside of the research context.
In cases in which the documentation requirement is waived, the IRB may require the investigator to provide subjects with a written statement regarding the research.

§ 16.118 Applications and proposals lacking definite plans for involvement of human subjects.
Certain types of applications for grants, cooperative agreements, or contracts are submitted to departments or agencies with the knowledge that subjects may be involved
within the period of support, but definite plans would not normally be set forth in the application or proposal. These include activities such as institutional type grants when selection of specific projects is the institution's responsibility; research training grants in which the activities involving subjects remain to be selected; and projects in which human subjects' involvement will depend upon completion of instruments, prior animal studies, or purification of compounds. These applications need not be reviewed by an IRB before an award may be made. However, except for research exempted or waived under § 16.101 (b) or (i), no human subjects may be involved in any project supported by these awards until the project has been reviewed and approved by the IRB, as provided in this policy, and certification submitted, by the institution, to the department or agency.

56 FR 28012, 28021, June 18, 1991.

§ 16.119 Research undertaken without the intention of involving human subjects.
In the event research is undertaken without the intention of involving human subjects, but it is later proposed to involve human subjects in the research, the research shall first be reviewed and approved by an IRB, as provided in this policy, a certification submitted, by the institution, to the department or agency, and final approval given to the proposed change by the department or agency.
56 FR 28012, 28021, June 18, 1991.

§ 16.120 Evaluation and disposition of applications and proposals for research to be conducted or supported by a Federal Department or Agency.
The department or agency head will evaluate all applications and proposals involving human subjects submitted to the department or agency through such officers and employees of the department or agency and such experts and consultants as the department or agency head determines to be appropriate. This evaluation will take into consideration the risks to the subjects, the adequacy of protection against these risks, the potential benefits of the research to the subjects and others, and the importance of the knowledge gained or to be gained.
(b) On the basis of this evaluation, the department or agency head may approve or disapprove the application or proposal, or enter into negotiations to develop an approvable one.
56 FR 28012, 28021, June 18, 1991.

§ 16.121 [Reserved]

§ 16.122 Use of Federal funds.
Federal funds administered by a department or agency may not be expended for research involving human subjects unless the requirements of this policy have been satisfied.
56 FR 28012, 28021, June 18, 1991.
§ 16.123 Early termination of research support: Evaluation of applications and proposals.
(a) The department or agency head may require that department or agency support for any project be terminated or suspended in the manner prescribed in applicable program requirements, when the department or agency head finds an institution has materially failed to comply with the terms of this policy.
(b) In making decisions about supporting or approving applications or proposals covered by this policy the department or agency head may take into account, in addition to all other eligibility requirements and program criteria, factors such as whether the applicant has been subject to a termination or suspension under paragraph (a) of this section and whether the applicant or the person or persons who would direct or has have directed the scientific and technical aspects of an activity has have, in the judgment of the department or agency head, materially failed to discharge responsibility for the protection of the rights and welfare of human subjects (whether or not the research was subject to federal regulation).
56 FR 28012, 28021, June 18, 1991.

§ 16.124 Conditions.
With respect to any research project or any class of research projects the department or agency head may impose additional conditions prior to or at the time of approval when in the judgment of the department or agency head additional conditions are necessary for the protection of human subjects.

DEFINITIONS AND ACTIVE DUTY

§ 17.30 Definitions.
§ 17.31 Duty periods defined.
§ 17.31 Duty periods defined.

§ 17.30 Definitions.

When used in Department of Veterans Affairs medical regulations, each of the following terms shall have the meaning ascribed to it in this section:
(a) Medical services. The term medical services includes, in addition to medical examination, treatment, and rehabilitative services:
(1) Surgical services, dental services and appliances as authorized in §§ 17.160 through 17.166, optometric and podiatric services, (in the case of a person otherwise receiving care or services under this chapter) the preventive health care services set forth in 38 U.S.C. 1762, wheelchair, artificial limbs, trusses and similar appliances, special clothing made necessary by the wearing of prosthetic appliances, and such other supplies or services as are medically determined to be reasonable and necessary.
(Authority: 38 U.S.C. 1701(6)(A)(ii))
(2) Such consultation, professional counseling, training and mental health services as are necessary in connection with the treatment --
(i) Of the service-connected disability of a veteran pursuant to § 17.93(a);
(ii) Of the nonservice-connected disability of a veteran where such services were initiated during the veteran's hospitalization and the provision of such services is essential to permit the release of the veteran from inpatient care; for the members of the immediate family or legal guardian of the veteran, or the individual in whose household such veteran certifies an intention to live, as may be essential to the effective treatment and rehabilitation of the veteran or dependent or survivor of a veteran receiving care under § 17.84(c). For the purposes of this paragraph, a dependent or survivor of a veteran receiving care under § 17.84(c) shall be eligible for the same medical services as a veteran; and
(3) Transportation and incidental expenses for any person entitled to such benefits under the provisions of § 17.143.
(Authority: 38 U.S.C. 1701(6))
(b) Domiciliary care. The term domiciliary care means the furnishing of a home to a veteran, embracing the furnishing of shelter, food, clothing and other comforts of home, including necessary medical services. The term further includes travel and incidental expenses pursuant to § 17.143.
(Authority: 38 U.S.C. 1701(4))

§ 17.31 Duty periods defined.
Definitions of duty periods applicable to eligibility for medical benefits are as follows:
(a)--(c) [Reserved]
(d) Inactive duty training. The term inactive duty training means: (1) Duty (other than full-time duty) prescribed for Reserves (including commissioned officers of the Reserve Corps of the Public Health Service) by the Secretary concerned under section 206, title 37 U.S.C., or any other provision of law;
(2) Special additional duties authorized for Reserves (including commissioned officers of the Reserve Corps of the Public Health Service) by an authority designated by the Secretary concerned and performed by them on a voluntary basis in connection with the prescribed training or maintenance activities of the units to which they are assigned.
(3) Duty (other than full-time duty) for members of the National Guard or Air National Guard of any State under the provisions of law stated in paragraph (c)(3) of this section.
(4) Inactive duty for training does not include work or study performed in connection with correspondence courses, or attendance at an educational institution in an inactive status, or duty performed as a temporary member of the Coast Guard Reserve.

EDITORIAL NOTE: At 61 FR 21965, May 13, 1996, Sec. 17.31 was amended by removing (a), (b) introductory text, (b)(1) through (b)(4), (b)(6), (b)(7) and (c). Text remaining in effect is set forth above.
§ 17.31 Duty periods defined.
Full-time duty as a member of the Women's Army Auxiliary Corps, Women's Reserve of the Navy and Marine Corps and Women's Reserve of the Coast Guard.

EDITORIAL NOTE: At 61 FR 21965, May 13, 1996, § 17.31(b)(5) was redesignated as § 17.31.
PROTECTION OF PATIENT RIGHTS

§ 17.32 Informed consent and advance health care planning.
§ 17.33 Patients' rights.

§ 17.32 Informed consent and advance health care planning.

(a) Definitions:
Advance Directive. Specific written statements made by a patient who has decision-making capacity regarding future health care decisions in any of the following:
(i) VA Living Will. A written statement made by a patient on an authorized VA form which sets forth the patient's wishes regarding the patient's health care treatment preferences including the withholding and withdrawal of life-sustaining treatment.
(iii) State-Authorized Advance Directive. A non-VA living will, durable power of attorney for health care, or other advance health care planning document, the validity of which is determined pursuant to applicable State law. For the purposes of this paragraph and paragraph (h) of this section, "applicable State law" means the law of the State where the advance directive was signed, the State where the patient resided when the advance directive was signed, the State where the patient now resides, or the State where the patient is receiving treatment. VA will resolve any conflict between those State laws regarding the validity of the advance directive by following the law of the State that gives effect to the expressed wishes in the advance directive.
Close Friend. Any person eighteen years or older who has shown care and concern for the patient's welfare, who is familiar with the patient's activities, health, religious beliefs and values, and who has presented a signed written statement for the record that describes that person's relationship to and familiarity with the patient.
Decision-making capacity. The ability to understand and appreciate the nature and consequences of health-care treatment decisions.
Health-Care Agent. An individual named by the patient in a Durable Power of Attorney for Health Care.
Legal Guardian. A person appointed by a court of appropriate jurisdiction to make decisions for an individual who has been judicially determined to be incompetent.
Practitioner. Any physician, dentist, or health-care professional who has been granted specific clinical privileges to perform the treatment or procedure involved. For the purpose of obtaining informed consent for medical treatment, the term practitioner includes medical and dental residents regardless of whether they have been granted clinical privileges.
Signature consent. The patient's or surrogate's signature on a VA-authorized consent form, e.g., a published numbered VA form (OF 522) or comparable form approved by the local VA facility.
Special Guardian. A person appointed by a court of appropriate jurisdiction for the specific purpose of making health-care decisions.
Surrogate. An individual, organization or other body authorized under this section to give informed consent on behalf of a patient who lacks decision-making capacity.

(b) Policy. Except as otherwise provided in this section, all patient care furnished under title 38 U.S.C. shall be carried out only with the full and informed consent of the patient or, in appropriate cases, a representative thereof. In order to give informed consent, the patient must have decision-making capacity and be able to communicate decisions concerning health care. If the patient lacks decision-making capacity or has been declared incompetent, consent must be obtained from the patient's surrogate. Practitioners may provide necessary medical care in emergency situations without the patient's or surrogate's express consent when immediate medical care is necessary to preserve life or prevent serious impairment of the health of the patient or others and the patient is unable to consent and the practitioner determines that the patient has no surrogate or that waiting to obtain consent from the patient's surrogate would increase the hazard to the life or health of the patient or others. In such circumstances consent is implied.

(c) General requirements for informed consent. Informed consent is the freely given consent that follows a careful explanation by the practitioner to the patient or the patient's surrogate of the proposed diagnostic or therapeutic procedure or course of treatment. The practitioner, who has primary responsibility for the patient or who will perform the particular procedure or provide the treatment, must explain in language understandable to the patient or surrogate the nature of a proposed procedure or treatment; the expected benefits; reasonably foreseeable associated risks, complications or side effects; reasonable and available alternatives; and anticipated results if nothing is done. The patient or surrogate must be given the opportunity to ask questions, to indicate comprehension of the information provided, and to grant permission freely without coercion. The practitioner must advise the patient or surrogate if the proposed treatment is novel or unorthodox. The patient or surrogate may withhold or revoke his or her consent at any time.

(d) Documentation of informed consent. (1) The informed consent process must be appropriately documented in the medical record. In addition, signature consent is required for all diagnostic and therapeutic treatments or procedures that:

(i) Require the use of sedation;

(ii) Require anesthesia or narcotic analgesia;

(iii) Are considered to produce significant discomfort to the patient;

(iv) Have a significant risk of complication or morbidity;

(v) Require injections of any substance into a joint space or body cavity; or

(vi) Involve testing for Human Immunodeficiency Virus (HIV).

(2) The patient's or surrogate's signature on a VA-authorized consent form must be witnessed. The witness' signature only attests to the fact that he or she saw the patient or surrogate and the practitioner sign the form. When the patient's or surrogate's signature is indicated by an "X", two adults must witness the act of signing. The signed form must be filed in the patient's medical record. A properly executed OF 522 or other VA-authorized consent form is valid for a period of 30 calendar days. If, however, the treatment plan involves multiple treatments or procedures, it will not be necessary to repeat the informed consent discussion and documentation so long as the course of treatment proceeds as planned, even if treatment extends beyond the 30-day period. If there is a change in the patient's condition that might alter the diagnostic or therapeutic decision, the consent is automatically rescinded.
(3) If it is impractical to consult with the surrogate in person, informed consent may be obtained by mail, facsimile, or telephone. A facsimile copy of a signed consent form is adequate to proceed with treatment. However, the surrogate must agree to submit a signed consent form to the practitioner. If consent is obtained by telephone, the conversation must be audiotaped or witnessed by a second VA employee. The name of the person giving consent and his or her authority to act as surrogate must be adequately identified for the record.

(e) Surrogate consent. If the practitioner who has primary responsibility for the patient determines that the patient lacks decision-making capacity and is unlikely to regain it within a reasonable period of time, informed consent must be obtained from the patient's surrogate. Patients who are incapable of giving consent as a matter of law, i.e., persons judicially determined to be incompetent and minors not otherwise able to provide informed consent, will be deemed to lack decision-making capacity for the purposes of this section. If the patient is considered a minor in the state where the VA facility is located and cannot consent to medical treatment, consent must be obtained from the patient's parent or legal guardian. The surrogate generally assumes the same rights and responsibilities as the patient in the informed consent process. The surrogate's decision must be based on his or her knowledge of what the patient would have wanted, i.e., substituted judgment. If the patient's wishes are unknown, the decision must be based on the patient's best interest. The following persons are authorized to consent on behalf of patients who lack decision-making capacity in the following order of priority:

1. Health-care agent;
2. Legal guardian or special guardian;
3. Next-of-kin: a close relative of the patient eighteen years of age or older, in the following priority: spouse, child, parent, sibling, grandparent, or grandchild; or

(f) Consent for patients without surrogates. (1) If none of the surrogates listed in paragraph (e) of this section are available, the practitioner may request Regional Counsel assistance to obtain a special guardian for health care or follow the procedures outlined in this paragraph (f).

(2) Facilities may use the following process to make treatment decisions for patients who lack decision-making capacity and have no surrogate. For treatments or procedures that involve minimal risk, the practitioner must verify that no authorized surrogate can be located. The practitioner must attempt to explain the nature and purpose of the proposed treatment to the patient and enter this information in the medical record. For procedures that require signature consent, the practitioner must certify that the patient has no surrogate. The attending physician and the Chief of Service (or his or her designee) must indicate their approval of the treatment decision in writing. For procedures that require signature consent, the practitioner must certify that the patient has no surrogate. The attending physician and the Chief of Service (or his or her designee) must indicate their approval of the treatment decision in writing. Any decision to withhold or withdraw life-sustaining treatment for such patients must be reviewed by a multi-disciplinary committee appointed by the facility Director. The committee functions as the patient's advocate and may not include members of the treatment team. The committee must submit its findings and recommendations in a written report to the Chief of Staff who must note his or her approval of the report in writing. After reviewing the record, the facility Director may concur with the decision to withhold or withdraw life support or request further review by Regional Counsel.
(g) Special consent situations. In addition to the other requirements of this section, additional protections are required in the following situations.

(1) No patient will undergo any unusual or extremely hazardous treatment or procedure, e.g., that which might result in irreversible brain damage or sterilization, except as provided in this paragraph (g). Before treatment is initiated, the patient or surrogate must be given adequate opportunity to consult with independent specialists, legal counsel or other interested parties of his or her choosing. The patient's or surrogate's signature on a VA authorized consent form must be witnessed by someone who is not affiliated with the VA health-care facility, e.g., spouse, legal guardian, or patient advocate. If a surrogate makes the treatment decision, a multi-disciplinary committee, appointed by the facility Director, must review that decision to ensure it is consistent with the patient's wishes or in his or her best interest. The committee functions as the patient's advocate and may not include members of the treatment team. The committee must submit its findings and recommendations in a written report to the facility Director. The Director may authorize treatment consistent with the surrogate's decision or request that a special guardian for health care be appointed to make the treatment decision.

(2) Administration of psychotropic medication to an involuntarily committed patient against his or her will must meet the following requirements. The patient or surrogate must be allowed to consult with independent specialists, legal counsel or other interested parties concerning the treatment with psychotropic medication. Any recommendation to administer or continue medication against the patient's or surrogate's will must be reviewed by a multi-disciplinary committee appointed by the facility Director for this purpose. This committee must include a psychiatrist or a physician who has psychopharmacology privileges. The facility Director must concur with the committee's recommendation to administer psychotropic medications contrary to the patient's or surrogate's wishes. Continued therapy with psychotropic medication must be reviewed every 30 days. The patient (or a representative on the patient's behalf) may appeal the treatment decision to a court of appropriate jurisdiction.

(3) If a proposed course of treatment or procedure involves approved medical research in whole or in part, the patient or representative shall be advised of this. Informed consent shall be obtained specifically for the administration or performance of that aspect of the treatment or procedure that involves research. Such consent shall be in addition to that obtained for the administration or performance of the nonresearch aspect of the treatment or procedure and must meet the requirements for informed consent set forth in 38 CFR Part 16, Protection of Human Subjects.

(4) Testing for Human Immunodeficiency Virus (HIV) must be voluntary and must be conducted only with the prior informed and (written) signature consent of the patient or surrogate. Patients who consent to testing for HIV must sign VA form 10-012, "Consent for HIV Antibody Testing." This form must be filed in the patient's medical record. Testing must be accompanied by pre-test and post-test counseling.

(h) Advance health care planning. Subject to the provisions of paragraphs (h)(1) through (h)(4) of this section, VA will follow the wishes of a patient expressed in an Advance Directive when the attending physician determines and documents in the patient's medical record that the patient lacks decision-making capacity and is not expected to regain it. An advance directive that is valid in one or more States under
applicable State law, as defined in paragraph (a) of this section, will be recognized throughout the VA health care system.

(1) Witnesses. A VA Advance Directive: Living Will and Durable Power of Attorney for Health Care must be signed by the patient in the presence of two witnesses. Neither witness may to the witness’ knowledge be named in the patient's will, appointed as health care agent in the advance directive, or financially responsible for the patient's care. VA employees of the Chaplain Service, Psychology Service, Social Work Service, or nonclinical employees (e.g., Medical Administration Service, Voluntary Service, or Environmental Management Service) may serve as witnesses. Other individuals employed by the VA facility in which the patient is being treated may not sign as witnesses to the advance directive. Witnesses are attesting only to the fact that they saw the patient sign the form.

(2) Instructions in critical situations. VA will follow the unambiguous verbal or non-verbal instructions regarding future health care decisions of a patient who has decision-making capacity when the patient is admitted to care when critically ill and loss of capacity may be imminent and the patient is not physically able to sign an advance directive form, or the appropriate form is not readily available. The patient's instructions must have been expressed to at least two members of the health care team. The substance of the patient's instructions must be recorded in a progress note in the patient's medical record and must be co-signed by at least two members of the health care team who were present and can attest to the wishes expressed by the patient. These instructions will be given effect only if the patient loses decision-making capacity during the presenting situation.

(3) Revocation. A patient who has decision-making capacity may revoke an advance directive or instructions in a critical situation at any time by using any means expressing the intent to revoke.

(4) VA policy and disputes. Neither the treatment team nor surrogate may override a patient's clear instructions in an Advance Directive or in instructions in critical situations, except that those portions of an Advance Directive or instructions given in a critical situation that are not consistent with VA policy will not be given effect.

§ 17.33 Patients' rights.

(a) General. (1) Patients have a right to be treated with dignity in a humane environment that affords them both reasonable protection from harm and appropriate privacy with regard to their personal needs.

(2) Patients have a right to receive, to the extent of eligibility therefor under the law, prompt and appropriate treatment for any physical or emotional disability.
(3) Patients have the right to the least restrictive conditions necessary to achieve treatment purposes.
(4) No patient in the Department of Veterans Affairs medical care system, except as otherwise provided by the applicable State law, shall be denied legal rights solely by virtue of being voluntarily admitted or involuntarily committed. Such legal rights include, but are not limited to, the following:
(i) The right to hold and to dispose of property except as may be limited in accordance with paragraph (c)(2) of this section;
(ii) The right to execute legal instruments (e.g., will);
(iii) The right to enter into contractual relationships;
(iv) The right to register and vote;
(v) The right to marry and to obtain a separation, divorce, or annulment;
(vi) The right to hold a professional, occupational, or vehicle operator's license.
(b) Residents and inpatients. Subject to paragraphs (c) and (d) of this section, patients admitted on a residential or inpatient care basis to the Department of Veterans Affairs medical care system have the following rights:
(1) Visitations and communications. Each patient has the right to communicate freely and privately with persons outside the facility, including government officials, attorneys, and clergymen. To facilitate these communications each patient shall be provided the opportunity to meet with visitors during regularly scheduled visiting hours, convenient and reasonable access to public telephones for making and receiving phone calls, and the opportunity to send and receive unopened mail.
(i) Communications with attorneys, law enforcement agencies, or government officials and representatives of recognized service organizations when the latter are acting as agents for the patient in a matter concerning Department of Veterans Affairs benefits, shall not be reviewed.
(ii) A patient may refuse visitors.
(iii) If a patient's right to receive unopened mail is restricted pursuant to paragraph (c) of this section, the patient shall be required to open the sealed mail while in the presence of an appropriate person for the sole purpose of ascertaining whether the mail contains contraband material, i.e., implements which pose significant risk of bodily harm to the patient or others or any drugs or medication. Any such material will be held for the patient or disposed of in accordance with instructions concerning patients' mail published by the Veterans Health Administration, Department of Veterans Affairs, and/or the local health care facility.
(iv) Each patient shall be afforded the opportunity to purchase, at the patient's expense, letter writing material including stamps. In the event a patient needs assistance in purchasing writing material, or in writing, reading or sending mail, the medical facility will attempt, at the patient's request, to provide such assistance by means of volunteers, sufficient to mail at least one (1) letter each week.
(v) All information gained by staff personnel of a medical facility during the course of assisting a patient in writing, reading, or sending mail is to be kept strictly confidential except for any disclosure required by law.
(2) Clothing. Each patient has the right to wear his or her own clothing.
(3) Personal Possessions. Each patient has the right to keep and use his or her own personal possessions consistent with available space, governing fire safety regulations,
restrictions on noise, and restrictions on possession of contraband material, drugs and medications.
(4) Money. Each patient has the right to keep and spend his or her own money and to have access to funds in his or her account in accordance with instructions concerning personal funds of patients published by the Veterans Health Administration.
(5) Social Interaction. Each patient has the right to social interaction with others.
(6) Exercise. Each patient has the right to regular physical exercise and to be outdoors at regular and frequent intervals. Facilities and equipment for such exercise shall be provided.
(7) Worship. The opportunity for religious worship shall be made available to each patient who desires such opportunity. No patient will be coerced into engaging in any religious activities against his or her desires.
(c) Restrictions. (1) A right set forth in paragraph (b) of this section may be restricted within the patient's treatment plan by written order signed by the appropriate health care professional if --
   (i) It is determined pursuant to paragraph (c)(2) of this section that a valid and sufficient reason exists for a restriction, and
   (ii) The order imposing the restriction and a progress note detailing the indications therefor are both entered into the patient's permanent medical record.
(2) For the purpose of paragraph (c) of this section, a valid and sufficient reason exists when, after consideration of pertinent facts, including the patient's history, current condition and prognosis, a health care professional reasonably believes that the full exercise of the specific right would --
   (i) Adversely affect the patient's physical or mental health,
   (ii) Under prevailing community standards, likely stigmatize the patient's reputation to a degree that would adversely affect the patient's return to independent living,
   (iii) Significantly infringe upon the rights of or jeopardize the health or safety of others, or
   (iv) Have a significant adverse impact on the operation of the medical facility, to such an extent that the patient's exercise of the specific right should be restricted. In determining whether a patient's specific right should be restricted, the health care professional concerned must determine that the likelihood and seriousness of the consequences that are expected to result from the full exercise of the right are so compelling as to warrant the restriction. The Chief of Service or Chief of Staff, as designated by local policy, should concur with the decision to impose such restriction. In this connection, it should be noted that there is no intention to imply that each of the reasons specified in paragraphs (c)(2)(i) through (iv) of this section are logically relevant to each of the rights set forth in paragraph (b)(1) of this section.
(3) If it has been determined under paragraph (c)(2) of this section that a valid and sufficient reason exists for restricting any of the patient's rights set forth in paragraph (b) of this section, the least restrictive method for protecting the interest or interests specified in paragraphs (c)(2)(i) through (iv) of this section that are involved shall be employed.
(4) The patient must be promptly notified of any restriction imposed under paragraph (c) of this section and the reasons therefor.
(5) All restricting orders under paragraph (c) of this section must be reviewed at least once every 30 days by the practitioner and must be concurred in by the Chief of Service or Chief of Staff.

(d) Restraint and seclusion of patients. (1) Each patient has the right to be free from physical restraint or seclusion except in situations in which there is a substantial risk of imminent harm by the patient to himself, herself, or others and less restrictive means of preventing such harm have been determined to be inappropriate or insufficient. Patients will be physically restrained or placed in seclusion only on the written order of an appropriate licensed health care professional. The reason for any restraint order will be clearly documented in the progress notes of the patient's medical record. The written order may be entered on the basis of telephonic authority, but in such an event, an appropriate licensed health care professional must examine the patient and sign a written order within an appropriate timeframe that is in compliance with current community and/or accreditation standards. In emergency situations, where inability to contact an appropriate licensed health care professional prior to restraint is likely to result in immediate harm to the patient or others, the patient may be temporarily restrained by a member of the staff until appropriate authorization can be received from an appropriate licensed health care professional. Use of restraints or seclusion may continue for a period of time that does not exceed current community and/or accreditation standards, within which time an appropriate licensed health care professional shall again be consulted to determine if continuance of such restraint or seclusion is required. Restraint or seclusion may not be used as a punishment, for the convenience of staff, or as a substitute for treatment programs.

(2) While in restraint or seclusion, the patient must be seen within appropriate timeframes in compliance with current community and/or accreditation standards:
   (i) By an appropriate health care professional who will monitor and chart the patient's physical and mental condition; and
   (ii) By other ward personnel as frequently as is reasonable under existing circumstances.

(3) Each patient in restraint or seclusion shall have bathroom privileges according to his or her needs.

(4) Each patient in restraint or seclusion shall have the opportunity to bathe at least every twenty-four (24) hours.

(5) Each patient in restraint or seclusion shall be provided nutrition and fluid appropriately.

(e) Medication. Patients have a right to be free from unnecessary or excessive medication. Except in an emergency, medication will be administered only on a written order of an appropriate health care professional in that patient's medical record. The written order may be entered on the basis of telephonic authority received from an appropriate health care professional, but in such event, the written order must be countersigned by an appropriate health care professional within 24 hours of the ordering of the medication. An appropriate health care professional will be responsible for all medication given or administered to a patient. A review by an appropriate health care professional of the drug regimen of each inpatient shall take place at least every thirty (30) days. It is recognized that administration of certain medications will be reviewed more frequently. Medication shall not be used as punishment, for the
convenience of the staff, or in quantities which interfere with the patient's treatment program.

(f) Confidentiality. Information gained by staff from the patient or the patient's medical record will be kept confidential and will not be disclosed except in accordance with applicable law.

(g) Patient grievances. Each patient has the right to present grievances with respect to perceived infringement of the rights described in this section or concerning any other matter on behalf of himself, herself or others, to staff members at the facility in which the patient is receiving care, other Department of Veterans Affairs officials, government officials, members of Congress or any other person without fear or reprisal.

(h) Notice of patient's rights. Upon the admission of any patient, the patient or his/her representative shall be informed of the rights described in this section, shall be given a copy of a statement of those rights and shall be informed of the fact that the statement of rights is posted at each nursing station. All staff members assigned to work with patients will be given a copy of the statement of rights and these rights will be discussed with them by their immediate supervisor.

(i) Other rights. The rights described in this section are in addition to and not in derogation of any statutory, constitutional or other legal rights.

§ 17.34 Tentative eligibility determinations.

§ 17.34 Tentative eligibility determinations.
Subject to the provisions of §§ 17.36 through 17.38, when an application for hospital care or other medical services, except outpatient dental care, has been filed which requires an adjudication as to service connection or a determination as to any other eligibility prerequisite which cannot immediately be established, the service (including transportation) may be authorized without further delay if it is determined that eligibility for care probably will be established. Tentative eligibility determinations under this section, however, will only be made if:
(a) In emergencies. The applicant needs hospital care or other medical services in emergency circumstances, or
(b) For persons recently discharged from service. The application was filed within 6 months after date of honorable discharge from a period of not less than 6 months of active duty.

HOSPITAL OR NURSING HOME CARE AND MEDICAL SERVICES IN FOREIGN COUNTRIES

§ 17.35 Hospital care and medical services in foreign countries.

§ 17.35 Hospital care and medical services in foreign countries.
cciDiscussion and Analysis in the Veterans Benefits Manual
The Secretary may furnish hospital care and medical services to any veteran sojourning or residing outside the United States, without regard to the veteran's citizenship:
(a) If necessary for treatment of a service-connected disability, or any disability associated with and held to be aggravating a service-connected disability;
(b) If the care is furnished to a veteran participating in a rehabilitation program under 38 U.S.C. chapter 31 who requires care for the reasons enumerated in 38 CFR 17.48(j)(2).

Enrollment Provisions and Medical Benefits Package

§ 17.36 Enrollment -- provision of hospital and outpatient care to veterans.
§ 17.37 Enrollment not required -- provision of hospital and outpatient care to veterans.
§ 17.38 Medical benefits package.
§ 17.39 Certain Filipino veterans.
§ 17.40 Additional services for indigents.

§ 17.36 Enrollment -- provision of hospital and outpatient care to veterans.

(a) Enrollment requirement for veterans. (1) Except as otherwise provided in § 17.37, a veteran must be enrolled in the VA healthcare system as a condition for receiving the "medical benefits package" set forth in § 17.38.
NOTE TO PARAGRAPh (a)(1): A veteran may apply to be enrolled at any time. (See § 17.36(d)(1).)
(2) Except as provided in paragraph (a)(3) of this section, a veteran enrolled under this section and who, if required by law to do so, has agreed to make any applicable copayment is eligible for VA hospital and outpatient care as provided in the "medical benefits package" set forth in § 17.38.
NOTE TO PARAGRAPh (a)(2): A veteran's enrollment status will be recognized throughout the United States.
(3) A veteran enrolled based on having a disorder associated with exposure to a toxic substance or radiation, for a disorder associated with service in the Southwest Asia theater of operations during the Gulf War, or any illness associated with service in combat in a war after the Gulf War or during a period of hostility after November 11, 1998, as provided in 38 U.S.C. 1710(e), is eligible for VA provided in the "medical benefits package" set forth in § 17.38 for the disorder.

(b) Categories of veterans eligible to be enrolled. The Secretary will determine which categories of veterans are eligible to be enrolled based on the following order of priority:
(1) Veterans with a singular or combined rating of 50 percent or greater based on one or more service-connected disabilities or unemployability.
(2) Veterans with a singular or combined rating of 30 percent or 40 percent based on one or more service-connected disabilities.
(3) Veterans who are former prisoners of war; veterans awarded the Purple Heart; veterans with a singular or combined rating of 10 percent or 20 percent based on one or more service-connected disabilities; veterans who were discharged or released from active military service for a disability incurred or aggravated in the line of duty; veterans who receive disability compensation under 38 U.S.C. 1151; veterans whose entitlement to disability compensation is suspended pursuant to 38 U.S.C. 1151, but only to the extent that such veterans' continuing eligibility for that care is provided for in the judgment or settlement described in 38 U.S.C. 1151; veterans whose entitlement to disability compensation is suspended because of the receipt of military retired pay; and veterans receiving compensation at the 10 percent rating level based on multiple noncompensable service-connected disabilities that clearly interfere with normal employability.
(4) Veterans who receive increased pension based on their need for regular aid and attendance or by reason of being permanently housebound and other veterans who are determined to be catastrophically disabled by the Chief of Staff (or equivalent clinical official) at the VA facility where they were examined.

(5) Veterans not covered by paragraphs (b)(1) through (b)(4) of this section who are determined to be unable to defray the expenses of necessary care under 38 U.S.C. 1722(a).

(6) Veterans of the Mexican border period or of World War I; veterans solely seeking care for a disorder associated with exposure to a toxic substance or radiation, for a disorder associated with service in the Southwest Asia theater of operations during the Gulf War, or for any illness associated with service in combat in a war after the Gulf War or during a period of hostility after November 11, 1998, as provided and limited in 38 U.S.C. 1710(e); and veterans with 0 percent service-connected disabilities who are nevertheless compensated, including veterans receiving compensation for inactive tuberculosis.

(7) Veterans who agree to pay to the United States the applicable copayment determined under 38 U.S.C. 1710(f) and 1710(g) if their income for the previous year constitutes "low income" under the geographical income limits established by the U.S. Department of Housing and Urban Development for the fiscal year that ended on September 30 of the previous calendar year. For purposes of this paragraph, VA will determine the income of veterans (to include the income of their spouses and dependents) using the rules in §§ 3.271, 3.272, 3.273, and 3.276. After determining the veterans' income and the number of persons in the veterans' family (including only the spouse and dependent children), VA will compare their income with the current applicable "low-income" income limit for the public housing and section 8 programs in their area that the U.S. Department of Housing and Urban Development publishes pursuant to 42 U.S.C. 1437a(b)(2). If the veteran's income is below the applicable "low-income" income limits for the area in which the veteran resides, the veteran will be considered to have "low income" for purposes of this paragraph. To avoid a hardship to a veteran, VA may use the projected income for the current year of the veteran, spouse, and dependent children if the projected income is below the "low income" income limit referenced above. This category is further prioritized into the following subcategories:

(i) Noncompensable zero percent service-connected veterans who are in an enrolled status on a specified date announced in a FEDERAL REGISTER document promulgated under paragraph (c) of this section and who subsequently do not request disenrollment;

(ii) Nonservice-connected veterans who are in an enrolled status on a specified date announced in a FEDERAL REGISTER document promulgated under paragraph (c) of this section and who subsequently do not request disenrollment;

(iii) Noncompensable zero percent service-connected veterans not included in paragraph (b)(7)(i) of this section;

(iv) Nonservice-connected veterans not included in paragraph (b)(7)(ii) of this section.

(8) Veterans not included in priority category 4 or 7, who are eligible for care only if they agree to pay to the United States the applicable copayment determined under 38 U.S.C. 1710(f) and 1710(g). This category is further prioritized into the following subcategories:
(i) Noncompensable zero percent service-connected veterans who are in an enrolled status on a specified date announced in a FEDERAL REGISTER document promulgated under paragraph (c) of this section and who subsequently do not request disenrollment;
(ii) Nonservice-connected veterans who are in an enrolled status on a specified date announced in a FEDERAL REGISTER document promulgated under paragraph (c) of this section and who subsequently do not request disenrollment;
(iii) Noncompensable zero percent service-connected veterans not included in paragraph (b)(8)(i) of this section; and
(iv) Nonservice-connected veterans not included in paragraph (b)(8)(ii) of this section.
(c) FEDERAL REGISTER notification of eligible enrollees. (1) It is anticipated that on or before August 1 of each year the Secretary will announce in paragraph (c)(2) of this section which categories of veterans are eligible to be enrolled. As necessary, the Secretary at any time may revise this determination by further amending paragraph (c)(2) of this section. The preamble to a FEDERAL REGISTER document announcing which priority categories are eligible to be enrolled must specify the projected number of fiscal year applicants for enrollment in each priority category, projected healthcare utilization and expenditures for veterans in each priority category, appropriated funds and other revenue projected to be available for fiscal year enrollees, and results -- projected total expenditures for enrollees by priority category. The determination should include consideration of relevant internal and external factors, e.g., economic changes, changes in medical practices, and waiting times to obtain an appointment for care. Consistent with these criteria, the Secretary will determine which categories of veterans are eligible to be enrolled based on the order of priority specified in paragraph (b) of this section.
(2) Unless changed by a rulemaking document in accordance with paragraph (c)(1) of this section, VA will enroll all priority categories of veterans set forth in § 17.36(b) beginning January 17, 2003 except that those veterans in priority category 8 who were not in an enrolled status on January 17, 2003 or who requested disenrollment after that date, are not eligible to be enrolled.
(d) Enrollment and disenrollment process -- (1) Application for enrollment. A veteran may apply to be enrolled in the VA healthcare system at any time. A veteran who wishes to be enrolled must apply by submitting a VA Form 10-10EZ to a VA medical facility. Veterans applying based on inclusion in priority categories 1, 2, 3, 6, and 8 do not need to complete section II, but must complete the rest of the form. Veterans applying based on inclusion in priority category 4 because of their need for regular aid and attendance or by being permanently housebound need not complete section II, but must complete the rest of the form. Veterans applying based on inclusion in priority category 4 because they are catastrophically disabled need not complete section II, but must complete the rest of the form, if: they agree to pay to the United States the applicable copayment determined under 38 U.S.C. 1710(f) and 1710(g); they are a veteran of the Mexican border period or of World War I or a veteran with a 0 percent service-connected disability who is nevertheless compensated; their catastrophic disability is a disorder associated with exposure to a toxic substance or radiation, or with service in the Southwest Asia theater of operations during the Gulf War as provided in 38 U.S.C. 1710(e); or their catastrophic disability is an illness associated with service in combat in a war after the Gulf War or during a period of hostility after November 11, 1998, as provided in 38 U.S.C. 1710(e). All other veterans applying based on inclusion in priority category 4 because they are
catastrophically disabled must complete the entire form. Veterans applying based on inclusion in priority category 5 must complete the entire form. Veterans applying based on inclusion in priority category 7 must complete the entire form except for section IIE. VA form 10-10EZ is set forth in paragraph (f) of this section and is available from VA medical facilities.

(2) Action on application. Upon receipt of a completed VA Form 10-10EZ, a VA network or facility director, or the Deputy Under Secretary for Health for Operations and Management or Chief, Health Administration Service or equivalent official at a VA medical facility, or Director, Health Eligibility Center, will accept a veteran as an enrollee upon determining that the veteran is in a priority category eligible to be enrolled as set forth in § 17.36(c)(2). Upon determining that a veteran is not in a priority category eligible to be enrolled, the VA network or facility director, or the Deputy Under Secretary for Health for Operations and Management or Chief, Health Administration Service or equivalent official at a VA medical facility, or Director, Health Eligibility Center, will inform the applicant that the applicant is ineligible to be enrolled.

(3) Placement in enrollment categories.
   (i) Veterans will be placed in priority categories whether or not veterans in that category are eligible to be enrolled.
   (ii) A veteran will be placed in the highest priority category or categories for which the veteran qualifies.
   (iii) A veteran may be placed in only one priority category, except that a veteran placed in priority category 6 based on a specified disorder or illness will also be placed in priority category 7 or priority category 8, as applicable, if the veteran has previously agreed to pay the applicable copayment, for all matters not covered by priority category 6.
   (iv) A veteran who had been enrolled based on inclusion in priority category 5 and became no longer eligible for inclusion in priority category 5 due to failure to submit to VA a current VA Form 10-10EZ will be changed automatically to enrollment based on inclusion in priority category 6 or 8 (or more than one of these categories if the previous principle applies), as applicable, and be considered continuously enrolled. To meet the criteria for priority category 5, a veteran must be eligible for priority category 5 based on the information submitted to VA in a current VA Form 10-10EZ. To be current, after VA has sent a form 10-10EZ to the veteran at the veteran's last known address, the veteran must return the completed form (including signature) to the address on the return envelope within 60 days from the date VA sent the form to the veteran.
   (v) Veterans will be disenrolled, and reenrolled, in the order of the priority categories listed with veterans in priority category 1 being the last to be disenrolled and the first to be reenrolled. Similarly, within priority categories 7 and 8, veterans will be disenrolled, and reenrolled, in the order of the priority subcategories listed with veterans in subcategory (i) being the last to be disenrolled and first to be reenrolled.

(4) Automatic enrollment. Notwithstanding other provisions of this section, veterans who were notified by VA letter that they were enrolled in the VA healthcare system under the trial VA enrollment program prior to October 1, 1998, automatically will be enrolled in the VA healthcare system under this section if determined by a VA network or facility director, or the Deputy Under Secretary for Health for Operations and Management or Chief, Health Administration Service or equivalent official at a VA medical facility, or
Director, Health Eligibility Center, that the veteran is in a priority category eligible to be enrolled as set forth in § 17.36(c)(2). Upon determining that a veteran is not in a priority category eligible to be enrolled, the VA network or facility director, or the Deputy Under Secretary for Health for Operations and Management or Chief, Health Administration Service or equivalent official at a VA medical facility, or Director, Health Eligibility Center, will inform the veteran that the veteran is ineligible to be enrolled.

(5) Disenrollment. A veteran enrolled in the VA health care system under paragraph (d)(2) or (d)(4) of this section will be disenrolled only if:

(i) The veteran submits to a VA medical center or the VA Health Eligibility Center, 1644 Tullie Circle, Atlanta, Georgia 30329, a signed document stating that the veteran no longer wishes to be enrolled; or

(ii) A VA network or facility director, or the Deputy Under Secretary for Health for Operations and Management or Chief, Health Administration Service or equivalent official at a VA medical facility, or Director, Health Eligibility Center, determines that the veteran is no longer in a priority category eligible to be enrolled, as set forth in § 17.36(c)(2); or

(iii) A VA network or facility director, or the Deputy Under Secretary for Health for Operations and Management or Chief, Health Administration Service or equivalent official at a VA medical facility, or Director, Health Eligibility Center, determines that the veteran has been enrolled based on inclusion in priority category 5 or priority category 7; determines that the veteran was sent by mail a VA Form 10-10EZ; and determines that the veteran failed to return the completed form to the address on the return envelope within 60 days from receipt of the form. VA Form 10-10EZ is set forth in paragraph (f) of this section.

(6) Notification of enrollment status. Notice of a decision by a VA network or facility director, or the Deputy Under Secretary for Health for Operations and Management or Chief, Health Administration Service or equivalent official at a VA medical facility, or Director, Health Eligibility Center, regarding enrollment status will be provided to the affected veteran by letter and will contain the reasons for the decision. The letter will include an effective date for any changes and a statement regarding appeal rights. The decision will be based on all information available to the decisionmaker, including the information contained in VA Form 10-10EZ.

(e) Catastrophically disabled. For purposes of this section, catastrophically disabled means to have a permanent severely disabling injury, disorder, or disease that compromises the ability to carry out the activities of daily living to such a degree that the individual requires personal or mechanical assistance to leave home or bed or requires constant supervision to avoid physical harm to self or others. This definition is met if an individual has been found by the Chief of Staff (or equivalent clinical official) at the VA facility where the individual was examined to have a permanent condition specified in paragraph (e)(1) of this section; to meet permanently one of the conditions specified in paragraph (e)(2) of this section by a clinical evaluation of the patient's medical records that documents that the patient previously met the permanent criteria and continues to meet such criteria (permanently) or would continue to meet such criteria (permanently) without the continuation of on-going treatment; or to meet permanently one of the conditions specified in paragraph (e)(2) of this section by a current medical examination that documents that the patient meets the permanent criteria and will continue to meet
such criteria (permanently) or would continue to meet such criteria (permanently) without the continuation of on-going treatment.

(1) Quadriplegia and quadriparesis (ICD-9-CM Code 344.0x: 344.00, 344.01, 344.02, 344.03, 344.04, 3.44.09), paraplegia (ICD-9-CM Code 344.1), blindness (ICD-9-CM Code 369.4), persistent vegetative state (ICD-9-CM Code 780.03), or a condition resulting from two of the following procedures (ICD-9-CM Code 84.x or associated V Codes when available or Current Procedural Terminology (CPT) Codes) provided the two procedures were not on the same limb:

(i) Amputation through hand (ICD-9-CM Code 84.03 or V Code V49.63 or CPT Code 25927);
(ii) Disarticulation of wrist (ICD-9-CM Code 84.04 or V Code V49.64 or CPT Code 25920);
(iii) Amputation through forearm (ICD-9-CM Code 84.05 or V Code V49.65 or CPT Codes 25900, 25905);
(iv) Disarticulation of forearm (ICD-9-CM Code 84.05 or V Code V49.66 or CPT Codes 25900, 25905);
(v) Amputation or disarticulation through elbow. (ICD-9-CM Code 84.06 or V Code V49.66 or CPT Codes 25900, 24999);
(vi) Amputation through humerus (ICD-9-CM Code 84.07 or V Code V49.66 or CPT Codes 24900, 24920);
(vii) Shoulder disarticulation (ICD-9-CM Code 84.08 or V Code V49.67 or CPT Code 23920);
(viii) Forequarter amputation (ICD-9-CM Code 84.09 or CPT Code 23900);
(ix) Lower limb amputation not otherwise specified (ICD-9-CM Code 84.10 or V Code V49.70 or CPT Codes 27880, 27882);
(x) Amputation of great toe (ICD-9-CM Code 84.11 or V Code V49.71 or CPT Codes 28810, 28820);
(xi) Amputation through foot (ICD-9-CM Code 84.12 or V Code V49.73 or CPT Codes 28800, 28805);
(xii) Disarticulation of ankle (ICD-9-CM Code 84.13 or V Code V49.74 or CPT 27889);
(xiii) Amputation through malleoli (ICD-9-CM Code 84.14 or V Code V49.75 or CPT Code 27888);
(xiv) Other amputation below knee (ICD-9-CM Code 84.15 or V Code V49.75 or CPT Codes 27880, 27882);
(xv) Disarticulation of knee (ICD-9-CM Code 84.16 or V Code V49.76 or CPT Code 27598);
(xvi) Above knee amputation (ICD-9-CM Code 84.17 or V Code V49.76 or CPT Code 27598);
(xvii) Disarticulation of hip (ICD-9-CM Code 84.18 or V Code V49.77 or CPT Code 27295); and
(xviii) Hindquarter amputation (ICD-9-CM Code 84.19 or CPT Code 27290).

(2)(i) Dependent in 3 or more Activities of Daily Living (eating, dressing, bathing, toileting, transferring, incontinence of bowel and/or bladder), with at least 3 of the dependencies being permanent with a rating of 1, using the Katz scale.
(ii) A score of 10 or lower using the Folstein Mini-Mental State Examination.
§ 17.37 Enrollment not required -- provision of hospital and outpatient care to veterans.

Even if not enrolled in the VA healthcare system:

(a) A veteran rated for service-connected disabilities at 50 percent or greater will receive VA care provided for in the "medical benefits package" set forth in § 17.38.

(b) A veteran who has a service-connected disability will receive VA care provided for in the "medical benefits package" set forth in § 17.38 for that service-connected disability.

(c) A veteran who was discharged or released from active military service for a disability incurred or aggravated in the line of duty will receive VA care provided for in the "medical benefits package" set forth in § 17.38 for that disability for the 12-month period following discharge or release.

(d) When there is a compelling medical need to complete a course of VA treatment started when the veteran was enrolled in the VA healthcare system, a veteran will receive that treatment.

(e) Subject to the provisions of § 21.240, a veteran participating in VA's vocational rehabilitation program described in §§ 21.1 through 21.430 will receive VA care provided for in the "medical benefits package" set forth in § 17.38.

(f) A veteran may receive care provided for in the "medical benefits package" based on factors other than veteran status (e.g., a veteran who is a private-hospital patient and is referred to VA for a diagnostic test by that hospital under a sharing contract; a veteran who is a VA employee and is examined to determine physical or mental fitness to perform official duties; a Department of Defense retiree under a sharing agreement).

(g) For care not provided within a State, a veteran may receive VA care provided for in the "medical benefits package" set forth in § 17.38 if authorized under the provisions of 38 U.S.C. 1724 and 38 CFR 17.35.

(h) Commonwealth Army veterans and new Philippine Scouts may receive care provided for in the "medical benefits package" set forth in § 17.38 if authorized under the provisions of 38 U.S.C. 1724 and 38 CFR 17.35.
(i) A veteran may receive certain types of VA care not included in the "medical benefits package" set forth in § 17.38 if authorized by statute or other sections of 38 CFR (e.g., humanitarian emergency care for which the individual will be billed, compensation and pension examinations, dental care, domiciliary care, nursing home care, readjustment counseling, care as part of a VA-approved research project, seeing-eye or guide dogs, sexual trauma counseling and treatment, special registry examinations).

(j) A veteran may receive an examination to determine whether the veteran is catastrophically disabled and therefore eligible for inclusion in priority category 4.

§ 17.38 Medical benefits package.

(a) Subject to paragraphs (b) and (c) of this section, the following hospital, outpatient, and extended care services constitute the "medical benefits package" (basic care and preventive care):

(1) Basic care.

(i) Outpatient medical, surgical, and mental healthcare, including care for substance abuse.

(ii) Inpatient hospital, medical, surgical, and mental healthcare, including care for substance abuse.

(iii) Prescription drugs, including over-the-counter drugs and medical and surgical supplies available under the VA national formulary system.

(iv) Emergency care in VA facilities; and emergency care in non-VA facilities in accordance with sharing contracts or if authorized by §§ 17.52(a)(3), 17.53, 17.54, 17.120-132.

(v) Bereavement counseling as authorized in § 17.98.

(vi) Comprehensive rehabilitative services other than vocational services provided under 38 U.S.C. chapter 31.

(vii) Consultation, professional counseling, training, and mental health services for the members of the immediate family or legal guardian of the veteran or the individual in whose household the veteran certifies an intention to live, if needed to treat:

(A) The service-connected disability of a veteran; or

(B) The nonservice-connected disability of a veteran where these services were first given during the veteran's hospitalization and continuing them is essential to permit the veteran's release from inpatient care.

(viii) Durable medical equipment and prosthetic and orthotic devices, including eyeglasses and hearing aids as authorized under § 17.149.

(ix) Home health services authorized under 38 U.S.C. 1717 and 1720C.

(x) Reconstructive (plastic) surgery required as a result of disease or trauma, but not including cosmetic surgery that is not medically necessary.

(xi) (A) Hospice care, palliative care, and institutional respite care; and

(B) Noninstitutional geriatric evaluation, noninstitutional adult day health care, and noninstitutional respite care.
(xii) Payment of travel and travel expenses for veterans eligible under § 17.143 if authorized by that section.
(xiii) Pregnancy and delivery services, to the extent authorized by law.
(xiv) Completion of forms (e.g., Family Medical Leave forms, life insurance applications, Department of Education forms for loan repayment exemptions based on disability, non-VA disability program forms) by healthcare professionals based on an examination or knowledge of the veteran's condition, but not including the completion of forms for examinations if a third party customarily will pay health care practitioners for the examination but will not pay VA.

(2) Preventive care, as defined in 38 U.S.C. 1701(9), which includes:
(i) Periodic medical exams.
(ii) Health education, including nutrition education.
(iii) Maintenance of drug-use profiles, drug monitoring, and drug use education.
(iv) Mental health and substance abuse preventive services.
(v) Immunizations against infectious disease.
(vi) Prevention of musculoskeletal deformity or other gradually developing disabilities of a metabolic or degenerative nature.
(vii) Genetic counseling concerning inheritance of genetically determined diseases.
(viii) Routine vision testing and eye-care services.
(ix) Periodic reexamination of members of high-risk groups for selected diseases and for functional decline of sensory organs, and the services to treat these diseases and functional declines.

(b) Provision of the "medical benefits package". Care referred to in the "medical benefits package" will be provided to individuals only if it is determined by appropriate healthcare professionals that the care is needed to promote, preserve, or restore the health of the individual and is in accord with generally accepted standards of medical practice.

(1) Promote health. Care is deemed to promote health if the care will enhance the quality of life or daily functional level of the veteran, identify a predisposition for development of a condition or early onset of disease which can be partly or totally ameliorated by monitoring or early diagnosis and treatment, and prevent future disease.

(2) Preserve health. Care is deemed to preserve health if the care will maintain the current quality of life or daily functional level of the veteran, prevent the progression of disease, cure disease, or extend life span.

(3) Restoring health. Care is deemed to restore health if the care will restore the quality of life or daily functional level that has been lost due to illness or injury.

(c) In addition to the care specifically excluded from the "medical benefits package" under paragraphs (a) and (b) of this section, the "medical benefits package" does not include the following:
(1) Abortions and abortion counseling.
(2) In vitro fertilization.
(3) Drugs, biologicals, and medical devices not approved by the Food and Drug Administration unless the treating medical facility is conducting formal clinical trials under an Investigational Device Exemption (IDE) or an Investigational New Drug (IND) application, or the drugs, biologicals, or medical devices are prescribed under a compassionate use exemption.
(4) Gender alterations.
(5) Hospital and outpatient care for a veteran who is either a patient or inmate in an institution of another government agency if that agency has a duty to give the care or services.

(6) Membership in spas and health clubs.

§ 17.39 Certain Filipino veterans.

(a) Any Filipino Commonwealth Army veteran, including one who was recognized by authority of the U.S. Army as belonging to organized Filipino guerilla forces, or any new Philippine Scout is eligible for hospital care, nursing home care, and outpatient medical services within the United States in the same manner and subject to the same terms and conditions as apply to U.S. veterans, if such veteran or scout resides in the United States and is a citizen or lawfully admitted to the United States for permanent residence. For purposes of these VA health care benefits, the standards described in 38 CFR 3.42(c) will be accepted as proof of U.S. citizenship or lawful permanent residence.

(b) Commonwealth Army Veterans, including those who were recognized by authority of the U.S. Army as belonging to organized Filipino guerilla forces, and new Philippine Scouts are not eligible for VA health care benefits if they do not meet the residency and citizenship requirements described in Sec. 3.42(c).

§ 17.40 Additional services for indigents.

In addition to the usual medical services agreed upon between the governments of the United States and the Republic of the Philippines to be made available to patients for whom the Department of Veterans Affairs has authorized care at the Veterans Memorial Medical Center, any such patient determined by the U.S. Department of Veterans Affairs to be indigent or without funds may be furnished toilet articles and barber services, including haircutting and shaving necessary for hygienic reasons.

§ 17.41 Persons eligible for hospital observation and physical examination.
§ 17.42 Examinations on an outpatient basis.

§ 17.41 Persons eligible for hospital observation and physical examination.
Hospitalization for observation and physical (including mental) examination may be effected when requested by an authorized official, or when found necessary in examination of the following persons:
(a) Claimants or beneficiaries of VA for purposes of disability compensation, pension, participation in a rehabilitation program under 38 U.S.C. chapter 31, and Government insurance. (38 U.S.C. 1711(a))
(b) Claimants or beneficiaries referred to a diagnostic center for study to determine the clinical identity of an obscure disorder.
(c) Employees of the Department of Veterans Affairs when necessary to determine their mental or physical fitness to perform official duties.
(d) Claimants or beneficiaries of other Federal agencies:
   (1) Department of Justice -- plaintiffs in Government insurance suits.
   (2) United States Civil Service Commission -- annuitants or applicants for retirement annuity, and such examinations of prospective appointees as may be requested.
   (3) Office of Workers’ Compensation Programs -- to determine identity, severity, or persistence of disability.
   (4) Railroad Retirement Board -- applicants for annuity under Public No. 162, 75th Congress.
   (5) Other Federal agencies.

§ 17.42 Examinations on an outpatient basis.
Physical examinations on an outpatient basis may be furnished to applicants who have been tentatively determined to be eligible for Department of Veterans Affairs hospital or domiciliary care to determine their need for such care and to the same categories of persons for whom hospitalization for observation and examination may be authorized under § 17.41. [35 FR 6586, Apr. 24, 1970; redesignated and amended at 61 FR 21964, 21965, 21966, May 13, 1996]
§ 17.43 Persons entitled to hospital or domiciliary care.

Hospital or domiciliary care may be provided:

(a) Not subject to the eligibility provisions of 38 U.S.C. 1710, 1722, and 1729 and 38 CFR 17.44 and 17.45, for:

(1) Persons in the Armed Forces when duly referred with authorization therefor, may be furnished hospital care. Emergency treatment may be rendered, without obtaining formal authorization, to such persons upon their own application, when absent from their commands. Identification of active duty members of the uniformed services will be made by military identification card.

(2) Hospital care may be provided, upon authorization, for beneficiaries of the Public Health Service, Office of Workers' Compensation Programs, and other Federal agencies.

(3) Pensioners of nations allied with the United States in World War I and World War II may be supplied hospital care when duly authorized.

(b) Emergency hospital care may be provided for:

(1) Persons having no eligibility, as a humanitarian service.

(2) Persons admitted because of presumed discharge or retirement from the Armed Forces, but subsequently found to be ineligible as such.

(3) Employees (not potentially eligible as ex-members of the Armed Forces) and members of their families, when residing on reservations of field facilities of the Department of Veterans Affairs, and when they cannot feasibly obtain emergency treatment from private facilities.

(c) Hospital care when incidental to, and to the extent necessary for, the use of a specialized Department of Veterans Affairs medical resource pursuant to a sharing agreement entered into under § 17.210, may be authorized for any person designated by the other party to the agreement as a patient to be benefited under the agreement.

(d) The authorization of services under any provision of this section, except services for eligible veterans, is subject to charges as required by § 17.101.

§ 17.44 Hospital care for certain retirees with chronic disability (Executive Orders 10122, 10400 and 11733).

Hospital care may be furnished when beds are available to members or former members of the uniformed services (Army, Navy, Air Force, Marine Corps, Coast Guard, Coast and Geodetic Survey, now National Oceanic and Atmospheric Administration hereinafter referred to as NOAA, and Public Health Service) temporarily or permanently retired for physical disability or receiving disability retirement pay who require hospital care for chronic diseases and who have no eligibility for hospital care under laws governing the Department of Veterans Affairs, or who having eligibility do not elect hospitalization as Department of Veterans Affairs beneficiaries. Care under this section is subject to the following conditions:

(a) Persons defined in this section who are members or former members of the active military, naval, or air service must agree to pay the subsistence rate set by the Secretary of Veterans Affairs, except that no subsistence charge will be made for those persons who are members or former members of the Public Health Service, Coast Guard, Coast and Geodetic Survey now NOAA, and enlisted personnel of the Army, Navy, Marine Corps, and Air Force.

(b) Under this section, the term chronic diseases shall include chronic arthritis, malignancy, psychiatric disorders, poliomyelitis with residuals, neurological disabilities, diseases of the nervous system, severe injuries to the nervous system, including quadriplegia, hemiplegia and paraplegia, tuberculosis, blindness and deafness requiring definitive rehabilitation, disability from major amputation, and other diseases as may be agreed upon from time to time by the Under Secretary for Health and designated officials of the Department of Defense and Department of Health and Human Services. For the purpose of this section, blindness is defined as corrected visual acuity of 20/200 or less in the better eye, or corrected central visual acuity of more than 20/200 if there is a field defect in which the peripheral field has contracted to such an extent that its widest diameter subtends the widest diameter of the field of the better eye at an angle no greater than 20[degrees].

(c) In the case of persons who are former members of the Coast and Geodetic Survey, care may be furnished under this section even though their retirement for disability was from the Environmental Service Administration or NOAA.

§ 17.45 Hospital care for research purposes.

Subject to the provisions of § 17.62(g), any person who is a bona fide volunteer may be admitted to a Department of Veterans Affairs hospital when the treatment to be rendered is part of an approved Department of Veterans Affairs research project and there are insufficient veteran-patients suitable for the project.
§ 17.46 Eligibility for hospital, domiciliary or nursing home care of persons discharged or released from active military, naval, or air service.

(a) In furnishing hospital care under 38 U.S.C. 1710(a)(1), VA officials shall:
(1) If the veteran is in immediate need of hospitalization, furnish care at VA facility where the veteran applies or, if that facility is incapable of furnishing care, arrange to admit the veteran to the nearest VA medical center, or Department of Defense hospital with which VA has a sharing agreement under 38 U.S.C. 8111, which is capable of providing the needed care, or if VA or DOD facilities are not available, arrange for care on a contract basis if authorized by 38 U.S.C. 1703 and 38 CFR 17.52; or
(2) If the veteran needs non-immediate hospitalization, schedule the veteran for admission at VA facility where the veteran applies, if the schedule permits, or refer the veteran for admission or scheduling for admission at the nearest VA medical center, or Department of Defense facility with which VA has a sharing agreement under 38 U.S.C. 8111.

(b) Domiciliary care may be furnished when needed to:
(1) Any veteran whose annual income does not exceed the maximum annual rate of pension payable to a veteran in need of regular aid and attendance, or
(2) Any veteran who the Secretary determines had no adequate means of support. An additional requirement for eligibility for domiciliary care is the ability of the veteran to perform the following:
   (i) Perform without assistance daily ablutions, such as brushing teeth; bathing; combing hair; body eliminations.
   (ii) Dress self, with a minimum of assistance.
   (iii) Proceed to and return from the dining hall without aid.
   (iv) Feed self.
   (v) Secure medical attention on an ambulatory basis or by use of personally propelled wheelchair.
   (vi) Have voluntary control over body eliminations or control by use of an appropriate prosthesis.
   (vii) Share in some measure, however slight, in the maintenance and operation of the facility.
   (viii) Make rational and competent decisions as to his or her desire to remain or leave the facility.
§ 17.47 Considerations applicable in determining eligibility for hospital, nursing home or domiciliary care.

(a)(1) For applicants discharged or released for disability incurred or aggravated in line of duty and who are not in receipt of compensation for service-connected or service-aggravated disability, the official records of the Armed Forces relative to findings of line of duty for its purposes will be accepted in determining eligibility for hospital care. Where the official records of the Armed Forces show a finding of disability not incurred or aggravated in line of duty and evidence is submitted to the Department of Veterans Affairs which permits of a different finding, the decision of the Armed Forces will not be binding upon the Department of Veterans Affairs, which will be free to make its own determination of line of duty incurrence or aggravation upon evidence so submitted. It will be incumbent upon the applicant to present controverting evidence and, until such evidence is presented and a determination favorable to the applicant is made by the Department of Veterans Affairs, the finding of the Armed Forces will control and hospital care will not be authorized. Such controverting evidence, when received from an applicant, will be referred to the adjudicating agency which would have jurisdiction if the applicant was filing claim for pension or disability compensation, and the determination of such agency as to line of duty, which is promptly to be communicated to the head of the field facility receiving the application for hospital care, will govern the facility Director's disapproval or approval of admission, other eligibility requirements having been met. Where the official records of the Armed Forces show that the disability for which a veteran was discharged or released from the Armed Forces under other than dishonorable conditions was incurred or aggravated in the line of duty, such showing will be accepted for the purpose of determining his or her eligibility for hospitalization, notwithstanding the fact that the Department of Veterans Affairs has made a determination in connection with a claim for monetary benefits that the disability was incurred or aggravated not in line of duty.

(2) In those exceptional cases where the official records of the Armed Forces show discharge or release under other than dishonorable conditions because of expiration of period of enlistment or any other reason except disability, but also show a disability incurred or aggravated in line of duty during the said enlistment; and the disability so recorded is considered in medical judgment to be or to have been of such character, duration, and degree as to have justified a discharge or release for disability had the period of enlistment not expired or other reason for discharge or release been given, the Under Secretary for Health, upon consideration of a clear, full statement of circumstances, is authorized to approve admission of the applicant for hospital care, provided other eligibility requirements are met. A typical case of this kind will be one where the applicant was under treatment for the said disability recorded during his or her service at the time discharge or release was given for the reason other than disability.

(b)(1) Under 38 U.S.C. 1710(a)(1), veterans who are receiving disability compensation awarded under § 3.800 of this chapter, where a disease, injury or the aggravation of an existing disease or injury occurs as a result of VA examination, medical or surgical treatment, or of hospitalization in a VA health care facility or of participation in a rehabilitation program under 38 U.S.C. ch. 31, under any law administered by VA and not the result of his/her own willful misconduct. Treatment may be provided for the
disability for which the compensation is being paid or for any other disability. Treatment under the authority of 38 U.S.C. 1710(a)(1) may not be authorized during any period when disability compensation under § 3.800 of this title is not being paid because of the provision of § 3.800(a)(2), except to the extent continuing eligibility for such treatment is provided for in the judgment for settlement described in § 3.800(a)(2) of this title.

(2) For purposes of eligibility for domiciliary care, the phrase no adequate means of support refers to an applicant for domiciliary care whose annual income exceeds the annual rate of pension for a veteran in receipt of regular aid and attendance, as defined in 38 U.S.C. 1503, but who is able to demonstrate to competent VA medical authority, on the basis of objective evidence, that deficits in health and/or functional status render the applicant incapable of pursuing substantially gainful employment, as determined by the Chief of Staff, and who is otherwise without the means to provide adequately for self, or be provided for in the community.

(c) A disability, disease, or defect will comprehend any acute, subacute, or chronic disease (or a general medical, tuberculous, or neuropsychiatric type) of any acute, subacute, or chronic surgical condition susceptible of cure or decided improvement by hospital care; or any condition which does not require hospital care for an acute or chronic condition but requires domiciliary care. Domiciliary care, as the term implies, is the provision of a home, with such ambulant medical care as is needed. To be provided with domiciliary care, the applicant must consistently have a disability, disease, or defect which is essentially chronic in type and is producing disablement of such degree and probable persistency as will incapacitate from earning a living for a prospective period.

(Authority: 38 U.S.C. 1701, 1710)

(d)(1) For purposes of determining eligibility for hospital or nursing home care under § 17.47(a), a veteran will be determined unable to defray the expenses of necessary care if the veteran agrees to provide verifiable evidence, as determined by the Secretary, that:

(i) The veteran is eligible to receive medical assistance under a State plan approved under title XIX of the Social Security Act;

(Authority: 42 U.S.C. 1396, et seq.)

(ii) The veteran is in receipt of pension under 38 U.S.C. 1521; or

(iii) The veteran's attributable income does not exceed $ 15,000 if the veteran has no dependents, $ 18,000 if the veteran has one dependent, plus $ 1,000 for each additional dependent.

(2) For purposes of determining eligibility for hospital or nursing home care under § 17.47(c), a veteran will be determined eligible for necessary care if the veteran agrees to provide verifiable evidence, as determined by the Secretary, that: The veteran's attributable income does not exceed $ 20,000 if the veteran has no dependents, $ 25,000 if the veteran has one dependent, plus $ 1,000 for each additional dependent.

(3) Effective on January 1 of each year after calendar year 1986, the amounts set forth in paragraph (d)(1) and (2) of this section shall be increased by the percentage by which the maximum rates of pension were increased under 38 U.S.C. 1111(a), during the preceding year.

(4) Determinations with respect to attributable income made under paragraph (d)(1) and (2) of this section, shall be made in the same manner, including the same sources of income and exclusions from income, as determinations with respect to income are made for determining eligibility for pension under §§ 3.271 and 3.272 of this title. The term attributable income means income of a veteran for the calendar year preceding application for care, determined in the same manner as the manner in which a determination is made of the total amount of income by which the rate of pension for such veteran under 38 U.S.C. 1521 would be reduced if such veteran were eligible for pension under that section. 

(5) Notwithstanding the attributable income of a veteran, VA may determine that such veteran is not eligible under paragraph (d)(1) and (2) of this section if the corpus of the estate of the veteran is such that under all the circumstances it is reasonable that some part of the corpus of the estate of the veteran be consumed for the veteran's maintenance. The corpus of the estate of a veteran shall be determined in the same manner as determinations are made with respect to the determinations of eligibility for pension under § 3.275 of this chapter. The term corpus of the estate of the veteran includes the corpus of the estates of the veteran's spouse and dependent children, if any. 

(6) In order to avoid hardship VA may determine that a veteran is eligible for care notwithstanding that the veteran does not meet the income requirements established in paragraph (d)(1)(iii) or (d)(2) of this section, if projections of the veteran's income for the year following application for care are substantially below the income requirements established in paragraph (d)(1)(iii) or (d)(2) of this section. 

(e)(1) If VA determines that an individual was incorrectly charged a copayment, VA will refund the amount of any copayment actually paid by that individual. 

(2) In the event a veteran provided inaccurate information on an application and is incorrectly deemed eligible for care under 38 U.S.C. 1710 (a)(1) rather than § 1710(a)(2), VA shall retroactively bill the veteran for the applicable copayment. 

(f) If a veteran who receives hospital or nursing home care under 38 U.S.C. (a)(2) or outpatient care under 38 U.S.C. 1712(a)(4) by virtue of the veteran's eligibility for hospital care under 38 U.S.C. 1710(a), fails to pay to the United States the amounts agreed to under those sections shall be grounds for determining, in accordance with guidelines promulgated by the Under Secretary for Health, that the veteran is not eligible to receive further care under those sections until such amounts have been paid in full. 

(g)(1) Persons hospitalized who have no service-connected disabilities pursuant to § 17.47, and/or persons receiving outpatient medical services pursuant to paragraphs (e), (f), (i), (j), and/or (k) of § 17.60 who have no service-connected disabilities who it is believed may be eligible for hospital care and/or medical services, or reimbursement for the expenses of care or services for all or part of the cost thereof by reason of the following: 

(i) Membership in a union, fraternal or other organization, or
(ii) Coverage under an insurance policy, or contract, medical, or hospital service agreement, membership, or subscription contract or similar arrangement under which health services for individuals are provided or the expenses of such services are paid, will not be furnished hospital care or medical services without charge therefore to the extent of the amount for which such parties referred to in paragraphs (g)(1)(i) or (g)(1)(ii) of this section, are, will become, or may be liable. Persons believed entitled to care under any of the plans discussed above will be required to provide such information as the Secretary may require. Provisions of this paragraph are effective April 7, 1986, except in the case of a health care policy or contract that was entered into before that date, the effective date shall be the day after the plan was modified or renewed or on which there was any change in premium or coverage and will apply only to care and services provided by VA after the date the plan was modified, renewed, or on which there was any change in premium or coverage.

(2) Persons hospitalized for the treatment of nonservice-connected disabilities pursuant to § 17.47, or persons receiving outpatient medical services pursuant to paragraph (e), (f), (h), (i), (j), or (k) of § 17.60, and who it is believed may be entitled to hospital care and/or medical services or to reimbursement for all or part of the cost thereof from any one or more of the following parties:

(i) Workers' Compensation or employer's liability statutes, State or Federal;
(ii) By reason of statutory or other relationships with third parties, including those liable for damages because of negligence or other legal wrong;
(iii) By reason of a statute in a State, or political subdivision of a State;
(A) Which requires automobile accident reparations or;
(B) Which provides compensation or payment for medical care to victims suffering personal injuries as the result of a crime of personal violence;
(iv) Right to maintenance and cure in admiralty;

will not be furnished hospital care or medical services without charge therefore to the extent of the amount for which such parties are, will become, or may be liable. Persons believed entitled to care under circumstances described in paragraph (g)(2)(ii) of this section will be required to complete such forms as the Secretary may require, such as a power of attorney and assignment. Notice of this assignment will be mailed promptly to the party or parties believed to be liable. When the amount of charges is ascertained, a bill therefore will be mailed to such party or parties. Persons believed entitled to care under circumstances described in paragraph (g)(2)(i) or (g)(2)(iii) of this section will be required to complete such forms as the Secretary may require.

(h) Within the limits of Department of Veterans Affairs facilities, any veteran who is receiving nursing home care in a hospital under the direct jurisdiction of the Department of Veterans Affairs, may be furnished medical services to correct or treat any nonservice-connected disability of such veteran, in addition to treatment incident to the disability for which the veteran is hospitalized, if the veteran is willing, and such services are reasonably necessary to protect the health of such veteran.

(i) Participating in a rehabilitation program under 38 U.S.C. chapter 31 refers to any veteran
(1) Who is eligible for and entitled to participate in a rehabilitation program under chapter 31.

(i) Who is in an extended evaluation period for the purpose of determining feasibility, or
(ii) For whom a rehabilitation objective has been selected, or
(iii) Who is pursuing a rehabilitation program, or
(iv) Who is pursuing a program of independent living, or
(v) Who is being provided employment assistance under 38 U.S.C. chapter 31, and

(2) Who is medically determined to be in need of hospital care or medical services (including dental) for any of the following reasons:

(i) Make possible his or her entrance into a rehabilitation program; or
(ii) Achieve the goals of the veteran's vocational rehabilitation program; or
(iii) Prevent interruption of a rehabilitation program; or
(iv) Hasten the return to a rehabilitation program of a veteran in interrupted or leave status; or
(v) Hasten the return to a rehabilitation program of a veteran placed in discontinued status because of illness, injury or a dental condition; or
(vi) Secure and adjust to employment during the period of employment assistance; or
(vii) To enable the veteran to achieve maximum independence in daily living.

(Authority: 38 U.S.C. 3104(a)(9); Pub. L. 96-466, sec. 101(a))

(j) Veterans eligible for treatment under chapter 17 of 38 U.S.C. who are alcohol or drug abusers or who are infected with the human immunodeficiency virus (HIV) shall not be discriminated against in admission or treatment by any Department of Veterans Affairs health care facility solely because of their alcohol or drug abuse or dependency or because of their viral infection. This does not preclude the rule of clinical judgment in determining appropriate treatment which takes into account the patient's immune status and/or the infectivity of the HIV or other pathogens (such as tuberculosis, cytomegalovirus, cryptosporidiosis, etc.). Hospital Directors are responsible for assuring that admission criteria of all programs in the medical center do not discriminate solely on the basis of alcohol, drug abuse or infection with human immunodeficiency virus. Quality Assurance Programs should include indicators and monitors for nondiscrimination.

(Authority: 38 U.S.C. 7333)

(k) In seeking medical care from VA under 38 U.S.C. 1710 or 1712, a veteran shall furnish such information and evidence as the Secretary may require to establish eligibility.

§ 17.48 Compensated Work Therapy/Transitional Residences program.
(a) This section sets forth requirements for persons residing in housing under the Compensated Work Therapy/Transitional Residences program.
(b) House managers shall be responsible for coordinating and supervising the day-to-day operations of the facilities. The local VA program coordinator shall select
each house manager and may give preference to an individual who is a current or past resident of the facility or the program. A house manager must have the following qualifications:
(1) A stable, responsible and caring demeanor;
(2) Leadership qualities including the ability to motivate;
(3) Effective communication skills including the ability to interact;
(4) A willingness to accept feedback;
(5) A willingness to follow a chain of command.
(c) Each resident admitted to the Transitional Residence, except for a house manager, must also be in the Compensated Work Therapy program.
(d) Each resident, except for a house manager, must bi-weekly, in advance, pay a fee to VA for living in the housing. The local VA program coordinator will establish the fee for each resident in accordance with the provisions of paragraph (d)(1) of this section.
(1) The total amount of actual operating expenses of the residence (utilities, maintenance, furnishings, appliances, service equipment, all other operating costs) for the previous fiscal year plus 15 percent of that amount equals the total operating budget for the current fiscal year. The total operating budget is to be divided by the average number of beds occupied during the previous fiscal year and the resulting amount is the average yearly amount per bed. The bi-weekly fee shall equal 1/26th of the average yearly amount per bed, except that a resident shall not, on average, pay more than 30 percent of their gross CWT (Compensated Work Therapy) bi-weekly earnings. The VA program manager shall, bi-annually, conduct a review of the factors in this paragraph for determining resident payments. If he or she determines that the payments are too high or too low by more than 5 percent of the total operating budget, he or she shall recalculate resident payments under the criteria set forth in this paragraph, except that the calculations shall be based on the current fiscal year (actual amounts for the elapsed portion and projected amounts for the remainder).
(2) If the revenues of a residence do not meet the expenses of the residence resulting in an inability to pay actual operating expenses, the medical center of jurisdiction shall provide the funds necessary to return the residence to fiscal solvency in accordance with the provisions of this section.
(e) The length of stay in housing under the Compensated Work Therapy/Transitional Residences program is based on the individual needs of each resident, as determined by consensus of the resident and his/her VA Clinical Treatment team. However, the length of stay should not exceed 12 months.

§ 17.49 Priorities for Outpatient Medical Services and Inpatient Hospital Care. cccviii

In scheduling appointments for outpatient medical services and admissions for inpatient hospital care, the Under Secretary for Health shall give priority to:
(a) Veterans with service-connected disabilities rated 50 percent or greater based on one or more disabilities or unemployability; and
(b) Veterans needing care for a service-connected disability.

(38 U.S.C. 101, 501, 1705, 1710.)

____________________________
USE OF DEPARTMENT OF DEFENSE, PUBLIC HEALTH SERVICE OR OTHER FEDERAL HOSPITALS

§ 17.50 Use of Department of Defense, Public Health Service or other Federal hospitals with beds allocated to the Department of Veterans Affairs.

§ 17.51 Emergency use of Department of Defense, Public Health Service or other Federal hospitals.

§ 17.50 Use of Department of Defense, Public Health Service or other Federal hospitals with beds allocated to the Department of Veterans Affairs.
Hospital facilities operated by the Department of Defense or the Public Health Service (or any other agency of the United States Government) may be used for the care of Department of Veterans Affairs patients pursuant to agreements between the Department of Veterans Affairs and the department or agency operating the facility. When such an agreement has been entered into and a bed allocation for Department of Veterans Affairs patients has been provided for in a specific hospital covered by the agreement, care may be authorized within the bed allocation for any veteran eligible under 38 U.S.C. 1710 or 38 CFR 17.44. Care in a Federal facility not operated by the Department of Veterans Affairs, however, shall not be authorized for any military retiree whose sole basis for eligibility is under § 17.46b, or, except in Alaska and Hawaii, for any retiree of the uniformed services suffering from a chronic disability whose entitlement is under § 17.46b, § 17.47(b)(2) or § 17.47(c)(2) regardless of whether he or she may have dual eligibility under other provisions of § 17.47.

§ 17.51 Emergency use of Department of Defense, Public Health Service or other Federal hospitals.
Hospital care in facilities operated by the Department of Defense or the Public Health Service (or any other agency of the U.S. Government) which do not have beds allocated for the care of Department of Veterans Affairs patients may be authorized subject to the limitations enumerated in § 17.50 only in emergency circumstances for any veteran otherwise eligible for hospital care under 38 U.S.C. 1710 or 38 CFR 17.46.
USE OF PUBLIC OR PRIVATE HOSPITALS

§ 17.52 Hospital care and medical services in non-VA facilities.
§ 17.53 Limitations on use of public or private hospitals.
§ 17.54 Necessity for prior authorization.
§ 17.55 Payment for authorized public or private hospital care.
§ 17.56 Payment for non-VA physician and other health care professional services.

§ 17.52 Hospital care and medical services in non-VA facilities.

When VA facilities or other government facilities are not capable of furnishing economical hospital care or medical services because of geographic inaccessibility or are not capable of furnishing care or services required, VA may contract with non-VA facilities for care in accordance with the provisions of this section. When demand is only for infrequent use, individual authorizations may be used. Care in public or private facilities, however, subject to the provisions of § 17.53 through f, will only be authorized, whether under a contract or an individual authorization, for
(1) Hospital care or medical services to a veteran for the treatment of --
   (i) A service-connected disability; or
   (ii) A disability for which a veteran was discharged or released from the active military, naval, or air service or
   (iii) A disability of a veteran who has a total disability permanent in nature from a service-connected disability, or
   (iv) For a disability associated with and held to be aggravating a service-connected disability, or
   (v) For any disability of a veteran participating in a rehabilitation program under 38 U.S.C. ch. 31 and when there is a need for hospital care or medical services for any of the reasons enumerated in § 17.48(j).
(2) Medical services for the treatment of any disability of --
   (i) A veteran who has a service-connected disability rated at 50 percent or more,
   (ii) A veteran who has received VA inpatient care for treatment of nonservice-connected conditions for which treatment was begun during the period of inpatient care. The treatment period (to include care furnished in both facilities of VA and non-VA facilities or any combination of such modes of care) may not continue for a period exceeding 12 months following discharge from the hospital except when it is determined that a longer period is required by virtue of the disabilities being treated, and
   (iii) A veteran of the Mexican border period or World War I or who is in receipt of increased pension or additional compensation based on the need for aid and attendance or housebound benefits when it has been determined based on an examination by a physician employed by VA (or, in areas where no such physician is available, by a physician carrying out such function under a contract or fee arrangement), that the medical condition of such veteran precludes appropriate treatment in VA facilities;
(3) Hospital care or medical services for the treatment of medical emergencies which pose a serious threat to the life or health of a veteran receiving hospital care or medical...
services in a facility over which the Secretary has direct jurisdiction or government facility with which the Secretary contracts, and for which the facility is not staffed or equipped to perform, and transfer to a public or private hospital which has the necessary staff or equipment is the only feasible means of providing the necessary treatment, until such time following the furnishing of care in the non-VA facility as the veteran can be safely transferred to a VA facility;

(4) Hospital care for women veterans;

(5) Through September 30, 1988, hospital care or medical services that will obviate the need for hospital admission for veterans in the Commonwealth of Puerto Rico, except that the dollar expenditure in Fiscal year 1986 cannot exceed 85% of the Fiscal year 1985 obligations, in Fiscal year 1987 the dollar expenditure cannot exceed 50% of the Fiscal year 1985 obligations and in Fiscal year 1988 the dollar expenditure cannot exceed 25% of the Fiscal year 1985 obligations.

(6) Hospital care or medical services that will obviate the need for hospital admission for veterans in Alaska, Hawaii, Virgin Islands and other territories of the United States except that the annually determined hospital patient load and incidence of the furnishing of medical services to veterans hospitalized or treated at the expense of VA in government and non-VA facilities in each such State or territory shall be consistent with the patient load or incidence of the provision of medical services for veterans hospitalized or treated by VA within the 48 contiguous States.

(7) Outpatient dental services and treatment, and related dental appliances, for a veteran who is a former prisoner of war and was detained or interned for a period of not less that 181 days.

(8) Hospital care or medical services for the treatment of medical emergencies which pose a serious threat to the life or health of a veteran which developed during authorized travel to the hospital, or during authorized travel after hospital discharge preventing completion of travel to the originally designated point of return (and this will encompass any other medical services necessitated by the emergency, including extra ambulance or other transportation which may also be furnished at VA expense.

(Authority: 38 U.S.C. 1701(5))

(9) Diagnostic services necessary for determination of eligibility for, or of the appropriate course of treatment in connection with, furnishing medical services at independent VA outpatient clinics to obviate the need for hospital admission.

(10) For any disability of a veteran receiving VA contract nursing home care. The veteran is receiving contract nursing home care and requires emergency treatment in non-VA facilities.

(Authority: 38 U.S.C. 1703(a))

(11) For completion of evaluation for observation and examination (O&E) purposes, clinic directors or their designees will authorize necessary diagnostic services at non-VA facilities (on an inpatient or outpatient basis) in order to complete requests from VA
Regional Offices for O&E of a person to determine eligibility for VA benefits or services.
(b) The Under Secretary for Health shall only furnish care and treatment under paragraph (a) of this section to veterans described in § 17.47(d).
(1) To the extent that resources are available and are not otherwise required to assure that VA can furnish needed care and treatment to veterans described in § 17.47 (a) and (c), and
(2) If the veteran agrees to pay the United States an amount as determined in § 17.48(e).

[EFFECTIVE DATE NOTE: 62 FR 17072, April 9, 1997, substituted "Under Secretary for Health" for "Chief Medical Director" in the introductory text of paragraph (b), effective April 9, 1997.]

§ 17.53 Limitations on use of public or private hospitals.

The admission of any patient to a private or public hospital at Department of Veterans Affairs expense will only be authorized if a Department of Veterans Affairs medical center or other Federal facility to which the patient would otherwise be eligible for admission is not feasibly available. A Department of Veterans Affairs facility may be considered as not feasibly available when the urgency of the applicant's medical condition, the relative distance of the travel involved, or the nature of the treatment required makes it necessary or economically advisable to use public or private facilities. In those instances where care in public or private hospitals at Department of Veterans Affairs expense is authorized because a Department of Veterans Affairs or other Federal facility was not feasibly available, as defined in this section, the authorization will be continued after admission only for the period of time required to stabilize or improve the patient's condition to the extent that further care is no longer required to satisfy the purpose for which it was initiated.

§ 17.54 Necessity for prior authorization.

The admission of a veteran to a non-Department of Veterans Affairs hospital at Department of Veterans Affairs expense must be authorized in advance. In the case of an emergency which existed at the time of admission, an authorization may be deemed a prior authorization if an application, whether formal or informal, by telephone, telegraph or other communication, made by the veteran or by others in his or her behalf is dispatched to the Department of Veterans Affairs (1) for veterans in the 48 contiguous States and Puerto Rico, within 72 hours after the hour of admission, including in the computation of time Saturday, Sunday and holidays, or (2) for veterans in a noncontiguous State, territory or possession of the United States (not including Puerto
Rico) if facilities for dispatch of application as described in this section are not available within the 72-hour period, provided the application was filed within 72 hours after facilities became available.

(b) When an application for admission by a veteran in one of the 48 contiguous States in the United States or in Puerto Rico has been made more than 72 hours after admission, or more than 72 hours after facilities are available in a noncontiguous State, territory of possession of the United States, authorization for continued care at Department of Veterans Affairs expense shall be effective as of the postmark or dispatch date of the application, or the date of any telephone call constituting an informal application.

§ 17.55 Payment for authorized public or private hospital care.

Except as otherwise provided in this section, payment for public or private hospital care authorized under 38 U.S.C. 1703 and 38 CFR 17.52 of this part or under 38 U.S.C. 1728 and 38 CFR 17.120 of this part shall be based on a prospective payment system similar to that used in the Medicare program for paying for similar inpatient hospital services in the community. Payment shall be made using the Health Care Financing Administration (HCFA) PRICER for each diagnosis-related group (DRG) applicable to the episode of care.

(a) Payment shall be made of the full prospective payment amount per discharge, as determined according to the methodology in subparts D and G of 42 CFR part 412, as appropriate.

(b)(1) In the case of a veteran who was transferred to another facility before completion of care, VA shall pay the transferring hospital an amount calculated by the HCFA PRICER for each patient day of care, not to exceed the full DRG rate as provided in paragraph (a) of this section. The hospital that ultimately discharges the patient will receive the full DRG payment.

(2) In the case of a veteran who has transferred from a hospital and/or distinct part unit excluded by Medicare from the DRG-based prospective payment system or from a hospital that does not participate in Medicare, the transferring hospital will receive a payment for each patient day of care not to exceed the amount provided in paragraph (i) of this section.

(c) VA shall pay the providing facility the full DRG-based rate or reasonable cost, without regard to any copayments or deductible required by any Federal law that is not applicable to VA.

(d) If the cost or length of a veteran's care exceeds an applicable threshold amount, as determined by the HCFA PRICER program, VA shall pay, in addition to the amount payable under paragraph (a) of this section, an outlier payment calculated by the HCFA PRICER program, in accordance with subpart F of 42 CFR part 412.

(e) In addition to the amount payable under paragraph (a) of this section, VA shall pay, for each discharge, an amount to cover the non-Federal hospital's capital-related costs, kidney, heart and liver acquisition costs incurred by hospitals with approved transplantation centers, direct costs of medical education, and the costs of qualified nonphysician anesthetists in small rural hospitals. These amounts will be determined by the Under Secretary for Health on an annual basis and published in the "Notices" section of the FEDERAL REGISTER.
(f) Payment shall be made only for those services authorized by VA.

(g) Payments made in accordance with this section shall constitute payment in full and the provider or agent for the provider may not impose any additional charge on a veteran or his or her health care insurer for any inpatient services for which payment is made by the VA.

(h) Hospitals of distinct part hospital units excluded from the prospective payment system by Medicare and hospitals that do not participate in Medicare will be paid at the national cost-to-charge ratio times the billed charges that are reasonable, usual, customary, and not in excess of rates or fees the hospital charges the general public for similar services in the community.

(i) A hospital participating in an alternative payment system that has been granted a Federal waiver from the prospective payment system under the provisions of 42 U.S.C. section 1395f(b)(3) or 42 U.S.C. section 1395ww(c) for the purposes of Medicare payment shall not be subject to the payment methodology set forth in this section so long as such Federal waiver remains in effect.

(j) Payments for episodes of hospital care furnished in Alaska that begin during the period starting on the effective date of this section through the 364th day thereafter will be in the amount determined by the HCFA PRICER plus 50 percent of the difference between the amount billed by the hospital and the amount determined by the PRICER. Claims for services provided during that period will be accepted for payment by VA under this paragraph (k) until December 31 of the year following the year in which this section became effective.

(k) Notwithstanding other provisions of this section, VA, for public or private hospital care covered by this section, will pay the lesser of the amount determined under paragraphs (a) through (j) of this section or the amount negotiated with the hospital or its agent.

[EFFECTIVE DATE NOTE: 65 FR 66636, 66637, Nov. 7, 2000, added paragraph (k) and revised the authority citation, effective Nov. 7, 2000.]

§ 17.56 Payment for non-VA physician and other health care professional services.

(a) Except for anesthesia services, and services provided in the State of Alaska under paragraph (d) of this section, payment for non-VA health care professional services associated with outpatient and inpatient care provided at non-VA facilities authorized under § 17.52, or made under § 17.120 of this part, shall be the lesser of the amount billed or the amount calculated using the formula developed by the Centers for Medicare and Medicaid Services' (CMS) participating physician fee schedule for the period in which the service is provided (see 42 CFR Parts 414 and 415). This payment methodology is set forth in paragraph (b) of this section. If no amount has been calculated under Centers for Medicare and Medicaid Services' participating physician fee schedule or if the services constitute anesthesia services, payment for such non-VA health care professional services associated with outpatient and inpatient care provided at non-VA
facilities authorized under § 17.52, or made under § 17.120 of this part, shall be the lesser of the actual amount billed or the amount calculated using the 75th percentile methodology set forth in paragraph (c) of this section; or the usual and customary rate if there are fewer than 8 treatment occurrences for a procedure during the previous fiscal year.

(b) The payment amount for each service paid under Centers for Medicare and Medicaid Services’ participating physician fee schedule is the product of three factors: a nationally uniform relative value for the service; a geographic adjustment factor for each physician fee schedule area; and a nationally uniform conversion factor for the service. The conversion factor converts the relative values into payment amounts. For each physician fee schedule service, there are three relative values: An RVU for physician work; an RVU for practice expense; and an RVU for malpractice expense. For each of these components of the fee schedule, there is a geographic practice cost index (GPCI) for each fee schedule area. The GPICS reflect the relative costs of practice expenses, malpractice insurance, and physician work in an area compared to the national average. The GPICS reflect the full variation from the national average in the costs of practice expenses and malpractice insurance, but only one-quarter of the difference in area costs for physician work. The general formula calculating the Centers for Medicare and Medicaid Services' fee schedule amount for a given service in a given fee schedule area can be expressed as: Payment = [(RVUwork x GPCIwork) + (RVUpractice expense x GPCIpractice expense) + (RVUmalpractice x GPCImalpractice)] x CF.

(c) Payment under the 75th percentile methodology is determined for each VA medical facility by ranking all occurrences (with a minimum of eight) under the corresponding code during the previous fiscal year with charges ranked from the highest rate billed to the lowest rate billed and the charge falling at the 75th percentile as the maximum amount to be paid.

(d) For services rendered in Alaska, VA will pay for services in accordance with a fee schedule that uses the Health Insurance Portability and Accountability Act mandated national standard coding sets. VA will pay a specific amount for each service for which there is a corresponding code. Under the VA Alaska Fee Schedule the amount paid in Alaska for each code will be 90 percent of the average amount VA actually paid in Alaska for the same services in Fiscal Year (FY) 2003. For services that VA provided less than eight times in Alaska in FY 2003, for services represented by codes established after FY 2003, and for unit-based codes prior to FY 2004, VA will take the Centers for Medicare and Medicaid Services' rate for each code and multiply it times the average percentage paid by VA in Alaska for Centers for Medicare and Medicaid Services-like codes. VA will increase the amounts on the VA Alaska Fee Schedule annually beginning in 2005 in accordance with the published national Medicare Economic Index (MEI). For those years where the annual average is a negative percentage, the fee schedule will remain the same as the previous year. Payment for non-VA health care professional services in Alaska shall be the lesser of the amount billed, or the amount calculated under this subpart.

(e) Payments made in accordance with this section shall constitute payment in full. Accordingly, the provider or agent for the provider may not impose any additional charge for any services for which payment is made by VA.
(f) Notwithstanding other provisions of this section, VA, for physician services covered by this section, will pay the lesser of the amount determined under paragraphs (a) through (e) of this section or the amount negotiated with the physician or the physician's agent. Use of Community Nursing Home Care Facilities.

§ 17.57 Use of community nursing homes.

§ 17.60 Extensions of community nursing home care beyond six months.

§ 17.57 Use of community nursing homes.

(a) Nursing home care in a contract public or private nursing home facility may be authorized for the following: Any veteran who has been discharged from a hospital under the direct jurisdiction of VA and is currently receiving VA hospital based home health services.

(Authority: Pub. L. 99-166)

(b) To the extent that resources are available and are not otherwise required to assure that VA can furnish needed care and treatment to veterans described in 38 U.S.C. 1710(a)(1), the Under Secretary for Health may furnish care under this paragraph to any veteran described in 38 U.S.C. 1710(a)(2) if the veteran agrees to pay the United States an amount as determined in 38 U.S.C. 1710(f).

§ 17.60 Extensions of community nursing home care beyond six months.

Directors of health care facilities may authorize, for any veteran whose hospitalization was not primarily for a service-connected disability, an extension of nursing care in a public or private nursing home care facility at VA expense beyond six months when the need for nursing home care continues to exist and

(a) Arrangements for payment of such care through a public assistance program (such as Medicaid) for which the veteran has applied, have been delayed due to unforeseen eligibility problems which can reasonably be expected to be resolved within the extension period, or

(b) The veteran has made specific arrangements for private payment for such care, and

(1) Such arrangements cannot be effectuated as planned because of unforeseen, unavoidable difficulties, such as a temporary obstacle to liquidation of property, and

(2) Such difficulties can reasonably be expected to be resolved within the extension period; or

(c) The veteran is terminally ill and life expectancy has been medically determined to be less than six months.

(d) In no case may an extension under paragraph (a) or (b) of this section exceed 45 days.

COMMUNITY RESIDENTIAL CARE

§ 17.61 Eligibility.
VA health care personnel may assist a veteran by referring such veteran for placement in a privately or publicly-owned community residential care facility if:
(a) At the time of initiating the assistance:
   (1) The veteran is receiving VA medical services on an outpatient basis or VA medical center, domiciliary, or nursing home care; or
   (2) Such care or services were furnished the veteran within the preceding 12 months;
(b) The veteran does not need hospital or nursing home care but is unable to live independently because of medical (including psychiatric) conditions and has no suitable family resources to provide needed monitoring, supervision, and any necessary assistance in the veteran's daily living activities; and
(c) The facility has been approved in accordance with § 17.63 of this part.

§ 17.62 Definitions.
For the purpose of §§ 17.61 through 17.72:
(a) The term community residential care means the monitoring, supervision, and assistance, in accordance with a statement of needed care, of the daily living activities of referred veterans in an approved home in the community by the facility's provider.
(b) The term statement of needed care means a written description of needed assistance in daily living activities devised by VA for each referred veteran in the community residential care program.
(c) The term daily living activities includes:
   (1) Walking;
   (2) Bathing, shaving, brushing teeth, combing hair;
   (3) Dressing;
   (4) Eating;
   (5) Getting in or getting out of bed;
(6) Laundry;
(7) Cleaning room;
(8) Managing money;
(9) Shopping;
(10) Using public transportation;
(11) Writing letters;
(12) Making telephone calls;
(13) Obtaining appointments;
(14) Self-administration of medications;
(15) Recreational and leisure activities; and
(16) Other similar activities.
(d) The term paper hearing means a review of the written evidence of record by the hearing official.
(e) The term oral hearing means the in person testimony of representatives of a community residential care facility and of VA before the hearing official and the review of the written evidence of record by that official.
(f) The term approving official means the Director or, if designated by the Director, the Associate Director or Chief of Staff of a Department of Veterans Affairs Medical Center or Outpatient Clinic which has jurisdiction to approve a community residential care facility.
(g) The term hearing official means the Director or, if designated by the Director, the Associate Director or Chief of Staff of a Department of Veterans Affairs Medical Center or Outpatient Clinic which has jurisdiction to approve a community residential care facility.

(38 U.S.C. 1730)

§ 17.63 Approval of community residential care facilities.
The approving official may approve a community residential care facility, based on the report of a VA inspection and on any findings of necessary interim monitoring of the facility, if that facility meets the following standards:
(a) Health and safety standards. The facility must:
(1) Meet all State and local regulations including construction, maintenance, and sanitation regulations;
(2) Meet the requirements of chapters 1-7, 22-23, and 31 and Appendix A of the NFPA 101, National Fire Protection Association's Life Safety Code (1994 edition), and NFPA 101A, Guide on Alternative Approaches to Life Safety (1995 edition), which are incorporated by reference. The institution shall provide sufficient staff to assist patients in the event of fire or other emergency. Incorporation by reference of these materials was approved by the Director of the Federal Register, in accordance with 5 U.S.C. 552(a) and 1 CFR part 51. These materials incorporated by reference are available for inspection at the Office of the Federal Register, Suite 700, 800 North Capitol Street, NW., Washington, DC, and the Department of Veterans Affairs, Office of Regulations Management (02D), Room 1154, 810 Vermont Avenue, NW., Washington, DC 20420. Copies may be obtained from the National Fire Protection Association, Battery March Park, Quincy, MA
02269. (For ordering information, call toll-free 1-800-344-3555.) Any equivalencies or variances to Department of Veterans Affairs requirements must be approved by the appropriate Veterans Health Administration Veterans Integrated Service Networks (VISN) Director.

(3) Have safe and functioning systems for heating, hot and cold water, electricity, plumbing, sewage, cooking, laundry, artificial and natural light, and ventilation.

(b) Health services. The facility must agree to assist residents in obtaining the statement of needed care developed by VA.

(c) Interior plan. The facility must:
(1) Have comfortable dining areas, adequate in size for the number of residents;
(2) Have comfortable living room areas, adequate in size to accommodate a reasonable proportion of residents; and
(3) Maintain at least one functional toilet and lavatory, and bathing or shower facility for every six people living in the facility, including provider and staff.

(d) Laundry service. The facility must provide or arrange for laundry service.

(e) Residents' bedrooms. Residents' bedrooms must:
(1) Contain no more than four beds;
(2) Measure, exclusive of closet space, at least 100 square feet for a single-resident room, or 80 square feet for each resident in a multiresident room; and
(3) Contain a suitable bed for each resident and appropriate furniture and furnishings.

(f) Nutrition. The facility must:
(1) Provide a safe and sanitary food service that meets individual nutritional requirements and residents' preferences;
(2) Plan menus to meet currently recommended dietary allowances;

(g) Activities. The facility must plan and facilitate appropriate recreational and leisure activities to meet individual needs specified in the statement of needed care.

(h) Residents' rights. The facility must have written policies and procedures that ensure the following rights for each resident:
(1) Each resident has the right to:
  (i) Be informed of the rights described in this section;
  (ii) The confidentiality and nondisclosure of information obtained by community residential care facility staff on the residents and the residents' records subject to the requirements of applicable law;
  (iii) Be able to inspect the residents' own records kept by the community residential care facility;
  (iv) Exercise rights as a citizen; and
  (v) Voice grievances and make recommendations concerning the policies and procedures of the facility.

(2) Financial affairs. Residents must be allowed to manage their own personal financial affairs, except when the resident has been restricted in this right by law. If a resident requests assistance from the facility in managing personal financial affairs the request must be documented.

(3) Privacy. Residents must:
  (i) Be treated with respect, consideration, and dignity;
  (ii) Have access, in reasonable privacy, to a telephone within the facility;
  (iii) Be able to send and receive mail unopened and uncensored; and
(iv) Have privacy of self and possessions.

(4) Work. No resident will perform household duties, other than personal housekeeping tasks, unless the resident receives compensation for these duties or is told in advance they are voluntary and the patient agrees to do them.

(5) Freedom of association. Residents have the right to:
(i) Receive visitors and associate freely with persons and groups of their own choosing both within and outside the facility;
(ii) Make contacts in the community and achieve the highest level of independence, autonomy, and interaction in the community of which the resident is capable;
(iii) Leave and return freely to the facility, and
(iv) Practice the religion of their own choosing or choose to abstain from religious practice.

(6) Transfer. Residents have the right to transfer to another facility or to an independent living situation.
(i) Records. (1) The facility must maintain records on each resident in a secure place.
(2) Facility records must include:
(i) A copy of the statement of needed care;
(ii) Emergency notification procedures; and
(iii) A copy of all signed agreements with the resident.
(3) Records may only be disclosed with the resident's permission, or when required by law.

(Approved by the Office of Management and Budget under control number 2900-0491)

(j) Staff requirements. (1) Sufficient, qualified staff must be on duty and available to care for the resident and ensure the health and safety of each resident.
(2) The community residential care provider and staff must have the following qualifications: Adequate education, training, or experience to maintain the facility.

(k) Cost of community residential care. (1) Payment for the charges of community residential care is not the responsibility of the United States Government or VA.
(2) The resident or an authorized personal representative and a representative of the community residential care facility must agree upon the charge and payment procedures for community residential care.
(3) The charges for community residential care must be reasonable:
(i) For residents in a community residential care facility as of June 14, 1989, the rates charged for care are pegged to the facility's basic rate for care as of July 31, 1987. Increases in the pegged rate during any calendar year cannot exceed the annual percentage increase in the National Consumer Price Index (CPI) for that year;
(ii) For community residential care facilities approved after July 31, 1987, the rates for care shall not exceed 110 percent of the average rate for approved facilities in that State as of March 31, 1987. Increases in this rate during any calendar year cannot exceed the annual percentage increase in the National Consumer Price Index (CPI) for that year.
(iii) The approving official may approve a deviation from the requirements of paragraphs (k)(3)(i) through (ii) of this section upon request from a community residential care facility representative, a resident in the facility, or an applicant for residency, if the approving official determines that the cost of care for the resident will be greater than the average cost of care for other residents, or if the resident chooses to pay more for the care provided at a facility which exceeds VA standards.
§ 17.64 Exceptions to standards in community residential care facilities.
(a) Facilities which have participated in VA's community residential care program prior to (the effective date of these regulations) may continue to be approved when the standard for § 17.63(c)(3) and/or § 17.63(e)(2) of this part are not met if:
(1) All standards other than § 17.63(c)(3) and/or § 17.63(e)(2) of this part are met;
(2) There is at least one functional toilet, lavatory, and bathing or shower facility for every eight people living in the facility, including provider and staff;
(3) The resident's bedrooms measure, exclusive of closet space, at least 80 square feet for a single-resident room, or 65 square feet for each resident in a multiresident room.
(b) Community residential care facilities which do not meet the requirements for continued approval because they do not comply with paragraphs (a)(2) or (a)(3) of this section may apply in writing to the Secretary of Veterans Affairs for an exception. The application must include a detailed description of the facility, including a description of the toilet, lavatory and bathing and shower facilities and/or resident's bedroom size, and an analysis of alternative solutions.

§ 17.65 Duration of approval.
(a) Approval may be valid for up to 24 months if VA finds that the facility complies with all standards during the current and all previous VA inspections and any necessary interim monitoring for a period of two years.
(b) Approval may be valid for up to 15 months if VA finds the facility has complied with all standards except the records standard set forth in § 17.51j(i) of this part during the current and all previous VA inspections and any necessary interim monitoring.
(c) Approval may be valid for up to 12 months if the VA finds that the facility has complied with all standards except the laundry service standard set forth in § 17.63(d) and the records standard set forth in § 17.63(i) of this part during the current and all previous VA inspections and any necessary interim monitoring.
(d) Approval may be valid for up to 9 months if the VA finds that the facility has complied with all standards except the laundry service standard set forth in § 17.63(d) of this part; the bedroom standard set forth in § 17.63(e) of this part; the activities standard set forth in § 17.63(g) of this part; and the records standard set forth in § 17.63(i) of this part during the current and all previous VA inspections and any necessary interim monitoring.

§ 17.66 Notice of noncompliance with VA standards.
If the hearing official determines that an approved community residential care facility does not comply with the standards set forth in § 17.63 of this part, the hearing official shall notify the community residential care facility in writing of:

(a) The standards which have not been met;
(b) The date by which the standards must be met in order to avoid revocation of VA approval;
(c) The community residential care facility's opportunity to request an oral or paper hearing under § 17.51n of this part before VA approval is revoked; and
(d) The date by which the hearing official must receive the community residential care facility's request for a hearing, which shall not be less than 10 calendar days and not more than 20 calendar days after the date of VA notice of noncompliance, unless the hearing official determines that noncompliance with the standards threatens the lives of community residential care residents in which case the hearing official must receive the community residential care facility's request for an oral or paper hearing within 36 hours of receipt of VA notice.

(38 U.S.C. 1730)

§ 17.67 Request for a hearing.
The community residential care facility operator must specify in writing whether an oral or paper hearing is requested. The request for the hearing must be sent to the hearing official. Timely receipt of a request for a hearing will stay the revocation of VA approval until the hearing official issues a written decision on the community residential care facility's compliance with VA standards. The hearing official may accept a request for a hearing received after the time limit, if the community residential care facility shows that the failure of the request to be received by the hearing official's office by the required date was due to circumstances beyond its control.

(38 U.S.C. 1730)

§ 17.68 Notice and conduct of hearing.
(a) Upon receipt of a request for an oral hearing, the hearing official shall:
(1) Notify the community residential care facility operator of the date, time, and location for the hearing; and
(2) Notify the community residential care facility operator that written statements and other evidence for the record may be submitted to the hearing official before the date of the hearing. An oral hearing shall be informal. The rules of evidence shall not be followed. Witnesses shall testify under oath or affirmation. A recording or transcript of every oral hearing shall be made. The hearing official may exclude irrelevant, immaterial, or unduly repetitious testimony.

(b) Upon the receipt of a community residential care facility's request for a paper hearing, the hearing official shall notify the community residential care facility operator that written statements and other evidence must be submitted to the hearing official by a specified date in order to be considered as part of the record.

(38 U.S.C. 1730)

§ 17.69 Waiver of opportunity for hearing.
If representatives of a community residential care facility which receive a notice of noncompliance under § 17.66 of this part fail to appear at an oral hearing of which they have been notified or fail to submit written statements for a paper hearing in accordance with § 17.68 of this part, unless the hearing official determines that their failure was due to circumstances beyond their control, the hearing official shall:
(a) Consider the representatives of the community residential care facility to have waived their opportunity for a hearing; and,
(b) Revoke VA approval of the community residential care facility and notify the community residential care facility of this revocation.

(38 U.S.C. 1730)

§ 17.70 Written decision following a hearing.
(a) The hearing official shall issue a written decision within 20 days of the completion of the hearing. An oral hearing shall be considered completed when the hearing ceases to receive in person testimony. A paper hearing shall be considered complete on the date by which written statements must be submitted to the hearing official in order to be considered as part of the record.
(b) The hearing official's determination of a community residential care facility's noncompliance with VA standards shall be based on the preponderance of the evidence.
(c) The written decision shall include:
(1) A statement of the facts;
(2) A determination whether the community residential care facility complies with the standards set forth in § 17.63 of this part; and
(3) A determination of the time period, if any, the community residential care facility shall have to remedy any noncompliance with VA standards before revocation of VA approval occurs.
(d) The hearing official's determination of any time period under paragraph (c)(3) of this section shall consider the safety and health of the residents of the community residential care facility and the length of time since the community residential care facility received notice of the noncompliance.

§ 17.71 Revocation of VA approval.
(a) If a hearing official determines under § 17.70 of this part that a community residential care facility does not comply with the standards set forth in § 17.63 of this part and determines that the community residential care facility shall not have further time to
remedy the noncompliance, the hearing official shall revoke approval of the community residential care facility and notify the community residential care facility of this revocation.

(b) Upon revocation of VA approval, VA health care personnel shall:
(1) Cease referring veterans to the community residential care facility; and,
(2) Notify any veteran residing in the community residential care facility of the facility's disapproval and request permission to assist in the veteran's removal from the facility. If a veteran has a person or entity authorized by law to give permission on behalf of the veteran, VA health care personnel shall notify that person or entity of the community residential care facility's disapproval and request permission to assist in removing the veteran from the community residential care facility.

(c) If the hearing official determines that a community residential care facility fails to comply with the standards set forth in § 17.63 of this part and determines that the community residential care facility shall have an additional time period to remedy the noncompliance, the hearing official shall review at the end of the time period the evidence of the community residential care facility's compliance with the standards which were to have been met by the end of that time period and determine if the community residential care facility complies with the standards. If the community residential care facility fails to comply with these or any other standards, the procedures set forth in §§ 17.66-17.71 of this part shall be followed.

(38 U.S.C. 1730)

§ 17.72 Availability of information.
VA standards will be made available to other Federal, State and local agencies charged with the responsibility of licensing, or otherwise regulating or inspecting community residential care facilities.

§ 17.80 Alcohol and drug dependence or abuse treatment and rehabilitation in residential and nonresidential facilities by contract.

discussion and analysis in the veterans benefits manual
(a) Alcohol and drug dependence or abuse treatment and rehabilitation may be authorized by contract in nonresidential facilities and in residential facilities provided by halfway houses, therapeutic communities, psychiatric residential treatment centers and other community-based treatment facilities, when considered to be medically advantageous and cost effective for the following:
(1) Veterans who have been or are being furnished care by professional staff over which the Secretary has jurisdiction and such transitional care is reasonably necessary to continue treatment;
(2) Persons in the Armed Forces who, upon discharge therefrom will become eligible veterans, when duly referred with authorization for Department of Veterans Affairs medical center hospital care in preparation for treatment and rehabilitation in this program under the following limitations:
   (i) Such persons may be accepted by transfer only during the last 30 days of such person's enlistment or tour of duty,
   (ii) The person requests transfer in writing for treatment for a specified period of time during the last 30 days of such person's enlistment period or tour of duty,
   (iii) Treatment does not extend beyond the period of time specified in the request unless such person requests in writing an extension for a further specified period of time and such request is approved by the Department of Veterans Affairs Medical Center Director authorizing treatment and rehabilitation,
   (iv) Such care and treatment will be provided as if the person were a veteran, subject to reimbursement by the respective military service for the costs of hospital care and control treatment provided while the person is an active duty member.
   (b) The maximum period for one treatment episode is limited to 60 days. The Department of Veterans Affairs Medical Center Director may authorize one 30-day extension.
   (c) Any person who has been discharged or released from active military, naval or air service, and who, upon application for treatment and rehabilitative services under the authority of this section is determined to be legally ineligible for such treatment or rehabilitation services shall be:
   (1) Provided referral services to assist the person, to the maximum extent possible, in obtaining treatment and rehabilitation services from sources outside the Department of Veterans Affairs, not at Department of Veterans Affairs expense and,
(2) If pertinent, advised of the right to apply to the appropriate military, naval or air service and the Department of Veterans Affairs for review of such person's discharge or release from such service.

(38 U.S.C. 1720A)

§ 17.81 Contracts for residential treatment services for veterans with alcohol or drug dependence or abuse disabilities.

(a) Contracts for treatment services authorized under § 17.80(a) may be awarded in accordance with applicable Department of Veterans Affairs and Federal procurement procedures. Such contracts will be awarded only after the quality and effectiveness, including adequate protection for the safety of the residents of the contractor's program, has been determined and then only to contractors, determined by the Under Secretary for Health or designee to meet the following requirements.

(1) Meet fire safety requirements as follows:

(i) The building must meet the requirements of the applicable residential occupancy chapters (1-7, 22-23, and 31) and Appendix A of the NFPA 101, National Fire Protection Association's Life Safety Code (1994 edition) which are incorporated by reference. Incorporation by reference of these materials was approved by the Director of the Federal Register, in accordance with 5 U.S.C. 552(a) and 1 CFR part 51. These materials incorporated by reference are available for inspection at the Office of the Federal Register, Suite 700, 800 North Capitol Street, NW., Washington, DC, and the Department of Veterans Affairs, Office of Regulations Management (02D), Room 1154, 810 Vermont Avenue, NW., Washington, DC 20420. Copies may be obtained from the National Fire Protection Association, Battery March Park, Quincy, MA 02269. (For ordering information, call toll-free 1-800-344-3555.) Any equivalencies or variances to Department of Veterans Affairs requirements must be approved by the appropriate Veterans Health Administration Veterans Integrated Service Networks (VISN) Director.

(ii) Where applicable, the home must have a current occupancy permit issued by the local and state governments in the jurisdiction where the home is located.

(iii) All Department of Veterans Affairs sponsored residents will be mentally and physically capable of leaving the building, unaided, in the event of an emergency. Halfway house, therapeutic community and other residential program management must agree that all the other residents in any building housing veterans will also have such capability.

(iv) There must be at least one staff member on duty 24 hours a day.

(v) Fire exit drills must be held at least quarterly. Residents must be instructed in evacuation procedures when the primary and/or secondary exits are blocked. A written fire plan for evacuation in the event of fire shall be developed and reviewed annually. The plan shall outline the duties, responsibilities and actions to be taken by the staff and residents in the event of a fire emergency. This plan shall be implemented during fire exit drills.

(vi) A written policy regarding tobacco smoking in the facility shall be established and enforced.
(vii) Portable fire extinguishers shall be installed at the facility. Use NFPA 10, Portable Fire Extinguishers, as guidance in selection and location requirements of extinguishers.
(viii) Requirements for fire protection equipment and systems shall be in accordance with NFPA 101. Where installed, maintenance and testing of these systems/equipment shall include the following:
(A) The fire alarm system shall be test operated at least semi-annually.
(B) All smoke detectors shall be test operated, by activation of the smoke detector, at least semi-annually.
(C) The monthly and annual inspections and the maintenance of the extinguishers shall be in accordance with NFPA 10.
(D) All fire protection systems and equipment, such as the fire alarm system, smoke detectors, and portable extinguishers, shall be inspected, tested and maintained in accordance with the applicable NFPA fire codes and the results documented.
(ix) An annual fire and safety inspection shall be conducted at the halfway house or residential facility by qualified Department of Veterans Affairs personnel. If a review of past Department of Veterans Affairs inspections or inspections made by the local authorities indicates that a fire and safety inspection would not be necessary, then the visit to the facility may be waived.
(2) Be in compliance with existing standards of State safety codes and local, and/or State health and sanitation codes.
(3) Be licensed under State or local authority.
(4) Where applicable, be accredited by the State.
(5) Comply with the requirements of the "Confidentiality of Alcohol and Drug Abuse Patient Records" (42 CFR part II) and the "Confidentiality of Certain Medical Records" (38 U.S.C. 7332), which shall be part of the contract.
(6) Demonstrate an existing capability to furnish the following:
(i) A supervised alcohol and drug free environment, including active affiliation with Alcoholics Anonymous (AA) programs.
(ii) Staff sufficient in numbers and position qualifications to carry out the policies, responsibilities, and programs of the facility.
(iii) Board and room.
(iv) Laundry facilities for residents to do their own laundry.
(v) Structured activities.
(vi) Appropriate group activities, including physical activities.
(vii) Health and personal hygiene maintenance.
(viii) Monitoring administration of medications.
(ix) Supportive social service.
(x) Individual counseling as appropriate.
(xi) Opportunities for learning/development of skills and habits which will enable Department of Veterans Affairs sponsored residents to adjust to and maintain freedom from dependence on or involvement with alcohol or drug abuse or dependence during or subsequent to leaving the facility.
(xii) Support for the individual desire for sobriety (alcohol/drug abuse-free life style).
(xiii) Opportunities for learning, testing, and internalizing knowledge of illness/recovery process, and for upgrading skills and improving personal relationships.
(7) Data normally maintained and included in a medical record as a function of compliance with State or community licensing standards will be accessible.

(b) Representatives of the Department of Veterans Affairs will inspect the facility prior to award of a contract to assure that prescribed requirements can be met. Inspections may also be carried out at such other times as deemed necessary by the Department of Veterans Affairs.

(c) All requirements in this rule, and Department of Veterans Affairs reports of inspection of residential facilities furnishing treatment and rehabilitation services to eligible veterans shall to the extent possible, be made available to all government agencies charged with the responsibility of licensing or otherwise regulating or inspecting such institutions.

(d) An individual case record will be created for each client which shall be maintained in security and confidence as required by the "Confidentiality of Alcohol and Drug Abuse Patient Records" (42 CFR part 2) and the "Confidentiality of Certain Medical Records" (38 U.S.C. 7332), and will be made available on a need to know basis to appropriate Department of Veterans Affairs staff members involved with the treatment program of the veterans concerned.

(e) Contractors under this section shall provide reports of budget and case load experience upon request from a Department of Veterans Affairs official.

(38 U.S.C. 1720A)

§ 17.82 Contracts for outpatient services for veterans with alcohol or drug dependence or abuse disabilities.

(a) Contracts for treatment services authorized under § 17.80 may be awarded in accordance with applicable Department of Veterans Affairs and Federal procurement procedures. Such contracts will be awarded only after the quality and effectiveness, including adequate protection for the safety of the participants of the contractor's program, has been determined and then only to contractors determined by the Under Secretary for Health or designee to be fully capable of meeting the following standards:

(1) The following minimum fire safety requirements must be met:

   (i) The building must meet the requirements of the applicable business occupancy chapters (1-7, 26-27, and 31) and Appendix A of the NFPA 101, National Fire Protection Association's Life Safety Code (1994 edition) which are incorporated by reference. Incorporation by reference of these materials was approved by the Director of the Federal Register, in accordance with 5 U.S.C. 552(a) and 1 CFR part 51. These materials incorporated by reference are available for inspection at the Office of the Federal Register, Suite 700, 800 North Capitol Street, NW., Washington, DC, and the Department of Veterans Affairs, Office of Regulations Management (02D), Room 1154, 810 Vermont Avenue, N.W., Washington, DC 20420. Copies may be obtained from the National Fire Protection Association, Battery March Park, Quincy, MA 02269. (For ordering information, call toll-free 1-800-344-3555.) Any equivalencies or variances to Department of Veterans Affairs requirements must be approved by the appropriate Veterans Health Administration Veterans Integrated Service Networks (VISN) Director.

   (ii) Where applicable, the facility must have a current occupancy permit issued by the local and state governments in the jurisdiction where the home is located.
(iii) All Department of Veterans Affairs sponsored patients will be mentally and physically capable of leaving the building, unaided, in the event of an emergency.

(iv) Fire exit drills must be held at least quarterly. A written plan for evacuation in the event of fire shall be developed and reviewed annually. The plan shall outline the duties, responsibilities and actions to be taken by the staff in the event of a fire emergency. This plan shall be implemented during fire exit drills.

(v) Portable fire extinguishers shall be installed at the facility. Use NFPA 10, Portable Fire Extinguishers, as guidance in selection and location requirements of extinguishers.

(vi) Requirements for fire protection equipment and systems shall be in accordance with NFPA 101. Where installed, maintenance and testing of these systems/equipment shall include the following:

- The fire alarm system shall be test operated at least semi-annually.
- All smoke detectors shall be test operated, by activation of the smoke detector, at least semi-annually.
- The monthly and annual inspections and the maintenance of the extinguishers shall be in accordance with NFPA 10.
- All fire protection systems and equipment, such as the fire alarm system, smoke detectors, and portable extinguishers, shall be inspected, tested and maintained in accordance with the applicable NFPA fire codes and the results documented.
- An annual fire and safety inspection shall be conducted at the facility by qualified Department of Veterans Affairs personnel. If a review of past Department of Veterans Affairs inspections or inspections made by the local authorities indicates that a fire and safety inspection would not be necessary, then the visit to the facility may be waived.

(2) Conform to existing standards of State safety codes and local and/or State health and sanitation codes.

(3) Be licensed under State or local authority.

(4) Where applicable, be accredited by the State.

(5) Comply with the requirements of the "Confidentiality of Alcohol and Drug Abuse Patient Records" (42 CFR part 2) and the "Confidentiality of Certain Medical Records" (38 U.S.C. 7332), which shall be part of the contract.

(6) Demonstrate an existing capability to furnish the following:

- A supervised, alcohol and drug free environment, including active affiliation with Alcoholics Anonymous (AA) programs.
- Staff sufficient in numbers and position qualifications to carry out the policies, responsibilities, and programs of the facility.
- Structured activities.
- Appropriate group activities.
- Monitoring medications.
- Supportive social service.
- Individual counseling as appropriate.
- Opportunities for learning/development of skills and habits which will enable Department of Veterans Affairs sponsored residents to adjust to and maintain freedom from dependence on or involvement with alcohol or drug abuse or dependence during or subsequent to leaving the facility.
- Support for the individual desire for sobriety (alcohol/drug abuse-free life style).
(x) Opportunities for learning, testing, and internalizing knowledge of illness/recovery process, and to upgrade skills and improve personal relationships.

(7) Data normally maintained and included in a medical record as a function of compliance with State or community licensing standards will be accessible.

(b) Representatives of the Department of Veterans Affairs will inspect the facility prior to award of a contract to assure that prescribed requirements can be met. Inspections may also be carried out at such other times as deemed necessary by the Department of Veterans Affairs.

(c) All requirements in this rule and Department of Veterans Affairs reports of inspection of residential facilities furnishing treatment and rehabilitation services to eligible veterans shall, to the extent possible, be made available to all government agencies charged with the responsibility of licensing or otherwise regulating or inspecting such institutions.

(d) An individual case record will be created for each client which shall be maintained in security and confidence as required by the "Confidentiality of Alcohol and Drug Abuse Patient Records" (42 CFR part 2) and the "Confidentiality of Certain Medical Records" (38 U.S.C. 7332), and will be made available on a need to know basis to appropriate Department of Veterans Affairs staff members involved with the treatment program of the veterans concerned.

RESEARCH-RELATED INJURIES

§ 17.85 Treatment of research-related injuries to human subjects.

§ 17.85 Treatment of research-related injuries to human subjects.
(a) VA medical facilities shall provide necessary medical treatment to a research subject injured as a result of participation in a research project approved by a VA Research and Development Committee and conducted under the supervision of one or more VA employees. This section does not apply to:
(1) Treatment for injuries due to noncompliance by a subject with study procedures, or
(2) Research conducted for VA under a contract with an individual or a non-VA institution.
Note to § 17.85(a)(1) and (a)(2): Veterans who are injured as a result of participation in such research may be eligible for care from VA under other provisions of this part.
(b) Except in the following situations, care for VA research subjects under this section shall be provided in VA medical facilities.
(1) If VA medical facilities are not capable of furnishing economical care or are not capable of furnishing the care or services required, VA medical facility directors shall contract for the needed care.
(2) If inpatient care must be provided to a non-veteran under this section, VA medical facility directors may contract for such care.
(3) If a research subject needs treatment in a medical emergency for a condition covered by this section, VA medical facility directors shall provide reasonable reimbursement for the emergency treatment in a non-VA facility.
(c) For purposes of this section, "VA employee" means any person appointed by VA as an officer or employee and acting within the scope of his or her appointment (VA appoints officers and employees under title 5 and title 38 of the United States Code).

§ 17.90 Medical care for veterans receiving vocational training under 38 U.S.C. chapter 15.

Hospital care, nursing home care and medical services may be provided to any veteran who is participating in a vocational training program under 38 U.S.C. chapter 15. (a) For purposes of determining eligibility for this medical benefit, the term participating in a vocational training program under 38 U.S.C. chapter 15 means the same as the term participating in a rehabilitation program under 38 U.S.C. chapter 31 as defined in § 17.47(j). Eligibility for such medical care will continue only while the veteran is participating in the vocational training program.

(38 U.S.C. 1524, 1525, 1516)

§ 17.91 Protection of health-care eligibility.

Any veteran whose entitlement to VA pension is terminated by reason of income from work or training shall, subject to paragraphs (a) and (b) of this section, retain for 3 years after the termination, the eligibility for hospital care, nursing home care and medical services (not including dental) which the veteran otherwise would have had if the pension had not been terminated as a result of the veteran's receipt of earnings from activity performed for remuneration or gain by the veteran but only if the veteran's annual income from sources other than such earnings would, taken alone, not result in the termination of the veteran's pension.

(a) A veteran who participates in a vocational training program under 38 U.S.C. chapter 15 is eligible for the one-time 3 year retention of hospital care, nursing home care and medical services benefits at any time that the veteran's pension is terminated by reason of income from the veteran's employment.

(b) A veteran who does not participate in a vocational training program under 38 U.S.C. chapter 15 is eligible for the one-time 3 year retention of hospital care and medical services benefits only if the veteran's pension is terminated by reason of income from the veteran's employment during the period February 1, 1985 through January 31, 1989.

OUTPATIENT TREATMENT

§ 17.92 Outpatient care for research purposes.
§ 17.93 Eligibility for outpatient services.
§ 17.94 Outpatient medical services for military retirees and other beneficiaries.
§ 17.95 Outpatient medical services for Department of Veterans Affairs employees and others in emergencies.
§ 17.96 Medication prescribed by non-VA physicians.
§ 17.97 Prescriptions in Alaska, and territories and possessions.
§ 17.98 Mental health services.

§ 17.92 Outpatient care for research purposes.
Subject to the provisions of § 17.101, any person who is a bona fide volunteer may be furnished outpatient treatment when the treatment to be rendered is part of an approved Department of Veterans Affairs research project and there are insufficient veteran-patients suitable for the project.

§ 17.93 Eligibility for outpatient services.
(a) VA shall furnish on an ambulatory or outpatient basis medical services as are needed, to the following applicants under the conditions stated, except that applications for dental treatment must also meet the provisions of § 17.161.
(Authority: 38 U.S.C. 1712)
(1) For compensation and pension examinations. A compensation and pension examination shall be performed for any veteran who is directed to have such an examination by VA.
(Authority: 38 U.S.C. 111 and 501)
(2) For adjunct treatment. Subject to the provisions of §§ 17.36 through 17.38, medical services on an ambulatory or outpatient basis shall be provided to veterans for an adjunct nonservice-connected condition associated with and held to be aggravating a disability from a disease or injury adjudicated as being service-connected.
(b) The term "shall furnish" in this section and 38 U.S.C. 1712 (a)(1) and (a)(2) means that, if the veteran is in immediate need of outpatient medical services, VA shall furnish care at the VA facility where the veteran applies. If the needed medical services are not available there, VA shall arrange for care at the nearest VA medical facility or Department of Defense facility (with which VA has a sharing agreement) that can provide the needed care. If VA and Department of Defense facilities are not available, VA shall arrange for care on a fee basis, but only if the veteran is eligible to receive medical services in non-VA facilities under § 17.52.
If the veteran is not in immediate need of outpatient medical services, VA shall schedule the veteran for care where the veteran applied, if the schedule there permits, or refer the veteran for scheduling to the nearest VA medical center or Department of Defense facility (with which VA has a sharing agreement).
§ 17.94 Outpatient medical services for military retirees and other beneficiaries.
Outpatient medical services for military retirees and other beneficiaries for which charges shall be made as required by § 17.101, may be authorized for persons properly referred by authorized officials of other Federal agencies for which the Secretary of Veterans Affairs may agree to render such service under the conditions stipulated by the Secretary and pensioners of nations allied with the United States in World War I and World War II when duly authorized.

§ 17.95 Outpatient medical services for Department of Veterans Affairs employees and others in emergencies.
Outpatient medical services for which charges shall be made as required by § 17.101 may be authorized for employees of the Department of Veterans Affairs, their families, and the general public in emergencies, subject to conditions stipulated by the Secretary of Veterans Affairs.

§ 17.96 Medication prescribed by non-VA physicians.
(a) General. VA may not furnish a veteran with medication prescribed by a duly licensed physician who is not an employee of the VA or is not providing care to the veteran under a contract with the VA, except as provided in paragraphs (b) through (i) of this section.
(b) Medication furnished prior to an initial primary care appointment. Beginning on September 22, 2003, VA may furnish medication prescribed by a non-VA physician for a veteran enrolled under § 17.36 of this part prior to July 25, 2003, who had prior to July 25, 2003, requested an initial appointment for primary care in a VA health care facility,
and the next available appointment date was more than 30 days from the date of the request.

(c) Quantity of medication. VA may furnish a quantity of medication under paragraph (b) of this section that is sufficient to appropriately meet the treatment needs of the veteran until the date of the veteran's initial appointment for primary care in a VA health care facility.

(d) Appointment cancellation. If VA reschedules a veteran eligible under paragraph (b) for an initial appointment for primary care in a VA health care facility, or if such a veteran reschedules the appointment for good cause, as determined by the local VA treatment facility, VA may furnish the eligible veteran with a quantity of medication under paragraph (b) of this section that is sufficient to appropriately meet the treatment needs of the veteran until the date of the veteran's rescheduled appointment for primary care in a VA health care facility.

(e) Written prescription and information requirements. VA may furnish medication under paragraph (b) of this section only if the veteran provides VA with a written prescription for the medication signed by a duly licensed physician within the previous 90 days.

(1) The veteran must furnish the following information:

(i) Name;
(ii) Date of Birth;
(iii) Social Security Number;
(iv) Home address;
(v) Phone number (with area code);
(vi) Name of Health Insurance Company and Health Insurance Policy Number;
(vii) List of any allergies;
(viii) History of any adverse reaction to any medication;
(ix) List of current medications, including over-the-counter medications or herbal supplements; and
(x) Indication of whether the VA pharmacist may call a non-VA physician for information regarding medications.

(2) The non-VA physician must furnish the following information:

(i) Name;
(ii) Group practice name;
(iii) Social Security Number or Tax ID number;
(iv) License Number;
(v) Office address;
(vi) Phone number and fax number; and
(vii) E-mail address.

(f) Medications that may be furnished. VA may furnish medication under paragraph (b) of this section only if the medication:

(1) Must be dispensed by prescription;
(2) Is not an over-the-counter medication;
(3) Is not listed as a controlled substance under schedule I through V of the Comprehensive Drug Abuse Prevention and Control Act, 21 U.S.C. 812;
(4) Is included on VA's National Formulary, unless VA determines a non-Formulary medication is medically necessary; and
(5) Is not an acute medication, an intravenous medication nor one required to be administered only by a medical professional.

(g) Copayments. Copayment provisions in § 17.110 of this part apply to medication furnished under paragraph (b) of this section.

(h) Mailing of Medications. VA may furnish medication under paragraph (b) of this section only by having the medication mailed to the veteran.

(i) Medications for veterans receiving increased compensation or pension. Any prescription, which is not part of authorized Department of Veterans Affairs hospital or outpatient care, for drugs and medicines ordered by a private or non-Department of Veterans Affairs doctor of medicine or doctor of osteopathy duly licensed to practice in the jurisdiction where the prescription is written, shall be filled by a Department of Veterans Affairs pharmacy or a non-VA pharmacy in a state home under contract with VA for filling prescriptions for patients in state homes, provided:

(1) The prescription is for:

(i) A veteran who by reason of being permanently housebound or in need of regular aid and attendance is in receipt of increased compensation under 38 U.S.C. chapter 11, or increased pension under section 3.1(u) (Section 306 Pension) or section 3.1(w) (Improved Pension), of this title, as a veteran of the Mexican Border Period, World War I, World War II, the Korean Conflict, or the Vietnam Era (or, although eligible for such pension, is in receipt of compensation as the greater benefit), or

(ii) A veteran in need of regular aid and attendance who was formerly in receipt of increased pension as described in paragraph (a)(1) of this section whose pension has been discontinued solely by reason of excess income, but only so long as such veteran's annual income does not exceed the maximum annual income limitation by more than $1,000, and

(2) The drugs and medicines are prescribed as specific therapy in the treatment of any of the veteran's illnesses or injuries.

§ 17.97 Prescriptions in Alaska, and territories and possessions.
In Alaska and territories and possessions, where there are no Department of Veterans Affairs pharmacies, the expenses of any prescriptions filled by a private pharmacist which otherwise could have been filled by a Department of Veterans Affairs pharmacy under 38 U.S.C. 1712(h), may be reimbursed.

§ 17.98 Mental health services.
(a) Following the death of a veteran, bereavement counseling involving services defined in 38 U.S.C. 1701(6)(B) of this part, may be furnished to persons who were receiving mental health services in connection with treatment of the veteran under 38 U.S.C. 1710, 1712, 1712A, 1713, or 1717, or 38 CFR 17.84 of this part, prior to the veteran's death, but may only be furnished in instances where the veteran's death had been unexpected or occurred while the veteran was participating in a VA hospice or similar program. Bereavement counseling may be provided only to assist individuals with the emotional and psychological stress accompanying the veteran's death, and only for a limited period of time, as determined by the Medical Center Director, but not to exceed 60 days. The Medical Center Director may approve a longer period of time when medically indicated.

(b) For purposes of paragraph (a) of this section, an unexpected death is one which occurs when in the course of an illness the provider of care did not or could not have anticipated the timing of the death. Ordinarily, the provider of care can anticipate the patient's death and can inform the patient and family of the immediacy and certainty of death. If that has not taken place, a death can be described as unexpected.

BREAKING APPOINTMENTS

§ 17.100 Refusal of treatment by unnecessarily breaking appointments.

§ 17.100 Refusal of treatment by unnecessarily breaking appointments.

A patient under medical treatment who breaks an appointment without a reasonable excuse will be informed that breaking an additional appointment will be deemed to be a refusal to accept VA treatment. If such a patient fails to keep a second appointment, without at least 24 hours notice, such action will be deemed as a refusal to accept VA treatment. Thereafter, no further treatment will be furnished until the veteran has agreed to cooperate by keeping appointments. Treatment will not be discontinued until the treating physician has reviewed the treatment files, concurred in the action and signed a statement to this effect in the record. Consideration will be given to the veteran's ability to make a rational decision concerning the need for medical care and/or examination. The veteran will be advised of the final decision. Nothing in this section will be construed to prevent treatment for an emergent condition that may arise during or subsequent to this action. Where an appointment is broken without notice and satisfactory reasons are advanced for breaking the appointment and circumstances were such that notice could not be given, the patient will not be deemed to have refused treatment.

CHARGES, WAIVERS, AND COLLECTIONS

§ 17.101 Collection or recovery by VA for medical care or services provided or furnished to a veteran for a nonservice-connected disability.

§ 17.102 Charges for care or services.

§ 17.103 Referrals of compromise settlement offers.

§ 17.104 Terminations and suspensions.

§ 17.105 Waivers.

§ 17.101 Collection or recovery by VA for medical care or services provided or furnished to a veteran for a nonservice-connected disability.

Discussion and Analysis in the Veterans Benefits Manual

(a)(1) General. This section covers collection or recovery by VA, under 38 U.S.C. 1729, for medical care or services provided or furnished to a veteran:

(i) For a nonservice-connected disability for which the veteran is entitled to care (or the payment of expenses of care) under a health plan contract;

(ii) For a nonservice-connected disability incurred incident to the veteran's employment and covered under a worker's compensation law or plan that provides reimbursement or indemnification for such care and services; or

(iii) For a nonservice-connected disability incurred as a result of a motor vehicle accident in a State that requires automobile accident reparations insurance.

(2) Methodologies. Based on the methodologies set forth in this section, the charges billed will include the following types of charges, as appropriate: Acute inpatient facility charges; skilled nursing facility/sub-acute inpatient facility charges; partial hospitalization facility charges; outpatient facility charges; physician and other professional charges, including professional charges for anesthesia services and dental services; pathology and laboratory charges; observation care facility charges; ambulance and other emergency transportation charges; and charges for durable medical equipment, drugs, injectables, and other medical services, items, and supplies identified by HCPCS Level II codes. In addition, the charges billed for prescription drugs not administered during treatment will be based on VA costs in accordance with the methodology set forth in § 17.102. Data for calculating actual charge amounts based on the methodologies set forth in this section will either be published in a notice in the Federal Register or will be posted on the Internet site of the Veterans Health Administration Chief Business Office, currently at http://www.va.gov/cbo, under "Charge Data." For care for which VA has established a charge, VA will bill using its most recent published or posted charge. For care for which VA has not established a charge, VA will bill according to the methodology set forth in paragraph (a)(8) of this section.

(3) Data sources. In this section, data sources are identified by name. The specific editions of these data sources used to calculate actual charge amounts, and information on where these data sources may be obtained, will be presented along with the data for calculating actual charge amounts, either in notices in the Federal Register or on the Internet site of the Veterans Health Administration Chief Business Office, currently at http://www.va.gov/cbo, under "Charge Data."

(4) Amount of recovery or collection-third party liability. A third-party payer liable under a health plan contract has the option of paying either the billed charges described in this
section or the amount the health plan demonstrates is the amount it would pay for care or services furnished by providers other than entities of the United States for the same care or services in the same geographic area. If the amount submitted by the health plan for payment is less than the amount billed, VA will accept the submission as payment, subject to verification at VA's discretion in accordance with this section. A VA employee having responsibility for collection of such charges may request that the third party health plan submit evidence or information to substantiate the appropriateness of the payment amount (e.g., health plan or insurance policies, provider agreements, medical evidence, proof of payment to other providers in the same geographic area for the same care and services VA provided).

(5) Definitions. For purposes of this section:

APC means Medicare Ambulatory Payment Classification.

CMS means the Centers for Medicare and Medicaid Services.

CPI-U means Consumer Price Index—All Urban Consumers.

CPT code and CPT procedure code mean Current Procedural Terminology code, a five-digit identifier defined by the American Medical Association for a specified physician service or procedure.

DME means Durable Medical Equipment.

DRG means Diagnosis Related Group.

Geographic area means a three-digit ZIP Code area, where three-digit ZIP Codes are the first three digits of standard U.S. Postal Service ZIP Codes.

HCPCS code means a Healthcare Common Procedure Coding System Level II identifier, consisting of a letter followed by four digits, defined by CMS for a specified physician service, procedure, test, supply, or other medical service.

ICU means Intensive Care Unit, including coronary care units.

MDR means Medical Data Research, a medical charge database published by Ingenix, Inc.

MedPAR means the Medicare Provider Analysis and Review file.

Non-provider-based means a VA health care entity (such as a small VA community-based outpatient clinic) that functions as the equivalent of a doctor's office or for other reasons does not meet CMS provider-based criteria, and, therefore, is not entitled to bill outpatient facility charges.

Provider-based means the outpatient department of a VA hospital or any other VA health care entity that meets CMS provider-based criteria. Provider-based entities are entitled to bill outpatient facility charges.

RBRVS means Resource-Based Relative Value Scale.

RVU means Relative Value Unit.

Unlisted procedures mean procedures, services, items, and supplies that have not been defined or specified by the American Medical Association or CMS, and the CPT and HCPCS codes used to report such procedures, services, items, and supplies.

(6) Provider-based and non-provider-based entities and charges. Each VA health care entity (medical center, hospital, community-based outpatient clinic, independent outpatient clinic, etc.) is designated as either provider-based or non-provider-based. Provider-based entities are entitled to bill outpatient facility charges; non-provider-based entities are not. The charges for physician and other professional services provided at non-provider-based entities will be billed as professional charges only. Professional
charges for both provider-based entities and non-provider-based entities are produced by
the methodologies set forth in this section, with professional charges for provider-based
entities based on facility practice expense RVUs, and professional charges for
non-provider-based entities based on non-facility practice expense RVUs.
(7) Charges for medical care or services provided by non-VA providers at VA expense.
When medical care or services are furnished at the expense of the VA by non-VA
providers, the charges billed for such care or services will be the higher of the charges
determined according to this section, or the amount VA paid to the non-VA provider.
(8) Charges for medical care or services for which VA does not have an established
charge. When medical care or services are provided or furnished at VA expense by either
VA or non-VA providers, and VA does not have an established charge for such care or
services, then the charges billed for such care or services will be according to the first of
the following subparagraphs that applies:
(i) In the event that a new identifier (DRG, CPT code, or HCPCS code) is assigned to a
particular type or item of medical care or service, then until such time as VA establishes a
charge for the new identifier, VA's charge for such care or service will be VA's most
recent established charge for the identifier previously assigned to that type or item of
medical care or service; otherwise,
(ii) In the event that the medical care or service is provided or furnished at VA expense
by a non-VA provider, then VA's charge for such care or service will be the amount VA
paid to the non-VA provider; otherwise,
(iii) VA's charges for prosthetic devices and durable medical equipment will be VA's
actual cost; otherwise,
(iv) If a Medicare allowed charge amount can be determined for the care or service, then
VA's charge will be the Medicare participating provider allowed charge amount
geo graphically adjusted using the applicable geographic area adjustment factors
determined pursuant to this section; otherwise,
(v) If a charge cannot be established under paragraphs (a)(8)(i) through (iv) of this
section, then VA will not charge for the care or service under this section.
(b) Acute inpatient facility charges. When VA provides or furnishes acute inpatient
services within the scope of care referred to in paragraph (a)(1) of this section, acute
inpatient facility charges billed for such services will be determined in accordance with
the provisions of this paragraph. Acute inpatient facility charges consist of per diem
charges for room and board and for ancillary services that vary by geographic area and by
DRG. These charges are calculated as follows:
(1) Formula. For each acute inpatient stay, or portion thereof, for which a particular DRG
assignment applies, the total acute inpatient facility charge is the sum of the applicable
charges determined pursuant to paragraphs (b)(1)(i), (ii), and (iii) of this section. For
purposes of this section, standard room and board days and ICU room and board days are
mutually exclusive: VA will bill either a standard room and board per diem charge or an
ICU room and board per diem charge, as applicable, for each day of a given acute
inpatient stay.
(i) Standard room and board charges. Multiply the nationwide standard room and board
per diem charge determined pursuant to paragraph (b)(2) of this section by the
appropriate geographic area adjustment factor determined pursuant to paragraph (b)(3) of
this section. The result constitutes the area-specific standard room and board per diem

the restrictions and terms and conditions of the Matthew Bender Master Agreement.
charge. Multiply this amount by the number of days for which standard room and board charges apply to obtain the total acute inpatient facility standard room and board charge.

(ii) ICU room and board charges. Multiply the nationwide ICU room and board per diem charge determined pursuant to paragraph (b)(2) of this section by the appropriate geographic area adjustment factor determined pursuant to paragraph (b)(3) of this section. The result constitutes the area-specific ICU room and board per diem charge. Multiply this amount by the number of days for which ICU room and board per diem charges apply to obtain the total acute inpatient facility ICU room and board charge.

(iii) Ancillary charges. Multiply the nationwide ancillary per diem charge determined pursuant to paragraph (b)(2) of this section by the appropriate geographic area adjustment factor determined pursuant to paragraph (b)(3) of this section. The result constitutes the area-specific ancillary per diem charge. Multiply this amount by the number of days of acute inpatient care to obtain the total acute inpatient facility ancillary charge.

Note to paragraph (b)(1): If there is a change in a patient's condition and/or treatment during a single acute inpatient stay such that the DRG assignment changes (for example, a psychiatric patient who develops a medical or surgical problem), then calculations of acute inpatient facility charges will be made separately for each DRG, according to the number of days of care applicable for each DRG, and the total acute inpatient facility charge will be the sum of the total acute inpatient facility charges for the different DRGs.

(2) Per diem charges. To establish a baseline, two nationwide average per diem amounts for each DRG are calculated, one from the MedPAR file and one from the MedStat claims database, a database of nationwide commercial insurance claims. Average per diem charges are calculated based on all available charges, except for care reported for emergency room, ambulance, professional, and observation care. These two data sources may report charges for two differing periods of time; when this occurs, the data source charges with the earlier center date are trended forward to the center date of the other data source, based on changes to the inpatient hospital services component of the CPI-U. Results obtained from these two data sources are then combined into a single weighted average per diem charge for each DRG. The resulting charge for each DRG is then separated into its two components, a room and board component and an ancillary component, with the per diem charge for each component calculated by multiplying the weighted average per diem charge by the corresponding percentage determined pursuant to paragraph (b)(2)(i) of this section. The room and board per diem charge is further differentiated into a standard room and board per diem charge and an ICU room and board per diem charge by multiplying the average room and board charge by the corresponding DRG-specific ratios determined pursuant to paragraph (b)(2)(ii) of this section. The resulting per diem charges for standard room and board, ICU room and board, and ancillary services for each DRG are then each multiplied by the final ratio determined pursuant to paragraph (b)(2)(iii) of this section to reflect the nationwide 80th percentile charges. Finally, the resulting amounts are each trended forward from the center date of the trended data sources to the effective time period for the charges, as set forth in paragraph (b)(2)(iv) of this section. The results constitute the nationwide 80th percentile standard room and board, ICU room and board, and ancillary per diem charges.

(i) Room and board charge and ancillary charge component percentages. Using only those cases from the MedPAR file for which a distinction between room and board charges and ancillary charges can be determined, the percentage of the total charges for
room and board compared to the combined total charges for room and board and ancillary services, and the percentage of the total charges for ancillary services compared to the combined total charges for room and board and ancillary services, are calculated by DRG.

(ii) Standard room and board per diem charge and ICU room and board per diem charge ratios. Using only those cases from the MedPAR file for which a distinction between room and board and ancillary charges can be determined, overall average per diem room and board charges are calculated by DRG. Then, using the same cases, an average standard room and board per diem charge is calculated by dividing total non-ICU room and board charges by total non-ICU room and board days. Similarly, an average ICU room and board per diem charge is calculated by dividing total ICU room and board charges by total ICU room and board days. Finally, ratios of standard room and board per diem charges to average overall room and board per diem charges are calculated by DRG, as are ratios of ICU room and board per diem charges to average overall room and board per diem charges.

(iii) 80th percentile. Using cases from the MedPAR file with separately identifiable semi-private room rates, the ratio of the day-weighted 80th percentile semi-private room and board per diem charge to the average semi-private room and board per diem charge is obtained for each geographic area. The geographic area-based ratios are averaged to obtain a final 80th percentile ratio.

(iv) Trending forward. 80th percentile charges for each DRG, obtained as described in paragraph (b)(2) of this section, are trended forward based on changes to the inpatient hospital services component of the CPI-U. Actual CPI-U changes are used from the center date of the trended data sources through the latest available month as of the time the calculations are performed. The three-month average annual trend rate as of the latest available month is then held constant to the midpoint of the calendar year in which the charges are primarily expected to be used. The projected total CPI-U change so obtained is then applied to the 80th percentile charges.

(3) Geographic area adjustment factors. For each geographic area, the average per diem room and board charges and ancillary charges from the MedPAR file are calculated for each DRG. The DRGs are separated into two groups, surgical and non-surgical. For each of these groups of DRGs, for each geographic area, average room and board per diem charges and ancillary per diem charges are calculated, weighted by nationwide VA discharges and by average lengths of stay from the combined MedPAR file and MedStat claims database. This results in four average per diem charges for each geographic area: room and board for surgical DRGs, ancillary for surgical DRGs, room and board for non-surgical DRGs, and ancillary for non-surgical DRGs. Four corresponding national average per diem charges are obtained from the MedPAR file, weighted by nationwide VA discharges and by average lengths of stay from the combined MedPAR file and MedStat claims database. Four geographic area adjustment factors are then calculated for each geographic area by dividing each geographic area average per diem charge by the corresponding national average per diem charge.

(c) Skilled nursing facility/sub-acute inpatient facility charges. When VA provides or furnishes skilled nursing/sub-acute inpatient services within the scope of care referred to in paragraph (a)(1) of this section, skilled nursing facility/sub-acute inpatient facility charges billed for such services will be determined in accordance with the provisions of
this paragraph. The skilled nursing facility/sub-acute inpatient facility charges are per diem charges that vary by geographic area. The facility charges cover care, including room and board, nursing care, pharmaceuticals, supplies, and skilled rehabilitation services (e.g., physical therapy, inhalation therapy, occupational therapy, and speech-language pathology), that is provided in a nursing home or hospital inpatient setting, is provided under a physician's orders, and is performed by or under the general supervision of professional personnel such as registered nurses, licensed practical nurses, physical therapists, occupational therapists, speech-language pathologists, and audiologists. These charges are calculated as follows:

(1) Formula. For each stay, multiply the nationwide per diem charge determined pursuant to paragraph (c)(2) of this section by the appropriate geographic area adjustment factor determined pursuant to paragraph (c)(3) of this section. The result constitutes the area-specific per diem charge. Finally, multiply the area-specific per diem charge by the number of days of care to obtain the total skilled nursing facility/sub-acute inpatient facility charge.

