APPENDIX
This booklet is a summary of information for Fairfax County Employees retiring on a Regular Service, Early Service or Deferred Vested Retirement. You can find more detailed information about these subjects in the Employees' Retirement System Handbook and County Personnel Regulations and Policies. (The Fairfax County Code will govern in the event of any error in this booklet.)

Fairfax County
Retirement Administration Agency
10680 Main Street
Suite 280
Fairfax, VA  22030-3812

This Retirement Handbook is for Members of Fairfax County Employees’ Retirement System Plans A & B
Retirement – Employees’ Retirement System

I'm Almost Ready To Retire . . . Is Retirement Counseling Available?

If you have not already received a personalized estimate of your retirement benefits, call the Retirement Administration Agency at 703-279-8200. Employees with additional questions or concerns beyond what is covered in this handbook may choose to schedule an appointment with a retirement counselor.

When Can I Retire? What Kind of Retirement Will I Be Eligible For?

To understand how your benefit is calculated, you need to understand the definition of the following terms:

Final Average Salary (FAS): is the average of the highest consecutive 78 bi-weekly pay periods any time in your career with the County. Periods of Leave Without Pay (LWOP) for approved Family and Medical Leave will be ignored when calculating highest consecutive pay periods.

Social Security Breakpoint: is the average of the annual Social Security Maximum Wage Bases for the last 35 years before you reach age 65. This figure, based on your year of birth, changes each year as the Social Security Maximum Wage Base changes. Updated charts are published in the Employees’ Retirement System Handbook and online at www.fairfaxcounty.gov/retirement/emphandbook.pdf.

- Normal Retirement: ERS Plan A & B members are eligible to retire at age 65 with at least five years of service or when you are at least 50 years old and your age and service equal 80 or more. Sick leave will be counted as service (172 hours of sick leave for full-time employees counts as one month of service. For part-time employees, service is credited based on the employee’s scheduled hours.) Leave without Pay (LWOP) except for approved Family and Medical Leave does not count as creditable service. Part-time employees earn a full year of creditable service toward their retirement eligibility for each year they work their scheduled hours.

*Your retirement will be effective on your birthday if you are eligible at age 50 or age 65.

Your normal retirement will be calculated as follows:

Plan A: 1.8% times your FAS up to the Social Security Breakpoint for your year of birth times your service PLUS 2% of your FAS in excess of your Social Security Breakpoint times your service (including sick leave but excluding all LWOP). The total is then increased by 3%. If you are a part-time employee, your FAS and service are annualized (see the Employees’ Retirement System handbook or call the Retirement Agency for more information).

Plan B: 2% times your FAS times your service (including sick leave but excluding all LWOP). The total is then increased by 3%.
Pre-Social Security Benefit:

If you retire on a normal service retirement before you are eligible for unreduced Social Security benefits, you will receive an additional benefit. You may continue to receive this supplement until the first month after you are entitled to receive an unreduced Social Security benefit. This benefit is the same for Plan A or Plan B and is 1% x FAS (up to the Social Security Breakpoint) x Benefit Service. The total is then increased by 3%.

At such time as you are eligible for unreduced Social Security benefits, your Pre-Social Security Benefit will automatically cease. Eligibility for the Pre-Social Security Benefit is based on the age at which you are eligible to receive unreduced Social Security benefits. See the table below to determine your age requirement for unreduced Social Security benefits.

</table>

Use the table above to determine your Pre-Social Security Benefit eligibility.

- **Early Retirement:** If you wish to retire early, you must be at least 50 years old and your age and service must equal 75 or more.

  Your early retirement will be calculated in the same way as your normal retirement benefit. However, it will be reduced depending on your age at the time of retirement (see the Employees’ Retirement System Handbook for a chart showing reduction factors). Also, you will not be eligible for the Pre-Social Security Benefit.

