Course Description
This conference will provide participants with cutting edge research, best practices, and lessons learned in safe patient handling and patient fall and fall injury prevention. This conference includes diverse learning opportunities, including plenary sessions, concurrent sessions, workshops, “hands on” practice sessions, and a large exhibit hall with new and emerging technologies. Innovations will be presented addressing such topics as safety legislation, practice tips, technology solutions, effective training techniques, successful organizational strategies, and building a business case.

Target Audience
This conference is designed to meet the needs of direct health care providers, managers, administrators, risk managers, educators, industrial hygienists/safety professionals, and researchers of any discipline who are interested in advancing safety for patients and caregivers. To meet the needs of a diverse audience, focused tracks have been established for:

Focus Area A: Special Topics in Safe Patient Handling and Mobility
Focus Area B: SPHM in Special Settings and Populations
Focus Area C: Program Implementation and Sustainability
Focus Area D: Falls, Pressure Ulcers and Mobility

Conference Objectives
Upon completion of this program, the participant should be able to:
1. Evaluate technological solutions for safe patient handling and falls management
2. Differentiate ergonomic hazards across patient care settings
3. Apply best practices for reducing patient handling risks to caregivers
4. Incorporate best practice for the use of SPHM technologies into rehabilitation strategies to improve function and reduce patient adverse events associated with immobility
5. Differentiate fall prevention from fall protection
6. Examine the state of science related to patient falls
7. Segment vulnerable populations at greatest risk for injury.

Accommodations for Disabilities
Please notify Valerie Kelleher at Valerie.Kelleher@va.gov or 813-558-3948 a minimum of ten working days in advance of the event if a reasonable accommodation for a disability is needed. Events, activities and facilities of the Tampa Research and Education Foundation, Inc. are available without regard to race, color, sex, national origin, disability, age, or Vietnam veteran status as provided by law and in accordance with the our respect for personal dignity.
Accreditation
The James A. Haley Veterans Hospital in Tampa, FL is accredited as a Provider of Continuing Nursing Education by the American Nurses Credentialing Center’s Commission on Accreditation. CE Broker Florida Board of Nursing Provider #50-3735.

Program Successful Completion Criteria: (a) Participants must be at the program on time, (b) Participants must remain for the entire program to receive contact hours, (c) No partial contact hours will be provided.

Contact Hours for PTs
ProCert has awarded certification in the amount of (to come) Continuing Competence Units (CCUs) to this activity. CCUs are a unit of relative value of an activity based on its evaluation against a rigorous and comprehensive set of standards representing the quality of an activity. The CCU determination is a valuation applying many factors including, but not limited to, duration of the activity. No conclusion should be drawn that CCUs correlate to time (e.g., hours). Please be sure to check with your local board to be sure that they accept these credits before you register.

Contact Hours for OTs
The Tampa VA Research and Education Foundation, Inc. is authorized to assign (to come) AOTA CEUs for Safe Patent Handling and Mobility— Transforming Clinical Practice featuring a Specialty Track on Fall and Fall Injury Prevention from April 10-14, 2017. The assignment of AOTA CEUs does not imply endorsement of specific course content, products, or clinical procedures by AOTA. Please be sure to check with your local board to be sure that they accept these credits before you register.

Conflict of Interest Disclosures (to come)
The American Nurses Credentialing Center (ANCC) has mandated that all planners, speaker and content experts must disclose any affiliation with a commercial organization whose products, research or services and must be addressed verbally to the audience at the time of the presentation.