(2) Per diem charge. To establish a baseline, a nationwide average per diem billed charge is calculated based on charges reported in the MedPAR skilled nursing facility file. For this purpose, the following MedPAR charge categories are included: room and board (private, semi-private, and ward), physical therapy, occupational therapy, inhalation therapy, speech-language pathology, pharmacy, medical/surgical supplies, and "other" services. The following MedPAR charge categories are excluded from the calculation of the per diem charge and will be billed separately, using the charges determined as set forth in other applicable paragraphs of this section, when these services are provided to skilled nursing patients or sub-acute inpatients: ICU and CCU room and board, laboratory, radiology, cardiology, dialysis, operating room, blood and blood administration, ambulance, MRI, anesthesia, durable medical equipment, emergency room, clinic, outpatient, professional, lithotripsy, and organ acquisition services. The resulting average per diem billed charge is then multiplied by the 80th percentile adjustment factor determined pursuant to paragraph (c)(2)(i) of this section to obtain a nationwide 80th percentile charge level. Finally, the resulting amount is trended forward to the effective time period for the charges, as set forth in paragraph (c)(2)(ii) of this section.

(i) 80th percentile adjustment factor. Using the MedPAR skilled nursing facility file, the ratio of the day-weighted 80th percentile room and board per diem charge to the day-weighted average room and board per diem charge is obtained for each geographic area. The geographic area-based ratios are averaged to obtain the 80th percentile adjustment factor.

(ii) Trending forward. The 80th percentile charge is trended forward based on changes to the inpatient hospital services component of the CPI-U. Actual CPI-U changes are used from the time period of the source data through the latest available month as of the time the calculations are performed. The three-month average annual trend rate as of the latest available month is then held constant to the midpoint of the calendar year in which the charges are primarily expected to be used. The projected total CPI-U change so obtained is then applied to the 80th percentile charge.

(3) Geographic area adjustment factors. The average billed per diem charge for each geographic area is calculated from the MedPAR skilled nursing facility file. This amount
is divided by the nationwide average billed charge calculated in paragraph (c)(2) of this section. The geographic area adjustment factor for charges for each VA facility is the ratio for the geographic area in which the facility is located.

(d) Partial hospitalization facility charges. When VA provides or furnishes partial hospitalization services that are within the scope of care referred to in paragraph (a)(1) of this section, the facility charges billed for such services will be determined in accordance with the provisions of this paragraph. Partial hospitalization facility charges are per diem charges that vary by geographic area. These charges are calculated as follows:

(1) Formula. For each partial hospitalization stay, multiply the nationwide per diem charge determined pursuant to paragraph (d)(2) of this section by the appropriate geographic area adjustment factor determined pursuant to paragraph (d)(3) of this section. The result constitutes the area-specific per diem charge. Finally, multiply the area-specific per diem charge by the number of days of care to obtain the total partial hospitalization facility charge.

(2) Per diem charge. To establish a baseline, a nationwide median per diem billed charge is calculated based on charges associated with partial hospitalization from the outpatient facility component of the Medicare Standard Analytical File 5 percent Sample. That median per diem billed charge is then multiplied by the 80th percentile adjustment factor determined pursuant to paragraph (d)(2)(i) of this section to obtain a nationwide 80th percentile charge level. Finally, the resulting amount is trended forward to the effective time period for the charges, as set forth in paragraph (d)(2)(ii) of this section.

(i) 80th percentile adjustment factor. The 80th percentile adjustment factor for partial hospitalization facility charges is the same as that computed for skilled nursing facility/sub-acute inpatient facility charges under paragraph (c)(2)(i) of this section.

(ii) Trending forward. The 80th percentile charge is trended forward based on changes to the outpatient hospital services component of the CPI-U. Actual CPI-U changes are used from the time period of the source data through the latest available month as of the time the calculations are performed. The three-month average annual trend rate as of the latest available month is then held constant to the midpoint of the calendar year in which the charges are primarily expected to be used. The projected total CPI-U change so obtained is then applied to the 80th percentile charges, as described in paragraph (d)(2) of this section.

(3) Geographic area adjustment factors. The geographic area adjustment factors for partial hospitalization facility charges are the same as those computed for outpatient facility charges under paragraph (e)(4) of this section.

(e) Outpatient facility charges. When VA provides or furnishes outpatient facility services that are within the scope of care referred to in paragraph (a)(1) of this section, the charges billed for such services will be determined in accordance with the provisions of this paragraph. Charges for outpatient facility services vary by geographic area and by CPT/HCPCS code. These charges apply in the situations set forth in paragraph (e)(1) of this section and are calculated as set forth in paragraph (e)(2) of this section.

(1) Settings and circumstances in which outpatient facility charges apply. Outpatient facility charges consist of facility charges for procedures, diagnostic tests, evaluation and management services, and other medical services, items, and supplies provided in the following settings and circumstances:

(i) Outpatient departments and clinics at VA medical centers;
(ii) Other VA provider-based entities; and
(iii) VA non-provider-based entities, for procedures and tests for which no corresponding
professional charge is established under the provisions of paragraph (f) of this section.

(2) Formula. For each outpatient facility charge CPT/HCPCS code, multiply the
nationwide 80th percentile charge determined pursuant to paragraph (e)(3) of this section
by the appropriate geographic area adjustment factor determined pursuant to paragraph
(e)(4) of this section. The result constitutes the area-specific outpatient facility charge.

When multiple surgical procedures are performed during the same outpatient encounter
by a provider or provider team, the outpatient facility charges for such procedures will be
reduced as set forth in paragraph (e)(5) of this section.

(3) Nationwide 80th percentile charges by CPT/HCPCS code. For each CPT/HCPCS
code for which outpatient facility charges apply, the nationwide 80th percentile charge is
calculated as set forth in either paragraph (e)(3)(i) or (e)(3)(ii) of this section. The
resulting amount is trended forward to the effective time period for the charges, as set
forth in paragraph (e)(3)(iii) of this section. The results constitute the nationwide 80th
percentile outpatient facility charges by CPT/HCPCS code.

(i) Nationwide 80th percentile charges for CPT/HCPCS codes which have APC
assignments. Using the outpatient facility charges reported in the outpatient facility
component of the Medicare Standard Analytical File 5 percent Sample, claim records are
selected for which all charges can be assigned to an APC. Using this subset of the 5
percent Sample data, nationwide median charge to Medicare APC payment amount ratios,
by APC, and nationwide 80th percentile to median charge ratios, by APC, are computed
according to the methodology set forth in paragraphs (e)(3)(i)(A) and (e)(3)(i)(B) of this
section, respectively. The product of these two ratios by APC is then computed, resulting
in a composite nationwide 80th percentile charge to Medicare APC payment amount ratio.
This ratio is then compared to the alternate nationwide 80th percentile charge to
Medicare APC payment amount ratio computed in paragraph (e)(3)(i)(C) of this section,
and the lesser amount is selected and multiplied by the current Medicare APC payment
amount. The resulting product is the APC-specific nationwide 80th percentile charge
amount for each applicable CPT/HCPCS code.

(A) Nationwide median charge to Medicare APC payment amount ratios. For each
CPT/HCPCS code, the ratio of median billed charge to Medicare APC payment amount
is determined. The weighted average of these ratios for each APC is then obtained, using
the reported 5 percent Sample frequencies as weights. In addition, corresponding ratios
are calculated for each of the APC categories set forth in paragraph (e)(3)(i)(D) of this
section, again using the reported 5 percent Sample frequencies as weights. For APCs
where the 5 percent Sample frequencies provide a statistically credible result, the
APC-specific weighted average nationwide median charge to Medicare APC payment
amount ratio so obtained is accepted without further adjustment. However, if the 5
percent Sample data do not produce statistically credible results for any specific APC,
then the APC category-specific ratio is applied for that APC.

(B) Nationwide 80th percentile to median charge ratios. For each CPT/HCPCS code, a
geographically normalized nationwide 80th percentile billed charge amount is divided by
a similarly normalized nationwide median billed charge amount. The weighted average of
these ratios for each APC is then obtained, using the reported 5 percent Sample
frequencies as weights. In addition, corresponding ratios are calculated for each of the
APC categories set forth in paragraph (e)(3)(i)(D) of this section, again using the reported 5 percent Sample frequencies as weights. For APCs where the 5 percent Sample frequencies provide a statistically credible result, the APC-specific weighted average nationwide 80th percentile to median charge ratio so obtained is accepted without further adjustment. However, if the 5 percent Sample data do not produce statistically credible results for any specific APC, then the APC category-specific ratio is applied for that APC.

(C) Alternate nationwide 80th percentile charge to Medicare APC payment amount ratios. A minimum 80th percentile charge to Medicare APC payment amount ratio is set at 2.0 for APCs with Medicare APC payment amounts of $25 or less. A maximum 80th percentile charge to Medicare APC payment amount ratio is set at 6.5 for APCs with Medicare APC payment amounts of $10,000 or more. Using linear interpolation with these endpoints, the alternate APC-specific nationwide 80th percentile charge to Medicare APC payment amount ratio is then computed, based on the Medicare APC payment amount.

(D) APC categories for the purpose of establishing 80th percentile to median factors. For the purpose of the statistical methodology set forth in paragraph (e)(3)(i) of this section, APCs are assigned to the following APC categories:

(1) Radiology.
(2) Drugs.
(3) Office, Home, and Urgent Care Visits.
(4) Cardiovascular.
(5) Emergency Room Visits.
(6) Outpatient Psychiatry, Alcohol and Drug Abuse.
(7) Pathology.
(8) Surgery.
(9) Allergy Immunotherapy, Allergy Testing, Immunizations, and Therapeutic Injections.
(10) All APCs not assigned to any of the above groups.

(ii) Nationwide 80th percentile charges for CPT/HCPCS codes which do not have APC assignments. Nationwide 80th percentile billed charge levels by CPT/HCPCS code are computed from the outpatient facility component of the MDR database, from the MedStat claims database, and from the outpatient facility component of the Medicare Standard Analytical File 5 percent Sample. If the MDR database contains sufficient data to provide a statistically credible 80th percentile charge, then that result is retained for this purpose. If the MDR database does not provide a statistically credible 80th percentile charge, then the result from the MedStat database is retained for this purpose, provided it is statistically credible. If neither the MDR nor the MedStat databases provide statistically credible results, then the nationwide 80th percentile billed charge computed from the 5 percent Sample data is retained for this purpose. The nationwide 80th percentile charges retained from each of these data sources are trended forward to the effective time period for the charges, as set forth in paragraph (e)(3)(iii) of this section.

(iii) Trending forward. The charges for each CPT/HCPCS code, obtained as described in paragraph (e)(3) of this section, are trended forward based on changes to the outpatient hospital services component of the CPI-U. Actual CPI-U changes are used from the time period of the source data through the latest available month as of the time the calculations are performed. The three-month average annual trend rate as of the latest available month
is then held constant to the midpoint of the calendar year in which the charges are primarily expected to be used. The projected total CPI-U change so obtained is then applied to the 80th percentile charges, as described in paragraph (e)(3) of this section.

(4) Geographic area adjustment factors. For each geographic area, a single adjustment factor is calculated as the arithmetic average of the outpatient geographic area adjustment factor published in the Milliman USA, Inc., Health Cost Guidelines (this factor constitutes the ratio of the level of charges for each geographic area to the nationwide level of charges), and a geographic area adjustment factor developed from the MDR database (see paragraph (a)(3) of this section for Data Sources). The MDR-based geographic area adjustment factors are calculated as the ratio of the CPT/HCPCS code weighted average charge level for each geographic area to the nationwide CPT/HCPCS code weighted average charge level.

(5) Multiple surgical procedures. When multiple surgical procedures are performed during the same outpatient encounter by a provider or provider team as indicated by multiple surgical CPT/HCPCS procedure codes, then the CPT/HCPCS procedure code with the highest facility charge will be billed at 100 percent of the charges established under this section; the CPT/HCPCS procedure code with the second highest facility charge will be billed at 25 percent of the charges established under this section; the CPT/HCPCS procedure code with the third highest facility charge will be billed at 15 percent of the charges established under this section; and no outpatient facility charges will be billed for any additional surgical procedures.

(f) Physician and other professional charges except for anesthesia services and certain dental services. When VA provides or furnishes physician and other professional services, other than professional anesthesia services and certain professional dental services, within the scope of care referred to in paragraph (a)(1) of this section, physician and other professional charges billed for such services will be determined in accordance with the provisions of this paragraph. Charges for professional dental services identified by CPT code are determined in accordance with the provisions of this paragraph; charges for professional dental services identified by HCPCS Level II code are determined in accordance with the provisions of paragraph (h) of this section. Physician and other professional charges consist of charges for professional services that vary by geographic area, by CPT/HCPCS code, by site of service, and by modifier, where applicable. These charges are calculated as follows:

(1) Formula. For each CPT/HCPCS code or, where applicable, each CPT/HCPCS code and modifier combination, multiply the total geographically-adjusted RVUs determined pursuant to paragraph (f)(2) of this section by the applicable geographically-adjusted conversion factor (a monetary amount) determined pursuant to paragraph (f)(3) of this section to obtain the physician charge for each CPT/HCPCS code in a particular geographic area. Then, multiply this charge by the appropriate factors for any charge-significant modifiers, determined pursuant to paragraph (f)(4) of this section.

(2)(i) Total geographically-adjusted RVUs for physician services that have Medicare RVUs. The work expense and practice expense RVUs for CPT/HCPCS codes, other than the codes described in paragraphs (f)(2)(ii) and (f)(2)(iii) of this section, are compiled using Medicare Physician Fee Schedule RVUs. The sum of the geographically-adjusted work expense RVUs determined pursuant to paragraph (f)(2)(i)(A) of this section and the
geographically-adjusted practice expense RVUs determined pursuant to paragraph (f)(2)(i)(B) of this section equals the total geographically-adjusted RVUs.

(A) Geographically-adjusted work expense RVUs. For each CPT/HCPCS code for each geographic area, the Medicare Physician Fee Schedule work expense RVUs are multiplied by the work expense Medicare Geographic Practice Cost Index. The result constitutes the geographically-adjusted work expense RVUs.

(B) Geographically-adjusted practice expense RVUs. For each CPT/HCPCS code for each geographic area, the Medicare Physician Fee Schedule practice expense RVUs are multiplied by the practice expense Medicare Geographic Practice Cost Index. The result constitutes the geographically-adjusted practice expense RVUs. In these calculations, facility practice expense RVUs are used to obtain geographically-adjusted practice expense RVUs for use by provider-based entities, and non-facility practice expense RVUs are used to obtain geographically-adjusted practice expense RVUs for use by non-provider-based entities.

(ii) RVUs for CPT/HCPCS codes that do not have Medicare RVUs and are not designated as unlisted procedures. For CPT/HCPCS codes that are not assigned RVUs in paragraphs (f)(2)(i) or (f)(2)(iii) of this section, total RVUs are developed based on various charge data sources. For these CPT/HCPCS codes, the nationwide 80th percentile billed charges are obtained, where statistically credible, from the MDR database. For any remaining CPT/HCPCS codes, the nationwide 80th percentile billed charges are obtained, where statistically credible, from the Part B component of the Medicare Standard Analytical File 5 percent Sample. For any remaining CPT/HCPCS codes, the nationwide 80th percentile billed charges are obtained, where statistically credible, from the Prevailing Healthcare Charges System nationwide commercial insurance database. For each of these CPT/HCPCS codes, nationwide total RVUs are obtained by taking the nationwide 80th percentile billed charges obtained using the preceding three databases and dividing by the untrended nationwide conversion factor for the corresponding CPT/HCPCS code group determined pursuant to paragraphs (f)(3) and (f)(3)(i) of this section. For any remaining CPT/HCPCS codes that have not been assigned RVUs using the preceding data sources, the nationwide total RVUs are calculated by summing the work expense and non-facility practice expense RVUs found in Ingenix/St. Anthony's RBRVS. The resulting nationwide total RVUs obtained using these four data sources are multiplied by the geographic area adjustment factors determined pursuant to paragraph (f)(2)(iv) of this section to obtain the area-specific total RVUs.

(iii) RVUs for CPT/HCPCS codes designated as unlisted procedures. For CPT/HCPCS codes designated as unlisted procedures, total RVUs are developed based on the weighted median of the total RVUs of CPT/HCPCS codes within the series in which the unlisted procedure code occurs. A nationwide VA distribution of procedures and services is used for the purpose of computing the weighted median. The resulting nationwide total RVUs are multiplied by the geographic area adjustment factors determined pursuant to paragraph (f)(2)(iv) of this section to obtain the area-specific total RVUs.

(iv) RVU geographic area adjustment factors for CPT/HCPCS codes that do not have Medicare RVUs, including codes that are designated as unlisted procedures. The adjustment factor for each geographic area consists of the weighted average of the work expense and practice expense Medicare Geographic Practice Cost Indices for each
geographic area using charge data for representative CPT/HCPCS codes statistically
selected and weighted for work expense and practice expense.
(3) Geographically-adjusted 80th percentile conversion factors. CPT/HCPCS codes are
separated into the following 23 CPT/HCPCS code groups: allergy immunotherapy,
allergy testing, cardiovascular, chiropractor, consults, emergency room visits and
observation care, hearing/speech exams, immunizations, inpatient visits,
maternity/cesarean deliveries, maternity/non-deliveries, maternity/normal deliveries,
miscellaneous medical, office/home/urgent care visits, outpatient psychiatry/alcohol and
drug abuse, pathology, physical exams, physical medicine, radiology, surgery,
therapeutic injections, vision exams, and well baby exams. For each of the 23
CPT/HCPCS code groups, representative CPT/HCPCS codes are statistically selected and
weighted so as to give a weighted average RVU comparable to the weighted average
RVU of the entire CPT/HCPCS code group (the selected CPT/HCPCS codes are set forth
in the Milliman USA, Inc., Health Cost Guidelines fee survey); see paragraph (a)(3) of
this section for Data Sources. The 80th percentile charge for each selected CPT/HCPCS
code is obtained from the MDR database. A nationwide conversion factor (a monetary
amount) is calculated for each CPT/HCPCS code group as set forth in paragraph (f)(3)(i)
of this section. The nationwide conversion factors for each of the 23 CPT/HCPCS code
groups are trended forward to the effective time period for the charges, as set forth in
paragraph (f)(3)(ii) of this section. The resulting amounts for each of the 23 groups are
multiplied by geographic area adjustment factors determined pursuant to paragraph
(f)(3)(iii) of this section, resulting in geographically-adjusted 80th percentile conversion
factors for each geographic area for the 23 CPT/HCPCS code groups for the effective
charge period.
(i) Nationwide conversion factors. Using the nationwide 80th percentile charges for the
selected CPT/HCPCS codes from paragraph (f)(3) of this section, a nationwide
conversion factor is calculated for each of the 23 CPT/HCPCS code groups by dividing
the weighted average charge by the weighted average RVU.
(ii) Trending forward. The nationwide conversion factors for each of the 23 CPT/HCPCS
code groups, obtained as described in paragraph (f)(3)(i) of this section, are trended
forward based on changes to the physicians' services component of the CPI-U. Actual
CPI-U changes are used from the time period of the source data through the latest
available month as of the time the calculations are performed. The three-month average
annual trend rate as of the latest available month is then held constant to the midpoint of
the calendar year in which the charges are primarily expected to be used. The projected
total CPI-U change so obtained is then applied to the 23 conversion factors.
(iii) Geographic area adjustment factors. Using the 80th percentile charges for the
selected CPT/HCPCS codes from paragraph (f)(3) of this section for each geographic
area, a geographic area-specific conversion factor is calculated for each of the 23
CPT/HCPCS code groups by dividing the weighted average charge by the weighted
average geographically-adjusted RVU. The resulting conversion factor for each
geographic area for each of the 23 CPT/HCPCS code groups is divided by the
corresponding nationwide conversion factor determined pursuant to paragraph (f)(3)(i) of
this section. The resulting ratios are the geographic area adjustment factors for the
conversion factors for each of the 23 CPT/HCPCS code groups for each geographic area.
(4) Charge adjustment factors for specified CPT/HCPCS code modifiers. Surcharges or charge discounts are calculated in the following manner: from the Part B component of the Medicare Standard Analytical File 5 percent Sample, the ratio of weighted average billed charges for CPT/HCPCS codes with the specified modifier to the weighted average billed charge for CPT/HCPCS codes with no charge modifier is calculated, using the frequency of procedure codes with the modifier as weights in both weighted average calculations. The resulting ratios constitute the surcharge or discount factors for specified charge-significant CPT/HCPCS code modifiers.

(5) Certain charges for providers other than physicians. When services for which charges are established according to the preceding provisions of this paragraph (f) are performed by providers other than physicians, the charges for those services will be as determined by the preceding provisions of this paragraph, except as follows:

(i) Outpatient facility charges. When the services of providers other than physicians are furnished in outpatient facility settings or in other facilities designated as provider-based, and outpatient facility charges for those services have been established under paragraph (e) of this section, then the outpatient facility charges established under paragraph (e) will apply instead of the charges established under this paragraph (f).

(ii) Discounted charges. Charges for the professional services of the following providers will be the indicated percentages of the amount that would be charged if the care had been provided by a physician:

(A) Nurse practitioner: 85 percent.
(B) Clinical nurse specialist: 85 percent.
(C) Physician Assistant: 85 percent.
(D) Clinical psychologist: 80 percent.
(E) Clinical social worker: 75 percent.
(F) Dietitian: 75 percent.
(G) Clinical pharmacist: 80 percent.

(g) Professional charges for anesthesia services. When VA provides or furnishes professional anesthesia services within the scope of care referred to in paragraph (a)(1) of this section, professional anesthesia charges billed for such services will be determined in accordance with the provisions of this paragraph. Charges for professional anesthesia services personally performed by anesthesiologists will be 100 percent of the charges determined as set forth in this paragraph. Charges for professional anesthesia services provided by non-medically directed certified registered nurse anesthetists will also be 100 percent of the charges determined as set forth in this paragraph. Charges for professional anesthesia services provided by medically directed certified registered nurse anesthetists will be 50 percent of the charges otherwise determined as set forth in this paragraph. Professional anesthesia charges consist of charges for professional services that vary by geographic area, by CPT/HCPCS code base units, and by number of time units. These charges are calculated as follows:

(1) Formula. For each anesthesia CPT/HCPCS code, multiply the total anesthesia RVUs determined pursuant to paragraph (g)(2) of this section by the applicable geographically-adjusted conversion factor (a monetary amount) determined pursuant to paragraph (g)(3) of this section to obtain the professional anesthesia charge for each CPT/HCPCS code in a particular geographic area.
(2) Total RVUs for professional anesthesia services. The total anesthesia RVUs for each anesthesia CPT/HCPCS code are the sum of the base units (as compiled by CMS) for that CPT/HCPCS code and the number of time units reported for the anesthesia service, where one time unit equals 15 minutes. For anesthesia CPT/HCPCS codes designated as unlisted procedures, base units are developed based on the weighted median base units for anesthesia CPT/HCPCS codes within the series in which the unlisted procedure code occurs. A nationwide VA distribution of procedures and services is used for the purpose of computing the weighted median base units.

(3) Geographically-adjusted 80th percentile conversion factors. A nationwide 80th percentile conversion factor is calculated according to the methodology set forth in paragraph (g)(3)(i) of this section. The nationwide conversion factor is then trended forward to the effective time period for the charges, as set forth in paragraph (g)(3)(ii) of this section. The resulting amount is multiplied by geographic area adjustment factors determined pursuant to paragraph (g)(3)(iii) of this section, resulting in geographically-adjusted 80th percentile conversion factors for each geographic area for the effective charge period.

(i) Nationwide conversion factor. Preliminary 80th percentile conversion factors for each area are compiled from the MDR database. Then, a preliminary nationwide weighted-average 80th percentile conversion factor is calculated, using as weights the population (census) frequencies for each geographic area as presented in the Milliman USA, Inc., Health Cost Guidelines (see paragraph (a)(3) of this section for Data Sources). A nationwide 80th percentile fee by CPT/HCPCS code is then computed by multiplying this conversion factor by the MDR base units for each CPT/HCPCS code. An adjusted 80th percentile conversion factor by CPT/HCPCS code is then calculated by dividing the nationwide 80th percentile fee for each procedure code by the anesthesia base units (as compiled by CMS) for that CPT/HCPCS code. Finally, a nationwide weighted average 80th percentile conversion factor is calculated using combined frequencies for billed base units and time units from the part B component of the Medicare Standard Analytical File 5 percent Sample as weights.

(ii) Trending forward. The nationwide conversion factor, obtained as described in paragraph (g)(3)(i) of this section, is trended forward based on changes to the physicians' services component of the CPI-U. Actual CPI-U changes are used from the time period of the source data through the latest available month as of the time the calculations are performed. The three-month average annual trend rate as of the latest available month is then held constant to the midpoint of the calendar year in which the charges are primarily expected to be used. The projected total CPI-U change so obtained is then applied to the conversion factor.

(iii) Geographic area adjustment factors. The preliminary 80th percentile conversion factors for each geographic area described in paragraph (g)(3)(i) of this section are divided by the corresponding preliminary nationwide 80th percentile conversion factor also described in paragraph (g)(3)(i). The resulting ratios are the adjustment factors for each geographic area.

(h) Professional charges for dental services identified by HCPCS Level II codes. When VA provides or furnishes outpatient dental professional services within the scope of care referred to in paragraph (a)(1) of this section, and such services are identified by HCPCS code rather than CPT code, the charges billed for such services will be determined in
accordance with the provisions of this paragraph. The charges for dental services vary by geographic area and by HCPCS code. These charges are calculated as follows:

1. **Formula.** For each HCPCS dental code, multiply the nationwide 80th percentile charge determined pursuant to paragraph (h)(2) of this section by the appropriate geographic area adjustment factor determined pursuant to paragraph (h)(3) of this section. The result constitutes the area-specific dental charge.

2. **Nationwide 80th percentile charges by HCPCS code.** For each HCPCS dental code, 80th percentile charges are extracted from three independent data sources: Prevailing Healthcare Charges System database; National Dental Advisory Service nationwide pricing index; and the Dental UCR Module of the Comprehensive Healthcare Payment System, a release from Ingenix from a nationwide database of dental charges (see paragraph (a)(3) of this section for Data Sources). Charges for each database are then trended forward to a common date, based on actual changes to the dental services component of the CPI-U. Charges for each HCPCS dental code from each data source are combined into an average 80th percentile charge by means of the methodology set forth in paragraph (h)(2)(i) of this section. HCPCS dental codes designated as unlisted are assigned 80th percentile charges by means of the methodology set forth in paragraph (h)(2)(ii) of this section. Finally, the resulting amounts are each trended forward to the effective time period for the charges, as set forth in paragraph (h)(2)(iii) of this section. The results constitute the nationwide 80th percentile charge for each HCPCS dental code.

   i. **Averaging methodology.** The average charge for any particular HCPCS dental code is calculated by first computing a preliminary mean average of the three charges for each code. Statistical outliers are identified and removed by testing whether any charge differs from the preliminary mean charge by more than 50 percent of the preliminary mean charge. In such cases, the charge most distant from the preliminary mean is removed as an outlier, and the average charge is calculated as a mean of the two remaining charges. In cases where none of the charges differ from the preliminary mean charge by more than 50 percent of the preliminary mean charge, the average charge is calculated as a mean of all three reported charges.

   ii. **Nationwide 80th percentile charges for HCPCS dental codes designated as unlisted procedures.** For HCPCS dental codes designated as unlisted procedures, 80th percentile charges are developed based on the weighted median 80th percentile charge of HCPCS dental codes within the series in which the unlisted procedure code occurs. The distribution of procedures and services from the Prevailing Healthcare Charges System nationwide commercial insurance database is used for the purpose of computing the weighted median.

   iii. **Trending forward.** 80th percentile charges for each dental procedure code, obtained as described in paragraph (h)(2) of this section, are trended forward based on the dental services component of the CPI-U. Actual CPI-U changes are used from the time period of the source data through the latest available month as of the time the calculations are performed. The three-month average annual trend rate as of the latest available month is then held constant to the midpoint of the calendar year in which the charges are primarily expected to be used. The projected total CPI-U change so obtained is then applied to the 80th percentile charges.

3. **Geographic area adjustment factors.** A geographic adjustment factor (consisting of the ratio of the level of charges in a given geographic area to the nationwide level of charges)
for each geographic area and dental class of service is obtained from Milliman USA, Inc., Dental Health Cost Guidelines, a database of nationwide commercial insurance charges and relative costs; and a normalized geographic adjustment factor computed from the Dental UCR Module of the Comprehensive Healthcare Payment System compiled by Ingenix, as follows: Using local and nationwide average charges reported in the Ingenix data, a local weighted average charge for each dental class of procedure codes is calculated using utilization frequencies from the Milliman USA, Inc., Dental Health Cost Guidelines as weights (see paragraph (a)(3) of this section for Data Sources). Similarly, using nationwide average charge levels, a nationwide average charge by dental class of procedure codes is calculated. The normalized geographic adjustment factor for each dental class of procedure codes and for each geographic area is the ratio of the local average charge divided by the corresponding nationwide average charge. Finally, the geographic area adjustment factor is the arithmetic average of the corresponding factors from the data sources mentioned in the first sentence of this paragraph (h)(3).

(i) Pathology and laboratory charges. When VA provides or furnishes pathology and laboratory services within the scope of care referred to in paragraph (a)(1) of this section, charges billed for such services will be determined in accordance with the provisions of this paragraph. Pathology and laboratory charges consist of charges for services that vary by geographic area and by CPT/HCPCS code. These charges are calculated as follows:

(1) Formula. For each CPT/HCPCS code, multiply the total geographically-adjusted RVUs determined pursuant to paragraph (i)(2) of this section by the applicable geographically-adjusted conversion factor (a monetary amount) determined pursuant to paragraph (i)(3) of this section to obtain the pathology/laboratory charge for each CPT/HCPCS code in a particular geographic area.

(2)(i) Total geographically-adjusted RVUs for pathology and laboratory services that have Medicare-based RVUs. Total RVUs are developed based on the Medicare Clinical Diagnostic Laboratory Fee Schedule (CLAB). The CLAB payment amounts are upwardly adjusted such that the adjusted payment amounts are, on average, equivalent to Medicare Physician Fee Schedule payment levels, using statistical comparisons to the 80th percentile derived from the MDR database. These adjusted payment amounts are then divided by the corresponding Medicare conversion factor to derive RVUs for each CPT/HCPCS code. The resulting nationwide total RVUs are multiplied by the geographic adjustment factors determined pursuant to paragraph (i)(2)(iv) of this section to obtain the area-specific total RVUs.

(ii) RVUs for CPT/HCPCS codes that do not have Medicare-based RVUs and are not designated as unlisted procedures. For CPT/HCPCS codes that are not assigned RVUs in paragraphs (i)(2)(i) or (i)(2)(iii) of this section, total RVUs are developed based on various charge data sources. For these CPT/HCPCS codes, the nationwide 80th percentile billed charges are obtained, where statistically credible, from the MDR database. For any remaining CPT/HCPCS codes, the nationwide 80th percentile billed charges are obtained, where statistically credible, from the Part B component of the Medicare Standard Analytical File 5 percent Sample. For any remaining CPT/HCPCS codes, the nationwide 80th percentile billed charges are obtained, where statistically credible, from the Prevailing Healthcare Charges System nationwide commercial insurance database. For each of these CPT/HCPCS codes, nationwide total RVUs are obtained by taking the nationwide 80th percentile billed charges obtained using the preceding three databases.
and dividing by the untrended nationwide conversion factor determined pursuant to paragraphs (i)(3) and (i)(3)(i) of this section. For any remaining CPT/HCPCS codes that have not been assigned RVUs using the preceding data sources, the nationwide total RVUs are calculated by summing the work expense and non-facility practice expense RVUs found in Ingenix/St. Anthony's RBRVS. The resulting nationwide total RVUs obtained using these four data sources are multiplied by the geographic area adjustment factors determined pursuant to paragraph (i)(2)(iv) of this section to obtain the area-specific total RVUs.

(iii) RVUs for CPT/HCPCS codes designated as unlisted procedures. For CPT/HCPCS codes designated as unlisted procedures, total RVUs are developed based on the weighted median of the total RVUs of CPT/HCPCS codes within the series in which the unlisted procedure code occurs. A nationwide VA distribution of procedures and services is used for the purpose of computing the weighted median. The resulting nationwide total RVUs are multiplied by the geographic area adjustment factors determined pursuant to paragraph (i)(2)(iv) of this section to obtain the area-specific total RVUs.

(iv) RVU geographic area adjustment factors for CPT/HCPCS codes that do not have Medicare RVUs, including codes that are designated as unlisted procedures. The adjustment factor for each geographic area consists of the weighted average of the work expense and practice expense Medicare Geographic Practice Cost Indices for each geographic area using charge data for representative CPT/HCPCS codes statistically selected and weighted for work expense and practice expense.

(3) Geographically-adjusted 80th percentile conversion factors. Representative CPT/HCPCS codes are statistically selected and weighted so as to give a weighted average RVU comparable to the weighted average RVU of the entire pathology/laboratory CPT/HCPCS code group (the selected CPT/HCPCS codes are set forth in the Milliman USA, Inc., Health Cost Guidelines fee survey). The 80th percentile charge for each selected CPT/HCPCS code is obtained from the MDR database. A nationwide conversion factor (a monetary amount) is calculated as set forth in paragraph (i)(3) of this section. The nationwide conversion factor is trended forward to the effective time period for the charges, as set forth in paragraph (i)(3)(ii) of this section. The resulting amount is multiplied by a geographic area adjustment factor determined pursuant to paragraph (i)(3)(iv) of this section, resulting in the geographically-adjusted 80th percentile conversion factor for the effective charge period.

(i) Nationwide conversion factors. Using the nationwide 80th percentile charges for the selected CPT/HCPCS codes from paragraph (i)(3) of this section, a nationwide conversion factor is calculated by dividing the weighted average charge by the weighted average RVU.

(ii) Trending forward. The nationwide conversion factor, obtained as described in paragraph (i)(3) of this section, is trended forward based on changes to the physicians' services component of the CPI-U. Actual CPI-U changes are used from the time period of the source data through the latest available month as of the time the calculations are performed. The three-month average annual trend rate as of the latest available month is then held constant to the midpoint of the calendar year in which the charges are primarily expected to be used. The projected total CPI-U change so obtained is then applied to the pathology/laboratory conversion factor.
(iii) Geographic area adjustment factor. Using the 80th percentile charges for the selected CPT/HCPCS codes from paragraph (i)(3) of this section for each geographic area, a geographic area-specific conversion factor is calculated by dividing the weighted average charge by the weighted average geographically-adjusted RVU. The resulting geographic area conversion factor is divided by the corresponding nationwide conversion factor determined pursuant to paragraph (i)(3)(i) of this section. The resulting ratios are the geographic area adjustment factors for pathology and laboratory services for each geographic area.

(j) Observation care facility charges. When VA provides observation care within the scope of care referred to in paragraph (a)(1) of this section, the facility charges billed for such care will be determined in accordance with the provisions of this paragraph. The charges for this care vary by geographic area and number of hours of care. These charges are calculated as follows:

(1) Formula. For each occurrence of observation care, add the nationwide base charge determined pursuant to paragraph (j)(2) of this section to the product of the number of hours in observation care and the hourly charge also determined pursuant to paragraph (j)(2) of this section. Then multiply this amount by the appropriate geographic area adjustment factor determined pursuant to paragraph (j)(3) of this section. The result constitutes the area-specific observation care facility charge.

(2)(i) Nationwide 80th percentile observation care facility charges. To calculate nationwide base and hourly facility charges, all claims with observation care line items are selected from the outpatient facility component of the Medicare Standard Analytical File 5 percent Sample. Then, using the 80th percentile observation line item charges for each unique hourly length of stay, a standard linear regression technique is used to calculate the nationwide 80th percentile base charge and 80th percentile hourly charge. Finally, the resulting amounts are each trended forward to the effective time period for the charges, as set forth in paragraph (j)(2)(ii) of this section. The results constitute the nationwide 80th percentile base and hourly facility charges for observation care.

(ii) Trending forward. The nationwide 80th percentile base and hourly facility charges for observation care, obtained as described in paragraph (j)(2)(i) of this section, are trended forward based on changes to the outpatient hospital services component of the CPI-U. Actual CPI-U changes are used from the time period of the source data through the latest available month as of the time the calculations are performed. The three-month average annual trend rate as of the latest available month is then held constant to the midpoint of the calendar year in which the charges are primarily expected to be used. The projected total CPI-U change so obtained is then applied to the 80th percentile charges.

(3) Geographic area adjustment factors. The geographic area adjustment factors for observation care facility charges are the same as those computed for outpatient facility charges under paragraph (e)(4) of this section.

(k) Ambulance and other emergency transportation charges. When VA provides ambulance and other emergency transportation services that are within the scope of care referred to in paragraph (a)(1) of this section, the charges billed for such services will be determined in accordance with the provisions of this paragraph. The charges for these services vary by HCPCS code, length of trip, and geographic area. These charges are calculated as follows:
(1) Formula. For each occasion of ambulance or other emergency transportation service, add the nationwide base charge for the appropriate HCPCS code determined pursuant to paragraph (k)(2)(i) of this section to the product of the number of miles traveled and the appropriate HCPCS code mileage charge determined pursuant to paragraph (k)(2)(ii) of this section. Then multiply this amount by the appropriate geographic area adjustment factor determined pursuant to paragraph (k)(3) of this section. The result constitutes the area-specific ambulance or other emergency transportation service charge.

(2)(i) Nationwide 80th percentile all-inclusive base charge. To calculate a nationwide all-inclusive base charge, all ambulance and other emergency transportation claims are selected from the outpatient facility component of the Medicare Standard Analytical File 5 percent Sample. Excluding professional and mileage charges, as well as all-inclusive charges which are reported on such claims, the total charge per claim, including incidental supplies, is computed. Then, the 80th percentile amount for each HCPCS code is computed. Finally, the resulting amounts are each trended forward to the effective time period for the charges, as set forth in paragraph (k)(2)(iii) of this section. The results constitute the nationwide 80th percentile all-inclusive base charge for each HCPCS base charge code.

(ii) Nationwide 80th percentile mileage charge. To calculate a nationwide mileage charge, all ambulance and other emergency transportation claims are selected from the outpatient facility component of the Medicare Standard Analytical File 5 percent Sample. Excluding professional, incidental, and base charges, as well as claims with all-inclusive charges, the total mileage charge per claim is computed. This amount is divided by the number of miles reported on the claim. Then, the 80th percentile amount for each HCPCS code, using miles as weights, is computed. Finally, the resulting amounts are each trended forward to the effective time period for the charges, as set forth in paragraph (k)(2)(iii) of this section. The results constitute the nationwide 80th percentile mileage charge for each HCPCS mileage code.

(iii) Trending forward. The nationwide 80th percentile charge for each HCPCS code, obtained as described in paragraphs (k)(2)(i) and (k)(2)(ii) of this section, is trended forward based on changes to the outpatient hospital services component of the CPI-U. Actual CPI-U changes are used from the time period of the source data through the latest available month as of the time the calculations are performed. The three-month average annual trend rate as of the latest available month is then held constant to the midpoint of the calendar year in which the charges are primarily expected to be used. The projected total CPI-U change so obtained is then applied to the 80th percentile charges.

(3) Geographic area adjustment factors. The geographic area adjustment factors for ambulance and other emergency transportation charges are the same as those computed for outpatient facility charges under paragraph (e)(4) of this section.

(l) Charges for durable medical equipment, drugs, injectables, and other medical services, items, and supplies identified by HCPCS Level II codes. When VA provides DME, drugs, injectables, or other medical services, items, or supplies that are identified by HCPCS Level II codes and that are within the scope of care referred to in paragraph (a)(1) of this section, the charges billed for such services, items, and supplies will be determined in accordance with the provisions of this paragraph. The charges for these services, items, and supplies vary by geographic area, by HCPCS code, and by modifier, when applicable. These charges are calculated as follows:
(1) Formula. For each HCPCS code, multiply the nationwide charge determined pursuant to paragraphs (l)(2), (l)(3), and (l)(4) of this section by the appropriate geographic area adjustment factor determined pursuant to paragraph (l)(5) of this section. The result constitutes the area-specific charge.

(2) Nationwide 80th percentile charges for HCPCS codes with RVUs. For each applicable HCPCS code, RVUs are compiled from the data sources set forth in paragraph (l)(2)(i) of this section. The RVUs are multiplied by the charge amount for each incremental RVU determined pursuant to paragraph (l)(2)(ii) of this section, and this amount is added to the fixed charge amount also determined pursuant to paragraph (l)(2)(ii) of this section. Then, for each HCPCS code, this charge is multiplied by the appropriate 80th percentile to median charge ratio determined pursuant to paragraph (l)(2)(iii) of this section. Finally, the resulting amount is trended forward to the effective time period for the charges, as set forth in paragraph (l)(2)(iv) of this section to obtain the nationwide 80th percentile charge.

(i) RVUs for DME, drugs, injectables, and other medical services, items, and supplies. For the purpose of the statistical methodology set forth in paragraph (l)(2)(ii) of this section, HCPCS codes are assigned to the following HCPCS code groups. For the HCPCS codes in each group, the RVUs or amounts indicated constitute the RVUs:

(A) Chemotherapy Drugs: Ingenix/St. Anthony's RBRVS Practice Expense RVUs.
(B) Other Drugs: Ingenix/St. Anthony's RBRVS Practice Expense RVUs.
(C) DME-Hospital Beds: Medicare DME Fee Schedule amounts.
(D) DME-Medical/Surgical Supplies: Medicare DME Fee Schedule amounts.
(E) DME-Orthotic Devices: Medicare DME Fee Schedule amounts.
(F) DME-Oxygen and Supplies: Medicare DME Fee Schedule amounts.
(G) DME-Wheelchairs: Medicare DME Fee Schedule amounts.
(H) Other DME: Medicare DME Fee Schedule amounts.
(I) Enteral/Parenteral Supplies: Medicare Parenteral and Enteral Nutrition Fee Schedule amounts.
(J) Surgical Dressings and Supplies: Medicare DME Fee Schedule amounts.
(K) Vision Items-Other Than Lenses: Medicare DME Fee Schedule amounts.
(L) Vision Items-Lenses: Medicare DME Fee Schedule amounts.
(M) Hearing Items: Ingenix/St. Anthony's RBRVS Practice Expense RVUs.

(ii) Charge amounts. Using combined Part B and DME components of the Medicare Standard Analytical File 5% Sample, the median billed charge is calculated for each HCPCS code. A mathematical approximation methodology based on least squares techniques is applied to the RVUs specified for each of the groups set forth in paragraph (l)(2)(i) of this section, yielding two charge amounts for each HCPCS code group: a charge amount per incremental RVU, and a fixed charge amount.

(iii) 80th Percentile to median charge ratios. Two ratios are obtained for each HCPCS code group set forth in paragraph (l)(2)(i) of this section by dividing the weighted average 80th percentile charge by the weighted average median charge derived from two data sources: Medicare data, as represented by the combined Part B and DME components of the Medicare Standard Analytical File 5% Sample; and the MDR database. Charge frequencies from the Medicare data are used as weights when calculating all weighted averages. For each HCPCS code group, the smaller of the two ratios is selected as the adjustment from median to 80th percentile charges.
(iv) Trending forward. The charges for each HCPCS code, obtained as described in paragraph (l)(2)(iii) of this section, are trended forward based on changes to the medical care commodities component of the CPI-U. Actual CPI-U changes are used from the time period of the source data through the latest available month as of the time the calculations are performed. The three-month average annual trend rate as of the latest available month is then held constant to the midpoint of the calendar year in which the charges are primarily expected to be used. The projected total CPI-U change so obtained is then applied to the 80th percentile charges, as described in paragraph (l)(2)(iii) of this section.

(3) Nationwide 80th percentile charges for HCPCS codes without RVUs. For each applicable HCPCS code, 80th percentile charges are extracted from three independent data sources: the MDR database; Medicare, as represented by the combined Part B and DME components of the Medicare Standard Analytical File 5 percent Sample; and Milliman USA, Inc., Optimized HMO (Health Maintenance Organization) Data Sets (see paragraph (a)(3) of this section for Data Sources). Charges from each database are then trended forward to the effective time period for the charges, as set forth in paragraph (l)(3)(i) of this section. Charges for each HCPCS code from each data source are combined into an average 80th percentile charge by means of the methodology set forth in paragraph (l)(3)(ii) of this section. The results constitute the nationwide 80th percentile charge for each applicable HCPCS code.

(i) Trending forward. The charges from each database for each HCPCS code, obtained as described in paragraph (l)(3) of this section, are trended forward based on changes to the medical care commodities component of the CPI-U. Actual CPI-U changes are used from the time period of each source database through the latest available month as of the time the calculations are performed. The three-month average annual trend rate as of the latest available month is then held constant to the midpoint of the calendar year in which the charges are primarily expected to be used. The projected total CPI-U change so obtained is then applied to the 80th percentile charges, as described in paragraph (l)(3) of this section.

(ii) Averaging methodology. The average 80th percentile trended charge for any particular HCPCS code is calculated by first computing a preliminary mean average of the three charges for each HCPCS code. Statistical outliers are identified and removed by testing whether any charge differs from the preliminary mean charge by more than 5 times the preliminary mean charge, or by less than 0.2 times the preliminary mean charge. In such cases, the charge most distant from the preliminary mean is removed as an outlier, and the average charge is calculated as a mean of the two remaining charges. In cases where none of the charges differ from the preliminary mean charge by more than 5 times the preliminary mean charge, or less than 0.2 times the preliminary mean charge, the average charge is calculated as a mean of all three reported charges.

(4) Nationwide 80th percentile charges for HCPCS codes designated as unlisted or unspecified. For HCPCS codes designated as unlisted or unspecified, 80th percentile charges are developed based on the weighted median 80th percentile charges of HCPCS codes within the series in which the unlisted or unspecified code occurs. A nationwide VA distribution of procedures, services, items, and supplies is used for the purpose of computing the weighted median.

(5) Geographic area adjustment factors. For the purpose of geographic adjustment, HCPCS codes are combined into two groups: drugs and DME/supplies, as set forth in
paragraph (l)(5)(i) of this section. The geographic area adjustment factor for each of these groups is calculated as the ratio of the area-specific weighted average charge determined pursuant to paragraph (l)(5)(ii) of this section divided by the nationwide weighted average charge determined pursuant to paragraph (l)(5)(iii) of this section.

(i) Combined HCPCS code groups for geographic area adjustment factors for DME, drugs, injectables, and other medical services, items, and supplies. For the purpose of the statistical methodology set forth in paragraph (l)(5) of this section, each of the HCPCS code groups set forth in paragraph (l)(2)(i) of this section is assigned to one of two combined HCPCS code groups, as follows:

(A) Chemotherapy Drugs: Drugs.
(B) Other Drugs: Drugs.
(C) DME-Hospital Beds: DME/supplies.
(D) DME-Medical/Surgical Supplies: DME/supplies.
(E) DME-Orthotic Devices: DME/supplies.
(F) DME-Oxygen and Supplies: DME/supplies.
(G) DME-Wheelchairs: DME/supplies.
(H) Other DME: DME/supplies.
(I) Enteral/Parenteral Supplies: DME/supplies.
(J) Surgical Dressings and Supplies: DME/supplies.
(K) Vision Items-Other Than Lenses: DME/supplies.
(L) Vision Items-Lenses: DME/supplies.
(M) Hearing Items: DME/supplies.

(ii) Area-specific weighted average charges. Using the median charges by HCPCS code from the MDR database for each geographic area and utilization frequencies by HCPCS code from the combined Part B and DME components of the Medicare Standard Analytical File 5 percent Sample, an area-specific weighted average charge is calculated for each combined HCPCS code group.

(iii) Nationwide weighted average charges. Using the area-specific weighted average charges determined pursuant to paragraph (l)(5)(ii) of this section, a nationwide weighted average charge is calculated for each combined HCPCS code group, using as weights the population (census) frequencies for each geographic area as presented in the Milliman USA, Inc., Health Cost Guidelines (see paragraph (a)(3) of this section for Data Sources).

(m) Charges for prescription drugs not administered during treatment. Notwithstanding other provisions of this section, when VA provides or furnishes prescription drugs not administered during treatment, within the scope of care referred to in paragraph (a)(1) of this section, charges billed separately for such prescription drugs will be based on VA costs in accordance with the methodology set forth in § 17.102 of this part.

Note to § 17.101: The charges generated by the methodology set forth in this section are the same charges prescribed by the Office of Management and Budget for use under the Federal Medical Care Recovery Act, 42 U.S.C. 2651-2653.

§ 17.102 Charges for care or services.

Except as provided in §17.101, charges at the indicated rates shall be made for Department of Veterans Affairs hospital care or medical services (including, but not limited to, dental services, supplies, medicines, orthopedic and prosthetic appliances, and domiciliary or nursing home care) as follows:

(a) Furnished in error or on tentative eligibility. Charges at rates prescribed by the Under Secretary for Health shall be made for inpatient or outpatient care or services (including domiciliary care) authorized for any person on the basis of eligibility as a veteran or a tentative eligibility determination under §17.34 but he or she was subsequently found to have been ineligible for such care or services as a veteran because the military service or any other eligibility requirement was not met, or

(b) Furnished in a medical emergency. Charges at rates prescribed by the Under Secretary for Health shall be made for any inpatient or outpatient care or services rendered any person in a medical emergency who was not eligible for such care or services as a veteran, if:

(1) The care or services were rendered as a humanitarian service, under §17.43(c)(1) or §17.95 to a person neither claiming eligibility as a veteran nor for whom the establishment of eligibility as a veteran was expected, or

(2) The person for whom care or services were rendered was a Department of Veterans Affairs employee or a member of a Department of Veterans Affairs employee's family; or

(c) Furnished beneficiaries of the Department of Defense or other Federal agencies. Except as provided for in paragraph (f) of this section and the second sentence of this paragraph, charges at rates prescribed by the Office of Management and Budget shall be made for any inpatient or outpatient care or services authorized for a member of the Armed Forces on active duty or for any beneficiary or designee of any other Federal agency. Charges for services provided a member or former member of a uniformed service who is entitled to retired or retainer pay, or equivalent pay, will be at rates prescribed by the Secretary (E.O. 11609, dated July 22, 1971, 36 FR 13747), or

(d) Furnished pensioners of allied nations. Charges at rates prescribed by the Under Secretary for Health shall be made for any inpatient or outpatient care or services rendered a pensioner of a nation allied with the United States in World War I and World War II; or

(e) Furnished under sharing agreements. Charges at rates agreed upon in an agreement for sharing specialized medical resources shall be made for all medical care or services, either on an inpatient or outpatient basis, rendered to a person designated by the other party to the agreement as a patient to be benefited under the agreement; or
(f) Furnished military retirees with chronic disability. Charges for subsistence at rates prescribed by the Under Secretary for Health shall be made for the period during which hospital care is rendered when such care is rendered to a member or former member of the Armed Forces required to pay the subsistence rate under § 17.47 (b)(2) and (c)(2). (g) Furnished for research purposes. Charges will not be made for medical services, including transportation, furnished as part of an approved Department of Veterans Affairs research project, except that if the services are furnished to a person who is not eligible for the services as a veteran, the medical care appropriation shall be reimbursed from the research appropriation at the same rates used for billings under paragraph (b) of this section. (h) Computation of charges. The method for computing the charges under paragraphs (a), (b), (d), (f), and (g), and the last sentence of paragraph (c) of this section is based on the Cost Distribution Report, which sets forth the actual basic costs and per diem rates by type of inpatient care and outpatient visit. Factors for depreciation of buildings and equipment and Central Office overhead are added, based on accounting manual instructions. Additional factors are added for interest on capital investment and for standard fringe benefit costs covering government employee retirement and disability costs. The current year billing rates are projected on prior year actual rates by applying the budgeted percentage increase. In addition, based on the detail available in the Cost Distribution Report, VA intends to, on each bill break down the all-inclusive rate into its three principal components; namely, physician cost, ancillary services cost, and nursing, room and board cost. The rates generated by the foregoing methodology will be published by either VA or OMB in the "Notices" section of the Federal Register. (Authority: 38 U.S.C. 1729; sec. 19013, Pub. L. 99-272) [32 FR 11382, Aug. 5, 1967, as amended at 34 FR 7807, May 16, 1969; 35 FR 11470, July 17, 1970; 36 FR 18794, Sept. 22, 1971; 47 FR 50861, Nov. 10, 1982; 47 FR 58249, Dec. 1982; 52 FR 3010, Jan. 30, 1987; redesignated and amended at 61 FR 21964, 21965, 21967, May 13, 1996; 62 FR 17072, April 9, 1997; redesignated and amended at 64 FR 22676, 22678, 22683, Apr. 27, 1999; 69 FR 1060, 1061, Jan. 7, 2004] [EFFECTIVE DATE NOTE: 69 FR 1060, 1061, Jan. 7, 2004, amended paragraph (h), effective Jan. 7, 2004.]

§ 17.103 Referrals of compromise settlement offers.
Any offer to compromise or settle any charges or claim for $ 20,000 or less asserted by the Department of Veterans Affairs in connection with the medical program shall be referred as follows:
(a) To Chiefs of Fiscal activities. If the debt represents charges made under § 17.101(a), the compromise offer shall be referred to the Chief of the Fiscal activity of the facility for application of the collection standards in § 1.900 et seq. of this chapter, provided:
(1) The debt does not exceed $ 1,000, and
(2) There has been a previous denial of waiver of the debt by a field station Committee on Waivers and Compromises.
(b) To Regional Counsel. If the debt in any amount represents charges for medical services for which there is or may be a claim against a third party tort-feasor or under workers' compensation laws or Pub. L. 87-693; 76 Stat. 593 (see § 1.903 of this chapter) or involves a claim contemplated by § 1.902 of this chapter over which the Department of
Veterans Affairs lacks jurisdiction, the compromise offer (or request for waiver or proposal to terminate or suspend collection action) shall be promptly referred to the field station Regional Counsel having jurisdiction in the area in which the claim arose, or (c) To Committee on Waivers and Compromises. If one of the following situations contemplated in paragraph (c)(1) through (3) of this section applies
(1) If the debt represents charges made under § 17.101(a), but is not of a type contemplated in paragraph (a) of this section, or
(2) If the debt represents charges for medical services made under § 17.101(b), or
(3) A claim arising in connection with any transaction of the Veterans Health Administration for which the instructions in paragraph (a) or (b) of this section or in § 17.105(c) are not applicable, then, the compromise offer should be referred for disposition under § 1.900 et seq. of this chapter to the field station Committee on Waivers and Compromises which shall take final action.

[EFFECTIVE DATE NOTE: 62 FR 17072, April 9, 1997, substituted "17.101(b)" for "17.62(b)" in paragraph (c)(2), effective April 9, 1997.]

§ 17.104 Terminations and suspensions.
Any proposal to suspend or terminate collection action on any charges or claim for $20,000 or less asserted by the Department of Veterans Affairs in connection with the medical program shall be referred as follows:
(a) Of charges for medical services. If the debt represents charges made under § 17.101(a) or (b) questions concerning suspension or termination of collection action shall be referred to the Chief of the Fiscal activity of the station for application of the collection standards in § 1.900 et seq. of this chapter, or
(b) Of other debts. If the debt is of a type other than those contemplated in paragraph (a) of this section, questions concerning suspension or termination of collection action shall be referred in accordance with the same referral procedures for compromise offers (except the Fiscal activity shall make final determinations in terminations or suspensions involving claims of § 150 or less pursuant to the provisions of § 1.900 et seq. of this chapter.)

§ 17.105 Waivers.
Applications or requests for waiver of debts or claims asserted by the Department of Veterans Affairs in connection with the medical program generally will be denied by the facility Fiscal activity on the basis there is no legal authority to waive debts, unless the question of waiver should be referred as follows:
(a) Of charges for medical services. If the debt represents charges made under § 17.102, the application or request for waiver should be referred for disposition under § 1.900 et
seq. of this chapter to the field facility Committee on Waivers and Compromises which shall take final action, or
(b) Of claims against third persons and other claims. If the debt is of a type contemplated in § 17.103(b), the waiver question should be referred in accordance with the same referral procedures for compromise offers in such categories of claims, or
(c) Of charges for copayments. If the debt represents charges for outpatient medical care, inpatient hospital care, medication or extended care services copayments made under §§ 17.108, 17.110 or 17.111 of this chapter, the claimant must request a waiver by submitting VA Form 5655 (Financial Status Report) to a Fiscal Officer at a VA medical facility where all or part of the debt was incurred. The claimant must submit this form within the time period provided in § 1.963(b) of this chapter and may request a hearing under § 1.966(a) of this chapter. The Fiscal Officer may extend the time period for submitting a claim if the Chairperson of the Committee on Waivers and Compromises could do so under § 1.963(b) of this chapter. The Fiscal Officer will apply the standard `equity and good conscience" in accordance with §§ 1.965 and 1.966(a) of this chapter, and may waive all or part of the claimant's debts. A decision by the Fiscal Officer under this provision is final (except that the decision may be reversed or modified based on new and material evidence, fraud, a change in law or interpretation of law, or clear and unmistakable error shown by the evidence in the file at the time of the prior decision as provided in § 1.969 of this chapter) and may be appealed in accordance with 38 CFR parts 19 and 20.
(d) Other debts. If the debt represents any claim or charges other than those contemplated in paragraphs (a) and (b) of this section, and is a debt for which waiver has been specifically provided for by law or under the terms of a contract, initial action shall be taken at the station level for referral of the request for waiver through channels for action by the appropriate designated official. If, however, the question of waiver may also involve a concurrent opportunity to negotiate a compromise settlement, the application shall be referred to the Committee on Waivers and Compromises.

DISCIPLINARY CONTROL OF BENEFICIARIES RECEIVING HOSPITAL,
DOMICILIARY OR NURSING HOME CARE

§ 17.106 Authority for disciplinary action.

§ 17.106 Authority for disciplinary action.
The good conduct of beneficiaries receiving hospitalization for observation and
examination or for treatment, or receiving domiciliary or nursing home care in facilities
under direct and exclusive jurisdiction of the Department of Veterans Affairs, will be
maintained by corrective and disciplinary procedure formulated by the Department of
Veterans Affairs. Such corrective and disciplinary measures, to be selectively applied in
keeping with the comparative gravity of the particular offense, will consist, in respect to
hospital patients, of such penalties as the withholding for a determined period of pass
privileges, exclusion from entertainments, or disciplinary discharge; and, in respect to
domiciled members, such penalties as confinement to sections or grounds, deprivation of
privileges, enforced furlough, or disciplinary discharge. Also, for any violation of the
Department of Veterans Affairs rules set forth in § 1.218, or other Federal laws on
Department of Veterans Affairs property, a beneficiary is subject to the penalty
prescribed for the offense.

Copayments

§ 17.108 Copayments for inpatient hospital care and outpatient medical care.
§ 17.110 Copayments for medication.

§ 17.108 Copayments for inpatient hospital care and outpatient medical care.  
(a) General. This section sets forth requirements regarding copayments for inpatient hospital care and outpatient medical care provided to veterans by VA.
(b) Copayments for inpatient hospital care. (1) Except as provided in paragraphs (d) or (e) of this section, a veteran, as a condition of receiving inpatient hospital care provided by VA (provided either directly by VA or obtained by VA by contract), must agree to pay VA (and is obligated to pay VA) the applicable copayment, as set forth in paragraph (b)(2) or (b)(3) of this section.
(2) The copayment for inpatient hospital care shall be, during any 365-day period, a copayment equaling the sum of:
   (i) $10 for every day the veteran receives inpatient hospital care, and
   (ii) The lesser of:
      (A) The sum of the inpatient Medicare deductible for the first 90 days of care and one-half of the inpatient Medicare deductible for each subsequent 90 days of care (or fraction thereof) after the first 90 days of such care during such 365-day period, or
      (B) VA's cost of providing the care.
(3) The copayment for inpatient hospital care for veterans enrolled in priority category 7 shall be 20 percent of the amount computed under paragraph (b)(2) of this section.
NOTE TO § 17.108(b): The requirement that a veteran agree to pay the copayment would be met by submitting to VA a signed VA Form 10-10EZ. This is the application form for enrollment in the VA healthcare system and also is the document used for providing means-test information annually.
(c) Copayments for outpatient medical care. (1) Except as provided in paragraphs (d), (e) or (f) of this section, a veteran, as a condition of receiving outpatient medical care provided by VA, must agree to pay VA (and is obligated to pay VA) a copayment as set forth in paragraph (c)(2) of this section.
(2) The copayment for outpatient medical care is $15 for a primary care outpatient visit and $50 for a specialty care outpatient visit. If a veteran has more than one primary care encounter on the same day and no specialty care encounter on that day, the copayment amount is the copayment for one primary care outpatient visit. If a veteran has one or more primary care encounters and one or more specialty care encounters on the same day, the copayment amount is the copayment for one specialty care outpatient visit.
(3) For purposes of this section, a primary care visit is an episode of care furnished in a clinic that provides integrated, accessible healthcare services by clinicians who are accountable for addressing a large majority of personal healthcare needs, developing a sustained partnership with patients, and practicing in the context of family and community. Primary care includes, but is not limited to, diagnosis and management of acute and chronic biopsychosocial conditions, health promotion, disease prevention, overall care management, and patient and caregiver education. Each patient's identified primary care clinician delivers services in the context of a larger interdisciplinary primary...
care team. Patients have access to the primary care clinician and much of the primary care team without need of a referral. In contrast, specialty care is generally provided through referral. A specialty care outpatient visit is an episode of care furnished in a clinic that does not provide primary care, and is only provided through a referral. Some examples of specialty care provided at a specialty care clinic are radiology services requiring the immediate presence of a physician, audiology, optometry, magnetic resonance imagery (MRI), computerized axial tomography (CAT) scan, nuclear medicine studies, surgical consultative services, and ambulatory surgery.

NOTE TO § 17.108(c): The requirement that a veteran agree to pay the copayment would be met by submitting to VA a signed VA Form 10-10EZ. This is the application form for enrollment in the VA healthcare system and also is the document used for providing means-test information annually.

(d) Veterans not subject to copayment requirements for inpatient hospital care or outpatient medical care. The following veterans are not subject to the copayment requirements of this section:

(1) A veteran with a compensable service-connected disability;
(2) A veteran who is a former prisoner of war;
(3) A veteran awarded a Purple Heart;
(4) A veteran who was discharged or released from active military service for a disability incurred or aggravated in the line of duty;
(5) A veteran who receives disability compensation under 38 U.S.C. 1151;
(6) A veteran whose entitlement to disability compensation is suspended pursuant to 38 U.S.C. 1151, but only to the extent that the veteran's continuing eligibility for care is provided for in the judgment or settlement described in 38 U.S.C. 1151;
(7) A veteran whose entitlement to disability compensation is suspended because of the receipt of military retirement pay;
(8) A veteran of the Mexican border period or of World War I;
(9) A military retiree provided care under an interagency agreement as defined in section 113 of Public Law 106-117, 113 Stat. 1545; or
(10) A veteran who VA determines to be unable to defray the expenses of necessary care under 38 U.S.C. 1722(a).

(e) Services not subject to copayment requirements for inpatient hospital care or outpatient medical care. The following are not subject to the copayment requirements under this section:

(1) Care provided to a veteran for a noncompensable zero percent service-connected disability;
(2) Care authorized under 38 U.S.C. 1710(e) for Vietnam-era herbicide-exposed veterans, radiation-exposed veterans, Gulf War veterans, or post-Gulf War combat-exposed veterans;
(3) Special registry examinations (including any follow-up examinations or testing ordered as part of the special registry examination) offered by VA to evaluate possible health risks associated with military service;
(4) Counseling and care for sexual trauma as authorized under 38 U.S.C 1720D;
(5) Compensation and pension examinations requested by the Veterans Benefits Administration;
(6) Care provided as part of a VA-approved research project authorized by 38 U.S.C. 7303;
(7) Outpatient dental care provided under 38 U.S.C. 1712;
(8) Readjustment counseling and related mental health services authorized under 38 U.S.C 1712A;
(9) Emergency treatment paid for under 38 U.S.C. 1725 or 1728;
(10) Care or services authorized under 38 U.S.C. 1720E for certain veterans regarding cancer of the head or neck;
(11) Publicly announced VA public health initiatives (e.g., health fairs) or an outpatient visit solely consisting of preventive screening and immunizations (e.g. influenza immunization, pneumococcal immunization, hypertension screening, hepatitis C screening, tobacco screening, alcohol screening, hyperlipidemia screening, breast cancer screening, cervical cancer screening, screening for colorectal cancer by fecal occult blood testing, and education about the risks and benefits of prostate cancer screening);
(12) Smoking cessation counseling (individual and group); and
(13) Laboratory services, flat film radiology services, and electrocardiograms.
(f) Additional care not subject to outpatient copayment. Outpatient care is not subject to the outpatient copayment requirements under this section when provided to a veteran during a day for which the veteran is required to make a copayment for extended care services that were provided either directly by VA or obtained for VA by contract.

(38 U.S.C. 1710)

§ 17.110 Copayments for medication.

(a) General. This section sets forth requirements regarding copayments for medications provided to veterans by VA.
(b) Copayments. (1) Unless exempted under paragraph (c) of this section, a veteran is obligated to pay VA a copayment for each 30-day or less supply of medication provided by VA on an outpatient basis (other than medication administered during treatment). For the period from February 4, 2002 through December 31, 2002, the copayment amount is $7. The copayment amount for each calendar year thereafter will be established by using the Prescription Drug component of the Medical Consumer Price Index as follows: For each calendar year beginning after December 31, 2002, the Index as of the previous September 30 will be divided by the Index as of September 30, 2001. The ratio so obtained will be multiplied by the original copayment amount of $7. The copayment amount for the new calendar year will be this result, rounded down to the whole dollar amount.

Note to Paragraph (b)(1): Example for determining copayment amount. If the ratio of the Prescription Drug component of the Medical Consumer Price Index for September 30, 2003, to the corresponding Index for September 30, 2001, is 1.2242, then this ratio multiplied by the original copayment amount of $7 would equal $8.57, and the

copayment amount for calendar year 2004, rounded down to the whole dollar amount, would be $8.

(2) The total amount of copayments in a calendar year for a veteran enrolled in one of the priority categories 2 through 6 of VA's health care system (see § 17.36) shall not exceed the cap established for the calendar year. The cap for calendar year 2002 is $840. If the copayment amount increases after calendar year 2002, the cap of $840 shall be increased by $120 for each $1 increase in the copayment amount.

(c) Medication not subject to the copayment requirements. The following are exempt from the copayment requirements of this section:

(1) Medication for a veteran who has a service-connected disability rated 50% or more based on a service-connected disability or unemployability;

(2) Medication for a veteran's service-connected disability;

(3) Medication for a veteran whose annual income (as determined under 38 U.S.C. 1503) does not exceed the maximum annual rate of VA pension which would be payable to such veteran if such veteran were eligible for pension under 38 U.S.C. 1521;

(4) Medication authorized under 38 U.S.C. 1710(e) for Vietnam-era herbicide-exposed veterans, radiation-exposed veterans, Persian Gulf War veterans, or post-Persian Gulf War combat-exposed veterans;

(5) Medication for treatment of sexual trauma as authorized under 38 U.S.C. 1720D;

(6) Medication for treatment of cancer of the head or neck authorized under 38 U.S.C. 1720E; and

(7) Medications provided as part of a VA approved research project authorized by 38 U.S.C. 7303.

§ 17.111 Copayments for Extended care services.

(a) General. This section sets forth requirements regarding copayments for extended care services provided to veterans by VA (either directly by VA or paid for by VA).

(b) Copayments. (1) Unless exempted under paragraph (f) of this section, as a condition of receiving extended care services from VA, a veteran must agree to pay VA and is obligated to pay VA a copayment as specified by this section. A veteran has no obligation to pay a copayment for the first 21 days of extended care services that VA provided the veteran in any 12-month period (the 12-month period begins on the date that VA first provided extended care services to the veteran). However, for each day that extended care services are provided beyond the first 21 days, a veteran is obligated to pay VA the copayment amount set forth below to the extent the veteran has available resources. Available resources are based on monthly calculations, as determined under paragraph (d) of this section. The following sets forth the extended care services provided by VA and the corresponding copayment amount per day:

(i) Adult day health care -- $15.
(ii) Domiciliary care -- $5.
(iii) Institutional respite care -- $97.
(iv) Institutional geriatric evaluation -- $97.
(v) Non-institutional geriatric evaluation -- $15.
(vi) Non-institutional respite care -- $15.
(vii) Nursing home care -- $97.

(2) For purposes of counting the number of days for which a veteran is obligated to make a copayment under this section, VA will count each day that adult day health care, non-institutional geriatric evaluation, and non-institutional respite care are provided and will count each full day and partial day for each inpatient stay except for the day of discharge.

(c) Definitions. For purposes of this section:

(1) Adult day health care is a therapeutic outpatient care program that provides medical services, rehabilitation, therapeutic activities, socialization, nutrition and transportation services to disabled veterans in a congregate setting.
(2) Domiciliary care is defined in § 17.30(b).
(3) Extended care services means adult day health care, domiciliary care, institutional geriatric evaluation, noninstitutional geriatric evaluation, nursing home care, institutional respite care, and noninstitutional respite care.
(4) Geriatric evaluation is a specialized, diagnostic/consultative service provided by an interdisciplinary team that is for the purpose of providing a comprehensive assessment, care plan, and extended care service recommendations.
(5) Institutional means a setting in a hospital, domiciliary, or nursing home of overnight stays of one or more days.
(6) Noninstitutional means a service that does not include an overnight stay.
(7) Nursing home care means the accommodation of convalescents or other persons who are not acutely ill and not in need of hospital care, but who require nursing care and related medical services, if such nursing care and medical services are prescribed by, or are performed under the general direction of, persons duly licensed to provide such care (nursing services must be provided 24 hours a day). Such term includes services furnished in skilled nursing care facilities. Such term excludes hospice care.

(8) Respite care means care which is of limited duration, is furnished on an intermittent basis to a veteran who is suffering from a chronic illness and who resides primarily at home, and is furnished for the purpose of helping the veteran to continue residing primarily at home. (Respite providers temporarily replace the caregivers to provide services ranging from supervision to skilled care needs.)

d) Effect of the veteran's financial resources on obligation to pay copayment. (1) A veteran is obligated to pay the copayment to the extent the veteran and the veteran's spouse have available resources. For veterans who have been receiving extended care services for 180 days or less, their available resources are the sum of the income of the veteran and the veteran's spouse, minus the sum of the veterans allowance, the spousal allowance, and expenses. For veterans who have been receiving extended care services for 181 days or more, their available resources are the sum of the value of the liquid assets, the fixed assets, and the income of the veteran and the veteran's spouse, minus the sum of the veterans allowance, the spousal allowance, the spousal resource protection amount, and (but only if the veteran--has a spouse or dependents residing in the community who is not institutionalized) expenses. When a veteran is legally separated from a spouse, available resources do not include spousal income, expenses, and assets or a spousal allowance.

(2) For purposes of determining available resources under this section:
(i) Income means current income (including, but not limited to, wages and income from a business (minus business expenses), bonuses, tips, severance pay, accrued benefits, cash gifts, inheritance amounts, interest income, standard dividend income from non tax deferred annuities, retirement income, pension income, unemployment payments, worker's compensation payments, black lung payments, tort settlement payments, social security payments, court mandated payments, payments from VA or any other Federal programs, and any other income). The amount of current income will be stated in frequency of receipt, e.g., per week, per month.
(ii) Expenses means basic subsistence expenses, including current expenses for the following: rent/mortgage for primary residence; vehicle payment for one vehicle; food for veteran, veteran's spouse, and veteran's dependents; education for veteran, veteran's spouse, and veteran's dependents; court-ordered payments of veteran or veteran's spouse (e.g., alimony, child-support); and including the average monthly expenses during the past year for the following: utilities and insurance for the primary residence; out-of-pocket medical care costs not otherwise covered by health insurance; health insurance premiums for the veteran, veteran's spouse, and veteran's dependents; and taxes paid on income and personal property.
(iii) Fixed Assets means:
(A) Real property and other non-liquid assets; except that this does not include--
(1) Burial plots;
(2) A residence if the residence is:
(i) The primary residence of the veteran and the veteran is receiving only noninstitutional extended care service; or
(ii) The primary residence of the veteran's spouse or the veteran's dependents (if the veteran does not have a spouse) if the veteran is receiving institutional extended care service.
(3) A vehicle if the vehicle is:
(i) The vehicle of the veteran and the veteran is receiving only noninstitutional extended care service; or
(ii) The vehicle of the veteran's spouse or the veteran's dependents (if the veteran does not have a spouse) if the veteran is receiving institutional extended care service.
(B) [Reserved]
(iv) Liquid assets means cash, stocks, dividends received from IRA, 401K's and other tax deferred annuities, bonds, mutual funds, retirement accounts (e.g., IRA, 401Ks, annuities), art, rare coins, stamp collections, and collectibles of the veteran, spouse, and dependents. This includes household and personal items (e.g., furniture, clothing, and jewelry) except when the veteran's spouse or dependents are living in the community.
(v) Spousal allowance is an allowance of $20 per day that is included only if the spouse resides in the community (not institutionalized).
(vi) Spousal resource protection amount means the value of liquid assets but not to exceed $89,280 if the spouse is residing in the community (not institutionalized).
(vii) Veterans allowance is an allowance of $20 per day.
(3) The maximum amount of a copayment for any month equals the copayment amount specified in paragraph (b)(1) of this section multiplied by the number of days in the month. The copayment for any month may be less than the amount specified in paragraph (b)(1) of this section if the veteran provides information in accordance with this section to establish that the copayment should be reduced or eliminated.
(e) Requirement to submit information. (1) Unless exempted under paragraph (f) of this section, a veteran must submit to a VA medical facility a completed VA Form 10-10EC and documentation requested by the Form at the following times:
(i) At the time of initial request for an episode of extended care services;
(ii) At the time of request for extended care services after a break in provision of extended care services for more than 30 days; and
(iii) Each year at the time of submission to VA of VA Form 10-10EZ.
(2) When there are changes that might change the copayment obligation (i.e., changes regarding marital status, fixed assets, liquid assets, expenses, income (when received), or whether the veteran has a spouse or dependents residing in the community), the veteran must report those changes to a VA medical facility within 10 days of the change.
(f) Veterans and care that are not subject to the copayment requirements. The following veterans and care are not subject to the copayment requirements of this section:
(1) A veteran with a compensable service-connected disability;
(2) A veteran whose annual income (determined under 38 U.S.C. 1503) is less than the amount in effect under 38 U.S.C. 1521(b);
(3) Care for a veteran's noncompensable zero percent service-connected disability;
(4) An episode of extended care services that began on or before November 30, 1999;
(5) Care authorized under 38 U.S.C. 1710(e) for Vietnam-era herbicide-exposed veterans, radiation-exposed veterans, Persian Gulf War veterans, or post-Persian Gulf War combat-exposed veterans;
(6) Care for treatment of sexual trauma as authorized under 38 U.S.C. 1720D; or
(7) Care or services authorized under 38 U.S.C. 1720E for certain veterans regarding cancer of the head or neck.
(g) VA Form 10-10EC.

§ 17.112 Services or ceremonies on Department of Veterans Affairs hospital or center reservations.

(a) Services or ceremonies on Department of Veterans Affairs hospital or center reservations are subject to the following limitations:

(1) All activities must be conducted with proper decorum, and not interfere with the care and treatment of patients. Organizations must provide assurance that their members will obey all rules in effect at the hospital or center involved, and act in a dignified and proper manner;

(2) Partisan activities are inappropriate and all activities must be nonpartisan in nature. An activity will be considered partisan and therefore inappropriate if it includes commentary in support of, or in opposition to, or attempts to influence, any current policy of the Government of the United States or any State of the United States. If the activity is closely related to partisan activities being conducted outside the hospital or center reservations, it will be considered partisan and therefore inappropriate.

(b) Requests for permission to hold services or ceremonies will be addressed to the Secretary, or the Director of the Department of Veterans Affairs hospital or center involved. Such applications will describe the proposed activity in sufficient detail to enable a determination as to whether it meets the standards set forth in paragraph (a) of this section. If permission is granted, the Director of the hospital or center involved will assign an appropriate time, and render assistance where appropriate. No organization will be given exclusive permission to use the hospital or center reservation on any particular occasion. Where several requests are received for separate activities, the Director will schedule each so as to avoid overlapping or interference, or require appropriate modifications in the scope or timing of the activity.

§ 17.113 Conditions of custody.

When the personal effects of a patient who has been or is hospitalized or receiving nursing home care in a Department of Veterans Affairs hospital or center were or are duly delivered to a designated location for custody and loss of such personal effects has occurred or occurs by fire, earthquake, or other natural disaster, either during such storage or during laundering, reimbursement will be made as provided in §§ 17.113 and 17.114.
§ 17.114 Submittal of claim for reimbursement.
The claim for reimbursement for personal effects damaged or destroyed will be submitted by the patient to the Director. The patient will separately list and evaluate each article with a notation as to its condition at the time of the fire, earthquake, or other natural disaster i.e. whether new, worn, etc. The date of the fire, earthquake, or other natural disaster will be stated. It will be certified by a responsible official that each article listed was stored in a designated location at the time of loss by fire, earthquake, or other natural disaster or was in process of laundering. The patient will further state whether the loss of each article was complete or partial, permitting of some further use of the article. The responsible official will certify that the amount of reimbursement claimed on each article of personal effects is not in excess of the fair value thereof at time of loss. The certification will be prepared in triplicate, signed by the responsible officer who made it, and countersigned by the Director of the medical center. After the above papers have been secured, voucher will be prepared, signed, and certified, and forwarded to the Fiscal Officer for approval, payment to be made in accordance with fiscal procedure. The original list of property and certificate are to be attached to voucher.
§ 17.115 Claims in cases of incompetent patients.
§ 17.116 Adjudication of claims.

§ 17.115 Claims in cases of incompetent patients.
Where the patient is insane and incompetent, the patient will not be required to make claim for reimbursement for personal effects lost by fire, earthquake, or other natural disaster as required under the provisions of § 17.113. The responsible official will make claim for the patient, adding the certification in all details as provided for in § 17.113. After countersignature of this certification by the Director, payment will be made as provided in § 17.113, and the amount thereby disbursed will be turned over to the Director for custody.

§ 17.116 Adjudication of claims.
Claims comprehended. Claims for reimbursing Department of Veterans Affairs employees for cost of repairing or replacing their personal property damaged or destroyed by patients or members while such employees are engaged in the performance of their official duties will be adjudicated by the Director of the medical center concerned. Such claims will be considered under the following conditions, both of which must have existed and, if either one is lacking, reimbursement or payment for the cost or repair of the damaged article will not be authorized:
(a) The claim must be for an item of personal property normally used by the employee in his or her day to day employment, e.g., eyeglasses, hearing aids, clothing, etc., and,
(b) Such personal property was damaged or destroyed by a patient or domiciliary member while the employee was engaged in the performance of official duties.
Reimbursement or payment as provided in this paragraph will be made in a fair and reasonable amount, taking into consideration the condition and reasonable value of the article at the time it was damaged or destroyed.

To the extent allowable, payment or reimbursement of the expenses of care, not previously authorized, in a private or public (or Federal) hospital not operated by the Department of Veterans Affairs, or of any medical services not previously authorized including transportation (except prosthetic appliances, similar devices, and repairs) may be paid on the basis of a claim timely filed, under the following circumstances:
(a) For veterans with service connected disabilities. Care or services not previously authorized were rendered to a veteran in need of such care or services:
   (1) For an adjudicated service-connected disability;
   (2) For nonservice-connected disabilities associated with and held to be aggravating an adjudicated service-connected disability;
   (3) For any disability of a veteran who has a total disability permanent in nature resulting from a service-connected disability (does not apply outside of the States, Territories, and possessions of the United State, the District of Columbia, and the Commonwealth of Puerto Rico);
   (4) For any illness, injury or dental condition in the case of a veteran who is participating in a rehabilitation program under 38 U.S.C. ch. 31 and who is medically determined to be in need of hospital care or medical services for any of the reasons enumerated in § 17.48(); and

For the purpose of payment or reimbursement of the expense of emergency hospital care or medical services not previously authorized, an emergency shall be deemed to have ended at that point when a VA physician has determined that, based on sound medical judgment, a veteran:

(a) Who received emergency hospital care could have been transferred from the non-VA facility to a VA medical center for continuation of treatment for the disability, or
(b) Who received emergency medical services, could have reported to a VA medical center for continuation of treatment for the disability.

From that point on, no additional care in a non-VA facility will be approved for payment by VA.

(a) Obtaining the repairs locally was necessary, expedient, and not a matter of preference to using authorized sources, and
(b) The costs were reasonable, except that where it is determined the costs were excessive or unreasonable, the claim may be allowed to the extent the costs were deemed reasonable and disallowed as to the remainder. In no circumstances will any claim for repairs be allowed to the extent the costs exceed $125.

§ 17.123 Claimants.
A claim for payment or reimbursement of services not previously authorized may be filed by the veteran who received the services (or his/her guardian) or by the hospital, clinic, or community resource which provided the services, or by a person other than the veteran who paid for the services.

§ 17.124 Preparation of claims.
Claims for costs of services not previously authorized shall be on such forms as shall be prescribed and shall include the following:
(a) The claimant shall specify the amount claimed and furnish bills, vouchers, invoices, or receipts or other documentary evidence establishing that such amount was paid or is owed, and
(b) The claimant shall provide an explanation of the circumstances necessitating the use of community medical care, services, or supplies instead of Department of Veterans Affairs care, services, or supplies, and
(c) The claimant shall furnish such other evidence or statements as are deemed necessary and requested for adjudication of the claim.

(38 U.S.C. 501, 5705.)

§ 17.125 Where to file claims.
Claims for payment or reimbursement of the expenses of services not previously authorized should be filed as follows:
(a) For services rendered in the U.S. Claims for the expenses of care or services rendered in the United States, including the Territories or possessions of the United States, should be filed with the Chief, Outpatient Service, or Clinic Director of the VA facility designated as a clinic or jurisdiction which serves the region in which the care or services were rendered, and
(Authority: 38 U.S.C. 7304)
(b) For services rendered in the Philippines. Claims for the expenses of care or services rendered in the Republic of the Philippines should be filed with the Department of Veterans Affairs Outpatient Clinic (358/00), 2201 Roxas Blvd., Pasay City, 1300, Republic of the Philippines, and
(c) For services rendered in Canada. Claims for the expenses of care or services rendered in Canada should be filed with the Chief, Medical Administration Service (136), Department of Veterans Affairs Medical Center, White River Junction, VT 05009.
(d) For services rendered in other foreign countries. Claims for the expenses of care or services rendered in other foreign countries must be mailed to the Health Administration Center, P.O. Box 65023, Denver, CO 80206-3023.
(Authority: 38 U.S.C. 7304)
§ 17.126 Timely filing.

Claims for payment or reimbursement of the expenses of medical care or services not previously authorized must be filed within the following time limits:

(a) A claim must be filed within 2 years after the date the care or services were rendered (and in the case of continuous care, payment will not be made for any part of the care rendered more than 2 years prior to filing claim), or

(b) In the case of care or services rendered prior to a VA adjudication allowing service-connection:

(1) The claim must be filed within 2 years of the date the veteran was notified by VA of the allowance of the award of service-connection.

(2) VA payment may be made for care related to the service-connected disability received only within a 2-year period prior to the date the veteran filed the original or reopened claim which resulted in the award of service-connection but never prior to the effective date of the award of service-connection within that 2-year period.

(3) VA payment will never be made for any care received beyond this 2-year period whether service connected or not.

§ 17.127 Date of filing claims.

The date of filing any claim for payment or reimbursement of the expenses of medical care and services not previously authorized shall be the postmark date of a formal claim, or the date of any preceding telephone call, telegram, or other communication constituting an informal claim.

§ 17.128 Allowable rates and fees.

When it has been determined that a veteran has received public or private hospital care or outpatient medical services, the expenses of which may be paid under § 17.120 of this part, the payment of such expenses shall be paid in accordance with §§ 17.55 and 17.56 of this part.
§ 17.129 Retroactive payments prohibited.
When a claim for payment or reimbursement of expenses of services not previously authorized has not been timely filed in accordance with the provisions of § 17.126, the expenses of any such care or services rendered prior to the date of filing the claim shall not be paid or reimbursed. In no event will a bill or claim be paid or allowed for any care or services rendered prior to the effective date of any law, or amendment to the law, under which eligibility for the medical services at Department of Veterans Affairs expense has been established.
[39 FR 1844, Jan. 15, 1974; redesignated and amended at 61 FR 21964, 21965, 21968, May 13, 1996]

§ 17.130 Payment for treatment dependent upon preference prohibited.
No reimbursement or payment of services not previously authorized will be made when such treatment was procured through private sources in preference to available Government facilities.
[39 FR 1844, Jan. 15, 1974; redesignated at 61 FR 21964, 21965, May 13, 1996]

§ 17.131 Payment of abandoned claims prohibited.
Any informal claim for the payment or reimbursement of medical expenses which is not followed by a formal claim, or any formal claim which is not followed by necessary supporting evidence, within 1 year from the date of the request for a formal claim or supporting evidence shall be deemed abandoned, and payment or reimbursement shall not be authorized on the basis of such abandoned claim or any future claim for the same expenses. For the purpose of this section, time limitations shall be computed from the date following the date of request for a formal claim or supporting evidence.

§ 17.132 Appeals.
When any claim for payment or reimbursement of expenses of medical care or services rendered in non-Department of Veterans Affairs facilities or from non-Department of Veterans Affairs resources has been disallowed, the claimant shall be notified of the reasons for the disallowance and of the right to initiate an appeal to the Board of Veterans Appeals by filing a Notice of Disagreement, and shall be furnished such other notices or statements as are required by part 19 of this chapter, governing appeals.
Reconsideration of Denied Claims

§ 17.133 Procedures.

(a) Scope. This section sets forth reconsideration procedures regarding claims for benefits administered by the Veterans Health Administration (VHA). These procedures apply to claims for VHA benefits regarding decisions that are appealable to the Board of Veterans' Appeals (e.g., reimbursement for non-VA care not authorized in advance, reimbursement for beneficiary travel expenses, reimbursement for home improvements or structural alterations, etc.). These procedures do not apply when other regulations providing reconsideration procedures do apply (this includes CHAMPVA (((38 CFR 17.270 through 17.278) and spina bifida (((38 CFR 17.904) and any other regulations that contain reconsideration procedures). Also, these procedures do not apply to decisions made outside of VHA, such as decisions made by the Veterans Benefits Administration and adopted by VHA for decisionmaking. These procedures are not mandatory, and a claimant may choose to appeal the denied claim to the Board of Veterans' Appeals pursuant to 38 U.S.C. 7105 without utilizing the provisions of this section. Submitting a request for reconsideration shall constitute a notice of disagreement for purposes of filing a timely notice of disagreement under 38 U.S.C. 7105(b).

(b) Process. An individual who disagrees with the initial decision denying the claim in whole or in part may obtain reconsideration under this section by submitting a reconsideration request in writing to the Director of the healthcare facility of jurisdiction within one year of the date of the initial decision. The reconsideration decision will be made by the immediate supervisor of the initial VA decision-maker. The request must state why it is concluded that the decision is in error and must include any new and relevant information not previously considered. Any request for reconsideration that does not identify the reason for the dispute will be returned to the sender without further consideration. The request for reconsideration may include a request for a meeting with the immediate supervisor of the initial VA decision-maker, the claimant, and the claimant's representative (if the claimant wishes to have a representative present). Such a meeting shall only be for the purpose of discussing the issues and shall not include formal procedures (e.g., presentation, cross-examination of witnesses, etc.). The meeting will be taped and transcribed by VA if requested by the claimant and a copy of the transcription shall be provided to the claimant. After reviewing the matter, the immediate supervisor of the initial VA decision-maker shall issue a written decision that affirms, reverses, or modifies the initial decision.

Note to § 17.133: The final decision of the immediate supervisor of the initial VA decision-maker will inform the claimant of further appellate rights for an appeal to the Board of Veterans' Appeals.

DELEGATIONS OF AUTHORITY

§ 17.140 Authority to adjudicate reimbursement claims.
§ 17.141 Authority to adjudicate foreign reimbursement claims.
§ 17.142 Authority to approve sharing agreements, contracts for scarce medical specialist services and contracts for other medical services.

§ 17.140 Authority to adjudicate reimbursement claims.
The Department of Veterans Affairs medical installation having responsibility for the fee basis program in the region or territory (including the Republic of the Philippines) served by such medical installation shall adjudicate all claims for the payment or reimbursement of the expenses of services not previously authorized rendered in the region or territory. [39 FR 1844, Jan. 15, 1974; redesignated at 61 FR 21964, 21965, May 13, 1996]

§ 17.141 Authority to adjudicate foreign reimbursement claims.
The Health Administration Center in Denver, CO, shall adjudicate claims for the payment or reimbursement of the expenses of services not previously authorized rendered in any foreign country except Canada which will be referred to the VA Medical Center in White River Junction, VT, and the Republic of the Philippines which will be referred to the VA Outpatient Clinis in Pasay City. [39 FR 1844, Jan. 15, 1974, as amended at 45 FR 6938, Jan. 31, 1980; redesignated and amended at 61 FR 21964, 21965, 21968, May 13, 1996]

§ 17.142 Authority to approve sharing agreements, contracts for scarce medical specialist services and contracts for other medical services.
The Under Secretary for Health is delegated authority to enter into
(a) Sharing agreements authorized under the provisions of 38 U.S.C. 8153 and § 17.210 and which may be negotiated pursuant to the provisions of 41 CFR 8-3.204(e);
(b) Contracts with schools and colleges of medicine, osteopathy, dentistry, podiatry, optometry, and nursing, clinics, and any other group or individual capable of furnishing such services to provide scarce medical specialist services at Department of Veterans Affairs health care facilities (including, but not limited to, services of physicians, dentists, podiatrists, optometrists, nurses, physicians' assistants, expanded function dental auxiliaries, technicians, and other medical support personnel); and
(c) When a sharing agreement or contract for scarce medical specialist services is not warranted, contracts authorized under the provisions of 38 U.S.C. 513 for medical and ancillary services. The authority under this section generally will be exercised by approval of proposed contracts or agreements negotiated at the health care facility level. Such approval, however, will not be necessary in the case of any purchase order or individual authorization for which authority has been delegated in § 17.99. All such contracts and agreements will be negotiated pursuant to 41 CFR chapters 1 and 8. [45 FR 6938, Jan. 31, 1980; redesignated at 61 FR 21964, 21965, May 13, 1996; 62 FR 17072, April 9, 1997]

TRANSPORTATION OF CLAIMANTS AND BENEFICIARIES

§ 17.143 Transportation of claimants and beneficiaries.
§ 17.144 Limitations.
§ 17.145 Approval of unauthorized travel of claimants and beneficiaries.

§ 17.143 Transportation of claimants and beneficiaries.

Discussion and Analysis in the Veterans Benefits Manual

(a) If travel will be provided, it shall be paid in accordance with 38 U.S.C. 111 and this section.

(Authority: 38 U.S.C. 111)

(b) Transportation at Government expense shall be authorized for the following categories of VA beneficiaries, subject to the deductible established in Sec. 17.101, "Limitations":

(1) A veteran or other person traveling in connection with treatment for a service-connected disability (irrespective of percent of disability).
(2) A veteran with a service-connected disability rated at 30 percent or more, for treatment of any condition.
(3) A veteran receiving VA pension benefits.
(4) A veteran whose annual income, as determined under 38 U.S.C. 1503, does not exceed the maximum annual rate of pension which would be payable if the veteran were eligible for pension, or who is unable to defray the expenses of travel.

(c) Transportation at Government expense shall be authorized for the following VA beneficiaries without their being subject to the deductible established in Sec. 17.101, "Limitations":

(1) A veteran traveling in connection with a scheduled compensation or pension examination.
(2) A veteran or other person traveling by a specialized mode of transportation such as an ambulance, ambulette, air ambulance, wheelchair van, or other vehicle specially designed to transport disabled individuals provided:

(i) A physician determines that the special mode of travel is medically required;
(ii) The person is unable to defray the expenses of the travel; and
(iii) The travel is authorized in advance or was undertaken in connection with a medical emergency such that delay to obtain authorization would be hazardous to the person's life or health.

(d) For the purposes of this section, the term "other person" refers to:

(1) An attendant when it has been determined in advance that the beneficiary's physical or mental condition requires the presence of an attendant.
(2) A dependent or survivor receiving care in a VA facility under 38 U.S.C. 1713.
(3) Members of the veteran's immediate family, the veteran's legal guardian, or the individual in whose household the veteran certifies an intention to live, when the veteran is receiving services under 38 U.S.C. 1701(6)(B).

(e) A veteran or other person shall be considered unable to defray the expenses of travel if:
(1) Annual income for the year immediately preceding the application for benefits does not exceed the maximum annual rate of pension which would be payable if the person were eligible for pension; or
(2) The person is able to demonstrate that due to circumstances such as loss of employment, or incurrence of a disability, income in the year of application will not exceed the maximum annual rate of pension which would be payable if the person were eligible for pension; or
(3) The person has a service-connected disability rated at least 30 percent; or
(4) The person is traveling in connection with treatment of a service-connected disability.
(Authority: 38 U.S.C. 111)
(f) Admission. (1) Admission of applicants under 38 U.S.C. 1710, 38 CFR 17.46 and 17.84.
(2) Hospital admission for observation and examination.
(g) Readmissions. Hospital readmissions, when medically determined necessary to observe progress, modify treatment or diet, etc.
(h) Preparatory and posthospital care. When necessary to the provision of medical services furnished veterans under 38 U.S.C. 1712(a)(5), and 1717.
(i) Authorized absence. Transportation will not be furnished beneficiaries who are on authorized absence, to depart from or return to Department of Veterans Affairs health care facilities, except that if a patient in such status develops an emergent condition and the patient (or guardian, if there be one) is without funds to return such patient to a Department of Veterans Affairs health care facility, travel may be approved by the Director of the Department of Veterans Affairs facility to which the patient is to be returned.
(j) Discharge. (1) Subject to the limitations of this section, upon regular discharge from hospitalization for treatment, observation and examination, or from nursing home care, return transportation to the point from which the beneficiary had proceeded; or to another point if no additional expense be thereby caused the Government.
(2) A patient in a terminal condition may be discharged to his or her home or transferred to a hospital suitable and nearer that home, regardless of whether travel so required exceeds that covered in proceeding to the hospital of original admission.
(3) Transportation may be furnished to a point other than that from which a patient had proceeded to a hospital upon a showing of bona fide change of address of the patient's residence during the period of hospital care.
(4) No return transportation will be supplied a patient who receives an irregular discharge from hospital or nursing home care, unless the patient executes an affidavit of inability to defray the expense of return transportation.
(k) Outpatient services. (1) Outpatient physical examination, subject to limitations described in 38 U.S.C. 111(c) and 38 CFR 17.144, "Limitations".
(2) Outpatient treatment for service-connected conditions, including adjunct treatment thereof; for veterans under Sec. 17.93 (a)(2) and (d)(3); and for nonservice-connected disabilities of veterans who are participating in a rehabilitation program under 38 U.S.C. chapter 31 and who are medically determined to be in need of medical services for any of the reasons enumerated in 17.47(j), subject to limitations described in Sec. 17.144, "Limitations".
(Authority: 38 U.S.C. 111(b))
(l) Accessories of transportation. The accessories of transportation, meals and lodging en route, and accompaniment by an attendant or attendants, may be authorized when determined necessary for the travel.

(m) Furnishing transportation and other expenses incident thereto. In furnishing transportation and other expenses incident thereto, as defined, VA may (1) issue requests for transportation, meals, and lodging; or (2) reimburse the claimant, beneficiary or representative, for payment made for such purpose, upon due certification of vouchers submitted therefor. The provisions of 38 U.S.C. 111 and 38 CFR 17.143, 17.144 and 17.145 will be complied with in all instances when transportation costs are claimed. (Authority: 38 U.S.C. 111)

(n) Transportation of other than Department of Veterans Affairs beneficiaries. Transportation of beneficiaries of other Federal agencies, incident to medical services rendered upon requests of those agencies, will not be furnished by the Department of Veterans Affairs, except that facility vehicles may be used subject to reimbursement, and with the exception of beneficiaries of the Bureau of Old Age and Survivors Insurance in the Philippines on a reimbursable basis under agreement with that agency. Transportation incident to medical services rendered allied beneficiaries under agreement will be subject to reimbursement by the governments concerned.

§ 17.144 Limitations.

(a) VA shall deduct from amounts payable to persons under § 17.100(b), an amount equal to $3 for each one-way trip to a VA facility, up to a maximum of $18 in any calendar month. Persons required to make more than six one-way visits per calendar month will receive full travel reimbursement after the $18 cap is met.

(b) The provisions of paragraph (a) of this section may be waived when imposition of the deductible would cause severe financial hardship. Loss of employment, or sudden illness or disability causing the beneficiary's income in the year of application to fall below the maximum level of VA pension, shall be deemed to constitute severe financial hardship.

(c) Transportation will not be authorized for the cost of travel by taxi or a hired car for visually impaired veterans (as a special mode), or by privately owned vehicle in any amount in excess of the cost of such travel by other forms of public transportation unless public transportation is not reasonably accessible or would be medically inadvisable.

(d) Transportation will not be authorized for the cost of travel in excess of the actual expense incurred by any person as certified by that person in writing.

(38 U.S.C. 111)

§ 17.145 Approval of unauthorized travel of claimants and beneficiaries.

(a) Payment may be approved for travel performed under § 17.143(a) through (g) without prior authorization only in those cases where the Department of Veterans Affairs determines that there was a need for prompt medical care which was approved and:
(1) The circumstances prevented a request for prior travel authorization, or
(2) Due to Department of Veterans Affairs delay or error prior authorization for travel was not given, or
(3) There was a justifiable lack of knowledge on the part of a third party acting for the veteran that a request for prior authorization was necessary.

(b) In other cases, payment may be approved for such travel without prior authorization only upon a finding by the Secretary or designee that failure to secure prior authorization was justified.

§ 17.149 Sensori-neural Aids.

(a) Notwithstanding any other provision of this part, VA will furnish needed sensori-neural aids (i.e., eyeglasses, contact lenses, hearing aids) only to veterans otherwise receiving VA care or services and only as provided in this section.
(b) VA will furnish needed sensori-neural aids (i.e., eyeglasses, contact lenses, hearing aids) to the following veterans:
   (1) Those with a compensable service-connected disability;
   (2) Those who are former prisoners of war;
   (3) Those awarded a Purple Heart;
   (4) Those in receipt of benefits under 38 U.S.C. 1151;
   (5) Those in receipt of increased pension based on the need for regular aid and attendance or by reason of being permanently housebound;
   (6) Those who have a visual or hearing impairment that resulted from the existence of another medical condition for which the veteran is receiving VA care, or which resulted from treatment of that medical condition;
   (7) Those with a significant functional or cognitive impairment evidenced by deficiencies in activities of daily living, but not including normally occurring visual or hearing impairments; and
   (8) Those visually or hearing impaired so severely that the provision of sensori-neural aids is necessary to permit active participation in their own medical treatment.
(c) VA will furnish needed hearing aids to those veterans who have service--connected hearing disabilities rated 0 percent if there is organic conductive, mixed, or sensory hearing impairment, and loss of pure tone hearing sensitivity in the low, mid, or high-frequency range or a combination of frequency ranges which contribute to a loss of communication ability; however, hearing aids are to be provided only as needed for the service--connected hearing disability.

§ 17.150 Prosthetic and similar appliances.

© 2006 Matthew Bender & Company, Inc., a member of the LexisNexis Group. All rights reserved. Use of this product is subject to the restrictions and terms and conditions of the Matthew Bender Master Agreement.
Artificial limbs, braces, orthopedic shoes, hearing aids, wheelchairs, medical accessories, similar appliances including invalid lifts and therapeutic and rehabilitative devices, and special clothing made necessary by the wearing of such appliances, may be purchased, made or repaired for any veteran upon a determination of feasibility and medical need, provided:

(a) As part of outpatient care. The appliances or repairs are a necessary part of outpatient care for which the veteran is eligible under 38 U.S.C. 1712 and 38 CFR 17.93 (or a necessary part of outpatient care authorized under § 17.94) or

(b) As part of hospital care. The appliances or repairs are a necessary part of inpatient care for any service-connected disability or any nonservice-connected disability, if:

1. The nonservice-connected disability is associated with an aggravating a service-connected disability, or

2. The nonservice-connected disability is one for which hospital admission was authorized, or

3. The nonservice-connected disability is associated with and aggravating a nonservice-connected disability for which hospital admission was authorized, or

4. The nonservice-connected disability is one for which treatment may be authorized under the provisions of § 17.48(f), or

(c) As part of domiciliary care. The appliances or repairs are necessary for continued domiciliary care, or are necessary to treat a member's service-connected disability, or nonservice-connected disability associated with and aggravating a service-connected disability, or

(d) As part of nursing home care. The appliances or repairs are a necessary part of nursing home care furnished in facilities under the direct and exclusive jurisdiction of the Department of Veterans Affairs.

§ 17.151 Invalid lifts for recipients of aid and attendance allowance or special monthly compensation.
An invalid lift may be furnished if:

(a) The applicant is a veteran who is receiving (1) special monthly compensation (including special monthly compensation based on the need for aid and attendance) under the provisions of 38 U.S.C. 1114(r), or (2) comparable compensation benefits at the rates prescribed under 38 U.S.C. 1134, or (3) increased pension based on the need for aid and attendance or a greater compensation benefit rather than aid and attendance pension to which he or she has been adjudicated to be presently eligible; and

(b) The veteran has loss, or loss of use, of both lower extremities and at least one upper extremity (loss of use may result from paralysis or other impairment to muscle power and includes all cases in which the veteran cannot use his or her extremities or is medically prohibited from doing so because of a serious disease or disability); and

(c) The veteran has been medically determined incapable of moving himself or herself from his or her bed to a wheelchair, or from his or her wheelchair to his or her bed,
without the aid of an attendant, because of the disability involving the use of his or her extremities; and
d) An invalid lift would be a feasible means by which the veteran could accomplish the necessary maneuvers between bed and wheelchair, and is medically determined necessary.

§ 17.152 Devices to assist in overcoming the handicap of deafness.
Devices for assisting in overcoming the handicap of deafness (including telecaptioning television decoders) may be furnished to any veteran who is profoundly deaf (rated 80% or more disabled for hearing impairment by the Department of Veterans Affairs) and is entitled to compensation on account of such hearing impairment.

AUTOMOTIVE EQUIPMENT AND DRIVER TRAINING

§ 17.155 Minimum standards of safety and quality for automotive adaptive equipment.

§ 17.156 Eligibility for automobile adaptive equipment.

§ 17.157 Definition-adaptive equipment.

§ 17.158 Limitations on assistance.

§ 17.159 Obtaining vehicles for special driver training courses.

§ 17.155 Minimum standards of safety and quality for automotive adaptive equipment.

Discussion and Analysis in the Veterans Benefits Manual

(a) The Under Secretary for Health or designee is authorized to develop and establish minimum standards of safety and quality for adaptive equipment provided under 38 U.S.C. chapter 39.

(b) In the performance of this function, the following considerations will apply:

(1) Minimum standards of safety and quality will be developed and promulgated for basic adaptive equipment specifically designed to facilitate operation and use of standard passenger motor vehicles by persons who have specified types of disablement and for the installation of such equipment.

(2) In those instances where custom-built adaptive equipment is designed and installed to meet the peculiar needs of uniquely disabled persons and where the incidence of probable usage is not such as to justify development of formal standards, such equipment will be inspected and, if in order, approved for use by a qualified designee of the Under Secretary for Health.

(3) Adaptive equipment, available to the general public, which is manufactured under standards of safety imposed by a Federal agency having authority to establish the same, shall be deemed to meet required standards for use as adaptive equipment. These include such items as automatic transmissions, power brakes, power steering and other automotive options.

(c) For those items where specific Department of Veterans Affairs standards of safety and quality have not as yet been developed, or where such standards are otherwise provided as with custom-designed or factory option items, authorization of suitable adaptive equipment will not be delayed. Approval of such adaptive equipment, however, shall be subject to the judgment of designated certifying officials that it meets implicit standards of safety and quality adopted by the industry or as later developed by the Department of Veterans Affairs.

[EFFECTIVE DATE NOTE: 62 FR 17072, April 9, 1997, substituted "Under Secretary for Health" for "Chief Medical Director" in paragraphs (a) and (b)(2), effective April 9, 1997.]

§ 17.156 Eligibility for automobile adaptive equipment.
Automobile adaptive equipment may be authorized if the Under Secretary for Health or designee determines that such equipment is deemed necessary to insure that the eligible person will be able to operate the automobile or other conveyance in a manner consistent with such person's safety and so as to satisfy the applicable standards of licensure established by the State of such person's residency or other proper licensing authority. (a) Persons eligible for adaptive equipment are:
(1) Veterans who are entitled to receive compensation for the loss or permanent loss of use of one or both feet; or the loss or permanent loss of use of one or both hands; or ankylosis of one or both knees, or one of both hips if the disability is the result of injury incurred or disease contracted in or aggravated by active military, naval or air service. (2) Members of the Armed Forces serving on active duty who are suffering from any disability described in paragraph (a)(1) of this section incurred or contracted during or aggravated by active military service are eligible to receive automobile adaptive equipment. (b) Payment or reimbursement of reasonable costs for the repair, replacement, or reinstallion of adaptive equipment deemed necessary for the operation of the automobile may be authorized by the Under Secretary for Health or designee. [53 FR 46607, Nov. 18, 1988; redesignated at 61 FR 21964, 21965, May 13, 1996; 62 FR 17072, April 9, 1997] (38 U.S.C. 3902) [EFFECTIVE DATE NOTE: 62 FR 17072, April 9, 1997, substituted "Under Secretary for Health" for "Chief Medical Director" in the introductory text and paragraph (b), effective April 9, 1997.]
§ 17.157 Definition-adaptive equipment. The term, adaptive equipment, means equipment which must be part of or added to a conveyance manufactured for sale to the general public to make it safe for use by the claimant, and enable that person to meet the applicable standards of licensure. Adaptive equipment includes any term specified by the Under Secretary for Health or designee as ordinarily necessary for any of the classes of losses or combination of such losses specified in § 17.156 of this part, or as deemed necessary in an individual case. Adaptive equipment includes, but is not limited to, a basic automatic transmission, power steering, power brakes, power window lifts, power seats, air-conditioning equipment when necessary for the health and safety of the veteran, and special equipment necessary to assist the eligible person into or out of the automobile or other conveyance, regardless of whether the automobile or other conveyance is to be operated by the eligible person or is to be operated for such person by another person; and any modification of the interior space of the automobile or other conveyance if needed because of the physical condition of such person in order for such person to enter or operate the vehicle. [53 FR 46608, Nov. 18, 1988; redesignated and amended at 61 FR 21964, 21965, 21968, May 13, 1996] (38 U.S.C. 3901, 3902) § 17.158 Limitations on assistance.

(a) An eligible person shall not be entitled to adaptive equipment for more than two automobiles or other conveyances at any one time or during any four-year period except when due to circumstances beyond control of such person, one of the automobiles or conveyances for which adaptive equipment was provided during the applicable four-year period is no longer available for the use of such person.

(1) Circumstances beyond the control of the eligible person are those where the vehicle was lost due to fire, theft, accident, court action, or when repairs are so costly as to be prohibitive or a different vehicle is required due to a change in the eligible person's physical condition.

(2) For purposes of paragraph (a)(1) of this section, an eligible person shall be deemed to have access to and use of an automobile or other conveyance for which the Department of Veterans Affairs has provided adaptive equipment if that person has sold, given or transferred the vehicle to a spouse, family member or other person residing in the same household as the eligible person, or to a business owned by such person.

(Authority: 38 U.S.C. 3903)

(b) Eligible persons may be reimbursed for the actual cost of adaptive equipment subject to a dollar amount for specific items established from time to time by the Under Secretary for Health.

(Authority: 38 U.S.C. 3902)

(c) Reimbursement for a repair to an item of adaptive equipment is limited to the current vehicles of record and only to the basic components authorized as automobile adaptive equipment. Reimbursable amounts for repairs are limited to the cost of parts and labor based on the amounts published in generally acceptable commercial estimating guides for domestic automobiles.

§ 17.159 Obtaining vehicles for special driver training courses.
The Secretary may obtain by purchase, lease, gift or otherwise, any automobile, motor vehicle, or other conveyance deemed necessary to conduct special driver training courses at Department of Veterans Affairs health care facilities. The Secretary may sell, assign, transfer or convey any such automobile, vehicle or conveyance to which the Department of Veterans Affairs holds title for such price or under such terms deemed appropriate by the Secretary. Any proceeds received from such disposition shall be credited to the applicable Department of Veterans Affairs appropriation.

DENTAL SERVICES

§ 17.160 Authorization of dental examinations.
When a detailed report of dental examination is essential for a determination of eligibility for benefits, dental examinations may be authorized for the following classes of claimants or beneficiaries:
(a) Those having a dental disability adjudicated as incurred or aggravated in active military, naval, or air service or those requiring examination to determine whether the dental disability is service connected.
(b) Those having disability from disease or injury other than dental, adjudicated as incurred or aggravated in active military, naval, or air service but with an associated dental condition that is considered to be aggravating the basic service-connected disorder.
(c) Those for whom a dental examination is ordered as a part of a general physical examination.
(d) Those requiring dental examination during hospital, nursing home, or domiciliary care.
(e) Those held to have suffered dental injury or aggravation of an existing dental injury, as the result of examination, hospitalization, or medical or surgical (including dental) treatment that had been awarded.
(f) Veterans who are participating in a rehabilitation program under 38 U.S.C. chapter 31 are entitled to such dental services as are professionally determined necessary for any of the reasons enumerated in § 17.47(g).
(Authority: 38 U.S.C. 1712(b); ch. 31)
(g) Those for whom a special dental examination is authorized by the Under Secretary for Health or the Assistant Chief Medical Director for Dentistry.
(h) Persons defined in § 17.60(d).

Outpatient dental treatment may be authorized by the Chief, Dental Service, for beneficiaries defined in 38 U.S.C. 1712(b) and 38 CFR 17.93 to the extent prescribed
and in accordance with the applicable classification and provisions set forth in this section.

(a) Class I. Those having a service-connected compensable dental disability or condition, may be authorized any dental treatment indicated as reasonably necessary to maintain oral health and masticatory function. There is no time limitation for making application for treatment and no restriction as to the number of repeat episodes of treatment.

(b) Class II. (1)(i) Those having a service-connected noncompensable dental condition or disability shown to have been in existence at time of discharge or release from active service, which took place after September 30, 1981, may be authorized any treatment indicated as reasonably necessary for the one-time correction of the service-connected noncompensable condition, but only if:

(A) They served on active duty during the Persian Gulf War and were discharged or released, under conditions other than dishonorable, from a period of active military, naval, or air service of not less than 90 days, or they were discharged or released under conditions other than dishonorable, from any other period of active military, naval, or air service of not less than 180 days;

(B) Application for treatment is made within 90 days after such discharge or release.

(C) The certificate of discharge or release does not bear a certification that the veteran was provided, within the 90-day period immediately before such discharge or release, a complete dental examination (including dental X-rays) and all appropriate dental treatment indicated by the examination to be needed, and

(D) Department of Veterans Affairs dental examination is completed within six months after discharge or release, unless delayed through no fault of the veteran.

(ii) Those veterans discharged from their final period of service after August 12, 1981, who had reentered active military service within 90 days after the date of a discharge or release from a prior period of active military service, may apply for treatment of service-connected noncompensable dental conditions relating to any such periods of service within 90 days from the date of their final discharge or release.

(iii) If a disqualifying discharge or release has been corrected by competent authority, application may be made within 90 days after the date of correction.

(2)(i) Those having a service-connected noncompensable dental condition or disability shown to have been in existence at time of discharge or release from active service, which took place before October 1, 1981, may be authorized any treatment indicated as reasonably necessary for the one-time correction of the service-connected noncompensable condition, but only if:

(A) They were discharged or released, under conditions other than dishonorable, from a period of active military, naval or air service of not less than 180 days.

(B) Application for treatment is made within one year after such discharge or release.

(C) Department of Veterans Affairs dental examination is completed within 14 months after discharge or release, unless delayed through no fault of the veteran.

(ii) Those veterans discharged from their final period of service before August 13, 1981, who had reentered active military service within one year from the date of a prior discharge or release, may apply for treatment of service-connected noncompensable dental conditions relating to any such prior periods of service within one year of their final discharge or release.
(iii) If a disqualifying discharge or release has been corrected by competent authority, application may be made within one year after the date of correction.

(Authority: 38 U.S.C. 1712)

(c) Class II (a). Those having a service-connected noncompensable dental condition or disability adjudicated as resulting from combat wounds or service trauma may be authorized any treatment indicated as reasonably necessary for the correction of such service-connected noncompensable condition or disability.

(d) Class II(b). Those having a service-connected noncompensable dental condition or disability and who had been detained or interned as prisoners of war for a period of less than 90 days may be authorized any treatment as reasonably necessary for the correction of such service-connected dental condition or disability.

(e) Class II(c). Those who were prisoners of war for 90 days or more, as determined by the concerned military service department, may be authorized any needed dental treatment.

(f) Class IIR (Retroactive). Any veteran who had made prior application for and received dental treatment from the Department of Veterans Affairs for noncompensable dental conditions, but was denied replacement of missing teeth which were lost during any period of service prior to his/her last period of service may be authorized such previously denied benefits under the following conditions:

(1) Application for such retroactive benefits is made within one year of April 5, 1983.

(2) Existing Department of Veterans Affairs records reflect the prior denial of the claim. All Class IIR (Retroactive) treatment authorized will be completed on a fee basis status.

(Authority: 38 U.S.C. 1712)

(g) Class III. Those having a dental condition professionally determined to be aggravating disability from an associated service-connected condition or disability may be authorized dental treatment for only those dental conditions which, in sound professional judgment, are having a direct and material detrimental effect upon the associated basic condition or disability.

(h) Class IV. Those whose service-connected disabilities are rated at 100% by schedular evaluation or who are entitled to the 100% rate by reason of individual unemployability may be authorized any needed dental treatment.

(Authority: 38 U.S.C. 1712)

(i) Class V. A veteran who is participating in a rehabilitation program under 38 U.S.C. chapter 31 may be authorized such dental services as are professionally determined necessary for any of the reasons enumerated in § 17.47(g).

(Authority: 38 U.S.C. 1712(b); chapter 31)

(j) Class VI. Any veterans scheduled for admission or otherwise receiving care and services under chapter 17 of 38 U.S.C. may receive outpatient dental care which is medically necessary, i.e., is for dental condition clinically determined to be complicating a medical condition currently under treatment.

(Authority: 38 U.S.C. 1712)

§ 17.162 Eligibility for Class II dental treatment without rating action.
When an application has been made for class II dental treatment under § 17.161(b), the applicant may be deemed eligible and dental treatment authorized on a one-time basis without rating action if:
(a) The examination to determine the need for dental care has been accomplished within the specified time limit after date of discharge or release unless delayed through no fault of the veteran, and sound dental judgment warrants a conclusion the condition originated in or was aggravated during service and the condition existed at the time of discharge or release from active service, and
(Authority: 38 U.S.C. 1712)
(b) The treatment will not involve replacement of a missing tooth noted at the time of Department of Veterans Affairs examination except:
(1) In conjunction with authorized extraction replacement, or
(2) When a determination can be made on the basis of sound professional judgment that a tooth was extracted or lost on active duty.
(c) Individuals whose entire tour of duty consisted of active or inactive duty for training shall not be eligible for treatment under this section.

§ 17.163 Posthospital outpatient dental treatment.
The Chief, Dental Service may authorize outpatient dental care which is reasonably necessary to complete treatment of a nonservice-connected dental condition which was begun while the veteran was receiving Department of Veterans Affairs authorized hospital care.
(38 U.S.C. 1712(b)(5))

§ 17.164 Patient responsibility in making and keeping dental appointments.
Any veteran eligible for dental treatment on a one-time completion basis only and who has not received such treatment within 3 years after filing the application shall be presumed to have abandoned the claim for dental treatment.

§ 17.165 Emergency outpatient dental treatment.
When outpatient emergency dental care is provided, as a humanitarian service, to individuals who have no established eligibility for outpatient dental care, the treatment will be restricted to the alleviation of pain or extreme discomfort, or the remediation of a dental condition which is determined to be endangering life or health. The provision of emergency treatment to persons found ineligible for dental care will not entitle the
applicant to further dental treatment. Individuals provided emergency dental care who are
found to be ineligible for such care will be billed.

(38 U.S.C. 501)

§ 17.166 Dental services for hospital or nursing home patients and domiciled
members.
Persons receiving hospital, nursing home, or domiciliary care pursuant to the provisions
of §§ 17.46 and 17.47, will be furnished such dental services as are professionally
determined necessary to the patients' or members' overall hospital, nursing home, or
domiciliary care.
[30 FR 1790, Feb. 9, 1965; redesignated at 61 FR 21964, 21965, May 13, 1996]
§ 17.170 Autopsies.

(a) Except as provided in this section, no autopsy will be performed by the Department of Veterans Affairs unless there is no known surviving spouse or known next of kin; or without the consent of the surviving spouse or, in a proper case, the next of kin, unless the patient or domiciled person was abandoned by the spouse, if any, or, if no spouse, by the next of kin for a period of not less than 6 months next preceding death. Where no inquiry has been made for or in regard to the decedent for a period of 6 months next preceding his death, he or she shall be deemed to have been abandoned.

(b) If there is no known surviving spouse or known next of kin, or if the decedent shall have been abandoned or if the request is sent and the spouse or, in proper cases, the next of kin fails to reply within the reasonable time stated in such request of the Department of Veterans Affairs for permission to perform the autopsy, the Director is hereby authorized to cause an autopsy to be performed if in the Director's discretion he or she concludes that such autopsy is reasonably required for any necessary purpose of the Department of Veterans Affairs, including the completion of official records and advancement of medical knowledge.

(c) If it is suspected that death resulted from crime and if the United States has jurisdiction over the area where the body is found, the Director of the Department of Veterans Affairs facility will inform the Office of Inspector General of the known facts concerning the death. Thereupon the Office of Inspector General will transmit all such information to the United States Attorney for such action as may be deemed appropriate and will inquire whether the United States Attorney objects to an autopsy if otherwise it be appropriate. If the United States Attorney has no objection, the procedure as to autopsy will be the same as if the death had not been reported to him or her.

(d) If the United States does not have exclusive jurisdiction over the area where the body is found the local medical examiner/coroner will be informed. If the local medical examiner/coroner declines to assume jurisdiction the procedure will be the same as is provided in paragraph (c) of this section. If a Federal crime is indicated by the evidence, the procedure of paragraph (c) of this section will also be followed.

(e) The laws of the decedent's domicile are determinative as to whether the spouse or the next of kin is the proper person to grant permission to perform an autopsy and of the question as to the order of preference among such persons. Usually the spouse is first entitled, except in some situations of separation; followed by children, parents, brothers and sisters, etc. When the next of kin as defined by the laws of decedent's domicile consists of a number of persons as children, parents, brothers and sisters, etc., permission to perform an autopsy may be accepted when granted by the person in the appropriate class who assumes the right and duty of burial.

(f) The Director of a Department of Veterans Affairs facility is authorized to cause an autopsy to be performed on a veteran who dies outside of a Department of Veterans Affairs facility while undergoing post-hospital care under the provisions of 38 U.S.C. 1712 and 38 CFR 17.93, if the Director determines such autopsy is reasonably required for any necessary purpose of the Department of Veterans Affairs, including the
completion of official records and advancement of medical knowledge. Such authority also encompasses the furnishing of transportation of the body at Department of Veterans Affairs expense to the Department of Veterans Affairs facility and return of the body. Consent for the autopsy will be obtained as provided for in paragraph (e) of this section. § 17.180 Delegation of authority.
In connection with the Veterans Canteen Service, the Under Secretary for Health is hereby delegated authority as follows:
(a) To exercise the powers and functions of the Secretary with respect to the maintenance and operation of the Veterans Canteen Service.
(b) To designate the Assistant Chief Medical Director for Administration to administer the overall operation of the Veterans Canteen Service and to designate selected employees of the Veterans Canteen Service to perform the functions described in the enabling statute, 38 U.S.C. ch. 75, so as to effectively maintain and operate the Veterans Canteen Service.

§ 17.197 Amount of aid payable.
§ 17.198 Department of Veterans Affairs approval of eligibility required.
§ 17.199 Inspection of recognized State homes.
§ 17.200 Audit of State homes.

Note: Sections 17.190 through 17.200 do not apply to nursing home care in State homes. The provisions for nursing home care in State homes are set forth in 38 CFR part 51.

§ 17.190 Recognition of a State home.

A State-operated facility which provides hospital or domiciliary care to veterans must be formally recognized by the Secretary as a State home before Federal aid payments can be made for the care of such veterans. Any agency of a State (exclusive of a territory or possession) responsible for the maintenance or administration of a State home may apply for recognition by the Department of Veterans Affairs for the purpose of receiving aid for the care of veterans in such State home. A State home may be recognized if:

(Authority: 38 U.S.C. 501, 1741)
(a) The State home is a facility which exists primarily for the accommodation of veterans incapable of earning a living and who are in need of domiciliary, and
(b) The majority of such veterans who are domiciliary members in the home are veterans who may be included in the computation of the amount of aid payable from the Department of Veterans Affairs, and
(c) The personnel, building and other facilities and improvements at the home are devoted primarily to the care of veterans, and

[EFFECTIVE DATE NOTE: 65 FR 962, 968, Jan. 6, 2000, amended this section, effective Feb. 7, 2000.]

§ 17.191 Filing applications.

Applications for Department of Veterans Affairs recognition of a State home may be filed with the Under Secretary for Health, Department of Veterans Affairs. After arranging for an inspection of the State home's facilities for furnishing domiciliary or hospital care, the Under Secretary for Health will make a recommendation to the Secretary who will notify the State official in writing of a decision.

§ 17.192 Approval of annexes and new facilities.
Separate applications for recognition must be filed for any annex, branch, enlargement, expansion, or relocation of a recognized home which is not on the same or contiguous grounds on which the parent facility is located. When a recognized State home establishes hospital care facilities which have not been inspected and approved by the Department of Veterans Affairs, a request for separate approval of such facilities must be made.

[Effective Date Note: 65 FR 962, 968, Jan. 6, 2000, removed the second sentence, effective Feb. 7, 2000.]

§ 17.194 Aid for domiciliary care.
Aid may be paid to the designated State official for domiciliary care furnished in a recognized State home for any veteran if the veteran is eligible for domiciliary care in a Department of Veterans Affairs facility.

(38 U.S.C. 1741)

§ 17.196 Aid for hospital care.
Aid may be paid to the designated State official for hospital care furnished in a recognized State home for any veteran if:
(a) The veteran is eligible for hospital care in a Department of Veterans Affairs facility, and
(b) The quarters in which the hospital care is carried out are in an area clearly designated for such care, specifically established, staffed and equipped to provide hospital type care, are not intermingled with the quarters of nursing home care patients or domiciliary members, and meet such other minimum standards as the Department of Veterans Affairs may prescribe.
§ 17.197 Amount of aid payable.

The amount of aid payable to a recognized State home shall be at the per diem rates established by title 38 U.S.C., section 1741(a)(1) for domiciliary care, and section 1741(a)(3) for hospital care. In no case shall the payments made with respect to any veteran exceed one-half of the cost of the veteran's care in the State home. VA will publish the actual per diem rates, whenever they change, in a FEDERAL REGISTER notice.

§ 17.198 Department of Veterans Affairs approval of eligibility required.

Federal aid will be paid only for the care of veterans whose separate eligibility for hospital or domiciliary care has been approved by the Department of Veterans Affairs. To obtain such approval, State homes will complete a Department of Veterans Affairs application form for each veteran for the type of care to be provided and submit it to the Department of Veterans Affairs office of jurisdiction for determination of eligibility. Payments shall be made only from the date the Department of Veterans Affairs office of jurisdiction receives such application; however, if such request is received by the Department of Veterans Affairs office of jurisdiction within 10 days after the beginning of the care of such veteran for which he or she is determined to be eligible, payment shall be made on account of such veteran from the date care began.

§ 17.199 Inspection of recognized State homes.

Representatives of the Department of Veterans Affairs may inspect any State home at such times as are deemed necessary. Such inspections shall be concerned with the physical plant; records relating to admissions, discharges and occupancy; fiscal records; and all other areas of interest necessary to a determination of compliance with applicable laws and regulations relating to the payment of Federal aid. The authority to inspect carries with it no authority over the management or control of any State home.
§ 17.200 Audit of State homes.
The State must comply with the Single Audit Act of 1984 (part 41 of this chapter).

§ 17.240 Sharing specialized medical resources.
§ 17.241 Sharing medical information services.
§ 17.242 Coordination of programs with Department of Health and Human Services.

§ 17.230 Contingency backup to the Department of Defense.
(a) Priority care to active duty personnel. The Secretary, during and/or immediately following a period of war or national emergency declared by the Congress or the President that involves the use of United States Armed Forces in armed conflict, is authorized to furnish hospital care, nursing home care, and medical services to members of the Armed Forces on active duty. The Secretary may give higher priority in the furnishing of such care and services in VA facilities to members of the Armed Forces on active duty than to any other group of persons eligible for such care and services with the exception of veterans with service-connected disabilities.

(b) Contract authority. During a period in which the Secretary is authorized to furnish care and services to members of the Armed Forces under paragraph (a) of this section, the Secretary, to the extent authorized by the President and subject to the availability of appropriations or reimbursements, may authorize VA facilities to enter into contracts with private facilities for the provision during such period of hospital care and medical services for certain veterans. These veterans include only those who are receiving hospital care under 38 U.S.C. 1710 or, in emergencies, for those who are eligible for treatment under that section, or who are receiving care under 38 U.S.C. 1712 (f) and (g). This authorization pertains only to circumstances in which VA facilities are not capable of furnishing or continuing to furnish the care or services required because of the furnishing of care and services to members of the Armed Forces.

(Authority: 38 U.S.C. 8111A)

(Sec. 501 and 1720(a) of Title 38, U.S.C.)

§ 17.240 Sharing specialized medical resources.
Subject to such terms and conditions as the Under Secretary for Health shall prescribe, agreements may be entered into for sharing medical resources with other hospitals, including State or local, public or private hospitals or other medical installations having hospital facilities or organ banks, blood banks, or similar institutions, or medical schools or clinics in a medical community with geographical limitations determined by the Under Secretary for Health, provided:

(a) The agreement will achieve one of the following purposes: (1) It will secure the use of a specialized medical resource which otherwise might not be feasibly available by providing for the mutual use or exchange of use of specialized medical resources when such an agreement will obviate the need for a similar resource to be installed or provided at a facility operated by the Department of Veterans Affairs, or
(2) It will secure effective use of Department of Veterans Affairs specialized medical resources by providing for the mutual use, or exchange of use, of specialized medical resources in a facility operated by the Department of Veterans Affairs, which have been justified on the basis of veterans' care, but which are not utilized to their maximum effective capacity; and

(b) The agreement is determined to be in the best interest of the prevailing standards of the Department of Veterans Affairs Medical Program; and

(c) The agreement provides for reciprocal reimbursement based on a charge which covers the full cost of the use of specialized medical resources, incidental hospital care or other needed services, supplies used, and normal depreciation and amortization costs of equipment.

(d) Reimbursement for medical care rendered to an individual who is entitled to hospital or medical services (Medicare) under subchapter XVIII of chapter 7 of title 42 U.S.C., and who has no entitlement to medical care from the Department of Veterans Affairs, will be made to such facility, or if the contract or agreement so provides, to the community health care facility which is party to the agreement, in accordance with:

(1) Rates prescribed by the Secretary of Health and Human Services, after consultation with the Secretary of Veterans Affairs, and

(2) Procedures jointly prescribed by the Secretary of Health and Human Services and the Secretary of Veterans Affairs to assure reasonable quality of care and service and efficient and economical utilization of resources.

(38 U.S.C. 8153)

§ 17.241 Sharing medical information services.

(a) Agreements for exchange of information. Subject to such terms and conditions as the Under Secretary for Health shall prescribe, Directors of Department of Veterans Affairs medical centers, may enter into agreements with medical schools, Federal, State or local, public or private hospitals, research centers, and individual members of the medical profession, under which medical information and techniques will be freely exchanged and the medical information services of all parties to the agreement will be available for use by any party to the agreement under conditions specified in the agreement.

(b) Purpose of sharing agreements. Agreements for the exchange of information shall be used to the maximum extent practicable to create at each Department of Veterans Affairs medical center which has entered into such an agreement, an environment of academic medicine which will help the hospital attract and retain highly trained and qualified members of the medical profession.

(c) Use of electronic equipment. Recent developments in electronic equipment shall be utilized under information sharing programs to provide a close educational, scientific, and professional link between Department of Veterans Affairs medical centers and major medical centers.
(d) Furnishing information services on a fee basis. The educational facilities and programs established at Department of Veterans Affairs Medical Centers and the electronic link to medical centers shall be made available for use by medical entities in the surrounding medical community which have not entered into sharing agreements with the Department of Veterans Affairs, in order to bring about utilization of all medical information in the surrounding medical community, particularly in remote areas, and to foster and encourage the widest possible cooperation and consultation among all members of the medical profession in the surrounding medical community.

(e) Establishing fees for information services. Subject to such terms and conditions as the Under Secretary for Health shall prescribe, Directors of Department of Veterans Affairs medical centers shall charge for information and educational facilities and services made available under paragraph (d) of this section. The fee may be on an annual or other periodic basis, at rates determined, after appropriate study, to be fair and equitable. The financial status of any user of such services shall be taken into consideration in establishing the amount of the fee to be paid.

§ 17.242 Coordination of programs with Department of Health and Human Services.

Programs for sharing specialized medical resources or medical information services shall be coordinated to a maximum extent practicable, with programs carried out under part F, title XVI of the Public Health Service Act under the jurisdiction of the Department of Health and Human Services.

§ 17.254 Applications.
Each application for a grant shall be submitted to the Under Secretary for Health on such forms as shall be prescribed and shall include the following evidence, assurances, and supporting documents:
(a) To specify amount. Each application shall show the amount of the grant requested, and if the grant is to be for more than one objective, the amounts allocated to each objective (e.g., to training, demonstrations, or construction) shall be specified, and
(b) To include copy of agreement. Each application shall be accompanied by a copy of the agreement for the exchange of information or information services which the grant funds applied for will implement, and
(c) To include descriptions and plans. Each application shall include a description of the use to which the grant funds will be applied in sufficient detail to show need, purpose, and justifications, and shall be illustrated by financial and budgetary data, and
(d) To include cost participation information. Each application shall show the amount of the grant requested to be used for direct expenses by category of direct expenses, the amount requested for indirect expenses related to the direct expenses, any additional amounts which will be applied to the program or planning from other Federal agencies, and from other sources, and amounts or expenses which will be borne by the applicant, and
(e) To include assurance records will be kept. Each application shall include sufficient assurances that the applicant shall keep records which fully disclose the amount and disposition of the proceeds of the grant, the total cost of the project or undertaking in connection with which the grant is made or used, the portion of the costs supplied by non-Federal sources, and such other records as will facilitate an effective audit. All such records shall be retained by the applicant (grantee) for a period of 3 years after the submission of the final expenditure report, or if litigation, claim or audit is started before the expiration of the 3-year period, the records shall be retained until all litigation, claims or audit findings involving the records have been resolved, and
(f) To include assurance records will be made available. Each application shall include sufficient assurances the applicant will give the Secretary and the Comptroller General of the United States, or any of their authorized representatives, access to its books, documents, papers, and records which are pertinent to the grant for the purposes of audit and examination, and
(g) To include assurance progress reports will be made. Each application shall include sufficient assurances the applicant will furnish the Under Secretary for Health periodic
progress reports in sufficient detail showing the status of the project, planning, program, or system funded by the grant for which application is made, and the extent to which the stated objectives will have been achieved, and

(h) To include civil rights assurances. Each application shall include sufficient assurances that no part of the grant funds will be used either by the grantee or by any contractor or subcontractor to be paid from grant funds for any purpose which is inconsistent with regulations promulgated by the Secretary (part 18 of this chapter) implementing Title VI of the Civil Rights Act of 1964, or inconsistent with Executive Order 11246 (30 FR 12319) and any implementing regulations the Secretary of Labor may promulgate.

§ 17.255 Applications for grants for programs which include construction projects.

In addition to the documents and evidence required by § 17.254, any application for a grant for the construction of any facility, structure or system which is part of an exchange of information program shall include the following:

(a) Each application shall include complete descriptions, maps, and surveys of the construction site, and documentary evidence and explanations showing ownership, and

(b) Each application shall include complete plans and specifications for the construction project, and where applicable, sufficient explanations of technical applications so that they may be understood by the layman, and

(c) Each application shall contain assurance that the rates of pay for laborers and mechanics engaged in construction activities will not be less than the prevailing local wage rates for similar work as determined in accordance with the provisions of 40 U.S.C. 276a--276a-5 (The Davis-Bacon Act).

§ 17.256 Amended or supplemental applications.

An amended application, or an application for a supplemental grant, may be considered either before or after final action has been taken on the original application. Amended applications and applications for supplemental grants shall be subject to the same terms, conditions and requirements necessary for original applications.

[33 FR 6012, Apr. 19, 1968; redesignated at 61 FR 21964, 21965, May 13, 1996]

§ 17.257 Awards procedures.

Applications for grants for planning or implementing agreements for the exchange of medical information or information facilities shall be reviewed by the Under Secretary for Health or designee. If it is determined approval of the grant is warranted, recommendations to that effect shall be made to the Secretary in writing and shall be accompanied by the following:

(a) The recommendation for approval shall be accompanied by the written recommendation of the Subcommittee on Academic Affairs, and
§ 17.258 Terms and conditions to which awards are subject.
Each certificate of award of a grant for planning or implementing an agreement for the exchange of information or information facilities shall specify that the grant is subject to the following terms and conditions:
(a) Grants subject to terms of agreement for exchange of information. Each grant shall be subject to, and the certificate shall incorporate by reference, all terms, conditions, and obligations specified in the agreement or planning protocols which the grant will implement, and
(b) Grants subject to assurances in application. Each grant shall be subject to all assurances made by the grantee in its application for the grant as required by §§ 17.254 through 17.256, and
(c) Grants subject to limitations on use of funds. Each grant shall be subject to the limitations on the use of grant funds, either for direct or indirect costs, as prescribed in §§ 17.259 through 17.261, and
(d) Grants subject to special provisions. Each grant shall be subject to any special terms or conditions which may be warranted by circumstances applicable to individual applications, and specified in the certificate of award.

§ 17.259 Direct costs.
Direct costs to which grant funds may be applied may include in proportion to time and effort spent, but are not limited to, fees and costs directly paid to personnel or for fringe benefits, rent, publications, educational programs, training, research, demonstration activities, or construction carried out in connection with pilot programs for planning or exchange of information.
[33 FR 6012, Apr. 19, 1968; redesignated at 61 FR 21964, 21965, May 13, 1996]

§ 17.260 Patient care costs to be excluded from direct costs.
Grant funds for planning or implementing agreements for the exchange of medical information shall not be available for the payment of any hospital, medical, or other costs involving the care of patients except to the extent that such costs are determined to be incident to research, training, or demonstration activities carried out in connection with an exchange of information program.
§ 17.261 Indirect costs.
The grantee shall allocate expenditures as between direct and indirect costs according to generally accepted accounting procedures. The amount allocated for indirect costs may be computed on a percentage basis or on the basis of a negotiated lump-sum allowance. In the method of computation used, only indirect costs shall be included which bear a reasonable relationship to the planning or program funded by the grant and shall not exceed a percentage greater than the percentage the total institutional indirect cost is of the total direct salaries and wages paid by the institution.

§ 17.262 Authority to approve applications discretionary.
Notwithstanding any recommendation by the Subcommittee on Academic Affairs of the Special Medical Advisory Group, or any recommendation by the Under Secretary for Health or designee, the final determination on any application for a grant rests solely with the Secretary.

§ 17.263 Suspension and termination procedures.
Termination of a grant means the cancellation of Department of Veterans Affairs sponsorship, in whole or in part, under an agreement at any time prior to the date of completion. Suspension of a grant is an action by the Department of Veterans Affairs which temporarily suspends Department of Veterans Affairs sponsorship under the grant pending corrective action by the grantee or pending a decision to terminate the grant by the Department of Veterans Affairs.

(a) Posttermination appeal. The following procedures are applicable for reviewing postaward disputes which may arise in the administration of or carrying out of the Exchange of Medical Information Grant Program.

(1) Reviewable decisions. The Department of Veterans Affairs reserves the right to terminate any grant in whole or in part at any time before the date of completion, whenever it determines that the grantee has failed to comply with conditions of the agreement, or otherwise failed to comply with any law, regulation, assurance, term, or condition applicable to the grant.

(2) Notice. The Department of Veterans Affairs shall promptly notify the grantee in writing of the determination. The notice shall set forth the reason for the determination in sufficient detail to enable the grantee to respond, and shall inform the grantee of his or her opportunity for review by the Assistant Chief Medical Director as provided in this section.

(3) Request for appeal. A grantee with respect to whom a determination described in paragraph (a)(1) of this section has been made, and who desires review, may file with the Assistant Chief Medical Director for Academic Affairs an application for review of such determination. The grantee's application for review must be post-marked no later than 30
days after the postmarked date of notification provided pursuant to paragraph (a)(2) of this section.

(4) Contents of request. The application for review must clearly identify the question or questions in dispute, contain a full statement of the grantee's position in respect to such question or questions, and provide pertinent facts and reasons in support of his or her position. The Assistant Chief Medical Director for Academic Affairs will promptly send a copy of the grantee's application to the Department of Veterans Affairs official responsible for the determination which is to be reviewed.

(5) Effect of submission. When an application for review has been filed no action may be taken by the Department of Veterans Affairs pursuant to such determination until such application has been disposed of, except that the filing of the application shall not affect the authority which the constituent agency may have to suspend the system under a grant during proceedings under this section or otherwise to withhold or defer payments under the grant.

(6) Consideration of request. When an application for review has been filed with the Assistant Chief Medical Director for Academic Affairs, and it has been determined that the application meets the requirements stated in this paragraph, all background material of the issues shall be reviewed. If the application does not meet the requirements, the grantee shall be notified of the deficiencies.

(7) Presentation of case. If the Assistant Chief Medical Director for Academic Affairs believes there is no dispute as to material fact, the resolution of which would be materially assisted by oral testimony, both parties shall be notified of the issues to be considered, and take steps to afford both parties the opportunity for presenting their cases, at the option of the Assistant Chief Medical Director for Academic Affairs, in whole or in part in writing, or in an informal conference. Where it is concluded that oral testimony is required to resolve a dispute over a material fact, both parties shall be afforded an opportunity to present and cross-examine witnesses at a hearing.

(8) Decision. After both parties have presented their cases, the Assistant Chief Medical Director for Academic Affairs shall prepare an initial written decision which shall include findings of fact and conclusions based thereon. Copies of the decision shall be mailed promptly to each of the parties together with a notice informing them of their right to appeal the decision of the Secretary, or to the officer or employee to whom the Secretary has delegated such authority, by submitting written comments thereon within a specified reasonable time.

(9) Final decision. Upon filing comments with the Secretary, or designated officer or employee, the review of the initial decision shall be conducted on the basis of the decision, the hearing record, if any, and written comments submitted by both parties. The decision shall be final.

(10) Participation by a party. Either party may participate in person, or by counsel pursuant to the procedure set forth in this section.

(b) Termination for convenience. The Department of Veterans Affairs or the grantee may terminate a grant in whole or in part when both parties agree that the continuation of the project would not produce beneficial results commensurate with the further expenditure of funds. The two parties shall agree upon the termination conditions, including the effective date and, in the case of partial terminations, the portion to be terminated. The grantee shall not incur new obligations for the terminated portion after the effective date,
and shall cancel as many outstanding obligations as possible. The Department of Veterans Affairs shall allow full credit to the grantee for the Department of Veterans Affairs share of the noncancellable obligations, properly incurred by the grantee prior to termination.

(c) Suspension procedures. When a grantee has failed to comply with the terms of the grant agreement and conditions or standards, the Department of Veterans Affairs may, on reasonable notice to the grantee, suspend the grant and withhold further payments, prohibit the grantee from incurring additional obligations of funds, pending corrective action by the grantee, or make a decision to terminate as described in paragraph (a) of this section. The Department of Veterans Affairs shall allow all necessary and proper costs that the grantee could not reasonably avoid during the period of suspension provided that they meet the provisions of the applicable Federal cost principles.

§ 17.264 Recoupments and releases.
In any case where the Department of Veterans Affairs or a grantee's obligations under an exchange of information agreement implemented by grant funds are terminated, or where grant-financed equipment or facilities cease to be used for the purposes for which grant support was given, or when grant-financed property is transferred, the grantee shall return the proportionate value of such equipment or facility as was financed by the grant. When it is determined the Department of Veterans Affairs equitable interest is greater that proportionate value, then a claim in such greater amount shall be asserted. If it is determined an amount less than proportionate value or less than the Department of Veterans Affairs equitable interest should be recouped, or that the Department of Veterans Affairs should execute any releases, then a proposal concerning such a settlement or releases complete with explanations and justifications shall be submitted to the Assistant Chief Medical Director for Academic Affairs for a final determination.

§ 17.265 Payments.
Payments of grant funds are made to grantees through a letter-of-credit, an advance by Treasury check, or a reimbursement by Treasury check, as appropriate. A letter-of-credit is an instrument certified by an authorized official of the Department of Veterans Affairs which authorizes the grantee to draw funds when needed from the Treasury, through a Federal Reserve bank and the grantee's commercial bank and shall be used by the Department of Veterans Affairs where all the following conditions exist:

(a) When there is or will be a continuing relationship between the grantee and the Department of Veterans Affairs for at least a 12-month period and the total amount of advance payments expected to be received within that period is $ 250,000, or more;

(b) When the grantee has established or demonstrated the willingness and ability to maintain procedures that will minimize the time elapsing between the transfer of funds and their disbursement by the grantee; and

(c) When the grantee's financial management meets the standards for fund control and accountability. An advance by Treasury check is a payment made to a grantee upon its request before outlays are made by the grantee, or through use of predetermined payment
schedules and shall be used by the Department of Veterans Affairs when the grantee meets all of the above requirements of this section except that advances will be less than $250,000, or for a period less than 12 months. Reimbursement by Treasury check is a payment made to a grantee upon request for reimbursement from the grantee and shall be the preferred method when the grantee does not meet the requirements of paragraphs (b) and (c) of this section. This method may be used on any construction agreement, or if the major portion of the program is accomplished through private market financing or Federal loans, and the Federal assistance constitutes a minor portion of the program. When the reimbursement method is used, the Department of Veterans Affairs shall make payment within 30 days after receipt of the billing, unless billing is improper. Unless otherwise required by law, payments shall not be withheld for proper charges at any time during the grant period unless a grantee has failed to comply with the program objectives, award conditions, or Federal reporting requirements; or the grantee is indebted. § 17.266 Copyrights and patents.
If a grant-supported program results in copyrightable material or patentable inventions or discoveries, the United States Government shall have the right to use such publications or inventions on a royalty-free basis. [33 FR 6013, Apr. 19, 1968, as redesignated at 61 FR 21964, 21965, May 13, 1996]

Discussion and Analysis in the Veterans Benefits Manual

(a) CHAMPVA is the Civilian Health and Medical Program of the Department of Veterans Affairs and is administered by the Health Administration Center, Denver, Colorado. Pursuant to 38 U.S.C. 1713, VA is authorized to provide medical care in the same or similar manner and subject to the same or similar limitations as medical care furnished to certain dependents and survivors of active duty and retired members of the Armed Forces. The CHAMPVA program is designed to accomplish this purpose. Under CHAMPVA, VA shares the cost of medically necessary services and supplies for eligible beneficiaries as set forth in §§ 17.271 through 17.278.

(b) For purposes of this section, the definitions of "child," "service-connected condition/disability," "spouse," and "surviving spouse" must be those set forth further in 38 U.S.C. 101. The term "fiscal" year refers to October 1, through September 30.

§ 17.271 Eligibility.

Discussion and Analysis in the Veterans Benefits Manual

(a) General Entitlement. The following persons are eligible for CHAMPVA benefits provided that they are not eligible under Title 10 for the TRICARE Program or Part A of Title XVIII of the Social Security Act (Medicare) except as provided in paragraph (b) of this section.

(1) The spouse or child of a veteran who has been adjudicated by VA as having a permanent and total service-connected disability;

(2) The surviving spouse or child of a veteran who died as a result of an adjudicated service-connected condition(s); or who at the time of death was adjudicated permanently and totally disabled from a service-connected condition(s);

(3) The surviving spouse or child of a person who died on active military service and in the line of duty and not due to such person's own misconduct; and

(4) An eligible child who is pursuing a full-time course of instruction approved under 38 U.S.C. Chapter 36, and who incurs a disabling illness or injury while pursuing such course (between terms, semesters or quarters; or during a vacation or holiday period) that is not the result of his or her own willful misconduct and that results in the inability to continue or resume the chosen program of education must remain eligible for medical care until:
(i) The end of the six-month period beginning on the date the disability is removed; or
(ii) The end of the two-year period beginning on the date of the onset of the disability; or
(iii) The twenty-third birthday of the child, whichever occurs first.
(Authority: 38 U.S.C. 1713)
(b) CHAMPVA and Medicare entitlement.
(1) Individuals under age 65 who are entitled to Medicare Part A and enrolled in Medicare Part B, retain CHAMPVA eligibility as secondary payer to Medicare Parts A and B, Medicare supplemental insurance plans, and Medicare HMO plans.
(2) Individuals age 65 or older, and not entitled to Medicare Part A, retain CHAMPVA eligibility.
Note to paragraph (b)(2): If the person is not eligible for Part A of Medicare, a Social Security Administration "Notice of Disallowance" certifying that fact must be submitted. Additionally, if the individual is entitled to only Part B of Medicare, but not Part A, or Part A through the Premium HI provisions, a copy of the individual's Medicare card or other official documentation noting this must be provided.
(3) Individuals age 65 on or after June 5, 2001, who are entitled to Medicare Part A and enrolled in Medicare Part B, are eligible for CHAMPVA as secondary payer to Medicare Parts A and B, Medicare supplemental insurance plans, and Medicare HMO plans for services received on or after October 1, 2001.
(4) Individuals age 65 or older prior to June 5, 2001, who are entitled to Medicare Part A and who have not purchased Medicare Part B, are eligible for CHAMPVA as secondary payer to Medicare Part A and any other health insurance for services received on or after October 1, 2001.
(5) Individuals age 65 or older prior to June 5, 2001, who are entitled to Medicare Part A and who have purchased Medicare Part B must continue to carry Part B to retain CHAMPVA eligibility as secondary payer for services received on or after October 1, 2001.
Note to § 17.271: Eligibility criteria specific to Dependency and Indemnity Compensation (DIC) benefits are not applicable to CHAMPVA eligibility determinations.

