Special Events

Sanitech

Toilet Hire
First in Portable Toilets

Sanitech is the leading portable sanitation company in South Africa with branches nationwide and is renowned for its service excellence and superior product technology. Sanitech was the first portable toilet hire company to supply sanitation facilities to areas where no sanitation infrastructure existed.

Experience counts and Sanitech understands the importance of choosing a trusted supplier with an outstanding track record. With more than two decades of local experience and the global support of Waco International, Sanitech is the only toilet hire company with the necessary national fleet to maintain a competitive edge.

First in Special Event Services

Portable toilet solutions at special events are a prerequisite to success. Event organisers and planners know that Sanitech’s products not only boast state of the art quality, design and performance but also adhere to all environmental and health regulations. The range is vast and competitively priced. Some of the recent events that the company has been involved in include:

- Africa Aerospace & Defence 2014 Exhibition
- Clover Aardklop Festival
- Clarens Beer Festival
- In the City
- Mandela Day
- Seed – Colour Party
- Afriform Music Festival
- Varsity Cup (Pretoria University)
- Gauteng Motor Show
- Itemba Walkathon
- Jozi South Half Marathon
- Jozifest
- Brothers for Life Rally
- ACSS Cansa Walk
- Comrades Marathon
- Durban July
- Top Gear
- Splashy Fen

Integrated Hygiene and Sanitation Solutions

Sanitech Hygiene is a leading service provider of professional washroom hygiene solutions. The division was established in 1996, and with branches nationwide, is the preferred supplier to many of South Africa’s leading companies and organisations.

Sanitech offers a comprehensive range of hygiene services including sanitisers, wipes, toilet tissue dispensers, sanitary bins, hand washing and drying components. All hygiene units are fully maintained for the duration of the contract period.

These products are not only effective, durable and reliable, but always maintain Sanitech’s strong commitment to the environment, while combining powerful hygiene formulas with cost effective solutions.

Sanitech Hygiene services include washroom solutions, deep cleaning, daily cleaning and pest control.
