Guardian Flight’s Membership Program
MEMBERSHIP TERMS

By enrolling in Guardian Flight Inc.'s membership program, Apollo MT, by Guardian Flight, I agree as follows:

• Membership applies to me, my spouse/domestic partner and dependent children under the age of 26 as listed on the application.

• All services covered by this membership must be arranged through or authorized by Guardian Flight Inc. (GFI) or another AMRG company and must be within GFI’s scope of care.

• If I receive an air medical transport by GFI, GFI will bill my insurance or other responsible third party payer (collectively, “Insurance”). GFI will accept the amount paid by my insurance as payment in full for any medically necessary transport. The membership fee constitutes prepayment for any deductible, copayment or other out-of-pocket expense not covered by my insurance, so I will be relieved of any out of pocket expense following transport. Subject to the foregoing, I acknowledge that I am responsible for payment for ground ambulance services rendered to me. Any payment(s) sent to me by my insurance for a GFI air ambulance flight must be submitted to GFI within ten (10) days of receiving payment.

• In the event I am transported by an AMRG transport program, I hereby assign and transfer to AMRG all benefits payable by Insurance to or for my benefit, or the benefit of my spouse or dependents that are named as enrollees on my membership, for any services rendered.

• Membership covers only medically necessary air medical transports completed by GFI or another AMRG company, and only those transports to the closest appropriate hospital. Medical necessity will be established by the sending physician and/or the GFI Medical Director physician. Medical necessity means a condition wherein the member has been injured or suffering from an illness where a treating physician or a physician assistant has determined that the medical treatment needed is of an emergent and/or urgent nature and unavailable in the current location of the member.

• The Apollo MT, by Guardian Flight program only applies to emergent transports and does not apply to any scheduled transport or non-emergent transport.

• I understand that under some circumstances, GFI may not be available to transport me. This may be due to weather conditions, maintenance, aircraft previously committed to another transport, FAA restrictions, governmental market restrictions or other factors.

I understand that membership does not cover the cost of any transport rendered by other air or ground providers other than GFI or another AMRG company.

• Membership becomes effective three (3) days after GFI’s receipt of a completed application, accompanied by a payment of the membership fee. There is no waiting period for membership renewal. The membership application may be withdrawn or canceled during this grace period and membership fees refunded.

• Neither I, nor the family members named below, are Medicaid enrollees.

• I certify that I am the individual applying for membership and am the legal representative of my spouse and dependent children listed below, and am duly authorized by them to execute this application and accept its terms and conditions on their behalf.
