Manitoba is at the centre of Canada, a country recognized world-wide as one of the best places to live. Our province is blessed with clean air, brilliant blue skies, beautiful scenery and wide-open spaces.

Winnipeg, Manitoba’s capital, is a modern city with all urban amenities in a safe and welcoming environment. Other cities, like Brandon, Thompson, Selkirk and Portage la Prairie, offer the convenience of small, friendly urban communities. Manitoba towns are situated in scenic, peaceful settings, plus, you will find excellent restaurants, clubs, entertainment, health care and recreation facilities in every corner of the province.

You will discover magnificent forests and over 100,000 crystal clear lakes with clean sandy beaches. Manitoba’s distinct landscapes range from rugged wilderness to vast grain fields. Our provincial parks are home to deer, moose, geese, owls, bears, foxes and plenty of other wildlife.
Citizens from around the world feel at home in Manitoba. We are the most culturally diverse province in Canada, with more than 100 languages spoken. The majority of Manitobans use English as their daily language. French is also a key language in several areas throughout Manitoba. Winnipeg’s French Quarter, St. Boniface, is the largest francophone community in Western Canada.

The history of Manitoba’s Aboriginal people goes back thousands of years. We are very proud of our Aboriginal and multicultural heritage and celebrate our diversity as well as our similarities.

Since the province was established in 1870, Manitoba has welcomed immigrants from every corner of the globe. Canada was the first country in the world to adopt an official multiculturalism policy.

Manitobans celebrate hundreds of multicultural events each year, paying tribute to our French-Canadian, Aboriginal, Asian, European, North and South American and African heritages. Manitobans are known throughout Canada for their friendliness and community spirit. Many of us were once newcomers to the province and we gladly welcome international visitors and new residents.
Internationally renowned ballet, world-class symphony and outstanding theatre are at the core of Manitoba’s arts and culture scene. Classical and contemporary music and dance can be found in major concert centres and small community halls across the province. Traditional and modern theatre groups perform province-wide. Art galleries and exhibits, music and writers’ festivals, architecture and handicrafts are all part of the tradition in Manitoba.

Manitoba’s four distinct seasons – spring, summer, autumn and winter – provide excellent opportunities for sports and recreation. The sun shines year-round.

Hot, lazy summer; fresh, breezy spring; and crisp, clear autumn have Manitobans hiking, fishing, swimming, cycling, bird watching, golfing, picnicking, playing tennis and soccer, canoeing, kayaking, boating and water skiing.

Bright, cold, sunny days transform Manitoba into a snow-covered winter wonderland as skating, ice hockey, cross-country and downhill skiing, snowshoeing, tobogganing, snowboarding, dog-sledding, ice fishing and snowmobiling come to the forefront.

Sport fans enjoy the excitement of the Winnipeg Blue Bombers football team, the Brandon Wheat Kings and the Manitoba Moose hockey teams as well as the Winnipeg Goldeyes baseball team.
Manitoba has a high standard of living, steady economic growth, diversified industry and high employment. Our central location and excellent air, rail and road links make Manitoba a gateway to the rest of Canada, North America and the world. Other advantages include Manitoba’s abundant hydroelectric power, rich mineral resources, fertile soil and a skilled and industrious population.

The following are some examples of the diverse range of industries that drive our economy:

• The largest aerospace industry in western Canada with companies such as Boeing Canada Technology, Bristol Aerospace, and Standard Aero Ltd.

• A well-established financial and insurance services sector. The head offices of Investors Group Inc., Canada’s largest mutual fund company, and Great-West Life, the country’s largest insurance company, are both located in Winnipeg.

• Research and development in health and agricultural biotechnology. Manitoba is home to Canada’s first level-four biocontainment laboratory, the Canadian Science Centre for Human and Animal Health; the National Research Council Institute for Biodiagnostics; and the Canadian office of Hilltop Research, the world’s largest consumer product testing firm.

• Manitoba is also the proud site of the future Canadian Museum for Human Rights (2012), a national and international destination and the first of its class in Canada.

• Transportation manufacturing. Manitoba is North America’s largest bus manufacturer with companies such as Motor Coach Industries and New Flyer Industries.

• Information and communications services. CanWest Global, Canada’s leading diversified media company has its head office in the province.

• Agribusiness and food production. Manitoba has long been the centre of the Canadian grain trade and is the headquarters of Cargill Canada, James Richardson and Sons, the Winnipeg Commodity Exchange and the Canadian Wheat Board. Major Canadian food processors such as Maple Leaf Foods, McCain Foods and Can-Oat Milling are found in Manitoba. The Manitoba Agri-Health Research Network, comprised of the Canadian Centre for Agri-Food Research in Health and Medicine, the Food Development Centre and The Richardson Centre for Functional Foods and Nutraceuticals, is establishing Manitoba as an internationally recognized centre in the research, production, marketing and development of agricultural products for health.
Reasonable tuition, rent and transportation costs along with a favourable exchange rate on foreign currency, make Manitoba an economical education option. From electricity bills to food, entertainment and recreation, our cost of living is affordable and our standard of living is high.

Our schools, colleges, universities and language schools welcome international students. You can expect reasonable tuition fees at both public and private high schools as well as at universities and colleges.

International students have many housing options, including Homestays (living with a Manitoba family), student residences, off-campus apartments, shared house rentals and boarding schools. Whatever you prefer, there is an accommodation option that is right for you.

Schools are normally within walking distance and public transportation costs are very affordable offering special rates for students. Manitoba’s health-care services are first-rate. For international students, medical insurance and access to health services are available at a low cost.

To help international students adapt, most institutions offer courses in English as an Additional Language (EAL [also known as ESL]) and French as an Additional Language (FAL [also known as FSL]), as well as support programs and services. Student associations or cultural clubs can put you in touch with other citizens from your country who also live in Manitoba.