§ 17.272 Benefits limitations/exclusions.
(a) Benefits cover allowable expenses for medical services and supplies that are medically necessary and appropriate for the treatment of a condition and that are not
specifically excluded from program coverage. Covered benefits may have limitations. The fact that a physician may prescribe, order, recommend, or approve a service or supply does not, of itself, make it medically necessary or make the charge an allowable expense, even though it is not listed specifically as an exclusion. The following are specifically excluded from program coverage:

(1) Services, procedures or supplies for which the beneficiary has no legal obligation to pay, or for which no charge would be made in the absence of coverage under a health benefits plan.

(2) Services and supplies required as a result of an occupational disease or injury for which benefits are payable under workers' compensation or similar protection plan (whether or not such benefits have been applied for or paid) except when such benefits are exhausted and are otherwise not excluded from CHAMPVA coverage.

(3) Services and supplies that are paid directly or indirectly by a local, State or Federal government agency (Medicaid excluded), including court-ordered treatment. In the case of the following exceptions, CHAMPVA assumes primary payer status:
   (i) Medicaid.
   (ii) State Victims of Crime Compensation Programs.

(4) Services and supplies that are not medically or psychologically necessary for the diagnosis or treatment of a covered condition (including mental disorder) or injury.

(5) Radiology, laboratory, and pathological services and machine diagnostic testing not related to a specific illness or injury or a definitive set of symptoms.

(6) Services and supplies above the appropriate level required to provide necessary medical care.

(7) Services and supplies related to an inpatient admission primarily to perform diagnostic tests, examinations, and procedures that could have been and are performed routinely on an outpatient basis.

(8) Postpartum inpatient stay of a mother for purposes of staying with the newborn infant (primarily for the purpose of breast feeding the infant) when the infant (but not the mother) requires the extended stay; or continued inpatient stay of a newborn infant primarily for purposes of remaining with the mother when the mother (but not the newborn infant) requires extended postpartum inpatient stay.

(9) Therapeutic absences from an inpatient facility or residential treatment center (RTC).

(10) Custodial care.

(11) Inpatient stays primarily for domiciliary care purposes.

(12) Inpatient stays primarily for rest or rest cures.

(13) Services and supplies provided as a part of, or under, a scientific or medical study, grant, or research program.

(14) Services and supplies not provided in accordance with accepted professional medical standards or related to experimental or investigational procedures or treatment regimens.

(15) Services or supplies prescribed or provided by a member of the beneficiary's immediate family, or a person living in the beneficiary's or sponsor's household.

(16) Services and supplies that are (or are eligible to be) payable under another medical insurance or program, either private or governmental, such as coverage through employment or Medicare.
(17) Services or supplies subject to preauthorization (see § 17.273) that were obtained without the required preauthorization; and services and supplies that were not provided according to the terms of the preauthorization.

(18) Inpatient stays primarily to control or detain a runaway child, whether or not admission is to an authorized institution.

(19) Services and supplies (to include prescription medications) in connection with cosmetic surgery which is performed to primarily improve physical appearance or for psychological purposes or to restore form without correcting or materially improving a bodily function.

(20) Electrolysis.

(21) Dental care with the following exceptions:
   (i) Dental care that is medically necessary in the treatment of an otherwise covered medical condition, is an integral part of the treatment of such medical condition, and is essential to the control of the primary medical condition.
   (ii) Dental care required in preparation for, or as a result of, radiation therapy for oral or facial cancer.
   (iii) Gingival Hyperplasia.
   (iv) Loss of jaw substance due to direct trauma to the jaw or due to treatment of neoplasm.
   (v) Intraoral abscess when it extends beyond the dental alveolus.
   (vi) Extraoral abscess.
   (vii) Cellulitis and osteitis which is clearly exacerbating and directly affecting a medical condition currently under treatment.
   (viii) Repair of fracture, dislocation, and other injuries of the jaw, to include removal of teeth and tooth fragments only when such removal is incidental to the repair of the jaw.
   (ix) Treatment for stabilization of myofascial pain dysfunction syndrome, also referred to as temporomandibular joint (TMJ) syndrome. Authorization is limited to initial radiographs, up to four office visits, and the construction of an occlusal splint.
   (x) Total or complete ankyloglossia.
   (xi) Adjunctive dental and orthodontic support for cleft palate.
   (xii) Prosthetic replacement of jaw due to trauma or cancer.

(22) Nonsurgical treatment of obesity or morbid obesity for dietary control or weight reduction (with the exception of gastric bypass, gastric stapling, or gastroplasty procedures in connection with morbid obesity when determined to be medically necessary) including prescription medications.

(23) Services and supplies related to transsexualism or other similar conditions such as gender dysphoria (including, but not limited to, intersex surgery and psychotherapy, except for ambiguous genitalia which was documented to be present at birth).

(24) Sex therapy, sexual advice, sexual counseling, sex behavior modification, psychotherapy for mental disorders involving sexual deviations (e.g., transvestic fetish), or other similar services, and any supplies provided in connection with therapy for sexual dysfunctions or inadequacies.

(25) Removal of corns or calluses or trimming of toenails and other routine foot care services, except those required as a result of a diagnosed systemic medical disease affecting the lower limbs, such as severe diabetes.
(26) Services and supplies, to include psychological testing, provided in connection with a specific developmental disorder. The following exception applies: Diagnostic and evaluative services required to arrive at a differential diagnosis for an otherwise eligible child unless the state is required to provide those services under Public Law 94-142, Education for All Handicapped Children Act of 1975 as amended, see 20 U.S.C. chapter 33.

(27) Surgery to reverse voluntary surgical sterilization procedures.

(28) Services and supplies related to artificial insemination (including semen donors and semen banks), in vitro fertilization, gamete intrafallopian transfer and all other noncoital reproductive technologies.

(29) Nonprescription contraceptives.

(30) Diagnostic tests to establish paternity of a child; or tests to determine sex of an unborn child.

(31) Preventive care (such as routine, annual, or employment-requested physical examinations; routine screening procedures; and immunizations). The following exceptions apply:

(i) Well-child care from birth to age six. Periodic health examinations designed for prevention, early detection, and treatment of disease are covered to include screening procedures, immunizations, and risk counseling. The following services are payable when required as part of a well-child care program and when rendered by the attending pediatrician, family physician, or a pediatric nurse practitioner.

(A) Newborn examination, heredity and metabolic screening, and newborn circumcision.

(B) Periodic health supervision visits intended to promote optimal health for infants and children to include the following services:

(1) History and physical examination.

(2) Vision, hearing, and dental screening.

(3) Developmental appraisal to include body measurement.

(4) Immunizations as recommended by the Centers for Disease Control (CDC) and Prevention Advisory Committee on Immunization Practices.

(5) Pediatric blood lead level test.

(6) Tuberculosis screening.

(7) Blood pressure screening.

(8) Measurement of hemoglobin and hematocrit for anemia.

(9) Urinalysis.

(C) Additional services or visits required because of specific findings or because the particular circumstances of the individual case are covered if medically necessary and otherwise authorized for benefits under CHAMPVA.

(ii) Rabies vaccine following an animal bite.

(iii) Tetanus vaccine following an accidental injury.

(iv) Rh immune globulin.

(v) Pap smears.

(vi) Mammography tests.

(vii) Genetic testing and counseling determined to be medically necessary.

(viii) Chromosome analysis in cases of habitual abortion or infertility.

(ix) Gamma globulin.
(x) School-required physical examinations for beneficiaries through age 17 that are provided on or after October 1, 2001.
(32) Chiropractic and naturopathic services.
(33) Counseling services that are not medically necessary in the treatment of a diagnosed medical condition (such as educational counseling; vocational counseling; and counseling for socioeconomic purposes, stress management, life style modification, etc.).
(34) Acupuncture, whether used as a therapeutic agent or as an anesthetic.
(35) Hair transplants, wigs, or hairpieces, except that benefits may be extended for one wig or hairpiece per beneficiary (lifetime maximum) when the attending physician certifies that alopecia has resulted from treatment of malignant disease and the beneficiary certifies that a wig or hairpiece has not been obtained previously through the U.S. Government (including the Department of Veterans Affairs). The wig or hairpiece benefit does not include coverage for the following:
(i) Maintenance, wig or hairpiece supplies, or replacement of the wig or hairpiece.
(ii) Hair transplant or any other surgical procedure involving the attachment of hair or a wig or hairpiece to the scalp.
(iii) Any diagnostic or therapeutic method or supply intended to encourage hair growth.
(36) Self-help, academic education or vocational training services and supplies.
(37) Exercise equipment, spas, whirlpools, hot tubs, swimming pools, health club membership or other such charges or items.
(38) General exercise programs, even if recommended by a physician.
(39) Services of an audiologist or speech therapist, except when prescribed by a physician and rendered as a part of treatment addressed to the physical defect itself and not to any educational or occupational deficit.
(40) Eye exercises or visual training (orthoptics).
(41) Eye and hearing examinations except when rendered in connection with medical or surgical treatment of a covered illness or injury or in connection with well-child care.
(42) Eyeglasses, spectacles, contact lenses, or other optical devices with the following exceptions:
(i) When necessary to perform the function of the human lens, lost as a result of intraocular surgery, ocular injury or congenital absence.
(ii) Pinhole glasses prescribed for use after surgery for detached retina.
(iii) Lenses prescribed as "treatment" instead of surgery for the following conditions:
(A) Contact lenses used for treatment of infantile glaucoma.
(B) Corneal or scleral lenses prescribed in connection with treatment of keratoconus.
(C) Scleral lenses prescribed to retain moisture when normal tearing is not present or is inadequate.
(D) Corneal or scleral lenses prescribed to reduce a corneal irregularity other than astigmatism.
(iv) The specified benefits are limited to one set of lenses related to one qualifying eye condition as set forth in paragraphs (a)(42)(iii)(A) through (D) of this section. If there is a prescription change requiring a new set of lenses, but still related to the qualifying eye condition, benefits may be extended for a second set of lenses, subject to medical review.
(43) Hearing aids or other auditory sensory enhancing devices.
(44) Prostheses with the following exceptions:
(i) Artificial limbs.
(ii) Voice prostheses.
(iii) Eyes.
(iv) Items surgically inserted in the body as an integral part of a surgical procedure.
(v) Dental prostheses specifically required in connection with otherwise covered orthodontia directly related to the surgical correction of a cleft palate anomaly.
(45) Orthopedic shoes, arch supports, shoe inserts, and other supportive devices for the feet, including special ordered, custom-made built-up shoes, or regular shoes later built up with the following exceptions:
(i) Shoes that are an integral part of an orthopedic brace, and which cannot be used separately from the brace.
(ii) Extra-depth shoes with inserts or custom molded shoes with inserts for individuals with diabetes.
(46) Services or advice rendered by telephone are excluded except that a diagnostic or monitoring procedure which incorporates electronic transmission of data or remote detection and measurement of a condition, activity, or function (biotelemetry) is covered when:
(i) The procedure, without electronic data transmission, is a covered benefit; and
(ii) The addition of electronic data transmission or biotelemetry improves the management of a clinical condition in defined circumstances; and
(iii) The electronic data or biotelemetry device has been classified by the U.S. Food and Drug Administration, either separately or as part of a system, for use consistent with the medical condition and clinical management of such condition.
(47) Air conditioners, humidifiers, dehumidifiers, and purifiers.
(48) Elevators.
(49) Alterations to living spaces or permanent features attached thereto, even when necessary to accommodate installation of covered durable medical equipment or to facilitate entrance or exit.
(50) Items of clothing, even if required by virtue of an allergy (such as cotton fabric versus synthetic fabric and vegetable-dyed shoes).
(51) Food, food substitutes, vitamins or other nutritional supplements, including those related to prenatal care for a home patient whose condition permits oral feeding.
(52) Enuretic (bed-wetting) devices; enuretic conditioning programs.
(53) Autopsy and post-mortem examinations.
(54) All camping, even when organized for a specific therapeutic purpose (such as diabetic camp or a camp for emotionally disturbed children), or when offered as a part of an otherwise covered treatment plan.
(55) Housekeeping, homemaker, or attendant services, including a sitter or companion.
(56) Personal comfort or convenience items, such as beauty and barber services, radio, television, and telephone.
(57) Smoking cessation services and supplies.
(58) Megavitamin psychiatric therapy; orthomolecular psychiatric therapy.
(59) All transportation except for specialized transportation with life sustaining equipment, when medically required for the treatment of a covered condition.
(60) Inpatient mental health services in excess of 30 days in any fiscal year (or in an admission), in the case of a patient nineteen years of age or older; 45 days in any fiscal year (or in an admission), in the case of a patient under 19 years of age; or 150 days of
residential treatment care in any fiscal year (or in an admission) unless a waiver for extended coverage is granted in advance.

(61) Outpatient mental health services in excess of 23 visits in a fiscal year unless a waiver for extended coverage is granted in advance.

(62) Institutional services for partial hospitalization in excess of 60 treatment days in any fiscal year (or in an admission) unless a waiver for extended coverage is granted in advance.

(63) Detoxification in a hospital setting or rehabilitation facility in excess of seven days.

(64) Outpatient substance abuse services in excess of 60 visits during a benefit period. A benefit period begins with the first date of covered service and ends 365 days later.

(65) Family therapy for substance abuse in excess of 15 visits during a benefit period. A benefit period begins with the first date of covered service and ends 365 days later.

(66) Services that are provided to a beneficiary who is referred to a provider of such services by a provider who has an economic interest in the facility to which the patient is referred, unless a waiver is granted.

(67) Abortion except when a physician certifies that the life of the mother would be endangered if the fetus were carried to term.

(68) Abortion counseling.

(69) Aversion therapy.

(70) Rental or purchase of biofeedback equipment.

(71) Biofeedback therapy for treatment of ordinary muscle tension states (including tension headaches) or for psychosomatic conditions.

(72) Drug maintenance programs where one addictive drug is substituted for another, such as methadone substituted for heroin.

(73) Immunotherapy for malignant diseases except for treatment of Stage O and Stage A carcinoma of the bladder.

(74) Services and supplies provided by other than a hospital, such as nonskilled nursing homes, intermediate care facilities, halfway houses, homes for the aged, or other institutions of similar purpose.

(75) Services performed when the patient is not physically present.

(76) Medical photography.

(77) Special tutoring.

(78) Surgery for psychological reasons.

(79) Treatment of premenstrual syndrome (PMS).

(80) Medications not requiring a prescription, except for insulin and related diabetic testing supplies and syringes.

(81) Thermography.

(82) Removal of tattoos.

(83) Penile implant/testicular prosthesis procedures and related supplies for psychological impotence.

(84) Dermabrasion of the face except in those cases where coverage has been authorized for reconstructive or plastic surgery required to restore body form following an accidental injury or to revise disfiguring and extensive scars resulting from neoplastic surgery.

(85) Chemical peeling for facial wrinkles.

(86) Panniculectomy, body sculpting procedures.

(b) CHAMPVA-determined allowable amount.
(1) The term allowable amount is the maximum CHAMPVA-determined level of payment to a hospital or other authorized institutional provider, a physician or other authorized individual professional provider, or other authorized provider for covered services. The CHAMPVA-allowable amount is determined prior to cost sharing and the application of deductibles and/or other health insurance.

(2) A Medicare-participating hospital must accept the CHAMPVA-determined allowable amount for inpatient services as payment-in-full. (Reference 42 CFR parts 489 and 1003).

(3) An authorized provider of covered medical services or supplies must accept the CHAMPVA-determined allowable amount as payment-in-full.

(4) A provider who has collected and not made appropriate refund, or attempts to collect from the beneficiary, any amount in excess of the CHAMPVA-determined allowable amount may be subject to exclusion from Federal benefit programs.

§ 17.273 Preauthorization.

Preauthorization or advance approval is required for any of the following:

(a) Non-emergent inpatient mental health and substance abuse care including admission of emotionally disturbed children and adolescents to residential treatment centers.

(b) All admissions to a partial hospitalization program (including alcohol rehabilitation).

(c) Outpatient mental health visits in excess of 23 per calendar year and/or more than two (2) sessions per week.

(d) Dental care.

(e) Durable medical equipment with a purchase or total rental price in excess of $ 300.00.

(f) Organ transplants.

§ 17.274 Cost sharing.

(a) With the exception of services obtained through VA facilities, CHAMPVA is a cost-sharing program in which the cost of covered services is shared with the beneficiary. CHAMPVA pays the CHAMPVA-determined allowable amount less the deductible, if applicable, and less the beneficiary cost share.

(b) In addition to the beneficiary cost share, an annual (calendar year) outpatient deductible requirement ($ 50 per beneficiary or $ 100 per family) must be satisfied prior to the payment of outpatient benefits. There is no deductible requirement for inpatient services or for services provided through VA facilities.

(c) To provide financial protection against the impact of a long-term illness or injury, a calendar year cost limit or "catastrophic cap" has been placed on the beneficiary.

cost-share amount for covered services and supplies. Credits to the annual catastrophic cap are limited to the applied annual deductible(s) and the beneficiary cost-share amount. Costs above the CHAMPVA-allowable amount, as well as costs associated with non-covered services are not credited to the catastrophic cap computation. After a family has paid the maximum cost-share and deductible amounts for a calendar year, CHAMPVA will pay allowable amounts for the remaining covered services through the end of that calendar year.

(i) Through December 31, 2001, the annual cap on cost sharing is $7,500 per CHAMPVA-eligible family.
(ii) Effective January 1, 2002, the cap on cost sharing is $3,000 per CHAMPVA-eligible family.
(d) If the CHAMPVA benefit payment is under $1.00, payment will not be issued. Catastrophic cap and deductible will, however, be credited.

§ 17.275 Claim filing deadline.
(a) Unless an exception is granted under paragraph (b) of this section, claims for medical services and supplies must be filed with the Center no later than:
(1) One year after the date of service; or
(2) In the case of inpatient care, one year after the date of discharge; or
(3) In the case of retroactive approval for medical services/supplies, 180 days following beneficiary notification of authorization; or
(4) In the case of retroactive approval of CHAMPVA eligibility, 180 days following notification to the beneficiary of authorization for services occurring on or after the date of first eligibility.

(b) Requests for an exception to the claim filing deadline must be submitted, in writing, to the Center and include a complete explanation of the circumstances resulting in late filing along with all available supporting documentation. Each request for an exception to the claim filing deadline will be reviewed individually and considered on its own merit. The Center Director may grant exceptions to the requirements in paragraph (a) if he or she determines that there was good cause for missing the filing deadline. For example, when dual coverage exists CHAMPVA payment, if any, cannot be determined until after the primary insurance carrier has adjudicated the claim. In such circumstances an exception may be granted provided that the delay on the part of the primary insurance carrier is not attributable to the beneficiary. Delays due to provider billing procedures do not constitute a valid basis for an exception.

§ 17.276 Appeal review process.
Notice of the initial determination regarding payment of CHAMPVA benefits will be provided to the beneficiary on a CHAMPVA Explanation of Benefits (EOB) form. The EOB form is generated by the CHAMPVA automated payment processing system. If a beneficiary disagrees with the determination concerning covered services or calculation of benefits, he or she may request reconsideration. Such requests must be submitted to the Center in writing within one year of the date of the initial determination. The request must state why the beneficiary believes the decision is in error and must include any new and relevant information not previously considered. Any request for reconsideration that does not identify the reason for dispute will be returned to the claimant without further consideration. After reviewing the claim and any relevant supporting documentation, a CHAMPVA benefits advisor will issue a written determination to the beneficiary that affirms, reverses or modifies the previous decision. If the beneficiary is still dissatisfied, within 90 days of the date of the decision he or she may make a written request for review by the Center Director. The Director will review the claim, and any relevant supporting documentation, and issue a decision in writing that affirms, reverses or modifies the previous decision. The decision of the Director with respect to benefit coverage and computation of benefits is final.

GRANTS TO THE REPUBLIC OF THE PHILIPPINES

§ 17.350 The program of assistance to the Philippines.
§ 17.351 Grants for the replacement and upgrading of equipment at Veterans Memorial Medical Center.
§ 17.352 Amounts and use of grant funds for the replacement and upgrading of equipment.
§ 17.355 Awards procedures.
§ 17.362 Acceptance of medical supplies as payment.
§ 17.363 Length of stay.
§ 17.364 Eligibility determinations.
§ 17.365 Admission priorities.
§ 17.366 Authorization of emergency admissions.
§ 17.367 Republic of the Philippines to print forms.
§ 17.369 Inspections.
§ 17.370 Termination of payments.

§ 17.350 The program of assistance to the Philippines.
The provisions of this section through § 17.370 are applicable to grants to the Republic of the Philippines and to furnishing medical services under 38 U.S.C. 1724 and § 1732, and 38 CFR 17.36 through 17.40, and implement the "Agreement between the Government of the United States of America and the Government of the Republic of the Philippines on the Use of the Veterans Memorial Medical Center and the Provision of Inpatient and Outpatient Medical Care and Treatment of Veterans by the Government of the Philippines and Furnishing of Grants-in-Aid Thereof by the Government of the United States of America," dated April 25, 1967 (Treaties and Other International Acts Series 6248), and a subsidiary agreement of the same date, both of which were entered into pursuant to the provisions of 38 U.S.C. 1731-1734. All such implementing regulations have been approved by the Director of the Office of Management and Budget.

§ 17.351 Grants for the replacement and upgrading of equipment at Veterans Memorial Medical Center.
Grants to assist the Republic of the Philippines in the replacement and upgrading of equipment and in rehabilitating the physical plant and facilities of the Veterans Memorial Medical Center, which the Secretary may make under the authority cited in § 17.350, shall be subject to such terms and conditions as the Secretary may prescribe. Among such terms and conditions to which the grants will be subject, will be advance approval by the U.S. Department of Veterans Affairs of equipment purchases, maintenance or repair projects. The awarding of such grants is further subject to the limitations on available funds in § 17.352.

(38 U.S.C. 1732, as amended by Pub. L. 97-72, sec. 107(c)(1))
§ 17.352 Amounts and use of grant funds for the replacement and upgrading of equipment.
Grants awarded under § 17.351 shall not exceed the amounts provided by the appropriation acts of the Congress of the United States for the purpose. Funds appropriated for the upgrading and replacement of equipment at the Veterans Memorial Medical Center, or for rehabilitating its equipment, shall remain available in consecutive fiscal years until expended, but in no event shall exceed the amount of $500,000 per year. It is not intended that such funds will be utilized to expand the medical center facilities. Upgrading of equipment, however, would permit purchase of new and additional equipment not now possessed by the medical center.
[47 FR 58250, Dec. 30, 1982]
(38 U.S.C. 1732)

§ 17.355 Awards procedures.
All applications for grants to the Republic of the Philippines under the provisions of § 17.351 shall be submitted to the Under Secretary for Health or a designee for consideration.
(38 U.S.C. 1732)

§ 17.362 Acceptance of medical supplies as payment.
Upon request of the Government of the Republic of the Philippines, payment for medical and nursing home services provided to eligible United States veterans may consist in whole or in part, of available medicines, medical supplies, or equipment furnished by the Department of Veterans Affairs to the Veterans Memorial Medical Center at valuations determined by the Secretary. Such valuations shall not be less than the cost of the items and shall include the cost of transportation, arrastre, brokerage, shipping and handling charges.
[47 FR 58250, Dec. 30, 1982]
(38 U.S.C. 1732(a)(2))

§ 17.363 Length of stay.
In computing the length of stay for which payment will be made, the day of admission will be counted, but not the day of discharge, death, or transfer. Where a veteran for whom hospitalization has been authorized in Veterans Memorial Medical Center or a contract facility, is absent from the hospital for a period longer than 24 hours, no payment will be made for hospital care during that absence.
[47 FR 58250, Dec. 30, 1982]
(38 U.S.C. 1732)

§ 17.364 Eligibility determinations.
Determinations of legal eligibility and medical need for hospitalization of United States veterans for treatment rest exclusively with the United States Department of Veterans Affairs.
Affairs. Determinations as to various factors upon which eligibility may depend shall be made as follows:

(a) Determinations of service connection. For the purpose of meeting any requirement in 38 U.S.C. 1724 and 1732, and 38 CFR 17.36 through 17.37 for service-connected disability, the United States Department of Veterans Affairs shall determine that under laws it administers the disability in question was incurred in or aggravated by service, and

(b) Determinations of valid service. For the purpose of determining the necessary prerequisite service, determinations by the Department of Defense of the United States as to military service shall be accepted. In those cases in which the United States Department of Veterans Affairs shall have information which it deems reliable and in conflict with the information upon which the Department of Defense determination was made, the conflicting information shall be referred to the Department of Defense for reconsideration and redetermination. Such determinations and redeterminations as to military service shall be conclusive.

§ 17.365 Admission priorities.
Appropriate provisions of § 17.49 apply.
[47 FR 58251, Dec. 30, 1982]

§ 17.366 Authorization of emergency admissions.
The Secretary of National Defense of the Republic of the Philippines shall make determinations as to whether any patient should be admitted in emergency circumstances before the U.S. Department of Veterans Affairs has made a legal determination of eligibility, except that liability for payment will not accrue to the United States until such eligibility determination has been made. Eligibility determinations will be given effect retroactively to the date of admission when the U.S. Department of Veterans Affairs has been notified by telephone, telegram, letter, or other communication of the emergency admission within 72 hours of the hour of admission. The Clinic Director of the VA Regional Office, Manila, may make an exception to the 72-hour limitation when it is determined that the delay in notification was fully justified. When any authorization cannot be made effective retroactively to the date of admission, it shall be effective from the date of receipt of notification.

§ 17.367 Republic of the Philippines to print forms.
The Secretary of National Defense of the Republic of the Philippines will, with the concurrence of the Secretary of Veterans Affairs, print all forms for applications for hospitalization, forms for physical examination reports, forms for billings for services rendered, and such other forms as may be necessary and incident to the efficient execution of the program governed by the provisions of 38 U.S.C. 1724 and 1732, and
38 CFR 17.36 through 17.40 and 17.350 through 17.370. The forms will be used whenever applicable in the general operation of the program.
[33 FR 5301, April 3, 1968; 61 FR 21964, 21969, May 13, 1996]

§ 17.369 Inspections.
The U.S. Department of Veterans Affairs, through authorized representatives, has the right under the agreements cited in § 17.350, to inspect the Veterans Memorial Medical Center, its premises and all appurtenances and records to determine completeness and correctness of such records, and to determine according to the provisions of the cited agreements whether standards maintained conform to the necessary requirements.

§ 17.370 Termination of payments.
Payments may be terminated if the U.S. Department of Veterans Affairs determines the Veterans Memorial Medical Center has not replaced and upgraded as needed equipment during the period in which the agreements cited in § 17.50 are in effect or has not rehabilitated the existing physical plant and facilities to place the medical center on a sound and effective operating basis, or has not maintained the medical center in a well-equipped and effective operating condition. Payments, however, will not be stopped unless the Veterans Memorial Medical Center has been given at least 60 days advance written notice of intent to stop payments.

§ 17.500 General.
§ 17.501 Confidential and privileged documents.
§ 17.502 Applicability of other statutes.
§ 17.503 Improper disclosure.
§ 17.504 Disclosure methods.
§ 17.505 Disclosure authorities.
§ 17.506 Appeal of decision by Veterans Health Administration to deny disclosure.
§ 17.507 Employee responsibilities.
§ 17.508 Access to quality assurance records and documents within the agency.
§ 17.509 Authorized disclosure: Non-Department of Veterans Affairs requests.
§ 17.510 Redisclosure.
§ 17.511 Penalties for violations.

§ 17.500 General.
(a) Section 5705, title 38, United States Code was enacted to protect the integrity of the VA's medical quality assurance program by making confidential and privileged certain records and documents generated by this program and information contained therein. Disclosure of quality assurance records and documents made confidential and privileged by 38 U.S.C. 5705 and the regulations in §§ 17.500 through 17.511 may only be made in accordance with the provisions of 38 U.S.C. 5705 and those regulations.
(b) The purpose of the regulations in §§ 17.500 through 17.511 is to specify and provide for the limited disclosure of those quality assurance documents which are confidential under the provisions of 38 U.S.C. 5705.
(c) For purposes of the regulations in §§ 17.500 through 17.511, the VA's medical quality assurance program consists of systematic healthcare reviews carried out by or for VA for the purpose of improving the quality of medical care or improving the utilization of healthcare resources in VA medical facilities. These review activities may involve continuous or periodic data collection and may relate to either the structure, process, or outcome of health care provided in the VA.
(d) Nothing in the regulations in §§ 17.500 through 17.511 shall be construed as authority to withhold any record or document from a committee or subcommittee of either House of Congress or any joint committee or subcommittee of Congress, if such record or document pertains to any matter within the jurisdiction of such committee or joint committee.
(e) The regulations in §§ 17.500 through 17.511 do not waive the sovereign immunity of the United States, and do not waive the confidentiality provisions and disclosure restrictions of 38 U.S.C. 5705.

§ 17.501 Confidential and privileged documents.
(a) Documents and parts of documents are considered confidential and privileged if they were produced by or for the VA in the process of conducting systematic healthcare reviews for the purpose of improving the quality of health care or improving the utilization of healthcare resources in VA healthcare facilities and meet the criteria in paragraphs (b) and (c) of this section. The four classes of healthcare quality assurance reviews with examples are:

(1) Monitoring and evaluation reviews conducted by a facility:
   (i) Medical records reviews,
   (ii) Drug usage evaluations,
   (iii) Blood usage reviews,
   (iv) Surgical case/invasive procedure reviews,
   (v) Service and program monitoring including monitoring performed by individual services or programs, several services or programs working together, or individuals from several services or programs working together as a team,
   (vi) Mortality and morbidity reviews,
   (vii) Infection control review and surveillance,
   (viii) Occurrence screening,
   (ix) Tort claims peer reviews (except reviews performed to satisfy the requirements of a governmental body or a professional health care organization which is licensing practitioners or monitoring their professional performance),
   (x) Admission and continued stay reviews,
   (xi) Diagnostic studies utilization reviews,
   (xii) Reports of special incidents (VA Form 10-2633 or similar forms) and follow-up documents unless developed during or as a result of a Board of Investigation;

(2) Focused reviews which address specific issues or incidents and which are designated by the reviewing office at the outset of the review as protected by 38 U.S.C. 5705 and the regulations in §§17.500 through 17.511; focused reviews may be either:
   (i) Facility focused reviews;
   (ii) VA Central Office or Regional focused reviews;

(3) VA Central Office or Regional general oversight reviews to assess facility compliance with VA program requirements if the reviews are designated by the reviewing office at the outset of the review as protected by 38 U.S.C. 5705 and the regulations in §§17.500 through 17.511; and

(4) Contracted external reviews of care, specifically designated in the contract or agreement as reviews protected by 38 U.S.C. 5705 and the regulations in §§17.500 through 17.511.

(b) The Under Secretary for Health, Regional Director or facility Director will describe in advance in writing those quality assurance activities included under the classes of healthcare quality assurance reviews listed in paragraph (a) of this section. Only documents and parts of documents resulting from those activities which have been so described are protected by 38 U.S.C. 5705 and the regulations in §§17.500 through 17.511. If an activity is not described in a VA Central Office or Regional policy document, this requirement may be satisfied at the facility level by description in advance of the activity and its designation as protected in the facility quality assurance plan or other policy document.
(c) Documents and parts of documents generated by activities which meet the criteria in paragraphs (a) and (b) of this section shall be confidential and privileged only if they:
(1) Identify, either implicitly or explicitly, individual practitioners, patients, or reviewers except as provided in paragraph (g)(6) of this section; or
(2) Contain discussions relating to the quality of VA medical care or utilization of VA medical resources by healthcare evaluators during the course of a review of quality assurance information or data, even if they do not identify practitioners, patients, or reviewers; or
(3) Are individual committee, service, or study team minutes, notes, reports, memoranda, or other documents either produced by healthcare evaluators in deliberating on the findings of healthcare reviews, or prepared for purposes of discussion or consideration by healthcare evaluators during a quality assurance review; or
(4) Are memoranda, letters, or other documents from the medical facility to the Regional Director or VA Central Office which contain information generated by a quality assurance activity meeting the criteria in § 17.501 (a) and (b); or
(5) Are memoranda, letters, or other documents produced by the Regional Director or VA Central Office which either respond to or contain information generated by a quality assurance activity meeting the criteria in § 17.501 (a) and (b).

(d) Documents which meet the criteria in this section are confidential and privileged whether they are produced at the medical facility, Regional or VA Central Office levels, or by external contractors performing healthcare quality assurance reviews.

(e) Documents which are confidential and privileged may be in written, computer, electronic, photographic or any other form.

(f) Documents which contain confidential and privileged material in one part, but not in others, such as Clinical Executive Board minutes, should be filed and maintained as if the entire document was protected by 38 U.S.C. 5705. This is not required if the confidential and privileged material is deleted.

(g) The following records and documents and parts of records and documents are not confidential even if they meet the criteria in paragraphs (a) through (c) of this section:
(1) Statistical information regarding VA healthcare programs or activities that does not implicitly or explicitly identify individual VA patients or VA employees or individuals involved in the quality assurance process;
(2) Summary documents or records which only identify study topics, the period of time covered by the study, criteria, norms, and/or major overall findings, but which do not identify individual healthcare practitioners, even by implication;
(3) The contents of Credentialing and Privileging folders as described in VACO policy documents (38 U.S.C. 5705-protected records shall not be filed in Credentialing and Privileging folders);
(4) Records and documents developed during or as a result of Boards of Investigations;
(5) Completed patient satisfaction survey questionnaires and findings from patient satisfaction surveys;
(6) Records and documents which only indicate the number of patients treated by a practitioner, either by diagnosis or in aggregate, or number of procedures performed by a practitioner, either by procedure or in aggregate;
(7) Records and documents developed during or as a result of reviews performed to satisfy the requirements of a governmental body or a professional healthcare organization.
which is licensing practitioners or monitoring their professional performance, e.g., National Practitioner Data Bank, Federation of State Medical Boards, and National Council of State Boards of Nursing;
(8) Documents and reports developed during or as a result of site visits by the Office of the Medical Inspector except to the extent that the documents and reports contain information that meets the criteria described in this section and are produced by or for VA by other than the Office of Medical Inspector;
(9) External reviews conducted by VA Central Office or a Region other than those designated by the reviewing office under paragraph (a)(2) or (a)(3) of this section as protected by 38 U.S.C. 5705 and the regulations in §§ 17.500 through 17.511;
(10) Documents and reports of Professional Standards Boards, Credentialing Committees, Executive Committees of Medical Staff, and similar bodies, insofar as the documents relate to the credentialing and privileging of practitioners;
(11) Documents and reports developed during or as a result of data validation activities;
(12) Documents and reports developed during or as a result of occupational health monitoring;
(13) Documents and reports developed during or as a result of safety monitoring not directly related to the care of specified individual patients;
(14) Documents and reports developed during or as a result of resource management activities not directly related to the care of specified individual patients; and
(15) Information and records derived from patient medical records or facility administrative records, which are not protected by 38 U.S.C. 5705 and the regulations in §§ 17.500 through 17.511, may be sent or communicated to a third party payor who has asked for this information in response to a VA request for reimbursement based on Public Law 99-272 and Public Law 101-508. Reviews conducted at the request of the third party payor do not generate records protected by 38 U.S.C. 5705 and the regulations in §§ 17.500 through 17.511 since the reviews are not undertaken as part of the VA's quality assurance program.

(38 U.S.C. 5705)

§ 17.502 Applicability of other statutes.
(a) Disclosure of quality assurance records and documents which are not confidential and privileged under 38 U.S.C. 5705 and the confidentiality regulations in §§ 17.500 through 17.511 will be governed by the provisions of the Freedom of Information Act, and, if applicable, the Privacy Act and any other VA or federal confidentiality statutes.
(b) When included in a quality assurance review, confidential records protected by other confidentiality statutes such as 5 U.S.C. 552a (the Privacy Act), 38 U.S.C. 7332 (drug and alcohol abuse, sickle cell anemia, HIV infection), and 38 U.S.C. 5701 (veterans' names and addresses) retain whatever confidentiality protection they have under these laws and applicable regulations and will be handled accordingly. To the extent that information protected by 38 U.S.C. 5701 or 7332 or the Privacy Act is incorporated into quality assurance records, the information in the quality assurance records is still protected by these statutes.

[59 FR 53357, Oct. 24, 1994]
§ 17.503 Improper disclosure.
(a) Improper disclosure is the disclosure of confidential and privileged healthcare quality assurance review records or documents (or information contained therein), as defined in §17.501, to any person who is not authorized access to the records or documents under the statute and the regulations in §§17.500 through 17.511.
(b) "Disclosure" means the communication, transmission, or conveyance in any way of any confidential and privileged quality assurance records or documents or information contained in them to any individual or organization in any form by any means.

§ 17.504 Disclosure methods.
(a) Disclosure of confidential and privileged quality assurance records and documents or the information contained therein outside VA, where permitted by the statute and the regulations in §§17.500 through 17.511, will always be by copies, abstracts, summaries, or similar records or documents prepared by the Department of Veterans Affairs and released to the requestor. The original confidential and privileged quality assurance records and documents will not be removed from the VA facility by any person, VA employee or otherwise, except in accordance with §17.508(c) or where otherwise legally required.
(b) Disclosure of confidential and privileged quality assurance records and documents to authorized individuals under either §17.508 or §17.509 shall bear the following statement: "These documents or records (or information contained herein) are confidential and privileged under the provisions of 38 U.S.C. 5705, which provide for fines up to $ 20,000 for unauthorized disclosures thereof, and the implementing regulations. This material shall not be disclosed to anyone without authorization as provided for by that law or the regulations in §§ 17.500 through 17.511."

§ 17.505 Disclosure authorities.
The VA medical facility Director, Regional Director, Under Secretary for Health, or their designees are authorized to disclose any confidential and privileged quality assurance records or documents under their control to other agencies, organizations, or individuals where 38 U.S.C. 5705 or the regulations in §§17.500 through 17.511 expressly provide for disclosure.

§ 17.506 Appeal of decision by Veterans Health Administration to deny disclosure.
When a request for records or documents subject to the regulations in §§ 17.500 through 17.511 is denied in whole or in part by the VA medical facility Director, Regional Director or Under Secretary for Health, the VA official denying the request in whole or in part will notify the requestor in writing of the right to appeal this decision to the General Counsel of the Department of Veterans Affairs within 60 days of the date of the denial letter. The final Department decision will be made by the General Counsel or the Deputy General Counsel.

(38 U.S.C. 5705)

§ 17.507 Employee responsibilities.
(a) All VA employees and other individuals who have access to records designated as confidential and privileged under 38 U.S.C. 5705 and the regulations in §§ 17.500 through 17.511 will treat the findings, views, and actions relating to quality assurance in a confidential manner.
(b) All individuals who have had access to records designated as confidential and privileged under 38 U.S.C. 5705 and the regulations in §§ 17.500 through 17.511 will not disclose such records or information therein to any person or organization after voluntary or involuntary termination of their relationship to the VA.

(38 U.S.C. 5705)

§ 17.508 Access to quality assurance records and documents within the agency.
(a) Access to confidential and privileged quality assurance records and documents within the Department pursuant to this section is restricted to VA employees (including consultants and contractors of VA) who have a need for such information to perform their government duties or contractual responsibilities and who are authorized access by the VA medical facility Director, Regional Director, the Under Secretary for Health, or their designees or by the regulations in §§ 17.500 through 17.511.
(b) To foster continuous quality improvement, practitioners on VA rolls, whether paid or not, will have access to confidential and privileged quality assurance records and documents relating to evaluation of the care they provided.
(c) Any quality assurance record or document, whether confidential and privileged or not, may be provided to the General Counsel or any attorney within the Office of General Counsel, wherever located. These documents may also be provided to a Department of Justice (DOJ) attorney who is investigating a claim or potential claim against the VA or who is preparing for litigation involving the VA. If necessary, such a record or document may be removed from the VA medical facility to the site where the General Counsel or any attorney within the Office of General Counsel or the DOJ attorney is conducting an investigation or preparing for litigation.
(d) Any quality assurance record or document or the information contained therein, whether confidential and privileged or not, will be provided to the Department of
Veterans Affairs Office of Inspector General upon request. A written request is not required.

(e) To the extent practicable, documents accessed under paragraph (b) of this section will not include the identity of peer reviewers. Reasonable efforts will be made to edit documents so as to protect the identities of reviewers, but the inability to completely do so will not bar access under paragraph (b).

(f) No individual shall be permitted access to confidential and privileged quality assurance records and documents identified in § 17.501 unless such individual has been informed of the penalties for unauthorized disclosure. Any misuse of confidential and privileged quality assurance records or documents shall be reported to the appropriate VHA official, e.g., Service Chief, Medical Center Director.

(g) In general, confidential and privileged quality assurance records and documents will be maintained for a minimum of 3 years and may be held longer if needed for research studies or quality assurance or legal purposes.

(38 U.S.C. 5705)

§ 17.509 Authorized disclosure: Non-Department of Veterans Affairs requests.

(a) Requests for confidential and privileged quality assurance records and documents from organizations or individuals outside VA must be made to the Department and must specify the nature and content of the information requested, to whom the information should be transmitted or disclosed, and the purpose listed in paragraphs (b) through (j) of this section for which the information requested will be used. In addition, the requestor will specify to the extent possible the beginning and final dates of the period for which disclosure or access is requested. The request must be in writing and signed by the requestor. Except as specified in paragraphs (b) and (c) of this section, these requests should be forwarded to the Director of the facility in possession of the records or documents for response. The procedures outlined in 38 CFR 1.500 through 1.584 will be followed where applicable.

(b) Disclosure shall be made to Federal agencies upon their written request to permit VA's participation in healthcare programs including healthcare delivery, research, planning, and related activities with the requesting agencies. Any Federal agency may apply to the Under Secretary for Health for approval. If the VA decides to participate in the healthcare program with the requestor, the requesting agency will enter into an agreement with VA to ensure that the agency and its staff will ensure the confidentiality of any quality assurance records or documents shared with the agency.

(c) Qualified persons or organizations, including academic institutions, engaged in healthcare program activities shall, upon request to and approval by the Under Secretary for Health, Regional Director, medical facility Director, or their designees, have access to confidential and privileged medical quality assurance records and documents to permit VA participation in a healthcare activity with the requestor, provided that no records or documents are removed from the VA facility in possession of the records.

(d) When a request under paragraphs (b) or (c) of this section concerns access for research purposes, the request, together with the research plan or protocol, shall first be submitted to and approved by an appropriate VA medical facility Research and
Development Committee and then approved by the Director of the VA medical facility. The VA medical facility staff together with the qualified person(s) conducting the research shall be responsible for the preservation of the anonymity of the patients, clients, and providers and shall not disseminate any records or documents which identify such individuals directly or indirectly without the individual's consent. This applies to the handling of data or information as well as reporting or publication of findings. These requirements are in addition to other applicable protections for the research.

(c) Individually identified patient medical record information which is protected by another statute as provided in § 17.502 may not be disclosed to a non-VA person or organization, including disclosures for research purposes under paragraph (d), except as provided in that statute.

(f) Under paragraph (b), the Under Secretary for Health or designee or under paragraph (c), the Under Secretary for Health, Regional Director, medical facility Director, or their designees may approve a written request if it meets the following criteria:

(1) Participation by VA will benefit VA patient care; or
(2) Participation by VA will enhance VA medical research; or
(3) Participation by VA will enhance VA health services research; or
(4) Participation by VA will enhance VA healthcare planning or program development activities; or
(5) Participation by VA will enhance related VA healthcare program activities; and

(h) Federal agencies charged with protecting the public health and welfare, federal and private agencies which engage in various monitoring and quality control activities, agencies responsible for licensure of individual health care facilities or programs, and similar organizations will be provided confidential and privileged quality assurance records and documents if a written request for such records or documents is received from an official of such an organization. The request must state the purpose authorized by law for which the records will be used. The Under Secretary for Health, Regional Director, medical facility Director, or their designees will determine the extent to which the information is disclosable.

(i) JCAHO (Joint Commission on Accreditation of Healthcare Organizations) survey teams and similar national accreditation agencies or boards and other organizations requested by VA to assess the effectiveness of quality assurance program activities or to consult regarding these programs are entitled to disclosure of confidential and privileged quality assurance documents with the following qualifications:
(1) Accreditation agencies which are charged with assessing all aspects of medical facility patient care, e.g., JCAHO, may have access to all confidential and privileged quality assurance records and documents.

(2) Accreditation agencies charged with more narrowly focused review (e.g., College of American Pathologists, American Association of Blood Banks, Nuclear Regulatory Commission, etc.) may have access only to such confidential and privileged records and documents as are relevant to their respective focus.

(j) Confidential and privileged quality assurance records and documents shall be released to the General Accounting Office if such records or documents pertain to any matter within its jurisdiction.

(k) Confidential and privileged quality assurance records and documents shall be released to both VA and non-VA healthcare personnel upon request to the extent necessary to meet a medical emergency affecting the health or safety of any individual.

(l) For any disclosure made under paragraphs (a) through (i) of this section, the name of and other identifying information regarding any individual VA patient, employee, or other individual associated with VA shall be deleted from any confidential and privileged quality assurance record or document before any disclosure under these quality assurance regulations in §§ 17.500 through 17.511 is made, if disclosure of such name and identifying information would constitute a clearly unwarranted invasion of personal privacy.

(m) Disclosure of the confidential and privileged quality assurance records and documents identified in § 17.501 will not be made to any individual or agency until that individual or agency has been informed of the penalties for unauthorized disclosure or redisclosure.

(38 U.S.C. 5705)

§ 17.510 Redisclosure.

No person or entity to whom a quality assurance record or document has been disclosed under § 17.508 or § 17.509 shall make further disclosure of such record or document except as provided for in 38 U.S.C. 5705 and the regulations in §§ 17.500 through 17.511.

(38 U.S.C. 5705)

§ 17.511 Penalties for violations.

Any person who knows that a document or record is a confidential and privileged quality assurance document or record described in §§ 17.500 through 17.511 and willfully discloses such confidential and privileged quality assurance record or document or information contained therein, except as authorized by 38 U.S.C. 5705 or the regulations in §§ 17.500 through 17.511, shall be fined not more than $ 5,000 in the case of a first offense and not more than $ 20,000 in the case of each subsequent offense.

VA HEALTH PROFESSIONAL SCHOLARSHIP PROGRAM

§ 17.600 Purpose.
§ 17.601 Definitions.
§ 17.602 Eligibility.
§ 17.603 Availability of scholarships.
§ 17.604 Application for the scholarship program.
§ 17.605 Selection of participants.
§ 17.606 Award procedures.
§ 17.607 Obligated service.
§ 17.608 Deferment of obligated service.
§ 17.609 Pay during period of obligated service.
§ 17.610 Failure to comply with terms and conditions of participation.
§ 17.611 Bankruptcy.
§ 17.612 Cancellation, waiver, or suspension of obligation.

§ 17.600 Purpose.
The purpose of §§ 17.600 through 17.612 is to set forth the requirements for the award of scholarships under the Department of Veterans Affairs Health Professional Scholarship Program to students receiving education or training in a direct or indirect health-care services discipline to assist in providing an adequate supply of such personnel for VA and for the Nation. Disciplines include nursing, physical therapy, occupational therapy, and other specified direct or indirect health-care disciplines if needed by VA.
[55 FR 40170, Oct. 2, 1990]

(38 U.S.C. 7601-7655)

§ 17.601 Definitions.
For the purpose of these regulations:
(a) Acceptable level of academic standing means the level at which a student retains eligibility to continue in attendance in school under the school's standards and practices in the course of study for which the scholarship was awarded.
(c) Affiliation agreement means a Memorandum of Affiliation between a Department of Veterans Affairs health care facility and a school of medicine or osteopathy.
(d) Advanced clinical training means those programs of graduate training in medicine including osteopathy which (1) lead to eligibility for board certification or which provide other evidence of completion, and (2) have been approved by the appropriate body as determined by the Administrator.
(e) Secretary means the Secretary of Veterans Affairs or designee.
(f) Under Secretary for Health means the Under Secretary for Health for Veterans Health Administration or designee.

(g) Citizen of the United States means any person born, or lawfully naturalized in the United States, subject to its jurisdiction and protection, and owing allegiance thereto.

(h) Degree means a course of study leading to a doctor of medicine, doctor of osteopathy, doctor of dentistry, doctor of optometry, doctor of podiatry, or an associate degree, baccalaureate degree, or master's degree in a nursing specialty needed by VA; or a baccalaureate or master's degree in another direct or indirect health-care service discipline needed by VA.

(i) Full-time student means an individual pursuing a course of study leading to a degree who is enrolled for a sufficient number of credit hours in any academic term to complete the course of study within not more than the number of academic terms normally required by the school, college or university. If an individual is enrolled in a school and is pursuing a course of study which is designed to be completed in more than 4 years, the individual will be considered a full-time student for only the last 4 years of the course study.

(j) Other educational expenses means a reasonable amount of funds determined by the Secretary to cover expenses such as books, and laboratory equipment.

(k) Required educational equipment means educational equipment which must be rented or purchased by all students pursuing a similar curriculum in the same school.

(l) Required fees means those fees which are charged by the school to all students pursuing a similar curriculum in the same school.

(m) Scholarship Program or Scholarship means the Department of Veterans Affairs Health Professional Scholarship Program authorized by section 216 of the Act.

(n) Participant or Scholarship Program Participant means an individual whose application to the Scholarship Program has been approved and whose contract has been accepted by the Secretary and who has yet to complete the period of obligated service or otherwise satisfy the obligation or financial liabilities of the Scholarship Contract.

(o) School means an academic institution which (1) provides training leading to a degree in a direct or indirect health-care service discipline needed by the Department of Veterans Affairs, and (2) which is accredited by a body or bodies recognized for accreditation by the Secretary.

(Authority: 38 U.S.C. 7602(a))

(p) School year means, for purposes of the stipend payment, all or part of the 12-month period from September 1 through August 31 during which a participant is enrolled in the school as a full-time student.

(q) State means one of the several States, Territories and possessions of the United States, the District of Columbia and the Commonwealth of Puerto Rico.

(r) Part-time student means an individual who is a Department of Veterans Affairs employee permanently assigned to a Department of Veterans Affairs health care facility who has been accepted for enrollment or enrolled for study leading to a degree on a less than full-time but not less than half-time basis.

(s) Department of Veterans Affairs employee means an individual employed and permanently assigned to a VA health care facility.

(t) Degree completion date means the date on which a participant completes all requirements of the degree program.
(Authority: 38 U.S.C. 7452)
(u) VA health care facility means Department of Veterans Affairs medical centers, medical and regional office centers, domiciliaries, independent outpatient clinics, and outpatient clinics in regional offices.
(Authority: 38 U.S.C. 7633)
(Approved by the Office of Management and Budget under control number 2900-0352)

§ 17.602 Eligibility.
(a) To be eligible for a scholarship under this program an applicant must --
(1) Be accepted for enrollment or be enrolled as a full-time student in an accredited school located in a State;
(2) Be pursuing a degree annually designated by the Secretary for participation in the Scholarship Program;
(Authority: 38 U.S.C. 7602(a)(1), 7612(b)(1))
(3) Be in a discipline or program annually designated by the Secretary for participation in the Scholarship Program;
(4) Be a citizen of the United States; and
(5) Submit an application to participate in the Scholarship Program together with a signed contract.
(Authority: 38 U.S.C. 7602(a))
(b) To be eligible for a scholarship as a part-time student under this program, an applicant must satisfy requirements of paragraph (a) of this section and in addition must --
(1) Be a full-time VA employee permanently assigned to a VA health care facility at the time of application and on the date when the scholarship is awarded;
(2) Remain a VA employee for the duration of the scholarship award.
(Authority: 38 U.S.C. 7612(c)(3)(B))
(c) Any applicant who, at the time of application, owes a service obligation to any other entity to perform service after completion of the course of study is ineligible to receive a scholarship under the Department of Veterans Affairs Scholarship Program.
(Authority: 38 U.S.C. 7602(b))
(Approved by the Office of Management and Budget under control number 2900-0352)

§ 17.603 Availability of scholarships.
Scholarships will be awarded only when necessary to assist the Department of Veterans Affairs in alleviating shortages or anticipated shortages of personnel in particular health professions. The existence of a shortage of personnel will be determined in accordance with specific criteria for each health profession, promulgated by the Under Secretary for Health. The Secretary has the authority to determine the number of scholarships to be awarded in a fiscal year, and the number that will be awarded to full-time and part-time students.
§ 17.604 Application for the scholarship program.
Each individual desiring a scholarship under this program must submit an accurate and complete application in the form and at the time prescribed by the Secretary. Included with the application will be a signed written contract to accept payment of a scholarship and to serve a period of obligated service (as defined in § 17.607) if the application is approved and if the contract is accepted by the Secretary.
[47 FR 10810, Mar. 12, 1982]

(38 U.S.C. 7612(c)(1)(B))

§ 17.605 Selection of participants.
(a) General. In deciding which Scholarship Program applications will be approved by the Secretary, priority will be given to applicants entering their final year of education or training and priority will be given to applicants who previously received scholarship awards and who meet the conditions of paragraph (d) of this section. Except for continuation awards (see paragraph (d) of this section), applicants will be evaluated under the criteria specified in paragraph (b) of this section. A situation may occur in which there are a larger number of equally qualified applicants than there are awards to be made. In such cases, a random method may be used as the basis for selection. In selecting participants to receive awards as part-time students, the Secretary may, at the Secretary's discretion --
(Authority: 38 U.S.C. 7612(b)(5))
(1) Award scholarships geographically to part-time students so that available scholarships may be distributed on a relatively equal basis to students working throughout the VA health care system, and/or
(2) Award scholarships on the basis of retention needs within the VA health care system.
(Authority: 38 U.S.C. 7603(d))
(b) Selection. In evaluating and selecting participants, the Secretary will take into consideration those factors determined necessary to assure effective participation in the Scholarship Program. The factors may include, but not be limited to --
(1) Work/volunteer experience, including prior health care employment and Department of Veterans Affairs employment;
(2) Faculty and employer recommendations;
(3) Academic performance; and
(4) Career goals.
(Authority: 38 U.S.C. 7633)
(c) Selection of part-time students. Factors in addition to those specified in paragraph (b) of this section, which may be considered in awarding scholarships to part-time students may include, but are not limited to:
(1) Length of service of a VA employee in a health care facility;
(2) Honors and awards received from VA, and other sources;
(3) VA work performance evaluation;
(4) A recommendation for selection for a part-time scholarship from a VA Medical District.
(Authority: 38 U.S.C. 7452(d)(1))
(d) Duration of scholarship award. Subject to the availability of funds for the Scholarship Program, the Secretary will award a participant a full-time scholarship under these regulations for a period of from 1 to 4 school years and a participant of a part-time scholarship for a period of 1 to 6 school years.
(Authority: 38 U.S.C. 7612(c)(1)(A) and 7614(3))
(e) Continuation awards. Subject to the availability of funds for the Scholarship Program and selection, the Secretary will award a continuation scholarship for completion of the degree for which the scholarship was awarded if --
(1) The award will not extend the total period of Scholarship Program support beyond 4 years for a full-time scholarship, and beyond 6 years for a part-time scholarship; and
(2) The participant remains eligible for continued participation in the Scholarship Program.
(Authority: 38 U.S.C. 7603(d))
(Approved by the Office of Management and Budget under control number 2900-0352)

§ 17.606 Award procedures.
(a) Amount of scholarship. (1) A scholarship award will consist of (i) tuition and required fees, (ii) other educational expenses, including books and laboratory equipment, and (iii) except as provided in paragraph (a)(2) of this section, a monthly stipend, for the duration of the scholarship award. All such payments to scholarship participants are exempt from Federal taxation.
(Authority: 38 U.S.C. 7636)
(2) No stipend may be paid to a participant who is a full-time VA employee.
(3) The Secretary may determine the amount of the stipend paid to participants, whether part-time students or full-time students, but that amount may not exceed the maximum amount provided for in 38 U.S.C. 7613(b).
(4) In the case of a part-time student who is a part-time employee, the maximum stipend, if more than a nominal stipend is paid, will be reduced in accordance with the proportion that the number of credit hours carried by such participant bears to the number of credit hours required to be carried by a full-time student in the course of training being pursued by the participant.
(5) A full stipend may be paid only for the months the part-time student is attending classes.
(Authority: 38 U.S.C. 7614(2))
(6) The Secretary may make arrangements with the school in which the participant is enrolled for the direct payment of the amount of tuition and/or reasonable educational expenses on the participant's behalf.
(Authority: 38 U.S.C. 7613(c))
(7) A participant's eligibility for a stipend ends at the close of the month in which degree requirements are met.
(b) Leave-of-absence, repeated course work. The Secretary may suspend scholarship payments to or on behalf of a participant if the school (1) approves a leave-of-absence for the participant for health, personal, or other reasons, or (2) requires the participant to repeat course work for which the Secretary previously has made payments under the
Scholarship Program. Additional costs relating to the repeated course work will not be paid under this program. Any scholarship payments suspended under this section will be resumed by the Secretary upon notification by the school that the participant has returned from the leave-of-absense or has satisfactorily completed the repeated course work and is proceeding as a full-time student in the course of study for which the scholarship was awarded.

(Authority: 38 U.S.C. 7633)

§ 17.607 Obligated service.

(a) General. Except as provided in paragraph (d) of this section, each participant is obligated to provide service as a Department of Veterans Affairs employee in full-time clinical practice in the participant's discipline in an assignment or location determined by the Secretary.

(Authority: 38 U.S.C. 7616(a))

(b) Beginning of service. (1) Except as provided in paragraph (b)(2) of this section, a participant's obligated service shall begin on the date the Secretary appoints the participant as a full-time VA employee in the Department of Veterans Affairs Veterans Health Administration in a position for which the degree program prepared the participant. The Secretary shall appoint the participant to such position within 60 days after the participant's degree completion date, or the date the participant becomes licensed in a State to practice in the discipline for which the degree program prepared the participant, whichever is later. At least 60 days prior to the appointment date, the Secretary shall notify the participant of the work assignment, its location, and the date work must begin.

(2) Obligated service shall begin on the degree completion date for a participant who, on that date, is a full-time VA employee working in a capacity for which the degree program prepared the participant.

(Authority: 38 U.S.C. 7616(b) and (c))

(c) Duration of service. The period of obligated service for a participant who attended school as a full-time student shall be 1 year for each school year or part thereof for which the participant received a scholarship award under these regulations. The period of obligated service for a participant who attended school as a part-time student shall be reduced from that which a full-time student must serve in accordance with the proportion that the number of credit hours carried by the part-time student in any school year bears to the number of credit hours required to be carried by a full-time student, whichever is the greater, but shall be a minimum of 1 year of full-time employment.

(Authority: 38 U.S.C. 7612(c)(1)(B) and (3)(A))

(d) Location for service. The Secretary reserves the right to make final decisions on location for service obligation. A participant who received a scholarship as a full-time student must be willing to move to another geographic location for service obligation. A participant who received a scholarship as a part-time student may be allowed to serve the period of obligated service at the health care facility where the individual was assigned when the scholarship was authorized.

(Authority: 38 U.S.C. 7616(a))
(e) Creditability of advanced clinical training. No period of advanced clinical training will be credited toward satisfying the period of obligated service incurred under the Scholarship Program.

§ 17.608 Deferment of obligated service.

(a) Request for deferment. A participant receiving a degree from a school of medicine, osteopathy, dentistry, optometry, or podiatry, may request deferment of obligated service to complete an approved program of advanced clinical training. The Secretary may defer the beginning date of the obligated service to allow the participant to complete the advanced clinical training program. The period of this deferment will be the time designated for the specialty training.

(Authority: 38 U.S.C. 7616(a)(A)(i))

(b) Deferment requirements. Any participant whose period of obligated service is deferred shall be required to take all or part of the advanced clinical training in an accredited program in an educational institution having an Affiliation Agreement with a Department of Veterans Affairs health care facility, and such training will be undertaken in a Department of Veterans Affairs health-care facility.

(Authority: 38 U.S.C. 7616(b)(4))

(c) Additional service obligation. A participant who has requested and received deferment for approved advanced clinical training may, at the time of approval of such deferment and at the discretion of the Secretary and upon the recommendation of the Under Secretary for Health, incur an additional period of obligated service --

1) At the rate of one-half of a calendar year for each year of approved clinical training (or a proportionate ratio thereof) if the training is in a specialty determined to be necessary to meet health care requirements of the Veterans Health Administration; Department of Veterans Affairs; or

2) At the rate of three-quarters of a calendar year for each year of approved graduate training (or a proportionate ratio thereof) if the training is in a medical specialty determined not to be necessary to meet the health care requirements of the Veterans Health Administration. Specialties necessary to meet the health care requirements of the Veterans Health Administration will be prescribed periodically by the Secretary when, and if, this provision for an additional period of obligated service is to be used.

(Authority: 38 U.S.C. 7616(b)(4)(B))

(d) Altering deferment. Before altering the length or type of approved advanced clinical training for which the period of obligated service was deferred under paragraphs (a) or (b) of this section, the participant must request and obtain the Secretary's written approval of the alteration.

(Authority: 38 U.S.C. 7633)

(e) Beginning of service after deferment. Any participant whose period of obligated service has been deferred under paragraph (a) or (b) of this section must begin the obligated service effective on the date of appointment under title 38 in full-time clinical practice in an assignment or location in a Department of Veterans Affairs health care facility as determined by the Secretary. The assignment will be made by the Secretary.
within 120 days prior to or no later than 30 days following the completion of the requested graduate training for which the deferment was granted. Travel and relocation regulations will apply.

(Authority: 38 U.S.C. 7616(b)(2))

§ 17.609 Pay during period of obligated service.
The initial appointment of physicians for obligated service will be made in a grade commensurate with qualifications as determined in section 7404(b)(1) of title 38 U.S.C. A physician serving a period of obligated service is not eligible for incentive special pay during the first three years of such obligated service. A physician may be paid primary special pay at the discretion of the Secretary upon the recommendation of the Under Secretary for Health.

(Pub. L. 96-330, Sec. 202; 38 U.S.C. 7431-7440)

§ 17.610 Failure to comply with terms and conditions of participation.
(a) If a participant, other than one described in paragraph (b) of this section fails to accept payment or instructs the school not to accept payment of the scholarship provided by the Secretary, the participant must, in addition to any service or other obligation incurred under the contract, pay to the United States the amount of $1,500 liquidated damages. Payment of this amount must be made within 90 days of the date on which the participant fails to accept payment of the scholarship award or instructs the school not to accept payment.

(Authority: 38 U.S.C. 7617(a))

(b) If a participant:

(1) Fails to maintain an acceptable level of academic standing;

(2) Is dismissed from the school for disciplinary reasons;

(3) Voluntarily terminates the course of study or program for which the scholarship was awarded including in the case of a full-time student, a reduction of course load from full-time to part-time before completing the course of study or program;

(4) Fails to become licensed to practice in the discipline for which the degree program prepared the participant, if applicable, in a State within 1 year from the date such person becomes eligible to apply for State licensure; or

(Authority: 38 U.S.C. 7617(b)(4))

(5) Is a part-time student and fails to maintain employment in a permanent assignment in a VA health care facility while enrolled in the course of training being pursued; the participant must instead of performing any service obligation, pay to the United States an amount equal to all scholarship funds awarded under the written contract executed in accordance with §17.602. Payment of this amount must be made within 1 year from the date academic training terminates unless a longer period is necessary to avoid hardship. No interest will be charged on any part of this indebtedness.

(Authority: 38 U.S.C. 7617(b))
(c) Participants who breach their contracts by failing to begin or complete their service obligation (for any reason) other than as provided for under paragraph (b) of this section are liable to repay the amount of all scholarship funds paid to them and to the school on their behalf, plus interest, multiplied by three, minus months of service obligation satisfied, as determined by the following formula:

\[
\text{Recovery Amount} = \text{Scholarship Funds} \times 3 - \text{Months Served}
\]

The amount which the United States is entitled to recover shall be paid within 1 year of the date on which the applicant failed to begin or complete the period of obligated service, as determined by the Secretary.

(Authority: 38 U.S.C. 7617(c)(1)(2))

(Approved by the Office of Management and Budget under control number 2900-0352)

§ 17.611 Bankruptcy.

Any payment obligation incurred may not be discharged in bankruptcy under title 11 U.S.C. until 5 years after the date on which the payment obligation is due.

[47 FR 10810, Mar. 12, 1982]

(38 U.S.C. 7634(c))

§ 17.612 Cancellation, waiver, or suspension of obligation.

(a) Any obligation of a participant for service or payment will be canceled upon the death of the participant.

(Authority: 38 U.S.C. 7634(a))

(b)(1) A participant may seek a waiver or suspension of the service or payment obligation incurred under this program by written request to the Secretary setting forth the basis, circumstances, and causes which support the requested action. The Secretary may approve an initial request for a suspension for a period of up to 1 year. A renewal of this suspension may also be granted.

(2) The Secretary may waive or suspend any service or payment obligation incurred by a participant whenever compliance by the participant (i) is impossible, due to circumstances beyond the control of the participant or (ii) whenever the Secretary concludes that a waiver or suspension of compliance would be in the best interest of the Department of Veterans Affairs.

(Authority: 38 U.S.C. 7634(b))

(c) Compliance by a participant with a service or payment obligation will be considered impossible due to circumstances beyond the control of the participant if the Secretary determines, on the basis of such information and documentation as may be required, that the participant suffers from a physical or mental disability resulting in permanent inability to perform the service or other activities which would be necessary to comply with the obligation.

(Authority: 38 U.S.C. 7634(b))
(d) Waivers or suspensions of service or payment obligations, when not related to paragraph (c) of this section, and when considered in the best interest of the Department of Veterans Affairs, will be determined by the Secretary on an individual basis.

TRANSITIONAL HOUSING LOAN PROGRAM

§ 17.800 Purpose.
§ 17.801 Definitions.
§ 17.802 Application provisions.
§ 17.803 Order of consideration.
§ 17.804 Loan approval criteria.
§ 17.805 Additional terms of loans.

§ 17.800 Purpose.
The purpose of the Transitional Housing Loan Program regulations is to establish application provisions and selection criteria for loans to non-profit organizations for use in initial startup costs for transitional housing for veterans who are in (or have recently been in) a program for the treatment of substance abuse. This program is intended to increase the amount of transitional housing available for such veterans who need a period of supportive housing to encourage sobriety maintenance and reestablishment of social and community relationships.

[59 FR 49579, Sept. 29, 1994]

§ 17.801 Definitions.
(a) Applicant: A non-profit organization making application for a loan under this program.
(b) Non-profit organization: A secular or religious organization, no part of the net earnings of which may inure to the benefit of any member, founder, contributor, or individual. The organization must include a voluntary board and must either maintain or designate an entity to maintain an accounting system which is operated in accordance with generally accepted accounting principles. If not named in, or approved under Title 38 U.S.C. (United States Code), Section 5902, a non-profit organization must provide VA with documentation which demonstrates approval as a non-profit organization under Internal Revenue Code, Section 501.c(3).
(c) Recipient: A non-profit organization which has received a loan from VA under this program.
(d) Veteran: A person who served in the active military, naval, or air service, and who was discharged or released therefrom under conditions other than dishonorable.

(Sec. 8 of Pub. L. 102-54, 105 Stat 271, 38 U.S.C. 501)

§ 17.802 Application provisions.
(a) To obtain a loan under these Transitional Housing Loan Program regulations, an application must be submitted by the applicant in the form prescribed by VA in the application package. The completed application package must be submitted to the Deputy Associate Director for Psychiatric Rehabilitation Services, (302/111C), VA Medical Center, 100 Emancipation Drive, Hampton, VA 23667. An application package may be
obtained by writing to the proceeding address or telephoning (804) 722-9961 x3628. (This is not a toll-free number)

(b) The application package includes exhibits to be prepared and submitted, including:
(1) Information concerning the applicant's income, assets, liabilities and credit history,
(2) Information for VA to verify the applicant's financial information,
(3) Identification of the official(s) authorized to make financial transactions on behalf of the applicant,
(4) Information concerning:
   (i) The history, purpose and composition of the applicant,
   (ii) The applicant's involvement with recovering substance abusers, including:
      (A) Type of services provided,
      (B) Number of persons served,
      (C) Dates during which each type of service was provided,
      (D) Names of at least two references of government or community groups whom the organization has worked with in assisting substance abusers,
   (iii) The applicant's plan for the provision of transitional housing to veterans including:
      (A) Means of identifying and screening potential residents,
      (B) Number of occupants intended to live in the residence for which the loan assistance is requested,
      (C) Residence operating policies addressing structure for democratic self-government, expulsion policies for nonpayment, alcohol or illegal drug use or disruptive behavior,
      (D) Type of technical assistance available to residents in the event of house management problems,
      (E) Anticipated cost of maintaining the residence, including rent and utilities,
      (F) Anticipated charge, per veteran, for residing in the residence,
      (G) Anticipated means of collecting rent and utilities payments from residents,
      (H) A description of the housing unit for which the loan is sought to support, including location, type of neighborhood, brief floor plan description, etc., and why this residence was selected for this endeavor.
   (iv) The applicant's plans for use of the loan proceeds.
[59 FR 49580, Sept. 29, 1994]

(§ 17.803 Order of consideration.
Loan applications will be considered on a first-come-first-serve basis, subject to availability of funds for loans and awards will be made on a first-come-first-serve basis to applicants who meet the criteria for receiving a loan. If no funds are available for loans, applications will be retained in the order of receipt for consideration as funds become available.
[59 FR 49580, Sept. 29, 1994]

(§ 17.804 Loan approval criteria.
Upon consideration of the application package, loan approval will be based on the following:
(a) Favorable financial history and status,
   (1) A minimum of a two-year credit history,
   (2) No open liens, judgments, and no unpaid collection accounts,
   (3) No more than two instances where payments were ever delinquent beyond 60 days,
   (4) Net ratio: (monthly expenses divided by monthly cash flow) that does not exceed 40%,
   (5) Gross ratio: (total indebtedness divided by gross annual cash flow) that does not exceed 35%,
   (6) At least two favorable credit references,
(b) Demonstrated ability to successfully address the needs of substance abusers as determined by a minimum of one year of successful experience in providing services, such as, provision of housing, vocational training, structured job seeking assistance, organized relapse prevention services, or similar activity. Such experience would involve at least twenty-five substance abusers, and would be experience which could be verified by VA inquiries of government or community groups with whom the applicant has worked in providing these services.
(c) An acceptable plan for operating a residence designed to meet the conditions of a loan under this program, which will include:
   (1) Measures to ensure that residents are eligible for residency, i.e., are veterans, are in (or have recently been in) a program for the treatment of substance abuse, are financially able to pay their share of costs of maintaining the residence, and agree to abide by house rules and rent/utilities payment provisions,
   (2) Adequate rent/utilities collections to cover cost of maintaining the residence,
   (3) Policies that ensure democratic self-run government, including expulsion policies, and
   (4) Available technical assistance to residents in the event of house management problems.
(d) Selection of a suitable housing unit for use as a transitional residence in a neighborhood with no known illegal drug activity, and with adequate living space for number of veterans planned for residence (at least one large bedroom for every three veterans, at least one bathroom for every four veterans, adequate common space for entire household)
(e) Agreements, signed by an official authorized to bind the recipient, which include:
   (1) The loan payment schedule in accordance with the requirements of Pub. L. 102-54, with the interest rate being the same as the rate the VA is charged to borrow these funds from the U.S. Department of Treasury and with a penalty of 4% of the amount due for each failure to pay an installment by the date specified in the loan agreement involved, and
   (2) The applicant's intent to use proceeds of loan only to cover initial startup costs associated with the residence, such as security deposit, furnishings, household supplies, and any other initial startup costs.

[59 FR 49580, Sept. 29, 1994]

§ 17.805 Additional terms of loans.
In the operation of each residence established with the assistance of the loan, the recipient must agree to the following:
(a) The use of alcohol or any illegal drugs in the residence will be prohibited;
(b) Any resident who violates the prohibition of alcohol or any illegal drugs will be expelled from the residence;
(c) The cost of maintaining the residence, including fees for rent and utilities, will be paid by residents;
(d) The residents will, through a majority vote of the residents, otherwise establish policies governing the conditions of the residence, including the manner in which applications for residence are approved;
(e) The residence will be operated solely as a residence for not less than six veterans.

Health Care Benefits for Certain Children of Vietnam Veterans -- Spina Bifida and Covered Birth Defects

§ 17.900 Definitions
§ 17.901 Provision of health care.
§ 17.902 Preauthorization.
§ 17.903 Payment.
§ 17.904 Review and appeal process.
§ 17.905 Medical records.

§ 17.900 Definitions

For purposes of §§ 17.900 through 17.905 --

Approved health care provider means a health care provider currently approved by the Center for Medicare and Medicaid Services (CMS), Department of Defense TRICARE Program, Civilian Health and Medical Program of the Department of Veterans Affairs (CHAMPVA), Joint Commission on Accreditation of Health Care Organizations (JCAHO), or currently approved for providing health care under a license or certificate issued by a governmental entity with jurisdiction. An entity or individual will be deemed to be an approved health care provider only when acting within the scope of the approval, license, or certificate.

Child for purposes of spina bifida means the same as individual as defined at § 3.814(c)(2) or § 3.815(c)(2) of this title and for purposes of covered birth defects means the same as individual as defined at § 3.815(c)(2) of this title.

Covered birth defect means the same as defined at § 3.815(c)(3) of this title and also includes complications or medical conditions that are associated with the covered birth defect(s) according to the scientific literature.

Habilitative and rehabilitative care means such professional, counseling, and guidance services and such treatment programs (other than vocational training under 38 U.S.C. 1804 or 1814) as are necessary to develop, maintain, or restore, to the maximum extent practicable, the functioning of a disabled person.

Health care means home care, hospital care, nursing home care, outpatient care, preventive care, habilitative and rehabilitative care, case management, and respite care; and includes the training of appropriate members of a child's family or household in the care of the child; and the provision of such pharmaceuticals, supplies (including continence-related supplies such as catheters, pads, and diapers), equipment (including durable medical equipment), devices, appliances, assistive technology, direct transportation costs to and from approved health care providers (including any necessary costs for meals and lodging en route, and accompaniment by an attendant or attendants), and other materials as the Secretary determines necessary.

Health care provider means any entity or individual that furnishes health care, including specialized clinics, health care plans, insurers, organizations, and institutions.

Home care means medical care, habilitative and rehabilitative care, preventive health services, and health-related services furnished to a child in the child's home or other place of residence.
Hospital care means care and treatment furnished to a child who has been admitted to a hospital as a patient.
Nursing home care means care and treatment furnished to a child who has been admitted to a nursing home as a resident.
Outpatient care means care and treatment, including preventive health services, furnished to a child other than hospital care or nursing home care.
Preventive care means care and treatment furnished to prevent disability or illness, including periodic examinations, immunizations, patient health education, and such other services as the Secretary determines necessary to provide effective and economical preventive health care.
Respite care means care furnished by an approved health care provider on an intermittent basis for a limited period to an individual who resides primarily in a private residence when such care will help the individual continue residing in such private residence.
Spina bifida means all forms and manifestations of spina bifida except spina bifida occulta (this includes complications or medical conditions that are associated with spina bifida according to the scientific literature).
Vietnam veteran for purposes of spina bifida means the same as defined at § 3.814(c)(1) or § 3.815(c)(1) of this title and for purposes of covered birth defects means the same as defined at § 3.815(c)(1) of this title.

§ 17.901 Provision of health care.

Discussion and Analysis in the Veterans Benefits Manual
(a) Spina bifida. VA will provide a Vietnam veteran's child who has been determined under § 3.814 or § 3.815 of this title to suffer from spina bifida with such health care as the Secretary determines is needed by the child for spina bifida. VA may inform spina bifida patients, parents, or guardians that health care may be available at not-for-profit charitable entities.
(b) Covered birth defects. VA will provide a woman Vietnam veteran's child who has been determined under § 3.815 of this title to suffer from spina bifida or other covered birth defects with such health care as the Secretary determines is needed by the child for the covered birth defects. However, if VA has determined for a particular covered birth defect that § 3.815(a)(2) of this title applies (concerning affirmative evidence of cause other than the mother's service during the Vietnam era), no benefits or assistance will be provided under this section with respect to that particular birth defect.
(c) Providers of care. Health care provided under this section will be provided directly by VA, by contract with an approved health care provider, or by other arrangement with an approved health care provider.
(d) Submission of information. For purposes of §§ 17.900 through 17.905:
(1) The telephone number of the Health Administration Center is (888) 820-1756;
(2) The facsimile number of the Health Administration Center is (303) 331-7807;
(3) The hand-delivery address of the Health Administration Center is 300 S. Jackson Street, Denver, CO 80209; and

(4) The mailing address of the Health Administration Center --
(i) For spina bifida is P.O. Box 65025, Denver, CO 80206-9025; and
(ii) For covered birth defects is P.O. Box 469027, Denver, CO 80246-0027.
(Authority: 38 U.S.C. 101(2), 1802-1803, 1811-1813, 1821)

Note to § 17.901: This is not intended to be a comprehensive insurance plan and does not cover health care unrelated to spina bifida or unrelated to covered birth defects. VA is the exclusive payer for services paid under §§ 17.900 through 17.905 regardless of any third party insurer, Medicare, Medicaid, health plan, or any other plan or program providing health care coverage. Any third-party insurer, Medicare, Medicaid, health plan, or any other plan or program providing health care coverage would be responsible according to its provisions for payment for health care not relating to spina bifida or covered birth defects.

[EFFECTIVE DATE NOTE: 68 FR 1009, 1011, Jan. 8, 2003, revised this section, effective Jan. 8, 2003.]

§ 17.902 Preauthorization.

(a) Preauthorization from a benefits advisor of the Health Administration Center is required for the following services or benefits under §§ 17.900 through 17.905: rental or purchase of durable medical equipment with a total rental or purchase price in excess of $300, respectively; transplantation services; mental health services; training; substance abuse treatment; dental services; and travel (other than mileage at the General Services Administration rate for privately owned automobiles). Authorization will only be given in those cases where there is a demonstrated medical need related to the spina bifida or covered birth defects. Requests for provision of health care requiring preauthorization shall be made to the Health Administration Center and may be made by telephone, facsimile, mail, or hand delivery. The application must contain the following:

(1) Name of child,
(2) Child's Social Security number,
(3) Name of veteran,
(4) Veteran's Social Security number,
(5) Type of service requested,
(6) Medical justification,
(7) Estimated cost, and
(8) Name, address, and telephone number of provider.

(b) Notwithstanding the provisions of paragraph (a) of this section, preauthorization is not required for a condition for which failure to receive immediate treatment poses a serious threat to life or health. Such emergency care should be reported by telephone to the Health Administration Center within 72 hours of the emergency.

(Authority: 38 U.S.C. 101(2), 1802-1803, 1811-1813, 1821)

(The Office of Management and Budget has approved the information collection requirements in this section under control number 2900-0578.)
§ 17.903 Payment.

(a)(1) Payment for services or benefits under §§ 17.900 through 17.905 will be determined utilizing the same payment methodologies as provided for under the Civilian Health and Medical Program of the Department of Veterans Affairs (CHAMPVA) (see § 17.270).

(2) As a condition of payment, the services must have occurred:
   (i) For spina bifida, on or after October 1, 1997, and must have occurred on or after the date the child was determined eligible for benefits under § 3.814 of this title.
   (ii) For covered birth defects, on or after December 1, 2001, and must have occurred on or after the date the child was determined eligible for benefits under § 3.815 of this title.

(3) Claims from approved health care providers must be filed with the Health Administration Center in writing (facsimile, mail, hand delivery, or electronically) no later than:
   (i) One year after the date of service; or
   (ii) In the case of inpatient care, one year after the date of discharge; or
   (iii) In the case of retroactive approval for health care, 180 days following beneficiary notification of eligibility.

(4) Claims for health care provided under the provisions of §§ 17.900 through 17.905 must contain, as appropriate, the information set forth in paragraphs (a)(4)(i) through (a)(4)(v) of this section.
   (i) Patient identification information:
      (A) Full name,
      (B) Address,
      (C) Date of birth, and
      (D) Social Security number.
   (ii) Provider identification information (inpatient and outpatient services):
      (A) Full name and address (such as hospital or physician),
      (B) Remittance address,
      (C) Address where services were rendered,
      (D) Individual provider's professional status (M.D., Ph.D., R.N., etc.), and
      (E) Provider tax identification number (TIN) or Social Security number.
   (iii) Patient treatment information (long-term care or institutional services):
      (A) Dates of service (specific and inclusive),
      (B) Summary level itemization (by revenue code),
      (C) Dates of service for all absences from a hospital or other approved institution during a period for which inpatient benefits are being claimed,
      (D) Principal diagnosis established, after study, to be chiefly responsible for causing the patient's hospitalization,
      (E) All secondary diagnoses,
      (F) All procedures performed,
(G) Discharge status of the patient, and
(H) Institution's Medicare provider number.
(iv) Patient treatment information for all other health care providers and ancillary outpatient services such as durable medical equipment, medical requisites, and independent laboratories:
(A) Diagnosis,
(B) Procedure code for each procedure, service, or supply for each date of service, and
(C) Individual billed charge for each procedure, service, or supply for each date of service.
(v) Prescription drugs and medicines and pharmacy supplies:
(A) Name and address of pharmacy where drug was dispensed,
(B) Name of drug,
(C) National Drug Code (NDC) for drug provided,
(D) Strength,
(E) Quantity,
(F) Date dispensed,
(G) Pharmacy receipt for each drug dispensed (including billed charge), and
(H) Diagnosis for which each drug is prescribed.
(b) Health care payment will be provided in accordance with the provisions of §§ 17.900 through 17.905. However, the following are specifically excluded from payment:
(1) Care as part of a grant study or research program,
(2) Care considered experimental or investigational,
(3) Drugs not approved by the U.S. Food and Drug Administration for commercial marketing,
(4) Services, procedures, or supplies for which the beneficiary has no legal obligation to pay, such as services obtained at a health fair,
(5) Services provided outside the scope of the provider's license or certification, and
(6) Services rendered by providers suspended or sanctioned by a Federal agency.
(c) Payments made in accordance with the provisions of §§ 17.900 through 17.905 shall constitute payment in full. Accordingly, the health care provider or agent for the health care provider may not impose any additional charge for any services for which payment is made by VA.
(d) Explanation of benefits (EOB). -- (1) When a claim under the provisions of §§ 17.900 through 17.905 is adjudicated, an EOB will be sent to the beneficiary or guardian and the provider. The EOB provides, at a minimum, the following information:
(i) Name and address of recipient,
(ii) Description of services and/or supplies provided,
(iii) Dates of services or supplies provided,
(iv) Amount billed,
(v) Determined allowable amount,
(vi) To whom payment, if any, was made, and
(vii) Reasons for denial (if applicable).
(2) [Reserved]
(Authority: 38 U.S.C. 101(2), 1802-1803, 1811-1813, 1821)
(The Office of Management and Budget has approved the information collection requirements in this section under control number 2900-0578.)
§ 17.904 Review and appeal process.

For purposes of §§ 17.900 through 17.905, if a health care provider, child, or representative disagrees with a determination concerning provision of health care or with a determination concerning payment, the person or entity may request reconsideration. Such request must be submitted in writing (by facsimile, mail, or hand delivery) within one year of the date of the initial determination to the Health Administration Center (Attention: Chief, Benefit and Provider Services). The request must state why it is believed that the decision is in error and must include any new and relevant information not previously considered. Any request for reconsideration that does not identify the reason for dispute will be returned to the sender without further consideration. After reviewing the matter, including any relevant supporting documentation, a benefits advisor will issue a written determination (with a statement of findings and reasons) to the person or entity seeking reconsideration that affirms, reverses, or modifies the previous decision. If the person or entity seeking reconsideration is still dissatisfied, within 90 days of the date of the decision he or she may submit in writing (by facsimile, mail, or hand delivery) to the Health Administration Center (Attention: Director) a request for review by the Director, Health Administration Center. The Director will review the claim and any relevant supporting documentation and issue a decision in writing (with a statement of findings and reasons) that affirms, reverses, or modifies the previous decision. An appeal under this section would be considered as filed at the time it was delivered to the VA or at the time it was released for submission to the VA (for example, this could be evidenced by the postmark, if mailed).

Note to § 17.904: The final decision of the Director will inform the claimant of further appellate rights for an appeal to the Board of Veterans' Appeals. (Authority: 38 U.S.C. 101(2), 1802-1803, 1811-1813, 1821)

§ 17.905 Medical records.

Copies of medical records generated outside VA that relate to activities for which VA is asked to provide payment or that VA determines are necessary to adjudicate claims under §§ 17.900 through 17.905 must be provided to VA at no cost. (Authority: 38 U.S.C. 101(2), 1801-1806)

PAYMENT OR REIMBURSEMENT FOR EMERGENCY SERVICES FOR NONSERVICE-CONNECTED CONDITIONS IN NON-VA FACILITIES

§ 17.1000 Payment or reimbursement for emergency services for nonservice-connected conditions in non-VA facilities.
§ 17.1001 Definitions.
§ 17.1002 Substantive conditions for payment or reimbursement.
§ 17.1003 Emergency transportation.
§ 17.1004 Filing claims.
§ 17.1005 Payment limitations.
§ 17.1006 Decisionmakers.
§ 17.1007 Independent right of recovery.
§ 17.1008 Balance billing prohibited.

§ 17.1000 Payment or reimbursement for emergency services for nonservice-connected conditions in non-VA facilities.

Sections 17.1000 through 17.1008 constitute the requirements under 38 U.S.C. 1725 that govern VA payment or reimbursement for non-VA emergency services furnished to a veteran for nonservice-connected conditions.

NOTE TO § 17.1000: In cases where a patient is admitted for inpatient care, health care providers furnishing emergency treatment who believe they may have a basis for filing a claim with VA for payment under 38 U.S.C. 1725 should contact VA within 48-hours after admission for emergency treatment. Such contact is not a condition of VA payment. However, the contact will assist the provider in understanding the conditions for payment. The contact may also assist the provider in planning for transfer of the veteran after stabilization.

§ 17.1001 Definitions.

For purposes of §§ 17.1000 through 17.1008:
(a) The term health-plan contract means any of the following:
(1) An insurance policy or contract, medical or hospital service agreement, membership or subscription contract, or similar arrangement under which health services for individuals are provided or the expenses of such services are paid;
(2) An insurance program described in section 1811 of the Social Security Act (42 U.S.C. 1395c) or established by section 1831 of that Act (42 U.S.C. 1395j);
(3) A State plan for medical assistance approved under title XIX of the Social Security Act (42 U.S.C. 1396 et seq.);
(4) A workers' compensation law or plan described in section 38 U.S.C. 1729(a)(2)(A); or
(5) A law of a State or political subdivision described in 38 U.S.C. 1729(a)(2)(B) (concerning motor vehicle accidents).

(b) The term third party means any of the following:
(1) A Federal entity;
(2) A State or political subdivision of a State;
(3) An employer or an employer's insurance carrier;
(4) An automobile accident reparations insurance carrier; or
(5) A person or entity obligated to provide, or to pay the expenses of, health services under a health-plan contract.

(c) The term duplicate payment means payment made, in whole or in part, for the same emergency services for which VA reimbursed or made payment.

(d) The term stabilized means that no material deterioration of the emergency medical condition is likely, within reasonable medical probability, to occur if the veteran is discharged or transferred to a VA or other Federal facility.

(e) The term VA medical facility of jurisdiction means the nearest VA medical facility to where the emergency service was provided.

(38 U.S.C. 1725)

§ 17.1002 Substantive conditions for payment or reimbursement.

cclii

Payment or reimbursement under 38 U.S.C. 1725 for emergency services may be made only if all of the following conditions are met:

(a) The emergency services were provided in a hospital emergency department or a similar facility held out as providing emergency care to the public;

(b) The claim for payment or reimbursement for the initial evaluation and treatment is for a condition of such a nature that a prudent layperson would have reasonably expected that delay in seeking immediate medical attention would have been hazardous to life or health (this standard would be met if there were an emergency medical condition manifesting itself by acute symptoms of sufficient severity (including severe pain) that a prudent layperson who possesses an average knowledge of health and medicine could reasonably expect the absence of immediate medical attention to result in placing the health of the individual in serious jeopardy, serious impairment to bodily functions, or serious dysfunction of any bodily organ or part);

(c) A VA or other Federal facility/provider was not feasibly available and an attempt to use them beforehand would not have been considered reasonable by a prudent layperson (as an example, these conditions would be met by evidence establishing that a veteran was brought to a hospital in an ambulance and the ambulance personnel determined that the nearest available appropriate level of care was at a non-VA medical center);

(d) The claim for payment or reimbursement for any medical care beyond the initial emergency evaluation and treatment is for a continued medical emergency of such a nature that the veteran could not have been safely discharged or transferred to a VA or other Federal facility (the medical emergency lasts only until the time the veteran becomes stabilized);
At the time the emergency treatment was furnished, the veteran was enrolled in the VA health care system and had received medical services under authority of 38 U.S.C. chapter 17 within the 24-month period preceding the furnishing of such emergency treatment;

The veteran is financially liable to the provider of emergency treatment for that treatment;

The veteran has no coverage under a health-plan contract for payment or reimbursement, in whole or in part, for the emergency treatment (this condition cannot be met if the veteran has coverage under a health-plan contract but payment is barred because of a failure by the veteran or the provider to comply with the provisions of that health-plan contract, e.g., failure to submit a bill or medical records within specified time limits, or failure to exhaust appeals of the denial of payment);

If the condition for which the emergency treatment was furnished was caused by an accident or work-related injury, the claimant has exhausted without success all claims and remedies reasonably available to the veteran or provider against a third party for payment of such treatment; and the veteran has no contractual or legal recourse against a third party that could reasonably be pursued for the purpose of extinguishing, in whole or in part, the veteran's liability to the provider; and

The veteran is not eligible for reimbursement under 38 U.S.C. 1728 for the emergency treatment provided (38 U.S.C. 1728 authorizes VA payment or reimbursement for emergency treatment to a limited group of veterans, primarily those who receive emergency treatment for a service-connected disability).

§ 17.1003 Emergency transportation.

Notwithstanding the provisions of § 17.1002, payment or reimbursement under 38 U.S.C. 1725 for ambulance services, including air ambulance services, may be made for transporting a veteran to a facility only if the following conditions are met:

(a) Payment or reimbursement is authorized under 38 U.S.C. 1725 for emergency treatment provided at such facility (or payment or reimbursement could have been authorized under 38 U.S.C. 1725 for emergency treatment if death had not occurred before emergency treatment could be provided);

(b) The veteran is financially liable to the provider of the emergency transportation;

(c) The veteran has no coverage under a health-plan contract for reimbursement or payment, in whole or in part, for the emergency transportation or any emergency treatment authorized under 38 U.S.C. 1728 (this condition is not met if the veteran has coverage under a health-plan contract but payment is barred because of a failure by the veteran or the provider to comply with the provisions of that health-plan contract); and

(d) If the condition for which the emergency transportation was furnished was caused by an accident or work-related injury, the claimant has exhausted without success all claims and remedies reasonably available to the veteran or provider against a third party for payment of such transportation; and the veteran has no contractual or legal recourse
against a third party that could reasonably be pursued for the purpose of extinguishing, in whole or in part, the veteran's liability to the provider.

§ 17.1004 Filing claims.

ccliii Discussion and Analysis in the Veterans Benefits Manual

(a) A claimant for payment or reimbursement under 38 U.S.C. 1725 must be the entity that furnished the treatment, the veteran who paid for the treatment, or the person or organization that paid for such treatment on behalf of the veteran.

(b) To obtain payment or reimbursement for emergency treatment under 38 U.S.C. 1725, a claimant must submit to the VA medical facility of jurisdiction a completed standard billing form (such as a UB92 or a HCFA 1500). Where the form used does not contain a false claims notice, the completed form must also be accompanied by a signed, written statement declaring that "I hereby certify that this claim meets all of the conditions for payment by VA for emergency medical services under 38 CFR 17.1002 (except for paragraph (e)) and 17.1003. I am aware that 38 U.S.C. 6102(b) provides that one who obtains payment without being entitled to it and with intent to defraud the United States shall be fined in accordance with title 18, United States Code, or imprisoned not more than one year, or both."

NOTE TO § 17.1004(b): These regulations regarding payment or reimbursement for emergency services for nonservice-connected conditions in non-VA facilities also can be found on the internet at http://www.va.gov/health/elig.

(c) Notwithstanding the provisions of paragraph (b) of this section, no specific form is required for a claimant (or duly authorized representative) to claim payment or reimbursement for emergency transportation charges under 38 U.S.C. 1725. The claimant need only submit a signed and dated request for such payment or reimbursement to the VA medical facility of jurisdiction, together with a bill showing the services provided and charges for which the veteran is personally liable and a signed statement explaining who requested such transportation services and why they were necessary.

(d) To receive payment or reimbursement for emergency services, a claimant must file a claim within 90 days after the latest of the following:

(2) The date that the veteran was discharged from the facility that furnished the emergency treatment;

(3) The date of death, but only if the death occurred during transportation to a facility for emergency treatment or if the death occurred during the stay in the facility that included the provision of the emergency treatment; or

(4) The date the veteran finally exhausted, without success, action to obtain payment or reimbursement for the treatment from a third party.

(e) If after reviewing a claim the decisionmaker determines that additional information is needed to make a determination regarding the claim, such official will contact the claimant in writing and request additional information. The additional information must be submitted to the decisionmaker within 30 days of receipt of the request or the claim will be treated as abandoned, except that if the claimant within the 30-day period requests
§ 17.1005 Payment limitations.
(a) Payment or reimbursement for emergency treatment under 38 U.S.C. 1725 shall be the lesser of the amount for which the veteran is personally liable or 70 percent of the amount under the applicable Medicare fee schedule for such treatment.
(b) Reimbursement or payment for emergency treatment may be made only for the period from the beginning of the initial evaluation treatment until such time as the veteran could be safely discharged or transferred to a VA facility or other Federal facility. For purposes of payment or reimbursement under 38 U.S.C. 1725, VA deems it safe for the veteran to be transferred once the veteran has become stabilized.

§ 17.1006 Decisionmakers.
The Chief of the Health Administration Service or an equivalent official at the VA medical facility of jurisdiction will make all determinations regarding payment or reimbursement under 38 U.S.C. 1725, except that the Fee Service Review Physician or equivalent officer at the VA medical facility of jurisdiction will make determinations regarding § 17.1002(b), (c), and (d). Any decision denying a benefit must be in writing and inform the claimant of VA reconsideration and appeal rights.

§ 17.1007 Independent right of recovery.
(a) VA has the right to recover its payment under this section when, and to the extent that, a third party makes payment for all or part of the same emergency treatment for which VA reimbursed or made payment under this section.
(1) Under 38 U.S.C. 1725(d)(4), the veteran (or the veteran's personal representative, successor, dependents, or survivors) or claimant shall ensure that the Secretary is promptly notified of any payment received from any third party for emergency treatment furnished to the veteran. The veteran (or the veteran's personal representative, successor, dependents, or survivors) or claimant shall immediately forward all documents relating to such payment, cooperate with the Secretary in the investigation of such payment and assist the Secretary in enforcing the United States' right to recover any payment made and accepted under this section. The required notification and submission of documentation
must be provided by the veteran or claimant to the VA medical facility of jurisdiction within three working days of receipt of notice of the duplicate payment.

(2) If the Chief Financial Officer or equivalent official at the VA medical facility of jurisdiction concludes that payment from a third party was made for all or part of the same emergency treatment for which VA reimbursed or made payment under this section, such VA official shall, except as provided in paragraph (c) of this section, initiate action to collect or recover the amount of the duplicate payment in the same manner as for any other debt owed the United States.

(b)(1) Any amount paid by the United States to the veteran (or the veteran's personal representative, successor, dependents, or survivors) or to any other person or organization paying for such treatment shall constitute a lien in favor of the United States against any recovery the payee subsequently receives from a third party for the same treatment.

(2) Any amount paid by the United States, and accepted by the provider that furnished the veteran's emergency treatment, shall constitute a lien against any subsequent amount the provider receives from a third party for the same emergency treatment for which the United States made payment.

(c) If it is determined that a duplicate payment was made, the Chief Financial Officer or equivalent official at the VA medical facility of jurisdiction may waive recovery of a VA payment made under this section to a veteran upon determining that the veteran has substantially complied with the provisions of paragraph (a)(1) of this section and that actions to recover the payment would not be cost-effective or would conflict with other litigative interests of the United States.

(38 U.S.C. 1725)

§ 17.1008 Balance billing prohibited.
Payment by VA under 38 U.S.C. 1725 on behalf of a veteran to a provider of emergency treatment shall, unless rejected and refunded by the provider within 30 days of receipt, extinguish all liability on the part of the veteran for that emergency treatment. Neither the absence of a contract or agreement between VA and the provider nor any provision of a contract, agreement, or assignment to the contrary shall operate to modify, limit, or negate this requirement.

APPENDIX A TO SUBPART A OF PART 18 -- STATUTORY PROVISIONS TO WHICH THIS SUBPART APPLIES

APPENDIX B TO SUBPART A OF PART 18 -- ILLUSTRATIVE APPLICATION

§ 18.1 Purpose.
The purpose of this part is to effectuate the provisions of Title VI of the Civil Rights Act of 1964 (hereafter referred to as the Act) to the end that no person in the United States shall, on the ground of race, color, or national origin, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under any program or activity receiving Federal financial assistance from the Department of Veterans Affairs.

Sec. 602, 78 Stat. 252 (42 U.S.C. 2000d-1) and the laws referred to in Appendix A.

§ 18.2 Application of this part.
This part applies to any program for which Federal financial assistance is authorized under a law administered by the Department of Veterans Affairs, including the types of Federal financial assistance listed in appendix A to this subpart. It applies to money paid, property transferred, or other Federal financial assistance extended after the effective date of this part pursuant to an application approved prior to such effective date. This part does not apply to (a) any Federal financial assistance by way of insurance or guaranty contracts, (b) money paid, property transferred, or other assistance extended before the effective date of this part, (c) any assistance to any individual who is the ultimate beneficiary, or (d) any employment practice, under any such program, of any employer, employment agency, or labor organization, except to the extent described in § 18.3. The fact that a type of Federal financial assistance is not listed in appendix A to this subpart shall not mean, if Title VI of the Act is otherwise applicable, that a program is not covered. Other types of Federal financial assistance under statutes now in force or hereinafter enacted may be added to appendix A to this subpart by notice published in the FEDERAL REGISTER.
§ 18.3 Discrimination prohibited.
(a) General. No person in the United States shall, on the ground of race, color, or national origin be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under any program to which this part applies.
(b) Specific discriminatory actions prohibited. (1) A recipient to which this part applies may not, directly or through contractual or other arrangements, on grounds of race, color, or national origin:
(i) Deny an individual any service, financial aid, or other benefit provided under the program;
(ii) Provide any service, financial aid, or other benefit to an individual which is different, or is provided in a different manner, from that provided to others under the program;
(iii) Subject an individual to segregation or separate treatment in any matter related to receipt of any service, financial aid, or other benefit under the program;
(iv) Restrict an individual in any way in the enjoyment of any advantage or privilege enjoyed by others receiving any service, financial aid, or other benefit under the program;
(v) Treat an individual differently from others in determining whether is satisfied any admission, enrollment, quota, eligibility, membership or other requirement or condition which individuals must meet in order to be provided any service, financial aid, or other benefit provided under the program.
(vi) Deny a person an opportunity to participate in the program through the provision of services or otherwise or afford an opportunity to do so which is different from that afforded others under the program.
(vii) Deny a person the opportunity to participate as a member of a planning or advisory body which is an integral part of the program.
(2) A recipient, in determining the types of services, financial aid, or other benefits, or facilities which will be provided under any such program, or the class of individuals to whom, or the situations in which, such services, financial aid, other benefits, or facilities will be provided under any such program, or the class of individuals to be afforded an opportunity to participate in any such program, may not, directly or through contractual or other arrangements, utilize criteria or methods of administration which have the effect of subjecting individuals to discrimination because of their race, color, or national origin, or have the effect of defeating or substantially impairing accomplishment of the objectives of the program with respect to individuals of a particular race, color, or national origin.
(3) In determining the site or location of facilities, a recipient or applicant may not make selections with the purpose or effect of excluding individuals from, denying them the benefits of, or subjecting them to discrimination under any program to which this part applies on the grounds of race, color or national origin; or with the purpose or effect of defeating or substantially impairing the accomplishment of the objectives of the Act or this part.
(4) As used in this section the services, financial aid, or other benefits provided under a program receiving Federal financial assistance shall be deemed to include any service, financial aid, or other benefit provided in or through a facility provided with the aid of Federal financial assistance.

(5) The enumeration of specific forms of prohibited discrimination in this paragraph does not limit the generality of the prohibition in paragraph (a) of this section.

(6)(i) In administering a program regarding which the recipient has previously discriminated against persons on the ground of race, color, or national origin, the recipient must take affirmative action to overcome the effects of prior discrimination.

(ii) Even in the absence of such prior discrimination, a recipient in administering a program may take affirmative action to overcome the effects of conditions which resulted in limiting participation by persons of a particular race, color or national origin.

(c) Medical emergencies. Notwithstanding the foregoing provisions of this section, a recipient of Federal financial assistance shall not be deemed to have failed to comply with paragraph (a) of this section if immediate provision of a service or other benefit to an individual is necessary to prevent his or her death or serious impairment of his or her health, and such service or other benefit cannot be provided except by or through a medical institution which refuses or fails to comply with paragraph (a) of this section.

(d) Employment practices. (1) Whenever a primary objective of the Federal financial assistance to a program to which part 18 applies, is to provide employment, a recipient of such assistance may not (directly or through contractual or other arrangements) subject any individual to discrimination on the ground of race, color, or national origin in its employment practices under such program (including recruitment or recruitment advertising, employment, layoff, or termination, upgrading, demotion, or transfer, rates of pay or other forms of compensation, and use of facilities). The requirements applicable to construction employment under any such program shall be those specified in or pursuant to part III of Executive Order 11246 (3 CFR Chapter IV) or any Executive order which supersedes it.

(2) In regard to Federal financial assistance which does not have providing employment as a primary objective, the provisions of paragraph (d)(1) of this section apply to the employment practices of the recipient if discrimination on the ground of race, color, or national origin in such employment practices tends, on the grounds of race, color, or national origin, to exclude persons from participation in, to deny them the benefits of or to subject them to discrimination under the program receiving Federal financial assistance. In any such case, the provisions of paragraph (d)(1) of this section shall apply to the extent necessary to assure equality of opportunity to and nondiscriminatory treatment of beneficiaries.

§ 18.4 Assurances required.
(a) General. (1) Every application for Federal financial assistance to which this part applies, except an application to which paragraph (b) of this section applies, and every application for Federal financial assistance to provide a facility shall, as a condition to its approval and the extension of any Federal financial assistance pursuant to the application, contain or be accompanied by an assurance that the program will be conducted or the facility operated in compliance with all requirements imposed by or pursuant to this part. Every award of Federal financial assistance shall require the submission of such an assurance. In the case of an application for Federal financial assistance to provide real property or structures thereon, the assurance shall obligate the recipient, or, in the case of a subsequent transfer, the transferee, for the period during which the real property or structures are used for a purpose for which the Federal financial assistance is extended or for another purpose involving the provision of similar services or benefits. In the case of personal property the assurance shall obligate the recipient for the period during which the recipient retains ownership or possession of the property. In all other cases the assurance shall obligate the recipient for the period during which Federal financial assistance is extended pursuant to the application. The responsible agency official shall specify the form of the foregoing assurances and the extent to which like assurances will be required of subgrantees, contractors and subcontractors, transferees, successors in interest, and other participants. Any such assurance shall include provisions which give the United States a right to seek its judicial enforcement.

(2) Transfers of surplus property are subject to regulations issued by the Administrator of General Services (41 CFR subpart 101-6.2).

(b) Continuing Federal financial assistance. Every application by a State or a State agency for continuing Federal financial assistance to which this part applies (including the types of Federal financial assistance listed in appendix A to this subpart) shall as a condition to its approval and the extension of any Federal financial assistance pursuant to the application (1) contain or be accompanied by a statement that the program is (or, in the case of a new program, will be) conducted in compliance with all requirements imposed by or pursuant to this part, and (2) provide or be accompanied by provision for such methods of administration for the program as are found by the responsible agency official to give reasonable assurance that the applicant and all recipients of Federal financial assistance under such program will comply with all requirements imposed by or pursuant to this part. In any case in which the recipient is claiming financial assistance pursuant to arrangements entered into prior to the effective date of this part, the assurances provided by this paragraph shall be included in the first application or claim for assistance on or after the effective date of this part.

(c) Elementary and secondary schools. The requirements of paragraph (a) or (b) of this section with respect to any elementary or secondary school or school system shall be deemed to be satisfied if such school or school system (1) is subject to a final order of a court of the United States for the desegregation of such school or school system, and provides an assurance that it will comply with such order, including any future modification of such order, or (2) submits a plan for the desegregation of such school or school system which the responsible agency official determines is adequate to accomplish the purposes of the Act and this part, at the earliest practicable time, and provides reasonable assurance that it will carry out such plan; in any case of continuing Federal financial assistance the responsible agency official may reserve the right to
redetermine, after such period as may be specified by the official, the adequacy of the plan to accomplish the purposes of the Act and this part. In any case in which a final order of a court of the United States for the desegregation of such school or school system is entered after submission of such a plan, such plan shall be revised to conform to such final order, including any future modification of such order.

(d) Extent of application to institution or facility. In the case where any assurances are required from an academic, a medical care, or any other institution or facility, insofar as the assurances relate to the institution's practices with respect to the admission, care, or other treatment of persons by the institution or with respect to the opportunity of persons to participate in the receiving or providing of services, treatment, or benefits, such assurances shall be applicable to the entire institution or facility.

Sec. 602, 78 Stat. 252 (42 U.S.C. 2000d-1) and the laws referred to in Appendix A. [EFFECTIVE DATE NOTE: 68 FR 51334, 51369, Aug. 26, 2003, amended paragraphs (a) and (b) and revised paragraph (d), effective Sept. 25, 2003.]

§ 18.6 Compliance information.

(a) Cooperation and assistance. Each responsible agency official shall to the fullest extent practicable seek the cooperation of recipients in obtaining compliance with this part and shall provide assistance and guidance to recipients to help them comply voluntarily with this part.

(b) Compliance reports. Each recipient shall keep such records and submit to the responsible agency official or designee, timely, complete and accurate compliance reports at such times, and in such form and containing such information, as the responsible agency official or designee may determine to be necessary to enable the official to ascertain whether the recipient has complied or is complying with this part. In the case in which a primary recipient extends Federal financial assistance to any other recipient, such other recipient shall also submit such compliance reports to the primary recipient as may be necessary to enable the primary recipient to carry out its obligations under this part. In general, recipients should have available for the agency racial and ethnic data showing the extent to which members of minority groups are beneficiaries of federally assisted programs.

(c) Access to sources of information. Each recipient shall permit access by the responsible agency official or designee during normal business hours to such of its books, records, accounts, and other sources of information, and its facilities as may be pertinent to ascertain compliance with this part. Where any information required of a recipient is in the exclusive possession of any other agency, institution or person and this agency, institution or person shall fail or refuse to furnish this information, the recipient shall so certify in its report and shall set forth what efforts it has made to obtain the information.

(d) Information to beneficiaries and participants. Each recipient shall make available to participants, beneficiaries, and other interested persons such information regarding the provisions of this part and its applicability to the program for which the recipient receives Federal financial assistance, and make such information available to them in such manner, as the responsible agency official finds necessary to apprise such persons of the protections against discrimination assured them by the Act and this part.
§ 18.7 Conduct of investigations.

(a) Periodic compliance reviews. The responsible agency official or designee shall from time to time review the practices of recipients to determine whether they are complying with this part.

(b) Complaints. Any person or any specific class of individuals who believe they have been subjected to discrimination prohibited by this part may themselves, or by a representative, file with the responsible agency official or designee a written complaint. A complaint must be filed not later than 180 days from the date of the alleged discrimination unless the time for filing is extended by the responsible agency official or designee.

(c) Investigations. The responsible agency official or designee will initiate a prompt investigation whenever a compliance review, report, complaint, or any other information indicates a possible failure to comply with this part. The investigation should include, where appropriate, a review of the pertinent practices and policies of the recipient, the circumstances under which the possible noncompliance with this part occurred, and other factors relevant to a determination as to whether the recipient has failed to comply with this part.

(d) Resolution of matters. (1) If an investigation pursuant to paragraph (c) of this section indicates a failure to comply with this part, the responsible agency official or designee will so inform the recipient and the matter will be resolved by informal means whenever possible. If it has been determined that the matter cannot be resolved by informal means, action will be taken as provided for in § 18.8.

(2) If an investigation does not warrant action pursuant to paragraph (d)(1) of this section the responsible agency official or designee will so inform the recipient and the complainant, if any, in writing.

(e) Intimidatory or retaliatory acts prohibited. No recipient or other person shall intimidate, threaten, coerce, or discriminate against any individual for the purpose of interfering with any right or privilege secured by section 601 of the Act or this part, or because the individual has made a complaint, testified, assisted, or participated in any manner in an investigation, proceeding, or hearing under this part. The identity of complainants shall be kept confidential except to the extent necessary to carry out the purposes of this part, including the conduct of any investigation, hearing, or judicial proceeding arising thereunder.

§ 18.8 Procedure for effecting compliance.
(a) General. If there appears to be a failure or threatened failure to comply with this part, and if the noncompliance or threatened noncompliance cannot be corrected by informal means, compliance with this part may be effected by the suspension or termination of or refusal to grant or to continue Federal financial assistance or by any other means authorized by law. Such other means may include, but are not limited to, (1) a reference to the Department of Justice with a recommendation that appropriate proceedings be brought to enforce any rights of the United States under any law of the United States (including other titles of the Act), or any assurance or other contractual undertaking, and (2) any applicable proceeding under State or local law.

(b) Noncompliance with § 18.4. If an applicant fails or refuses to furnish an assurance required under § 18.4 or otherwise fails or refuses to comply with a requirement imposed by or pursuant to that section Federal financial assistance may be refused in accordance with the procedures of paragraph (c) of this section. The Department of Veterans Affairs shall not be required to provide assistance in such a case during the pendency of the administrative proceedings under such paragraph except that the Department of Veterans Affairs shall continue assistance during the pendency of such proceedings where such assistance is due and payable pursuant to an application therefor approved prior to the effective date of this part.

(c) Termination of or refusal to grant or to continue Federal financial assistance. No order suspending, terminating or refusing to grant or to continue Federal financial assistance shall become effective until (1) the responsible agency official has advised the applicant or recipient of failure to comply and has determined that compliance cannot be secured by voluntary means, (2) there has been an express finding on the record, after opportunity for hearing, of a failure by the applicant or recipient to comply with a requirement imposed by or pursuant to § 18.10(e), and (4) the expiration of 30 days after the Secretary has filed with the committee of the House and the committee of the Senate having legislative jurisdiction over the program involved, a full written report of the circumstances and the grounds for such action. Any action to suspend or terminate or to refuse to grant or to continue Federal financial assistance shall be limited to the particular political entity, or part thereof, or other applicant or recipient as to whom such a finding has been made and shall be limited in its effect to the particular program, or part thereof, in which such noncompliance has been so found.

(d) Other means authorized by law. No action to effect compliance with Title VI of the Act by any other means authorized by law shall be taken by the Department of Veterans Affairs until (1) the responsible agency official has determined that compliance cannot be secured by voluntary means, (2) the recipient or other person has been notified of its failure to comply and of the action to be taken to effect compliance, and (3) the expiration of at least 10 days from the mailing of such notice to the recipient or other person. During this period of at least 10 days, additional efforts shall be made to persuade the recipient or other person to comply with this part and to take such corrective action as may be appropriate.

Sec. 602, 78 Stat. 252 (42 U.S.C. 2000d-1) and the laws referred to in Appendix A.
§ 18.9 Hearings.

(a) Opportunity for hearing. Whenever an opportunity for a hearing is required by § 18.8(c), reasonable notice shall be given by registered or certified mail, return receipt requested, to the affected applicant or recipient. This notice shall advise the applicant or recipient of the action proposed to be taken, the specific provision under which the proposed action against it is to be taken, and the matters of fact or law asserted as the basis for this action, and either (1) fix a date not less than 20 days after the date of such notice within which the applicant or recipient may request of the responsible agency official that the matter be scheduled for hearing or (2) advise the applicant or recipient that the matter in question has been set down for hearing at a stated place and time. The time and place so fixed shall be reasonable and shall be subject to change for cause. The complainant, if any, shall be advised of the time and place of the hearing. An applicant or recipient may waive a hearing and submit written information and argument for the record. The failure of an applicant or recipient to request a hearing under this paragraph or to appear at a hearing for which a date has been set shall be deemed to be a waiver of the right to a hearing under section 602 of the Act and § 18.8(c) of this part and consent to the making of a decision on the basis of such information as is available.

(b) Time and place of hearing. Hearings shall be held at the offices of the Department of Veterans Affairs in Washington, D.C., at a time fixed by the responsible agency official unless the official determines that the convenience of the applicant or recipient or of the Department of Veterans Affairs requires that another place be selected. Hearings shall be held before the responsible agency official or, at the official's discretion, before an administrative law judge appointed in accordance with section 3105 of Title 5, U.S.C., or detailed under section 3344 of Title 5, U.S.C.

(c) Right to counsel. In all proceedings under this section, the applicant or recipient and the Department of Veterans Affairs shall have the right to be represented by counsel.

(d) Procedures, evidence, and record. (1) The hearing decision and any administrative review thereof shall be conducted in conformity with the procedures contained in 5 U.S.C. 554-557 (sections 5-8 of the Administrative Procedure Act) and in accordance with such rules of procedure as are proper (and not inconsistent with this section) relating to the conduct of the hearing, giving of notices subsequent to those provided for in paragraph (a) of this section, taking of testimony, exhibits, arguments and briefs, requests for findings, and other related matters. Both the Department of Veterans Affairs and the applicant or recipient shall be entitled to introduce all relevant evidence on the issues as stated in the notice for hearing or as determined by the officer conducting the hearing at the outset of or during the hearing.

(2) Technical rules of evidence shall not apply to hearings conducted pursuant to this part, but rules or principles designed to assure production of the most credible evidence available and to subject testimony to test by cross-examination shall be applied where reasonably necessary by the officer conducting the hearing. The hearing officer may exclude irrelevant, immaterial, or unduly repetitious evidence. All documents and other evidence offered or taken for the record shall be open to examination by the parties and opportunity shall be given to refute facts and arguments advanced on either side of the issues. A transcript shall be made of the oral evidence except to the extent the substance thereof is stipulated for the record. All decisions shall be based upon the hearing record and written findings shall be made.
(e) Consolidated or joint hearings. In cases in which the same or related facts are asserted to constitute noncompliance with this part with respect to two or more Federal statutes, authorities, or other means by which Federal financial assistance is extended and to which this part applies, or noncompliance with this part and the regulations of one or more other Federal departments or agencies issued under Title VI of the Act, the Secretary may, by agreement with such other departments or agencies where applicable, provide for the conduct of consolidated or joint hearings, and for the application to such hearings of rules of procedures not inconsistent with this part. Final decisions in such cases, insofar as this part is concerned, shall be made in accordance with § 18.10.

§ 18.10 Decisions and notices.
(a) Procedure on decisions by an administrative law judge. If the hearing is held by an administrative law judge such administrative law judge shall either make an initial decision, if so authorized, or certify the entire record including recommended findings and proposed decision to the responsible agency official for a final decision, and a copy of such initial decision or certification shall be mailed to the applicant or recipient. Where the initial decision is made by the administrative law judge the applicant or recipient may within 30 days of the mailing of such notice of initial decision file with the responsible agency official exceptions to the initial decision with reasons therefor. In the absence of exceptions, the responsible agency official may within 45 days after the initial decision serve on the applicant or recipient a notice that the decision will be reviewed. Upon the filing of such exceptions or of such notice of review the responsible agency official shall review the initial decision and issue a decision thereon including the reasons therefor. In the absence of either exceptions or a notice of review the initial decision shall constitute the final decision of the responsible agency official.

(b) Decisions on record or review by the responsible agency official. Whenever a record is certified to the responsible agency official for decision or the official reviews the decision of an administrative law judge pursuant to paragraph (a) of this section, or whenever the responsible agency official conducts the hearing, the applicant or recipient shall be given reasonable opportunity to file with the official briefs or other written statements of its contentions, and a written copy of the final decision of the responsible agency official shall be sent to the applicant or recipient and to the complainant, if any.

(c) Decisions on record where a hearing is waived. Whenever a hearing is waived pursuant to § 18.9(a) a decision shall be made by the responsible agency official on the record and a written copy of such decision shall be sent to the applicant or recipient, and to the complainant, if any.

(d) Rulings required. Each decision of an administrative law judge or responsible agency official shall set forth a ruling on each finding, conclusion, or exception presented, and shall identify the requirements imposed by or pursuant to this part with which it is found that the applicant or recipient has failed to comply.
(e) Approval by Secretary. Any final decision by an administrative law judge which provides for the suspension or termination of, or the refusal to grant or continue Federal financial assistance, or the imposition of any other sanction available under this part of the Act, shall promptly be transmitted to the Secretary personally, who may approve such decision, may vacate it, or remit or mitigate any sanction imposed.

(f) Content of orders. The final decision may provide for suspension or termination of, or refusal to grant or continue Federal financial assistance, in whole or in part, to which this regulation applies, and may contain such terms, conditions, and other provisions as are consistent with and will effectuate the purposes of the Act and this part, including provisions designed to assure that no Federal financial assistance to which this regulation applies will thereafter be extended to the applicant or recipient determined by such decision to be in default in its performance of an assurance given by it pursuant to this part, or to have otherwise failed to comply with this part, unless and until it corrects its noncompliance and satisfies the responsible agency official that it will fully comply with this part.

(g) Post termination proceedings. (1) An applicant or recipient adversely affected by an order issued under paragraph (f) of this section shall be restored to full eligibility to receive Federal financial assistance if it satisfies the terms and conditions of that order for such eligibility or if it brings itself into compliance with this section and provides reasonable assurance that it will fully comply with this part.

(2) Any applicant or recipient adversely affected by an order entered pursuant to paragraph (f) of this section may at any time request the responsible agency official to restore fully its eligibility to receive Federal financial assistance. Any such request shall be supported by information showing that the applicant or recipient has met the requirements of paragraph (g)(1) of this section. If the responsible agency official determines that those requirements have been satisfied, the official shall restore such eligibility.

(3) If the responsible agency official denies any such request, the applicant or recipient may submit a request for a hearing in writing, specifying why it believes such official to have been in error. It shall thereupon be given an expeditious hearing, with a decision on the record, in accordance with rules of procedure issued by the responsible agency official. The applicant or recipient will be restored to such eligibility if it proves at such a hearing that it satisfied the requirements of paragraph (g)(1) of this section. While proceedings under this paragraph are pending, the sanctions imposed by the order issued under paragraph (f) of this section shall remain in effect.

§ 18.11 Judicial review.
Action taken pursuant to section 602 of the Act is subject to judicial review as provided in section 603 of the Act.
§ 18.12 Effect on other regulations, forms and instructions.

(a) Effect on other regulations. All regulations, orders, or like directions issued before the effective date of this part by any officer of the Department of Veterans Affairs which impose requirements designed to prohibit any discrimination against individuals on the grounds of race, color or national origin under any program to which this part applies, and which authorize the suspension or termination of or refusal to grant or to continue Federal financial assistance to any applicant for or recipient of such assistance for failure to comply with such requirements, are hereby superseded to the extent that such discrimination is prohibited by this part, except that nothing in this part shall be deemed to relieve any person of any obligation assumed or imposed under any such superseded regulation, order, instruction, or like direction prior to the effective date of this part. Nothing in this part, however, shall be deemed to supersede any of the following (including future amendments thereof):

(1) Executive Orders 10925 (3 CFR, 1959-1963 Comp., p. 448), 11114 (3 CFR, 1959-1963, p. 774), and 11246 (3 CFR, 1965 Supp., p. 167) and regulations issued thereunder, or

(2) Executive Order 11063 (3 CFR, 1959-1963 Comp., p. 652) and regulations issued thereunder, or any other orders, regulations or instructions, insofar as such orders, regulations, or instructions prohibit discrimination on the grounds of race, color or national origin in any program or situation to which this part is inapplicable, or prohibit discrimination on any other ground.

(b) Forms and instructions. Each responsible agency officials shall issue and promptly make available to interested persons forms and detailed instructions and procedures for effectuating this part as applied to programs to which this part applies and for which he is responsible.

(c) Supervision and coordination. The Secretary may from time to time assign to officials of the Department of Veterans Affairs or to officials of other departments or agencies of the Government with the consent of such departments or agencies, responsibilities in connection with the effectuation of the purposes of Title VI of the Act and this part (other than responsibility for final decision as provided in § 18.10) including the achievement of effective coordination and maximum uniformity within the Department of Veterans Affairs and within the executive branch of the Government in the application of Title VI and this part to similar programs and in similar situations. Any action taken, determination made, or requirement imposed by an official of another department or agency acting pursuant to an assignment of responsibility under this paragraph shall have the same effect as though such action has been taken by the responsible official of this Agency.
§ 18.13 Definitions.
As used in this part:
(a) The term agency means the Department of Veterans Affairs, and includes each of its operating agencies and other organization units.
(b) The term Secretary means the Secretary of Veterans Affairs.
(c) The term responsible agency official with respect to any program receiving Federal financial assistance means the Secretary or other official of the Department of Veterans Affairs or an official of another department or agency to the extent the Secretary has delegated authority to such official.
(d) The term United States means the States of the United States, the District of Columbia, Puerto Rico, the Virgin Islands, American Samoa, Guam, Wake Island, the Canal Zone, and the territories and possessions of the United States, and the term State means any one of the foregoing.
(e) The term Federal financial assistance includes (1) grants of Federal funds, (2) the grant or donation of Federal property and interests in property, (3) the detail of Federal personnel, (4) the sale and lease of, and the permission to use (on other than a casual or transient basis), Federal property or any interest in such property without consideration or at a nominal consideration, or in recognition of the public interest to be served by such sale or lease to the recipient, and (5) any Federal agreement, arrangement, or other contract which has as one of its purposes the provision of assistance.
(f) The terms program or activity and program mean all of the operations of any entity described in paragraphs (f)(1) through (4) of this section, any part of which is extended Federal financial assistance:
(1)(i) A department, agency, special purpose district, or other instrumentality of a State or of a local government; or
(ii) The entity of such State or local government that distributes such assistance and each such department or agency (and each other State or local government entity) to which the assistance is extended, in the case of assistance to a State or local government;
(2)(i) A college, university, or other postsecondary institution, or a public system of higher education; or
(ii) A local educational agency (as defined in 20 U.S.C. 7801), system of vocational education, or other school system;
(3)(i) An entire corporation, partnership, or other private organization, or an entire sole proprietorship --
(A) If assistance is extended to such corporation, partnership, private organization, or sole proprietorship as a whole; or
(B) Which is principally engaged in the business of providing education, health care, housing, social services, or parks and recreation; or
(ii) The entire plant or other comparable, geographically separate facility to which Federal financial assistance is extended, in the case of any other corporation, partnership, private organization, or sole proprietorship; or
(4) Any other entity which is established by two or more of the entities described in paragraph (f)(1), (2), or (3) of this section.
(g) The term facility includes all or any portion of structures, equipment, or other real or personal property or interests therein, and the provision of facilities includes the construction, expansion, renovation, remodeling, alteration or acquisition of facilities. 

(h) The term recipient means any State, political subdivision of any State, or instrumentality of any State or political subdivision, any public or private agency, institution, or organization, or other entity, or any individual, in the United States, to whom Federal financial assistance is extended, directly or through another recipient, including any successor, assignee, or transferee thereof, but such term does not include any ultimate beneficiary.

(i) The term applicant means a person who submits an application, request, or plan required to be approved by the Secretary, or by a recipient, as a condition to eligibility for Federal financial assistance, and application means such an application, request, or plan.

3. Space and office facilities for representatives of recognized national organizations (38 U.S.C. 5902(a)(2)).
4. All-volunteer force educational assistance, vocational rehabilitation, post-Vietnam era veterans' educational assistance, survivors' and dependents' educational assistance, and administration of educational benefits (38 U.S.C. Chapters 30, 31, 32, 34, 35 and 36, respectively).
6. Approval of educational institutions (38 U.S.C. 104).
7. Space and office facilities for representatives of State employment services (38 U.S.C. 7725(1)).
10. Treatment and rehabilitation for alcohol or drug dependence or abuse disabilities (38 U.S.C. 1720A).
11. Aid to States for establishment, expansion, and improvement of veterans cemeteries (38 U.S.C. 2408).
12. Assistance in establishing new medical schools; grants to affiliated medical schools; assistance to health manpower training institutions (38 U.S.C. Chapter 82).

[51 FR 10385, Mar. 26, 1986]

Sec. 602, 78 Stat. 252 (42 U.S.C. 2000d-1) and the laws referred to in Appendix A.
The following examples, without being exhaustive, will illustrate the application of the nondiscrimination provisions to certain grants of the Department of Veterans Affairs. (In all cases the discrimination prohibited is discrimination on the grounds of race, color, or national origin prohibited by title VI of the Act and this part, as a condition of the receipt of Federal financial assistance.)

(a) In grants which support the provision of health or welfare services for veterans in State homes, discrimination in the selection or eligibility of individuals to receive the services, and segregation or other discriminatory practices in the manner of providing them, are prohibited. This prohibition extends to all facilities and services provided by the State as grantee under the program or by a political subdivision of the State. It extends also to services purchased or otherwise obtained by the grantee (or political subdivision) from hospitals, nursing homes, schools, and similar institutions for beneficiaries of the program, and to the facilities in which such services are provided, subject, however, to the provisions of § 18.3(c).

(b) In grants to assist in the construction of facilities for the provision of health or welfare services assurances will be required that services will be provided without discrimination, to the same extent that discrimination would be prohibited as a condition of Federal operating grants for the support of such services. Thus, as a condition of grants for the construction of a State home for furnishing nursing home care, assurances will be required that there will be no discrimination in the admission or treatment of patients. In the case of such grants the assurance will apply to patients, to interns, residents, student nurses, and other trainees, and to the privilege of physicians, dentists, and other professionally qualified persons to practice in the nursing home, and will apply to the entire facility for which, or for a part of which, the grant is made, and to facilities operated in connection therewith.

(c) Upon transfers of real or personal surplus property for health or educational uses, discrimination is prohibited to the same extent as in the case of grants for the construction of facilities or the provision of equipment for like purposes.

(d) A recipient may not take action that is calculated to bring about indirectly what this part forbids it to accomplish directly. Thus a State, in selecting or approving projects or sites for the construction of a nursing home which will receive Federal financial assistance, may not base its selections or approvals on criteria which have the effect of defeating or of substantially impairing accomplishment of the objectives of the Federal assistance program with respect to individuals of a particular race, color, or national origin.

§ 18.401 Purpose.
The purpose of this part is to effectuate section 504 of the Rehabilitation Act of 1973, which is designed to eliminate discrimination on the basis of handicap in any program or activity receiving Federal financial assistance.

[45 FR 63268, Sept. 24, 1980]

§ 18.402 Application.
This part applies to each recipient of Federal financial assistance from the Department of Veterans Affairs and to each program or activity that receives such assistance.

§ 18.403 Definitions.
As used in this part, the term:
(b) Section 504 means section 504 of the Act.
(d) Agency means the Department of Veterans Affairs.
(e) Secretary means the Secretary of Veterans Affairs.
(f) Recipient means any State or its political subdivision, any instrumentality of a State or its political subdivision, any public or private agency, institution, organization, or other entity, or any person to which Federal financial assistance is extended directly or through another recipient, including any successor, assignee, or transferee of a recipient but excluding the ultimate beneficiary of the assistance.
(g) Applicant for assistance means one who submits an application, request, or plan required to be approved by an Agency official or by a recipient as a condition to eligibility for Federal financial assistance.

(h) Federal financial assistance means any grant, loan, contract (other than a procurement contract or a contract of insurance or guaranty), or any other arrangement by which the Agency provides or otherwise makes available assistance in the form of:

(1) Funds, including funds extended to any entity for payment to or on behalf of students admitted to that entity, extended directly to those students for payment to that entity, or extended directly to those students contingent upon their participation in education or training of that entity;

(2) Services of Federal personnel; or

(3) Real and personal property or any interest in or use of property, including;

(i) Transfers or leases of such property for less than fair market value or for reduced consideration; and

(ii) Proceeds from a subsequent transfer or lease of such property if the Federal share of its fair market value is not returned to the Federal Government.

(i) Facility means all or any portion of buildings, structures, equipment, roads, walks, parking lots, or other real or personal property or interest in such property.

(j) Handicapped person. (1) Handicapped person means any person who:

(i) Has a physical or mental impairment which substantially limits one or more major life activities;

(ii) Has a record of such an impairment; or

(iii) Is regarded as having such an impairment.

(2) As used in paragraph (j)(1) of this section, the phrase:

(i) Physical or mental impairment means:

(A) Any physiological disorder or condition, cosmetic disfigurement, or anatomical loss affecting one or more of the following body systems: Neurological, musculoskeletal; special sense organs including speech organs; respiratory; cardiovascular; reproductive; digestive; genitourinary; hemic and lymphatic; skin; and endocrine; or

(B) Any mental or psychological disorder, such as mental retardation, organic brain syndrome, emotional or mental illness, and specific learning disabilities.

(C) The term physical or mental impairment includes, but is not limited to, such diseases and conditions as orthopedic, visual, speech and hearing impairments, cerebral palsy, epilepsy, muscular dystrophy, multiple sclerosis, cancer, heart disease, diabetes, mental retardation, emotional illness, drug addiction and alcoholism.

(ii) Major life activities means functions such as caring for one's self, performing manual tasks, walking, seeing, hearing, speaking, breathing, learning and working.

(iii) Has a record of such an impairment means has a history of, or has been misclassified as having, a mental or physical impairment that substantially limits one or more major life activities.

(iv) Is regarded as having an impairment means:

(A) Has a physical or mental impairment that does not substantially limit major life activities but is treated by a recipient as constituting such a limitation;

(B) Has a physical or mental impairment that substantially limits major life activities only as a result of the attitudes of others toward such impairment;
(C) Has none of the impairments defined in paragraph (j)(2)(i) of this section, but is treated by a recipient as having such an impairment.

(k) Qualified handicapped person means:
(1) With respect to employment, a handicapped person who, with reasonable accommodation, can perform the essential functions of the job in question;
(2) With respect to public elementary, secondary, or adult educational services, a handicapped person:
   (i) Of an age during which nonhandicapped persons are provided such services;
   (ii) Of any age during which it is mandatory under State laws to provide such services to handicapped persons; or
   (iii) To whom a State is required to provide a free appropriate public education under section 612 of the Education of the Handicapped Act; and
(3) With respect to postsecondary and vocational education services, a handicapped person who meets the academic and technical standards requisite to admission or participation in the recipient's education program or activity; and
(4) With respect to other services, a handicapped person who meets the essential eligibility requirements for the receipt of such services.

(l) Handicap means any condition or characteristic that renders a person a handicapped person as defined in paragraph (j) of this section.

(m) Program or activity means all of the operations of any entity described in paragraphs (m)(1) through (4) of this section, any part of which is extended Federal financial assistance:
(1)(i) A department, agency, special purpose district, or other instrumentality of a State or of a local government; or
   (ii) The entity of such State or local government that distributes such assistance and each such department or agency (and each other State or local government entity) to which the assistance is extended, in the case of assistance to a State or local government;
(2)(i) A college, university, or other postsecondary institution, or a public system of higher education; or
   (ii) A local educational agency (as defined in 20 U.S.C. 7801), system of vocational education, or other school system;
(3)(i) An entire corporation, partnership, or other private organization, or an entire sole proprietorship --
   (A) If assistance is extended to such corporation, partnership, private organization, or sole proprietorship as a whole; or
   (B) Which is principally engaged in the business of providing education, health care, housing, social services, or parks and recreation; or
   (ii) The entire plant or other comparable, geographically separate facility to which Federal financial assistance is extended, in the case of any other corporation, partnership, private organization, or sole proprietorship; or
(4) Any other entity that is established by two or more of the entities described in paragraph (m)(1), (2), or (3) of this section.

[EFFECTIVE DATE NOTE: 68 FR 51334, 51370, Aug. 26, 2003, amended paragraph (h)(1) and added paragraph (m), effective Sept. 25, 2003.]
§ 18.404 Discrimination prohibited.

(a) General. No qualified handicapped person shall, on the basis of handicap, be excluded from participation in, be denied the benefits of, or otherwise be subjected to discrimination under any program or activity which receives Federal financial assistance.

(b) Discriminatory actions prohibited. (1) A recipient, in providing an aid, benefit, or service, may not, directly or through contractual, licensing, or other arrangements, on the basis of handicap:

(i) Deny a qualified handicapped person the opportunity to participate in or benefit from the aid, benefit, or service that is equal to that afforded others;

(ii) Afford a qualified handicapped person an opportunity to participate in or benefit from the aid, benefit, or service that is not equal to that afforded others;

(iii) Provide a qualified handicapped person with an aid, benefit, or service that is not as effective as that provided to others;

(iv) Provide different or separate aid, benefits, or services to handicapped persons or to any class of handicapped persons unless such action is necessary to provide qualified handicapped persons with aid, benefits, or services that are as effective as those provided to others;

(v) Aid or perpetuate discrimination against a qualified handicapped person by providing significant assistance to an agency, organization, or person that discriminates on the basis of handicap in providing any aid, benefit, or service to beneficiaries of the recipient's program or activity;

(vi) Deny a qualified handicapped person the opportunity to participate as a member of planning or advisory boards; or

(vii) Otherwise limit a qualified handicapped person in the enjoyment of any right, privilege, advantage, or opportunity enjoyed by others receiving an aid, benefit, or service.

(2) Aids, benefits, and services, to be equally effective, are not required to produce the identical result or level of achievement for handicapped and nonhandicapped persons, but must give handicapped persons equal opportunity to obtain the same result, to gain the same benefit, or to reach the same level of achievement, in the most integrated setting appropriate to the person's needs.

(3) Despite the existence of separate or different aid, benefits, or services provided in accordance with this part, a recipient may not deny a qualified handicapped person the opportunity to participate in programs or activities that are not separate or different.

(4) A recipient may not, directly or through contractual or other arrangements, utilize criteria or methods of administration that:

(i) Have the effect of subjecting qualified handicapped persons to discrimination on the basis of handicap,

(ii) Have the purpose or effect of defeating or substantially impairing accomplishment of the objectives of the recipient's program or activity with respect to handicapped persons, or

(iii) Perpetuate the discrimination of another recipient if both recipients are subject to common administrative control or are agencies of the same State.

(5) In determining the site or location of a facility, an applicant for assistance or a recipient may not make selections that:
(i) Have the effect of excluding handicapped persons from, deny them the benefits of, or otherwise subject them to discrimination under any program or activity that receives Federal financial assistance, or
(ii) Have the purpose or effect of defeating or substantially impairing the accomplishment of the objective of the program or activity with respect to handicapped persons.
(6) As used in this section, the aid, benefit, or service provided under a program or activity receiving Federal financial assistance includes any aid, benefit, or service provided in or through a facility that has been constructed, expanded, altered, leased or rented, or otherwise acquired, in whole or in part, with Federal financial assistance.
(c) Aid, benefits, or services limited by Federal law. The exclusion of nonhandicapped persons or the exclusion of a specific class of handicapped persons from aid, benefits, or services limited by Federal statute or Executive order to a different class of handicapped persons is not prohibited by this part.
(d) Special communication. Recipients shall take appropriate action to ensure that communications with their applicants, employees, and beneficiaries are available to persons with impaired vision and hearing.

§ 18.405 Assurances required.
(a) Assurances. An applicant for Federal financial assistance to which this part applies shall submit an assurance on a form specified by the Secretary, that the program or activity will be operated in compliance with this part.
(b) Duration of obligation. (1) When Federal financial assistance is extended in the form of real property or structures on the property, the assurance will obligate the recipient or, in the case of a subsequent transfer, the transferee, for the period during which the real property or structures are used for the purpose for which Federal financial assistance is extended or for another purpose involving the provisions of similar services or benefits.
(2) Where Federal financial assistance is extended to provide personal property, the assurance will obligate the recipient for the period during which it retains ownership or possession of the property.
(3) In all other cases the assurance will obligate the recipient for the period during which Federal financial assistance is extended.
(c) Extent of application to institution or facility. An assurance shall apply to the entire institution or facility.
(d) Covenants. (1) Where Federal financial assistance is provided in the form of real property or interest in the property from the Agency, the instrument effecting or recording this transfer shall contain a covenant running with the land to assure nondiscrimination for the period during which the real property is used for a purpose for which the Federal financial assistance is extended or for another purpose involving the provisions of similar services or benefits.
(2) Where no transfer of property is involved but property is purchased or improved with Federal financial assistance, the recipient shall agree to include the covenant described in paragraph (b)(2) of this section in the instrument effecting or recording any subsequent transfer of property.
(3) Where Federal financial assistance is provided in the form of real property or interest in the property from the Agency, the covenant shall also include a condition coupled with a right to be reserved by the Agency to revert title to the property if there is a breach of the covenant. If a transferree of real property proposes to mortgage or otherwise encumber the real property as security for financing construction of new, or improvement of existing, facilities on the property for the purpose for which the property was transferred, the Secretary may, upon request of the transferee and if necessary to accomplish such financing and upon such conditions as considered appropriate, agree to forbear the exercise of the right to revert title for as long as the lien of the mortgage or other encumbrance remains effective.

(e) Other methods of enforcement. (1) Recipients are required to keep such records as the responsible VA official deems necessary for complete and accurate compliance reports. VA can specify intervals for reporting and prescribe the form and content of information required to ascertain whether the recipient has complied or is complying with the law.

(2) Periodic compliance reviews of training establishments will be conducted by VA compliance officers. During these reviews recipients are required to permit access by VA compliance officers during normal business hours to such of their books, records, accounts, facilities and other sources of information including interviews with personnel and trainees as may be pertinent to ascertain compliance with the law.

(3) From study of documentation, results of interviews, and observation of activities during tours of facilities, compliance officers will evaluate recipients' compliance status.

§ 18.406 Remedial action, voluntary action and self-evaluation.

(a) Remedial action. (1) If the Secretary finds that a recipient has discriminated against qualified persons on the basis of handicap in violation of section 504 or this part, the recipient shall take such remedial action as the Secretary considers necessary to overcome the effects of the discrimination.

(2) Where a recipient is found to have discriminated against qualified persons on the basis of handicap in violation of section 504 or this part and where another recipient exercises control over the recipient that has discriminated, the Secretary, where appropriate, may require either or both recipients to take remedial action.

(3) The Secretary may, where necessary to overcome the effects of discrimination in violation of section 504 or this part, require a recipient to take remedial action with respect to:

(i) Handicapped persons who are no longer participants in the recipient's program or activity but who were participants in the program or activity when such discrimination occurred;

(ii) Handicapped persons who would have been participants in the program or activity had the discrimination not occurred; or

(iii) Handicapped persons presently in the program or activity, but not receiving full benefits or equal and integrated treatment within the program or activity.
(b) Voluntary action. A recipient may take steps, in addition to any action that is required by this part, to overcome the effects of conditions that resulted in limited participation in the recipient's program or activity by qualified handicapped persons.

(c) Self-evaluation. (1) A recipient shall, within one year of the effective date of this part:
   (i) Evaluate with the assistance of interested persons, including handicapped persons or organizations representing handicapped persons, its current policies and practices and the effects of the policies and practices that do not or may not meet the requirements of this part;
   (ii) Modify, after consultation with interested persons, including handicapped persons or organizations representing handicapped persons, any policies and practices that do not meet the requirements of this part; and
   (iii) Take, after consultation with interested persons, including handicapped persons or organizations representing handicapped persons, appropriate remedial steps to eliminate the effects of any discrimination that resulted from adherence to these policies and practices.

(2) A recipient that employs fifteen or more persons shall, for at least three years following completion of the evaluation required under paragraph (c)(1) of this section, maintain on file, make available for public inspection, and provide to the Secretary upon request:
   (i) A list of the interested persons consulted;
   (ii) A description of areas examined and any problems identified; and
   (iii) A description of any modifications made and of any remedial steps taken.

(3) Recipients who become such more than one year after the effective date of these regulations shall complete these self-evaluation requirements within one year after becoming recipients of Federal financial assistance.

(The information collection requirements contained in paragraph (c) have been approved by the Office of Management and Budget under control number 2900-0415)

§ 18.407 Designation of responsible employee and adoption of grievance procedures.

(a) Designation of responsible employee. A recipient that employs fifteen or more persons shall designate at least one person to coordinate its efforts to comply with this part.

(b) Adoption of grievance procedures. A recipient that employs fifteen or more persons shall adopt grievance procedures that incorporate appropriate due process standards and that provide for the prompt and equitable resolution of complaints alleging any action prohibited by this part. Such procedures need not be established with respect to complaints from applicants for employment or from applicants for admission to postsecondary educational institutions.

[45 FR 63268, Sept. 24, 1980]
§ 18.408 Notice.
(a) A recipient that employs fifteen or more persons shall take appropriate initial and continuing steps to notify participants, beneficiaries, applicants, and employees, including those with impaired vision or hearing, and unions or professional organizations holding collective bargaining or professional agreements with the recipient that it does not discriminate on the basis of handicap in violation of section 504 and this part. The notification shall state, where appropriate, that the recipient does not discriminate in admission or access to, or treatment, or employment in, its programs or activities. The notification shall also include an identification of the responsible employee designated under § 18.407. A recipient shall make the initial notification required by this paragraph within 90 days of the effective date of this part. Methods of initial and continuing notification may include the posting of notices, publication in newspapers and magazines, placement of notices in recipient’s publication, and distribution of memorandums or other written communications.
(b) If a recipient publishes or uses recruitment materials or publications containing general information that it makes available to participants, beneficiaries, applicants, or employees, it shall include in those materials or publications a statement of the policy described in paragraph (a) of this section. A recipient may meet the requirement of this section either by including appropriate inserts in existing materials and publications or by revising and reprinting the materials and publications.

§ 18.409 Administrative requirements for certain recipients.
The Secretary may require any recipient with fewer than fifteen employees, or any class of such recipients, to comply with §§ 18.407 and 18.408 in whole or in part, when the Secretary finds a violation of this part or finds that such compliance will not significantly impair the ability of the recipient or class of recipients to provide benefits or services.
[45 FR 63268, Sept. 24, 1980]

§ 18.410 Effect of State or local law or other requirements and effect of employment opportunities.
(a) The obligation to comply with this part is not obviated or alleviated by the existence of any State law or other requirement that, on the basis of handicap, imposes prohibitions or limits upon the eligibility of qualified handicapped persons to receive services or to practice any occupation or profession.
(b) The obligation to comply with this part is not obviated or alleviated because employment opportunities in any occupation or profession are or may be more limited for handicapped persons than for nonhandicapped persons.

EMPLOYMENT PRACTICES

§ 18.411 Discrimination prohibited.
§ 18.412 Reasonable accommodation.
§ 18.413 Employment criteria.
§ 18.414 Preemployment inquiries.

§ 18.411 Discrimination prohibited.
(a) General. (1) No qualified handicapped person shall, on the basis of handicap, be subjected to discrimination in employment under any program or activity to which this part applies.
(2) A recipient shall make all decisions concerning employment under any program or activity to which this part applies in a manner which ensures that discrimination on the basis of handicap does not occur and may not limit, segregate, or classify applicants or employees in any way that adversely affects their opportunities or status because of handicap.
(3) A recipient may not participate in a contractual or other relationship that has the effect of subjecting qualified handicapped applicants or employees to discrimination in employment. The relationships referred to in this section include relationships with employment and referral agencies, with organizations providing or administering fringe benefits to employees of the recipient, and with organizations providing training and apprenticeships.
(b) Specific activities. Nondiscrimination in employment applies to:
(1) Recruitment, advertising, and the processing of applications for employment;
(2) Hiring, upgrading, promotion, award of tenure, demotion, transfer, layoff, termination, right of return from layoff, and rehiring;
(3) Rates of pay or other forms of compensation and changes in compensation;
(4) Job assignments, job classifications, organizational structures, position descriptions, lines of progression, and seniority lists;
(5) Leaves of absence, sick leave, or any other leave;
(6) Fringe benefits available by virtue of employment, whether or not administered by the recipient;
(7) Selection and financial support for training, including apprenticeship, professional meetings, conferences, and other related activities, and selection for leaves of absence to pursue training;
(8) Employer sponsored activities, including those that are social or recreational; and
(9) Any other term, condition, or privilege of employment.
(c) Collective bargaining agreements. A recipient’s obligation to comply with this subpart is not affected by any inconsistent term of any collective bargaining agreement to which it is a party.

[EFFECTIVE DATE NOTE: 68 FR 51334, 51370, Aug. 26, 2003, amended paragraphs (a)(3) and (b)(8), effective Sept. 25, 2003.]

§ 18.412 Reasonable accommodation.
(a) A recipient shall make reasonable accommodation to the known physical or mental limitations of a handicapped applicant or employee if such accommodation would enable that person to perform the essential functions of the job unless the recipient can demonstrate that the accommodation would impose an undue hardship on the operation of its program or activity.
(b) Reasonable accommodation may include:
(1) Making facilities used by employees readily accessible to and usable by handicapped persons; and
(2) Job restructuring, part-time or modified work schedules, acquisition or modification of equipment or devices, the provision of readers or interpreters and other similar actions.
(c) In determining under paragraph (a) of this section whether an accommodation would impose an undue hardship on the operation of a recipient's program or activity, factors to be considered include:
(1) The overall size of the recipient's program or activity with respect to number of employees, number and type of facilities, and size of budget;
(2) The type of the recipient's operation, including the composition and structure of the recipient's work force; and
(3) The nature and cost of the accommodation needed.
(d) A recipient may not deny any employment opportunity to a qualified handicapped employee or applicant if the basis for denial is the need to make reasonable accommodation to the physical or mental limitations of the employee or applicant.

