ELECTRIC VEHICLES

GEM

POLARIS
ELECTRIC PERFORMANCE
THAT MOVES YOU.

Whether transporting passengers, moving cargo or performing essential tasks, Polaris® GEM® compact electric vehicles set the benchmark for the competition. Designed with meticulous attention to detail and engineered for high-performance reliability, these street-legal transport and light utility vehicles are purpose-built to get the job done right — time and time again.

Featuring all-electric operation, our full lineup of vehicles offers a zero-emission solution to your fleet needs. And backed by 60 years of Polaris® performance and innovation, GEM® delivers an unmatched user experience that you can count on.

TRANSPORT

GEM’s electric transport vehicles offer a premium ride for both you and your passengers. The spacious cab and comfortable, ergonomic seating in an e4 or e6® are perfect for taking groups on site tours, and the compact e2 makes a great commuter or runabout. GEM’s ultimate ride and handling makes them all easy to drive and highly maneuverable.

**e2**
Agile and compact, the GEM® e2 is perfect for neighborhood commutes or traversing across commercial properties. The e2’s automotive-style driving height provides optimal road visibility, while its command-style cockpit provides user-friendly instrumentation for safety.

**e4**
The GEM® e4 combines agile maneuverability, comfort and style — with seating for four. Equipped with a spacious cab, ergonomic seating and independent suspension, the e4 keeps ride quality top of mind.

**e6®**
The GEM® e6® is ideal for transporting up to five passengers across facilities, campuses, parks and other venues. Equipped with a spacious cab and a 7.0 horsepower motor, the e6® delivers the quintessential passenger experience — in style, comfort and ride.

HIGHLIGHTED FEATURES:
12" Street-Rated Tires
3-pt. Seat Belts
Tinted, Auto-Grade Glass
LCD Instrument Panel
Grab Handles
Advanced Suspension
Sunroof (e6®)
30–40 Mile Range on One Charge*

* Range on all GEM® electric vehicles, and any electric vehicle, may vary significantly based on temperature, payload and driving style.

THE PERFECT VEHICLE FOR:
Student & Guest Transportation
Police & Security Control
Valet & Customer Service
Site & Campus Tours
Neighborhood & Family Commuting

LIGHT UTILITY

GEM® light utility electric vehicles are built to tackle the gamut of tasks you throw at them. Thermoplastic body panels and diamond plate beds make them highly durable. GEM®'s payload capacity of up to 1,450 lbs (eL XD) is perfect for hauling cargo across your property or across the jobsite. Couple that with multiple bed and box configurations and our light utility vehicles get the job done.

HIGHLIGHTED FEATURES:
- 70” x 48” Flatbed (eL & eL XD)
- 34” x 48” Flatbed (eS)
- 25 mph Top Speed
- Welded Aluminum Frame
- 12-volt Accessory Hazard Lights

With 700 lbs of cargo capacity and a host of accessory options for your individual utility needs, the GEM® eL is built to handle any task at hand. Standard equipped with a 70” x 48” flatbed and 72-volt battery system with on-board charger, the eL is ready to get the job done.

With the most payload capacity of all GEM® light utility models, 1,450 lbs, the GEM® eL XD is a workhorse ready for the long haul. Equipped with nine 8-volt batteries, a reinforced bed liner and heavy-duty shocks/springs, the eL XD also bolsters a 70” x 48” flatbed that can haul up to 1,100 lbs.

TRANSPORT VEHICLE ACCESSORIES

HARD DOORS
Lightweight yet tough, these durable, removable hard doors feature sliding windows and full-function door handles.

FRAMED CANVAS DOORS
Fully removable aluminum-framed canvas doors provide versatile, worry-free protection from the elements.

SOFT WEATHER ENCLOSURES
Made of Sunbrella® Canvas, enclosures zip open and roll back for quick, easy conversion from an enclosed cab to an open cab.

REAR BUMPERS
Add protection and style to your Polaris® GEM® with a durable, sleek rear bumper. Available in chrome or rugged finish.

TRUNKBACK™
Easily installed and removed, lockable trunkback clip-in trunks offer safe, secure and versatile transportation of small cargo.

A diamond-plate aluminum base and steel rails keep your cargo secure while a swing-down tailgate offers easy loading and unloading.

Visit GEMcar.com to see more details.
Sides and rear fold down independently without tools for quick loading and unloading, and a front rail provides protection for the cab.

For larger, bulkier loads, stake-back kits offer outstanding durability and support for maximum security and protection of your cargo.

Ideal for transporting long items such as ladders, pipes, lumber or other supplies, the ladder rack is rated for up to 75 lbs of cargo.

This versatile attachment features a 44” high cab canopy box, lined double rear cargo doors, full-length side doors and a third brake light.

High powered with a max output of 100 amps, this charger provides a quick charge of up to 80 percent within 30–60 minutes.

The ECCO LED light bar draws 50–75 percent less amps than a standard mechanical security light bar.

2-YEAR VEHICLE PROTECTION PROGRAM

WHAT’S INCLUDED
Twenty-four months of limited warranty protection, pro-rated battery coverage included, along with roadside assistance and no-charge transfer of warranty. For even more coverage, we have extended service contracts that are available for up to 60 months of total coverage.

Visit GEMcar.com for full pricing information and warranty terms and conditions.

WARRANTY SERVICE
If your vehicle requires warranty service, you must take it to a GEM® Servicing Dealer. When requesting warranty service, you must present your copy of the Warranty Registration form to the dealer. GEM® suggests that you use your original selling dealer; however, you may use any GEM® Servicing Dealer to perform warranty service. Should your dealer require any additional assistance, they will contact the appropriate person at GEM®. This warranty gives you specific legal rights, and you may also have other rights, which vary from state to state. If any of the above terms are void because of state or federal law, all other warranty terms will remain in effect.
