SQLServerGeeks Annual Summit 2016

Asia's Only Data & Analytics Conference

Aug 11 – 13, 2016, Bangalore, India
Pre-Conference Seminar on Aug 10

Feel SSGAS 2015 (previous year)

It was a great learning experience. I loved it. - SSGAS 2015 attendee

Data & Analytics Professionals
A Unique Learning Event

5 TRACKS

DATABASE ADMINISTRATION
BIG DATA
CLOUD
DATABASE DEVELOPMENT
ANALYTICS & BUSINESS INTELLIGENCE

Conference has enhanced our skillsets and manager/company should enrol and sponsor employees for such good technical conference to benefit project and organisation.

SSGAS 2015
had 20+ international speakers !!!

Most Valuable Event. Worth Attending. -SSGAS 2015 attendee

Image: Denny Cherry & Joey Antoni interacting with the attendees
3 Days of Non-Stop Learning

5 Tracks, 120+ Sessions, 70+ Speakers

Return from this summit with the skills and expertise that you can apply right back at your work. With the knowledge you gain you can re-train your colleagues and showcase the best you can do with SQL Server, Azure SQL, MS BI stack, Big Data & SQL Development.

Meet your fellow SQL folks and share your ideas in various discussions in a session or over a coffee in the hallway. Unmatched networking opportunity.
SSGAS 2016 Pre-Con Seminars

5 World-Renowned Experts

- Denny Cherry
  High Availability & Disaster Recovery
- Joey D Antoni
  SQL Azure Database
- Grant Fritchey
  Execution Plans & Query Tuning