[PUBLISHER'S NOTE: FEDERAL CASES CITING THIS SECTION -- Johnston v. Henderson, 144 F. Supp. 2d 1341]

§ 18.413 Employment criteria.
(a) A recipient may not use any employment test or other selection criterion that screens out or tends to screen out handicapped persons or any class of handicapped persons unless:
(1) The test score or other selection criterion, as used by the recipient, is shown to be job-related for the position in question; and
(2) Alternative job-related tests or criteria that do not screen out or tend to screen out as many handicapped persons are not shown by the Secretary to be available.
(b) A recipient shall select and administer tests concerning employment to best ensure that when administered to an applicant or employee who has a handicap that impairs sensory, manual, or speaking skills, the test results accurately reflect the applicant's or employee's job skills, aptitude, or whatever other factor the test purports to measure, rather than reflect the applicant's or employee's impaired sensory, manual, or speaking skills (except when those skills are the factors that the test purports to measure).
[45 FR 63268, Sept. 24, 1980]

§ 18.414 Preemployment inquiries.
(a) Except as provided in paragraphs (b) and (c) of this section, a recipient may not conduct a preemployment medical examination or may not make preemployment inquiry of an applicant as to whether the applicant is a handicapped person or as to the nature or severity of a handicap. A recipient may, however, make preemployment inquiry into the applicant's ability to perform job-related functions.

(b) When a recipient is taking remedial action to correct the effects of past discrimination pursuant to § 18.406(a), when a recipient is taking voluntary action to overcome the effects of conditions that resulted in limited participation in its federally assisted program or activity pursuant to § 18.406(b), or when a recipient is taking affirmative action pursuant to section 503 of the Act, the recipient may invite applicants for employment to indicate whether and to what extent they are handicapped, provided that:

(1) The recipient states clearly on any written questionnaire used for this purpose or makes clear orally if no written questionnaire is used that the information requested is intended for use solely in connection with its remedial action obligations or its voluntary or affirmative action efforts; and

(2) The recipient states clearly that the information is being requested on a voluntary basis, that it will be kept confidential as provided in paragraph (d) of this section, that refusal to provide it will not subject the applicant or employee to any adverse treatment, and that it will be used only in accordance with this part.

(c) Nothing in this section shall prohibit a recipient from conditioning an offer of employment on the results of a medical examination conducted prior to the employee's entrance on duty, provided that:

(1) All entering employees are subjected to such an examination regardless of handicap, and (2) the results of such an examination are used only in accordance with the requirements of this part.

(d) Information obtained in accordance with this section as to the medical condition or history of the applicant shall be collected and maintained on separate forms that shall be accorded confidentiality as medical records, except that:

(1) Supervisors and managers may be informed regarding restrictions on the work or duties of handicapped persons and regarding necessary accommodations;
(2) First aid and safety personnel may be informed, where appropriate, if the condition might require emergency treatment;
(3) Government officials investigating compliance with the Act shall be provided relevant information upon request.

ACCESSIBILITY

§ 18.421 Discrimination prohibited.
§ 18.422 Existing facilities.
§ 18.423 New construction.

§ 18.421 Discrimination prohibited.
No qualified handicapped person shall, because a recipient's facilities are inaccessible to or unusable by handicapped persons, be denied the benefits of, be excluded from participation in, or otherwise be subjected to discrimination under any program or activity to which this part applies.
[45 FR 63268, Sept. 24, 1980]

§ 18.422 Existing facilities.
(a) Accessibility. A recipient shall operate each program or activity to which this part applies so that when each part is viewed in its entirety it is readily accessible to handicapped persons. This paragraph does not require a recipient to make each of its existing facilities or every part of a facility accessible to and usable by handicapped persons.
(b) Methods. A recipient may comply with the requirement of paragraph (a) of this section through such measures as redesign of equipment, reassignment of classes or other services to accessible buildings, assignment of aids to beneficiaries, home visits, delivery of health, or other social services at alternate accessible sites, alteration of existing facilities and construction of new facilities in conformance with § 18.423 or any other methods that make its program or activity accessible to handicapped persons. A recipient is not required to make structural changes in existing facilities where other methods are effective in making its programs or activities readily accessible to handicapped persons. In choosing among available methods for complying with paragraph (a) of this section, a recipient shall give priority to methods that serve handicapped persons in the most integrated setting appropriate.
(c) Small health, welfare or other social service providers, and recipients that operate other than educational programs or activities. If a recipient with fewer than fifteen employees finds after consultation with a handicapped person seeking its services that there is no method of complying with paragraph (a) of this section other than making a significant alteration in its existing facilities, the recipient may, as an alternative, refer the qualified handicapped person to other providers whose services are accessible. Where referrals are necessary, transportation costs shall not exceed costs to and from recipients' programs or activities.
(d) Time period. A recipient shall comply with paragraph (a) of this section within 60 days of the effective date of this part except that when structural changes in facilities are necessary, these changes shall be made as soon as practicable, but not later than three years after the effective date of this part.
(e) Transition plan. If structural changes to facilities are necessary to meet the requirements of paragraph (a) of this section, a recipient shall develop a transition plan within six months of the effective date of this part setting forth the steps necessary to
complete such change. The plan shall be developed with the assistance of interested persons, including handicapped persons or organizations representing handicapped persons. A copy of the transition plan shall be available for public inspection. The plan shall, at a minimum:

1. Identify physical obstacles in the recipient's facilities that limit the accessibility of its program or activity to handicapped persons;
2. Describe in detail the methods that will be used to make the facilities accessible;
3. Specify the schedule for taking the steps necessary to achieve full accessibility under paragraph (a) of this section and, if the time period of the transition plan is longer than one year, identify steps that will be taken during each year of the transition period; and
4. Indicate the person responsible for implementation of the plan.

(f) Notice. The recipient shall implement procedures to ensure that interested persons, including persons with impaired vision or hearing, can obtain information concerning the existence and location of services, activities, and facilities that are accessible to and usable by handicapped persons.

(The information collection requirements contained in paragraph (e) have been approved by the Office of Management and Budget under control number 2900-0414)

§ 18.423 New construction.

(a) Design and construction. Each facility or part of a facility constructed by, on behalf of, or for the use of a recipient shall be designed and constructed so that the facility or part of the facility is readily accessible to and usable by handicapped persons, if the construction was commenced after the effective date of this part.

(b) Alteration. Each facility or part of a facility which is altered by, on behalf of, or for the use of a recipient after the effective date of this part in a manner that affects or could affect the usability of the facility or part of the facility shall, to the maximum extent feasible, be altered so that the altered portion of the facility is readily accessible to and usable by handicapped persons.

(c) Conformance with Uniform Federal Accessibility Standards. (1) Effective as of January 18, 1991, design, construction, or alteration of buildings in conformance with sections 3-8 of the Uniform Federal Accessibility Standards (USAF) (appendix A to 41 CFR subpart 101-19.6) shall be deemed to comply with the requirements of this section with respect to those buildings. Departures from particular technical and scoping requirements of UFAS by the use of other methods are permitted where substantially equivalent or greater access to and usability of the building is provided.

(2) For purposes of this section, section 4.1.6(1)(g) of UFAS shall be interpreted to exempt from the requirements of UFAS only mechanical rooms and other spaces that, because of their intended use, will not require accessibility to the public or beneficiaries or result in the employment or residence therein of persons with physical handicaps.

(3) This section does not require recipients to make building alterations that have little likelihood of being accomplished without removing or altering a load-bearing structural member.
ELEMENTARY, SECONDARY, AND ADULT EDUCATION

§ 18.431 Application.
§ 18.432 Location and notification.
§ 18.433 Free appropriate public education.
§ 18.434 Education setting.
§ 18.435 Evaluation and placement.
§ 18.436 Procedural safeguards.
§ 18.437 Nonacademic services.
§ 18.438 Adult education.
§ 18.439 Private education.

§ 18.431 Application.
Sections 18.431 through 18.439 apply to elementary, secondary, and adult education programs or activities that receive Federal financial assistance from the Department of Veterans Affairs and to recipients that operate or receive Federal financial assistance for the operation of such programs or activities.

§ 18.432 Location and notification.
A recipient that operates a public elementary or secondary educational program shall annually:
(a) Undertake to identify and locate every qualified handicapped person residing in the recipient's jurisdiction who is not receiving a public education; and
(b) Take appropriate steps to notify handicapped persons their parents or guardians of the recipient's duty under §§ 18.431 through 18.439.
[45 FR 63268, Sept. 24, 1980]

§ 18.433 Free appropriate public education.
(a) General. A recipient that operates a public elementary or secondary education program shall provide a free appropriate public education to each qualified handicapped person who is in the recipient's jurisdiction, regardless of the nature or severity of the person's handicap.
(b) Appropriate education. (1) The provision of an appropriate education is the provision of regular or special education and related aids and services that:
(i) Are designed to meet individual educational needs of handicapped persons as adequately as the needs of nonhandicapped persons are met; and
(ii) Are based upon adherence to procedures that satisfy the requirements of §§ 18.434, 18.435, and 18.436.
(2) Implementation of an Individualized Education Program developed in accordance with the Education of the Handicapped Act is one means of meeting the standard established in paragraph (b)(1)(i) of this section.
(3) A recipient may place a qualified handicapped person or refer that person for aid, benefits, or services other than those that it operates or provides as its means of carrying out the requirements of §§ 18.431 through 18.439. The recipients remain responsible for ensuring that the requirements of §§ 18.431 through 18.439 are met with respect to any qualified handicapped person so placed or referred.

(c) Free education. (1) The provision of a free education is the provision of educational and related services without cost to the handicapped person, parents or guardian, except for those fees that are imposed on nonhandicapped persons or their parents or guardian. It may consist either of the provision of free services or, if a recipient places a handicapped person or refers that person for aid, benefits, or services not operated or provided by the recipient as its means of carrying out the requirements of §§ 18.431 through 18.439, of payment for the costs of the aid, benefits, or services. Funds available from any public or private agency may be used to meet the requirements of this subpart. Nothing in this section shall be construed to relieve an insurer or similar third party from an otherwise valid obligation to provide or pay for services provided to a handicapped person.

(2) If a recipient places a handicapped person or refers that person for aid, benefits, or services not operated or provided by the recipient as its means of carrying out the requirements of this subpart, the recipient shall ensure that adequate transportation to and from the aid, benefits, or services is provided at no greater cost than would be incurred by the person, parents or guardian if the person were placed in the aid, benefits, or services operated or provided by the recipient.

(3) If placement in a public or private residential program is necessary to provide free appropriate public education to a handicapped person because of his or her handicap, the program, including non-medical care and room and board, shall be provided at no cost to the person, parents or guardian.

(4) If a recipient has made available, in conformance with this section and § 18.434, a free appropriate public education to a handicapped person and the person's parents or guardian chooses to place the person in a private school, the recipient is not required to pay for the person's education in the private school. Disagreements between a parent or guardian and a recipient regarding whether the recipient has made a free appropriate public education available or regarding the question of financial responsibility are subject to the due process procedures of § 18.436.

(d) Compliance. A recipient may not exclude any qualified handicapped person from a public elementary or secondary education after the effective date of this part. A recipient that is not, on the effective date of this part, in full compliance with the requirements of paragraphs (a) through (c) of this section shall meet those requirements at the earliest practicable time, but not later than October 1, 1981.

§ 18.434 Education setting.

(a) Academic setting. A recipient shall educate, or shall provide for the education of, each qualified handicapped person in its jurisdiction with persons who are not handicapped to the maximum extent appropriate to the needs of the handicapped person. A recipient shall
place a handicapped person in the regular educational environment operated by the recipient unless it is demonstrated by the recipient that the education of the person in the regular environment with the use of supplementary aids and services cannot be achieved satisfactorily. In deciding whether to place a person in a setting other than the regular educational environment, a recipient shall consider the proximity of the alternate setting to the person's home.

(b) Nonacademic settings. In providing or arranging for the provision of nonacademic and extracurricular services and activities, a recipient shall ensure that handicapped persons participate with nonhandicapped persons in those activities and services to the maximum extent appropriate to the needs of the handicapped person in question.

(c) Comparable facilities. If a recipient in compliance with paragraph (a) of this section operates a facility that is identifiable as being for handicapped persons, the recipient shall ensure that the facility and the services and activities provided in that facility are comparable to the other facilities, services, and activities of the recipient.

[45 FR 63268, Sept. 24, 1980]

§ 18.435 Evaluation and placement.

(a) Preplacement evaluation. A recipient that operates a public elementary or secondary education program or activity shall conduct an evaluation of any qualified person who, because of handicap, needs or is believed to need special education or related services before taking any action concerning the initial placement of the person in regular or program special education and any subsequent change in placement.

(b) Evaluation procedures. Elementary, secondary, and adult education programs or activities that receive Federal financial assistance shall establish standards and procedures for the evaluation and placement of persons who, because of handicap, need or are believed to need special education or related services which ensure that:

(1) Tests and other evaluation materials have been validated for the specific purpose for which they are used and are administered by trained personnel in conformance with the instructions provided by their producer;

(2) Tests and other evaluation materials include those tailored to assess specific areas of educational need and not merely those which are designed to provide a single general intelligence quotient; and

(3) Tests are selected and administered to best ensure that, when a test is administered to a student with impaired sensory, manual, or speaking skills, the test results accurately reflect the student's aptitude or achievement level or whatever other factor the test purports to measure, rather than reflect the student's impaired sensory, manual, or speaking skills (except where those skills are the factors that the test purports to measure.)

(c) Placement procedures. In interpreting evaluation data and in making placement decisions, a recipient shall:

(1) Draw upon information from a variety of sources, including aptitude and achievement tests, teacher recommendations, physical condition, social or cultural background and adaptive behavior;

(2) Establish procedures to ensure that information obtained from all sources is documented and carefully considered;
(3) Ensure that the placement decision is made by a group of persons, including persons knowledgeable about the student, the meaning of the evaluation data and the placement options; and
(4) Ensure that the placement decision is made in accordance with § 18.434.

(d) Reevaluation. A recipient to which this section applies shall establish procedures, in accordance with paragraph (b) of this section, for periodic reevaluation of students who have been provided special education and related services. A reevaluation procedure consistent with the Education for the Handicapped Act is one means of meeting this requirement.

[EFFECTIVE DATE NOTE: 68 FR 51334, 51370, Aug. 26, 2003, amended paragraph (a) and the introductory text of paragraph (b), effective Sept. 25, 2003.]

§ 18.436 Procedural safeguards.
(a) A recipient that operates a public elementary or secondary education program shall implement a system of procedural safeguards with respect to actions regarding the identification, evaluation, or educational placement of persons who, because of handicap, need or are believed to need special instruction or related services. The system shall include:
(1) Notice;
(2) An opportunity for the parents or guardian of the person to examine relevant records;
(3) An impartial hearing with opportunity for participation by the person's parents or guardian and representation by counsel; and
(4) Review procedure.
(b) Compliance with the procedural safeguards of section 615 of the Education of the Handicapped Act is one means of meeting this requirement.

[45 FR 63268, Sept. 24, 1980]

§ 18.437 Nonacademic services.
(a) General. (1) Elementary, secondary, and adult education programs that receive Federal financial assistance shall provide nonacademic and extracurricular services and activities in a manner which gives handicapped students an equal opportunity for participation in these services and activities.
(2) Nonacademic and extracurricular services and activities may include counseling services, physical recreational athletics, transportation, health services, recreational activities, special interest groups or clubs sponsored by the recipient, referrals to agencies which provide assistance to handicapped persons, and employment of students, including both employment by the recipient and assistance in making available outside employment.
(b) Counseling services. Elementary, secondary, and adult education programs that receive Federal financial assistance and that provide personal, academic, or vocational counseling, guidance, or placement services to their students shall provide these services without discrimination on the basis of handicap and shall ensure that qualified handicapped students are not counseled toward more restrictive career objectives than are nonhandicapped students with similar interests and abilities.
(c) Physical education and athletics. (1) In providing physical education courses and athletics and similar aid, benefits, or services to any of its students, an elementary, secondary, or adult education program or activity that receives Federal financial assistance may not discriminate on the basis of handicap. A recipient that offers physical education courses or that operates or sponsors interscholastic, club, or intramural activities shall provide to qualified handicapped students an equal opportunity for participation.

(2) A recipient may offer to handicapped students physical education and athletic activities that are separate or different from those offered to nonhandicapped students only if separation or differentiation is consistent with the requirements of § 18.434 and only if no qualified handicapped student is denied the opportunity to compete for teams or to participate in courses that are not separate or different.

§ 18.438 Adult education.
A recipient that provides adult education may not, on the basis of handicap, exclude qualified handicapped persons. The recipient shall take into account the needs of these persons in determining the aid, benefits, or services to be provided.

§ 18.439 Private education.
(a) A recipient that provides private elementary or secondary education may not on the basis of handicap, exclude a qualified handicapped person if the person can, with minor adjustments, be provided an appropriate education, as defined in § 18.433(b)(1), within that recipient's program or activity.

(b) A recipient may not charge more for providing an appropriate education to handicapped persons than to nonhandicapped persons except to the extent that any additional charge is justified by a substantial increase in cost to the recipient.

(c) A recipient to which this section applies that provides special education shall do so in accordance with §§ 18.435 and 18.436. Each recipient to which this section applies is subject to §§ 18.434, 18.437, and 18.438.

[EFFECTIVE DATE NOTE: 68 FR 51334, 51370, Aug. 26, 2003, amended paragraphs (a) and (c), effective Sept. 25, 2003.]

§ 18.441 Application.
Sections 18.441 through 18.447 apply to postsecondary education programs or activities that receive Federal financial assistance from the Department of Veterans Affairs and to recipients that operate or receive Federal financial assistance for the operation of such programs or activities.

§ 18.442 Admissions and recruitment.
(a) General. Qualified handicapped persons may not, on the basis of handicap, be denied admission or be subjected to discrimination in admission or recruitment by a recipient. 
(b) Admission. In administering its admission policies, a recipient;
(1) May not apply limitations on the number or proportion of handicapped persons who may be admitted;
(2) May not use any test or criterion for admission that has a disproportionate, adverse effect on handicapped persons or any class of handicapped persons unless:
   (i) The test or criterion, as used by the recipient, has been validated as a predictor of success in the education program or activity in question; and
   (ii) Alternate tests or criteria that have a less disproportionate, adverse effect are not shown by the Secretary to be available;
(3) Shall assure itself that:
   (i) Admissions tests are selected and administered to best ensure that, when a test is administered to an applicant who has a handicap that impairs sensory, manual, or speaking skills, the test results accurately reflect the applicant's aptitude or achievement level or whatever other factors the test purports to measure, rather than reflect the applicant's impaired sensory, manual, or speaking skills (except where those skills are the factors that the test purports to measure);
   (ii) Admissions tests that are designed for persons with impaired sensory, manual, or speaking skills are offered as often and in as timely a manner as are other admissions tests; and
   (iii) Admissions tests are administered in facilities that, on the whole, are accessible to handicapped persons; and
(4) Except as provided in paragraph (c) of this section, may not make preadmission inquiries as to whether an applicant for admission is a handicapped person. After
admission, the recipient may inquire on a confidential basis as to handicaps that may require accommodation.

(c) Preadmission inquiry exception. When a recipient is taking remedial action to correct the effects of past discrimination under § 18.406(a) or when a recipient is taking voluntary action to overcome the effects of conditions that resulted in limited participation in its federally assisted program or activity under § 18.406(b), the recipient may invite applicants for admission to indicate whether and to what extent they are handicapped.

(1) The recipient shall state clearly on any written questionnaire used for this purpose or make clear orally if no written questionnaire is used that the information requested is intended for use solely in connection with its remedial action obligations or its voluntary action efforts; and

(2) The recipient shall state clearly that the information is being requested on a voluntary basis, that it will be kept confidential, that refusal to provide it will not subject the applicant to any adverse treatment, and that it will be used only in accordance with this part.

(d) Validity studies. For the purpose of paragraph (b)(2) of this section, a recipient may base prediction equations on first year grades, but shall conduct periodic validity studies against the criterion of overall success in the education program or activity in question to monitor the general validity of the test scores.

§ 18.443 General treatment of students.

(a) No qualified handicapped student shall, on the basis of handicap, be excluded from participation in, be denied the benefits of, or otherwise be subjected to discrimination under any academic, research, occupational training, housing, health insurance, counseling, financial aid, physical education, athletics, recreation, transportation, other extracurricular, or other aid, benefits, or services operated by a recipient to which this subpart applies.

(b) A recipient that considers participation by students in education programs or activities not operated wholly by the recipient as part of, or equivalent to, an education program or activity operated by the recipient shall assure itself that the other education program or activity, as a whole, provides an equal opportunity for the participation of qualified handicapped persons.

(c) A recipient to which this subpart applies may not, on the basis of handicap, exclude any qualified handicapped student from any course, course of study, or other part of its education program or activity.

(d) A recipient shall operate its program or activity in the most integrated setting appropriate.

[EFFECTIVE DATE NOTE: 68 FR 51334, 51370, Aug. 26, 2003, amended paragraphs (a) and (d), effective Sept. 25, 2003.]

§ 18.444 Academic adjustments.
(a) Academic requirements. A recipient shall make necessary modifications to its academic requirements to ensure that these requirements do not discriminate or have the effect of discriminating, on the basis of handicap, against a qualified handicapped applicant or student. Modifications may include changes in the length of time permitted for the completion of degree requirements, substitution of specific courses required for the completion of degree requirements, and adaptation of the manner in which specific courses are conducted. Academic requirements that the recipient can demonstrate are essential to the instruction being pursued by the student or to any directly related licensing requirement will not be regarded as discriminatory within the meaning of this section.

(b) Other rules. A recipient may not impose upon handicapped students other rules, such as the prohibition of tape recorders in classrooms or guide dogs in campus buildings, that have the effect of limiting the participation of handicapped students in the recipient's education program or activity.

(c) Course examinations. In its course examinations or other procedures for evaluating students' academic achievement, a recipient shall provide methods for evaluating the achievement of students who have a handicap that impairs sensory, manual, or speaking skills that will best ensure that the results of the evaluation represent the students' achievement in the course, rather than reflect the students' impaired sensory, manual, or speaking skills (except where such skills are the factors that the test purports to measure).

(d) Auxiliary aids. (1) A recipient shall ensure that no qualified handicapped student is denied the benefits of, excluded from participation in, or otherwise subjected to discrimination because of the absence of educational auxiliary aids for students with impaired sensory, manual, or speaking skills.

(2) Auxiliary aids may include taped texts, interpreters or other effective methods of making orally delivered materials available to students with hearing impairments, readers in libraries for students with visual impairments, classroom equipment adapted for use by students with manual impairments, and other similar services and actions. Recipients need not provide attendants, individually prescribed devices, readers for personal use or study, or other devices or services of a personal nature.

§ 18.445 Housing.

(a) Housing provided by a recipient. A recipient that provides housing to its nonhandicapped students shall provide comparable, convenient, and accessible housing to qualified handicapped students at the same cost as to others. At the end of the transition period provided for in § 18.422(e), this housing shall be available in sufficient quantity and variety so that the scope of handicapped students' choice of living accommodations is, as a whole, comparable to that of nonhandicapped students.

(b) Other housing. A recipient that assists any agency, organization, or person in making housing available to any of its students shall assure itself that such housing is, as a whole, made available in a manner that does not result in discrimination on the basis of handicap.
§ 18.446 Financial and employment assistance to students.
(a) Provision of financial assistance. (1) In providing financial assistance to qualified handicapped persons, a recipient may not:
   (i) On the basis of handicap, provide less assistance than is provided to nonhandicapped persons, limit eligibility for assistance, or otherwise discriminate; or
   (ii) Assist any entity or person that provides assistance to any of the recipient's students in a manner that discriminates against qualified handicapped persons on the basis of handicap.
(2) A recipient may administer or assist in the administration of scholarships, fellowships, or other forms of financial assistance established under wills, trusts, bequests, or similar legal instruments that require awards to be made on the basis of factors that discriminate or have the effect of discriminating on the basis of handicap only if the overall effect of the award of scholarships, fellowships, and other forms of financial assistance is not discriminatory on the basis of handicap.
(b) Assistance in making available outside employment. A recipient that assists any agency, organization, or person in providing employment opportunities to any of its students shall assure itself that these employment opportunities, as a whole, are made available in a manner that would not violate §§ 18.411 through 18.414 if the opportunities were provided by the recipient.
(c) Employment of students by recipients. A recipient that employs any of its students may not do so in a manner that violates §§ 18.411 through 18.414.

§ 18.447 Nonacademic services.
(a) Physical education and athletics. (1) In providing physical education courses and athletics and similar aid, benefits, or services to any of its students, a recipient may not discriminate on the basis of handicap. A recipient that offers physical education courses or that operates or sponsors intercollegiate, club or intramural athletics shall provide to qualified handicapped students an equal opportunity for participation in these activities.
(2) A recipient may offer to handicapped students physical education and athletic activities that are separate or different only if separation or differentiation is consistent with the requirements of § 18.443(d) and only if no qualified handicapped student is denied the opportunity to compete for teams or to participate in courses that are not separate or different.
(b) Counseling and placement services. A recipient that provides personal, academic, or vocational counseling, guidance, or placement services to its students shall provide these services without discrimination on the basis of handicap. The recipient shall ensure that qualified handicapped students are not counseled toward more restrictive career objectives than are nonhandicapped students with similar interests and abilities. This requirement does not preclude a recipient from providing factual information about licensing and certification requirements that may present obstacles to handicapped persons in their pursuit of particular careers.
(c) Social organizations. A recipient that provides significant assistance to fraternities, sororities, or similar organizations shall assure itself that the membership practices of these organizations do not permit discrimination otherwise prohibited by §§ 18.441 through 18.447.

HEALTH AND SOCIAL SERVICES

§ 18.451 Application.
§ 18.452 Health and other social services.
§ 18.453 Drug and alcohol addicts.
§ 18.454 Education of institutionalized persons.

§ 18.451 Application.
Subpart F applies to health, and other social service programs or activities that receive Federal financial assistance from the Department of Veterans Affairs and to recipients that operate or receive Federal financial assistance for the operation of such programs or activities.

§ 18.452 Health and other social services.
(a) General. In providing health, or other social services or benefits, a recipient may not, on the basis of handicap:
(1) Deny a qualified handicapped person these benefits or services;
(2) Give a qualified handicapped person the opportunity to receive benefits or services that are not equal to those offered nonhandicapped persons.
(3) Provide a qualified handicapped person with benefits or services that are not as effective (as defined in § 18.404(b)(2)) as the benefits or services provided to others;
(4) Provide benefits or services in a manner that limits or has the effect of limiting the participation of qualified handicapped persons; or
(5) Provide different or separate benefits or services to handicapped persons except where necessary to provide qualified handicapped persons with benefits and services that are as effective as those provided to others.
(b) Notice. A recipient that provides notice concerning benefits or services or written material concerning waivers of rights of consent to treatment shall ensure that qualified handicapped persons, including those with impaired sensory or speaking skills, are not denied effective notice because of their handicap.
(c) Emergency treatment for the hearing impaired. A recipient hospital that provides health services or benefits shall establish a procedure for effective communication with persons with impaired hearing for the purpose of providing emergency care.
(d) Auxiliary aids. (1) A recipient that employs fifteen or more persons shall provide appropriate auxiliary aids to persons with impaired sensory, manual, or speaking skills, where necessary to give these persons an equal opportunity to benefit from the service in question.
(2) The Secretary may require recipients with fewer than fifteen employees to provide auxiliary aids where the provision of aids would not significantly impair the ability of the recipient to provide its benefits or services.
(3) Auxiliary aids may include brailled and taped material, interpreters, and aids for persons with impaired hearing or vision.

§ 18.453 Drug and alcohol addicts.
A recipient that operates a general hospital or outpatient facility may not discriminate, with regard to a drug or alcohol abuser or alcoholic who is suffering from a medical condition, in the admission of that person for treatment of the medical condition, or in the treatment of the medical condition because of the person's drug or alcohol abuse or alcoholism.
[45 FR 63268, Sept. 24, 1980]

§ 18.454 Education of institutionalized persons.
A recipient that operates or supervises a program or activity that provides aid, benefits, or services for persons who are institutionalized because of handicap and is responsible for providing training shall ensure that each qualified handicapped person, as defined in §18.403(k)(2), in its program or activity that provides aid, benefits, or services is provided an appropriate education, as defined in §18.433(b). Nothing in this section shall be interpreted as altering in any way the obligations of recipients under §§18.431 through 18.439.

SUBPART E -- NONDISCRIMINATION ON THE BASIS OF AGE

GENERAL
STANDARDS FOR DETERMINING AGE DISCRIMINATION
RESPONSIBILITIES OF DEPARTMENT OF VETERANS AFFAIRS
RECIPIENTS
INVESTIGATION, CONCILIATION AND ENFORCEMENT PROCEDURES
GENERAL

§ 18.501 Purpose.
§ 18.502 Application.
§ 18.503 Definitions.

§ 18.501 Purpose.
The purpose of these regulations is to set out Department of Veterans Affairs (VA) policies and procedures under the Age Discrimination Act of 1975 and the governmentwide age discrimination regulations at 45 CFR part 90. The Act and the governmentwide regulations prohibit discrimination on the basis of age in programs or activities receiving Federal financial assistance. The Act and the governmentwide regulations permit federally assisted programs or activities, and recipients of Federal funds, to continue to use age distinctions and factors other than age which meet the requirements of the Act and its implementing regulations.

(42 U.S.C. 6101-6107)

§ 18.502 Application.
(a) These regulations apply to any program or activity receiving Federal financial assistance provided by VA directly or through another recipient.
(b) These regulations do not apply to:
(1) An age distinction contained in that part of a Federal, State, or local statute or ordinance adopted by an elected, general purpose legislative body which:
(i) Provides any benefits or assistance to persons based on age; or
(ii) Establishes criteria for participation in age-related terms; or
(iii) Describes intended beneficiaries or target groups in age-related terms.
(2) Any employment practice of any employer, employment agency, labor organization, or any labor-management joint apprenticeship training program, except any program or activity receiving Federal financial assistance for public service employment under the Job Training Partnership Act, 29 U.S.C. 1501, et seq.

(42 U.S.C. 6101-6107)

§ 18.503 Definitions.
As used in these regulations:
(b) Action means any act, activity, policy, rule, standard, or method of administration; or the use of any policy, rule, standard, or method of administration.
(c) Secretary means the Secretary of Veterans Affairs or designees.
(d) Age means how old a person is, or the number of elapsed years from the date of a person's birth.
(e) Age discrimination means unlawful treatment based on age.
(f) Age distinction means any action using age or an age-related term.
(g) Age-related term means a word or words which necessarily imply a particular age or range of ages (for example, children, adult, older persons, but not student).
(h) Day means calendar day.
(i) Federal financial assistance means any grant, entitlement, loan, cooperative agreement, contract (other than a procurement contract or a contract of insurance or guaranty), or any other arrangement by which a Federal agency or department provides or otherwise makes available assistance in the form of:

(1) Funds; or
(2) Services of Federal personnel; or
(3) Real and personal property or any interest in or use of property, including:

(i) Transfers or leases of property for less than fair market value or for reduced consideration; and

(ii) Proceeds from a subsequent transfer or lease of property if the Federal share of its market value is not returned to the Federal Government.
(j) Program or activity means all of the operations of any entity described in paragraphs (j)(1) through (4) of this section, any part of which is extended Federal financial assistance:

(1)(i) A department, agency, special purpose district, or other instrumentality of a State or of a local government; or

(ii) The entity of such State or local government that distributes such assistance and each such department or agency (and each other State or local government entity) to which the assistance is extended, in the case of assistance to a State or local government;

(2)(i) A college, university, or other postsecondary institution, or a public system of higher education; or

(ii) A local educational agency (as defined in 20 U.S.C. 7801), system of vocational education, or other school system;

(3)(i) An entire corporation, partnership, or other private organization, or an entire sole proprietorship --

(A) If assistance is extended to such corporation, partnership, private organization, or sole proprietorship as a whole; or

(B) Which is principally engaged in the business of providing education, health care, housing, social services, or parks and recreation; or

(ii) The entire plant or other comparable, geographically separate facility to which Federal financial assistance is extended, in the case of any other corporation, partnership, private organization, or sole proprietorship; or

(4) Any other entity that is established by two or more of the entities described in paragraph (j)(1), (2), or (3) of this section.
(k) Recipient means any State or its political subdivision, any instrumentality of a State or its political subdivision, any public or private agency, institution, organization, or other entity, or any person to which Federal financial assistance is extended, directly or through another recipient. Recipient includes any successor, assignee, or transferee, but excludes the ultimate beneficiary of the assistance.
(l) Subrecipient means any of the entities in the definition of recipient to which a recipient extends or passes on Federal financial assistance. A subrecipient is generally regarded as a recipient of Federal financial assistance and has all the duties of a recipient in these regulations.

(m) United States means the fifty States, the District of Columbia, Puerto Rico, the Virgin Islands, the Canal Zone, the Trust Territories of the Pacific Islands, the Northern Marianas, and the territories and possessions of the United States.

(42 U.S.C. 6101-6107)
STANDARDS FOR DETERMINING AGE DISCRIMINATION

§ 18.511 Rules against age discrimination.
§ 18.512 Definitions of 'normal operation' and 'statutory objective.'
§ 18.513 Exceptions to the rules against age discrimination; normal operation or statutory objective of any program or activity.
§ 18.514 Exceptions to the rules against age discrimination; reasonable factors other than age.
§ 18.515 Burden of proof.
§ 18.516 Affirmative action by recipients.

§ 18.511 Rules against age discrimination.
The rules in this section are limited by the exceptions contained in §§ 18.513 and 18.514 of these regulations.
(a) General rule. No person in the United States shall, on the basis of age, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under, any program or activity receiving Federal financial assistance.
(b) Specific rules. A recipient may not, in any program or activity receiving Federal financial assistance, directly or through contractual licensing, or other arrangements, use age distinctions or take any other actions which have the effect, on the basis of age, of:
   (1) Excluding individuals from, denying them the benefits of, or subjecting them to discrimination under, a program or activity receiving Federal financial assistance; or
   (2) Denying or limiting individuals in their opportunity to participate in any program or activity receiving Federal financial assistance.
(c) The specific forms of age discrimination listed in paragraph (b) of this section do not necessarily constitute a complete list.

(42 U.S.C. 6101-6107)

§ 18.512 Definitions of 'normal operation' and 'statutory objective.'
For the purpose of these regulations, the terms normal operation and statutory objective shall have the following meaning:
(a) Normal operation means the operation of a program or activity without significant changes that would impair its ability to meet its objectives.
(b) Statutory objective means any purpose of a program or activity expressly stated in any Federal statute, State statute, or local statute or ordinance adopted by an elected, general purpose legislative body.

(42 U.S.C. 6101-6107)

§ 18.513 Exceptions to the rules against age discrimination; normal operation or statutory objective of any program or activity.
A recipient is permitted to take an action, otherwise prohibited by § 18.511, if the action reasonably takes into account age as a factor necessary to the normal operation or the
achievement of any statutory objective of a program or activity. An action reasonably takes into account age as a factor necessary to the normal operation or the achievement of any statutory objective of a program or activity, if:
(a) Age is used as a measure or approximation of one or more other characteristics; and
(b) The other characteristic(s) must be measured or approximated in order for the normal operation of the program or activity to continue, or to achieve any statutory objective of the program or activity; and
(c) The other characteristic(s) can be reasonably measured or approximated by the use of age; and
(d) The other characteristic(s) are impractical to measure directly on an individual basis.

§ 18.514 Exceptions to the rules against age discrimination; reasonable factors other than age.
A recipient is permitted to take an action otherwise prohibited by § 18.511 which is based on a factor other than age, even though that action may have a disproportionate effect on persons of different ages. An action may be based on a factor other than age only if the factor bears a direct and substantial relationship to the normal operation of the program or activity or to the achievement of a statutory objective.

§ 18.515 Burden of proof.
The burden of proving that an age distinction or other action falls within the exceptions outlined in §§ 18.513 and 18.514 is on the recipient of Federal financial assistance.

§ 18.516 Affirmative action by recipients.
Even in the absence of a finding of discrimination, a recipient may take affirmative action to overcome the effects of conditions that resulted in limited participation in the recipient's program or activity on the basis of age.

(42 U.S.C. 6101-6107)
§ 18.531 General responsibilities.
Each VA recipient must ensure that its programs or activities are in compliance with the Act and these regulations.

(42 U.S.C. 6101-6107)

§ 18.532 Notice of subrecipients.
Where a recipient passes on Federal financial assistance from VA to programs or activities of subrecipients, the recipient shall provide the subrecipients written notice of their obligations under the Act and these regulations with respect to such programs or activities.
(Approved by the Office of Management and budget under control number 2900-0400)

(42 U.S.C. 6101-6107)

§ 18.533 Assurance of compliance and recipient assessment of age distinctions.
(a) Each recipient of Federal financial assistance from VA shall sign a written assurance as specified by the Secretary that it will comply with the Act and these regulations.
(b) Recipient assessment of age distinctions. (1) As part of a compliance review under § 18.541 or complaint investigation under § 18.544, the Secretary may require a recipient employing the equivalent of 15 of more employees to complete a written self-evaluation, in a manner specified by the responsible agency official, of any age distinction imposed in its programs or activities receiving Federal financial assistance from VA to assess the recipient's compliance with the Act.
(2) Whenever an assessment indicates a violation of the Act or these regulations, the recipient shall take corrective action.

(42 U.S.C. 6101-6107)

§ 18.534 Information requirements.
Each recipient shall:
(a) Make available upon request to VA information necessary to determine whether the recipient is complying with the Act and these regulations.
(b) Permit reasonable access by VA to the books, records, accounts, and other recipient facilities and sources of information to the extent necessary to determine whether the recipient is in compliance with the Act and these regulations.

APPENDIX A TO SUBPART E OF PART 18 -- STATUTORY PROVISIONS TO WHICH THIS SUBPART APPLIES

APPENDIX B TO SUBPART E OF PART 18 -- LIST OF AGE DISTINCTIONS CONTAINED IN STATUTES AND REGULATIONS GOVERNING FEDERAL FINANCIAL ASSISTANCE OF THE DEPARTMENT OF VETERANS AFFAIRS

§ 18.541 Compliance reviews.

(a) VA may conduct compliance reviews and preaward reviews of recipients or use other similar procedures that will permit it to investigate and correct violations of the Act and these regulations. VA may conduct these reviews even in the absence of a complaint against a recipient. The review may be as comprehensive as necessary to determine whether a violation of these regulations has occurred.
(b) If a compliance review or preaward review indicates a violation of the Act or these regulations, VA will attempt to achieve voluntary compliance with the Act. If voluntary compliance cannot be achieved, VA may institute enforcement proceedings as described in § 18.546.

(42 U.S.C. 6101-6107)

§ 18.542 Complaints.

(a) Any person, individually or as a member of a class or on behalf of others, may file a complaint with VA alleging discrimination prohibited by the Act or these regulations based on an action occurring on or after July 1, 1979. A complainant shall file a complaint within 180 days from the date the complainant first had knowledge of the alleged act of discrimination. However, for good cause shown, VA may extend this time limit. Complaints may be submitted to the Director, Office of Equal Opportunity (06B), Department of Veterans Affairs, 810 Vermont Avenue, NW., Washington, DC 20420.
(b) VA will attempt to facilitate the filing of complaints wherever possible, including taking the following measures:
(1) Acknowledging receipt and acceptance of a complaint in writing.
(2) Accepting as a sufficient complaint, any written statement which identifies the parties involved and the date the complainant first had knowledge of the alleged violation,
describes generally the action or practice complained of, and is signed by the complainant.

(3) Freely permitting a complainant to add information to the complaint to meet the requirements of a sufficient complaint.

(4) Widely disseminating information regarding the obligations of recipients under the Act and these regulations.

(5) Notifying the complainant and the recipient of their rights and obligations under the complaint procedure, including the right to have a representative at all stages of the complaint procedure.

(6) Notifying the complainant and the recipient (or their representatives) of their right to contact VA for information and assistance regarding the complaint resolution process.

(c) VA will refer a complaint of discrimination based on age to another appropriate Federal agency when the complaint is outside the jurisdiction of VA. VA will notify the complainant in writing that the complaint has been referred; explain the reason why the complaint is not within the jurisdiction of VA; and give the complainant the name, agency, and address of the official to whom the complaint was referred.

(Approved by the Office of Management and Budget under control number 2900-0401)

§ 18.543 Mediation.

(a) Referral of complaints for mediation. VA will refer to the Federal Mediation and Conciliation Service all complaints that:

(1) Fall within the jurisdiction of the Act and these regulations; and

(2) Contain all information necessary for further processing.

(b) Both the complainant and the recipient shall participate in the mediation process to the extent necessary to reach an agreement or make an informed judgment that an agreement is not possible. However, the recipient and the complainant need not meet with the mediator at the same time.

(c) If the complainant and the recipient reach an agreement, the mediator shall prepare a written statement of the agreement and have the complainant and the recipient sign it. The mediator shall send a copy of the agreement to VA. VA will take no further action on the complaint unless the complainant or the recipient fails to comply with the agreement.

(d) The mediator shall protect the confidentiality of all information obtained in the course of the mediation process. No mediator shall testify in any adjunctive proceeding, produce any document, or otherwise disclose any information obtained in the course of the mediation process without prior approval of the head of the mediation agency.

(e) VA will use the mediation process for a maximum of 60 days after the responsible agency official receives a complaint.

(f) Mediation ends if:

(1) 60 days elapse from the time the responsible agency official receives the complaint; or

(2) Prior to the end of that 60-day period, an agreement is reached; or

(3) Prior to the end of that 60-day period, the mediator determines that an agreement cannot be reached.

(g) The mediator shall return unresolved complaints to VA.
§ 18.544 Investigation.
(a) Informal investigation. (1) VA will investigate complaints that are reopened because of a violation of a mediation agreement.
(2) As part of the initial investigation VA will use informal fact finding methods, including joint or separate discussions with the complainant and recipient to establish the facts and, if possible, settle the complaint on terms that are mutually agreeable to the parties. VA may seek the assistance of any involved State agency.
(3) VA will put any agreement in writing and have it signed by the parties and an authorized official from the VA.
(4) The settlement shall not affect the operation of any other enforcement effort of VA, including compliance reviews and investigation of other complaints which may involve the recipient.
(5) A settlement need not contain an admission of discrimination or other wrongdoing by the recipient nor should it be considered a finding of discrimination against the recipient.
(b) Formal investigation. If VA cannot resolve the complaint through informal investigation, it will begin to develop formal findings through further investigation of the complaint. If the investigation indicates a violation of these regulations, VA will attempt to obtain voluntary compliance. If voluntary compliance cannot be achieved, VA may institute enforcement proceedings as described in § 18.546.

§ 18.545 Prohibition against intimidation or retaliation.
A recipient may not engage in acts of intimidation or retaliation against any person who:
(a) Attempts to assert a right protected by the Act or these regulations; or
(b) Cooperates in any mediation, investigation, hearing, or other part of VA's investigation, conciliation, and enforcement process.

§ 18.546 Compliance procedure.
(a) VA may enforce the Act and these regulations through:
(1) Termination of Federal financial assistance from VA with respect to a recipient's program or activity that has violated the Act or these regulations. The determination of the recipient's violation may be made only after a recipient has had an opportunity for a hearing on the record before an administrative law judge. Therefore, cases which are settled in mediation, or prior to a hearing, will not involve termination of a recipient's Federal financial assistance from VA.
(2) Any other means authorized by law including but not limited to:
(i) Referral to the Department of Justice for proceedings to enforce any rights of the United States or obligations of the recipient created by the Act or these regulations.

(ii) Use of any requirement of or referral to any Federal, State, or local government agency that will have the effect of correcting a violation of the Act or these regulations.

(b) VA will limit any termination under paragraph (a)(1) of this section to the particular program or activity or part of such program or activity of a recipient that VA finds to be in violation of the Act or these regulations. VA will not base any part of a termination on a finding with respect to any program or activity of the recipient which does not receive Federal financial assistance from VA.

(c) VA will take no action under paragraph (a) of this section until:

(1) The Secretary has advised the recipient of its failure to comply with the Act and these regulations and has determined that voluntary compliance cannot be obtained.

(2) Thirty days have elapsed after the Secretary has sent a written report of the circumstances and grounds of the action to the committees of the Congress having legislative jurisdiction over the program or activity involved. The Secretary will file a report whenever any action is taken under paragraph (a) of this section.

(d) VA also may defer granting new Federal financial assistance from VA to a recipient when a hearing under paragraph (a)(1) of this section is initiated.

(1) New Federal financial assistance from VA includes all assistance for which VA requires an application or approval, including renewal or continuation of existing activities, or authorization of new activities during the deferral period. New Federal financial assistance from VA does not include increases in funding resulting solely from a change in the formula or method of computing awards, nor does it include assistance approved prior to the beginning of a hearing under paragraph (a)(1) of this section.

(2) VA will not begin a deferral until the recipient has received a notice of an opportunity for a hearing under paragraph (a)(1) of this section. VA will not continue a deferral for more than 60 days unless a hearing has begun within that time or the time for beginning the hearing has been extended by mutual consent of the recipient and the Secretary. VA will not continue a deferral for more than 30 days after the close of the hearing, unless the hearing results in a finding against the recipient.

(42 U.S.C. 6101-6107)

[EFFECTIVE DATE NOTE: 68 FR 51334, 51372, Aug. 26, 2003, amended the first sentence of paragraphs (b) and (c)(2), effective Sept. 25, 2003.]

§ 18.547 Hearings, decisions, post-termination proceedings.

Certain VA procedural provisions applicable to Title VI of the Civil Rights Act of 1964 apply to VA enforcement of these regulations. They are found at §§ 18.9 through 18.11 and part 18b of this title.

(42 U.S.C. 6101-1607)

§ 18.548 Remedial action by recipient.

Where VA finds that a recipient has discriminated on the basis of age, the recipient shall take any remedial action that VA may require to overcome the effects of the
discrimination. If another recipient exercises control over the recipient that has discriminated, VA may require both recipients to take remedial action.

(42 U.S.C. 6101-1607)

§ 18.549 Alternate funds disbursal procedure.
(a) When VA withholds funds from a recipient under these regulations, the Secretary may disburse the withheld funds directly to an alternate recipient: Any public or non-profit private organization or agency, or State or political subdivision of the State.
(b) The Secretary will require any alternate recipient to demonstrate;
(1) The ability to comply with these regulations; and
(2) The ability to achieve the goals of the Federal statute authorizing the Federal financial assistance.

(42 U.S.C. 6101-1607)

§ 18.550 Exhaustion of administrative remedies.
(a) A complainant may file a civil action following the exhaustion of administrative remedies under the Act. Administrative remedies are exhausted if:
(1) 180 days have elapsed since the complainant filed the complaint and VA has made no finding with regard to the complaint; or
(2) VA issues any finding in favor of the recipient.
(b) If VA fails to make a finding within 180 days or issues a finding in favor of the recipient, VA will:
(1) Promptly advise the complainant of this fact; and
(2) Advise the complainant of his or her right to bring a civil action for injunctive relief; and
(3) Inform the complainant that:
(i) The complainant may bring a civil action only in a United States district court for the district in which the recipient is found or transacts business;
(ii) A complainant prevailing in a civil action has the right to be awarded the costs of the action, including reasonable attorney's fees, but the complainant must demand these costs in the complaint;
(iii) Before commencing the action, the complainant shall give 30 days notice by registered mail to the Secretary, the Attorney General of the United States, and the recipient;
(iv) The notice must state: The alleged violation of the Act; the relief requested; the court in which the complainant is bringing the action; and, whether or not attorney's fees are demanded in the event the complainant prevails; and
(v) The complainant may not bring action if the same alleged violations of the Act by the same recipient is the subject of a pending action in any court of the United States.

APPENDIX B TO SUBPART E OF PART 18 -- LIST OF AGE DISTINCTIONS CONTAINED IN STATUTES AND REGULATIONS GOVERNING FEDERAL FINANCIAL ASSISTANCE OF THE DEPARTMENT OF VETERANS AFFAIRS

Section 90.31(f) of the governmentwide regulations (45 CFR part 90) requires each Federal agency to publish an appendix to its final regulations containing a list of age distinctions in Federal statutes and regulations affecting financial assistance administered by the agency. This appendix is VA's list of age distinctions contained in Federal statutes and VA regulations which:

1. Provide benefits or assistance to persons based upon age; or
2. Establish criteria for participation in age-related terms; or
3. Describe intended beneficiaries or target groups in age-related terms.

Appendix B deals only with VA's programs of financial assistance covered by the Age Discrimination Act. It does not list age distinctions used by VA in its direct assistance programs, such as veterans' compensation. Also, this appendix contains only age distinctions in Federal statutes and VA regulations in effect on January 1, 1985.

This appendix has two sections: A list of age distinctions in Federal statutes, and a list of age distinctions in VA regulations. The first column contains the name of the program; the second column has the statute name and U.S. Code citation for statutes, or the regulation name and Code of Federal Regulations citation for regulations; the third column contains the section number of the statute or regulation and the description of the age distinction; and the fourth column cites the Catalog of Federal Domestic Assistance number for the program(s) affected where it is available.

stepchild who is a member of a veteran's household or was a member at the time of the veteran's death, or an illegitimate child but, as to the alleged father, only if acknowledged in writing signed by him, or if he has been judicially ordered to contribute to the child's support or has been, before his death, judicially decreed to be the father of such child, or if he is otherwise shown by evidence satisfactory to the Secretary to be the father or such child. . . ."

Section 101(4)(B) provides that for the purposes of section 101(4)(A) of Title 38, in the case of an adoption under the laws of any jurisdiction other than a State, a person residing outside any of the States shall not be considered a legally adopted child of a veteran during the lifetime of that veteran, unless, among other things, such a person was less than eighteen years of age at the time of the adoption.

Approval of Educational Institutions

Section 104 of the Veteran's Benefits Act of 1957, as amended, 38 U.S.C. 104 authorizes the Secretary to approve or disapprove an educational institution for the purpose of determining whether or not benefits are payable under Title 38, U.S.C. (except chapter 15 of title 38) for a child over the age of eighteen years and under the age of twenty-three years who is attending a school, college, academy, seminary, technical institution, university, or other educational institution

Section 104(b) provides that the Secretary may not approve an educational institution under section 104 of Title 38, unless the institution has agreed to report the termination of attendance of any child. If the educational institution fails to report any such termination promptly, the approval of the Secretary shall be withdrawn.
Civilian Health and the Environmental Program of Veterans' Affairs Section 103(b) Section 1713(a) authorizes the Secretary to provide medical care to: "(1) The spouse or child of a veteran who has a total disability, permanent in nature, resulting from a service-connected disability, (2) the surviving spouse or child of a veteran who (A) died as a result of a service-connected disability, or (B) at the time of death had a total disability permanent in nature, resulting from a service-connected disability, and (3) the surviving spouse or child of a person who died in the active military, naval, or air service in the line of duty and not due to such person's own misconduct, who are not otherwise eligible for medical care under Chapter 55 of Title 10, U.S.C.; (CHAMPUS)"

Section 1713(c) provides that for the purposes of this program, "a child between the ages of eighteen and twenty-three (1) who is eligible for benefits under subsection (a) of this section, (2) who is pursuing a full-time course of instruction at an educational institution, approved under Chapter 36 of this title, and (3) who while pursuing such course of instruction, incurs a disabling illness or injury . . . which results in such child's inability to continue or resume such child's chosen program of education . . . shall remain eligible for benefits under this section until the end of the six-month period beginning on the date the disability is removed, the end of the two-year period beginning on the date of the onset of the disability, or the twenty-third birthday of the child, whichever occurs first."

VA Hospital, Section 510 Section 1710 authorizes the Secretary, within the limits of VA facilities, to furnish hospital care or nursing home care. Among the persons eligible for such care are veterans with a nonservice-connected disability if they are sixty-five years of age or older.

Post-Vietnam Era Veterans' Educational Assistance. Section 3201 states that the purpose of Chapter 32 of Title 38, U.S.C. is: "(1) To provide educational assistance to those men and women who enter the Armed Forces after December 31, 1976, (2) to assist young men and women in obtaining an education they might not otherwise be able to afford, and (3) to promote and assist the all . . ."
volunteer military program of the United States by attracting qualified men and women to serve in the Armed Forces'.

Veterans' Educational Assistance Section 2 of Section 3451 states that the education program created by this chapter is for the purpose of: ... (1) Enhancing and making more attractive service in the Armed Forces of the United States, (2) extending the benefits of higher education to qualified and deserving young persons who might not otherwise be able to afford such an education, (3) providing vocational readjustment and restoring lost educational opportunities to those service men and women whose careers have been interrupted or impeded by reason of active duty after January 31, 1955, and (4) aiding such persons in attaining the vocational and educational status which they might normally have aspired to and obtained had they not served their country

Section 3492(b) authorizes the Secretary to pay to an eligible veteran receiving tutorial assistance pursuant to section 3492(a) of this chapter, the cost of such tutorial assistance, subject to certain limits, upon certification by the educational institution that ... (2) the tutor chosen to perform such assistance is qualified and is not the eligible veteran's parent, spouse, child (whether or not married or over eighteen years of age), brother, or sister; and (3) the charges for such assistance do not exceed the customary charges for such tutorial assistance

Survivors' and War Orphans' Educational Assistance Section 3500 states that "the educational program established by this chapter is for the purpose of providing opportunities for education to children whose education would otherwise be impeded or interrupted by reason of the disability or death of a parent from a disease or injury incurred or aggravated in the Armed Forces after the beginning of the Spanish-American War, and for the purpose of aiding such children in attaining the educational status which they might have aspired to and attained but for the disability or death of such parent. The Congress further declares that the educational program extended to the surviving spouses of veterans who died of service-connected total disabilities and to spouses of veterans with a service-
connected total disability permanent in nature is for the purpose of assisting them in preparing to support themselves and their families at a standard of living level which the veteran, but for the veteran's death or service disability, could have expected to provide for the veteran's family.

Section 3501 defines the term "eligible person" as: "(A) a child of a person who -- (i) died of a service-connected disability, (ii) has a total disability permanent in nature resulting from a service-connected disability, or who died while a disability so evaluated was in existence or (iii) at the time of application for benefits under this chapter is a member of the Armed Forces serving on active duty listed, pursuant to section 556 of Title 37 [U.S.C.] and regulations issued thereunder, by the Secretary concerned in one or more of the following categories . . . for a total of ninety days: (A) missing in action, (B) captured in line of duty by a hostile force, or (C) forcibly detained or interned in line of duty by a foreign government or power, . . ."

Subparagraph (a)(2) of this section provides that the term "child" includes individuals who are married and individuals who are above the age of twenty-three years.

Section 3512 establishes periods of eligibility. Provides that the educational program to which an eligible child within the meaning of this chapter is entitled to may be afforded, " . . . during the period beginning on the person's eighteenth birthday, or on the successful completion of the person's secondary schooling, whichever first occurs, and ending on the person's twenty-sixth birthday, except that -- (1) if the person is above the age of compulsory school attendance under applicable State law, and the Secretary determines that the person's best interests will be served thereby, such period may begin before the person's eighteenth birthday; (2) if the person has a mental or physical handicap, and . . . the person's best interests will be served by pursuing a program of special restorative training or a specialized course of vocational training approved under section 3536 of this title, such
period may begin before the person's fourteenth birthday; (3) if the Secretary finds that the parent from whom eligibility is derived has a service-connected total disability permanent in nature, or if the death of the parent from whom eligibility is derived occurs, after the eligible person's eighteenth birthday but before the person's twenty-sixth birthday, then (unless paragraph (4) applies) such period shall end 8 years after, whichever date last occurs: (A) the date on which the Secretary first finds that the parent from whom eligibility is derived has a service-connected total disability permanent in nature, or (B) the date of death of the parent from whom eligibility is derived; (4) if the person serves on duty with the Armed Forces as an eligible person after the person's eighteenth birthday but before the person's twenty-sixth birthday, then such period shall end 8 years after the person's first discharge or release from such duty with the Armed Forces . . . in no event shall such period be extended beyond the person's thirty-first birthday by reason of this paragraph; and (5) (A) if the person becomes eligible by reason of the provisions of section 3501(a)(1)(A)(ii) of this title after the person's eighteenth birthday but before the person's twenty-sixth birthday, then (unless clause (4) of this section applies) such period shall end eight years after the date on which the person becomes eligible by reason of such provisions, but in no event shall such period be extended beyond the person's thirty-first birthday by reason of this clause. . . ."

Section 3513 provides that the parent or guardian of a person or the eligible person (if such person has attained legal majority) for whom the educational assistance is sought under Chapter 35 shall submit an application to the Secretary, which shall be in such form and contain such information as the Secretary shall prescribe.

Section 3562 provides that the commencement of a program of education or special restorative training under Chapter 35 shall be a bar, "(1) to subsequent payments of compensation, dependency and indemnity compensation, or pension based on a death of a parent to an eligible person over the
Section 3563 states that "The Secretary shall notify the parent or guardian of each eligible person as defined in section 3501(a)(1)(A) of this title of the educational assistance available to such person under Chapter 35. Such notification shall be provided not later than the month in which such eligible person attains such person's thirteenth birthday or as soon thereafter as feasible"
a stepchild of a veteran between the ages of 18 or 23 years and who is a member of the veteran's household at the time of the veteran's death. . . ."

Section 3.807(d) sets forth basic eligibility criteria for the program of educational assistance under 38 U.S.C. Chapter 35. Chapter 35. Defines the term "child" as the son or daughter of a veteran who meets the requirements of 38 CFR 3.57, except as to age or marital status.

Survivors' and Section 21.3021 describes beneficiaries of the Dependent's Educational program. Paragraph (a) defines the term "eligible person" as, (1) A child of a: (i) Veteran who died of a service-connected disability. . . ." Paragraph (b) defines the term "child" as a son or daughter of a veteran as defined in 38 CFR 3.807(d).

Section 21.3023 states that: "(a) Child; age 18. A child who is eligible for educational assistance and who is also eligible for pension, compensation dependency and indemnity compensation based on school attendance must elect whether he or she will receive educational assistance or pension, compensation or dependency and indemnity compensation. (1) An election of education assistance either before or after the age of 18 years is a bar to subsequent payment or increased rates or additional amounts of pension, compensation or dependency and indemnity compensation on account of a child based on school attendance on or after the age of 18 years. . . . (2) Payment of pension, compensation or dependency and indemnity compensation to or on account of a child after his or her 18th birthday does not bar subsequent payments of educational assistance. . . . (b) Child; under 18 or helpless Educational assistance allowance or special restorative training allowance may generally be paid concurrently with pension, compensation or dependency and indemnity compensation for a child under the age of 18 years or for a helpless child based on the service of one or more parents. Where, however, entitlement is based on the death of more than one parent in the same parental line, concurrent payments in two or more cases may not be authorized if the death of one such parent occurred on or after June 9,
1960. In the latter cases, an election of educational assistance and pension, compensation or dependency and indemnity compensation in one case does not preclude a reelection of benefits before attaining age 18 or while helpless based on the service of another parent in the same parental line. . . ."

Section 21.3040 sets forth criteria for the commencement and termination of the program of education or special restorative training for an eligible child under 38 U.S.C. Chapter 35. Paragraph (a) of this section provides that a program of education or special restorative training may not be afforded prior to the eligible persons' 18th birthday or the completion of secondary schooling, whichever is earlier, unless it is determined through counseling that the best interests of the eligible person will be served by entering training at an earlier date and the eligible person has passed: (1) Compulsory school attendance age under State law; or (2) his or her 14th birthday and due to physical or mental handicap may benefit by special restorative or specialized vocational training. Paragraph (c) of this section provides that no person is eligible for educational assistance who reached his or her 26th birthday on or before the effective date of a finding of permanent total service-connected disability, or on or before the date the veteran's death occurred, or on or before the 91st day of listing by the Secretary concerned of the member of the Armed Forces or whose service eligibility is claimed as being is one of the missing categories identified in 38 CFR 21.3021(a) (1)(iii) and (3)(ii). Paragraph (d) provides that no person is eligible for educational assistance beyond his or her 31st birthday, except in certain exceptional cases.

Section 21.3041 sets forth periods of eligibility for an eligible child. Paragraph (a) of this section provides the basic beginning date for the educational assistance as the person's 18th birthday or successful completion of secondary schooling, whichever occurs first. Paragraph (b) authorizes certain exceptions to the basic beginning date, if: (1) A person has passed compulsory school attendance
Paragraph (c) provides the basic ending date as the person's 26th birthday. Paragraphs (d) and (e) set forth criteria for modifying or extending the ending date.

Administration Section 21.3300 provides that VA may of Educational prescribe special restorative training
38 U.S.C. for the purpose of enabling an
Chapter 34, eligible child to pursue a program of
35, and 36 special vocational program,
(38 CFR part or other appropriate goal, where
21, subpart D) effects of a physical or mental
disability

Section 21.4102(a) requires VA to provide counseling for the purpose set forth in 38 CFR 21.4100 to an eligible child when: (1) The eligible child may require specialized vocational or special restorative training, or (2) the eligible child has reached compulsory school attendance age under State law, but has neither reached his or her 18th birthday nor completed secondary schooling, or (3) if requested by the eligible child or his or her parent or guardian for the purpose of preparing an educational plan.

Section 21.4139(b) provides that VA will make payment of educational assistance under 38 U.S.C. Chapter 35 to the eligible person if: (1) He or she has attained majority and has no known legal disability or (2) is in the eligible person's best interests, and there is no reason not to designate the eligible person as payee. VA may pay minors under this provision.

Section 21.4141 provides that payment of educational assistance allowance under 38 U.S.C. Chapter 35 will be subject to offsets of amounts of pension, compensation, or dependency and indemnity compensation paid over the same period on behalf of a child based on school attendance.

VA Hospital, Eligibility for Section 17.47(e) provides that within
Domiciliary hospital, the limits of VA facilities, hospital
Nursing domiciliary or nursing home care may be provided
Home Care or nursing to any veteran with a nonservice-
home care connected disability if such a veteran
of persons discharged is 65 years of age or older
or released
from active military, naval, or air service (38 CFR 17.47).

Civilian Medical Care Section 17.54 states that medical care may be provided for: "(1) The spouse and Dependents or child of a veteran who has a total disability, permanent in nature, (2) the surviving spouse or child of a veteran who --

Veterans Affairs (38 CFR 17.54) disability, and (2) the surviving spouse or child of a veteran who --

Veterans of Certain disability, permanent in nature, resulting from a service-connected disability and --

(3) the surviving spouse or child of a person who died in the active military, naval or air service . . . Who are not otherwise eligible for medical care as beneficiaries of the Armed Forces under the provisions of Chapter 55 of Title 10, United States Code (CHAMPUS) . . . and (4) An eligible child who is pursuing a full-time course of instruction approved under 38 U.S.C. Chapter 36, and who incurs a disabling illness or injury while pursuing such course; . . . shall remain eligible for medical care until:

(a) The end of the 6-month period beginning on the date the disability is removed, or (b) the end of the 2-year period beginning on the date of the onset of the disability; or (c) the 23d birthday of the child, whichever occurs first. . . ."

Veterans' Administration Section 21.4135(d) sets forth the following dates for the discontinuance of the educational assistance allowance provided for a dependent child, under Chapter 34 of Title 38: `. . . (1) Last day of the

21, subpart D) in calendar year in which marriage occurred unless discontinuance is required at an earlier date under other provisions. (2) Age 18. Day preceding 18th birthday. (3) School attendance. Last day of month in which 23rd birthday, whichever is earlier. (4) Helplessness ceased. Last day of month school attendance ceased or day preceding following 60 days after notice to payee that helplessness has ceased.''

Section 21.4136 sets forth monthly rates for the payment of educational assistance allowance under 38 U.S.C. Chapter 34. Paragraph (f) defines the term "dependent" as a spouse, child or dependent parent who meets the definitions of relationship specified in 38 CFR 3.50, 3.51, 3.57 and 3.59.
PART 18A -- DELEGATION OF RESPONSIBILITY IN CONNECTION WITH TITLE VI, CIVIL RIGHTS ACT OF 1964

§ 18a.1 Delegations of responsibility between the Secretary of Veterans Affairs and the Secretary, Department of Health and Human Services, and the Secretary, Department of Education.

§ 18a.2 Delegation to the Under Secretary for Benefits.

§ 18a.3 Delegation to the Chief Medical Director.

§ 18a.4 Duties of the Director, Contract Compliance Service.

§ 18a.5 Delegation to the General Counsel.

§ 18a.1 Delegations of responsibility between the Secretary of Veterans Affairs and the Secretary, Department of Health and Human Services, and the Secretary, Department of Education.

(a) Authority has been delegated to the Secretary of Veterans Affairs by the Secretary, Department of Health and Human Services, and the Secretary, Department of Education to perform responsibilities of those Departments and of the responsible Departmental officials under Title VI of the Civil Rights Act of 1964 and the Departments' regulations issued thereunder (45 CFR part 80 and 34 CFR part 100) with respect to: Proprietary (i.e., other than public or nonprofit) educational institutions, except if operated by a hospital; and post secondary, nonprofit, educational institutions other than colleges and universities, except if operated by a college or university, a hospital, or a unit of State or local government (i.e., those operating such institutions as an elementary or secondary school, an area vocational school, a school for the handicapped, etc.)

(1) The compliance responsibilities so delegated include:
(i) Soliciting, receiving, and determining the adequacy of assurances of compliance under 45 CFR 80.4 and 34 CFR 100.4;
(ii) All actions under 45 CFR 80.6 including mailing, receiving, and evaluating compliance reports under § 80.6(b) and 34 CFR 100.6(b); and
(iii) All other actions related to securing voluntary compliance, or related to investigations, compliance reviews, complaints, determinations of apparent failure to comply, and resolutions of matters by informal means.

(2) The Department of Health and Human Services and the Department of Education specifically reserve to themselves the responsibilities for the effectuation of compliance under 45 CFR 80.8, 80.9, 80.10 and 34 CFR 100.8, 100.9 and 100.10.

(b) Authority has been delegated to the Secretary, Department of Health and Human Services and the Secretary, Department of Education, to perform responsibilities of the Department of Veterans Affairs and of the responsible Department of Veterans Affairs official under Title VI of the Civil Rights Act of 1964 and the Department of Veterans Affairs regulations issued thereunder (part 18 of this chapter) with respect to institutions of higher learning, including post-high school institutions which offer nondegree courses for which credit is given and which would be accepted on transfer by a degree-granting institution toward a baccalaureate or higher degree; hospitals and other health facilities and elementary and secondary schools and school systems including, but not limited to, their activities in connection with providing or seeking approval to provide vocational
rehabilitation to eligible persons under Chapter 31 of Title 38 U.S.C., or education or training to eligible persons under Chapters 34, 35, or 36 of Title 38 U.S.C.

(1) The compliance responsibilities so delegated include:

(i) Soliciting, receiving, and determining the adequacy of assurances of compliance under § 18.4 of this chapter;

(ii) Mailing, receiving, and evaluating compliance reports under § 18.6(b) of this chapter; and

(iii) All other actions related to securing voluntary compliance or related investigations, compliance reviews, complaints, determinations of apparent failure to comply and resolutions of matters by informal means.

(2) The Department of Veterans Affairs specifically reserves to itself responsibilities for effectuation of compliance under §§ 18.8, 18.9, and 18.10 of this chapter. Not included in the delegation to the Secretary, Department of Health and Human Services and the Secretary, Department of Education and specifically reserved to the Department of Veterans Affairs is the exercise of compliance responsibilities with respect to:

(i) Postsecondary schools which do not offer a program or courses leading, or creditable, towards the granting of at least a bachelor's degree, or its equivalent;

(ii) Privately-owned and operated proprietary technical, vocational, and other private schools at the elementary or secondary level; and

(iii) Those institutions of higher learning and secondary schools and school systems which, as of January 3, 1969, have already been subjected to formal noncompliance proceedings by the Department of Health and Human Services or the Department of Education and have had their right to receive Federal financial assistance from that agency terminated for noncompliance with Title VI of the Civil Rights Act of 1964.

The Department of Veterans Affairs also retains the right to exercise delegated compliance responsibilities itself in special cases with the agreement of the appropriate official in the Department of Health and Human Services or the Department of Education.

(c) Any institution of higher learning or a hospital or other health facility which is listed by the Department of Health and Human Services or the Department of Education as having filed an assurance of compliance will be accepted as having met the requirements of the law for the purpose of payment under 38 U.S.C. Chapters 31, 34, 35, or 36 and 38 U.S.C. sections 1741, 8131-8137 and 8155.

(d) If the Department of Health and Human Services or the Department of Education finds that a school, hospital or other health facility which has signed an assurance of compliance is apparently in noncompliance, action will be initiated by that Department to obtain compliance by voluntary means. If voluntary compliance is not achieved, the Department of Veterans Affairs will join in subsequent proceedings.

(e) An institution which is on the Department of Health and Human Services or the Department of Education list of noncomplying institutions will be considered to be in a status of compliance for Department of Veterans Affairs purposes if an assurance of compliance is filed with the Department of Veterans Affairs and actual compliance is confirmed. Certificates of eligibility may be issued and enrollments approved and other appropriate payments made until such time as the Department of Veterans Affairs has made an independent determination that the institution is not in compliance.
§ 18a.2 Delegation to the Under Secretary for Benefits.
The Under Secretary for Benefits is delegated responsibility for obtaining evidence of voluntary compliance for vocational rehabilitation, education, and special restorative training to implement Title VI, Civil Rights Act of 1964. Authority is delegated to the Under Secretary for Benefits and designee to take any necessary action as to programs of vocational rehabilitation, education, or special restorative training under 38 U.S.C. Chapters 31, 34, 35, and 36 for the purpose of securing evidence of voluntary compliance directly or through the agencies to whom the Secretary of Veterans Affairs has delegated responsibility for various schools or training establishments to implement part 18 of this chapter. The Under Secretary for Benefits also is delegated responsibility for obtaining evidence of voluntary compliance from recognized national organizations whose representatives are afforded space and office facilities in field facilities under jurisdiction of the Under Secretary for Benefits.

§ 18a.3 Delegation to the Chief Medical Director.
The Chief Medical Director is delegated responsibility for obtaining evidence of voluntary compliance implementing the provisions of Title VI, Civil Rights Act of 1964, in connection with payments to State homes, with State home facilities for furnishing nursing home care, and from recognized national organizations whose representatives are afforded space and office facilities in field facilities under jurisdiction of the Chief Medical Director.

§ 18a.4 Duties of the Director, Contract Compliance Service.
Upon referral by the Chief Medical Director or the Under Secretary for Benefits, the Director, Contract Compliance Service will:
(a) Investigate and process all complaints arising under Title VI of the Civil Rights Act of 1964;
(b) Conduct periodic audits, reviews and evaluations;
(c) Attempt to secure voluntary compliance by conciliatory or other informal means whenever investigation of a complaint, compliance review, failure to furnish assurance of compliance, or other source indicates noncompliance with Title VI; and report to the Chief Medical Director or the Under Secretary for Benefits, whichever is appropriate, the results of investigations, audits, reviews and evaluations or the results of attempts to secure voluntary compliance.
§ 18a.5 Delegation to the General Counsel.
The General Counsel is delegated the responsibility, upon receipt of information from the Under Secretary for Benefits, the Chief Medical Director, or the designee of either of them, that compliance cannot be secured by voluntary means, of forwarding to the recipient or other person the notice required by § 18.9(a) of this chapter, and also is delegated the responsibility of representing the agency in all proceedings resulting from such notice.

GENERAL RULES

§ 18b.1 Scope of rules.
§ 18b.2 Reviewing authority.
§ 18b.9 Definitions.
§ 18b.10 Records to be public.
§ 18b.11 Use of number.
§ 18b.12 Suspension of rules.

§ 18b.1 Scope of rules.
The rules of procedure in this part supplement §§ 18.9 and 18.10 of this chapter and govern the practice for hearings, decisions, and administrative review conducted by the Department of Veterans Affairs pursuant to Title VI of the Civil Rights Act of 1964 (section 602, 78 Stat. 252) and part 18 of this chapter.
35 FR 10760, July 2, 1970.

§ 18b.2 Reviewing authority.
The term reviewing authority means the Secretary of Veterans Affairs, or any person or persons acting pursuant to authority delegated by the Secretary to carry out responsibility under § 18.10 of this chapter. The term includes the Secretary with respect to action under § 18b.75.

§ 18b.9 Definitions.
The definitions contained in § 18.13 of this chapter apply to this part, unless the context otherwise requires.
35 FR 10760, July 2, 1970.

§ 18b.10 Records to be public.
All pleadings, correspondence, exhibits, transcripts of testimony, exceptions, briefs, decisions, and other documents filed in the docket in any proceeding may be inspected and copied in the office of the Civil Rights hearing clerk. Inquiries may be made at the Department of Veterans Affairs Central Office, 810 Vermont Avenue NW., Washington, DC 20420.
35 FR 10760, July 2, 1970.

§ 18b.11 Use of number.
As used in this part, words importing the singular number may extend and be applied to several persons or things, and vice versa.
§ 18b.12 Suspension of rules.
Upon notice to all parties, the reviewing authority or the presiding officer, with respect to matters pending before them, may modify or waive any rule upon determination that no party will be unduly prejudiced and the ends of justice will thereby be served.
35 FR 10760, July 2, 1970.
§ 18b.13 Appearance.

§ 18b.14 Authority for representation.

§ 18b.15 Exclusion from hearing for misconduct.

§ 18b.13 Appearance.
A party may appear in person or by counsel and participate fully in any proceeding. A State agency or a corporation may appear by any of its officers or by any employee it authorizes to appear on its behalf. Counsel must be members in good standing of the bar of a State, territory, or possession of the United States or of the District of Columbia or the Commonwealth of Puerto Rico.
35 FR 10760, July 2, 1970.

§ 18b.14 Authority for representation.
Any individual acting in any proceeding may be required to show authority to act in such capacity.

§ 18b.15 Exclusion from hearing for misconduct.
Disrespectful, disorderly, or contumacious language or contemptuous conduct, refusal to comply with directions, or continued use of dilatory tactics by any person at any hearing before a presiding officer shall constitute grounds for immediate exclusion of such person from the hearing by the presiding officer.
35 FR 10760, July 2, 1970.

PARTIES

§ 18b.16 Parties.
§ 18b.17 Amici curiae.
§ 18b.18 Complainants not parties.

§ 18b.16 Parties.
The term party shall include an applicant or recipient or other person to whom a notice of hearing or opportunity for hearing has been mailed naming that person as respondent. The Department shall also be deemed a party to all proceedings and shall be represented by the General Counsel.

§ 18b.17 Amici curiae.
(a) Any interested person or organization may file a petition to participate in a proceeding as an amicus curiae. Such petition shall be filed prior to the prehearing conference, or if none is held, before the commencement of the hearing, unless the petitioner shows good cause for filing the petition later. The presiding officer may grant the petition if the officer finds that the petitioner has a legitimate interest in the proceedings, that such participation will not unduly delay the outcome, and may contribute materially to the proper disposition thereof. An amicus curiae is not a party and may not introduce evidence at a hearing.
(b) An amicus curiae may submit a statement of position to the presiding officer prior to the beginning of a hearing, and shall serve a copy on each party. The amicus curiae may submit a brief on each occasion a decision is to be made or a prior decision is subject to review. The brief shall be filed and served on each party within the time limits applicable to the party whose position the amicus curiae deems to support; or if the amicus curiae does not deem to support the position of any party, within the longest time limit applicable to any party at that particular stage of the proceedings.
(c) When all parties have completed their initial examination of a witness, any amicus curiae may request the presiding officer to propound specific questions to the witness. The presiding officer, in the officer's discretion, may grant any such request if the officer believes the proposed additional testimony may assist materially in elucidating factual matters at issue between the parties and will not expand the issues.

§ 18b.18 Complainants not parties.
A person submitting a complaint pursuant to § 18.7(b) of this chapter is not a party to the proceedings governed by this part, but may petition, after proceedings are initiated, to become an amicus curiae.
35 FR 10760, July 2, 1970.

§ 18b.20 Form of documents to be filed.

Documents to be filed shall be dated, the original signed in ink, shall show the docket description and title of the proceeding, and shall show the title, if any, and address of the signatory. Copies need not be signed but the name of the person signing the original shall be reproduced. Documents shall be legible and shall not be more than 8 1/2 inches wide and 12 inches long.

35 FR 10760, July 2, 1970.

§ 18b.21 Signature of documents.

The signature of a party, authorized officer, employee, or attorney constitutes a certificate that one of them has read the document, that to the best of that person's knowledge, information, and belief there is good ground to support it, and that it is not interposed for delay. If a document is not signed or is signed with intent to defeat the purpose of this section, it may be stricken as sham and false and the proceeding may proceed as though the document had not been filed. Similar action may be taken if scandalous or indecent matter is inserted.

§ 18b.22 Filing and service.

All notices by a Department of Veterans Affairs official, and all written motions, requests, petitions, memoranda, pleadings, exceptions, briefs, decisions, and correspondence to a Department of Veterans Affairs official from a party, or vice versa, relating to a proceeding after its commencement shall be filed and served on all parties. Parties shall supply the original and two copies of documents submitted for filing. Filings shall be made with the Civil Rights hearing clerk at the address stated in the notice of hearing or notice of opportunity for hearing, during regular business hours. Regular business hours are every Monday through Friday (legal holidays in the District of Columbia excepted) from 8 a.m. to 4:30 p.m., eastern standard or daylight saving time, whichever is effective in the District of Columbia at the time. Originals only of exhibits and transcripts of testimony need be filed. For requirements of service on amici curiae, see § 18b.76.

35 FR 10760, July 2, 1970.

§ 18b.23 Service; how made.
Service shall be made by personal delivery of one copy to each person to be served or by mailing by first-class mail, properly addressed with postage prepaid. When a party or amicus has appeared by attorney or other representative, service upon such attorney or representative, will be deemed service upon the party or amicus. Documents served by mail preferably should be mailed in sufficient time to reach the addressee by the date on which the original is due to be filed, and should be airmailed if the addressee is more than 300 miles distant.
35 FR 10760, July 2, 1970.

§ 18b.24 Date of service.
The date of service shall be the day when the matter is deposited in the U.S. mail or is delivered in person, except that the date of service of the initial notice of hearing or opportunity for hearing shall be the date of its delivery, or of its attempted delivery if refused.
35 FR 10760, July 2, 1970.

§ 18b.25 Certificate of service.
The original of every document filed and required to be served upon parties to a proceeding shall be endorsed with a certificate of service signed by the party making service or by the party's attorney or representative, stating that such service has been made, the date of service, and the manner of service, whether by mail or personal delivery.

§ 18b.26 Computation.
§ 18b.27 Extension of time or postponement.
§ 18b.28 Reduction of time to file documents.

§ 18b.26 Computation.
In computing any period of time under the rules in this part or in an order issued hereunder, the time begins with the day following the act, event, or default, and includes the last day of the period, unless it is a Saturday, Sunday, or legal holiday observed in the District of Columbia, in which event it includes the next following business day. When the period of time prescribed or allowed is less than 7 days, intermediate Saturdays, Sundays, and legal holidays shall be excluded from the computation.
35 FR 10760, July 2, 1970.

§ 18b.27 Extension of time or postponement.
Requests for extension of time should be served on all parties and should set forth the reasons for the application. Applications may be granted upon a showing of good cause by the applicant. From the designation of a presiding officer until the issuance of a decision such requests should be addressed to the presiding officer. Answers to such requests are permitted, if made promptly.

§ 18b.28 Reduction of time to file documents.
For good cause, the reviewing authority or the presiding officer, with respect to matters pending before them, may reduce any time limit prescribed by the rules in this part, except as provided by law or in part 18 of this chapter.
35 FR 10760, July 2, 1970.

PROCEEDINGS BEFORE HEARING

§ 18b.30 Notice of hearing or opportunity for hearing.
§ 18b.31 Answer to notice.
§ 18b.32 Amendment of notice or answer.
§ 18b.33 Request for hearing.
§ 18b.34 Consolidation.
§ 18b.35 Motions.
§ 18b.36 Responses to motions and petitions.
§ 18b.37 Disposition of motions and petitions.

§ 18b.30 Notice of hearing or opportunity for hearing.
Proceedings are commenced by mailing a notice of hearing or opportunity for hearing to an affected applicant or recipient, pursuant to §§ 18.9 and 18a.5 of this chapter.
35 FR 10760, July 2, 1970.

§ 18b.31 Answer to notice.
The respondent, applicant or recipient may file an answer to the notice within 20 days after service thereof. Answers shall admit or deny specifically and in detail each allegation of the notice, unless the respondent party is without knowledge, in which case the answer should so state, and the statement will be deemed a denial. Allegations of fact in the notice not denied or controverted by answer shall be deemed admitted. Matters alleged as affirmative defenses shall be separately stated and numbered. Failure of the respondent to file an answer within the 20-day period following service of the notice may be deemed an admission of all matters of fact recited in the notice.

§ 18b.32 Amendment of notice or answer.
The General Counsel may amend the notice of hearing or opportunity for hearing once as a matter of course before an answer thereto is served, and each respondent may amend the answer once as a matter of course not later than 10 days before the date fixed for hearing but in no event later than 20 days from the date of service of the original answer. Otherwise a notice or answer may be amended only by leave of the presiding officer. A respondent shall file the answer to an amended notice within the time remaining for filing the answer to the original notice or within 10 days after service of the amended notice, whichever period may be the longer, unless the presiding officer otherwise orders.

§ 18b.33 Request for hearing.
Within 20 days after service of a notice of opportunity for hearing which does not fix a date for hearing the respondent, either in the answer or in a separate document, may
request a hearing. Failure of the respondent to request a hearing shall be deemed a waiver of the right to a hearing and to constitute consent to the making of a decision on the basis of such information as is available.

§ 18b.34 Consolidation.
The reviewing authority may provide for proceedings in the Department of Veterans Affairs to be joined or consolidated for hearing with proceedings in other Federal departments or agencies, by agreement with such other departments or agencies. All parties to any proceeding consolidated subsequent to service of the notice of hearing or opportunity for hearing shall be served with notice of such consolidation.

35 FR 10760, July 2, 1970.

§ 18b.35 Motions.
Motions and petitions shall state the relief sought, the authority relied upon, and the facts alleged. If made before or after the hearing, these matters shall be in writing. If made at the hearing, they may be stated orally; but the presiding officer may require that they be reduced to writing and filed and served on all parties in the same manner as a formal motion. Motions, answers, and replies shall be addressed to the presiding officer, if the case is pending before the officer. A repetitious motion will not be entertained.

§ 18b.36 Responses to motions and petitions.
Within 8 days after a written motion or petition is served, or such other period as the reviewing authority or the presiding officer may fix, any party may file a response thereto. An immediate oral response may be made to an oral motion.

35 FR 10760, July 2, 1970.

§ 18b.37 Disposition of motions and petitions.
The reviewing authority or the presiding officer may not sustain or grant a written motion or petition prior to expiration of the time for filing responses thereto, but may overrule or deny such motion or petition without awaiting response: Provided, however, That prehearing conferences, hearings and decisions need not be delayed pending disposition of motions or petitions. Oral motions and petitions may be ruled on immediately. Motions and petitions submitted to the reviewing authority or the presiding officer, respectively, and not disposed of in separate rulings or in their respective decisions will be deemed denied. Oral arguments shall not be held on written motions or petitions unless the presiding officer in the officer's discretion expressly so orders.

RESPONSIBILITIES AND DUTIES OF PRESIDING OFFICER

§ 18b.40 Who presides.
§ 18b.41 Designation of an administrative law judge.
§ 18b.42 Authority of presiding officer.

§ 18b.40 Who presides.
An administrative law judge assigned under 5 U.S.C. 3105 or 3344 (formerly section 11 of the Administrative Procedure Act) shall preside over the taking of evidence in any hearing to which these rules or procedure apply.

§ 18b.41 Designation of an administrative law judge.
The designation of the administrative law judge as presiding officer shall be in writing, and shall specify whether the administrative law judge is to make an initial decision or to certify the entire record including recommended findings and proposed decision to the reviewing authority, and may also fix the time and place of hearing. A copy of such order shall be served on all parties. After service of an order designating an administrative law judge to preside, and until such administrative law judge makes a decision, motions and petitions shall be submitted to the administrative law judge. In the case of the death, illness, disqualification or unavailability of the designated administrative law judge, another administrative law judge may be designated to take that person's place.
[51 FR 10386, Mar. 26, 1986]

§ 18b.42 Authority of presiding officer.
The presiding officer shall have the duty to conduct a fair hearing, to take all necessary action to avoid delay, and to maintain order. The presiding officer shall have all powers necessary to these ends, including (but not limited to) the power to:
(a) Arrange and issue notice of the date, time, and place of hearings, or, upon due notice to the parties, to change the date, time, and place of hearings previously set.
(b) Hold conferences to settle, simplify, or fix the issues in a proceeding, or to consider other matters that may aid in the expeditious disposition of the proceeding.
(c) Require parties and amici curiae to state their position with respect to the various issues in the proceeding.
(d) Administer oaths and affirmations.
(e) Rule on motions, and other procedural items on matters pending before the presiding officer.
(f) Regulate the course of the hearing and conduct of counsel therein.
(g) Examine witnesses and direct witnesses to testify.
(h) Receive, rule on, exclude or limit evidence.
(i) Fix the time for filing motions, petitions, briefs, or other items in matters pending before the presiding officer.
(j) Issue initial or recommended decisions.
(k) Take any action authorized by the rules in this part, or in conformance with the provisions of 5 U.S.C. 551-559 (the Administrative Procedure Act).

HEARING PROCEDURES

§ 18b.50 Statements of position and trial briefs.
§ 18b.51 Evidentiary purpose.
§ 18b.52 Testimony.
§ 18b.53 Exhibits.
§ 18b.54 Affidavits.
§ 18b.55 Depositions.
§ 18b.56 Admissions as to facts and documents.
§ 18b.57 Evidence.
§ 18b.58 Cross-examination.
§ 18b.59 Unponsored written material.
§ 18b.60 Objections.
§ 18b.61 Exceptions to rulings of presiding officer unnecessary.
§ 18b.62 Official notice.
§ 18b.63 Public document items.
§ 18b.64 Offer of proof.
§ 18b.65 Appeals from ruling of presiding officer.

§ 18b.50 Statements of position and trial briefs.
The presiding officer may require parties and amici curiae to file written statements of position prior to the beginning of a hearing. The presiding officer may also require the parties to submit trial briefs.
35 FR 10760, July 2, 1970.

§ 18b.51 Evidentiary purpose.
(a) The hearing is directed to receiving factual evidence and expert opinion testimony related to the issues in the proceeding. Argument will not be received in evidence; rather it should be presented in statements, memoranda, or briefs, as determined by the presiding officer. Brief opening statements, which shall be limited to statement of the party's position and what the party intends to prove, may be made at hearings.
(b) Hearings for the reception of evidence will be held only in cases where issues of fact must be resolved in order to determine whether the respondent has failed to comply with one or more applicable requirements of part 18 of this chapter. In any case where it appears from the respondent's answer to the notice of hearing or opportunity for hearing, from failure timely to answer, or from admissions or stipulations in the record, that there are no matters of material fact in dispute, the reviewing authority or presiding officer may enter an order so finding, vacating the hearing date if one has been set, and fixing the time for filing briefs under § 18b.70. Thereafter the proceedings shall go to conclusion in accordance with §§ 18b.70 through 18b.76. The presiding officer may allow an appeal from such order in accordance with § 18b.65.

§ 18b.52 Testimony.
Testimony shall be given orally under oath or affirmation by witnesses at the hearing; but the presiding officer, in the officer's discretion, may require or permit that the direct testimony of any witness be prepared in writing and served on all parties in advance of the hearing. Such testimony may be adopted by the witness at the hearing, and filed as part of the record thereof. Unless authorized by the presiding officer, witnesses will not be permitted to read prepared testimony into the record. Except as provided in §§ 18b.54 and 18b.55, witnesses shall be available at the hearing for cross-examination.

§ 18b.53 Exhibits.
Proposed exhibits shall be exchanged at the prehearing conference, or otherwise prior to the hearing if the presiding officer so requires. Proposed exhibits not so exchanged may be denied admission as evidence. The authenticity of all proposed exhibits exchanged prior to hearing will be deemed admitted unless written objection thereto is filed prior to the hearing or unless good cause is shown at the hearing for failure to file such written objection.
35 FR 10760, July 2, 1970.

§ 18b.54 Affidavits.
An affidavit is not inadmissible as such. Unless the presiding officer fixes other time periods affidavits shall be filed and served on the parties not later than 15 days prior to the hearing; and not less than 7 days prior to hearing a party may file and serve written objection to any affidavit on the ground that it is believed necessary to test the truth of assertions therein at hearing. In such event the assertions objected to will not be received in evidence unless the affiant is made available for cross-examination, or the presiding officer determines that cross-examination is not necessary for the full and true disclosure of facts referred to in such assertions. Notwithstanding any objection, however, affidavits may be considered in the case of any respondent who waives a hearing.

§ 18b.55 Depositions.
Upon such terms as may be just, for the convenience of the parties or of the Department of Veterans Affairs, the presiding officer may authorize or direct the testimony of any witness to be taken by deposition.
35 FR 10760, July 2, 1970.

§ 18b.56 Admissions as to facts and documents.
Not later than 15 days prior to the scheduled date of the hearing except for good cause shown or prior to such earlier date as the presiding officer may order, any party may
serve upon an opposing party a written request for the admission of the genuineness and
authenticity of any relevant documents described in and exhibited with the request, or for
the admission of the truth of any relevant matters of fact stated in the request. Each of the
matters of which an admission is requested shall be deemed admitted, unless within a
period designated in the request (not less than 10 days after service thereof, or within
such further time as the presiding officer or the reviewing authority if no presiding officer
has yet been designated may allow upon motion and notice) the party to whom the
request is directed serves upon the requesting party a sworn statement either denying
specifically the matters of which an admission is requested or setting forth in detail the
reasons why the party cannot truthfully either admit or deny such matters. Copies of
requests for admission and answers thereto shall be served on all parties. Any admission
made by a party to such request is only for the purposes of the pending proceeding, or
any proceeding or action instituted for the enforcement of any order entered therein, and
shall not constitute an admission by the party for any other purpose or be used against the
party in any other proceeding or action.

§ 18b.57 Evidence.
Irrelevant, immaterial, unreliable, and unduly repetitious evidence will be excluded.
35 FR 10760, July 2, 1970.

§ 18b.58 Cross-examination.
A witness may be cross-examined on any matter material to the proceeding without
regard to the scope of his direct examination.
35 FR 10760, July 2, 1970.

§ 18b.59 Unsponsored written material.
Letters expressing views or urging action and other unsponsored written material
regarding matters in issue in a hearing will be placed in the correspondence section of the
docket of the proceeding. These data are not deemed part of the evidence or record in the
hearing.
35 FR 10760, July 2, 1970.

§ 18b.60 Objections.
Objections to evidence shall be timely and briefly state the ground relied upon.
35 FR 10760, July 2, 1970.

§ 18b.61 Exceptions to rulings of presiding officer unnecessary.

© 2006 Matthew Bender & Company, Inc., a member of the LexisNexis Group. All rights reserved. Use of this product is subject to
the restrictions and terms and conditions of the Matthew Bender Master Agreement.
Exceptions to rulings of the presiding officer are unnecessary. It is sufficient that a party, at the time the ruling of the presiding officer is sought, makes known the action which the party desires the presiding officer to take, or the party's objection to an action taken, and the party's grounds therefor.

§ 18b.62 Official notice.
Where official notice is taken or is to be taken of a material fact not appearing in the evidence of record, any party, on timely request, shall be afforded an opportunity to show the contrary.
35 FR 10760, July 2, 1970.

§ 18b.63 Public document items.
Whenever there is offered (in whole or in part) a public document, such as an official report, decision, opinion, or published scientific or economic statistical data issued by any of the executive departments (or their subdivisions), legislative agencies or committees, or administrative agencies of the Federal Government (including Government-owned corporations), or a similar document issued by a State or its agencies, and such document (or part thereof) has been shown by the offeror to be reasonably available to the public, such document need not be produced or marked for identification, but may be offered for official notice, as a public document item by specifying the document or relevant part thereof.
35 FR 10760, July 2, 1970.

§ 18b.64 Offer of proof.
An offer of proof made in connection with an objection taken to any ruling of the presiding officer rejecting or excluding proffered oral testimony shall consist of a statement of the substance of the evidence which counsel contends would be adduced by such testimony; and, if the excluded evidence consists of evidence in documentary or written form or of reference to documents or records, a copy of such evidence shall be marked for identification and shall accompany the record as the offer of proof.
35 FR 10760, July 2, 1970.

§ 18b.65 Appeals from ruling of presiding officer.
Rulings of the presiding officer may not be appealed to the reviewing authority prior to consideration of the entire proceeding except with the consent of the presiding officer and where the reviewing authority certifies on the record or in writing that the allowance of an interlocutory appeal is clearly necessary to prevent exceptional delay, expense, or prejudice to any party, or substantial detriment to the public interest. If an appeal is allowed, any party may file a brief with the reviewing authority within such period as the
presiding officer directs. No oral argument will be heard unless the reviewing authority directs otherwise. At any time prior to submission of the proceeding to the reviewing authority for decision, the reviewing authority may direct the presiding officer to certify any question or the entire record to the reviewing authority for decision. Where the entire record is so certified, the presiding officer shall recommend a decision.

THE RECORD

§ 18b.66 Official transcript.
§ 18b.67 Record for decision.

§ 18b.66 Official transcript.
The Department of Veterans Affairs will designate the official reporter for all hearings. The official transcripts of testimony taken, together with any exhibits, briefs, or memoranda of law filed therewith shall be filed with the Department of Veterans Affairs. Transcripts of testimony in hearings may be obtained from the official reporter by the parties and the public at rates not to exceed the maximum rates fixed by the contract between the Department of Veterans Affairs and the reporter. Upon notice to all parties, the presiding officer may authorize corrections to the transcript which involve matters of substance.
35 FR 10760, July 2, 1970.

5 U.S.C. 301, 38 U.S.C. 501 and

§ 18b.67 Record for decision.
The transcript of testimony, exhibits, and all papers and requests filed in the proceedings, except the correspondence section of the docket, including rulings and any recommended or initial decision shall constitute the exclusive record for decision.
35 FR 10760, July 2, 1970.

5 U.S.C. 301, 38 U.S.C. 501 and
POSTHEARING PROCEDURES; DECISIONS

§ 18b.70 Posthearing briefs; proposed findings and conclusions.
§ 18b.71 Decisions following hearing.
§ 18b.72 Exceptions to initial or recommended decisions.
§ 18b.73 Final decisions.
§ 18b.74 Oral argument to the reviewing authority.
§ 18b.75 Review by the Secretary.
§ 18b.76 Service on amici curiae.

§ 18b.70 Posthearing briefs; proposed findings and conclusions.
(a) The presiding officer shall fix the time for filing posthearing briefs, which may contain proposed findings of fact and conclusions of law, and, if permitted, reply briefs. (b) Briefs should include a summary of the evidence relied upon together with references to exhibit numbers and pages of the transcript, with citations of authorities relied upon.

35 FR 10760, July 2, 1970.

§ 18b.71 Decisions following hearing.
When the time for submission of posthearing briefs has expired, the presiding officer shall certify the entire record, including recommended findings and proposed decision, to the reviewing authority; or if so authorized shall make an initial decision. A copy of the recommended findings and proposed decision, or of the initial decision, shall be served upon all parties, and amici, if any.

§ 18b.72 Exceptions to initial or recommended decisions.
Within 20 days after the mailing of an initial or recommended decision, any party may file exceptions to the decision, stating reasons therefor, with the reviewing authority. Any other party may file a response thereto within 30 days after the mailing of the decision. Upon the filing of such exceptions, the reviewing authority shall review the decision and issue its own decision thereon.

35 FR 10760, July 2, 1970.

§ 18b.73 Final decisions.
(a) Where the hearing is conducted by a hearing examiner who makes an initial decision, if no exceptions thereto are filed within the 20-day period specified in § 18b.72, such decision shall become the final decision of the Department of Veterans Affairs, and shall constitute "final agency action" within the meaning of 5 U.S.C. 704 (formerly section 10(c) of the Administrative Procedure Act), subject to the provisions of § 18b.75. (b) Where the hearing is conducted by an administrative law judge who makes a recommended decision or upon the filing of exceptions to an administrative law judge's
initial decision, the reviewing authority shall review the recommended or initial decision and shall issue a decision thereon, which shall become the final decision of VA, and shall constitute "final agency action" within the meaning of 5 U.S.C. 704 (formerly section 10(c) of the Administrative Procedures Act), subject to the provisions of § 18b.75.

(c) All final decisions shall be promptly served on all parties, and amici, if any.

§ 18b.74 Oral argument to the reviewing authority.

(a) If any party desires to argue a case orally on exceptions or replies to exceptions to an initial or recommended decision, the party shall make such request in writing. The reviewing authority may grant or deny such requests in his or her discretion. If granted, the reviewing authority will serve notice of oral argument on all parties. The notice will set forth the order of presentation, the amount of time allotted, and the time and place for argument. The names of persons who will argue should be filed with the agency hearing clerk not later than 7 days before the date set for oral argument.

(b) The purpose of oral argument is to emphasize and clarify the written argument in the briefs. Reading at length from the brief or other texts is not favored. Participants should confine their arguments to points of controlling importance and to points upon which exceptions have been filed. Consolidations of appearances at oral argument by parties taking the same side will permit the parties' interests to be presented more effectively in the time allotted.

(c) Pamphlets, charts, and other written material may be presented at oral argument only if such material is limited to facts already in the record and is served on all parties and filed with the Department hearing clerk at least 7 days before the argument.

§ 18b.75 Review by the Secretary.

Within 20 days after an initial decision becomes a final decision pursuant to § 18b.73(a), or within 20 days of the mailing of a final decision referred to in § 18b.73(b), as the case may be, a party may request the Secretary to review the final decision. The Secretary may grant or deny such request, in whole or in part, or serve notice of intent to review the decision in whole or in part upon motion. If the Secretary grants the requested review, or serves notice of intent to review upon motion, each party to the decision shall have 20 days following notice of the Secretary's proposed action within which to file exceptions to the decision and supporting briefs and memoranda, or briefs and memoranda in support of the decision. Failure of a party to request review under this section shall not be deemed a failure to exhaust administrative remedies for the purpose of obtaining judicial review.

§ 18b.76 Service on amici curiae.
All briefs, exceptions, memoranda, requests, and decisions referred to in §§ 18b.70 through 18b.76 shall be served upon amici curiae at the same times and in the same manner required for service on parties. Any written statements of position and trial briefs required of parties under § 18b.50 shall be served on amici.
35 FR 10760, July 2, 1970.

§ 18b.77 Final Department action.

§ 18b.77 Final Department action.
(a) The final decision of the administrative law judge or reviewing authority that a school or training establishment is not in compliance will be referred by the reviewing authority to the Secretary for approval as required by § 18.10(e) of this chapter. The finding will be accompanied by letters from the Secretary to the House Veterans’ Affairs Committee and the Senate Veterans Affairs Committee containing a full report on the circumstances as required by § 18.8(c) of this chapter, the reasons for the proposed action and a statement that the proposed action will become the final Department action 30 days after the date of the letter.
(b) A copy of the letters to the congressional committees will be sent to all parties to the proceedings.

§ 18b.90 Conduct.
Parties and their representatives are expected to conduct themselves with honor and dignity and observe judicial standards of practice and ethics in all proceedings. They should not indulge in offensive personalities, unseemly wrangling, or intemperate accusations or characterizations. A representative of any party whether or not a lawyer shall observe the traditional responsibilities of lawyers as officers of the court and use best efforts to restrain the principal represented from improprieties in connection with a proceeding.

§ 18b.91 Improper conduct.
With respect to any proceeding it is improper for any interested person to attempt to sway the judgment of the reviewing authority by undertaking to bring pressure or influence to bear upon the reviewing authority or any officer having a responsibility for a decision in the proceeding, or decisional staff. It is improper that such interested persons or any members of the Department of Veterans Affairs's staff or the presiding officer give statements to communications media, by paid advertisement or otherwise, designed to influence the judgment of any officer having a responsibility for a decision in the proceeding, or decisional staff. It is improper for any person to solicit communications to any such officer, or decisional staff, other than proper communications by parties or amici curiae.

§ 18b.92 Ex parte communications.
Only persons employed by or assigned to work with the reviewing authority who perform no investigative or prosecuting function in connection with a proceeding shall communicate ex parte with the reviewing authority or the presiding officer, or any employee or person involved in the decisional process in such proceedings with respect to the merits of that or a factually related proceeding. The reviewing authority, the presiding officer, or any employee or person involved in the decisional process of a proceeding shall communicate ex parte with respect to the merits of that or a factually related proceeding only with persons employed by or assigned to work with them and who perform no investigative or prosecuting function in connection with the proceeding.
Requests for expeditious treatment of matters pending before the reviewing authority or the presiding officer are deemed communications on the merits, and are improper except when forwarded from parties to a proceeding and served upon all other parties thereto. Such communications should be in the form of a motion.

35 FR 10760, July 2, 1970.

A request for information which merely inquires about the status of a proceeding without discussing issues or expressing points of view is not deemed an ex parte communication. Such requests should be directed to the civil rights hearing clerk. Communications with respect to minor procedural matters or inquiries or emergency requests for extensions of time are not deemed ex parte communications prohibited by § 18b.92. Where feasible, however, such communications should be by letter with copies to all parties. Ex parte communications between a respondent and the responsible agency official or the Secretary with respect to securing such respondent's voluntary compliance with any requirement of part 18 of this chapter are not prohibited.

35 FR 10760, July 2, 1970.

A prohibited communication in writing received by the Secretary, the reviewing authority, or by the presiding officer, shall be made public by placing it in the correspondence file of the docket in the case and will not be considered as part of the record for decision. If the prohibited communication is received orally, a memorandum setting forth its substance shall be made and filed in the correspondence section of the docket in the case. A person referred to in such memorandum may file a comment for inclusion in the docket if the memorandum is considered to be incorrect.

§ 19.12 Disqualification of Members.
§ 19.13 Delegation of authority to Chairman and Vice Chairman, Board of Veterans' Appeals.
§ 19.15 -- 19.24 [Reserved]

§ 19.1 Establishment of the Board.

The Board of Veterans' Appeals is established by authority of, and functions pursuant to, title 38, United States Code, chapter 71.

§ 19.2 Composition of the Board; Titles.

(a) The Board consists of a Chairman, Vice Chairman, Deputy Vice Chairmen, Members and professional, administrative, clerical and stenographic personnel. Deputy Vice Chairmen are Members of the Board who are appointed to that office by the Secretary upon the recommendation of the Chairman.

(b) A member of the Board (other than the Chairman) may also be known as a Veterans Law Judge. An individual designated as an acting member pursuant to 38 U.S.C. 7101(c)(1) may also be known as an acting Veterans Law Judge.

(38 U.S.C. 501(a), 512, 7101(a))

[EFFECTIVE DATE NOTE: 68 FR 6621, 6625, Feb. 10, 2003, revised this section, effective Feb. 10, 2003.]

§ 19.3 Assignment of proceedings.
(a) Assignment. The Chairman may assign a proceeding instituted before the Board, including any motion, to an individual Member or to a panel of three or more Members for adjudication or other appropriate action. The Chairman may participate in a proceeding assigned to a panel of Members.

(Authority: 38 U.S.C. 7102)

(b) Inability to serve. If a Member is unable to participate in the disposition of a proceeding or motion to which the Member has been assigned, the Chairman may assign the proceeding or motion to another Member or substitute another Member (in the case of a proceeding or motion assigned to a panel).

Authority: 38 U.S.C. 7101(a), 7102)

[EFFECTIVE DATE NOTE: 61 FR 20447, 20448, May 7, 1996, revised this section, effective May 7, 1996.]

§ 19.4 Principal functions of the Board.
The principal functions of the Board are to make determinations of appellate jurisdiction, consider all applications on appeal properly before it, conduct hearings on appeal, evaluate the evidence of record, and enter decisions in writing on the questions presented on appeal.

[57 FR 4104, Feb. 3, 1992; 61 FR 20447, 20448, May 7, 1996]

(38 U.S.C. 7102, 7104, 7107)

§ 19.5 Criteria governing disposition of appeals.
In the consideration of appeals, the Board is bound by applicable statutes, regulations of the Department of Veterans Affairs, and precedent opinions of the General Counsel of the Department of Veterans Affairs. The Board is not bound by Department manuals, circulars, or similar administrative issues.

(38 U.S.C. 501(a), 7104(c))

§ 19.6 [Reserved]

§ 19.7 The decision.

(a) Decisions based on entire record. The appellant will not be presumed to be in agreement with any statement of fact contained in a Statement of the Case to which no exception is taken. Decisions of the Board are based on a review of the entire record.

(Authority: 38 U.S.C. 501(a), 7104(c))

(b) Content. The decision of the Board will be in writing and will set forth specifically the issue or issues under appellate consideration. Except with respect to issues remanded to the agency of original jurisdiction for further development of the case and appeals which are dismissed because the issue has been resolved by administrative action or because an appellant seeking nonmonetary benefits has died while the appeal was pending, the decision will also include separately stated findings of fact and conclusions of law on all material issues of fact and law presented on the record, the reasons or bases
for those findings and conclusions, and an order granting or denying the benefit or benefits sought on appeal or dismissing the appeal.
(Authority: 38 U.S.C. 7104(d))

(c) A decision by a panel of Members will be by a majority vote of the panel Members.
[57 FR 4104, Feb. 3, 1992; 61 FR 20447, 20448, May 7, 1996]

[EFFECTIVE DATE NOTE: 61 FR 20447, 20448, May 7, 1996, which added paragraph (c), became effective May 7, 1996.]

§ 19.8 Content of Board decision, remand, or order in simultaneously contested claims.
The content of the Board's decision, remand, or order in appeals involving a simultaneously contested claim will be limited to information that directly affects the issues involved in the contested claim. Appellate issues that do not involve all of the contesting parties will be addressed in one or more separate written decisions, remands, or orders that will be furnished only to the appellants concerned and their representatives, if any.

(5 U.S.C. 552a(b), 38 U.S.C. 5701(a))

§ 19.9 Remand for further development.
(a) General. If further evidence, clarification of the evidence, correction of a procedural defect, or any other action is essential for a proper appellate decision, a Veterans Law Judge or panel of Veterans Law Judges shall remand the case to the agency of original jurisdiction, specifying the action to be undertaken.
(b) Exceptions. A remand to the agency of original jurisdiction is not necessary for the purposes of:
(1) Clarifying a procedural matter before the Board, including the appellant's choice of representative before the Board, the issues on appeal, or requests for a hearing before the Board;
(2) Consideration of an appeal, in accordance with Sec. 20.903(b) of this chapter, with respect to law not already considered by the agency of original jurisdiction. This includes, but is not limited to, statutes, regulations, and court decisions; or
(3) Reviewing additional evidence received by the Board, if, pursuant to Sec. 20.1304(c) of this chapter, the appellant or the appellant's representative waives the right to initial consideration by the agency of original jurisdiction, or if the Board determines that the benefit or benefits to which the evidence relates may be fully allowed on appeal.
(c) Scope. This section does not apply to:
(1) The Board's request for an opinion under Rule 901 (§ 20.901 of this chapter);
(2) The Board's supplementation of the record with a recognized medical treatise; and
(3) Matters over which the Board has original jurisdiction described in Rules 609 and 610 (§§ 20.609 and 20.610 of this chapter).
§ 19.11 Reconsideration panel.

(a) Assignment of Members. When a motion for reconsideration is allowed, the Chairman will assign a panel of three or more Members of the Board, which may include the Chairman, to conduct the reconsideration.

(b) Number of Members constituting a reconsideration panel. In the case of a matter originally heard by a single Member of the Board, the case shall be referred to a panel of three Members of the Board. In the case of a matter originally heard by a panel of Members of the Board, the case shall be referred to an enlarged panel, consisting of three or more Members than the original panel. In order to obtain a majority opinion, the number of Members assigned to a reconsideration panel may be increased in successive increments of three.

(c) Members included in the reconsideration panel. The reconsideration panel may not include any Member who participated in the decision that is being reconsidered. Additional Members will be assigned in accordance with paragraph (b) of this section.

§ 19.12 Disqualification of Members.

(a) General. A Member of the Board will disqualify himself or herself in a hearing or decision on an appeal if that appeal involves a determination in which he or she participated or had supervisory responsibility in the agency of original jurisdiction prior to his or her appointment as a Member of the Board, or where there are other circumstances which might give the impression of bias either for or against the appellant.

(b) Appeal on same issue subsequent to decision on administrative appeal. Any Member of the Board who made the decision on an administrative appeal will disqualify himself or herself from acting on a subsequent appeal by the claimant on the same issue.

(c) Disqualification of Members by the Chairman. The Chairman of the Board, on his or her own motion, may disqualify a Member from acting in an appeal on the grounds set forth in paragraphs (a) and (b) of this section and in those cases where a Member is unable or unwilling to act.

(EFFECTIVE DATE NOTE: 61 FR 20447, 20449, May 7, 1996, which revised this section, became effective May 7, 1996.)
§ 19.13 Delegation of authority to Chairman and Vice Chairman, Board of Veterans' Appeals.
The Chairman and/or Vice Chairman have authority delegated by the Secretary of Veterans Affairs to:
(a) Approve the assumption of appellate jurisdiction of an adjudicative determination which has not become final in order to grant a benefit, and
(b) Order VA Central Office investigations of matters before the Board.
(38 U.S.C. 303, 512(a))

(a) The authority exercised by the Chairman of the Board of Veterans' Appeals described in §§ 19.3(b) and 19.12(c) of this part may also be exercised by the Vice Chairman of the Board.
(b) The authority exercised by the Chairman of the Board of Veterans' Appeals described in § 19.11 of this part may also be exercised by the Vice Chairman of the Board and by Deputy Vice Chairmen of the Board.
(38 U.S.C. 512(a), 7102, 7104)

§ 19.15 -- 19.24 [Reserved]
SUBPART B -- APPEALS PROCESSING BY AGENCY OF ORIGINAL JURISDICTION

§ 19.25 Notification by agency of original jurisdiction of right to appeal.
§ 19.26 Action by agency of original jurisdiction on Notice of Disagreement.
§ 19.27 Adequacy of Notice of Disagreement questioned within the agency of original jurisdiction.
§ 19.28 Determination that a Notice of Disagreement is inadequate protested by claimant or representative.
§ 19.29 Statement of the Case.
§ 19.30 Furnishing the Statement of the Case and instructions for filing a Substantive Appeal.
§ 19.31 Supplemental statement of the case.
§ 19.32 Closing of appeal for failure to respond to Statement of the Case.
§ 19.33 Timely filing of Notice of Disagreement or Substantive Appeal questioned within the agency of original jurisdiction.
§ 19.34 Determination that Notice of Disagreement or Substantive Appeal was not timely filed protested by claimant or representative.
§ 19.35 Certification of appeals.
§ 19.36 Notification of certification of appeal and transfer of appellate record.
§ 19.37 Consideration of additional evidence received by the agency of original jurisdiction after an appeal has been initiated.
§ 19.38 Action by agency of original jurisdiction when remand received.
§§ 19.39 -- 19.49 [Reserved]

§ 19.25 Notification by agency of original jurisdiction of right to appeal.
The claimant and his or her representative, if any, will be informed of appellate rights provided by 38 U.S.C. chapters 71 and 72, including the right to a personal hearing and the right to representation. The agency of original jurisdiction will provide this information in each notification of a determination of entitlement or nonentitlement to Department of Veterans Affairs benefits.

(38 U.S.C. 7105(a))

§ 19.26 Action by agency of original jurisdiction on Notice of Disagreement.
When a Notice of Disagreement is timely filed, the agency of original jurisdiction must reexamine the claim and determine if additional review or development is warranted. When a Notice of Disagreement is received following a multiple-issue determination and it is not clear which issue, or issues, the claimant desires to appeal, clarification sufficient to identify the issue, or issues, being appealed should be requested from the claimant or his or her representative. If no preliminary action is required, or when it is completed, the agency of original jurisdiction must prepare a Statement of the Case pursuant to § 19.29 of this part, unless the matter is resolved by granting the benefits sought on appeal or the Notice of Disagreement is withdrawn by the appellant or his or her representative.
§ 19.27 Adequacy of Notice of Disagreement questioned within the agency of original jurisdiction.
If, within the agency of original jurisdiction, there is a question as to the adequacy of a Notice of Disagreement, the procedures for an administrative appeal must be followed. 57 FR 4104, Feb. 3, 1992.

§ 19.28 Determination that a Notice of Disagreement is inadequate protested by claimant or representative.
Whether a Notice of Disagreement is adequate is an appealable issue. If the claimant or his or her representative protests an adverse determination made by the agency of original jurisdiction with respect to the adequacy of a Notice of Disagreement, the claimant will be furnished a Statement of the Case. 57 FR 4104, Feb. 3, 1992.

§ 19.29 Statement of the Case.
The Statement of the Case must be complete enough to allow the appellant to present written and/or oral arguments before the Board of Veterans' Appeals. It must contain:
(a) A summary of the evidence in the case relating to the issue or issues with which the appellant or representative has expressed disagreement;
(b) A summary of the applicable laws and regulations, with appropriate citations, and a discussion of how such laws and regulations affect the determination; and
(c) The determination of the agency of original jurisdiction on each issue and the reasons for each such determination with respect to which disagreement has been expressed. 57 FR 4104, Feb. 3, 1992.

§ 19.30 Furnishing the Statement of the Case and instructions for filing a Substantive Appeal.
(a) To whom the Statement of the Case is furnished. The Statement of the Case will be forwarded to the appellant at the latest address of record and a separate copy provided to his or her representative (if any).
(b) Information furnished with the Statement of the Case. With the Statement of the Case, the appellant and the representative will be furnished information on the right to file, a Substantive Appeal; information on hearing and representation rights; and a VA Form 9, "Appeal to Board of Veterans' Appeals."
§ 19.31 Supplemental statement of the case.

(a) Purpose and limitations. A "Supplemental Statement of the Case," so identified, is a document prepared by the agency of original jurisdiction to inform the appellant of any material changes in, or additions to, the information included in the Statement of the Case or any prior Supplemental Statement of the Case. In no case will a Supplemental Statement of the Case be used to announce decisions by the agency of original jurisdiction on issues not previously addressed in the Statement of the Case, or to respond to a notice of disagreement on newly appealed issues that were not addressed in the Statement of the Case. The agency of original jurisdiction will respond to notices of disagreement on newly appealed issues not addressed in the Statement of the Case using the procedures in §§ 19.29 and 19.30 of this part (relating to statements of the case).

(b) When furnished. The agency of original jurisdiction will furnish the appellant and his or her representative, if any, a Supplemental Statement of the Case if:

(1) The agency of original jurisdiction receives additional pertinent evidence after a Statement of the Case or the most recent Supplemental Statement of the Case has been issued and before the appeal is certified to the Board of Veterans' Appeals and the appellate record is transferred to the Board;

(2) A material defect in the Statement of the Case or a prior Supplemental statement of the Case is discovered; or

(3) For any other reason the Statement of the Case or a prior Supplemental Statement of the Case is inadequate.

(c) Pursuant to remand from the Board. The agency of original jurisdiction will issue a Supplemental Statement of the Case if, pursuant to a remand by the Board, it develops the evidence or cures a procedural defect, unless:

(1) The only purpose of the remand is to assemble records previously considered by the agency of original jurisdiction and properly discussed in a prior Statement of the Case or Supplemental Statement of the Case; or

(2) The Board specifies in the remand that a Supplemental Statement of the Case is not required.

§ 19.32 Closing of appeal for failure to respond to Statement of the Case.

The agency of original jurisdiction may close the appeal without notice to an appellant or his or her representative for failure to respond to a Statement of the Case within the period allowed. However, if a Substantive Appeal is subsequently received within the

1-year appeal period (60-day appeal period for simultaneously contested claims), the appeal will be considered to be reactivated.

(38 U.S.C. 7105(d)(3))

§ 19.33 Timely filing of Notice of Disagreement or Substantive Appeal questioned within the agency of original jurisdiction.
If, within the agency of original jurisdiction, there is a question as to the timely filing of a Notice of Disagreement or Substantive Appeal, the procedures for an administrative appeal must be followed.

(38 U.S.C. 7105, 7106)

§ 19.34 Determination that Notice of Disagreement or Substantive Appeal was not timely filed protested by claimant or representative.
Whether a Notice of Disagreement or Substantive Appeal has been filed on time is an appealable issue. If the claimant or his or her representative protests an adverse determination made by the agency of original jurisdiction with respect to timely filing of the Notice of Disagreement or Substantive Appeal, the claimant will be furnished a Statement of the Case.

(38 U.S.C. 7105)

§ 19.35 Certification of appeals.
Following receipt of a timely Substantive Appeal, the agency of original jurisdiction will certify the case to the Board of Veterans' Appeals. Certification is accomplished by the completion of VA Form 8, "Certification of Appeal." The certification is used for administrative purposes and does not serve to either confer or deprive the Board of Veterans' Appeals of jurisdiction over an issue.

(38 U.S.C. 7105)
[EFFECTIVE DATE NOTE: 66 FR 53339, Oct. 22, 2001, revised the first sentence, effective Nov. 21, 2001.]

§ 19.36 Notification of certification of appeal and transfer of appellate record.
When an appeal is certified to the Board of Veterans' Appeals for appellate review and the appellate record is transferred to the Board, the appellant and his or her representative, if any, will be notified in writing of the certification and transfer and of the time limit for requesting a change in representation, for requesting a personal hearing, and for submitting additional evidence described in Rule of Practice 1304 (§ 20.1304 of this chapter).
§ 19.37 Consideration of additional evidence received by the agency of original jurisdiction after an appeal has been initiated.

(a) Evidence received prior to transfer of records to Board of Veterans' Appeals. Evidence received by the agency of original jurisdiction prior to transfer of the records to the Board of Veterans' Appeals after an appeal has been initiated (including evidence received after certification has been completed) will be referred to the appropriate rating or authorization activity for review and disposition. If the Statement of the Case and any prior Supplemental Statements of the Case were prepared before the receipt of the additional evidence, a Supplemental Statement of the Case will be furnished to the appellant and his or her representative as provided in § 19.31 of this part, unless the additional evidence received duplicates evidence previously of record which was discussed in the Statement of the Case or a prior Supplemental Statement of the Case or the additional evidence is not relevant to the issue, or issues, on appeal.

(b) Evidence received after transfer of records to the Board of Veterans' Appeals. Additional evidence received by the agency of original jurisdiction after the records have been transferred to the Board of Veterans' Appeals for appellate consideration will be forwarded to the Board if it has a bearing on the appellate issue or issues. The Board will then determine what action is required with respect to the additional evidence.

§ 19.38 Action by agency of original jurisdiction when remand received.

When a case is remanded by the Board of Veterans' Appeals, the agency of original jurisdiction will complete the additional development of the evidence or procedural development required. Following completion of the development, the case will be reviewed to determine whether the additional development, together with the evidence which was previously of record, supports the allowance of all benefits sought on appeal. If so, the appellant and his or her representative, if any, will be promptly informed. If any benefits sought on appeal remain denied following this review, the agency of original jurisdiction will issue a Supplemental Statement of the Case concerning the additional development pertaining to those issues in accordance with the provisions of § 19.31 of this part. Following the 60-day period allowed for a response to the Supplemental Statement of the Case pursuant to Rule of Practice 302, paragraph (c) (§ 20.302(c) of this chapter), the case will be returned to the Board for further appellate processing unless the appeal is withdrawn or review of the response to the Supplemental Statement of the Case results in the allowance of all benefits sought on appeal. Remanded cases will not be closed for failure to respond to the Supplemental Statement of the Case.

§§ 19.39 -- 19.49 [Reserved]
SUBPART C -- ADMINISTRATIVE APPEALS

§ 19.50 Nature and form of administrative appeal.
§ 19.51 Officials authorized to file administrative appeals and time limits for filing.
§ 19.52 Notification to claimant of filing of administrative appeal.
§ 19.53 Restriction as to change in payments pending determination of administrative appeals.
§§ 19.54 -- 19.74 [Reserved]

§ 19.50 Nature and form of administrative appeal.

(a) General. An administrative appeal from an agency of original jurisdiction determination is an appeal taken by an official of the Department of Veterans Affairs authorized to do so to resolve a conflict of opinion or a question pertaining to a claim involving benefits under laws administered by the Department of Veterans Affairs. Such appeals may be taken not only from determinations involving dissenting opinions, but also from unanimous determinations denying or allowing the benefit claimed in whole or in part.

(b) Form of Appeal. An administrative appeal is entered by a memorandum entitled "Administrative Appeal" in which the issues and the basis for the appeal are set forth. 57 FR 4104, Feb. 3, 1992.

(38 U.S.C. 7106)

§ 19.51 Officials authorized to file administrative appeals and time limits for filing.

The Secretary of Veterans Affairs authorizes certain officials of the Department of Veterans Affairs to file administrative appeals within specified time limits, as follows:

(a) Central Office -- (1) Officials. The Under Secretary for Benefits or a service director of the Veterans Benefits Administration, the Under Secretary for Health or a service director of the Veterans Health Administration, and the General Counsel.

(2) Time limit. Such officials must file an administrative appeal within 1 year from the date of mailing notice of such determination to the claimant.

(b) Agencies of original jurisdiction--(1) Officials. Directors, adjudication officers, and officials at comparable levels in field offices deciding any claims for benefits, from any determination originating within their established jurisdiction.

(2) Time limit. The Director or comparable official must file an administrative appeal within 6 months from the date of mailing notice of the determination to the claimant. Officials below the level of Director must do so within 60 days from such date.

(c) The date of mailing. With respect to paragraphs (a) and (b) of this section, the date of mailing notice of the determination to the claimant will be presumed to be the same as the date of the letter of notification to the claimant.

(38 U.S.C. 7106)
§ 19.52 Notification to claimant of filing of administrative appeal.
When an administrative appeal is entered, the claimant and his or her representative, if any, will be promptly furnished a copy of the memorandum entitled "Administrative Appeal," or an adequate summary thereof, outlining the question at issue. They will be allowed a period of 60 days to join in the appeal if they so desire. The claimant will also be advised of the effect of such action and of the preservation of normal appeal rights if he or she does not elect to join in the administrative appeal.

(38 U.S.C. 7106)

§ 19.53 Restriction as to change in payments pending determination of administrative appeals.
If an administrative appeal is taken from a review or determination by the agency of original jurisdiction pursuant to §§ 19.50 and 19.51 of this part, that review or determination may not be used to effect any change in payments until after a decision is made by the Board of Veterans' Appeals.

Subpart D -- Hearings Before the Board of Veterans' Appeals at Department of Veterans Affairs Field Facilities

§ 19.75 Field hearing docket.
§ 19.76 Notice of time and place of hearing before the Board of Veterans' Appeals at Department of Veterans Affairs field facilities.
§ 19.77 [Reserved]
§ 19.78 -- 19.99 [Reserved]

§ 19.75 Field hearing docket.

Hearings on appeal held at Department of Veterans Affairs field facilities will be scheduled for each area served by a regional office in accordance with the place of each case on the Board's docket, established under § 20.900 of this chapter, relative to other cases for which hearings are scheduled to be held within that area. Such scheduling is subject to § 20.704(f) of this chapter pertaining to advancement of a case on the hearing docket.

(38 U.S.C. 7107)

§ 19.76 Notice of time and place of hearing before the Board of Veterans' Appeals at Department of Veterans Affairs field facilities.

The agency of original jurisdiction will notify the appellant and his or her representative of the place and time of a hearing before the Board of Veterans' Appeals at a Department of Veterans Affairs field facility not less than 30 days prior to the hearing date. This time limitation does not apply to hearings which have been rescheduled due to a postponement requested by an appellant, or on his or her behalf, or due to the prior failure of an appellant to appear at a scheduled hearing before the Board of Veterans' Appeals at a Department of Veterans Affairs field facility with good cause. The right to notice at least 30 days in advance will be deemed to have been waived if an appellant accepts an earlier hearing date due to the cancellation of another previously scheduled hearing.

SUBPART E -- SIMULTANEOUSLY CONTESTED CLAIMS

§ 19.100 Notification of right to appeal in simultaneously contested claims.
§ 19.101 Notice to contesting parties on receipt of Notice of Disagreement in simultaneously contested claims.
§ 19.102 Notice of appeal to other contesting parties in simultaneously contested claims.

§ 19.100 Notification of right to appeal in simultaneously contested claims.

All interested parties will be specifically notified of the action taken by the agency of original jurisdiction in a simultaneously contested claim and of the right and time limit for initiation of an appeal, as well as hearing and representation rights.

(38 U.S.C. 7105A(a))

§ 19.101 Notice to contesting parties on receipt of Notice of Disagreement in simultaneously contested claims.

Upon the filing of a Notice of Disagreement in a simultaneously contested claim, all interested parties and their representatives will be furnished a copy of the Statement of the Case. The Statement of the Case so furnished will contain only information which directly affects the payment or potential payment of the benefit(s) which is (are) the subject of that contested claim. The interested parties who filed Notices of Disagreement will be duly notified of the right to file, and the time limit within which to file, a Substantive Appeal and will be furnished with VA Form 9, "Appeal to Board of Veterans' Appeals."

(38 U.S.C. 7105A(b))

[EFFECTIVE DATE NOTE: 61 FR 20447, 20449, May 7, 1996, which substituted "VA Form 9" for "VA Form 1-9," became effective May 7, 1996.]

§ 19.102 Notice of appeal to other contesting parties in simultaneously contested claims.

When a Substantive Appeal is filed in a simultaneously contested claim, the content of the Substantive Appeal will be furnished to the other contesting parties to the extent that it contains information which could directly affect the payment or potential payment of the benefit which is the subject of the contested claim.

§ 20.1 Rule 1. Purpose and construction of Rules of Practice.
§ 20.2 Rule 2. Procedure in absence of specific Rule of Practice.
§ 20.3 Rule 3. Definitions.
§§ 20.4 -- 20.99 [Reserved]

§ 20.1 Rule 1. Purpose and construction of Rules of Practice.
(a) Purpose. These rules establish the practices and procedures governing appeals to the Board of Veterans' Appeals.
(Authority: 38 U.S.C. 501(a), 7102, 7104)
(b) Construction. These rules are to be construed to secure a just and speedy decision in every appeal.

(38 U.S.C. 501(a), 5107, 7104)

§ 20.2 Rule 2. Procedure in absence of specific Rule of Practice.
Where in any instance there is no applicable rule or procedure, the Chairman may prescribe a procedure which is consistent with the provisions of title 38, United States Code, and these rules.

(38 U.S.C. 501(a), 512(a), 7102, 7104)

§ 20.3 Rule 3. Definitions.
As used in these Rules:
(a) Agency of original jurisdiction means the Department of Veterans Affairs activity or administration, that is, the Veterans Benefits Administration, Veterans Health Administration, or National Cemetery Administration, that made the initial determination on a claim.
(b) Agent means a person who has met the standards and qualifications for accreditation outlined in § 14.629(b) of this chapter and who has been properly designated under the provisions of Rule 604 (§ 20.604 of this part). It does not include representatives recognized under Rules 602, 603, or 605 (§ 20.602, 20.603, or § 20.605 of this part).
(c) Appellant means a claimant who has initiated an appeal to the Board of Veterans' Appeals by filing a Notice of Disagreement pursuant to the provisions of 38 U.S.C. 7105.
(d) Attorney-at-law means a member in good standing of a State bar.
(e) Benefit means any payment, service, commodity, function, or status, entitlement to which is determined under laws administered by the Department of Veterans Affairs pertaining to veterans and their dependents and survivors.
(f) Claim means application made under title 38, United States Code, and implementing directives for entitlement to Department of Veterans Affairs benefits or for the continuation or increase of such benefits, or the defense of a proposed agency adverse action concerning benefits.
(g) Claimant means a person who has filed a claim, as defined by paragraph (f) of this section.
(h) Electronic hearing means a hearing on appeal in which an appellant or a representative participates, through voice transmission or through picture and voice transmission, by electronic or other means, in a hearing with a Member or Members sitting at the Board's principal location in Washington, DC.
(i) Hearing on appeal means a hearing conducted after a Notice of Disagreement has been filed in which argument and/or testimony is presented concerning the determination, or determinations, by the agency of original jurisdiction being appealed.
(j) Law student means an individual pursuing a Juris Doctor or equivalent degree at a school approved by a recognized accrediting association.
(k) Legal intern means a graduate of a law school, which has been approved by a recognized accrediting association, who has not yet been admitted to a State bar.
(l) Motion means a request that the Board rule on some question which is subsidiary to the ultimate decision on the outcome of an appeal. For example, the questions of whether a representative's fees are reasonable or whether additional evidence may be submitted more than 90 days after certification of an appeal to the Board are raised by motion (see Rule 609, paragraph (i), and Rule 1304, paragraph (b) §§ 20.609(i) and 20.1304(b) of this part). Unless raised orally at a personal hearing before Members of the Board, motions for consideration by the Board must be made in writing. No formal type of document is required. The motion may be in the form of a letter which contains the necessary information.
(m) Paralegal means a graduate of a course of paralegal instruction given by a school which has been approved by a recognized accrediting association, or an individual who has equivalent legal experience.
(n) Past-due benefits means a nonrecurring payment resulting from a benefit, or benefits, granted on appeal or awarded on the basis of a claim reopened after a denial by the Board of Veterans' Appeals or the lump sum payment which represents the total amount of recurring cash payments which accrued between the effective date of the award, as determined by applicable laws and regulations, and the date of the grant of the benefit by the agency of original jurisdiction, the Board of Veterans' Appeals, or an appellate court.
(o) Presiding Member means that Member of the Board who presides over a hearing, whether conducted as a single Member or panel hearing.
(p) Simultaneously contested claim refers to the situation in which the allowance of one claim results in the disallowance of another claim involving the same benefit or the allowance of one claim results in the payment of a lesser benefit to another claimant.
(q) State includes any State, possession, territory, or Commonwealth of the United States, as well as the District of Columbia.

(38 U.S.C. 501(a))

SUBPART B -- THE BOARD

§ 20.100 Rule 100. Name, business hours, and mailing address of the Board.
§§ 20.103 -- 20.199 [Reserved]

§ 20.100 Rule 100. Name, business hours, and mailing address of the Board.
(a) Name. The name of the Board is the Board of Veterans' Appeals.
(b) Business hours. The Board is open during business hours on all days except Saturday, Sunday and legal holidays. Business hours are from 8 a.m. to 4:30 p.m.
(c) Mailing address. Except as otherwise noted in these Rules, mail to the Board must be addressed to: Chairman (01), Board of Veterans' Appeals, 810 Vermont Avenue NW., Washington, DC 20420.
(38 U.S.C. 7101(a))

(cclxx) Discussion and Analysis in the Veterans Benefits Manual
(a) General. All questions of law and fact necessary to a decision by the Secretary of Veterans Affairs under a law that affects the provision of benefits by the Secretary to veterans or their dependents or survivors are subject to review on appeal to the Secretary. Decisions in such appeals are made by the Board of Veterans' Appeals. In its decisions, the Board is bound by applicable statutes, the regulations of the Department of Veterans Affairs and precedent opinions of the General Counsel of the Department of Veterans Affairs. Examples of the issues over which the Board has jurisdiction include, but are not limited to, the following:
(1) Entitlement to, and benefits resulting from, service-connected disability or death (38 U.S.C. chapter 11).
(2) Dependency and indemnity compensation for service-connected death, including benefits in certain cases of inservice or service-connected deaths (38 U.S.C. 1312) and certification and entitlement to death gratuity (38 U.S.C. 1323).
(4) Entitlement to nonservice-connected disability pension, service pension and death pension (38 U.S.C. chapter 15).
(10) Veterans' Job Training (Pub. L. 98-77, as amended; 38 CFR 21.4600 et seq.).
(15) Payment or reimbursement for unauthorized medical expenses (38 U.S.C. 1728).
(17) Benefits for persons disabled by medical treatment or vocational rehabilitation (38 U.S.C. 1151).
(18) Basic eligibility for home, condominium and mobile home loans as well as waiver of payment of loan guaranty indebtedness (38 U.S.C. chapter 37, 38 U.S.C. 5302).
(20) Forfeiture of rights, claims or benefits for fraud, treason, or subversive activities (38 U.S.C. 6102-6105).
(22) Determinations as to duty status (38 U.S.C. 101(21)-(24)).
(24) Determination of dependency status as parent or child (38 U.S.C. 101(4), (5)).
(27) Payment of benefits while a veteran is hospitalized and questions regarding an estate of an incompetent institutionalized veteran (38 U.S.C. 5503).
(28) Benefits for surviving spouses and children of deceased veterans under Public Law 97-377, section 156 ((38 CFR 3.812(d)).

(b) Appellate jurisdiction of determinations of the Veterans Health Administration. The Board's appellate jurisdiction extends to questions of eligibility for hospitalization, outpatient treatment, and nursing home and domiciliary care; for devices such as prostheses, canes, wheelchairs, back braces, orthopedic shoes, and similar appliances; and for other benefits administered by the Veterans Health Administration. Medical determinations, such as determinations of the need for and appropriateness of specific types of medical care and treatment for an individual, are not adjudicative matters and are beyond the Board's jurisdiction. Typical examples of these issues are whether a particular drug should be prescribed, whether a specific type of physiotherapy should be ordered, and similar judgmental treatment decisions with which an attending physician may be faced.

(c) Appeals as to jurisdiction. All claimants have the right to appeal a determination made by the agency of original jurisdiction that the Board does not have jurisdictional authority to review a particular case. Jurisdictional questions which a claimant may appeal, include, but are not limited to, questions relating to the timely filing and adequacy of the Notice of Disagreement and the Substantive Appeal.

(d) Authority to determine jurisdiction. The Board may address questions pertaining to its jurisdictional authority to review a particular case, including, but not limited to, determining whether Notices of Disagreement and Substantive Appeals are adequate and
timely, at any stage in a proceeding before it, regardless of whether the agency of original jurisdiction addressed such question(s). When the Board, on its own initiative, raises a question as to a potential jurisdictional defect, all parties to the proceeding and their representative(s), if any, will be given notice of the potential jurisdictional defect(s) and granted a period of 60 days following the date on which such notice is mailed to present written argument and additional evidence relevant to jurisdiction and to request a hearing to present oral argument on the jurisdictional question(s). The date of mailing of the notice will be presumed to be the same as the date stamped on the letter of notification. The Board may dismiss any case over which it determines it does not have jurisdiction.

(e) Application of 38 CFR 19.9 and 20.1304. Section 19.9 of this chapter shall not apply to proceedings to determine the Board's own jurisdiction. However, the Board may remand a case to an agency of original jurisdiction in order to obtain assistance in securing evidence of jurisdictional facts. The time restrictions on requesting a hearing and submitting additional evidence in § 20.1304 of this part do not apply to a hearing requested, or evidence submitted, under paragraph (d) of this section.

(38 U.S.C. 511(a), 7104, 7105, 7108)

[EFFECTIVE DATE NOTE: 66 FR 53339, Oct. 22, 2001, revised paragraph (c), and added paragraphs (d) and (e), effective Nov. 21, 2001.]

(a) The authority exercised by the Chairman of the Board of Veterans' Appeals described in Rules 717(d) and 1001(c) (§§ 20.717(d) and 20.1001(c) of this part) may also be exercised by the Vice Chairman of the Board and by Deputy Vice Chairmen of the Board.

(b) The authority exercised by the Chairman of the Board of Veterans' Appeals described in Rules 2 and 606(d) (§§ 20.2, and 20.606(d) of this part), may also be exercised by the Vice Chairman of the Board; by Deputy Vice Chairmen of the Board; and, in connection with a proceeding or motion assigned to them by the Chairman, by a Member or Members of the Board.

§§ 20.103 -- 20.199 [Reserved]
SUBPART C -- COMMENCEMENT AND PERFECTION OF APPEAL

§ 20.201 Rule 201. Notice of Disagreement.
§ 20.203 [Reserved]
§ 20.204 Rule 204. Withdrawal of Appeal.
§§ 20.205 -- 20.299 [Reserved]

An appeal consists of a timely filed Notice of Disagreement in writing and, after a Statement of the Case has been furnished, a timely filed Substantive Appeal. 57 FR 4109, Feb. 3, 1992.

(38 U.S.C. 7105)

§ 20.201 Rule 201. Notice of Disagreement.
A written communication from a claimant or his or her representative expressing dissatisfaction or disagreement with an adjudicative determination by the agency of original jurisdiction and a desire to contest the result will constitute a Notice of Disagreement. While special wording is not required, the Notice of Disagreement must be in terms which can be reasonably construed as disagreement with that determination and a desire for appellate review. If the agency of original jurisdiction gave notice that adjudicative determinations were made on several issues at the same time, the specific determinations with which the claimant disagrees must be identified. For example, if service connection was denied for two disabilities and the claimant wishes to appeal the denial of service connection with respect to only one of the disabilities, the Notice of Disagreement must make that clear. 57 FR 4109, Feb. 3, 1992.

(38 U.S.C. 7105)

A Substantive Appeal consists of a properly completed VA Form 9, "Appeal to Board of Veterans' Appeals," or correspondence containing the necessary information. If the Statement of the Case and any prior Supplemental Statements of the Case addressed several issues, the Substantive Appeal must either indicate that the appeal is being perfected as to all of those issues or must specifically identify the issues appealed. The Substantive Appeal should set out specific arguments relating to errors of fact or law made by the agency of original jurisdiction in reaching the determination, or determinations, being appealed. To the extent feasible, the argument should be related to specific items in the Statement of the Case and any prior Supplemental Statements of the Case. The Board will construe such arguments in a liberal manner for purposes of
determining whether they raise issues on appeal, but the Board may dismiss any appeal which fails to allege specific error of fact or law in the determination, or determinations, being appealed. The Board will not presume that an appellant agrees with any statement of fact contained in a Statement of the Case or a Supplemental Statement of the Case which is not specifically contested. Proper completion and filing of a Substantive Appeal are the last actions the appellant needs to take to perfect an appeal.

§ 20.203 [Reserved]

§ 20.204 Rule 204. Withdrawal of Appeal.

(a) When and by whom filed. Only an appellant, or an appellant's authorized representative, may withdraw an appeal. An appeal may be withdrawn as to any or all issues involved in the appeal.

(b) Filing. (1) Form and content. Except for appeals withdrawn on the record at a hearing, appeal withdrawals must be in writing. They must include the name of the veteran, the name of the claimant or appellant if other than the veteran (e.g., a veteran's survivor, a guardian, or a fiduciary appointed to receive VA benefits on an individual's behalf), the applicable Department of Veterans Affairs file number, and a statement that the appeal is withdrawn. If the appeal involves multiple issues, the withdrawal must specify that the appeal is withdrawn in its entirety, or list the issue(s) withdrawn from the appeal.

(2) Where to file. Appeal withdrawals should be filed with the agency of original jurisdiction until the appellant or representative filing the withdrawal receives notice that the appeal has been transferred to the Board. Thereafter, file the withdrawal at the following address: Director, Management and Administration (014), Board of Veterans' Appeals, 810 Vermont Avenue, NW., Washington, DC 20420.

(3) When effective. Until the appeal is transferred to the Board, an appeal withdrawal is effective when received by the agency of original jurisdiction. Thereafter, it is not effective until received by the Board. A withdrawal received by the Board after the Board issues a final decision under Rule 1100(a) (§ 20.1100(a) of this part) will not be effective.

(c) Effect of filing. Withdrawal of an appeal will be deemed a withdrawal of the Notice of Disagreement and, if filed, the Substantive Appeal, as to all issues to which the withdrawal applies. Withdrawal does not preclude filing a new Notice of Disagreement and, after a Statement of the Case is issued, a new Substantive Appeal, as to any issue withdrawn, provided such filings would be timely under these rules if the appeal withdrawn had never been filed.

§§ 20.205 -- 20.299 [Reserved]
SUBPART D -- FILING

§ 20.300 Rule 300. Place of filing Notice of Disagreement and Substantive Appeal.
§ 20.301 Rule 301. Who can file an appeal.
§ 20.304 Rule 304. Filing additional evidence does not extend time limit for appeal.
§ 20.305 Rule 305. Computation of time limit for filing.
§ 20.306 Rule 306. Legal holidays.
§§ 20.307 -- 20.399 [Reserved]

§ 20.300 Rule 300. Place of filing Notice of Disagreement and Substantive Appeal.

The Notice of Disagreement and Substantive Appeal must be filed with the Department of Veterans Affairs office from which the claimant received notice of the determination being appealed unless notice has been received that the applicable Department of Veterans Affairs records have been transferred to another Department of Veterans Affairs office. In that case, the Notice of Disagreement or Substantive Appeal must be filed with the Department of Veterans Affairs office which has assumed jurisdiction over the applicable records.

(38 U.S.C. 7105 (b)(1), (d)(3))

§ 20.301 Rule 301. Who can file an appeal.

(a) Persons authorized. A Notice of Disagreement and/or a Substantive Appeal may be filed by a claimant personally, or by his or her representative if a proper Power of Attorney or declaration of representation, as applicable, is on record or accompanies such Notice of Disagreement or Substantive Appeal.

(b) Claimant rated incompetent by Department of Veterans Affairs or under disability and unable to file. If an appeal is not filed by a person listed in paragraph (a) of this section, and the claimant is rated incompetent by the Department of Veterans Affairs or has a physical, mental, or legal disability which prevents the filing of an appeal on his or her own behalf, a Notice of Disagreement and a Substantive Appeal may be filed by a fiduciary appointed to manage the claimant's affairs by the Department of Veterans Affairs or a court, or by a person acting as next friend if the appointed fiduciary fails to take needed action or no fiduciary has been appointed.

(c) Claimant under disability and able to file. Notwithstanding the fact that a fiduciary may have been appointed for a claimant, an appeal filed by a claimant will be accepted.

(38 U.S.C. 7105(b)(2))

(a) Notice of Disagreement. Except in the case of simultaneously contested claims, a claimant, or his or her representative, must file a Notice of Disagreement with a determination by the agency of original jurisdiction within one year from the date that that agency mails notice of the determination to him or her. Otherwise, that determination will become final. The date of mailing the letter of notification of the determination will be presumed to be the same as the date of that letter for purposes of determining whether an appeal has been timely filed.

(Authority: 38 U.S.C. 7105(b)(1))

(b) Substantive Appeal. (1) General. Except in the case of simultaneously contested claims, a Substantive Appeal must be filed within 60 days from the date that the agency of original jurisdiction mails the Statement of the Case to the appellant, or within the remainder of the 1-year period from the date of mailing of the notification of the determination being appealed, whichever period ends later. The date of mailing of the Statement of the Case will be presumed to be the same as the date of the Statement of the Case and the date of mailing the letter of notification of the determination will be presumed to be the same as the date of that letter for purposes of determining whether an appeal has been timely filed.

(2) Special rule in certain cases where additional evidence is submitted. Except in the case of simultaneously contested claims, if (i) a claimant submits additional evidence within 1 year of the date of mailing of the notification of the determination being appealed, and (ii) that evidence requires, in accordance with § 19.31 of this title, that the claimant be furnished a Supplemental Statement of the Case, then the time to submit a Substantive Appeal shall end not sooner than 60 days after such Supplemental Statement of the Case is mailed to the appellant, even if the 60-day period extends beyond the expiration of the 1-year appeal period.

(Authority: 38 U.S.C. 7105 (b)(1), (d)(3).)

(c) Response to Supplemental Statement of the Case. Where a Supplemental Statement of the Case is furnished, a period of 60 days from the date of mailing of the Supplemental Statement of the Case will be allowed for response. The date of mailing of the Supplemental Statement of the Case will be presumed to be the same as the date of the Supplemental Statement of the Case for purposes of determining whether a response has been timely filed. Provided a Substantive Appeal has been timely filed in accordance with paragraph (b) of this section, the response to a Supplemental Statement of the Case is optional and is not required for the perfection of an appeal.

(38 U.S.C. 7105(d)(3))

[EFFECTIVE DATE NOTE: 68 FR 64805, 64806, Nov. 17, 2003, amended paragraph (c), effective Nov. 17, 2003.]

An extension of the 60-day period for filing a Substantive Appeal, or the 60-day period for responding to a Supplemental Statement of the Case when such a response is required, may be granted for good cause. A request for such an extension must be in writing and must be made prior to expiration of the time limit for filing the Substantive Appeal or the response to the Supplemental Statement of the Case. The request for extension must be filed with the Department of Veterans Affairs office from which the claimant received notice of the determination being appealed, unless notice has been received that the applicable records have been transferred to another Department of Veterans Affairs office. A denial of a request for extension may be appealed to the Board. 57 FR 4109, Feb. 3, 1992.

(38 U.S.C. 7105(d)(3))

§ 20.304 Rule 304. Filing additional evidence does not extend time limit for appeal.
Except as provided in Rule 302(b) (§ 20.302(b) of this part), the filing of additional evidence after receipt of notice of an adverse determination does not extend the time limit for initiating or completing an appeal from that determination. [57 FR 4109, Feb. 3, 1992; 66 FR 50318, 50319, Oct. 3, 2001]

(38 U.S.C. 7105.)
[EFFECTIVE DATE NOTE: 66 FR 50318, 50319, Oct. 3, 2001, revised this section, effective Feb. 11, 1997.]

§ 20.305 Rule 305. Computation of time limit for filing.
(a) Acceptance of postmark date. When these Rules require that any written document be filed within a specified period of time, a response postmarked prior to expiration of the applicable time limit will be accepted as having been timely filed. In the event that the postmark is not of record, the postmark date will be presumed to be five days prior to the date of receipt of the document by the Department of Veterans Affairs. In calculating this 5-day period, Saturdays, Sundays and legal holidays will be excluded.
(b) Computation of time limit. In computing the time limit for filing a written document, the first day of the specified period will be excluded and the last day included. Where the time limit would expire on a Saturday, Sunday, or legal holiday, the next succeeding workday will be included in the computation. 57 FR 4109, Feb. 3, 1992.