- **Deferred Vested Retirement:** If you resign with at least five years of service and leave your contributions in the System, you may be eligible for a Deferred Vested Benefit. A deferred vested benefit is calculated in the same way as your normal retirement benefit (based on your salary and service with the County). You will begin to receive this benefit the month after you turn age 65 or you may receive a reduced benefit earlier if your age and service equal 75 or more (early retirement reduction factors apply and no Pre-Social Security Benefit is payable).
• **Optional Spouse's Benefit:** If you should die before retiring with at least five years of service and you have named your spouse as your beneficiary, your spouse may elect within 180 days of your death to receive 50% of the regular service retirement you would be eligible for on the date of your death. This does not include any Pre-Social Security Benefit. If your spouse does not elect this option, your designated beneficiary (or your estate) will receive a refund of your accumulated contributions and interest.

**Decisions You Must Make at Retirement**

• **When Should I Go?** There is no mandatory retirement age so you can continue working after you become eligible to retire. However, once you decide to retire, there are several things that you should consider before deciding when in the year you wish your retirement to become effective.

  *Market Adjustments and Pay Increases:* You may wish to wait until after the effective date of a market adjustment or salary increase in order to have your FAS and annual leave/compensatory time payoff calculated at the highest possible salary or choose a date that will provide you with the highest possible prorated first year adjustment on your retirement benefit.

  *Leave Implications:* You may wish to retire before your excess annual leave is converted to sick leave or excess compensatory time is lost in January or, you may choose to wait until after excess annual leave is converted to sick leave which counts as service.

  *Tax Implications:* You may wish to choose a retirement date that allows your annual leave/compensatory time payoff to be paid after January 1 so that it will not be included as part of your taxable salary for your last year of employment.

• **Should I Elect a Joint and Last Survivor Option?** If you retire on a normal or early retirement you may elect a Joint and Last Survivor Option which entitles your surviving spouse to receive all or a percentage (50%, 662/3%, 75% or 100%) of your base retirement benefit (not the Pre-Social Security Benefit) after your death. This benefit will continue with annual COLAs for your spouse’s lifetime. If you elect this option, your benefit will be reduced. The amount of reduction depends on the difference in age between you and your spouse. If your spouse should die before you (or, in the case of divorce), your benefit will be increased to what it would have been had you not elected the option. For more specific information about this option, contact the Retirement Agency.

• **Deductions/Taxes:** You will also have to make decisions about any deductions or tax withholding you may wish to have taken from your retirement check. You may request that deductions for County group term life, dental and health insurance premiums, as well as contributions (if any) to your credit union be taken from your retirement benefits. In addition, federal and Virginia state income tax will be withheld at your request. If you are liable for another state’s taxes you will have to file estimated tax forms with that state.
Other Questions

- **Can My Benefits Be Assigned, Attached or Garnished?** No, except to the extent permitted by Virginia law for spousal and/or child support or for Internal Revenue Service (IRS) tax levy or Chapter 13 bankruptcy court orders.

- **Will I Receive Cost-of-Living Adjustments (COLAs) as a Retiree?** Yes. Retirees receive COLAs based on the lower of 4% or the Consumer Price Index increase for the Washington, D.C. area each year on July 1. COLAs are pro-rated in your first year of retirement.

- **Are My Benefits Taxed?** Retirement benefits are generally taxable. Contributions you made prior to January 1, 1985, however, have already been taxed and are not taxable again. According to IRS regulations, a small portion of these already-taxed contributions will be included in each of your retirement payments. At the end of each year, you will be sent a IRS Form 1099-R showing the taxable and previously taxed benefits paid to you that year along with the amount of any taxes you have had withheld.

- **What Information Will I Need to Retire?**
  - A completed, notarized* retirement application (see last section for forms)
  - Birth Certificate or passport as proof of birth
  - Birth Certificate or passport as proof of birth for your spouse**
  - Marriage Certificate or Marriage License**
  - Completed tax withholding forms***

  *Notarized signatures from you and your spouse are required
  **Required for Joint and Last Survivor Option only
  ***In the absence of completed forms, taxes will be withheld at the married with three exemptions rate for federal taxes (one exemption for Virginia state taxes)

- **What Happens If I Return to Work For Fairfax County After I Retire?**
  If you are hired to a position under your former appointing authority covered by the Employees’ Retirement System, your benefits will cease and you must again become a contributing member of the System. In essence you must "unretire." Then, when you re-apply for retirement, your new benefit will be the higher of either your previous benefit including applicable cost-of-living increases or a new benefit calculation which includes the creditable service and compensation received from the new position.

