SECTION 1 - INTRODUCTION TO THE TSAHC HOMEOWNERSHIP PROGRAMS

1.1 Foreword

The Texas State Affordable Housing Corporation (TSAHC) provides access to mortgage credit certificates (MCC) and fixed-rate mortgage loans that include down payment assistance grants (DPA) attached to the loan. Both programs are available to teachers, veterans, police officers, corrections officers, fire fighters, and low to moderate-income homebuyers through our Homes for Texas Heroes and Home Sweet Texas Loan Programs.

TSAHC provides the online reservation and compliance system (Lender Portal) at www.tsm-online.org where rates and funds are locked. TSAHC also provides the program guidelines, applicable forms and affidavits, and reviews compliance packages to ensure TSAHC’s eligibility requirements are met.

The program guidelines describe the current rules and requirements, outline the role of TSAHC, and set forth the requirements for lenders to participate. TSAHC may revise the guidelines from time to time. The most current version can be found on TSAHC’s website at www.tsahc.org and on the Lender Portal at www.tsm-online.org.

2.2 Income Limitation

Eligible borrowers’ income must be within program limitations. Please visit TSAHC’s website at www.tsha.org or the Lender Portal at www.tsm-online.org for the maximum family income limits.

For DPA Assistance: For purposes of meeting the eligibility criteria, only the income of the mortgagor(s) will be considered. The income of a non-purchasing spouse (NPS) will not be included in the calculation. For example, only the income used to qualify the mortgagor for repayment of the mortgage loan (from the 1003 loan application and/or the applicable underwriting worksheet) will be compared against the program limits.

For MCC or MCC/DPA Assistance: For purposes of meeting the eligibility criteria, income from all family members with ownership interest is considered. Family income is calculated by taking the borrower’s current gross monthly income, as well as that of anyone else who is expected to live in the residence and become liable on the deed of trust (including a non-purchasing spouse) and multiplying that amount by 12.

The lender uses one of two methods of computation depending on whether the borrower is employed or self-employed. Generally, family income for an employed person is computed by multiplying the current gross monthly income figure by twelve. Sporadic income should be averaged and added to that base figure for a total. Family income for a self-employed person is computed by annualizing the year-to-date total on a current profit and loss statement and averaging that amount with the net income figures from the two most recent years’ federal income tax returns (with depreciation added back in).

a. Sources of Income. The IRS requires that every source of income, taxed or untaxed, be included in the calculation of family income for the MCC.
b. Prior Year Earnings. On some pay stubs the year-to-date earnings include pay from the last part of the prior year. In such circumstances, the Borrower should request that the employer provide a signed statement of verification. Otherwise, the Borrower may be deemed to exceed the Maximum Family Income limits, due to an inflated average, and be disqualified.

2.3 Homebuyer Requirement

For DPA Assistance: Borrowers are not required to be first-time homebuyers. Borrowers may have previously owned or may currently own a home; provided that the home being purchased becomes the borrower’s principal residence upon loan closing.

For MCC or MCC/DPA Assistance: Mortgagor(s) applying for an MCC cannot have had an ownership interest in a principal residence at any time during the preceding three years ending on the date the mortgage is executed. The mortgagor and spouse, and any other adult who will be reflected on the deed of trust, must meet this first-time homebuyer requirement. This requirement also applies to separated couples. The first-time home buyer requirement does not apply to acquisitions of homes in Targeted Areas or if a mortgagor is a Qualified Veteran.

This must be verified by the lender’s examination of the borrower’s federal tax returns for the preceding 3 years (or by acceptable alternate documents, discussed below) to determine whether the borrower has claimed a deduction for mortgage interest or taxes on real property claimed as a principal residence. In addition, the lender must obtain rental verification (either written or verbal) from the last tax return filed to the application date.

Any person who is living in the home as his or her principal residence and is listed on the deed of trust has an ownership interest, even if he or she does not take a deduction for mortgage interest on his or her federal tax returns. For married couples, both spouses hold an ownership interest, even if only one is listed on the deed of trust. However, a person (for example, a parent of a mortgagor) who is a co-signor under or a guarantor of a promissory note secured by the mortgage, but who does not occupy the property and has no present ownership interest in the residence, need not satisfy the first-time homebuyer requirement.

Each Borrower is required to submit acceptable documentation with his or her MCC application to demonstrate that he or she meets the first-time homebuyer requirement. The following documentation options will satisfy this requirement:

a. Signed and dated Form 1040, 1040A or 1040EZ federal income tax returns for the past 3 years with all schedules that show no deductions for mortgage interest or real estate taxes for a Principal Residence.

b. For borrowers who do not have copies of the actual tax returns submitted to the IRS, the borrower may submit printouts from the local IRS office that reflect his or her 3 most recent federal tax returns. The printouts from the IRS do not have to be signed. Provided that the printout shows that no mortgage interest deduction was taken, the printout can be submitted in lieu of the tax return copies. However, if the IRS has determined that an error was made on any of the requested tax returns, the staff will not issue a printout; they will instead issue an IRS Letter 1722.

c. For borrowers who are unable to obtain a computer printout from the IRS, as described above, the borrower can request instead IRS Letter 1722, which summarizes pertinent data from the Borrower’s tax returns for the requested years. However, the Borrower must also obtain on the Letter 1722 a statement from the IRS that no mortgage interest deduction was taken during the 3 year period if the borrower filed a Form 1040 (long form) for one or more of the 3 years.
d. For borrowers who cannot locate copies of their actual tax returns submitted to the IRS, the borrower may request copies of the returns from the IRS using Form 4506.

e. In the event the borrower was not obligated to file federal income tax returns for any of the preceding 3 years, it will be necessary for the Lender to so indicate on the MCC Program Affidavit provided by TSAHC. Borrowers who cannot provide tax returns because they did not file them when required to do so, and who have failed to file for an extension, are not eligible for a MCC.