Affordable Costs = Great Value

Manitoba offers high quality education at internationally competitive rates in a province that enjoys a low cost of living. Not only does Manitoba have some of the lowest international student tuition fees in Canada, but post-secondary students who graduate and stay to work in Manitoba are eligible for a 60% Tuition Tax Rebate of up to $25,000 CAD.

www.manitoba.ca/tuitionrebate

Live – Work
– Establish your Careers here in Manitoba

Manitoba has a high standard of living, steady economic growth, diversified industry and high employment. Our province offers many opportunities for students to gain valuable work experience, earn income, and remain in Manitoba after their studies are complete.

• The Off-Campus Work Permit Program allows international postsecondary students the opportunity to seek employment off campus while studying in Manitoba and gain valuable work experience.

• The Post Grad Work Permit allows international student graduates from eligible Manitoba post secondary institutions to work for up to 3 years in Canada.

• Post-graduate work also streamlines the process to permanent resident status should a student decide to make Manitoba their home through the Provincial Nominee Program for International Students. See: www2.immigratemanitoba.com/browse/howtoimmigrate/pnp/pnp-students.html

Please Note:
• Visitors to Canada may require a VISA: www.cic.gc.ca/english/visit/index.asp
• Programs of study that are 6 months or more also require a Study Permit: www.cic.gc.ca/english/study/index.asp
Manitoba has much to offer students. We value quality education and offer all our students valuable opportunities and learning experiences.

Manitoba's educational institutions have modern facilities and current information technology. Laboratories and research facilities are on the leading edge. Our teachers, instructors and professors are highly educated with credentials from recognized institutions within Manitoba, across Canada and around the world. Many have won provincial, national and international awards for their teaching and research accomplishments.

The Manitoba Government helps to ensure that all institutions provide a high standard of education and up to-date programs, facilities, technology, staff and resources. Whether an institution is small or large, rural or urban, public or private, you can be sure of receiving high quality education and training.

Manitoba's educational system makes it easy to move from one level to the next. A high school diploma will prepare you for employment or entry into a college, university or other training institution. Upon completion of a college diploma you may choose to transfer to university.

Your Manitoba degree, diploma or certificate will prepare you for success anywhere. Manitoba graduates can be found in rewarding careers across the country and around the world. They have become renowned scientists and doctors, leading politicians and judges, award-winning authors, artists and journalists, and popular TV and radio personalities. The president of Princeton University (an American Ivy League university), the owner of Canada's largest diversified media company (CanWest Global), and the director of the National Arts Council of Canada - to name a few - all graduated from Manitoba educational institutions.
Manitoba schools teach students from 5 to 18 years of age. High schools prepare students aged 14 to 18 for post-secondary education and training or employment after graduation.

Manitoba schools offer 13 grades (Kindergarten to Grade 12), which are grouped as follows:

<table>
<thead>
<tr>
<th>Groupings</th>
<th>Grades</th>
<th>Approx. Age of Students</th>

<tr>
<td>Grade 5 to Grade 8</td>
<td></td>
<td>11 to 14 years</td>
</tr>
<tr>
<td>Grade 9 to Grade 12</td>
<td></td>
<td>15 to 18 years</td>
</tr>
</tbody>
</table>

**Senior Years (Grades 9 to 12)**

Senior Years schools in Manitoba may use either a full-year (non-semester) system or a semester system to organize their programming. In a full-year system, courses generally run for the full school year, from September to June. In a semester system, the school year is divided into two semesters, from September to January and from February to June.

Public schools are funded and offer courses developed by the Manitoba Government. Many independent or private schools that receive public funds also teach courses approved by the government and may also offer school-developed optional courses or religious study. Both systems are well funded and provide high quality education.

In high school, you can choose from a wide range of academic programs offered in English, Français, or French immersion (a combination of French and English). It is also possible to choose a technology training focus. High school programs are flexible enough to fit your ambitions and requirements. By combining compulsory and elective courses, you can create a balanced and challenging program.

**Schools that Receive International Students**

Manitoba has hundreds of elementary and secondary schools and many accept international students. The schools and school divisions listed below are the most actively involved in international education. For a complete listing of schools and school divisions in Manitoba, see www.edu.gov.mb.ca/k12/schools

**Public Schools**

**Evergreen School Division**

140 Centre Street  
P.O. Box 1200, Gimli, Manitoba  
R0C 1B0 Canada  
E-mail: info@esd.mb.ca  
Website: www.esd.mb.ca

Evergreen School Division offers a variety of educational programs and has a dedicated and caring staff, safe schools and transportation, outstanding student services, state of the art information and communication technologies and excellent curriculum supports. Our students have a long history of academic success and many go on to postsecondary schools.

Extracurricular activities include music band, drama, volleyball, basketball, badminton, curling and track and field. International students take part in all school activities and sports and have been very successful in developing their English language skills. Homestay families include students in their family activities.

English Language instruction is customized to each student through immersion, peer support, computer assisted instruction and student services support.
Elementary to High School

**Interlake School Division**
192 – 2nd Avenue North
Stonewall, Manitoba
R0C 2Z0 Canada
Email: metcalfe@isd21.mb.ca
Website: www.isd21.mb.ca

The Interlake School Division is a member of the “Manitoba Council for International Education” and the “Canadian Bureau for International Education”.

The Interlake School Division invites you to further your education and develop strong English language skills in a rural school division. We are located within 20 minutes driving distance from the City of Winnipeg.

Study in a safe rural community high school or middle years school with a wide range of academic and extra-curricular activities. Whether it is youth parliament, university entrance programs, or the unique opportunity of one of Canada’s only hockey academies, our schools will offer you a wide range of interests.