  If you are hired to a position covered by one of the other Fairfax County Retirement Systems, you retain your annuity but are barred from joining the new System. In addition, your combined monthly salary and retirement benefits may not exceed 115% of the then current maximum monthly salary for a Deputy County Executive in the County’s Compensation Plan. If you exceed that cap, your retirement benefit will be reduced.
Your First Retirement Payment

Retirement benefits are paid once a month on the last business day of the month. Since your first payment will include all retirement benefits earned from your date of retirement, it is often larger than subsequent payments. For instance, if you retire September 10, you will receive your first retirement payment the last working day of October. The payment, however, will include your retirement annuity for October and the portion of September after you retired. Monthly benefit payment information can be found in Web Member Services on the Retirement Agency website by clicking on Benefit Payroll History. Your current month’s payment displays upon entry to that link.

Direct Deposit

Direct Deposit is required for the payment of benefits. You may have your funds deposited in nearly any bank, savings and loan or credit union. To sign up for Direct Deposit, complete the Retirement Administration Agency Direct Deposit Authorization Agreement. To change banks or account numbers, call the Retirement Agency at 703-279-8200 or 1-800-333-1633.

Other Information

It is important for you to keep abreast of changes in the laws and provisions that could affect your retirement and other benefits. All information affecting your benefits can be found on the Retirement Agency’s website at [www.fairfaxcounty.gov/retirement](http://www.fairfaxcounty.gov/retirement). Notice the “Announcements” field in RED towards the bottom of the home page for any current notifications. Click on “News” under the “Retired Employees” drop-down menu for updates to items like Board appointments, COLAs, and Open Enrollment Information. Find specific information by category for things like “Forms”, “Questions”, and “Portfolio Information”.

By creating an account within Web Member Services, retirees can view their benefit payroll history, tax withholding, deductions and more. Retiree information in WMS is updated once each month, on the last business day. In addition, WMS provides a link to FairfaxNET so retirees can access Fairfax County news articles as well as Benefits and Open Enrollment information. Information in FairfaxNET is CURRENT.

To visit Web Member Services, go to [www.fairfaxcounty.gov/retirement](http://www.fairfaxcounty.gov/retirement) and click on Member Area: Secure Log In in the left navigation bar. Establish an account by choosing a Username and Password. Log In and proceed. You will see a link to FairfaxNET at the bottom of the left navigation bar.
Benefit Considerations (County)

Leave Payoff

When you retire, you are paid for your accumulated annual and compensatory leave. Sick leave is not paid, but is used in the calculation of your retirement benefit. Employees retiring from the county may elect to defer their annual leave and compensatory time payoff up to the annual limits into the deferred compensation plan. Please see the section on Deferred Compensation, page 10, for more information.

There are several things to consider with regard to your leave payoff.

- Social Security Benefits – If you are eligible to receive Social Security benefits, your leave payoff could affect those benefits. This is because Social Security benefits are subject to an earnings cap and your leave payoff is considered earnings.
  
  We recommend that you contact the Department of Human Resources, Payroll Division regarding this matter.

- Federal and State Tax Withholding – Federal tax withholding is 25% on leave payoffs. State tax withholding is 5.75%.

- Social Security and Medicare Tax Withholding – If you receive your leave payoff before the end of the tax year in which you retire, and you have reached the maximum earnings subject to Social Security earnings for that tax year, you will not have Social Security tax withheld from your leave payoff. Medicare tax will be withheld. FYI: Beginning January 2013, changes to Medicare may affect the percentage of Medicare tax that will be withheld from your final check.

