In a perfect world, there would be no need for a NICU. Unfortunately, babies continue to be born prematurely, and/or with medical conditions requiring hospitalization.

Activities in the NICU have a profound impact on the babies, their families and the staff. What you do matters. What you do is causally associated with the neonate’s health outcome, as well as that of the family and staff.

Over the past quarter century, neonatal care providers have worked tirelessly to mitigate the stress experienced by neonates, parents and providers. Doing so has involved change and its inherent struggles, but eventually we have come through the process by adapting our NICU culture, policies and approach. With the promotion of evidence-based knowledge in neurodevelopmental science, developmental care, healthcare design, and family support at The 29th Annual Gravens Conference, we endeavor to nurture the developmental needs of babies and the emotional and informational needs of their parents.

Join us in Clearwater Beach, Florida, in February of 2016 to continue our research, learning and practice as we examine Neuroscience, Neuroprotection, and Nurturing. The most current science, state-of-the-art research and leading practices will be presented over the course of four days.

Target Audience

This program has been developed to meet the educational needs of healthcare practitioners such as Neonatologists, Pediatricians, Occupational Therapists, Parents / Families, Neonatal Nurse Clinicians / Practitioners, Family Support Staff, Architects, Clinical Nurse Specialists, Hospital Administration, Infant / Child Development Specialists / Social Workers / Counselors, and other professionals working with high-risk infants, their families or their physical environment.
Learning Objectives

As a result of participating in this continuing education activity, the learner should be able to

Physicians:
- **Identify** current research that contributes to understanding neurodevelopment, neuroprotection, and the role of nurturing in the NICU.
- **Interpret** the impact of NICU-related practices on parents, infants, and staff.
- **Compare** and contrast several ‘best practices’ for improving family support policies
- **Develop** strategies for applying current information to clinical practice in the NICU environment.
- **Integrate** strategies for cultural change in the NICU, including intrapersonal, interpersonal, clinical, environmental, and system change.
- **Integrate** the various components to consider when renovating or creating new construction of a NICU, through the presentation by a team that has a new unit.
- **List** three new professional and/or parent contacts that have the potential to collaborate on current of future projects, or to assist with problem-solving.

Nurses:
- **Identify** current research that contributes to understanding neurodevelopment, neuroprotection, and the role of nurturing in the NICU.
- **Interpret** the impact of NICU-related practices on parents, infants, and staff.
- **Compare** and contrast several ‘best practices’ for improving family support policies.
- **Develop** strategies for applying current information to clinical practice in the NICU environment.
- **Integrate** strategies for cultural change in the NICU, including intrapersonal, interpersonal, clinical, environmental, and system change.
- **Integrate** the various components to consider when renovating or creating new construction of a NICU, through the presentation by a team that has a new unit.
- **List** three new professional and/or parent contacts that have the potential to collaborate on current of future projects, or to assist with problem-solving.

Learning objectives apply to all professions in the target audience.
Certificates of Attendance or certificates of continuing education credit are obtained online after the event.

**Physicians:** This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through a joint providership of USF Health and March of Dimes. USF Health is accredited by the ACCME to provide continuing medical education for physicians.

USF Health designates this live activity for a maximum of 19.25 **AMA PRA Category 1 Credits™.** Physicians should claim only the credit commensurate with the extent of their participation in the activity.

**Nurses FBN (Florida Board of Nursing):**  
USF Health is an approved provider of continuing education for nurses through FBN 50-2970. This program has been approved for 19.00 contact hours.

There are no prerequisites for nurses to participate in this activity. To complete this course, nurses must sign in each day, participate in all activities and complete the course evaluation.

**Florida Licensed Clinical Social Workers, Licensed Marriage and Family Therapists, Licensed Mental Health Counselors:** USF Health is an approved provider of continuing education credits for clinical social work, marriage and family therapy, and mental health counseling. This program has been reviewed and approved for up to 23, 50-minute contact hours.