If one or more of a borrower’s tax returns reflect that the borrower took a deduction for mortgage interest or real estate taxes on property claimed not to be the principal residence, documentation (rent receipts or canceled checks) of the rental history is required for the period from the last tax return filed to the MCC application date.

An ownership interest in a mobile home will be considered a prior ownership interest in a principal residence if the mobile home was (1) permanently attached or anchored to land and has had the wheels and other components used in transportation removed, and (2) taxed as real property.

Remember, except for cases involving a self-employed borrower, the borrower submits copies of 3 years’ tax returns NOT to verify Income, but to verify first-time homebuyer status.

2.4 Principal Residence Requirement

The borrower must use the residence financed as his or her principal residence within 60 days of loan closing. A residence that is primarily intended to be used as a vacation home or in a trade or business is not a principal residence. Additionally, no more than 15% of the residency may be used for business purposes.

2.5 Residency Requirements

Borrowers must be a Texas resident. Please follow FHA, VA, USDA or FNMA guidelines related to non-U.S. citizen Borrowers.

2.6 Homebuyer Education

Borrowers must complete a homebuyer education course prior to closing. This requirement can be met by attending an in-person or online counseling course listed at www.texasfinancialtoolbox.com.

SECTION 3 – LOAN ELIGIBILITY

3.1 Types of Loans

For DPA Assistance or MCC/DPA Assistance: Only 30-year, fixed rate mortgage loans offered by TSAHC are allowed. Furthermore, the only loan types allowed are:

- **FHA Loans**
  - Must be originated and guaranteed in accordance with FHA guidelines and U.S. Bank guidelines.
- 203(b), 203(b)(2), 203(h), 203(k)s, and 234(c)
  - 203(k)s available to only certain U.S. Bank approved lenders.
- Temporary buydowns permitted (FHA loans only) – limited to 1 or 2-year buydowns with a maximum interest rate change of 1.00% per year. Refer to U.S. Bank Lender’s Guide for additional rules regarding buydowns.

**VA Loans**
- Must be originated and guaranteed in accordance with VA guidelines 1810 and 181A and U.S. Bank guidelines.
- Temporary buydowns are not permitted for VA loans.

**USDA Rural Housing Service (RHS) Loans**
- Must be originated and guaranteed in accordance with USDA-RHS guidelines and U.S. Bank guidelines.
- Temporary buydowns are not permitted for USDA-RHS loans.

**Conventional Loans**
- Fannie Mae (FNMA) HFA Preferred
- Must be originated and guaranteed in accordance with Fannie Mae and U.S. Bank guidelines
- Temporary buydowns are not permitted for these conventional loans.

**For MCC Assistance:** There are no restrictions on the mortgage financing with regard to loan type, term or rate. However, only fixed-rate first mortgages (as opposed to second mortgages) qualify. In addition, mortgages funded with a qualified mortgage bond or a qualified veteran’s mortgage bond are not eligible.

### 3.2 Purpose of Loan

Only first lien purchase loans are eligible.

### 3.3 Assistance Options

**For DPA Assistance:** TSAHC will provide down payment and closing cost assistance in the form of a grant. Assistance ranges from 2% to 5% of the total loan amount (please note that FHA manual underwritten files will receive 1% less in DPA). It may be used to fund the borrower’s cash requirement to close, including the down payment, closing costs, pre-paid items and other related mortgage loan fees and expenses. No portion of the grant can be paid to the borrower unless the borrower is being reimbursed for an overage of his/her earnest money deposit to the extent the minimum borrower contribution has been satisfied.

Depending on the borrower’s loan type and FICO score, the borrower will have the option to choose from 3 DPA levels:
**Loan Type** | 2% | 3% | 4% | 5%  
---|---|---|---|---  
FHA*<br>W/FICOs of 640 to 659 | ✔️ | ✔️ | ✔️ | ✗  
FHA*<br>W/FICOs of 660 or higher | ✗ | ✔️ | ✔️ | ✔️  
VA, USDA or HFA Preferred | ✗ | ✔️ | ✔️ | ✔️  
*FHA manually underwritten files will receive 1% less in down payment assistance

**For MCC Assistance:** With an MCC, the qualified home buyer is eligible to write off a portion of the annual interest paid on the mortgage as a special tax credit, not to exceed $2,000, during each year that the mortgagors occupy the home as their principal residence. The portion or amount of the tax credit is equal to the mortgage credit rate on the MCC (40%) multiplied by the annual interest paid.

This credit reduces the federal income taxes of the home buyer dollar-for-dollar, resulting in an increase in the home buyer’s net earnings. Increased home buyer income results in increased home buyer capacity to qualify for the mortgage loan.