- Timing – Routinely, your leave payoff is processed in the next applicable payroll period after all remaining base/normal/regular pay has been processed.

For information and assistance with regards to leave payoff, call the Department of Human Resources, Payroll Division at 703-324-3412.

Health Insurance

If you are enrolled in one of the County's health insurance plans when you retire, you and your dependents are eligible to continue to be covered by one of the County’s health insurance plans. If you are not enrolled in one of the County’s health insurance plans at retirement, or if you ever drop your coverage after retirement, you will be asked to sign a form acknowledging that you will NOT be able to enroll in one of the County’s retiree health insurance plans in the future.

At retirement, you may remove dependents from your coverage and you may change plans.

If you are enrolled in Kaiser at retirement and live outside of their service area or are eligible for Medicare, you must change to a plan in which you are eligible for coverage.
After you retire you may drop dependents at any time but you may only add dependents or change plans during Open Enrollment for Retirees (generally held in Oct/Nov each year). If, however, you move beyond the boundaries of Kaiser’s service area, you will be ineligible to continue with that plan. You may enroll in another health plan for which you are eligible if you make the request to the Department of Human Resources Benefits Division within 30 days of when you become ineligible.

When you or your spouse become eligible for Medicare after retirement (see section on Medicare, page 13), you are required to sign up for both Part A and Part B.

If you do not provide proof of Medicare coverage within 30 days of the date you become eligible for Medicare, your coverage will be cancelled. It will be reinstated within the next 60 days if you provide the proof of Medicare coverage. If the proof is not supplied by the end of that period you will never be eligible for County health insurance in the future.

Note: If you already HAVE Medicare when you retire, and plan to keep your County health insurance, you must submit a copy of your Medicare card along with your application for health insurance coverage. Also, in order for your claims to be processed correctly, Medicare must be informed of the date you stopped being covered by an active employee group health plan. You may obtain the necessary form from the Department of Human Resources, Benefits Division or from Social Security.

If you are enrolled in Kaiser as a retiree, you will be ineligible to continue Kaiser coverage after you or your spouse turn age 65, and become eligible for Medicare. At this point, both you and your spouse must change to another available plan or cancel your coverage. Current rates for the health plans available to retirees are available from the Retirement Agency or from the Department of Human Resources, Benefits Division. As a retiree, you pay the full cost of your health insurance.

If you keep your health insurance coverage through Fairfax County, the County will pay a subsidy toward the cost of your County health insurance premium. The health insurance subsidy is calculated according to age and years of service. The subsidy amounts can be found on the Retirement Agency website under the “Retired Employees” drop-down menu under “Open Enrollment”, and are also attached to the rate charts.

If you retire with an ordinary disability, your subsidy will be effective at the time of retirement and will be calculated based on your age and years of service. Service-connected disability retirees are eligible to receive the maximum subsidy at the time of retirement.

If you should die after retirement, and have retired on a regular service retirement, your surviving spouse and/or dependents may continue to be covered by County health insurance only if they were covered by County health insurance at the time of your death. If your surviving spouse receives a survivor’s benefit (see section on Joint and Last Survivor’s Benefit), the premiums will be deducted from your surviving spouse’s
retirement check. If you were receiving a subsidy at your death, your surviving spouse will continue to receive it if he/she is over age 55. If you were not yet eligible, or if your spouse is under age 55, your widow/widower will begin to receive your subsidy amount when he or she turns age 55.

If your surviving spouse does not receive survivor benefits from the County, he or she may continue to be enrolled in the health insurance plan by sending a check for the premium (payable to County of Fairfax) to the Retirement Administration Agency each month. These surviving spouses are not eligible to receive the health subsidy. Surviving dependents may also continue to be enrolled in the health insurance plan by sending in a monthly check for the premium until they turn age 26 or lose their status as an eligible dependent.

If you have questions or problems with your health insurance, call the plan’s customer service representatives directly. If you want to make changes to your coverage, contact Department of Human Resources Benefits Division at 703-324-3311.

