**Income Requirements**

Lenders are required to calculate income to qualify borrower(s) for loan approval using Fannie Mae guidelines; in addition, CalHFA will review the borrower’s income pursuant to program compliance.

Qualifying income is the income used by the lender to determine that the borrowers have the ability to meet their monthly obligation. Lender will continue to adhere to the guidelines of their internal underwriting guidelines, mortgage insurer, master servicer and this program handbook. This income may differ from the income used by CalHFA for program compliance purposes. All sources of income must be used to determine program compliance income limits.

**MAXIMUM PROGRAM COMPLIANCE INCOME LIMITS**

The income of all borrowers cannot exceed the published CalHFA income limits established for the county in which the property is located.

- Deferred income
- Welfare payments
- Social security benefits

**Qualifying Ratios**

The maximum total Debt-to-Income (DTI) ratio cannot exceed 45.00% regardless of automated underwriting decision or compensating factors.

**Minimum Credit Score**

The minimum credit score is 640

- A borrower with no credit score may be eligible as long as an occupant borrower(s) has a credit score that meets the minimum representative credit score requirement (When one borrower has no credit score, mortgage insurance will use the lowest possible credit score to determine mortgage insurance rates)
  - Non-traditional credit is not accepted
- When all borrowers have a credit score, they must all meet the minimum representative credit score requirement. The middle score of the lowest-scoring borrower should be used to determine eligibility

Is there a re-lock fee for the CalPLUS?
There is no re-lock fee. If the rate lock expires or the loan is cancelled, it can only be re-reserved and locked after a sixty (60) day waiting period, subject to guidelines in effect at that time.

I had to cancel a CalPLUS reservation after Conditional Approval. The sixty (60) days has now passed and I have re-reserved the loan. Do I need to submit a new file to CalHFA?
Yes. The lender must submit a new file to CalHFA with current documentation. Every file that has a new reservation number must have its own file and go through the approval process.

When will I be able to lock my interest rate for CalPLUS?
CalPLUS has two locking options. The rate can be locked at reservation or at any time during the reservation period if the float-to-lock option is chosen. All lenders must have full MAS access to lock the interest rate.

I have chosen the float option for CalPLUS, and my loan has already been conditionally approved by CalHFA, but the rate has increased since approval. Do I need to have my loan re-underwritten?
Yes. Lenders may not lock a loan in MAS with an interest rate that is higher than the interest rate reflected on the CalHFA Conditional Approval.

What is the rate lock period for the CalPLUS?
The lenders will have the option of locking the interest rate for either sixty (60) days or ninety (90) days for both existing/resale properties and new construction properties.

I cannot close my loan in time. Can I get a rate lock extension?
All rate lock extensions must be requested through CalHFA’s Secondary Marketing Unit via email (ratelocks@calhfa.ca.gov) prior to the expiration of the current rate lock. Rate lock extension fees are posted on the Rates & Reservation page of the CalHFA website.

Can my borrower pay for the cost of the CalPLUS rate lock extension?
Yes. The borrower(s) or seller(s) may be charged with the cost of the extension fee for the first mortgage, however you must follow TRID fee requirements. At the time of purchase by CalHFA’s master servicer, the rate lock extension fee(s) are to be net funded from the lender’s proceeds. Late fees on subordinate loans may not be charged to the borrower(s) and will be net funded at the time of purchase by CalHFA.

FAQ’s (cont.)

What if the borrower changes properties? Can I cancel the existing reservation and re-reserve the CalPLUS?

Yes, reservations are borrower, property and lender specific. If the borrower changes properties, the existing reservation must be cancelled before a new reservation is made. The underwriting and program guidelines in effect at the time of the re-reservation will apply.

My borrower had a loan reservation with another lender, but now they want to go through me. Can I reserve the CalPLUS?

If the rate was not locked on the other lender’s reservation, the new lender may reserve the loan once the previous reservation is cancelled by the original lender. If the rate was locked by CalHFA, the new lender may reserve the loan after the sixty (60) day wait period from the original rate lock expiration.

Does the CalPLUS need to be delivered to the master servicer by the rate expiration date?

No. The loan must be delivered and purchased by the master servicer prior to the rate lock expiration date. CalHFA suggests loan delivery by the 45th day for sixty (60) day rate locks or the 75th day for ninety (90) day rate locks, or earlier to ensure time to clear conditions and purchase prior to expiration date.

How often does the master servicer purchase for CalPLUS?

The master servicer will purchase approved loans on a daily basis.