In the example below, the credit amount is equal to the mortgage credit rate multiplied by the annual interest paid on the mortgage Loan in that given year. For example:

Mortgage Loan Amount: $120,000  
Interest Rate: 4.50%  
Mortgage Credit Rate: 40%

$120,000 x 4.50% = $5,400 (Interest paid for the first year)  
$5,400 x 40% = $2,160 (Calculated Mortgage Credit Amount)  
$2,000 (Maximum Tax Credit)

Given the maximum credit allowed is $2,000, the credit amount taken that year will be $2,000. Tax credit amounts not used in a given year may be carried forward into subsequent years.

A home buyer receiving a MCC can still take the normal tax deduction for interest paid on the mortgage. However, the homebuyer must deduct the claimed credit from the annual interest paid ($5,400 - $2,000 = $3,400).

The mortgagor(s) may receive the full MCC tax credit annually at the time they file their tax return or monthly by adjusting his or her federal income tax withholding by filing a revised Form W-4 with his or her employer. **Please note: Mortgagors must have tax liability that year in order to benefit from the MCC for that particular year.**

A borrower who receives a MCC may be subject to a federally imposed mortgage subsidy recapture tax (“Recapture Tax”) if the mortgagor sells his or her residence within nine years. The tax, if any, will always be the lesser of: half the gain from the sale of the home, or a tax based on a formula which takes into consideration: (1) the original principal amount of the home mortgage; (2) the number of complete years that pass before the home is sold; (3) the Applicable Median Family Income for the...
homebuyer’s area at the time he/she bought the home, and (4) the homebuyer’s adjusted gross income at the time the home is sold.

There are several conditions that can exempt the MCC holder from Recapture Tax. These include: (a) no net gain on the sale of the property, (b) insufficient increase in the income of the MCC holder between the time of purchase and the time of sale, (c) sale of the home after the ninth year, and (d) a sale due to death or divorce.

For MCC/DPA Assistance: Borrowers who are first-time home buyers may use both TSAHC’s DPA and MCC Programs together, taking advantage of both forms of assistance. Borrowers must meet all the requirements of the stricter of the two forms of assistance to qualify.

3.4 Subsidy Programs

Additional subsidy programs may be used in conjunction with TSAHC’s Programs provided they meet FHA, VA, RHS, Ginnie Mae, Fannie Mae and U.S. Bank Guidelines, and provided that the subsidy funds are not attached to the first lien mortgage, either as a gift or as a second lien. Please check with TSAHC if you have questions about combining another subsidy program with TSAHC’s down payment assistance. Remember, there is no second lien associated with TSAHC’s DPA assistance allowing other second lien assistance to be utilized in certain cases.

SECTION 4 – PROPERTY ELIGIBILITY

4.1 Eligible Loan Area

The home being purchased must be located in Texas. The lender should verify the property’s location by reviewing the property appraisal and location where the property taxes are paid.

4.2 Qualifying Residences

Regardless of loan type, the following types of residences are not eligible:

- Motor homes, campers and similar vehicles

### 4.3 Purchase Price or Appraised Value Limitation

The purchase price cannot exceed the maximum purchase price limit. Purchase price is simply the sales price of the property indicated on the property sales contract between the buyer and seller. For current maximum purchase price limits, visit TSAHC’s website at [www.tsahc.org](http://www.tsahc.org) or the Lender Portal at [www.tsm-online.org](http://www.tsm-online.org).

### 4.4 Targeted Areas

Targeted Areas are certain census tracts identified as “areas of chronic economic distress”. The benefits of originating a mortgage loan in a targeted area are higher income limits and higher purchase price limits. Additionally, the first-time home buyer requirement is waived for those utilizing TSAHC’s MCC assistance. Visit TSAHC’s website at [www.tsahc.org](http://www.tsahc.org) or the Lender Portal at [www.tsm-online.org](http://www.tsm-online.org) for a list of targeted areas.

### SECTION 5 – MORTGAGE LOAN UNDERWRITING AND PURCHASE

#### 5.1 General Mortgage Underwriting

For DPA or DPA/MCC Assistance:

a. The following overlays apply to all loan types:
• Files that are manually underwritten for any loan type will be restricted to 36% DTI and two months of PITIA. The more restrictive of US Banks and GSE guidelines will prevail with manual underwrites.
• If minimum credit score required by an Agency is higher than the program minimum, then you must follow Agency guidelines.
• If as a Lender your internal requirements dictate a higher minimum credit score, you must adhere to your lending guidelines.
• If a tri-merged credit report is used, the middle score must be the program minimum or higher.
• If a merged credit report only returns two scores, the lower of the two scores must be the program minimum or higher.

2. The cosigner may not occupy the property being financed with the mortgage loan and should not execute any of the program documents or affidavits.

6.3 Fees & Charges Placement on the Closing Disclosure

All fees and charges must be properly listed on the Closing Disclosure.
SECTION 7 – LOAN RESERVATION, COMPLIANCE & FUNDING PROCEDURES

7.1 Lender Portal

The Lender Portal is the software application that lenders use to reserve funds and submit Pre and Post-Closing Compliance Packages. In addition to managing the reservation and compliance functions, the Lender Portal is an interactive, web-based tool that allows lenders to check the status of loans in their pipeline, view compliance conditions, print compliance approval (commitment) letters, run reports, view program guidelines and marketing materials, and keep up to date on other important information associated with the programs.

Each Lender will choose one staff member to manage the company’s access to the Lender Portal. This “Administrator” will determine who within the company will have access to the Lender Portal and will determine which level of access each employee will have. Access levels range from “Read Only” to “Administrator” with other levels between.

