X = Present or Yes; -- = Unavailable or not reported.

E = Excellent or >80%; G = Good or 70%-79%; F = Fair or 60%-69%; P = >60%

*Based on individual screening test manuals provided by the publishers, except where noted.

¹Based on Batelle Developmental Inventory, 1st Edition Examiner’s Manual (1984); No Validity/Reliability index reported for BDI Screening which may be a concern, although BDI screening scores have high correlations with BDI scores.

¹Based on LAP-Diagnostic (not LAP-D Screen) concurrent validity result reported in Brassard, M.R. & Boehm, A.E. (2007).
