INVICTUS

“I will not be conquered by circumstance, but will be victorious”

I - Incredible: Each child that steps through our gate is incredible and entitled to a secure and supportive environment.

N - Noteworthiness: The needs of the ordinary individual must never be overlooked. Ordinary can become extra-ordinary.

V – Victorious: If we stand together as one school, victory will always be ours. Many hearts make a school.

I – Input: The effort you put into your schooling, will be seen in the rewards reaped in your future.

C – Challenging: The path to your future might not always be clear, but with guidance, perseverance and determination, that pathway will make itself known.

T – Tomorrow: The children, who possess even the smallest spark today, will shine as the captains of industry tomorrow.

U – Understanding: Each child is unique and needs to be nurtured in different ways.

S – Steadfast: As a school we are determined to instill in our children the morals and values which will help mould them into proud, reliable and trustworthy young adults.

1. History of the School.

(As related to us by the first headmaster of Farrarmere Primary School, Mr. Gerald Ebertson.)

Farrarmere Primary School.
The Early Days.

I was advised in October 1975, by the Transvaal Education Department that I had to open the Farrarmere Primary School in January 1976. The Transvaal Education Department had decided to establish a new English Medium Primary School to serve English speaking pupils who lived in Farrarmere, Alphen Park and Atlasville. The new school was to be housed in the building occupied by Laerskool Brentwood Park. A new school was to be erected in Farrarmere to serve the Afrikaans speaking community in the same suburbs. The parents from Laerskool Brentwood Park objected to the move and the Transvaal Education Department then allocated the new school building to the English speaking community.

The suburb of Farrarmere was named after Sir George Farrar, a mining magnate from Bedford in the United Kingdom. He had financial interests in some of the mines in the Benoni area eg, Modder B. That was at the end of the 19th and beginning of the 20th Centuries. Sir George lived in Bedfordview and his homestead now houses the St. Andrew's School for Girls. Presumably, Bedfordview was named after Bedford in the United Kingdom.

I designed the school badge and incorporated the castle in Bedford. The blue spots in the surround represent the 5 dams in Benoni.

In naming the sports houses for Farrarmere Primary I initially chose 3; Farrar (after Sir George Farrar), Bedford (after Bedford in the U.K) and Howard (Farrar’s wife’s maiden name.) It was at a later stage during the leadership of Mr. R. Allison, that a fourth sports house was introduced. The sports house, Woburn, was named after Woburn Abbey, in the village of Woburn. This abbey continues to be the home of the Dukes of Bedford, spanning over 450 years.
Sir George Farrar was also responsible for naming some of the streets in Benoni e.g., Bedford, Howard, Turvey and others. Farrar often rode from Bedfordview on horseback to inspect the work being done at the mines.

The school motto, 'INVICTUS', was chosen by me after reading the poem by Williams Ernest Henley. Invictus is the Latin word for Invincible-Unconquered.

Invictus

Out of the night that covers me,
Black as the pit from pole to pole,
        I thank whatever gods may be
    For my unconquerable soul.

In the fell clutch of circumstance
I have not winced nor cried aloud.
Under the bludgeonings of chance
    My head is bloody, but unbowed.

Beyond this place of wrath and tears
Looms but the horror of the shade,
And yet the menace of the years
Finds and shall find me unafraid.

It matters not how strait the gate,
How charged with punishment the scroll,
    I am the master of my fate:
I am the captain of my soul.

Since the school opened on the 7th of January 1976, with 559 enrolled pupils, [the official opening was in October 1977], Farrarmere Primary School has had the pleasure of having 3 past headmasters and 1 current headmistress in charge of the school. Each has served the school with determination in making the school a success, ceaseless effort in providing the learners of Farrarmere Primary with the best education possible and when their goals seemed unattainable, they each displayed their ‘own unconquerable soul’ in making those goals a reality.

- Mr. Gerald Ebertson served the school from 1976 - 1989
- Mr. Ray Allison served the school from 1990 - 2000
- Mr. Mike Kruger served the school – Acting 2000 Principal 2001 - 2006
- Mrs. Fiona Stansfeld was elected headmistress of the school in 2007, and continues to serve Farrarmere Primary School in that role.
Each Headmaster/Headmistress has had a particular vision for Farrarmere Primary and has made his/her own personal contribution to the growth and success of the school.