7.2 Reservation, Compliance and Closing Steps

Step 1: Reserving Funds

At the time the lender reserves a mortgage loan in the Lender Portal, the lender must have a mortgage loan application from a borrower and the lender must have made a preliminary determination that the borrower qualifies for the program(s). In addition, for purchase loans, the borrower must have furnished the lender with a property sales contract or construction contract executed by the borrower and the seller or builder of a residence.

The reservation window is open Monday through Friday between 9:00 a.m. and 7:00 p.m. (Central Time) and will not be available on Saturdays, Sundays, certain holidays, and days when the financial markets are closed.

- Login to the TSAHC Lender Portal at www.tsm-online.org.
- Select the “New Reservation” tab in the upper left corner.
- Select the appropriate program from the list.
- Complete those fields marked with a red asterisk in reservation form and click “Submit” at the bottom of the form.
- Once the loan is reserved, you will have the option to view or print your reservation confirmation.
- The reservation confirmation will include the TSAHC loan number, the date reserved and the commitment expiration date (70 days from the reservation date).

Step 2: Underwriter Certification Form

- This step is for Purchase DPA and MCC/DPA Loans Only. Those loans utilizing solely TSAHC’s MCC assistance can skip to Step 3.
- This form is due within 15 calendar days of loan reservation.
• Login to the Lender Portal at www.tsm-online.org.
• Click on the “Loan Status” tab and use the search engine to locate the applicable loan.
• Once the correct loan is identified, click on the “PDF Forms” tab associated with the selected loan.
• Select the Underwriter’s Certification Form. Simply complete all required fields and click “Upload Package” at the bottom of the screen. No signature is needed.
• The form will be automatically uploaded and attached electronically to your loan package.
• Click on the “Loan Status” tab to find applicable loan again. Then, click on “eDocs” tab associated with the loan.
• **Important:** Click the “Submit” button to notify TSAHC that the form has been uploaded.

**Step 3: Pre-Closing Compliance Package Submission**

• The next step is to complete and submit the Pre-Closing Compliance Package via the Lender Portal at least 10 calendar days prior to the anticipated closing date of your loan.
• Login to the Lender Portal at www.tsm-online.org.
• Click on the “Loan Status” tab and use the search engine to locate the applicable loan.
• Once the correct loan is identified, click on the “PDF Forms” tab associated with the selected loan.
• Select and download the DPA Pre-Closing Checklist. Ensure all documents listed on the checklist are uploaded AND submitted via the Lender Portal.
• Once the Pre-Closing Compliance Package has been approved, the Lender may re-enter the Lender Portal and print out a Commitment Letter from the “PDF Forms” tab associated with the loan under the “Loan Status” tab.

**Step 4: Down Payment Assistance Grant Request**

• **This step is for DPA and MCC/DPA Loans Only. Those loans utilizing solely TSAHC’s MCC assistance can skip to Step 5.**
• At least 2 days prior to loan closing and once the Pre-Closing Compliance Package is approved by TSAHC, the lender can email the Funding Request Form (available in the “PDF Forms” tab of the Lender Portal) to TSAHC along with the final Closing Disclosure Settlement Statement to wire.request@tsahc.org.
• TSAHC will review the information on the Funding Request Form to ensure accuracy and notify the lender of any inconsistencies prior to the loan closing date.
• TSAHC will process the request and wire the funds to the escrow/closing agent on the scheduled day of closing.
• The lender should request a copy of the wire transmission from the title company/escrow agent to keep with the loan file for audit purposes.

**Step 5: Fund & Close Loan**

• Upon closing, the lender must submit the Post-Closing Compliance Package for TSAHC’s review and approval within ten (10) calendar days of loan closing.
• Login to the Lender Portal at www.tsm-online.org.
• Click on the “Loan Status” tab and use the search engine to locate the applicable loan.
• Once the correct loan is identified, click on the “PDF Forms” tab associated with the selected loan.
• Select and download the DPA Post-Closing Checklist. Ensure all documents listed on the checklist are uploaded AND submitted via the Lender Portal.
• Only after the Post-Compliance Closing Package has been approved, may the loan be purchased by U.S. Bank and/or the MCC issued to the borrower.

Step 6: Loan Purchase

• **This step is for DPA and MCC/DPA Loans Only.**
• Upon closing, the lender will need to deliver the closing package to U.S. Bank for purchase. Delivery and funding information for the mortgage loan file can be found at www.mrbp.usbank.com.
• The closing package must be delivered to U.S. Bank within 45 calendar days of loan reservation and must be purchased by U.S. Bank within 70 calendar days of loan reservation.
• The Lender may request a 30-day extension to the commitment expiration date for a fee of $375.00 (thus permitting the mortgage loan purchase to occur within 100 calendar days of loan reservation).
  • This fee will be deducted from the lender’s wire at the time the loan is purchased by U.S. Bank.
  • The extension fee is due regardless of whether or not the loan is actually purchased within the extension period.
  • If the extended mortgage loan is not purchased within 100 calendar days from loan reservation, the loan will become ineligible for purchase and the lender will be billed by TSAHC for the $375 extension fee.
• In the event a loan is not purchased by the later of the 70th day after initial loan reservation or the last day of any extension that was granted, the lender must reimburse TSAHC for the down payment assistance funds TSAHC provided at loan closing. In such cases, TSAHC will notify the lender and the lender will have 15 days to remit the funds owed to TSAHC.