SUBPART E -- ADMINISTRATIVE APPEALS

§ 20.400 Rule 400. Action by claimant or representative on notification of administrative appeal.
§ 20.401 Rule 401. Effect of decision on administrative or merged appeal on claimant's appellate rights.
§§ 20.402 -- 20.499 [Reserved]

§ 20.400 Rule 400. Action by claimant or representative on notification of administrative appeal.
When an official of the Department of Veterans Affairs enters an administrative appeal, the claimant and his or her representative, if any, are notified and given a period of 60 days from the date of mailing of the letter of notification to join in the administrative appeal. The date of mailing of the letter of notification will be presumed to be the same as the date of the letter of notification. If the claimant, or the representative acting on his or her behalf, elects to join in the administrative appeal, it becomes a "merged appeal" and the rules governing an appeal initiated by a claimant are for application. The presentation of evidence or argument by the claimant or his or her representative in response to notification of the right to join in the administrative appeal will be construed as an election to join in the administrative appeal. If the claimant does not authorize the merger, he or she must hold such evidence or argument in abeyance until resolution of the administrative appeal.

(38 U.S.C. 7106)

§ 20.401 Rule 401. Effect of decision on administrative or merged appeal on claimant's appellate rights.
(a) Merged appeal. If the administrative appeal is merged, the appellate decision on the merged appeal will constitute final disposition of the claimant's appellate rights.
(b) Appeal not merged. If the claimant does not authorize merger, normal appellate rights on the same issue are preserved, and the Chairman will assign the proceeding to a Member or panel of Members of the Board who did not make the decision on the administrative appeal. The period of time from the date of notification to the claimant of the administrative appeal to the date of the Board's decision on the administrative appeal is not chargeable to the claimant for purposes of determining the time limit for perfecting his or her separate appeal.

SUBPART F -- SIMULTANEOUSLY CONTESTED CLAIMS

§ 20.500 Rule 500. Who can file an appeal in simultaneously contested claims.
§ 20.502 Rule 502. Time limit for response to appeal by another contesting party in a simultaneously contested claim.
§ 20.503 Rule 503. Extension of time for filing a Substantive Appeal in simultaneously contested claims.
§ 20.504 Rule 504. Notices sent to last addresses of record in simultaneously contested claims.
§§ 20.505 -- 20.599 [Reserved]

§ 20.500 Rule 500. Who can file an appeal in simultaneously contested claims.
In a simultaneously contested claim, any claimant or representative of a claimant may file a Notice of Disagreement or Substantive Appeal within the time limits set out in Rule 501 (§ 20.501 of this part).
(38 U.S.C. 7105(b)(2), 7105A)

(a) Notice of Disagreement. In simultaneously contested claims, the Notice of Disagreement from the person adversely affected must be filed within 60 days from the date of mailing of the notification of the determination to him or her; otherwise, that determination will become final. The date of mailing of the letter of notification will be presumed to be the same as the date of that letter for purposes of determining whether a Notice of Disagreement has been timely filed.
(Authority: 38 U.S.C. 7105A(a))
(b) Substantive Appeal. In the case of simultaneously contested claims, a Substantive Appeal must be filed within 30 days from the date of mailing of the Statement of the Case. The date of mailing of the Statement of the Case will be presumed to be the same as the date of the Statement of the Case for purposes of determining whether an appeal has been timely filed.
(Authority: 38 U.S.C. 7105A(b))
(c) Supplemental Statement of the Case. Where a Supplemental Statement of the Case is furnished by the agency of original jurisdiction in a simultaneously contested claim, a period of 30 days from the date of mailing of the Supplemental Statement of the Case will be allowed for response, but the receipt of a Supplemental Statement of the Case will not extend the time allowed for filing a Substantive Appeal as set forth in paragraph (b) of this section. The date of mailing of the Supplemental Statement of the Case will be
presumed to be the same as the date of the Supplemental Statement of the Case for purposes of determining whether a response has been timely filed. Provided a Substantive Appeal has been timely filed in accordance with paragraph (b) of this section, the response to a Supplemental Statement of the Case is optional and is not required for the perfection of an appeal.

§ 20.502 -- Rule 502. Time limit for response to appeal by another contesting party in a simultaneously contested claim.
A party to a simultaneously contested claim may file a brief or argument in answer to a Substantive Appeal filed by another contesting party. Any such brief or argument must be filed with the agency of original jurisdiction within 30 days from the date the content of the Substantive Appeal is furnished as provided in § 19.102 of this chapter. Such content will be presumed to have been furnished on the date of the letter that accompanies the content.

(38 U.S.C. 7105A(b))

§ 20.503 Rule 503. Extension of time for filing a Substantive Appeal in simultaneously contested claims.
An extension of the 30-day period to file a Substantive Appeal in simultaneously contested claims may be granted if good cause is shown. In granting an extension, consideration will be given to the interests of the other parties involved. A request for such an extension must be in writing and must be made prior to expiration of the time limit for filing the Substantive Appeal.

§§ 20.505 -- 20.599 [Reserved]
SUBPART G -- REPRESENTATION

§ 20.600 Rule 600. Right to representation.
An appellant will be accorded full right to representation in all stages of an appeal by a recognized organization, attorney, agent, or other authorized person.
(38 U.S.C. 5901-5905, 7105(a))

§ 20.601 Rule 601. Only one representative recognized.
A specific claim may be prosecuted at any one time by only one recognized organization, attorney, agent or other person properly designated to represent the appellant.
(38 U.S.C. 7105(b)(2))

§ 20.602 Rule 602. Representation by recognized organizations.
In order to designate a recognized organization as his or her representative, an appellant must execute a VA Form 21-22, "Appointment of Veterans Service Organization as Claimant's Representative." This form gives the organization power of attorney to represent the appellant. The designation will be effective when it is received by the agency of original jurisdiction or, if the appellate record has been certified to the Board for review, by the Board of Veterans' Appeals. A properly filed designation made prior to appeal will continue to be honored, unless it has been revoked by the appellant or unless the representative has properly withdrawn.

CROSS-REFERENCE: In cases involving access to medical records relating to drug abuse, alcoholism, alcohol abuse, sickle cell anemia, or infection with the human immunodeficiency virus, also see 38 U.S.C. 7332.
§ 20.603 Rule 603. Representation by attorneys-at-law.

(a) Designation. An attorney-at-law may be designated as an appellant's representative through a properly executed VA Form 22a, "Appointment of Attorney or Agent as Claimant's Representative." This form gives the attorney power of attorney to represent the appellant. In lieu thereof, an attorney may state in writing on his or her letterhead that he or she is authorized to represent the appellant in order to have access to information in the appellant's file pertinent to the particular claim presented. For an attorney to have complete access to all information in an individual's records, the attorney must provide a signed consent from the appellant or the appellant's guardian. Such consent shall be equivalent to an executed power of attorney. The designation must be of an individual attorney, rather than a firm or partnership. An appellant may limit an attorney's right to act as his or her representative in an appeal to representation with respect to a specific claim for one or more specific benefits by noting the restriction in the written designation. Unless specifically noted to the contrary, however, designations of an attorney as a representative will extend to all matters with respect to claims for benefits under laws administered by the Department of Veterans Affairs. Designations are effective when they are received by the agency of original jurisdiction or, if the appellate record has been certified to the Board for review, by the Board of Veterans' Appeals. A properly filed designation made prior to appeal will continue to be honored, unless it has been revoked or unless the representative has properly withdrawn. Legal interns, law students, and paralegals may not be independently accredited to represent appellants under this Rule.

(b) Attorneys employed by recognized organization. A recognized organization may employ an attorney-at-law to represent an appellant. If the attorney so employed is not an accredited representative of the recognized organization, the signed consent of the appellant for the substitution of representatives must be obtained and submitted to the agency of original jurisdiction or, if the appellate record has been certified to the Board for review, to the Board of Veterans' Appeals. When the signed consent is received by the agency of original jurisdiction or the Board, as applicable, the attorney will be recognized as the appellant's representative in lieu of the organization.

(c) Participation of associated or affiliated attorneys. With the specific written consent of the appellant, an attorney associated or affiliated with the appellant's attorney of record, including an attorney employed by the same legal services office as the attorney of record, may assist in representation of the appellant and may have access to the appellant's Department of Veterans Affairs records to the same extent as the attorney of record. Unless revoked by the appellant, such consent will remain effective in the event the original attorney of record is replaced by another attorney who is a member of the same law firm or an attorney employed by the same legal services office. The consent must include the name of the veteran; the name of the appellant if other than the veteran (e.g., a veteran's survivor, a guardian, or a fiduciary appointed to receive VA benefits on an individual's behalf); the applicable Department of Veterans Affairs file number; the name of the attorney of record; the consent of the appellant for the use of the services of the associated or affiliated attorney and for that individual to have access to applicable
§ 20.604 Rule 604. Representation by agents.
(a) Designation. The designation of an agent will be by a duly executed power of attorney, VA Form 22a, "Appointment of Attorney or Agent as Claimant's Representative," or its equivalent. The designation must be of an individual, rather than a firm or partnership. The designation will be effective when it is received by the agency of original jurisdiction or, if the appellate record has been certified to the Board for review, by the Board of Veterans Appeals. A properly filed designation made prior to appeal will continue to be honored, unless it has been revoked or unless the representative has properly withdrawn.
(b) Admission to practice. The provisions of 38 U.S.C. 5904 and of § 14.629(b) of this chapter are applicable to the admission of agents to practice before the Department of Veterans Affairs. Authority for making determinations concerning admission to practice rests with the General Counsel of the Department of Veterans Affairs, and any questions concerning admissions to practice should be addressed to: Office of the General Counsel (022A), Department of Veterans Affairs, 810 Vermont Avenue, NW., Washington, DC 20420.
[57 FR 4109, Feb. 3, 1992; 61 FR 20447, 20450, May 7, 1996]

§ 20.605 Rule 605. Other persons as representative.
(a) Scope of rule. This section applies to representation other than by a recognized organization, an agent admitted to practice before the Department of Veterans Affairs, or an attorney-at-law.
(b) Who may act as representative. Any competent person may be recognized as a representative for a particular claim, unless that person has been barred from practice before the Department of Veterans Affairs.
(c) Designation. The designation of an individual to act as an appellant's representative may be made by executing a VA Form 22a, "Appointment of Attorney or Agent as Claimant's Representative." This form gives the individual power of attorney to represent the appellant in all matters pertaining to the presentation and prosecution of claims for any and all benefits under laws administered by the Department of Veterans Affairs. In lieu of using the form, the designation may be by a written document signed by both the appellant and the individual representative, which may be in the form of a letter, which
authorizes a named individual to act as the appellant's representative only with respect to a specific claim involving one or more specific benefits. The document must include the name of the veteran; the name of the appellant if other than the veteran (e.g., a veteran's survivor, a guardian, or a fiduciary appointed to receive VA benefits on an individual's behalf); the applicable Department of Veterans Affairs file number; the appellant's consent for the individual representative to have access to his or her Department of Veterans Affairs records; the name of the individual representative; a description of the specific claim for benefits to which the designation of representation applies; and a certification that no compensation will be charged or paid for the individual representative's services. The designation, in either form, must be filed with the agency of original jurisdiction or, if the appellate record has been certified to the Board for review, with the Board of Veterans' Appeals. The designation will be effective when it is received by the agency of original jurisdiction or, if the appellate record has been certified to the Board for review, by the Board of Veterans' Appeals. A properly filed designation made prior to appeal will continue to be honored, unless it has been revoked or unless the representative has properly withdrawn.

(d) Representation of more than one appellant. An individual recognized as an appellant's representative under this Rule may represent only one appellant. If an individual has been recognized as a representative for one appellant and wishes to represent another appellant, he or she must obtain permission to do so from the Office of the General Counsel as provided in §14.630 of this chapter.

[EFFECTIVE DATE NOTE: 61 FR 20447, 20450, May 7, 1996, which substituted "VA Form 22a" for "VA Form 2-22a" in paragraph (c), became effective May 7, 1996.]

§ 20.606 Rule 606. Legal interns, law students and paralegals.

(a) Consent of appellant. If it is contemplated that a legal intern, law student, or paralegal will assist in the appeal, written consent must be obtained from the appellant. The written consent must include the name of the veteran; the name of the appellant if other than the veteran (e.g., a veteran's survivor, a guardian, or a fiduciary appointed to receive VA benefits on an individual's behalf); the applicable Department of Veterans Affairs file number; the name of the attorney-at-law; the consent of the appellant for the use of the services of legal interns, law students, or paralegals and for such individuals to have access to applicable Department of Veterans Affairs records; and the names of the legal interns, law students, or paralegals who will be assisting in the case. In the case of appeals before the Board in Washington, DC, the signed consent must be submitted to: Director, Management and Administration (01E), Board of Veterans' Appeals, 810 Vermont Avenue, NW., Washington, DC 20420. In the case of hearings before a Member or Members of the Board at Department of Veterans field facilities, the consent must be presented to the presiding Member of the hearing as noted in paragraph (d). Unless revoked by the appellant, such consent will remain effective in the event the original attorney of record is replaced by another attorney who is a member of the same law firm or another attorney employed by the same legal services office.
(b) Supervision. Legal interns, law students and paralegals must be under the direct supervision of a recognized attorney-at-law in order to prepare and present cases before the Board of Veterans' Appeals.

(c) Hearings. Legal interns, law students and paralegals who desire to participate at a hearing before the Board in Washington, DC, must make advance arrangements with the Director of the Administrative Service and submit written authorization from the attorney naming the individual who will be participating in the hearing. In the case of hearings before a Member or Members of the Board in the field, the attorney-at-law not less than 10 days prior to the scheduled hearing date must inform the office of the Department of Veterans Affairs official who gave notice of the Travel Board hearing date and time that the services of a legal intern, law student, or paralegal will be used at the hearing. At the same time, a prehearing conference with the presiding Member of the hearing must be requested. At the conference, the written consent of the appellant for the use of the services of such an individual required by paragraph (a) must be presented and agreement reached as to the individual's role in the hearing. Legal interns, law students or paralegals may not present oral arguments at hearings either in the field or in Washington, DC, unless the recognized attorney-at-law is present. Not more than two such individuals may make presentations at a hearing. The presiding Member at a hearing on appeal may require that not more than one such individual participate in the examination of any one witness or impose other reasonable limitations to ensure orderly conduct of the hearing.

(d) Withdrawal of permission for legal interns, law students, and paralegals to assist in the presentation of an appeal. When properly designated, the attorney-at-law is the recognized representative of the appellant and is responsible for ensuring that an appeal is properly presented. Legal interns, law students, and paralegals are permitted to assist in the presentation of an appeal as a courtesy to the attorney-at-law. Permission for a legal intern, law student, or paralegal to prepare and present cases before the Board may be withdrawn by the Chairman or presiding Member at any time if a lack of competence, unprofessional conduct, or interference with the appellate process is demonstrated by that individual.

(38 U.S.C. 5904, 7105(b)(2))

§ 20.607 Rule 607. Revocation of a representative's authority to act.
Subject to the provisions of § 20.1304 of this part, an appellant may revoke a representative's authority to act on his or her behalf at any time, irrespective of whether another representative is concurrently designated. Written notice of the revocation must be given to the agency of original jurisdiction or, if the appellate record has been certified to the Board for review, to the Board of Veterans' Appeals. The revocation is effective when notice of the revocation is received by the agency of original jurisdiction or the Board, as applicable. An appropriate designation of a new representative will automatically revoke any prior designation of representation. If an appellant has limited a designation of representation by an attorney-at-law to a specific claim under the provisions of Rule 603, paragraph (a) (§ 20.603(a) of this part), or has limited a designation of representation by an individual to a specific claim under the provisions of Rule 605, paragraph (c) (§ 20.605(c) of this part), such specific authority constitutes a
 revocation of an existing representative's authority to act only with respect to, and during the pendency of, that specific claim. Following the final determination of that claim, the existing representative's authority to act will be automatically restored in full, unless otherwise revoked.

(38 U.S.C. 5901-5904)

§ 20.608 Rule 608. Withdrawal of services by a representative.

(a) Withdrawal of services prior to certification of an appeal. A representative may withdraw services as representative in an appeal at any time prior to certification of the appeal to the Board of Veterans' Appeals by the agency of original jurisdiction. The representative must give written notice of such withdrawal to the appellant and to the agency of original jurisdiction. The withdrawal is effective when notice of the withdrawal is received by the agency of original jurisdiction.

(b) Withdrawal of services after certification of an appeal -- (1) Applicability. The restrictions on a representative's right to withdraw contained in this paragraph apply only to those cases in which the representative has previously agreed to act as representative in an appeal. In addition to express agreement, orally or in writing, such agreement shall be presumed if the representative makes an appearance in the case by acting on an appellant's behalf before the Board in any way after the appellant has designated the representative as such as provided in §§ 20.602 through 20.605 of this part. The preceding sentence notwithstanding, an appearance in an appeal solely to notify the Board that a designation of representation has not been accepted will not be presumed to constitute such consent.

(2) Procedures. After the agency of original jurisdiction has certified an appeal to the Board of Veterans' Appeals, a representative may not withdraw services as representative in the appeal unless good cause is shown on motion. Good cause for such purposes is the extended illness or incapacitation of an agent admitted to practice before the Department of Veterans Affairs, an attorney-at-law, or other individual representative; failure of the appellant to cooperate with proper preparation and presentation of the appeal; or other factors which make the continuation of representation impossible, impractical, or unethical. Such motions must be in writing and must include the name of the veteran, the name of the claimant or appellant if other than the veteran (e.g., a veteran's survivor, a guardian, or a fiduciary appointed to receive VA benefits on an individual's behalf), the applicable Department of Veterans Affairs file number, and the reason why withdrawal should be permitted, and a signed statement certifying that a copy of the motion was sent by first-class mail, postage prepaid, to the appellant, setting forth the address to which the copy was mailed. Such motions should not contain information which would violate privileged communications or which would otherwise be unethical to reveal. Such motions must be filed at the following address: Office of the Senior Deputy Vice Chairman (012), Board of Veterans' Appeals, 810 Vermont Avenue, NW., Washington, DC 20420. The appellant may file a response to the motion with the Board at the same address not later than 30 days following receipt of the copy of the motion and must include a signed statement certifying that a copy of the response was sent by first-class
mail, postage prepaid, to the representative, setting forth the address to which the copy was mailed.

§ 20.609 Rule 609. Payment of representative's fees in proceedings before Department of Veterans Affairs field personnel and before the Board of Veterans' Appeals.

cclxxxvi Discussion and Analysis in the Veterans Benefits Manual

(a) Applicability of rule. The provisions of this section apply to the services of representatives with respect to benefits under laws administered by the Department of Veterans Affairs in all proceedings before Department of Veterans Affairs field personnel or before the Board of Veterans' Appeals regardless of whether an appeal has been initiated.

(b) Who may charge fees for representation. Only agents and attorneys-at-law may receive fees from claimants or appellants for their services. Recognized organizations (including their accredited representatives when acting as such) and individuals recognized pursuant to Rule 605 (§ 20.605 of this part) are not permitted to receive fees. An attorney-at-law or agent who may also be an accredited representative of a recognized organization may not receive such fees unless he or she has been properly designated as representative in accordance with Rule 603(a) or Rule 604(a) (§ 20.603(a) or § 20.604(a) of this part) in his or her individual capacity.

(c) Circumstances under which fees may be charged. (1) General. Except as noted in paragraph (d) of this section, attorneys-at-law and agents may charge claimants or appellants for their services only if both of the following conditions have been met:

(i) A final decision has been promulgated by the Board of Veterans' Appeals with respect to the issue, or issues, involved; and

(ii) The attorney-at-law or agent was retained not later than one year following the date that the decision by the Board of Veterans' Appeals with respect to the issue, or issues, involved was promulgated. (This condition will be considered to have been met with respect to all successor attorneys-at-law or agents acting in the continuous prosecution of the same matter if a predecessor was retained within the required time period.)

(2) Clear and unmistakable error cases. For the purposes of this section, in the case of a motion under subpart O of this part (relating to requests for revision of prior Board decisions on the grounds of clear and unmistakable error), the "issue" referred to in this paragraph (c) shall have the same meaning as "issue" in Rule 1401(a) (§ 20.1401(a) of this part).

(d) Exceptions -- (1) Chapter 37 loans. With respect to services of agents and attorneys provided after October 9, 1992, a reasonable fee may be charged or paid in connection with any proceeding in a case arising out of a loan made, guaranteed, or insured under
chapter 37, United States Code, even though the conditions set forth in paragraph (c) of this section are not met.

(2) Payment of fee by disinterested third party. (i) An attorney-at-law or agent may receive a fee or salary from an organization, governmental entity, or other disinterested third party for representation of a claimant or appellant even though the conditions set forth in paragraph (c) of this section have not been met. In no such case may the attorney or agent charge a fee which is contingent, in whole or in part, on whether the matter is resolved in a manner favorable to the claimant or appellant.

(ii) For purposes of this part, a person shall be presumed not to be disinterested if that person is the spouse, child, or parent of the claimant or appellant, or if that person resides with the claimant or appellant. This presumption may be rebutted by clear and convincing evidence that the person in question has no financial interest in the success of the claim.

(iii) The provisions of paragraph (g) of this section (relating to fee agreements) shall apply to all payments or agreements to pay involving disinterested third parties. In addition, the agreement shall include or be accompanied by the following statement, signed by the attorney or agent: "I certify that no agreement, oral or otherwise, exists under which the claimant or appellant will provide anything of value to the third-party payer in this case in return for payment of my fee or salary, including, but not limited to, reimbursement of any fees paid."

(e) Fees permitted. Fees permitted for services of an attorney-at-law or agent admitted to practice before the Department of Veterans Affairs must be reasonable. They may be based on a fixed fee, hourly rate, a percentage of benefits recovered, or a combination of such bases. Factors considered in determining whether fees are reasonable include:

(1) The extent and type of services the representative performed;

(2) The complexity of the case;

(3) The level of skill and competence required of the representative in giving the services;

(4) The amount of time the representative spent on the case;

(5) The results the representative achieved, including the amount of any benefits recovered;

(6) The level of review to which the claim was taken and the level of the review at which the representative was retained;

(7) Rates charged by other representatives for similar services; and

(8) Whether, and to what extent, the payment of fees is contingent upon the results achieved.

(f) Presumption of reasonableness. Fees which total no more than 20 percent of any past-due benefits awarded, as defined in Rule 20.3(n) (§ 20.3(n) of this part), will be presumed to be reasonable.

(g) Fee agreements. All agreements for the payment of fees for services of attorneys-at-law and agents (including agreements involving fees or salary paid by an organization, governmental entity or other disinterested third party) must be in writing and signed by both the claimant or appellant and the attorney-at-law or agent. The agreement must include the name of the veteran, the name of the claimant or appellant if other than the veteran, the name of each disinterested third-party payer (see paragraph (d)(2) of this section), the applicable Department of Veterans Affairs file number, and the specific terms under which the amount to be paid for the services of the attorney-at-law or agent will be determined. A copy of the agreement must be filed with the Board of
Veterans' Appeals within 30 days of its execution by mailing the copy to the following address: Office of the Senior Deputy Vice Chairman (012), Board of Veterans' Appeals, 810 Vermont Avenue, NW, Washington, DC 20420.

(h) Payment of fees by Department of Veterans Affairs directly to an attorney-at-law from past-due benefits. (1) Subject to the requirements of the other paragraphs of this section, including paragraphs (c) and (e), the claimant or appellant and an attorney-at-law may enter into a fee agreement providing that payment for the services of the attorney-at-law will be made directly to the attorney-at-law by the Department of Veterans Affairs out of any past-due benefits awarded as a result of a successful appeal to the Board of Veterans' Appeals or an appellate court or as a result of a reopened claim before the Department following a prior denial of such benefits by the Board of Veterans' Appeals or an appellate court. Such an agreement will be honored by the Department only if the following conditions are met:

(i) The total fee payable (excluding expenses) does not exceed 20 percent of the total amount of the past-due benefits awarded,

(ii) The amount of the fee is contingent on whether or not the claim is resolved in a manner favorable to the claimant or appellant, and

(iii) The award of past-due benefits results in a cash payment to a claimant or an appellant from which the fee may be deducted. (An award of past-due benefits will not always result in a cash payment to a claimant or an appellant. For example, no cash payment will be made to military retirees unless there is a corresponding waiver of retirement pay. (See 38 U.S.C. 5304(a) and § 3.750 et seq. of this chapter.))

(2) For purposes of this paragraph, a claim will be considered to have been resolved in a manner favorable to the claimant or appellant if all or any part of the relief sought is granted.

(3) For purposes of this paragraph, "past-due benefits" means a nonrecurring payment resulting from a benefit, or benefits, granted on appeal or awarded on the basis of a claim reopened after a denial by the Board of Veterans' Appeals or the lump sum payment which represents the total amount of recurring cash payments which accrued between the effective date of the award, as determined by applicable laws and regulations, and the date of the grant of the benefit by the agency of original jurisdiction, the Board of Veterans' Appeals, or an appellate court.

(i) When the benefit granted on appeal, or as the result of the reopened claim, is service connection for a disability, the "past-due benefits" will be based on the initial disability rating assigned by the agency of original jurisdiction following the award of service connection. The sum will equal the payments accruing from the effective date of the award to the date of the initial disability rating decision. If an increased evaluation is subsequently granted as the result of an appeal of the disability evaluation initially assigned by the agency of original jurisdiction, and if the attorney-at-law represents the claimant or appellant in that phase of the claim, the attorney-at-law will be paid a supplemental payment based upon the increase granted on appeal, to the extent that the increased amount of disability is found to have existed between the initial effective date of the award following the grant of service connection and the date of the rating action implementing the appellate decision granting the increase.

(ii) Unless otherwise provided in the fee agreement between the claimant or appellant and the attorney-at-law, the attorney-at-law's fees will be determined on the basis of the total
amount of the past-due benefits even though a portion of those benefits may have been
apportioned to the claimant's or appellant's dependents.
(iii) If an award is made as the result of favorable action with respect to several issues,
the past-due benefits will be calculated only on the basis of that portion of the award
which results from action taken on issues concerning which the criteria in paragraph (c)
of this section have been met.
(4) In addition to filing a copy of the fee agreement with the Board of Veterans' Appeals
as required by paragraph (g) of this section, the attorney-at-law must notify the agency of
original jurisdiction within 30 days of the date of execution of the agreement of the
existence of an agreement providing for the direct payment of fees out of any benefits
subsequently determined to be past due and provide that agency with a copy of the fee
agreement.
(i) Motion for review of fee agreement. The Board of Veterans' Appeals may review a fee
agreement between a claimant or appellant and an attorney-at-law or agent upon its own
motion or upon the motion of any party to the agreement and may order a reduction in the
fee called for in the agreement if it finds that the fee is excessive or unreasonable in light
of the standards set forth in paragraph (e) of this section. Such motions must be in writing
and must include the name of the veteran, the name of the claimant or appellant if other
than the veteran, and the applicable Department of Veterans Affairs file number. Such
motions must set forth the reason, or reasons, why the fee called for in the agreement is
excessive or unreasonable; must be accompanied by all evidence the moving party
desires to submit; and must include a signed statement certifying that a copy of the
motion and any evidence was sent by first-class mail, postage prepaid, to each other party
to the agreement, setting forth the address to which each such copy was mailed. Such
motions (other than motions by the Board) must be filed at the following address: Office
of the Senior Deputy Vice Chairman (012), Board of Veterans' Appeals, 810 Vermont
Avenue, NW, Washington, DC 20420. The other parties may file a response to the
motion, with any accompanying evidence, with the Board at the same address not later
than 30 days following the date of receipt of the copy of the motion and must include a
signed statement certifying that a copy of the response and any evidence was sent by
first-class mail, postage prepaid, to each other party to the agreement, setting forth the
address to which each such copy was mailed. Once there has been a ruling on the motion,
an order shall issue which will constitute the final decision of the Board with respect to
the motion. If a reduction in the fee is ordered, the attorney or agent must credit the
account of the claimant or appellant with the amount of the reduction and refund any
excess payment on account to the claimant or appellant not later than the expiration of the
time within which the ruling may be appealed to the United States Court of Appeals for
Veterans Claims.
(j) In addition to whatever other penalties may be prescribed by law or regulation, failure
to comply with the requirements of this section may result in proceedings under § 14.633
of this chapter to terminate the attorney's or agent's right to practice before the
Department of Veterans Affairs and the Board of Veterans' Appeals.

§ 20.610 Rule 610. Payment of representative's expenses in proceedings before Department of Veterans Affairs field personnel and before the Board of Veterans' Appeals.

(a) Applicability of rule. The provisions of this section apply to the services of representatives with respect to benefits under laws administered by the Department of Veterans Affairs in all proceedings before Department of Veterans Affairs field personnel or before the Board of Veterans' Appeals regardless of whether an appeal has been initiated.

(b) General. Any representative may be reimbursed for expenses incurred on behalf of a veteran or a veteran's dependents or survivors in the prosecution of a claim for benefits pending before the Department of Veterans Affairs. Whether such a representative will be reimbursed for expenses and the method of such reimbursement is a matter to be determined by the representative and the claimant or appellant. Expenses are not payable directly to the representative by the Department of Veterans Affairs out of benefits determined to be due to a claimant or appellant. Unless required in conjunction with a motion for the review of expenses filed in accordance with paragraph (d) of this section, agreements for the reimbursement of expenses need not be filed with the Department of Veterans Affairs or the Board of Veterans' Appeals.

(c) Nature of expenses subject to reimbursement. "Expenses" include nonrecurring expenses incurred directly in the prosecution of a claim for benefits upon behalf of a claimant or appellant. Examples of such expenses include expenses for travel specifically to attend a hearing with respect to a particular claim, the cost of copies of medical records or other documents obtained from an outside source, the cost of obtaining the services of an expert witness or an expert opinion, etc. "Expenses" do not include normal overhead costs of the representative such as office rent, utilities, the cost of obtaining or operating office equipment or a legal library, salaries of the representative and his or her support staff, the cost of office supplies, etc.

(d) Expense charges permitted; motion for review of expenses. Reimbursement for the expenses of a representative may be obtained only if the expenses are reasonable. The Board of Veterans' Appeals may review expenses charged by a representative upon the motion of the claimant or appellant and may order a reduction in the expenses charged if it finds that they are excessive or unreasonable. Such motions must be in writing and must include the name of the veteran, the name of the claimant or appellant if other than the veteran, and the applicable Department of Veterans Affairs file number. Such motions must specifically identify which expenses charged are unreasonable; must set forth the reason, or reasons, why such expenses are excessive or unreasonable; must be accompanied by all evidence the claimant or appellant desires to submit; and must include a signed statement certifying that a copy of the motion and any evidence was sent
by first-class mail, postage prepaid, to the representative. Such motions must be filed at
the following address: Office of the Senior Deputy Vice Chairman (012), Board of
Veterans' Appeals, 810 Vermont Avenue, NW, Washington, DC 20420. The
representative may file a response to the motion, with any accompanying evidence, with
the Board at the same address not later than 30 days following the date of receipt of the
copy of the motion and must include a signed statement certifying that a copy of the
response and any evidence was sent by first-class mail, postage prepaid, to the claimant
or appellant, setting forth the address to which the copy was mailed. Factors considered
in determining whether expenses are excessive or unreasonable include the complexity of
the case, the potential extent of benefits recoverable, whether travel expenses are in
keeping with expenses normally incurred by other representatives, etc. Once there has
been a ruling on the motion, an order shall issue which will constitute the final decision
of the Board with respect to the motion.
(e) In addition to whatever other penalties may be prescribed by law or regulation, failure
to comply with the requirements of this section may result in proceedings under § 14.633
of this chapter to terminate the attorney's or agent's right to practice before the
Department of Veterans Affairs and the Board of Veterans' Appeals.

Discussion and Analysis in the Veterans Benefits Manual

(a) Right to a hearing. A hearing on appeal will be granted if an appellant, or an appellant's representative acting on his or her behalf, expresses a desire to appear in person.

(b) Purpose of hearing. The purpose of a hearing is to receive argument and testimony relevant and material to the appellate issue. It is contemplated that the appellant and witnesses, if any, will be present. A hearing will not normally be scheduled solely for the purpose of receiving argument by a representative. Such argument should be submitted in the form of a written brief. Oral argument may also be submitted on audio cassette for transcription for the record in accordance with paragraph (d) of this section. Requests for appearances by representatives alone to personally present argument to Members of the Board may be granted if good cause is shown. Whether good cause has been shown will be determined by the presiding Member assigned to conduct the hearing.

(c) Nonadversarial proceedings. Hearings conducted by the Board are ex parte in nature and nonadversarial. Parties to the hearing will be permitted to ask questions, including follow-up questions, of all witnesses but cross-examination will not be permitted. Proceedings will not be limited by legal rules of evidence, but reasonable bounds of relevancy and materiality will be maintained. The presiding Member may set reasonable
time limits for the presentation of argument and may exclude documentary evidence, testimony, and/or argument which is not relevant or material to the issue, or issues, being considered or which is unduly repetitious.

(d) Informal hearings. This term is used to describe situations in which the appellant cannot, or does not wish to, appear. In the absence of the appellant, the authorized representative may present oral arguments, not exceeding 30 minutes in length, to the Board on an audio cassette without personally appearing before the Board of Veterans Appeals. These arguments will be transcribed by Board personnel for subsequent review by the Member or Members to whom the appeal has been assigned for a determination. This procedure will not be construed to satisfy an appellant's request to appear in person.

(e) Electronic hearings. When suitable facilities and equipment are available, an appellant may be scheduled for an electronic hearing. Any such hearing will be in lieu of a hearing held by personally appearing before a Member or panel of Members of the Board and shall be conducted in the same manner as, and considered the equivalent of, such a hearing. If an appellant declines to participate in an electronic hearing, the appellant's opportunity to participate in a hearing before the Board shall not be affected.

§ 20.701 Rule 701. Who may present oral argument.

Only the appellant and/or his or her authorized representative may appear and present argument in support of an appeal. At the request of an appellant, a Veterans Benefits Counselor of the Department of Veterans Affairs may present the appeal at a hearing before the Board of Veterans' Appeals.

(38 U.S.C. 7102, 7105, 7107)

§ 20.702 Rule 702. Scheduling and notice of hearings conducted by the Board of Veterans' Appeals in Washington, DC.

(a) General. To the extent that officials scheduling hearings for the Board of Veterans' Appeals determine that necessary physical resources and qualified personnel are available, hearings will be scheduled at the convenience of appellants and their representatives, with consideration of the travel distance involved. While a Statement of the Case should be prepared prior to the hearing, it is not a prerequisite for a hearing and an appellant may request that the hearing be scheduled prior to issuance of the Statement of the Case.

(Authority: 38 U.S.C. 7102, 7105(a), 7107)

(b) Notification of hearing. When a hearing is scheduled, the person requesting it will be notified of its time and place, and of the fact that the Government may not assume any expense incurred by the appellant, the representative or witnesses attending the hearing.

(Authority: 38 U.S.C. 7102, 7105(a), 7107)
(c) Requests for changes in hearing dates. (1) The appellant or the representative may request a different date for the hearing within 60 days from the date of the letter of notification of the time and place of the hearing, or not later than two weeks prior to the scheduled hearing date, whichever is earlier. The request must be in writing, but the grounds for the request need not be stated. Only one such request for a change of the date of the hearing will be granted, subject to the interests of other parties if a simultaneously contested claim is involved. In the case of hearings to be conducted by the Board of Veterans' Appeals in Washington, DC, such requests for a new hearing date must be filed with: Director, Management and Administration (01E), Board of Veterans' Appeals, 810 Vermont Avenue, NW., Washington, DC 20420.

(2) After the period described in paragraph (c)(1) of this section has passed, or after one change in the hearing date is granted based on a request received during such period, the date of the hearing will become fixed. After a hearing date has become fixed, an extension of time for appearance at a hearing will be granted only for good cause, with due consideration of the interests of other parties if a simultaneously contested claim is involved. Examples of good cause include, but are not limited to, illness of the appellant and/or representative, difficulty in obtaining necessary records, and unavailability of a necessary witness. The motion for a new hearing date must be in writing and must explain why a new hearing date is necessary. If good cause is shown, the hearing will be rescheduled for the next available hearing date after the appellant or his or her representative gives notice that the contingency which gave rise to the request for postponement has been removed. Ordinarily, however, hearings will not be postponed more than 30 days. In the case of a hearing conducted by the Board of Veterans' Appeals in Washington, DC, whether good cause for establishing a new hearing date has been shown will be determined by the presiding Member assigned to conduct the hearing. In the case of hearings to be conducted by the Board of Veterans' Appeals in Washington, DC, the motion for a new hearing date must be filed with: Director, Management and Administration (01E), Board of Veterans' Appeals, 810 Vermont Avenue, NW., Washington, DC 20420.

(Authority: 38 U.S.C. 7102, 7105(a), 7105A, 7107)

(d) Failure to appear for a scheduled hearing. If an appellant (or when a hearing only for oral argument by a representative has been authorized, the representative) fails to appear for a scheduled hearing and a request for postponement has not been received and granted, the case will be processed as though the request for a hearing had been withdrawn. No further request for a hearing will be granted in the same appeal unless such failure to appear was with good cause and the cause for the failure to appear arose under such circumstances that a timely request for postponement could not have been submitted prior to the scheduled hearing date. A motion for a new hearing date following a failure to appear must be in writing; must be submitted not more than 15 days following the original hearing date; and must set forth the reason, or reasons, for the failure to appear at the originally scheduled hearing and the reason, or reasons, why a timely request for postponement could not have been submitted. In the case of hearings to be conducted by the Board of Veterans' Appeals in Washington, DC, the motion must be filed with: Director, Management and Administration (01E), Board of Veterans' Appeals, 810 Vermont Avenue, NW., Washington, DC 20420. If good cause is shown, the hearing will be rescheduled for the next available hearing date after the appellant or his or her
representative gives notice that the contingency which gave rise to the failure to appear has been removed. Ordinarily, however, hearings will not be postponed more than 30 days. In the case of hearings before the Board of Veterans' Appeals in Washington, DC, whether good cause for such failure to appear has been established will be determined by the presiding Member assigned to conduct the hearing.

(Authority: 38 U.S.C. 7102, 7105(a), 7105A, 7107)

(e) Withdrawal of hearing requests. A request for a hearing may be withdrawn by an appellant at any time before the date of the hearing. A request for a hearing may not be withdrawn by an appellant's representative without the consent of the appellant. In the case of hearings to be conducted by the Board of Veterans' Appeals in Washington, DC, the notice of withdrawal must be sent to: Director, Management and Administration (01E), Board of Veterans' Appeals, 810 Vermont Avenue, NW, Washington, DC 20420.

§ 20.703 Rule 703. When a hearing before the Board of Veterans' Appeals at a Department of Veterans Affairs field facility may be requested.

An appellant, or an appellant's representative, may request a hearing before the Board of Veterans' Appeals at a Department of Veterans Affairs field facility when submitting the substantive appeal (VA Form 9) or anytime thereafter, subject to the restrictions in Rule 1304 (§ 20.1304 of this part). Requests for such hearings before a substantive appeal has been filed will be rejected.

[EFFECTIVE DATE NOTE: 61 FR 43008, 43009, Aug. 20, 1996, which revised this section, became effective Aug. 20, 1996.]

§ 20.704 Rule 704. Scheduling and notice of hearings conducted by the Board of Veterans' Appeals at Department of Veterans Affairs field facilities.

(a) General. Hearings are conducted by a Member or Members of the Board of Veterans' Appeals during prescheduled visits to Department of Veterans Affairs facilities having adequate physical resources and personnel for the support of such hearings. Subject to paragraph (f) of this section, the hearings will be scheduled in the order specified in § 19.75 of this chapter. Requests for such hearings must be submitted to the agency of original jurisdiction, in writing, and should not be submitted directly to the Board of Veterans' Appeals.

(b) Notification of hearing. When a hearing is scheduled, the person requesting it will be notified of its time and place, and of the fact that the Government may not assume any expense incurred by the appellant, the representative or witnesses attending the hearing.
(c) Requests for changes in hearing dates. Requests for a change in a hearing date may be made at any time up to two weeks prior to the scheduled date of the hearing if good cause is shown. Such requests must be in writing, must explain why a new hearing date is necessary, and must be filed with the office of the official of the Department of Veterans Affairs who signed the notice of the original hearing date. Examples of good cause include, but are not limited to, illness of the appellant and/or representative, difficulty in obtaining necessary records, and unavailability of a necessary witness. If good cause is shown, the hearing will be rescheduled for the next available hearing date after the appellant or his or her representative gives notice that the contingency which gave rise to the request for postponement has been removed. If good cause is not shown, the appellant and his or her representative will be promptly notified and given an opportunity to appear at the hearing as previously scheduled. If the appellant elects not to appear at the prescheduled date, the request for a hearing will be considered to have been withdrawn. In such cases, however, the record will be submitted for review by the Member who would have presided over the hearing. If the presiding Member determines that good cause has been shown, the hearing will be rescheduled for the next available hearing date after the contingency which gave rise to the request for postponement has been removed.

(d) Failure to appear for a scheduled hearing. If an appellant (or when a hearing only for oral argument by a representative has been authorized, the representative) fails to appear for a scheduled hearing and a request for postponement has not been received and granted, the case will be processed as though the request for a hearing had been withdrawn. No further request for a hearing will be granted in the same appeal unless such failure to appear was with good cause and the cause for the failure to appear arose under such circumstances that a timely request for postponement could not have been submitted prior to the scheduled hearing date. A motion for a new hearing date following a failure to appear for a scheduled hearing must be in writing, must be filed within 15 days of the originally scheduled hearing date, and must explain why the appellant failed to appear for the hearing and why a timely request for a new hearing date could not have been submitted. Such motions must be filed with: Director, Management and Administration (01E), Board of Veterans' Appeals, 810 Vermont Avenue, NW., Washington, DC 20420. Whether good cause for such failure to appear and the impossibility of timely requesting postponement have been established will be determined by the Member who would have presided over the hearing. If good cause and the impossibility of timely requesting postponement are shown, the hearing will be rescheduled for the next available hearing date at the same facility after the appellant or his or her representative gives notice that the contingency which gave rise to the failure to appear has been removed.

(e) Withdrawal of hearing requests. A request for a hearing may be withdrawn by an appellant at any time before the date of the hearing. A request for a hearing may not be withdrawn by an appellant's representative without the consent of the appellant. Notices of withdrawal must be submitted to the office of the Department of Veterans Affairs official who signed the notice of the hearing date.

(f) Advancement of the case on the hearing docket. A hearing may be scheduled at a time earlier than would be provided for under § 19.75 of this chapter upon written motion of the appellant or the representative. The same grounds for granting relief, motion filing procedures, and designation of authority to rule on the motion specified in Rule 900(c) (§ 20.900(c) of this part) for advancing a case on the Board's docket shall apply.
§ 20.705 Rule 705. Where hearings on appeal are conducted.
A hearing on appeal before the Board of Veterans' Appeals may be held in one of the following places at the option of the appellant:
(a) In Washington, DC, or
(b) At a Department of Veterans Affairs facility having adequate physical resources and personnel for the support of such hearings.

§ 20.706 Rule 706. Functions of the presiding Member.
The presiding Member of a hearing panel is responsible for the conduct of the hearing, administration of the oath or affirmation, and for ruling on questions of procedure. The presiding Member will assure that the course of the hearing remains relevant to the issue, or issues, on appeal and that there is no cross-examination of the parties or witnesses. The presiding Member will take such steps as may be necessary to maintain good order at hearings and may terminate a hearing or direct that the offending party leave the hearing if an appellant, representative, or witness persists in disruptive behavior.

§ 20.707 Rule 707. Designation of Member or Members to conduct the hearing.
The Member or panel to whom a proceeding is assigned under § 19.3 of this part shall conduct any hearing before the Board in connection with that proceeding. Where a proceeding has been assigned to a panel, the Chairman, or the Chairman's designee, shall designate one of the Members as the presiding Member. The Member or Members who conduct the hearing shall participate in making the final determination of the claim, subject to the exception in § 19.11(c) of this part (relating to reconsideration of a decision).

An appellant's authorized representative may request a prehearing conference with the presiding Member of a hearing to clarify the issues to be considered at a hearing on appeal, obtain rulings on the admissibility of evidence, develop stipulations of fact, establish the length of argument which will be permitted, or take other steps which will make the hearing itself more efficient and productive. With respect to hearings to be held before the Board at Washington, DC, arrangements for a prehearing conference must be made through: Director, Management and Administration (01E), Board of Veterans' Appeals, 810 Vermont Avenue, NW., Washington, DC 20420. Requests for prehearing conferences in cases involving hearings to be held before the Board at Department of Veterans Affairs field facilities must be addressed to the office of the Department of Veterans Affairs official who signed the letter giving notice of the time and place of the hearing.[58 FR 27936, May 12, 1993; 61 FR 20447, 20452, May 7, 1996]

§ 20.709 Rule 709. Procurement of additional evidence following a hearing.
If it appears during the course of a hearing that additional evidence would assist in the review of the questions at issue, the presiding Member may direct that the record be left open so that the appellant and his or her representative may obtain the desired evidence. The presiding Member will determine the period of time during which the record will stay open, considering the amount of time estimated by the appellant or representative as needed to obtain the evidence and other factors adduced during the hearing. Ordinarily, the period will not exceed 60 days, and will be as short as possible in order that appellate consideration of the case not be unnecessarily delayed.[57 FR 4109, Feb. 3, 1992; 61 FR 20447, 20452, May 7, 1996]

§ 20.710 Rule 710. Witnesses at hearings.
The testimony of witnesses, including appellants, will be heard. All testimony must be given under oath or affirmation. Oath or affirmation is not required for the sole purpose of presenting contentions and argument.[57 FR 4109, Feb. 3, 1992; 61 FR 20447, 20452, May 7, 1996; 61 FR 29027, 29028, June 7, 1996]

(a) General. An appellant, or his or her representative, may arrange for the production of any tangible evidence or the voluntary appearance of any witnesses desired. When necessary evidence cannot be obtained in any other reasonable way, the appellant, or his
or her representative, may move that a subpoena be issued to compel the attendance of witnesses residing within 100 miles of the place where a hearing on appeal is to be held and/or to compel the production of tangible evidence. A subpoena will not be issued to compel the attendance of Department of Veterans Affairs adjudicatory personnel.

(b) Contents of motion for subpoena. The motion for a subpoena must be in writing, must clearly show the name and address of each witness to be subpoenaed, must clearly identify all documentary or other tangible evidence to be produced, and must explain why the attendance of the witness and/or the production of the tangible evidence cannot be obtained without a subpoena.

(c) Where filed. Motions for a subpoena must be filed with the Director, Management and Administration (01E), Board of Veterans' Appeals, 810 Vermont Avenue, NW, Washington, DC 20420.

(d) When motion for subpoena is to be filed in cases involving a hearing on appeal. Motions for the issuance of a subpoena for the attendance of a witness, or the production of documents or other tangible evidence, at a hearing on appeal must be filed not later than 30 days prior to the hearing date.

(e) Ruling on motion for subpoena. (1) To whom assigned. The ruling on the motion will be made by the Member or panel of Members to whom the case is assigned. Where the case has not been assigned, the Chairman, or the Chairman's designee, will assign the case to a Member or panel who will then rule on the motion.

(2) Procedure. If the motion is denied, the Member(s) ruling on the motion will issue an order to that effect which sets forth the reasons for the denial and will send copies to the moving party and his or her representative, if any. Granting the motion will be signified by completion of a VA Form 0714, "Subpoena," if attendance of a witness is required, and/or VA Form 0713, "Subpoena Duces Tecum," if production of tangible evidence is required. The completed form shall be signed by the Member ruling on the motion, or, where applicable, by any panel Member on behalf of the panel ruling on the motion, and served in accordance with paragraph (g) of this section.

(f) Fees. Any person who is required to attend a hearing as a witness shall be allowed and paid the same fees and mileage as are paid witnesses in the district courts of the United States. A subpoena for a witness will not be issued or served unless the party on whose behalf the subpoena is issued submits a check in an amount equal to the fee for one day's attendance and the mileage allowed by law, made payable to the witness, as an attachment to the motion for the subpoena. Except for checks on the business accounts of attorneys-at-law, agents, and recognized service organizations, such checks must be in the form of certified checks or cashier's checks.

(g) Service of subpoenas. The Board will serve the subpoena by certified mail, return receipt requested. The check for fees and mileage described in paragraph (f) of this section shall be mailed with the subpoena. The receipt, which must bear the signature of the witness or of the custodian of the tangible evidence, and a copy of the subpoena will be filed in the claims folder, loan guaranty folder, or other applicable Department of Veterans Affairs records folder.

(h) Motion to quash or modify subpoena. (1) Filing procedure. Upon written motion of the party securing the subpoena, or of the person subpoenaed, the Board may quash or modify the subpoena if it is unreasonable and oppressive or for other good cause shown. Relief may include, but is not limited to, requiring the party who secured the subpoena to
advance the reasonable cost of producing books, papers, or other tangible evidence. The motion must specify the relief sought and the reasons for requesting relief. Such motions must be filed at the address specified in paragraph (c) of this section within 10 days after mailing of the subpoena or the time specified in the subpoena for compliance, whichever is less. The motion may be accompanied by such supporting evidence as the moving party may choose to submit. It must be accompanied by a declaration showing:
(i) That a copy of the motion, and any attachments thereto, were mailed to the party who secured the subpoena, or the person subpoenaed, as applicable;
(ii) The date of mailing; and
(iii) The address to which the copy was mailed.
(2) Response. Not later than 10 days after the date that the motion was mailed to the responding party, that party may file a response to the motion at the address specified in paragraph (c) of this section. The response may be accompanied by such supporting evidence as the responding party may choose to submit. It must be accompanied by a declaration showing:
(i) That a copy of the response, and any attachments thereto, were mailed to the moving party;
(ii) The date of mailing; and
(iii) The address to which the copy was mailed. If the subpoena involves testimony or the production of tangible evidence at a hearing before the Board and less than 30 days remain before the scheduled hearing date at the time the response is received by the Board, the Board may reschedule the hearing to permit disposition of the motion.
(3) Ruling on the motion. The Member or panel to whom the case is assigned will issue an order disposing of the motion. Such order shall set forth the reasons for which a motion is either granted or denied. The order will be mailed to all parties to the motion. Where applicable, an order quashing a subpoena will require refund of any sum advanced for fees and mileage.
(i) Disobedience. In case of disobedience to a subpoena issued by the Board, the Board will take such steps as may be necessary to invoke the aid of the appropriate district court of the United States in requiring the attendance of the witness and/or the production of the tangible evidence subpoenaed. A failure to obey the order of such a court may be punished by the court as a contempt thereof.

§ 20.712 Rule 712. Expenses of appellants, representatives, and witnesses incident to hearings not reimbursable by the Government.
No expenses incurred by an appellant, representative, or witness incident to attendance at a hearing may be paid by the Government.

(38 U.S.C. 111)
§ 20.713 Rule 713. Hearings in simultaneously contested claims.
(a) General. If a hearing is scheduled for any party to a simultaneously contested claim, the other contesting claimants and their representatives, if any, will be notified and afforded an opportunity to be present. The appellant will be allowed to present opening testimony and argument. Thereafter, any other contesting party who wishes to do so may present testimony and argument. The appellant will then be allowed an opportunity to present testimony and argument in rebuttal. Cross-examination will not be allowed.
(b) Requests for changes in hearing dates. Any party to a simultaneously contested claim may request a change in a hearing date in accordance with the provisions of Rule 702, paragraph (c) (§ 20.702(c) of this part), or Rule 704, paragraph (c) (§ 20.704(c) of this part), as applicable. In order to obtain a new hearing date under the provisions of Rule 702, paragraph (c)(1), the consent of all other interested parties must be obtained and submitted with the request for a new hearing date. If such consent is not obtained, paragraph (c)(2) of that rule will apply even though the request is submitted within 60 days from the date of the letter of notification of the time and place of the hearing. A copy of any motion for a new hearing date required by these rules must be mailed to all other interested parties by certified mail, return receipt requested. The receipts, which must bear the signatures of the other interested parties, and a letter explaining that they relate to the motion for a new hearing date and containing the applicable Department of Veterans Affairs file number must be filed at the same address where the motion was filed as proof of service of the motion. Each interested party will be allowed a period of 10 days from the date that the copy of the motion was received by that party to file written argument in response to the motion.

(38 U.S.C. 7105A)

§ 20.714 Rule 714. Record of hearing.
(a) Board of Veterans' Appeals. A hearing before a Member or panel of Members of the Board, whether held in Washington, DC, or at a Department of Veterans Affairs field facility, will be recorded on audio tape. In those instances where a complete written transcript is prepared, that transcript will be the official record of the hearing and the tape recording will be retained at the Board for a period of 12 months following the date of the hearing as a duplicate record of the hearing. Tape recordings of hearings that have not been transcribed will be maintained by the Board as the official record of hearings and retained in accordance with retention standards approved by the National Archives and Records Administration. A transcript will be prepared and incorporated as a part of the claims folder, loan guaranty folder, or other applicable Department of Veterans Affairs records folder if one or more of the following conditions have been met:
(1) The appellant or representative has shown good cause why such a written transcript should be prepared. (The presiding Member will determine whether good cause has been shown. Requests that recordings of hearing proceedings be transcribed may be made orally at the time of the hearing. Requests made subsequent to the hearing must be in writing and must explain why transcription is necessary. They must be filed with: Director, Management and Administration (01E), Board of Veterans' Appeals, 810 Vermont Avenue, NW., Washington, DC 20420.)
(2) Testimony and/or argument has been presented at the hearing pertaining to an issue which is to be remanded to the agency of original jurisdiction for further development or an issue which is not in appellate status which is to be referred to the agency of original jurisdiction for consideration.

(3) The hearing involves an issue relating to National Service Life Insurance or United States Government Life Insurance.

(4) With respect to hearings conducted by a Member or Members of the Board at a Department of Veterans Affairs field facility:
   (i) An issue on appeal involves radiation, Agent Orange, or asbestos exposure;
   (ii) The appeal involves reconsideration of a prior Board of Veterans' Appeals decision on the same issue; or

(5) The Board's decision on an issue addressed at the hearing has been appealed to the United States Court of Appeals for Veterans Claims.

(b) Copy of hearing tape recording or written transcript. One copy of the tape recording of hearing proceedings before the Board of Veterans' Appeals, or the written transcript of such proceedings when such a transcript has been prepared in accordance with the provisions of paragraph (a) of this section, shall be furnished without cost to the appellant or representative if a request is made in accordance with § 1.577 of this chapter.

(38 U.S.C. 7102, 7105(a), 7107)

§ 20.715 Rule 715. Recording of hearing by appellant or representative.

An appellant or representative may record the hearing with his or her own equipment. Filming, videotaping or televising the hearing may only be authorized when prior written consent is obtained from all appellants and contesting claimants, if any, and made a matter of record. In no event will such additional equipment be used if it interferes with the conduct of the hearing or the official recording apparatus. In all such situations, advance arrangements must be made. In the case of hearings held before the Board of Veterans' Appeals in Washington, DC, arrangements must be made with the Director, Management and Administration (01E), Board of Veterans' Appeals, 810 Vermont Avenue, NW., Washington, DC 20420. In the case of hearings held before the Board at Department of Veterans Affairs field facilities, arrangements must be made through the office of the Department of Veterans Affairs official who signed the letter giving notification of the time and place of the hearing.

§ 20.716 Rule 716. Correction of hearing transcripts.

The tape recording on file at the Board of Veterans' Appeals or a transcript prepared by the Board of Veterans' Appeals is the only official record of a hearing before the Board. Alternate transcript versions prepared by the appellant and representative will not be accepted. If an appellant wishes to seek correction of perceived errors in a hearing transcript, the appellant or his or her representative should move for the correction of the
§ 20.717 Rule 717. Loss of hearing tapes or transcripts -- motion for new hearing.
(a) Motion for new hearing. In the event that a hearing has not been recorded in whole or in part due to equipment failure or other cause, or the official transcript of the hearing is lost or destroyed and the recording upon which it was based is no longer available, an appellant or his or her representative may move for a new hearing. The motion must be in writing and must specify why prejudice would result from the failure to provide a new hearing.
(b) Time limit for filing motion for a new hearing. The motion will not be granted if there has been no request for a new hearing within a period of 120 days from the date of a final Board of Veterans' Appeals decision or, in cases appealed to the United States Court of Appeals for Veterans Claims, if there has been no request for a new hearing within a reasonable period of time after the appeal to that Court has been filed.
(c) Where motion for a new hearing is filed. In the case of hearings held before the Board of Veterans' Appeals, whether in Washington, DC, or in the field, the motion must be filed with: Director, Management and Administration (01E), Board of Veterans' Appeals, 810 Vermont Avenue, NW., Washington, DC 20420.
(d) Ruling on motion for a new hearing. The ruling on the motion for a new hearing will be made by the Member who presided over the hearing. If the presiding Member is no longer available, the ruling on the motion may be made by the Member or Members to whom the case has been assigned for a determination. In cases in which a final Board of Veterans' Appeals decision has already been promulgated with respect to the appeal in question, the Chairman will assign the matter in accordance with § 19.3 of this title. Factors to be considered in ruling on the motion include, but will not be limited to, the extent of the loss of the record in those cases where only a portion of a hearing tape is unintelligible or only a portion of a transcript has been lost or destroyed, and the extent and reasonableness of any delay in moving for a new hearing. If a new hearing is granted in a case in which a final Board of Veterans' Appeals decision has already been promulgated, a supplemental decision will be issued.

Discussion and Analysis in the Veterans Benefits Manual

(a) Docketing of appeals. Applications for review on appeal are docketed in the order in which they are received. Cases returned to the Board following action pursuant to a remand assume their original places on the docket.

(b) Appeals considered in docket order. Except as otherwise provided in this Rule, appeals are considered in the order in which they are entered on the docket.

(c) Advancement on the docket. (1) Grounds for advancement. A case may be advanced on the docket on the motion of the Chairman, the Vice Chairman, a party to the case before the Board, or such party's representative. Such a motion may be granted only if the case involves interpretation of law of general application affecting other claims, if the appellant is seriously ill or is under severe financial hardship, or if other sufficient cause is shown. "Other sufficient cause" shall include, but is not limited to, administrative error resulting in a significant delay in docketing the case or the advanced age of the appellant. For purposes of this Rule, "advanced age" is defined as 75 or more years of age. This paragraph does not require the Board to advance a case on the docket in the absence of a motion of a party to the case or the party's representative.

(2) Requirements for motions. Motions for advancement on the docket must be in writing and must identify the specific reason(s) why advancement on the docket is sought, the name of the veteran, the name of the appellant if other than the veteran (e.g., a veteran's survivor, a guardian, or a fiduciary appointed to receive VA benefits on an individual's behalf), and the applicable Department of Veterans Affairs file number. The motion must be filed with: Director, Administrative Service (014), Board of Veterans' Appeals, 810 Vermont Avenue, NW., Washington, DC 20420.

(3) Disposition of motions. If a motion is received prior to the assignment of the case to an individual member or panel of members, the ruling on the motion will be by the Vice Chairman, who may delegate such authority to a Deputy Vice Chairman. If a motion to advance a case on the docket is denied, the appellant and his or her representative will be immediately notified. If the motion to advance a case on the docket is granted, that fact will be noted in the Board's decision when rendered.

(d) Consideration of appeals remanded by the United States Court of Appeals for Veterans Claims. A case remanded by the United States Court of Appeals for Veterans Claims for additional development or other appropriate action will be treated expeditiously by the Board without regard to its place on the Board's docket.
§ 20.901 Rule 901. Medical opinions and opinions of the General Counsel.

(a) Opinion from the Veterans Health Administration. The Board may obtain a medical opinion from an appropriate health care professional in the Veterans Health Administration of the Department of Veterans Affairs on medical questions involved in the consideration of an appeal when, in its judgment, such medical expertise is needed for equitable disposition of an appeal.

(b) Armed Forces Institute of Pathology opinions. The Board may refer pathologic material to the Armed Forces Institute of Pathology and request an opinion based on that material.

(c) Opinion of the General Counsel. The Board may obtain an opinion from the General Counsel of the Department of Veterans Affairs on legal questions involved in the consideration of an appeal.

(d) Independent medical expert opinions. When, in the judgment of the Board, additional medical opinion is warranted by the medical complexity or controversy involved in an appeal, the Board may obtain an advisory medical opinion from one or more medical experts who are not employees of the Department of Veterans Affairs. Opinions will be secured, as requested by the Chairman of the Board, from recognized medical schools, universities, clinics, or medical institutions with which arrangements for such opinions have been made by the Secretary of Veterans Affairs. An appropriate official of the institution will select the individual expert, or experts, to give an opinion.

(e) For purposes of this section, the term "the Board" includes the Chairman, the Vice Chairman, any Deputy Vice Chairman, and any Member of the Board before whom a case is pending.

§ 20.902 Rule 902. Filing of requests for the procurement of opinions.

The appellant or representative may request that the Board obtain an opinion under Rule 901 (§ 20.901 of this part). The request must be in writing. It will be granted upon a
§ 20.903 Rule 903. Notification of evidence secured and law to be considered by the Board and opportunity for response.

(a) If the Board obtains a legal or medical opinion. If the Board requests an opinion pursuant to Rule 901 (§ 20.901 of this part), the Board will notify the appellant and his or her representative, if any. When the Board receives the opinion, it will furnish a copy of the opinion to the appellant, subject to the limitations provided in 38 U.S.C. 5701(b)(1), and to the appellant's representative, if any. A period of 60 days from the date the Board furnishes a copy of the opinion will be allowed for response, which may include the submission of relevant evidence or argument. The date the Board furnishes a copy will be presumed to be the same as the date of the letter or memorandum that accompanies the copy of the opinion for purposes of determining whether a response was timely filed.

(b) If the Board considers law not already considered by the agency of original jurisdiction. If, pursuant to Sec. 19.9(b)(2) of this chapter, the Board intends to consider law not already considered by the agency of original jurisdiction and such consideration could result in denial of the appeal, the Board will notify the appellant and his or her representative, if any, of its intent to do so and that such consideration in the first instance by the Board could result in denial of the appeal. The notice from the Board will contain a copy or summary of the law to be considered. A period of 60 days from the date the Board furnishes the notice will be allowed for response, which may include the submission of relevant evidence or argument. The date the Board furnishes the notice will be presumed to be the same as the date of the letter that accompanies the notice for purposes of determining whether a response was timely filed. No notice is required under this paragraph if the Board intends to grant the benefit being sought or if the appellant or the appellant's representative has advanced or otherwise argued the applicability of the law in question.

§ 20.904 Rule 904. Vacating a decision.

An appellate decision may be vacated by the Board of Veterans' Appeals at any time upon request of the appellant or his or her representative, or on the Board's own motion, on the following grounds:

(a) Denial of due process. Examples of circumstances in which denial of due process of law will be conceded are:

______
(1) When the appellant was denied his or her right to representation through action or inaction by Department of Veterans Affairs or Board of Veterans' Appeals personnel,
(2) When a Statement of the Case or required Supplemental Statement of the Case was not provided, and
(3) When there was a prejudicial failure to afford the appellant a personal hearing.
(Where there was a failure to honor a request for a hearing and a hearing is subsequently scheduled, but the appellant fails to appear, the decision will not be vacated.)
(b) Allowance of benefits based on false or fraudulent evidence. Where it is determined on reconsideration that an allowance of benefits by the Board has been materially influenced by false or fraudulent evidence submitted by or on behalf of the appellant, the prior decision will be vacated only with respect to the issue or issues to which, within the judgment of the Board, the false or fraudulent evidence was material.

SUBPART K -- RECONSIDERATION

§ 20.1000 Rule 1000. When reconsideration is accorded.
§ 20.1002 Rule 1002. [Reserved]
§ 20.1003 Rule 1003. Hearings on reconsideration.
§§ 20.1004 -- 20.1099 [Reserved]

§ 20.1000 Rule 1000. When reconsideration is accorded.

Reconsideration of an appellate decision may be accorded at any time by the Board of Veterans' Appeals on motion by the appellant or his or her representative or on the Board's own motion:
(a) Upon allegation of obvious error of fact or law;
(b) Upon discovery of new and material evidence in the form of relevant records or reports of the service department concerned; or
(c) Upon allegation that an allowance of benefits by the Board has been materially influenced by false or fraudulent evidence submitted by or on behalf of the appellant.

(38 U.S.C. 7103, 7104)

(a) Application requirements. A motion for Reconsideration must be in writing and must include the name of the veteran; the name of the claimant or appellant if other than the veteran (e.g., a veteran's survivor, a guardian, or a fiduciary appointed to receive VA benefits on an individual's behalf); the applicable Department of Veterans Affairs file number; and the date of the Board of Veterans' Appeals decision, or decisions, to be reconsidered. It must also set forth clearly and specifically the alleged obvious error, or errors, of fact or law in the applicable decision, or decisions, of the Board or other appropriate basis for requesting Reconsideration. If the applicable Board of Veterans' Appeals decision, or decisions, involved more than one issue on appeal, the motion for reconsideration must identify the specific issue, or issues, to which the motion pertains. Issues not so identified will not be considered in the disposition of the motion.
(b) Filing of motion for reconsideration. A motion for reconsideration of a prior Board of Veterans' Appeals decision may be filed at any time. Such motions must be filed at the following address: Director, Management and Administration (01E), Board of Veterans' Appeals, 810 Vermont Avenue, NW., Washington, DC 20420.
(c) Disposition. The Chairman will review the sufficiency of the allegations set forth in the motion and, depending upon the decision reached, proceed as follows:
(1) Motion denied. The appellant and representative or other appropriate party will be notified if the motion is denied. The notification will include reasons why the allegations are found insufficient. This constitutes final disposition of the motion.
(2) Motion allowed. If the motion is allowed, the appellant and his or her representative, if any, will be notified. The appellant and the representative will be given a period of 60...
days from the date of mailing of the letter of notification to present additional arguments or evidence. The date of mailing of the letter of notification will be presumed to be the same as the date of the letter of notification. The Chairman will assign a Reconsideration panel in accordance with § 19.11 of this chapter.

§ 20.1003 Rule 1003. Hearings on reconsideration.
After a motion for reconsideration has been allowed, a hearing will be granted if an appellant requests a hearing before the Board. The hearing will be held by a Member or Members assigned to the reconsideration panel. A hearing will not normally be scheduled solely for the purpose of receiving argument by a representative. Such argument should be submitted in the form of a written brief. Oral argument may also be submitted on audio cassette for transcription for the record in accordance with Rule 700(d) (§ 20.700(d) of this part). Requests for appearances by representatives alone to personally present argument to a Member or panel of Members of the Board may be granted if good cause is shown. Whether good cause has been shown will be determined by the presiding Member.

§ 20.1100 Rule 1100. Finality of decisions of the Board.
(a) General. All decisions of the Board will be stamped with the date of mailing on the face of the decision. Unless the Chairman of the Board orders reconsideration, and with the exception of matters listed in paragraph (b) of this section, all Board decisions are final on the date stamped on the face of the decision. With the exception of matters listed in paragraph (b) of this section, the decision rendered by the reconsideration Panel in an appeal in which the Chairman has ordered reconsideration is final.
(b) Exceptions. Final Board decisions are not subject to review except as provided in 38 U.S.C. 1975 and 1984 and 38 U.S.C. chapters 37 and 72. A remand is in the nature of a preliminary order and does not constitute a final decision of the Board.

§ 20.1104 Rule 1104. Finality of determinations of the agency of original jurisdiction affirmed on appeal.

When a determination of the agency of original jurisdiction is affirmed by the Board of Veterans' Appeals, such determination is subsumed by the final appellate decision.  

§ 20.1105 Rule 1105. New claim after promulgation of appellate decision.

When a claimant requests that a claim be reopened after an appellate decision has been promulgated and submits evidence in support thereof, a determination as to whether such evidence is new and material must be made and, if it is, as to whether it provides a basis for allowing the claim. An adverse determination as to either question is appealable.

(5 U.S.C. 552a; 38 U.S.C. 7107)

A request for amendment of an appellate decision under the Privacy Act (5 U.S.C. 552a) may be entertained. However, such a request may not be used in lieu of, or to circumvent, the procedures established under Rules 1000 through 1003 (§§ 20.1000-20.1003 of this part). The Board will review a request for correction of factual information set forth in a decision. Where the request to amend under the Privacy Act is an attempt to alter a judgment made by the Board and thereby replace the adjudicatory authority and functions of the Board, the request will be denied on the basis that the Act does not authorize a collateral attack upon that which has already been the subject of a decision of the Board. The denial will satisfy the procedural requirements of § 1.579 of this chapter. If otherwise appropriate, the request will be considered one for reconsideration under Rules 1000 through 1003 (§§ 20.1000-20.1003 of this part).

(a) Policy. It is the policy of the Board of Veterans' Appeals for the full text of appellate decisions, Statements of the Case, and Supplemental Statements of the Case to be disclosed to appellants. In those situations where disclosing certain information directly to the appellant would not be in conformance with 38 U.S.C. 5701, that information will be removed from the decision, Statement of the Case, or Supplemental Statement of the Case and the remaining text will be furnished to the appellant. A full-text appellate decision, Statement of the Case, or Supplemental Statement of the Case will be disclosed to the designated representative, however, unless the relationship between the appellant and representative is such (for example, a parent or spouse) that disclosure to the representative would be as harmful as if made to the appellant.

(b) Public availability of Board decisions. (1) Decisions issued on or after January 1, 1992. Decisions rendered by the Board of Veterans' Appeals on or after January 1, 1992, are electronically available for public inspection and copying on the Internet at http://www.index.va.gov/search/va/bva.html. All personal identifiers are redacted from the decisions prior to publication. Specific decisions may be identified by a word and/or topic search, or by the Board docket number. Board decisions will continue to be provided in a widely-used format as future advances in technology occur.
(2) Decisions issued prior to January 1, 1992. Decisions rendered by the Board of Veterans' Appeals prior to January 1, 1992, have been indexed to facilitate access to the contents of the decisions (BVA Index I-01-1). The index, which was published

quarterly in microfiche form with an annual cumulation, is available for review at Department of Veterans Affairs regional offices and at the Research Center at the Board of Veterans' Appeals in Washington, DC. Information on obtaining a microfiche copy of the index is also available from the Board's Research Center. The index can be used to locate citations to decisions with issues similar to those of concern to an appellant. Each indexed decision has a locator number assigned to it. The manner in which the locator number is written depends upon the age of the decision. Decisions archived prior to late 1989 have a number such as 82-07-0001. Decisions archived at a later date have a number such as BVA-90-12345. This number must be used when requesting a paper copy of that decision. These requests must be directed to the Research Center (01C1), Board of Veterans' Appeals, 810 Vermont Avenue, NW., Washington, DC 20420. (Authority: 5 U.S.C. 552(a)(2), 38 U.S.C. 501(a)) [57 FR 4109, Feb. 3, 1992; 71 FR 18008, April 10, 2006].

(5 U.S.C. 552(a)(2))

An appeal pending before the Board of Veterans' Appeals when the appellant dies will be dismissed.

(38 U.S.C. 7104(a))

§ 20.1303 Rule 1303. Nonprecedential nature of Board decisions.
Although the Board strives for consistency in issuing its decisions, previously issued Board decisions will be considered binding only with regard to the specific case decided. Prior decisions in other appeals may be considered in a case to the extent that they reasonably relate to the case, but each case presented to the Board will be decided on the basis of the individual facts of the case in light of applicable procedure and substantive law.

(38 U.S.C. 7104(a))

§ 20.1304 Rule 1304. Request for change in representation, request for personal hearing, or submission of additional evidence following certification of an appeal to the Board of Veterans' Appeals.
(a) Request for a change in representation, request for a personal hearing, or submission of additional evidence within 90 days following notification of certification and transfer of records. An appellant and his or her representative, if any, will be granted a period of 90 days following the mailing of notice to them that an appeal has been certified to the Board for appellate review and that the appellate record has been transferred to the Board, or until the date the appellate decision is promulgated by the Board of Veterans' Appeals, whichever comes first, during which they may submit a request for a personal hearing,
additional evidence, or a request for a change in representation. Any such request or additional evidence must be submitted directly to the Board and not to the agency of original jurisdiction. The date of mailing of the letter of notification will be presumed to be the same as the date of that letter for purposes of determining whether the request was timely made or the evidence was timely submitted. Any evidence which is submitted at a hearing on appeal which was requested during such period will be considered to have been received during such period, even though the hearing may be held following the expiration of the period. Any pertinent evidence submitted by the appellant or representative is subject to the requirements of paragraph (d) of this section if a simultaneously contested claim is involved.

(b) Subsequent request for a change in representation, request for a personal hearing, or submission of additional evidence -- (1) General rule. Subject to the exception in paragraph (b)(2) of this section, following the expiration of the period described in paragraph (a) of this section, the Board of Veterans' Appeals will not accept a request for a change in representation, a request for a personal hearing, or additional evidence except when the appellant demonstrates on motion that there was good cause for the delay. Examples of good cause include, but are not limited to, illness of the appellant or the representative which precluded action during the period; death of an individual representative; illness or incapacity of an individual representative which renders it impractical for an appellant to continue with him or her as representative; withdrawal of an individual representative; the discovery of evidence that was not available prior to the expiration of the period; and delay in transfer of the appellate record to the Board which precluded timely action with respect to these matters. Such motions must be in writing and must include the name of the veteran; the name of the claimant or appellant if other than the veteran (e.g., a veteran's survivor, a guardian, or a fiduciary appointed to receive VA benefits on an individual's behalf); the applicable Department of Veterans Affairs file number; and an explanation of why the request for a change in representation, the request for a personal hearing, or the submission of additional evidence could not be accomplished in a timely manner. Such motions must be filed at the following address: Director, Management and Administration (01E), Board of Veterans' Appeals, 810 Vermont Avenue, NW., Washington, DC 20420. Depending upon the ruling on the motion, action will be taken as follows:

(i) Good cause not shown. If good cause is not shown, the request for a change in representation, the request for a personal hearing, or the additional evidence submitted will be referred to the agency of original jurisdiction upon completion of the Board's action on the pending appeal without action by the Board concerning the request or additional evidence. Any personal hearing granted as a result of a request so referred or any additional evidence so referred may be treated by that agency as the basis for a reopened claim, if appropriate. If the Board denied a benefit sought in the pending appeal and any evidence so referred which was received prior to the date of the Board's decision, or testimony presented at a hearing resulting from a request for a hearing so referred, together with the evidence already of record, is subsequently found to be the basis of an allowance of that benefit, the effective date of the award will be the same as if the benefit had been granted by the Board as a result of the appeal which was pending at the time that the hearing request or additional evidence was received.
(ii) Good cause shown. If good cause is shown, the request for a change in representation or for a personal hearing will be honored. Any pertinent evidence submitted by the appellant or representative will be accepted, subject to the requirements of paragraph (d) of this section if a simultaneously contested claim is involved.

(2) If the Board obtains evidence or considers law not considered by the agency of original jurisdiction. The motion described in paragraph (b)(1) of this section is not required to submit evidence in response to the notice described in paragraph (a) or (b) of Rule 903 (paragraph (a) or (b) of § 20.903 of this part).

(c) Consideration of additional evidence by the Board or by the agency of original jurisdiction. Any pertinent evidence submitted by the appellant or representative which is accepted by the Board under the provisions of this section, or is submitted by the appellant or representative in response to a Sec. 20.903 of this part, notification, as well as any such evidence referred to the Board by the agency of original jurisdiction under Sec. 19.37(b) of this chapter, must be referred to the agency of original jurisdiction for review, unless this procedural right is waived by the appellant or representative, or unless the Board determines that the benefit or benefits to which the evidence relates may be fully allowed on appeal without such referral. Such a waiver must be in writing or, if a hearing on appeal is conducted, the waiver must be formally entered on the record orally at the time of the hearing. Evidence is not pertinent if it does not relate to or have a bearing on the appellate issue or issues.

(d) Simultaneously contested claims. In simultaneously contested claims, if pertinent evidence which directly affects payment, or potential payment, of the benefit sought is submitted by any claimant and is accepted by the Board under the provisions of this section, the substance of such evidence will be mailed to each of the other claimants who will then have 60 days from the date of mailing of notice of the new evidence within which to comment upon it and/or submit additional evidence in rebuttal. For matters over which the Board does not have original jurisdiction, a waiver of initial agency of original jurisdiction consideration of pertinent additional evidence received by the Board must be obtained from each claimant in accordance with paragraph (c) of this section. The date of mailing of the letter of notification of the new evidence will be presumed to be the same as the date of that letter for purposes of determining whether such comment or evidence in rebuttal was timely submitted. No further period will be provided for response to such comment or rebuttal evidence.

SUBPART O -- REVISION OF DECISIONS ON GROUNDS OF CLEAR AND UNMISTAKABLE ERROR

§ 20.1400 Rule 1400. Motions to revise Board decisions.
§ 20.1402 Rule 1402. Inapplicability of other rules.
§ 20.1403 Rule 1403. What constitutes clear and unmistakable error; what does not.
§ 20.1404 Rule 1404. Filing and pleading requirements; withdrawal.
§ 20.1406 Rule 1406. Effect of revision; discontinuance or reduction of benefits.
§ 20.1407 Rule 1407. Motions by the Board.
§ 20.1408 Rule 1408. Special rules for simultaneously contested claims.
§ 20.1409 Rule 1409. Finality and appeal.
§ 20.1411 Rule 1411. Relationship to other statutes.

§ 20.1400 Rule 1400. Motions to revise Board decisions.
(a) Review to determine whether clear and unmistakable error exists in a final Board decision may be initiated by the Board, on its own motion, or by a party to that decision (as the term "party" is defined in Rule 1401(b) (§ 20.1401(b) of this part) in accordance with Rule 1404 (§ 20.1404 of this part).
(b) All final Board decisions are subject to revision under this subpart except:
(1) Decisions on issues which have been appealed to and decided by a court of competent jurisdiction; and
(2) Decisions on issues which have subsequently been decided by a court of competent jurisdiction.
[64 FR 2134, 2139, Jan. 13, 1999; 64 FR 73413, 73414, Dec. 30, 1999]

(Authority: 38 U.S.C. 501(a), 7111)

(a) Issue. Unless otherwise specified, the term "issue" in this subpart means a matter upon which the Board made a final decision (other than a decision under this subpart). As used in the preceding sentence, a "final decision" is one which was appealable under Chapter 72 of title 38, United States Code, or which would have been so appealable if such provision had been in effect at the time of the decision.
(b) Party. As used in this subpart, the term "party" means any party to the proceeding before the Board that resulted in the final Board decision which is the subject of a motion under this subpart, but does not include officials authorized to file administrative appeals pursuant to § 19.51 of this title.
§ 20.1402 Rule 1402. Inapplicability of other rules.

Motions filed under this subpart are not appeals and, except as otherwise provided, are not subject to the provisions of part 19 of this title or this part 20 which relate to the processing and disposition of appeals.

§ 20.1403 Rule 1403. What constitutes clear and unmistakable error; what does not.

(a) General. Clear and unmistakable error is a very specific and rare kind of error. It is the kind of error, of fact or of law, that when called to the attention of later reviewers compels the conclusion, to which reasonable minds could not differ, that the result would have been manifestly different but for the error. Generally, either the correct facts, as they were known at the time, were not before the Board, or the statutory and regulatory provisions extant at the time were incorrectly applied.

(b) Record to be reviewed. -- (1) General. Review for clear and unmistakable error in a prior Board decision must be based on the record and the law that existed when that decision was made.

(2) Special rule for Board decisions issued on or after July 21, 1992. For a Board decision issued on or after July 21, 1992, the record that existed when that decision was made includes relevant documents possessed by the Department of Veterans Affairs not later than 90 days before such record was transferred to the Board for review in reaching that decision, provided that the documents could reasonably be expected to be part of the record.

(c) Errors that constitute clear and unmistakable error. To warrant revision of a Board decision on the grounds of clear and unmistakable error, there must have been an error in the Board's adjudication of the appeal which, had it not been made, would have manifestly changed the outcome when it was made. If it is not absolutely clear that a different result would have ensued, the error complained of cannot be clear and unmistakable.

(d) Examples of situations that are not clear and unmistakable error. -- (1) Changed diagnosis. A new medical diagnosis that "corrects" an earlier diagnosis considered in a Board decision.

(2) Duty to assist. The Secretary's failure to fulfill the duty to assist.

(3) Evaluation of evidence. A disagreement as to how the facts were weighed or evaluated.
(e) Change in interpretation. Clear and unmistakable error does not include the otherwise correct application of a statute or regulation where, subsequent to the Board decision challenged, there has been a change in the interpretation of the statute or regulation.
[64 FR 2134, 2139, Jan. 13, 1999]

(Authority: 38 U.S.C. 501(a), 7111)
[EFFECTIVE DATE NOTE: 64 FR 2134, 2139, Jan. 13, 1999, added Subpart O, effective Feb. 12, 1999.]

§ 20.1404 Rule 1404. Filing and pleading requirements; withdrawal.

(a) General. A motion for revision of a decision based on clear and unmistakable error must be in writing, and must be signed by the moving party or that party's representative. The motion must include the name of the veteran; the name of the moving party if other than the veteran; the applicable Department of Veterans Affairs file number; and the date of the Board of Veterans' Appeals decision to which the motion relates. If the applicable decision involved more than one issue on appeal, the motion must identify the specific issue, or issues, to which the motion pertains. Motions which fail to comply with the requirements set forth in this paragraph shall be dismissed without prejudice to refiling under this subpart.

(b) Specific allegations required. The motion must set forth clearly and specifically the alleged clear and unmistakable error, or errors, of fact or law in the Board decision, the legal or factual basis for such allegations, and why the result would have been manifestly different but for the alleged error. Non-specific allegations of failure to follow regulations or failure to give due process, or any other general, non-specific allegations of error, are insufficient to satisfy the requirement of the previous sentence. Motions which fail to comply with the requirements set forth in this paragraph shall be dismissed without prejudice to refiling under this subpart.

(c) Filing. A motion for revision of a decision based on clear and unmistakable error may be filed at any time. Such motions should be filed at the following address: Director, Management and Administration (01E), Board of Veterans' Appeals, 810 Vermont Avenue, NW, Washington, DC 20420.

(d) Requests not filed at the Board. A request for revision transmitted to the Board by the Secretary pursuant to 38 U.S.C. 7111(f) (relating to requests for revision filed with the Secretary other than at the Board) shall be treated as if a motion had been filed pursuant to paragraph (c) of this section.

(e) Motions for reconsideration. A motion for reconsideration, as described in subpart K of this part, whenever filed, will not be considered a motion under this subpart.

(f) Withdrawal. A motion under this subpart may be withdrawn at any time before the Board promulgates a decision on the motion. Such withdrawal shall be in writing, shall be filed at the address listed in paragraph (c) of this section, and shall be signed by the moving party or by such party's representative. If such a writing is timely received, the motion shall be dismissed without prejudice to refiling under this subpart.
[64 FR 2134, 2139, Jan. 13, 1999; 66 FR 35902, 35903, July 10, 2001, as confirmed at 67 FR 46869, 46870, July 17, 2002]

(38 U.S.C. 501(a), 7111)

(a) Docketing and assignment; notification of representative -- (1) General. Motions under this subpart will be docketed in the order received and will be assigned in accordance with § 19.3 of this title (relating to assignment of proceedings). Where an appeal is pending on the same underlying issue at the time the motion is received, the motion and the appeal may be consolidated under the same docket number and disposed of as part of the same proceeding. A motion may not be assigned to any Member who participated in the decision that is the subject of the motion. If a motion is assigned to a panel, the decision will be by a majority vote of the panel Members.

(2) Advancement on the docket. A motion may be advanced on the docket subject to the same substantive and procedural requirements as those applicable to an appeal under Rule 900(c) (§ 20.900(c) of this part).

(3) Notification of representative. When the Board receives a motion under this subpart from an individual whose claims file indicates that he or she is represented, the Board shall provide a copy of the motion to the representative before assigning the motion to a Member or panel. Within 30 days after the date on which the Board provides a copy of the motion to the representative, the representative may file a relevant response, including a request to review the claims file prior to filing a further response. Upon request made within the time allowed under this paragraph (a)(2), the Board shall arrange for the representative to have the opportunity to review the claims file, and shall permit the representative a reasonable time after making the file available to file a further response.

(b) Evidence. No new evidence will be considered in connection with the disposition of the motion. Material included in the record on the basis of Rule 1403(b)(2) (§ 20.1403(b)(2) of this part) is not considered new evidence.

(c) Hearing. -- (1) Availability. The Board may, for good cause shown, grant a request for a hearing for the purpose of argument. No testimony or other evidence will be admitted in connection with such a hearing. The determination as to whether good cause has been shown shall be made by the member or panel to whom the motion is assigned.

(2) Submission of requests. Requests for such a hearing shall be submitted to the following address: Director, Management and Administration (01E), Board of Veterans' Appeals, 810 Vermont Avenue, NW, Washington, DC 20420.

(d) Decision to be by the Board. The decision on a motion under this subpart shall be made by the Board. There shall be no referral of the matter to any adjudicative or hearing official acting on behalf of the Secretary for the purpose of deciding the motion.

(e) Referral to ensure completeness of the record. Subject to the provisions of paragraph (b) of this section, the Board may use the various agencies of original jurisdiction to ensure completeness of the record in connection with a motion under this subpart.

(f) General Counsel opinions. The Board may secure opinions of the General Counsel in connection with a motion under this subpart. In such cases, the Board will notify the party and his or her representative, if any. When the opinion is received by the Board, a copy of the opinion will be furnished to the party's representative or, subject to the limitations provided in 38 U.S.C. 5701(b)(1), to the party if there is no representative. A period of 60 days from the date of mailing of a copy of the opinion will be allowed for
response. The date of mailing will be presumed to be the same as the date of the letter or memorandum which accompanies the copy of the opinion for purposes of determining whether a response was timely filed.

(g) Decision. The decision of the Board on a motion will be in writing. The decision will include separately stated findings of fact and conclusions of law on all material questions of fact and law presented on the record, the reasons or bases for those findings and conclusions, and an order granting or denying the motion.

§ 20.1406 Rule 1406. Effect of revision; discontinuance or reduction of benefits.

(a) General. A decision of the Board that revises a prior Board decision on the grounds of clear and unmistakable error has the same effect as if the decision had been made on the date of the prior decision.

(b) Discontinuance or reduction of benefits. Revision of a prior Board decision under this subpart that results in the discontinuance or reduction of benefits is subject to laws and regulations governing the reduction or discontinuance of benefits by reason of erroneous award based solely on administrative error or errors in judgment.

§ 20.1407 Rule 1407. Motions by the Board.

If the Board undertakes, on its own motion, a review pursuant to this subpart, the party to that decision and that party's representative (if any) will be notified of such motion and provided an adequate summary thereof and, if applicable, outlining any proposed discontinuance or reduction in benefits that would result from revision of the Board's prior decision. They will be allowed a period of 60 days to file a brief or argument in answer. The failure of a party to so respond does not affect the finality of the Board's decision on the motion.

In the case of a motion under this subpart to revise a final Board decision in a simultaneously contested claim, as that term is used in Rule 3(o) (§ 20.3(o) of this part), a copy of such motion shall, to the extent practicable, be sent to all other contesting parties. Other parties have a period of 30 days from the date of mailing of the copy of the motion to file a brief or argument in answer. The date of mailing of the copy will be presumed to be the same as the date of the letter which accompanies the copy. Notices in simultaneously contested claims will be forwarded to the last address of record of the parties concerned and such action will constitute sufficient evidence of notice.

§ 20.1409 Rule 1409. Finality and appeal.
(a) A decision on a motion filed by a party or initiated by the Board pursuant to this subpart will be stamped with the date of mailing on the face of the decision, and is final on such date. The party and his or her representative, if any, will be provided with copies of the decision.
(b) For purposes of this section, a dismissal without prejudice under Rule 1404(a) (§ 20.1404(a) of this part), Rule 1404(b) (§ 20.1404(b)), or Rule 1404(f) (§ 20.1404(f)), or a referral under Rule 1405(e) is not a final decision of the Board.
(c) Once there is a final decision on a motion under this subpart relating to a prior Board decision on an issue, that prior Board decision on that issue is no longer subject to revision on the grounds of clear and unmistakable error. Subsequent motions relating to that prior Board decision on that issue shall be dismissed with prejudice.
(d) Chapter 72 of title 38, United States Code (relating to judicial review), applies with respect to final decisions on motions filed by a party or initiated by the Board pursuant to this subpart.

§ 20.1411 Rule 1411. Relationship to other statutes.

(a) The "benefit of the doubt" rule of 38 U.S.C. 5107(b) does not apply to the Board's decision, on a motion under this subpart, as to whether there was clear and unmistakable error in a prior Board decision.

(b) A motion under this subpart is not a claim subject to reopening under 38 U.S.C. 5108 (relating to reopening claims on the grounds of new and material evidence).

(c) A motion under this subpart is not an application for benefits subject to any duty associated with 38 U.S.C. 5103(a) (relating to applications for benefits).

(d) A motion under this subpart is not a claim for benefits subject to the requirements and duties associated with 38 U.S.C. 5107(a) (requiring "well-grounded" claims and imposing a duty to assist).

38 U.S.C. 501(a), 3100-3121.
§ 21.1 Training and rehabilitation for veterans with service-connected disabilities.

(a) Purposes. The purposes of this program are to provide to eligible veterans with compensable service-connected disabilities all services and assistance necessary to enable them to achieve maximum independence in daily living and, to the maximum extent feasible, to become employable and to obtain and maintain suitable employment.

(Authority: 38 U.S.C. 3100)

(b) Basic requirements. Before a service-disabled veteran may receive training and rehabilitation services under Chapter 31, Title 38 U.S.C., three basic requirements must be met:

(1) The Department of Veterans Affairs must first find that the veteran has basic entitlement to services as prescribed by § 21.40.

(Authority: 38 U.S.C. 3102)

(2) The services necessary for training and rehabilitation must be identified by the Department of Veterans Affairs and the veteran.

(Authority: 38 U.S.C. 3106)

(3) An individual written plan must be developed by the Department of Veterans Affairs and the veteran describing the goals of the program and the means through which these goals will be achieved.

[49 FR 40814, Oct. 18, 1984; 50 FR 9622, Mar. 11, 1985]
§ 21.21 Election of benefits under education programs administered by the Department of Veterans Affairs.

(a) Election of benefits required. A veteran must make an election of benefits among the programs of education administered by VA for which he or she may be eligible. A veteran who has basic entitlement to rehabilitation under chapter 31 and is also eligible for assistance under any of the other education programs administered by VA must make an election of benefits between chapter 31 and any other VA program of education for which he or she may be eligible. The veteran may reelect at any time if he or she is otherwise eligible. (See §§ 21.264 and 21.334.)

(b) Use of prior training in formulating a rehabilitation program. If a veteran has pursued an educational or training program under an education program listed in § 21.4020 of this part, the earlier program of education or special restorative training shall be utilized to the extent practicable.

§ 21.22 Nonduplication -- Federal programs.

(a) Allowances. A service-disabled veteran who is eligible for benefits under Chapter 31, may not receive a subsistence allowance or elect payment of an allowance at the educational assistance rate under Chapter 30 pursuant to § 21.264 if the veteran:

(1) Is on active duty and is pursuing a course of education which is being paid for by the Armed Forces (or by the Department of Health and Human Services in the case of the Public Health Service), or

(2) Is attending a course of education or training paid for under Chapter 41, Title 5 U.S.C. and whose full salary is being paid to such veteran while so training.

(b) Services which may be authorized. A service-disabled veteran who is in one of the two categories defined in paragraph (a) of this section is entitled to receive all benefits, other than an allowance, to which he or she is otherwise entitled under Chapter 31, including:

(1) Payment of any tuition and fees not paid for by the Armed Forces.

(2) The cost of special services, such as reader services, tutorial assistance, and special equipment during the period of such training.

(38 U.S.C. 3681)
CLAIMS

§ 21.30 Claims.
§ 21.31 Informal claim.
§ 21.32 Time limit.

§ 21.30 Claims.
A specific claim in the form prescribed by the Department of Veterans Affairs must be filed for:
(a) A program of rehabilitation services, or
(b) Employment assistance.

(38 U.S.C. 501(a), 3102, 3117, 5101(a))

§ 21.31 Informal claim.
Any communication or action indicating an intent to apply for rehabilitation or employment assistance, from a veteran, a duly authorized representative, or a Member of Congress may be considered an informal claim. Upon receipt of an informal claim, if a formal claim has not been filed, an application form will be forwarded to the veteran for execution. In the case of a claim for rehabilitation, or employment assistance, the formal claim will be considered filed as of the date of receipt of the informal claim if received within 1 year from the date it was sent to the veteran, or before cessation of the course, whichever is earlier.

(38 U.S.C. 501(a), 5101(a), 5103(a))

§ 21.32 Time limit.
(a) Time limit for filing evidence. The provisions of this paragraph are applicable to an original application, formal or informal, for rehabilitation or employment assistance and to a claim for increased benefits by reason of the existence of a dependent.
(1) If a claimant's application is incomplete, the claimant will be notified of the evidence necessary to complete the application;
(2) If the evidence is not received within 1 year from the date of such notification, benefits may not be paid by reason of that application.
(b) Failure to furnish claim or notice of time limit. The failure of VA to furnish a claimant:
(1) Any form or information concerning the right to file a claim or to furnish notice of the time limit for the filing of a claim is not a basis for adjusting the periods allowed for these actions;
(2) Appropriate notice of time limits within which evidence must be submitted to perfect a claim shall result in an adjustment of the period during which the time limit runs. The period during which the time limit runs shall be determined in accordance with paragraph (c) of this section. As to appeals see § 19.129 of this chapter.
(Authority: (39 U.S.C. 5113))
(c) Adjustment of time limit. (1) In computing the time limit for any action required of a claimant or beneficiary to perfect the types of claims described in paragraph (a) of this section, the first day of the specified period will be excluded and the last day included. This rule is applicable in cases in which the time limit expires on a workday. Where the time limit would expire on a Saturday, Sunday, or holiday, the next succeeding workday will be included in the computation.
(2) The period during which the veteran must provide information necessary to perfect his or her claim does not begin to run until the veteran has been notified of this requirement for submission of information. The date of the letter of notification informing the veteran of the action required and the time limit for accomplishing the action shall be "The first day of the specified period" referred to in paragraph (c)(1) of this section.
(Authority: 38 U.S.C. 5101, 5113)

CROSS-REFERENCE: Due Process. See § 3.103.
§ 21.35 Definitions.

(a) Employment handicap. This term means an impairment of a veteran's ability to prepare for, obtain, or retain employment consistent with such veteran's abilities, aptitudes, and interests.

(b) Independence in daily living. This term means the ability of a veteran, without the service of others, or with a reduced level of the services of others, to live and function within such veteran's family and community.

(c) Program of education. This term means:

(1) A combination of subjects or unit courses pursued at a school which is generally acceptable to meet requirements for a predetermined educational, professional or vocational objective; or

(2) Such subjects or courses which are generally acceptable to meet requirements for more than one objective if all objectives pursued are generally recognized as being related to a single career field; or

(3) Any unit course or subject, or combination of courses or subjects, pursued by an eligible veteran at any educational institution required by the Administrator of the Small Business Administration as a condition to obtaining financial assistance under the provisions of section (7)(i)(1) of the Small Business Act.

(d) Program of independent living services and assistance. This term includes:

(1) The services provided in this program that are needed to enable a veteran to achieve maximum independence in daily living, including counseling, diagnostic, medical, social, psychological, and educational services determined by the Department of Veterans Affairs to be necessary, and

(2) The monthly allowance authorized by 38 U.S.C. Chapter 31 for such a veteran.

(e) Rehabilitated to the point of employability. This term means that the veteran is employable in an occupation for which a vocational rehabilitation program has been provided under this program.

(f) Rehabilitation program. This term includes, when appropriate:

(1) A vocational rehabilitation program (see paragraph (i) of this section);

(2) A program of independent living services and assistance (see paragraph (d) of this section) for a veteran for whom a vocational goal has been determined not to be currently reasonably feasible; or

(3) A program of employment services for employable veterans who are prior participants in Department of Veterans Affairs or state-federal vocational rehabilitation programs.
(g) Serious employment handicap. This term means a significant impairment of a veteran's ability to prepare for, obtain, or retain employment consistent with such veteran's abilities, aptitudes, and interests.

(Authority: 38 U.S.C. 3101(7)

(h) Vocational goal. (1) The term vocational goal means a gainful employment status consistent with a veteran's abilities, aptitudes, and interests;
(2) The term achievement of a vocational goal is reasonably feasible means the effects of the veteran's disability (service and nonservice-connected), when considered in relation to the veteran's circumstances does not prevent the veteran from successfully pursuing a vocational rehabilitation program and becoming gainfully employed in an occupation consistent with the veteran's abilities, aptitudes, and interests;
(3) The term achievement of a vocational goal is not currently reasonably feasible means the effects of the veteran's disability (service and nonservice-connected), when considered in relation to the veteran's circumstances at the time of the determination:
(i) Prevent the veteran from successfully achieving a vocational goal at that time; or
(ii) Are expected to worsen within the period needed to achieve a vocational goal and which would, therefore, make achievement not reasonably feasible.

(Authority: 38 U.S.C. 3101(8))

(i) Vocational rehabilitation program. This term includes:
(1) The services that are needed for the accomplishment of the purposes of 38 U.S.C. Chapter 31 including such counseling, diagnostic, medical, social, psychological, independent living, economic, educational, vocational, and employment services as are determined by the Department of Veterans Affairs to be needed;
(i) In the case of a veteran for whom the achievement of a vocational goal has not been found to be currently infeasible, such services include:
(A) Determining whether a vocational goal is reasonably feasible;
(B) Improving the veteran's potential to participate in a program of services designed to achieve a vocational goal;
(C) Enabling the veteran to achieve maximum independence in daily living;
(ii) In the case of a veteran for whom achievement of a vocational goal is feasible, such services include assisting the veteran to become, to the maximum extent feasible, employable and to obtain and maintain suitable employment; and
(2) The term also includes the monetary assistance authorized by 38 U.S.C. Chapter 31 for a veteran receiving any of the services described in this paragraph.

(Authority: 38 U.S.C. 3101(9); Pub. L. 99-576)

(j) Program of employment services. This term includes the counseling, medical, social, and other placement and post-placement services provided to a veteran under 38 U.S.C. Chapter 31 to assist the veteran in obtaining or maintaining suitable employment.

(Authority: 38 U.S.C. 3117)

(k) Other terminology. The following are primarily intended as explanations rather than definitions of terms to which frequent reference will be made in these regulations.
(1) Counseling psychologist. Unless otherwise stated, the term counseling psychologist refers to a counseling psychologist in the Vocational Rehabilitation and Employment Division in the Veterans Benefits Administration, Department of Veterans Affairs.

(Authority: 38 U.S.C. 3118(c))
(2) Vocational rehabilitation specialist. Unless otherwise stated, the term vocational rehabilitation specialist refers to a vocational rehabilitation specialist in the Vocational Rehabilitation and Employment Division in the Veterans Benefits Administration of the Department of Veterans Affairs, or to a Department of Veterans Affairs counseling psychologist performing the duties of a vocational rehabilitation specialist.
(Authority: 38 U.S.C. 3118(c))

(3) School, educational institution, institution. These terms means any public or private school, secondary school, vocational school, correspondence school, business school, junior college, teachers' college, college, normal school, professional school, university, or scientific or technical institution, or other institution furnishing education for adults.
(Authority: 38 U.S.C. 3452(C))

(4) Training establishment. This term means any establishment providing apprentice or other training on the job, including those under the supervision of a college or university or any State department of education, or any State apprenticeship agency, or any State board of vocational education, or any joint apprenticeship committee, or the Bureau of Apprenticeship and Training established in accordance with 29 U.S.C. Chapter 4C, or any agency of the Federal Government authorized to supervise such training.
(Authority: 38 U.S.C. 3452(e))

(5) Rehabilitation facility. This term means a distinct organizational entity, either separate or within a larger institution or agency, which provides goal-oriented comprehensive and coordinated services to individuals designed to evaluate and minimize the handicapping effects of physical, mental, social and vocational disadvantages, and to effect a realization of the individual's potential.
(Authority: 38 U.S.C. 3115(a))

(6) Workshop. This term means a charitable organization or institution, conducted not for profit, but for the purpose of carrying out an organized program of evaluation and rehabilitation for handicapped workers and/or for providing such individuals with remunerative employment and other occupational rehabilitative activity of an educational or therapeutic nature.
(Authority: 38 U.S.C. 3115(a))

(7) Vocational rehabilitation counselor. Unless otherwise stated, the term vocational rehabilitation counselor refers to a vocational rehabilitation counselor in the Vocational Rehabilitation and Employment Division in the Veterans Benefits Administration, Department of Veterans Affairs.
(Authority: 38 U.S.C. 3118(c))

§ 21.40 Basic entitlement.

§ 21.40 Basic entitlement.

A veteran or serviceperson shall be entitled to a program of rehabilitation services under 38 U.S.C. chapter 31 if all of the following conditions are met:
(a) Service-connected disability. (1) The veteran has a service-connected disability of 20 percent or more which is, or but for the receipt of retired pay would be, compensable under 38 U.S.C. chapter 11, and which was incurred or aggravated in service on or after September 16, 1940; or
(2) A serviceperson is hospitalized for a service-connected disability in a hospital over which the Secretary concerned has charge pending discharge or release from active military, naval or air service and is suffering from a disability which will likely be compensable at a rate of 20 percent or more under 38 U.S.C. Chapter 11; or
(3) A veteran or serviceperson, as described in paragraphs (a)(1) and (2) of this section, has a service-connected disability which is compensable or is likely to be compensable at less than 20 percent, if the individual filed an original application for Chapter 31 before November 1, 1990.
(b) Employment handicap. The veteran or serviceperson is determined to be in need of rehabilitation to overcome an employment handicap.

PERIODS OF ELIGIBILITY

§ 21.41 Basic period of eligibility.
§ 21.42 Basic period of eligibility deferred.
§ 21.44 Extension beyond basic period of eligibility because of serious employment handicap.
§ 21.45 Extension beyond basic period of eligibility for a program of independent living services.
§ 21.47 Eligibility for employment assistance.
§ 21.48 Severance of service connection -- reduction to noncompensable degree.

§ 21.41 Basic period of eligibility.

A veteran having basic entitlement may be provided a program of rehabilitative services during the twelve-year period following discharge. The beginning date of the twelve-year period is the day of the veteran's discharge or release from his or her last period of active military, naval, or air service and the ending date is twelve years from the discharge or release date, unless the beginning date is deferred or the ending date is deferred or extended as provided in §§ 21.42, 21.44, and 21.45.

(Authority: 38 U.S.C. 3103)

§ 21.42 Basic period of eligibility deferred.

The basic twelve-year period of eligibility does not begin to run if the veteran was prevented from beginning or continuing a vocational rehabilitation program for one of the following reasons:

(a) Qualifying compensable service-connected disability established. The basic twelve-year period shall not begin to run until the veteran establishes the existence of a compensable service-connected disability described in § 21.40(a). When the veteran establishes the existence of a compensable service-connected disability described in § 21.40(a), the basic twelve-year period begins on the day the Department of Veterans Affairs notifies the veteran of this. The ending date is twelve years from the beginning date.

(b) Character of discharge. (1) The basic twelve-year period of eligibility shall not begin to run during any period when the veteran had not met the requirement of a discharge or release from the active military, naval or air services under conditions other than dishonorable:

(i) The discharge or release was changed by appropriate authority, or

(ii) The Department of Veterans Affairs determines that the discharge or release was under conditions other than dishonorable.

(2) The basic twelve-year period shall not begin to run during any period in which the veteran's discharge or dismissal was considered a bar to benefits by the Department of Veterans Affairs, before this bar is removed by the Department of Veterans Affairs.

(3) When there is a change in the character of discharge or dismissal under paragraph (b) (1) or (2) of this section the beginning date of the basic twelve-year period of eligibility is the effective date of the change. Determination of character of discharge and change in the character of discharge shall be made under the provisions of § 3.12. The ending date is twelve years from the beginning date.

(Authority: 38 U.S.C. 3103(b)(2))

(c) Medical condition prevents initiation or continuation. (1) The basic 12-year period of eligibility shall not begin to run or continue to run during any period of 30 days or more in which the veteran's participation in vocational rehabilitation is infeasible because of the veteran's medical condition, which condition may include the disabling effects of chronic alcoholism, subject to paragraph (c)(2) of this section. The 12-year period shall begin or resume when it is feasible for the veteran to participate in a vocational rehabilitation program, as that term is defined in § 21.35.

(2) The term disabling effects of chronic alcoholism means alcohol-induced physical or mental disorders or both, such as habitual intoxication, withdrawal, delirium, amnesia, dementia, and other like manifestations of chronic alcoholism which, in the particular case:

(i) Have been medically diagnosed as manifestations of alcohol dependency or chronic alcohol abuse; and

(ii) Are determined to have prevented commencement or completion of the affected individual's rehabilitation program.

(3) A diagnosis of alcoholism, chronic alcoholism, alcohol dependency, chronic alcohol abuse, etc., in and of itself, does not satisfy the definition of disabling effects of chronic alcoholism.

(4) Injury sustained by a veteran as a proximate and immediate result of activity undertaken by the veteran while physically or mentally unqualified to do so due to alcoholic intoxication is not considered a disabling effect of chronic alcoholism.

(5) The disabling effects of chronic alcoholism, which prevent initiation or continuation of participation in a vocational rehabilitation program after November 17, 1988, shall not be considered to be the result of willful misconduct.

(Authority: 38 U.S.C. 3103(b)(1), Pub. L. 100-689)

§ 21.44 Extension beyond basic period of eligibility because of serious employment handicap.

The basic period of eligibility of a veteran with a serious employment handicap may be extended when the veteran's employment and particular handicap necessitate an extension as necessary to pursue a vocational rehabilitation program under the following conditions:

(a) Not rehabilitated to the point of employability. The basic period of eligibility may be extended when the veteran has not previously been rehabilitated to the point of employability.

(Authority: 38 U.S.C. 3103(c))
(b) Rehabilitated to the point of employability. The veteran was previously declared rehabilitated to the point of employability, under the Department of Veterans Affairs vocational rehabilitation program, but either:
(1) The veteran's service-connected disability or disabilities have worsened to the extent that he or she is unable to perform the duties of the occupation in which he or she is trained, or in a related occupation; or
(2) The occupation in which the veteran was rehabilitated to the point of employability is not presently suitable in view of the veteran's current employment handicap and capabilities. (The finding of unsuitability must be based upon objective evidence developed in the course of reconsideration which shows that the nature or extent of the veteran's employment handicap and his or her capabilities are significantly different than were previously found.) or;
(3) Occupational requirements have changed and additional services are needed to help the veteran continue in the occupation in which he or she was trained or in a related field. 49 FR 40814, Oct. 18, 1984.

(38 U.S.C. 3103(c))

§ 21.45 Extension beyond basic period of eligibility for a program of independent living services.
The period of eligibility for a veteran to pursue a program of independent living services may be extended beyond the basic twelve-year period under the following conditions:
(a) The veteran's medical condition (service and nonservice-connected disabilities) is so severe that achievement of a vocational goal is not currently reasonably feasible, or (b) the extension is necessary to ensure that he or she will achieve maximum independence in daily living.

(38 U.S.C. 3103(d); Pub. L. (99-576)

§ 21.47 Eligibility for employment assistance.
(a) Providing employment services to veterans eligible for a rehabilitation program under chapter 31. Each veteran, other than one found in need of a program of independent living services and assistance, who is otherwise currently eligible for and entitled to participate in a program of rehabilitation under chapter 31 may receive employment services. Included are those veterans who:
(1) Have completed a program of rehabilitation services under chapter 31 and been declared rehabilitated to the point of employability;
(2) Have not completed a period of rehabilitation to the point of employability under chapter 31, but:
   (i) Have elected to secure employment without completing the period of rehabilitation to the point of employability; and
   (ii) Are employable; or
(3) Have never received services for rehabilitation to the point of employability under chapter 31 if they:
   (i) Are employable or employed in a suitable occupation;
   (ii) Have an employment handicap or a serious employment handicap; and
(iii) Need employment services to secure and/or maintain suitable employment. (Authority: 38 U.S.C. 3102)

(b) Veteran previously participated in a VA vocational rehabilitation program or a similar program under the Rehabilitation Act of 1973, as amended. A veteran who at some time in the past has participated in a vocational rehabilitation program under chapter 31 or a similar program under the Rehabilitation Act of 1973 as amended, and is employable is eligible for employment services under the following conditions even though he or she is ineligible for any other assistance under chapter 31:

1. The veteran is employable in a suitable occupation;
2. The veteran has filed a claim for vocational rehabilitation or employment assistance;
3. The veteran meets the criteria for eligibility described in §21.40(a); and
4. The veteran has an employment handicap or serious employment handicap; and
5. The veteran:
   (i) Completed a vocational rehabilitation program under 38 U.S.C. ch. 31 or participated in such a program for at least 90 days on or after September 16, 1940; or
   (ii) Completed a vocational rehabilitation program under the Rehabilitation Act of 1973 after September 26, 1975, or participated in such a program which included at least 90 days of postsecondary education or vocational training. (Authority: 38 U.S.C. 3117)

(c) Veteran never received vocational rehabilitation services from the Department of Veterans Affairs or under the Rehabilitation Act of 1973. If a veteran is currently ineligible under chapter 31 because he or she does not have an employment handicap, and has never before participated in a vocational rehabilitation program under chapter 31 or under the Rehabilitation Act of 1973, no employment assistance may now be provided to the veteran under chapter 31. (Authority: 38 U.S.C. 3117)

(d) Duration of period of employment assistance. The periods during which employment assistance may be provided are not subject to limitations on periods of eligibility for vocational rehabilitation provided in §§21.41 through 21.45 of this part, but entitlement to such assistance is, as provided in §21.73 of this part, limited to 18 total months of assistance.

(38 U.S.C. 3105)

§21.48 Severance of service connection -- reduction to noncompensable degree.

When a rating action is taken which proposes severance of service-connection or reduction to a noncompensable degree, the provisions of the following paragraphs will govern the veteran's entitlement to rehabilitation and employment assistance under 38 U.S.C. Chapter 31.

(a) Applicant. If the veteran is an applicant for rehabilitation or employment assistance when the proposed rating action is taken, all processes respecting determination of entitlement or induction into training shall be immediately suspended. In no event shall any veteran be inducted into a rehabilitation program or provided employment assistance during the interim periods provided in §3.105 (d) and (e) of this title. If the proposed rating action becomes final, the application will be denied. See also §21.50 as to initial evaluation.
(Authority: 38 U.S.C. 3104)

(b) Reduction while in a rehabilitation program. If the proposed rating action is taken while the veteran is in a rehabilitation program and results in a reduction to a noncompensable rating of his or her disability, the veteran may be retained in the program until the completion of the program, except if "discontinued" under § 21.198 he or she may not reenter.

(Authority: 38 U.S.C. 3103)

(c) Severance while in a rehabilitation program. If the proposed rating action is taken while the veteran is in a rehabilitation program and results in severance of the service-connection of his or her disability, rehabilitation will be terminated effective as of the last day of the month in which severance of service-connection becomes final.

§ 21.51 Employment handicap.

§ 21.52 Serious employment handicap.

§ 21.53 Reasonable feasibility of achieving a vocational goal.

§ 21.57 Extended evaluation.

§ 21.58 Redetermination of employment handicap and serious employment handicap.

§ 21.59 Review and appeal of decisions on eligibility and entitlement.

§ 21.50 Initial evaluation.

(a) Eligibility for initial evaluation. VA shall provide an initial evaluation to each individual who applies for benefits under chapter 31 if the individual's compensable service-connected disability meets one of the conditions contained in § 21.40(a).

(b) Purpose. An initial evaluation will be provided to each individual who meets the conditions of paragraph (a) of this section to:

1. Determine the existence of an employment handicap;
2. Determine the basic twelve-year period of eligibility;
3. Determine whether an employment handicap shall be considered a serious employment handicap;
4. Determine whether the basic twelve-year period of eligibility is extended for a veteran with a serious employment handicap;
5. Determine as expeditiously as possible, without extended evaluation, whether achievement of a vocational goal is currently reasonably feasible.
6. Evaluate the ability of the veteran to live and function independently within the veteran's family and community;
7. Determine if the veteran is eligible for employment services under § 21.47;
8. Develop information necessary to plan an individual program for a veteran found eligible and entitled to services under Chapter 31; and
9. Assist a veteran who is found ineligible for assistance under Chapter 31 to identify other resources and programs for which he or she may be eligible.

(c) Scope of initial evaluation. The initial evaluation shall include consideration of:

1. The handicapping effects of the veteran's service-connected disability on employability and independence in daily living;
2. The veteran's residual physical and mental capabilities which contribute to employability and independence in daily living;
3. The veteran's ability to function independently in family and community;
4. Prior assessments of employability by a counseling psychologist;
5. Assessments authorized to provide additional information necessary for initial evaluation; and
6. The veteran's personal history including:
   (i) Education and training;
   (ii) Employment;
   (iii) Non-service-connected disability(ies), and
(iv) Family and community adjustment.
(Authority: 38 U.S.C. 3106(a))
(d) Responsibility for initial evaluation. (1) All determinations regarding service requirements for basic entitlement and, the beginning and ending dates of a veteran's basic twelve-year period of eligibility shall be made by appropriate staff of the Veterans Service Center.
(2) All other determinations, including extension of the basic twelve-year period because of serious employment handicap, and entitlement to assistance under Chapter 31 shall be made by appropriate staff of the Vocational Rehabilitation and Employment Division.
(Authority: 38 U.S.C. 3102, 2103, 3115(a))
(e) Cooperation of the veteran. The cooperation of the veteran is essential to an initial evaluation. The purpose of the initial evaluation and the steps in the process shall be explained to the veteran and his or her cooperation requested. If the veteran does not cooperate in the initiation or completion of the initial evaluation the counseling psychologist shall make a reasonable effort through counseling to secure the veteran's cooperation. If the veteran's cooperation cannot be secured, the counseling psychologist shall suspend the initial evaluation until such time as the veteran cooperates. The veteran will be informed of any suspension of the initial evaluation, the reasons for this action, and the steps necessary to resume the evaluation.
(38 U.S.C. 3111)

§ 21.51 Employment handicap.
(a) Importance of decision. The proper determination of employment handicap is a critical decision for rehabilitation planning and program accountability. To the extent possible, necessary information shall be developed in the course of initial evaluation and the significance of the information under paragraphs (d) and (e) of this section for determining employment handicap shown in each case.
(Authority: 38 U.S.C. 3101(1), 3102)
(b) Definition. The term employment handicap means an impairment of the veteran's ability to prepare for, obtain, or retain employment consistent with the veteran's abilities, aptitudes, and interests.
(Authority: 38 U.S.C. 3101(1))
(c) Components of employment handicap. Components of employment handicap include:
(1) Impairment. This term means the restrictions on employability caused by:
(i) The veteran's service and nonservice-connected disabilities;
(ii) Deficiencies in education and training;
(iii) Negative attitudes toward the disabled; and
(iv) Other pertinent factors.
(2) Service-connected disability. The veteran's service-connected disability need not be the sole or primary cause of the employment handicap but it must materially contribute to the impairment described in paragraph (c)(1) of this section. Therefore its effects must be identifiable, measurable, or observable.
(3) Nonservice-connected disability. This term includes all physical and mental disabilities which have not been found to be service-connected by the Department of
Veterans Affairs, including alcoholism and drug abuse. The effects of alcoholism and drug abuse are to be considered in the same manner as other nonservice-connected disabilities in evaluating restrictions on employability. When the manifestations of alcoholism, drug abuse or other nonservice-connected disabilities raise questions as to the reasonable feasibility of a vocational goal for a veteran otherwise entitled to assistance under Chapter 31 such questions will be resolved under provisions of § 21.53.

(4) Consistency with abilities, aptitudes, and interests. The following points should be considered to determine if the veteran's training and employment are consistent with his or her abilities, aptitudes and interests:

(i) A finding that a veteran is employed in an occupation which is consistent with his or her abilities, aptitudes and interests may not be made if the occupation does not require reasonably developed skills, except under conditions described in paragraphs (e) (2) and (3), of this section;

(ii) The veteran's residual capacities, as well as limitations arising from the veteran's service and nonservice-connected disabilities are relevant;

(iii) Evidence of the consistency of interests with training and employment may be based on:

(A) The veteran's statements to a Department of Veterans Affairs counseling psychologist during initial evaluation or subsequent reevaluation;

(B) The veteran's history of participation in specific activities; or

(C) Information developed by the Department of Veterans Affairs through use of interest inventories.

(Authority: 38 U.S.C. 3102)

(d) Determining extent of impairment. The extent of the veterans impairment shall be assessed through consideration of factors described in paragraph (c)(1) of this section:

(e) Material contribution of service-connected disability to the impairment. A finding that the veteran's service-connected disability materially contributes to his or her impairment to employment will be made by assessing the following factors:

(1) Preparation for employment. The service-connected condition adversely affects the veteran's current ability to prepare for employment in one or more fields which would otherwise be consistent with the veteran's abilities, aptitudes, and interests. An adverse effect is demonstrated when the physical or psychological results of the service-connected condition:

(i) Impair the veteran's ability to train;

(ii) Prevent or impede access to training facilities; or

(iii) Diminish the veteran's motivation and ability to mobilize his or her energies for education or training.

(2) Obtaining employment. The service-connected condition places the veteran at a competitive disadvantage with similarly circumstanced nondisabled persons in obtaining employment. A veteran without reasonably developed specific job skills shall be considered to be at a competitive disadvantage unless evidence of record shows a history of current, stable, continuing employment.

(3) Retaining employment. The physical or psychological effects of a service-connected condition adversely affect the veteran's ability to maintain employment which requires reasonably developed skills. This criterion is not met if a veteran though lacking reasonably developed skills, has a history of continuing, stable employment.
(Authority: 38 U.S.C. 3101(1))
(f) Determination of employment handicap. The counseling psychologist may find the veteran has an employment handicap.
(1) An employment handicap which entitles the veteran to assistance under this program exists when all of the following conditions are met:
(i) The veteran has an impairment of employability; this includes veterans who are qualified for suitable employment, but do not obtain or retain such employment for reasons not within their control;
(ii) The veteran's service-connected disability materially contributes to the impairment of employability;
(iii) The veteran has not overcome the effects of the impairment of employability through employment in an occupation consistent with his or her pattern of abilities, aptitudes and interests.
(2) An employment handicap does not exist when any of the following conditions is present:
(i) The veteran's employability is not impaired; this includes veterans who are qualified for suitable employment, but do not obtain or retain such employment for reasons within their control;
(ii) The veteran's employability is impaired, but his or her service-connected disability does not materially contribute to the impairment of employability.
(iii) The veteran has overcome the effects of the impairment of employability through employment in an occupation consistent with his or her pattern of abilities, aptitudes and interests, and is successfully maintaining such employment.
(Authority: 38 U.S.C. 3102)
(g) Eligibility for employment assistance. If a veteran is not found to have an employment handicap a separate determination of his or her eligibility for employment assistance will be made under provisions of § 21.47.
(Authority: 38 U.S.C. 3117)
(h) Responsibility for determinations. The determination of an employment handicap and eligibility for employment assistance may only be made by a counseling psychologist in the Vocational Rehabilitation and Employment Division.

(38 U.S.C. 3106(a))

§ 21.52 Serious employment handicap.
(a) Requirement of determination of serious employment handicap. A separate determination whether a serious employment handicap exists shall be made in each case in which an employment handicap is found.
(Authority: 38 U.S.C. 3106(a))
(b) Definition. The term serious employment handicap means a significant impairment of a veteran's ability to prepare for, obtain or retain employment consistent with such veteran's abilities, aptitudes, and interests.
(Authority: 38 U.S.C. 3101(7))
(c) Serious employment handicap exists. A veteran who has been found to have an employment handicap shall also be held to have serious employment handicap if he or she has:
(1) A neuropsychiatric service-connected disability rated at thirty percent or more disabling; or
(2) Any other service-connected disability rated at fifty percent or more disabling.
(d) Serious employment handicap may exist. A veteran with a nonneuropsychiatric service-connected disability may be found to have a serious employment handicap even though the disability is rated at thirty or forty percent disabling, when either of the following conditions exists:
(1) The veteran has a prior history of poor adjustment in training and employment, and special efforts will be needed if the veteran is to be rehabilitated; or
(2) The veteran's situation presents special problems due to nonservice-connected disability, family pressures, etc., and a number of special and supportive services are needed to effect rehabilitation.
(e) Serious employment handicap normally not found. A finding of serious employment handicap will normally not be made when a veteran's service-connected disability is rated at less than thirty percent disabling. A finding of serious employment handicap may nevertheless be made when:
(1) The veteran's service-connected disability has caused substantial periods of unemployment or unstable work history;
(2) The veteran has demonstrated a pattern of maladaptive behavior which is shown by a history of withdrawal from society or continuing dependency on government income support programs; and
(f) Responsibility for determining serious employment handicap. A counseling psychologist in the Vocational Rehabilitation and Employment Division shall make determinations of serious employment handicap.

(38 U.S.C. 3106(a))

§ 21.53 Reasonable feasibility of achieving a vocational goal.

(a) Requirement. The Department of Veterans Affairs shall determine the reasonable feasibility of achieving a vocational goal in each case in which a veteran has either:
(1) An employment handicap, or
(2) A serious employment handicap.
(Authority: 38 U.S.C. 3106(a))
(b) Definition. The term vocational goal means a gainful employment status consistent with the veteran's abilities, aptitudes, and interests.
(Authority: 38 U.S.C. 3101(8))
(c) Expeditious determination. The determination of reasonable feasibility shall be made as expeditiously as possible when necessary information has been developed in the course of initial evaluation. If an extended evaluation is necessary as provided in § 21.57 a decision of feasibility shall be made by the end of the extended evaluation. Any reasonable doubt shall be resolved in favor of a finding of feasibility.
(Authority: 38 U.S.C. 3105(d))
(d) Vocational goal is reasonably feasible. Achievement of a vocational goal is reasonably feasible for a veteran with either an employment or serious employment handicap when the following conditions are met:
(1) Vocational goal(s) has (have) been identified;
(2) The veteran's physical and mental conditions permit training for the goal(s) to begin within a reasonable period; and
(3) The veteran:
   (i) Possesses the necessary educational skills and background to pursue the vocational goal; or
   (ii) Will be provided services by the Department of Veterans Affairs to develop such necessary educational skills as part of the program.

(Authority: 38 U.S.C. 3104(a)(1), 3106(a))

(e) Criteria for reasonable feasibility not met. (1) When VA finds that the provisions of paragraph (d) of this section are not met, but VA has not determined that achievement of a vocational goal is not currently reasonably feasible, VA shall provide the rehabilitation services contained in § 21.35(i)(1)(i) of this part as appropriate;
(2) A finding that achievement of a vocational goal is infeasible without a period of extended evaluation requires compelling evidence which establishes infeasibility beyond any reasonable doubt.

(Authority: 38 U.S.C. 3104(a)(1), 3106(b))

(f) Independent living services. The counseling psychologist shall determine the current reasonable feasibility of a program of independent living services in each case in which a vocational rehabilitation program is not found reasonably feasible. The concurrence of the Vocational Rehabilitation and Employment (VR&E) Officer is required in any case in which the counseling psychologist does not approve a program of independent living services.

(Authority: 38 U.S.C. 3100)

(g) Responsible staff. A counseling psychologist in the Vocational Rehabilitation and Employment Division shall determine whether achievement of a vocational goal is:
(1) Reasonably feasible; or
(2) Not currently reasonably feasible under the provisions of paragraph (e) of this section for the purpose of determining present eligibility to receive a program of independent living services.

§ 21.57 Extended evaluation.
(a) Purpose. The purpose of an extended evaluation for a veteran with a serious employment handicap is to determine the current feasibility of the veteran achieving a vocational goal, when this decision reasonably cannot be made on the basis of information developed during the initial evaluation.

(b) Scope of services. During the extended evaluation, a veteran may be provided:
(1) Diagnostic and evaluative services;
(2) Services to improve his or her ability to attain a vocational goal;
(3) Services to improve his or her ability to live and function independently in the community;
(4) An allowance as provided in § 21.260.
(Authority: 38 U.S.C. 3104)
(c) Determination. (1) The determination of the reasonable feasibility of a veteran achieving a vocational goal will be made at the earliest time possible during an extended evaluation, but not later than the end of the period of evaluation, or an extension of that period. Any reasonable doubt as to feasibility will be resolved in the veteran's favor;
(2) When it is reasonably feasible for the veteran to achieve a vocational goal, an individualized written rehabilitation plan (IWRP) will be developed as indicated in § 21.84 of this part.
(Authority: 38 U.S.C. 3106(d))
(d) Responsibility for determining the need for a period of extended evaluation. A counseling psychologist in the Vocational Rehabilitation and Employment Division shall determine whether a period of extended evaluation is needed.
(Authority: 38 U.S.C. 3106(c))

§ 21.58 Redetermination of employment handicap and serious employment handicap.
(a) Prior to induction into a program. A determination as to employment handicap, serious employment handicap, or eligibility for a program of employment services will not be changed except for:
(1) Unmistakable error in fact or law; or
(2) New and material evidence which justifies a change.
(b) After induction into a program. (1) The Department of Veterans Affairs will not redetermine a finding of employment handicap, serious employment handicap, or eligibility for a program of employment services subsequent to the veteran's induction into a program because of a reduction in his or her disability rating, including a reduction to 0 percent:
(2) The Department of Veterans Affairs may consider whether a finding of employment handicap should be changed to serious employment handicap when there is an increase in the degree of service-connected disability, or other significant change in the veteran's situation;
(3) A redetermination of employment handicap, serious employment handicap, or eligibility for a program of employment services will be made when there is a clear and unmistakable error of fact or law.
(Authority: 38 U.S.C. 3102, 3106)
(c) Following rehabilitation or discontinuance. A veteran's eligibility and entitlement to assistance must be redetermined in any case in which:
(1) The veteran is determined to be rehabilitated to the point of employability under the provisions of § 21.190;
(2) The veteran is determined to meet the requirements for rehabilitation under the provisions of § 21.196; or
(3) The veteran's program is discontinued under the provisions of § 21.198, except as described in § 21.198(c)(3).

(38 U.S.C. 3102, 3111)

§ 21.59 Review and appeal of decisions on eligibility and entitlement.
A veteran may appeal decisions of the Vocational Rehabilitation and Employment staff on eligibility and entitlement to rehabilitation services to the Board of Veterans Appeals as provided in § 19.2 of Title 38, CFR. However, the veteran or an accredited representative, on his or her behalf, may request administrative review by Central Office prior to filing an appeal to BVA. A case already on appeal to BVA may not be referred to Central Office for administrative review or advisory opinion.

(38 U.S.C. 3107(c))

______________
§ 21.60 Vocational Rehabilitation Panel.

(a) Establishment of the Panel. A Vocational Rehabilitation Panel will be established at each field facility by the facility head. The purpose of the Panel is to provide technical assistance in the planning of rehabilitation programs for seriously disabled veterans and dependents. This purpose will be most effectively carried out through use of the services of a wide range of professionals to bring the resources of the Department of Veterans Affairs and the community to bear on problems presented in the individual case.

(b) Composition of the Panel. The Panel will include, but not be limited to the following:

(1) A counseling psychologist in the VR&E (Vocational Rehabilitation and Employment) Division as the chairperson;
(2) A vocational rehabilitation specialist in VR&E;
(3) A medical consultant from a Department of Veterans Affairs Medical Center;
(4) A member of the Social Services staff from a Department of Veterans Affairs Medical Center; and
(5) Other specialists from the Department of Veterans Affairs.

(c) Appointment to the Panel.

(1) The VR&E (Vocational Rehabilitation and Employment) Officer may not serve as either chairperson or member of the Panel.
(2) The VR&E Officer will arrange for the participation of nonmedical professional staff in the Panel's meetings.

(d) Scope of Panel review. The Panel will review each case which has been referred to it in relation to:

(1) Specific reason for the referral; and
(2) Other problem areas which the Panel identifies in the course of its consideration of the case.

(e) Referral. A case may be referred to the Panel by:

(1) A counseling psychologist in VR&E;
(2) A vocational rehabilitation specialist in VR&E; or
(3) The VR&E officer.

(f) Report. The Panel must prepare a report on its findings and recommendations in each case. The Panel's recommendations may include specific actions which are warranted on the basis of current information, or may identify additional information needed to provide a sounder basis for planning the veteran's program of rehabilitation.

[49 FR 40814, Oct. 18, 1984]

§ 21.62 Duties of the Vocational Rehabilitation Panel.
(a) Consultation requested. The panel shall provide technical and consultative services when requested by professional staff of the Vocational Rehabilitation and Employment (VR&E) Division to:
(1) Assist staff members in planning and carrying out a rehabilitation plan for seriously disabled veterans and their dependents; and
(2) Consider other cases of individuals eligible for, or being provided assistance under chapter 31 and other programs of education and training administered by the Department of Veterans Affairs.
(Authority: 38 U.S.C. 3104(a))
(b) Independent living services. The Panel has a key responsibility to assure that seriously disabled service-connected veterans who need independent living services to increase their independence in daily living are provided necessary services. In carrying out this responsibility the Panel shall review all cases which come before it to assure that the proposed program of vocational rehabilitation or independent living services includes those services necessary to enable the veteran to achieve the goals of the program.
(Authority: 38 U.S.C. 3100)
(c) Dependents. The specific duties of the Panel with respect to dependents are more fully described §§ 21.3300, 21.3301, 21.3304, 21.4105, and 21.4276 of this part.

DURATION OF REHABILITATION PROGRAMS

§ 21.70 Vocational rehabilitation.
§ 21.72 Rehabilitation to the point of employability.
§ 21.73 Duration of employment assistance programs.
§ 21.74 Extended evaluation.
§ 21.76 Independent living.
§ 21.78 Approving more than 48 months of rehabilitation.
§ 21.79 Determining entitlement usage under chapter 31.

§ 21.70 Vocational rehabilitation.

(a) General. The goal of a vocational rehabilitation program is to:
(1) Evaluate and improve the veteran's ability to achieve a vocational goal;
(2) Provide services needed to qualify for suitable employment;
(3) Enable the veteran to achieve maximum independence in daily living;
(4) Enable the veteran to become employed in a suitable occupation and to maintain suitable employment.

(b) Vocational rehabilitation program. This term includes:
(1) The services that are needed for the accomplishment of the purposes of Chapter 31, including such counseling, diagnostic, medical, social, psychological, independent living, economic, educational, vocational, and employment services as are determined by the Department of Veterans Affairs to be needed;
(i) In the case of a veteran for whom the achievement of a vocational goal has not been found to be currently infeasible such needed services include:
(A) Determining whether a vocational goal is reasonably feasible;
(B) Improving the veteran's potential to participate in a program of services designed to achieve a vocational goal;
(C) Enabling the veteran to achieve maximum independence in daily living;
(ii) In the case of a veteran for whom achievement of a vocational goal is feasible, such needed services include assisting the veteran to become, to the maximum extent feasible, employable and to obtain and maintain suitable employment;
(2) The term also includes the monetary assistance authorized by Chapter 31 for a veteran receiving any of the services described in this paragraph.

(Authority: 38 U.S.C. 3101(9); Pub. L. 99-576)

(c) Duration of vocational rehabilitation. Decisions on the duration of periods for attaining the goals named in paragraph (a) of this section are made in the course of development and approval of the Individualized Written Rehabilitation Plan. However, the duration of a vocational rehabilitation program may not exceed 48 months (or its equivalent when pursued on a part-time basis), except as provided in § 21.78.

(38 U.S.C. 3695, 3105)

§ 21.72 Rehabilitation to the point of employability.
(a) General. Rehabilitation to the point of employability may include the services needed to:
(1) Evaluate and improve the veteran's ability to undertake training;
(2) Train the veteran to the level generally recognized as necessary for entry into employment in a suitable occupational objective. Where a particular degree, diploma, or certificate is generally necessary for entry into the occupation, e.g., an MSW for social work, the veteran shall be trained to that level.
(Authority: 38 U.S.C. 3101(5), 3104)

(b) When duration of training may exceed general requirements -- (1) Employment handicap. If the amount of training necessary to qualify for employment in a particular occupation in a geographical area where a veteran lives or will seek employment exceeds the amount generally needed for employment in that occupation, the Department of Veterans Affairs will provide, or arrange for the necessary additional training.
(2) Serious employment handicap. The Department of Veterans Affairs will assist a veteran with a serious employment handicap to train to a higher level than is usually required to qualify in a particular occupation, when one of the following conditions exist:
(i) The veteran is preparing for a type of work in which he or she will be at a definite disadvantage in competing with nondisabled persons for jobs or business, and the additional training will help to offset the competitive disadvantage;
(ii) The number of feasible occupations are restricted, and additional training will enhance the veteran's employability in one of those occupations;
(iii) The number of employment opportunities within feasible occupations are restricted.
(Authority: 38 U.S.C. 3105(c))

(c) Responsibility for estimating duration of training. (1) The counseling psychologist shall estimate the duration of training and the estimate shall be incorporated in the IWRP (Individualized Written Rehabilitation Plan). When the period of training is estimated to exceed 48 months, the concurrence of the Vocational Rehabilitation and Employment Officer is required, prior to approving the IWRP, under conditions listed in § 21.78.
(2) The estimated duration of the period of training required to complete an original or amended IWRP may be extended when necessary. Authorization of an extension is the responsibility of the counseling psychologist, except as provided in paragraph (d) of this section. Any extension which will result in use of more than 48 months of entitlement must meet conditions described in § 21.78.
(Authority: 38 U.S.C. 3695(b))

(d) Extension of training by the vocational rehabilitation specialist. (1) The VRS (Vocational Rehabilitation Specialist) may authorize an extension of up to six months of the period of vocational rehabilitation training authorized by the IWRP when:
(i) The veteran is in rehabilitation to the point of employability status under § 21.190;
(ii) The veteran has completed more than half of the prescribed training;
(iii) The veteran is making satisfactory progress;
(iv) The extension is necessary to complete training;
(v) Training can be completed within six months; and
(vi) The extension will not result in use of more than 48 months of entitlement under Chapter 31 alone or in combination with other programs identified in § 21.4020.
(2) If the conditions listed in paragraph (d)(1) of this section are not met, and an extension is needed to complete the program, the case will be referred to the counseling psychologist for a determination.
(Authority: 38 U.S.C. 3105(c))

§ 21.73 Duration of employment assistance programs.
(a) Duration. Employment assistance may be provided to the veteran for the period necessary to enable the veteran to secure employment in a suitable occupation, and to adjust in the employment. This period shall not exceed 18 months. A veteran may be provided such assistance if he or she is eligible for employment assistance under the provisions of § 21.47 of this part.
(Authority: 38 U.S.C. 3105(b))
(b) Employment assistance not charged against Chapter 31 entitlement. The period of employment assistance provided in paragraph (a) of this section is not charged against the months of entitlement under Chapter 31 (see § 21.70).
(38 U.S.C. 3105(b))

§ 21.74 Extended evaluation.
(a) General. An extended evaluation may be authorized for the period necessary to determine whether the attainment of a vocational goal is currently reasonably feasible for the veteran. The services which may be provided during the period of extended evaluation are listed in § 21.57(b) of this part.
(Authority: 38 U.S.C. 3105(a), 3106(a))
(b) Duration. An extended evaluation may not be for less than two weeks (full or part-time equivalent) nor for more than twelve months, unless a longer period is necessary to determine whether achievement of a vocational goal is reasonably feasible.
(Authority: 38 U.S.C. 3105(a))
(c) Approval of the period of an extended evaluation. (1) The counseling psychologist may approve an initial period of up to 12 months for an extended evaluation.
(2) An additional period of extended evaluation of up to 6 months may be approved by the counseling psychologist, if there is reasonable certainty that the feasibility of achieving a vocational goal can be determined during the additional period. The counseling psychologist will obtain the concurrence of the Vocational Rehabilitation and Employment (VR&E) Officer before approving the extension of a period of extended evaluation.
(3) An extension beyond a total period of 18 months for additional periods of up to 6 months each may only be approved by the counseling psychologist if there is a substantial certainty that a determination of current feasibility may be made within this extended period. The concurrence of the VR&E Officer is also required for this extension.
(Authority: 38 U.S.C. 3105(a), 3106(b); Pub. L. 99-576)
§ 21.76 Independent living.
(a) General. A program of independent living services may be authorized to enable the veteran to:
(1) Reach the goals of the program, and
(2) Maintain the newly achieved level of independence in daily living.
(Authority: 38 U.S.C. 3101(4), 3104(b))
(b) Period of independent living services. The duration of an independent living services program may not exceed 24 months unless the counseling psychologist finds that an additional period of up to 6 months would enable the veteran to substantially increase his or her level of independence in daily living. The concurrence of the Vocational Counseling and Rehabilitation Officer in this finding is required.

§ 21.78 Approving more than 48 months of rehabilitation.
(a) General. Neither the basic period of entitlement which may be authorized for a program of rehabilitation under Chapter 31 alone, nor a combination of entitlement of Chapter 31 and other programs listed in § 21.4020 shall exceed 48 months except as indicated in paragraphs (b) and (c) of this section.
(Authority: 38 U.S.C. 3695)
(b) Employment handicap. A rehabilitation program for a veteran with an employment handicap may only be extended beyond 48 months when:
(1) The veteran previously completed training for a suitable occupation but the veteran's service-connected disability has worsened to the point that he or she is unable to perform the duties of the occupation for which training had been provided, and a period of training in the same or a different field is required. An extension beyond 48 months under Chapter 31 alone shall be authorized for this purpose.
(Authority: 38 U.S.C. 3105(c)(1)(A))
(2) The occupation in which the veteran previously completed training is found to be unsuitable because of the veteran's abilities and employment handicap. An extension beyond 48 months under Chapter 31 alone shall be approved for this purpose.
(Authority: 38 U.S.C. 3105(c)(1)(B))
(3) The veteran previously used education benefit entitlement under other programs administered by VA, and the additional period of assistance to be provided under Chapter 31 which the veteran needs to become employable will result in more than 48 months being used under all VA education programs, under these conditions the number of months necessary to complete the program may be authorized under Chapter 31, provided that the length of the extension will not result in authorization of more than 48 months under Chapter 31 alone.
(Authority: 38 U.S.C. 3695)
(4) A veteran in an approved Chapter 31 program has elected payment of benefits at the Chapter 30 educational assistance rate. The 48 month limitation may be exceeded only:
(i) To the extent that the entitlement in excess of 48 months does not exceed the entitlement previously used by the veteran in a course at the secondary school level under § 21.4235 before December 31, 1989, or
(ii) If the veteran is in a course on a term, quarter, or semester basis which began before the 36 month limitation on Chapter 30 entitlement was reached, and completion of the course will be possible by permitting the veteran to complete the training under Chapter 31.

(Authority: 38 U.S.C. 3013, 3695; Pub. L. 98-525)

(5) The assistance to be provided in excess of 48 months consists only of a period of employment assistance (see § 21.73).

(Authority: 38 U.S.C. 3105(b))

(c) Serious employment handicap. The duration of a rehabilitation program for a veteran with a serious employment handicap may be extended beyond 48 months under Chapter 31 for the number of months necessary to complete a rehabilitation program under the following conditions:

(1) To enable the veteran to complete a period of rehabilitation to the point of employability;

(2) To provide an extended evaluation in cases in which the total period needed for an extended evaluation and for rehabilitation to the point of employability would exceed 48 months;

(3) To provide a program of independent living services, including cases in which achievement of a vocational goal becomes feasible during or following a program of independent living services;

(4) Following rehabilitation to the point of employability:
   (i) The veteran has been unable to secure employment in the occupation for which training has been provided despite intensive efforts on the part of the Department of Veterans Affairs and the veteran, and a period of retraining or additional training is needed;
   (ii) The skills which the veteran developed in training for an occupation in which he or she was employed are no longer adequate to maintain employment in that field and a period of retraining is needed;
   (iii) The veteran's service-connected disability has worsened to the point that he or she is unable to perform the duties of the occupation for which the veteran has been trained, and a period of training in the same or different field is required;
   (iv) The occupation in which the veteran previously completed training is found to be unsuitable due to the veteran's abilities and employment handicap.

(5) The assistance to be provided in excess of 48 months consists, only of a period of employment assistance. (see § 21.73).

(Authority: 38 U.S.C. 3105(c)(2))

(d) Approval of extension beyond 48 months. All extensions of a rehabilitation program beyond 48 months of total entitlement under all Department of Veterans Affairs programs requires the approval of the counseling psychologist and concurrence of the Vocational Rehabilitation and Employment Officer. Concurrence of the VR&E officer is not required for an extension due to provision of employment assistance (see § 21.21).
§ 21.79 Determining entitlement usage under chapter 31.

(a) General. The determination of entitlement usage for chapter 31 participants is made under the provisions of this section except as provided in paragraph (f) of this section. Charges for entitlement usage shall be based upon the principle that a veteran who pursues a rehabilitation program for 1 day should be charged 1 day of entitlement. The determination of entitlement is based upon the rate at which the veteran pursues his or her rehabilitation program. The rate of pursuit is determined under the provisions of § 21.310 of this part.

(b) No charge against chapter 31 entitlement. No charge will be made against chapter 31 entitlement under any of the following circumstances:

(1) The veteran is receiving employment services under an Individualized Employment Assistance Plan (IEAP);

(2) The veteran is receiving an employment adjustment allowance; or

(3) The veteran is on leave from his or her program, but leave is not authorized by the Department of Veterans Affairs.

(c) Periods during which entitlement may be charged. Charges for usage of chapter 31 entitlement may only be made for program participants in one of the following case statuses:

(1) Rehabilitation to the point of employability;

(2) Extended evaluation; or

(3) Independent living.

(d) Method of charging entitlement under chapter 31. The Department of Veterans Affairs will make a charge against entitlement:

(1) On the basis of total elapsed time (1 day of entitlement for each day of pursuit) if the veteran is being provided a rehabilitation program on a full-time basis;

(2) On the basis of a proportionate rate of elapsed time if the veteran is being provided a rehabilitation program on a three-quarter, one-half or less than one-half time basis.

Entitlement is charged at a:

(i) Three-quarter time rate if pursuit is three-quarters or more, but less than full-time;

(ii) One-half time rate if pursuit is half-time or more, but less than three-quarter time;

(iii) One-quarter time rate if pursuit is less than half-time. Measurement of pursuit on a one-quarter time basis is limited to veterans in independent living or extended evaluation programs.

(e) Computing entitlement. (1) The computation of entitlement is based upon the rate of program pursuit, as determined under § 21.310 of this part, over the elapsed time during which training and rehabilitation services were furnished;

(2) The Department of Veterans Affairs will compute elapsed time from the commencing date of the rehabilitation program as determined under § 21.322 of this part to the date of
termination as determined under § 21.324 of this part. This includes the period during which veterans not receiving subsistence allowance because of a statutory bar; e.g., certain incarcerated veterans or servicepersons in a military hospital, nevertheless, received other chapter 31 services and assistance. Elapsed time includes the total period from the commencing date until the termination date, except for any period of unauthorized leave;

(3) If the veteran's rate of pursuit changes after the commencing date of the rehabilitation program, the Department of Veterans Affairs will:
(i) Separate the period of rehabilitation program services into the actual periods of time during which the veteran's rate of pursuit was different; and
(ii) Compute entitlement based on the rate of pursuit for each separate elapsed time period.

(Authority: 38 U.S.C. 3108(f))

(f) Special situations. (1) When a chapter 31 participant elects benefits of the kind provided under chapter 30 or chapter 34 as a part of his or her rehabilitation program under chapter 31, the veteran's entitlement usage will be determined by using the entitlement provisions of those programs. Entitlement charges shall be in accordance with § 21.7076 for chapter 30 and § 21.1045 under chapter 34. The entitlement usage computed under these provisions is deducted from the veteran's chapter 31 entitlement. No entitlement charges are made against either chapter 30 or chapter 34.

(Authority: 38 U.S.C. 3108(f))

(2) When a veteran is pursuing on-job training or work experience in a Federal agency on a nonpay or nominal pay basis, the amount of entitlement used is determined in the following manner:
(i) Entitlement used in on-job training in a Federal agency on a nonpay or nominal pay basis is determined in the same manner as other training.
(ii) Entitlement used in pursuing work experience will be computed in the same manner as for veterans in on-job training except that work experience may be pursued on a less than full-time basis. If the veteran is receiving work experience on a less than full-time basis, entitlement charges are based upon a proportionate amount of the workweek. For example, if the workweek is 40 hours, three-quarter time is at least 30 hours, but less than 40 hours, and half-time is at least 20 hours but less than 30 hours.

(Authority: 38 U.S.C. 3108(c))

(3) Entitlement is charged on a full-time basis for a veteran found to have a reduced work tolerance.

(Authority: 38 U.S.C. 3108(d), 3680(g))

(g) Overpayment. The Department of Veterans Affairs will make a charge against entitlement for an overpayment of subsistence allowance under the conditions described in § 21.1045(h) of this part.

§ 21.80 Requirement for a rehabilitation plan.
§ 21.82 Completing the plan under Chapter 31.
§ 21.84 Individualized written rehabilitation plan.
§ 21.86 Individualized extended evaluation plan.
§ 21.90 Individualized independent living plan.
§ 21.92 Preparation of the plan.
§ 21.94 Changing the plan.
§ 21.96 Review of the plan.
§ 21.98 Appeal of disagreement regarding development of, or change in, the plan.

§ 21.80 Requirement for a rehabilitation plan.
(a) General. An IWRP (Individualized Written Rehabilitation Plan) will be developed for each veteran eligible for rehabilitation services under Chapter 31. The plan is intended to assist in:
(1) Providing a structure which allows VR&E staff to translate the findings made in the course of the initial evaluation into specific rehabilitation goals and objectives;
(2) Monitoring the veteran's progress in achieving the rehabilitation goals established in the plan;
(3) Assuring the timeliness of assistance by Department of Veterans Affairs staff in providing services specified in the plan; and
(4) Evaluating the effectiveness of the planning and delivery of rehabilitation services by VR&E staff.
(b) When a plan is prepared. A plan will be prepared in each case in which a veteran will pursue:
(1) A vocational rehabilitation program, as that term is defined in § 21.35(i);
(2) An extended evaluation program;
(3) An independent living services program; or
(4) An employment program.
(Authority: 38 U.S.C. 3107(a))
(d) Plan not required. A plan will not be prepared for a veteran who is not eligible for any assistance under Chapter 31. Department of Veterans Affairs staff, with the veteran's assistance and cooperation, will utilize information developed in the course of an initial evaluation to assist the veteran to develop alternatives for education and training, independence in daily living, or employment assistance. This assistance should help the veteran in achieving attainable vocational, independent living and employment goals utilizing benefits and services for which the veteran may be eligible under other Department of Veterans Affairs or non-Department of Veterans Affairs programs.
(Authority: 38 U.S.C. 523, 7722(c))
§ 21.82 Completing the plan under Chapter 31.

