Services: The regional administrative agency for the Aging network, assistance with employment, Medicare prescription drug plans, and Veteran-Directed Home Care (a VIP service).

The following services are provided by local agencies for senior adults, their caregivers, and people raising the children of their relatives. They can be obtained by calling the nutrition meal sites indicated as a “focal point.”

**Adult Protective Services** – investigation and help for older adults and adults with disabilities when abuse is suspected

**Choices for Care** – care managers assess for eligibility and coordinate care for frail senior adults

**Counseling** is for senior adults, their caregivers, and grandparents raising grandchildren. Helps them cope with stress and depression

**Family Café Meals** – meals provided in congregate settings, such as senior centers & restaurants

**Family Caregivers Support** – information and help to access services for caregivers of senior adults and people raising children of their relatives. Services include counseling, in-home respite care, and gap filling services

**Home Delivered Meals** – meals delivered to homebound senior adults

**Home Modifications** – adapting the structure of a home to meet the physical need of frail seniors

**In-Home Services** – housekeeping and errands

**In-Home Respite Care** – temporary, substitute care or supervision for frail senior adults in their home to give the caregiving spouse or family member a break

**Information & Assistance** – Information about services and help to apply

**Legal Assistance** – advice, education, and help with most legal matters

**Money Management** – trained and certified assistance with bill paying

**Money Follows the Person** – helps residents of nursing homes transition to homes in the community

**Outreach** – social service workers go to homes and community facilities to inform people about aging services

**Ombudsman** – advocates for people in assisted living facilities and nursing homes

**Strong for Life** – exercise program to improve balance and fitness

**Take Charge of Your Health** – self-management workshops for people with chronic disease, such as or arthritis, heart disease, etc.

**Transportation** is to and from community locations, usually in buses and vans

**Veteran-Directed Home Care (a VIP service)** – helps veterans obtain and pay for housekeeping, errands, and personal care

*The following Aging services may not be available in every county:*

**All Day Club** – care and supervision of frail senior adults in a community center for a portion of the day. Used as a break for caregiving spouses and family members

**Community Care in Residential Settings** – affordable housekeeping, meals, and personal care of frail senior adults in assisted living facilities with 24 hour staffing

This Aging & Disability Resource Guide is dedicated to all of our current and past members of our Board of Directors and Advisory Council who have lead our agency in a direction that has helped thousands of people in Southern Illinois. Their dedication and perseverance is greatly appreciated for helping us to deliver better services in Southern Illinois in our effort to help people maintain their independence and remain in their own homes in the community for as long as possible.