**Please note:** Soon after your retirement, you will receive a COBRA notice from the Department of Human Resources, Benefits Division. This letter is a federally-mandated COBRA notice that advises all terminated employees of their rights with regards to continuing their County health insurance according to COBRA guidelines. If you had health or dental insurance as an active employee, you will receive this notice, even if you already made an election to continue your insurance through a deduction from your annuity payment. In this situation, the federally-mandated COBRA notice does NOT apply to you unless you wish to continue your medical flexible spending account.

**Dental Insurance**

Retirees, who are covered by dental insurance when they retire, may continue to have dental insurance premiums deducted from their checks. Rules for breaks in coverage and surviving spouses and dependents are the same as for health insurance. Retirees pay the full cost of dental insurance in retirement.

**Please Note:** The County reserves the right to make changes in the health, dental, and life insurance benefits, so they may not continue at the same level that exists when you retire. Make sure to watch your mail and the Retirement Agency website for Open Enrollment information each year, to keep apprised of any changes that may affect your insurance benefits.

If you have questions or problems with your insurance, call the plan’s customer service representatives directly. If you want to make changes to your coverage, contact the Department of Human Resources, Benefits Division at 703-324-3311.

**Group Term Life Insurance**

If you are covered by the County’s Group Term Life Insurance when you retire, you may continue to be covered as a retiree. Your share of the premiums will be deducted from your retirement check and the County will continue to pay a portion of the premium.
The first of the month following retirement, your basic and, if applicable, optional term life shall reduce to 65% of the amount that was in effect immediately prior to the date of your retirement if it has not already been reduced due to attainment of age 65 as an active employee. The month following your attainment of age 70, the value of your coverage is reduced to 30% of the amount that was in effect on your retirement date. You also have the option of reducing your coverage at retirement or anytime thereafter, to a coverage amount of $12,500. If your reduced coverage amount at age 65 or 70 would be lower than $12,500, your maximum coverage will be limited to the reduced amount.

Once you elect reduced coverage, there will be no future reduction in coverage due to age. The accidental death and dismemberment provision of the policy terminates at your retirement.

You will be given several options regarding your life insurance when you retire. The options available to you depend on the coverage you have as an employee. In all options, retirees may discontinue coverage altogether.

**At retirement, you may elect any Life Insurance option from those listed below that is equal to or less than your current coverage level.**

- Reduce coverage to $12,500 – Retiree will pay for ½ of the coverage at age banded rates
- Basic coverage – Retiree will pay for ½ of the coverage at age banded rates
- Basic + 1 x salary optional – Retiree will pay for optional coverage at age banded rates
- Basic + 2 x salary optional – Retiree will pay for optional coverage at age banded rates
- Basic + 3 x salary optional – Retiree will pay for optional coverage at age banded rates
- Basic + 4 x salary optional – Retiree will pay for optional coverage at age banded rates

**Note:** Any retiree age 80 or older with total coverage of $12,500 or less will have the group term life premium fully paid by the County.

Premiums per $1,000 of life insurance coverage effective for retirees after January 1, 2005 are:

<table>
<thead>
<tr>
<th>AGE RATE per $1,000</th>
<th>Rate</th>
</tr>
</thead>
<tbody>
<tr>
<td>30-49</td>
<td>$0.15</td>
</tr>
<tr>
<td>50-59</td>
<td>$0.29</td>
</tr>
<tr>
<td>60-79</td>
<td>$0.47</td>
</tr>
<tr>
<td>80-84</td>
<td>$4.02</td>
</tr>
<tr>
<td>85-89</td>
<td>$6.81</td>
</tr>
<tr>
<td>90-94</td>
<td>$19.99</td>
</tr>
</tbody>
</table>

For information about premiums, call the Department of Human Resources, Benefits Division at 703-324-3311. To change your life insurance beneficiary, submit the Beneficiary Change Form included in your Retirement Application Packet or available
on the HR Benefits website available through fairfaxNET. If you have questions about your coverage, please call the Department of Human Resources at 703-324-3311.

