It’s never too early to learn to golf!

Open to Golfing and Non-Golfing families.

SNAG is a unique kids-oriented game of golf developed by former PGA Tour players Wally Armstrong and Terry Anton. It’s a perfect way to introduce our 5 to 9 year olds to the great game of golf without the need to focus on mechanics. Using the CN Futures Links template of Drive, Chip and Putt, the goal is to introduce fundamental swing movements, improve hand/eye co-ordination and most important, have fun! Kids finish the SNAG program with a positive perspective on golf, a feeling of confidence and the tools necessary to move to the next stage of learning to play.

All equipment provided.

SNAG PLUS - AGES 5 TO 9

$100 (NON-MEMBER $120)

Bridge the gap from SNAG to golf camp.

Open to Golfing and Non-Golfing families.

For SNAG graduates who are still under 10 years old, SNAG Plus is designed to bridge the gap between the SNAG program and Half-Day Golf Camps. Participants will learn the fundamentals of putting, short game and full swing using real golf equipment. The focus remains on both learning and fun.

Participants are encouraged to bring their own set of clubs but clubs are available if necessary.
HALF DAY GOLF CAMP - AGES 8+

$275 (NON-MEMBER $ 300)

Professional training for the beginning junior golfer.

Over the years, our half-day golf camps have proven to be a great way to teach the game to children ages 8 and above, while providing all the fun of a summer camp experience. Each Camp runs 3 consecutive
days, from 9 am to 1 pm, lunch included. Our professional staff makes use of a curriculum based on the ‘CN Future Links’ program developed by Canadian PGA and Golf Canada.

This year’s golf camps will be consistent to the golf camps we have run in the past, and are geared to novice golfers, and will introduce the game’s fundamentals. The agenda for each day will be organized and facilitated by two PGA of Canada professionals. The full swing and short game are covered in detail, with an emphasis on safety and fun. Etiquette, Rules of Golf and competitive play are introduced as the camp progresses.

Refreshments are provided throughout the morning, and each participant graduates with a certificate of completion and a keepsake gift. Space is limited to 12 students each session on a first come/first serve basis. Members are encouraged to enroll their children early as the camps are a popular fixture on the junior golf calendar.

GIRLS ONLY CLINIC

$90 (GOLF MEMBERS ONLY)

A golf clinic developed just for girls taught by a female Pro!

"Research has found that girls reap the biggest rewards when learning in an all-girl environment - allowing them to feel more comfortable learning the game in a setting they are free to be themselves" PGA of Canada Assistant Professional Amanda Milward, utilizes proven success strategies for attracting and retaining girls in the game of golf by incorporating fun and engaging instruction.

JUNIOR COACHING SERIES - AGES 8+

Juniors who have gained some skill and now wish to really kick-start their game can make dramatic score improvements with this comprehensive coaching program. The program includes a combination of work on the practice range and in the short game area, as well as on course instruction. Our Canadian PGA Professionals work closely with all golfers in a 1:1 student/teacher ratio. If one of our regular programs is not for you child, we will tailor a program that provides exactly the skills and expertise they need to bring your golf game to the next level.

SPONSORED JUNIOR PROGRAM

Today’s junior members often grow into tomorrow’s Bayview families, so we recognize how important it is to invest in their futures as both golfers and people. Lessons learned at Bayview go far beyond those on the course. Each year, Bayview extends an opportunity to aspiring junior golfers to join our club. If you know a junior-aged child who would benefit in this program, contact Tamara Gaudino at EXT 316.