**Lord Selkirk School Division**
Lord Selkirk Regional Comprehensive Secondary School
221 Mercy Street
Selkirk, Manitoba
R1A 2C8 Canada
E-mail: wroscoe@lssd.ca
Website: www.lssd.ca/lsrcss

Lord Selkirk School Division has one high school; Lord Selkirk Regional Comprehensive Secondary School (LSRCSS) which offers over 200 academic, vocational, performing arts, information technology, language and athletic courses. The school’s modern facilities include state-of-the-art computer labs, an indoor swimming pool, a fully equipped fitness area and an outdoor track and field stadium. LSRCSS is located a few kilometres north of Winnipeg in the historic town of Selkirk, a popular location for provincial, national and international sporting events.

**Louis Riel School Division**
900 St. Mary’s Road
Winnipeg, Manitoba
R2M 3R3 Canada
E-mail: monele.schrot@lrsd.net
Website: www.isp.lrsd.net

Louis Riel School Division (LRSD) has provided successful educational programs for International Students for over 20 years. Our graduates are qualified to enter universities and colleges world-wide. The school division employs a full time International Student Coordinator and Home Stay Coordinator to oversee the smooth operation of the program. We offer a broad range of academic courses from Grade 9 to Grade 12. Students who enter our program in Grade 12 may graduate in one semester (five months). The school division has an excellent Home Stay program dedicated to provide a good family atmosphere to international students.

**Mountain View School Division**
P.O. Box 715
Dauphin, Manitoba
R7N 3B3 Canada
E-mail: dzarichny@mvsd.ca
Website: www.mvsd.ca

Mountain View School Division is pleased to offer the International Student Program to international students interested in a unique educational experience in Canada. We offer excellence in Academic and Vocational programming that emphasizes student success, small class sizes; and highly experienced, professionally certified teachers. Mountain View provides Personal counselling, Career counselling, Post-secondary counselling, visits and tours to Career Fairs and Universities/Colleges. The division consists of 16 schools in 7 communities. Each community offers a diversity of experiences and Homestay options. Each school is equipped with the latest, state-of-the-art equipment, including Satellite-video conferencing capabilities in designated facilities.
Pembina Trails School Division (PTSD) has the longest running international student program for secondary education in Manitoba. It is located in a district of Winnipeg where families of middle to upper middle socioeconomic levels reside. Students in the PTSD have one of the best university attendance rates in Winnipeg. The PTSD’s strong and successful Homestay Program provides personal attention and support on a regular basis to its international students to ensure the students’ success. Students experience and learn what it is like to live amongst Canadians.

Pinawa Secondary School, Whiteshell School Division
P.O. Box 130
Pinawa, Manitoba
ROE 1L0 Canada
E-mail: borgfjom@sdwhiteshell.mb.ca
Website: www.sdwhiteshell.mb.ca

Located in the scenic forests of the Great Canadian Shield, Pinawa Secondary School is proud of its high standard of education. Our students receive an excellent academic foundation, demonstrated by their high performance in provincial examinations. In addition to a wide choice of excellent academic courses, you can take part in extra-curricular programs such as sports, student governance, music, wilderness trips, theatre and student clubs.

Prairie Spirit School Division
covers approximately 6000 km² in a peaceful and picturesque rural area of south central Manitoba. With small class sizes as well as safe and secure learning environments, students make connections with their friendly teachers while receiving top quality education. Prairie Spirit enjoys a unique partnership with the University of Winnipeg facilitating a smooth transition from high school to university.

River East Transcona School Division
589 Roch Street
Winnipeg, Manitoba
R2K 2P7 Canada
E-mail: intl@retds.mb.ca
Website: www.intl.retsd.mb.ca

Located in north-east Winnipeg, our program (RETS) offers international students innovative, well respected, top quality academic junior and senior high school study opportunities. Along with their academic studies, students can enroll in music production technology, graphic communications, fashion design technology, or aerospace. We provide government-certified EAL teachers as well as EAL teaching assistants for all international students. Our teachers are leaders in English language development and our international students rapidly excel in their language skills. RETS students often rank in the top 2% in physics and mathematics competitions. All of our Canadian and international graduates qualify for studies in renowned universities throughout the world.
St. James-Assiniboia School Division
2574 Portage Avenue
Winnipeg, Manitoba
R3J 0H8 Canada
E-mail: intered@sjsd.net
Website: www.sjsd.net

St. James-Assiniboia in west Winnipeg offers outstanding academic programs, excellent Homestay placements, advanced information technology equipment, quality athletic opportunities and renowned art, dance, drama and music programs. You will be provided with orientation activities as well as ongoing support during your stay. An organized and supervised cultural activities program is provided for students. Graduates of St. James-Assiniboia are well prepared for the academic requirements of any Canadian, U.S. or international university.

Southwest Horizon School Division
100 - 2nd Street South
Souris, Manitoba
R0K 2C0 Canada
E-mail: div0042@merlin.mb.ca
Website: www.shsd.mb.ca

The Southwest Horizon School Division (SHSD) is located in the beautiful Souris River Valley. SHSD uses modern technology, partnerships with community and dynamic staff to present the widest range of educational opportunities. We offer a full range of academic programs, as well as business education, French, music, technology education and youth internships.

Study Manitoba School Divisions
100-2nd Street South
P. O. Box 820
Souris, Manitoba
R0K 2C0 Canada
Email: info@studymanitoba.ca
Website: www.studymanitoba.ca

Study Manitoba offers seats at 18 public schools in Southwestern Manitoba. Students are placed with homestay families where they are immersed in Canadian culture and English language. Classrooms offer low student to teacher ratio for individualized attention and an opportunity to form close friendships with classmates. The schools offer an extensive co-curricular program providing students the opportunity to participate individually or as a team member. Some of the school-based activities include music bands, drama productions, sports and adventure activities.

