REQUEST FOR TENANCY APPROVAL

Thank you for your interest in Atlanta Housing Authority's (AHA) Housing Choice Voucher Program (HCVP)! The following information will assist you in accurately completing the Request for Tenancy Approval (RTA). Our goal is to efficiently execute a contract in as little time as possible from receipt of an accurately completed RTA. The sooner we execute a contract, the better for both you and the renter. Our ability to execute a contract within a timely manner is heavily dependent upon your unit being ready at the initial inspection and your timely submission of requested documents. Below are five key steps to executing a contract successfully and receiving your payments:

1. Your timely submission of documents - This application will undergo an underwriting process. When AHA requests additional documents, please provide accurate documentation promptly (i.e. within 48 hours of request) via fax at 404-279-4754 or by email to the person making the request to avoid cancellation.
   - Note: All documentation supporting a request for consideration of major system upgrades, rent comparables, or an appraisal to substantiate a square footage that differs from the tax assessor’s website record must be submitted with the RTA (no exceptions). Submissions during the underwriting process will not be honored and subsequent appeals will not be processed.

2. Your property passing the initial inspection - You will be contacted to schedule your initial inspection. To ensure your property passes the inspection, follow the steps outlined in the AHA’s Enhanced Inspection Standards Checklist. Your property must be rent ready, completely vacant (including free of furniture), and all utilities must be on for the inspection to be conducted.

3. Your acceptance of the rent offer - After you pass your initial inspection, the rent determination will begin. Upon AHA’s approval and your agreement of rent for your property, we will email the initial confirmation notice which outlines the terms of the Housing Choice Rental Assistance (HCRA) Agreement.

4. Your timely return of a signed HCRA Agreement - Within 48 hours, the final HCRA Agreement will be emailed to you which outlines key terms such as agreed upon rent amount, contract period, approved household members and utility responsibilities. Please read, sign and return the HCRA Agreement and HCRA Lease Addendum within 48 hours for payment to be executed. Please note that AHA will not pay housing assistance to the Landlord or Participant until there is an executed HCRA Agreement in place. Under no circumstance is a Housing Choice Participant to move into your unit prior to having a signed and executed HCRA Agreement with AHA.

5. Enforce your lease - After you sign your HCRA Agreement, it is important that you manage your property in accordance with this agreement and enforce your lease. The lease is between you and your new renter. AHA’s role is to provide rental assistance to you on behalf of the renter. If your renter does not comply with your lease, they may no longer be eligible to participate in the HCVP.

Thank you for your interest in partnering with the Atlanta Housing Authority to provide quality affordable housing for the betterment of the community!

If you are a current property owner, you may be required to update your application and attend a briefing on an annual basis or upon request.

- **RECORDED DEED** - A recorded deed is required at all RTA submittals. If a property has been purchased in the last 90 days, an unrecorded deed, along with the receipt from the Court Clerk, will be acceptable.
  - AHA will check the Georgia Superior Court Clerks’ Cooperative Authority (GSCCCA) to validate ownership through our underwriting process.