- **Mr. G. Ebertson** had a love of all things cultural and historic, and during his time at Farrarmere Primary, the school hall was erected as well as the infamous Paganini Statue that stands tall outside the school offices.

- **Mr. R. Allison** focused on the sport at the school and in his time at Farrarmere Primary the sports pavilion and grandstands were erected and continue to serve our school and, in fact, all the schools in Benoni for various sporting functions which we host.

- **Mr. M. Kruger** had a love for the academics and it was his dream to see a media centre and computer centre erected at the school. These dreams were fulfilled during his time at the school.

- **Mrs. F. Stansfeld**, our current Headmistress, a teacher and trained Psychologist, has a passion to see Early Child Development instilled at the school. It is her passion for this that has seen the current erection of a Nursery School on the Farrarmere Primary School grounds. Ground was broken for this project in July 2008, and the nursery school was officially opened on Wednesday, 15th April 2009. If you meet Mrs. Stansfeld you will realise that this is just one of her many goals for the school. The school Administrative Block has been re-furbished and given a fresh, new look. Mrs. Stansfeld and the school Governing Body have also started the implementation of Inter-Active White Boards in the classrooms. This marvel in technology will see the children learning in a stimulating and multi-sensory way.

Each of our outstanding School Leaders has made, and continues to make Farrarmere Primary School the ALL-ROUNDED school it is today.
2. Academic Information:

Mrs. Fiona Stansfeld is our Headmistress, appointed in 2007. Mrs. Stansfeld is assisted by the Executive Committee which comprised of:

- Mr. Werner Grobbelaar – Deputy Principal
- Mrs. Carmel Reitz – Head of Department – Senior Phase.
- Mr. Johan Koekemoer – Head of Department - Discipline.
- Mrs. Philippa Mocke – Head of Department – Intersen Phase.
- Mrs. Marilyn Docherty – Head of Department – Foundation Phase.

English is the medium of instruction. We are both proud of our standard of education and of the impact it has made in the lives of the many children that have been a part of our school family through the years.

The pupils are continually assessed in the classrooms including written, oral, group and individual work. There is no formal testing in the Foundation Phase, rather year-round continual assessment. Pupils from Grade 4-7 are assessed in the 8 learning areas which count towards their final term mark. Cycle Tests are written each term and exams are written bi-annually in Grades 4-7.

Punctuality:

Punctuality is of great importance at Farrarmere Primary School. Pupils must be at school on time.

School hours are as follows:

- **Monday – Thursday:** 07:40 – 13:45
- **Friday:** 07:40 – 13:00

These times apply to Grades 1-7

(Note: Grade 1 children will finish school at 12:00 for the first month of Term 1, to help them in their acclimatising process.)

Extra-mural schedules are issued at the beginning of each Term.
**Grade R:**

There is a Grade R class available on the school premises, as well as classes for the 3, 4 and 5 year old children. We have integrated with the renowned Benoni Nursery School in Farrarmere, which celebrates its 50th Birthday in 2009, a remarkable milestone by any account. Mrs. Lindsey Rule will continue to be the Headmistress of the Nursery School; a role she has served for a number of years, and hopefully, will continue to serve for many years to come!

The children will be given the opportunity of experiencing Farrarmere Primary School life to the full and will be involved in all school activities. They will also enjoy the use of all facilities available at the school.

In Grade R they will become familiar with the school rules, activities, lay-out etc. In this way the challenges of Grade 1 and the stress involved in having to start at a new school are alleviated.

**The Foundation Phase: Grades 1-3**

The National Curriculum Statement (NCS) has been implemented in Grades 1-3 and is set according to Policy. There are 3 learning areas involved – Literacy, Numeracy and Life Skills. We are also following the newly implemented “Foundations for Learning”

With the NCS, learners acquire the knowledge, skills and values needed to start their Formal Education. Our highly skilled teachers have been trained using the National Curriculum Statement, so you can be rest assured that your child is receiving the best possible education at Farrarmere Primary School.

