St. Joseph Outreach along with the Long Island Coalition for the Homeless is in need of school supplies. There will be a bin set up in the lobby of the Council for the next month. All donations are appreciated.

On August 7th we had our annual Council Picnic at Hidden Pond Park. It was a great day and lots of fun was had by all. Thank you all for your help with making the picnic such a success. Thank you to Larry McCourt for providing the music, Mike Morano, who did an awesome job cooking all the food. Thank you to Emily Harris for organizing the 50/50 and thank you to Vinny Safina and Rich Santiago for once again organizing such a great event. I know there were a lot of people that helped that day, once again I thank you for all your help.

On August 21st we celebrated our Installation of Officers for both the Knights and the Columbiettes. I would like to congratulate all the newly installed officers and those continuing on in their term. I am very pleased and proud of all the members and their families that came to support our Great Council.

On August 29th is our Memorial Mass at 9:00am following by bagels at the Council afterwards. It’s not to late to buy your ticket to the first Annual Oktoberfest at the Council. Please contact Vinny Safina 631-838-0773 or get your tickets at the bar. I hope to see you all their.

Disaster Relief for the State of Louisiana

The Knights of Columbus latest disaster relief efforts are aimed at raising funds for flood victims in southern Louisiana. Please go to kofc.org to help now.

“When Father McGivney founded this organization in 1882, he did so with the intention of helping those most in need,” said Supreme Knight Carl Anderson. “Today we are happy to continue this legacy in numerous ways through our works of charity. But we honor this vision in a special way with our ministry to those affected by disaster. When our neighbors are left with nothing, Knights are among the first to rush in and help them get back on their feet.”

PLEASE DONATE TODAY!
Louisiana Flood Relief
Your support is urgently needed to help those suffering such devastation.

Southern Louisiana is being hit by what is called “the worst natural disaster since Superstorm Sandy.”; Several people have died, with tens of thousands of others forced to leave their homes. More than 30,000 people have been rescued from the flooded areas, many seeking refuge in emergency shelters. In response to the devastation, the Supreme Council has launched an online donation drive to assist with local relief operations. One hundred percent of the proceeds will go directly to relief efforts. The Knights of Columbus has a long tradition of providing disaster relief, said Supreme Knight Carl Anderson. Our communities, like the people of Southern Louisiana, need our time, our efforts and our financial assistance. We are going to do all that we can, working with the Louisiana State Council and local councils, to help those most in need as a result of the flooding.

Protecting Widows – A Founding Goal
As a member of this council, you know how important spouses can be to the charitable works of the Order. If you’re married, your wife is probably involved in a few of the many events that happen each fraternal year. This support adds great value and impact to what a council can achieve.

When the Order was founded in 1882, Father Michael J. McGivney and the other brave men were setting out to protect Catholic families, but especially wives and children. Today, we remain committed to this mission by offering insurance products and fraternal benefits designed with that goal in mind. One specific policy rider that you may not know about is called Spousal Waiver of Premium. This rider is unique to the Knights of Columbus philosophy of helping our widows. This rider is available on most permanent and Discoverer plans purchased at standard rates by a member and his wife on the same day. When both spouses apply, the rider provides for waiver of premiums on the spouse’s contract in the event of the insured’s death. Best of all, for members and spouses ages 18 to 60, this waiver can be added for no charge. The rider stays in effect until the spouse attains age 65 or certain other triggering events occur.

Our products are designed with your needs and budget in mind. With a solid portfolio of life insurance, long-term care, disability income and retirement products, the Knights of Columbus can help you meet all of your financial goals. To learn more about these solutions, contact me today.

Tempus Fugit...Momento Mori!
I hope this message finds all of you well and enjoying the summer of 2016. Hopefully the heat wave subsided and you were able to do some of the summer events you planned on. It was a difficult time for our elderly. I pray all came through without too many problems.

As I continue to serve St. Regis Council and contacts of other councils, it never ceases to amaze me how many members of the Knights refuse to take advantage of the Order’s top rated financial products. More so, not taking advantage of the service I provide to Brother Knights and their families...free of charge too. I could never understand why a husband and wife without an insurance background or training would not want an update on something as important and complex as their life insurance and retirement plan regardless of what company it is with.

Ask yourself these questions:
When does my coverage expire? What is my insurance or retirement death benefit? How does a death change our monthly income? Does my spouse or beneficiaries have a tax liability when I die? How will we cover final expense costs? What if we need nursing care?

Did you know that week after week I find members with Universal or Variable life policies that will expire before they die....and they don’t even know it! “How could this happen” ...they ask. If interest rates were 15% when you bought it and the cost of insurance was low and now interest rates are at the policy minimums and the cost of insurance is high...you lose. It’s the “perfect storm” and your agent that sold it to you told you would never happen. The “perfect storm”, can be avoided. All it takes is an insurance review with a trusted Brother Knight that cares about you. Take your head out of the sand and give me a call...you'll be glad you did...your wife and family will too!

Remember to put the Benefit night October 19, 2016 on your calendar. Great information for all. Check out the flyer in this newsletter.

God, our Father, protector of the poor and defender of the widow and orphan, you called your priest, Father Michael J. McGivney, to be an apostle of Christian family life and to lead the young to the generous service of their neighbor. Through the example of his life and virtue may we follow your Son, Jesus Christ, more closely, fulfilling His commandment of charity and building up His Body which is the Church. Let the inspiration of your servant prompt us to greater confidence in your love so that we may continue his work of caring for the needy and the outcast. We humbly ask that you glorify your servant, Father Michael J. McGivney, on earth according to the design of Your holy will. Through his intercession, grant the favor I now present (here make your request). Through Christ our Lord. Amen.
A motion was made to increase the dues from $45 to $60 per year. The Council will be utilizing this money to pay a stipend to the corporation for the use of the hall. A vote on this motion will be taken at our October Business Meeting.