The goal of our program is to create an atmosphere which encourages independence, good judgment and personal excellence, with respect and dignity for all people.

Sunrise School Division
P.O. Box 1206, 5th Street South
Beausejour, Manitoba
R0E 0C0 Canada
E-Mail: isp@sunrisesd.ca
Website: www.sunrisesd.ca

Sunrise School Division is located in the quiet and secure residential area of Eastern Manitoba. The Manitoba Curriculum is offered by all our schools. Five high schools offer a variety of advanced compulsory and non-compulsory courses. Extensive offerings include: Sciences, Marine Biology, Languages, Mathematics, Computer Technology, Music Band, Business, Art, and Talent Development.

Our International Student Program represents a dynamic and expanding program for primary, middle and high school aged students and adults. Intensive E.A.L. programs are offered for international students of all ages. T.O.E.F.L. preparation is offered at four Adult Centres. Students are placed in carefully screened Homestays which provide for safe and family like “homes away from home”.

11
Turtle Mountain School Division
435 William Avenue
Killarney, Manitoba
R0K 1G0 Canada
E-mail: lrainnie@tmsd.mb.ca
Website: www.tmsd.mb.ca

Turtle Mountain School Division borders the scenic Turtle Mountain Provincial Park in southwestern Manitoba. Our communities are within reasonable driving distance of the cities of Brandon and Winnipeg. Our high schools have a reputation for academic excellence, dedicated staff, and championship sports and music programs. You will learn in a safe, modern, technology-rich environment and will have an opportunity to participate in a variety of extracurricular activities. We value hard work, respect for each other and participation in the community and school.

Western School Division
215-12th Street
Morden, Manitoba
R6M 1X4 Canada
Phone (204)822-4448
E-mail international@westernsd.mb.ca
Website: www.westernsd.mb.ca

Western School Division is located in southern Manitoba in the town of Morden. We provide the best of both worlds - the safety of small town living and access to an urban setting. We have excellent academic, technological, athletic, and social components within our school programs. Our local services are comprehensive. Winnipeg, only an hour’s drive on an excellent highway, provides opportunities for provincial, national, and international activities. We welcome international students in grades five to eight at École Morden Middle School and in grade 9 to 12 at Morden Collegiate Institute.

Winnipeg School Division
1577 Wall Street East
Winnipeg, Manitoba
R3E 2S5 Canada
E-mail: tbobby@wsd1.org
Website: www.wsd1.org

Located in the centre of Winnipeg, the Winnipeg School Division (WSD) serves the largest and most culturally diverse group of students in the entire province. In the WSD people of different backgrounds, cultures and beliefs, work together in harmony and with mutual respect. Our 77 schools provide educational programs to over 33,000 students from Nursery to Grade 12. WSD provides extensive summer programs and English as an Additional Language classes.

Independent Schools
Balmoral Hall School for Girls
630 Westminster Avenue
Winnipeg, Manitoba
R3C 3S1 Canada
E-mail: admissions@balmoralhall.com
Website: www.balmoralhall.com

Located on the historic Assiniboine River in central Winnipeg, Balmoral Hall (BH) has been a leading, all-girls educational institution for 105 years. The finest faculty and coaches in the country educate, encourage and empower students to achieve their personal best. With an emphasis on mathematics and science, this university preparatory school offers Advanced Placement in 12 subjects. From academics, to debating to performing arts and high performance athletics, BH students are well prepared to take their place in the global arena. Boarding for Grades 6 to 12 students provides 24 hour supervision by a dedicated residence staff. Apartment-style renovated suites with private baths offer a home away from home setting.
Since 1820, St. John’s-Ravenscourt School (SJR) has offered programs that excite the mind and prepare students to be confident, productive members of society. SJR teachers work as a team to present an academic program recognized as one of the finest in North America. SJR combines tradition with innovation creating an atmosphere where you will be eager to learn and participate in the school’s extensive sports, drama, music and debating programs.

Created in 1873, the Collegiate has a tradition of academic excellence, openness, critical thinking and community spirit. We emphasize the need for students to become mature, self-disciplined individuals. Our faculty provides the guidance necessary for intellectual, social and personal development. The Collegiate has state-of-the-art science and computer labs as well as an innovative fine arts program.

Manitoba Affiliated Schools Abroad

Manitoba works with partners overseas to make our excellent Kindergarten to Grade 12 curriculum available to students in other countries. We are currently cooperating with the following schools and are willing to consider other joint-venture schools.

Yang Guang Qing School of Beijing
2 Tian Bao North Street BDA
Beijing 100176 People’s Republic of China
www.bdaschool.com

Lertlah School
Lertlah International Program School
33/64 Petkasem Rd., Nongkam Bangkok
Thailand 10160
www.lertlah.com

* At the time of printing, The Government of Manitoba was considering the application of the following school for affiliation with Manitoba. For up to date information on the school’s status, please contact us at education-excellence@gov.mb.ca
Manitoba’s universities, colleges and vocational institutions offer the education and training you need to participate in today’s competitive job market and to succeed in your professional and personal life. If you graduate with a degree from a Manitoba university or obtain a one-year certificate or two-year diploma from a Manitoba college, you become eligible to work in Canada for up to two years after graduation in a field related to your course of study.

Post-secondary training and educational institutions, including universities, colleges, and vocational institutions are available throughout Manitoba. Universities are located in Winnipeg and Brandon. They offer distance education and correspondence courses in addition to those on site. Programs are generally three to five years for a first degree, with some universities offering post-graduate programs (Master’s and Doctoral degrees) as well.

Colleges are located in Winnipeg and throughout Manitoba. Colleges offer a variety of courses through their on-campus sites in addition to distance education and correspondence courses. Colleges offer one or two-year programs which lead to a certificate or diploma and range from Business, Applied Arts, Engineering Technologies, Health and Family Services, to Apprenticeship courses.