7.3 Electronic Submission of Required Documents

The Lender Portal allows lenders to submit electronic documents from our list of “PDF Forms” or from your in-house loan file. Paper documents will not be accepted. All documents must be uploaded electronically through the Lender Portal.

• Under the Loan Status tab, click on the “PDF Forms” tab associated with the loan you are processing.
• Select the desired form and ensure all required fields are completed. The system will auto-fill the fields that were input at loan reservation.
• If the applicable form requires no signature, it will have an “Upload Package” button at the bottom of the document. Simply click the button after completing the form and it will automatically upload to the “eDocs” module of the Lender Portal.
• If the applicable form requires a signature, the form must be completed, printed and scanned to create a PDF document. The PDF document may then be uploaded to the system using the “eDocs” function associated with your loan under the “Loan Status” tab.
  • Simply click the “eDocs” tab and follow the instructions to upload the required documents.
  • Click the “Add New” button to upload a form and the following screen appears. Click the “Click Here” button to access your computer files and select the document you wish to upload.
  • The next step is to name the document you are uploading. Choose an option from the drop-down list under “Select a document from the predefined list”. The drop-down will list all of the required documents for the applicable package. If you don’t see your document on the list, use the “Enter a customized document name” field to name the document you are uploading.
• Once all of the required documents (from the Pre-Closing Compliance Package Checklist or the Post-Closing Compliance Package Checklist) have been uploaded to the Lender Portal, click on the “Submit” button associated with the applicable package and TSAHC will be notified that your package(s) have been delivered.

SECTION 8 – MODIFICATIONS

8.1 Changes in Current Income

Income eligibility is based upon the current family income of the borrower(s). The commitment is issued based on verified income as of the date the commitment is issued.

Increases in income from sources already reported (i.e., salary increase) will not affect the validity of a commitment as long as the loan closes within 30 days from the time the commitment was issued. If the loan does not close within 30 days, the “Reaffirmation of Borrower Form” (available in the “PDF Forms” tab in the Lender Portal) must be completed and uploaded to the Lender Portal.

If a borrower’s income increases between the execution of the “Program Affidavit” and the closing date of the mortgage loan (and if more than 30 calendar days has elapsed since execution of the Program Affidavit), and the “Reaffirmation of Borrower” cannot be executed due to the changes, the lender must submit a corrected “Program Affidavit” through the Lender Portal for additional review. If the changes in income make the loan ineligible for purchase, the reservation will be cancelled by TSAHC.

8.2 Change in Purchase Price

For a change in purchase price after the commitment and prior to closing which does not exceed the maximum purchase price limit, the lender will be required to submit a corrected “Program Affidavit”, re-executed by the borrower, through the Lender Portal for additional review. If the purchase price of
the applicable residence increases so as to exceed the maximum purchase price limit, the commitment shall be revoked and the reservation cancelled.

8.3 Changes in Property Address

If a borrower has a pending reservation and changes the property he or she intends to purchase, the lender must submit a new signed property sales agreement and a notice to TSAHC stating whether or not the mortgage amount has changed. If the change occurs after TSAHC has issued the commitment, the following documents should be revised and resubmitted through the Lender Portal to reflect the new property address and any change in mortgage amount:

a. Copy of “Program Affidavit” (first page amended and initialed by the Borrower)
b. Property sales contract (first and last pages and any counter offers)

8.4 Change in Loan Amount

Any change to the mortgage loan amount that occurs after the commitment is issued, but before loan closing, must be reported to TSAHC via email. TSAHC will revise the commitment with the new mortgage loan amount and notify the lender when the revision is completed.

8.5 Lender’s Obligation to TSAHC of Material Changes

The issuance of a commitment is based (in part) upon the “Program Affidavit” and the lender’s certification that the program requirements have been met. Commitments are issued subject to the condition that all program requirements are or will be met prior to the closing of a mortgage loan. Thus, the lender must immediately notify TSAHC of any change in the circumstances upon which the commitment was issued. If any change of circumstances occurs such that TSAHC requirements are not met, the commitment will be revoked and the mortgage loan cancelled.

SECTION 9 – ADDITIONAL PROVISIONS

9.1 Cancellation and Commitment Expirations

The Lender is responsible for cancelling all mortgage loans subject to a reservation if the mortgage loan will not be delivered. Please note, should the lender cancel a reservation, the lender will be prohibited from making another reservation for that borrower for a period of 90 days or unless otherwise authorized by TSAHC.

a. In a case where the borrower cancels or withdraws his or her application, the reservation of funds must be cancelled by contacting TSAHC.
b. In a case where the Commitment expires, the lender must request an extension using the Extension Request Form available through the Lender Portal, and provide the new estimated closing date.
In all cases, the expiration of the commitment without the required action by the lender may result in the lender being placed on “Inactive Status”, meaning the lender may submit no new reservations until the problem is resolved. Failure to comply with this provision may result in the Lender’s expulsion from the programs.

9.2 Delinquent Closing Documentation

If the Post-Closing Compliance Package is not submitted through the Lender Portal within ten (10) days of loan closing, TSAHC may contact the lender to request the status of the mortgage loan. If the lender fails to timely provide to TSAHC the required closing documentation, the corresponding reservation will automatically be considered delinquent and the reservation subject to cancellation. Such action may result in the lender being suspended or terminated from the program until the problem is remedied.

