**TD Bank Partners with Robins’ Nest for National Child Abuse Prevention Month**

**Glassboro, NJ – 4/22/13** – April is National Child Abuse Prevention Month and TD Bank, America’s Most Convenient Bank®, is partnering with Robins’ Nest to raise money and awareness to help prevent the abuse and neglect of innocent children through the *Pinwheels for Prevention* campaign. With the generosity of TD Bank and support from the community, we can help transform the lives of children every day.

Child abuse can be prevented and we all have an important part in making that happen. When we work together to promote nurturing parent-child interactions, teach discipline that is safe and age-appropriate, and foster early learning opportunities, we actually support child development and healthy family relationships – the very actions that help and are proven to prevent child abuse and neglect.

Anthony DiFabio, President and CEO at Robins’ Nest said, “Most of us can’t even begin to imagine the tragedy that comes from the abuse and neglect of an innocent child. Whether it results from extreme poverty, mental illness, or other social and family problems, we know that with early intervention and home visitation it we can stop it before it starts.”

You can help make a difference with a contribution of just $25.00. TD Bank is supporting the effort and doubling the impact by matching the first forty $25.00 donations to the campaign. In appreciation of your gift, we will plant a pinwheel in our garden of hope in your honor.
