FOR ELEMENTARY SCHOOL

Paws in Jobland’s online career awareness program takes elementary school students on a lively tour through Jobland, motivating them to expand their horizons as they identify personal interests and explore careers.

- Inspire career awareness in K-5 students with this engaging, animated site.

- Enable young students to identify their personal interests and explore over 100 different careers using Career Clusters.

- Help students successfully build crucial problem solving, critical thinking, and reading comprehension skills with activities, audio and video tracks, and a job finder quiz.

- Save teacher preparation time with online professional resources, including over 50 ready-made lesson plans and activities.

- Involve parents in their children’s learning with online access, extending programs beyond the classroom and into the home.

What people are saying about Paws in Jobland...

from Educators

“The kids at my school really enjoyed navigating the Paws in Jobland interactive program. Their complaint was that they did not have enough time to do all of it.”

- Jane Coleman, Tuscaloosa, AL

“The kids love Paws in Jobland. The Job Finder is a fun way to show them things that they are interested in and a neat way to match them up with careers that match their interests.”

- Kearstin Norris, Crisfield, MD

“I have used Paws in Jobland with 2nd graders and they really enjoy the way lessons are presented to them. The program is very informative and exciting for them.”

- Mildred Abu, Mesquite, TX

“Paws in Jobland is a great tool to use in introducing young students to career possibilities!”

- Tracy Mercer, Leander, TX