Our Foundation Phase learners also receive lessons in Media, Computers, Music, Beginners Zulu and Physical Education, all developed by our Specialist Teachers and Sports Academy Coaches.

Our Foundation Phase Teachers are continually given the opportunity for further education and have been on a wide range of teaching courses including Thrass, Funda Fun Education and Assertive Discipline, but to name a few. We believe that our teachers need to be kept informed about any new teaching strategies that will be beneficial to your child.
The Intermediate Phase: Grades 4-5 and
The Senior phase: Grades 6-7.

The National Curriculum Statement (NCS) has been implemented in Grades 4-7. There are 8 learning areas in this phase:

- Language, Literacy and Culture (LLC-English; LLC-Afrikaans)
- Mathematics (Maths)
- Natural Sciences (NS- Science and Biology)
- Social Sciences (SS-History; SS-Geography)
- Economic and Management Sciences (EMS)
- Arts and Culture (A&C includes Music)
- Life Orientation (LO)
- Technology (TECH)

As a part of the NCS, learners also attend weekly Computer Literacy classes in our Computer Centre, Media Information Skills in the Media Centre and Physical Education classes, headed by our qualified Sports Scientists and specifically designed to include, target and improve all Gross Motor Skills.

Our Intermediate Phase and Senior Phase teachers are also continually given the opportunity for further education and have been on a wide range of teaching courses.

Facilities:

We believe that as a school it is of great importance to offer our learners the best possible Educational Facilities and Equipment.

Our Facilities rate amongst the best in Benoni and are continually upgraded with the aim to keeping up with the changes in technology and society.

Our Computer/LT Centre, Media Centre, Music Centre, Technology Centre, Science Laboratory, Art Room and Sports Academy are all equipped to provide the learners with the latest learning programmes and skills needed to enhance their Primary School Education.

The Grade 6 and 7 pupils receive specialised Art Lessons in a fully equipped Art Room, where art techniques and art theory are taught.

Our Science Laboratory is run by our resident Micro-Biologist, who provides the learners with opportunities to conduct their own experiments in our very well-equipped Laboratory.
Communication:

We believe that an informed parent is a happy parent; therefore the following strategies are implemented to ensure that you as a parent are not left out of the Farrarmere Primary School loop:

♦ A newsletter is sent home to each family, every Wednesday, without fail. This newsletter contains information about upcoming school events, sport-related matters, your child’s personal achievements that can be published in the newsletter and any advertisements that you as a parent would like to place. If your child does not give you the newsletter or loses it, then it can be viewed on the school web-page. This web-page will also offer all school information, activities etc. for your perusal.

Our web address is www.farrarmereprimary.co.za

♦ A school cell phone SMS system is in place for any urgent matters/messages that need to be conveyed.

♦ Parents Evenings are held in the second term where your child’s progress may be discussed.

♦ An appointment can be made with your child’s teacher or any member of the Executive Committee, via the school office, as well as in the Junior Phase through a letter written in your child’s message book.

♦ Parents also receive 4 progress reports throughout the school year.

Assembly:

Assembly is held once a week, on a Friday morning, commencing at approximately 08h00. The entire school comes together for the presentation of any certificates, the birthdays for the week and for any announcements that need to be made.

We also have different classes performing a “class item” within the assembly, in the form of a poem, song, dance etc.

Parents are welcome to attend any of the assemblies.

Special ‘Colours’ Assemblies are held throughout the year to present School Colours/Merit Awards for the various sports.

Parents will be notified via a letter if their child will be receiving an award at a Colours Assembly.
Educational and Cultural Visits:

Each grade at Farrarmere Primary School participates in selected visits. Payment thereof is incorporated in the school fees. The pupils either go to various locations for example, the Johannesburg and Pretoria Zoos, The Lion and Rhino Park, The Planetarium etc, or people come to the school to perform shows like Hooked on Books, Haartebeespoort Snake & Animal Park etc. In Grade 5 we offer a 3 day, 2 night educational tour for the children, but this trip is optional and is paid for by the parents.

No pupil is allowed to visit a location outside of the school without a Parental Consent form being completed by the parent or guardian.