(a) Serious employment handicap. Each plan for a veteran with a serious employment handicap shall provide for completion of the program provided by the plan under Chapter 31. The provisions of § 21.70 and § 21.78(c) are designed to enable a veteran with a serious employment handicap to pursue and complete a rehabilitation plan under Department of Veterans Affairs auspices. These provisions shall be used as necessary to accomplish the goals of the plan.

(Authority: 38 U.S.C. 3105(c), 3107)

(b) Employment handicap. A plan for a veteran with an employment handicap that is not a serious employment handicap shall require that the program be completed within 48 months, if the veteran is not eligible for an extension as provided in § 21.78. When the program provided by the plan cannot be completed under Chapter 31 because of limitations imposed by the veteran's termination date or months of remaining entitlement, realistic, comprehensive and detailed arrangements must be made which will enable the veteran to successfully complete training under other auspices. If an arrangement cannot be made which meets these requirements, the long-range vocational goal of the veteran must be reevaluated, and another vocational goal selected which can be completed using the veteran's remaining Chapter 31 resources.

(Authority: 38 U.S.C. 3107(a))

(c) Employment assistance when training is not completed under Chapter 31. A plan for employment assistance may be implemented even though the veteran's training has not been or will not be completed under Chapter 31.

(38 U.S.C. 3117(a))

§ 21.84 Individualized written rehabilitation plan.

(a) Purpose. The purposes of the IWRP (Individualized Written Rehabilitation Plan) are to:

(1) Identify goals and objectives to be achieved by the veteran during the period of rehabilitation services that will lead to the point of employability;

(2) Plan for placement of the veteran in the occupational field for which training and other services will be provided; and

(3) Specify the key services needed by the veteran to achieve the goals and objectives of the plan.

(Authority: 38 U.S.C. 3107)

(b) Elements of the plan. A plan will include the following:

(1) A statement of long-range rehabilitation goals. Each statement of long-range goals shall include at a minimum:

(i) One vocational goal for a veteran with an employment handicap; or

(ii) One vocational goal and, if applicable, one independent living goal for a veteran with a serious employment handicap.

(2) Intermediate rehabilitation objectives; Intermediate objectives are statements of achievement expected of the veteran to attain the long-range goal. The development of
appropriate intermediate objectives is the cornerstone of an effective plan. Intermediate objectives should have the following characteristics:

(i) The activity specified relates to the achievement of the goal;
(ii) The activity specified is definable in terms of observable behavior (e.g., pursuing an A.A. degree);
(iii) The activity has a projected completion date;
(iv) The outcome desired upon completion is measurable (e.g., receiving an A.A. degree).

3 The specific services to be provided by the Department of Veterans Affairs as stated. Counseling shall be included in all plans for a veteran with a serious employment handicap.

4 The projected starting and completion dates of the planned services and the duration of each service;

5 Objective criteria and an evaluation procedure and schedule for determining whether the objectives and goals are being achieved as set forth; and

6 The name, location, and phone number of the VBA case manager.

(38 U.S.C. 3107(a))

§ 21.86 Individualized extended evaluation plan.

(a) Purpose. The purpose of an IEEP is to identify the services needed for the VA to determine the veteran's current ability to achieve a vocational goal when this cannot reasonably be determined during the initial evaluation.

(Authority: 38 U.S.C. 3106(a), 3107(a))

(b) Elements of the plan. An IEEP shall include the same elements as an IWRP except that:

(1) The long range goal shall be to determine achievement of a vocational goal is currently reasonably feasible;

(2) The intermediate objectives relate to problems of questions which must be resolved for the VA to determine the current reasonable feasibility of achieving a vocational goal.

(Authority: 38 U.S.C. 3106(a), 3107(a))

(a) Purpose. The purpose of the IEAP (Individualized Employment Assistance Plan) is to assure that a comprehensive, thoughtful approach is taken, enabling eligible veterans to secure suitable employment.

(Authority: 38 U.S.C. 3107)

(b) Requirement for a plan. An IEAP will be prepared:

(1) As part of an IWRP; or

(2) When the veteran is eligible for employment assistance under provisions of § 21.47.

(Authority: 38 U.S.C. 3107(a))

(c) Elements of the plan. The IEAP shall follow the same structure as the IWRP. Each IEAP will include full utilization of community resources to enable the veteran to:

(1) Secure employment; and

(2) Maintain employment.
(d) Preparation of the IEAP. Preparation of the IEAP will be completed:
(1) No later than 60 days before the projected end of the period of rehabilitation services
leading to the point of employability; or
(2) Following initial evaluation when employment services constitute the whole of the
veteran's program under provisions of § 21.47.

(38 U.S.C. 3107(a))

§ 21.90 Individualized independent living plan.
(a) Purpose. The purpose of the IILP is to identify the steps through which a veteran,
whose disabilities are so severe that a vocational goal is not currently reasonably feasible,
can become more independent in daily living within the family and community.
(Authority: 38 U.S.C. 3109, 3120)
(b) Elements of the plan. The IILP shall follow the same structure as the IWRP. The plan
will include:
(1) Services which may be provided under Chapter 31 to achieve independence in daily
living;
(Authority: 38 U.S.C. 3104)
(2) Utilization of programs with a demonstrated capacity to provide independent living
services for severely handicapped persons;
(Authority: 38 U.S.C. 3104(b), 3120(a))
(3) Services provided under other Department of Veterans Affairs and non-Department of
Veterans Affairs programs needed to achieve the goals of the plan;
(Authority: 38 U.S.C. 3107)
(4) Arrangements for maintaining the improved level of independence following
completion of the plan.

17708, Apr. 11, 1997]

§ 21.92 Preparation of the plan.
(a) General. The plan will be jointly developed by Department of Veterans Affairs staff
and the veteran.
(b) Approval of the plan. The terms and conditions of the plan must be approved and
agreed to by the counseling psychologist, the vocational rehabilitation specialist, and the
veteran.
(c) Implementation of the plan. The vocational rehabilitation specialist or counseling
psychologist designated as case manager has the primary role in carrying out Department
of Veterans Affairs responsibility for implementation of the plan.
(d) Responsible staff. The counseling psychologist has the primary responsibility for the
preparation of plans.

(38 U.S.C. 3107(a))
§ 21.94 Changing the plan.
(a) General. The veteran, the counseling psychologist or the vocational rehabilitation specialist may request a change in the plan at any time.
(Authority: 38 U.S.C. 3107(b))
(b) Long-range goals. A change in the statement of a long-range goal may only be made following a reevaluation of the veteran's rehabilitation program by the counseling psychologist. A change may be made when:
(1) Achievement of the current goal(s) is no longer reasonably feasible; or
(2) The veteran's circumstances have changed or new information has been developed which makes rehabilitation more likely if a different long-range goal is established; and
(3) The veteran fully participates and concurs in the change.
(Authority: 38 U.S.C. 3107(b))
(c) Intermediate objectives or services. A change in intermediate objectives or services provided under the plan may be made by the case manager when such change is necessary to carry out the statement of long-range goals. The veteran must concur in the change.
(Authority: 38 U.S.C. 3107(b))
(d) Minor changes. Minor changes in the plan (e.g., changing the date of a scheduled evaluation) by the case manager may be made without the participation and concurrence of the veteran.
(Authority: 38 U.S.C. 3107(b))
(e) Changes in duration of the plan. Any change in the total duration of a veteran's rehabilitation plan is subject to provisions on duration of a rehabilitation program described in §§ 21.70-21.78.
(Authority: 38 U.S.C. 3107(b))

§ 21.96 Review of the plan.
(a) General. The veteran's progress in reaching the goals of the plan will be reviewed and evaluated as scheduled in the plan by the case manager and the veteran.
(b) Comprehensive review required. The case manager and the veteran will review all of the terms of the plan and the veteran's progress at least every twelve months. On the basis of such review the veteran and the case manager will agree whether the plan should be:
(1) Retained in its current form;
(2) Amended; or
(3) Redeveloped.

(38 U.S.C. 3107(b))

§ 21.98 Appeal of disagreement regarding development of, or change in, the plan.
(a) General. The veteran may request a review of a proposed, original, or amended plan when Department of Veterans Affairs staff and the veteran do not reach agreement on the terms and conditions of the plan. A veteran who requests a review of the plan must submit a written statement to the case manager which:
(1) Requests a review of the proposed, original, or amended plan; and
(2) Details his or her objections to the terms and conditions of the proposed, original, or amended plan.
(b) Review by Vocational Rehabilitation and Employment Officer. Upon receipt of the veteran's request for review of the plan, the counseling psychologist or the case manager will forward the request together with relevant comment to the VR&E Officer who will:
(1) Review relevant information; and
(2) Inform the veteran of his or her decision within 90 days.
(c) Review by Director, Vocational Rehabilitation and Employment Service. The veteran's request shall be reviewed by the Director, VR&E in any case in which the VR&E Officer is the case manager. The veteran will be informed of the decision within 90 days.
(d) Appeal to the Board of Veterans Appeals. The veteran may appeal an adverse decision of the VR&E Officer, or the Director, VR&E to the Board of Veterans Appeals. (Authority: 38 U.S.C. 3107(c))
§ 21.100 Counseling.

(a) General. A veteran requesting or being furnished assistance under Chapter 31 shall be provided professional counseling services by Vocational Rehabilitation and Employment (VR&E) Service and other staff as necessary to:
(1) Carry out an initial evaluation in each case in which assistance is requested;
(2) Develop a rehabilitation plan or plan for employment services in each case in which the veteran is found during the initial evaluation to be eligible and entitled to services;
(3) Assist veterans found ineligible for services under Chapter 31 to the extent provided in § 21.82; and
(4) Try to overcome problems which arise during the course of the veteran's rehabilitation program or program of employment services.

(b) Types of counseling services. VA will furnish comprehensive counseling services, including but not limited to
(1) Psychological;
(2) Vocational;
(3) Personal adjustment;
(4) Employment;
(5) Educational.

(c) Qualifications. Counseling services may only be furnished by VA or other personnel who meet requirements established under provisions of § 21.380 and other policies of the VA pertaining to the qualifications of staff providing assistance under Chapter 31.

(d) Limitations. (1) If a veteran resides within a State, counseling services necessary to carry out the initial evaluation and the development of a rehabilitation plan or a program of employment services will be furnished by counseling psychologists in the Vocational Rehabilitation and Employment (VR&E) Division;
(2) If a veteran does not reside in a State the counseling services necessary to carry out an initial evaluation may be accomplished in the same manner as for a veteran residing in a State or through other arrangements when deemed appropriate by the VR&E Division. These alternative arrangements include, but are not limited to:
(i) Use of counseling centers or individual qualified professionals under contract to VA; and
(ii) Professional staff of other Federal agencies located in the area in which the veteran resides.
(3) Alternative arrangements to provide counseling are subject to the following requirements:
(i) All arrangements must be consistent with the provisions of paragraph (c) of this section regarding utilization of professionally qualified persons to provide counseling services during the initial evaluation;
(ii) All determinations of eligibility, entitlement and the development of a rehabilitation plan will continue to be made by counseling psychologists in the VR&E Division.

(4) If a counseling psychologist in the VR&E Division determines that the evidence of record is insufficient to carry out an initial evaluation in a case in which alternative arrangements were used, VA staff may authorize the veteran to travel to a VA facility to complete the evaluation.

(Authority: 38 U.S.C. 3118(c))

(e) Definition. For the purposes of this section, the term State means each of the several States, the District of Columbia, and the Commonwealth of Puerto Rico.

§ 21.130 Education and vocational courses outside the United States.
§ 21.132 Repetition of the course.
§ 21.134 Limitation on flight training.

§ 21.120 Educational and vocational training services.
(a) Purposes. The purposes of providing educational and vocational training services are to enable a veteran eligible for, and entitled to, services and assistance under Chapter 31 to:
(1) Meet the requirements for employment in the occupational objective established in the IWRP (Individualized Written Rehabilitation Plan);
(2) Provide incidental training which is necessary to achieve the employment objective in the IEAP (Individualized Employment Assistance Plan);
(3) Provide incidental training needed to achieve the goals of an IILP (Individualized Independent Living Plan); or
(4) Provide training services necessary to implement an IEEP (Individualized Extended Evaluation Plan).
(b) Selection of courses. VA will generally select courses of study and training, completion of which usually results in a diploma, certificate, degree, qualification for licensure, or employment. If such courses are not available in the area in which the veteran resides, or if they are available but not accessible to the veteran, other arrangements may be made. Such arrangements may include, but are not limited to:
(1) Relocation of the veteran to another area in which necessary services are available, or
(2) Use of an individual instructor to provide necessary training.
(Authority: 38 U.S.C. 3107)
(c) Charges for education and training services. The cost of education and training services will be one of the factors considered in selecting a facility when:
(1) There is more than one facility in the area in which the veteran resides which:
   (i) Meets requirements for approval under §§ 21.292 through 21.298;
   (ii) Can provide the education and training services, and other supportive services specified in the veteran's plan; and
   (iii) Is within reasonable commuting distance; or
(2) The veteran wishes to train at a suitable facility in another area, even though training can be provided at a suitable facility in the area in which the veteran resides.
(Authority: 38 U.S.C. 3104(a)(7), 3115(a))
§ 21.122 School course.
(a) Explanation of terms -- schools, educational institution, and institution. These terms mean any public or private school, secondary school, vocational school, correspondence school, business school, junior college, teacher's college, college, normal school, professional school, university, scientific or technical institution, or other institution furnishing education for adults.
(Authority: 38 U.S.C. 501(a), 3104)
(b) Course. A course generally consists of a number of areas of subject matter which are organized into learning units for the purpose of attaining a specific educational or vocational objective. Organized instruction in the units comprising the course is offered within a given period of time and credit toward graduation or certification is generally given.
(Authority: 38 U.S.C 3104(a)(7))
(c) School course. A school course is a course as defined in paragraph (b) of this section offered by a facility identified in paragraph (a) of this section.
(Authority: 38 U.S.C. 3115)

(a) Training establishment. This term means any establishment providing apprentice or other training on the job, including those under the supervision of a college or university or any State department of education, or any state apprenticeship agency, or any State board of vocational education, or any joint apprenticeship committee, or the Bureau of Apprenticeship and Training established in accordance with 29 U.S.C. Chapter 4C, or any agency of the Federal government authorized to supervise such training.
(b) On-job course. An on-job course is pursued toward a specified vocational objective, provided by a training establishment. The trainee learns, in the course of work performed under supervision, primarily by receiving formal instruction, observing practical demonstration of work tasks, and assisting in those tasks. Productive work should gradually increase with greater independence from formal instruction as the course progresses.
(Authority: 38 U.S.C. 501(a), 3104)

§ 21.124 Combination course.
(a) General. A combination course is a course which combines training on the job with training in school. For the purpose of VA vocational rehabilitation, a course will be considered to be a combination course, if the student spends full-time on the job and one or more times a week also attends school on a part-tme basis. A veteran may pursue the components of a combination course in the following manner:
(1) Concurrent school and on-job training;
(2) Primarily on-job with some related instruction in school;
(3) In a school as a preparatory course to entering on-job training; or
(4) First training on-job followed by the school portion.
(b) Cooperative course. A cooperative course is a special type of combination course which usually:
(1) Has an objective which the student attains primarily through school instruction with the on-job portion being supplemental to the school course;
(2) Is at the college or junior college level although some cooperative courses are offered at post-secondary schools which do not offer a college degree or at secondary schools;
(3) Requires the student to devote at least one-half of the total training period to the school portion of the course; and
(4) Includes relatively long periods each of training on the job and in school such as a full term in school followed by a full term on the job.

§ 21.126 Farm cooperative course.
(a) Definition. An approvable farm cooperative course is a full-time course designated to restore employability by training a veteran to:
(1) Operate a farm which he or she owns or leases; or
(2) Manage a farm as the employee of another.
(b) Reaching the goal of a farm cooperative course. The farm cooperative course must enable a veteran to become proficient in the type of farming for which he or she is being provided rehabilitation services. The areas in which proficiency is to be established include:
(1) Planning;
(2) Producing;
(3) Marketing;
(4) Maintaining farm equipment;
(5) Conserving farm resources;
(6) Financing the farm;
(7) Managing the farm; and
(8) Keeping farm and home accounts.
(c) Instruction, including organized group instruction. Instruction in a farm cooperative course may be by a mixture of organized group (classroom) instruction and individual instruction or by individual instruction alone. A course which includes organized group instruction must meet the following criteria to be considered as full-time:
(1) The number of clock hours of instruction which should be provided yearly shall meet the requirements of § 21.310(a)(4) and § 21.4264 pertaining to full-time pursuit of a farm cooperative course:
(2) The individual instructor portion of a farm cooperative course shall include at least 100 hours of individual instruction per year.
(d) Instruction given solely by an individual instructor. (1) Instruction in a farm cooperative course may be given solely by an individual instructor if organized group instruction is:
(i) Not available within reasonable commuting distance of the veteran's farm; or
(ii) The major portion of the organized group instruction that is available does not have a direct relation to the veteran's farming operation and pertinent VA records are fully and clearly documented accordingly.
(2) To be considered full-time pursuit the individual instruction provided in these course must:
(i) Consist of at least 200 hours of instruction per year;
(ii) Be given by a fully qualified individual instructor by contract between VA and the instructor or an educational agency which employs the instructor.
(e) Plan requirements for farm operator or farm manager. (1) The plan for training developed by the case manager and the veteran in collaboration with the instructor must include:
(i) A complete written survey including but not limited to the areas identified in § 21.298 (a) and (b);
(ii) An overall, long-term plan based upon the survey of the operation of the farm;
(iii) An annual plan identifying the part of the overall plan to be implemented which will be prepared before the beginning of each crop year; and
(iv) A detailed individual training program showing the kind and amount of instruction, classroom and individual, or individual; and
(2) The farm must meet the requirements for selecting a farm found in § 21.298.

§ 21.128 Independent study course.
A veteran may pursue a course by independent study under the following conditions:
(a) College level. The course is offered by a college or university.
(b) College degree. The course leads to or is fully creditable towards a standard college degree.
(c) Course content. The course consists of a prescribed program of study with provision for interaction between the student and regularly employed faculty of the university or college by mail, telephone, personally, or class attendance.
(d) School responsibility. The university or college:
(1) Evaluates the course in semester or quarter hours or the equivalent; and
(2) Prescribes a period for completion.
[49 FR 40814, Oct. 18, 1984]

§ 21.129 Home study course.
(a) Definition. A home study course is a course conducted by mail, consisting of a series of written lesson assignments furnished by a school to the student for study and preparation of written answers, solutions to problems, and work projects which are corrected and graded by the school and returned to the trainee.
(b) Limitations on inclusion of home study courses, in rehabilitation plans. A veteran and his or her case manager may include a home study course in a rehabilitation plan only when it supplements the major part of the program. The purpose of the home study course is to provide the veteran with theory or technical information directly related to the practice of the occupation for which the veteran is training.
[49 FR 40814, Oct. 18, 1984]
§ 21.130 Education and vocational courses outside the United States.
(a) General. VA may provide educational and vocational courses outside a State if the case manager determines that such training is in the best interest of the veteran and the Federal Government.
(b) Specific conditions. (1) The training must be necessary to enable the veteran to qualify for, obtain, and retain suitable employment in the occupational objective; and (2) Either: (i) The training is not available in the United States; or (ii) The training is available in the United States, but personal hardship would result from requiring that the veteran pursue training in this country; and
(3) All necessary supportive and follow-up services, including medical care and treatment and employment services, reasonably can be provided by or through VA, considering such factors as the availability, accessibility and cost of such services.
[49 FR 40814, Oct. 18, 1984, as amended at 55 FR 27822, July 6, 1990]

§ 21.132 Repetition of the course.
(a) Repeating all or part of the course. A veteran, having completed a course under Chapter 31 according to the standards and practices of the institution, ordinarily will not pursue it again at the expense of VA. However, VA may approve repetition of all, or any part of the course when VA determines that the repetition is necessary to accomplish the veteran's vocational rehabilitation. A veteran repeating a course under Chapter 31 is subject to the same requirements for satisfactory pursuit and completion of the course as are other veterans taking the course unless a longer period is needed because of the veteran's reduced work tolerance.
(Authority: 38 U.S.C. 3104(a)(7))
(b) Review course. A veteran who has completed a course of training under Chapter 31 may pursue a review course, such as a bar review course, if it is specifically organized and conducted as a review course.
(Authority: 38 U.S.C. 3104(a)(7))
(c) Auditing a subject. Auditing, as defined in § 21.4200(i), may not be authorized as a part of any rehabilitation plan. However, if an individual repeats a course under the conditions described in paragraph (a) of this section, the course shall not be considered an audited course, if pursued in the same manner as a subject offered for credit. The individual must meet the same requirements as other students, and not be a mere listener.

§ 21.134 Limitation on flight training.
Flight Training approved under chapter 31 may only be authorized in degree curriculums in the field of aviation that include required flight training. This type of training is otherwise subject to the same limitations as are applicable to flight training under Chapter 30.

§ 21.140 Evaluation and improvement of rehabilitation potential.
§ 21.142 Adult basic education.
§ 21.144 Vocational course in a sheltered workshop or rehabilitation facility.
§ 21.146 Independent instructor course.
§ 21.148 Tutorial assistance.
§ 21.150 Reader service.
§ 21.152 Interpreter service for the hearing impaired.
§ 21.154 Special transportation assistance.
§ 21.155 Services to a veteran's family.
§ 21.156 Other incidental goods and services.

§ 21.140 Evaluation and improvement of rehabilitation potential.

(a) General. The purposes of these services are to:
(1) Evaluate if the veteran:
   (i) Has an employment handicap;
   (ii) Has a serious employment handicap; and
   (iii) Is reasonably feasible for a vocational goal or an independent living goal.
(2) Provide a basis for planning:
   (i) A program of services and assistance to improve the veteran's potential for vocational rehabilitation or independent living;
   (ii) A suitable vocational rehabilitation program; or
   (iii) A suitable independent living program.
(3) Reevaluate the vocational rehabilitation or independent living potential of a veteran participating in a rehabilitation program under Chapter 31, as necessary.
(4) Enable a veteran to achieve:
   (i) A vocational goal; or
   (ii) An independent living goal.

(b) Periods during which evaluation and improvement services may be provided.
Evaluation and improvement services may be provided concurrently, whenever necessary, with a period of rehabilitation services, including:
(1) Initial evaluation or reevaluation;
(2) Extended evaluation:
(3) Rehabilitation to the point of employability:
(4) A program of independent living services: or
(5) Employment services, incidental to obtaining or maintaining employment.

(c) Duration of full-time assistance. If evaluation and improvement services are furnished on a full-time basis as a preliminary part of the period of rehabilitation to the point of employability, or as the vocational rehabilitation program, the duration of such assistance may not exceed 12 months, except as provided in § 21.74(c).

(d) Scope of services. Evaluation and improvement services include:
(1) Diagnostic services;
(2) Personal and work adjustment training;
(3) Medical care and treatment;
(4) Independent living services;
(5) Language training, speech and voice correction, training in ambulation, and one-hand typewriting;
(6) Orientation, adjustment, mobility and related services; and
(7) Other appropriate services.
(Authority: 38 U.S.C. 3104(a)(1), (6), (9), (10), (15))

§ 21.142 Adult basic education.
(a) Definition. The term adult basic education means an instructional program for the undereducated adult planned around those basic and specific skills most needed to help him or her to function adequately in society.
(b) Purposes. The purposes of providing adult basic education are to:
(1) Upgrade a veteran's basic educational skills;
(2) Provide refresher training; or
(3) Remedy deficiencies which prevent the veteran from undertaking a course of education or vocational training.
(c) Periods during which basic adult education may be provided. Basic adult education may be authorized, as necessary, during:
(1) Rehabilitation to the point of employability;
(2) Extended evaluation; and
(3) Independent living services.

§ 21.144 Vocational course in a sheltered workshop or rehabilitation facility.
(a) General. A vocational course in a sheltered workshop or rehabilitation facility may be an institutional, on-job, or combination course which has been modified to facilitate successful pursuit by a person with a disability that would otherwise prevent or impair the person's participation in the course.
(b) Authorization. A vocational course in a sheltered workshop or rehabilitation facility may be authorized when the training offered is a sound method of restoring a veteran's employability.

§ 21.146 Independent instructor course.
(a) Definition. An independent instructor course is a full-time course of vocational training which the veteran pursues with an individual instructor, who, independently of a training institution or on-job training establishment, furnishes and conducts a vocational course at a suitable place of training.
(b) Limitations on including an independent instructor course in a rehabilitation plan. A veteran and his or her case manager may include an independent instructor course in a
rehabilitation plan, other than one involving a farm cooperative program, only when either or both of the following conditions exist:
(1) Training is not available through an established school, on-job training establishment, rehabilitation facility or sheltered workshop within a reasonable commuting distance from the veteran's home; or
(2) The veteran's condition or other circumstances do not permit the veteran to attend an otherwise suitable facility within commuting distance. See § 21.126.

(c) Training in the home. Training in the home is a specialized type of independent instructor course which the veteran pursues in his or her home if:
(1) He or she is unable to pursue training at an otherwise suitable facility because of the effects of his or her disability;
(2) Based on proper medical opinion, the veteran is able to pursue the prescribed training; and
(3) The veteran's home provides a favorable educational environment with adequate work and study space.

d) Planning an individual instructor course. The case manager, the veteran, and the instructor should jointly plan the training program for a veteran for whom an independent instructor course is prescribed.

e) Assuring employment. Since the customary channels leading to employment may not be readily available to a veteran requiring an individual instructor course, the IEAP (Individual Employment Assistance Plan) shall indicate thorough consideration of plans and prospects for seeking and obtaining employment, including self-employment, upon completion of training.

(f) Rate of pursuit. A veteran in an independent instructor program shall pursue training at a rate comparable to the rate at which similar training is pursued on an institutional basis, unless the veteran's work tolerance is reduced by the effects of his or her disability.

[49 FR 40814, Oct. 18, 1984]

(38 U.S.C. 3104(a)(7))

§ 21.148 Tutorial assistance.

(a) General. A veteran may be provided individualized tutorial assistance, if VA determines that special assistance beyond that ordinarily given by the facility to students pursuing the same or a similar subject is needed to correct a deficiency in a subject.

(b) Authorization of tutorial assistance. Tutorial assistance may be provided during any period of rehabilitation services authorized by VA.

(Authority: 38 U.S.C. 3104(a)(7))

(c) Use of relatives precluded. Tutorial assistance at VA expense may not be provided by a relative of the veteran. The term relative has the same meaning as under § 21.374 pertaining to the use of a relative as an attendant.

(Authority: 38 U.S.C. 3492)

(d) Payment at the Chapter 30 rate. If a veteran has elected payment at the educational assistance rate payable under Chapter 30, he or she may not be provided individualized tutorial assistance under provision of Chapter 31. (See § 21.334.)

(Authority: 38 U.S.C. 3108(f))
§ 21.150 Reader service.

(a) Limitations on vision. A veteran considered to have a visual impairment necessitating reader service includes a veteran:
(1) Whose best corrected vision is 20/200 in both eyes;
(2) Whose central vision is greater than 20/200 but whose field of vision is limited to such an extent that the widest diameter of a visual field subtends to an angle no greater than 20 degrees; or
(3) With impaired vision, whose condition or prognosis indicates that the residual sight will be adversely affected by the use of his or her eyes for reading.

(b) Periods during which reader service may be provided. Reader service necessary to the development of a rehabilitation plan, or the successful pursuit of a rehabilitation program may be provided during:
(1) Initial evaluation or reevaluation;
(2) Extended evaluation;
(3) Rehabilitation to the point of employability;
(4) Independent living services; or
(5) Employment services, including an initial employment period of up to three months.

(c) Reader responsibility. The reader should be able to do more than read to the veteran. The reader should have an understanding of the subject matter based upon prior training or experience which allows him or her to:
(1) Read printed material with understanding; and
(2) Test the veteran's understanding of what has been read.

(d) Extent of service. The number of hours of service will be determined in each case by the amount of reading necessitated by the course and the efficacy of other equipment with which the veteran has been furnished to enable him or her to read printed material unassisted.

(e) Recording. VA will not normally pay for recording textbooks or other materials as a part of reader services, since excellent recording services are provided by volunteer organizations at no cost.

(f) Selecting a relative as a reader. Utilization of a relative of the veteran as a reader is subject to the limitations on use of a relative as an attendant under § 21.374.

§ 21.152 Interpreter service for the hearing impaired.

(a) General. The main purpose of interpreter service for the hearing impaired is to facilitate instructor-student communication. VA will provide interpreter service as necessary for the development and pursuit of a rehabilitation program. This service will be provided if:
(1) A VA physician determines that:
   (i) The veteran is deaf or his or her hearing is severely impaired; and
(ii) All appropriate services and aids have been furnished to improve the veteran's residual hearing; or

(2) A VA physician determines that the veteran:
   (i) Can benefit from language and speech training; and
   (ii) Agrees to undertake language and speech training.

(b) Periods during which interpreter service may be provided. Interpreter service may be furnished during:
   (1) Initial evaluation or reevaluation;
   (2) Extended evaluation;
   (3) Rehabilitation to the point of employability;
   (4) Independent living services; or
   (5) Employment services, including the first three months of employment.

(c) Selecting the interpreter. Only certified interpreters or persons meeting generally accepted standards for interpreters shall provide interpreter service. When an individual is not certified by a State or professional association, VA shall seek the assistance of a State certifying agency or a professional association in ascertaining whether the individual is qualified to serve as an interpreter.

   (Authority: 36 U.S.C. 3104(a)(14))

(d) Relatives. Interpreter service at VA expense may not be provided by a relative of the veteran. The term relative has the same meaning as under § 21.374 pertaining to the use of relatives as attendants.

   [49 FR 40814, Oct. 18, 1984]

(38 U.S.C. 3104(a)(14))

§ 21.154 Special transportation assistance.

(a) General. A veteran, who because of the effects of disability has transportation expenses in addition to those incurred by persons not so disabled, shall be provided a transportation allowance to defray such additional expenses. The assistance provided in this section is in addition to provisions for interregional and intraregional travel which may be authorized under provisions of §§ 21.370 through 21.376.

   (Authority: 38 U.S.C. 3104(a)(13))

(b) Periods during which special transportation allowance may be provided. A special transportation allowance may be provided during:
   (1) Extended evaluation;
   (2) Rehabilitation to the point of employability;
   (3) Independent living services; or
   (4) Employment services, including the first three months of employment.

   (Authority: 38 U.S.C. 3104(a)(14))

(c) Scope of transportation assistance. (1) Transportation assistance includes mileage, parking fees, reasonable fee for a driver, transportation furnished by a rehabilitation facility or sheltered workshop, and other reasonable expenses which may be incurred in local travel;

   (2) The veteran's monthly transportation allowance may not exceed the lesser of actual expenses incurred or one-half of the subsistence allowance of a single veteran in full-time institutional training, unless extraordinary arrangements, such as transportation by ambulance, are necessary to enable a veteran to pursue a rehabilitation program.
(d) Determining the need for a transportation allowance. The case manager will determine the need for a transportation allowance. The assistance of a medical consultant shall be utilized, as necessary, to determine the need for special transportation assistance and to develop transportation arrangements which do not unduly tax the veteran's ability to travel and pursue a rehabilitation program.

(e) Use of a relative precluded. A relative of the veteran may not be paid any part of a special transportation allowance. The term relative has the same meaning as under § 21.374 pertaining to the use of a relative as an attendant.

[49 FR 40814, Oct. 18, 1984]

(38 U.S.C. 3104(a)(13))

§ 21.155 Services to a veteran's family.

(a) General. VA shall provide services to a veteran's family which are necessary to the implementation of the veteran's rehabilitation plan. The term family includes the veteran's immediate family, legal guardian, or any individual in whose home the veteran certifies an intention to live.

(b) Scope of services to a veteran's family. The services which may be furnished to the family are generally limited to consultation, homecare training, counseling, and mental health services of brief duration which are designed to enable the family to cope with the veteran's needs. Extended medical, psychiatric or other services may not be furnished to family members under these provisions.

(c) Providing services to a veteran's family. VR&E Staff will:

(1) Identify services which family members may need to facilitate the rehabilitation of the veteran; and

(2) Arrange for provision of the services which have been identified.

(d) Resources for provision of services to family members. (1) The established program and services which are furnished by Veterans Health Administration (VHA) to family members of veterans eligible for Chapter 31 should be used to the extent practicable; but

(2) If services are not readily available through regular VHA programs, necessary services will normally be secured through arrangements with other public and nonprofit agencies.

(Authority: 38 U.S.C. 3104(a)(11))

§ 21.156 Other incidental goods and services.

(a) General. Other incidental goods and services may be authorized if the case manager determines them to be necessary to implement the veteran's rehabilitation plan. For example, a calculator may be authorized for a veteran pursuing an engineering degree, even though the veteran may not be required to have a calculator for any specific subject in his or her course, where there is substantial evidence that lack of a calculator places the veteran at a distinct disadvantage in successfully pursuing the course.

(b) Limitation on cost. The costs of incidental goods and services normally should not exceed five percent of training costs for any twelve-month period.

(38 U.S.C. 3104(a)(10))
INDEPENDENT LIVING SERVICES

§ 21.160 Independent living services.
§ 21.162 Participation in a program of independent living services.

§ 21.160 Independent living services.
(a) Purpose. The purpose of independent living services is to assist eligible veterans whose ability to function independently in family, community, or employment is so limited by the severity of disability (service and nonservice-connected) that vocational or rehabilitation services need to be appreciably more extensive than for less disabled veterans.
(Authority: 38 U.S.C. 3104(a)(15), 3109, 3120)
(b) Definitions. The term independence in daily living means the ability of a veteran, without the services of others or with a reduced level of the services of others, to live and function within the veteran's family and community.
(Authority: 38 U.S.C. 3101(2))
(c) Situations under which independent living services may be furnished. Independent living services may be furnished:
(1) As part of a program to achieve rehabilitation to the point of employability;
(2) As part of an extended evaluation to determine the current reasonable feasibility of achieving a vocational goal;
(3) Incidental to a program of employment services; or
(4) As a program of rehabilitation services for eligible veterans for whom achievement of a vocational goal is not currently reasonably feasible. This program of rehabilitation services may be furnished to help the veteran:
(i) Function more independently in the family and community without the assistance of others or a reduced level of the assistance of others;
(ii) Become reasonably feasible for a vocational rehabilitation program; or
(iii) Become reasonably feasible for extended evaluation.
(Authority: 38 U.S.C. 3104(a)(15), 3109, 3120)
(d) Services which may be authorized. The services which may be authorized as part of an IILP (Individualized Independent Living Plan) include:
(1) Any appropriate service which may be authorized for a vocational rehabilitation program as that term is defined in § 21.35(i), except for a course of education or training as described in § 21.120; and
(2) Independent living services offered by approved independent living centers and programs which are determined to be necessary to carry out the veteran's plan including:
(i) Evaluation of independent living potential;
(ii) Training in independent living skills;
(iii) Attendant care;
(iv) Health maintenance programs; and
(v) Identifying appropriate housing accommodations.
(Authority: 38 U.S.C. 3104(a)(15), 3109, 3120)
(e) Coordination with other VA elements and other Federal, State, and local programs. Implementation of programs of independent living services and assistance will generally require extensive coordination with other VA and non-VA programs. If appropriate
§ 21.162 Participation in a program of independent living services.
(a) Approval of a program of independent living services. A program of independent living services and assistance is approved when:
(1) The VA determines that achievement of a vocational goal is not currently reasonably feasible;
(2) The VA determines that the veteran's independence in daily living can be improved, and the gains made can reasonably be expected to continue following completion of the program;
(3) All steps required by §§ 21.90 and 21.92 of this part for the development and preparation of an Individualized Independent Living Plan (IILP) have been completed; and
(4) The VR&E Officer concurs in the IILP.
(b) Considerations for the VR&E Officer. The VR&E Officer will consider the following factors in administering programs providing independent living services:
(1) If VA resources available limit the number of veterans who may be provided a program of independent living services and assistance, the first priority shall be given to veterans for whom the reasonable feasibility of achieving a vocational goal is precluded solely as a result of service-connected disability; and
(2) To the maximum extent feasible, a substantial portion of veterans provided with programs of independent living services and assistance shall be receiving long-term care in VA medical centers and nursing homes.

CASE STATUS

§ 21.180 Case status system.
§ 21.182 'Applicant' status.
§ 21.184 'Evaluation and planning' status.
§ 21.186 'Ineligible' status.
§ 21.188 'Extended evaluation' status.
§ 21.190 'Rehabilitation to the point of employability' status.
§ 21.192 'Independent living program' status.
§ 21.194 'Employment services' status.
§ 21.196 'Rehabilitated' status.
§ 21.197 'Interrupted' status.
§ 21.198 'Discontinued' status.

§ 21.180 Case status system.
(a) General. Each veteran's case will be assigned to a specific case status from the point of initial contact until all appropriate steps in the rehabilitation process have been completed. The case status system will:
(1) Assist VR&E staff to fulfill its case management responsibility to provide authorized assistance to enable the veteran to successfully pursue his or her program; and
(2) Assure program management and accountability.
(Authority: 38 U.S.C. 3107)
(b) Responsibility for change of case status. The case manager is responsible for assigning a case to the appropriate case status at each point in the rehabilitation process.
(c) Case manager. The VR&E (Vocational Rehabilitation and Employment) Officer or his or her designee will assign a case manager when the veteran's case is placed in evaluation and planning status. The VR&E Officer or his or her designee may assign case management responsibility for development and implementation of a rehabilitation plan authorized under Chapter 31 to a counseling psychologist or vocational rehabilitation specialist in the VR&E Division. The case manager assigned will, unless replaced by the VR&E Officer, continue to be responsible for case management throughout the course of the veteran's rehabilitation program. When securing medical care, treatment, and other related services, the VR&E case manager will coordinate with Veterans Health Administration (VHA) staff members who have case management responsibility for the veteran.
(Authority: 38 U.S.C. 3106(e))
(d) Informing the veteran. The veteran will be informed in writing of changes in case status by VA which affect his or her receipt of benefits and services under Chapter 31. The letter to the veteran will include the reason for the change of case status, and other information required under provisions of § 21.420.
(Authority: 38 U.S.C. 3107)
(e) Normal progression for eligible veterans. The cases of veterans who are eligible for and entitled to services under Chapter 31 for whom individualized plans have been prepared will generally undergo the following changes of status:
(1) Individualized written rehabilitation plan. A veteran with an IWRP (Individualized Written Rehabilitation Plan) will generally move sequentially from applicant status
through evaluation and planning status, rehabilitation to the point of employability status, employment services status, and rehabilitated status.

(2) Individualized extended evaluation plan. A veteran with an IEEP (Individualized Extended Evaluation Plan) will generally move from applicant status through evaluation and planning status to extended evaluation status. Once in extended evaluation status there will generally be a finding which leads to development of an IWRP (paragraph (e)(1) of this section), or IILP (Individualized Independent Living Plan) (paragraph (e)(3) of this section).

(3) Individualized independent living plan. A veteran with an IILP (Individualized Independent Living Plan) will generally move from applicant status through evaluation and planning, extended evaluation, independent living, and rehabilitated status.

(4) Individualized employment assistance plan. (i) A veteran with an IEAP (Individualized Employment Assistance Plan) which is a part of an IWRP will move through the case statuses described in paragraph (e)(1) of this section, or in some cases through the steps in paragraph (e)(2) of this section.

(ii) A veteran for whom only employment services are provided will generally move from applicant through evaluation and planning, employment services to rehabilitated status.

(Authority: 38 U.S.C. 3107)

(f) Normal progression for ineligible veterans. A veteran found ineligible for services under Chapter 31 will generally move from applicant to evaluation and planning status, to ineligible status.

(Authority: 38 U.S.C. 3107)

(g) Changes of status. The case manager may change the case status when:

(1) Conditions for change specified in the status are met;

(2) The change is not specifically precluded by the status to which change is being considered; and

(3) The change is consistent with provisions of other applicable regulations.

(Authority: 38 U.S.C. 3106)

§ 21.182 'Applicant' status.

(a) Purpose. The purposes of applicant status are to:

(1) Process a veteran's claim for assistance under Chapter 31 in a timely manner; and

(2) Identify service-disabled veterans whom VA should contact individually to increase their awareness and understanding of how they may benefit from services furnished under Chapter 31.

(Authority: 38 U.S.C. 3102)

(b) Assignment to applicant status. VA will assign a veteran's records to applicant status when either:

(1) VA receives a formal or informal application from a veteran for services under Chapter 31; or

(2) The VR&E (Vocational Rehabilitation and Employment) Division:

(i) Advises a veteran in writing of the veteran's potential eligibility for Chapter 31 services, or
(ii) Is informed that the veteran has been advised in writing of his or her potential eligibility for Chapter 31 services by other VA elements.

(Authority: 38 U.S.C. 3102(2))

(c) Termination of applicant status. Applicant status will be terminated when:

(1) An appointment for an initial evaluation has been kept by the veteran; or
(2) The veteran's service-connected disability is reduced to a noncompensable degree; or
(3) The veteran's service-connected disability is severed; or
(4) The veteran's application is invalid because of fraud or error; or
(5) The veteran withdraws his or her claim, or otherwise indicates that no further assistance is desired.

(Authority: 38 U.S.C. 3106)

(d) Transfer of terminated cases to discontinued status. Each instance in which a veteran's case is terminated for reasons described in paragraph (c)(4) or (5) of this section shall be placed in discontinued status.

(38 U.S.C. 3102)

§ 21.184 'Evaluation and planning' status.

(a) Purpose. The purpose of evaluation and planning status is to identify veterans for whom evaluation and planning services are needed to:

(1) Accomplish an initial evaluation as provided in § 21.50;
(2) Develop an IWRP (Individualized Written Rehabilitation Plan), IEEP (Individualized Extended Evaluation Plan), IILP (Individualized Independent Living Plan) or IEAP (Individualized Employment Assistance Plan); or
(3) Reevaluate:
   (i) Findings made in prior initial evaluations, or
   (ii) Current or previous individualized rehabilitation plans.

(b) Assignment to evaluation and planning status. A veteran's records will be assigned to evaluation and planning status for any of the purposes specified in paragraph (a) of this section.

(c) Termination of evaluation and planning status. The assignment of the veteran's records to evaluation and planning status may be terminated under the following conditions:

(1) Evaluation and planning completed. The services necessary to complete evaluation and planning have been provided. These services are:
   (i) Completion of an initial evaluation;
   (ii) Development of an IWRP (Individualized Written Rehabilitation Plan) or other individual rehabilitation plan in those cases in which eligibility and entitlement to services provided under Chapter 31 are established; or
   (iii) Completion of reevaluation of prior findings made in initial evaluation or modification of a rehabilitation plan.

(2) Evaluation and planning not completed. The VR&E Division shall make every reasonable effort to enable the veteran to complete the evaluation and planning phase of the rehabilitation process. A determination that every reasonable effort by VA has been
made, and that little likelihood exists that continued efforts will lead to completion of planning and evaluation, may be made under the following conditions:
(i) The veteran writes VA and requests that his or her case be inactivated;
(ii) The veteran fails to keep scheduled appointments following his or her initial appointment; or
(iii) The veteran otherwise fails to cooperate with VA in the evaluation and planning process. If the veteran fails to cooperate, the provisions of § 21.362 are applicable. [49 FR 40814, Oct. 18, 1984]

[CROSS REFERENCE: See §§ 21.50 through 21.58 Initial and extended evaluation, and §§ 21.80 through 21.98 Individualized written rehabilitation plan.]

§ 21.186 'Ineligible' status.
(a) Purpose. The purpose of ineligible status is to identify the cases in which a veteran requests services under Chapter 31, but the request is denied by VA, usually, on the basis of information developed when the veteran was in evaluation and planning status. (Authority: 38 U.S.C. 3106)
(b) Assignment to ineligible status. A veteran's case will be assigned to ineligible status following a finding by VA that the veteran is not eligible for or entitled to services under Chapter 31. The finding must preclude all possible Chapter 31 services. (Authority: 38 U.S.C. 3106, 3107)
(c) Termination of ineligible status. The assignment of the veteran's case to ineligible status should be terminated if the veteran thereafter becomes eligible to receive any Chapter 31 service. Placement of the case in ineligible status is a bar to reconsideration of eligibility unless a material change in circumstances occurs. [49 FR 40814, Oct. 18, 1984]

(38 U.S.C. 3106, 3107)

§ 21.188 'Extended evaluation' status.
(a) Purpose. The purposes of extended evaluation status are to:
(1) Identify a veteran for whom a period of extended evaluation is needed; and
(2) Assure that necessary services are provided by VA during the extended evaluation. (Authority: 38 U.S.C. 3106)
(c) Continuation in extended evaluation status. A veteran's case will be in extended evaluation status during periods in which:
(1) The veteran is pending induction into the facility at which rehabilitation services will be provided;
(2) The veteran is receiving rehabilitation services prescribed in the IEEP (§ 21.86); or
(3) The veteran is on authorized leave of absence during an extended evaluation. (Authority: 38 U.S.C. 3108)
(d) Termination of extended evaluation status. A veteran in extended evaluation status will remain in that status until one of the following events occur:
(1) Following notification of necessary arrangements to begin an extended evaluation, the date the extended evaluation begins, and instructions as to the next steps to be taken, the veteran:
(i) Fails to report and does not respond to followup contact by the case manager;
(ii) Declines or refuses to enter the program; or
(iii) Defers induction for a period exceeding 30 days beyond the scheduled date of induction, except where the deferment is due to illness or other sufficient reason;
(2) VA determines the reasonable feasibility of a vocational goal for the veteran before completion of all of the planned evaluation because the decision does not require the further evaluation;
(3) The veteran completes the extended evaluation;
(4) Either the veteran or VA interrupts the extended evaluation;
(5) Either the veteran or VA discontinues the extended evaluation; or
(6) Service-connection for the veteran's service-connected disability is severed by VA or his or her continued eligibility otherwise ceases.

§ 21.190 'Rehabilitation to the point of employability' status.
(a) Purpose. The rehabilitation to the point of employability status serves to:
(1) Identify veterans who receive training and rehabilitation services to enable them to attain a vocational goal; and
(2) Assure that services specified in the veteran's IWRP are provided in a timely manner by VA.
(Authority: 38 U.S.C. 3101)
(b) Assignment. A veteran's case may be assigned or reassigned to rehabilitation to the point of employability status under the provisions of §§ 21.84, 21.94, 21.96, or 21.98.
(Authority: 38 U.S.C. 3107)
(c) Continuation in rehabilitation to the point of employability status. A veteran will be assigned to rehabilitation to the point of employability status during periods in which:
(1) The veteran has progressed through applicant status and evaluation and planning status (including extended evaluation status when appropriate), and is pending induction into the facility at which training and rehabilitation services will be provided;
(2) The veteran is receiving training and rehabilitation services prescribed in the IWRP; or
(3) The veteran is on authorized leave of absence.
(Authority: 38 U.S.C. 3104, 3108)
(d) Termination of rehabilitation to the point of employability status when goals of the IWRP for this period are achieved. VA will consider a veteran to have completed the period of rehabilitation to the point of employability, and will terminate this status under the following conditions:
(1) The veteran achieves the goals of, and has been provided services specified in, the IWRP;
(2) The veteran who leaves the program has completed a sufficient portion of the services prescribed in the IWRP to establish clearly that he or she is generally employable as a trained worker in the occupational objective established in the IWRP;
(3) The veteran, who has not completed all prescribed services in the IWRP, accepts employment in the occupational objective established in the IWRP with wages and other benefits commensurate with wages and benefits received by trained workers; or
(4) The veteran:
   (i) Satisfactorily completes a prescribed program, the practice of which requires pursuing an examination for licensure, but
   (ii) Is unable to take the licensure examination prior to the basic twelve-year termination date and there is no basis for extension of that date.

(Authority: 38 U.S.C. 3107)

(e) Other conditions for termination of rehabilitation to the point of employability status. In addition to termination under conditions described in paragraph (d) of this section, the classification of the veteran's records in this status may be terminated under any of the following conditions:
(1) A veteran who has been notified of necessary arrangements to begin the program, the date the program begins and instructions as to the next steps to be taken:
   (i) Fails to report and does not respond to initial or subsequent followup by the case manager;
   (ii) Declines or refuses to enter the program; or
   (iii) Defers induction for a period exceeding 30 days beyond the scheduled beginning date of the program, except where the deferment is due to illness or other sufficient reason.
(2) Either the veteran or VA interrupts the period of rehabilitation to the point of employability;
(3) Either VA or the veteran discontinues the period of rehabilitation to the point of employability;
(4) The veteran reaches his or her termination date, and there is no basis for extension under § 21.44;
(5) The veteran's entitlement to training and rehabilitation services under Chapter 31 is exhausted, and there is no basis for extension under § 21.78; or
(6) Service-connection for the veteran's service-connected disability is served by VA or he or she otherwise ceases to be eligible.

(Authority: 38 U.S.C. 3107)

(f) Payment of employment adjustment allowance. An employment adjustment allowance will be paid when the veteran's classification in rehabilitation to the point of employability status is terminated under provisions of paragraph (d) of this section. An employment adjustment allowance will not be paid if termination is for one of the reasons specified in paragraph (e) of this section.

[49 FR 40814, Oct. 18, 1984]

(38 U.S.C. 3107)
§ 21.192 'Independent living program' status.
(a) Purpose. The independent living program status serves to:
(1) Identify veterans who are being furnished a program of independent living services by VA; and
(2) Assure that such veterans receive necessary services from VA in a timely manner.
(b) Assignment to independent living program status. A veteran may be assigned or reassigned to independent living program status under the provisions of §§ 21.88, 21.94, 21.96, or 21.98.
(Authority: 38 U.S.C. 3107)
(c) Continuation in independent living program status. A veteran will be in independent living program status during periods in which:
(1) The provisions of § 21.282 for induction into a program are met, but the veteran is pending induction into the facility at which rehabilitation services will be provided;
(2) The veteran receives rehabilitation services prescribed in an IILP; or
(3) The veteran is on authorized leave of absence status.
(Authority: 38 U.S.C. 3109, 3120)
(d) Termination of independent living program status. When a veteran's case has been assigned to independent living program status, the case will be terminated from that status, if one of the following occurs:
(1) A veteran, who has been notified of necessary arrangements to begin a program, the date the program begins and instructions as to the next steps to be taken:
   (i) Fails to report and does not respond to followup contact by the case manager;
   (ii) Declines or refuses to enter the program; or
   (iii) Defers entry for more than 30 days beyond the scheduled beginning date, unless the deferment is due to illness or other sufficient reason.
(2) The veteran completes the IILP;
(3) Either the veteran or VA interrupts the program;
(4) Either the veteran or VA discontinues the program; or
(5) Service-connection for the veteran's service-connected disability is severed by VA or he or she otherwise ceases to be eligible.

§ 21.194 'Employment services' status.
(a) Purpose. The status employment services serves to:
(1) Identify veterans who are being furnished employment services; and
(2) Assure that these veterans receive necessary services in a timely manner.
(b) Assignment to employment services status. A veteran's case may be assigned or reassigned to employment services status under the provisions of §§ 21.84, 21.88, 21.94 and 21.98.

(c) Continuation in employment services status. A case will remain in employment services status for the period specified in the IEAP, subject to the limitations specified in paragraph (d) of this section.

(d) Termination of employment services status. The veteran will continue in employment services status until the earliest of the following events occurs:

1. He or she is determined to be rehabilitated under the provisions of § 21.283; or

2. He or she is:
   i. Employed for at least 60 days in employment that does not meet the criteria for rehabilitation contained in § 21.283, if the veteran intends to maintain this employment and declines further assistance; and
   ii. Adjusted to the duties and responsibilities of the job.

3. Either the veteran or VA interrupts the employment services program;

4. Either the veteran or VA discontinues the employment services program;

5. He or she reaches the end of the period for which employment services have been authorized and there is no basis for extension; or

6. Service-connection for the veteran's service-connected disability is severed or he or she otherwise ceases to be eligible.

(38 U.S.C. 3117)

§ 21.196 'Rehabilitated' status.

(a) Purpose. The purpose of rehabilitated status is to identify those cases in which the goals of a rehabilitation program or a program of employment services have been substantially achieved.

(b) Assignment to "rehabilitated" status. A veteran's case shall be assigned to "rehabilitated" status when his or her case meets the criteria for rehabilitation contained in § 21.283.

(Authority: 38 U.S.C. 3102, 3107 and 3117)

(c) Termination of rehabilitated status. A veteran's case will not be removed from rehabilitated status under § 21.284 once that status has been assigned, unless the determination of rehabilitation is set aside for a reason specified in § 21.284.

(38 U.S.C. 3100)

(38 U.S.C. 3100)

[CROSS-REFERENCE: See § 21.284 Reentrance into a rehabilitation program.]

§ 21.197 'Interrupted' status.

(a) Purpose. The purpose of interrupted status is to recognize that a variety of situations may arise in the course of a rehabilitation program in which a temporary suspension of the program is warranted. In each case, VA first must determine that the veteran will be
able to return to a rehabilitation program or a program of employment services following the resolution of the situation causing the interruption. This determination will be documented in the veteran's record.

(Authority: 38 U.S.C. 3117)

(b) Assignment to "interrupted" status. A veteran's case will be assigned to interrupted status when:

(1) VA determines that a suspension of services being provided is necessary; and

(2) Either:

(i) A definite date for resumption of the program is established; or

(ii) The evidence indicates the veteran will be able to resume the program at some future date, which can be approximately established.

(Authority: 38 U.S.C. 3110)

(c) Reasons for assignment to "interrupted" status. A veteran's case may be interrupted and assigned to interrupted status for reasons including but not limited to the following:

(1) Veteran does not initiate or continue rehabilitation process. If a veteran does not begin or continue the rehabilitation process, the veteran's case will be interrupted and assigned to interrupted status, including:

(i) A case in evaluation and planning status;

(ii) A case in extended evaluation status;

(iii) A case in rehabilitation to the point of employability status;

(iv) A case in independent living program status; or

(v) A case in employment services status.

(2) Unsatisfactory conduct and cooperation. If a veteran's conduct or cooperation becomes unsatisfactory, services and assistance may be interrupted as determined under provisions of §§ 21.362 and 21.364.

(3) Services not available. The veteran cannot continue the program because the necessary training and rehabilitation services are unavailable.

(4) Prior to assignment to "discontinued" status. A veteran's case shall be assigned to interrupted status prior to discontinuance and assignment to discontinued status in all cases except as provided in § 21.182(d) and upon the veteran's death. The purpose of assignment to interrupted status is to assure that all appropriate actions have been taken to help the veteran continue in his or her program before discontinuing benefits and services.

(5) Absences. The veteran is not entitled to be placed on authorized absence under §§ 21.340 through 21.350 while in interrupted status.

(Authority: 38 U.S.C. 3111)

(d) Reentrance from "interrupted" status. (1) A veteran in interrupted status may be assigned to his or her prior status or other appropriate status, if he or she reports for entrance or reentrance into the prescribed program at the time and place scheduled for the resumption of the rehabilitation program.

(2) If a veteran in interrupted status fails to report for entrance or reentrance into the program at the appointed time and place, the veteran's case will remain in interrupted status. The case manager will then determine whether there is a satisfactory reason for the veteran's failure to enter a new or reenter the prior program. If the evidence of record does not establish a satisfactory reason, the veteran's case will be discontinued and assigned to discontinued status.
(e) Case management responsibility during a period of interruption. The case manager shall maintain contact with the veteran during interruption and shall arrange for appropriate medical or other services the veteran needs to be able to enter or reenter a rehabilitation program or a program of employment services.

(38 U.S.C. 3107)
[CROSS-REFERENCE: See § 21.324 Reduction or termination date.]

§ 21.198 'Discontinued' status.

(a) Purpose. The purpose of discontinued status is to identify situations in which termination of all services and benefits received under Chapter 31 is necessary.

(b) Placement in "discontinued". VA will discontinue the veteran's case and assign the case to discontinued status following assignment to interrupted status as provided in §21.197 for reasons including but not limited to the following:

(1) Veteran declines to initiate or continue rehabilitation process. If a veteran does not initiate or continue the rehabilitation process and does not furnish an acceptable reason for his or her failure to do so following assignment to interrupted status, the veteran's case will be discontinued and assigned to discontinued status. This includes:

(i) A case in applicant status;
(ii) A case in evaluation and planning status;
(iii) A case in extended evaluation status;
(iv) A case in rehabilitation to the point of employability status;
(v) A case in independent living program status;
(vi) A case in employment services status; or
(vii) A case in interrupted status;

(2) Unsatisfactory conduct and cooperation. When a veteran's conduct or cooperation becomes unsatisfactory, services and assistance may be discontinued and assigned to discontinued status as determined under provisions of §§21.362 and 21.364.

(3) Eligibility and entitlement. Unless the veteran desires employment assistance, the veteran's case will be discontinued and assigned to discontinued status when:

(i) The veteran reaches the basic twelve-year termination date, and there is no basis for extension; or
(ii) The veteran has used 48 months of entitlement under one or more VA programs, and there is no basis for extension of entitlement.

(4) Medical and related problems. A veteran's case will be discontinued and assigned to discontinued status when:

(i) The veteran will be unable to participate in a rehabilitation program because of a serious physical or emotional problem for an extended period; and
(ii) VA medical staff are unable to estimate an approximate date by which the veteran will be able to begin or return to the program.

(5) Withdrawal. Veteran voluntarily withdraws from the program.

(6) Failure to progress. The veteran's case will be discontinued and assigned to discontinued status if his or her failure to progress in a program is due to:

(i) Continuing lack of application by the veteran unrelated to any personal or other problems; or
(ii) Inability of the veteran to benefit from rehabilitation services despite the best efforts of VA and the veteran.

(Authority: 38 U.S.C. 3108, 3111)

(7) Special review of proposed discontinuance action. The Vocational Rehabilitation and Employment (VR&E) Officer shall review each case in which discontinuance is being considered for a veteran with a service-connected disability rated 50 percent or more disabling. The VR&E Officer may utilize existing resources to assist in the review, including referral to the Vocational Rehabilitation Panel (VRP).

(Authority: 38 U.S.C. 3104(a)(1))

(c) Termination of "discontinued" status. Except as noted in paragraph (c)(3) of this section assignment of the veteran's case to the same status from which the veteran was discontinued or to a different one requires that VA first find:

(1) The reason for the discontinuance has been removed; and
(2) VA has redetermined his or her eligibility and entitlement under Chapter 31.

(3) In addition to the criteria described in paragraphs (c) (1) and (2) of this section a veteran placed into discontinued status as a result of a finding of unsatisfactory conduct or cooperation under §§ 21.362 and 21.364 must also meet the requirements for reentrance into a rehabilitation program found in § 21.364.

(Authority: 38 U.S.C. 3111)

(d) Follow-up of a cases placed in "discontinued" status. VA shall establish appropriate procedures to follow up on cases which have been placed in discontinued status, except in those cases reassigned from applicant status. The purpose of such followup is to determine if:

(1) The reasons for discontinuance may have been removed, and reconsideration of eligibility and entitlement is possible; or
(2) The veteran is employed, and criteria for assignment to rehabilitated status are met.

§ 21.220 Replacement of supplies.
§ 21.222 Release of, and repayment for, training and rehabilitation supplies.

§ 21.210 Supplies.
(a) Purpose of furnishing supplies. Supplies are furnished to enable a veteran to pursue rehabilitation and achieve the goals of his or her program.
(b) Definition. The term supplies includes books, tools, and other supplies and equipment which VA determines are necessary for the veteran's rehabilitation program.
(c) Periods during which supplies may be furnished. Supplies may be furnished during:
(1) Extended evaluation;
(2) Rehabilitation to the point of employability;
(3) Employment services; and
(4) An independent living services program.
(Authority: 38 U.S.C. 3104(a))
(d) Supplies precluded. Notwithstanding the provisions of paragraph (c) of this section, supplies may not be furnished to a veteran who has elected, or is in receipt of, payment at the educational assistance rate paid under Chapter 34.
[49 FR 40814, Oct. 18, 1984]
(38 U.S.C. 3108(a))

§ 21.212 General policy in furnishing supplies during periods of rehabilitation.
(a) Furnishing necessary supplies during a period of rehabilitation services. A veteran will be furnished supplies that are necessary for a program of rehabilitation services. For example, a veteran training in a school will be furnished the supplies needed to pursue the school course. If additional supplies are subsequently needed to secure employment, they will be furnished during the period of employment services as provided in § 21.214(d).
(b) Determining supplies needed during a period of rehabilitation. Subject to the provisions of §§ 21.210 through 21.222, VA will authorize only those supplies which are required:
(1) To be used by similarly circumstanced non-disabled persons in the same training or employment situation;
(2) To mitigate or compensate for the effects of the veteran's disability while he or she is being evaluated, trained or assisted in gaining employment; or
(3) To allow the veteran to function more independently and thereby lessen his or her dependence on others for assistance.

© 2006 Matthew Bender & Company, Inc., a member of the LexisNexis Group. All rights reserved. Use of this product is subject to the restrictions and terms and conditions of the Matthew Bender Master Agreement.
(c) When supplies may be authorized. Supplies should generally be authorized subsequent to the date of enrollment in training or beginning date of other rehabilitation services unless there are compelling reasons to authorize them earlier. Supplies may not be authorized earlier than the date the veteran's rehabilitation plan is approved by VA and the veteran is accepted by the facility or individual providing services.

(d) Supplies needed, but not specifically required. VA may determine that an item, such as a calculator, while not required by the school for the pursuit of a particular school subject, is nevertheless necessary for the veteran to successfully pursue his or her program under the provisions of § 21.156 pertaining to incidental goods and services.

The item may be authorized if:

(1) It is generally owned and used by students pursuing the course; and
(2) Students who do not have the item would be placed at a distinct disadvantage in pursuing the course.

(e) Supplies for special projects and theses. The amount of supplies that VA may authorize for special projects, including theses, may not exceed the amount generally needed by similarly circumstanced nonveterans in meeting course or thesis requirements.

(Authority: 38 U.S.C. 3104(a))

(f) Responsibility for authorization of supplies. The case manager is responsible for the authorization of supplies, subject to requirements for prior approval contained in § 21.258 and other instructions governing payment of program charges.

[49 FR 40814, Oct. 18, 1984]

(38 U.S.C. 3106(e))

§ 21.214 Furnishing supplies for special programs.

(a) General. A veteran pursuing one of the following types of vocational rehabilitation programs is eligible for any types of supplies listed in § 21.212. The following paragraphs clarify the applicability of the general provisions of § 21.212 to these special situations.

(b) Supplies furnished to veterans pursuing training in the home. VA may furnish to veterans training in the home:

(1) Books, tools, and supplies which schools or training establishments that train individuals outside the home for the objective the veteran is pursuing at home ordinarily require all students and trainees to personally possess;

(2) Supplies and equipment which are essential to the prescribed course of training because the veteran is pursuing the course at home. Equipment in this category consists of items which ordinarily are not required by a school or training establishment;

(3) Special equipment, such as a vise or drafting table;

(4) Supplies needed to enable the veteran to function more independently in his or her home and community.

(Authority: 38 U.S.C. 3104(a))

(c) Supplies furnished to a veteran in farm cooperative training. The books and related training supplies which VA may furnish a veteran in farm cooperative training depend upon the type of instruction he or she is receiving:

(1) When organized, group instruction is part of a veteran's course, VA will furnish those books and supplies which the school requires all students in the school portion of the course to own personally or on a rental basis;
(2) When all instruction is given on the veteran's farm by an individual instructor, VA will furnish to a student only those textbooks and other supplies which would ordinarily be required by a school. (Authority: 38 U.S.C. 3104(a)(7))

(d) Obtaining and maintaining employment. A veteran being furnished employment services may receive supplies which:

(1) The employer requires similarly circumstanced nonveterans to own upon beginning employment to the extent that the items were not furnished during the period in which the veteran was training for the objective, or the items that were furnished for training purposes are not adequate for employment;
(2) VA determines that special equipment is necessary for the veteran to perform his or her duties, subject to the obligation of the employer to make reasonable accommodation to the disabling effects of the veteran's condition. (Authority: 38 U.S.C. 3104(a), 4212)

(e) Self-employment. The supplies and services which may be furnished, subject to the requirements prescribed under § 21.258, to a veteran for whom self-employment has been approved as the occupational objective, are generally limited to those necessary to begin operations:

(1) Minimum stocks of materials, e.g., inventory of saleable merchandise or goods, expendable items required for day-to-day operations, and items which are consumed on the premises;
(2) Essential equipment, including machinery, occupational fixtures, accessories, and appliances; and
(3) Other incidental services such as business license fees. (Authority: 38 U.S.C. 3104(a)(2))

(f) Supplies and related assistance which may not be furnished for self-employment. VA may not authorize assistance for:

(1) Purchase of, or part payment for, land and buildings;
(2) Making full or part payment of leases or rentals;
(3) Purchase or rentals of trucks, cars, or other means of transportation;
(4) Stocking a farm for animal husbandry operations.

[49 FR 40814, Oct. 18, 1984; 50 FR 9622, Mar. 11, 1985]

§ 21.216 Special equipment.

(a) General. Special equipment should be authorized as necessary to enable a veteran to mitigate or overcome the effects of disability in pursuing a rehabilitation program. The major types of special equipment which may be authorized include:

(1) Equipment for educational or vocational purposes. This category includes items which are ordinarily used by nondisabled persons pursuing evaluation or training, modified to allow for use by disabled persons. e.g., calculators with speech capability for blinded persons.
(2) Sensory aids and prostheses. This category includes items which are specifically designed to mitigate or overcome the effects of disability. They range from eyeglasses and hearing aids to closed-circuit TV systems which amplify reading material for veterans with severe visual impairments.
(3) Modifications to improve access. This category includes adaptations of environment not generally associated with education and training, such as adaptive equipment for automobiles or supplies necessary to modify a veteran's home to make either training or self-employment possible.

(Authority: 38 U.S.C. 3104(a))

(b) Coordination with other VA elements in securing special equipment. In any case in which the veteran needs special equipment and is eligible for such equipment under other VA programs, such as medical care and treatment at VA medical centers, the items will be secured under that program. The veteran must be found ineligible for needed special equipment under other programs and benefits administered by VA before the item may be authorized under Chapter 31.

[49 FR 40814, Oct. 18, 1984]

(38 U.S.C. 3115)

§ 21.218 Methods of furnishing supplies.

(a) Supplies furnished by the school or facility. VA will make arrangements for the school or other facility furnishing a veteran training, rehabilitation assistance, or employment under Chapter 31 to provide supplies to the extent practicable. This method is the one most likely to assure that supplies are available and can be secured expeditiously. A facility may be considered to be furnishing supplies when the facility itself is the supplier, or the facility has designated a supplier. Prior authorization of supplies by the case manager is required, except for standard sets of books, tools, or supplies which the facility requires all trainees or employees to have.

(b) Issuance of supplies not furnished by the facility. VA will issue authorized supplies directly to the veteran, if the supplies are not furnished by the facility providing training, rehabilitation services, or employment.

[49 FR 40814, Oct. 18, 1984]

(38 U.S.C. 3104(a))

§ 21.219 Supplies consisting of clothing, magazines and periodicals, and items which may be personally used by the veteran.

(a) Furnishing protective articles and clothing. Protective articles or apparel worn in place of ordinary clothing will be furnished at VA expense, when the school or training establishment requires similarly circumstanced nonveterans to use the articles of apparel. No other clothing will be supplied.

(b) Furnishing magazines and periodicals. Appropriate past issues of magazines, periodicals, or reprints may be furnished in the same manner as text material, when relevant to the course or training.

(c) Furnishing items which may be personally used. Musical instruments, cameras, or other items which could be used personally by the veteran may only be furnished if required by the facility to meet requirements for degree or course completion.

[49 FR 40814, Oct. 18, 1984]

(38 U.S.C. 3104(a)(7))
§ 21.220 Replacement of supplies.
(a) Lost, stolen, misplaced or damaged supplies. VA will replace articles which are necessary to further pursuit of the veteran's program and which are lost, stolen, misplaced, or damaged beyond repair through no fault of the veteran;
(1) VA will make an advancement from the Vocational Rehabilitation Revolving Fund to a veteran to replace articles for which VA will not pay, if the veteran is without funds to pay for them;
(2) If a veteran refuses to replace an article indispensable to the program after VA determines that its loss or damage was his or her fault, the veteran's refusal may be considered as noncooperation under § 21.364;
(3) If the veteran's program is discontinued under provisions of § 21.364(b), he or she will be reentered into the program only when he or she replaces the necessary articles.
(Authority: 38 U.S.C. 3104(a))
(b) Personally purchased supplies. VA will not generally reimburse a veteran who personally buys supplies. VA may pay for the required supplies which a training facility or other vendor sells to a veteran, if the facility chooses to return to the veteran the amounts he or she paid, so that the charges stand as an unpaid obligation of VA to the facility. If the facility does not agree to such an arrangement, VA may still pay the veteran, if the facts and equities of the case are demonstrated.
(Authority: 38 U.S.C. 3115)
(c) Supplies used in more than one part of the program. Except as provided in paragraph (a) of this section, VA will generally furnish any nonconsumable supplies only one time, even though the same supplies may be required for use by the veteran in another subject or in another quarter, semester, or school year.
[49 FR 40814, Oct. 18, 1984]

(38 U.S.C. 3104(a))

§ 21.222 Release of, and repayment for, training and rehabilitation supplies.
The value of supplies authorized by VA will be repaid under the provisions of this section, when the veteran fails to complete the program as planned.
(a) Consumable supplies. VA will require reimbursement from a veteran for consumable supplies authorized, unless:
(1) The veteran fails to complete the rehabilitation program through no fault of his or her own;
(2) The employment objective of the rehabilitation plan is changed as a result of reevaluation by VA staff;
(3) The total value of the supplies for which repayment is required is less than $ 100; or
(4) The veteran dies.
(Authority: 38 U.S.C. 3104)
(b) Nonconsumable supplies (general). (1) In addition to the exceptions noted in paragraph (c) of this section, VA will not require reimbursement from a veteran for nonconsumable supplies authorized, if:
(i) The veteran and VA change the long-range goal of the rehabilitation plan and those supplies are not required for the veteran's pursuit of training for the new goal;
(ii) The veteran's failure to complete the program was not his or her fault;
(iii) The veteran was pursuing the program at a facility which recovers nonconsumable supplies from veterans through contractual arrangements with VA, and the veteran returned to the facility all the nonconsumable supplies furnished at VA expense;
(iv) The veteran reenters the Armed Forces or is in the process of reentering the Armed Forces;
(v) The veteran satisfactorily completed one-half or more of a noncollege degree course (or at least two terms in the case of a college course) for which VA furnished the supplies;
(vi) The veteran certifies that he or she is using in current employment the supplies furnished during training;
(vii) The total value of the supplies for which repayment is required is less than $100;
(viii) The veteran dies;
(ix) The veteran is furnished supplies during a period of employment services but loses the job through no fault of his or her own;
(x) A veteran discontinued from an independent living services program is using supplies and equipment to reduce his or her dependence on others; or
(xi) The veteran is declared rehabilitated.

(2) The amount which a veteran must repay will be the lesser of the current value of the supplies, or the original cost of the supplies. VA will accept supplies in lieu of repayment of the value of the supplies if VA has authorized a change of objective.

(Authority: 38 U.S.C. 3104(a))

c) Training in the home and self-employment. In addition to the reasons for not requiring repayment or return of nonconsumable supplies listed in paragraph (b) of this section, VA will not require a veteran to pay for or return nonconsumable supplies if: (1) In the case of a veteran training in the home:
(i) VA furnished such supplies to equip his or her home as a place of training; and
(ii) The veteran has completed enough of his or her training program to be considered employable, and has been declared rehabilitated to the point of employability;
(2) A veteran in a self-employment program not in the home is declared rehabilitated; or
(3) The veteran dies and the Director, VR&E Service determines that the facts and equities of the family situation warrant waiver of all or a part of the requirements for repayment.

(Authority: 38 U.S.C. 3104(a)(12))

Supplies are to be furnished under the most careful checks by the case manager as to what is needed by the veteran to pursue his or her program. Determinations of the supplies needed to enable the veteran to successfully pursue his or her rehabilitation program are made under the provisions of §§ 21.210 through 21.222.

MEDICAL AND RELATED SERVICES

§ 21.240 Medical treatment, care and services.
§ 21.242 Resources for provision of treatment, care and services.

§ 21.240 Medical treatment, care and services.
(a) General. A Chapter 31 participant shall be furnished medical treatment, care and services which VA determines are necessary to develop, carry out and complete the veteran's rehabilitation plan. The provision of such services is a part of the veteran's entitlement to benefits and services under Chapter 31, and is limited to the period or periods in which the veteran is a Chapter 31 participant.

(b) Scope of services. The services which may be furnished under Chapter 31 include the treatment, care and services described in part 17 of this title. In addition the following services may be authorized under Chapter 31 even if not included or described in part 17:

(1) Prosthetic appliances, eyeglasses, and other corrective or assistive devices;
(2) Services to a veteran's family as necessary for the effective rehabilitation of the veteran;
(3) Special services (including services related to blindness and deafness) including:
   (i) Language training; speech and voice correction, training in ambulation, and one-hand typewriting;
   (ii) Orientation, adjustment, mobility and related services;
   (iii) Telecommunications, sensory and other technical aids and devices.

(c) Eligibility. A veteran is eligible for the services described in paragraph (b) of this section during periods in which he or she is considered a Chapter 31 participant. These periods include:

(1) Initial evaluation;
(2) Extended evaluation;
(3) Rehabilitation to the point of employability;
(4) Independent living services program;
(5) Employment services; and

(6) Other periods to the extent that services are needed to begin or continue in any of the statutes described in paragraphs (c)(1) through (5) of this section. Such periods include but are not limited to services needed to facilitate reentry into rehabilitation following:
   (i) Interruption; or
   (ii) Discontinuance because of illness or injury.

CROSS-REFERENCE: See § 17.48(g). Participating in a rehabilitation program under Chapter 31.

§ 21.242 Resources for provision of treatment, care and services.
(a) General. VA medical centers are the primary resources for the provision of medical treatment, care and services for Chapter 31 participants which may be authorized under
the provisions of § 21.240. The availability of necessary services in VA facilities shall be ascertained in each case.

(Authority: 38 U.S.C. 3115)

(b) Hospital care and medical service. Hospital care and medical services provided under Chapter 31 shall only be furnished in facilities over which VA has direct jurisdiction, except as authorized on a contract or fee basis under the provisions of part 17 of this title.

EMPLOYMENT SERVICES

§ 21.250 Overview of employment services.

§ 21.252 Job development and placement services.

§ 21.254 Supportive services.

§ 21.256 Incentives for employers.

§ 21.258 Special assistance for veterans in self-employment.

§ 21.250 Overview of employment services.
(a) General. Employment services shall be provided if:
(1) Eligibility for employment services exists;
(2) The employment services which are needed have been identified; and
(3) The services which have been identified are incorporated in the veteran's IWRP (Individualized Written Rehabilitation Plan) or IEAP (Individualized Employment Assistance Plan).

(b) Definitions.

(1) The term program (period) of employment services includes the counseling, medical, social, and other placement and postplacement services provided to a veteran under 38 U.S.C. Chapter 31 to assist the veteran in obtaining or maintaining suitable employment. The term program of employment services is used only if the veteran's eligibility under Chapter 31 is limited to employment services.

(2) The term job development means a comprehensive professional service to assist the individual veteran to actually obtain a suitable job, and not simply the solicitation of jobs on behalf of the veteran. Continuing and mutually beneficial relationships with employers should be established by VA staff through referral of suitable employees and supportive services (e.g., adjustment counseling and job modification). Job development activities by VA staff are intended to provide disabled workers with a chance for suitable employment with cooperating employers.

(3) The term employable means the veteran is able to secure and maintain employment in the competitive labor market or in a sheltered workshop or other special situation at the minimum wage.

(c) Determining eligibility for, and the extent of, employment services.

(1) A veteran's eligibility for employment services shall be determined under the provisions of § 21.47;

(2) The duration of the period of employment services is determined under provisions of § 21.73;

(3) An IEAP (Individualized Employment Assistance Plan) shall be prepared under provisions of § 21.88;

(4) A veteran shall be placed in and removed from "Employment Assistance Status" under provisions of § 21.194.

(38 U.S.C. 3101, 3117)
§ 21.252 Job development and placement services.
(a) General. Job development and placement services may include:
(1) Direct placement assistance by VA;
(2) Utilization of the job development and placement services of:
   (i) DVOP (Disabled Veterans Outreach Program) specialists;
   (ii) Programs authorized under the Rehabilitation Act of 1973, as amended;
   (iii) The State Employment Services and the Veterans' Employment and Training Service of the United States Department of Labor;
   (iv) The Office of Personnel Management; and
   (v) The services of any other public, or nonprofit organization having placement services available; and
   (vi) Any for-profit agency in a case in which it has been determined that comparable services are not available through public and nonprofit agencies and comparable services cannot be provided cost-effectively by the public and nonprofit agencies listed in this paragraph.
   (Authority: 38 U.S.C. 3117(a)(2))
(b) Promotion of employment and training opportunities. As funding permits, VA employees engaged in the administration of Chapter 31 will promote the establishment of employment, training, and related opportunities to accomplish the purposes described in § 21.1.
   (Authority: 38 U.S.C. 3101)
(c) Advocacy responsibility. VA shall take reasonable steps to ensure that a veteran being provided employment services receives the benefit of any applicable provision of law or regulation providing for special consideration or emphasis or preference of the veteran in employment or training, especially programs and activities identified in the preceding paragraphs of this section.
   (Authority: 38 U.S.C. 523)
(d) Interagency coordination. VA employees providing assistance to Chapter 31 participants shall coordinate their job development, placement, promotional, and advocacy activities with similar or related activities of:
   (1) The Department of Labor and State employment security agencies as provided by written agreement or other arrangement;
   (2) The State approving agencies;
   (3) Other public, for-profit and nonprofit agencies providing employment and related services.
   (Authority: 38 U.S.C. 3116, 3117, Pub. L. 100-689)

§ 21.254 Supportive services.
(a) General. Supportive services which may be provided during a period or program of employment services include a broad range of medical treatment, care and services, supplies, license and other fees, special services, including services to the blind and deaf, transportation assistance, services to the veteran's family, and other appropriate services, subject to the limitations provided in VA regulations governing the provisions of these services under Chapter 31.
(b) Exclusions. The following benefits may not be provided to the veteran by VA during a period or program of employment services:
(1) Subsistence allowance, or payment of an allowance at the educational assistance rate paid under Chapter 30 for similar training;
(2) Education and training services, other than brief courses, such as review courses necessary for licensure;
(3) Revolving Fund Loan; and
(4) Work-study allowance.
(Authority: 38 U.S.C. 3104(a), 3108(f))
(c) Disabled veterans trained for self-employment under a State rehabilitation agency. A service-disabled veteran who has trained for self-employment under the auspices of a State rehabilitation agency may be provided supplemental equipment and initial stocks and supplies similar to the materials supplied to the most severely disabled veterans in self-employment programs under Chapter 31, if the following conditions are met:
(1) The veteran is eligible for employment assistance under provisions of § 21.47;
(2) An official of the State rehabilitation program with responsibility for administration of self-employment programs certifies that:
   (i) The veteran has successfully completed training for a self-employment program;
   (ii) The assistance needed is not available through the State rehabilitation program, or other non-VA sources;
   (iii) The assistance requested is a part of the veteran's IWRP (Individualized Written Rehabilitation Plan) developed by the State rehabilitation program;
(3) The requirements of § 21.258 pertaining to self-employment for the most severely disabled veterans are met; and
(4) The Director, VR&E Service, approves the request, if the cost of supplies is more than $2,500. The approval of the Director is required prior to authorization of supplies.
(Authority: 38 U.S.C. 3117(b))

§ 21.256 Incentives for employers.
(a) General. VA may make payments to employers to enable a veteran who has been rehabilitated to employability to begin and maintain employment or to provide on-job training. The purpose of such payment is to facilitate the placement of veterans who are generally qualified for employment but may lack some specific training or work experience which the employer requires or who are difficult to place due to their disability. The specific conditions which must be met before this option may be considered are contained in paragraphs (b) through (d) of this section.
(b) Requirements for payments to employers. Payments may be made to employers to provide on-job training or to begin and maintain employment if all of the following conditions are met:
(1) The veteran is in need of an on-job training situation or is generally qualified for employment but such on-job situation or employment opportunity is not otherwise available despite repeated and intensive efforts on the part of VA and the veteran to secure such opportunities. These conditions are also considered to be met when:
(i) There are few employers within commuting distance of the veteran's home who can provide a training or employment opportunity consistent with the veteran's plan; and
(ii) The veteran reasonably could not be required to seek on-job or employment opportunities in other areas due to the effects of his or her disability, family situation, or other pertinent factors; and
(iii) The available local employers will only provide a training or employment opportunity if VA agrees to reimburse for direct expenses to the degree permitted under this section.

(2) The training establishment or employer is in compliance with provisions of § 21.292 (a) and (b), pertaining to the approval of courses and facilities.

(3) VA entered into an agreement with the employer in writing prior to the beginning of the period of on-job training or employment, whereby the employer will be reimbursed for direct expenses approved under provisions of paragraph (c) of this section.

(4) The on-job training program or employment of the veteran does not displace a current employee or prevent the recall of a laid-off employee.

(c) Limitation on payment. Payments to the employer may be made only for the employer's direct expenses as a result of hiring the veteran and generally may not exceed one-half of the wage paid to other employees in the same or similar job. Direct expenses include:

(1) Instruction;
(2) Instructional aids;
(3) Training materials and supplies provided to the veteran;
(4) Minor modification of equipment to the special limitations of the veteran;
(5) Significant loss of productivity of the employer caused by using the veteran as opposed to a nondisabled employee.

(d) Duration. The period for which the employer is paid may not exceed the period necessary to accomplish on-job training or to begin and maintain employment at the journeyman level for at least 2 months. The period for which payment may be authorized may not exceed 9 months, unless the VR&E Officer approves a longer period.

(e) Benefits and services. (1) An eligible veteran on whose behalf payments are made to the employer shall be provided all other Chapter 31 benefits and services furnished to other veterans receiving employment services. A veteran may not be paid a subsistence allowance during the period in which job training or work experience is furnished under this section.

(2) Notwithstanding any other provisions of these regulations, if the program in which the veteran is participating meets the criteria for approval of on-job training under chapter 30, the veteran may be paid at educational assistance rates provided for this type of training under chapter 30 to the extent that he or she has remaining eligibility and entitlement under chapter 30 and has elected to receive a subsistence allowance in accordance with § 21.7136.

(Authority: 38 U.S.C. 3108(f), 3116(b))

(f) Non-duplication. VA will not make payments under the provisions of this section to an employer receiving payments from any other program for the same training or employment expenses.

(Authority: 38 U.S.C. 3116(b))
(a) General. Vocational rehabilitation will generally be found to have been accomplished by the veteran when he or she achieves suitable employment in the objective selected, in an existing business, agency or organization in the public or private sector. Rehabilitation of the veteran may be achieved through self-employment in a small business, if the veteran's access to the normal channels for suitable employment in the public or private sector is limited because of his or her disability or other circumstances in the veteran's situation warrant consideration of self-employment as an additional option.
(b) Self-employment plan. VA staff will conduct a comprehensive survey and analysis of the feasibility of self-employment prior to authorization of a rehabilitation plan leading to self-employment. The analysis and self-employment plan developed on the basis of such analysis shall be made a part of the veteran's Chapter 31 record. The survey and plan shall include:
(1) An analysis of the economic viability of the proposed small business plan;
(2) A cost analysis which specifies the amount and type of assistance, if any, which VA would be committed to furnish;
(3) Provision for development of a market for the veteran's services during the period of rehabilitation to the point of employability, and/or employment services;
(4) A suitable occupational objective in which employment can normally be secured in the public or private sector;
(5) Training necessary for the operation of a successful small business;
(6) Availability of non-VA financing, including the veteran's financial resources, local banks and other sources;
(7) Coordination with the Small Business Administration to secure special consideration under section 8 of the Small Business Act, as amended;
(8) The location of the site selected for the business and the cost of the site, if any.

§ 21.258 Special assistance for veterans in self-employment.
(a) General. A veteran in a self-employment program is eligible for certain special assistance in addition to the services for which veterans in a vocational rehabilitation program are generally eligible under the provisions of § 21.252. A veteran may be provided the assistance described under § 21.214 to the extent of his or her eligibility for such services as determined under paragraphs (b) and (c) of this section and § 21.254(c).
(b) Special services for the most severely disabled veterans. Special services listed in § 21.214(e) shall be provided as necessary for the most severely disabled veterans. The term most severely disabled veteran means a veteran who has been determined to have a serious employment handicap and limitations on employability arising from the effects of disability (service-connected and nonservice-connected) which necessitates selection of

self-employment as the veteran's vocational goal. This category includes veterans requiring:
(1) Homebound training and self-employment; or
(2) Self-employment for other reasons even though the veteran is able to pursue training on other than a homebound basis, e.g., lack of suitable employment opportunities in the area.
(Authority: 38 U.S.C. 3104(a)(12))

(c) Special services for other veterans. Special services described in § 21.214(e) may be furnished to a veteran with a serious employment handicap if the veteran also meets the following conditions:
(1) Self-employment is clearly shown to be the soundest method of achieving rehabilitation; or
(2) Self-employment is selected as an alternative to retaining the veteran in another occupation, and the cost of a self-employment program will not exceed the cost of retraining in another occupation.
(d) Assisting a veteran with an employment handicap to become self-employed. A veteran with an employment handicap may not be furnished any of the special services described in § 21.214(e). However, if it is determined that consideration of self-employment is warranted, VA may provide:
(1) Incidental training in the management of a small business;
(2) License or other fees required for employment and self-employment; and
(3) The tools and supplies which would ordinarily be required for the veteran to begin employment in the field in which the veteran has trained.

(Authority: 38 U.S.C. 3108, 3115(a)(1); Pub. L. 103-446)
(c) Subsistence allowance precluded. A veteran may not receive a subsistence allowance when VA is providing the veteran only the following services:
(1) Initial evaluation;
(2) Placement and post-placement services under 38 U.S.C. 3105(b); or
(3) Counseling.
(Authority: 38 U.S.C. 3108 (a)(1) and (a)(3))

(d) Dependents. The term dependent means a spouse, child or dependent parent who meets the definition of relationship specified in §§ 3.50, 3.51, 3.57 or 3.59 of this chapter. (Authority: 38 U.S.C. 3108(b))

§ 21.262 Procurement and reimbursement of cost for training and rehabilitation services, supplies, or facilities.

(a) General. Whenever services, supplies and facilities from source outside VA are required by any of these regulations, they shall be provided through contract, agreement of other cooperative arrangement between VA and the vendor. (Authority: 38 U.S.C. 3115(b))

(b) VA Acquisition Regulations. Payments of charges for training and rehabilitation services, supplies, or facilities, authorized under Chapter 31 are subject to the provisions of applicable VA Acquisition Regulations especially 48 CFR part 831 and subpart 871.2. (Authority: 38 U.S.C. 3115(a))

§ 21.264 Election of payment at the 38 U.S.C. chapter 30 educational assistance rate.

(a) Eligibility. A veteran who applies for, and is found entitled to training or education under Chapter 31, may elect to receive payment at the educational allowance rate and other assistance furnished under Chapter 30, for similar training in lieu of a subsistence allowance, provided the following criteria are met:

1. The veteran has remaining eligibility for, and entitlement to educational assistance under Chapter 30;
2. The veteran enrolls in a program of education or training approved for benefits under Chapter 30;
3. The program of education is part of an IWRP (Individualized Written Rehabilitation Plan) approved by VA. (Authority: 38 U.S.C. 3015, 3022, 3108(f))

(b) Reelection of subsistence allowance. Reelection of payment of benefits at the Chapter 31 subsistence allowance rate may be made only after completion of a term, quarter, semester, or other period of instruction unless:

1. Chapter 30 eligibility or entitlement ends earlier;
2. Failure to approve immediate reelection would prevent the veteran from continuing in the rehabilitation program. (Authority: 38 U.S.C. 3015, 3022, 3108(f))

(c) Services precluded. A veteran entitled to vocational rehabilitation training or education who elects payment at the educational assistance rate payable under Chapter 30
shall be provided the same training and rehabilitation services as other veterans under Chapter 31, but may not be provided:
(1) Subsistence allowances;
(2) Loans from the revolving fund loan;
(3) Payment of costs for:
   (i) Vocational and other training services;
   (ii) Supplies; or
   (iii) Individualized tutorial assistance.
(Authority: 38 U.S.C. 3015, 3022, 3108(f))
(d) Chapter 30 provisions applicable. A veteran who has elected payment at the Chapter 30 educational assistance rate must meet the same terms and conditions as other veterans pursuing similar training under these programs.
(Authority: 38 U.S.C. 3015, 3022, 3108(f))
§ 21.266 Payment of subsistence allowance under special conditions.
(a) Hospitalized veteran or serviceperson. A veteran pursuing a VA rehabilitation program under Chapter 31 while hospitalized in a VA medical center or in any other hospital at VA expense may receive the subsistence allowance otherwise payable. The subsistence allowance will be paid at the rates specified in §21.260, except:
(1) The amount of subsistence allowance or the allowance provided under §21.264 that may be paid to a veteran pursuing a rehabilitation program for any month for which the veteran receives compensation at the rate prescribed in §3.401(h) of this title, as the result of hospital treatment (not including post-hospital convalescence) or observation at the expense of VA may not exceed, when added to any compensation to which such veteran is entitled for the month, an amount equal to the greater of:
   (i) The sum of: (A) the amount of monthly subsistence of the allowance payable under §21.264, and (B) the amount of monthly disability compensation that would be paid to the veteran if he or she was not receiving compensation at the temporary 100 percent rate as the result of such hospital treatment or observation, or
   (ii) The amount of monthly disability compensation payable under §3.401(h) of this title.
(2) A veteran pursuing a rehabilitation program while in post hospital convalescence (§3.401(h)) will be paid the regular rate of subsistence allowance.
(3) A serviceperson pursuing a rehabilitation program under Chapter 31 will not receive a subsistence allowance if he or she is hospitalized in a medical facility under the jurisdiction of the Secretary pending final discharge from the armed forces.
(Authority: 38 U.S.C. 3108(h))
(b) Specialized rehabilitation facility--(1) A veteran in a specialized rehabilitation facility will be paid the regular rate of subsistence allowance at the institutional rate. VA may pay the cost of room and board in lieu of subsistence allowance when:
   (i) The specialized rehabilitation facility requires that similarly circumstanced persons pay the same charges for room and board, and
   (ii) The case manager finds and the veteran agrees that it is to the veteran's advantage for VA to pay the cost of room and board.
(2) Even though VA pays the cost of room and board, the veteran will be paid that portion of subsistence allowance otherwise payable for dependents.
(Authority: 38 U.S.C. 3108(e))

c) Non-pay work experience or training in a Federal agency. A veteran in an on-job program or being provided work experience in a Federal agency at no or nominal pay shall receive subsistence allowance at the institutional rate.
(Authority: 38 U.S.C. 3108(e))

d) Extended evaluation and independent living program. A veteran in a program of extended evaluation or independent living service program shall be paid subsistence allowance for full or part-time participation at the rate specified for institutional training in § 21.260. If an extended evaluation or independent living program is pursued on a less than a quarter-time basis, as measured under § 21.310(d), VA will only pay established charges for services furnished.
(Authority: 38 U.S.C. 3108(h))

e) On-job training. A veteran in an on-job training program will be paid subsistence allowance at the rate provided under § 21.260(b), except that subsistence allowance may not exceed the difference between the monthly training wage, exclusive of overtime, and the entrance journeyman wage for the veteran's objective.
[49 FR 40814, Oct. 18, 1984]

§ 21.268 Employment adjustment allowance.
(a) General. A veteran who completes a period of rehabilitation and reaches the point of employability will be paid an employment adjustment allowance for a period of two months at the full-time subsistence allowance rate for the type of program the veteran was last pursuing. (See § 21.190(d))
(Authority: 38 U.S.C. 3108(a))

(b) Reelection of subsistence allowance. A veteran who has elected payment at the Chapter 30 educational assistance allowance rate may be paid an employment adjustment allowance only if he or she reelects subsistence allowance to become effective no later than the day following completion of the period of rehabilitation to the point of employability.
(Authority: 38 U.S.C. 3108(f))

c) Special programs. An employment adjustment allowance will be paid at the institutional rate of subsistence allowance for veterans in any of the following programs:
(1) On-job training at no or nominal pay in a Federal agency;
(2) Training in the home program;
(3) Independent instructor program;
(4) Cooperative program; or
(5) Self-employment program.

d) Combination program. A veteran who has pursued a combination program will be paid an employment adjustment allowance at the full-time rate for the type of training the veteran was actually pursuing at the completion of the period of rehabilitation to the point of employability.

e) Subsequent payments of employment adjustment allowance. If a veteran has ever received an employment adjustment allowance following rehabilitation to the point of
employability, he or she may, nevertheless, receive it again when completing an additional rehabilitation program to the point of employability if:
(1) The prior determination of rehabilitation to the point of employability is set aside; and
(2) The veteran is reinducted into a new vocational rehabilitation program as provided in § 21.282.
(f) Employment adjustment allowance not charged against entitlement. An employment adjustment allowance will not be charged against the veteran's basic entitlement.
(Authority: 38 U.S.C. 3108(a))

§ 21.270 Payment of subsistence allowance during leave and between periods of instruction.
(a) Payment during leave. VA will pay an eligible veteran a subsistence allowance during any period of approved leave including a veteran:
(1) Receiving medical or rehabilitation services on an outpatient basis at a VA medical center, and who provides his or her own room and board;
(2) Receiving service department retirement or retained pay while not on active duty;
(3) Hospitalized at a VA medical center while on approved leave. If the veteran becomes eligible for payment of disability compensation at the temporary 100 percent rate, under § 3.401(h) of this title due to hospitalization, payment will be made under provisions of § 21.266(a).
(Authority: 38 U.S.C. 3110)
(b) Payment for intervals between periods of instruction. Subsistence allowance will paid to a veteran during the following periods unless the case manager and the veteran jointly determine that such payment is not in the veteran's interest:
(1) A period between consecutive terms within an enrollment period that does not exceed 1 full calendar month;
(2) A period between consecutive school terms, when the veteran, as part of his or her approved program of vocational rehabilitation, transfers from one educational institution to another for the purpose of enrolling in, and pursuing, the same objective at the second institution, provided the period does not exceed 30 days;
(3) A period which does not exceed 30 days, between a semester, term, or quarter, when the educational institution certifies the enrollment of the veteran on an individual semester, term, or quarter basis.
(c) Payment for other periods. Subsistence allowance will be paid for:
(1) Weekend and legal holidays, or customary vacation periods associated with them;
(2) Periods in which the school is closed temporarily under emergency conditions described in § 21.4138(f).
[49 FR 40814, Oct. 18, 1984]

§ 21.272 Veteran-student services.
(a) Eligibility. Veterans who are pursuing a rehabilitation program under chapter 31 on a three-quarter or full-time basis are eligible to receive a work-study allowance.
(Authority: 38 U.S.C. 3104(a)(4), 3485)
(b) Selection criteria. Whenever feasible, VA will give priority to veterans with service-connected disabilities rated at 30 percent or more disabling in selection of recipients of this allowance. VA shall consider the following additional selection criteria:
(1) Need of the veteran to augment the subsistence allowance or payment made by the Chapter 30 rate;
(2) Motivation of the veteran; and
(3) Compatibility of the work assignment with the veteran's physical condition.
(Authority: 38 U.S.C. 3104(a)(4), 3108(f), 3485)
(c) Utilization. Veteran-student services may be utilized in connection with:
(1) VA outreach service program as carried out under the supervision of a VA employee;
(2) Preparation and processing of necessary VA papers and other documents at educational institutions, regional offices or other VA facilities;
(3) Hospital and domiciliary care and medical treatment at VA facilities; and
(4) Any other appropriate activity of VA.
(d) Rate of payment. (1) In return for the veterans' agreement to perform services for VA totaling 25 times the number of weeks contained in an enrollment period, VA will pay an allowance equal to the higher of:
   (i) The hourly minimum wage in effect under section 6(a) of the Fair Labor Standards Act of 1938 times the number of hours the veteran has agreed to work; or
   (ii) The hourly minimum wage under comparable law of the State in which the services are to be performed times the number of hours the veteran has agreed to work.
(2) VA will pay proportionately less to a veteran who agrees to perform a lesser number of hours of services.
(Authority: 38 U.S.C. 3104(a)(4), 3485)
(e) Payment in advance. VA will pay in advance an amount equal to 40 percent of the total amount payable under the contract (but not more than an amount equal to 50 times the applicable hourly minimum wage).
(Authority: 38 U.S.C. 3104(a)(4), 3485)
(f) Veteran reduces rate of training. In event the veteran reduces his or her training to less than three quarter time before completing an agreement, the veteran, with the approval of the Director of the VA field station, or designee, may be permitted to complete the portions of an agreement in the same or immediately following term, quarter or semester in which the veteran ceases to be at least a three-quarter time student.
(Authority: 38 U.S.C. 3104(a)(4), 3485)
(g) Veteran terminates training. If the veteran terminates all training before completing an agreement, VA;
   (1) Will permit him or her to complete the portion of the agreement represented by the sum of money VA has advanced to the veteran for which he or she has not performed any services; but
   (2) Will not permit him or her to complete that portion of an agreement for which no advance has been made.
(h) Indebtedness for unperformed service. (1) If the veteran has received an advance for hours or unperformed service that remain after application of paragraphs (f) and (g) of this section, that advance;
   (i) Will be a debt due the United States; and
(ii) Will be subject to recovery in the same manner as any other debt due the United States
(2) For each hour of unperformed service, the amount of indebtedness shall equal the hourly wage upon which the contract was made.
(i) Survey. VA will conduct an annual survey of its regional offices to determine the number of veterans whose services can be utilized effectively.
(Authority: 38 U.S.C. 3104(a)(4), 3485)

§ 21.274 Revolving fund loan.
(a) Establishment of revolving fund loan. A revolving fund is established to provide advances to veterans who would otherwise be unable to begin or continue in a rehabilitation program without such assistance.
(b) Definition. The term advance means a non-interest loan from the revolving fund.
(c) Eligibility. A veteran is eligible for an advance if the following conditions are present:
(1) An Individualized Written Rehabilitation Plan, Individualized Extended Evaluation Plan, or Individualized Independent Living Plan has been prepared; and
(2) The veteran and VA staff agree on the terms and conditions of the plan.
(d) Advance conditions. (1) An advance may be approved when the following conditions are met:
(i) The purpose of the advance is clearly and directly related to beginning, continuing, or reentering a rehabilitation program;
(ii) The veteran would otherwise be unable to begin, continue or reenter his or her rehabilitation program;
(iii) The advance does not exceed either the amount needed, or twice the monthly subsistence allowance for a veteran without dependents in full-time institutional training; and
(iv) The veteran has elected, or is in receipt of, subsistence allowance.
(2) An advance may not be made to a veteran who meets conditions described in paragraph (d)(1) of this section if the veteran:
(i) Has not fully repaid an advance;
(ii) Does not agree to the terms and conditions for repayment; or
(iii) Will not be eligible in the future for payments of pension, compensation, subsistence allowance, educational assistance, or retired pay.
(e) Determination of the amount of the advance. (1) If the conditions described in paragraphs (c) and (d)(2) of this section are met, a counseling psychologist or vocational rehabilitation specialist in the VR&E Division will:
(i) Document the findings; and
(ii) Determine the amount of the advance.
(2) Loans will be made in multiples of $10.
(f) Repayment -- (1) Offset possible. The amount advanced will be repaid in monthly installments from future VA payments for compensation, pension, subsistence allowance, educational assistance allowance or retired pay.
(i) Repayment will begin on the earlier of the following dates:
(A) The first day of the month following the month in which the advance is granted; or
(B) The first day of the month after receipt of the advance in which the veteran receives a subsistence allowance
(ii) The VR&E staff person who approves the advance will determine the rate of repayment.
(iii) The monthly rate of repayment may not be less than 10 percent of the amount advanced unless the monthly benefit against which the advance is being offset is less than that amount.
(2) Offset not possible. If the amount advanced cannot be repaid from the benefits cited in paragraph (f)(1) of this section because the veteran is not in receipt of any of these benefits, collection of the amount due will be made in the same manner as any other debt payable to VA.

(38 U.S.C. 3112)

§ 21.276 Incarcerated veterans.
(a) General. The provisions contained in this section describe the limitations on payment of subsistence allowance and charges for tuition and fees for:
(1) Incarcerated veterans;
(2) Formerly incarcerated veterans in halfway houses; and
(3) Incarcerated and formerly incarcerated veterans in work release programs.
(Authority: 38 U.S.C. 3108(g), 3680(a))
(b) Definition. The term incarcerated veteran means any veteran incarcerated in a Federal, State, or local prison, jail, or other penal institution for a felony. It does not include any veteran who is pursuing a rehabilitation program under Chapter 31 while residing in a halfway house or participating in a work-release program in connection with such veteran's conviction of a felony.
(c) Subsistence allowance not paid to an incarcerated veteran. A subsistence allowance may not be paid to an incarcerated veteran convicted of a felony, but VA may pay all or part of the veteran's tuition and fees.
(Authority: 38 U.S.C. 3108(g))
(d) Halfway house. A subsistence allowance may be paid to a veteran pursuing a rehabilitation program while residing in a halfway house as a result of a felony conviction even though all of the veteran's living expenses are paid by a non-VA Federal, State, or local government program.
(Authority: 38 U.S.C. 3108(a))
(e) Work-release program. A subsistence allowance may be paid to a veteran in a work-release program as a result of a felony conviction.
(f) Services. VA may provide other appropriate services, including but not limited to medical, reader service, and tutorial assistance necessary for the veteran to pursue his or her rehabilitation program.
(Authority: 38 U.S.C. 31089(g))
(g) Payment of allowance at the rates paid under Chapter 30. A veteran incarcerated for a felony conviction or a veteran in a halfway house or work-release program who elects payment at the educational assistance rate paid under Chapter 30 shall be paid in
accordance with the provisions of law applicable to other incarcerated veterans training under Chapter 30.
(Authority: 38 U.S.C. 3108(f), 3680(a))

(h) Apportionment. Apportionment of subsistence allowance which began before October 17, 1980 made to dependents of an incarcerated veteran convicted of a felony may be continued.

ENTERING A REHABILITATION PROGRAM

§ 21.282 Effective date of induction into a rehabilitation program.
§ 21.283 Rehabilitated.
§ 21.284 Reentrance into a rehabilitation program.

§ 21.282 Effective date of induction into a rehabilitation program.
(a) General. Except as provided in paragraph (b) the effective date of induction of a veteran into a rehabilitation program will be one of the dates provided in §§ 21.320 through 21.334.

(Authority: 38 U.S.C. 3108)

(b) Retroactive induction. (1) A veteran may be inducted into a vocational rehabilitation program retroactively when all of the following conditions are met:
   (i) The period for which retroactive induction is requested is within the veteran's basic period of eligibility or extended eligibility as provided in §§ 21.41 through 21.44;
   (ii) The veteran was entitled to disability compensation during the period for which retroactive induction is requested, and met the criteria of entitlement to vocational rehabilitation for that period; and
   (iii) The training the veteran pursued during the period is applicable to the occupational objective that is confirmed in initial evaluation to be compatible with his or her disability, consistent with his or her abilities, interests, and aptitudes, and otherwise suitable for accomplishing vocational rehabilitation.

(Authority: 38 U.S.C. 5113)

(2) A veteran shall not be inducted into a vocational rehabilitation program retroactively if any of the following conditions exist even though all conditions of paragraph (b) of this section are met:
   (i) Timely induction was prevented by the veteran's lack of cooperation in completing an initial evaluation;
   (ii) The veteran has previously received benefits under another VA program of education or training for any period for which retroactive benefits are being requested under Chapter 31;
   (iii) A period of extended evaluation is authorized to determine the reasonable feasibility of a vocational goal; or
   (iv) The veteran's claim is not received within the time limits described in § 21.31.

(Authority: 38 U.S.C. 3101(9))

(c) Effective date of retroactive induction. The effective date of a veteran's retroactive induction into training shall be no earlier than one year prior to the date of application for Chapter 31 benefits but in no event may precede:
   (1) The effective date of the establishment of the veteran's compensable service-connected disability; or
   (2) The first date the veteran began training in the program leading to the occupational objective established in the veteran's plan.

(38 U.S.C. 3101(9))
§ 21.283 Rehabilitated.

Discussion and Analysis in the Veterans Benefits Manual

(a) General. For purposes of chapter 31 a veteran shall be declared rehabilitated when he or she has overcome the employment handicap to the maximum extent feasible as described in paragraph (c), (d) or (e) of this section.

(Authority: 38 U.S.C. 3101 (1), (2))

(b) Definition. The term "suitably employed" includes employment in the competitive labor market, sheltered situations, or on a nonpay basis which is consistent with the veteran's abilities, aptitudes and interests if the criteria contained in paragraph (c) (1) or (2) of this section are otherwise met.

(Authority: 38 U.S.C. 3100)

(c) Rehabilitation to the point of employability has been achieved. The veteran who has been found rehabilitated to the point of employability shall be declared rehabilitated if he or she:

(1) Is employed in the occupational objective for which a program of services was provided or in a closely related occupation for at least 60 continuous days;

(2) Is employed in an occupation unrelated to the occupational objective of the veteran's rehabilitation plan for at least 60 continuous days if the veteran concurs in the change and such employment:

(i) Follows intensive, yet unsuccessful, efforts to secure employment for the veteran in the occupation objective of a rehabilitation plan for a closely related occupation contained in the veteran's rehabilitation plan;

(ii) Is consistent with the veteran's aptitudes, interests, and abilities; and

(iii) Utilizes some of the academic, technical or professional knowledge and skills obtained under the rehabilitation plan; or

(3) Pursues additional education or training, in lieu of obtaining employment, after completing his or her prescribed program of training and rehabilitation services if:

(i) The additional education or training is not approvable as part of the veteran's rehabilitation program under this chapter; and

(ii) Achievement of employment consistent with the veteran's aptitudes, interests, and abilities will be enhanced by the completion of the additional education or training.

(Authority: 38 U.S.C. 3101(1), 3107 and 3117)

(d) Rehabilitation to the point of employability has not been completed. A veteran under a rehabilitation plan who obtains employment without being declared rehabilitated to the point of employability as contemplated by the plan, including a veteran in a rehabilitation program consisting solely of employment services, is considered to be rehabilitated if the following conditions exist:

(1) The veteran obtains and retains employment substantially using the services and assistance provided under the plan for rehabilitation.

(2) The employment obtained is consistent with the veteran's abilities, aptitudes and interests.

(3) Maximum services feasible to assist the veteran to retain the employment obtained have been provided.

(4) The veteran has maintained the employment for at least 60 continuous days.

(Authority: 38 U.S.C. 3101(1), 3107 and 3117)
(e) Independent living. A veteran who has pursued a program of independent living services will be considered rehabilitated when all goals of the program have been achieved, or if not achieved, when:
(1) The veteran, nevertheless, has attained a substantial increase in the level of independence with the program assistance provided;
(2) The veteran has maintained the increased level of independence for at least 60 days; and
(3) Further assistance is unlikely to significantly increase the veteran's level of independence.
(Authority: 38 U.S.C. 3101 (1), (2) 3107)
[58 FR 68768, Dec. 29, 1993]

§ 21.284 Reentrance into a rehabilitation program.
(a) Reentrance into rehabilitation to the point of employability following a determination of rehabilitation. A veteran who has been found rehabilitated under provisions of § 21.283 may be provided an additional period of training or services only if the following conditions are met:
(1) The veteran has a compensable service-connected disability and either;
(2) Current facts, including any relevant medical findings, establish that the veteran's service-connected disability has worsened to the extent that the effects of the service-connected disability considered in relation to other facts precludes him or her from performing the duties of the occupation for which the veteran previously was found rehabilitated; or
(3) The occupation for which the veteran previously was found rehabilitated under Chapter 31 is found to be unsuitable on the basis of the veteran's specific employment handicap and capabilities.
(Authority: 38 U.S.C. 3101(a))
(b) Reentrance into a program of independent living services following a determination of rehabilitation. A finding of rehabilitation following a program of independent living services may only be set aside, and an additional period of independent living services provided, if the following conditions are met:
(1) Either:
(i) The veteran's condition has worsened and as a result the veteran has sustained a substantial loss of independence; or
(ii) Other changes in the veteran's circumstances have caused a substantial loss of independence; and
(2) The provisions of § 21.162 pertaining to participation in a program of independent living services are met.
(Authority: 38 U.S.C. 3109)
(c) Reentrance into rehabilitation to the point of employability during a period of employment services. A finding of rehabilitation to the point of employability by VA may be set aside during a period of employment services and an additional period of training and related services provided, if any of the following conditions are met:
(1) The conditions for setting aside a finding of rehabilitation under paragraph (a) of this section are found;
(2) The rehabilitation services originally given to the veteran are now inadequate to make the veteran employable in the occupation for which he or she pursued rehabilitation;
(3) Experience during the period of employment services has demonstrated that employment in the objective or field for which the veteran was rehabilitated to the point of employability should not reasonably have been expected at the time the program was originally developed; or
(4) The veteran, because of technological change which occurred subsequent to the declaration of rehabilitation to the point of employability, is no longer able:
(i) To perform the duties of the occupation for which he or she trained, or in a related occupation; or
(ii) To secure employment in the occupation for which he or she trained, or in a related occupation.

COURSE APPROVAL AND FACILITY SELECTION

§ 21.290 Training and rehabilitation resources.
§ 21.292 Course approvals.
§ 21.294 Selecting the training or rehabilitation facility.
§ 21.296 Selecting a training establishment for on-job training.
§ 21.298 Selecting a farm.
§ 21.299 Use of Government facilities for on-job training or work experience at no or nominal pay.

§ 21.290 Training and rehabilitation resources.
(a) General. For the purpose of providing training and rehabilitation services under Chapter 31 VA may:
(1) Use facilities, staff and other resources of VA;
(2) Employ any additional personnel and experts needed;
(3) Use the facilities and services of any:
   (i) Federal agency;
   (ii) State agency;
   (iii) Other public agency; or
   (iv) Agency maintained by joint Federal and state contributions.
(4) Use the facilities and services of any:
   (i) Public institution or establishment;
   (ii) Private institution or establishment; or
   (iii) Private individual.
(b) Agreement required. Use of facilities and services provided under paragraph (a) of this section shall be procured through contract, agreement, or other cooperative arrangement. The specific requirements for use of contracts or other arrangements are described in 48 CFR 871.2.
[49 FR 40814, Oct. 18, 1984]

(38 U.S.C. 3115)

§ 21.292 Course approvals.
(a) Courses must be approved. Only those courses approved by the Department of Veterans Affairs shall be utilized to provide training and rehabilitation services under Chapter 31.
(Authority: 38 U.S.C. 3106)
(b) General. VA staff in consultation with the veteran will select courses and services needed to carry out the rehabilitation plan only from those which VA determines are offered by a training or rehabilitation facility which:
(1) Meets the requirements of §§ 21.120 through 21.162;
(2) Meets the criteria of §§ 21.290 through 21.299; and
(c) Obtaining information necessary for approval. In determining whether services and courses may be approved for a veteran's training and rehabilitation under Chapter 31, the Department of Veterans Affairs may use information relevant to the approval or certification of such services and courses for similar purposes developed by:
(1) The State approving agencies;
(2) The Department of Labor;
(3) State vocational rehabilitation agencies;
(4) Nationally recognized accrediting associations;
(5) The Committee on Accreditation of Rehabilitation Facilities; and
(6) Other organizations and agencies.
(d) Course not approved. If a course or program is not approved by one of the agencies identified in paragraph (c) of this section, VR&E staff shall develop necessary information to determine whether criteria given in paragraphs (a) and (b) of this section are met.
(e) Course disapproved. The VR&E Officer may approve for 38 U.S.C. chapter 31 use courses that one of the agencies in paragraph (c) of this section has disapproved.

Authority: 38 U.S.C. 3115

§ 21.294 Selecting the training or rehabilitation facility.
(a) Criteria the facility must meet. In addition to approval of the courses offered, all facilities which provide training and rehabilitation services under Chapter 31 must meet the criteria contained in §§ 21.290 through 21.299 applicable to the type of facility. Each facility must:
(1) Have space, equipment, instructional material and instructor personnel adequate in kind, quality, and amount to provide the desired service for the veteran;
(2) Fully accept the obligation to give the training or rehabilitation services in all parts of the plan which call for the facility's participation;
(3) Provide courses or services which:
   (i) Meet the customary requirements in the locality for employment in the occupation in which training is given when employment is the objective of the program; and
   (ii) Meet the requirements for licensure or permit to practice the occupation, if such is required;
(4) Agree:
   (i) To cooperate with VA, and
   (ii) To provide timely and accurate information covering the veteran's attendance, performance, and progress in training in the manner prescribed by VA.
(b) Selecting a facility for provision of independent living services. (1) Facilities offering independent living services will be utilized to:
   (i) Evaluate independent living potential;
   (ii) To provide timely and accurate information covering the veteran's attendance, performance, and progress in training in the manner prescribed by VA.
(2) VA may use public and nonprofit agencies and facilities to furnish independent living services. Public and nonprofit facilities may be:
(i) Veterans Health Administration (VHA) facilities that provide independent living services;
(ii) Facilities which meet standards established by the State rehabilitation agency for rehabilitation facilities or for providers of independent living services;
(iii) Facilities which are neither approved nor disapproved by the State rehabilitation agency, but are determined by VA as able to provide the services necessary in an individual veteran's case.

(3) VA also may use for-profit agencies and organizations to furnish programs of independent living services only if services comparable in effectiveness to those provided by for-profit agencies and organizations:
(i) Are not available through public or nonprofit agencies or VHA; or
(ii) Cannot be obtained cost-effectively from public or nonprofit agencies or VHA.

(4) In addition to the criteria described in paragraph (b)(3)(i) of this section for public and private nonprofit agencies; for-profit agencies and organizations must meet any additional standards established by local, state (including the State rehabilitation agency), and Federal agencies which are applicable to for-profit facilities and agencies offering independent living services.

(Authority: 38 U.S.C. 3115, 3120)

(c) Use of facilities. VA policy shall be to use VA facilities, if available, to provide rehabilitation services for veterans in a rehabilitation program under chapter 31. Non-VA facilities may be used to provide rehabilitation services only when necessary services are not readily available at a VHA facility. This policy shall be implemented in accordance with the provisions of paragraph (b) of this section in the case of the use of for-profit facilities to provide programs of independent living services, or in the case of employment services, provision of such services by non-VA sources is permitted under §21.252.

(Authority: 38 U.S.C. 3115)

(d) Selection of individual to provide training or rehabilitation services. Persons selected to provide individual instruction or other services as part of a program leading to the long-range goal of a veteran's plan must meet one of the following criteria:
(1) State requirements for teaching in the field or occupation for which training is being provided; or
(2) Expertise demonstrated through employment in the field in which the veteran is to be trained; or
(3) Requirements established by professional associations to provide the services needed by the veteran.

(e) Relatives. Relatives of the veteran may not be selected to provide services, even if otherwise qualified, unless such use is specifically permitted by VA regulation governing provision of the service. Selection of a training or rehabilitation facility owned by the veteran or a relative, or in which the veteran or a relative of the veteran has an interest is precluded, except for selection of a farm as provided in §21.298. The term relative has the same meaning as in §21.374.

(f) Contracts or agreements required. The Department of Veterans Affairs will negotiate formal contracts for reimbursement to providers of services as required by §21.262. However, a letter contract will be effected immediately to permit the induction of the veteran into a program if:
§ 21.296 Selecting a training establishment for on-job training.

(a) Additional criteria for selecting a training establishment. In addition to meeting all of the requirements of § 21.294 the training establishment must:

1. Sign an agreement to provide on-job training to disabled veterans;
2. Provide continuous training for each veteran without interruption except for normal holidays and vacation periods;
3. Provide daytime training for the veteran except when the veteran cannot obtain necessary on-job or related training during the working hours of the day;
4. Modify the program when necessary to compensate for the limitations resulting from the veteran's disability or needs;
5. Organize training into definite steps or units which will result in progressive training;
6. Encourage rapid progress of each veteran rather than limit the progress of the individual to the progress of the group;
7. Not, during the period of training, use the veteran on production activities beyond the point of efficient training;
8. Agree to pay the veteran during training (except as provided in paragraph (b) of this section) a salary or wage rate;
   i. Commensurate with the value of the veteran's productive labor,
   ii. Not less than that prescribed by the Fair Labor Standards Act of 1938, as amended, and
   iii. Not less than that customarily paid to nonveteran-trainees in the same or similar training situation;
9. Agree to provide the veteran with employment at the end of the training program, provided the veteran's conduct and progress have been satisfactory; and
(10) Agree to furnish VA a statement in writing showing wages, compensation, and other income paid directly or indirectly to each veteran in training under Chapter 31 during the month.

(Authority: 38 U.S.C. 3108(c), 3115)

(b) On-job training at subminimum wage rates. A subminimum hourly wage rate for handicapped workers may be considered where necessary in order to prevent curtailment of opportunities for employment. Payment at the subminimum rate must be approved by the Wage and Hour Division of the Department of Labor.

(38 U.S.C. 3115)

§ 21.298 Selecting a farm.

(a) Control of the farm--farm operator. A farm selected for farm cooperative training must be under the control of the veteran by ownership, lease or other written tenure arrangement. If the veteran does not own the farm, the lease or other written agreement shall:

(1) Afford the veteran control of the farm at least until the end of his or her course;
(2) Allow the veteran's control to be such that he or she is able:
   (i) To carry out the provisions of the training program; and
   (ii) To operate the farm in accordance with the farm and home plan developed by the case manager and the veteran in collaboration with the instructor, and when appropriate, the landowner or lessor;
(3) Permit instruction in the planning, management, and operation of farming enterprise in the veteran's farm and home plan;
(4) At least by the end of the necessary minimum period of training, assure the veteran a reasonably satisfactory living under normal economic conditions;
(5) Provide for the necessary buildings and equipment to enable the veteran to satisfactorily begin pursuit of the course of farm cooperative training;
(6) Provide for resources which give reasonable promise that any additional items required for the pursuit of the course, including livestock, will be available as they become necessary;
(7) Provide for capital improvements to be made which are necessary for carrying out the farm and home plan, with the veteran furnishing no greater portion of the costs than the benefits accruing to the veteran warrant; and
(8) Provide for the landowner or lesor to share the costs of improved practices put into effect in proportion to the returns he or she will receive from such practices.

(b) Farms on which more than one person trains--farm operator. If a veteran in training is a partner of another person or if more than one person is involved in operating the farm, the farm shall be of such size and character that:

(1) Together with the instruction part of the course will occupy the full time of the veteran; and
(2) Meets all requirements of paragraph (a) of this section.

(c) Selecting a farm--farm manager. The farm on which a veteran trains to become a farm manager shall be of such size and character that, together with the group instruction part of the course the farm:

(1) Will occupy the full time of the veteran;
(2) Will permit instruction in all aspects of the management and operation of a farm of the type for which the veteran is being trained; and
(3) Meets the requirements of paragraph (a) of this section.
(d) Employer agreement. VA may approve a farm on which a veteran is to train to become a farm manager only if the employer-trainer agrees:
(1) To instruct the veteran in various aspects of farm management in accordance with the individual's plan;
(2) To pay the veteran for each successive period of training a salary or wage rate:
   (i) Commensurate with the value of the veteran's productive labor; and
   (ii) Not less than that customarily paid to a nonveteran trainee in the same or similar training situation in that community; and
(3) To employ the veteran as a manager of the farm on which he or she is being trained if his or her conduct and progress remain satisfactory, or assure that the veteran will be employed as manager of a specified comparable farm.

(38 U.S.C. 3115)

§21.299 Use of Government facilities for on-job training or work experience at no or nominal pay.

(a) Types of facilities which may be used to provide training. Notwithstanding any other provision of regulations governing chapter 31, the facilities of any agency of the United States or of any State or local government receiving Federal financial assistance may be used to provide training or work experience at no or nominal pay as all or part of the veteran's program of vocational training under §§21.123, 21.294, and 21.296 of this part. The counseling psychologist and case manager must determine that the training work experience is necessary to accomplish vocational rehabilitation and providing such training or work experience is in the best interest of the veteran and the Federal government.

(Authority: 38 U.S.C. 3115, Pub. L. 100-689)

(b) Employment status of veterans. (1) While pursuing on-job training or work experience in a facility of the United States, a veteran:
   (i) Shall be deemed to be an employee of the United States for the purposes of benefits under chapter 81, title 5 U.S.C.; but
   (ii) Shall not be deemed an employee of the United States for the purpose of laws administered by the Office of Personnel Management.

   (2) While pursuing on-job training or work experience in a State or local government agency the veteran shall have the employment status and rights comparable to those provided in paragraph (b)(1) of this section for a veteran pursuing on-job training or work experience at a Federal agency.

   (Authority: 38 U.S.C. 3115, Pub. L. 100-689)

(c) Terms applicable to training in State and local government. (1) The term State means each of the several States Territories, any possession of the United States, the District of Columbia, and the Commonwealth of Puerto Rico.

   (Authority: 38 U.S.C. 101(20))
(2) The term local government agency means an administrative subdivision of a
government including a county, municipality, city, town, township, public authority,
district, school district, or other such agency or instrumentality of a local government.
(3) The term Federal financial assistance means the direct or indirect provision of funds
by grant, loan, contract, or any other arrangement by the Federal government to a State or
local government agency.
(d) Additional considerations in providing on-job training and work experience in State
and local government agencies. (1) The veteran's progress and adjustment in a
rehabilitation program conducted wholly or in part at a State or local government agency
shall be closely monitored by VR&E staff members to assure that:
(i) Training and rehabilitation services are provided in accordance with the veteran's
rehabilitation plan. The plan shall provide for:
(A) Close supervision of the veteran's progress and adjustment by the case manager
during the period he or she is at the State or local government agency; and
(B) The employer's periodic certification (not less than once every three months) that the
veteran's progress and adjustment are in accordance with the program which has been
jointly developed by VA, the veteran and the employer; and
(ii) The veteran achieves his or her employment goal.
(2) Training may not be provided for a position which involves religious or political
activities;
(3) The veteran's training:
(i) Will not result in the displacement of currently employed workers; and
(ii) Will not be in a job while another person is laid off from a substantially equivalent
job, or will not be in a job the opening for which was created as a result of the employer
having terminated the employment of any regular employee or otherwise having reduced
its workforce with the intention of using the opening for a Chapter 31 trainee.

RATE OF PURSUIT

§ 21.310 Rate of pursuit of a rehabilitation program.
§ 21.312 Reduced work tolerance.
§ 21.314 Pursuit of training under special conditions.

§ 21.310 Rate of pursuit of a rehabilitation program.
(a) Programs offered at educational institutions. This section provides policy for determining the full-time and part-time rate of pursuit of a rehabilitation program by a veteran whose ability to pursue a program has not been reduced by the effects of disability.
(1) Measuring full and part-time training. VA will measure the full-time and part-time rate of pursuit of training offered at educational institutions according to the criteria found in §§ 21.4270 through 21.4275, except as provided in paragraphs (a) (2) and (3) of this section.
(2) Independent study course. (i) For certain seriously disabled veterans described in subdivision (i)(A) of this subparagraph VA may measure the veteran's enrollment:
(A) In an independent study course as half-time or greater training, or
(B) Both in independent study subjects and subjects requiring class attendance on the basis of the combined training load when the number of credit hours of independent study equals or exceeds the number of other credit hours.
(ii) To qualify for measurement described in paragraph (a)(2)(i) of this section:
(A) The seriously disabled veteran must have a disability or circumstances which preclude regular attendance at an institution of higher learning, and
(B) Independent study must be a sound method for providing the training necessary for restoring the veteran's employability.
(iii) In all other cases VA will measure independent study according to the provisions of § 21.4280.
(3) Special school. If training is pursued in a special school, such as those for persons with visual or hearing disabilities, the rate of pursuit will be measured under §§ 21.2470 through 21.4275 unless it is the established policy of the school to measure the rate of pursuit for full-time or particular level or part-time training based upon fewer semester, credit, or clock hours of attendance than prescribed in these regulations.
(4) Farm cooperative. If training in a farm cooperative program is provided by an educational institution, the rate of pursuit shall be determined the same as under § 21.4270 for that type of training.
(5) Course offered under contract. When a school or other entity furnishes all or part of a vocational rehabilitation program under contract with another school, VA will measure the course or courses as appropriate for the school or other entity actually providing the training.
(b) Education or training not furnished by an educational institution. The following types of training which are not furnished by an educational institution (§ 21.35(k)(3) may only be pursued full-time:
(1) On-job training. Full-time training in an on-job program is the lesser of the number of hours in the prevailing workweek for:
(i) Journeyman employees in the same job categories at the establishment where training is being provided;
(ii) Other persons in on-job training for the same or similar occupations at the facility where the veteran is training or at other facilities in the locality.
(2) Farm cooperative training. If training in a farm cooperative program is provided by an individual instructor, the full-time rate of pursuit must meet the requirements of § 21.126.
(3) Independent instructor. The full-time rate of pursuit for a veteran in an independent instructor program must meet the requirements of § 21.146.
(4) Training in the home. The full-time rate for a training program provided in the veteran's home must meet the requirements of § 21.146.
(5) Vocational course in a rehabilitation facility or sheltered workshop. A vocational course of training offered by a rehabilitation facility or sheltered workshop (§ 21.35(k)(5) and (6)), will be measured under provisions of § 21.4270(b) for trade or technical nonaccredited courses, unless it is the established policy of the facility to measure the rate of pursuit for full-time or a particular level of part-time training based upon fewer clock hours of attendance than provided in that regulation.
(c) Combination and cooperative programs. The rate of pursuit of a program which combines institutional training and on job training will be measured as follows:
(1) The institutional part will be assessed under §§ 21.4270 through 21.4275, and
(2) The on-the-job part will be assessed under paragraph (b)(1) of this section.
(d) Rehabilitative services. Measurement of the rate of pursuit for veterans in programs consisting primarily of services designed to evaluate and improve physical and psychological functioning will be assessed under this paragraph.
(1) The services assessed under this paragraph include:
(i) Evaluation and improvement of the rehabilitation potential of a veteran for whom attainment of a vocational goal is reasonably feasible;
(ii) Extended evaluation to determine whether attainment of a vocational goal is reasonably feasible; or
(iii) A program of independent living services to enable a veteran to function more independently in his or her family and community when attainment of a vocational goal is not reasonably feasible.
(2) Measurement of the rate of pursuit for services and programs named in paragraph (d)(1) of this section will be:
(i) As provided in paragraph (a) of this section for services furnished by educational institutions; or
(ii) According to the noneducational facility's customary criteria for full-time and part-time pursuit. If the facility does not have established criteria for full-time and part-time pursuit, or services are being provided by more than one facility, the rate of pursuit will be assessed in the following manner:

§ 21.312 Reduced work tolerance.
(a) General. VA will consider that a veteran with reduced work tolerance is pursuing a rehabilitation program full-time when the amount of time the veteran is devoting to his or her program is as great as the effects of his or her disability (service and nonservice-connected) will permit.
(b) Pursuit of a program. A veteran with reduced work tolerance may pursue a rehabilitation program when the following conditions are met:
   (1) Reduced work tolerance has been determined.
   (2) Achievement of the goals of the program are reasonably feasible;
   (3) The IWRP (Individualized Written Rehabilitation Plan) or other plan provides for completion of the program under Chapter 31.
(c) Redetermination of work tolerance. As necessary, but not less than once yearly, the veteran's work tolerance will be reevaluated. The rate of pursuit required to meet the standard of full-time pursuit will be modified if there is either an increase or decrease in the work tolerance of the veteran.
(d) Payment of allowance. A veteran with a reduced work tolerance will be paid a subsistence allowance, at the full-time rate for the type of program being pursued, when the veteran meets the standard for full-time pursuit established for him or her in the Plan. A veteran with reduced work tolerance, who elects benefits at the Chapter 34 rate, will have to meet normal attendance requirements for that chapter, however.
(e) Determining work tolerance. A VA physician will make all determinations and redeterminations of work tolerance.

§ 21.314 Pursuit of training under special conditions.
A veteran is required to pursue a rehabilitation program at a rate which meets the requirement for full- or part-time participation described in §§ 21.310 and 21.312. However, a veteran may pursue a rehabilitation program at a lesser rate, if such pursuit is a part of the veteran's plan. Subsistence allowance is not payable during such periods.
AUTHORIZATION OF SUBSISTENCE ALLOWANCE AND TRAINING AND REHABILITATION SERVICES

§ 21.320 Awards for subsistence allowance and authorization of rehabilitation services.
§ 21.322 Commencing dates of subsistence allowance.
§ 21.324 Reduction or termination dates of subsistence allowance.
§ 21.326 Authorization of employment services.
§ 21.328 Two veteran cases -- dependents.
§ 21.330 Apportionment.
§ 21.332 Payments of subsistence allowance.
§ 21.334 Election of payment at the chapter 30 rate.

§ 21.320 Awards for subsistence allowance and authorization of rehabilitation services.
Awards providing for payment of a subsistence allowance and authorization of services necessary for rehabilitation may be prepared when an IWRP (Individualized Written Rehabilitation Plan) or other plan has been completed and other requirements for entrance or reentrance into a rehabilitation program have been met.
(a) Commencing date of subsistence allowance. The commencing date of an award of subsistence allowance will be determined under the provisions of § 21.322.
(b) Commencing date of authorization of training and rehabilitation services. The commencing date for authorization of training and rehabilitation services is the same as the effective date for awards for subsistence allowance under provisions of § 21.322, except when:
   (1) The commencing date for authorization of a program of employment services is determined under provisions of § 21.326;
   (2) An earlier commencement date is established in the veteran's plan or the veteran is entitled to earlier induction under § 21.282;
   (3) The veteran elects payment at the educational assistance allowance rate, in which case the commencing date of payment is determined under provisions applicable to commencement of payment under Chapter 30.
   (Authority: 38 U.S.C. 3108 (a) and (f))
(c) Ending date of subsistence allowance. The ending date of an award for subsistence allowance will be the earliest of the following dates:
   (1) The ending date provided in the veteran's IWRP or other plan;
   (2) The ending date of a period of enrollment as certified by a training or rehabilitation facility;
   (3) The ending date specified in § 21.324.
   (Authority: 38 U.S.C. 3108)
(d) Ending date for training and rehabilitation services. The ending date of training and rehabilitation services will be the same as the termination date for subsistence allowance under paragraph (c) of this section, except when:
   (1) The ending date for a period of employment services is determined under provisions of § 21.326;
   (2) A later termination date is established in the veteran's plan;
§ 21.322 Commencing dates of subsistence allowance.

(a) General. VA will determine the commencing date of an award or increased award of subsistence allowance under this section. VA will not authorize subsistence allowance for any period prior to the earliest date for which disability compensation is payable or would be payable but for the veteran's receipt of retired pay.

(b) Entrance or reentrance into vocational rehabilitation, extended evaluation, independent living services. Except in the case of retroactive induction into a rehabilitation program, as provided in § 21.282, the commencing date of an award of subsistence allowance shall be the earlier of:

(1) The date the facility requires the veteran to report for prescribed activities; or
(2) The date training or rehabilitation services begin.

(c) Increases for dependents—(1) Dependency exists at the time of entrance or reentrance into a rehabilitation program. A veteran may have one or more dependents on or before the date he or she enters or reenters a rehabilitation program. When this occurs, the following rules apply:

(i) The effective date of the increase will be the date of entrance or reentrance if:

(A) VA receives the claim for the increase within one year of the date of entrance or reentrance; and

(B) VA receives any necessary evidence within 1 year of the date VA requested the evidence and informed the veteran of the time limits during which this evidence must be submitted. If VA fails to inform the veteran of these time limits, the period for submission of the evidence is adjusted in accordance with § 21.32 of this part.

(ii) The effective date of the increase will be the date VA receives notice of the dependents existence if:

(A) VA receives the claim for the increase more than one year after the date of entrance or reentrance; and

(B) VA receives any necessary evidence within 1 year of the date VA requested the evidence and informed the veteran of the time limits during which this evidence must be submitted. If VA fails to inform the veteran of these time limits, the period for submission of the evidence is adjusted in accordance with § 21.32 of this part.

(iii) The effective date of the increase will be the date VA receives all necessary evidence if that evidence is received more than one year from the date VA requested the evidence and informed the veteran of the time limits during which this evidence must be submitted. If VA fails to inform the veteran of these time limits, the period for submission of the evidence is adjusted in accordance with § 21.32 of this part.

(2) Dependency arises after entrance or reentrance into a rehabilitation program. If the veteran acquires a dependent after he or she enters or reenters a rehabilitation program, the increase will be effective on the latest of the following dates:
(i) Date of claim. This term means the following listed in order of their applicability:
(A) Date of the veteran's marriage, or birth of his or her child, or his or her adoption of a child, if the evidence of the event is received within one year from the date of the event;
(B) Date notice is received of the dependents's existence if evidence is received within 1 year from the date VA requested the evidence and informed the veteran of the time limits during which this evidence must be submitted. If VA fails to inform the veteran of these time limits, the period for submission of the evidence is adjusted in accordance with § 21.32 of this part.
(C) Date VA receives evidence of the dependent's existence if this date is more than one year after VA requested this evidence and informed the veteran of the time limits during which this evidence must be submitted. If VA fails to inform the veteran of the time limits, the period for submission of the evidence is adjusted in accordance with § 21.32 of this part.
(ii) Date dependency arises--(3) Increased award not permitted. No increased award for dependency may be paid prior to the date the law permits benefits for dependents generally.
(Authority: 38 U.S.C. 3108(b))
(d) Correction of military records. In accordance with the facts found, but not earlier than the date the change, correction, or modification was made by the service department, if eligibility of a veteran arises as the result of correction or modification of military records under 10 U.S.C. 1552, or change, correction or modification of a discharge or dismissal under 10 U.S.C. 1553, or other competent military authority.
(e) Bar to benefits removed by VA. In accordance with the facts found, but not earlier than the date the change was made by VA, if eligibility of a veteran arises as the result of review of the evidence of record regarding the character of discharge by VA, when the veteran's discharge or dismissal was a bar to benefits under 38 U.S.C. 5301.
(Authority: 38 U.S.C. 3103(b))
(f) Incarcerated veterans. (1) Date of release from Federal, State, or local penal institution of a veteran incarcerated for conviction of a felony.
(2) Earlier of the following dates in the case of a veteran residing in a half-way house or participating in a work-release program as a result of a felony conviction.
(i) Date of release from the half-way house or work-release program, or
(ii) Date a veteran becomes obligated to pay part of his or her living expenses.
(Authority: 38 U.S.C. 3108(g))
(g) Temporary 100 percent award terminated. Date of reduction of a temporary award of disability compensation at the 100 percent rate because of hospitalization.
(Authority: 38 U.S.C. 3108(h))
(h) Liberalizing laws and VA issues. In accordance with facts found, but not earlier than the date of the act or administrative issue.

(38 U.S.C. 5113)
CROSS-REFERENCE. See § 21.260(c) for definition of dependents.

§ 21.324 Reduction or termination dates of subsistence allowance.
(a) General. The effective date of the reduction of the amount paid or termination of payment of subsistence allowance will be the earliest of the dates specified in this section. If an award is reduced, the reduced rate will be effective the day following the date of termination of the greater benefit.

(b) Death of a veteran. Date of death, if death occurs while the veteran is in attendance or authorized leave status; otherwise date of last attendance.

(c) Death of a dependent. (1) Before October 1, 1982. Last day of the calendar year in which death occurs, unless the veteran's program is terminated earlier under other provisions.  
    (Authority: 38 U.S.C. 5113)  
    (2) After September 30, 1982. Last day of the month in which death occurs unless discontinuance is required at an earlier date under other provisions.  
    (Authority: 38 U.S.C. 5112(b), 5113)

(d) Divorce -- (1) Before October 1, 1982. Last day of the calendar year in which divorce occurs, unless the veteran's program is terminated earlier under other provisions.  
    (Authority: 38 U.S.C. 5113)  
    (2) After September 30, 1982. Last day of the month in which divorce occurs unless discontinuance is required at an earlier date under other provisions.  
    (Authority: 38 U.S.C. 5112(b), 5113)

(e) Child -- (1) Marriage -- (i) Before October 1, 1982. Last day of the month in which the marriage occurs, unless the veteran's program is terminated earlier under other provisions.  
    (Authority: 38 U.S.C. 5113)  
    (ii) After September 30, 1982. Last day of the month in which the marriage occurs, unless discontinuance is required at an earlier date under other provisions.  
    (Authority: 38 U.S.C. 5112(b), 5113)  
    (2) Age 18. Day preceding the child's 18th birthday.  
    (3) School attendance.  
        (i) Last day of the month in which the child ceases attending school; or  
        (ii) The day preceding the child's 23rd birthday, whichever is earlier.  
    (4) Helplessness. Last day of the month in which 60 days has passed from VA's notice to the payee that the child's helplessness has ceased.  
    (f) Interrupted, rehabilitation to the point of employability, independent living program completed, and extended evaluation completed status. Last day of attendance, or approved leave status, whichever is applicable.  
    (Authority: 38 U.S.C. 5113)

(g) Discontinued. Last day of attendance or approved leave status, whichever is applicable, except as follows:  
    (1) If VA places the veteran in "discontinued" status following the veteran's withdrawal from all courses with nonpunitive grades or following his or her completion of all courses with nonpunitive grades and the case manager does not find mitigating circumstances, VA will terminate subsistence allowance effective:  
        (i) The first date of the term, or  
        (ii) December 1, 1976, whichever is later.
(2) If VA places the veteran in "discontinued" status following a term in which the grades the veteran receives include both those that count in the grade point average and nonpunitive grades, and the case manager does not find mitigating circumstances:
   (i) VA will terminate subsistence allowance for courses in which the veteran receives nonpunitive grades effective the first day of the term or December 1, 1976, whichever is later.
   (ii) VA will terminate subsistence allowance for courses in which the veteran receives grades that will count in the grade point average effective the veteran's last day of attendance or approved leave status, whichever is applicable.
   (Authority: 38 U.S.C. 3680(a))

(h) Wages or salary received in apprentice or on-job training. (1) If the sum of the training wage plus the scheduled subsistence allowance is more than the journeyman wage when the training commences, the subsistence allowance will be decreased by VA effective the first day of the second month following the month in which the veteran enters on-job training.
   (2) Subsequent adjustments will be effective the first day of the second month following the month in which wages or salary changes are made which justify the adjustment under provisions of § 21.266(e).
   (Authority: 38 U.S.C. 3108)

(i) Reduction in rate of pursuit of the program. End of month in which reduction occurs, except that if the rate of pursuit is reduced as a result of the veteran's withdrawal from a unit course or courses with nonpunitive grade(s) or as a result of the veteran's completion of a unit course or courses with nonpunitive grade(s) (§ 21.4200(j)), VA will reduce subsistence allowance as follows:
   (1) If it is determined that there are mitigating circumstances:
      (i) Withdrawal with nonpunitive grades: The end of the month or the end of the term in which the veteran withdraws, whichever is earlier; if the reduction occurs at the beginning of the term benefits will be reduced the first day of the term in which the veteran withdraws.
      (ii) Completion with nonpunitive grades. No reduction required.
   (2) If it is determined there are no mitigating circumstances VA will reduce the veteran's subsistence allowance effective the first day of the term in which the veteran withdraws or which the veteran completes with nonpunitive grades. The term mitigating circumstances means circumstances beyond the veteran's or serviceperson's control which prevent him or her from continuously pursuing a rehabilitation program. The following circumstances are representative of those which are considered mitigating.
      (i) An illness of the program participant;
      (ii) An illness or death in the program participant's family;
      (iii) An unavoidable change in the veteran's conditions of employment;
      (iv) An unavoidable geographical transfer resulting from the veteran's employment;
      (v) Immediate family or financial obligations beyond the control of the veteran which are found by VA to require the veteran to suspend pursuit of the rehabilitation program;
      (vi) Discontinuance of the course by the educational institution;
      (vii) In the first instance of withdrawal on or after June 1, 1989 by a program participant from a course or courses with respect to which such veteran has been paid subsistence allowance under the provisions of § 21.260(b), mitigating circumstances shall be
considered to exist with respect to courses totaling not more than six semester hours or
the equivalent thereof;
(viii) Difficulties in obtaining child care or changes in such arrangements which are
beyond the control of the program participant and which require interruption of the
rehabilitation program is order for the participant to provide or arrange for such care.
(Authority: 38 U.S.C. 3680(a))

(j) Severance of service-connection. Last day of the month in which the severance
becomes final.
(Authority: 38 U.S.C. 5113)

(k) Fraud. The later of the following dates:
(1) The beginning date of the award of subsistence allowance, or
(2) The day preceding the date of the fraudulent act.
(Authority: 38 U.S.C. 6103(a))

(l) Error -- (1) Payee error. Effective date of the award of subsistence allowance or day
preceding the act, whichever is later, but not prior to the date the veteran's entitlement
ceases, on an erroneous award based on an act of commission or omission by a payee
with his or her knowledge.
(2) Administrative error. Except as provided in paragraph (j) of this section, date of last
payment on an erroneous award based solely on administrative error or an error in
judgment by a VA employee.

(m) Treasonable acts, subversive activities. The later of the following dates:
(1) Beginning date of the award of subsistence allowance, or
(2) Day preceding the date of commission of the treasonable act or subversive activities
for which the veteran is convicted.
(Authority: 38 U.S.C. 5113)

(n) Incarceration in prison or jail -- (1) Felony conviction. If a veteran's subsistence
allowance must be reduced because of incarceration for a felony conviction under
provisions of § 21.276, his or her rate of payment will be reduced the later of:
(i) The date of his or her incarceration in a prison or jail; or
(ii) The commencing date of his or her award as determined by § 21.322.
(2) Halfway house or work-release program. The subsistence allowance of a veteran in a
halfway house or work release program as a result of conviction of a felony will not be
reduced under the provisions of § 21.276 the date on which the Federal Government or a
State or local government pays all of the veteran's living expenses.

§ 21.326 Authorization of employment services.

© 2006 Matthew Bender & Company, Inc., a member of the LexisNexis Group. All rights reserved. Use of this product is subject to
the restrictions and terms and conditions of the Matthew Bender Master Agreement.
(a) General. Authorization of employment services shall be based upon the services identified and goals established in an IEAP (Individualized Employment Assistance Plan) under provisions of § 21.88. The effective dates for the commencement, or termination of such services will be determined under this section. 

(Authority: 38 U.S.C. 3117(a)) 

(b) Commencing date. The commencing date authorizing a period of employment services will be the later of: 

(1) The date following completion of the period of rehabilitation to the point of employability; or 

(2) The date of the original IEAP.

(Authority: 38 U.S.C. 3107, 3117(a))

(c) Termination of the authorization of employment services. Authorization for employment services will be terminated the earliest of: 

(1) The last day employment services are provided under the terms of an IEAP when employment services are interrupted, discontinued, or the veteran is rehabilitated; 

(2) The date the authorization is found to be erroneous because of an act of omission or commission by the veteran, or with his or her knowledge; 

(3) The last day of the month in which severance of service connection becomes final; 

(4) The day preceding the date of a fraudulent act; 

(5) The date preceding the commission of a treasonable or subversive act for which the veteran is convicted.

§ 21.328 Two veteran cases -- dependents.

If both partners in a marriage are veterans, and if each is receiving either subsistence allowance for a vocational rehabilitation program or an educational assistance allowance under another VA program, each is entitled to receive the additional allowances payable for each other and for their children.

[49 FR 40814, Oct. 18, 1984]

(38 U.S.C. 3108(a))

§ 21.330 Apportionment.

(a) General. Where in order, VA will apportion subsistence allowance in accordance with § 3.451 of this title, subject to the limitations of § 3.458 of this title. If the veteran is in receipt of benefits at the Chapter 30 rate, VA will not apportion these benefits.

(Authority: 38 U.S.C. 5307(c))

(b) Effective date. The effective date of apportionment will be as prescribed in § 3.400(e) of this title.

(Authority: 38 U.S.C. 5307(c))

(c) Child adopted out of family. Where evidence establishes that a veteran is the natural parent of a child or children legally adopted outside of the veteran's family, VA will apportion in favor of the child or children only that additional amount of subsistence allowance payable on account of the existence of the child or children. The veteran is not entitled in his or her own right to the additional amount of subsistence allowance payable
for the child because of the existence of the child unless the veteran is contributing to the child's support.
(Authority: 38 U.S.C. 5207(c))
(d) Veteran convicted of a felony. The subsistence allowance of a veteran in a rehabilitation program after October 17, 1980, may not be apportioned if the veteran is incarcerated because of conviction for a felony.
(Authority: 38 U.S.C. 3108(g))

§ 21.332 Payments of subsistence allowance.
(a) Eligibility. At the end of the month, VA shall pay to an eligible veteran enrolled in a rehabilitation program, subsistence allowance at the rates specified in § 21.260 for the type of program pursued during the month, unless advance payment is approved. VA will continue payments during those intervals described in § 21.270.
(Authority: 38 U.S.C. 3108)
(b) Advance payment criteria. VA will make an advance payment of subsistence allowance only when:
(1) The veteran specifically requests an advance payment; and
(2) The educational institution at which the veteran is accepted or enrolled has agreed to, and can carry out, satisfactorily, the provisions of 38 U.S.C. 3680(d) (4) and (5) pertaining to:
(i) Receipt, delivery or return of advance checks; and
(ii) Certifications of delivery and enrollment.
(c) Advance payment. (1) The amount of advance payment is not to exceed:
(i) The veteran's subsistence allowance for the month or part of a month in which his or her course will begin; plus
(ii) The veteran's subsistence allowance for the following month.
(2) Upon application and completion of arrangements for enrollment of a veteran who meets the criteria for an advance payment, VA shall mail a check payable to the veteran to the institution for delivery to the veteran upon registration.
(3) An institution shall not deliver an advance payment check to a veteran more than 30 days in advance of commencement of his or her program.
(d) Certification for advance payment. VA will authorize advance payment upon receipt of the institution's certification of the following information:
(1) The veteran is eligible for benefits;
(2) The institution has accepted the veteran or he or she is eligible to continue his or her training;
(3) The veteran has notified the institution of his or her intention to attend or to reenroll;
(4) The number of semester or clock hours the veteran will pursue; and
(5) The beginning and ending dates of the enrollment period.
(e) Time of advance payment. VA will authorize advance payment only:
(1) At the beginning of an ordinary school year; or
(2) At the beginning of any other enrollment period which begins after a break in enrollment of one full calendar month or longer.
(Authority: 38 U.S.C. 3680(d))
(f) Other payments. (1) VA will make all payments other than advance payments at the end of the month for the veteran's training during that month.
(2) VA may withhold final payment until:
(i) VA receives certification that the veteran has completed his or her course; and
(ii) VA makes all necessary adjustments in the veteran's award resulting from that certification.
(Authority: 38 U.S.C. 3680(g))

(g) Payments for courses which are repeated. VA may pay subsistence allowance to a veteran who repeats a course under conditions described in § 21.132.