Vocational Institutions are located throughout Manitoba. Many vocational training and adult education programs are offered through public schools, technology centres, and specialized training facilities. Programs vary from business and computer technology to dance and flying schools.

Universities and Private Institutions of Higher Education

Manitoba has four public post-secondary institutions and four private, religious-based institutions of higher education. Our universities offer undergraduate, graduate, pre-professional and professional degree programs taught by some of the world’s leading experts in their fields.
University of Manitoba – Enrolment Services
424 University Centre
Winnipeg, Manitoba
R3T 2N2 Canada
E-mail: lianne_paturel@umanitoba.ca
Website: www.umanitoba.ca/student/admissions/international

Established in 1877, the University of Manitoba (U of M) is a research-intensive institution and western Canada’s first university and offers a wide variety of high-quality programs at the undergraduate and graduate levels to approximately 28 000 students. The international student population is approximately 10% and represents more than 90 different countries. Our programs include arts, sciences, and professional studies such as award-winning engineering, business and nursing programs among a host of others. In the past 30 years, the U of M has produced more Rhodes Scholars than any other university in western Canada, ranking among the top three in the country. We offer our international students a variety of support services to help ensure a rewarding study experience including programming provided by the International Centre for Students in areas such as presentation and job-search skills.

The University of Winnipeg
515 Portage Avenue
Winnipeg, Manitoba
R3B 2E9 Canada
E-mail: international.office@uwinnipeg.ca
Website: www.uwinnipeg.ca

Located in the heart of Winnipeg, the University of Winnipeg is home to more than 8,900 full and part-time students, including approximately 500 international students from over 50 countries. UWinnipeg has been ranked by our graduates in the Top Ten of all Canadian universities when asked about their “Entire Educational Experience” (Maclean’s Graduate Survey, November 2004). The Globe & Mail 2005 Report Card gives The University of Winnipeg an overall ‘A’ grade in the areas of teaching quality, class sizes, faculty-student interaction, and the availability of faculty outside classroom hours. The University offers degrees in arts, sciences, education and pre-professional programs. With its focus on undergraduate studies, you may be able to work as a teaching or research assistant in your third or fourth year of studies.

Private Institutions

Canadian Mennonite University
500 Shaftesbury Boulevard
Winnipeg, Manitoba
R3P 2N2 Canada
E-mail: cu@cmu.ca
Website: www.cmu.ca

At Canadian Mennonite University (CMU), we believe that studies are about making a life, not just making a living. Through degree programs in arts, music, music therapy, church ministries, international development, biblical studies and peace and conflict transformation studies, we help you find your calling—not just find a job. CMU’s vibrant community life, faith-based approach to learning, quality academics and emphasis on practical service will enable you to discover who you are, deepen your faith, earn a degree and be ready to make a difference in the world. For more information, visit www.cmu.ca.

Providence College and Theological Seminary
10 College Crescent
Otterburne, Manitoba
R0A 1G0 Canada
E-mail: info@prov.ca
Website: www.prov.ca

SBC provides students with a unique opportunity to earn a one-year certificate, a two-year diploma, or a three-year Bachelor of Arts degree focusing on ministry or career training.

William and Catherine Booth College
Address: 447 Webb Place,
Winnipeg, Manitoba
R3B 2P2 Canada
E-mail: dyoung@boothcollege.ca
Website: www.boothcollege.ca

William and Catherine Booth College is an international community of The Salvation Army devoted to excellence in higher education. The College seeks to educate students for integrated lives of Christian faith, character development, service to humanity and leadership. It is an Approved Teaching Centre of the University of Manitoba, a member of the Winnipeg Theological Consortium at the University of Winnipeg.

Assiniboine Community College
1430 Victoria Ave. East
Brandon, Manitoba
R7A 2A9 Canada
E-mail: studentservices@assiniboine.net
Website: www.assiniboine.net

Assiniboine Community College is located in Brandon, Manitoba, a small urban environment with a population of about 45,000 people. Our small numbers of international students are enrolled primarily in business and technology programs, where they enjoy small class sizes, leading edge technology, and practical training that give students an excellent preparation for employment.

École technique et professionnelle
Collège universitaire de Saint Boniface
Service à la clientèle internationale
200, avenue de la Cathédrale
Saint Boniface, Manitoba
R2H 0H7 Canada
E-mail: mpelleti@ustboniface.mb.ca
Website: www.ustboniface.mb.ca

L’École technique et professionnelle (Étp) is a part of le Collège universitaire de Saint Boniface. You can choose from seven applied programs: business administration, computer analyst/programmer, early childhood education, health care aide, multimedia communications, office management, tourism and nursing. All are diploma programs with the exception of health care aide (24-week program) and nursing (3-year program). All programs are offered en français.

Colleges

Manitoba’s four colleges offer education and training opportunities that combine theoretical knowledge with practical training and work experience. Our colleges work with key industries to produce highly skilled graduates who are well prepared to find employment in the global economy. Manitoba’s colleges are constantly reviewing their programs to ensure they teach the skills required by industry and vocational occupations.
**Red River College**
D214-2055 Notre Dame Avenue
Winnipeg, Manitoba
R3H 0J9 Canada
E-mail: intled@rrc.mb.ca
Website: www.rrc.mb.ca

Red River College (RRC) is the largest and most comprehensive college in Manitoba. RRC offers nationally and internationally recognized preparatory, certificate, diploma, postgraduate diploma, and joint university degree programs in applied arts, applied sciences, business, industrial and computer technology, community services, developmental education and health.

RRC has eight campuses serving the large urban centre and the rural communities. RRC’s main campus is located in the north-west corner of Winnipeg. The Winnipeg city-centre campus houses the latest high-tech programs in communications, digital multi-media and computer technology. The Stevenson Aviation and Aerospace Training Centre is a new 4,950 square metre facility for aerospace manufacturing, engine overhaul and aircraft maintenance training. RRC also has regional campuses in Gimli, Winkler, Portage and Steinbach.