9.3 Penalties for Borrower Misrepresentation

Strict penalties may be imposed on any Borrower making a material misstatement, misrepresentation or fraudulent act on an application or other document submitted to obtain assistance from TSAHC. Further, any person making a material misstatement or misrepresentation in any affidavit or certification made in connection with the application shall be subject to all applicable fines and penalties.

9.4 Revocations of MCC

a. Revocation of an MCC occurs when the residence for which the MCC was issued ceases to be the MCC holder’s principal residence.

b. Revocation will occur upon discovery by TSAHC or a participating lender of any material misstatement, whether negligent or intentional, made in connection with the issuance of the MCC.

c. Revocation will occur if it is later discovered that the holder did not meet the requirements for an MCC.

d. Revocation will occur if the original (first) mortgage loan is refinanced, unless the borrower applies for a re-issued MCC after the refinancing has closed. The tax credit may only be claimed for interest paid to the date of the recording of the refinancing, unless a re-issued MCC has been applied for and issued.

9.5 Reissued MCCs

TSAHC shall reissue an MCC for certain refinance transactions if TSAHC receives to its satisfaction evidence that:

a. The reissued MCC is issued to the holder of an existing MCC with respect to the same property to which the existing MCC relates;

b. The reissued MCC entirely replaces the existing MCC (that is, the holder cannot retain the existing MCC with respect to any portion of the outstanding balance of the certified mortgage.
indebtedness specified on the existing MCC);
c. The certified mortgage indebtedness specified on the reissued MCC does not exceed the remaining outstanding balance of the certified mortgage indebtedness specified on the existing MCC; and
e. The reissued MCC does not result in an increase in the tax credit that would otherwise have been allowable to the holder under the existing MCC for any taxable year. The holder of a reissued MCC determines the amount of tax credit that would otherwise have been allowable by multiplying the interest that was scheduled to have been paid on the refinanced loan by the MCC rate of the existing MCC. In the case of a series of refinance transactions, the tax credit that would otherwise have been allowable is determined from the amount of interest that was scheduled to have been paid on the original loan and the MCC rate of the original MCC.

9.6 Replacement MCCs

Upon the satisfaction of TSAHC that an MCC has been mutilated, destroyed, lost or stolen, including the surrendering of the mutilated MCC to TSAHC, and upon receipt by TSAHC of such indemnity or security as they may require, TSAHC shall cancel the original MCC, noting in its records that such MCC was mutilated, destroyed, lost, or stolen, and issue a replacement MCC.

TSAHC shall charge the homeowner reasonable fees and expenses in connection with issuing a replacement MCC.

SECTION 10 – MCC REPORTING

10.1 Lender Record Keeping and Federal Report Filing

a. The lender is required by the IRS to file a report on or before January 31 for all of the MCCs issued during the previous calendar year. In early January, TSAHC will send the lender the completed IRS Form 8329 with the MCCs issued the previous year. It is the lender’s responsibility to verify that the information on the form is correct and, if necessary, make any changes or additions and then submit the form to the IRS.
b. For six years after each Closing, the lender must retain:

1. Name, mailing address, and tax identification or social security number (“TIN”) of the MCC holder.
2. Name, mailing address, and TIN of the Issuer.
3. Date of issuance for each MCC, the certified amount of indebtedness and the credit rate of the MCC.
c. TSAHC may conduct audits of participating lender records to ensure compliance with the recordkeeping provisions.

10.2 TSAHC Reports

TSAHC must make quarterly reports on IRS Form 8330, beginning with the quarter in which the election for the MCC program is made. The report must include:
a. Name, address, and TIN of the Issuer;
b. Date of election;
c. The sum of the products of the certified indebtedness amount (the mortgage amount or the initial principal balance) and the MCC credit rate for each MCC issued; and
d. Name, address, and TIN of each MCC holder where an MCC was revoked.

TSAHC shall make an annual report to the IRS for each year beginning July 1 and ending June 30. The report will include:

a. Number of MCCs issued by Income and Purchase Price; and
b. Volume of MCCs issued by Income and Purchase Price.

In January following each year during which MCCs are issued, the Program Administrator will mail an IRS Form 8396, Mortgage Interest Credit, to each MCC holder of record as a reminder to properly declare the MCC tax credit for federal income tax purposes.

APPENDIX B: MORTGAGE CREDIT CERTIFICATE INCOME GUIDELINES

General Guide

TSAHC is relying on the lenders and borrowers to provide correct information on income. This reliance is based upon the lender certifications about reasonable investigation of the borrower and statements by the borrower that facts are correct.

Each lender and borrower provides information and signed certifications, which are specific about the information provided and its correctness. In the event of false statements or fraud, substantial penalties may be levied. Therefore, TSAHC encourages the lenders and the borrowers to provide accurate information and ensure that calculations are within the limits.

IN MOST CASES, STANDARD CREDIT UNDERWRITING PROCEDURES ARE ACCEPTABLE. THE MAIN EXCEPTION IS THAT FOR MCC COMPLIANCE PURPOSES ALL SOURCES OF INCOME MUST BE INCLUDED, WHETHER OR NOT USED TO QUALIFY BORROWERS UNDER STANDARD UNDERWRITING GUIDELINES. Under no circumstances will the income used for MCC compliance be less than that used by the Lender when qualifying borrowers for repayment of their mortgage loan.