**Long Term Disability (Salary) Insurance**

If you have had Long Term Disability Insurance, your coverage will terminate on your retirement date. If you have further questions, you may call the Department of Human Resources, Benefits Division at 703-324-3311.

**Flexible Spending Accounts (FSA)**

**Dependent Care Assistance and Medical Spending Accounts:**
Your FSA coverage ceases at the end of the month of termination of employment. The grace period within which you may submit eligible FSA expenses incurred during your period of coverage within a plan year is 90 days after the end of the calendar year or from your termination/retirement date, if earlier, to submit claims. If you do not have sufficient claims incurred to completely exhaust your account, the remaining balance will be forfeited unless you make arrangements to continue this account under COBRA. If you are participating in the Medical Spending Account at the time of a COBRA qualifying event (such as retirement), you may continue to pay into your Medical Spending Account by sending a check, payable to the "County of Fairfax," to the Benefits Division for the amount of your monthly contribution plus a two percent administration fee. These are not pre-tax contributions. Eligible expenses incurred while you are contributing continue to be eligible for reimbursement.

However, if the amount you could still be reimbursed for future expenses is less than the amount you would have to pay into the plan, COBRA need not be offered to you. COBRA is not available after the year in which the qualifying event occurs and is not available for Dependent Care Accounts. If you have further questions, you may call the Department of Human Resources, Benefits Division at 703-324-3311. FSA claims questions should be directed to WageWorks at 1-855-428-0446.

**Deferred Compensation Plans**

As a retiree, you may not contribute to the Deferred Compensation Plan. Your Deferred Compensation account will continue to accumulate earnings based on the investments you choose and you will continue to receive quarterly statements. You may continue to transfer your money among funds.

Currently, employees retiring from the county may elect to defer their annual leave and compensatory time payoff up to the annual limits into the deferred compensation plan. To do so, the employee must have a deferred compensation account and submit the proper form available from the Financial Benefits Help Desk at 703-324-4995. The completed form must be submitted to the Department of Human Resources, Benefits Division in the month prior to the month that the leave payoff will be processed. Employees who do not submit a form for the leave payoff check will have the amount on record in FOCUS taken from their leave payoff. If you have questions about deferring
your leave payoff amount to the plan, contact the Financial Benefits Help Desk at 703-324-4995, TTY 703-222-7314.

When you retire, you will receive a letter from the Department of Human Resources explaining your payout options. For more information, contact the Department of Human Resources, Benefits Division at 703-324-3311.

**Beneficiary and Address Changes**

When you retire, you will be asked to name a beneficiary to receive the balance of your contributions should you die before they are exhausted. If you do not elect a spousal option, and want to change your beneficiary in the first few years after retirement, you must complete a *Retirement System Change Request Form*. This form can be found at [www.fairfaxcounty.gov/retirement/pdfs/ben_change.pdf](http://www.fairfaxcounty.gov/retirement/pdfs/ben_change.pdf) on the RAA website, or you can request one be mailed to you by calling the Retirement Agency at 703-279-8200 or 1-800-333-1633.

**PLEASE NOTE:** All beneficiary requests must be made in writing. Notifying the Retirement Administration Agency will not change your beneficiary for *any other benefits*. Additionally, once you have been retired for 2-3 years, you no longer need to keep the Retirement Agency apprised of beneficiary changes as they may relate to your pension. To change OTHER beneficiary information, contact the Department of Human Resources, Benefits Division or the company providing the benefit directly (e.g. life insurance and deferred compensation).

**Miscellaneous Notes**

- If you plan to move when you retire, remember to notify your payroll clerk of your new address so you W-2 Form will not be delayed.
- All employees must complete the Employee Clearance Record before retiring. Ask your payroll clerk about this.