---

**Vocational Colleges**

Manitoba’s vocational institutions offer employment training in a wide range of occupational fields including office and business applications, broadcasting, computers, technology, cosmetology, health care, transport driving and many others. Programs may be taught in the classroom, through practicums, by distance education, or through a combination of the above methods.

For a complete listing of private vocational institutions and programs offered, please refer to this webpage: www.edu.gov.mb.ca/ael/pvs/list.html.

---

**Public Institutions**

**Winnipeg Technical College**
130 Henlow Bay
Winnipeg, Manitoba
R3Y 1G4 Canada
E-mail: info@wtc.mb.ca
Website: www.wtc.mb.ca

Winnipeg Technical College (WTC) has two campuses located in the vibrant capitol city of Manitoba. The College has partnerships with five Adult Learning Centres and the Osborne Village Resource Centre, a non-profit pre-employment centre.

WTC has a diverse student population made of post-secondary and secondary students from Winnipeg and beyond. With low instructor/student ratios and small class sizes, Winnipeg Technical College provides a safe and friendly learning environment. Students experience a strong sense of community and often return for further training and development.

The College maintains strong connections to the Manitoba business community and epitomizes the ‘Spirited Energy’ that makes Manitoba famous throughout the world.

---

**Private Institutions**

**Robertson College**
265 Notre Dame Avenue
Winnipeg, Manitoba
R3B 1N9 Canada
E-mail: Info@RobertsonCollege.com
Website: www.robertsoncollege.com

Robertson College, founded in 1911, is one of Canada’s oldest private educational institutions. We pride ourselves on providing a variety of certificate programs ranging in length from 6 to 12 months. All of these programs are taught by professionals from the health-care, business or IT industries who are dedicated to providing close support to their students through small class sizes and up-to-date industry standards. The Winnipeg campus is located in the heart of the historic Exchange district, with easy access to all of Winnipeg’s sites and services.
Language Schools and Transition Programs

In addition to its excellent primary and secondary schools, universities and colleges, Manitoba also has several first-rate language schools and specialized programs to choose from. English as an Additional Language courses are offered by several institutions to help you improve your language skills for work, study or personal interest. French as a Second Language courses are also offered at the Collège universitaire de Saint Boniface. Pathway programs offer instruction to assist students, who do not qualify for direct entry into university, in acquiring the competency to complete an undergraduate degree program.

English Language Studies

Brandon University English for Academic Purposes Program
270-18th Street
Brandon, Manitoba
R7A 6A9 Canada
E-mail: eap@brandonu.ca
Website: www.brandonu.ca/EAP/

Brandon University’s multi-level English for Academic Purposes (EAP) program is designed to prepare you to study at English-speaking educational institutions. EAP is also designed for those who want to improve their use of English for professional or personal purposes. It features quality instruction with friendly, helpful and enthusiastic teachers and staff. The EAP includes a conversation partner program, Homestay program and social activities.

DCD Language and Culture Study Abroad Program
234 Yale Avenue
Winnipeg, Manitoba
Canada R3M 0L9
E-mail: info@languageculture.ca
Website: www.languageculture.ca

DCD Language and Culture Study Abroad Program provide adventures in English Language learning that students will never forget. Our all inclusive summer EAL program in the heart of Winnipeg, offers a unique linguistic experience for students between 12 and 18 years of age. It combines an academic, social, cultural and travel experience designed to enhance English language learning.

The two components of our academic program are the English classes and enrichment classes including: History and Architecture, Photography, Canadian Art History, Drama, Canadian Music and Pop Culture. Also included in our program are cultural and historic tours, evening activities and weekend excursions. Students will benefit from Winnipeg’s rich cultural diversity reflected in its world class festivals, cultural activities, sports and entertainment.

Heartland International English School
161 Portage Avenue East, Suite 401
Winnipeg, Manitoba
R3B 0Y4 Canada
E-mail: info@HeartlandEnglish.com
Website: www.heartlandenglish.com

Heartland International English School is Winnipeg’s premiere English school offering high quality and affordable ESL programs and Homestays. Heartland offers three ESL programs to suit your learning needs: the Access Program, Impact Program, and Focus Program. Heartland provides flexible start and end dates, and accredited programs for students of all levels.
Providence College English Language Institute
10 College Crescent
Otterburne, Manitoba
R0A 1G0 Canada
E-mail: info@prov.ca
Website: www.prov.ca

Providence College offers three different programs for international students. First, the Integrative English Program is designed for beginner and intermediate levels and emphasizes all the major language components. Second, the Intensive (Pre-Academic) English Program also emphasizes the major language components, but at a more advanced level. Finally, the Intensive Academic English Program for College/Seminary Admission is designed to help you develop the skills needed to complete college or seminary studies successfully. All three programs last 14 weeks with 15 instruction-hours per week.

Red River College Language Training Centre
Main Street Campus
300-123 Main Street
Winnipeg, Manitoba
R3C 1A3 Canada
E-mail: intled@rrc.mb.ca
Website: www.rrc.mb.ca/index.php?pid=3350

Serving more than 800 students a year, Red River College’s Language Training Centre delivers a variety of three to five month, full-time adult English as an Additional Language (EAL) programs for academic study, career training, employment and settlement. Programs are available from beginner to advanced levels and focus on English for Specific Purposes (ESP) in the fields of business, technology and health, and entry into careers. The Academic English Program for University and College Entrance (AEPUCE) fulfills the English language requirement for entry into post-secondary programs at Red River College, the University of Manitoba and the University of Winnipeg.