It is important to understand the basis upon which these guidelines are written. Congress has instituted maximum Income limits under which borrowers may qualify for loans made available through tax-exempt bonds. Congress and the Treasury Department have determined that the total of all sources of income of the borrowers may not be above the maximum Income levels to receive the benefits of the MCC. The total family income is to be recorded in the Affidavit and is signed.

In cases that have complicated calculations, the lenders are encouraged to communicate with TSAHC to assure themselves that calculations are within the guidelines.
TSAHC’s maximum income limits are set pursuant to the Internal Revenue Code and restrictions of the Federal Department of Housing and Urban Development. For purposes of whether a borrower has exceeded the maximum Income limit, the gross income of the borrower(s) must be determined. **The income of the following persons must be taken into account:**

1. Any Mortgagor (or co-Mortgagor) liable on the mortgage loan (i.e. on the deed of trust).
2. Any other person who is “secondarily liable” and is expected to live in the financed residence.

The income of any persons listed on the deed of trust must be included to determine eligibility for MCC assistance. For a married couple, total gross income must be counted, regardless of who is on the title. In Texas, co-signers or guarantors execute only the Mortgage Note which means their income does not need to be included.

Gross income shall not be reduced by the amount of child support payment a husband/wife makes for the care of a child or children. However, a husband/wife who receives child support payments must include this amount as income.

Net rental income is to be used to calculate income.

If the prospective mortgagor has earned income during the current period (meaning the period beginning 12 months prior to the loan application an ending on the loan Closing Date) and has a history of such earnings, then the income is to be calculated and included in the Family Income.

Base pay is calculated based on current income. (i.e., if someone earning a salary has received or will receive a raise in the current period, the increased income should be used and not a year to date average.)

When calculating additional or other income, it is important to calculate the income on a pro-rata, monthly basis. This will assist in calculating the Income accurately.

Information with respect to current gross monthly income may be obtained from available loan documents which include but are not limited to paycheck stubs and loan applications.

1. **Gross Income Shall Be Determined Without Deductions for the Following:**
   a. Funds paid into a tax sheltered retirement account.
   b. Child support payments made by a Borrower for the benefit of the Borrower’s child or children.
   c. Alimony, separate maintenance, or similar periodic payments that and Borrower is required to make to a spouse or former spouse.

2. **Gross Income Shall Include, but Not be Limited to, All of the Following:**
   a. The gross amount, before payroll deductions, of wage and salaries, overtime pay, commissions; fees; tips; bonuses; gambling winnings and prizes (even if a one-time occurrence); and other compensation for personal services.

   **Overtime**
Income earned from overtime will be included if the Borrower has a history of such income or the income was earned during the current period. Even though overtime is not used in calculating ratios, it is always included in Income.

**Bonus**
The gross amount of bonus earnings before any payroll deductions is to be included in the Income calculation.

**Bonus Income**
The bonus is to be included in the Income if:
1. The bonus is part of a collective bargaining agreement and must be paid; or
2. The bonus is included in the computation of income by the employer or if there is a history of bonuses.

If there is a history of bonuses but the Borrower does not know if a bonus is planned, nor does the employer divulge its plans for a bonus nor the projected bonus amount, the Lender is to use an average of the past two years’ bonuses to calculate income.

The bonus is not to be included in the Income if:
1. The bonus is totally discretionary by the employer and there is no previous bonus history; and
2. The Borrowers cannot anticipate with certainty whether such bonus may be received in the future.

**Seasonal/Part-Time/Temporary Income**
Include part-time or seasonal employment in calculating Income. For example, if the Borrower worked for three months during the summer and earned an average of $3,600 during each of the past two years, then divide the $3,600 by 12 months which equals $300 per month. Add the $300 per month to the gross monthly income. Multiply by 12 to determine the Income.

Include short-term, part-time or seasonal employment in calculating Income if the mortgagor earned this in the last twelve months. If the mortgagor earned $1,000 during the application period by painting the Borrower’s parents’ house, add this income to the Income.

b. The net income from an operation of business or profession or from the rental of real personal property. For this purpose, if this operation results in a loss, the loss may not be used to offset income generated from other sources. For this purpose, any shareholder that owns 10 percent or more of any outstanding class of stock in a corporation, shall also be deemed to have received income in its proportionate share of net earnings not otherwise distributed in salaries or dividends.

c. All dividends and interest, including otherwise tax-exempt interest. Interest earning from IRAs, VIPs and 401ks need not be included.

d. The full amount of the periodic payments received from social security, housing assistance payments, annuities, insurance policies, retirement funds, pensions, disability or death benefits, and other similar types of periodic receipts including any lump sum payment for the delayed start of a periodic payment.
e. Payments in lieu of earnings, such as unemployment and disability compensation, workers’ compensation, and severance pay.

f. The full amount of public assistance payments.

g. Periodic and determinable allowances, such as alimony and separate maintenance payments received, housing allowances received, and regular contributions or gifts received from persons not residing in the dwelling, where such sums are received on a current basis and which may be reasonably expected to continue.

h. The distributive share of partnership income.

i. Child support payments received by a Borrower for the benefit of the Borrower’s child or children.

j. All regular pay, special pay and allowances of a member of the Armed Forces (whether or not living in the dwelling) who is the head of the household of spouse (or other persons whose dependents are residing in the unit).

k. Education Grants: the portion of the income from grants that is used for living expenses is to be added to the Income.

l. Car Allowance: income received from employers for car allowance must be included in the Income calculation if the Borrower has no accounting responsibility to their company. Example: If the Borrower receives $300 per month from his employer for car allowance and is not required to file a mileage/expense report monthly, then this income must be included in the Income calculation.

m. Capital Gains/Losses: both the taxable and non-taxable portions of capital gains are to be included as income if a history of these incomes exists. If the two-year average results in a gain, then it must be added to gross monthly income, and losses are to be disregarded (losses cannot be used to reduce gross monthly income).

n. Rental Property (not subject property) Net rental income currently being received is to be used to calculate Income; Borrowers must provide leases and applicable tax forms.