I pledge allegiance to the Flag of the United States of America, and to the Republic for which it stands, one Nation under God, indivisible, with liberty and justice for all.

I would like to Congratulate William Stallone and Salvatore Caruso on making their 3rd Degree on August 10th. It was an honor to be there to watch the ceremony. I would encourage all members to attend degrees to not only support our brothers, but hear the words again and understand their meaning. They have a lot to offer us.

I heard a statistic at the degree that makes a lot of sense and want to pass it on to you. Women who go to church and take their children, 17% percent of their children go to church as an adult. Men who go to church and take their family, 90% of their children go to church as an adult. Brothers, we are the backbone of our church. We need to stand up and encourage not only ourselves, but all men to join us and keep our faith alive. We need to also be active in our church so we show our children how important it is for our faith to survive.

As our religious freedom is threatened on a daily basis, it is imperative to stand together and fight this foe together. Alone we are vulnerable. But together, as Ambassadors, we can fight for our rights and win this battle. Our Supreme Knight calls upon us to ask other Catholic gentlemen to join our ranks and strengthen our voice. The threat is very serious. If not acknowledged and fought, it will take our Values and Beliefs.

Fifty years ago the Second Vatican Council released its document on the importance of religious freedom, titled *Dignitatis Humanae*. Today, religious freedom is seriously restricted in countries around the world, while at home, much work is being done to protect our First Amendment right to religious freedom from erosion.

Looking at the case of the Little Sisters of the Poor, whose religious freedom case is currently being considered by the Supreme Court, and at examples worldwide, this new video — [The Right to Religious Liberty](#) — explains why the Second Vatican Council’s document remains so important and why protecting our right to religious liberty is critical to every person’s fundamental freedom.

Membership growth is the fuel that keeps this great fraternal engine running. All of our charitable works at the council, state, national and international level are thanks to our hard-working members. And more members equals more charity.

We must remember that we have a duty to ask each and every Catholic gentleman to join our ranks for the good of the Church, the community and the Order.

During the rest of the year, we often “forget” to ask men to join and to bring their families into the Knights of Columbus family. You probably know an eligible Catholic man you could ask today. What if the only reason he hasn’t joined is because no one has asked him yet?

When telling a prospect about the strengths of the Order, don’t forget our greatest fraternal benefit: our insurance program. This is often a “selling point” to a potential member who is on the fence. Many members become Knights simply to be able to buy coverage to protect their family. Soon after, they realize the good our charitable works do for their community, and they are proud to be members.

This is not about social membership. This is Fraternal membership. A brotherhood that stands together to fight for our beliefs. Continue to ask every Catholic man you run into to join our organization and continue Father McGivney’s dream of strengthening our faith.

If you have someone in mind that you want to recruit, but need help, call myself or Danny Purcell (631) 467-0230 and we will be glad to assist you.

Come and Enjoy a Fun Night Out With Family and Friends and Support The Columbiettes at the Same Time
The FUN Begins at 7pm
My dear sister Columbiettes,

It’s time to say goodbye to the overpowering heat of summer and hello to the brisk cool air of fall. I love the fall and the beautiful display of colors as the leaves begin to change. Most people forget that as we watch these changes take place the trees are doing a lot of work. The leaves, branches, and roots are all busy pulling nutrients into the tree so it can grow and prosper. Just as the tree needs each part working together the same can be said for our organization. Each of us has been given the gifts of friendship and unity when we joined St. Regis, and we need all of us working together to grow as a family in faith and community. With that growth comes the added benefits of good works of charity and good will. If you haven’t been around in a while, it’s time to come back, we need you and if you are active, thank you, your help is invaluable.

Our next meeting is on Wed. Sept. 14th and I look forward to seeing you all there. Wasn’t our last meeting a little overwhelming but so worthwhile? It’s amazing what we got accomplished in just one hour by working together, we reviewed the audit from last year and our budget for this year, discussed the calendar of events for the Columbian year, introduced some chairladies, announced other chairlady positions that are still open, reviewed paperwork that needs to be filled out when chairing an event, acknowledged those in need of our prayers, and celebrated the accomplishments of a few Columbiette family members. Plus we had time to enjoy some refreshments and some great conversations as we got to know one another. Wow!

Our first successful fundraiser of the year was the Day at a Play, chaired by Millie D’agostino. Thank you Millie and all who assisted you. It was really great and we all had a wonderful time. If you didn’t go, I would definitely recommend doing so next time.

We also held the Officer’s Mass at the council. It is always nice to have an opportunity to share our faith as a family and then socialize after the mass. Thank you Millie D’agostino for stepping up and being the refreshments chairlady, a job well done!

And lastly, The Installation of Officers was awesome! Congratulations to all the officers who were installed that day. Thank you to all who helped set up and re-set up the room for us, Hats off to the chef for our excellent meal, including my favorite Macaroni & Cheese!, and Many Thanks to Vivian McCourt and Carmela Safina, you both did an excellent job as the refreshments chairladies. A special Thank You goes out to Pat Blinn, Regina Rail, Emily Harris, and Dawn Santiago, who responded to my call for help at the very last minute due to unforeseen circumstances and changed their plans to assist me, and Thank you to all who worked behind the scenes to make it an excellent day. It was a great success!

God Bless you all,

Colleen Wyman, Madam President
