CH2M HILL Alaska – Workforce Development Manager - Anchorage, Alaska

The challenge? Be at the center of a global leader in full-service engineering, consulting, construction and operations. Our Workforce Development career path provides you with an opportunity to work with Talent Acquisition professionals in a dynamic environment. As a Workforce Development Manager for the firm, you will work directly with stakeholders to support the Alaska Resident Hire strategy.

Our Workforce Development Managers:

- Support and implement the Alaska Resident Hire strategy
- Develop, coordinate and manage numerous craft workforce development programs in conjunction with line management (i.e. General Maintenance Technician in King Salmon, Alaska; Welding Construction in Anchorage)
- Develop and maintain relationships with key workforce development stakeholders (i.e. Alaska Department of Labor, APICC, AVTEC, Alaska military, University of Alaska, key clients)
- Manage University Relations activities and programs (interns & full-time hires) for the Alaska Region in conjunction with broader enterprise programs
- Monitor and manage Alaska Resident Hire data and provide information to stakeholders as needed
- Produce and distribute the annual Alaska Resident Hiring report
- Represent CH2M HILL in Alaska Resident Hiring initiatives and activities; coordinate public relations activities

Basic Qualifications

- Bachelors Degree
- Experience with University Relations and College Recruiting
- Experience with workforce development in Alaska
- Minimum of one (1) year of Human Resources or Recruiting experience

Preferred Qualifications

- Masters Degree in Human Resource Management or MBA
- 5+ years of Human Resources experience
- Active involvement in Alaska Workforce Development