**Florida Licensed Occupational Therapists:** USF Health is an approved provider of continuing education for Occupational Therapy licensees by the Florida Board of Occupational Therapists. This program has been reviewed and approved for up to **23.00**, 50-minutes contact hours. Licensee numbers are required prior to the issuance of certificates.

**Disclaimer:** This information provided at this CME / CE activity is for continuing education purposes only and not meant to substitute for the independent medical/clinical judgment of a healthcare provider relative to diagnostic and treatment options of a specific patient’s medical condition.

**Conference Highlights (include, but are not limited to)**

- Many, many opportunities to network with colleagues, faculty and exhibitors
- Complimentary Wi-Fi; bring your gadgets (fully charged as outlets are limited)
- Hartline Welcome reception on Tuesday night in the Exhibit Hall
- Drawing for door prizes, including free registration for 2016
- The Stan and Mavis Graven Award and Dinner on Friday night, followed by DJ & dancing
- Participate in the Annual Philbin Beach Walk, Run, Crawl each morning!

Gravens Conference Registration Fee Includes (per participant): Attendance at the conference, continuing education credit, exhibits, Hartline reception, Exhibit Hall reception, Poster session, continental breakfast and breaks each day, Award Ceremony dinner, and the conference syllabus, which will be electronic.

Refund & Cancellation Policy: Cancellations must be requested in writing via fax to 813-224-7864 or email to cpdsupport@health.usf.edu, and received by January 18, 2016 in order to receive a refund. A $100 cancellation fee will be assessed to cover administrative costs. There are no refunds for no-shows or for cancellations received after January 18, 2016; however, substitutions are welcome without penalty.

USF Health Office of Continuing Professional Development and March of Dimes reserves the right to cancel this activity due to unforeseen circumstances, in which case, the full registration will be refunded. USF Health and March of Dimes will not be responsible for travel expenses incurred by participants in the unlikely event that the program is cancelled.

Confirmations: If registering online, confirmation will occur upon completion. If mailing or faxing, confirmation will occur when data entry is completed.

Payment Policy: Checks must be made payable to USF HPCC #296 (University of South Florida, Health Professions Conferencing Corp., program #296). Payment by credit card may be done via online registration or by faxing the registration form to (813) 224-7864. Visa, MasterCard, Discover and American Express are accepted. Payment is in US dollars only. Therefore, all credit card transactions are processed in US dollars and are subject to the current exchange rate.
Questions or Assistance: Direct to Office of Continuing Professional Development: (813) 224-7860 Toll free: (800) 852-5362, or Conference Coordinator: Bobbi Rose brose@health.usf.edu (813) 974-6158.

Equal Opportunity & Accommodations for Disabilities:
USF is an Equal Opportunity / Affirmative Action / Equal Access Institution.

For disability accommodations contact USF HPCC at 800-852-5362 or 813-224-7860, or email Bobbi Rose at brose@health.usf.edu a minimum of five (5) working days in advance of the event

3 Ways to Register

Online Registration (PREFERRED METHOD):

https://cmetracker.net/USF/login?formname=RegLoginLive&eventid=339465

If the link above doesn’t work, go to: www.cme.hsc.usf.edu. Click on course calendar on the left side of the page. Sort by month, begin or end; February 2016. Click on The 29th Annual Gravens Conference. Click on the Register button.

Note: If your hospital is covering your registration via check, it is still preferred that you register online. This avoids the burden and inevitable errors of manual entry by USF. When you come to the payment option, choose the option that is NOT for a credit card (which is the default). The check must include the names of the registrants, either in the note section or with an attached document.

Registration Form, via fax or mail (LEAST PREFERRED METHOD)
The registration form is on the next page. It is the least preferred method as it increases the burden and errors of manual entry by USF. You may register online, even if your hospital is paying your registration by check. (See the previous paragraph.)

If by fax: fax to USF HPCC at 813-224-7864.

If by mail, send form and payment to:
