• Sewer service charge

BUREAU OF STREET LIGHTING
• Street lighting repair

BUREAU OF STREET SERVICES
• Pothole repairs, tree trimming, street cleaning, street resurfacing, enforcement of street use ordinances

BUREAU OF CONTRACT ADMINISTRATION
Administers contracts and permits for Public Works construction and improvement projects and all other public improvement projects. Protects the city and public interest by ensuring projects are constructed and administered in accordance with the plans, specifications, contract provisions, state and federal laws, and safety provisions.

BUREAU OF ENGINEERING
Responsible for the design and construction of all public building facilities and oversees projects involving bridges, parks, streets, wastewater treatment plants, sewers and storm drains, and the regulation of private development affecting the public right-of-way.

BUREAU OF SANITATION
Protects public health and the environment through the administration and management of three major program areas: Clean Water (Wastewater), Solid Resources (Solid Waste Management) and Watershed Protection (Stormwater). These infrastructure programs collect, treat, dispose and recycle solid and liquid waste.

BUREAU OF STREET LIGHTING
Responsible for the design, construction, operation, maintenance and repair of the street lighting system within the City of Los Angeles. There are currently more than 220,000 lights in the City featuring more than 400 different designs.

BUREAU OF STREET SERVICES
Responsible for the maintenance of improved streets, alleys, medians and sidewalks; unimproved roadways and alleys. Maintains the City’s street trees, landscaped median islands and embankments, root pruning, the removal of plants and trees and weed abatement. Enforces street use ordinances.
