AT CAMP, I CAN...
Summer Camp at the Hamilton Area YMCA Sawmill Branch

June 22 – September 2
Explore the world around me. Try something new. Be a leader. Make a friend. The list of things that a child can do through summer camp at the Hamilton Area YMCA is endless. How will your child spend their summer?

Welcome Summer 2016!
Day Camp at the Hamilton Area YMCA offers children the opportunity to build their skills, explore their talents and form lifelong friendships all summer long. Our camp program aims to be an integral part of your child’s physical, intellectual and emotional development. By providing age-appropriate activities in an active environment, our camp encourages your child to achieve his or her full potential.

At summer camp, your child will be introduced to new experiences that will challenge him or her to grow beyond their comfort zone. Imagination, creativity, initiative and leadership are the cornerstones of our camp curriculum. At the end of the week or the whole summer, your child will have formed relationships with positive adult role models and built friendships to last a lifetime.
What makes us special?
There are so many things to consider when choosing a summer camp for your child. So what’s different about summer camp at the Hamilton Area YMCA? A few things:

Our camp curriculum is values-based. Trustworthiness, respect, caring, fairness, responsibility and citizenship are the basis of our camp experience.

We’re flexible. Register for just one week or register for ten! Registrations are accepted up until the Wednesday before a camp week starts, so you can add camp weeks along the way depending on your summer plans! Going on vacation? With our weekly camp rates, you’re not paying for camp that your child isn’t attending!

We’re parent-friendly. We know parents require flexibility. That’s why we offer pre- and post-camp hours, and we provide transportation from two convenient locations.

Our camp is part of your child’s educational development. Interwoven with our fun, active play, our counselors work in educational elements and leadership training.

We offer 35 different kinds of camp. No two weeks are the same when your child is exploring different talents, skills, and places in our specialty, sports, arts, enrichment or travel camps.

We’ve got a 100-foot waterslide! Every camper gets daily pool time to splash and play the summer away!

Well trained staff
The best way to ensure a top quality experience for your child is to hire the best staff. Many of our camp counselors have grown up with the Y, so they know our values, traditions and expectations. During the school year, our counselors are teachers, college students and high school leaders. Deep down, our staff are not just counselors – they are mentors, guides, teachers, and role models. YMCA counselors are dedicated to making sure camp is a positive experience for every camper.

YMCA camp staff receive over 25 hours of pre-camp training on topics like CPR, First Aid, bullying prevention and character development. In fact, the Sawmill Branch is the site of the annual statewide YMCA staff training, which prepares camp staff from all over New Jersey to have a positive impact on the children in their care for the summer.

Parents Trust Us
We know that when you drop your child off at camp for the day, you are trusting us to provide high-quality care for your child. With a low, 10:1 camper-to-staff ratio, each child receives the attention they need to grow in a safe, supportive environment. Our on-site, full-time nurse provides additional support.