Aftercare Facility:

Our aftercare is privately run by Mrs. Rhoda Schmidt and her Aftercare Team safely within the school grounds of Farrarmere Primary. This aftercare facility is offered to any pupil at the school and is run from the time that school finishes in the day until 17h30. This aftercare is also run throughout the school holidays, except for December, when the whole school closes down for the Christmas break.

All pupils ‘check in’ to the aftercare straight after school before they depart for their various extra-murals. Lunch is served before the children leave with their aftercare teacher for the various aftercare classrooms in the school. Each grade has its own child-minder, classroom and play area within the school grounds and no intermingling of the different grades is allowed. The children then proceed to complete any homework requirements, although parents must accept that the After School Care Centre is not a study/remedial centre. Homework will be supervised, but parents must check and sign all homework books as Mrs. Schmidt and the School Management Team believe that this is an important means of contact with your child. Children participating in extra-murals are closely monitored to ensure that they return to their aftercare classrooms directly after their activity has finished.

For further information about the Aftercare and its tariffs for the year, please do not hesitate to contact Mrs Rhoda Schmidt. Her contact details are available through the school office on (011) 849-4221/2 or cell 083 966 2332.
3. Management of the School

Governing Body:

The management of Farrarmere Primary School is vested in a Governing Body, which is elected by the parents and staff of the school every three years under the current regulations. It consists of the Headmistress, six parent members, three staff members and one administrative staff member. (A Deputy Principal may be co-opted on to the Governing Body). The Governing Body of the school is responsible for the maintenance of the school buildings, grounds, facilities and equipment as well as the control of school finances, the interviewing for Government Employment vacancies and the appointment of any Governing Body employed staff members.

There is an Annual General Meeting of the parents held in the latter part of the year where the Governing Body reports on its activities for the year. This meeting is also where the Finances/Budget and Proposed School Fees for the upcoming year are discussed.

The meeting is an open forum where any queries can be raised and discussed. Notice for this meeting will be given in the weekly Newsletters leading up to the meeting.

Mothers’ Committee:

This committee comprises of mothers who volunteer their services when serving on the Mothers’ Committee. They offer their support at any official school functions in the form of serving tea, providing a tuck shop and just showing their support to the school in any way possible. They also arrange certain functions for the children, for example, school dances, fashion shows and general entertainment.

They provide a ‘market’ where children can purchase gifts for the special occasions in the year, such as Valentine’s Day, Mother’s Day and Father’s Day.

The mothers generally hold monthly meetings at the school to discuss their projects. This is a wonderful committee because it enables the mothers to get to know one another as well as the staff at the school.

Clothing Shop:

There is a clothing shop available at Farrarmere Primary School where second hand school clothing is sold. The items are relatively inexpensive as the clothing is usually donated by the families of the children who have either outgrown the clothing, or are leaving the school for high school.

The clothing shop is run on a voluntary basis by our willing mothers. Details of when the clothing shop is open are available from the school office on (011) 849-4221 and advertised in the weekly newsletter.

Tuck Shop:

Our school tuck shop is a privately run facility, which is open on a daily basis. A variety of hot food is available, as well as cold drinks, biltong, crisps and sweets.

Only hot food and cold drinks are sold at first break to ensure that the children are eating something substantial before they indulge in the sweets, crisps and cold drinks that are sold at second break and after school.

The School Management team does oversee what is sold at the tuck shop to ensure that an all-rounded menu is available.
4. Uniform:

The Farrarmere Primary School Uniform is as follows:

**Girls**

**Summer:**

- Blue checked dress
- Short white socks
- Black shoes – one bar/lace-ups
- School blazer
- Sleeveless jersey (optional)

**Winter:**

- Blue shirt with long sleeves
- Grey tunic (v-neck) or long grey girl’s trousers instead of grey tunic.
- School tie
- School jersey
- School blazer
- School socks or grey tights
- Black shoes
- Beanie / Scarf – school blue or school grey

Hair accessories must be white, blue or black.