(38 U.S.C. 3680(a))

§ 21.334 Election of payment at the chapter 30 rate.
(a) Election. When the veteran elects payment of an allowance at the chapter 30 rate, the effective dates for commencement, reduction and termination of the allowance shall be in accordance with §§ 21.7130 through 21.7135 and § 21.7050 under chapter 30.
(Authority: 38 U.S.C. 1808(f), 1780)

(b) Election of payment at the Chapter 30 rate subsequent to induction into a rehabilitation program. Election of payment at the Chapter 30 rate subsequent to induction into training is permissible under provisions of § 21.264 (a) and (b). The effective date of the election is the latest of the following dates:
(1) The commencing date determined under § 21.7131 in the case of a veteran who has elected payment at the chapter 30 rate; or
(2) The day following the end of the period for which VA paid tuition, fees or other program charges under this Chapter.
(Authority: 38 U.S.C. 3108(f))

(c) Reelection of subsistence allowance subsequent to induction. If a veteran reelects subsistence allowance under provisions of § 21.264(b) of this part, the effective date of change is earliest of the following:
(1) The date following completion of the term, semester, quarter, or other period of instruction in which the veteran is currently enrolled;
(2) The veteran's Chapter 30 delimiting date;
(3) The day after exhaustion of Chapter 30 entitlement; or
(4) The day following the date of a VA determination that failure to approve reelection would prevent the veteran from continuing the rehabilitation program.
(Authority: 38 U.S.C. 3108(f))

(d) Election or reelection during leave or between periods of instruction -- (1) Payment at the Chapter 30 rate. If an otherwise eligible veteran elects payment at the Chapter 30 rate during a period between periods of instruction, the effective date of the election shall be the first day of the next period of instruction.
(2) Subsistence allowance. If an otherwise eligible veteran reelects subsistence allowance during leave or between periods of instruction following election of payment at the Chapter 30 rate, the effective date of the change will be the date of the reelection or the beginning of the next period of training, whichever is to the veteran's benefit.
(Authority: 38 U.S.C. 3108(f))
(e) Effect of Chapter 34 program termination. (1) Since Chapter 34 benefits are not payable beyond December 31, 1989, any previous election of benefits at that rate is terminated as of that date;
(2) A veteran entitled to chapter 30 benefits based on his or her chapter 34 eligibility as of December 31, 1989, and whose election of chapter 34 rates terminated as of the date under paragraph (e)(1) of this section must, if the individual desires payment at the chapter 30 rate, elect such payment.

LEAVES OF ABSENCE

§ 21.344 Facility offering training or rehabilitation services.
§ 21.346 Facility temporarily not offering training or rehabilitation services.
§ 21.348 Leave following completion of a period of training or rehabilitation services.
§ 21.350 Unauthorized absences.

(a) General. VA may approve leaves of absence under certain conditions. During approved leaves of absence, a veteran in receipt of subsistence allowance shall be considered to be pursuing a rehabilitation program. Leave may be authorized for a veteran during a period of:
(1) Rehabilitation to the point of employability;
(2) Extended evaluation; or
(3) Independent living services.
(b) Election of subsistence allowance. If a veteran elects to receive subsistence allowance and payment of rehabilitation services by VA, he or she may be authorized leave of absence under §§ 21.342 through 21.350.
(c) Election of benefits at the chapter 30 rate. If a veteran elects to receive a subsistence allowance paid at the chapter 30 rate, the effect of absences is determined under §§ 21.7139 and 21.7154.
(38 U.S.C. 1508(f) and 1510)

(a) Amount of leave. A veteran pursuing one of the programs listed in § 21.340(a) may be authorized up to 30 days of leave by the case manager during a twelve-month period. The beginning date of the first twelve-month period is the commencing date of the original award, and the ending date is twelve months from the beginning date, with subsequent twelve-month periods running consecutively thereafter.
(b) Additional leave under exceptional circumstances. A veteran in a program may be authorized up to 15 additional days of leave during the twelve-month period by the case manager under exceptional circumstances, such as extended illness or family problems.
(c) Absence. For the purpose of determining when a leave of absence may be authorized, a veteran who elects subsistence allowance shall be considered absent during any period in which he or she is:
(1) Not in attendance under the rules and regulations of the educational institution, rehabilitation center, or sheltered workshop;
(2) Not considered at work under the rules of the training establishment; or
(3) Not present at a scheduled period of individual instruction.
(d) System of records. An educational institution, training establishment, rehabilitation center, or other facility or individual providing training and rehabilitation services under
Chapter 31 may utilize the same system of records to determine absence as the one used for similarly circumstanced nonveterans.

(e) Change in rate of pursuit. The amount of approved leave is not affected by the veteran's rate of pursuit of a rehabilitation program.

(f) Charging leave. VA shall charge 1 day of leave for each day or part of a day of absence from pursuit of a rehabilitation program.

(g) Limitation on carrying leave over to another period. The veteran may not carry over unused days of leave from one twelve-month period to another.

§ 21.344 Facility offering training or rehabilitation services.
(a) Approval of leaves of absence required. Leaves of absence normally must be approved in advance by the case manager when the facility offering training or rehabilitation services arranges for the leave. The approval of the case manager is required:
(1) During periods in a rehabilitation program identified in § 21.342(c); or
(2) A period of hospitalization at VA expense during one of the periods identified in § 21.342(c).

(b) Responsibility of the veteran in obtaining leave. VA will not authorize leave without a verbal or written request by the veteran, and the approval of the facility.

(c) Conditions permitting approval of leaves of absence. (1) The case manager may approve leaves of absence up to a total of 30 days during a twelve-month period if the facility certifies that the use of the leave does not interfere materially with the veteran's progress;
(2) An additional period of up to 15 days of leave in the same twelve-month period under exceptional circumstances may be approved by the case manager if failure to approve leave will:
(i) Result in personal hardship, or
(ii) Adversely affect the veteran's ability to continue in his or her rehabilitation program.

§ 21.346 Facility temporarily not offering training or rehabilitation services.
(a) Approval of leave of absence not required. A veteran may receive subsistence allowance, during a period when the facility temporarily is not offering services, without the veteran's being charged with leave when:
(1) The facility is closed temporarily under an executive order of the President or due to an emergency situation;
(2) The veteran is pursuing on-job training and he or she receives holidays established by Federal or State law;
(3) The veteran is pursuing farm cooperative training and is required in the ordinary day to day conduct of farm business to be absent:
(i) From the farm; or
(ii) From that part of a farm cooperative course which is given at the educational institution.
(4) The veteran is pursuing a standard college degree; and
(i) There is an interval between consecutive semesters, terms, quarters or periods of instruction within a certified enrollment period which does not exceed a full calendar month;
(ii) There is an interval, which does not exceed a full calendar month between semesters, terms or quarters when the educational institution only certifies enrollment on a semester, term, or quarter basis; or
(iii) There is an interval, which does not exceed 30 days, when the veteran, as part of his or her approved program of vocational rehabilitation, transfers from one educational institution to another for the purpose of enrolling in and pursuing a similar program at the second institution;
(5) The veteran is pursuing a non-college-degree course and there is a period of up to 5 days per twelve-month period during which the school offering non-college-degree courses is not operating, because instructors are attending professional meetings.
(b) Case manager responsibility. The case manager may disapprove leave under paragraph (a)(4) of this section if:
(1) Approval would result in or lead to use of more than 48 months of entitlement under Chapter 31, alone; or
(2) Approval would require extension of the scheduled completion date of the veteran's program.
(c) Approval of leaves of absence required. A veteran, who wishes to receive subsistence allowance while the facility temporarily is not offering training under conditions other than those identified in paragraph (a) of this section, must seek an approved leave of absence and be charged leave.

§ 21.348 Leave following completion of a period of training or rehabilitation services.
(a) Leave following completion of training or rehabilitation services. Leave may not be approved following completion of a period of rehabilitation services described in § 21.340(a).
(b) Postponement of the date of completion of a period of rehabilitation services prohibited. The date of completion of the veteran's program may not be extended for the purpose of allowing the veteran to use leave.

(38 U.S.C. 3110)

§ 21.350 Unauthorized absences.
A veteran who is unable to obtain an authorized leave of absence in advance may seek to have the unauthorized absence excused.
(a) Excusing unauthorized absences. VA may excuse an unauthorized absence and make proper charges against the veteran's leave when:
(1) The veteran has absented himself or herself when advance approval from VA is impracticable; and
(2) Conditions for approval of leave are otherwise met.
(b) Unexcused, unauthorized absences. When an unauthorized absence is not satisfactorily explained, VA will take necessary action, including recoupment of subsistence allowance for that period of absence.

§ 21.362 Satisfactory conduct and cooperation.

§ 21.364 Unsatisfactory conduct and cooperation.

§ 21.362 Satisfactory conduct and cooperation.

(a) General. The successful development and implementation of a program of rehabilitation services require the full and effective participation of the veteran in the rehabilitation process.

(1) The veteran is responsible for satisfactory conduct and cooperation in developing and implementing a program of rehabilitation services under Chapter 31;

(2) The staff is responsible for insuring satisfactory conduct and cooperation on the veteran's part; and

(3) VA staff shall take required action when the veteran's conduct and cooperation are not satisfactory. (See § 21.364)

(b) VA responsibility. VA shall make a reasonable effort to inform the veteran and assure his or her understanding of:

(1) The services and assistance which may be provided under Chapter 31 to help the veteran maintain satisfactory cooperation and conduct and to cope with problems directly related to the rehabilitation process, especially counseling services;

(2) Other services which VR&E staff can assist the veteran in securing through non-VA programs; and

(3) The specific responsibilities of the veteran in the process of developing and implementing a program of rehabilitation services, especially the specific responsibility for satisfactory conduct and cooperation.

(c) Veteran's responsibility. A veteran requesting or being provided services under Chapter 31 must:

(1) Cooperate with VA staff in carrying out the initial evaluation and developing a rehabilitation plan;

(2) Arrange a schedule which allows him or her to devote the time needed to attain the goals of the rehabilitation plan;

(3) Seek the assistance of VA staff, as necessary, to resolve problems which affect attainment of the goals of the rehabilitation plan;

(4) Conform to procedures established by VA governing pursuit of a rehabilitation plan including:

(i) Enrollment and reenrollment in a course;

(ii) Changing the rate at which a course is pursued;

(iii) Requesting a leave of absence;

(iv) Requesting medical care and treatment;

(v) Securing supplies; and

(vi) Other applicable procedures.

(5) Conform to the rules and regulations of the training or rehabilitation facility at which services are being provided.

(d) Responsibility for determining satisfactory conduct and cooperation. VR&E staff with case management responsibility in the veteran's case will:
(1) Monitor the veteran's conduct and cooperation as necessary to assure consistency with provisions of paragraph (c) of this section.
(2) Provide assistance which may be authorized under Chapter 31, or for which arrangements may be made under other programs to enable the veteran to maintain satisfactory conduct and cooperation.

[49 FR 40814, Oct. 18, 1984]

(38 U.S.C. 3111)

§ 21.364 Unsatisfactory conduct and cooperation.

(a) General. If VA determines that a veteran has failed to maintain satisfactory conduct or cooperation, VA may, after determining that all reasonable counseling efforts have been made and are found not reasonably likely to be effective, discontinue services and assistance to the veteran, unless the case manager determines that mitigating circumstances exist. In any case in which such services and assistance have been discontinued, VA may reinstitute such services and assistance only if the counseling psychologist determines that:
(1) The unsatisfactory conduct or cooperation of such veteran will not be likely to recur; and
(2) The rehabilitation program which the veteran proposes to pursue (whether the same or revised) is suitable to such veteran's abilities, aptitudes, and interests.

(b) Unsatisfactory conduct or cooperation exists. When the case manager determines that the veteran's conduct and/or cooperation are not in conformity with provisions of § 21.362(c), the case manager will:
(1) Discuss the situation with the veteran;
(2) Arrange for services, particularly counseling services, which may assist in resolving the problems which led to the veteran's unsatisfactory conduct or cooperation;
(3) Interrupt the program to allow for more intense efforts, if the unsatisfactory conduct and cooperation persist. If a reasonable effort to remedy the situation is unsuccessful during the period in which the program is interrupted, the veteran's case will be discontinued and assigned to "discontinued" status unless mitigating circumstances are found. When mitigating circumstances exist the case may be continued in "interrupted" status until VA staff determines the veteran may be reentered into the same or a different program because the veteran's conduct and cooperation will be satisfactory, or if a plan has been developed, to enable the veteran to reenter and try to maintain satisfactory conduct and cooperation. Mitigating circumstances include:
(i) The effects of the veteran's service and nonservice-connected condition;
(ii) Family or financial problems which have led the veteran to unsatisfactory conduct or cooperation; or
(iii) Other circumstances beyond the veteran's control.

(38 U.S.C. 3111)
§ 21.370 Intraregional travel at government expense.

(a) Introduction. VA may authorize transportation expenses for intraregional travel to a veteran in a rehabilitation program or a program of employment services for the purposes presented in paragraph (b) of this section. When approved for purposes stated in paragraph (b) of this section, authorization of travel is limited to the veteran's transportation, and does not include transportation for the veteran's dependents, or for moving personal effects.

(Authority: 38 U.S.C. 11, 3104(a)(13))

(b) Necessary condition for intraregional travel at government expense. VA may authorize a veteran to travel at government expense within the regional territory of the VA field station of jurisdiction when:

(1) VA determines that the travel is necessary in the discharge of the government's obligation to the veteran; and

(2) The veteran is instructed to travel for any of the following reasons:

(i) To report to the chosen school or training facility for the purpose of starting training;

(ii) To report to a prospective employer-trainer for an interview prior to induction into training, when there is definite assurance in advance of approving the travel that, upon interview, the employer will start the veteran in training, if the employer finds the veteran acceptable, or

(iii) To report to the chosen school for a personal interview prior to induction into training when:

(A) The school requires the interview as a condition of admission,

(B) There is assurance before the travel is approved that the veteran's records (school, counseling, etc.) show he or she meets all basic requirements for induction under § 21.282; and

(C) The veteran submits to the school a transcript of his or her high school credits and a transcript from any school he or she attended following high school.

(iv) To report to a rehabilitation facility or sheltered workshop;

(v) To return to his or her home from the training or rehabilitation facility when:

(A) Services are not available for a period of 30 days or more (including summer vacation periods), and

(B) Travel from his or her home to the training or rehabilitation facility was at government expense;

(vi) To return to the training or rehabilitation facility from his or her home, when:

(A) The purpose of the travel is to continue the rehabilitation program, and

(B) Travel from the training or rehabilitation facility to the veteran's home was at government expense;
(vii) To return to the point from which he or she was transported at government expense, upon being placed in "discontinued" or "interrupted" status for any reason, except abandonment of training by the veteran without good reason;
(viii) To report to a place of prearranged satisfactory employment upon completion of vocational rehabilitation for the purpose of beginning work;
(ix) To return to his or her home from the place of training following rehabilitation to the point of employability, when suitable employment is not available;
(x) To return from the place of training to the veteran's prior location, when VA could have approved travel to the place of training at government expense, but did not issue the necessary travel authorization; and
(xi) To report to a place to take a scheduled examination required to practice the trade or profession for which the veteran has been trained. This travel shall be limited to points within the state in which the veteran has pursued his or her training or, if the veteran returned to the state from which he or she was sent to pursue training, he or she may be sent at government expense to a place within that state to take the examination. If there is more than one place within the state at which the veteran may take the examination, travel shall be limited to the nearest place.

(Authority: 38 U.S.C. 111)

(c) Approval of intraregional transfer. Intraregional travel must be approved by the case manager.
[49 FR 40814, Oct. 18, 1984; 50 FR 9622, Mar. 11, 1985]

(38 U.S.C. 3104(a)(13))

§ 21.372 Interregional transfer at government expense.
(a) Introduction. A veteran may need to transfer from the jurisdiction of one VA facility to another in order to accomplish rehabilitation. This section states the conditions which will permit the transfer to be made at government expense. Authorization of travel is limited to the veteran's transportation, and does not include transportation for the veteran's dependents or for moving personal effects.

(Authority: 38 U.S.C. 111, 3104(a)(13))

(b) Conditions which permit interregional transfers at government expense. A veteran may be provided travel at government expense when it has been determined that such travel is necessary to accomplish rehabilitation. VA will authorize an interregional transfer at government expense only to allow the veteran:

(1) To enter training in the nearest satisfactory facility if:
(i) The nearest satisfactory facility is within the jurisdiction of another VA facility; or
(ii) There are no satisfactory facilities within the jurisdiction of the facility in which the veteran resides.
(2) To enter training in the state in which the veteran has long-standing family and social ties, and in which he or she plans to live following rehabilitation;
(3) To report to an employer-trainer when all necessary steps have been taken to establish an on-job training program;
(4) To report to rehabilitation facility or sheltered workshop;
(5) To return to his or her home from the place of training when:
(i) Training is not available for a period of 30 days or more (including summer vacation periods), and
(ii) Travel from his or her home to the place of training or rehabilitation services was at government expense;
(6) To return to the place of training or rehabilitation services from his or her home, when;
   (i) The purpose of the travel is to continue training or rehabilitation services; and
   (ii) Travel from the place of training or rehabilitation services to the veteran's home was at government expense;
(7) To return to the point from which he or she was transferred at government expense, upon being assigned to "discontinued" or "interrupted" status, for any reason, except abandonment of training by the veteran without good reason;
(8) To report to a place of prearranged satisfactory employment or for a prearranged employment interview following completion of his or her program of vocational rehabilitation, when:
   (i) There is no satisfactory opportunity for employment in the veteran's occupation within the jurisdiction of the facility which has jurisdiction over his or her residence, and
   (ii) The veteran has a serious employment handicap.
(9) To return to his or her home, from which he or she was transferred at government expense to pursue training, when, upon completion of his or her course, satisfactory employment is not available;
(10) To return to the location from which he or she traveled without authorization because VA did not issue the necessary travel authorization on a timely basis.
(Authority: 38 U.S.C. 111)

c) Approval of interregional transfer. Interregional travel must be approved by the case manager.
[49 FR 40814, Oct. 18, 1984]

(38 U.S.C. 3104(a)(13))

(a) Travel for attendants. The services of an attendant to accompany a veteran while traveling for rehabilitation purposes may be provided when such services are necessitated by the severity of the veteran's disability. Attendants may only be used to enable a veteran to attend appointments for initial evaluation, counseling, or intraregional or interregional travel at government expense under § 21.370 and § 21.372.
(Authority: 38 U.S.C. 111)
(b) Attendants not employed by the Federal government. (1) VA may authorize persons not in regular civilian employment of the Federal government to act as attendants. Payment of travel expenses for attendants will be authorized on the same basis as for the veteran the attendant is accompanying. VA:
   (i) Will furnish the attendant with common-carrier transportation, meal and lodging expenses; or
   (ii) Will grant the attendant a mileage allowance in lieu of furnishing the assistance cited in paragraph (b)(1)(i) of this section.
(2) VA will not pay the attendant a fee if he or she is a relative of the veteran. A relative, for this purpose, is a person who by blood or marriage is the veteran's
   (i) Spouse,
   (ii) Parent,
(iii) Child,
(iv) Brother,
(v) Sister,
(vi) Uncle,
(vii) Aunt,
(viii) Niece, or
(ix) Nephew.

(c) Attendant employed by the Federal government. (1) VA may authorize a person in the regular civilian employment of the Federal government to act as an attendant. When assigned, the attendant:
(i) Will be entitled to transportation and expenses, or
(ii) May be allowed per diem in place of subsistence in accordance with the provisions of the Federal Travel Regulations (5 U.S.C. Chapter 57).

(2) VA will pay no fee to civilian employees of the Federal government who act as attendants.

§ 21.376 Travel expenses for initial evaluation and counseling.
When VA asks a disabled veteran to report to a designated place for an initial evaluation, reevaluation or counseling (including personal or vocational adjustment counseling), the veteran will travel to and from the place of evaluation and counseling at government expense. When a veteran, because of a severe disability, requires the services of an attendant while traveling, VA will authorize payment of travel expenses for the attendant under the provisions of § 21.374.

§ 21.382 Training and staff development for personnel providing assistance under Chapter 31.

§ 21.380 Establishment of qualifications for personnel providing assistance under Chapter 31.
(a) General. Notwithstanding any other provision of law or regulation, VA shall establish qualification standards for VBA personnel providing evaluation, rehabilitation, and case management services to eligible veterans under chapter 31, including:
(1) Counseling psychologists;
(2) Vocational rehabilitation specialists; and
(3) Other staff providing professional and technical assistance.
(b) Rehabilitation Act of 1973. VA shall consider qualification standards established for comparable personnel under the Rehabilitation Act of 1973, when setting agency standards.

(38 U.S.C. 3118(c))

§ 21.382 Training and staff development for personnel providing assistance under Chapter 31.
(a) General. VA shall provide a program of ongoing professional training and development for staff of the VR&E Service engaged in providing rehabilitation services under chapter 31. The objective of such training shall be to insure that rehabilitation services for disabled veterans are provided in accordance with the most advanced knowledge, methods, and techniques available for the rehabilitation of disabled persons. The areas in which training and development services may be provided to enhance staff skills include:
(1) Evaluation and assessment;
(2) Medical aspects of disability;
(3) Psychological aspects of disability;
(4) Counseling theory and techniques;
(5) Personal and vocational adjustment;
(6) Occupational information;
(7) Placement processes and job development;
(8) Special considerations in rehabilitation of the seriously disabled;
(9) Independent living services;
(10) Resources for training and rehabilitation; and
(11) Utilizing research findings and professional publications.
(Authority: 38 U.S.C. 3118)
(b) Training and development resources. For the purpose of carrying out the provisions of paragraph (a) of this section VA may:
(1) Employ the services of consultants;
(2) Make grants to and contract with public and private agencies, including institutions of higher learning, to conduct workshop and training activities;
(3) Authorize individual training at institutions of higher learning and other appropriate facilities; and
(4) Utilize chapter 41 of title 5, U.S.C., and related instructions to provide training and staff development activities on a group and individual basis.
(Authority: 38 U.S.C. 3118(b))
(c) Interagency coordination. VA shall coordinate with the Commissioner of the Rehabilitation Services Administration and the Assistant Secretary for Veterans' Employment in planning and carrying out personnel training in areas of mutual programmatic concern.

(38 U.S.C. 3118(c))
§ 21.390 Rehabilitation research and special projects.

(a) General. VA shall carry out an ongoing program of activities for the purpose of advancing the knowledge, methods, techniques, and resources available for use in rehabilitation programs for veterans. For this purpose, VA may conduct research and development, provide support for research and development, or both conduct and provide support for the development and conduct of:

(1) Studies and research concerning the psychological, educational, social, vocational, industrial, and economic aspects of rehabilitation; and

(2) Projects which are designed to increase the resources and potential for accomplishing the rehabilitation of disabled veterans.

(Authority: 38 U.S.C. 3119(a))

(b) Grants. VA may make grants to, or contract with, public on nonprofit agencies, including institutions of higher learning, to carry out the provisions of paragraph (a) of this section.

(Authority: 38 U.S.C. 3119(b))

(c) Research by Vocational Rehabilitation and Employment (VR&E) staff members. VA will encourage research by VR&E staff members. This research will address problems affecting service delivery, initiation and continuation in rehabilitation programs, and other areas directly affecting the quality of VR&E services to veterans.

(Authority: 38 U.S.C. 3119(a))

(d) Interagency coordination. VA shall cooperate with the Commissioner of the Rehabilitation Services Administration and the Director of the National Institute of Handicapped Research in the Department of Education, the Assistant Secretary for Veterans' Employment in the Department of Labor, and the Secretary of Health and Human Services regarding rehabilitation studies, research, and special projects of mutual programmatic concern. § 21.400 Veterans' Advisory Committee on Rehabilitation.

§ 21.402 Responsibilities of the Veterans' Advisory Committee on Rehabilitation.

§ 21.400 Veterans' Advisory Committee on Rehabilitation.
(a) General. The Secretary shall appoint an advisory committee to be known as the Veterans' Advisory Committee on Rehabilitation.
(b) Purpose. The purposes of the Veterans' Advisory Committee on Rehabilitation, hereafter referred to as the committee, are to:
(1) Assess the rehabilitation needs of service and nonservice-disabled veterans; and
(2) Review the programs and activities of VA designed to meet such needs;
(Authority: 38 U.S.C. 3121(c))
(c) Members. The committee shall include:
(1) Members of the general public;
(2) Appropriate representation of veterans with service-connected disabilities; and
(3) Persons who have distinguished themselves in the public and private sectors in the fields of rehabilitation, and employment and training programs.
(d) Members terms. The Secretary shall appoint members of the committee for three-year terms. Members may be reappointed for additional three-year terms.
(e) Chairperson. The Secretary will designate one of the members of the committee to chair the committee.
(f) Ex-officio members. The committee shall also include ex-officio members named by the following agencies. The ex-officio members shall include one representative from:
(1) The Veterans Health Services and Research Administration;
(2) The Veterans Benefits Administration;
(3) The Rehabilitation Services Administration and one from the National Institute for Handicapped Research of the Department of Education; and
(4) The Assistant Secretary of Labor for Veterans' Employment of the Department of Labor.

§ 21.402 Responsibilities of the Veterans' Advisory Committee on Rehabilitation.
(a) Consultation with the Secretary. The Secretary shall regularly, but not less than twice yearly, consult with and seek the advice of the committee with respect to the administration of veterans' rehabilitation programs authorized under Title 38, United States Code.
(b) Submission of an annual report. The committee shall:
(1) Submit to the Secretary an annual report on the rehabilitation programs and activities of the VA; and
(2) Submit such other reports and recommendations to the Secretary as the committee determines appropriate.
(c) Contents of the committee's annual report. The committee's annual report shall include:
(1) An assessment of the rehabilitation needs of veterans; and
(2) A review of the programs and activities of VA designed to meet needs identified in paragraph (c)(1) of this section.
(d) Secretary's annual report. The findings of the committee shall be incorporated in the Secretary's annual report submitted to the Congress under 38 U.S.C. 529. In addition the Secretary shall submit, together with this annual report, a copy of all reports and recommendations of the committee submitted to the Secretary since the previous annual report was submitted to the Congress.

ADDITIONAL ADMINISTRATIVE CONSIDERATION

§ 21.412 Finality of decisions.
§ 21.414 Revision of decision.

The Secretary delegates authority to the Under Secretary for Benefits to make findings and decisions under 38 U.S.C. chapter 31 and regulations, precedents, and instructions that affect vocational rehabilitation services for disabled veterans. The Under Secretary for Benefits may further delegate this authority to supervisory and non-supervisory Vocational Rehabilitation and Employment staff members.

(38 U.S.C. 512(a))

§ 21.412 Finality of decisions.
(a) Facility of original jurisdiction. The decision of a VA facility in a given veteran's case:
(1) Will be final and binding upon all field stations of VA as to conclusions based on evidence on file at that time; and
(2) Will not be subject to revision on the same factual basis except by duly constituted appellate authorities or except as provided in §§ 21.410 and 21.414. (See §§ 19.153, 19.154, and 19.155.
(Authority: 38 U.S.C. 512(a), 7103)
(b) Adjudicative determinations. Current determinations of line of duty, character of discharge, relationship, and other pertinent elements affecting eligibility for training and rehabilitation services or payment of subsistence allowance under Chapter 31, made by an adjudicative activity by application of the same criteria and based on the same facts, are binding upon all other adjudicative activities in the absence of clear and unmistakable error.
[49 FR 40814, Oct. 18, 1984]

(38 U.S.C. 512(a))

§ 21.414 Revision of decision.
The revision of a decision on which an action is based is subject to the following regulations:
(a) Clear and unmistakable error, § 3.105(a);
(b) Difference of opinion, § 3.105(b);
(c) Character of discharge, § 3.105(c);
(d) Severance of service-connection, § 3.105(d);
(e) Reduction to less than compensable evaluation, § 3.105(e). (See §§ 21.48, 21.322, and 21.324)
[49 FR 40814, Oct. 18, 1984]
§ 21.420 Informing the veteran.
§ 21.422 Reduction in subsistence allowance following the loss of a dependent.

§ 21.420 Informing the veteran.
(a) General. VA will inform a veteran in writing of findings affecting receipt of benefits and services under Chapter 31. This includes veterans:
(1) Requesting benefits and services; or
(2) In receipt of benefits and services.
(b) Notification. (1) Each notification should include the decision or finding, the reasons, including fact and law, for the decision, the effective date of the decision or finding; and
(2) The veteran's appeal rights, if any.
(c) Adverse action. An adverse action is one, other than an interim action such as a suspension of benefits pending development, which:
(1) Denies Chapter 31 benefits, when such benefits have been requested;
(2) Reduces or otherwise diminishes benefits being received by the veteran; or
(3) Terminates receipt of benefits for reasons other than scheduled interruptions which are a part of the veteran's plan.
(d) Prior notification of adverse action. VA shall give the veteran a period of at least 30 days to indicate his or her disagreement with an adverse action other than one which arises as a consequence of a change in training time or other such alteration in circumstances. If the veteran disagrees, he or she shall be given the opportunity, before appealing the adverse action as provided in § 21.59 of this part, to:
(1) Meet informally with a representative of VA;
(2) Review the basis for VA decision, including any relevant written documents or material; and
(3) Submit to VA any material which he or she may have relevant to the decision.

§ 21.422 Reduction in subsistence allowance following the loss of a dependent.
(a) Notice of reduction required when a veteran loses a dependent. (1) Except as provided in paragraph (a)(2) of this section, VA will not reduce an award of subsistence allowance following the veteran's loss of a dependent unless:
(i) VA has notified the veteran of the adverse action, and
(ii) VA has provided the veteran with a period of 60 days in which to submit evidence for the purpose of showing that subsistence allowance should not be reduced.
(2) When the reduction is based solely on written, factual, unambiguous information as to dependency provided by the veteran or his or her fiduciary with knowledge or notice that the information would be used to determine the monthly rate of subsistence allowance;
(i) VA is not required to send a pre-reduction notice as stated in paragraph (a)(1) of this section, but;
(ii) VA will send notice contemporaneous with the reduction in subsistence allowance.
(Authority: 38 U.S.C. 5112, 5113)
(b) Pre-reduction notice. Where a reduction in subsistence allowance is proposed by reason of information concerning dependency received from a source other than the veteran, VA will:
(1) Prepared a proposal for the reduction of subsistence allowance, setting forth material facts and reasons;
(2) Notify the veteran at his or her latest address of record of the proposed action;
(3) Furnish detailed reasons for the proposed reduction;
(4) Inform the veteran that he or she has an opportunity for a predetermination hearing, provided that VA receives a request for such a hearing within 30 days from the date of the notice; and
(5) Give the veteran 60 days for the presentation of additional evidence to show that the subsistence allowance should be continued at its present level.

(Authority: 38 U.S.C. 5112, 5113)

(c) Predetermination hearing. (1) If VA receives a timely request for a predetermination hearing as indicated in paragraph (b)(4) of this section:

(i) VA will notify the veteran in writing of the date, time and place for the hearing; and

(ii) Payments of subsistence allowance will continue at the previously established level pending a final determination concerning the proposed reduction.

(2) The hearing will be conducted by a VA employee who:

(i) Did not participate in the preparation of the proposal to reduce the veteran's subsistence allowance, and

(ii) Will bear the decision-making responsibility.

(Authority: 38 U.S.C. 5112, 5113)

(d) Final action. VA will take final action following the predetermination procedures specified in paragraph (c) of this section.

(1) If a predetermination hearing was not requested or if the veteran failed to report for a scheduled predetermination hearing, the final action will be based solely upon the evidence of record at the expiration of 60 days.

(2) If a predetermination hearing was conducted, VA will base final action upon:

(i) Evidence presented at the hearing;

(ii) Evidence contained in the claims file at the time of the hearing; and

(iii) Any additional evidence obtained following the hearing pursuant to necessary development.

(3) Whether or not a predetermination hearing was conducted, a written notice of the final action shall be issued to the veteran setting forth the reasons for the decision, and the evidence upon which it is based. The veteran will be informed of his or her appellate rights and right of representation. (For information concerning the conduct of the hearing see § 3.103 (c) and (d) of this chapter).

(4) When a reduction of subsistence allowance is found to be warranted following consideration of any additional evidence submitted, the effective date of the reduction or discontinuance shall be as specified under the provisions of § 21.324 of this part.

(38 U.S.C. 5112, 5113)
ACCOUNTABILITY

§ 21.430 Accountability for authorization and payment of training and rehabilitation services.

§ 21.430 Accountability for authorization and payment of training and rehabilitation services.

(a) General. VA shall maintain policies and procedures which provide accountability in the authorization and payment of program costs for training and rehabilitation services. The procedures established under this section are applicable to all program costs except subsistence allowance (or the optional allowance at Chapter 34 rates). Policies and procedures governing payment of subsistence allowance are governed by §§ 21.260 through 21.276, and §§ 21.320 through 21.334.

(b) Determining necessary costs for training and rehabilitation services. The estimates of program costs during a calendar year or lesser period shall be based upon the services necessary to carry out the veteran's rehabilitation plan during that period (§§ 21.80 through 21.98). The estimates will be developed by the VBA case manager. If additional approval is required, the VBA case manager shall secure such additional approval prior to authorization of services.

(c) Vocational Rehabilitation and Employment (VR&E) Officer's review of program costs. The VR&E Officer will review the program costs for the services in paragraphs (c)(1) through (c)(3) of this section if the case manager's program cost estimate for a calendar year exceeds $25,000. The VR&E Officer may not delegate this responsibility. The case manager will neither sign a rehabilitation plan nor authorize expenditures before the VR&E Officer approves the program costs. The services subject to this review are:

(1) Providing supplies to help establish a small business;
(2) A period of extended evaluation; or
(3) A program of independent living services.

Subpart B -- Claims and Applications for Educational Assistance

CLAIMS
EDITORIAL NOTE: The regulations formerly appearing under this subpart were revoked at 30 FR 14103, Nov. 9, 1965. That order provided in part, "these regulations remain in force insofar as they are pertinent to any problems, appeals, litigation, or determinations of liability of educational institutions or training establishments for overpayments under 38 U.S.C. 1666."
CLAIMS

§ 21.1029 Definitions.
§ 21.1030 Claims.
§ 21.1031 VA responsibilities when a claim is filed.
§ 21.1032 Time limits.

§ 21.1029 Definitions.

These definitions apply to this subpart, and to subparts C, D, G, H, K, and L of this part.

(a) Abandoned claim. A claim is an abandoned claim if:

(1) In connection with a formal claim VA requests that the claimant furnish additional evidence, and the claimant --

(i) Does not furnish that evidence within one year of the date of the request; and

(ii) Does not show good cause why the evidence could not have been submitted within one year of the date of the request; or

(2) In connection with an informal claim, VA requests a formal claim, and --

(i) VA does not receive the formal claim within one year of the date of request; and

(ii) The claimant does not show good cause why he or she could not have filed the formal claim in sufficient time for VA to have received it within one year of the date of the request.

(Authority: 38 U.S.C. 5103(a))

(b) Date of claim. The date of claim is the date on which a valid claim or application for educational assistance is considered to have been filed with VA, for purposes of determining the commencing date of an award of that educational assistance.

(1) If an informal claim is filed and VA receives a formal claim within one year of the date VA requested it, or within such other period of time as provided by § 21.1032, the date of claim, subject to the provisions of paragraph (b)(3) of this section, is the date VA received the informal claim.

(2) If a formal claim is filed other than as described in paragraph (b)(1) of this section, the date of claim, subject to the provisions of paragraph (b)(3) of this section, is the date VA received the formal claim.

(3) If a formal claim itself is abandoned and a new formal or informal claim is filed, the date of claim is as provided in paragraph (b)(1) or (b)(2) of this section, as appropriate.

(Authority: 38 U.S.C. 5103)

(c) Formal claim. A claim is a formal claim when the claimant (or his or her authorized representative) files the claim with VA, and --

(1) The claim is a claim for --

(i) Educational assistance;

(ii) An increase in educational assistance; or

(iii) An extension of the eligibility period for receiving educational assistance; and

(2) If there is a form (either paper or electronic) prescribed under this part, the claim is filed on that form.

(Authority: 38 U.S.C. 5101(a))

(d) Informal claim. (1) If a form (either paper or electronic) has been prescribed under this part to use in claiming the benefit sought, the term informal claim means --
(i) Any communication from an individual, or from an authorized representative or a Member of Congress on that individual's behalf that indicates a desire on the part of the individual to claim or to apply for VA-administered educational assistance; or
(ii) A claim from an individual or from an authorized representative on that individual's behalf for a benefit described in paragraph (c)(1)(i) of this section that is filed in a document other than in the prescribed form.
(2) If a form (either paper or electronic) has not been prescribed to use in claiming the benefit sought, the term informal claim means any communication, other than a formal claim, from an individual, or from an authorized representative or a Member of Congress on that individual's behalf that indicates a desire on the part of the individual to claim or to apply for VA-administered educational assistance.
(3) When VA requests evidence in connection with a claim, and the claimant submits that evidence to VA after having abandoned the claim, the claimant's submission of the evidence is an informal claim.
(4) The act of enrolling in an approved school is not an informal claim.
(5) VA will not consider a communication received from a service organization, an attorney, or agent to be an informal claim if a valid power of attorney, executed by the claimant, is not in effect at the time the communication is written.
(Authority: 10 U.S.C. 16136(b); 38 U.S.C. 3034(a), 3241(a), 3471, 3513, 5101(a), 5102, 5901)
(e) VA. The term VA means the United States Department of Veterans Affairs.

[EFFECTIVE DATE NOTE: 64 FR 23769, 23770, May 4, 1999, added this section, effective June 3, 1999.]

§ 21.1030 Claims.
An individual must file a formal claim for educational assistance for pursuit of a program of education, indicating the proposed place of training, the school or training establishment, the objective of the program of education, and such other information as the Secretary may require. A servicemember also must consult with his or her service education officer before filing a formal claim for educational assistance.
(The Office of Management and Budget has approved the information collection requirements in this section under control number 2900-0596.)

(38 U.S.C. 3471)
[EFFECTIVE DATE NOTE: 63 FR 23769, 23771, May 4, 1999, revised this section, effective June 3, 1999.]

§ 21.1031 VA responsibilities when a claim is filed.
(a) VA will furnish forms. VA will furnish all necessary claim forms, instructions, and, if appropriate, a description of any supporting evidence required upon receipt of an informal claim.
(Authority: 38 U.S.C. 5102)
(b) Request for additional evidence. If a formal claim for educational assistance is incomplete, or if VA requires additional evidence or information to adjudicate the claim, VA will notify the claimant of the evidence and/or information necessary to complete or adjudicate the claim and of the time limit provisions of § 21.1032(a).
(Authority: 38 U.S.C. 5103)

[EFFECTIVE DATE NOTE: 64 FR 23769, 23771, May 4, 1999, revised this section, effective June 3, 1999.]

§ 21.1032 Time limits.

The provisions of this section are applicable to informal claims and formal claims.

(a) Failure to furnish form, information, or notice of time limit. VA's failure to give a claimant or potential claimant any form or information concerning the right to file a claim or to furnish notice of the time limit for the filing of a claim will not extend the time periods allowed for these actions.
(Authority: 38 U.S.C. 5101, 5113)

(b) Notice of time limit for filing evidence. If a claimant's claim is incomplete, VA will notify the claimant of the evidence necessary to complete the claim. Unless payment of educational assistance is permitted by paragraph (e) of this section, if the evidence is not received within one year from the date of such notification, VA will not pay educational assistance by reason of that claim.
(Authority: 38 U.S.C. 5103)

(c) Time limit for filing a claim for an extended period of eligibility under 38 U.S.C. chapter 30, 32, or 35, and 10 U.S.C. chapter 1606. VA must receive a claim for an extended period of eligibility provided by § 21.3047, § 21.5042, § 21.7051, or § 21.7551 by the later of the following dates.
(1) One year from the date on which the spouse's, surviving spouse's, veteran's, or reservist's original period of eligibility ended; or
(2) One year from the date on which the spouse's, surviving spouse's, veteran's, or reservist's physical or mental disability no longer prevented him or her from beginning or resuming a chosen program of education.
(Authority: 10 U.S.C. 16133(b); 38 U.S.C. 3031(d), 3232(a), 3512)

(d) Time limit for filing for an extension of eligibility due to suspension of program (38 U.S.C. chapter 35).

VA must receive a claim for an extended period of eligibility due to a suspension of an eligible child's program of education as provided in § 21.3043 by the later of the following dates.
(1) One year from the date on which the child's original period of eligibility ended; or
(2) One year from the date on which the condition that caused the suspension of the program of education ceased to exist.
(Authority: 38 U.S.C. 3512(c))

(e) Extension for good cause. (1) VA may extend for good cause a time limit within which a claimant or beneficiary is required to act to perfect a claim or challenge an
adverse VA decision. VA may grant such an extension only when the following conditions are met:
(i) When a claimant or beneficiary requests an extension after expiration of a time limit, he or she must take the required action concurrently with or before the filing of that request; and
(ii) The claimant or beneficiary must show good cause as to why he or she could not take the required action during the original time period and could not have taken the required action sooner.
(2) Denials of time limit extensions are separately appealable issues.
(Authority: 38 U.S.C. 5101, 5113)
(f) Computation of time limit. (1) In computing the time limit for any action required of a claimant or beneficiary, including the filing of claims or evidence requested by VA, VA will exclude the first day of the specified period, and will include the last day. This rule is applicable in cases in which the time limit expires on a workday. When the time limit would expire on a Saturday, Sunday, or holiday, the VA will include the next succeeding day in the computation.
(2) The first day of the specified period referred to in paragraph (f)(1) of this section will be the date of the letter of notification to the claimant or beneficiary for purposes of computing time limits. As to appeals, see §§ 20.302 and 20.305 of this chapter.

(iv) Person who is on active duty as a member of the Armed Forces and who now is, and, for a period of more than 90 days, has been, listed by the Secretary concerned as missing in action, captured in line of duty by a hostile force, or forcibly detained or interned in line of duty by a foreign government or power.
(2) The surviving spouse of a:
(i) Veteran who died of a service-connected disability.
(ii) Veteran who died while having a disability evaluated as total and permanent in nature resulting from a service-connected disability, arising out of active military, naval or air
service after the beginning of the Spanish-American War. (See §§ 3.6(a) and 3.807 of this chapter.)

(3) The spouse of a:
(i) Veteran, serviceman or servicewoman who has a total disability permanent in nature resulting from a service-connected disability.
(ii) Person who is on active duty as a member of the Armed Forces and who now is, and, for a period of more than 90 days, has been, listed by the Secretary concerned as missing in action, captured in line of duty by a hostile force, or forcibly detained or interned in line of duty by a foreign government or power.

(b) Child means a son or daughter of a veteran as defined in § 3.807(d) of this chapter. The term includes a child of a Philippine Commonwealth Army veteran and a Philippine Scout (designated as a New Philippine Scout under 38 U.S.C. 3566(b)), as defined in § 3.40(b), (c), or (d) of this chapter, but educational assistance allowance may not be authorized based on such service for any period before September 30, 1966.

(c) Wife and widow, spouse and surviving spouse. The terms wife and widow mean an individual as defined in § 3.807(d) of this chapter and the terms spouse and surviving spouse shall have the same respective meaning when used in the regulations in part 21, Title 38, Code of Federal Regulations. Educational assistance allowance may not be authorized for any such individuals for any period before December 1, 1968.

(Authority: 38 U.S.C. 3500, 3501, and 3511)

(d) Parent or guardian means a natural or adoptive parent, a fiduciary legally appointed by a court of competent jurisdiction or any person who is determined to be otherwise legally vested with the care of the eligible person (38 U.S.C. 3501(a)(4)) or it may be the eligible person if he or she has attained majority under laws applicable in his or her State of residence as shown on the application and is under no known legal disability. (38 U.S.C. 3501(b)) The eligible person may be designated as the person by whom required actions may be taken even though he or she has not attained majority, or having attained majority, is under a legal disability, when it is determined that to do otherwise would not be in his or her best interest, would result in undue delay or would not be administratively feasible. Where necessary to protect his or her interest and there is reason why the eligible person should not act for himself or herself, some other individual may be designated as the person by whom required actions should be taken.

(Authority: 38 U.S.C. 3501(c))

(e) Armed Forces, as to service by the eligible person, means the U.S. Army, Navy, Marine Corps, Air Force, and Coast Guard, including the Reserve components of each, the National Guard of the United States and the Air National Guard of the United States. (38 U.S.C. 3501 (a)(3) and (d) and 3512(a)) Effective December 31, 1970, the term includes the National Oceanic and Atmospheric Administration, the Environmental Science Services Administration and the Coast and Geodetic Survey, as to full-time duty of officers commissioned therein.

(Authority: 38 U.S.C. 101(21)(C))

(f) Duty with the Armed Forces, as to service by the eligible person, means active duty, active duty for training for a period of 6 or more consecutive months, or an initial period of active duty for training of not less than 3 months or more than 6 months in the Ready Reserve. (38 U.S.C. 3501(a)(3) and (d), 3512(a)) See §§ 21.3041 and 21.3042.
(g) State means each of the several States, territories, and possessions of the United States, the District of Columbia, and the Commonwealth of Puerto Rico, and the Canal Zone. (38 U.S.C. 101(20)) (Although the Republic of the Philippines is not included in the definition of a State, eligible persons may pursue courses of training in that country.)

(h) Program of education. The term program of education means any curriculum or any combination of unit courses or subjects pursued at an educational institution which is generally accepted as necessary to fulfill the requirements for the attainment of a predetermined and identified educational, professional, or vocational objective. (Authority: 38 U.S.C. 3501(a)(5))

(i) Educational objective. An educational objective is one that leads to the awarding of a diploma, degree, or certificate which reflects educational attainment. (Authority: 38 U.S.C. 3501(a)(5))

(j) Professional or vocational objective. A professional or vocational objective is one that leads to an occupation. It may include educational objectives essential to prepare for the chosen occupation. When a program consists of a series of courses not leading to an educational objective, such courses must be directed toward attainment of a designated professional or vocational objective. (Authority: 38 U.S.C. 3501(a)(5))

(k) School, educational institution, institution. The terms school, educational institution and institution mean:

1. A vocational school or business school;
2. A junior college, teachers' college, college, normal school, professional school, university, or scientific or technical institution;
3. A public or private secondary school;
4. A training establishment as defined in § 21.4200(c); or
5. An institution that provides specialized vocational training, generally recognized as on the secondary school level or above, for people with mental or physical disabilities. (Authority: 38 U.S.C. 3501(a)(6), 3535)

(l) Disabling effects of chronic alcoholism. (1) The term disabling effects of chronic alcoholism means alcohol-induced physical or mental disorders or both, such as habitual intoxication, withdrawal, delirium, amnesia, dementia, and other like manifestations of chronic alcoholism which in the particular case:

i. Have been medically diagnosed as manifestations of alcohol dependency or chronic alcohol abuse; and

ii. Are determined to have prevented commencement or completion of the affected individual's chosen program of education.

2. A diagnosis of alcoholism, chronic alcoholism, alcohol-dependency, chronic alcohol abuse, etc., in and of itself, does not satisfy the definition of this term.

3. Injury sustained by an eligible spouse or surviving spouse as a proximate and immediate result of activity undertaken by the eligible spouse or surviving spouse while physically or mentally unqualified to do so due to alcoholic intoxication is not considered a disabling effect of chronic alcoholism. (Authority: 38 U.S.C. 105, 3512(b))

(m) Additional definitions. The definitions of all terms that are defined in §§ 21.1029 and 21.4200 but that are not defined in this section apply to subpart C of this part. (Authority: 38 U.S.C. 501, 3501)
§ 21.3022 Nonduplication -- programs administered by VA.
A person who is eligible for educational assistance under 38 U.S.C. chapter 35 and is also eligible for assistance under any of the provisions of law listed in this paragraph cannot receive such assistance concurrently. The eligible person must elect which benefit he or she will receive for the particular period or periods during which education or training is to be pursued. The election is subject to the conditions specified in § 21.4022 of this part.

The provisions of law are:
(a) 38 U.S.C. chapter 30,
(b) 38 U.S.C. chapter 31,
(c) 38 U.S.C. chapter 32,
(d) 38 U.S.C. chapter 34,
(e) 10 U.S.C. chapter 1606,
(f) 10 U.S.C. chapter 107,
(g) Section 903 of the Department of Defense Authorization Act, 1981,
(h) The Hostage Relief Act of 1980, and

§ 21.3023 Nonduplication; pension, compensation, and dependency and indemnity compensation.
(a) Child; age 18. A child who is eligible for educational assistance and who is also eligible for pension, compensation or dependency and indemnity compensation based on school attendance must elect whether he or she will receive educational assistance or pension, compensation or dependency and indemnity compensation.
(1) An election of educational assistance either before or after the age of 18 years is a bar to subsequent payment or increased rates or additional amounts of pension, compensation or dependency and indemnity compensation on account of the child based on school attendance on or after the age of 18 years. The bar is equally applicable where the child has eligibility from more than one parent.
(2) Payment of pension, compensation or dependency and indemnity compensation to or on account of a child after his or her 18th birthday does not bar subsequent payments of educational assistance.
(3) An election of educational assistance will not preclude the allowance of pension, compensation, or dependency and indemnity compensation based on school attendance.

for periods, including vacation periods, prior to the commencement of educational assistance.
(b) Child; under 18 or helpless. Educational assistance allowance or special restorative training allowance may generally be paid concurrently with pension, compensation or dependency and indemnity compensation for a child under the age of 18 years or for a helpless child based on the service of one or more parents. Where, however, entitlement is based on the death of more than one parent in the same parental line, concurrent payments in two or more cases may not be authorized if the death of one such parent occurred on or after June 9, 1960. In the latter cases, an election of educational assistance and pension, compensation or dependency and indemnity compensation in one case does not preclude a reelection of benefits before attaining age 18 or while helpless based on the service of another parent in the same parental line.
(c) Child; election. An election by a child under this section must be submitted to VA in writing.
(1) Except as provided in paragraph (c)(2) of this section, an election to receive Survivors' and Dependents' Educational Assistance (DEA) is final when the eligible child commences a program of education under DEA (38 U.S.C. chapter 35). Commencement of a program of education under DEA will be deemed to have occurred for VA purposes on the date the first payment of DEA educational assistance is made, as evidenced by negotiation of the first check or receipt of the first payment by electronic funds transfer.
(2) An election based on erroneous information furnished by an authorized representative of the Department of Veterans Affairs is not considered final.
(3) A child other than a helpless child, whose eligibility was based on a finding that the veteran had a permanent total service-connected disability and who commenced a program of education under DEA may not thereafter qualify as a dependent for disability compensation purposes if the veteran is later found to be less than permanently and totally disabled, or for pension, compensation or dependency and indemnity compensation after the veteran's death.
(d) Spouse or surviving spouse. Educational assistance allowance may be paid for an eligible spouse or surviving spouse concurrently with pension, compensation or dependency and indemnity compensation.

(a) Civilian employment. The provisions of this paragraph are applicable to cases where there is eligibility for benefits from the Office of Workers' Compensation Programs, under the Federal Employees' Compensation Act (FECA) based on the disability or death
as a result of civilian employment of the veteran from whom eligibility for educational assistance is derived.

(1) Child, spouse or surviving spouse. A person who is eligible for educational assistance and is also eligible for Office of Workers' Compensation Programs benefits, under the Federal Employees' Compensation Act (FECA) must elect which benefit he or she will receive.

(2) Veteran, spouse and child—surviving spouse and child. An eligible person may receive educational assistance notwithstanding that the Office of Workers' Compensation Programs benefits under the Federal Employees' Compensation Act (FECA) are being paid to a veteran, or surviving spouse.

(3) Election. An election of Office of Workers' Compensation Programs benefits, under the Federal employees' Compensation Act (FECA), by or for a child filed on or after July 4, 1966, is a bar to subsequent payments of Department of Veterans Affairs benefits during the period of concurrent eligibility. An election of Office of Workers' Compensation Programs benefits under the Federal Employees' Compensation Act (FECA) by a surviving spouse filed on or after December 1, 1968, is a bar to subsequent payments of Department of Veterans Affairs benefits during the period of concurrent eligibility.

(b) Military service. The provisions of this paragraph are applicable to cases where there is eligibility for benefits from Office of Workers' Compensation Program, under the Federal Employee's Compensation Act (FECA) based on the disability or death as a result of military service by the veteran from whom eligibility for educational assistance is derived.

(1) Child, spouse or surviving spouse. A person who is eligible for educational assistance and is also eligible for Office of Workers' Compensation Programs benefits, under the Federal Employees' Compensation Act (FECA) must elect which benefit he or she will receive. The election may be made at any time.

(2) Veteran, spouse and child—surviving spouse and child. An eligible person may receive educational assistance notwithstanding that the Office of Workers' Compensation Programs benefits, under the Federal Employees' Compensation Act (FECA) are being paid to a veteran, or surviving spouse.

Payment of subsistence allowance and special training allowance is prohibited to an otherwise eligible person --
(a) Who is on active duty and is pursuing a course of education which is being paid for by the Armed Forces (or by the Department of Health and Human Services in the case of the Public Health Service); or
(b) For a unit course or courses which are being paid for under 5 U.S.C. chapter 41.

ELIGIBILITY AND ENTITLEMENT

§ 21.3040 Eligibility; child.
§ 21.3041 Periods of eligibility; child.
§ 21.3042 Service with Armed Forces.
§ 21.3043 Suspension of program; child.
§ 21.3044 Entitlement.
§ 21.3045 Entitlement charges.
§ 21.3046 Periods of eligibility; spouses and surviving spouses.
§ 21.3047 Extended period of eligibility due to physical or mental disability.

§ 21.3040 Eligibility; child.
(a) Commencement. A program of education or special restorative training may not be afforded prior to the eligible person's 18th birthday or the completion of secondary schooling, whichever is earlier, unless it is determined through counseling that the best interests of the eligible person will be served by entering training at an earlier date and the eligible person has passed:
(1) Compulsory school attendance age under State law; or
(2) His or her 14th birthday and due to physical or mental handicap may benefit by special restorative or specialized vocational training.
(b) Secondary schooling. Completion of secondary schooling means completion of a curriculum offered by a public or private school which satisfies the requirements for a high school diploma or its equivalent -- usually completion of the 12th grade in the public school system.
(c) Age limitation for commencement. No person is eligible for educational assistance who reached his or her 26th birthday on or before the effective date of a finding of permanent total service-connected disability, or on or before the date the veteran's death occurred, or on or before the 91st day of listing by the Secretary concerned of the member of the Armed Forces on whose service eligibility is claimed as being in one of the missing status categories of § 21.3021 (a)(1)(iv) and (3)(ii).
(d) Termination of eligibility. No person is eligible for educational assistance beyond his or her 31st birthday, except as provided under § 21.3041(e)(2). In no event may educational assistance be provided after the period of entitlement has been exhausted. In an exceptional case special restorative training may be provided in excess of 45 months. See § 21.3300.
(Authority: 38 U.S.C. 3512(a))

§ 21.3041 Periods of eligibility; child.
(a) Basic beginning date. The basic beginning date of an eligible child's period of eligibility is his or her 18th birthday or successful completion of secondary schooling, whichever occurs first. See paragraph (b) of this section and § 21.3040 (a) and (b).
(Authority: 38 U.S.C. 3512(a))
(b) Exceptions to basic beginning date. (1) An eligible child may have a beginning date earlier than the basic beginning date when he or she has:
(i) Completed compulsory school attendance under applicable State law, or
(ii) Passed his or her 14th birthday and has a physical or mental handicap. See § 21.3040(a).
(2) The eligible child may have a beginning date later than the basic beginning date when any of the following circumstances exist.
(i) If the effective date of the permanent and total disability rating is before the child has reached 18 but the date of notification to the veteran from whom the child derives eligibility occurs after the child has reached 18, the beginning date of eligibility shall be the basic beginning date as determined in paragraph (a) of this section, or the date of notification to the veteran, whichever is more advantageous to the eligible child.
(ii) If the effective date of the permanent and total disability rating occurs after the child has reached 18 but before he or she has reached 26, the beginning date of eligibility will be the effective date of the rating or the date of notification to the veteran from whom the child derives eligibility, whichever is more advantageous to the eligible child.
(Authority: 38 U.S.C. 3512(a)(3), 3512(d))
(iii) If the child becomes eligible through the death of a veteran, the date of death will be the beginning date of eligibility if it occurs after the child's 18th birthday and before his or her 26th birthday.
(iv) The child may become eligible through qualifying as the veteran's adopted child (see § 3.57(c)) or by becoming a stepchild of the veteran and a member of the veteran's household. If either of these events occurs after the child's 18th birthday and before his or her 26th birthday, the effective date of eligibility will be whichever of the following is appropriate:
(A) The date the child qualifies as an adopted child under § 3.57(c), or
(B) The date the child becomes the veteran's stepchild and a member of his or her household.
(Authority: 38 U.S.C. 3501)
(c) Basic ending date. The eligible person's 26th birthday.
(d) Modified ending date. When one of the following occurs between ages 18 and 26, the ending date will be the eligible person's 26th birthday or 8 years from the date of happening specified in paragraphs (d)(1) to (7) of this section and 10 years in paragraph (d)(8); whichever is later. When paragraph (d)(9) is applicable, the ending date will be as stated in paragraph (d)(9). Where the ending date is subject to modification under more than one of paragraph (d) (3), (4), (5), (6) or (7) of this section, the more favorable date will apply. In no case will the modified ending date extend beyond the eligible person's 31st birthday.
(1) Effective date of permanent total rating of veteran-parent or the date of notification to him or her of such rating, whichever is the more advantageous to the eligible person.
(Authority: 38 U.S.C. 3512)
(2) Death of veteran-parent.
(3) Date of first unconditional discharge or release from "duty with the Armed Forces" served as an eligible person if he or she served after age 18 and before age 26. See § 21.3042.
(4) Enactment of Pub. L. 88-361 on July 7, 1964, providing eligibility based on permanent total disability; that is, July 6, 1969.
(5) Enactment of Pub. L. 89-349 on November 8, 1965, providing eligibility based on peacetime service after the Spanish-American War and prior to September 16, 1940; or during World War I or World War II solely by reason of the provisions of 38 U.S.C. 1101; that is, November 7, 1970.
(6) Enactment of Pub. L. 89-613 on September 30, 1966, providing eligibility based on service with the Philippine Commonwealth Army or as a Philippine Scout as defined in § 3.40 (b), (c), or (d) of this chapter; that is, September 29, 1971. See § 3.807 of this chapter.
(7) Effective date of Pub. L. 90-77, section 307, October 1, 1967, providing eligibility for persons solely by virtue of that section who were over age 23 and below age 26 on that date; that is September 30, 1972.
(8) Enactment of Pub. L. 92-540 (86 Stat. 1074) on October 24, 1972, providing for a course of apprentice or other on-the-job training approved under the provisions of § 21.4261 or 21.4262; that is, October 24, 1982 or until age 31, whichever is earlier.
(9) The child may lose eligibility through ceasing to be the veteran's stepchild either because the veteran and the child's natural or adoptive parent divorce or because the veteran and the child's natural or adoptive parent separate and the child is no longer a member of the veteran's household. If this occurs, the ending date of the child's period of eligibility will be determined as follows:
(i) If the child ceases to be the veteran's stepchild while the child is not in training, the ending date of the child's eligibility shall be the date on which the child ceases to be the veteran's stepchild.
(ii) If the child ceases to be the veteran's stepchild while the child is in training in a school organized on a term, semester or quarter basis, the ending date of the child's eligibility will be the last date of the term, semester or quarter during which the child ceases to be the veteran's stepchild.
(iii) If the child ceases to be the veteran's stepchild while the child is in training in a school not organized on a term, semester or quarter basis, the ending date of the child's period of eligibility will be the end of the course or 12 weeks from the date on which the child ceases to be the veteran's stepchild, whichever is earlier. See § 21.4135(g).
(e) Extensions to ending dates. (1) Suspension of program due to conditions determined by the Department of Veterans Affairs to have been beyond the person's control (see § 21.3043): extended for length of period of suspension, but not beyond age 31. See § 21.3040(d).
(2) Period of eligibility as specified in paragraph (c) or (d) of this section ends while enrolled in an educational institution regularly operated on the quarter or semester system and such period ends during a quarter or semester, such period shall be extended to the end of the quarter or semester, or for courses at educational institutions operated on other than a quarter or semester system, if the period ends after a major portion of the course is completed, such period shall be extended to the end of the course, or until 12 weeks have expired, whichever first occurs. Extension may be authorized beyond age 31, but may not exceed maximum entitlement. See § 21.3044(a). No extension of the period of eligibility
will be made where training is pursued in a training establishment as defined in §
21.4200(c).
(Authority: 38 U.S.C. 3512(a)(5))
(3) Child is enrolled and eligibility ceases because veteran is no longer rated permanently
and totally disabled: extended to date specified in paragraph (e)(2) of this section without
regard to whether the midpoint of the quarter, semester or term has been reached. See §
21.3135(h).
(4) Child is enrolled and eligibility ceases because the member of the Armed Forces upon
whose service eligibility is based is no longer listed by the Secretary concerned in any of
the categories specified in § 21.3021(a)(1)(iv): extended to date specified in paragraph
(e)(2) of this section without regard to whether the midpoint of the quarter, semester or
term has been reached. See § 21.3135(i).

§ 21.3042 Service with Armed Forces.
(a) No educational assistance under 38 U.S.C. chapter 35 may be provided an otherwise
eligible person during any period he or she is on duty with the Armed Forces. See §
21.3021 (e) and (f). This does not apply to brief periods of active duty for training. See §
21.3135(f).
(Authority: 38 U.S.C. 3501(d))
(b) If the eligible person served with the Armed Forces, his or her discharge or release
from each period of service must have been under conditions other than dishonorable.
(Authority: 38 U.S.C. 3501(d))
(c) The term unconditional discharge, as used in § 21.3041 means unconditional
discharge or release from duty with the Armed Forces. See § 3.13 of this chapter.

[EFFECTIVE DATE NOTE: 61 FR 26107, 26109, May 24, 1996, which removed
paragraph (d) and revised paragraph (a), became effective May 24, 1996.]

§ 21.3043 Suspension of program; child.
For an eligible person who suspends his program due to conditions determined by the
Department of Veterans Affairs to have been beyond his or her control the period of
eligibility may, upon his request, be extended by the number of months and days
intervening the date the suspension began and the date the reason for suspension ceased
to exist. The burden of proof is on the eligible person to establish that suspension of a
program was due to conditions beyond his or her control. The period of suspension shall
be considered to have ended as of the date of the person's first available opportunity to
resume training after the condition which caused it ceased to exist. The following
circumstances may be considered as beyond the eligible person's control:

(a) While in active pursuit of a program of education he or she is appointed by the responsible governing body of an established church, officially charged with the selection and designation of missionary representatives, in keeping with its traditional practice, to serve the church in an official missionary capacity and is thereby prevented from pursuit of his or her program of studies.
(b) Immediate family or financial obligations beyond his or her control require the eligible person to take employment, or otherwise preclude pursuit of his or her program.
(c) Unavoidable conditions arising in connection with the eligible person's employment which preclude pursuit of his or her program.
(d) Pursuit of his or her program is precluded because of the eligible person's own illness or illness or death in his or her immediate family.
(e) Active duty, including active duty for training in the Armed Forces.

[41 FR 47929, Nov. 1, 1976]

§ 21.3044 Entitlement.
(a) Limitations on entitlement. Each eligible person in entitled to educational assistance not in excess of 45 months, or the equivalent thereof in part-time training. The Department of Veterans Affairs will not authorize an extension of entitlement except as provided in paragraph (c) of this section. The period of entitlement when added to education or training received under any or all of the laws cited in § 21.4020 will not exceed 48 months of full-time educational assistance. The period of entitlement will not be reduced by any period during which employment adjustment allowance was paid after the eligible person completes a period of rehabilitation and reaches a point of employability.
(b) Continuous pursuit is not required. The 45-month period of entitlement is any 45 months within the period of eligibility. The eligible person is not required to pursue his or her program for 45 consecutive months.
(Authority: 38 U.S.C. 3511(a))
(c) Exceeding the 45 months limitation. The 45 months limitation may be exceeded only in the following cases:
(1) Where no charge against the entitlement is made based on a course or courses pursued by a spouse or surviving spouse under the special assistance for the educationally disadvantaged program (See § 21.3344(d); or
(2) Where special restorative training authorized under § 21.3300 exceeds 45 months.
(Authority: 38 U.S.C. 3541(b), 3533(b))

[EFFECTIVE DATE NOTE: 61 FR 26107, 26109, May 24, 1996, which substituted "§ 21.3344(d)" for "§ 21.4237(d)" in paragraph (c)(1), became effective May 24, 1996.]

§ 21.3045 Entitlement charges.
VA will make charges against an eligible person's entitlement only when required by this section. Charges for institutional training will be based upon the principle that an eligible person who trains full time for 1 day should be charged 1 day of entitlement.
(a) No entitlement charge for eligible persons receiving tutorial assistance. VA will make no charge against the entitlement of an eligible person for tutorial assistance received in accordance with § 21.4236. 
(Authority; 38 U.S.C. 3492, 3533(b))

(b) Entitlement charges for elementary and secondary education.

(1) When an eligible spouse or surviving spouse is pursuing a course leading to a secondary school diploma or an equivalency certificate as described in § 21.3344, there are two sets of circumstances which will always result in VA's making no charge against his or her entitlement. These are as follows:
   (i) Either the eligible spouse or surviving spouse completed training during the period beginning on October 1, 1980, and ending on August 14, 1989, and remained continuously enrolled from October 1, 1980, through the time the spouse or surviving spouse either completed training or August 14, 1989, whichever is earlier; or
   (ii) The eligible spouse or surviving spouse completed training before August 15, 1989, and received educational assistance based upon the tuition and fees charged for the course.

(2) When an eligible spouse or surviving spouse is pursuing a course leading to a secondary school diploma or an equivalency certificate as described in § 21.3344, the following circumstances will always result in VA's making a charge against his or her entitlement unless the provisions of paragraph (d) of this section would exempt the spouse or surviving spouse from receiving an entitlement charge. 
   (i) The spouse or surviving spouse elects to receive dependents' educational assistance at the rate described in § 21.3131(a), and
   (ii) Either was not pursuing a course leading to a secondary school diploma or equivalency certificate on October 1, 1980, or has not remained continuously enrolled in such a course since October 1, 1980.

(3) When an eligible person pursues refresher, remedial or deficiency training before August 15, 1989, the following provisions govern the charge against the entitlement. 
   (i) VA will not make a charge against the entitlement of an eligible spouse or surviving spouse.
   (ii) VA will make a charge against the entitlement of an eligible child.

(4) The following provisions apply to an eligible person for training received after August 14, 1989. When he or she is pursuing a course leading to a secondary school diploma or equivalency certificate or refresher, remedial or deficiency training.
   (i) VA will make no charge against the entitlement of an eligible person for the first five months of full time pursuit (or its equivalent in part-time pursuit).
   (ii) VA will make a charge against the entitlement of an eligible person for pursuit in excess of the pursuit described in paragraph (b)(4)(i) unless the provisions of paragraph (d) of this section would exempt the eligible person from receiving an entitlement charge. 

(c) Other courses for which entitlement will be charged. Except when the requirements of paragraph (d) of this section are met, VA will make a charge against the period of entitlement --
   (1) An eligible person for pursuit of a program of apprenticeship or other on-job training;
   (2) A spouse or surviving spouse for pursuit of a correspondence course; or
(3) An eligible person for the pursuit of any course not described in paragraph (a) or (b) of this section.
(Authority: 38 U.S.C. 3534)

(d) Exemption from entitlement charge. (1) VA will not make a charge against the entitlement of an eligible person for the pursuit of any course or courses when VA finds that the eligible person --
   (i) Had to discontinue pursuit of the course or courses as the result of being ordered, in connection with the Persian Gulf War, to serve on active duty under section 672 (a), (d), or (g), 673, 673b, or 688 of title 10, U.S. Code; and
   (ii) Failed to receive credit or training time toward completion of the eligible person's approved educational, professional or vocational objective as a result of having to discontinue, as described in paragraph (d)(1)(i) of this section, his or her course pursuit.
(2) The period for which VA will not make a charge against entitlement shall not exceed the portion of the period of enrollment in the course or courses for which the eligible person failed to receive credit or with respect to which the eligible person lost training time.

(e) Determining entitlement charge. The provisions of this paragraph apply to all courses except those courses for which VA is not making a charge against the eligible person's entitlement, apprenticeship or other on-job training, correspondence courses, and courses offered solely through independent study.
(1) After making any adjustments required by paragraph (e)(3) of this section, VA will make a charge against entitlement --
   (i) On the basis of total elapsed time (one day for each day of pursuit) if the eligible person is pursuing the program of education on a full-time basis,
   (ii) On the basis of a proportionate rate of elapsed time, if the eligible person is pursuing a program of education on a three-quarter, one-half or less than one-half time basis. For the purpose of this computation, training time which is less than one-half, but more than one-quarter time, will be treated as though it were one-quarter time training.
(2) VA will compute elapsed time from the commencing date of enrollment to date of discontinuance. If the eligible person changes his or her training time after the commencing date of enrollment, VA will --
   (i) Divide the enrollment period into separate periods of time during which the eligible person's training time remains constant; and
   (ii) Compute the elapsed time separately for each time period.
(3) An eligible person may concurrently enroll in refresher, remedial or deficiency training for which paragraph (b)(3) or (b)(4)(i) of this section requires no charge against entitlement and in a course or courses for which paragraph (b)(2) or (b)(4)(ii) or (c) of this section requires a charge against entitlement. When this occurs, VA will charge entitlement for the concurrent enrollment based only on pursuit of the courses described in paragraph (b)(2) or (b)(4)(ii) or (c) of this section, measured in accordance with §§ 21.4270 through 21.4275 of this part, as appropriate.
(Authority: 38 U.S.C. 3533(a); Pub. L. 100-689)
if he or she is pursuing a program of education solely by independent study. For all other enrollments where the eligible person is pursuing a program of education solely by independent study, the computation will be made as though the eligible person's training were one-quarter time.

(Authority: 38 U.S.C. 3482(b), 3532(a))

(g) Entitlement charge for apprenticeship or other on-job training. The charge against entitlement for pursuit of apprenticeship or other on-job training program shall be 1 month for each month of training assistance allowance paid to the eligible person for the program. If there is a reduction in the eligible person's monthly training assistance allowance due to his or her failure to complete 120 hours of training during the month, VA will combine the portions of those months for which a reduction was made. VA will make no charge against entitlement for the period of combined reductions.

(Authority: 38 U.S.C. 3534, 3687)

(h) Entitlement charge for correspondence courses. The charge against entitlement of a spouse or surviving spouse for pursuit of a course exclusively by correspondence will be 1 month for each of the following amounts paid as an educational assistance allowance:

1. $680.00 paid after September 30, 2002, and before October 1, 2003;
2. $695.00 paid after September 30, 2003, and before July 1, 2004; and
3. $788.00 paid after June 30, 2004.

(Authority: 38 U.S.C. 3534(b), 3564, 3686(a)).

(i) Overpayment cases. VA will make a charge against entitlement for an overpayment only if the overpayment is discharged in bankruptcy, is waived and is not recovered, or is compromised.

1. If the overpayment is discharged in bankruptcy or is waived and is not recovered, the charge against entitlement will be at the appropriate rate for the elapsed period covered by the overpayment (exclusive of interest, administrative costs of collection, court costs and marshal fees).
2. If the overpayment is compromised and the compromise offer is less than the amount of interest, administrative costs of collection, court costs and marshal fees, the charge against entitlement will be at the appropriate rate for the elapsed period covered by the overpayment (exclusive of interest, administrative costs of collection, court costs and marshal fees).
3. If the overpayment is compromised and the compromise offer is equal to or greater than the amount of interest, administrative costs of collection, court costs and marshal fees, the charge against entitlement will be determined by --
   (i) Subtracting from the sum paid in the compromise offer the amount attributable to interest, administrative costs of collection, court costs and marshal fees,
   (ii) Subtracting the remaining amount of the overpayment balance determined in paragraph (i)(3)(i) of this section from the amount of the original overpayment (exclusive of interest, administrative costs of collection, court costs and marshal fees),
   (iii) Dividing the result obtained in paragraph (h)(3)(ii) of this section by the amount of the original debt (exclusive of interest, administrative costs of collection, court costs and marshal fees), and
(iv) Multiplying the percentage obtained in paragraph (h)(3)(iii) of this section by the amount of the entitlement otherwise chargeable for the period of the original overpayment.
(Authority: 38 U.S.C. 3471, 3532)

(j) Interruption to conserve entitlement. An eligible person may not interrupt a certified period of enrollment for the purpose of conserving entitlement. An educational institution may not certify a period of enrollment for a fractional part of the normal term, quarter or semester, if the eligible person is enrolled for the term, quarter or semester. VA will make a charge against entitlement for the entire period of certified enrollment, if the eligible person is otherwise eligible for benefits, except when benefits are interrupted under any of the following conditions:
(1) Enrollment is actually terminated;
(2) The eligible person cancels his or her enrollment, and does not negotiate an educational benefits check for any part of the certified period of enrollment;
(3) The eligible person interrupts his or her enrollment at the end of any term, quarter, or semester within the certified period of enrollment, and does not negotiate a check for educational benefits for the succeeding term, quarter, or semester;
(4) The eligible person requests interruption or cancellation for any break when a school was closed during a certified period of enrollment, and VA continued payments under an established policy based upon an Executive Order of the President or an emergency situation. Whether the eligible person negotiated a check for educational benefits for the certified period is immaterial.
(Authority: 38 U.S.C. 3511)

(k) Education loan after otherwise applicable delimiting date -- spouse or surviving spouse. VA will make a charge against the entitlement of a spouse or surviving spouse who receives an education loan pursuant to § 21.4501(c) at the rate of 1 day for each day of entitlement that would have been used had the spouse or surviving spouse been in receipt of educational assistance allowance for the period for which the loan was granted.
(Authority: 38 U.S.C. 3512)

§ 21.3046 Periods of eligibility; spouses and surviving spouses.
This section states how VA will compute the beginning date, the ending date and the length of a spouse's or surviving spouse's period of eligibility. The period of eligibility of a spouse computed under the provisions of paragraph (a) of this section will be recomputed under the provisions of paragraph (b) of this section if her or his status changes to that of surviving spouse.
(Authority: 38 U.S.C. 3512(b))

(a) Beginning date of eligibility period-spouses. (1) If the permanent total rating is effective before December 1, 1968, the beginning date of the 10-year period of eligibility is December 1, 1968.
(2) The beginning date of eligibility --
   (i) Shall be determined as provided in paragraph (a)(2) of this section when --
   (A) The permanent total rating is effective after November 30, 1968, or the notification to
       the veteran of the rating was after that date, and
   (B) Eligibility does not arise under § 21.3021(a)(3)(ii) of this part.
   (ii) For spouses for whom VA made a final determination of eligibility before October 28,
       1986, shall be --
       (A) The effective date of the rating, or
       (B) The date of notification, whichever is more advantageous to the spouse.
   (iii) For spouses for whom VA made a final determination of eligibility after October 27,
       1986, shall be --
       (A) The effective date of the rating, or
       (B) The date of notification, or
       (C) Any date between the dates specified in paragraphs (a)(2)(iii) (A) and (B) of this
           section as chosen by the eligible spouse.
   (iv) May not be changed once a spouse has chosen it as provided in paragraph (a)(2)(iii)
       of this section.
(3) If eligibility arises under § 21.3021(a)(3)(ii) of this part, the beginning date of the
    10-year eligibility period is --
    (i) December 24, 1970, or
    (ii) The date the member of the Armed Forces on whose service eligibility is based was
         so listed by the Secretary concerned, whichever last occurs.
    (Authority: 38 U.S.C. 3501(a); Pub. L. 99-576)
(b) Beginning date of eligibility period-surviving spouses. (1) If VA determines before
    December 1, 1968, that the veteran died of a service-connected disability, the beginning
    date of the 10-year period is December 1, 1968.
    (Authority: 38 U.S.C. 3512)
    (2) If the veteran's death occurred before December 1, 1968, but VA does not determine
        that the veteran died of a service-connected disability until after November 30, 1968, the
        beginning date of the 10-year period is the date on which VA determines that the veteran
        died of a service-connected disability.
    (3) If the veteran's death occurred before December 1, 1968, while a total,
        service-connected disability evaluated as permanent in nature was in existence, the
        beginning date of the 10-year period is December 1, 1968.
    (4) If the veteran's death occurred after November 30, 1968, and VA makes a final
        decision concerning the surviving spouse's eligibility for dependents' educational
        assistance before October 28, 1986, the beginning date of the 10-year period is --
        (i) The date of death of the veteran who dies while a total, service-connected disability
            evaluated as permanent in nature was in existence, or
        (ii) The date on which VA determines that the veteran died of a service-connected
             disability.
    (5) If the veteran's death occurred after November 30, 1968, and VA makes a final
        decision concerning the surviving spouse's eligibility for dependents educational
        assistance after October 27, 1986, VA will determine the beginning date of the 10-year
        period as follows.
(i) If the surviving spouse's eligibility is based on the veteran's death while a total, service-connected disability evaluated as permanent in nature was in existence, the beginning date of the 10-year period is the date of death.

(ii) If the surviving spouse's eligibility is based on the veteran's death from a service-connected disability, the surviving spouse will choose the beginning date of the 10-year period. That date will be no earlier than the date of death and no later than the date of the VA determination that the veteran's death was due to a service-connected disability.

(Authority: 38 U.S.C. 3512(b); Pub. L. 99-576)

(6) Once a surviving spouse has chosen a beginning date of eligibility as provided in paragraph (b)(5) of this section, the surviving spouse may not revoke that choice.

(Authority: 38 U.S.C. 3512(b); Pub. L. 99-576)

(c) Ending date of eligibility period. (1) The period of eligibility cannot exceed 10 years and can be extended only as provided in paragraph (d) of this section and § 21.3047.

(2) If eligibility arises before October 24, 1972, educational assistance based on a course of apprentice or other on-job training or correspondence approved under the provisions §§ 21.4256, 21.4261, and 21.4262 of this part will not be afforded later than October 23, 1982, unless the eligible spouse or surviving spouse qualifies for the extended period of eligibility provided in paragraph (d) of this section.

(Authority: 38 U.S.C. 3512)

(d) Extension to ending date. (1) The ending date of a spouse's period of eligibility may be extended when the spouse is enrolled and eligibility ceases for one of the following reasons:

   (i) The veteran is no longer rated permanently and totally disabled;
   (ii) The spouse is divorced from the veteran without fault on the spouse's part; or
   (iii) The spouse no longer is listed in any of the categories of § 21.3021(a)(3)(ii) of this part.

(2) If the spouse is enrolled in a school operating on a quarter or semester system, VA will extend the period of eligibility to the end of the quarter or semester, regardless of whether the spouse has reached the midpoint of the quarter, semester or term.

(3) If the spouse is enrolled in a school not operating on a quarter or semester system, VA will extend the period of eligibility to the earlier of the following:

   (i) The end of the course, or
   (ii) 12 weeks.

(4) If the spouse is enrolled in a course pursued exclusively by correspondence, VA will extend the period of eligibility to whichever of the following will result in the lesser expenditure:

   (i) The end of the course, or
   (ii) The total additional amount of instruction that--

   (A) $1,904 will provide during the period October 1, 2002, through September 30, 2003;
   (B) $1,946 will provide during the period October 1, 2003, through June 30, 2004; or
   (C) $2,206 will provide after June 30, 2004.

   (Authority: 38 U.S.C. 3511(b))

(5) VA will not extend the period of eligibility when the spouse is pursuing training in a training establishment as defined in § 21.4200(c) of this part.
(6) An extension may not --
(i) Exceed maximum entitlement, or
(ii) Extend beyond the delimiting date specified in paragraph (a) of this section or §
21.3047, as appropriate.

§ 21.3047 Extended period of eligibility due to physical or mental disability.
(a) General. (1) An eligible spouse or surviving spouse shall be granted an extension of
the applicable period of eligibility as otherwise determined by § 21.3046 provided the
eligible spouse or surviving spouse:
(i) Applies for the extension within the appropriate time limit;
(ii) Was prevented from initiating or completing the chosen program of education within
the otherwise applicable period of eligibility because of a physical or mental disability
that did not result from the willful misconduct of the eligible spouse or surviving spouse;
(iii) Provides VA with any requested evidence tending to show that the requirement of
paragraph (a)(1)(ii) of this section has been met; and
(iv) Is otherwise eligible for payment of educational assistance for the training pursuant
to 38 U.S.C. chapter 35.
(2) In determining whether the eligible spouse or surviving spouse was prevented from
initiating or completing the chosen program of education because of a physical or mental
disability, VA will consider the following:
(i) It must be clearly established by medical evidence that such a program of education
was medically infeasible.
(ii) An eligible spouse or surviving spouse who is disabled for a period of 30 days or less
will not be considered as having been prevented from initiating or completing a chosen
program, unless the evidence establishes that the eligible spouse or surviving spouse was
prevented from enrolling or reenrolling in the chosen program of education, or was
forced to discontinue attendance, because of the short disability.
(iii) VA will not consider the disabling effects of chronic alcoholism to be the result of
willful misconduct and will consider those disabling effects as physical or mental
disabilities.
(b) Commencing date. The eligible spouse or surviving spouse shall elect the
commencing date of an extended period of eligibility. The date chosen --
(1) Must be on or after the original date of expiration of eligibility as determined by §
21.3046(c); and
(2) Must be on or before the ninetieth day following the date on which the eligible
spouse's or surviving spouse's application for an extension was approved by VA, if the
eligible spouse or surviving spouse is training during the extended period of eligibility in
a course not organized on a term, quarter, or semester basis; or

the restrictions and terms and conditions of the Matthew Bender Master Agreement.
(3) Must be on or before the first ordinary term, quarter, or semester following the ninetieth day after the eligible spouse's or surviving spouse's application for an extension was approved by VA if the eligible spouse or surviving spouse is training during the extended period of eligibility in a course organized on a term, quarter, or semester basis. (Authority: 38 U.S.C. 3512(b))

c) Length of extended periods of eligibility. An eligible spouse's or surviving spouse's extended period of eligibility shall be for the length of time that the individual was prevented from initiating or completing his or her chosen program of education. This shall be determined as follows:

(1) If the eligible spouse or surviving spouse is in training in a course organized on a term, quarter, or semester basis, his or her extended period of eligibility shall contain the same number of days as the number of days from the date during the eligible spouse's or surviving spouse's original period of eligibility that his or her training became medically infeasible to the earliest of the following dates:
   (i) The commencing date of the ordinary term, quarter, or semester following the day the eligible spouse's or surviving spouse's training became medically feasible;
   (ii) The ending date of the eligible spouse's or surviving spouse's period of eligibility as determined by § 21.3046(c); or
   (iii) The date the eligible spouse or surviving spouse resumed training.

(2) If the eligible spouse or surviving spouse is training in a course not organized on a term, quarter, or semester basis, his or her extended period of eligibility shall contain the same number of days from the date during the eligible spouse's or surviving spouse's original period of eligibility that his or her training became medically infeasible to the earlier of the following dates:
   (i) The date the eligible spouse's or surviving spouse's training became medically feasible; or
   (ii) The ending date of the eligible spouse's or surviving spouse's period of eligibility as determined by § 21.3046.

Counseling

§ 21.3103 Failure to cooperate.
§ 21.3104 Special training.
§ 21.3105 Travel expenses.

§ 21.3100 Counseling.
(a) Purpose of counseling. The purpose of counseling is to assist:
1) In selecting an educational or training objective;
   (Authority: 38 U.S.C. 3520)
2) In developing a suitable program of education or training;
   (Authority: 38 U.S.C. 3520)
3) In selecting an educational institution or training establishment appropriate for the
   attainment of the educational or training objective;
   (Authority: 38 U.S.C. 3561(a))
4) In resolving any personal problems which are likely to interfere with successful
   pursuit of a program;
   (Authority: 38 U.S.C. 3561(a))
5) In selecting an employment objective for the eligible person that would be likely to
   provide the eligible person with satisfactory employment opportunities in light of his or
   her circumstances.
   (Authority: 38 U.S.C. 3520, 3561(a))
(b) Availability of counseling. Counseling assistance is available for --
   (1) Identifying and removing reasons for academic difficulties which may result in
       interruption or discontinuance of training; or
   (2) In considering changes in career plans, and making sound decisions about the
       changes.
   (Authority: 38 U.S.C. 3520, 3561(a))
(c) Provision of counseling. VA shall provide counseling as needed for the purposes
   identified in paragraphs (a) and (b) of this section upon the request of the eligible person.

§ 21.3102 Required counseling.
(a) Child. The VA counseling psychologist will provide counseling and assist in
   preparing the educational plan only if the eligible child or his or her parent or guardian
   requests assistance, except that counseling is required for an eligible child if --
   (1) The eligible child may require specialized vocational training or special restorative
   training; or
(2) The eligible child has reached the compulsory school attendance age under State law, but has neither reached his or her 18th birthday, nor completed secondary schooling. See § 21.3040(a).

(b) Spouse or surviving spouse. Counseling is required for a spouse or surviving spouse only if he or she desires specialized vocational training.

§ 21.3104 Special training.
(a) Initial counseling. A counseling psychologist in the Vocational Rehabilitation and Employment Division will counsel a disabled child, spouse, or surviving spouse before referring the case to the Vocational Rehabilitation Panel (established under § 21.60) for consideration as to the child's, spouse's or surviving spouse's need for a course of specialized vocational training or the child's need for special restorative training. After consulting with the panel, and considering the panel's report, the counseling psychologist will determine if the disabled child, spouse, or surviving spouse needs a course of specialized vocational training or the disabled child needs special restorative training, and where need is found to exist will prescribe a course which is suitable to accomplish the goals of 38 U.S.C. chapter 35.

(Authority: 38 U.S.C. 3536, 3540-3543, 3561(a))

(b) Counseling after special restorative training. When an eligible child completes or discontinues a course of special restorative training without having selected an objective and a program of education, a counseling psychologist in the Vocational Rehabilitation and Employment Division will provide additional counseling to assist the child in selecting a program of education suitable to accomplish the purposes of 38 U.S.C. chapter 35.

§ 21.3133 Payment procedures.
§ 21.3135 Reduction or discontinuance dates for awards of educational assistance allowance.

§ 21.3130 Educational assistance.
(a) Approval of a program of education. VA will approve a program of education selected by an eligible person if:
   (1) The program is described in § 21.3021 (h) and (i) or (j);
   (2) The individual is not already qualified for the objective of the program of education;
   (3) The proposed educational institution or training establishment is in compliance with all the requirements of 38 U.S.C. chapters 35 and 36; and
   (4) It does not appear that the enrollment in or pursuit of such person's program of education would violate any provision of 38 U.S.C. chapters 35 and 36.
   (Authority: 38 U.S.C. 3521)
(b) Payments. VA will pay educational assistance at the rate specified in § 21.3131 (subject to the reductions required by § 21.3132) while the eligible person is pursuing an approved program of education or training.
   (Authority: 38 U.S.C. 3521, 3532)
(c) No payment for excessive training. (1) VA will make no payment for:
   (i) Training in an apprenticeship or other on-job training program in excess of the number of hours approved by the State approving agency or VA; or
   (ii) Lessons completed in a correspondence course in excess of the number approved by the State approving agency.
   (2) A school's standards of progress may permit a student to repeat a course or portion of a course in which he or she has done poorly. VA considers the repeated courses to be part of the program of education. VA will make no payment for courses or training if the courses or training are not part of the eligible person's program of education.
   (Authority: 38 U.S.C. 3501(a)(5), 3521)
(d) Courses precluded. VA may not pay educational assistance:
   (1) For pursuit of a course if approval of the enrollment in the course is precluded by § 21.4252;
   (2) For training in a foreign country unless the training is in the Philippines or is approved pursuant to the provisions of § 21.4260; or
   (3) For pursuit of a course offered by open-circuit television, unless the eligible person's pursuit meets the requirements of § 21.4233(c).
   (Authority: 38 U.S.C. 3523)
(e) Commencing date. In determining the commencing date of an award of educational assistance, VA will apply the provisions of § 21.4131.
   (Authority: 38 U.S.C. 5113)

fn1 If an eligible person under 38 U.S.C. chapter 35 pursuing independent study on a less than one-half-time basis completes his or her program before the designated completion time, his or her award will be recomputed to permit payment of tuition and fees not to exceed $ 304.00 or $ 152.00, as appropriate, per month, if the maximum allowance is not initially authorized.

fn2 See footnote 5 of § 21.4270(c) for measurement of full time and § 21.3132(c) for proportionate reduction in award for completion of less than 120 hours per month.

fn3 Established charge means the charge for the course or courses determined on the basis of the lowest extended time payment plan offered by the institution and approved by the appropriate State approving agency or the actual cost to the eligible spouse or surviving spouse, whichever is less. VA considers the continuity of an enrollment broken when there are more than 6 months between the servicing of the lessons.

Correspondence: 55 percent of the established charge for the number of lessons completed by the eligible spouse or surviving spouse and serviced by the school -- Allowance paid quarterly fn3

fn1 If an eligible person under 38 U.S.C. chapter 35 pursuing independent study on a less than one-half-time basis completes his or her program before the designated completion time, his or her award will be recomputed to permit payment of tuition and fees not to exceed $ 335.00 or $ 167.50, as appropriate, per month, if the maximum allowance is not initially authorized.

fn2 See footnote 5 of § 21.4270(c) for measurement of full time and § 21.3132(c) for proportionate reduction in award for completion of less than 120 hours per month.

fn3 Established charge means the charge for the course or courses determined on the basis of the lowest extended time payment plan offered by the institution and approved by the appropriate State approving agency or the actual cost to the eligible spouse or surviving spouse, whichever is less. VA considers the continuity of an enrollment broken when there are more than 6 months between the servicing of the lessons.

(Authority: 38 U.S.C. 3532(a), 3542(a), 3687(b)(2), (d))

(c) Less than half time. The monthly rate for an eligible person who is pursuing an institutional course on less than one-half time basis may not exceed the monthly rate of the cost of the course computed on basis of the total cost for tuition and fees which the school requires similarly circumstanced individuals enrolled in the same course to pay. "Cost of the course" does not include the cost of books or supplies which the student is required to purchase at his or her own expense.
(Authority: 38 U.S.C. 3532(a)(2))
(d) Courses leading to a secondary school diploma or equivalency certificate. The monthly rate of Survivors' and Dependents' Educational Assistance payable for an eligible person enrolled in a course leading to a secondary school diploma or equivalency certificate shall be the rate for institutional training stated in paragraph (a) of this section.
(Authority: 38 U.S.C. 3532(d), 3533)
(e) Payments made to eligible persons in the Republic of the Philippines or to certain Filipinos. When the eligible person is pursuing training at an institution located in the Republic of the Philippines or when an eligible child's entitlement is based on the service of a veteran in the Philippine Commonwealth Army, or as a Philippine Scout as defined in § 3.40 (b), (c), or (d) of this chapter, payments of educational assistance allowance made after December 31, 1994, will be made at the rate of 50 cents for each dollar authorized.
(Authority: 38 U.S.C. 3532(d), 3565)

[EFFECTIVE DATE NOTE: 68 FR 34319, 34321, June 9, 2003, amended this section, effective June 9, 2003.]

The monthly rates established in § 21.3131 shall be reduced as stated in this section whenever the circumstances described in this section arise.
(a) No educational assistance allowance for some incarcerated eligible persons. VA will pay no educational assistance allowance to an eligible person who:
(1) Is incarcerated in a Federal, State, or local penal institution for conviction of a felony; and
(2) Is enrolled in a course:
(i) For which there are no tuition or fees, or charges for books, supplies, and equipment;
or
(ii) For which tuition and fees are being paid by a Federal program (other than one administered by VA) or by a State or local program, and the eligible person is incurring no charge for the books, supplies, and equipment necessary for the course.
(Authority: 38 U.S.C. 3532(e))
(b) Reduced educational assistance allowance for some incarcerated eligible persons -- felony conviction. (1) VA will pay a reduced educational assistance allowance to an eligible person who:
(i) Is incarcerated in a Federal, State, or local penal institution for conviction of a felony; and
(ii) Is enrolled in a course:
(A) For which the eligible person pays some (but not all) of the charges for tuition and fees; or
(B) For which a Federal program (other than one administered by VA) or a State or local program pays all the charges for tuition and fees, but which requires the eligible person to pay for books, supplies, and equipment.

(2) The monthly rate of educational assistance allowance payable to such an eligible person who is pursuing a course on a half-time or greater basis shall be the lesser of the following:
(i) The monthly rate of the portion of the tuition and fees that the eligible person must pay plus the monthly rate of the charge to the eligible person for the cost of necessary supplies, books, and equipment; or
(ii) The monthly rate stated in § 21.3131.
(3) The monthly rate of educational assistance payable to such an eligible person who is pursuing the course on a less than half-time basis or on a one quarter-time basis shall be the lowest of the following:
(i) The monthly rate of the tuition and fees charged for the course;
(ii) The monthly rate of tuition and fees which the eligible person must pay plus the monthly rate of the charge to the eligible person for the cost of necessary supplies, books, and equipment; or
(iii) The monthly rate stated in § 21.3131.
(Authority: 38 U.S.C. 3482(g))
(c) Reduction in training assistance allowance. (1) For any month in which an eligible person pursuing an apprenticeship or on-job training program fails to complete 120 hours of training, VA shall reduce the rate specified in § 21.3131(a) proportionally. In this computation VA shall round the number of hours worked to the nearest multiple of eight.
(2) For the purpose of this paragraph hours worked include only:
(i) The training hours the eligible person worked; and
(ii) All hours of the eligible person's related training which occurred during the standard workweek and for which the eligible person received wages.
(Authority: 38 U.S.C. 3687(b)(3))
(d) Mitigating circumstances. (1) VA will not pay benefits to any eligible person for a course from which the eligible person withdraws or receives a nonpunitive grade which is not used in computing the requirements for graduation unless the provisions of this paragraph are met.
(i) The eligible person withdraws because he or she is ordered to active duty; or
(ii) All of the following criteria are met:
(A) There are mitigating circumstances;
(B) The eligible person submits a description of the circumstances in writing to VA either one year from the date VA notifies the eligible person that he or she must submit the mitigating circumstances or at a later date if the eligible person is able to show good cause why the one-year time limit should be extended to the date on which he or she submitted the description of the mitigating circumstances; and
(C) The eligible person submits evidence supporting the existence of mitigating circumstances within one year of the date that evidence is requested by VA, or at a later date if the eligible person is able to show good cause why the one-year time limit should be extended to the date on which he or she submitted the evidence supporting the existence of mitigating circumstances.
(2) The following circumstances are representative of those which the Department of Veterans Affairs considers to be mitigating provided they prevent the eligible person from pursuing the program of education continuously. This list is not all inclusive.
(i) An illness of the eligible person,
(ii) An illness or death in the eligible person's family,
(iii) An unavoidable geographical transfer resulting from the eligible person's employment,
(iv) An unavoidable change in the eligible person's conditions of employment,
(v) Immediate family or financial obligations beyond the control of the eligible person which require him or her to suspend pursuit of the program of education to obtain employment,
(vi) Discontinuance of a course by a school,
(vii) Unanticipated active duty military service including active duty for training,
(viii) Unanticipated difficulties in caring for the eligible person's child or children.

( Authority: 38 U.S. C. 3680)

(3) If the eligible child fails to complete satisfactorily a course of special restorative training or if the eligible person fails to complete satisfactorily a course under section 3533, Title 38 U.S.C., without fault, the Department of Veterans Affairs will consider the circumstances which caused the failure to be mitigating. This will be the case even if the circumstances were not so severe as to preclude continuous pursuit of a program of education.

(4) In the first instance of a withdrawal after May 31, 1989, from a course or courses for which the eligible person received educational assistance under title 38 U.S.C. or under chapter 1606, title 10 U.S.C., VA will consider that mitigating circumstances exist with respect to courses totaling not more than six semester hours or the equivalent. Eligible persons to whom the provisions of this subparagraph apply are not subject to the reporting requirement found in paragraph (d)(1)(ii) of this section.

( Authority: 38 U.S. C. 3680(a)(4); Pub. L. 100-689)

(5) If an eligible person withdraws from a course during a drop-add period, VA will consider the circumstances which caused the withdrawal to be mitigating. Eligible persons who withdraw from a course during a drop-add period are not subject to the reporting requirement found in paragraph (d)(1)(ii) of this section.

§ 21.3133 Payment procedures.
(a) Release of payments and payment procedures. In determining whether payments of educational assistance allowance may be made in a lump sum, in advance, for an interval or if a certification is required from an eligible person before a payment may be made, VA will apply the provisions of § 21.4138.
(Authority: 38 U.S.C. 3680)
(b) Payee. (1) VA will pay an educational assistance allowance to the eligible person if he or she has attained majority and has no known legal disability.
(2) If an eligible person has not attained majority, VA will pay an educational assistance allowance directly to an eligible person, a relative, or some other person for the use and benefit of the eligible person notwithstanding a legal disability on the part of the eligible person when VA determines:
(i) The best interest of the eligible person would be served;
(ii) Undue delay in payment would be avoided; or
(iii) Payment would otherwise not be feasible.
(Authority: 38 U.S.C. 3501(a)(4), 3501(c), 3531(a), 5502)
(c) Payment of accrued benefits. Educational assistance remaining due and unpaid at the date of the eligible person's death is payable under the provisions of § 3.1000 of this chapter.
(Authority: 38 U.S.C. 5121)
(d) Tutorial assistance. An individual who is otherwise eligible to receive benefits under the Survivors' and Dependents' Educational Assistance program may receive supplemental monetary assistance to provide tutorial services. In determining whether VA will pay the individual this assistance, VA will apply the provisions of § 21.4236.
(Authority: 38 U.S.C. 3492, 3533(b))
(e) Offsets: 38 U.S.C. chapter 35, compensation, pension and dependency and indemnity compensation. Payment of dependents' educational assistance will be subject to offset of amounts of pension, compensation or dependency and indemnity compensation paid over the same period on behalf of a child based on school attendance.
(Authority: 38 U.S.C. 3562)
(f) Final payment. VA may withhold final payment until VA receives proof of continued enrollment and adjusts the eligible person's account.

§ 21.3135 Reduction or discontinuance dates for awards of educational assistance allowance.

[eccxviii]Discussion and Analysis in the Veterans Benefits Manual
The reduction or discontinuance date of an award of educational assistance will be as stated in this section. If more than one basis for reduction or discontinuance is involved, the earliest date will control.

(a) Ending date of course. Educational assistance allowance will be discontinued on the ending date of the course or period of enrollment as certified by the school.

(Authority: 38 U.S.C. 3531, 3680(a))

(b) Ending date of eligibility. Educational assistance allowance will be discontinued on the ending date of the eligible person's eligibility as determined by § 21.3041, § 21.3042, § 21.3043, or § 21.3046.

(Authority: 38 U.S.C. 3512)

(c) General reduction or discontinuance dates. Educational assistance allowance will be reduced or discontinued on the date specified in § 21.4135.

(Authority: 38 U.S.C. 3482(g), 3531, 3671(g), 3672(a), 3680, 3683, 3690, 5112, 5113, 6103, 6104, 6105)

(d) Divorce. If the veteran and eligible spouse divorce, the discontinuance date for the eligible spouse's award of educational assistance will be:

1. The end of the quarter or semester if the school is operated on a quarter or semester system, and the divorce was without fault on the eligible spouse's part;
2. The end of the course or a 12-week period, whichever is earlier, if the school does not operate on a quarter or semester system, and the divorce was without fault on the eligible spouse's part; or
3. In all other instances, the date the divorce decree becomes final.

(Authority: 38 U.S.C. 3501(a)(1)(D), 3511(b))

(e) Remarriage or other relationship of spouse or surviving spouse. (1) If an eligible surviving spouse remarries, the date of discontinuance of his or her award of educational assistance allowance will be the last date of attendance before remarriage.

2. If a spouse or surviving spouse begins a relationship by living with another person and holding himself or herself out openly to the public to be the spouse of the other person, the date of discontinuance of his or her award of educational assistance allowance will be the last date of the month before the spouse's or surviving spouse's relationship began.

(f) Entrance on active duty (§ 21.3042). If an eligible person enters on active duty, VA will terminate his or her educational assistance allowance on the day before the day of entrance on active duty. Brief periods of active duty for training, if the school permits such an absence without interruption of training, will not result in termination of the allowance under this paragraph.

(Authority: 38 U.S.C. 3501(d))

(g) Eligible child ceases to be a stepchild. When an eligible child loses eligibility because he or she ceases to be the stepchild of the veteran, VA will discontinue the dependent's educational assistance allowance on the last day of the child's eligibility as determined by § 21.3041(d)(9).

(Authority: 38 U.S.C. 101(4)(A), 3501)

(h) Veteran no longer rated permanently and totally disabled. (1) If the veteran on whose service an eligible person's eligibility is based is no longer permanently and totally disabled, VA will discontinue the educational assistance allowance --
(i) On the last date of the quarter or semester during which VA rated the veteran as no longer permanently and totally disabled if the eligible person's educational institution is organized on a quarter or semester basis; or
(ii) On the earlier of the following dates when the eligible person's educational institution is not organized on a quarter or semester basis:
   (A) The last date of the course;
   (B) The end of a 12-week period beginning on the date VA rated the veteran as being no longer permanently and totally disabled.
   (Authority: 38 U.S.C. 3511(b), 3512(a)(6)(A))
(i) Serviceperson is removed from "missing status" listing. (1) If the serviceperson on whose service an eligible person's eligibility is based is removed from the "missing status" listing, VA will discontinue the educational assistance allowance --
   (i) On the last date of the quarter or semester during which the serviceperson was removed from the "missing status" listing if the eligible person's educational institution is organized on a quarter or semester basis; or
   (ii) On the earlier of the following dates when the eligible person's educational institution is not organized on a quarter or semester basis:
       (A) The last date of the course;
       (B) The end of a 12-week period beginning on the date the serviceperson was removed from the "missing status" listing.
   (Authority: 38 U.S.C. 3512(a)(6)(A))
(j) Fugitive felons. (1) VA will not award educational assistance allowance to an otherwise eligible person for any period after December 26, 2001, during which the--
   (i) Eligible person is a fugitive felon; or
   (ii) Veteran from whom eligibility is derived is a fugitive felon.
   (2) The date of discontinuance of an award of educational assistance allowance to an eligible person is the later of--
       (i) The date of the warrant for the arrest of the felon; or

§ 21.3300 Special restorative training.
§ 21.3301 Need.
§ 21.3302 Agreements.
§ 21.3303 Extent of training.
§ 21.3304 Assistance during training.
§ 21.3305 'Interrupted' status.
§ 21.3306 Reentrance after interruption.
§ 21.3307 'Discontinued' status.

§ 21.3300 Special restorative training.
(a) Purpose of special restorative training. The Department of Veterans Affairs may prescribe special restorative training where needed to overcome or lessen the effects of a physical or mental disability for the purpose of enabling an eligible child to pursue a program of education, special vocational program or other appropriate goal. Medical care and treatment or psychiatric treatment are not included.
(b) Special restorative training courses. The counseling psychologist, after consulting with the Vocational Rehabilitation Panel, may prescribe for special restorative training purposes courses such as --
(1) Speech and voice correction or retention,
(2) Language retraining,
(3) Speech (lip) reading,
(4) Auditory training,
(5) Braille reading and writing,
(6) Training in ambulation,
(7) One-hand typewriting,
(8) Nondominant handwriting,
(9) Personal, social and work adjustment training,
(10) Remedial reading, and
(11) Courses at special schools for mentally and physically disabled or
(12) Courses provided at facilities which are adapted or modified to meet special needs of disabled students.
(Authority: 38 U.S.C. 3540)
(c) Duration of special restorative training. VA may provide special restorative training in excess of 45 months where an additional period of time is needed to complete the training. Entitlement, including any authorized in excess of 45 months, may be expended through an accelerated program requiring a rate of payment for tuition and fees in excess of--
(1) $213.00 a month for the period beginning October 1, 2002, and ending September 30, 2003;
(2) $218.00 a month for the period beginning October 1, 2003, and ending June 30, 2004; and
(3) $247.00 a month for months after June 30, 2004.
(Authority: 38 U.S.C. 3541(b), 3542)
§ 21.3301 Need.
(a) Determination of need. When special restorative training has been requested or is being considered for a handicapped child, a counseling psychologist will obtain all information necessary to determine the need for and feasibility of special restorative training. After the counseling psychologist completes this task, he or she will refer the case to the Vocational Rehabilitation Panel. The panel will consider whether--
(1) There exists a handicap which will interfere with pursuit of a program of education;
(2) It is in the best interests of an eligible child to begin special restorative training after his or her 14th birthday;
(3) The period of special restorative training materially will improve the eligible child's ability to:
   (i) Pursue a program of education,
   (ii) Pursue a program of specialized vocational training,
   (iii) Obtain continuing employment in a sheltered workshop, or
   (iv) Adjust in his or her family or community;
   (Authority: 38 U.S.C. 3541(a))
(4) The special restorative training may be pursued concurrently with a program of education; and
(5) Training will affect adversely the child's mental or physical condition;
(6) The Department of Veterans Affairs:
   (i) Has considered assistance available under provisions of State-Federal programs for education of handicapped children, and
   (ii) Has determined that it is in the child's interest to receive benefits under Chapter 35,
   (Authority: 38 U.S.C. 3541(a))
(b) Report. The Vocational Rehabilitation Panel will prepare a written report of its findings and recommendations as to the need for assistance and the types of assistance which should be provided. The report will be sent to the counseling psychologist.
(c) Development and implementation. Following consultation with the panel or receipt of the panel's report, or both, the counseling psychologist will determine the need and feasibility of special restorative training. If an affirmative finding is made, an individualized, written plan comparable to that developed in cases of extended evaluation under 38 U.S.C. Chapter 31 will be prepared. The plan will be developed jointly with the eligible child and parent or guardian.
(Authority: 38 U.S.C. 3541(a))
(d) Notification of disallowance. When a parent or guardian has requested special restorative training on behalf of an eligible child, and the counseling psychologist finds
that this training is not needed or will not materially improve the child's condition, the Department of Veterans Affairs will inform the parent or guardian in writing of the finding. The Department of Veterans Affairs will also inform the parent or guardian of his or her appeal rights.
(e) Reentrance after interruption. The case of an eligible child shall be referred to the panel for consideration of whether the eligible child may be permitted reentrance into special restorative training following interruption. The panel will recommend approval to the counseling psychologist if there is a reasonable expectation that the purpose of special restorative training will be accomplished. See § 21.3306.

§ 21.3302 Agreements.
(a) Agreements to provide training. The Department of Veterans Affairs may make agreements with public or private educational institutions or others to provide suitable and necessary special restorative training for an eligible child.
(b) Tuition charge. When a customary tuition charge is not applicable, the agreement will include the fair and reasonable amounts which may be charged the parent or guardian for the training provided an eligible child.
(c) Content of agreement. Each agreement will include the same type of information required for special restorative training for disabled veterans under 38 U.S.C. Chapter 31, including the requirement that the educational institutions, or others with whom arrangements have been made, report to the Department of Veterans Affairs promptly the eligible child's enrollment in, interruption or termination of the course of special restorative training.

[48 FR 37973, Aug. 22, 1983]

§ 21.3303 Extent of training.
(a) Length of special restorative training. Ordinarily, special restorative training may not exceed 12 months. When the counseling psychologist, after consulting with the Vocational Rehabilitation Panel, determines that more than 12 months of training is necessary, he or she will refer the program to the Director, Vocational Rehabilitation and Employment Service for prior approval. Where the plan for a program of special restorative training itself (not in combination with the program of education) will require more than 45 months (or its equivalent in accelerated payments) the plan will be included in the recommendation to the Director, Vocational Rehabilitation and Employment Service for approval.
(Authority: 38 U.S.C. 3543(b))
(b) Age limitation. No eligible child may receive special restorative training after reaching age 31.
(Authority: 38 U.S.C. 3512)
(c) Full-time training. An eligible child will pursue special restorative training on a full-time basis.
(1) Full-time training requires training for:
(i) That amount of time per week which commonly is required for a full-time course at
the educational institution when, based on medical findings, the Department of Veterans
Affairs determines that the eligible child's physical or mental condition permits training
for that amount of time, or
(ii) The maximum time per week permitted by the child's disability, as determined by the
Department of Veterans Affairs, based on medical findings, if the disability precludes the
weekly training time stated in paragraph (c)(1)(i) of this section.
(2) If the hours per week that can reasonably be devoted to restorative training will not of
themselves equal the time required by paragraph (c)(1) of this section, the course will be
supplemented with subject matter which will contribute toward the objective of the
program of education.

§ 21.3304 Assistance during training.
(a) General. A vocational rehabilitation specialist will provide the professional and
technical assistance needed by the eligible child in pursuing special restorative training.
The assistance will be timely, sustained and personal.
(b) Adjustments in the training situation. The vocational rehabilitation specialist must be
continually aware of the eligible child's progress. At frequent intervals he or she will
determine whether the eligible child is progressing satisfactorily. When the vocational
rehabilitation specialist determines that adjustments are needed in the course or in the
training situation, he or she will act immediately to bring about the adjustments in
accordance with the following:
(1) When the eligible child or his or her instructor indicates dissatisfaction with elements
of the program, the vocational rehabilitation specialist, through personal discussion with
the eligible child or his or her instructor or both, will, if possible, correct the difficulty
through such means as making minor adjustments in the course or by persuading the
eligible child to give more attention to performance.
(2) When major difficulties cannot be corrected, the vocational rehabilitation specialist
will prepare a report of pertinent facts and recommendations for action by the counseling
psychologist in consultation with the Vocational Rehabilitation Panel.
(3) Action will be taken to terminate the eligible child's course at the proper time so that
his or her entitlement may be conserved when the vocational rehabilitation specialist
determines that:
(i) The eligible child is progressing much faster than anticipated, and
(ii) The eligible child's course may be terminated with satisfactory results before the time
originally planned.

§ 21.3305 'Interrupted' status.

© 2006 Matthew Bender & Company, Inc., a member of the LexisNexis Group. All rights reserved. Use of this product is subject to
the restrictions and terms and conditions of the Matthew Bender Master Agreement.
(a) Special restorative training should be uninterrupted. An eligible child once entered into special restorative training should pursue his or her course to completion without interruption. Wherever possible, continuous training shall be provided for each eligible child, including training during the summer, except where, because of his or her physical condition or other good reason, it would not be to his or her best interest to pursue training. As long as the eligible child is progressing satisfactorily toward overcoming his or her handicap, the eligible child will be continued in his or her course of training without accounting for days of nonattendance within the authorized enrollment.

(Authority: 38 U.S.C. 3541)

(b) Interrupting special restorative training. Special restorative training will be interrupted as necessary under the following conditions:

1. During summer vacations or periods when no instruction is given before and after summer sessions.
2. During a prolonged period of illness or medical infeasibility.
3. When the eligible child voluntarily abandons special restorative training.
4. When the eligible child fails to make satisfactory progress in the special restorative training course.
5. When the eligible child is no longer acceptable to the institution because of failure to maintain satisfactory conduct or progress in accordance with the rules of the institution.
6. When the eligible child's progress is materially retarded because of his or her negligence, lack of application or misconduct.

(Authority: 38 U.S.C. 3541, 3543(b))

[48 FR 37973, Aug. 22, 1983]

§ 21.3306 Reentrance after interruption.

When a course of special restorative training has been interrupted and the eligible child presents himself or herself for reentrance, the Department of Veterans Affairs will act as follows:

(a) Action by a vocational rehabilitation specialist. A vocational rehabilitation specialist will approve reentrance when special restorative training was interrupted:

1. For a scheduled vacation period, such as a summer break,
2. For a short period of illness, or
3. For other reasons which permit reentrance in the same course of special restorative training without corrective action.

(Authority: 38 U.S.C. 3543(B))

(b) Referral to the counseling psychologist. The vocational rehabilitation specialist will refer the eligible child's case to the counseling psychologist when special restorative training was interrupted--

1. By reason of failure to maintain satisfactory conduct or progress, or
2. For any other reason, which requires corrective action, such as changes of place of training, change of course, personal adjustment, etc.

(2) The counseling psychologist will consult with the Vocational Rehabilitation Panel. If he or she determines that the conditions which caused the interruption can be overcome, he or she will approve the necessary adjustment.

(3) The counseling psychologist will make a finding of infeasibility if--

1. All efforts to effect proper adjustment in the case have failed; and
(ii) There is substantial evidence, resolving any reasonable doubt in favor of the child (as discussed in § 3.102 of this chapter), that additional efforts will be unsuccessful.
(Authority: 38 U.S.C. 3541, 3543(b))

§ 21.3307 'Discontinued' status.
(a) Placement in "discontinued" status. If reentrance from interrupted status into a program of special restorative training is not approved by a counseling psychologist under the provisions of § 21.3306, the vocational rehabilitation specialist will place the case in discontinued status.
(b) Notification. In any case of discontinuance the Department of Veterans Affairs will:
   (1) Notify the eligible child's parent or guardian of the action taken, and
   (2) Inform him or her of the eligible child's potential right to a program of education.
(c) Effect of discontinuance. An eligible child who has been placed in discontinued status is precluded from any further pursuit of special restorative training until a Department of Veterans Affairs counseling psychologist in the Vocational Rehabilitation and Employment Division determines that the cause of the discontinuance has been removed.

PAYMENTS; SPECIAL RESTORATIVE TRAINING

§ 21.3330 Payments.
§ 21.3331 Commencing date.
§ 21.3332 Discontinuance dates.
§ 21.3333 Rates.

§ 21.3330 Payments.
(a) Payments will be made to the person designated to receive the payments under the provisions of § 21.3133(b).
(b) VA will pay special training allowance only for the period of the eligible child's approved enrollment as certified by the vocational rehabilitation specialist. In no event, however, will VA pay such allowance for any period during which:
(1) The eligible child is not pursuing the prescribed course of special restorative training that has been determined to be full-time training with respect to his or her capacities.
(2) An educational assistance allowance is paid.
(Authority: 38 U.S.C. 3542)
(c) The provisions of § 21.3133(e) apply to the payment of special restorative training allowance.
(Authority: 38 U.S.C. 3562)

[EFFECTIVE DATE NOTE: 61 FR 26107, 26112, May 24, 1996, which amended this section, became effective May 24, 1996.]

§ 21.3331 Commencing date.
The commencing date of an authorization of a special training allowance will be the date of entrance or reentrance into the prescribed course of special restorative training, or the date the counseling psychologist approved the course for the eligible child whichever is later. See also § 21.3130(c).
(Authority: 38 U.S.C. 3542)

§ 21.3332 Discontinuance dates.
VA will discontinue special training allowance as provided in this section on the earliest date of the following:
(a) The ending date of the course.
(b) The ending date of the period of enrollment as certified by the vocational rehabilitation specialist.
(c) The ending date of the period of eligibility.
(d) The expiration of the eligible child's entitlement.
(e) Date of interruption of course as determined by the vocational rehabilitation specialist under § 21.3305.
(f) Date of discontinuance under the applicable provisions of § 21.3130(d).

(Authority: 38 U.S.C. 3543(b))

§ 21.3333 Rates.

(a) Rates. Special training allowance is payable at the following monthly rates, except as provided in paragraph (c) of this section.

(1) For special restorative training that occurs after September 30, 2001, and before January 1, 2002:

<table>
<thead>
<tr>
<th>Course</th>
<th>Monthly rate</th>
<th>Accelerated charges</th>
</tr>
</thead>
<tbody>
<tr>
<td>Special restorative</td>
<td>$ 608.00</td>
<td>If costs for tuition and fees average in excess of $ 190.00 per month, rate may be increased by such amount in excess of $ 190.00.</td>
</tr>
</tbody>
</table>

(Authority: 38 U.S.C. 3542)

(2) For special restorative training that occurs after December 31, 2001:

<table>
<thead>
<tr>
<th>Course</th>
<th>Monthly rate</th>
<th>Accelerated charges</th>
</tr>
</thead>
<tbody>
<tr>
<td>Special restorative</td>
<td>$ 670.00</td>
<td>If costs for tuition and fees average in excess of $ 210.00 per month, rate may be increased by such amount in excess of $ 210.00.</td>
</tr>
</tbody>
</table>

(Authority: 38 U.S.C. 3542)

(b) Accelerated charges. (1) VA may pay the additional monthly rate if the parent or guardian concurs in having the eligible child's period of entitlement reduced by 1 day for each $ 20.28 that the special training allowance exceeds the basic monthly rate of $ 608.00 for the period between October 1, 2001, through December 1, 2001, and for each $ 22.33 that the special training allowance exceeds the basic monthly rate of $ 670.00 for months beginning January 1, 2002.

(2) VA will:

(i) Charge fractions of more than one-half day as 1 day;
(ii) Disregard fractions of one-half or less; and
(iii) Record charges when the eligible child is entered into training.

(Authority: 38 U.S.C. 3542)

(c) Payments made to eligible persons in the Republic of the Philippines or to certain Filipinos. When the eligible person is pursuing training at an institution located in the Republic of the Philippines or when an eligible child's entitlement is based on the service of a veteran in the Philippine Commonwealth Army, or as a Philippine Scout as defined in § 3.40(b), (c), or (d) of this chapter, payments of special training allowance made after December 31, 1994, will be made at the rate of 50 cents for each dollar authorized.

Special Assistance and Training

§ 21.3344 Special assistance for the educationally disadvantaged.

(a) Enrollment. VA may approve the enrollment of an eligible person in an appropriate course or courses at the secondary school level. This approval may be made only if the eligible person --
(1) Has not received a secondary school diploma (or an equivalency certificate);
(2) Needs additional secondary school education, remedial, refresher, or deficiency courses, to qualify for admission to an appropriate educational institution in a State in order to pursue a program of education; and
(3) Is to pursue the course or courses in a State.
(Authority: 38 U.S.C. 3491(a), 3533)
(b) Measurement. VA will measure remedial, deficiency, or refresher courses offered at the secondary school level as provided in §§ 21.4270(a)(2) and 21.4272(k).
(Authority: 38 U.S.C. 3533)
(c) Educational assistance. VA will authorize educational assistance at the monthly rates specified in § 21.3131.
(Authority: 38 U.S.C. 3491(a), 3533)
(d) Entitlement charge. The provisions of § 21.3045 will determine whether VA will make a charge against the period of the entitlement of the eligible person because of enrollment in a course under the provisions of this section.
(Authority: 38 U.S.C. 3533)
(e) Certifications. (1) Certifications of the eligible person's need for deficiency or remedial courses in basic English language skills and mathematics skills may be made by:
(i) A VA counseling psychologist in the Vocational Rehabilitation and Employment Division;
(ii) The educational institution administering the course; or
(iii) The educational institution where the student has applied for admission.
(2) Certification of need for other refresher, remedial or deficiency course requirements are to be made by the educational institution --
(i) Administering the course which the eligible person is planning to enter; or
(ii) Where the eligible person has applied for admission.
(Authority: 38 U.S.C. 3533)
(f) Basic skills. Basic English language courses or mathematics courses will be authorized when it is found by accepted testing methods that the eligible person is lacking in basic reading, writing, speaking, or essential mathematics.

§ 21.4001 Delegations of authority.
(a) Except as otherwise provided, authority is delegated to the Under Secretary for Benefits and to supervisory or adjudicative personnel within the jurisdiction of the Education Service, designated by him or her to make findings and decisions under 38 U.S.C. Chapters 34 and 36 and the applicable regulations, precedents and instructions, as to programs authorized by these paragraphs.
(b) Authority is delegated to the Under Secretary for Benefits' and the Director, Education Service, to enter into agreements for the reimbursement of State approving agencies under § 21.4153.
(Authority: 38 U.S.C. 512(a))
(c) Authority is delegated to the Director, Education Service, to exercise the functions required of the Secretary for:
(1) Waiver of penalties for conflicting interests as provided by § 21.4005;
(2) Actions otherwise required of State approving agencies under § 21.4150(c);
(3) Approval of courses under § 21.4250(c)(2).
(Authority: 38 U.S.C. 512(c))
(d) The Under Secretary for Benefits is delegated responsibility for obtaining evidence of voluntary compliance for vocational rehabilitation, education and special restorative training to implement Title VI, Civil Rights Act of 1964. Authority is delegated to him or her and his or her designee to take any necessary action as to programs of vocational rehabilitation, education or special restorative training under 38 U.S.C. Chapters 31, 34, 35 and 36 for the purpose of securing evidence of voluntary compliance directly or through the agencies to whom the Secretary has delegated responsibility for various schools or training establishments to implement §§ 18.1 through 18.13 of this chapter.
(e) The Under Secretary for Benefits is delegated responsibility for obtaining evidence of voluntary compliance from recognized national organizations whose representatives are afforded space and office facilities in facilities under his or her jurisdiction.
(f) The Under Secretary for Benefits is delegated responsibility to enter into an agreement with the Federal Trade Commission to utilize, where appropriate, its services and facilities, consistent with its available resources, to carry out investigations and make determinations as to enrollment of an eligible veteran or eligible person in any course offered by an institution which utilizes advertising, sales, or enrollment practices of any type which are erroneous, deceptive, or misleading either by actual statement, omission, or intimation.

§ 21.4002 Finality of decisions.
(a) The decision of a duly constituted agency of original jurisdiction on which an action was predicated will be final and binding upon all field offices of the Department of Veterans Affairs as to conclusions based on evidence on file at that time and will not be subject to revision on the same factual basis except by duly constituted appellate authorities or except as provided in § 21.4003. (See §§ 19.192 and 19.183 of this chapter.)
(b) Current determinations of line of duty, character of discharge, relationship, and other pertinent elements of eligibility for a program of education or special restorative training, made by either an adjudicative activity or an insurance activity by application of the same criteria and based on the same facts are binding one upon the other in the absence of clear and unmistakable error.

§ 21.4003 Revision of decisions.
The revision of a decision on which an action was predicated will be subject to the following sections:
(a) Clear and unmistakable error, § 3.105(a) of this chapter;
(b) Difference of opinion, § 3.105(b) of this chapter;
(c) Character of discharge, § 3.105(c) of this chapter;
(d) Severance of service connection, § 3.105(d) of this chapter;
(e) Veteran no longer totally and permanently disabled, § 21.4135(o).
[31 FR 6774, May 6, 1966]

§ 21.4005 Conflicting interests.
(a) General. (1) An officer or employee of VA will be immediately dismissed from his or her office or employment, if while such an officer or employee he or she has owned any interest in, or received any wages, salary, dividends, profits, gratuities, or services from, any school operated for profit in which a veteran or eligible person was pursuing a course of education under 10 U.S.C. chapter 1606 or 38 U.S.C. chapters 30, 32, 34, 35 or 36. (Authority: 10 U.S.C. 16136(b), 38 U.S.C. 3034(a), 3241, 3683(a))
(2) VA will discontinue payments under § 21.4153 to a State approving agency when the Secretary finds that any person who is an officer or employee of a State approving agency has, while he or she was such an officer or employee, owned any interest in, or received any wages, salary, dividends, profits, gratuities, or services from a school operated for profit in which a veteran or eligible person was pursuing a course of education or training under 10 U.S.C. chapter 1606 or 38 U.S.C. chapters 30, 32, 34, 35 or 36 unless that agency takes, without delay such steps as may be necessary to terminate
the employment of such a person. VA will not resume payments while such a person is
an officer or employee of
(i) The State approving agency, or
(ii) State Department of Veterans’ Affairs, or
(iii) State Department of Education.
(3) A State approving agency will not approve any course offered by a school operated
for profit and, if any such course has been approved, will disapprove each such course, if
it finds that any officer or employee of the Department of Veterans Affairs, or the State
approving agency owns an interest in, or receives any wages, salary, dividends, profits,
gratuities, or service from, such school.
(4) The Secretary may, after reasonable notice, and public hearings if requested, waive in
writing the application of this paragraph in the case of any officer or employee of the
Department of Veterans Affairs or of a State approving agency, if it is found that no
detriment will result to the United States or to veterans or eligible persons by reason of
such interest or connection of such officer or employee.
(Authority: 38 U.S.C. 3683)
(b) Waiver. (1) Where a request is made for waiver of application of paragraph (a)(1) of
this section, it will be considered that no detriment will result to the United States or to
veterans or eligible persons by reason of such interest or connection of such officer or
employee of the Department of Veterans Affairs, if the officer or employee:
(i) Acquired his or her interest in the school by operation of law, or before the statute
became applicable to the officer or employee, and his or her interest has been disposed of
and his or her connection discontinued, or
(ii) Meets all of the following conditions:
(a) His or her position involves no policy determinations, at any administrative level,
having to do with matters pertaining to payment of educational assistance allowance, or
special training allowance.
(b) His or her position has no relationship with the processing of any veteran's or eligible
person's application for education or training.
(c) His or her position precludes him or her from taking any adjudicative action on
individual applications for education or training.
(d) His or her position does not require him or her to perform duties involved in the
investigation of irregular actions on the part of schools or veterans or eligible persons in
connection with 10 U.S.C. chapter 1606 or 38 U.S.C. chapters 30, 32, 34, 35 or 36.
(e) His or her position is not connected with the processing of claims by, or payments to,
schools, or their students enrolled under the provisions of 10 U.S.C. chapter 1606 or 38
U.S.C. chapters 30, 32, 34, 35 or 36.
(f) His or her work is not connected in any way with the inspection, approval, or
supervision of schools desiring to train veterans or eligible persons.
(2) Where a request is made for waiver of application of paragraph (a) (2) of this section,
it will be considered that no detriment will result to the United States or to veterans or
eligible persons by reason of such interest or connection of such officer or employee of a
State approving agency, if the officer or employee:
(i) Acquired his or her interest in the school by operation of law, or before the statute
became applicable to the officer or employee, and his or her interest has been disposed of
and his or her connection discontinued, or

(ii) Meets all of the following conditions:
(a) His or her position does not require him or her to perform duties involved in the investigation of irregular actions on the part of schools or veterans or eligible persons in connection with 10 U.S.C. chapter 1606 or 38 U.S.C. chapters 30, 32, 34, 35 or 36. (Authority: 10 U.S.C. 16136(b), 38 U.S.C. 3034(a), 3241, 3683(b))
(b) His or her work is not connected in any way with the inspection, approval, or supervision of schools desiring to train veterans or eligible persons.
(c) Authority. (1) Authority is delegated to the Director, Education Service, and to the facility head in the cases of VA employees under his or her jurisdiction, to waive the application of paragraph (a)(1) of this section in the case of any VA employee who meets the criteria of paragraph (b)(1) of this section, and to deny request for a waiver which do not meet those criteria. If the circumstances warrant, a waiver request may be submitted to the Secretary for a decision.
(2) Authority is delegated to the Director, Education Service, in cases of State approving agency employees to waive the application of paragraph (a)(2) of this section in the case of anyone who meets the criteria of paragraph (b)(2) of this section, and to deny requests for a waiver which do not meet those criteria. If the circumstances warrant, a waiver request may be submitted to the Secretary for a decision.
(3) Authority is reserved to the Secretary to waive the requirement of paragraphs (a)(1) and (2) of this section in the case of an officer of the Department of Veterans Affairs or a State approving agency and in the case of any employee of either who does not meet the criteria of paragraph (b) of this section.
(d) Disapproval of courses. Where it is found that an officer or employee of the Department of Veterans Affairs has any interest in, or receives any wages, salary, dividends, profits, gratuities, or services from any such school, and waiver has not been granted, the State approving agency and the school will be notified immediately that the courses offered by the school shall be disapproved, the reason for disapproval, and the conditions under which the disapproval may be lifted.
(e) Notice to veterans and eligible persons. The veteran or eligible person will be notified in writing sent to his or her latest address of record when:
(1) The course or courses are disapproved by the State approving agency, or
(2) The State approving agency fails to disapprove the course or courses within 15 days after the date of written notice to the agency, and no waiver has been requested, or
(3) Waiver has been denied.

The veteran or eligible person will be informed that he or she may apply for enrollment in an approved course in another school, but that in the absence of such transfer, educational assistance allowance payments will be discontinued effective the date of discontinuance of the course, or the 30th day following the date of such letter, whichever is earlier.
(f) Definition of "officer." For the purposes of this section a person will be considered to be an officer of the State approving agency or the Department of Veterans Affairs, when he or she has authority to exercise supervisory authority.

§ 21.4006 False or misleading statements.
(a) Payments may not be based on false statements. Except as provided in this section payments may not be authorized based on a claim where it is found that the school or any person has willfully submitted a false or misleading claim, or that the veteran or eligible person with the complicity of the school or other person has submitted such a claim. A complete report of the facts will be made to the State approving agency, and if in order to the Attorney General of the United States.
(Authority: 38 U.S.C. 3690)
(1) Where it is determined prior to payment that a certification or claim is false or misleading, payment will be authorized for only that portion of the claim to which entitlement is established on the basis of other evidence of record.
(2) When the Department of Veterans Affairs discovers that a certification or claim is false after it has released payment, the Department of Veterans Affairs will establish an overpayment for only that portion of the claim to which the claimant was not entitled.
(Authority: 38 U.S.C. 3680)
(b) Effect of false statements on subsequent payments. A claimant's false or misleading statements are not a bar to payments based on further training.
(Authority: 38 U.S.C. 3680)
(c) Forfeiture. The provisions of this section do not apply when forfeiture of all rights has been or may be declared under the provisions of § 21.4007.
(38 U.S.C. 6103)

§ 21.4007 Forfeiture.
The rights of a veteran or eligible person to receive educational assistance allowance or special training allowance are subject to forfeiture under the provisions of §§ 3.900, 3.901 (except paragraph (c)), 3.902 (except paragraph (c)), 3.903, 3.904, 3.905 and 19.2 of this chapter.

(38 U.S.C. 6103, 6104 and 6105)

When approval of a course may be withdrawn, and overpayments may exist or be created, the Department of Veterans Affairs may suspend further payments to veterans or eligible persons enrolled in the school until the question of withdrawing approval is resolved. See § 21.4210.
[48 FR 37976, Aug. 22, 1983; 63 FR 35830, 35831, July 1, 1998]
(38 U.S.C. 3690(b))
§ 21.4009 Overpayments -- waiver or recovery.

(a) General. (1) The amount of the overpayment of educational assistance allowance or special training allowance paid to a veteran or eligible person constitutes a liability of that veteran or eligible person.

(2) The amount of the overpayment of educational assistance allowance or special training allowance paid to a veteran or eligible person constitutes a liability of the education institution if the Department of Veterans Affairs determines that the overpayment was made as the result of willful or negligent:

(i) Failure of the educational institution to report, as required by §§ 21.4203 and 21.4204, discontinuance or interruption of a course by a veteran, reservist or eligible person, or

(ii) False certification by the educational institution.

(3) If it appears that the falsity or misrepresentation was deliberate, the Department of Veterans Affairs may not pursue administrative collection pending a determination whether the matter should be referred to the Department of Justice for possible civil or criminal action. However, the Department of Veterans Affairs may recover the amount of the overpayment from the educational institution by administrative collection procedure when the Department of Veterans Affairs determines the false certification or misrepresentation resulted from an administrative error or a misstatement of fact and that no criminal or civil action is warranted.

(4) If the Department of Veterans Affairs recovers any part of the overpayment from the educational institution, it may reimburse the educational institution, if the Department of Veterans Affairs subsequently collects the overpayment from a veteran or eligible person. The reimbursement --

(i) Will be made when the total amount collected from the educational institution and from the veterans and eligible persons (less any amount applied toward marshal fees, court costs, administrative cost of collection and interest) exceeds the total amount for which the educational institution is liable, and

(ii) Will be equal to the excess.

(5) This paragraph does not preclude the imposition of any civil or criminal liability under this or any other law.

(b) Reporting. (1) If a school is required to make periodic or other certifications, the Department of Veterans Affairs may consider the following in determining whether a school is potentially liable for an overpayment:

(i) The school's failure to report, or to report timely facts which resulted in an overpayment, or

(ii) The school's submission of an incorrect certification as to fact.

(2) In either instance the Department of Veterans Affairs will consider other pertinent factors such as:

(i) Allowing for occasional clerical error or occasional administrative error;

(ii) The school's past reliability in reporting;

(iii) The adequacy of the school's reporting system; and

(iv) The extent of noncompliance with reporting requirements.

(Authority: 38 U.S.C. 3685)

(c) Committee on school liability. Each field station having jurisdiction over schools with courses approved for training under Chapter 1606, Title 10 U.S.C., Chapters 30, 32, 34, 35 and/or 36, Title 38 U.S.C. shall establish a Committee on School Liability. The
committee or a panel designated by the committee chairperson and drawn from the committee, is authorized to find whether a school is liable for an overpayment. (Authority: 10 U.S.C. 16136(b), 38 U.S.C. 3034(A0, 3241, 3685) 
(d) Initial determination. The Veterans Service Center Manager of the Department of Veterans Affairs facility of jurisdiction will determine whether there is evidence that would warrant a finding that the school is potentially liable for an overpayment. When the decision is in the affirmative, the Finance Officer of the Department of Veterans Affairs facility of jurisdiction will notify the school in writing of the Department of Veterans Affairs's intent to apply the liability provisions of paragraph (a) of this section. The notice will identify the students overpaid and will set out in each student's case the actions or omissions by the school which resulted in the finding that the school was potentially liable for the overpayment. The notice will also state that a determination of liability will be made on the basis of the evidence of record, unless additional evidence or a request for a hearing is received within 30 days of the date of receipt of such notice by the school.

(e) Hearings. A school is entitled to a hearing before a panel drawn from the Committee on School Liability before a decision is made as to whether it is liable for an overpayment. Every hearing will be preceded by a prehearing conference unless the conference is waived by the school. The Committee on School Liability will consider all evidence and testimony presented at the hearing.

(f) Extent of liability. Waiver of collection of an overpayment as to a veteran or eligible person will not relieve the school of liability for the overpayment. Recovery in whole or in part from the veteran or eligible person will limit such liability accordingly. If an overpayment has been recovered from the school and the veteran or eligible person subsequently repays the amount in whole or in part, the amount repaid will be reimbursed to the school.

(g) Notice to school. The school shall be notified in writing of the decision of the Committee on School Liability. If the school is found liable for an overpayment, the school also will be notified of the right to appeal the decision to the Central Office School Liability Appeals Board within 60 days from the date of the letter to the school containing notice of the decision. The 60-day time limit may be extended to 90 days at the discretion of the chairperson of the Committee on School Liability. The appeal must be in writing setting forth fully the alleged errors of fact and law. If an appeal is not received within the 60-day time limit, the Committee decision is final.

(h) Appeals. An appeal will be forwarded to Central Office where it will be considered by the School Liability Appeals Board. The Board's decision will serve as authority for instituting collection proceedings, if appropriate, or for discontinuing collection proceedings instituted on the basis of the original decision of the Committee on School Liability in any case where the Board reverses a decision made by the Committee that the school is liable.

(i) Review. Review by the School Liability Appeals Board is limited to the issues raised by the school and shall be on the record and not de novo in character. The Board may affirm, modify or reverse a decision of the Committee on School Liability or may remand an appeal for further consideration by the appropriate Committee on School Liability. If new and material evidence is discovered while the School Liability Appeals Board is
considering a case, the Board may remand the case to the appropriate Committee on School Liability.

(j) Finality of decisions. The School Liability Appeals Board has authority to act for the Secretary in deciding appeals concerning a school's liability for an overpayment. There is no right of additional administrative appeal of a decision of the School Liability Appeals Board.

§ 21.4020 Two or more programs.
§ 21.4022 Nonduplication-programs administered by VA.

§ 21.4020 Two or more programs.
(a) Limit on training under two or more programs. The aggregate period for which any person may receive assistance under two or more of the following laws may not exceed 48 months (or the part-time equivalent):
   (1) Part VII or VIII, Veterans Regulations numbered 1(a), as amended:
   (2) Title II of the Veterans' Readjustment Assistance Act of 1952;
   (3) The War Orphans' Educational Assistance Act of 1956;
   (4) 38 U.S.C. Chapters 30, 32, 34, 35 and 36 and the former Chapter 33;
   (5) 10 U.S.C. Chapters 107 and 1606;
   (6) Section 903 of the Department of Defense Authorization Act, 1981,
   (7) The Hostage Relief Act of 1980, and
   (Authority: 38 U.S.C. 3695(a))
(b) Limit on combining assistance received under Chapter 31 with assistance under another program. No person may receive assistance under Chapter 31, Title 38 U.S.C. in combination with any provisions of law listed in paragraph (a) of this section in excess of 48 months (or the part-time equivalent) unless the Department of Veterans Affairs determines that additional months of benefits under Chapter 31 are necessary to accomplish the purpose of the veteran's rehabilitation program.
   (38 U.S.C. 3695(b))

§ 21.4022 Nonduplication-programs administered by VA.
A veteran or eligible person who is eligible for education or training benefits under more than one of the provisions of law listed in this paragraph based on his or her own service or based on the service of another person cannot receive such benefits concurrently. The individual must elect which benefit he or she will receive for the particular period or periods during which education or training is to be pursued. Except for an election between 38 U.S.C. chapters 32 and 34 which is irrevocable once a check has been negotiated, the person may reelect at any time.

PAYMENTS; EDUCATIONAL ASSISTANCE ALLOWANCE

§ 21.4131 Commencing dates.
§ 21.4135 Discontinuance dates.
§ 21.4136 Withdrawals or nonpunitive grades may result in nonpayment.
§ 21.4138 Certifications and release of payments.
§ 21.4145 Work-student services.
§ 21.4146 Assignments of benefits prohibited.

§ 21.4131 Commencing dates.

VA will determine the commencing date of an award or increased award of educational assistance under this section. When more than one paragraph in this section applies, VA will award educational assistance using the latest of the applicable commencing dates.

(a) Entrance or reentrance including change of program or educational institution: individual eligible under 38 U.S.C. chapter 32. When an eligible veteran or servicemember enters or reenters into training (including a reentrance following a change of program or educational institution), the commencing date of his or her award of educational assistance will be determined as follows:

(1) If the award is the first award of educational assistance for the program of education the veteran or servicemember is pursuing, the commencing date of the award of educational assistance is the latest of:

   (i) The date the educational institution certifies under paragraph (b) or (c) of this section;

   (ii) One year before the date of claim as determined by § 21.1029(b);

   (iii) The effective date of the approval of the course, or one year before the date VA receives the approval notice, whichever is later; or

(2) If the award is the second or subsequent award of educational assistance for the program of education the veteran or servicemember is pursuing, the effective date of the award of educational assistance is the later of --

   (i) The date the educational institution certifies under paragraph (b) or (c) of this section; or

   (ii) The effective date of the approval of the course, or one year before the date VA receives the approval notice, whichever is later.

(Authority: 38 U.S.C. 3672, 5103, 5110(b), 5113)

(b) Certification by school -- the course or subject leads to a standard college degree. (1) When the student enrolls in a course offered by independent study, the commencing date of the award or increased award of educational assistance will be the date the student began pursuit of the course according to the regularly established practices of the educational institution.

(2) Except as provided in paragraphs (b)(3), (b)(4) and (b)(5) of this section when a student enrolls in a resident course or subject, the commencing date of the award or increased award of educational assistance will be the first scheduled date of classes for the term, quarter or semester in which the student is enrolled.

(3) When the student enrolls in a resident course or subject whose first scheduled class begins after the calendar week when, according to the school’s academic calendar, classes are scheduled to commence for the term, quarter, or semester, the commencing date of

the award or increased award of educational assistance allowance will be the actual date of the first class scheduled for that particular course or subject.

(4) When a student enrolls in a resident course or subject, the commencing date of the award will be the date the student reports to the school provided that --

(i) The published standards of the school require the student to register before reporting, and

(ii) The published standards of the school require the student to report no more than 14 days before the first scheduled date of classes for the term, quarter or semester for which the student has registered, and no later than the first scheduled date of classes for the term, quarter or semester for which the student has registered.

(5) When the student enrolls in a resident course or subject and the first day of classes is more than 14 days after the date of registration, the commencing date of the award or the increased award of educational assistance will be the first day of classes.

(Authority: 38 U.S.C. 3481(a), 3680(a); Pub. L. 98-525)

(c) Certification by school or establishment -- course does not lead to a standard college degree. (1) Residence school: See paragraph (b) of this section.

(2) Correspondence school: Date first lesson sent or date of affirmance whichever is later.

(3) Job training: First date of employment in training position.

(Authority: 38 U.S.C. 3481, 3687)

d) Entrance or reentrance including change of program or educational institution: individual eligible under 38 U.S.C. chapter 35. When a person eligible to receive educational assistance under 38 U.S.C. chapter 35 enters or reenters into training (including a reentrance following a change of program or educational institution), the commencing date of his or her award of educational assistance will be determined as follows:

(1) If the award is the first award of educational assistance for the program of education the eligible person is pursuing, the commencing date of the award of educational assistance is the latest of:

(i) The beginning date of eligibility as determined by § 21.3041(a) or (b) or by § 21.3046(a) or (b), whichever is applicable;

(ii) One year before the date of claim as determined by § 21.1029(b);

(iii) The date the educational institution certifies under paragraph (b) or (c) of this section;

(iv) The effective date of the approval of the course, or one year before the date VA receives the approval notice, whichever is later; or

(2) If the award is the second or subsequent award of educational assistance for that program, the effective date of the award of educational assistance is the later of --

(i) The date the educational institution certifies under paragraph (b) or (c) of this section; or

(ii) The effective date of the approval of the course, or one year before the date VA receives the approval notice, whichever is later.

(Authority: 38 U.S.C. 3014, 3023, 3034, 3672, 5103)

e) [Reserved]

(f) Liberalizing laws and Department of Veterans Affairs issues. In accordance with facts found, but not earlier than the effective date of the act or administrative issue.
(g) Correction of military records. Eligibility of a veteran or eligible person may arise as the result of correction or modification of military records under 10 U.S.C. 1552, or a change, correction or modification of a discharge or dismissal under 10 U.S.C. 1553, or other competent military authority. In these cases the commencing date of educational assistance allowance will be in accordance with the facts found, but not earlier than the date the change, correction or modification was made by the service department.

(Authority: 38 U.S.C. 3462(b), 3501(d))

(h) Individuals in a penal institution. If a veteran or eligible person is paid a reduced rate of educational assistance or no educational assistance under § 21.3132(a) or (b) or § 21.5139, the rate will be increased or benefits will commence effective the earlier of the following dates:

(1) The date the tuition and fees are no longer being paid under another Federal program, or a State or local program, or
(2) The date of the release from the prison or jail.

(Authority: 38 U.S.C. 3482(g), 3532(e))

(i) Fugitive felons. An award of educational assistance allowance to an otherwise eligible veteran or person will begin effective the date the warrant for the arrest of the felon is cleared by--

(1) Arrest;
(2) Surrendering to the issuing authority;
(3) Dismissal; or
(4) Court documents (dated after the warrant for the arrest of the felon) showing the individual is no longer a fugitive.

(Authority: 38 U.S.C. 5313B)

[EFFECTIVE DATE NOTE: 66 FR 38938, July 26, 2001, removed and reserved paragraph (i), effective July 26, 2001.]

§ 21.4135 Discontinuance dates.
The effective date of reduction or discontinuance of educational assistance allowance will be as specified in this section. If more than one type of reduction or discontinuance is involved, the earliest date will control.

(a) Death of veteran or eligible person. (1) If the veteran or eligible person receives an advance payment pursuant to 38 U.S.C. 3680(d) and dies before the period covered by the advance payment ends, the discontinuance date of educational assistance shall be the last date of the period covered by the advance payment.
(2) In all other cases if the veteran or eligible person dies while pursuing a program of education, the discontinuance date of educational assistance shall be the last date of attendance.

(Authority: 38 U.S.C. 3680)
(b) Election to receive educational assistance under the Montgomery GI Bill-Active Duty. If a veteran makes a valid election, as provided in § 21.7045(d), to receive educational assistance under the Montgomery GI Bill-Active Duty in lieu of educational assistance under the Post-Vietnam Era Veterans' Educational Assistance Program, the discontinuance date of educational assistance under the Post-Vietnam Era Veterans' Educational Assistance Program shall be the date on which the election was made pursuant to procedures described in § 21.7045(d)(2).