3. **Gross Income Does Not Include:**

a. Casual, sporadic or irregular gifts.

b. Amounts which are specifically for, or in reimbursement of, medical expenses.

c. Lump sum additions to family assets, such as inheritances, re-enlistment bonuses, insurance payments, (including payments under health and accident insurance and workers’ compensation), capital gains and settlement for personal property losses. If the income is received in any other form other than lump sum (i.e., monthly or annual), then it must be treated as permanent income and added to the Income calculation.
d. Amounts of educational scholarships paid directly to the student or the educational institution, and the amount paid by the government to a veteran for use in meeting the cost of tuition, fees, books, and equipment.

e. Special pay to a family member in the Armed Forces who is away from home and exposed to hostile fire.

f. Relocation payments under Title II of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970.

g. Foster child care payments.

h. The value of coupon allotments for the purchase of food pursuant to the Food Stamp Act of 1977, 7 U.S.C. Section 2011 and 2027, which is in excess of the amount actually charged the eligible household.

j. Payments of allowances made under the Department of Health and Human Services’ Low-Income Home Energy Assistance Program.

k. Payments received from Job Training Partnership Act.

l. Income from employment of children (including foster children) under the age of 18 years of age and under unless executing the Deed of Trust.

m. Income from caring for one or more foster children.

Military Pay
For purposes of computing the buyer’s gross monthly income regarding military pay, the monthly income is the “total entitlement” shown on the Borrower’s most recent monthly Leave and Earnings Statement. Non-taxed income, such as a housing allowance is counted as income. Certain categories of pay, which may be revised only sporadically, may need to be considered on a case-by-case basis.

Self-Employed
The Lenders should watch for all types of self-employment (i.e., 1099 income received from employer run through Schedule C, Form 2106, etc.).

The procedure to calculate Income for self-employed mortgagors is the same as under the respective underwriting guidelines.

As in standard underwriting, depreciation, depletion and self-employment tax are to be “added back” to determine annual income. Tax returns and a self-employed YTD Profit and Loss are required for all self-employed mortgagors.

Examples of Income
The following examples are based upon standard credit underwriting guidelines. This illustrates the underwriting for MCC compliance and is not substantially different from your standard procedures. Please note that income earned in a fashion as illustrated by these examples must be added to the Income calculation.
**Example: Permanent Seasonal Income**
Include part-time or seasonal employment in calculating Income if Borrower works every summer. If Borrower worked for 3 months and earned an average of $3,600 during each of the past two years, then divide the $3,600 by 12 months which equals $300 per month. Add the $300 per month to the gross monthly income. Multiply by 12 to determine the Income.

**Example: Seasonal/Temporary Income**
Include short-term, part-term or seasonal employment in calculating Income if the Borrower earned $1,000 during the application period by painting the Borrower’s parents’ house (unless the Borrower is a painter either part-time or full-time). This is calculated by dividing the $1,000 by 12 or $83.33 per month. This amount of $83.33 is added to gross monthly income. Multiply by 12 to determine the Income.

**Example: Overtime and Bonus**
When calculating other income, the first thing that needs to be determined is base income. The base income is then multiplied by the number of months that has been covered by the most current pay stub. This calculation will give the year-to-date base income or the amount of income that would have been earned if compensation of another kind had not occurred. After having established a year-to-date base, subtract it from the year-to-date total gross income on the pay stub. The difference will be the year-to-date total of other income.

The next step is to determine the other income earned in the months missing from the 12-month period. (If the pay stub covered eight months, four months is still needed.) This is done by taking the current annual base and subtracting it from the W-2 from the previous year. This is the other income earned for the previous year. Divide this number by twelve and multiply by the number of months needed to complete the 12-month period.

Once a year-to-date total of other income from the pay stub and other income from the previous year is established, combine the two totals to get all other income earned in the previous 12 months.

<table>
<thead>
<tr>
<th>Year-to-Date Base</th>
<th>Year-to-Date Other</th>
</tr>
</thead>
<tbody>
<tr>
<td>$1,800 x 2.5 = $4,500</td>
<td>$4,625 - $4,500 = $125</td>
</tr>
</tbody>
</table>

**Other Income From Previous Year**
$22,500 – ($1,800 x 12) = ($900/12) x 9.5 = $712.50

**Total Other Income, i.e. Overtime, Bonus**
$125 + $712.50 = $837.50*

*To be added to the current base income to determine total annual income.

**Omission of Other Income, i.e. Overtime, Bonus**
Omitting other income that has been earned in the last twelve months is only allowed if at least two of the items listed below are provided:
• At least two pay stubs showing compensation for base income only.
• A letter from the employer (on company letterhead) stating that compensation for overtime and bonus will not occur in the future.
• Documentation that employment status has changed from non-exempt to exempt.