**Honours / Invictus:** Special tie: Grey skirt

**Boys**

**Summer:**

- Blue v-neck shirt with short sleeves
- Grey shorts
- School blazer
- School socks
- Black lace-up shoes

**Winter:**

- Blue shirt with long sleeves
- Long grey flannels (pants)
- School tie
- School jersey
- School blazer
- School socks
- Black lace-up shoes
- Beanie / Scarf – school blue or school grey

**Honours / Invictus:** Special tie
**Boys and Girls:**

A navy blue Drimac may be worn over the blazer on rainy days.
House Colour T-shirt (to get the correct colour, please obtain from school suppliers only)
FPS School suitcase
FPS School tog bag – where necessary
Black belt with a plain buckle (Boys)

**Boys and Girls Physical Education and Sport Uniform:**

White lace up takkies are to be worn for all sporting activities, including physical education lessons.
Black P.T. shorts with House colour Invictus Golf shirt
FPS peak cap
FPS tracksuit

Swimming team: FPS swim suit
FPS swim cap

All of the abovementioned school clothing items are available from our stockists:

* Rynfield Drapers: (011) 849-1619
* **Ekspa:** (011) 425-3332

**Dress and Personal Appearance:**

The following dress code must be adhered to:

1. School blazers must be worn at all times when entering or leaving the school premises.
2. Only the official school clothing may be worn.
3. The only school tracksuit that is allowed in winter, or at sporting events, is the official school tracksuit.
4. All clothing and sports kit is to be kept clean and in good condition and must be clearly marked with the owner’s name. Uniform is checked regularly.
5. Hair must be neat, clean and tidy and in line with the school regulations found in the School Code of Conduct.
6. The school uniform does not permit the wearing of jewellery, or lapel badges; except for the official school badges given for merit reasons.

The full uniform regulations can be read in the School Code of Conduct.
5. **Code of Conduct:**

At the beginning of the year, all pupils will receive the official School Code of Conduct that is to be read by both the pupils and their parents and then signed by the parents and returned to the school office.

These school rules have been drawn up by the School Management Team and Staff of Farrarmere Primary School and apply to the following situations:

- Whenever the pupil or parent is on the school property- before school, during school and after school.
- At all official school events- during and after normal school hours.
- At all school events being held off the school grounds.
- At all times when the learner is dressed in the official school uniform, (including sports uniform), and is recognisable as such, both within the school grounds and in public view outside the school.

A brief overview of the responsibilities of the Farrarmere Primary School learner is as follows:

Learners MUST:

- learn;
- arrive at school on time and attend all classes on time every day;
- do all school work, including homework, within the allocated time;
- have all necessary working materials with them and kept in good order;
- respect all persons and their property;
- not use bad language, or insult other people in any way;
- behave themselves in a safe and responsible manner;
- always be clean and neat;
- always do their own work;
- protect school property;
- not damage school property, or the property of other learners;
- report anyone taking school property from the school grounds, without permission, and must not take anything themselves;
- not be disruptive, undisciplined or unco-operative both inside and outside the classroom.
- obey the school rules, as well as the class rules of the individual teachers;
- accept and respect other people for whom they are;
- never use drugs, hurt other people, bring dangerous weapons to school, bully other people, or in any way prevent other learners from being able to learn in a safe and secure environment.
- Report any persons not abiding by the rules, values and standards of the school and society.

The Code of Conduct also contains the definition of misconduct, the different class of offences and their punishment and the full list of School Rules. This document is available from the school office for you to peruse.
6. **Discipline:**

Discipline at Farrarmere Primary School is a vital aspect to the way the school is run. Emphasis is placed on positive reinforcement of good behavior, with merits and incentives being given to the children who respect the rules of the school and abide by them.

General behavior, completion or lack of completion of work and adhering to the classroom rules are enforced by the class teacher. Each teacher has his/her own classroom reward system for good behavior; however any discipline problems are handled by the class teacher in conjunction with the instructions given by the school discipline committee on how they would like the offence handled.

The children who do not adhere to the school rules on a continual basis are sent to the school discipline committee, headed by Mrs. Mocke and Mr. Koekemoer, the Intersen and Senior Phase HODs, and suitable punishment is administered. Parents are informed of any decisions made by the Discipline Committee regarding their child and no punishment for a severe offence will be implemented without the parent’s consent.
8. Sports:

The following sports are offered at Farrarmere Primary School:

- Athletics
- Badminton
- Cricket
- Cross Country
- Gymnastics
- Hockey
- Mini-Cricket
- Mini Netball
- Mini-Soccer
- Mini-Tennis
- Netball
- Soccer
- Swimming
- T-Ball
- Tennis

A full extra-mural timetable is sent out at the beginning of the 2nd, 3rd and 4th Terms. This timetable includes all dates, times and teachers/sports academy coaches responsible for each sport. Pupils are expected to arrive at all practices suitably dressed in the stipulated Physical Education kit.