(c)-(d) [Reserved]
(e) Course discontinued; course interrupted; course terminated; course not satisfactorily completed or withdrawn from. (1) If the individual receives all nonpunitive grades, or withdraws from all courses other than because of being ordered to active duty, and no mitigating circumstances are found, VA will terminate the individual's educational assistance allowance effective the first date of the term in which the withdrawal occurs.
(2) If the individual withdraws from all other courses other than courses in paragraph (e)(3) of this section and with mitigating circumstances, or withdraws from all courses such that a punitive grade is or will be assigned for those courses:
(i) Residence training: Last date of attendance.
(ii) Independent study: Official date of change in status under the practices of the institution.
(3) If the individual withdraws from correspondence, flight, farm cooperative, cooperative or job training, benefits will be terminated effective:
(i) Correspondence training: Date last lesson is serviced.
(ii) Flight training: Date of last instruction.
(iii) Job training: Date of last training.
(iv) Farm cooperative training: Date of last class attendance.
(v) Cooperative training: Date of last training.
(f) Discontinued by VA (§§ 21.4215, 21.4216). If VA discontinues payments of educational assistance as provided by §§ 21.4215(d) and 21.4216, the effective date of discontinuance will be as follows:
(1) The date on which payments first were suspended by the Director of a VA facility as provided in § 21.4210, if the discontinuance were preceded by such a suspension.
(2) End of the month in which the decision to discontinue is effective pursuant to § 21.4215(d), if the Director of a VA facility did not suspend payments prior to the discontinuance.
(g) Unsatisfactory progress, conduct or attendance § 21.4277. The date the veteran's or eligible person's enrollment is discontinued by the school or the date determined under § 21.4277, whichever is earlier.
(h) Required certifications not received after certification of enrollment (§§ 21.4203 and 21.4204). (1) If required certification of attendance of a veteran or eligible person enrolled in a course not leading to a standard college degree is not timely received,
payments will be terminated date of last certification. If certification is later received, adjustment will be made based on facts found.
(2) If verification of enrollment and certificate of delivery of the check is not received within 60 days, in the case of an advance payment, the actual facts will be determined and adjustment made, if required, on the basis of facts found. If student failed to enroll, termination will be effective the beginning date of the enrollment period.
(i) False or misleading statements. See § 21.4006.
(j) Disapproval by State approving agency (§ 21.4259(a)). If a State approving agency disapproves a course, the date of discontinuance of payments to those receiving educational assistance while enrolled in the course will be as follows:
(1) The date on which payments first were suspended by the Director of a VA facility as provided in § 21.4210, if disapproval were preceded by such a suspension.
(2) End of the month in which disapproval is effective or notice of disapproval is received in the Department of Veterans Affairs, whichever is later, provided that the Director of a Department of Veterans Affairs facility did not suspend payments prior to the disapproval.
(Authority: 38 U.S.C. 3672(a), 3690)
(k) Disapproval by Department of Veterans Affairs (§§ 21.4215, 21.4259(c)). If VA disapproves a course, the date of discontinuance of payments to those receiving educational assistance while enrolled in the course will be as follows:
(1) Date on which payments first were suspended by the Director of a VA facility as provided in § 21.4210, if disapproval were preceded by such a suspension.
(2) End of the month in which disapproval occurred, provided that the Director of a Department of Veterans Affairs facility did not suspend payments prior to the disapproval.
(Authority: 38 U.S.C. 3671(b), 3672(a), 3690)
(l) Conflicting interests (not waived) (§ 21.4005). Thirty days after date of letter notifying veteran or eligible person, unless terminated earlier for other reason.
(m) Incarceration in prison or penal institution for conviction of a felony. (1) The provisions of this paragraph apply to a veteran or eligible person whose educational assistance must be discontinued or who becomes restricted to payment of educational assistance allowance at a reduced rate under § 21.3132(a) or (b) or § 21.5139.
(2) The reduced rate or discontinuance will be effective the latest of the following dates.
(i) The first day on which all or part of the veteran's or eligible person's tuition and fees were paid by a Federal, State or local program,
(ii) The date the veteran or eligible person is incarcerated in prison or penal institution, or
(iii) The commencing date of the award as determined by § 21.4131.
(Authority: 38 U.S.C. 3482(g), 3532(e))
(n) Fugitive felons: veterans eligible under 38 U.S.C. chapter 32. VA will not award educational assistance allowance to an otherwise eligible veteran for any period after December 26, 2001, during which the veteran is a fugitive felon. The date of discontinuance of an award of educational assistance allowance to a veteran who is a fugitive felon is the later of--
(1) The date of the warrant for the arrest of the felon; or
(Authority: 38 U.S.C. 5313B)
(o) [Reserved]
(p) Error; payee's or administrative. (1) Effective date of award or day preceding act, whichever is later, but not prior to the date entitlement ceased, on an erroneous award based on an act of commission or omission by a payee or with his or her knowledge. (2) Date of last payment on an erroneous award based solely on administrative error by VA or error in judgment by VA. (Authority: 38 U.S.C. 5112(b)(10) and 5113)
(q) Fraud; forfeiture resulting (§ 21.4007). Beginning date of award or day preceding date of fraudulent act whichever is later.
(r) Treasonable acts or subversive activities; forfeiture (§ 21.4007). Beginning date of award or date preceding date of commission of treasonable act or subversive activities for which convicted, whichever is later.
(s) Reduction in rate of pursuit of course (§ 21.4270). (1) VA will reduce an individual's educational assistance allowance effective the first date of the term in which the individual reduces training by withdrawing from part of a course, if the reduction occurs at the beginning of the term. (2) VA will reduce an individual's educational assistance allowance effective the earlier of the end of the month or end of the term in which an individual reduces training by withdrawing from part of a course when: (i) The reduction does not occur at the beginning of the term; (ii) The individual received a lump-sum payment for the quarter, semester, term or other enrollment period during which he or she reduced training; and (iii) There are mitigating circumstances, or the individual receives a punitive grade for the portion of the course from which he or she withdrew. (3) VA will reduce an individual's educational assistance allowance effective the date on which an individual reduces training when: (i) The reduction does not occur at the beginning of the term; (ii) The individual did not receive a lump-sum payment for the quarter, semester, term or other enrollment period during which he or she reduced training; and (iii) There are mitigating circumstances, or the individual receives a punitive grade for the portion of the course from which he or she withdrew. (4) If the individual reduces training by withdrawing from a part of a course and the withdrawal does not occur because the individual was ordered to active duty; there are not mitigating circumstances; and the individual receives a nonpunitive grade from that portion of the course from which he or she withdrew; VA will reduce the individual's educational assistance effective the later of the following: (i) The first date of enrollment of the term in which the reduction occurs; or (ii) December 1, 1976. See paragraphs (e) and (w) of this section also. (5) An individual who enrolls in several subjects and reduces his or her rate of pursuit by completing one or more of them while continuing training in others, may receive an interval payment based on the subjects completed, if the requirements of § 21.4138(f) of this part are met. If those requirements are not met, VA will reduce the individual's educational assistance allowance effective the date the subject or subjects were completed. (Authority: 38 U.S.C. 5113, 3680)
§ 21.4136 Withdrawals or nonpunitive grades may result in nonpayment.

(a) General. VA will not pay benefits to an individual for a course from which the individual withdraws or receives a nonpunitive grade which is not used in computing the requirements for graduation unless:

(1) The individual withdraws because he or she is ordered to active duty; or

(2) All of the following criteria are met:

(i) There are mitigating circumstances;

(ii) The individual submits a description of the circumstances in writing to VA either within one year from the date VA notifies the individual that he or she must submit the mitigating circumstances or at a later date if the veteran is able to show good cause why the one-year time limit should be extended to the date on which he or she submitted the description of the mitigating circumstances; and

(iii) The individual submits evidence supporting the existence of mitigating circumstances within one year of the date that evidence is requested by VA, or at a later date.

date if the individual is able to show good cause why the one-year time limit should be extended to the date on which he or she submitted the evidence supporting the existence of mitigating circumstances.
(Authority: 38 U.S.C. 3680(a))
(b) Representative mitigating circumstances. The following circumstances, which are not all inclusive, are representative of those that VA considers to be mitigating provided they prevent the individual from pursuing the program of education continuously:
(1) An illness of the individual;
(2) An illness or death in the individual's family;
(3) An unavoidable geographical transfer resulting from the individual's employment;
(4) An unavoidable change in the individual's conditions of employment;
(5) Immediate family or financial obligations beyond the control of the individual that require him or her to suspend pursuit of the program of education to obtain employment;
(6) Discontinuance of the course by the school;
(7) Unanticipated active duty for training;
(8) Unanticipated difficulties in caring for the individual's child or children.
(Authority: 38 U.S.C. 3680(a))
(c) Failure to complete a course for the educationally disadvantaged. If the individual fails to satisfactorily complete a course under 38 U.S.C. 3491(a) without fault, VA will consider the circumstances that caused the failure to be mitigating. This will be the case even if the circumstances were not so severe as to preclude continuous pursuit of a program of education.
(d) Withdrawals after May 31, 1989. In the first instance of a withdrawal after May 31, 1989, from a course or courses for which the individual received educational assistance under 38 U.S.C. chapter 32, VA will consider that mitigating circumstances exist with respect to courses totaling not more than six semester hours or the equivalent, and paragraphs (a)(2)(ii) and (a)(2)(iii) of this section will not apply.
(Authority: 38 U.S.C. 3680(a)(3))
(e) Withdrawals during a drop-add period. If the individual withdraws from a course during a drop-add period, VA will consider the circumstances that caused the withdrawal to be mitigating, and paragraphs (a)(2)(ii) and (a)(2)(iii) of this section will not apply.
(Authority: 38 U.S.C. 3680(a))

§ 21.4138 Certifications and release of payments.
(a) Advance payments. (1) VA will make payments of educational assistance in advance when:
(i) The veteran, servicemember, reservist, or eligible person has specifically requested such a payment;
(ii) The student is enrolled for half time or more;
(iii) The educational institution at which the veteran, servicemember, reservist, or eligible person is accepted or enrolled has agreed to and can satisfactorily carry out the provisions...
of 38 U.S.C. 3680(d)(4)(B) and (C) and (5) pertaining to receipt, delivery, or return of checks and certifications of delivery and enrollment;
(iv) The Director of the VA field facility of jurisdiction has not acted under paragraph (a)(4) of this section to prevent advance payments being made to the veteran's, servicemember's, reservist's, or eligible person's educational institution;
(v) There is no evidence in the veteran's, servicemember's, reservist's, or eligible person's claim file showing that he or she is not eligible for an advance payment;
(vi) The period for which the veteran, servicemember, reservist, or eligible person has requested a payment either --
(A) Is preceded by an interval of nonpayment of 30 days or more; or
(B) Is the beginning of a school year that is preceded by a period of nonpayment of 30 days or more; and
(vii) The educational institution or the veteran, servicemember, reservist, or eligible person has submitted the certification required by § 21.7151.
(2) The amount of the advance payment to a veteran, reservist, or eligible person is the educational assistance for the month or fraction thereof in which the term or course will begin plus the educational assistance for the following month. The amount of the advance payment to a servicemember is the amount payable for the entire term, quarter, or semester, as applicable.
(3) VA will mail advance payments to the educational institution for delivery to the veteran, servicemember, reservist, or eligible person. The educational institution will not deliver the advance payment check more than 30 days in advance of the first date of the period for which VA makes the advance payment.
(4) The Director of the VA field station of jurisdiction may direct that advance payments not be made to individuals attending an educational institution if:
(i) The educational institution demonstrates an inability to comply with the requirements of paragraph (a)(3) of this section;
(ii) The educational institution fails to provide adequately for the safekeeping of the advance payment checks before delivery to the veteran, servicemember, reservist, or eligible person or return to VA; or
(iii) The Director determines, based on compelling evidence, that the educational institution has demonstrated its inability to discharge its responsibilities under the advance payment program.
(Authority: 10 U.S.C. 16136(b); 38 U.S.C. 3034, 3680(d))
(b) Lump-sum payments. A lump-sum payment is a payment of all educational assistance due for an entire quarter, semester, or term. VA will make a lump-sum payment to:
(1) A veteran or servicemember pursuing a program of education at less than the half-time rate under 38 U.S.C. chapter 30;
(2) A servicemember pursuing a program of education at the half-time rate or greater under 38 U.S.C. chapter 30, provided that VA did not make an advance payment to the servicemember for the term for which a lump-sum payment would otherwise be due; and
(3) An eligible person pursuing a program of education at less than the half-time rate under 38 U.S.C. chapter 35.
(Authority: 38 U.S.C. 3034(c), 3680(f))
(c)-(d) [Reserved]
(e) Other payments. An individual must be pursuing a program of education in order to receive payments. To ensure that this is the case the provisions of this paragraph must be met.

1. VA will pay educational assistance to an individual (other than one pursuing a program of apprenticeship or other on-job training or a correspondence course, one who qualifies for an advance payment or one who qualifies for a lump-sum payment) only after—
   i. The educational institution has certified his or her enrollment as provided in § 21.4203; and
   ii. VA has received from the individual a verification of the individual's enrollment or verification of pursuit and continued enrollment, as appropriate. Generally, this verification will be required monthly, resulting in monthly payments.

2. VA will pay educational assistance to an individual pursuing a program of apprenticeship or other on-job training only after—
   i. The training establishment has certified his or her enrollment in the training program as provided in § 21.4203; and
   ii. VA has received from the individual and the training establishment a certification of hours worked.

3. VA will pay educational assistance to an individual who is pursuing a correspondence course only after—
   i. The educational institution has certified his or her enrollment;
   ii. VA has received from the individual a certification as to the number of lessons completed and serviced by the educational institution; and
   iii. VA has received from the educational institution a certification or an endorsement on the individual's certificate, as to the number of lessons completed by the individual and serviced by the educational institution.

(Authority: 38 U.S.C. 5113, 3680(b), 3680(g))

(f) Payment for intervals between terms. A certification such as described by this section may result in payment for intervals between individual terms, quarters or semesters. In determining whether a veteran or eligible person will be paid for such an interval the Department of Veterans Affairs will first determine whether any of the provisions of paragraph (f)(1) of this section apply. If any do, the Department of Veterans Affairs will make no payment for the interval. If none of the provisions of paragraph (f)(1) of this section apply the Department of Veterans Affairs will examine the appropriate provisions of paragraphs (f)(2) and (3) of this section to determine if payments may be made for the interval.

1. The Department of Veterans Affairs will make no payment for an interval described in paragraph (f)(2) of this section if:
   i. The student is training at less than the half-time rate on the last date of his or her training during the term, quarter, semester or summer term preceding the interval;
   ii. The student is on active duty;
   iii. The student requests, prior to authorization of an award or prior to negotiating the check, that no benefits be paid for the interval period;
   iv. The student will exhaust his or her entitlement by receipt of such payment, and it is to the advantage of the individual not to receive payment;
(v) The interval occurs between school years at a school which is not organized on a term, quarter or semester basis;

(vi) The veteran or eligible person withdraws from all his or her courses in the term, quarter, or semester or summer session preceding the interval, or discontinues training before the scheduled start of an interval in a school not organized on a term, quarter or semester basis; or

(vii) The veteran receives an accelerated payment for the term, quarter, semester, or summer session preceding the interval.

(2) If none of the provisions of paragraph (f)(1) of this section apply, the Department of Veterans Affairs will use the provisions of this paragraph and paragraph (f)(3) of this section to determine if an interval payment should be made. In determining the length of a summer term the Department of Veterans Affairs will disregard a fraction of a week consisting of 3 days or less, and will consider 4 days or more to be a full week.

(i) The Director of the VA facility of jurisdiction may authorize payment to be made for breaks, including intervals between terms, within a certified period of enrollment during which the school is closed under an established policy based upon an order of the President or due to an emergency situation.

(A) If the Director has authorized payment due to an emergency school closing resulting from a strike by the faculty or staff of the school, and the closing lasts more than 30 days, the Director, Education Service will decide if payments may be continued. The decision will be based on a full assessment of the strike situation. Further payments will not be authorized if in his or her judgment the school closing will not be temporary.

(B) A school which disagrees with a decision made under this paragraph by a Director of a VA facility, has 1 year from the date of the letter notifying the school of the decision to request that the decision be reviewed. The request must be submitted in writing to the Director of the VA facility where the decision was made. The Director, Education Service shall review the evidence of record and any other pertinent evidence the school may wish to submit. The Director, Education Service has the authority either to affirm or reverse a decision of the Director of a VA facility.

(Authority: 38 U.S.C. 3680(a))

(ii) If a veteran or eligible person transfers from one approved educational institution for the purpose of enrolling in and pursuing a similar course at the second institution, the Department of Veterans Affairs may make payments for any intervals which do not exceed 30 days and which occur between consecutive terms, quarters or semesters. If the veteran or eligible person does not enroll in a similar course at the second institution, the Department of Veterans Affairs shall not make payments for the interval.

(iii) If the veteran or eligible person remains enrolled at the same educational institution, VA may make payment for an interval which does not exceed 8 weeks and which occurs between:

(A) Semesters or quarters as defined in § 21.4200(b);

(B) A semester or quarter and a term that is at least as long as the interval;

(C) A semester or quarter and a summer term that is at least as long as the interval;

(D) Consecutive terms (other than semesters or quarters as defined in § 21.4200(b)) provided that both terms are at least as long as the interval; or

(E) A term and a summer term provided that both the term and the summer term are at least as long as the interval.
(iv) If the veteran or eligible person remains enrolled at the same educational institution, VA may make payment for an interval which does not exceed 30 days and which occurs between summer sessions within a summer term.

(Authority: 38 U.S.C. 3680)

(3) If a veteran is enrolled in overlapping enrollment periods whether before or after an interval (either at the same or different schools), the Department of Veterans Affairs will determine whether the veteran or eligible person is entitled to a payment during an interval as follows:

(i) The Department of Veterans Affairs will treat the ending date of each enrollment period as though it were the veteran's or eligible person's last date of training before the interval.

(ii) The Department of Veterans Affairs will treat the beginning date of each enrollment period as though it were the veteran's or eligible person's first date of training after the interval.

(iii) The Department of Veterans Affairs will examine the interval payment which would be made to the veteran or eligible person on the basis of the various combinations of beginning and ending dates. The ending date and beginning date of the enrollment periods which will result in payment for the interval at the highest rate will be chosen as the start and finish of the interval for Department of Veterans Affairs measurement purposes.

(iv) Payment for the interval will be made at the rate determined in paragraph (f)(4)(iii) of this section. The Department of Veterans Affairs shall not reduce the rate as the result of training the veteran or eligible person may take during the interval, but it shall increase the rate if warranted by such training.

§ 21.4145 Work-student services.

(a) Eligibility. (1) A veteran or reservist pursuing a program of education under either 38 U.S.C. chapter 30 or 32 or 10 U.S.C. chapter 1606 at a rate of three-quarter time or full time is eligible to receive a work-study allowance.

(2) An eligible person is eligible to receive a work-study allowance when --

(i) The eligible person is pursuing a program of education under 38 U.S.C. chapter 35 on at least a three-quarter-time basis;

(ii) The eligible person is pursuing a program of education in a State; and

(iii) The eligible person is not pursuing a program of special restorative training.

(Authority: 10 U.S.C. 16136; 38 U.S.C. 3034, 3241, 3485, 3537)
(b) Selection criteria. Whenever feasible, the Department of Veterans Affairs will give priority in selection for this allowance to veterans with service-connected disabilities rated at 30 percent or more. The Department of Veterans Affairs shall consider the following additional selection criteria:
(1) Need of the veteran, reservist, or eligible person to augment his or her educational assistance allowance;
(2) Availability to the veteran, reservist, or eligible person of transportation to the place where his or her services are to be performed;
(3) Motivation of the veteran, reservist, or eligible person; and
(4) Compatibility of the work assignment to the veteran's, reservist's, or eligible person's physical condition.
(c) Utilization. Work-study services may be utilized in connection with:
(1) Outreach services program as carried out under the supervision of a Department of Veterans Affairs employee;
(2) Preparation and processing of necessary papers and other documents at educational institutions or regional offices or facilities of the Department of Veterans Affairs;
(3) Hospital and domiciliary care and medical treatment at VA facilities;
(4) For a reservist training under 10 U.S.C. chapter 1606, activities relating to the administration of 10 U.S.C. chapter 1606 at Department of Defense facilities, Coast Guard facilities, or National Guard facilities; and
(5) Any other appropriate activity of VA.
(Authority: 10 U.S.C. 16136; 38 U.S.C. 3034, 3241, 3485, 3537)
(d) Rate of payment. In return for the veteran's, reservist's, or eligible person's agreement to perform services for VA totaling not more than 25 hours times the number of weeks contained in an enrollment period, VA will pay an allowance in an amount equal to the higher of:
(1) The hourly minimum wage in effect under section 6(a) of the Fair Labor Standards Act of 1938 (29 U.S.C. 206(a)) times the number of hours the veteran, reservist, or eligible person has agreed to work; or
(2) The hourly minimum wage under comparable law of the State in which the services are to be performed times the number of hours the veteran, reservist, or eligible person has agreed to work.
(Authority: 10 U.S.C. 16136; 38 U.S.C. 3034, 3241, 3485, 3537)
(e) Payment in advance. VA will pay in advance an amount equal to the lesser of the following:
(1) 40 percent of the total amount payable under the contract; or
(2) An amount equal to 50 times the applicable minimum hourly wage in effect on the date the contract is signed.
(Authority: 10 U.S.C. 16136; 38 U.S.C. 3034, 3241, 3485, 3537)
(f) Veteran, reservist, or eligible person reduces rate of training. In the event the veteran, reservist, or eligible person reduces his or her training to less than three-quarter-time before completing an agreement, the veteran, reservist, or eligible person, with the approval of the Director of the VA field station, or designee, may be permitted to complete the portions of an agreement in the same or immediately following term, quarter, or semester in which the veteran, reservist, or eligible person ceases to be a three-quarter-time student.
(Authority: 10 U.S.C. 16136; 38 U.S.C. 3034, 3241, 3485, 3537)

(g) Veteran, reservist, or eligible person terminates training. (1) If the veteran, reservist, or eligible person terminates all training before completing an agreement, the Director of the Department of Veterans Affairs facility or designee:
(i) May permit him or her to complete the portion of the agreement represented by the money the Department of Veterans Affairs has advanced to the veteran, reservist, or eligible person for which he or she has performed no services, but
(ii) Will not permit him or her to complete that portion of an agreement for which no advance has been made.

(2) The veteran, reservist, or eligible person must complete the portion of an agreement in the same or immediately following term, quarter or semester in which the veteran, reservist, or eligible person terminates training.

(h) Indebtedness for unperformed service. (1) If the veteran, reservist, or eligible person has received an advance for hours of unperformed service, and the Department of Veterans Affairs has evidence that he or she does not intend to perform that service, the advance:
(i) Will be a debt due the United States, and
(ii) Will be subject to recovery the same as any other debt due the United States.

(2) The amount of indebtedness for each hour of unperformed service shall equal the hourly wage that formed the basis of the contract.

(Authority: 38 U.S.C. 3485)

(i) Survey. The Department of Veterans Affairs will conduct an annual survey of its regional offices to determine the number of veterans, reservists, or eligible persons whose services can be utilized effectively.

§ 21.4146 Assignments of benefits prohibited.

(a) General. Section 5301(a), Title 38 U.S.C., provides that payments of benefits due or to become due under the laws administered by the Department of Veterans Affairs shall not be assigned, except to the extent specifically authorized by law. No law specifically authorizes assignments of educational assistance allowances payable under 38 U.S.C. chapters 30, 32, 35, or 36, or 10 U.S.C. chapter 1606, and therefore none shall be made.

(b) Designating an attorney-in-fact. In any case where a payee of an educational assistance allowance has designated the address of an attorney-in-fact as the payee's address for the purpose of receiving his or her benefit check and has executed a power of attorney giving the attorney-in-fact authority to negotiate such benefit check, such action shall be deemed to be an assignment and is prohibited.

(c) Arrangements amounting to an assignment. Payments may be made to a post office box address or a bank address only if the educational institution attests that it has not entered into an assignment agreement with the student, and is not the attorney-in-fact of the student with power to negotiate an educational assistance check on behalf of the student and is not otherwise able to control the proceeds of the benefits check. Such
statements shall be subject to review and when determined to be false, may be cause for creation of an overpayment to the account of the veteran or other eligible person, for which the educational institution may be liable under the provisions of § 21.4009.

(d) Correspondence school addresses. A request by a veteran or other eligible person to send the benefit check payable to him or her at an address which is an educational institution primarily engaged in correspondence course instruction will be presumed not to be the actual address of the veteran or other eligible person and will not be honored. Benefits checks will not be sent to the veteran or other eligible person in that event until a new address is provided designating the individual's mailing address.

(e) Referral to Committee on Educational Allowances. When the evidence of record indicates that an educational institution has violated the terms of this section, the matter will be referred to the facility Committee on Educational Allowances as provided in §§ 21.4210(g) and 21.4212.

SECTION 21.4150 Designation.

(a) The Chief Executive of each State is requested to create or designate a State department or agency as the State approving agency for his State, for the purpose of assuming the responsibilities delegated to the State under 38 U.S.C. chapter 36, or if the law of the State provides otherwise, to indicate the agency provided by such law (38 U.S.C. 3671(a)).

(b) The Chief Executive of each State will notify the Department of Veterans Affairs of any change in the designation of a State approving agency.

(c) The provisions of 38 U.S.C. chapter 36 and the sections in this part which refer to the State approving agency will, with respect to a State, be deemed to refer to VA when that State:

(1) Does not have and fails or declines to create or designate a State approving agency, or
(2) Fails to enter into an agreement as provided in § 21.4153 of this part.

(Authority: 38 U.S.C. 3671(b)(1))

(d) Any function, power or duty otherwise required to be exercised by a State, or by an officer or agency of a State, will, with respect to the Republic of Philippines, be exercised by the station head.

(Authority: 38 U.S.C. 512(a), 3561(b))

(e) The Secretary shall act as State approving agency for programs of apprenticeship, the standards for which have been approved by the Secretary of Labor pursuant to section 50a of title 29 U.S.C. as a national apprenticeship program for operation in more than one State and the training establishment is a carrier directly engaged in interstate commerce which provides such training in more than one State.

(Authority: 38 U.S.C. 3672(c))

(f) Approval of a course of education offered by any agency or instrumentality of the Federal Government shall be under the authority of the Secretary.

(38 U.S.C. 3672(b))

CROSS REFERENCE: Approval of courses. See § 21.4250.

SECTION 21.4151 Cooperation.

(a) The Department of Veterans Affairs and the State approving agencies will take cognizance of the fact that definite duties, functions and responsibilities are conferred upon each of them. To assure that programs of education are administered effectively and

efficiently, the cooperation of the Department of Veterans Affairs and the State approving agencies is essential.
(Authority: 38 U.S.C. 3673(A))
(b) State approving agency responsibilities. State approving agencies are responsible for:
(1) Inspecting and supervising schools within the borders of their respective States;
(2) Determining those courses which may be approved for the enrollment of veterans and eligible persons;
(3) Ascertaining whether a school at all times complies with its established standards relating to the course or courses which have been approved; and
(4) Under an agreement with VA rendering services and obtaining information necessary for the Secretary's approval or disapproval under chapters 30 through 36, title 38 U.S.C. and chapters 1606 and 107, title 10 U.S.C., of courses of education offered by any agency or instrumentality of the Federal Government within the borders of their respective States.
(Authority: 38 U.S.C. 3672, 3673, 3674; Pub. L. 100-323)
(c) The Department of Veterans Affairs will furnish State approving agencies with copies of such Department of Veterans Affairs informational and instructional material as may aid them in carrying out the provisions of 38 U.S.C. chapter 36.

§ 21.4152 Control by agencies of the United States.
(a) Control of educational institutions and State agencies generally prohibited. No department, agency, or officer of the United States will exercise any supervision or control over any State approving agency or State educational agency, or any educational institution.
(Authority: 38 U.S.C. 3682; Pub. L. 100-323)
(b) Authority retained by VA. The provisions of paragraph (a) of this section do not restrict authority conferred on VA
(1) To define full-time training in certain courses.
(2) To determine whether overcharges were made by a school and to disapprove the school for enrollment of veterans or eligible persons not previously enrolled. See § 21.4210(d).
(3) To determine whether the State approving agencies under the terms of contract or reimbursement agreements are complying with the standards and provisions of the law.
(4) To examine the records and accounts of schools which are required to be made available for examination by duly authorized representatives of the Federal Government. See §§ 21.4209 and 21.4263.
(5) To disapprove schools or courses for reasons stated in the law and to approve schools or courses notwithstanding lack of State approval.
§ 21.4153 Reimbursement of expenses.
(a) Expenses will be reimbursed under contract -- (1) Scope of contracts. (i) If a State or local agency requests payment for service contemplated by law, and submits information prescribed in paragraph (e) of this section, VA will negotiate a contract or agreement with the State or local agency to pay (subject to available funds and acceptable annual evaluations) reasonable and necessary expenses incurred by the State or local agency in -- (A) Determining the qualifications of educational institutions and training establishments to furnish programs of education to veterans and eligible persons, (B) Supervising educational institutions and training establishments, and (C) Furnishing any other services VA may request in connection with the law governing VA education benefits. (ii) VA will take into account the results of annual evaluations carried out under § 21.4155 of this part when negotiating the terms and conditions of the contract or agreement. (Authority: 38 U.S.C. 3674, 3674(a); Pub. L. 100-343) (2) Reimbursable supervision. Supervision will consist of the services required: (i) To determine that the programs are furnished in accordance with the law and with any other reasonable criteria as may be imposed by the State, and (ii) To disapprove any programs which fail to meet the law and the established criteria. (Authority: 38 U.S.C. 512(a)) (b) Reimbursement. The Under Secretary for Benefits and the Director, Education Service, are authorized to enter into agreements necessary to fulfill the purpose of paragraph (a) of this section. See § 21.4001(b). (Authority: 38 U.S.C. 512(a)) (c) Reimbursable expenses. Reimbursement may be made from the funds provided in the existing contract with the State approving agency under the provisions of this section. No reimbursement may be authorized for expenses incurred by any individual who is not an employee of the State approving agency. (1) Salaries. Salaries for which reimbursement may be authorized under a contract: (i) Will not be in excess of the established rate of pay for other employees of the State with comparable or equivalent duties and responsibilities, (ii) Will be limited to the actual salary expense incurred by the State, and (iii) Will include the basic salary rate plus fringe benefits, such as social security, retirement, and health, accident, or life insurance, that are payable to all similarly circumstanced State employees. (2) Travel. (i) Reimbursement will be made under the terms of the contract for travel of personnel engaged in activities in connection with the inspection, approval or supervision of educational institutions, including -- (A) Travel of personnel attending training sessions sponsored by VA and the State approving agencies. (B) Expenses of attending out-of-State meetings and conferences only if the Director, Education Service, authorizes the travel.
(ii) Travel expenses for which reimbursement may be authorized under a contract will be limited to:
(A) Expenses allowable under applicable State laws or travel regulations of the State or agency;
(B) Expenses for travel actually performed by employees specified under the terms of the contract and;
(C) Either actual expenses for transportation, meals, lodging and local telephone calls, or the regular State or agency per diem allowance.
(iii) All claims for travel expenses payable under the terms of a contract must be supported by factual vouchers and all transportation allowances must be supported by detailed claims which can be checked against work assignments in the office of the State approving agency.

(3) Administrative expenses. In determining the allowance for administrative expenses for which payment may be authorized, VA will apply the provisions of 38 U.S.C. 3674(b). In making that application, VA will determine reimbursable salary cost pursuant to paragraph (c)(1) of this section.

(4) Subcontracts. The State approving agency may also be reimbursed for work performed by a subcontractor provided:
(i) The work has a direct relationship to the requirements of Chapter 1606 of Title 10 U.S.C. or Chapter 30, 32, 34, 35 or 36 of Title 38 U.S.C., and
(ii) The Contracting Officer has approved the subcontract in advance.

(d) Nonreimbursable expenses. The Department of Veterans Affairs will not provide reimbursement under reimbursement contracts for:
(1) Expenditures other than salaries and travel of personnel required to perform the services specified in the contract and Department of Veterans Affairs regulations.
(2) Supplies, equipment, printing, postage, telephone services, rentals, and other miscellaneous items or a service furnished directly or indirectly.
(3) Except as provided in paragraph (c)(2) of this section, the salaries and travel of personnel while attending training sessions, or when they are engaged in activities other than those in connection with the inspection, approval, or supervision of educational institutions.
(4) The supervision of educational institutions which do not have veterans or eligible persons enrolled.
(5) Expenses incurred in the administration of an educational program which are costs properly chargeable as tuition costs, such as the development of course material or individual educational programs, teacher training or teacher improvement activities, expenses of coordinators, or administrative costs, such as those involving selection and employment of teachers. (This does not preclude reimbursement for expenses of the State agency incurred in the development of standards and criteria for the approval of courses under the law.)
(6) Expenses of a State approving agency for inspecting, approving or supervising courses when the agency is responsible for establishing, conducting or supervising those courses.

(7) Any expense for supervision or other services to be covered by contract which are already being reimbursed or paid from tuition funds under this law.

(e) Agency operating plan. A request by a State approving agency for reimbursement under the law will be subject to the requirements of 41 CFR 8-7.5101-8 as to "Equal Opportunity". The request will be accompanied by the proposed plan of operation and the specific duties and responsibilities of all personnel for which reimbursement of salaries and travel expense is required.

(1) The Department of Veterans Affairs will determine personnel requirements for which the Department of Veterans Affairs provides reimbursement on the basis of estimated workloads agreed upon between the Department of Veterans Affairs and the State agency. Agreements are subject to review and adjustment.

(2) Workloads will be determined upon three factors:
   (i) Inspection and approval visits,
   (ii) Supervisory visits, and
   (iii) Special visits at the request of the Department of Veterans Affairs.

(f) Contract compliance. Reimbursement under each contract or agreement is conditioned upon compliance with the standards and provisions of the contract and the law. If the Contracting Officer determines that the State has failed to comply with the standards or provisions of the law or with terms of the reimbursement contract, he or she will withhold reimbursement for claimed expenses under the contract. If the State disagrees, the State may request the Contracting Officer to reconsider his or her decision or may initiate action under the Disputes clause of the contract. See 48 CFR 801.602.

(Authority: 38 U.S.C. 3674)

(g) Contract disputes. The State approving agency reimbursement contract is subject to the Contract Disputes Act of 1978. Disputes arising under, or relating to, the contract will be resolved in accordance with the disputes article of the contract and with appropriate procurement regulations.

(a) State approving agencies must report their activities. Each State approving agency entering into a contract or agreement under § 21.4153 of this part must submit a report of its activities to VA. The report may be submitted monthly or quarterly by the State approving agency as provided in the contract or agreement.

(Authority: 38 U.S.C. 3674; Pub. L. 100-323)

(b) Content of the report. The report:
   (1) Shall be in the form prescribed by the Secretary;
(2) Shall detail the activities of the State approving agencies under the agreement or contract during the preceding month or quarter, as appropriate;
(3) May include, at the option of the State approving agency, a cumulative report of its activities from the beginning of the fiscal year to date;
(4) Shall describe the services performed and the determination made in supervising and ascertaining the qualifications of educational institutions in connection with the programs of the Department of Veterans Affairs; and
(5) Shall include other information as the Secretary may prescribe.

(Approved by the Office of Management and Budget under control number 2900-0051) [49 FR 26227, June 27, 1984, as amended at 54 FR 49757, Dec. 1, 1989; 57 FR 28087, June 24, 1992]

(38 U.S.C. 3674)

§ 21.4155 Evaluations of State approving agency performance.
(a) Annual evaluations required. (1) VA shall conduct in conjunction with State approving agencies an annual evaluation of each State approving agency. The evaluation shall be based on standards developed by VA with State approving agencies. VA shall provide each State approving agency an opportunity to comment upon the evaluation. (2) VA shall take into account the result of the annual evaluation of a State approving agency when negotiating the terms and conditions of a contract or agreement as provided in § 21.4153(a) of this part.

(Authority: 38 U.S.C. 3674A(a); Pub.L. 100-323)

(b) Development of a training curriculum. (1) VA shall cooperate with State approving agencies in developing and implementing a uniform national curriculum, to the extent practicable, for --

(i) Training new employees of State approving agencies, and
(ii) Continuing the training of the employees of the State approving agencies.

(2) VA with the State approving agencies shall sponsor the training and continuation of training provided by this paragraph.

(c) Development, adoption and application of qualification and performance standards for employees of State approving agencies. (1) VA shall:

(Authority: 38 U.S.C. 3674A; Pub. L. 100-323)

(i) Develop with the State approving agencies prototype qualification and performance standards;
(ii) Prescribe those standards for State approving agency use in the development of qualification and performance standards for State approving agency personnel carrying out approval responsibilities under a contract or agreement as provided in § 21.4153(a) of this part; and
(iii) Review the prototype qualification and performance standards with the State approving agencies no less frequently than once every five years.

(2) In developing and applying standards described in paragraph (d)(1) of this section, a State approving agency may take into consideration the State's merit system requirements and other local requirements and conditions. However, no State approving agency may develop, adopt or apply qualification or performance standards that do not meet the requirements of paragraph (d)(3) of this section.
(3) The qualification and performance standards adopted by the State approving agency shall describe a level of qualification and performance which shall equal or exceed the level of qualification and performance described in the prototype qualification and performance standards developed by VA with the State approving agencies. The State approving agency may amend or modify its adopted qualification and performance standards annually as circumstances may require.

(4) VA shall provide assistance in developing these standards to a State approving agency that requests it.

(5) After November 19, 1989, each State approving agency carrying out a contract or agreement with VA under § 21.4153(a) shall:

(i) Apply qualification and performance standards based on the standards developed under this paragraph, and

(ii) Make available to any person, upon request, the criteria used to carry out its functions under a contract or agreement entered into under § 21.4153(a) of this part.

(6) A State approving agency may not apply these standards to any person employed by the State approving agency on May 20, 1988, as long as that person remains in the position in which the person was employed on that date.

Discussion and Analysis in the Veterans Benefits Manual

(a) School, educational institution, institution. The terms school, educational institution and institution mean:
(1) A vocational school or business school;
(2) A junior college, teachers' college, college, normal school, professional school, university, or scientific or technical institution;
(3) A public or private elementary school or secondary school;
(4) A training establishment as defined in paragraph (c) of this section;
(5) Any entity during the period beginning on November 2, 1994, and ending on September 30, 1996, other than an institution of higher learning, that provides training for completion of a State-approved alternative teacher certification program; or
(6) Any private entity that offers, either directly or indirectly under an agreement with another entity, a course or courses to fulfill requirements for the attainment of a license or certificate generally recognized as necessary to obtain, maintain, or advance in employment in a profession or vocation in a high technology occupation.

(Authority: 38 U.S.C. 3452, 3501(a)(6), 3689(d))

(b) Divisions of the school year. (1) Ordinary School Year is generally a period of 2 semesters or 3 quarters which is not less than 30 nor more than 39 weeks in total length.
(2) Term, any regularly established division of the ordinary school year under which the school operates.
(3) Quarter, a division of the ordinary school year, usually a period from 10 to 13 weeks long.
(4) Semester, a division of the ordinary school year, usually a period from 15 to 19 weeks long.
(5) Summer term, the whole of the period of instruction at a school which takes place between ordinary school years. A summer term may be divided into several summer sessions. 
(Authority: 38 U.S.C. 3680(a))

(6) Summer session, any division of a summer term. 
(Authority: 38 U.S.C. 3680(a))

(c) Training establishment. The term means any establishment providing apprentice or other training on-the-job, including those under the supervision of a college or university or any State department of education, or any State apprenticeship agency, or any State board of vocational education, or any joint apprenticeship committee, or the Bureau of Apprenticeship and Training established in accordance with 29 U.S.C. Chapter 4C, or any agency of the Federal Government authorized to supervise such training. 
(Authority: 38 U.S.C. 3501(a)(9))

(d) External degree. This term means a standard college degree given by an accredited college or university based on satisfactory completion of a prescribed program of independent study. The program may require occasional attendance for a workshop or seminar and may include some regular residence course work. 
(e) Standard college degree. The term means an associate or higher degree awarded by:
(1) An institution of higher learning that is accredited as a collegiate institution by a recognized regional or national accrediting agency; or
(2) An institution of higher learning that is a candidate for accreditation, as that term is used by the regional or the national accrediting agencies; or
(3) An institution of higher learning upon completion of a course which is accredited by an agency recognized to accredit specialized degree-level programs. 
(Authority: 38 U.S.C. 3452)

(f) Undergraduate college degree. The term means a college or university degree obtained through the pursuit of unit subjects which are below the graduate level. Included are associate degrees, bachelors' degrees and first professional degrees. 
(g) Standard class session. The term standard class session means the time an educational institution schedules for class each week in a regular quarter or semester for one quarter or one semester hour of credit. It is not less than 1 hour (or one 50-minute period) of academic instruction, 2 hours (or two 50-minute periods) of laboratory instruction, or 3 hours (or three 50-minute periods) of workshop training. 
(Authority: 38 U.S.C. 3688(c))

(h) Institution of higher learning. This term means:
(1) A college, university, or similar institution, including a technical or business school, offering postsecondary level academic instruction that leads to an associate or higher degree if the school is empowered by the appropriate State education authority under State law to grant an associate or higher degree.
(2) When there is no State law to authorize the granting of a degree, a school which:
(i) Is accredited for degree programs by a recognized accrediting agency, or 
(ii) Is a recognized candidate for accreditation as a degree-granting school by one of the national or regional accrediting associations and has been licensed or chartered by the appropriate State authority as a degree-granting institution.
(3) A hospital offering medical-dental internships or residencies approved in accordance with § 21.4265(a) without regard to whether the hospital grants a post-secondary degree.

(4) An educational institution which:
(i) Is not located in a State,
(ii) Offers a course leading to a standard college degree or the equivalent, and
(iii) Is recognized as an institution of higher learning by the secretary of education (or comparable official) of the country in which the educational institution is located.
(Authority: 38 U.S.C. 3452)
(i) Audited course. The term means any credit course which a student attends as a listener only with a prior understanding between school officials and the student that such attendance will not result in credit being granted toward graduation. See § 21.4252(i).
(Authority: 38 U.S.C. 3680(a)(3))
(j) Nonpunitive grade. The term means any grade assigned for pursuit of a course, whether upon completion of the course or at the time of withdrawal from the course, which has the effect of excluding the course from any consideration in determining progress toward fulfillment of requirements for graduation. No credit toward the school's requirements for graduation is granted for such a grade, nor does the grade affect any other criteria for graduation by the policies of the school, such as a grade point average. Therefore, it has the same effect as an audited course. See § 21.4135(e).
(k) Punitive grade. The term means a grade assigned for pursuit of a course which is used in determining the student's overall progress toward completion of the school's requirements for graduation. Unlike the nonpunitive grade, the punitive grade does affect the criteria to be met by the student for graduation, i.e., it is a factor in computing the student's grade average or grade point average, for example. For this reason it is not the same as an audited course, since it does have an effect upon the student's ability to meet the school's criteria for graduation. See § 21.4135(e).
(l) Drop-add period. The term means a reasonably brief period at the beginning of a term, not to exceed 30 days, officially designated by a school for unrestricted enrollment changes by students.
(Authority: 38 U.S.C. 3680(a)(4))
(m) Normal commuting distance. Two locations that are within 55 miles of each other are within normal commuting distance. Furthermore, a branch, extension or additional facility of a school located more than 55 miles from the school's main campus or parent facility will be considered within normal commuting distance only if:
(1) School records show that, prior to the establishment of the additional teaching site, at least 20 students or 5 percent of the enrollment, whichever is the lesser, on the main campus or parent facility were regularly commuting from the area where the additional teaching site is located; or
(2) Other comparable evidence clearly shows that students commute regularly between the two locations.
(Authority: 38 U.S.C. 3689(c))
(n) Enrollment. This term means the state of being on that roll, or file of a school which contains the names of active students.
(o) Pursuit of a program of education. (1) This term means to work, while enrolled, toward the objective of a program of education. This work must be in accordance with approved institution policy and regulations and applicable criteria of Title 38 U.S.C.; must be necessary to reach the program's objective; and must be accomplished through:
(i) Resident courses,
(ii) Independent study courses,
(iii) Correspondence courses,
(iv) An apprenticeship or other on-the-job training program,
(v) Flight courses,
(vi) A farm cooperative course,
(vii) A cooperative course, or
(viii) A graduate program of research in absentia.
(2) The Department of Veterans Affairs will consider a veteran or eligible person who
qualifies under § 21.4138 for payment during an interval or school closing, or who
qualifies under § 21.4205 for payment during a holiday vacation to be in pursuit of a
program of education during the interval, school closing or holiday vacation.
(p) Enrollment period. (1) This term means an interval of time during which a veteran or
eligible person:
(i) Is enrolled in an educational institution; and
(ii) Is pursuing his or her program of education.
(2) This term applies to each unit course or subject in the veteran's or eligible person's
program of education.
(q) Attendance. This term means the presence of a veteran or eligible person:
(1) In the class where the approved course is being taught in which he or she is enrolled;
(2) At a training establishment; or
(3) Any other place of instruction, training or study designated by the educational
institution or training establishment where the veteran or eligible person is enrolled and is
pursuing a program of education.
(Authority: 38 U.S.C. 3680(g))
(r) In residence on a standard quarter- or semester-hour basis. This term means study at a
site or campus of a college or university, or off-campus at an official resident center,
requiring pursuit of regularly scheduled weekly class instruction at the rate of one
standard class session per week throughout a standard quarter or semester for one
quarter- or one semester-hour credit.
(Authority: 38 U.S.C. 3688(c))
(s) Deficiency course. This term means any secondary level course or subject not
previously completed satisfactorily which is specifically required for pursuit of a
post-secondary program of education.
(t) Remedial course. This term means a special course designed to overcome a deficiency
at the elementary or secondary level in a particular area of study, or a handicap, such as
in speech.
(u) Refresher course. This term means a course at the elementary or secondary level to
review or update material previously covered in a course that has been satisfactorily
completed.
(Authority: 38 U.S.C. 3491(a)(2))
(v) Reservist. The term reservist means a member of the Selected Reserve of the Ready
Reserve of any of the reserve components (including the Army National Guard of the
United States and the Air National Guard of the United States) of the Armed Forces who
is eligible to receive educational assistance under 38 U.S.C. chapter 30 or 10 U.S.C.
chapter 1606.
(Authority: 38 U.S.C. 3002)
(w) Alternative teacher certification program. The term alternative teacher certification program, for the purposes of determining whether an entity offering such a program is a school, educational institution, or institution as defined in paragraph (a)(5) of this section, means a program leading to a teacher's certificate that allows individuals with a bachelor's degree or graduate degree to obtain teacher certification without enrolling in an institution of higher learning.

(Authority: 38 U.S.C. 3452(c))

(x) State. The term State has the same meaning as provided in § 3.1(i) of this chapter.

(Authority: 38 U.S.C. 101(20))

(y) Pilot certificate. A pilot certificate is a pilot certificate issued by the Federal Aviation Administration. The term means a pilot's license as that term is used in 10 U.S.C. chapter 1606 and 38 U.S.C. chapters 30 and 32.

(Authority: 10 U.S.C. 16136(c); 38 U.S.C. 3034(d), 3241(b))

(z) Proprietary educational institution. The term proprietary educational institution (including a proprietary profit or proprietary nonprofit educational institution) means an educational institution that:

(1) Is not a public educational institution;

(2) Is in a State; and

(3) Is legally authorized to offer a program of education in the State where the educational institution is physically located.

(Authority: 38 U.S.C. 3680A(e))

(aa) High technology industry. The term high technology industry includes the following industries:

(1) Biotechnology;

(2) Life science technologies;

(3) Opto-electronics;

(4) Computers and telecommunications;

(5) Electronics;

(6) Computer-integrated manufacturing;

(7) Material design;

(8) Aerospace;

(9) Weapons;

(10) Nuclear technology; and

(11) Any other identified advanced technologies in the biennial Science and Engineering Indicators report published by the National Science Foundation.

(Authority: 38 U.S.C. 3014A, 3452(c), 3501(a)(6))

(bb) Employment in a high technology industry. Employment in a high technology industry means employment in a high technology occupation specific to a high technology industry.

(Authority: 38 U.S.C. 3014A)

(cc) High technology occupation. The term high technology occupation means an occupation that leads to employment in a high technology industry. These occupations consist of:

(1) Life and physical scientists;

(2) Engineers;

(3) Mathematical specialists;
(4) Engineering and science technicians; 
(5) Computer specialists; and 
(6) Engineering, scientific, and computer managers. 
(Authority: 38 U.S.C. 3014A, 3452(c), 3501(a)(6)) 
(dd) Computer specialists. The term computer specialists includes the following occupations:
(1) Database, system, and network administrators;
(2) Database, system, and network developers;
(3) Computer and network engineers;
(4) Systems analysts;
(5) Programmers;
(6) Computer, database, and network support specialists;
(7) All computer scientists;
(8) Web site designers;
(9) Computer and network service technicians;
(10) Computer and network electronics specialists; and
(11) All certified professionals, certified associates and certified technicians in the information technology field. 
(Authority: 38 U.S.C. 3014A, 3452(c), 3501(a)(6))

(ee)-(jj) [Reserved]

(kk) Fugitive felon. The term fugitive felon means an individual identified as such by Federal, State, or local law enforcement officials and who is a fugitive by reason of-
(1) Fleeing to avoid prosecution for an offense, or an attempt to commit an offense, which is a felony under the laws of the place from which the person flees;
(2) Fleeing to avoid custody or confinement after conviction for an offense, or an attempt to commit an offense, which is a felony under the laws of the place from which the person flees; or
(3) Violating a condition of probation or parole imposed for commission of a felony under Federal or State law. 
(Authority: 38 U.S.C. 5313B)

(ll) Felony. The term felony means a major crime or offense defined as such under the law of the place where the offense was committed or under Federal law. It includes a high misdemeanor under the laws of a State which characterizes as high misdemeanors offenses that would be felony offenses under Federal law. 
(Authority: 38 U.S.C. 5313B)

[EFFECTIVE DATE NOTE: 68 FR 35177, 35178, June 12, 2003, amended this section, effective June 12, 2003.]

§ 21.4201 Restrictions on enrollment; percentage of students receiving financial support. 
(a) General. Except as otherwise provided in this section the Department of Veterans Affairs shall not approve an enrollment in any course for an eligible veteran, not already
enrolled, for any period during which more than 85 percent of the students enrolled in the course are having all or part of their tuition, fees or other charges paid for them by the educational institution or by the Department of Veterans Affairs pursuant to Title 38 U.S.C. This restriction may be waived in whole or in part. (Authority: 38 U.S.C. 3473(d))

(b) Affected schools. The requirements of paragraph (a) of this section apply to all courses not otherwise exempt or waived offered by all educational institutions, regardless of whether the institution is degree-granting, proprietary profit, proprietary nonprofit, eleemosynary, public and/or tax-supported.

(c) Affected courses. (1) The following courses or programs are exempt from the requirements of paragraph (a) of this section:
   (i) Any farm cooperative course; and
   (ii) Any course offered by a flying club established, organized and operated pursuant to regulations of a military department of the Armed Forces as nonappropriated sundry fund activities which are governmental instrumentalities.
(2) The provisions of paragraph (a) of this section apply to the enrollment of a serviceperson in a course leading to a high school diploma, equivalency certificate, or a refresher, remedial or deficiency course, but they do not apply to the enrollment of a veteran in such a course.

(3) Except as provided in paragraph (c)(2) of this section, the provisions of paragraph (a) of this section do not apply to an approved course which:
   (i) Is offered under contract with the Department of Defense,
   (ii) Is on or immediately adjacent to a military base, or a facility of the National Guard (including the Air National Guard) or the Selected Reserve, 
   (iii) Has been approved by the State approving agency of the State:
      (A) Where the base is located or
      (B) Where the parent school is located if the course is offered overseas, and
   (iv) Is available only to:
      (A) Military personnel and their dependents, or
      (B) Military personnel, their dependents and civilian employees of a base located in a State, or
      (C) Persons authorized by the base commander to attend the course provided the base is located outside the United States.
      (D) In the case of a course offered on or immediately adjacent to a facility of the National Guard or the Selected Reserve, members of the National Guard, members of the Selected Reserve and their dependents.

(4) The provisions of paragraph (a) of this section generally do not apply to a course when the total number of veterans, eligible persons, and reservists receiving assistance under chapters 30, 31, 32, 34, 35 and 36, title 38, United States Code, and chapter 1606, title 10, United States Code, who are enrolled in the educational institution offering the course, equals 35 percent or less of the total student enrollment at the educational institution (computed separately for the main campus and any branch or extension of the institution). However, the provisions of paragraph (a) of this section will apply to such a course when --
   (Authority: 38 U.S.C. 3473(d); Pub. L. 98-525, Pub. L. 100-689)
(i) The course is a course of Special Assistance for the Educationally Disadvantaged and a serviceperson enrolls in it, or

(ii) The Director of the Department of Veterans Affairs facility of jurisdiction has reason to believe that the enrollment of veterans and eligible persons in the course may exceed 85 percent of the total student enrollment in the course.

(Authority: 38 U.S.C. 3473, 3491(c))

(d) Applications for exemptions. No applications are required for any exemptions except that found in paragraph (c)(4) of this section. To obtain an exemption as stated in paragraph (c)(4) of this section schools must submit reports as required in paragraph (f)(1) of this section.

(Authority: 38 U.S.C. 3473)

(e) Computing the 85-15 percent ratio -- (1) Determining when separate computations are required. Except as provided in paragraph (c) of this section and in paragraph (e)(3) of this section, an 85-15 percent ratio must be computed for each course of study or curriculum leading to a separately approved educational or vocational objective. Computations will not be made for unit subjects, unless only one unit subject is approved by the State approving agency to be offered at a separate branch or extension of a school. Courses or curricula which are offered at separately approved branches or extensions, as well as courses or curricula leading to a secondary school diploma or equivalency certificate offered at any branch or extension, must have an 85-15 percent ratio computed separately from the same course offered at the parent institution. The count of students attending the branch may not be added to those attending the parent institution even for the same courses or curricula. However, the count of those attending courses or curricula offered at an additional facility, as opposed to a branch or extension, must be added to those attending the same course at the parent institution. Pursuit of a course or curriculum that varies in any way from a similar course, although it may have the same designation as the other similar course or curriculum, will require a separate 85-15 percent computation. A course or curriculum will be considered to vary from another if there are different attendance requirements, required unit subjects are different, required completion length is different, etc.

(i) Separate courses for computation purposes in institutions of higher learning will be determined by general curriculum only until the point at which it is reasonable to assume a major field would be declared and after that point by specific curriculum.

(A) General 2-year curricula at 2-year institutions of higher learning, general curricula such as AA (Associate of Arts) or AS (Associate of Science) degrees with no major specified, will require separate computations for each curriculum. Terminal 2-year courses (i.e., AAS (Associate of Applied Science), dental technology or auto mechanics certificate) and other associate degree courses where a field is specified must be computed separately for each objective.

(B) Students attending 4-year institutions of higher learning and graduate schools may be counted in general curricula such as BA (Bachelor of Art) and BS (Bachelor of Science) only until the normal point at which the school requires the student to declare a major subject. Then the 85-15 percent computation must be made for each specific curriculum, i.e., BS (Bachelor of Science) in electrical engineering, MA (Master of Arts) in English, etc.
(ii) NCD (noncollege degree) courses must be computed separately by approved vocational objective. If several curricula lead to the same coded vocational objective, each must meet the 85-15 percent requirement separately, unless it can be shown that two or more courses are identical in all respects (scheduling, hours devoted to each unit subject, etc.). Branch or extension courses will be computed separately from courses at the parent facility. Courses offered on a full- and part-time basis which are identical in length and content will be combined for computing the ratio.

(2) Assigning students to each part of the ratio. Notwithstanding the provisions of paragraph (a) of this section, the following students will be considered to be nonsupported provided VA is not furnishing them with educational assistance under title 38, United States Code or under chapter 1606, title 10, United States Code:

(i) Students who are not veterans or reservists, and are not in receipt of institutional aid.

(Authority: 38 U.S.C. 3473(d); Pub. L. 98-525, Pub. L. 100-689)

(ii) All graduate students in receipt of institutional aid.

(iii) Students in receipt of any Federal aid (other than Department of Veterans Affairs benefits).

(iv) Undergraduates and non-college degree students receiving any assistance provided by an institution, if the institutional policy for determining the recipients of such aid is equal with respect to veterans and nonveterans alike.

(Authority: 38 U.S.C. 3473(d))

(3) Calculation. (i) To determine if the requirement of paragraph (a) of this section has been met for all courses except flight courses the full-time equivalent, nonsupported students as defined by paragraph (e)(2) of this section will be compared to the full-time equivalent students enrolled in the course. If the full-time equivalent, nonsupported students do not equal at least 15 percent of the total full-time enrollment, the 85-15 percent requirement has not been met for the course. If a non-Department of Veterans Affairs student in a correspondence course has not completed a lesson nor made a payment toward the cost of the course during the 6-month period immediately prior to the computation, the student will not be counted in computing the 85-15 percent ratio.

(ii) The 85-15 percent ratio for flight courses shall be computed by comparing the number of hours of training received by or tuition charged to nonsupported students in the preceding 30 days to the total number of hours of training received by or tuition charged to all students in the same period. All approved courses offered under 14 CFR parts 141 and 142 at a flight school will be considered to be one course for the purpose of making this computation. Similarly, all other approved courses offered at a flight school will be considered to be one course for the purpose of making this computation. In this computation hours of training or tuition charges for students enrolled --

(A) In the recreational pilot certification course and the private pilot certification course will be excluded;

(B) In a ground instructor certification course will be included;

(C) In courses approved under 14 CFR part 141, other than a ground instructor certification course, will be actual hours of logged instructional flight time or the charges for those hours; and

(D) In courses not approved under 14 CFR part 141, such as courses offered by flight simulator or courses for navigator or flight engineer, shall include ground training time or
charges; actual logged instructional flight time or charges; and instructional time in a
flight simulator or charges for that training.
(Authority: 10 U.S.C. 16136(c); 38 U.S.C. 3034(d), 3680A(d))
(f) Reports. (1) Schools must submit to VA all calculations needed to support the
exemption found in paragraph (c)(4) of this section. If the school is organized on a term,
quarter, or semester basis, it shall make that submission no later than 30 days after the
beginning of the first term for which the school wants the exemption to apply. If the
school is not organized on a term, quarter or semester basis, it shall make that submission
no later than 30 days after the beginning of the first calendar quarter for which the school
wishes the exemption to apply. A school having received an exemption found in
paragraph (c)(4) of this section shall not be required to certify that 85 percent or less of
the total student enrollment in any course is receiving Department of Veterans Affairs
assistance:
(Authority: 38 U.S.C. 3473)
(i) Unless the Director of the VA facility of jurisdiction has reason to believe that the
enrollment of eligible veterans and eligible persons in a specific course may exceed 85
percent of the total enrollment in a specific course, or
(ii) Until such time as the total number of veterans, eligible persons and reservists
receiving assistance under chapters 30, 31, 32, 34, 35, or 36, title 38 U.S.C., or chapter
1606, title 10 U.S.C., who are enrolled in the educational institution offering the course,
equals more than 35 percent of the total student enrollment at the educational institution
(computed separately for the main campus and any branch or extension of the institution).
At that time the procedures contained in paragraph (f)(2) of this section shall apply.
(Authority: 38 U.S.C. 3473(d); Pub. L. 98-525, Pub. L. 100-689)
(2) The school must submit all calculations made under paragraph (e)(3) of this section to
the Department of Veterans Affairs according to these time limits.
(i) If the school is organized on a term, quarter or semester basis, the calculations must be
submitted no later than 30 days after the beginning of each regular school term
(excluding summer sessions), or before the beginning date of the next term, whichever
occurs first.
(ii) If a school is not organized on a term, quarter or semester basis, reports must be
received by the Department of Veterans Affairs no later than 30 days after the end of
each calendar quarter.
(Authority: 38 U.S.C. 3473)
(g) Effect of the 85-15 percent ratio on processing new enrollments. (1) The Department
of Veterans Affairs will process new enrollments of eligible veterans (and servicepersons
where this provision applies to them), in a course on the basis of the school's submission
of the most recent computation showing that:
(i) The 85-15 percent ratio is satisfactory, or
(ii) The course is exempt under paragraph (c)(4) of this section.
(2) Except for those enrollments with a beginning date before or the same as the date the
school completed the most recent computation, no benefits will be paid either under
Chapter 1606, Title 10 U.S.C., or under Chapters 30, 32, 34, or 36, Title 38 U.S.C., when
that computation establishes that the course:
(Authority: 10 U.S.C. 16136, 38 U.S.C. 3034, 3241, 3473(d); Pub. L. 98-525)
(i) Neither has a satisfactory 85-15 percent ratio, nor
(ii) Is exempt under paragraph (c)(4) of this section.

(Authority: 10 U.S.C. 16136, 38 U.S.C. 3034, 3241, 3473(d))

(3) If a school fails to submit a timely computation, no benefits will be paid for:

(i) The enrollment of a serviceperson in a course leading to a secondary school diploma or an equivalency certificate if the enrollment has beginning dates beyond the expiration of the allowable computation period, or

(ii) The enrollment of a veteran in any course to which the provisions of paragraph (a) of this section apply if the enrollment has beginning dates beyond the expiration of the allowable computation period.

(4) Enrollments with later beginning dates may be processed only after the school certifies that:

(i) The proper ratio has been reestablished for the course, or

(ii) The course is exempt from the requirement under paragraph (c)(4) of this section.

(5) When a school shows a reestablished 85-15 percent ratio, each new veteran enrollment or enrollment of a serviceperson in a course leading to a secondary school diploma or an equivalency certificate which is submitted after reestablishment must be individually computed into the ratio to ensure that the 85 percent limitation is not again immediately exceeded. The Department of Veterans Affairs will require individual computations until:

(i) The end of the term for which the ratio was reestablished, or

(ii) The end of the calendar quarter during which the ratio was reestablished if the school is not operated on a term, quarter or semester basis.

(Authority: 38 U.S.C. 3473, 3491(c))

(6) Once a student is properly enrolled in a course which either meets the 85-15 percent requirement or which is exempt pursuant to paragraph (c) of this section, such a student may not have benefits for that course terminated because the 85-15 percent requirement subsequently is not met or because the course loses its exemption, as long as the student's enrollment remains continuous. A student enrolled in an institution organized on a term basis need not attend summer sessions in order to maintain continuous enrollment. An enrollment may also be considered continuous if a "break" in enrollment is wholly due to circumstances beyond the student's control such as serious illness.

(h) Waivers. Schools which desire a waiver of the provisions of paragraph (a) of this section for a course where the number of full-time equivalent students receiving VA education benefits equals or exceeds 85 percent of the total full-time equivalent enrollment in the course may apply for a waiver to the Director, Education Service, through the Director of the VA facility of jurisdiction. When applying, a school must submit sufficient information to allow the Director, Education Service, to judge the merits of the request against the criteria shown in this paragraph. This information and any other pertinent information available to VA shall be considered in relation to these criteria:

(1) Availability of comparable alternative educational facilities effectively open to veterans in the vicinity of the school requesting a waiver.

(2) Status of the school requesting a waiver as a developing institution primarily serving a disadvantaged population. The school should enclose a copy of its notice from the Department of Education that the school is eligible to be considered for a grant under the Strengthening Institutions Program or the Special Needs Program, if applicable.
Otherwise the school should submit data sufficient to allow the Director, Education Service, to judge whether the school is similar to institutions which the Department of Education considers to be eligible to apply for a grant under these programs. The pertinent criteria and data categories are published in Title 34, Code of Federal Regulations, Chapter VI, part 624, subpart A; part 625, subpart A; and part 626, subpart A. The requirements of those criteria that a school be a "public or nonprofit" institution need not be met.

(3) Previous compliance history of the school, including such factors as false or deceptive advertising complaints, enrollment certification timeliness and accuracy, and amount of school liability indebtedness to VA.

(4) General effectiveness of the school's program in providing educational and employment opportunities to the particular veteran population it serves. Factors to be considered should include the percentage of veteran-students completing the entire course, ratio of educational and general expenditures to full-time equivalency enrollment, etc. (Authority: 38 U.S.C. 3473(d); Pub. L. 94-502, Pub. L. 95-202)

§ 21.4202 Overcharges; restrictions on enrollments.

(a) [Reserved]
(b) [Reserved]
(c) Restrictions; proprietary schools. Enrollment will not be approved for any veteran or eligible person under the provisions of Chapter 34 or 35 respectively, in any proprietary school of which the veteran or eligible person is an official authorized to sign certificates of enrollment or monthly certificates of attendance, an owner or an officer.

[EFFECTIVE DATE NOTE: 63 FR 35830, 35831, July 1, 1998, removed and reserved paragraphs (a) and (b), effective July 31, 1998.]

§ 21.4203 Reports -- requirements.

(a) General. All the reports required by this paragraph shall be in a form specified by the Secretary.

(1) Except as provided in paragraph (a)(2) of this section each educational institution, veteran and eligible person shall report without delay such information on enrollment, entrance, reentrance, change in the hours of credit or attendance, pursuit, interruption and termination of attendance of each veteran or eligible person enrolled in an approved
course as the Secretary may require and using a form specified by the Secretary. See paragraphs (b) through (h) of this section.

(2) An educational institution may delay in reporting the enrollment or reenrollment of a veteran or an eligible person until the end of the term, quarter, or semester when --

(i) The veteran or eligible person is enrolled in a program of independent study;
(ii) The veteran or eligible person is pursuing the program on a less than half-time basis;
(iii) The educational institution has asked the Director of the VA facility of jurisdiction in writing for permission to delay in making the report; and
(iv) The Director of the VA facility of jurisdiction has determined that it is not feasible for the educational institution to monitor interruption or termination of the veteran's or eligible person's pursuit of the program.

(3) An educational institution which disagrees with a decision of a Director of a VA facility as to whether it may delay reporting enrollments or reenrollments as provided in paragraph (a)(2) of this section may ask to have that decision reviewed by the Director, Education Service. That request must be made in writing to the Director of the VA facility within one year of the date of the letter notifying the educational institution of the original decision.

(4) An educational institution which, under paragraph (a)(2) of this section, is delaying the reporting of the enrollment or reenrollment of a veteran shall provide the veteran with notice of the delay at the time that the veteran enrolls or reenrolls.

(5) In addition, educational institutions must --

(i) Verify enrollment for each veteran and eligible person receiving an advance payment; and
(ii) Verify the delivery of advance payment check and education loan check for each veteran and eligible person receiving an advance payment or loan.

(6) Nothing in this section or in any section in 38 CFR part 21 shall be construed as requiring any institution of higher learning to maintain daily attendance records for any course leading to a standard college degree.

(b) Certifications of enrollment. All the reports required by this paragraph shall be in a form specified by the Secretary.

(1) VA requires that educational institutions report all entrances and reentrances on a certification of enrollment.

(2) All educational institutions, regardlesss of the way in which they are organized, must clearly specify the course in which the veteran or eligible person is enrolled.

(3) Schools organized on a term, quarter or semester basis --

(i) May report enrollment for the term, quarter, semester, ordinary school year plus the following summer term.
(ii) May not report enrollment for a period that exceeds the ordinary school year plus the following summer term.
(iii) Must report the dates for the break between terms if --

(A) The certification covers two or more terms, and a term ends and the following term does not begin in the same or the next calendar month;
(B) The veteran or eligible person elects not to be paid for the intervals between terms;
(C) The certification covers two or more summer sessions; or
(D) The certification covers at least one summer session and at least one term which is
not a standard semester or quarter.
(iv) Must submit a separate enrollment certification for each term, quarter or semester if
the student --
(A) Is a veteran or eligible person pursuing a program on a less than half-time basis, or
(B) Is a serviceperson.
(Authority: 38 U.S.C. 3684(a); Pub. L. 99-576)
(v) Where a veteran or an eligible person, who is pursing a course leading to a standard
college degree, transfers between consecutive school terms from one approved institution
to another approved institution, for the purpose of enrolling in, and pursuing, a similar
course at the second institution, the veteran or eligible person shall, for the purpose of
entitlement to the payment of educational assistance allowance be considered to be
enrolled at the first institution during the interval, if the interval does not exceed 30 days,
following the termination date of the school term of the first institution.
(Authority: 38 U.S.C. 3680)
(c) Nonpunitive grade. A school may assign a nonpunitive grade for a course or subject in
which the veteran or eligible person is enrolled even though the veteran or eligible person
does not withdraw from the course or subject. When this occurs, the school must report
the assignment of the nonpunitive grade in a form specified by the Secretary in time for
VA to receive it before the earlier of the following dates is reached:
(1) Thirty days from the date on which the school assigns the grade, or
(2) Sixty days from the last day of the enrollment period for which the nonpunitive grade
is assigned.
(d) Interruptions, terminations and changes in hours of credit or attendance. When a
veteran or eligible person interrupts or terminates his or her training for any reason,
including unsatisfactory conduct or progress, or when he or she changes the number of
hours of credit or attendance, this fact must be reported to VA by the school in a form
specified by the Secretary.
(1) If the change in status or change in number of hours of credit of attendance occurs on
a day other than one indicated by paragraph (d)(2) or (3) of this section, the school will
initiate a report of the change in time for the VA to receive it within 30 days of the date
on which the change occurs. If the course in which the veteran or eligible person is
enrolled does not lead to a standard college degree, and attendance must be certified for
the course, the school may include the information on the monthly certification of
attendance.
(Authority: 38 U.S.C. 3684(a), 1788(a); Pub. L. 99-576)
(2) If the enrollment of the veteran or eligible person has been certified by the school for
more than one term, quarter or semester and the veteran or eligible person interrupts or
terminates his or her training at the end of a term, quarter or semester within the certified
period of enrollment, the school shall report the change in status to the Department of
Veterans Affairs in time for the Department of Veterans Affairs to receive the report
within 30 days of the last officially scheduled registration date for the next term, quarter
or semester.
(3) If the change in status or change in the number of hours of credit or attendance occurs
during the 30 days of a drop-add period, the school must report the change in status or
change in the number of hours of credit or attendance to the Department of Veterans Affairs in time for the Department of Veterans Affairs to receive the report within 30 days from the last date of drop-add period or 60 days from the first day of the enrollment period, whichever occurs first.
(Authority: 38 U.S.C. 3684(a))

(e) Correspondence courses. Where the course in which a veteran is enrolled under 38 U.S.C. chapter 34 or a spouse or surviving spouse is enrolled under 38 U.S.C. chapter 35 is pursued exclusively by correspondence, the school will report by an endorsement on the veteran's or eligible spouse's or surviving spouse's certification the number of lessons completed by the veteran, spouse or surviving spouse and serviced by the school. Such reports will be submitted quarterly in a form specified by the Secretary.
(Authority: 38 U.S.C. 3680)

(f) Certification. All reports required by this paragraph must be in a form specified by the Secretary.

(1) Courses not leading to a standard college degree.

(i) Except as provided in this paragraph VA requires that a certification of attendance be submitted monthly for each veteran or eligible person enrolled in a course not leading to a standard college degree. The fact that the course may be pursued on a quarter, semester or term basis will not relieve the veteran or eligible person and the school of this requirement. Unless exempted by this paragraph this requirement also applies to courses measured on a credit-hour basis. This requirement does not apply to --
(A) Courses measured on a credit-hour basis pursuant to footnote 6 of § 21.4270(a),
(B) A course pursued on a less than one-half-time basis,
(C) A course pursued by a serviceperson while on active duty, or
(D) A correspondence course which must meet the requirements of paragraph (e) of this section.

(2) Courses leading to a standard college degree. Schools which have veterans or eligible persons enrolled in courses which lead to a standard college degree are not required to submit periodic certifications for students enrolled in such courses. Certifications are, however, required under paragraphs (b), (c), (d) and (h) of this section.

(3) Apprentice or other on-the-job training. A certification of attendance must be submitted monthly during the period of enrollment in the same manner as certifications required in paragraph (f)(1) of this section.

(g) Flight training courses. Where the course consists exclusively of flight training, the school will report by an endorsement on the veteran's certification the type and number of hours of actual flight training received by, and the cost thereof to, the veteran. Such reports may be submitted monthly.

(h) Unsatisfactory progress, conduct or attendance. At times the unsatisfactory progress, conduct or attendance of a veteran or eligible person is caused by or results in his or her interruption or termination of training. If this occurs, the interruption or termination shall be reported in accordance with paragraph (d) of this section. If the veteran or eligible person continues in training despite unsatisfactory progress, conduct, or despite having failed to meet the regularly prescribed standards of attendance at the school, the school must report the fact of his or her unsatisfactory progress, conduct or attendance to VA within the time limit allowed by paragraph (h) (1) and (2) of this section.
§ 21.4204 Periodic certifications.
Educational assistance allowance is payable on the basis of a required certification concerning the pursuit of a course during the reporting period.
(a) Reports by eligible persons. An eligible person enrolled in a course which leads to a standard college degree, excepting eligible persons pursuing the course on a less than half-time basis, must verify each month his or her continued enrollment in and pursuit of his or her courses. In the case of an eligible person who completed, interrupted or terminated his or her course, any communication from the student or other authorized person notifying VA of the eligible person's completion of course as scheduled or earlier termination date, will be accepted to terminate payments accordingly. Reports by other eligible persons will be submitted in accordance with § 21.4203(e), (f) or (g).

(b) Requirements. The certifications required by § 21.4203 and paragraph (a) of this section will include a report on the following items when applicable:
(1) Continued enrollment in and pursuit of the course.
(2) Conduct and progress. See § 21.4277.
(3) Date of interruption or termination of training.
(4) Changes in number of semester hours or clock hours of attendance.
(5) Any other changes or modifications in the course as certified at enrollment.
(c) Term, quarter, or semester. For a course which does not lead to a standard college degree, if a school organized on a term, quarter, or semester basis has reported enrollment:
(1) For the ordinary school year or the complete course, the periodic certification will show the intervals between terms, quarters, or semesters as absences.
(2) By term, quarter, or semester, the periodic certification will not cover the intervals between terms, quarters, or semesters.
(d) Year-round courses. The periodic certifications will show any vacation period or interval between periods of instruction as absences. The periodic certification will not cover the period between school years.
(e) Farm cooperative courses. The monthly certification will cover only those periods of classroom instruction which are included in the prescheduled institutional portion of the course.

[Effective August 1, 1999.] (Approved by the Office of Management and Budget under control number 2900-0465)

§ 21.4206 Reporting fee.
VA may pay annually to each educational institution furnishing education or each joint apprenticeship training committee acting as a training establishment under 10 U.S.C. Chapter 1606 or 38 U.S.C. Chapters 30, 32, 34, 35 or 36 a reporting fee for required reports or certifications. The reporting fee will be paid as soon as feasible after the end of the calendar year.
(a) Except as provided in paragraph (b) of this section the reporting fee will be computed for each calendar year by multiplying $ 7.00 by the number of eligible veterans and eligible persons enrolled under 10 U.S.C. Chapter 1606, or 38 U.S.C. Chapters 30, 32, 34, 35 or 36 on October 31 of that year.

(Authority: 10 U.S.C. 16136; 38 U.S.C. 3034, 3241, 3684(C))

(b) For any school or joint apprenticeship training committee where the peak enrollment of veterans and eligible persons varies more than 15 percent from the enrollment on October 31, another date may be established as representative of peak enrollment.

(Authority: 38 U.S.C. 3684(C))

(c) An additional $ 4 will be paid to those institutions which have delivered to the veteran or eligible person at registration the educational assistance check representing an advance payment, or which have delivered educational loan checks in accordance with the provisions of Subpart F. If an institution delivers both an advance payment check and educational loan check(s) to the same veteran or eligible person within 1 calendar year, it shall receive only one additional $ 4 fee. In order to receive this fee, the institution shall submit to the Department of Veterans Affairs a certification of delivery of each check. If an advance payment check is not delivered within 30 days after commencement of the student's program, the check is to be returned to the Department of Veterans Affairs. If an education loan check is not delivered within 30 days of the date the educational institution received it, the check shall be returned to the Department of Veterans Affairs.
(Authority: 38 U.S.C. 3684, 3698)

(d) No reporting fee payable to an educational institution under this section shall be subject to offset by the Department of Veterans Affairs against any liability of the educational institution for any overpayment which the Department of Veterans Affairs has administratively determined to exist unless the liability of the educational institution was not contested by the educational institution or was upheld by a final decree of a court of appropriate jurisdiction.

(Authority: 38 U.S.C. 3684)

(e) Before payment of a reporting fee the Department of Veterans Affairs will require an educational institution to certify that:

(1) It has exercised reasonable diligence in determining whether it or any course offered by it approved for the enrollment of veterans or eligible persons meets all of the applicable requirements of chapter 1606 of title 10 U.S.C. or chapters 30, 32, 34, 35 and 36 of title 38 U.S.C.; and

(Authority: 10 U.S.C. 16136, 38 U.S.C. 3034, 3241, 3684(B); PUB. L. 98-525)

(2) It will, without delay, report any failure to meet any requirement to the Department of Veterans Affairs.

(38 U.S.C. 3684(b))

[EFFECTIVE DATE NOTE: 61 FR 20727, 20728, May 8, 1996, which amended this section, became effective May 8, 1996.]

§ 21.4209 Examination of records.

(a) Availability of records. Notwithstanding any other provision of law, educational institutions must make the following records and accounts available to authorized Government representatives:

(1) Records and accounts pertaining to veterans or eligible persons who received educational assistance under Chapter 1606 of Title 10 U.S.C. or Chapters 30, 32, 34, 35 or 36 of Title 38 U.S.C.

(2) Other students' records necessary for the Department of Veterans Affairs to ascertain institutional compliance with the requirements of these chapters.

(Authority: 10 U.S.C. 16136; 38 U.S.C. 3034, 3244, 3690)

(b) Type of records. Each school will upon request of duly authorized representatives of the Government make available for examination all appropriate records and accounts, including but not limited to:

(1) Records and accounts which are evidence of tuition and fees charged to and received from or on behalf of all veterans and eligible persons and from other students similarly circums tanced.

(2) Records of previous education or training of veterans and eligible persons at the time of admission as students and records of advance credit, if any, granted by the school at the time of admission.

(3) Records of the veteran's or eligible person's grades and progress.

(4) Records of all advertising, sales or enrollment materials as required by § 21.4252(h) and section 3696(b), title 38 U.S.C.
(5) Records and computations showing compliance with the requirements of § 21.4201 regarding the 85-15 percent ratio of students for each course.
(6) Records necessary to demonstrate compliance with the requirements of § 21.4252(e) pertaining to the time necessary to complete a correspondence course.
(7) Records necessary to demonstrate compliance with the requirements of § 21.4252(g) pertaining to employment of graduates of the course.
(c) Noncollege degree, apprentice, and other on-the-job. The school having veterans, servicemembers, reservists, and/or eligible persons enrolled in a course that does not lead to a standard college degree will make available, in addition to the records and accounts required in paragraph (b) of this section, the records of leave, absences, class cuts, makeup work, and tardiness. Each training establishment that has enrolled veterans under 38 U.S.C. chapter 30 or 32, reservists under 10 U.S.C. chapter 1606, or eligible persons under 38 U.S.C. chapter 35 will also make available payroll records.

(Authority: 10 U.S.C. 16136; 38 U.S.C. 3034, 3241, 3690(c)).
(d) Nonaccredited courses. The school having veterans or eligible persons enrolled in nonaccredited courses will make available, in addition to the records and accounts required in paragraphs (b) and (c) of this section the following:
(1) Records of interruptions for unsatisfactory conduct or attendance.
(2) Records of refunds of tuition, fees and other charges made to a veteran or eligible person who fails to enter the course or withdraws or is discontinued prior to completion of the course.
(e) Nonavailability. Failure to make such records available as provided in this section will be grounds for discontinuing the payment of educational assistance allowance or special training allowance.
(f) Retention of records. The records and accounts, including those pertaining to students not receiving benefits from the Department of Veterans Affairs, as described in this section, pertaining to each period of enrollment of a veteran or eligible person, will be kept intact and in good condition at the school for at least 3 years following the termination of such enrollment period. Longer retention will not be required unless a written request is received from the General Accounting Office or the Department of Veterans Affairs not later than 30 days prior to the end of the 3-year period.

[EFFECTIVE DATE NOTE: 61 FR 26107, 26114, May 24, 1996, amended paragraph (c), effective May 24, 1996.]

§ 21.4210 Suspension and discontinuance of educational assistance payments and of enrollments or reenrollments for pursuit of approved courses.
(a) Overview. (1) VA may pay educational assistance to an individual eligible for such assistance under 10 U.S.C. chapter 1606, or 38 U.S.C. chapter 30, 32, 35, or 36, only if the individual is pursuing a course approved in accordance with the provisions of 38 U.S.C. chapter 36. In general, courses are approved for this purpose by a State approving agency designated to do so (or by VA in some instances). Notwithstanding such approval, however, VA, as provided in paragraphs (b), (c), and (d) of this section, may suspend,
discontinue, or deny payment of benefits to any or all otherwise eligible individuals for pursuit of courses or training approved under 38 U.S.C. chapter 36.

(2) For the purposes of this section and the purposes of §§ 21.4211 through 21.4216, except as otherwise expressly stated to the contrary --

(i) The term "course" includes an apprenticeship or other on-job training program;
(ii) The term "educational institution" includes a training establishment; and
(iii) Reference to action suspending, discontinuing, or otherwise denying enrollment or reenrollment means such action with respect to providing educational assistance under the chapters listed in paragraph (a)(1) of this section.

(Authority: 10 U.S.C. 16136(b); 38 U.S.C. 3034(a), 3241(a), 3452, 3671, 3690)

(b) Denial of payment in individual cases. VA may deny payment of educational assistance to a specific individual for pursuit of a course or courses if, following an examination of the individual's case, VA has credible evidence affecting that individual that --

(1) The course fails to meet any of the requirements of 10 U.S.C. chapter 1606, or 38 U.S.C. chapter 30, 32, 34, 35, or 36; or
(2) The educational institution offering the individual's course has violated any of those requirements of law.

(Authority: 10 U.S.C. 16136(b); 38 U.S.C. 3034(a), 3241(a), 3690(b)(1), 3690(b)(2))

(c) Notice in individual cases. Except as provided in paragraph (e) of this section, when VA denies payment of educational assistance to an individual under paragraph (b) of this section, VA will provide concurrent written notice to the individual. The notice shall state --

(1) The adverse action;
(2) The reasons for the action; and
(3) The individual's right to an opportunity to be heard thereon in accordance with part 19 of this title.

(Authority: 10 U.S.C. 16136(b); 38 U.S.C. 3034(a), 3241(a), 3690)

(d) Actions affecting groups. (1) The Director of the VA facility of jurisdiction may suspend payments of educational assistance to all veterans, servicemembers, reservists, or eligible persons already enrolled in a course, and may disapprove all further enrollments or reenrollments of individuals seeking VA educational assistance for pursuit of the course. The decision to take such action, except as provided in paragraph (d)(2) of this section, must be based on evidence of a substantial pattern of veterans, servicemembers, reservists, or eligible persons enrolled in the course receiving educational assistance to which they are not entitled because:

(i) One or more of the course approval requirements of 38 U.S.C. chapter 36 are not met, including the course approval requirements specified in §§ 21.4253, 21.4254, 21.4261, 21.4262, 21.4263, and 21.4264; or
(ii) The educational institution offering the course has violated one or more of the recordkeeping or reporting requirements of 10 U.S.C. chapter 1606, or of 38 U.S.C. chapters 30, 32, 34, 35, and 36. These violations may include, but are not limited to, the following:
(A) Willful and knowing submission of false reports or certifications concerning students or courses of education;
(B) Failure to report to VA a veteran's, servicemember's, reservist's, or eligible person's reduction, discontinuance, or termination of education or training; or
(C) Submission of improper or incorrect reports in such number, manner, or period of time as to indicate negligence on its part, including failure to maintain an adequate reporting or recordkeeping system.

(2) The Director also may make a decision to take the action described in paragraph (d)(1) of this section when the Director has evidence that one or more prohibited assignments of benefits have occurred at an educational institution as a result of that educational institution's policy. This decision may be made regardless of whether there is a substantial pattern of erroneous payments at the educational institution. See § 21.4146.

(3) The Director may disapprove the enrollment of all individuals not already enrolled in an educational institution (which for the purposes of this paragraph does not include a training establishment) when the Director finds that the educational institution:
(i) Has charged or received from veterans, servicemembers, reservists, or eligible persons an amount for tuition and fees in excess of the amount similarly circumstanced nonveterans are required to pay for the same course; or
(ii) Has instituted a policy or practice with respect to the payment of tuition, fees, or other charges that substantially denies to veterans, servicemembers, reservists, or eligible persons the benefits of advance payment of educational assistance authorized to such individuals under §§ 21.4138(d), 21.7140(a), and 21.7640(d); or
(iii) Has used erroneous, deceptive, or misleading practices as set forth in § 21.4252(h).

(Authority: 10 U.S.C. 16136(b); 38 U.S.C. 3034(a), 3241(a), 3680A(d), 3684, 3685, 3690, 3696, 5301)

(e) Actions that must accompany a mass suspension of educational assistance payments or suspension of approval of enrollments and reenrollments in a course or educational institution. (1) The Director of the VA facility of jurisdiction may suspend payment of educational assistance and may suspend approval of new enrollments and reenrollments as provided in paragraph (d) of this section, only after:
(i) The Director notifies in writing the State approving agency concerned and the educational institution of any failure to meet the approval requirements and any violation of recordkeeping or reporting requirements; and
(ii) The educational institution --
(A) Refuses to take corrective action; or
(B) Does not take corrective action within 60 days (or 90 days if permitted by the Director).

(2) Not less than 30 days before the Director acts to make a mass suspension of payments of educational assistance and/or suspend approval of new enrollments and reenrollments, the Director will, to the maximum extent feasible, provide written notice to each veteran, servicemember, reservist, and eligible person enrolled in the affected courses. The notice will:
(i) State the Director's intent to suspend payments and/or suspend approval of new enrollments and reenrollments unless the educational institution takes corrective action; and
(ii) Give the reasons why the Director intends to suspend payments and/or suspend approval of new enrollments and reenrollments; and
(iii) State the date on which the Director intends to suspend payments and/or suspend approval of new enrollments and reenrollments.
(f) Actions in cases indicating submission of false, misleading, or fraudulent claims or statements. The Director of the VA facility of jurisdiction will take the following action, as indicated, that may be in addition to suspending payments or further approval of enrollments or reenrollments in a course or educational institution.

(1) If the Director has evidence indicating that an educational institution has willfully submitted a false or misleading claim, or that a veteran, servicemember, reservist, eligible person, or other person, with the complicity of an educational institution, has submitted such a claim, the Director will make a complete report of the facts of the case to the appropriate State approving agency and to the Office of Inspector General for appropriate action.

(2) If the Director believes that an educational institution has submitted a false, fictitious, or fraudulent claim or written statement within the meaning of the Program Fraud Civil Remedies Act (31 U.S.C. 3801-3812) or that a veteran, servicemember, reservist, eligible person, or other person, with the complicity of an educational institution, has submitted such a claim or made such a written statement, the Director will follow the procedures in part 42 of this title.

(Authority: 10 U.S.C. 16136(b); 31 U.S.C. 3801-3812; 38 U.S.C. 3034(a), 3241(a), 3690(d))

(g) Referral to the Committee on Educational Allowances. If the Director of the VA facility of jurisdiction suspends payment of educational assistance to, or suspends approval of the enrollment or reenrollment of, individuals in any course or courses as provided in paragraph (d) of this section, the Director will refer the matter to the Committee on Educational Allowances as provided in §21.4212.

(Authority: 10 U.S.C. 16136(b); 38 U.S.C. 3034(a), 3241(a), 3690)

(h) Withdrawal of referral to Committee on Educational Allowances. (1) If, following a suspension of payments and/or of approval of enrollments or reenrollments, the Director of the VA facility of jurisdiction determines that the conditions which justified the suspension have been corrected, and the State approving agency has not withdrawn or suspended approval of the course or courses, the Director may resume payments to and/or approval of enrollments or reenrollments of the affected veterans, servicemembers, reservists, or eligible persons. If the case has already been referred to the Committee on Educational Allowances under paragraph (g) of this section at the time such action is taken, the Director will advise the Committee that the original referral is withdrawn.

(2) If, following a referral to the Committee on Educational Allowances, the Director finds that the State approving agency will suspend or withdraw approval, the Director may, if otherwise appropriate, advise the Committee that the original referral is withdrawn.

§21.4211 Composition, jurisdiction, and duties of Committee on Educational Allowances.
(a) Authority. VA is authorized by 38 U.S.C. 3690 to discontinue educational benefits to veterans, servicemembers, reservists, or eligible persons when VA finds that the program of education or course in which such individuals are enrolled fails to meet any of the requirements of 38 U.S.C. chapter 30, 32, 34, 35, or 36, or 10 U.S.C. chapter 1606, or the regulations in this part, or when VA finds an educational institution or training establishment has violated any such statute or regulation, or fails to meet any such statutory or regulatory requirement. Sections 21.4210 and 21.4216 implement that authority. This section provides for establishment of a Committee on Educational Allowances within each VA facility of jurisdiction whose findings of fact and recommendations will be provided to the Director of that VA facility, to whom such authority to discontinue educational benefits or disapprove enrollments or reenrollments has been delegated.

(Authority: 10 U.S.C. 16136(b); 38 U.S.C. 3034(a), 3241(a), 3690)

(b) Purpose. (1) The Committee on Educational Allowances is established to assist the Director of the VA facility of jurisdiction in reaching a conclusion as to whether, in a specific case, educational assistance to all individuals enrolled in any course or courses offered by the educational institution should be discontinued and, if appropriate, whether approval of all further enrollments or reenrollments in those courses should be denied to veterans, servicemembers, reservists, or other eligible persons pursuing those courses under programs administered by VA because a requirement of 38 U.S.C. chapter 30, 32, 34, 35, or 36, or 10 U.S.C. chapter 1606, or the regulations in this part, is not being met or a provision of such statute or regulation has been violated.

(2) The function of the Committee on Educational Allowances is to develop facts and recommend action to be taken on the basis of the facts found. A hearing before the Committee is not in the nature of a trial in a court of law. Instead, it is an administrative inquiry designed to create a full and complete record upon which a recommendation can be made as to whether the Director should discontinue payment of educational benefits and/or deny approval of new enrollments or reenrollments. Both the interested educational institution and VA Regional Counsel, or designee, representing VA, will be afforded the opportunity to present to the Committee any evidence, argument, or other material considered pertinent.

(Authority: 10 U.S.C. 16136(b); 38 U.S.C. 3034(a), 3241(a), 3690)

(c) Jurisdiction. The Committee on Educational Allowances will consider only those cases which are referred in accordance with §§ 21.4210(g) and 21.4212.

(Authority: 10 U.S.C. 16136(b); 38 U.S.C. 3034(a), 3241(a), 3690)

(d) Committee members. The Committee on Educational Allowances will consist of three employees of the VA facility of jurisdiction, at least one of whom is familiar with the adjudication of claims for benefits administered by the Veterans Benefits Administration. The Director of the VA facility of jurisdiction will designate a Chairperson. In the event that any member becomes unable to serve for any reason, the Director may appoint a replacement member. Before the Committee resumes its proceedings, the new member will be given an opportunity to apprise himself or herself of the actions and testimony already taken by the Committee.

(Authority: 10 U.S.C. 16136(b); 38 U.S.C. 3034(a), 3241(a), 3690)

(e) Duties and responsibilities of the Committee. (1) The function of the Committee on Educational Allowances is to make recommendations to the Director of the VA facility of
jurisdiction in connection with specific cases referred for consideration as provided in §§ 21.4210(g) and 21.4212.

(2) The performance of this function will include:
(i) Hearing testimony or argument from witnesses or representatives of educational institutions and VA, as appropriate, when such persons appear personally before the Committee;
(ii) Receiving and reviewing all the evidence, testimony, briefs, statements, and records included in each case; and
(iii) Furnishing the Director of the VA facility of jurisdiction a written statement setting forth specifically the question or questions considered, a summation of the essential facts of record, recommendations as to issues referred for consideration by the Committee, and the basis therefor. In any case where there is not unanimity, both the majority and the minority views and recommendations will be furnished.

§ 21.4212 Referral to Committee on Educational Allowances.
(a) Form and content of referral to Committee. When the Director of the VA facility of jurisdiction refers a case to the Committee on Educational Allowances, as provided in § 21.4210(g), the referral will be in writing and will --
(1) State the approval, reporting, recordkeeping, or other criteria of statute or regulation which the Director has cause to believe the educational institution has violated;
(2) Describe the substantial pattern of veterans, servicemembers, reservists, or eligible persons receiving educational assistance to which they are not entitled which the Director has cause to believe exists, if applicable;
(3) Outline the nature of the evidence relied on by the Director in reaching the conclusions of paragraphs (a)(1) and (a)(2) of this section;
(4) Describe the Director's efforts to obtain corrective action and the results of those efforts; and
(5) Ask the Committee on Educational Allowances to perform the functions described in §§ 21.4211, 21.4213, and 21.4214 and to recommend to the Director whether educational assistance payable to individuals pursuing the courses in question should be discontinued and approval of new enrollments or reenrollments denied.

(b) Notice of the referral. (1) At the time of referral the Director will --
(i) Send notice of the referral, including a copy of the referral document, by certified mail to the educational institution. The notice will include statements that the Committee on Educational Allowances will conduct a hearing; that the educational institution has the right to appear before the Committee and be represented at the hearing to be scheduled; and that, if the educational institution intends to appear at the hearing, it must notify the Committee within 60 days of the date of mailing of the notice;
(ii) Provide an information copy of the notice and referral document to the State approving agency of jurisdiction; and
(iii) Place a copy of the notice and referral document on display at the VA facility of jurisdiction for review by any interested party or parties.
The Director will provide a copy of the notice and referral document to the VA Regional Counsel, or designee, of jurisdiction, who will represent VA before the Committee on Educational Allowances.

§ 21.4213 Notice of hearing by Committee on Educational Allowances.

(a) Content of hearing notice. In any case referred to the Committee on Educational Allowances for consideration, a hearing will be held. If, as provided in §21.4212(b), the educational institution has timely notified the Committee of its intent to participate in the hearing, the educational institution will be notified by certified letter from the Chairperson of the date when the hearing will be held. This hearing notification will inform the educational institution of--

1. The time and place of the hearing;
2. The matters to be considered;
3. The right of the educational institution to appear at the hearing with representation by counsel, to present witnesses, to offer testimony, to present arguments, and/or to submit a written statement or brief; and
4. The complete hearing rules and procedures.

(b) Expenses connected with hearing. The notice also will inform the educational institution that VA will not pay any expenses incurred by the educational institution resulting from its participation in the hearing, including the expenses of counsel or witnesses on behalf of the educational institution.

(c) Publication of hearing notice. Notice of the hearing will be published in the Federal Register, which will constitute notice to any interested individuals, and will indicate that, while such individuals may attend and observe the hearing, they may not participate unless called as witnesses by VA or the educational institution.

§ 21.4214 Hearing rules and procedures for Committee on Educational Allowances.

(a) Rule 1. The Chairperson of the Committee on Educational Allowances will be in charge of the proceedings, will administer oaths or affirmations to witnesses, and will be responsible for the official conduct of the hearing. A majority of the members of the Committee will constitute a quorum. No party to the proceedings may conduct a voir dire of the Committee members.

(Authority: 10 U.S.C. 16136(b); 38 U.S.C. 3034(a), 3241(a), 3690)

(b) Rule 2. At the opening of the hearing, the Chairperson of the Committee on Educational Allowances will inform the educational institution of the purpose of the hearing, the nature of the evidence of record relating to the asserted failures or violations,
and the applicable provisions of law and VA regulations. The Chairperson will advise the VA Regional Counsel, or designee, representing VA, that the Committee on Educational Allowances will entertain any relevant evidence or witnesses which VA Counsel presents to the Committee and which would substantiate a decision by the Committee to recommend that the Director of the VA facility of jurisdiction take an adverse action on the issues submitted for its review. The educational institution will be advised of its right to present any evidence, relevant to the issues submitted for the Committee's review, by oral or documentary evidence; to submit rebuttal evidence; to present and cross-examine witnesses; and to make such statements as may be appropriate on its behalf for a true and full disclosure of the facts. VA Counsel will be allowed to cross-examine any witnesses offered by the educational institution and to reply to any written briefs or arguments submitted to the Committee.

(Authority: 10 U.S.C. 16136(b); 38 U.S.C. 3034(a), 3241(a), 3690)

(c) Rule 3. Any testimony or evidence, either oral or written, which the Committee on Educational Allowances deems to be of probative value in deciding the question at issue will be admitted in evidence. While irrelevant, immaterial, or unduly repetitious evidence, testimony, or arguments should be excluded, reasonable latitude will be permitted with respect to the relevancy, materiality, and competency of evidence. In most instances the evidence will consist of official records of the educational institution and VA, and these documents may be attested to and introduced by affidavit; but the introduction of oral testimony by the educational institution or by VA will be allowed, as appropriate, in any instance where the educational institution or VA Counsel desires. VA, however, will neither subpoena any witness on behalf of the educational institution for such purposes nor bear any expenses in connection with the appearance of such witness. In instances where the evidence reasonably available consists of signed written statements, secondary or hearsay evidence, etc., such evidence may be introduced into the record and will be given the weight and consideration which the circumstances warrant.

(Authority: 10 U.S.C. 16136(b); 38 U.S.C. 3034(a), 3241(a), 3690)

(d) Rule 4. A verbatim stenographic or recorded transcript of the hearing will be made. This transcript will become a permanent part of the record, and a copy will be furnished to the educational institution and the VA Counsel at the conclusion of the proceeding, unless furnishing of the copy of the transcript is waived by the educational institution.

(Authority: 10 U.S.C. 16136(b); 38 U.S.C. 3034(a), 3241(a), 3690)

(e) Rule 5. The Chairperson of the Committee on Educational Allowances will identify all exhibits in the order of introduction or receipt (numerically for VA exhibits and alphabetically for exhibits introduced by the educational institution). All such original exhibits or documents shall be attached to the original of the transcript. VA shall make photocopies or certified copies and attach them to the copy of the transcript furnished to the educational institution and the VA Counsel. The original transcript will accompany the Committee's recommendation to the Director of the VA facility of jurisdiction along with all exhibits, briefs, or written statements received by the Committee during the course of the proceedings. Such documents should be clearly marked to indicate which were received into evidence and relied upon by the Committee in making its recommendations.

(Authority: 10 U.S.C. 16136(b); 38 U.S.C. 3034(a), 3241(a), 3690)
(f) Rule 6. The Committee on Educational Allowances, at its discretion, may reasonably limit the number of persons appearing at the hearing, including any affected individuals presented as witnesses by VA or the educational institution.

(Authority: 10 U.S.C. 16136(b); 38 U.S.C. 3034(a), 3241(a), 3690)

(g) Rule 7. Any person who is presented to testify will be required to be duly placed under oath or affirmation by the Chairperson of the Committee on Educational Allowances. If an official of the educational institution desires to present a statement personally, the individual will be required to be placed under oath or affirmation. The Chairperson will advise each witness that the Committee understands that he or she is voluntarily appearing before the Committee; that any testimony or statement given will be considered as being completely voluntary; and that no one has authority to require the individual to make any statement or answer any question against his or her will before the Committee, except that a person called as a witness on behalf of either VA or the educational institution must be willing to submit to cross-examination with respect to testimony given. Each witness will also be advised that his or her testimony or statement, if false, even though voluntary, may subject him or her to prosecution under Federal statutes.

(Authority: 10 U.S.C. 16136(b); 38 U.S.C. 3034(a), 3241(a), 3690)

(h) Rule 8. Any member of the Committee on Educational Allowances may question any witness presented to testify at the hearing or either a representative of the educational institution or the VA Counsel concerning matters that are relevant to the question at issue. Generally, questioning by a Committee member will be limited to the extent of clarifying information on the facts and issues involved.

(Authority: 10 U.S.C. 16136(b); 38 U.S.C. 3034(a), 3241(a), 3690)

(i) Rule 9. If the educational institution fails to timely notify the Committee of its intent to participate in a hearing or if a representative of the educational institution is scheduled to appear for a hearing but, without good cause, fails to appear either in person or by writing, the Committee will proceed with the hearing and will review the case on the basis of the evidence of record which shall be presented by the VA Counsel.

(Authority: 10 U.S.C. 16136(b); 38 U.S.C. 3034(a), 3241(a), 3690)

(j) Rule 10. Any objection by an authorized representative of the educational institution or the VA Counsel on a ruling by the Chairperson of the Committee on Educational Allowances regarding the admissibility of testimony or other evidence submitted will be made a matter of record, together with the substance in brief of the testimony intended or other evidence concerned. If the other evidence concerned is in the form of an affidavit or other document, it may be accepted for filing as a future reference if it is later ruled admissible as part of the record of the hearing.

(Authority: 10 U.S.C. 16136(b); 38 U.S.C. 3034(a), 3241(a), 3690)

(k) Rule 11. Objections relating to the jurisdiction or membership of the Committee on Educational Allowances or the constitutionality of statutes or the constitutionality of, or statutory authority for, VA regulations, are not before the Committee for decision. The time of the Committee will not be used to hear arguments in this regard. However, any such matters outside the province of the Committee may be the subject of a brief or a letter for consideration by the VA Office of General Counsel upon completion of the hearing. The ruling of such authority upon such issues will be obtained and included in the record before the Committee's recommendations are submitted to the Director of the
VA facility of jurisdiction. If the VA General Counsel's ruling on such legal issues necessitates reopening the proceeding, that shall be done before the Committee makes its recommendations to the Director of the VA facility of jurisdiction.

(Authority: 10 U.S.C. 16136(b); 38 U.S.C. 3034(a), 3241(a), 3690)

(l) Rule 12. The hearing will be open to the public.

(Authority: 10 U.S.C. 16136(b); 38 U.S.C. 3034(a), 3241(a), 3690)

(m) Rule 13. The hearing will be conducted in an orderly manner with dignity and decorum. The conduct of members of the Committee on Educational Allowances, the VA Counsel, and any representatives of the educational institution shall be characterized by appropriate impartiality, fairness, and cooperation. The Chairperson of the Committee shall take such action as may be necessary, including suspension of the hearing or the removal of the offending person from the hearing room for misbehavior, disorderly conduct, or the persistent disregard of the Chairperson's ruling. Where this occurs, the Chairperson will point out that the Committee is entitled to every possible consideration in order that the case may be presented clearly and fully, which may be accomplished only through observance of orderly procedures.

(Authority: 10 U.S.C. 16136(b); 38 U.S.C. 3034(a), 3241(a), 3690)

(n) Rule 14. The Chairperson of the Committee on Educational Allowances will conduct the hearing proceedings in such a manner that will protect from disclosure information which tends to disclose or compromise investigative sources or methods or which would violate the privacy of any individual. The salient facts, which form the basis of charges, may be disclosed and discussed without revealing the source.

(Authority: 10 U.S.C. 16136(b); 38 U.S.C. 3034(a), 3241(a), 3690)

(o) Rule 15. At the close of the hearing, the Chairperson of the Committee on Educational Allowances shall inform the appropriate representative of the educational institution that the arguments and the evidence presented will be given careful consideration; and that notice of the decision of the Director of the VA facility of jurisdiction, together with the Committee's recommendations, will be furnished to the educational institution and the VA Counsel at the earliest possible time. The Chairperson will also indicate that notice of the Director's decision will be published in the Federal Register for the information of all other interested persons.

(Authority: 10 U.S.C. 16136(b); 38 U.S.C. 3034(a), 3241(a), 3690)

(p) Rule 16. In making its findings of facts and recommendations, the Committee on Educational Allowances will consider only questions which are referred to it by the Director of the VA facility of jurisdiction as being at issue and which are within the jurisdiction of the Committee.

§ 21.4215 Decision of Director of VA facility of jurisdiction.

(a) Decision. The Director of the VA facility of jurisdiction will render a written decision on the issue of discontinuance of payments of benefits and/or denial of further enrollments or reenrollments in the course or courses at the educational institution which was the subject of the Committee on Educational Allowances proceedings.
(Authority: 10 U.S.C. 16136(b); 38 U.S.C. 3034(a), 3241(a), 3690)

(b) Basis of decision. (1) The decision of the Director of the VA facility of jurisdiction will be based upon all admissible evidence of record, including --
(i) The recommendations of the Committee on Educational Allowances;
(ii) The hearing transcript and the documents admitted in evidence; and
(iii) The ruling on legal issues referred to appropriate authority.
(2) The decision will clearly describe the evidence and state the facts on which the decision is based and, in the event that the decision differs from the recommendations of the Committee on Educational Allowances, will give the reasons and facts relied upon by the Director in deciding not to follow the Committee majority's recommendations.

(c) Correction of deficiencies. If the Director of the VA facility of jurisdiction believes that the record provided for review is incomplete or for any reason should be reopened, before rendering a decision he or she will order VA staff to gather any additional necessary evidence and will notify the educational institution that it may comment upon the new evidence added. The Director will then notify the educational institution as to whether the matter will be resubmitted to the Committee on Educational Allowances for further proceedings, on the basis of the new circumstances. If the matter is referred back to the Committee, the Director will defer a decision until he or she has received the Committee's new recommendations based upon all of the evidence of record.

(d) Effective date. If the decision of the Director of the VA facility of jurisdiction is adverse to the educational institution, the decision shall indicate specifically the effective date of each adverse action covered by the decision.

(e) Notification of decision. (1) The Director of the VA facility of jurisdiction shall send a copy of the decision to the educational institution by certified mail, return receipt requested. A copy of the decision also will be provided by regular mail to the institution's legal representative of record, if any. If the decision is adverse to the educational institution, the Director will enclose a notice of the educational institution's right to have the Director, Education Service review the decision.
(2) The Director of the VA facility of jurisdiction will also send a copy of the decision to:
(i) The State approving agency; and
(ii) VA Counsel.
(3) The Director of the VA facility of jurisdiction shall post a copy of the decision at the VA facility of jurisdiction. A copy of the decision shall be published in the Federal Register.

§ 21.4216 Review of decision of Director of VA facility of jurisdiction.
(a) Decision is subject to review by Director, Education Service. A review by the Director, Education Service of a decision of a Director of a VA facility of jurisdiction to terminate payments or disapprove new enrollments or reenrollments, when requested by
the educational institution, will be based on the evidence of record when the Director of
the VA facility of jurisdiction made that decision. It will not be de novo in nature and no
hearing on review will be held.
(b) Authority of Director, Education Service. The Director, Education Service has the
authority to affirm, reverse, or remand the original decision. In the case of such a review,
the reviewing official's decision, other than a remand, shall become the final Department
decision on the issue presented.
(c) Notice of decision of Director, Education Service is required. Notice of the reviewing
official's decision will be provided to the interested parties and published in the Federal
Register, in the same manner as is provided in § 21.4215(e) for decisions of the Director
of the VA facility of jurisdiction, for the information of all concerned.

(a) Eligibility requirements for specialized vocational training. (1) The Department of Veterans Affairs may provide a program of a specialized course of vocational training to an eligible person who:
(i) Is not in need of special restorative training, and
(ii) Requires specialized vocational training because of a mental or physical handicap.
(2) The counseling psychologist will:
(i) After consulting with the Vocational Rehabilitation Panel, determine whether such a course is in the best interest of the eligible person; and
(ii) Deny the application for the program when the course is not in the eligible person's best interest.
(3) Both the counseling psychologist and the Vocational Rehabilitation Panel will assist in developing the program, if the counseling psychologist has previously determined that the course is in the eligible person's best interest.
(4) The Department of Veterans Affairs may authorize specialized vocational training for an eligible child only if the child has passed his or her 14th birthday at the time training is to begin.
(b) Program objective. The objective of a program of specialized vocational training will be designated as a vocational objective.
(c) Special assistance. When needed, special assistance will be provided under § 21.4276.
(d) Length of specialized vocational training. When the program of specialized vocational training will exceed 45 months, the counseling psychologist will refer the program to the Director, Vocational Rehabilitation and Employment Service for prior approval.

§ 21.4233 Combination.
An approved program may consist of a combination of courses with instruction offered by a school alternating with instruction in a business or industrial establishment (a cooperative course); courses offered by two schools concurrently; or courses offered through class attendance and by television concurrently. A farm cooperative program may be approved which consists of a combination of institutional agricultural courses and
concurrent agricultural employment (see § 21.4264). A school may contract the actual training to another school or entity, provided the course is approved by the State approving agency having approval jurisdiction of the school or entity which actually provides the training.

(a) Cooperative courses. A full-time program of education consisting of phases of school instruction alternated with training in a business or industrial establishment with such training being strictly supplemental to the school instruction may be approved. Alternating periods may be a part-day in school and a part-day on job or may be such periods which alternate on a daily, weekly, monthly or on a term basis. For purposes of approval the school offering the course must submit to the State approving agency, with its application, statements of fact showing at least the following:

(1) That the alternate in-school periods of the course are at least as long as the alternate periods in the business or industrial establishment; in determining this relationship between the two components of the course, training received in a business or industrial establishment during a vacation or officially scheduled school break period shall be excluded from the calculation; where the course is approved as continuous part-time work and part-time study in combination, it shall be measured on the basis of the ratio which each portion of the training bears to full time as defined in § 21.4270(c) of this part. The institutional portion must be at least equivalent to one-half time training and must be combined with a job training portion sufficient for the combined training to equal full time.

(Authority: 38 U.S.C. 3482(a)(2) and 3532(b))

(2) That the course is set up as a cooperative course in the school catalog or other literature of the school;

(3) That the school itself arranges with the employer's establishment for providing the alternate on-job periods of training on such basis that the on-job portion of the course will be training in a real and substantial sense and will supplement the in-school portion of the course;

(4) That the school arranges directly with the employer's establishment for placing the individual student in that establishment and exercises supervision and control over the student's activities at the establishment to an extent that assures training in a true sense to the student; and

(5) That the school grants credit for the on-job portion of the course for completion of a part of the work required for granting a degree or diploma.

(Authority: 38 U.S.C. 3482(a)(2) and 3532(b))

(b) Concurrent enrollment. Where a veteran or eligible person cannot successfully schedule his or her complete program at one school, a program of concurrent enrollment may be approved. When requesting such a program the veteran or eligible person must show that his or her complete program of education or training is not available at the school in which he or she will pursue the major portion of his or her program (the primary school), or that it cannot be scheduled successfully within the period in which he or she plans to complete his or her program.

(1) If VA measures the courses pursued at both institutions on either a clock-hour basis or a credit-hour basis, VA will measure the veteran's or eligible person's enrollment by adding together the units of measurement in the second school to the units of
measurement for the courses in the primary institution. The standard for full time will be
the full-time standard for the courses at the primary institution.
(2) Where the standards for measurement of the courses pursued concurrently in the two
schools are different, VA will measure the veteran's or eligible person's enrollment by
converting the units of measurement for courses in the second school to the equivalent in
value expressed in units of measurement required for the courses in the program of
education which the veteran or eligible person is pursuing at the primary institution.
(Authority: 38 U.S.C. 3688)
(3) If the provisions of paragraph (b)(2) of this section require VA to convert clock hours
to credit hours, it will do so by --
(i) Dividing the number of credit hours which VA considers to be full-time at the
educational institution whose courses are measured on a credit-hour basis by the number
of clock hours which are full-time at the educational institution whose courses are
measured on a clock-hour basis; and
(ii) Multiplying each clock hour of attendance by the decimal determined in paragraph
(b)(3)(i) of this section. VA will drop all fractional hours.
(4) If the provisions of paragraph (b)(2) of this section require VA to convert credit hours
to clock hours, it will do so by --
(i) Dividing the number of clock hours which VA considers to be full-time at the
educational institution whose courses are measured on a clock-hour basis by the number
of credit hours which are full-time at the educational institution whose courses are
measured on a credit-hour basis; and
(ii) Multiplying each credit hour by the number determined in paragraph (b)(4)(i) of this
section. VA will drop all fractional hours.
(5) Periodic certifications of training will be required from the veteran and each of the
schools where concurrent enrollment is approved in a course which does not lead to a
standard college degree and to which the measurement provisions of § 21.4270(b) of this
part do not apply. (See §§ 21.4203 and 21.4204.)
(Authority: 38 U.S.C. 3688)
(c) Television. (1) A course offered by open-circuit television is an independent study
course. In order for an eligible person to receive educational assistance while pursuing
such a course, the course must meet all the requirements for independent study found in §
21.4267.
(Authority: 38 U.S.C. 3523, 3680A)
(d) Farm cooperative course. A program of education consisting of institutional
agricultural courses pursued by an eligible person who is concurrently engaged in
agricultural employment which is relevant to such institutional course may be approved if
the course meets the requirements of § 21.4264.
(e) Contract. All or part of the program of education of a school may be provided by
another school or entity under contract. Such school or entity actually providing the
training must obtain approval of the course from the State approving agency in the State
having jurisdiction of that school or entity. If the course is a course of flight training, the
school or entity actually providing the training must also obtain approval of the course
from the Federal Aviation Administration. Measurement of the course and payment of an
allowance will be appropriate for the course as offered by the school or entity actually
providing the training.
§ 21.4234 Change of program.

(a) Definition. (1) Except as provided in paragraph (a)(2) of this section, a change of program consists of a change in the educational professional or vocational objective for which the veteran or eligible person entered training.

(2) VA does not consider any of the following to be changes of program.

(i) A change in the type of courses needed to attain a vocational objective.

(ii) A change in the individual's educational, professional or vocational objective following the successful completion of the immediately preceding program of education.

(iii) A return to the individual's prior program of education following a change of program if the individual resumes training in the program without any loss of credit or standing in that program, or

(iv) An enrollment in a new program of education when that program leads to a vocational, educational or professional objective in the same general field as the immediately preceding program of education.

(Authority: 38 U.S.C. 3691)

(b) Application. A veteran or eligible person may request a change of program by any form of communication. However, if the veteran or eligible person does not furnish sufficient information to allow the Department of Veterans Affairs to process the request, the Department of Veterans Affairs will furnish the prescribed form for a change of program to him or her for completion.

(Authority: 38 U.S.C. 3471)

(c) Optional change of program. A veteran eligible to receive educational assistance under Chapter 34 or a spouse or surviving spouse eligible to receive educational assistance under Chapter 35 may make one optional change of program if his or her previous course was not interrupted due to his or her own misconduct, neglect or lack of application.

(Authority: 38 U.S.C. 3691(b))

(d) Other changes of program. (1) The following changes of program may not be made solely at the option of the veteran or eligible person. The Department of Veterans Affairs must approve them before paying educational assistance allowance:
(i) A second or subsequent change of program made by a veteran or eligible spouse or surviving spouse,
(ii) An initial change of program made by a veteran or eligible spouse or surviving spouse if the first program was interrupted or discontinued due to his or her own misconduct, neglect or lack of application, or
(iii) Any change of program made by a child.

(2) The Department of Veterans Affairs will approve a change of program listed in paragraph (d)(1) of this section if:

(i) The program of education which the veteran or eligible person proposes to pursue is suitable to his or her aptitudes, interests and abilities,
(ii) In any instance where the veteran or eligible person has interrupted, or failed to progress in his or her program due to his or her own misconduct, neglect or lack of application, there is a reasonable likelihood with respect to the program the veteran or eligible person proposes to pursue that there will not be a recurrence of such an interruption or failure to progress, and
(iii) In the case of an eligible child the new program meets the criteria applicable to final approval of an original application. See § 21.4230.

(3) The Department of Veterans Affairs may approve a third or subsequent change of program if applicable conditions of paragraph (d)(2) of this section are met and the additional change or changes are necessitated by circumstances beyond the control of the veteran or eligible person. Circumstances beyond the control of the veteran or eligible person include, but are not limited to:

(i) The course being discontinued by the school when no other similar course leading to the same objective is available within normal commuting distance.
(ii) Unexpected financial difficulties preventing completion of the last program because of the overall cost of the program needed to reach the objective, or
(iii) The veteran or eligible person being required to relocate because of health reasons in an area where training for the last objective is not available within normal commuting distance.

(Authority: 38 U.S.C. 3691)

(4) Notwithstanding any provision of any other paragraph of this section, if a third or subsequent change of program occurs after May 31, 1991, VA will apply only the applicable provisions of paragraph (d)(2) of this section. If the applicable provisions of paragraph (d)(2) of this section are met, VA will approve the change of program. VA will not apply any of the provisions of paragraph (d)(3) of this section in determining whether the change of program should be approved.

(Authority: 38 U.S.C. 3691; Pub. L. 101-366) (June 1, 1991)

(e) Adjustments; transfers. A change in courses or places of training will not be considered a change of objective in the following instances:

(1) The pursuit of the first program is a prerequisite for entrance into and pursuit of a second program.
(2) A transfer from one school to another when the program at the second school leads to the same educational, professional or vocational objective, and does not involve a material loss of credit, or increase training time.
(3) Revision of a program which does not involve a change of objective or material loss of credit nor loss of time originally planned for completion of the veteran's or eligible
person's program. For example, an eligible person enrolled for a bachelor of science degree may show a professional objective such as chemist, teacher or engineer. His or her objective for purposes of this paragraph shall be considered to be "bachelor degree" and any change of courses will be considered only an adjustment in the program, not a change, so long as the subjects he or she pursues lead to the bachelor degree and there is no extension of time in the attaining of that degree.

[EFFECTIVE DATE NOTE: 61 FR 6780, 6783, Feb. 22, 1996, revised paragraphs (a)(2)(ii) and (a)(2)(iii), and added paragraph (a)(2)(iv), effective Feb. 22, 1996.]

§ 21.4235 Programs of education that include flight training. VA will use the provisions of this section to determine whether an individual may be paid educational assistance for pursuit of flight training. See § 21.4263 for approval of flight courses for VA training.

(a) Eligibility. A veteran or servicemember who is otherwise eligible to receive educational assistance under 38 U.S.C. chapter 30 or 32, or a reservist who is eligible for expanded benefits under 10 U.S.C. chapter 1606 as provided in § 21.7540(b), may receive educational assistance for flight training in an approved course provided that the individual meets the requirements of this paragraph. Except when enrolled in a ground instructor certification course or when pursuing flight training under paragraph (f) of this section, the individual must --

(1) Possess a valid private pilot certificate or higher pilot certificate such as a commercial pilot certificate;

(2) If enrolled in a course other than an Airline Transport Pilot (ATP) course, hold a second-class medical certificate on the first day of training and, if that course began before October 1, 1998, hold that certificate continuously during training; and

(3) If enrolled in an ATP certification course, hold a first-class medical certificate on the first day of training and, if that course began before October 1, 1998, hold that certificate continuously during training.

(Authority: 10 U.S.C. 16136(c); 38 U.S.C. 3034(d), 3241(b))

(b) Approval of program. VA may approve the individual's program of education as described on the individual's application if:

(1) The flight courses that constitute the program of education meet Federal Aviation Administration standards for such courses and the Federal Aviation Administration and the State approving agency approve them; and

(2) The flight training included in the program --

(i) Is generally accepted as necessary for the attainment of a recognized vocational objective in the field of aviation; or

(ii) Is given by an educational institution of higher learning for credit toward a standard college degree that the individual is pursuing.

(Authority: 10 U.S.C. 16136(b); 38 U.S.C. 3002(3)(A), 3034(a), 3202(2)(A), 3241(a), 3241(b), 3452(b), 3680A(a)(3))
(c) Pursuit of flight courses. (1) VA will pay educational assistance to an eligible individual for an enrollment in a commercial pilot certification course leading to Federal Aviation Administration certification for a particular category even if the individual has a commercial pilot certificate issued by the Federal Aviation Administration for a different category, since each category represents a different vocational objective.

(2) VA will pay educational assistance to an eligible individual for an enrollment in an instrument rating course only if the individual simultaneously enrolls in a course required for a commercial pilot certificate for the category for which the instrument rating course is pursued or if, at the time of enrollment in the instrument rating course, the individual has a commercial pilot certificate issued by the Federal Aviation Administration for such category. The enrollment in an instrument rating course alone does not establish that the individual is pursuing a vocational objective, as required for VA purposes, since that rating equally may be applied to an individual's private pilot certificate, only evidencing an intent to pursue a non-vocational objective.

(3) VA will pay educational assistance to an eligible individual for an enrollment in a flight course other than an instrument rating course or a ground instructor course, including courses leading to an aircraft type rating, only if the individual has a commercial pilot certificate issued by the Federal Aviation Administration for the category to which the particular course applies.

(4) VA will pay educational assistance to an eligible individual for an enrollment in a ground instructor certificate course, even though the individual does not have any other flight certificate issued by the Federal Aviation Administration, since the Federal Aviation Administration does not require a flight certificate as a prerequisite to ground instructor certification and ground instructor is a recognized vocational objective.

(5) VA will not pay an eligible individual for simultaneous enrollment in more than one flight course, except as provided in paragraph (c)(2) of this section.

(d) Some individuals are already qualified for a flight course objective. (1) The provisions of §§ 21.5230(a)(4), 21.7110(b)(4), and 21.7610(b)(4), prohibiting payment of educational assistance for enrollment in a course for whose objective the individual is already qualified, apply to enrollments in flight courses.

(2) A former military pilot with the equivalent of a commercial pilot certificate and an instrument rating may obtain a commercial pilot certificate and instrument rating from the Federal Aviation Administration without a flight exam within 12 months of release from active duty. Therefore, VA will consider such a veteran to be already qualified for the objectives of a commercial pilot certification course and an instrument rating course if begun within 12 months of the individual's release from active duty.

(Authority: 10 U.S.C. 16136(b); 38 U.S.C. 3034(a), 3241(a), 3241(b), 3471(4))

(e) Some flight courses are refresher training. The provisions of §§ 21.5230(c), 21.7020(b)(26), 21.7122(b), 21.7520(b)(20), and 21.7610(b)(4) that provide limitations on payment for refresher training that is needed to update an individual's knowledge and skill in order to cope with technological advances while he or she was on active duty service apply to flight training.

(1) An individual who held a Federal Aviation Administration certificate before or during active duty service may have surrendered that certificate or the Federal Aviation Administration may have canceled it. The individual may receive the equivalent of the
number of months of educational assistance necessary to complete the course that will qualify him or her for the same grade certificate.
(2) A reservist is not eligible for refresher training unless he or she has had prior active duty.
(Authority: 10 U.S.C. 16136(b); 38 U.S.C. 3002(3)(A), 3034(a)(3), 3202(2)(A), 3241(a), 3241(b))
(i) Flight training at an institution of higher learning. (1) An individual who is eligible for educational assistance under 10 U.S.C. chapter 1606 or 38 U.S.C. chapter 30, 32, or 35 is exempt from the provisions of paragraphs (a)(2) through (d) of this section when his or her courses include flight training that is part of a program of education that leads to a standard college degree.
(2) An individual described in paragraph (f)(1) of this section may pursue courses that may result in the individual eventually receiving recreational pilot certification or private pilot certification, provided that the courses also lead to a standard college degree.
(Authority: 10 U.S.C. 16136(b); 38 U.S.C. 3002(3)(A), 3034(a)(3), 3202(2)(A), 3241(a), 3241(b))

§ 21.4236 Tutorial assistance.
(a) Enrollment. A veteran or eligible person may receive supplemental monetary assistance to provide tutorial services if he or she:
(1) Is pursuing a post-secondary educational program on a half-time or more basis at an educational institution, and
(2) Has a deficiency in a subject which is indispensable to the satisfactory pursuit of an approved program of education.
(b) Approval. The Department of Veterans Affairs will grant approval when:
(1) The educational institution certifies that:
(i) Individualized tutorial assistance is essential to correct a deficiency in a specified subject or subjects required as a part of, or which is prerequisite to, or which is indispensable to the satisfactory pursuit of an approved program of education;
(ii) The tutor selected:
(A) Is qualified, and
(B) Is not the parent, spouse, child, brother or sister of the veteran or eligible person; and
(iii) The charges for this assistance do not exceed the customary charges for such tutorial assistance; and
(2) The assistance is furnished on an individual basis.
(Authority: 10 U.S.C. 16131(h); 38 U.S.C. 3019, 3234, 3492, 3533(b))
(c) Limits on tutorial assistance. (1) VA will authorize the cost of tutorial assistance in an amount not to exceed $ 100 per month.
(2) The total amount of all tutorial assistance provided under this section will not exceed $ 1200.
(Authority: 38 U.S.C. 3019, 3492, 3533(b))
(d) Entitlement charge. VA will make no charge against the veteran's or eligible person's entitlement to educational assistance for any amount of tutorial assistance authorized.
(Authority: 38 U.S.C. 3019, 3492, 3533(b))

§ 21.4250 Approval of courses.

(a) General. A course of education, including the class schedules of a resident course (other than a flight course) not leading to a standard college degree, offered by a school must be approved by the State approving agency for the State in which the school is located, or by the State approving agency which has appropriate approval authority, or, where appropriate, by the Department of Veterans Affairs.

(Authority: 38 U.S.C. 3672)

(1) A course approved under 38 U.S.C. chapter 36 shall be deemed approved for purposes 38 U.S.C. chapter 35.

(2) Any course which was approved under 38 U.S.C. chapter 33 (as in effect before February 1, 1965), or under 38 U.S.C. chapter 35 prior to March 3, 1966, and was not or is not disapproved for failure to meet any of the requirements of the applicable chapters will be deemed to be approved for purposes of 38 U.S.C. chapter 36.

(Authority: 38 U.S.C. 3670)

(b) State approving agencies. Approval by State approving agencies will be in accordance with the provisions of 38 U.S.C. Chapter 36 and such regulations and policies as the agency may adopt not in conflict therewith.

(1) Notice of approval. Each State approving agency will furnish to the Department of Veterans Affairs a current list of schools specifying courses which it has approved, and will furnish such other information as it and the Department of Veterans Affairs may determine to be necessary. See § 21.4258.

(2) Notice of suspension of approval or disapproval. Each State approving agency will notify the Department of Veterans Affairs of the suspension of approval or disapproval of any course previously approved and will set forth the reasons for such suspension of approval or disapproval. See § 21.4259.
(Authority: 38 U.S.C. 3672(a))

(3) Failure to act. If notice has been furnished that the State approving agency does not intend to act on the application of a school, the school may request approval by the Department of Veterans Affairs.

(c) Department of Veterans Affairs approval. (1) The Director, Vocational Rehabilitation and Employment Service may approve special restorative training in excess of 12 months to overcome or lessen the effects of a physical or mental disability to enable an eligible child to pursue a program of education under 38 U.S.C. chapter 35.

(2) The Director, Education Service may approve --

(i) A course of education offered by any agency of the Federal Government authorized under other laws to offer such a course;

(ii) A course of education to be pursued under 10 U.S.C. Chapter 1606 or 38 U.S.C. Chapters 30, 32, 35, or 36 offered by a school located in the Canal Zone, Guam or Samoa;

(iii) Except as provided in § 21.4150(d) as to the Republic of the Philippines, a course of education to be pursued under 10 U.S.C. chapter 1606 or 38 U.S.C. chapter 30, 32, or 35 offered by an institution of higher learning not located in a State;

(iv) Any course in any other school in accordance with the provisions of 38 U.S.C. chapter 36; and

(v) Any program of apprenticeship the standards for which have been approved by the Secretary of Labor pursuant to section 50a of Title 29 U.S.C. as a national apprenticeship program for operation in more than one State and for which the training establishment is a carrier directly engaged in interstate commerce and providing training in more than one State.

[CROSS REFERENCE: State approving agencies. See § 21.4150(e).]

§ 21.4251 Minimum period of operation requirement for educational institutions.

(a) Definitions. The following definitions apply to the terms used in this section. The definitions in § 21.4200 apply to the extent that no definition is included in this paragraph.

(1) Control. The term control (including the term controlling) means the possession, direct or indirect, of the power to direct or cause the direction of the management and policies of a person, whether through the ownership of voting securities, by contract, or otherwise.

(2) Person. The term person means an individual, corporation, partnership, or other legal entity.

(Authority: 38 U.S.C. 3680A(e))

(b) Some educational institutions must be in operation for 2 years. Except as provided in paragraph (c) of this section, when a proprietary educational institution offers a course
not leading to a standard college degree, VA may not approve an enrollment in that course if the proprietary educational institution --
(1) Has been operating for less than 2 years;
(2) Offers the course at a branch or extension and the branch or extension has been operating for less than 2 years; or
(3) Offers the course following either a change in ownership or a complete move outside its original general locality, and the educational institution does not retain substantially the same faculty, student body, and courses as before the change in ownership or the move outside the general locality unless the educational institution, after such change or move, has been in operation for at least 2 years.

(Authority: 38 U.S.C. 3680A(e) and (g))

(c) Exception to the 2-year operation requirement. Notwithstanding the provisions of paragraph (b) of this section, VA may approve the enrollment of a veteran, servicemember, reservist, or eligible person in a course not leading to a standard college degree approved under this subpart if it is offered by a proprietary educational institution that --
(1) Offers the course under a contract with the Department of Defense or the Department of Transportation; and
(2) Gives the course on or immediately adjacent to a military base, Coast Guard station, National Guard facility, or facility of the Selected Reserve.

(Authority: 38 U.S.C. 3680A(e) and (g))

(d) Operation for 2 years. VA will consider, for the purposes of paragraph (b) of this section, that a proprietary educational institution (or a branch or extension of such an educational institution) will be deemed to have been operating for 2 years when the educational institution (or a branch or extension of such an educational institution) --
(1) Has been operating as an educational institution for 24 continuous months pursuant to the laws of the State(s) in which it is approved to operate and in which it is offering the training; and
(2) Has offered courses continuously for at least 24 months inclusive of normal vacation or holiday periods, or periods when the institution is closed temporarily due to a natural disaster that directly affected the institution or the institution's students.

(Authority: 38 U.S.C. 3680A(e) and (g))

(e) Move outside the same general locality. A proprietary educational institution (or a branch or extension thereof) will be deemed to have moved to a location outside the same general locality of the original location when the new location is beyond normal commuting distance of the original location, i.e., 55 miles or more from the original location.

(Authority: 38 U.S.C. 3680A(e))

(f) Change of ownership. (1) A change of ownership of a proprietary educational institution occurs when --
(i) A person acquires operational management and/or control of the proprietary educational institution and its educational activities; or
(ii) A person ceases to have operational management and/or control of the proprietary educational institution and its educational activities.

(2) Transactions that may cause a change of ownership include, but are not limited to the following:
(i) The sale of the educational institution;
(ii) The transfer of the controlling interest of stock of the educational institution or its parent corporation;
(iii) The merger of 2 or more educational institutions; and
(iv) The division of one educational institution into 2 or more educational institutions.
(3) VA considers that a change in ownership of an educational institution does not include a transfer of ownership or control of the institution, upon the retirement or death of the owner, to:
(i) The owner's parent, sibling, spouse, child, spouse's parent or sibling, or sibling's or child's spouse; or
(ii) An individual with an ownership interest in the institution who has been involved in management of the institution for at least 2 years preceding the transfer.
(Authority: 38 U.S.C. 3680A(e))
(g) Substantially the same faculty, student body, and courses. VA will determine whether a proprietary educational institution has substantially the same faculty, student body, and courses following a change of ownership or move outside the same general locality by applying the provisions of this paragraph.
(1) VA will consider that the faculty remains substantially the same in an educational institution when faculty members who teach a majority of the courses after the move or change in ownership, were so employed by the educational institution before the move or change in ownership.
(2) VA will consider that the courses remain substantially the same at an educational institution when:
(i) Faculty use the same instructional methods during the term, quarter, or semester after the move or change in ownership as were used before the move or change in ownership; and
(ii) The courses offered after the move or change in ownership lead to the same educational objectives as did the courses offered before the move or change in ownership.
(3) VA considers that the student body remains substantially the same at an educational institution when, except for those students who have graduated, all, or a majority of the students enrolled in the educational institution on the last day of classes before the move or change in ownership are also enrolled in the educational institution after the move or change in ownership.
(Authority: 38 U.S.C. 3680A(e) and (f)(1))
§ 21.4252 Courses precluded.
(a) Bartending and personality development. Enrollment will not be approved in any bartending or personality development course.
(b) Avocational and recreational. Enrollment will not be approved in any course which is avocational or recreational in character or the advertising for which contains significant avocational or recreational themes. The courses identified in paragraphs (b)(1), (2), and (3) of this section are presumed to be avocational or recreational in character and require justification for their pursuit.

(1) Any photography course or entertainment course, or
(2) Any music course, instrumental or vocal, public speaking course, or course in dancing, sports or athletics, such as horseback riding, swimming, fishing, skiing, golf, baseball, tennis, bowling, sports officiating, or other sport or athletic courses, except courses of applied music, physical education, or public speaking which are offered by institutions of higher learning for credit as an integral part of a program leading to an educational objective, or
(3) Any other type of course which the Department of Veterans Affairs determines to be avocational or recreational.

(Authority: 38 U.S.C. 3523(a), 3680A(b))

(4) To overcome the presumption that a course is avocational or recreational in character, the veteran or eligible person will be required to establish that the course will be of bona fide use in the pursuit of his or her present or contemplated business or occupation.

(c) Flight training. The Department of Veterans Affairs may approve an enrollment in any of the following types of courses of flight training if an institution of higher learning offers the course for credit toward the standard college degree the veteran or eligible person is pursuing. The Department of Veterans Affairs otherwise will not approve an enrollment in:

(1) A course of flight training to obtain a private pilot's license or equivalent level training; or
(2) Any course of flight training under Chapter 35.

(3) [Redesignated as paragraph (c)(2). See 61 FR 26107, 26114, May 24, 1996.]

(Authority: 10 U.S.C. 16131(g); 38 U.S.C. 3034(d), 3241(b), 3523(b), 3680A(b))

(d) Courses by radio. Enrollment in such courses will not be approved.

(e) Correspondence courses. (1) VA will not approve the enrollment of an individual under 10 U.S.C. Chapter 1606 or 38 U.S.C. Chapter 30, 32, or 35 in a correspondence course or the correspondence portion of a correspondence-residence course unless the course is accredited and meets the requirements of §§ 21.4253, 21.4256, and 21.4279, as appropriate.

(2) VA will not approve the enrollment of an eligible child under 38 U.S.C. Chapter 35 in a correspondence course or the correspondence portion of a correspondence-residence course.

(Authority: 38 U.S.C. 3534(b))

(f) Alternative teacher certification program. VA will not approve the enrollment of an eligible person under 38 U.S.C. Chapter 35 in an alternative teacher certification program unless that program is offered by an institution of higher learning as defined in § 21.4200(h).

(Authority: 38 U.S.C. 3452(c), 3501(a)(6))

(g) Independent study. (1) Effective October 29, 1992, VA may pay educational assistance to a veteran who is enrolled in a nonaccredited course or unit subject offered entirely or partly by independent study only if --
(i) Successful completion of the nonaccredited course or unit subject is required in order for the veteran to complete his or her program of education; and the veteran --
(A) Was receiving educational assistance on October 29, 1992, for pursuit of the program of education of which the nonaccredited independent study course or unit subject forms a part, and
(B) Has remained continuously enrolled in that program of education from October 29, 1992, to the date the veteran enrolls in the nonaccredited independent study course or unit subject; or
(ii) Was enrolled in and receiving educational assistance for the nonaccredited independent study course or unit subject on October 29, 1992, and remains continuously enrolled in that course or unit subject.

(2) Whether or not the veteran is enrolled will be determined by the regularly prescribed standards and practices of the educational institution.

(h) Erroneous, deceptive, misleading practices. (1) The Department of Veterans Affairs will not approve an enrollment in any course offered by an institution which uses advertising, sales, or enrollment practices which are erroneous, deceptive, or misleading by actual statement, omission, or intimation. As provided by section 3696, Title 38 U.S.C., the Department of Veterans Affairs shall use the services and facilities of the Federal Trade Commission, where appropriate, under an agreement:
(i) To carry out investigations, and
(ii) To make determinations under this paragraph.

(2) To ensure compliance, any institution offering courses approved for the enrollment of veterans or eligible persons shall maintain a complete record of all advertising, sales, or enrollment materials (and copies of each) used by or on behalf of the institution during the preceding 12-month period. This record shall be available for inspection by the State approving agency or the Department of Veterans Affairs. These materials shall include, but are not limited to:
(i) Any direct mail pieces,
(ii) Brochures,
(iii) Printed literature used by sales people,
(iv) Films, video cassettes and audio tapes disseminated through broadcast media,
(v) Material disseminated through print media,
(vi) Tear sheets,
(vii) Leaflets,
(viii) Handbills,
(ix) Fliers, and
(x) Any sales or recruitment manuals used to instruct sales personnel, agents or representatives of the educational institution.

(Authority: 38 U.S.C. 3696)

(i) Audited courses. The school's certifications shall exclude courses which are being audited by the veteran or eligible person, since no educational assistance allowances shall be paid for such courses.

(Authority: 38 U.S.C. 3680(a)

(j) Nonpunitive graded courses. The school shall report any course for which a nonpunitive grade is assigned and no payment shall be authorized for such a course. If
payment has already been made, in whole or in part, by the Department of Veterans Affairs at the time the grade is assigned, an overpayment shall be created against the account of the student for such a course, unless the Department of Veterans Affairs determines there are mitigating circumstances.

(Authority: 38 U.S.C. 3680(a))

(k) Courses with suspended approval. When a State approving agency has suspended the approval of a course for new enrollments, new enrollments in the course shall not be approved until the suspense is lifted. If the State approving agency does not lift the suspense, but disapproves the course instead, new enrollments beginning on or after the date the suspense was effective shall not be approved. See § 21.4259.

(Authority: 38 U.S.C. 3672(a))

(l) Courses taken by a nonmatriculated student who is pursuing a degree. The provisions of this paragraph apply to veterans and eligible persons who are pursuing a degree, but who have not matriculated. The Department of Veterans Affairs considers a student to have matriculated when he or she has been formally admitted to a college or university as a degree-seeking student.

(1) Some colleges or universities admit students provisionally, pending receipt of test results or transcripts. The Department of Veterans Affairs may approve such a veteran’s or eligible person’s enrollment in a course or subject only if the veteran or eligible person matriculates during the first two terms, quarters or semesters following his or her admission.

(2) The first portion of the courses leading to a single degree may be offered at one college or university. The remaining courses are not offered at the college or university, but are offered at a second college or university which grants the degree based upon the combined credits earned by the student. If the student is not required to matriculate during the portion of the program offered at the first college or university, VA may approve an enrollment in a course or subject that is part of that portion of the program only when the certifications described in either paragraph (l)(2)(i) or (ii) of this section are made.

(i) The college or university granting the degree certifies concurrently with the student's enrollment in the first portion of the program, that

(A) Full credit will be granted for the subjects taken in the portion of the curriculum offered at the first college or university;
(B) In the last 5 years at least three students who have completed the first part of the program have been accepted into the second part of the program;
(C) At least 90 percent of those who have applied for admission to the second part of the program, after successfully completing the first part, have been admitted;
(D) The student will be required to matriculate during the first two terms, quarters or semesters following his or her admission to the second part of the program.

(ii) The college or university offering the first part of the program:

(A) Certifies to the appropriate State approving agency that as a result of an agreement between that college or university and the college or university offering the second part of the program, all of the courses taken by the veteran or eligible person in the first part of the program, will be accepted by the college or university offering the second part of the program without any loss of credit in partial fulfillment of the requirements for an
associate or higher degree. This certification may be made once for each program for which an agreement exists.
(B) Certifies to VA that the veteran or eligible person has stated to an appropriate official of the college or university offering the first part of the program that he or she is pursuing the program.
(3) The first portion of the subjects or courses in a baccalaureate program beyond those necessary for an associate degree may be given at a 2-year college, while the remainder may be offered at a 4-year college or university. When the college or university does not require the student to matriculate while pursuing the additional study at the 2-year college, VA may approve an enrollment in a course offered in the program at the 2-year college only if the certifications described in either paragraph (l)(3)(i) or (ii) of this section are made.
(i) The college or university granting the baccalaureate degree certifies that:
(A) Full credit is granted for the course upon the student's transfer to the college or university granting the baccalaureate degree,
(B) The courses taken at the 2-year college will be acceptable in partial fulfillment for the baccalaureate degree, and
(C) The student will be required to matriculate during the first two terms, quarters or semesters following his or her admission to the college or university granting the baccalaureate degree.
(ii) Either the 2-year college or the college or university granting the baccalaureate degree:
(A) Certifies to the appropriate State approving agency that as a result of agreement between the 2-year college and the college or university offering the baccalaureate degree all of the courses pursued beyond the associate degree will be accepted without any loss of credit in partial fulfillment of the requirements for a baccalaureate degree. This certification may be made once for each program for which an agreement exists.
(B) Certifies to VA that the veteran or eligible person is enrolled in courses covered by the agreement.
(4) Except as provided in paragraphs (l)(1), (2), and (3) of this section, the Department of Veterans Affairs will not approve a veteran's or eligible person's enrollment in a course or subject if the veteran or eligible person:
(i) Is pursuing a degree, and
(ii) Is not matriculated.
(5) Nothing in this paragraph shall prevent a State approving agency from including more restrictive matriculation requirements in its approval criteria.
(Authority: 38 U.S.C. 3452)
(m) Courses offered under contract. VA may not approve the enrollment of a veteran, servicemember, reservist, or eligible person in a course as a part of a program of education offered by any educational institution if the educational institution or entity providing the course under contract has not obtained a separate approval for the course in the same manner as for any other course as required by §§ 21.4253, 21.4254, 21.4256, 21.4257, 21.4260, 21.4261, 21.4263, 21.4264, 21.4265, 21.4266, or 21.4267, as appropriate.
(Authority: 38 U.S.C. 3680A(f) and (g))
§ 21.4253 Accredited courses.
(a) General. A course may be approved as an accredited course if it meets one of the following requirements:
(1) The course has been accredited and approved by a nationally recognized accrediting agency or association. "Candidate for accreditation" status is not a basis for approval of a course as accredited.
(2) Credit for such course is approved by the State department of education for credit toward a high school diploma.
(3) The course is conducted under the Act of February 23, 1917 (20 U.S.C. 11 et seq.).
(4) The course is accepted by the State department of education for credit for a teacher's certificate or teacher's degree.
(5) The course is approved by the State as meeting the requirement of regulations prescribed by the Secretary of Health and Human Services under sections 1819(f)(2)(A)(i) and 1919(f)(2)(A)(i) of the Social Security Act (42 U.S.C. 1395i-3(f)(2)(A)(i) and 1396r(f)(2)(A)(i)).
(Authority: 38 U.S.C. 3675(a))
(b) Course objective. Any curriculum offered by an educational institution which is a member of one of the nationally recognized accrediting agencies or associations and which leads to a degree, diploma, or certificate will be accepted as an accredited course when approved as such by the State approving agency. Any curriculum accredited by one of the specialized nationally recognized accrediting agencies or associations and which leads to a degree, diploma, or certificate will also be accepted as an accredited course when approved as such by the State approving agency. Approval of the individual subjects, required or elective, which are designated as a part of a degree curriculum will not be necessary. Such approval may include noncredit subjects that are prescribed as a required part of the curriculum. The course objective may be educational (high school diploma or a standard college degree) or it may be vocational or professional (an occupation).
(c) Accrediting agencies. A nationally recognized accrediting agency or association is one that appears on the list published by the Secretary of Education as required by 38 U.S.C. 3675(a). The State approving agencies may use the accreditation of these accrediting agencies or associations for approval of the course specifically accredited and approved by the agency or association.
(d) School qualification. A school desiring to enroll veterans or eligible persons in accredited courses will make application for approval of such courses to the State approving agency. The State approving agency may approve the application of the school
when the school and its accredited courses are found to have met the following criteria and additional reasonable criteria established by the State approving agency:

(1) The institution (other than an elementary or secondary school) has submitted to the State approving agency copies of its catalog or bulletin which are certified as true and correct in content and policy by an authorized representative, and the publication shall:

(i) State with specificity the requirements of the institution with respect to graduation;
(ii) Include institution policy and regulations relative to standards of progress required of the student by the institution (this policy will define the grading system of the institution, the minimum grades considered satisfactory, conditions for interruption for unsatisfactory grades or progress, a description of the probationary period, if any, allowed by the institution, conditions of reenforcement for those students dismissed for unsatisfactory progress, and a statement regarding progress records kept by the institution and furnished the student);
(iii) Include institution policy and regulations relating to student conduct and conditions for dismissal for unsatisfactory conduct; and
(iv) Include any attendance standards of the institution if the institution has and enforces such standards.

(Authority: 38 U.S.C. 3675(a), 3676(b))

(2) Adequate records are kept by the school to show the progress of each veteran or eligible person. The records must be sufficient to show continued pursuit at the rate for which enrolled and the progress being made. They must include final grade in each subject for each term, quarter, or semester; record of withdrawal from any subject to include the last date of attendance for a resident course; and record of reenrollment in subjects from which there was a withdrawal; and may include such records as attendance for resident courses, periodic grades and examination results.

(3) The school maintains a written record of previous education and training of the veteran or eligible person which clearly indicates that appropriate credit has been given by the school for previous education and training, with the training period shortened proportionately, and the person and the Department of Veterans Affairs so notified. The record must be cumulative in that the results of each enrollment period (term, quarter or semester) must be included so that it shows each subject undertaken and the final result, i.e., passed, failed, incomplete or withdrawn.

(Authority: 38 U.S.C. 3675(b))

(4) The school enforces a policy relative to standards of conduct and progress required of the student. The school policy relative to standards of progress must be specific enough to determine the point in time when educational benefits should be discontinued, pursuant to 38 U.S.C. 3474 when the veteran or eligible person ceases to make satisfactory progress. The policy must include the grade or grade point average that will be maintained if the student is to graduate. For example, a 4-year college may require a 1.5 grade point average the first year, a 1.75 average at mid-year the second year, and a cumulative average of 2.0 thereafter on the basis of 4.0 for an A.

(5) If the school has a standard of attendance, it maintains records of attendance for veterans and eligible persons enrolled in resident courses which are adequate to show the student meets the school's standard of attendance.

(Authority: 38 U.S.C. 3474, 3675)
(6) The accredited courses, the curriculum of which they form a part, and the instruction connected with those courses are consistent in quality, content, and length with similar courses in public educational institutions and other private educational institutions in the State with recognized accepted standards.

(7) There is in the educational institution offering the course adequate space, equipment, instructional material, and instructor personnel to provide training of good quality.

(8) The educational and experience qualifications of directors, and administrators of the educational institution offering the courses, and instructors teaching the courses for which approval is sought, are adequate.

(Authority: 38 U.S.C. 3675(b), 3676(c)(1), (2), (3))

(e) College level. Under the provisions of paragraph (a)(1) of this section, any course at college level approved by the State approving agency as an accredited course will be accepted by the Department of Veterans Affairs as an accredited course when all of the following conditions are met:

(1) The college or university is accredited by a nationally recognized regional accrediting agency listed by the Secretary of Education or the course is accredited at the college level by a specialized accrediting agency or association recognized by the Secretary of Education; and

(Authority: 38 U.S.C. 3675)

(2) The course has entrance requirements of not less than the requirements applicable to the college level program of the school; and

(3) Credit for the course is awarded in terms of standard semester or quarter hours or by recognition at completion by the granting of a standard college degree.

(f) Courses not leading to a standard college degree. Any course in a school approved by the State approving agency will be accepted as an accredited course when all of the following conditions are met:

(1) The course or the school offering such course is accredited by the appropriate accrediting agency; and

(2) The course offers training in the field for which the accrediting agency is recognized and at a level for which it is recognized; and

(3) The course leads to a high school diploma or a vocational objective.

[EFFECTIVE DATE NOTE: 65 FR 81740, 81742, Dec. 27, 2000, added paragraphs (d)(6), (d)(7), and (d)(8), effective Dec. 27, 2000.]

§ 21.4254 Nonaccredited courses.

(a) General. Nonaccredited courses are courses which are not approved as accredited courses and which are offered by a public or private, profit or nonprofit, educational institution. These include nonaccredited courses offered by extension centers or divisions, or vocational or adult education departments of institutions of higher learning.