University of Manitoba Intensive English Program
166 CE Complex
Winnipeg, Manitoba
R3T 2N2 Canada
E-mail: IEP@ms.umanitoba.ca
Website: www.umanitoba.ca/extended/english/iep

The Intensive English Program is ideal for improving your English while enjoying a rich cultural exchange. You can complete seven levels of English (each requiring two months of study) for personal or professional reasons, or to pursue university studies. All instructors are certified by the Province of Manitoba and have at least three years of EAL teaching experience. You can live in a University residence or with a Canadian family. After completing the advanced levels, you can register in the Certificate in Teaching English as a Second Language (CTESL) program or one of the other certificates being developed in General Management, Quality Management and Financial and Management Accounting.

University of Manitoba English Language Centre
520 University Centre
Winnipeg, Manitoba
R3T 2N2 Canada
E-mail: elc@umanitoba.ca
Website: www.umanitoba.ca/elc

The English Language Centre offers full-time academic English courses to prepare students for university study. All instructors have completed graduate work in teaching English as a Second Language and have experience in teaching English for academic purposes. There are five levels of study ranging from intermediate to advance. Students in levels one to four write CanTEST. The results of this test can be used for admission to degree programs. Students who successfully complete level five meet the English language requirements for admission to degree programs of the University of Manitoba. For information on other ELC services, please visit the website.
Language Schools and Programs

International College of Manitoba
University of Manitoba
#204 - 194 Dafoe Rd
Winnipeg, Manitoba
R3T 2N2 Canada
E-mail: info@icmanitoba.ca
Website: www.icmanitoba.ca

Located on the Fort Garry Campus of the University of Manitoba, the International College of Manitoba (ICM) is a modern and dynamic educational institution. ICM provides quality university pathway programs for international students who may not qualify for direct entry into university. Our pathway program supports a student’s competency and motivation to complete an undergraduate degree program in an excellent education environment.

ICM is part of Navitas Limited, one of the largest networks of university pathway program providers throughout the world.

University of Winnipeg English Language Programs
515 Portage Avenue
Winnipeg, Manitoba
R3B 2E9 Canada
E-mail: infodce@uwinnipeg.ca
Website: www.dce.uwinnipeg.ca

The University of Winnipeg offers a 14-week, full-time English language program three times a year. You can choose English for General Communication (mid-beginner to advanced levels) or English for Academic Study (intermediate to advanced levels). Upon successful completion of level five of the academic English program, you will have met the English language requirement for entrance to the University of Winnipeg. In both programs, classroom study is complemented with weekly social-cultural outings and a language partner program.

French Language Studies
Division de l’éducation permanente
Collège universitaire de Saint-Boniface
200, avenue de la Cathédrale
Saint-Boniface, Manitoba
R2H 0H7 Canada
E-mail: registra@ustboniface.mb.ca
Website: http://dep.cusb.ca/eng/dep_an.htm

For over 40 years, le Collège universitaire de Saint-Boniface has offered French language programs designed for people whose first language is not French. The programs emphasize communication skills in listening, speaking, reading and writing. Instruction is provided at all levels, from beginner to advanced, and sessions are held four times a year.
On-line Courses
Some Manitoba school divisions offer courses on-line. These courses are offered to anyone, living anywhere in the world. At present over 20 courses are available. All on-line courses use the Web-CT platform and have minimal technical requirements. High speed Internet is not necessary, as a dial-up modem is sufficient. Courses are fully teacher-mediated which means that there is contact between teachers and learners on a daily basis. Courses are interactive, engaging and self-contained. The following school divisions offer on-line courses. If you are interested in learning more about these programs, please contact the institutions for more information.

College and University Distance Education Courses
Manitoba colleges and universities also offer a wide range of courses through distance education. A few degree, diploma and certificate programs can be completed entirely through distance education, if you are able to adapt your situation to the methods of delivery. On-line courses may be the easiest to access, but print-based, audio conference and teleconference courses are also available. In cases where it is not possible to complete an entire Manitoba program through distance education, individual courses may apply to a program in your home country or help you to complete a degree or diploma in Manitoba.

For information on courses and registration procedures, contact the following institutions:

Assiniboine Community College
Distance Education Office
1430 Victoria Avenue East
Brandon, Manitoba
R7A 2A9 Canada
E-mail: studentservices@assiniboine.net
Website: www.assiniboine.net

Over 150 courses are offered through distance education. The majority of ACC’s distance courses are paper-based while a few are offered on-line supported by textbooks. Most can be started at any time. Distance education courses have the same objectives as courses delivered on campus. The contents are the same and your credits apply to academic programs.
Reaching the World through Distance Education

Providence Theological Seminary
10 College Crescent
Otterburne, Manitoba
R0A 1G0 Canada
E-mail: info@prov.ca
Website: www.prov.ca

E-mail: de_info@umanitoba.ca
Website: www.umanitoba.ca/distance

Over 120 degree credit courses from 11 different faculties are available through independent (print-based), group-based (audio/online conferencing), online, and flexible study, as well as, the Campus MB Program. Bachelor degrees in Arts, Arts in Geography, and Social Work; and a Baccalaureate for Registered Nurses and a Post-Baccalaureate Diploma in Education can be completed through distance education.

University of Winnipeg
Centre for Distributed/Distance Learning
515 Portage Avenue
Winnipeg, Manitoba
R3B 2E9 Canada
E-mail: h.sanness@uwinnipeg.ca
Website: http://ddl.uwinnipeg.ca/

International students can enrol in the University of Winnipeg’s Online Program. This program offers a selection of the courses required for a bachelor of arts, including some humanities, sciences, academic writing, and general electives, available in an on-line format. Courses use WebCT or Learn courseware and can be accessed 24 hours a day during any academic term. Almost all courses have electronic exams. The Online Program follows the semester system (academic term)- either three or six months- courses start and end on pre-defined dates.

