The daily program is comprised of a language block in the morning, along with activities in the afternoon.

**PROGRAMS**

**Words Alive**
For children entering Senior Kindergarten & Grade 1, Words Alive is designed to further build literacy skills. Activities may include: chants, music, games, guided reading sessions and word hunts, balanced with recreational activities.

**Clubhouse**
For children entering Grades 2 & 3, Clubhouse provides opportunities for children to participate in a full day program designed exclusively for this age group. This program has a focus on theme related literacy activities balanced with recreational activities.

**Skills ‘n Motion Level 1**
For youth entering grades 4 & 5, this program has both an intentional literacy focus and an opportunity to participate in a variety of engaging and fun elective activities in athletics, arts and recreation. We all know how much kids enjoy the unknown (mysteries, secret stories and urban legends, etc.) Participants in Skills ‘n Motion 1 will refine their reading and writing skills through daily immersion in various texts and will put their sleuth knowledge to use by publishing a fact or fiction report of their own through the use of technology in a variety of media forms.

**Skills ‘n Motion Level 2**
For youth entering grades 6, 7 & 8, this program has both an intentional literacy focus and an opportunity to participate in a variety of engaging and fun elective activities in athletics, arts and recreation. Participants will reinforce and refine their reading and writing skills through daily immersion in varying literary forms. Participants in Skills ‘n Motion Level 2 will investigate the language and process of reporting and have the opportunity to publish their creative work using a variety of technology.

During the language block, students are engaged in fun and enriching learning activities that address reading, writing, media and oral communication expectations from the Ministry of Education curriculum documents.

Please note that offsite outdoor education experiences will be offered weekly at no additional cost to Words Alive and Clubhouse participants. Information will be provided at the site.
ELECTIVES (available to youth entering Grades 4 to 8 only)

- **Archery** Learn to sight along the bridge of your nose and feel the wind in the feathers of arrows when firing at bull’s eyes in the archery field.

- **Dance** Participants will enjoy a week full of the latest music while they learn and perform cool dance moves in the si dance studio.

- **Digital Photography** Attention all photographers! This is your opportunity to learn and develop your skills in digital photography! Learn how to capture and manipulate images with the latest digital cameras and leading edge digital editing software.

- **Drums** Get ready for the downbeat! Hone your percussion skills and cherish the opportunity to share the joy of making music with drums.

- **Field Invaders** In Field Invaders, you will learn a new “high energy” game every day that you can play with your family and friends. Some of the games will range from “Capture the Flag”, “Spud”, “Frozen Critters” to various forms of dodge ball. Participants will also have an opportunity to create their own games.

- **Fine Arts** We take great pride in the extensive visual arts programs available at si. Participants may explore their creative possibilities. Whether your child is a gifted artist or simply delights in experimenting, there is something for everyone.

- **Guitar Stars** Learn how to be a real guitar hero. An introduction to basic chords and techniques will impress your family and friends.

- **Karaoke Stars** Have you ever wanted to perform Karaoke? Well here is your chance to shine. Participants will practice and showcase their singing talent in a creative way!

- **Makerspace** Participants can plan, create and manipulate their creative ideas. They will have opportunities to invent, tinker, explore and discover using a variety of tools and materials, and technology.

- **Model Building** Participants will use a variety of materials (plastiscene, wood, plastis, and Lego) to create models based on a variety of themes to take home at the end of the week.

- **Mountain Biking** Interested in learning how to maintain a bike? Want to know the rules for the road? Then come biking with us through the community and on the trails. This elective is not recommended for beginner bikers.

- **Naturally Curious** Take a closer look at the world outside your doorstep! Go on an insect safari, play some cool interactive nature games, make some nature crafts, learn how to be a nature detective, and become more aware of the wildlife that shares our city with us! This program will run outdoors, rain or shine.

- **Net Sports** Explore the fundamentals of a variety of net sports, including volleyball, basketball, and badminton.

- **Racquet Sports** Learn the elements of a variety of racquet sports (badminton, tennis, ping pong and more) and practise them in tournament style!

- **Ready, Set, Cook** Continues to offer the basics of food preparation and cooking. Participants will eat their daily creations and take home a recipe book at the end of each session.

- **Scrapbooking** Do you want to display pictures of your friends and family in a cool way? In this program participants will learn the creative art of combining pictures, memories and stories in one amazing album. Campers will have the option of bringing in pictures of their own or taking pictures at camp using digital cameras.

- **Sew Crafty** Create cool crafts and hot trends in Sew Crafty! A hand sewing program that will teach you hand stitching and embroidery. Create one-of-a-kind pieces that will catch everyone’s attention.

- **Skatezone** Participants won’t believe what skilled instructors can do! From inline skating to skateboarding, ride like never before! Learn to drop in on the si pipe, slide the rails, and practice ollies in the skate park. It’s going to be wicked! APPROPRIATE HELMET REQUIRED.

- **Tournament of Champions** Climb the ranks in structured tournaments including air hockey, foosball, ping pong and other competitive games.

- **Video Filming** See your ideas come to life on the big screen! You’ll learn to work with both the video camera and the computer. Maximum of 2 participants per camera.

- **Wacky Science World** Get ready to enjoy a week jam-packed with discovery and exploration through themed, hands on activities in the wonderful world of science. Developed for budding scientists, participants will earn new and exciting concepts that will excite the scientist at heart.