**Additional Information**

**Credit Union**

You may continue to be a member of the Fairfax County Employees Credit Union or Apple Credit Union (for school employees) after you retire. Deductions to the Credit Union may be taken from your retirement check and you may elect to have your retirement benefit directly deposited into your Credit Union account. If you have a loan with the Credit Union and are making payments from your paycheck, you must contact the Credit Union and let them know to begin taking the payments from your retirement check instead. For more information, contact the Fairfax County Employees Credit Union at 4201 Members Way, Fairfax, VA 22030 or call 703-218-9900 or the Apple Credit Union at P.O. Box 1200, Fairfax, VA 22030 or call 703-323-2046.
Fitness Center

Retirees are eligible to use the exercise equipment in the Fitness Center in the Government Center. Hours and cost are the same as for active employees. In addition, there are aerobics and other exercise classes offered at the Fitness Center for minimal fees. For more information, stop by the Fitness Center.

Prohibition Regarding Future Employment Activities

For one year after your employment with Fairfax County ends, you may not be involved in certain activities in your subsequent employment. You may not assist anyone (other than another governmental agency) with respect to any matter you participated in while in County service, if your participation as a County employee involved a decision, approval, or recommendation with respect to the matter. For more information/copy of the policy, contact the Department of Human Resources.

Social Security and Medicare

- **Social Security**: Most retirees born before 1938 are eligible to receive unreduced Social Security retirement benefits at age 65 (increasing to age 67 for those born in 1960 or after - see table on page 2). Reduced benefits are available as early as age 62. You may be eligible to receive those benefits based on your own earnings or on the earnings of your current or former spouse. In addition, Social Security provides benefits for those who are disabled and for surviving spouses and children. Surviving spouses (including divorced spouses) may be eligible to receive survivor benefits as early as age 60 or earlier if they are disabled or caring for eligible children. Social Security also provides Supplemental Security Income (SSI) benefits for those with low incomes and limited assets who are blind, disabled or over age 65.

  For more information or to apply for benefits call Social Security at 1-800-772-1213. For retirement benefits, its best to call up to three months before the month you plan to begin receiving benefits.

  During the first calendar year in which you collect Social Security benefits you will be paid for each month in which your earnings do not exceed a limit based on your age. After the first year, if your *annual* earnings exceed certain limits, your benefits will be reduced. Therefore, if you retire late in one calendar year and you receive payment for your annual leave and compensatory time in the next calendar year, your benefits could be affected since your leave pay off may cause you to exceed your annual earnings cap. Contact the Department of Human Resources, Payroll Division at 703-324-3339 with any questions.

- **Medicare**: If you are age 65 or receive Social Security disability benefits you may be eligible for Medicare. *(Fairfax County retirees covered by one of the County's health insurance plans are not covered by an employer's health plan but are in a retiree's health plan.)* Medicare has two parts. Part A is premium-free for most County retirees
and pays for covered inpatient hospital care. Part B costs $104.90 each month for most people in 2014. Please check with Medicare directly for your expected cost as there are higher premiums for recipients in higher income brackets – i.e. $85,000 or more (or $170,000 or more for joint filers). The Part B amount is deducted from your Social Security check if you receive Social Security benefits, and covers doctors' services, outpatient hospital care and other medical services. Those enrolled in one of the County health insurance plans as a retiree are required to sign up for both Part A and Part B Medicare when first eligible.

If you receive Social Security benefits, you will automatically be enrolled in Medicare when you become eligible. If you are not receiving Social Security benefits, you must contact the Social Security Administration at 1-800-772-1213 up to three months before the month in which you turn age 65 to sign up for Medicare. If you do not sign up for Medicare Part B when first eligible you may be assessed a penalty for each year that you are not enrolled. However, if you are over age 65 when you retire, you can avoid the penalty by requesting a form from Social Security Administration to be filled out by the Department of Human Resources, Benefits Division which informs Medicare that you were enrolled in an “employer’s” health plan until the date of your retirement.

Medicare Part A pays most costs for inpatient hospital, skilled nursing facilities, home health and hospice care. Part B pays many of the costs for doctors' services; outpatient hospital services; home health visits; diagnostic X-rays, laboratory and other tests; certain ambulance services; and some other medical services and supplies. Both Part A and B require you to pay deductibles and some portion of the cost of covered services. Currently, Medicare provides no coverage for prescription drugs, dental care, and long-term custodial or nursing home care.