Collège universitaire de Saint-Boniface
200, avenue de la Cathédrale
Saint-Boniface, Manitoba
R2H 0H7 Canada
E-mail: registra@ustboniface.mb.ca
Website: www.ustboniface.mb.ca/pro/pro.htm

Internet-based courses in Translation (French-English and English-French) as well as a master’s degree in Études canadiennes are offered at the Collège.
Providing High Quality Customized Training Programs

Manitoba’s educational institutions offer custom-tailored training for small and large groups. Our schools, colleges and universities will design courses and programs to help educational institutions, corporations and governments achieve their learning goals. From assessing needs to designing and delivering programs, our educators have the experience and expertise necessary to ensure the success of students, employees and organizations. Customized training programs can be delivered either in Manitoba or in your home country.

Manitoba has extensive experience in this area. Our educational institutions will consider requests for training in any field.

Many of our schools, colleges, universities and language centres have experience in developing group language programs for international clients of all ages. Most of these programs are delivered in Manitoba, however, our institutions also have experience in developing programs overseas.

Our colleges have a long history of creating custom-designed programs in applied arts, science and technology for delivery overseas or in Manitoba. They also have experience in assisting international colleges and institutes in developing their own capacity to deliver applied trades and technology programs. Some of the fields that these custom programs have been created for include hospitality and tourism, agriculture, health services, vocational teacher training and curriculum needs assessment and design.

Manitoba universities have also been active in international projects and education programs. Past and present projects have included accounting, management, nursing, medicine, social work, engineering, education, international trade, law, dentistry and community development.

If you would like to have a special program developed for your group, please contact Manitoba’s International Education Branch. We will be happy to assist you in identifying an institution that can meet your needs.

**Manitoba**

Population: 1.1 million  
Area: 649,947 square kilometres in the centre of Canada

- Our provincial animal is the bison. Hundreds of thousands of wild bison once covered Manitoba’s open plains.
- Manitoba’s nickname is the Keystone Province for both its peculiar shape and its location at the centre of Canada.
- Lake Winnipeg is 24,605 square kilometres making it Canada’s fourth largest and the world’s 11th largest freshwater lake.
- Over 100,000 crystal clear lakes with clean sandy beaches.
- The best place in the world to see the aurora borealis (northern lights) is in the town of Churchill on the edge of Hudson Bay. It is also the polar bear capital of the world – the most popular and accessible place to view polar bears in the wild and to see beluga whales in the summer.
- Normally referred to as a prairie province, Manitoba is also a maritime province with 645 kilometres of ocean coast along the Hudson Bay. Churchill is an international seaport and the only inland saltwater port in Canada.
- The town of Gimli is the largest Icelandic community outside of Iceland.
- Canada’s National Ukrainian Festival is held annually in Dauphin. The largest collection of Ukrainian-language books outside of Ukraine, is housed in Winnipeg.
- The area surrounding Portage la Prairie produces some of the best potatoes in North America, providing french fries to companies such as McDonald’s world-wide.
- Steinbach is home to world-class manufacturers such as Loewen Windows, Canada’s largest wood window and door manufacturer.
- The Pas hosts world championship dog sledding races every February as a part of the Northern Manitoba Trapper’s Festival.
- Neepawa produces some of the finest lilies in the world, which are shipped directly to many major international flower markets. This has earned the town the title of “World Lily Capital”.
- Brandon has twice been voted one of Canada’s top 10 cities in which to live by a major Canadian magazine.
- Winnipeg was first in the world to develop the 911 emergency phone number.
- Manitoba has more than its share of successful music groups, award-winning authors and famous sports figures.

• Winnie-the-Pooh, from the stories by A.A. Milne, was based on a bear cub adopted by a Winnipeg soldier. The bear was named “Winnie” (shortened to Winnie) after the soldier’s hometown. Winnie was donated to the London Zoo in 1916.

• Manitoba has an active film industry. In addition to its own award-winning actors, directors and production companies, famous Hollywood stars such as Brad Pitt, Jennifer Lopez, Richard Gere, Susan Sarandon, Harrison Ford, Philip Seymour Hoffman, Shirley MacLean, Robin Williams and Patrick Swayze have all appeared in movies filmed in Manitoba.

• Manitobans brought home 9 of 24 Olympic medals at the 2006 Winter Olympics. Manitoba’s Cindy Klassen became the most decorated Olympian in Canadian history – winning 5 medals.

• Popular singer and TV personality Paula Abdul, whose grandmother is from Manitoba, is quoted as saying: “Good people come from Winnipeg”.

• The character Homer Simpson from the TV program, The Simpsons, is loosely based on the writer’s Manitoba born father.

Our education system makes it easy for students to move from one level to the next and offers many advantages:

- From Kindergarten to Doctorate/Ph.D., our system offers quality programming, including English as a Second Language and French as a Second Language courses.
- All schools in our system operate on the same calendar, reducing time between academic sessions.
- Our system is large enough to provide a full range of educational opportunities, yet small enough that members of the educational community are familiar with courses offered around the province.
- Some international students prefer to start their Manitoba education at the high school or English as a Second Language level to help them prepare for future learning.
- A well-developed education plan covering all academic levels can help in obtaining a Study Permit. International students must obtain a Study Permit from Citizenship and Immigration Canada if they intend to study in Canada for more than six months.
- Those completing high school in Manitoba and applying to a university or college within Manitoba may qualify for entrance scholarships ranging from $800 to $5,000.
- Members of the Manitoba education community can provide information about opportunities at all levels to assist you with your academic plan.
- Students can choose from instruction that is offered in English or French.
If you need to improve your English, there are several private English language schools, plus programs at our colleges and universities. A TOEFL score of 550 (213 - computer based) or higher, or the equivalent on another acceptable test, is usually required to enter a college or university academic program.