We offer privately run specialised coaching in: Cricket, Netball, Football, Speech and Drama, Dancing and Karate. This coaching takes places on the school premises.

9. Cultural Activities:

The following cultural activities are offered at Farrarmere Primary School:

- Annual Concert
- Choir
- Computer Club
- Conquesta (Senior Phase)
- Creativity Club
- Eisteddfod
- Interact
- Olympiad (Foundation Phase)
- Public Speaking
- Quiz team
- Remedial Classes

These activities are included in the extra-mural timetable that is sent out at the beginning of each term.
10. General:

Illness at school:

If a child becomes ill or is injured at school, the parents will be notified and will need to collect the child from the school office. Children will not be allowed to go home alone. If the office is not able to reach you or next-of-kin, then the child will remain in the school Sick Bay until the end of the day. Please note that according to the latest regulations, no medication will be administered to the pupils by the school. It is for this reason that it is imperative for parents/guardians to notify the school of any contact detail changes to assist us in keeping the school records up to date.

Each member of staff at Farrarmere Primary School has been certified on a Level 3 Paramedic Course. This certification will be renewed every 3 years.

Absence from school:

On returning to school after being absent, a note should accompany the child - addressed to your child’s class teacher - informing him/her of the reason for the child’s absence from school.

If a child is absent for 2 or more consecutive days, a doctor’s note is necessary. If a child is absent for a scheduled test or exam, a doctor’s note is required. If a child has a communicable disease (including lice), then a clearance certificate from your doctor or clinic is necessary before the child returns to school.

If a child is expected to be absent from school for some time, parents should notify the class teacher via the school office, for arrangements to be made for any class work to be caught up.

If your child is going to be absent from school for reasons other than illness, then a letter must be written to the class teacher, or the office, informing them of your plans and of your return date.

Extended periods of absence must be approved by Mrs. Stansfeld beforehand.

Full Attendance:

Full attendance means that the pupil has been present at school every day during the school year.

He/She will receive a certificate of 100% attendance at the end of the school year.

Religious holidays are not counted as attendance days, but it is advisable to inform your child’s class teacher of the religious holiday in advance.
**Civies Days:**

Civvies days are held from time to time to support certain charities that the school is involved with, for example, our annual civvies day in support of the Guide Dog Association.

Each child may then wear the stipulated civvies clothes—provided he/she has paid the amount specified—usually R5 or a donation of more than this is always welcomed.

**Charity:**

We, at Farrarmere Primary School, try to make the pupils aware that there are those who are less fortunate than themselves and we, therefore, encourage them to contribute to various charities that are close to our hearts, for example, ‘our extended family’ at Little Eden, and our beloved friends at the SPCA, but to mention a few.

Each contribution is made on a voluntary basis only, but our pupils at Farrarmere Primary School never fail to make us proud.

**Grade 7’s:**

At the end of each year we bid farewell to our ‘big’ children who leave our school to embark on their High School journey.

The Grade 7 Valedictory Service is held at the end of the year in which we as a school celebrate their time at Farrarmere Primary School. Parents are invited to this service.

Mrs. Reitz and our Mothers’ Committee also put on our Grade 7 Farewell in November, which is a night in which the pupils celebrate their time at the school.

Parents are welcome to come and watch the arrival of the children and to see the magnificently decorated hall. Each year there is a different theme for the farewell and only Mrs. Reitz and the Mothers’ Committee are privy to that information until the invitations are sent out.

If a Grade 7 pupil is going to attend a Public High School, they must apply in the July of their Grade 7 year.

To date, all of our pupils who have ever applied to a private High School have been accepted and we as a school have been complimented on the firm academic, sporting and cultural foundation we have given to our pupils. It makes us particularly proud to hear that our learners continue to practise the morals and values instilled in them during their time at Farrarmere Primary School.