Many companies offer supplemental "Medigap" policies to cover some or all of your "out-of-pocket" expenses that Medicare does not pay. Most provide little or no coverage for prescription drugs. Medicare Part D provides prescription coverage but you pay a premium for this type of coverage as well. Make sure you research any plans you consider participating with.

The County's health insurance plans are not Medigap plans but still pay many of your out-of-pocket and prescription drug expenses. Generally, you will still be required to pay the same deductibles and co-payments for your medical care that you paid before you had Medicare but in most cases, your monthly premium costs are reduced significantly. Also, if you are covered by a County health insurance plan you may not be eligible to be covered by a Medigap plan.

Rules, premiums and information regarding Medicare and Social Security change yearly so please make sure to review current information directly from Medicare and Social Security. For additional information, you may want to contact Medicare for the publication entitled Medicare and You 2013 Handbook available from Medicare Publications, 1-800-MEDICARE (1-800-633-4227) or visit the Medicare website to review that publication and other resources they have available. You can access Social Security and Medicare information by visiting their websites at www.socialsecurity.gov and www.medicare.gov respectively.
**Note:** Medicare should not be confused with Medicaid. Medicaid is the health plan for low-income individuals with limited assets and is usually operated by State welfare or human service agencies.

### Services for Older Adults and Volunteer Opportunities

Fairfax County has a reputation of being one of the best places in the country to find any type of service for the elderly. These include senior centers throughout the County where classes and activities are held; many publications geared to the needs of the elderly; home based care programs providing meals, regular visits and other care for the homebound; help with housing, medical forms, and other needs; as well as many opportunities for volunteering and recreation tailored to seniors.

The Fairfax Area Agency on Aging, publishes *The Golden Gazette*, a FREE 24-page monthly newspaper covering *news to use* for older adults in the Fairfax area. Each month, the Golden Gazette features senior center highlights, a community calendar, a gardening column and articles on important and timely health, legal, financial and consumer issues. The Golden Gazette is available in print, large print and electronic format. Visit [http://www.fairfaxcounty.gov/dfs/olderadultservices/goldengazette.htm](http://www.fairfaxcounty.gov/dfs/olderadultservices/goldengazette.htm) for information on how to subscribe.

The volunteer programs operated by the Area Agency on Aging (AAA) encompass many distinct aspects of service to the older population in the Fairfax area. Many of these programs involve volunteers over the age of 18 in direct service with clients 60 years old and over. A wish list of volunteer opportunities working with older adults is available by calling the Volunteer Solutions Intake number at 703-324-5406; TTY 711.

Most communities are served by their own Area Agencies on Aging or other government agency providing similar services. Consult your phone directory for more information.

The Fairfax County Department of Family Services has a Division that provides services to older adults and adults with disabilities. Information can be found at [http://www.fairfaxcounty.gov/dfs/olderadultservices/](http://www.fairfaxcounty.gov/dfs/olderadultservices/). Family Services also offers a wide array of volunteer opportunities that provide you with the opportunity to make a difference in your community. You can find additional information at [http://www.fairfaxcounty.gov/dfs/About/VolOps.htm](http://www.fairfaxcounty.gov/dfs/About/VolOps.htm).

### Fairfax County Retired Employees Association (FCREA)

Any retired Fairfax County employee or surviving spouse is eligible for membership in the Fairfax County Retired Employees Association. The FCREA is **not** affiliated with Fairfax County Government or the Retirement Agency.

Besides being a voice on issues of interest and importance to County retirees, the group tries to schedule a variety of recreational activities throughout the year.
Annual Membership is $5.00 to join and a renewal fee of $5.00 each July 1, or Lifetime Membership for $50.00. For more information or to join the Association, contact Bobbie Deegan, Treasurer, 301-937-7070. FCREA publishes a bimonthly newsletter for its membership called *Hot Flashes*.

*We wish you a successful transition into Retirement.*
