Mt. Hebron High School is a community school with a reputation for excellence in academic achievement, athletics, and the performing arts. The vision for all members of the Mt. Hebron High School community is to demonstrate respect for the grounds, ourselves, learning, and diversity.

The school offers a rigorous academic program that includes 24 Advanced Placement courses in core academic subjects and elective disciplines. In 2015, Mt. Hebron students took 939 exams with 90% of those test takers earning a qualifying score of 3 or higher. A score of 3, 4, or 5 translates into academic success at a college level. Approximately 50% of the graduating class met this level of academic success in 2015.

Mt. Hebron offers an array of programs to meet the needs of our diverse student population. The Gifted and Talented Mentor Program allows students to pursue special interests through independent research and mentorships. There are also programs in place to support students through effective special education services. The school has a dynamic program for English Speakers of Other Languages that supports the unique learning needs of our English Language Learners. Students who have additional individual needs are supported in an alternative learning program, Pathways to Success.

Mt. Hebron is proud of its rich tradition of excellence in extracurricular and co-curricular activities. There are over 80 clubs and a full range of extracurricular activities under the direction of a full-time Athletics and Activities Manager. These clubs and activities include an award winning marching unit and cavaliers, a two-time state champion lancers team, world languages, first robotics, mock trial, and speech and debate. Mt. Hebron also sponsors an Allied sports programs for students who are interested in playing a sport, but do not necessarily possess the skill or desire to play on a varsity or junior varsity team.

Mt. Hebron is fortunate to have the support of many parent groups and service organizations in the education of our students.

Andrew Cockley, Principal
**Mission Statement:**
Mt. Hebron High School will meaningfully engage all students in rigorous academic experiences and opportunities for personal growth to prepare students to act as responsible citizens, equipped to succeed in a 21st century global community. In striving for excellence, Mount Hebron will adhere to these principles:
- ensuring safety for all
- demonstrating ethics and personal accountability
- serving and contributing to the community
- appreciating and learning from a diverse community
- enriching the whole person
- respecting tradition while preparing for the future
